**MOTION OF DEBTORS FOR ENTRY OF
INTERIM AND FINAL ORDERS (I) AUTHORIZING THE PAYMENT
OF CERTAIN TAXES AND FEES AND (II) GRANTING RELATED RELIEF**

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) state as follows in support of this motion:²

Relief Requested

1. The Debtors seek entry of interim and final orders, substantially in the forms attached hereto as **Exhibit A** and **Exhibit B** (the “Interim Order” and “Final Order,” respectively), (a) authorizing, but not directing, the Debtors to (i) negotiate, remit, and pay (or use tax credits to offset) Taxes and Fees (as defined herein) in the ordinary course of business that are payable or become payable during these chapter 11 cases (including any obligations determined upon Audit (as defined below) or voluntary disclosure or Assessment (as defined below) or otherwise), without regard to whether such obligations accrued or arose before or after the Petition Date and

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://www.veritaglobal.net/Marelli>. The location of Marelli Automotive Lighting USA LLC's principal place of business and the Debtors' service address in these chapter 11 cases is 26555 Northwestern Highway, Southfield, Michigan 48033.

² A detailed description of the Debtors and their business, including the circumstances giving rise to the Debtors' chapter 11 cases, is set forth in the *Declaration of David Slump, Chief Executive Officer of Marelli Automotive Lighting USA, LLC, in Support of First Day Motions*, filed contemporaneously herewith (the "First Day Declaration"). Capitalized terms used but not defined in this motion shall have the meanings ascribed to them in the First Day Declaration. In support of this motion, the Debtors submit the *Declaration of Tony Simion, Managing Director of Alvarez & Marsal North America, LLC, in Support of First Day Motions*, filed contemporaneously herewith.

(ii) undertake the Tax Planning Activities (as defined herein) and (b) granting related relief. In addition, the Debtors request that the Court schedule a final hearing approximately twenty-one days from the commencement of these chapter 11 cases to consider approval of this motion on a final basis.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Debtors confirm their consent, pursuant to rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory bases for the relief requested herein are sections 105(a), 363(b), 507(a)(8), 541, and 1107 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 2002, 6004, and 6007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rules 2002-1 and 9013-1.

Background

5. The Debtors, together with their non-Debtor affiliates (collectively, “Marelli” or the “Company”) are one of the largest international automotive parts suppliers in the world and a pioneer in motorsports and in automobile manufacturing and design. With its headquarters in

Saitama, Japan and over 46,000 employees located in twenty-four countries around the world, Marelli designs and produces sophisticated technologies for leading automotive manufacturers, including lighting and sensor integrations, electronic systems, software solutions, and interior design products, and collaborates with motor sports teams and other industry leaders to research and develop cutting-edge, high-performance automotive components.

6. On June 11, 2025 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Concurrent with the filing of this motion, the Debtors filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

Taxes and Fees Overview

7. In the ordinary course of business, the Debtors collect, withhold, and incur taxes and fees including, among others: (a) income and franchise taxes; (b) sales, use, value-added, and similar taxes; (c) property taxes; (d) customs duties and fees; (e) business and regulatory fees, and license, permit, annual report, and limited liability company fees; and (f) assessments, interests, penalties, and other fees as a result of audits (collectively, the “Taxes and Fees”).³ The Debtors pay or remit, as applicable, Taxes and Fees to various federal, state, local, and foreign

³ For the avoidance of doubt, the Taxes and Fees include Income and Franchise Taxes, Sales and Use Taxes, VAT, and GST, Taxes, Property Taxes, Regulatory and Other Taxes and Fees, and Customs Duties (each term as defined herein). Other than with respect to any potential unknown Audits or Assessments (each as defined below), this motion does not seek relief with respect to the Debtors’ collection and remittance of employee-related taxes and withholdings, which are instead addressed in the *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue the Compensation and Benefits Programs and (II) Granting Related Relief* (the “Wages Motion”), filed contemporaneously herewith.

governments, including taxing and licensing authorities (each, an “Authority,” and collectively, the “Authorities”) on a periodic basis (monthly, quarterly, semi-annually, or annually) depending on the nature and incurrence of particular Taxes and Fees and as required by applicable laws and regulations. A schedule identifying the Authorities is attached hereto as Exhibit C.⁴ The Debtors generally, but not exclusively, pay and remit Taxes and Fees through checks and electronic transfers that are processed through their banks and other financial institutions or service providers. From time to time, the Debtors may also receive tax credits for overpayments or refunds in respect of Taxes and Fees. The Debtors generally use these credits in the ordinary course of business to offset against future Taxes and Fees or have the amount of such credits refunded to the Debtors.

8. Additionally, the Debtors are subject to, or may become subject to, audit investigations on account of tax returns and/or tax obligations in respect of prior years (“Audits”) during these chapter 11 cases and certain of the Debtors are currently subject to an ongoing Audit. Audits may result in additional prepetition Taxes and Fees being assessed against the Debtors, (such additional Taxes and Fees, “Assessments”).⁵ Critically, in certain of the jurisdictions where the Debtors operate, the Debtors must be able to accept a proposed resolution of an Audit and make a payment with respect to such resolution in a timely manner. Accordingly, the Debtors seek authority to pay or remit tax obligations on account of the Audits as they arise in the ordinary course of business, including as a result of any resolutions of issues addressed in an Audit, and including with respect to the kinds of Taxes and Fees otherwise addressed in the Wages Motion.

