herein; and the Court having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest, it is hereby

ORDERED, ADJUDGED, AND DECREED THAT:

1. The Debtors are authorized, but not directed, to continue to maintain, and manage their cash pursuant to, the Cash Management System; to collect, concentrate, and disburse cash in accordance with the Cash Management System, including Intercompany Transactions; and to make ordinary course changes to their Cash Management System without further order of the Court.

2. The Debtors are authorized, but not directed, to (a) designate, maintain, and continue to use any or all of their existing Accounts, including those listed on Exhibit B to the Motion, in the names and with the account numbers existing immediately before the Petition Date, (b) to the extent of available funds, deposit funds in, and withdraw funds from, such accounts by all usual means, including, without limitation, checks, wire transfers, ACH transfers, and other debits, (c) pay any Account Fees or other charges associated with the Accounts, whether arising before or after the Petition Date, and (d) treat their prepetition Accounts for all purposes as debtor in possession accounts.

3. The Debtors are authorized, but not directed, to (a) open new Accounts and close any existing Accounts in the ordinary course of business as they may deem necessary and appropriate, and any relevant bank is authorized to honor the Debtors' requests to open or close such Accounts and (b) enter into any ancillary agreements, including new deposit control agreements, related to the foregoing, as they may deem necessary and appropriate; *provided*, that all accounts opened by any of the Debtors on or after the Petition Date at any bank, shall, for purposes of this Interim Order, be deemed an Account as if it had been listed on Exhibit B to the

Motion; *provided, further*, that all new accounts that are opened within the United States shall be at depositories that are designated as an approved depository by the U.S. Trustee pursuant to the U.S. Trustee Guidelines; *provided, further*, that the Debtors shall provide prior written notice to the extent reasonably practicable, email notice being sufficient, to the U.S. Trustee, and, if appointed, counsel to any statutory committee, email notice being sufficient, of such opening or closing any Account and such opening or closing shall be timely reported in the Debtors' monthly operating reports.

4. The Banks are authorized to receive, process, honor, and pay any and all checks issued, or to be issued, and electronic funds transfers requested, or to be requested, by the Debtors relating to such obligations as set forth herein, to the extent that sufficient funds are on deposit in available funds in the applicable Accounts to cover such payments. The Banks are authorized to accept and rely on all representations made by the Debtors with respect to which checks, drafts, wires, or automated clearing house transfers should be honored or dishonored in accordance with this or any other order of this Court, whether such checks, drafts, wires, or transfers are dated prior to, on, or subsequent to the Petition Date, without any duty to inquire otherwise.

5. The Debtors are authorized, but not directed, to continue the Corporate Card Programs in the ordinary course and using, and performing their obligations under, the Corporate Card Programs, including, without limitation, paying any obligations related thereto regardless of whether such obligations arose prior to or after the Petition Date. All prepetition charges and fees due and owing under any agreements between the Credit Card Providers and the Debtors are authorized to be paid to the Credit Card Providers, as applicable pursuant to the terms of such agreements.

6. The Debtors are authorized, but not directed, to issue new postpetition checks, or effect new electronic funds transfers, and to replace any prepetition checks or electronic fund transfer requests that may be lost or dishonored or rejected as a result of the commencement of the Chapter 11 Cases with respect to any prepetition amounts that are authorized to be paid pursuant to this Interim Order.

7. Each of the Debtor's Banks is authorized to debit the Debtors' accounts in the ordinary course of business without the need for further order of this Court for: (i) all checks drawn on the Debtors' accounts which are cashed at such Bank's counters or exchanged for cashier's checks by the payees thereof prior to the Petition Date; (ii) all checks or other items deposited in one of Debtors' accounts with such Bank prior to the Petition Date which have been dishonored or returned unpaid for any reason, together with any fees and costs in connection therewith, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (iii) all undisputed prepetition amounts outstanding as of the date hereof, if any, owed to any Bank as service charges for the maintenance of the Cash Management System; and that any of the Debtors' Banks may rely on the representations of the Debtor with respect to whether any check or other payment order drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Order or any other order of this Court, and such Bank shall not have any liability to any party for relying on such representations by the Debtors as provided for herein.

8. The Banks shall not be liable to any party on account of: (a) following the Debtors' representations, instructions, or presentations as to any order of the Court (without any duty of further inquiry); (b) the honoring of any prepetition checks, drafts, wires, electronic funds transfers, ACH transfers, or other items in a good faith belief or upon a representation by the

Debtors that the Court has authorized such prepetition check, draft, wire, transfers, or other items; or (c) an innocent mistake made despite implementation of reasonable handling procedures.

9. Those certain existing deposit agreements between the Debtors and their existing Banks shall continue to govern the postpetition cash management relationship between the Debtors and the Banks, and that all of the provisions of such agreements, including, without limitation, the termination and fee provisions, shall remain in full force and effect, without the need for further Court order. Either the Debtors or the Banks may, without further order of this Court, implement changes to the Cash Management System and procedures in the ordinary course of business pursuant to terms of those certain existing deposit agreements, including, without limitation, the opening and closing of Accounts.

