**Claim # 4098 for \$45,250**

**Date:** 8/15/2025

**To:** Office of the Clerk of United States Bankruptcy Court For the District of Delaware

824 North Market Street

Wilmington, DE 19801

**Re:** *Fisker, Inc.* , Case No. 24-11390 – Chapter 11

**Subject:** Request for Consideration of Late-Filed Proof of Claim

Dear United States Bankruptcy Court For the District of Delaware,

I am writing regarding my Proof of Claim in the above matter, which was filed after the bar date due to the email notice with filing deadline went to my spam folder so I was not aware of the deadline. Once I discovered the notice in my spam folder, I acted promptly to submit the claim.

The claim arises from my initial investment in Fisker stock and down payment on a Fisker car in the amount of \$45,250, supported by the documentation submitted.

I respectfully request that you consider allowing the claim for distribution purposes, as the late filing was unintentional and does not prejudice other creditors.

Thank you for your time and consideration.

Sincerely,

Ira Rubien