⁴ Although Exhibit C is intended to be comprehensive, the Debtors may have inadvertently omitted Authorities from Exhibit C. The Debtors request relief with respect to Taxes and Fees payable to all Authorities, regardless of whether such Authority is specifically identified in Exhibit C.

⁵ Nothing in this motion, or any related order, constitutes or should be construed as an admission of liability by the Debtors with respect to any Audit or Assessment. The Debtors expressly reserve all rights with respect to any Audit and the right to contest any Assessments claimed to be due as a result of any Audit.

9. The Debtors seek authority to pay and remit all prepetition and postpetition obligations on account of Taxes and Fees and Assessments (including any such obligations identified upon completion of an Audit or voluntary disclosure or otherwise determined to be owed), including: (a) where Taxes and Fees accrue or are incurred postpetition; (b) Taxes and Fees that have accrued or were incurred prepetition but were not paid prepetition, or were paid in an amount less than actually owed; (c) where payments made prepetition by the Debtors were lost or otherwise not received in full by any of the Authorities; and (d) Taxes and Fees incurred for prepetition periods that become due and payable after the commencement of these chapter 11 cases, including as a result of Audits or voluntary disclosures. In addition, for the avoidance of doubt, the Debtors seek authority to pay Taxes and Fees for so-called “straddle” periods (*i.e.*, periods that include the Petition Date).⁶

10. Finally, subject to the Final Order, the Debtors seek authority to undertake certain typical activities related to tax planning, including but not limited to: (a) converting Debtor entities from one form to another (*e.g.*, converting an entity from a corporation to a limited liability company) via conversion, merger, or otherwise (“Entity Conversions”); (b) making certain tax elections (including with respect to the tax classification of Debtor entities) (“Entity Classification Elections”); (c) changing the position of Debtor entities within the Debtors’ corporate structure (“Entity Movements”); and (d) modifying or resolving intercompany claims and moving assets or liabilities among Debtor entities (“Asset and Liability Movements” and, together with the Entity Conversions, Entity Classification Elections, and Entity Movements, the “Tax Planning Activities”), in the case of each of clauses (a)-(d), solely to the extent that such Tax Planning

⁶ The Debtors reserve their rights with respect to the proper characterization of any “straddle” Taxes and Fees and to seek reimbursement of any portion of any payment made that ultimately is not entitled to administrative or priority treatment.

Activities (i) will not alter the substantive rights of any of the Debtors' creditors or equity holders in these chapter 11 cases and (ii) are not anticipated to impose material adverse tax consequences upon any of the Debtors' creditors or equity holders, in each case, as reasonably determined by the Debtors (in consultation with the Ad Hoc Group of Senior Lenders) and without regard to intercompany obligations or equity interests.

11. Any failure by the Debtors to pay the Taxes and Fees could materially disrupt the Debtors' business operations in several ways, including (but not limited to): (a) the Authorities may initiate Audits of the Debtors, which would unnecessarily divert the Debtors' attention from these chapter 11 cases; (b) the Authorities may attempt to suspend the Debtors' operations, file liens, seek to lift the automatic stay, and/or pursue other remedies that will harm the Debtors' estates; and (c) in some instances, certain of the Debtors' directors and officers could be subject to claims of personal liability, which would likely distract those key individuals from their duties related to the Debtors' chapter 11 cases. Taxes and Fees not paid on the due date as required by law may result in fines and penalties, the accrual of interest, or both. In addition, nonpayment of the Taxes and Fees may give rise to priority claims under section 507(a)(8) of the Bankruptcy Code. The Debtors also collect and hold certain outstanding tax liabilities in trust for the benefit of the applicable Authorities, and these funds may not constitute property of the Debtors' estates. Risking any of these negative outcomes is unnecessary. Accordingly, the Debtors seek authority, but not direction, to pay the Taxes and Fees and Assessments as they become due, and to engage in Tax Planning Activities, as necessary.

12. The Debtors estimate that approximately \$225,851,000 in Taxes and Fees is outstanding as of the Petition Date, as outlined below:⁷

Relief Requested			
Category	Description	Interim	Final
Income and Franchise Taxes	Taxes imposed on the Debtors' income in all applicable jurisdictions, including the United States and a number of other countries. ⁸	\$15,598,000	\$28,787,000
Sales and Use Taxes, VAT, and GST	Taxes on goods and/or services that are used/consumed or sold by the Debtors and assessed based on the value of those goods and services.	\$53,702,000	\$59,609,000
Property Taxes	Taxes and obligations related to real and personal property holdings.	\$2,123,000	\$8,910,000
Regulatory and Other Taxes and Fees	Taxes and Fees related to regulatory assessments, permitting, licensing and other operational fees, including as a result of cross-border transactions, and other Taxes and Fees paid to the Authorities.	\$2,398,000	\$3,795,000
Customs Duties	Taxes on imports and exports, including, without limitation, tariffs, anti-dumping duties, brokers fees, and import and export fees.	\$24,750,000	\$24,750,000
Audits	Ongoing audit investigations in various jurisdictions on account of the Debtors' tax returns and/or tax obligations in prior years.	\$7,000,000	\$100,000,000 ⁹
Total		\$105,571,000	\$225,851,000

⁷ In certain cases, the approximate amount of Taxes and Fees is based on current exchange rates and may be subject to change based on fluctuations in exchange rates. Monetary amounts stated herein that are denominated in euros or other currencies have been converted to the United States dollar based on current exchange rates retrieved at the close of business on May 31, 2025 (prevailing Eastern Time).

