- (i) assist in arranging financing for the Debtors, as requested;

8. Pursuant to the Engagement Letter, as modified and approved by the Retention Order, the Debtors agreed to pay PJT as follows in consideration for the services rendered:³

- (a) **Monthly Fee**: The Debtors shall pay a monthly advisory fee in the amount of \$250,000 per month (the “***Monthly Fee***”). Fifty-percent (50%) of all Monthly Fees paid to PJT after the sixth (6th) Monthly Fee has been paid (*i.e.*, after \$1,500,000 has been paid) until payment of the twelfth (12th) Monthly Fee (with the maximum amount of crediting equal to \$750,000) shall be credited, only once and without duplication, against any Transaction Fee and/or Restructuring Fee payable under the Engagement Letter;
- (b) **Capital Raising Fee**: The Debtors shall pay a capital raising fee (the “***Capital Raising Fee***”) for any Capital Raise, earned and payable upon the closing of such Capital Raise. The Capital Raising Fee will be calculated as:
- **Senior Debt**: One percent (1.0%) of the total issuance and/or committed amount of senior debt financing, excluding debtor-in-possession financing (“***DIP Financing***”) and senior debt financing that is or may (or is anticipated in the future to) constitute a Structured Financing (as defined below);

³ This description of PJT’s compensation structure is for summary and illustrative purposes only. The terms of the Engagement Letter, as modified and approved by the Retention Order, shall apply to any such compensation awarded to PJT.

Specified Party nevertheless participates in a Capital Raise on similar or better terms to the Debtors than such other third party proposal, in which case PJT shall be entitled to receive 100% of the Capital Raising Fee in respect of any financing raised from any Specified Party. As used in the Engagement Letter, “**Structured Financing**” means senior debt (A) issued at (or intended to be moved to or owed or guaranteed by) a non-guarantor of any of the Debtors’ funded debt and/or (B) issued at (or intended to be moved to or owed or guaranteed by) an unrestricted subsidiary of the Debtors and/or (C) issued at borrower entities in the restricted group as to which debt additional credit support is provided by an entity that was not previously (or is not expected to be going forward) a guarantor of the Debtors’ funded debt.

- (c) **Restructuring Fee:** The Debtors shall pay a fee in respect of a Restructuring (the “**Restructuring Fee**”) equal to \$28,000,000.00, earned, and payable upon the consummation of a Restructuring.
- (d) **Transaction Fee:** The Debtors shall pay a fee in connection with a Transaction at the closing of a Transaction (the “**Transaction Fee**”) directly out of the gross proceeds of the Transaction calculated as three quarters of a percent (0.75%) of the Transaction Value;⁴ *provided* that, the minimum Transaction Fee in respect of any Transaction or series of related Transactions shall be \$2,000,000. Upon consummation of a Transaction in which all or substantially all of the assets of the Debtors are sold, PJT, in its sole discretion, shall be entitled to either a Transaction Fee in respect of such Transaction or the Restructuring Fee, but not both.
- (e) **Expense Reimbursements:** In addition to the fees described above, the Debtors agree to reimburse PJT for all reasonable and documented out-of-pocket expenses incurred during PJT’s engagement, including, but not limited to, travel and lodging,

⁴ As used in the Engagement Letter, “**Transaction Value**” means the gross value of all cash, securities and other properties paid or payable, directly or indirectly, in one transaction or in a series or combination of transactions, in connection with the Transaction or a transaction related thereto (including, without limitation, amounts paid (A) pursuant to covenants not to compete or similar arrangements and (B) to holders of any warrants, stock purchase rights, convertible securities or similar rights and to holders of any options or stock appreciation rights, whether or not vested). Transaction Value shall also include (i) (I) in the case of the sale, exchange or purchase of the Debtors’ equity securities the principal amount of any indebtedness for borrowed money, preferred stock obligations, any pension liabilities, capital leases, guarantees and any other long-term liabilities as set forth on the most recent consolidated balance sheet of the Debtors prior to the consummation of such sale, exchange or purchase or (II) in the case of a sale or disposition of assets by the Debtors the principal amount of any indebtedness for borrowed money, preferred stock obligations, any pension liabilities, capital leases, guarantees and any other long-term liabilities indirectly or directly assumed or acquired, and (ii) any indebtedness for borrowed money, preferred stock obligations, any pension liabilities, capital leases, guarantees and any other long-term liabilities that are or otherwise repaid or retired, in connection with or in anticipation of the Transaction. Transaction Value shall also include the aggregate amount of any extraordinary dividend or distribution made by the Debtors from the date hereof until the closing of the Transaction. Transaction Value shall include all amounts paid into escrow and all contingent payments payable in connection with the Transaction, with fees on amounts paid into escrow to be payable upon the establishment of such escrow and fees on contingent payments to be payable when such contingent payments are made. If the Transaction Value to be paid is computed in any foreign currency, the value of such foreign currency shall, for purposes hereof, be converted into U.S. dollars at the prevailing exchange rate on the date or dates on which such Transaction Value is paid.

