4 1. Since KBK's retention by the Committee on June 1, 2023, KBK has been actively
5 engaged in all aspects of the case with the goal of maximizing recoveries to unsecured creditors
6 of the Debtor, ensuring case efficiencies with the Committee's lead counsel and other
7 professionals. Upon its retention, KBK consulted with the Committee's lead counsel on various
8 issues arising in this Chapter 11 Case and related adversary proceedings, conducted research in
9 support of contested motions brought by the Committee, and advised the Committee on local
10 practices and procedures, among other tasks.

11 2. All of these efforts have required KBK to work closely with the Committee and
12 its lead counsel to keep the Committee informed throughout this Chapter 11 Case in regular
13 updates, meetings and communications with the Committee. KBK has also worked with the
14 Committee's special insurance counsel, Burns Bair LLP, its financial advisors, Berkeley Research
15 Group, LLC, and its expert consultant on valuation of sexual abuse claims, Stout Risius Ross,
16 LLC, as well as with the Debtor and its professional advisors, always with the goal of maximizing
17 returns for the unsecured creditors.

18 3. The Interim Application is based upon the points and authorities cited herein, the
19 Declarations of Tobias S. Keller and Steve Woodall filed concurrently herewith, the exhibits
20 attached hereto, the pleadings, papers, and records on file in this case, and any evidence or
21 argument that the Court may entertain at the time of the hearing on the Interim Application.

9 statement [Dkt. No. 1595], both of which drew opposition from the Committee [Dkt. Nos. 1518
10 and 1624, respectively].

11 **B. Selection of the Committee**

12 6. On May 23, 2023, pursuant to Section 1102 of the Bankruptcy Code, the U.S.
13 Trustee selected interested creditors to serve on the Committee. Pursuant to section 1102(a)(1)
14 of the Bankruptcy Code, the U.S. Trustee appointed nine members to serve on the Committee.
15 Upon formation, the Committee selected Mr. Steve Woodall as its chair. On May 30, 2023, the

17 2023, the Applicant as local bankruptcy counsel.

18 **C. The Committee's Retention of KBK**

19 7. On July 8, 2023, the Court entered the *Order Authorizing Retention of Keller*

23 KBK in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Northern District
24 Guidelines, the Local Rules, and the Interim Compensation Order. Subject to KBK's application
25 to the Court, the Debtor is authorized by the Retention Order to compensate KBK at its standard
26 hourly rates for services performed and to reimburse it for actual and necessary expenses incurred.
27 The Retention Order authorizes KBK to provide the following services to the Committee:
28 (1) provide legal advice to the Committee with respect to its duties and powers in this Chapter 11

1 Case; (2) consult with the Committee and the Debtor concerning administration of this Chapter
2 11 Case; (3) assist the Committee in its investigation of the acts, conduct, assets, liabilities, and

5 the Committee in analyzing the Debtor's capital structure; (5) assist the Committee in evaluating

12 this Chapter 11 Case, including the obtaining of credit, the sale of assets, and the rejection or
13 assumption of executory contracts and unexpired leases; (9) appear before this Court, any other
14 federal court, state court or appellate court; (10) provide traditional services of local co-counsel
15 including, without limitation, monitoring the docket for filings and coordinating with lead counsel
16 in matters that need response; preparing certifications of counsel, and notices of fee applications
17 and hearings; and for preparing documents and pleadings hearings; and (11) perform all other
18 legal services as may be required and which are in the interests of unsecured creditors or otherwise
19 directed by the Committee. [Dkt No. 204 at 2–3].

20 **D. Summary of Professional Compensation and Reimbursement of Expenses**
21 **Requested**

22 8. By this Interim Application, the Applicant seeks interim allowance of
23 compensation in the amount of **\$134,452.50**¹ and actual and necessary expenses in the amount of
24 **\$3,769.35** for a total allowance of **\$138,221.85** for the Interim Fee Period. The total compensation
25 requested includes a voluntary reduction in the amount of \$3,400.00 from fees incurred in the
26 months of September and November. Attached herewith as **Exhibit D** is an accurate and

27 ¹ KBK took a voluntary reduction of its fees during the Interim Fee Period in the amount
28 \$3,400 in an exercise of its billing judgment.

1 complete copy of an itemized statement detailing all fees and expenses accrued during the Interim
2 Fee Period.

3 9. All services for which KBK requests compensation were performed for or on
4 behalf of the Committee. KBK has received no promises for payment from any source other than
5 the Debtor for services rendered or to be rendered in any capacity whatsoever in connection with
6 the matters covered by this Interim Application.