⁸ These countries include but are not limited to Brazil, China, Czech Republic, Germany, Italy, Japan, Mexico, Morocco, Poland, Romania, Slovakia, Spain, Thailand, and Turkey.

⁹ The Debtors are currently subject to ongoing Audits and, in many cases, have contested the merits of such Audits and the amounts asserted by certain Authorities.

I. Income and Franchise Taxes.

13. The Debtors have incurred, and are required to pay to relevant Authorities, various state, local, and federal income, franchise, and similar taxes in the United States as well as income, franchise, and similar taxes in the various foreign jurisdictions where the Debtors operate (collectively, the “Income and Franchise Taxes”). The Debtors generally remit Income and Franchise Taxes to relevant Authorities in accordance with the statutory requirements of each applicable jurisdiction (*e.g.*, on a monthly, quarterly, biannual, or annual basis). In some jurisdictions, the Debtors remit estimated amounts with respect to Income and Franchise Taxes to the relevant Authorities, resulting in tax credits or overpayments that may be refunded to the Debtors in certain circumstances or used to offset current liabilities.

14. In 2024, the Debtors paid approximately \$96,812,000 in the aggregate to various Authorities on account of Income and Franchise Taxes. As a multinational enterprise with globally distributed operations, the Debtors must make timely payment of their Income and Franchise Taxes in jurisdictions around the world in order to continue operating in the ordinary course of business. Failure to remit Income and Franchise Taxes when due and owing would severely restrict the Debtors’ ability to do business in many jurisdictions outside the United States, where Taxing Authorities are generally unfamiliar with the chapter 11 process and may be unwilling to tolerate delays in remittances without taking adverse action. As of the Petition Date, the Debtors estimate that approximately \$28,787,000 in prepetition Income and Franchise Taxes has accrued and remains unpaid to the relevant Authorities. Accordingly, the Debtors seek authority, but not direction, in their business judgment, to make payments on account of Income and Franchise Taxes in an aggregate amount not to exceed \$28,787,000, of which \$15,598,000 shall be available upon entry of the Interim Order and the remaining amount upon entry of the Final Order. Further, the Debtors request authority, but not direction, to satisfy any amounts owed on account of such

Income and Franchise Taxes that may become due and owing in the ordinary course of business during the chapter 11 cases.

II. Sales and Use Taxes, VAT, and GST.

15. The Debtors are an international enterprise with operations in numerous foreign jurisdictions. In connection with these operations, the Debtors incur, collect, and remit to relevant Authorities sales, use, value-added, and similar taxes based on the goods and/or services that are used or consumed and assessed in relation to the value added to such goods and/or services (including interest and penalties on any late payments, collectively the “Sales and Use Taxes, VAT, and GST”). Sales and Use Taxes, VAT, and GST, are general consumption taxes charged at either the point of purchase of goods and services or the point of sale of goods and services, which are usually set by the relevant Authority as a percentage of the retail price of the good or service purchased. In some jurisdictions, the Debtors remit to relevant Authorities estimated amounts with respect to the Sales and Use Taxes, VAT, and GST, resulting in tax credits or overpayments that may be refunded to the Debtors in certain circumstances. When Sales and Use Taxes, VAT, and GST are incurred at the point of purchase, vendors frequently include the applicable Sales and Use Taxes, VAT, and GST on the invoices payable by the Debtors. The process by which the Debtors remit Sales and Use Taxes, VAT, and GST varies depending on the Authority. Generally, the Debtors remit Sales and Use Taxes, VAT, and GST on a monthly, quarterly, biannual, or annual basis depending on the Authority.

16. In 2024, the Debtors paid approximately \$546,970,000 in the aggregate to various Authorities on account of Sales and Use Taxes, VAT, and GST. As of the Petition Date, the Debtors estimate that approximately \$59,609,000 in prepetition Sales and Use Taxes, VAT, and GST has accrued and remains unpaid to the relevant Authorities. Accordingly, the Debtors seek authority, but not direction, in their business judgment, to make payments on account of Sales and

Use Taxes, VAT, and GST in an aggregate amount not to exceed \$59,609,000, of which \$53,702,000 shall be available upon entry of the Interim Order and the remaining amount upon entry of the Final Order. The Debtors also seek authority, but not direction, to satisfy any amounts owed on account of such Sales and Use Taxes, VAT, and GST that may become due and owing in the ordinary course of business during the chapter 11 cases.

III. Property Taxes.

17. State and local laws in the jurisdictions where the Debtors conduct business generally grant Authorities the power to levy property taxes against the Debtors' real and personal property (collectively, the "Property Taxes"). The Debtors are also obligated, under the terms of certain lease agreements, to reimburse lease counterparties for Property Taxes accrued during the lease period. To avoid the imposition of statutory liens on their real and personal property, the Debtors generally pay Property Taxes in the ordinary course of business as they accrue or on a monthly, quarterly, or annual basis depending on the specific Taxes and Fees.

