The Roman Catholic Bishop of Oakland, a California corporation sole, and the debtor and debtor in possession (the "Debtor" or "RCBO") in the above-captioned chapter 11 bankruptcy case (the "Chapter 11 Case" or the "Bankruptcy Case"), hereby files this motion (the "Motion to Amend"), pursuant to sections 105, 330, and 331 of the United States Code (the "Bankruptcy Code"), for entry of an order amending the previously-approved *Order Authorizing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (the "Interim Compensation Order") [Dkt. No. 170]. The Interim Compensation Order established the process whereby professionals retained in this Chapter 11 Case are paid for their professional fees and expenses. The Debtor files this Motion to Amend seeking to (i) increase the Monthly Fee Holdback for Professional fees due and payable by the Debtor from and after June 1, 2025, from 20% to 40%, and (ii) reserve payment of the Monthly Fee Holdback for each Professional until approval of a final fee application in the Bankruptcy Case for each such Professional.

The Debtor strongly believes the requested amendment is reasonable, necessary and in the best interests of the estate. This is true in light of the circumstances of this particular case (including the amount of more than approximately \$30 million already paid by the Debtor for Professional fees during the last approximately 23 months since the Petition Date), the Debtor's current cash forecast (the "Cash Forecast"), which is attached hereto as **Exhibit B**, and the now-fixed schedule for the confirmation hearing in this case. The amendment will enable the Debtor to pay all of the administrative costs of the case through the now-scheduled confirmation hearing for the Debtor's Third Amended Plan of Reorganization (the "Plan") [Dkt. No. 1830] which will occur in late August/early September. The Debtor recently updated its cash forecast (described in detail below) to account for a recent increase in actual Professional fees and to account for the schedule for discovery and confirmation in this Bankruptcy Case.

The Debtor has reached out to the United States Trustee, the Committee and the Fee Examiner regarding the relief requested in the Motion to Amend. The United States Trustee has not responded to the Debtor's inquiry as of the filing of this Motion. The Fee Examiner has stated that he does not object to the relief sought herein. The Committee has not yet provided a final response on the Motion to Amend.

¹ Capitalized terms not defined herein have the meaning ascribed to them in the Interim Compensation Order.

A proposed order granting the requested relief is attached hereto as **Exhibit A** (the "<u>Proposed</u> Order").

MEMORANDUM OF POINT AND AUTHORITIES

I.

INTRODUCTION

By this Motion to Amend, the Debtor seeks to amend the previously-approved procedures for the compensation and reimbursement of professionals whose retentions have been approved by the Court pursuant to sections 327 or 1103 of the Bankruptcy Code (each, a "Professional," and collectively, the "Professionals") on a monthly basis. Specifically, the Debtor seeks to (i) increase the Monthly Fee Holdback for Professional fees due and payable by the Debtor from and after June 1, 2025, from 20% to 40%, and (ii) reserve payment of the Monthly Fee Holdback for each Professional until approval of a final fee application in the Bankruptcy Case for each such Professional. These changes are due to the Debtor's financial position, more limited cash flow almost two years into the Chapter 11 Case, and recent run rates for Professional fees. The Debtor believes the requested amendment is in the best interests of the Debtor's estate. See Declaration of Attila Bardos (the "Bardos Declaration"), filed contemporaneously herewith. In addition, the Debtor requests a technical amendment to the Interim Compensation Order to revise the timing of the Monthly Fee Statement filings to permit filings on the next business day when the 30th of a month falls on a weekend or holiday.

II.

JURISDICTION AND VENUE

This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b), the *Order Referring Bankruptcy Cases and Proceedings to Bankruptcy Judges*, General Order No. 24 (N.D. Cal.), and Local Rule of Bankruptcy Procedure for the Northern District of California 5011-1(a). Venue for this matter is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory bases for this Motion to Amend are sections 105(a), 330, and 331 of the Bankruptcy Code.

III.