direct identifiable data processing, document production, publishing services and communication charges, courier services, working meals, reasonable fees and expenses of PJT's counsel, and other necessary expenditures. Further, in connection with the reimbursement, contribution and indemnification provisions set forth in the Engagement Letter and Attachment A to the Engagement Letter (the "***Indemnity Agreement***"), which is incorporated therein by reference and addressed further below, the Debtors agree to reimburse each PJT Party, for its legal and other expenses (including the cost of any reasonable investigation and preparation) as they are incurred in connection with any matter in any way relating to or referred to in the Engagement Letter or arising out of the matters contemplated by the Engagement Letter (including, without limitation, in enforcing the Engagement Letter), subject to certain exceptions, limitations, and requirements set forth in the Indemnity Agreement.

Services Provided by PJT during the First Compensation Period

9. PJT has rendered professional services to the Debtors as requested and in furtherance of the interests of the Debtors and the Debtors' estates. The variety and complexity of the issues in these chapter 11 cases and the need to act or respond to such issues on an expedited basis have required the expenditure of substantial time by PJT personnel. PJT respectfully submits that the professional services that it rendered on behalf of the Debtors were necessary and appropriate, and have directly contributed to the effective administration of these chapter 11 cases. The following summary of services rendered during the First Compensation Period is not intended to be an exhaustive description of the work performed; rather, it is merely an attempt to highlight certain of those areas in which PJT rendered services to the Debtors:

The investment banking services set forth above were performed primarily by: Steve Zelin, Partner; John Singh, Partner; Matthew Parr, Partner; Daniel de Gosztanyi, Managing Director; Michael Bregulla, Managing Director; Brandon Pinn, Managing Director; Ilia Aksenov, Vice President; Kate Podzorova, Associate; Justin Priest, Associate; Spencer Nitabach, Analyst; and Tej Bahri, Analyst. PJT's Request for Allowance and Payment of Compensation

11. For the First Compensation Period, PJT: (a) earned Monthly Fees in the amount of \$666,666.67, and incurred out-of-pocket expenses in the amount of \$320.00, and (b) in accordance

with the Interim Compensation Procedures Order, seeks allowance and payment of Monthly Fees in the amount of \$533,653.34 (representing 80% of the total amount of PJT's Monthly Fees earned and 100% of the total amount of out-of-pocket expenses incurred by PJT during the First Compensation Period). Out-of-pocket expenses incurred but not yet processed due to timing, will be submitted at a later date. Accordingly, PJT reserves the right to make further application to this Court for allowance of such expenses during the First Compensation Period but not included herein.

PJT's Request for Allowance and Payment of a Capital Raising Fee

12. In addition to the Monthly Fees earned and out of-pocket expenses incurred during the First Compensation Period, PJT earned Capital Raising Fees pursuant to the terms of the Engagement Letter and the Retention Order.

13. On July 30, 2025, this Court entered the *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing, and (B) Use Cash Collateral; (II) Granting Liens and Providing Superpriority Administrative Expense Claims; (II) Granting Adequate Protection to Certain Prepetition Secured Parties; (IV) Modifying the Automatic Stay; and (IV) Granting Related Relief* [Docket No. 449] (the “**DIP Order**”) authorizing, among other relief, the Debtors to obtain “new money” debtor-in-possession post-petition financing (the “**DIP Financing**”) in the aggregate amount of up to \$1,106,921,720.

14. Upon entry of the DIP Order and pursuant to the terms of the Engagement Letter as approved by the Retention Order, PJT earned Capital Raising Fees in respect of the DIP Financing in an aggregate amount equal to \$8,301,913 (calculated as \$1,106,921,720 in DIP Financing multiplied by 0.75%). In accordance with the Interim Compensation Procedures Order, PJT seeks allowance and payment of Capital Raising Fees in the aggregate amount of

\$6,641,530.40 (representing 80% of the total amount of PJT's Capital Raising Fees earned during the First Compensation Period).