18. In 2024, the Debtors paid approximately \$10,815,000 in Property Taxes. As of the Petition Date, the Debtors estimate that approximately \$8,910,000 in Property Taxes has accrued and remains unpaid to the relevant Authorities. Accordingly, the Debtors seek authority, but not direction, in their business judgment, to make payments on account of Property Taxes in an aggregate amount not to exceed \$8,910,000, of which \$2,123,000 shall be available upon entry of the Interim Order and the remaining amount upon entry of the Final Order. The Debtors seek authority, but not direction, to satisfy any amounts owed on account of such Property Taxes that may become due and owing in the ordinary course of business during these chapter 11 cases.

IV. Regulatory and Other Taxes and Fees.

19. The Debtors incur, in the ordinary course of business, certain regulatory assessments, permitting, licensing, and other operational fees, including fees related to certain

regulations, and other miscellaneous taxes and fees. The methods for calculating amounts due and the deadlines for paying such Taxes and Fees vary by jurisdiction. Further, certain states and foreign jurisdictions require the Debtors to pay (a) annual reporting fees to state governments to remain in good standing for purposes of conducting business within the state, (b) fees to various regulatory agencies in order to remain in good standing, to operate their facilities, and to maintain the licensing and permits necessary for their facilities and operations, (c) various business taxes or other bases, as determined by the applicable taxing jurisdiction; (d) various health and inspection fees; (e) interest and royalty withholding taxes; and (f) taxes resulting from cross-border intercompany transactions (collectively, “Regulatory and Other Taxes and Fees”). The Debtors typically remit Regulatory and Other Taxes and Fees to the relevant Authorities as they come due.

20. In 2024, the Debtors paid approximately \$27,986,000 in Regulatory and Other Taxes and Fees. As of the Petition Date, the Debtors estimate that approximately \$3,795,000 in prepetition Regulatory and Other Taxes and Fees has accrued and remains unpaid to the relevant Authorities. Accordingly, the Debtors seek authority, but not direction, in their business judgment, to make payments on account of Regulatory and Other Taxes and Fees in an aggregate amount not to exceed \$3,795,000, of which \$2,398,000 shall be available upon entry of the Interim Order and the remaining amount upon entry of the Final Order. The Debtors seek authority, but not direction, to satisfy any amounts owed on account of such Regulatory and Other Taxes and Fees that are due and owing as of the Petition Date and may become due and owing in the ordinary course of business during the chapter 11 cases.

V. Customs Duties

21. Historically, in the ordinary course of operating their business, the Debtors pay customs duties, import and export-related taxes, and other incidental import expenses, including, without limitation, tariffs, anti-dumping and countervailing duties, brokers fees, and import and

export fees related to freight handling fees, and fines assessed (collectively, the “Customs Duties”) to the U.S. Customs and Border Protection Agency (the “U.S. Customs Service”) and to non-U.S. customs Authorities. In addition, certain of the Debtors utilize customs brokers for the import and export of goods, including Cabrera Llamas & Asociados and Arias International, Inc. (collectively, the “Customs Brokers”). The Debtors also maintain certain surety bonds as required under customs regulations to operate in the import and export sector.

22. If the Debtors do not timely pay the Customs Duties, the U.S. Customs Service and non-U.S. customs Authorities may demand liquidated damages, assess interest, or impose other sanctions. Contesting these measures would require substantial time, effort, and expense and would needlessly distract the Debtors from their chapter 11 efforts. In addition, absent timely payment by the Debtors, Customs Brokers may, in some instances, assert shippers’ and warehouseman’s’ liens against the imported and exported goods, the U.S. Customs Service may assert a lien against such goods under 19 C.F.R. § 141.1 (2008), and non-U.S. customs Authorities may assert similar liens or take other action against the Debtors in their respective jurisdictions. Any such actions would impair the Debtors’ ability to conduct business across international borders, resulting in immediate and irreparable harm to the Debtors’ estates.

23. In 2024, the Debtors paid approximately \$126,559,000 in Customs Duties. As of the Petition Date, the Debtors estimate that approximately \$24,750,000 in prepetition Customs Duties has accrued and remains unpaid to the relevant Authorities or Customs Brokers. Accordingly, the Debtors seek authority, but not direction, in their business judgment, to make payments on account of Customs Duties in an aggregate amount not to exceed \$24,750,000, all of which shall be available upon entry of the Interim Order. The Debtors seek authority, but not direction, to satisfy any amounts owed on account of such Customs Duties that are due and owing

as of the Petition Date and may become due and owing in the ordinary course of business during the chapter 11 cases.

VI. Audits

24. The Debtors are currently subject to ongoing Audits and may be subject to further Audits (or voluntary disclosures of unpaid tax amounts that give rise to an agreed Assessment), which may result in additional prepetition Taxes and Fees being assessed against the Debtors during the pendency of these chapter 11 cases. Critically, in certain jurisdictions where the Debtors operate, the Debtors must be able to accept a proposed resolution of an Audit (or voluntary disclosure) and make a payment with respect to such resolution in a timely manner.

25. As of the Petition Date, various Authorities have claimed that the Debtors may owe approximately \$100,000,000 for additional Taxes and Fees where Audits are still pending. This figure includes Assessments that may have already been made but are being contested in appropriate judicial or administrative proceedings, as well as amounts that may need to be posted as collateral in order to contest asserted Assessment amounts. The Debtors continue to vigorously contest amounts asserted in connection with ongoing Audits, and the final results of the majority of the Audits are currently unavailable. The Debtors therefore cannot determine with specificity the full amount of potential Assessments arising from such Audits. The Debtors estimate that they owe an Authority in China approximately \$7,000,000 in prepetition Taxes and Fees on account of a resolved Audit that will come due during the first twenty-one days of these chapter 11 cases.