10. The Debtors are authorized pursuant to sections 363(c) and 364(a) of the Bankruptcy Code to continue to perform under and honor Intercompany Transactions in the ordinary course of business, so long as such Intercompany Transactions are materially consistent with the Debtors' operation of their business in the ordinary course during the prepetition period; *provided* that the Debtors shall maintain accurate and detailed records of all Intercompany Transactions and the payment of Intercompany Claims so that all transactions, including Intercompany Transactions and the payment of Intercompany Claims, may be readily traced, ascertained, distinguished, and recorded properly on applicable intercompany accounts (if any) and distinguished between prepetition and postpetition transactions for the purposes of determining administrative expense status, which records shall be provided to First Lien Agent and Consenting Creditor Counsel upon reasonable request. Further, the Debtors shall maintain a report setting forth all Intercompany Transactions that constitute cash payments, both between Debtors and between Debtors and non-Debtor affiliates, and shall provide a copy of such report

on a weekly basis to First Lien Agent and Consenting Creditor Counsel beginning with the second week following the entry of this Interim Order. To the extent that the transfers within the Cash Management System are disbursements, they will be noted and reflected on the monthly operating reports and post confirmation reports filed by Debtors.

11. All Intercompany Claims against one Debtor held by another Debtor arising after the Petition Date as a result of Intercompany Transactions shall be accorded administrative expense priority status in accordance with section 503(b) of the Bankruptcy Code. For the avoidance of doubt, the relief granted in this Interim Order with respect to the postpetition Intercompany Transactions and the Intercompany Claims resulting therefrom shall not constitute a finding as to the validity, priority, or status or any prepetition Intercompany Claim or any Intercompany Transaction from which such Intercompany Claim may have arisen, and the Debtors and any other party in interest expressly reserve any and all rights with regard to the validity, priority, or status of any prepetition Intercompany Claim or any Intercompany Transaction from which such Intercompany Claim may have arisen.

12. To the extent that any of the Debtors' Accounts are not in compliance with section 345(b) of the Bankruptcy Code and any provision of the U.S. Trustee Guidelines, the Debtors shall have until October 2, 2025, without prejudice to seeking an additional extension or extensions, to come into compliance with section 345(b) of the Bankruptcy Code and the U.S. Trustee Guidelines. The Debtors may obtain a further extension of the time period set forth in this paragraph by entering into a written stipulation with the U.S. Trustee and filing such stipulation on the Court's docket without the need for further Court order; *provided*, that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached.

13. Notwithstanding the foregoing, a non-Debtor affiliate shall not setoff any postpetition obligations owed to a Debtor against any prepetition obligations owed by a Debtor to a non-Debtor affiliate to the disadvantage of the Debtors.

14. The Debtors shall maintain accurate records of all transfers within the Cash Management System, including transfers between Debtors, so that all postpetition transfers and transactions shall be adequately and promptly documented in, and readily ascertainable from, their books and records, to the same extent maintained by the Debtors before the Petition Date. To the extent that the transfers within the Cash Management System are disbursements, they will be noted and reflected on the monthly operating reports and post confirmation reports filed by Debtors.

15. The Debtors are authorized to continue using, as such forms were in existence immediately before the Petition Date, the Business Forms, without reference to any Debtors' status as a debtor in possession; *provided*, that once the Debtors have exhausted their existing stock of checks, the Debtors shall ensure that any new checks are clearly labeled "Debtor In Possession" as soon as it is reasonably practicable to do so; *provided further*, that with respect to any Business Forms that exist or are generated electronically, the Debtors shall use reasonable efforts to ensure that such electronic Business Forms are labeled "Debtor In Possession" within fifteen (15) days following entry of this Interim Order, without prejudice to seeking an additional extension of such deadline. The Debtors may obtain a further extension of the 15-day time period referenced in this paragraph by entering into a written stipulation with the U.S. Trustee and filing such stipulation on the Court's docket without the need for further Court order.

16. Nothing in the Motion or this Interim Order, or any payment made pursuant to this Interim Order, is intended to be or shall be deemed as (a) an implication or admission as to the amount of, basis for, or validity of any claim against the Debtors; (b) a waiver or limitation of the

Debtors' or any other party in interest's right to dispute the amount of, basis for, or validity of any claim; (c) a waiver of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable non-bankruptcy law; (d) a waiver of the obligation of any party in interest to file a proof of claim; (e) a promise or requirement to pay any particular claim; (f) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law; (g) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (h) an admission that any lien satisfied pursuant to the Motion is valid (and all rights to contest the extent, validity, or perfection or seek avoidance of all such liens are expressly reserved); or (i) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code. Any payment made pursuant to this Interim Order is not intended to be and should not be construed as an admission to the validity of any claim or waiver of the Debtors' or any other party in interest's rights to dispute such claim subsequently.

17. Notwithstanding anything to the contrary contained herein, any payment to be made hereunder, and any authorization contained herein, shall be subject to any interim and final orders, as applicable, approving the use of such cash collateral and/or the Debtors' entry into any postpetition financing facilities or credit agreements, and any budgets in connection therewith governing any such postpetition financing and/or use of cash collateral (each such order, a "***DIP Order***"). To the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

18. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied.

19. Notice of the Motion is adequate under Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules.

20. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, this Interim Order shall be effective and enforceable immediately upon entry hereof.

21. The Debtors are authorized and empowered to take all actions necessary or appropriate to implement the relief granted in this Interim Order.

22. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Interim Order.

23. A final hearing on the Motion (the “***Final Hearing***”) shall be held on September 16, 2025, at 9:00 A.M., prevailing Central Time. Any objections or responses to entry of the Final Order granting the relief requested in the Motion shall be filed on or before 5:00 p.m., prevailing Central Time, on September 10, 2025. If no objections are timely filed and served, the Court may enter the Final Order without conducting the Final Hearing.
