**SECOND SUPPLEMENTAL
DECLARATION OF TONY SIMION
IN SUPPORT OF DEBTORS’ APPLICATION TO EMPLOY
AND RETAIN ALVAREZ & MARSAL NORTH AMERICA, LLC AS
FINANCIAL ADVISORS TO DEBTORS AND DEBTORS IN POSSESSION
PURSUANT TO SECTIONS 327(A) AND 328 OF THE BANKRUPTCY CODE**

1. I, Tony Simion, hereby state as follows under penalty of perjury. I am a Managing Director with Alvarez & Marsal North America, LLC (together with employees of its affiliates (all of which are wholly owned by its parent company and employees), its wholly owned subsidiaries, and independent contractors, “A&M”),² a restructuring advisory services firm with numerous offices in locations around the world.

2. I submit this second supplemental declaration (the “Second Supplemental Declaration”) to supplement my Prior Declarations (defined below) submitted in connection with A&M’s retention in these chapter 11 cases. Unless otherwise stated herein, I have personal knowledge of the facts set forth herein or have been informed of such matters by professionals of A&M.

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ claims and noticing agent at <https://www.veritaglobal.net/Marelli>. The location of Marelli Automotive Lighting USA LLC’s principal place of business and the Debtors’ service address in these chapter 11 cases is 26555 Northwestern Highway, Southfield, Michigan 48033.

² Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Original Declaration (defined below).

3. On June 11, 2025, Marelli Automotive Lighting USA LLC., and its affiliated debtors and debtors in possession (collectively, the “Debtors”), commenced these cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware. (the “Court”).

4. On July 11, 2025, the Debtors filed the *Debtors’ Application to Employ and Retain Alvarez & Marsal North America LLC as Financial Advisors to Debtors and Debtors in Possession Pursuant to Sections 327(a) and 328 of the Bankruptcy Code* [Docket No. 261] (the “Application”), and attached thereto as Exhibit C was my declaration in support (the “Original Declaration”).

5. On August 4, 2025, the Debtors filed the *Supplemental Declaration of Tony Simion in Support of Debtors’ Application to Employ and Retain Alvarez & Marsal North America, LLC as Financial Advisors to Debtors and Debtors in Possession Pursuant to Sections 327(a) and 328 of the Bankruptcy Code* [Docket No. 468] (the “First Supplemental Declaration”, and together with the Original Declaration, the “Prior Declarations”).

6. On August 5, 2025, the Court entered the *Order Authorizing Debtors to Employ and Retain Alvarez & Marsal North America, LLC as Financial Advisors to Debtors and Debtors in Possession Pursuant to Sections 327(a) and 328 of the Bankruptcy Code* [Docket No. 478] (the “Order”).

7. I submit this Second Supplemental Declaration to disclose certain additional information that has become available to A&M since the filing of the Prior Declarations.

ADDITIONAL POTENTIAL PARTIES IN INTEREST

8. In connection with its retention by the Debtors in these cases, A&M has undertaken an ongoing analysis to determine whether any material relevant facts or relationships have arisen or been discovered since filing the Prior Declarations. In connection therewith, it has

come to A&M's attention that the entities identified on **Schedule A** hereto ("New Parties") are potential interested parties in the Debtors' chapter 11 cases not identified on Schedule A to the Original Declaration. The New Parties, together with the parties identified on Schedule A to the Original Declaration, are hereinafter referred to as the "Potential Parties in Interest."

9. Based on the Firm Procedures described in the Original Declaration, the relationships with the New Parties are identified on **Schedule B** hereto.

10. Based on the results of its review, to the best of my knowledge, except as set forth in the Prior Declarations or this Second Supplemental Declaration, A&M does not have an active relationship with any of the Potential Parties in Interest in matters relating to the Debtors' chapter 11 cases.

11. In addition to the connections noted on Schedule B hereto, I note the following:

- a. A&M personnel hold de minimis investments, representing not more than 0.01% of the equity interests in the related entity, in various Potential Parties in Interest, including but not limited to Dell Financial Services L.L.C.
- b. A&M has been engaged by First Brands Group, LLC and its affiliated debtors ("First Brands") to perform financial advisory services in connection with their chapter 11 bankruptcy cases, and certain A&M employees have been designated as executive officers of First Brands. First Brands is a party to a litigation matter adverse to the Debtors, and First Brands is a vendor to the Debtors. A&M has instituted an information barrier between its engagement for the Debtors and the First Brands engagement to ensure that confidentiality of information is protected and to ensure that no A&M personnel providing services to First Brands also provide services to the Debtors; provided that A&M may utilize personnel to provide technical and administrative support on both engagements. Prior to A&M becoming engaged by First Brands, certain personnel on the Debtors' engagement team were involved in negotiations with First Brands. A&M personnel will recuse themselves going forward from any work on disputes and negotiations between First Brands and the Debtors.
- c. Wells Fargo Bank, N.A., together with certain of its affiliates (collectively "Wells Fargo"), is a Potential Party in Interest. Wells Fargo is administrative agent, swingline lender, and issuing lender under the Credit Facility to A&M's parent company, Alvarez & Marsal Holdings, LLC, as more fully

described in the Original Declaration. In addition to Wells Fargo's receipt of interest in its capacity as a lender under the Credit Facility, Wells Fargo receives certain customary and negotiated fees and reimbursements of expenses in connection with its role under the Credit Facility.

- d. Certain of the New Parties are potential sale parties in these chapter 11 cases. Because of the confidential nature of such potential transactions, the applicable entities' names are redacted on **Schedule A** or **Schedule B** hereto. A&M does not, however, represent any such entities in any matters related to the Debtors or these chapter 11 cases. Upon request of the Court, the U.S. Trustee, or counsel for any statutory committee appointed in these chapter 11 cases, A&M will provide to such parties the names of such entities and disclose the nature of A&M's connection therewith, in the same manner and form as the identifications and disclosures contained herein and on Schedule B hereto, on a confidential basis.

12. To the extent any information disclosed herein requires amendment or modification upon A&M's completion of further review or as additional party-in-interest information becomes available to it, a further supplemental declaration reflecting such amended or modified information will be submitted to the Court.

13. If any new material relevant facts or relationships regarding A&M's disinterestedness are discovered or arise, A&M will promptly file a supplemental declaration with the Court.

[Remainder of page intentionally left blank]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