26. The Debtors seek authority, but not direction, to pay or remit the current outstanding tax obligations on account of the Audits, as well as any additional obligations as they arise in the ordinary course of business, including as a result of any resolutions of issues addressed in an Audit or amounts arising in connection with a voluntary disclosure. Nothing in this motion, or any related order, constitutes or should be construed as an admission of liability by the Debtors

with respect to any Audit (or voluntary disclosure) or Assessment. The Debtors expressly reserve all rights with respect to any Audit (and voluntary disclosure). Furthermore, the Debtors reserve the right to contest any Assessments claimed to be due as a result of any Audits.

Basis for Relief

I. Certain Taxes and Fees May Not Be Property of the Debtors' Estates.

27. Section 541(d) of the Bankruptcy Code provides, in relevant part, that “[p]roperty in which the debtor holds, as of the commencement of the case, only legal title and not an equitable interest . . . becomes property of the estate under subsection (a)(1) or (2) of this section only to the extent of the debtors’ legal title to such property, but not to the extent of any equitable interest in such property that the debtor does not hold.” 11 U.S.C. § 541(d). Certain of the Taxes and Fees are collected or withheld by the Debtors on behalf of the applicable Authorities and are held in trust by the Debtors. *See, e.g.*, 26 U.S.C. § 7501 (stating that certain taxes and fees are held in trust). As such, these Taxes and Fees are not property of the Debtors’ estates under section 541 of the Bankruptcy Code. *See, e.g., Begier v. Internal Revenue Serv.*, 496 U.S. 53, 57-60 (1990) (holding that any prepetition payment of trust fund taxes is not a transfer subject to avoidance because such funds are not the debtor’s property); *In re First Pay, Inc.*, 773 F.3d 583, 590 (4th Cir. 2014) (same); *In re DuCharmes & Co.*, 852 F.2d 194 (6th Cir. 1988) (per curiam) (same); *In re Shank*, 792 F.2d 829, 833 (9th Cir. 1986) (sales tax required by state law to be collected by sellers from their customers is a “trust fund” tax and not released by bankruptcy discharge); *DeChiaro v. N.Y. State Tax Comm’n*, 760 F.2d 432, 435–36 (2d Cir. 1985) (same); *In re Rosenow*, 715 F.2d 277, 279–82 (7th Cir. 1983) (same); *In re Waite*, 698 F.2d 1177, 1179 (11th Cir. 1983) (same).

The Debtors, therefore, generally do not have an equitable interest in such funds, and they should be permitted to pay those funds to the Authorities as they become due.¹⁰

II. Certain of the Taxes and Fees May Be Secured or Priority Claims Entitled to Special Treatment Under the Bankruptcy Code.

28. Claims for certain of the Taxes and Fees are or may be priority claims entitled to payment before general unsecured claims. *See* 11 U.S.C. § 507(a)(8) (describing taxes entitled to priority treatment). Moreover, to the extent that such amounts are entitled to priority treatment under the Bankruptcy Code, the respective Authorities may attempt to assess fees, interest, and penalties if such amounts are not paid. *See* 11 U.S.C. § 507(a)(8)(G) (granting eighth priority status to “a penalty related to a claim of a kind specified in this paragraph and in compensation for actual pecuniary loss”). Claims entitled to priority status pursuant to section 507(a)(8) of the Bankruptcy Code must be paid in full under a confirmable plan pursuant to section 1129(a)(9)(C) of the Bankruptcy Code. Therefore, payment of certain of the Taxes and Fees at this time only affects the timing of the payment for the amounts at issue and will not unduly prejudice the rights and recoveries of junior creditors. Paying such Taxes and Fees likely will give Authorities no more than they otherwise would be entitled to under a chapter 11 plan and will save the Debtors the potential interest expense, legal expense, and penalties that might otherwise accrue on the Taxes and Fees during these chapter 11 cases.

29. Some of the Taxes and Fees may be entitled to secured status with respect to the property that the Debtors own. As secured claims, these Taxes and Fees would be entitled to priority treatment when the Debtors sell the property that these Taxes and Fees are recorded against or when the Debtors confirm a plan of reorganization. *See* 11 U.S.C. §§ 506(a), 1129(a)(9)(C),

¹⁰ For the avoidance of doubt, the Debtors hereby request authority to pay the Taxes and Fees as provided herein regardless of whether such Taxes and Fees constitute trust fund obligations.

1129(b)(2)(A) (requiring that any plan of reorganization “crammed down” over a class of secured creditors pay those creditors in full or allow those creditors to retain their liens). Moreover, such secured claims could accrue interest if not timely paid. Authority to pay the Taxes and Fees only affects the timing of the payments, may reduce the ultimate amount owed with respect to such Taxes and Fees, and will not unduly prejudice the rights and recoveries of other creditors of the Debtors.

III. Payment of the Taxes and Fees and Undertaking of the Tax Planning Activities as Provided Herein Are Sound Exercises of the Debtors’ Business Judgment.