15. An invoice detailing the Monthly Fees and Capital Raising Fees earned, and out-of-pocket expenses incurred during the First Compensation Period is attached hereto as *Appendix B*. A summary of the Monthly Fees and Capital Raising Fees earned and out-of-pocket expenses incurred during the First Compensation Period is set forth below:

First Compensation Period	Monthly Fees	Holdback @ 20%	Out-of-Pocket Expenses	Amount(s) Due
June 11 – 30, 2025 ⁵	\$166,666.67	(\$33,333.33)	\$320.00	\$133,653.34

16. PJT respectfully submits that the compensation requested for the services rendered by PJT to the Debtors during the First Compensation Period is fully justified and reasonable based upon (a) the complexity of the issues presented, (b) the skill necessary to perform the financial advisory services properly, (c) the preclusion of other employment, (d) the customary fees charged to clients in non-bankruptcy situations for similar services rendered, (e) time constraints required by the exigencies of the case, and (f) the experience, reputation and ability of the professionals rendering services.

17. PJT respectfully submits that the services it has rendered to the Debtors have been necessary and in the best interests of the Debtors and the Debtors' estates. PJT respectfully submits that under the criteria normally examined in chapter 11 reorganization cases, the compensation requested by PJT is reasonable in light of the work performed by PJT during these chapter 11 cases.

⁵ Pro-rated *Monthly Fee* calculated as follows: 20 days out of 30 days multiplied by \$250,000.00.

18. The amount of the compensation sought in this First Monthly Fee Application and PJT's billing practices are consistent with market practices in a bankruptcy context. PJT has never billed its clients based on the number of hours expended by its professionals. Accordingly, PJT does not have hourly rates for its professionals, and PJT's professionals generally do not maintain detailed time records of the work performed for their clients. However, PJT has maintained contemporaneous time records in this case in one-half hour increments. Time records of the 1,547.0 hours expended by PJT professionals in providing investment banking services to the Debtors during the First Compensation Period are provided in *Appendix C*.

19. A summary of hours expended by PJT professionals during the First Compensation Period is provided below:

20. Out-of-pocket expenses incurred by PJT are charged to a client if out-of-pocket expenses are incurred for the client or are otherwise necessary in connection with services rendered for such particular client. PJT does not factor general overhead expenses into any disbursements charged to its clients in connection with chapter 11 cases. PJT has followed its general internal policies with respect to out-of-pocket expenses billed as set forth below, with any exceptions specifically explained.

- (a) All cross-country airfare charges are based upon coach class rates.
- (b) With respect to local travel, PJT's general policy enables employees to travel by taxi or, in certain circumstances private car service, to and from meetings while rendering services to a client on a client related matter, for which the client is charged. Further, and primarily for safety reasons, employees are permitted to charge to a client the cost of transportation home if an employee is required to work past 9:00 p.m. on weekdays on client specific matters.
- (c) PJT's general policy permits its professionals to charge in-office dinner meals to a client after working 3 hours beyond their regularly scheduled workday if an employee is required to provide services to the client during such dinnertime, and to charge in-office meals on the weekend if an employee is required to provide services to a client on the weekend and spends at least 4 hours in the office.
- (d) The External Research category of expenses includes charges from outside computer/electronic service companies that supply, for a fee, research and/or financial documents to PJT. The services provided by these companies primarily consist of the retrieval of financial documents from regulatory agencies and/or the retrieval of research that would not otherwise be available to PJT. The Internal Research category of expenses are the charges for time spent by PJT research staff in operating the computer/electronic terminals related to these computer/electronic service companies.
- (e) The Publishing Services category of expenses includes charges for the production of text-based publications such as research reports and presentations, and printing and binding services.

21. All services for which PJT requests compensation were performed for and on behalf of the Debtors and not on behalf of any other person or stakeholder.

22. No agreement or understanding exists between PJT and any other entity for the sharing of compensation received or to be received for services rendered in or in connection with this proceeding.

Certificate of Compliance and Waiver

23. Finally, the undersigned representative of PJT certifies that PJT has reviewed the requirements of Rule 2016-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "***Local Rules***") and that this First Monthly Fee Application substantially complies with that Local Rule. To the extent that this First

Monthly Fee Application does not comply in all respects with the requirements of Local Rule 2016-1, PJT believes that such deviations are not material and respectfully requests that any such requirement be waived.

Requested Relief

WHEREFORE, PJT requests that the Court:

- (a) grant interim allowance of (i) PJT's Monthly Fees earned in the amount of \$666,666.67, (ii) PJT's Capital Raising Fees earned in the aggregate amount of \$8,301,913.00, and (iii) the reimbursement of PJT's out-of-pocket expenses incurred in the amount of \$320.00 incurred during the First Compensation Period;
- (b) authorize and direct the Debtors to pay PJT's allowed and unpaid fees earned and out-of-pocket expenses incurred during the First Compensation Period as follows:

Monthly Fees	\$666,666.67
Capital Raising Fees	8,301,913.00
Less: Holdback @ 20%	(1,793,715.93)
Out-of-Pocket Expenses	320.00
Amount Due PJT	<u><u>\$7,175,183.75</u></u>

and

- (c) grant such other and further relief as the Court deems just and proper.