7 10. There is no agreement or understanding between KBK and any other person other
8 than the partners of KBK for the sharing of compensation to be received for services rendered in
9 this Chapter 11 Case. In connection with the Chapter 11 Case, during the Interim Fee Period
10 KBK has been paid \$107,562.00 in fees and \$3,769.35 in expenses pursuant to the procedure
11 established by the Interim Compensation Order.²

12 11. KBK has billed the Committee in accordance with its existing billing rates and
13 procedures in effect during the Interim Fee Period. These rates are the same rates KBK charges
14 for services rendered by its attorneys and paraprofessionals in comparable matters and are
15 reasonable given the compensation charged by comparably skilled practitioners in similar matters
16 in both the California and national markets. The Summary Sheet filed herewith contains tables
17 listing the KBK attorneys and paraprofessionals who have performed services for the Committee
18 during the Interim Fee Period, including their job titles, hourly rates, aggregate number of hours
19 worked in this matter, and, for attorneys, the year in which each professional was licensed to
20 practice law. The Summary Sheet also contains a table summarizing the hours worked by KBK
21 attorneys and paraprofessionals broken down by project billing code. KBK maintains
22 computerized time records, which have been filed on the docket with the Firm's monthly fee
23 statements and furnished to the Debtor and the U.S. Trustee in the format specified by the Interim
24 Compensation Order. The Committee has reviewed the Interim Application and approves the
25 fees and expenses requested herein.

26
27 ² As of the date of filing this Interim Application, the Applicant had submitted its Certificate
28 of No Objection regarding the December Monthly Fee Statement but had not yet been paid this
amount. It anticipates that it will have been paid prior to the hearing on the Application.

1 12. To the extent that time or disbursement charges for services rendered or
2 disbursements incurred relate to the Interim Fee Period but were not processed prior to the
3 preparation of this Application, KBK reserves the right to request additional compensation for
4 such services and reimbursement of such expenses in a future application.

5 **SUMMARY OF SERVICES PERFORMED**
6 **BY KBK DURING THE INTERIM FEE PERIOD**

7 13. During the Interim Fee Period, KBK professionals expended 236.7 hours on behalf
8 of the Committee. Of this, only 7.5 hours were expended by KBK partners, while 195.0 hours
9 were expended by KBK associates and 34.2 hours were expended by paraprofessionals.

10 14. In accordance with the Interim Compensation Order, the Fee Examiner Order, the
11 Northern District Guidelines, the U.S. Trustee Guidelines, and the Local Rules, KBK has
12 classified services performed into the seven specific categories set forth below. KBK has
13 attempted to place the services provided in the category that best relates to such services; because
14 certain services may relate to one or more categories, however, services pertaining to one category
15 may in fact be included in another category. The following summary of services rendered during
16 the Interim Fee Period is not intended to be a detailed description of the work performed. Rather,
17 it merely highlights certain project billing categories in which significant services were rendered
18 by KBK, as well as identifies some of the issues KBK was required to address.

19 **A. Case Administration**

20 **(Task Code B110) Fees: \$1,015.00; Total Hours: 1.7**

21 15. During this Interim Fee Period, KBK utilized this billing category to capture tasks
22 that did not neatly fit into other billing categories. Among other things, KBK (1) assisted the
23 Committee's special insurance counsel in a pro hac vice application, and (2) reviewed the
24 Debtor's status conference report. These were necessary to maximize the overall benefit of the
25 Debtor's estate for all creditors.

26 ///

27 ///

28 ///

1 **B. Asset Analysis and Recovery**

2 **(Task Code B120) Fees: \$260.00; Total Hours: 0.4**

3 16. During the Interim Fee Period, KBK attorneys consulted with the Committee's
4 lead counsel regarding real estate valuation. KBK attorneys employed a collaborative approach
5 with the Committee's lead counsel that ensured a comprehensive strategy for maximizing
6 recovery for creditors in this Chapter 11 Case.

7 **C. Relief from Stay/Adequate Protection**

8 **(Task Code B140) Fees: \$18,855.00; Total Hours: 30.8**

9 17. During the Interim Fee Period, KBK attorneys worked diligently with the
10 Committee's lead counsel for the preparation and filing of (1) the Committee's motion to lift the
11 automatic stay to permit certain personal injury claims to proceed in state court [Dkt. Nos. 1460
12 and 1461], and (2) the Committee's objection to the Debtor's request to enlarge time to file
13 response briefs on the Committee's motion to lift the automatic stay and motion for derivative
14 standing [Dkt. Nos. 1475 and 1476]. These activities are essential to the Committee's
15 representation of the survivors and other creditors of the estate.