30. Courts have recognized that it is appropriate to authorize the payment of prepetition obligations where necessary to protect and preserve the estate, including an operating business’s going-concern value. *See, e.g., In re Just for Feet, Inc.*, 242 B.R. 821, 825–26 (D. Del. 1999); *see also In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002); *In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 175–76 (Bankr. S.D.N.Y. 1989); *In re James A. Phillips, Inc.*, 29 B.R. 391, 398 (S.D.N.Y. 1983). In so doing, these courts acknowledge that several legal theories rooted in sections 105(a) and 363(b) of the Bankruptcy Code support the payment of prepetition claims.

31. Section 363 of the Bankruptcy Code provides authority for the Debtors to pay Taxes and Fees as and when they come due. Section 363(b)(1) of the Bankruptcy Code permits a bankruptcy court, after notice and a hearing, to authorize a debtor to “use, sell, or lease, other than in the ordinary course of business, property of the estate” 11 U.S.C. § 363(b)(1). Under this section, a court may authorize the payment of certain prepetition claims where a debtor “show[s] that a sound business purpose justifies such actions.” *See Ionosphere Clubs*, 98 B.R. at 175 (affirming lower court order authorizing payment of prepetition wages pursuant to section 363(b) of the Bankruptcy Code); *see also In re Lehigh & New Eng. Ry. Co.*, 657 F.2d 570, 581 (3d Cir. 1981) (recognizing the doctrine of necessity and authorizing the debtor to pay prepetition

claims if such payment was essential to the continued operation of the debtor); *In re Orion Refin. Corp.*, 372 B.R. 688, 703 (Bankr. D. Del. 2007) (authorizing payment of prepetition claim of critical vendor pursuant to section 363(b) of the Bankruptcy Code). To do so under section 363(b) of the Bankruptcy Code, courts require only that the debtor “show that a sound business purpose” justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987); *see also In re Lionel Corp.*, 722 F.2d 1063, 1070–71 (2d Cir. 1983) (requiring the debtor to show a “good business reason” to approve a sale pursuant to section 363(b)). Moreover, “[w]here the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.” *In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (“Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.”). Thus, if a transaction satisfies the business judgment rule, it should be approved under section 363(b) of the Bankruptcy Code.

32. Further, section 105(a) of the Bankruptcy Code provides that a court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of” the Bankruptcy Code, pursuant to the “doctrine of necessity.” 11 U.S.C. § 105(a). The “doctrine of necessity” functions in a chapter 11 case as a mechanism by which the bankruptcy court can exercise its equitable power to allow payment of critical prepetition claims not explicitly authorized by the Bankruptcy Code and further supports the relief requested herein. *See Lehigh*, 657 F.2d at 581 (holding that a court may authorize payment of prepetition claims if such payment is essential to the debtor’s continued operation); *see also Just for Feet*, 242 B.R. 821 at 824–25 (holding that section 105(a) of the Bankruptcy Code “provides a statutory basis for payment of

pre-petition claims” under the doctrine of necessity); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191–92 (Bankr. D. Del. 1994) (explaining that the doctrine of necessity is the standard in the Third Circuit for enabling a court to authorize the payment of prepetition claims prior to confirmation of a reorganization plan).

33. Moreover, the doctrine of necessity is designed to foster a debtor’s rehabilitation, which courts have recognized is “the paramount policy and goal of Chapter 11.” *See Ionosphere Clubs*, 98 B.R. at 176; *see also In re Quality Interiors, Inc.*, 127 B.R. 391, 396 (Bankr. N.D. Ohio 1991) (“[P]ayment by a debtor-in-possession of pre-petition claims outside of a confirmed plan of reorganization is generally prohibited by the Bankruptcy Code,” but “[a] general practice has developed . . . where bankruptcy courts permit the payment of certain pre-petition claims, pursuant to 11 U.S.C. § 105, where the debtor will be unable to reorganize without such payment.”); *In re Eagle-Picher Indus., Inc.*, 124 B.R. 1021, 1023 (Bankr. S.D. Ohio 1991) (approving payment of prepetition unsecured claims of toolmakers as “necessary to avert a serious threat to the Chapter 11 process”); *In re Chateaugay Corp.*, 80 B.R. 279, 285–86 (S.D.N.Y. 1987) (approving lower court order authorizing payment of prepetition wages, salaries, expenses, and benefits).

34. Furthermore, the Debtors’ ability to pay the Taxes and Fees is critical to their continued and uninterrupted operations. If certain Taxes and Fees remain unpaid, the Authorities may seek to recover such amounts directly from the Debtors’ directors, officers, or employees, thereby distracting such key personnel from the administration of these chapter 11 cases. *See, e.g., In re Am. Motor Club, Inc.*, 139 B.R. 578, 581–83 (Bankr. E.D.N.Y. 1992) (citing *United States v. Energy Res. Co.*, 495 U.S. 545 (1990)) (stating “[i]f the employer fails to pay over the trust fund taxes, the IRS may collect an equivalent amount directly from officers or employees of the

employer who are responsible for collecting the tax” and finding director personally liable for unpaid taxes) (citing *United States v. Energy Res. Co.*, 495 U.S. 545, 547 (1990)). Any collection action on account of such amounts, and any potential ensuing liability, would distract the Debtors and their personnel to the detriment of all parties in interest. The dedicated and active participation of the Debtors’ officers and employees is integral to the Debtors’ continued operations and essential to the orderly administration and, ultimately, the success of these chapter 11 cases.¹¹

