To Whom it may concern,

First of all, thank you for your time...

Secondly, I plan on having a more "Formal" Objection to this tomorrow at this time as I'll hopefully be sending along something from my Attorney then.

But for now, I'm just starting for the record, as a normal citizen, that I Object to being disregarded in this case.

My Name is Giovanni Barone and this Case No is 24-11390 (TMH), against Fisker, Inc. and my individual Claim Number is: 1274

I object to the Misclassified Claim in Schedule 2.

I bought a Fisker Ocean One, under direct pressure by Chad Ghneim - Sales Rep, at the end of December, 2023. There were a lot of things "Promised" as incentives, but the people high up knew this Company wasn't gonna last and I was subject to their Cash Grab. My car only has about 300 miles on it TO THIS DAY as it just is inoperable. I've put a down payment on it and still owe money for a car that is basically a Brick. All tolled, I'm out about \$75,000.

I'll have to send supporting documents tomorrow...

Sincerely yours,

Giovanni Barone