16 **D. Meetings of and Communications with Creditors**

17 **(Task Code B150) Fees: \$2,990.00; Total Hours: 4.6**

18 18. During the Interim Fee Period, KBK attorneys attended Committee meetings, and
19 meetings with special insurance counsel and state court counsel when necessary to provide local
20 insight and guidance. Meetings and communications with the Committee and other creditors are
21 a necessary and mandatory aspect of KBK's legal representation of the Committee.

22 **E. Fee/Employment Applications**

23 **(Task Code B160) Fees: \$8,682.50; Total Hours: 24.0**

24 19. During the Interim Fee Period, KBK prepared its Fourth Interim Fee Application
25 [Dkt. No. 1384] and two declarations in support thereof [Dkt. Nos. 1385 and 1386]. KBK also
26 prepared four Monthly Fee Statements for the periods of August 1, through August 31, 2024 [Dkt.
27 No. 1350]; September 1, 2024, through September 30, 2024 [Dkt. No. 1427]; October 1, 2024,

1 through October 31, 2024 [Dkt. No. 1477]; and November 1, 2024, through November 30, 2024
2 [Dkt. No. 1557].

3 20. During this period, KBK billed \$6,012.50 in preparing its Fourth Interim Fee
4 Application in which it sought the allowance of \$47,424.07 in fees and expenses. The amount
5 billed preparing the Fourth Interim Fee Application was therefore approximately 12.7 percent of
6 the total amount sought, exceeding the five percent guideline of the Northern District Guidelines.
7 That said, those guidelines are just that – “guidelines” – and do not affect law or even local rule.
8 *See* B.L.R. 9029-1 (“such guidelines are not intended to be local rules and shall not have the force
9 and effect thereof”). In fact, while the guidelines purport to limit the amount charged for fee
10 applications to five percent, that limit is not a hard and fast rule. “We can envision circumstances
11 that would justify an award of fees for preparing fee applications in excess of the five percent
12 limitation[.]” *Rakitin v. Cohen (In re Dimas, LLC)*, No. NC-08-1073-DJuMk, 2009 Bankr.
13 LEXIS 4552, at *19 (B.A.P. 9th Cir. Feb. 25, 2009).

14 21. This is such a circumstance. KBK has been mindful of its role as local counsel
15 and has worked diligently to limit its activities to those necessary. Regardless of the size of its
16 role, KBK must comply with section 330 of the Bankruptcy Code by drafting and submitting fee
17 applications which take a minimum amount of time to complete. The Northern District
18 Guidelines, along with the U.S. Trustee Guidelines, include elements that must be included in all
19 fee applications, such as background, supporting declarations, and charts summarizing the
20 charges. The amount billed is over five percent of the amount sought in the Fourth Interim Fee
21 Application because KBK managed its level of engagement to match the size of its role in the
22 case. KBK requests that the Court find that this is a justifiable exception to the Northern District
23 Guideline’s five percent cap and allow the full amount of its fees related to preparation of the
24 First Interim Fee Application.

1 **F. Fee/Employment Application of Others**

2 **Fees: \$6,790.00; Total Hours: 19.7**

3 22. During the Interim Fee Period, KBK, among other things: (1) assisted in the
4 preparation and filing of Committee's professionals' interim fee applications [Dkt. Nos. 1387,
5 1390, 1395, and 1403]; (2) prepared and revised monthly statements in accordance with the
6 Interim Compensation Order for the Committee's professionals, including the certificates of no
7 objection where appropriate; and (3) advised the Committee's other professionals regarding fee
8 application requirements. The payment to the Committee's professionals was necessary for the
9 purpose of adequate and complete representation of the Committee's interests, providing a benefit
10 to the Debtor's estate for all creditors.

11 **G. Other Contested Matters (excluding assumption/rejection motions)**

12 **(Task Code B190) Fees: \$9,820.00; Total Hours: 18.6**

13 23. During the Interim Fee Period, KBK attorneys consulted and collaborated with the
14 Committee's lead counsel on various issues, including: (1) mediation; (2) drafting and revising
15 of the Committee's insurance standing motion and related reply [Dkt. Nos. 1538 and 1604];
16 (3) drafting and revising of the Committee's derivative standing motion and related reply [Dkt.
17 Nos. 1462 and 1599]; and (4) complaints filed against and subpoena on the Debtor. Assisting the
18 Committee with strategizing on how to address contested matters serves to ultimately benefit the
19 creditors of the Debtor's estate.