35. Furthermore, the Debtors’ failure to timely pay Taxes and Fees may result in increased tax liability for the Debtors if interest and penalties accrue on the claims for Taxes and Fees, which amounts may also be entitled to priority treatment. Such a result would be contrary to the best interests of the Debtors’ estates and all stakeholders. As noted above, many of the Taxes and Fees may be entitled to priority status pursuant to section 507(a)(8)(C) of the Bankruptcy Code. As priority claims, these obligations must be paid in full before any general unsecured obligations of the Debtors may be satisfied. To the extent that the Debtors are not able to timely pay the prepetition Taxes and Fees, they may ultimately be required to pay those amounts with additional interest and penalties. The Debtors’ failure to pay the prepetition Taxes and Fees as they come due may, thus, ultimately increase the amount of priority claims held by the Authorities against the Debtors’ estates, to the detriment of the Debtors’ general unsecured creditors and other non-priority creditors. *See* 11 U.S.C. §§ 507(a)(8)(C) and 507(a)(8)(G). Accordingly, the Court should grant the Debtors authority to pay the Taxes and Fees and undertake the Tax Planning Activities as provided herein.

¹¹ Nothing herein is a concession that the Debtors’ officers, directors, or employees would have personal liability for unpaid taxes. However, the threat of such collection efforts, even if ultimately unwarranted, would be a critical distraction. In addition, such individuals may be entitled to indemnification by the Debtors’ estates which would be an unnecessary cost to be incurred.

36. Courts in this jurisdiction have often authorized payment of prepetition taxes under sections 105(a) and 363(b) of the Bankruptcy Code. *See, e.g., In re Liberated Brands LLC*, No. 25-10168 (JKS) (Bankr. D. Del. Feb. 28, 2025) (authorizing debtors to pay prepetition taxes and fees in the ordinary course of business and undertake tax planning activities); *In re Accuride Corp.*, No. 24-12289 (JKS) (Bankr. D. Del. Nov. 19, 2024) (same); *In re Am. Tire Distribs., Inc.*, No. 24-12391 (CTG) (Bankr. D. Del. Nov. 18, 2024) (same); *In re Wheel Pros, LLC*, No. 24-11939 (JTD) (Bankr. D. Del. Oct. 11, 2024) (same); *In re SunPower Corp.*, No. 24-11649 (JTD) (Bankr. D. Del. Aug. 28, 2024) (same).¹²

Processing of Checks and Electronic Fund Transfers Should Be Authorized

37. The Debtors have sufficient funds to pay the amounts described in this motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to any authorized payment in respect of the relief requested herein. Accordingly, the Debtors do not believe that checks or wire transfer requests, other than those relating to authorized payments, will be inadvertently honored. Therefore, the Debtors request authority to authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this motion.

The Requirements of Bankruptcy Rule 6003(b) Are Satisfied

38. Bankruptcy Rule 6003 empowers a court to grant certain relief within the first twenty-one days after the petition date only "to the extent that relief is necessary to avoid

¹² Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request to the Debtors' proposed counsel.

immediate and irreparable harm.” For the reasons discussed above, an immediate and orderly transition into chapter 11 is critical to the viability of the Debtors’ operations. Failure to receive the requested relief during the first twenty-one days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical juncture and cause immediate and irreparable harm. The requested relief is necessary for the Debtors to operate their businesses in the ordinary course, preserve the ongoing value of their operations, and maximize value of their estates for the benefit of all stakeholders. The Debtors have demonstrated that the requested relief is “necessary to avoid immediate and irreparable harm,” as contemplated by Bankruptcy Rule 6003, and the Court should grant the requested relief.

Reservation of Rights

39. Nothing contained in this motion or any order granting the relief requested in this motion, and no action taken by the Debtors pursuant to the relief requested or granted (including any payment made in accordance with any such order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity, or priority of, or basis for, any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors’ or any other party in interest’s rights to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this motion or any order granting the relief requested by this motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors’ estates; or (g) a waiver or limitation of any claims, causes of action, or

other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

40. To the extent that any aspect of the relief sought herein constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the fourteen-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

Notice

41. The Debtors will provide notice of this motion to: (a) the United States Trustee for the District of Delaware; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the office of the attorney general for each of the states in which the Debtors operate; (d) United States Attorney's Office for the District of Delaware; (e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the United States Department of Justice; (h) Mayer Brown LLP, as counsel to the DIP Agent; (i) Davis Polk & Wardwell LLP, as counsel to Mizuho Bank, Ltd., in all capacities other than as Prepetition Agent; (j) Young Conaway Stargatt & Taylor, LLP, as counsel to Mizuho Bank, Ltd., in its capacity as Prepetition Agent; (k) Akin Gump Strauss Hauer & Feld LLP and Cole Schotz P.C., as counsel to the Ad Hoc Group of Senior Lenders; (l) Paul, Weiss, Rifkind, Wharton & Garrison LLP, as counsel to the Sponsors; (m) the Authorities; (n) the Customs Brokers; and (o) any party that has requested notice pursuant to Bankruptcy Rule 2002 (the "Notice Parties"). As this motion is seeking "first day" relief, the Debtors will serve copies of this motion and any order entered in

respect to this motion as required by Local Rule 9013-1(m). In light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

42. No prior request for the relief sought in this motion has been made to this or any other court.

The Debtors are authorized, but not directed, to: (a) negotiate, pay, and remit (or use tax credits to offset), or otherwise satisfy the Taxes and Fees (including corresponding Assessments) that arose or accrued prior to the Petition Date and that will become due and owing in the ordinary course of business during the pendency of these chapter 11 cases at such time when the Taxes and Fees are payable, in an aggregate amount not to exceed \$105,571,000 on an interim basis; and (b) negotiate, pay and remit (or use tax credits to offset) Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis including, for the avoidance of doubt, posting collateral or a letter of credit in connection with any dispute related to Audits or

Assessments or paying any Taxes and Fees arising as a result of Audits or Assessments (including, for the avoidance of doubt, with respect to kinds of Taxes and Fees otherwise addressed by the Wages Motion, and any item that arises in connection with a voluntary disclosure by the Debtors of a tax issue that is not otherwise under audit); *provided* that the Debtors shall not pay any Taxes and Fees before such Taxes and Fees are due to the applicable Authority or Customs Broker in accordance with applicable law or prepetition practice. Notwithstanding anything to the contrary herein or in the Motion, in the event the Debtors make a payment with respect to any Taxes and Fees for the prepetition portion of any “straddle” amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under sections 503(b)(1)(B) or 507(a)(8) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts and the payment of such amount shall, upon order of the Court, be refunded to the Debtors.

4. To the extent that the Debtors seek to pay any prepetition Taxes and Fees to any Authority not identified on Exhibit C attached to the Motion, the Debtors shall provide five (5) days’ prior written notice to the Ad Hoc Group of Senior Lenders.

5. To the extent that the Debtors have overpaid any Taxes and Fees, the Debtors are authorized, but not directed, to seek a refund or a credit.

6. The Debtors are authorized to undertake the Tax Planning Activities (in consultation with the Ad Hoc Group of Senior Lenders); *provided, however*, that any such activity that would affect substantive rights of stakeholders will be sought through appropriate motion.

7. The Debtors are authorized to contest the validity or priority of any Taxes and Fees on any grounds they deem appropriate, which authority extends to the payment of Taxes and Fees relating to Audits that have been completed, are in progress, or arise from prepetition periods.

8. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Interim Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Authorities or Customs Brokers.

9. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order.

10. Nothing contained in the Motion or this Interim Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Interim Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity, or priority of, or basis for, any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in the Motion or this Interim Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action, or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

11. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

12. Nothing in this Interim Order authorizes the Debtors to accelerate any payments not otherwise due prior to the date of the Final Hearing.

13. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

14. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

15. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion.

17. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

3. The Debtors are authorized, but not directed, to: (a) negotiate, pay, and remit (or use tax credits to offset), or otherwise satisfy the Taxes and Fees (including corresponding Assessments) that arose or accrued prior to the Petition Date and that will become due and owing in the ordinary course of business during the pendency of these chapter 11 cases at such time when the Taxes and Fees are payable, in an aggregate amount not to exceed \$105,571,000 on an interim basis; and (b) negotiate, pay and remit (or use tax credits to offset) Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis including, for the avoidance of doubt, posting collateral or a letter of credit in connection with any dispute related to Audits or

Assessments or paying any Taxes and Fees arising as a result of Audits or Assessments (including, for the avoidance of doubt, with respect to kinds of Taxes and Fees otherwise addressed by the Wages Motion, and any item that arises in connection with a voluntary disclosure by the Debtors of a tax issue that is not otherwise under audit); *provided* that the Debtors shall not pay any Taxes and Fees before such Taxes and Fees are due to the applicable Authority or Customs Broker in accordance with applicable law or prepetition practice. Notwithstanding anything to the contrary herein or in the Motion, in the event the Debtors make a payment with respect to any Taxes and Fees for the prepetition portion of any “straddle” amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under sections 503(b)(1)(B) or 507(a)(8) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts and the payment of such amount shall, upon order of the Court, be refunded to the Debtors.

4. To the extent that the Debtors seek to pay any prepetition Taxes and Fees to any Authority not identified on Exhibit C attached to the Motion, the Debtors shall provide five (5) days’ prior written notice to the Ad Hoc Group of Senior Lenders.

5. To the extent that the Debtors have overpaid any Taxes and Fees, the Debtors are authorized, but not directed, to seek a refund or a credit.

6. Subject to entry of the Final Order, the Debtors are authorized to undertake the Tax Planning Activities (in consultation with the Ad Hoc Group of Senior Lenders); *provided, however*, that any such activity that would affect substantive rights of stakeholders will be sought through appropriate motion.

7. The Debtors are authorized to contest the validity or priority of any Taxes and Fees on any grounds they deem appropriate, which authority extends to the payment of Taxes and Fees relating to Audits that have been completed, are in progress, or arise from prepetition periods.

8. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Interim Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Authorities or Customs Brokers.

9. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order.

10. Nothing contained in the Motion or this Interim Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Interim Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity, or priority of, or basis for, any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in the Motion or this Interim Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property

of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action, or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

11. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

12. Nothing in this Interim Order authorizes the Debtors to accelerate any payments not otherwise due prior to the date of the Final Hearing.

13. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

14. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

15. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion.

17. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.