20 **H. Hearings**

21 **Fees: \$67,875.00; Total Hours: 102.8**

22 24. During the Interim Fee Period, KBK attorneys appeared before the Court as local
23 counsel to the Committee at all hearings and status conferences in this Chapter 11 Case and related
24 adversary proceedings. The hearings before this Court were: (1) the September 25 hearing
25 regarding the Debtor's fourth motion to extend time to assume/reject contracts [Dkt. No. 1328];
26 (2) the October 15 hearing on the motion to allow survivor statements [Dkt. No. 1365]; (3) the
27 October 24 and November 4 status conferences for survivor statements; (4) the November 27
28 status conference; (5) the December 11 hearing regarding KBK's and the Committee's other

professionals' interim fee applications; and (6) the December 18 hearing regarding the Debtor's disclosure statement [Dkt. No. 1453]. Attendance at hearings and status conferences, as well as maintaining communications with survivors, Committee members, and the Committee's professionals are necessary for the smooth administration of this Chapter 11 Case.

25. In addition to attendance at hearings, KBK, among other things, also: (1) worked with the Committee's lead counsel in the drafting and revising of the motion to set status conferences for survivor statements and the ex parte application to schedule the status conferences on shortened time [Dkt. Nos. 1365 and 1366]; (2) revised and finalized a reply regarding survivor statements status conferences [Dkt. No. 1415]; and (3) maintained communication with survivors, Committee members, and the Committee's other professionals in preparation for the November 4 and December 13 hearings. KBK attorneys were instrumental in the preparation for both hearings where survivors were allowed to make statements to the Court. KBK attorneys worked with the individual survivors and their state court counsel to ensure that each survivor was familiar with the process and proceedings so that they could speak to the Court while minimizing the potential trauma of the hearing. These tasks are necessary for the Committee's effective representation of the survivors in this Chapter 11 Case.

I. Claims Administration and Objections

(Task Code B310) Fees: \$2,185.00; Total Hours: 3.5

26. During the Interim Fee Period, KBK consulted with the Committee's lead counsel to draft and file (1) the stipulation to permit experts and consultants access to unredacted proofs of claim [Dkt. No. 1443], and (2) the Committee's objection to the Oakland Parochial Fund's claim and related notice [Dkt. Nos. 1524 and 1526]. These activities were essential to fully advocate for the rights of creditors in this Chapter 11 Case.

J. Plan and Disclosure Statement (including Business Plan)

(Task Code B320) Fees: \$19,380.00; Total Hours: 30.6

27. During the Interim Fee Period, KBK attorneys, among other things: (1) consulted with the Committee's other professionals regarding insurance coverage issues and settlement law; (2) maintained communication with lead counsel regarding plan strategy, negotiations, and

1 objection to the Debtor's disclosure statement; and (3) collaborated with the Committee's
2 professionals to draft the objections to the Debtor's disclosure statement and amended disclosure
3 statement [Dkt. Nos. 1518 and 1624, respectively]. The input from the Committee regarding the
4 Debtor's chapter 11 plan and disclosure statements is critical in ensuring a viable plan that will
5 protect the rights of all creditors.

6 **ACTUAL AND NECESSARY DISBURSEMENTS**

7 28. As is its typical practice in chapter 11 cases, KBK advanced costs on behalf of the
8 Committee in connection with the discharge of the duties described in the Interim Application.
9 During the Interim Fee Period, KBK incurred a total of **\$3,769.35** expenses. These expenses
10 relate to payment for hearing transcripts, service of documents, filing fees, and travel expenses to
11 and from scheduled hearings. These expenses are reasonable and necessary for the administration
12 of the Chapter 11 Case. Receipts for all significant expenses have been provided to the
13 Committee.

14 **LEGAL BASIS FOR INTERIM COMPENSATION**

15 29. The professional services for which KBK requests interim allowance of
16 compensation and reimbursement of expenses were rendered and incurred in connection with this
17 case in the discharge of KBK's professional responsibilities as attorneys for the Committee in this
18 Chapter 11 Case. KBK's services have been necessary and beneficial to the Committee, the
19 Debtor, its estate, creditors, and other parties in interest.

20 30. In accordance with the factors enumerated in section 330 of the Bankruptcy Code,
21 KBK respectfully submits that the amount requested by KBK is fair and reasonable given the
22 complexity of the Chapter 11 Case, the time expended, the nature and extent of the services
23 rendered, the value of such services, and the costs of comparable services other than in a case
24 under the Bankruptcy Code. Moreover, KBK has reviewed the requirements of the Interim
25 Compensation Order, the Fee Examiner Order, the Northern District Guidelines, and the U.S.
26 Trustee Guidelines and believes that the Interim Application complies with all of them.