BACKGROUND

A. General Background

On May 8, 2023 (the "<u>Petition Date</u>"), the Debtor caused its attorneys to file a voluntary petition for chapter 11 bankruptcy relief under the Bankruptcy Code. The Debtor continues to operate its ministry and manage its properties as a debtor in possession under sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in this Chapter 11 Case.

On May 23, 2023, the Office of the United States Trustee for Region 17 (the "<u>US Trustee</u>") appointed an official Committee of Unsecured Creditors (the "Committee") in this Chapter 11 Case.

On June 23, 2023, the Court entered the Interim Compensation Order, which provided that Professionals could file monthly fee statements and if there were no objections lodged, receive 80% of the fees and 100% of the expenses incurred during the month. Interim Compensation Order, ¶2(g). The Interim Compensation Order also provides that monthly fee statements must be filed on or before the 30th day of the month. *Id.* at ¶2(b). The Interim Compensation Order expressly and appropriately recognized that "[t]his Court retains the ability to modify or otherwise reconsider this Order at any time." *Id.* at ¶5.

The Court recently entered its Order (I) Approving Third Amended Disclosure Statement; (II) Establishing Procedures for Plan Solicitation, Notice, and Balloting [Dkt. No. 1877], which permitted the Debtor to send its Plan to creditors and set the hearing on confirmation of the Plan for August 25, 2025 in order to allow for discovery.

The Debtor recently updated its cash forecast based on the recent actual run rates for Professionals and the discovery and confirmation schedule. See Cash Forecast, Ex. B. This is discussed in greater detail below.

At the time the Debtor presented the Interim Compensation Order for entry, the Debtor had forecast professional fees and administrative expenses for the Bankruptcy Case based on a hoped-for exit within two years of the Petition Date. The Debtor and Committee have previously commented to the Court that professional fees were slightly front-loaded, or heavier, in the early days of the case based on the parties' cooperation with respect to accelerated, informal discovery pursuant to which the Debtor provided documents and information to the Committee. Jeff Prol, lead counsel for the Committee, commented to MOTION TO AMEND INTERIM COMPENSATION PROCEDURES ORDER

this Court his hopes to establish a "new paradigm" in diocese chapter 11 cases working toward a faster exit from chapter 11 than many other diocese cases which have been filed and have pended throughout the country for three, four, or five years or more. Unfortunately, these early hopes have not resulted in a fast resolution of this Bankruptcy Case. The current schedule has caused the Debtor to revisit its cash forecast. Recognizing the professionals in this Chapter 11 case have already been paid the total sum of approximately \$30 million dollars, and recognizing the scheduled discovery and Plan confirmation proceedings which will conclude by early September, the Debtor has now determined the proposed amendment which would increase and defer the Professional Fee Holdback is in the best interests of the Debtor's estate.

IV.

RELIEF REQUESTED

The Debtor respectfully requests that the Court amend the Interim Compensation Order to (i) increase the Monthly Fee Holdback for Professional fees due and payable by the Debtor from and after June 1, 2025, from 20% to 40%; (ii) reserve payment of the Monthly Fee Holdback for each Professional until approval of a final fee application in the Bankruptcy Case for each such Professional; and (iii) make a technical amendment which allows for the filing of the Monthly Fee Statements filings on the next business day when the 30th of a month falls on a weekend or holiday.

V.

BASIS FOR RELIEF

Section 331 of the Bankruptcy Code provides, in relevant part, as follows:

A trustee, an examiner, a debtor's attorney, or any professional person employed under section 327 or 1103 of this title may apply to the court not more than once every 120 days after an order for relief in a case under this title, or more often if the court permits, for such compensation for services rendered before the date of such an application or reimbursement for expenses incurred before such date as is provided under section 330 of this title. After notice and a hearing, the court may allow and disburse to such applicant such compensation or reimbursement.

MOTION TO AMEND INTERIM COMPENSATION PROCEDURES ORDER

Case: 23-40523 Doc# 1908 Filed: 04/23/25 Entered: 04/23/25 12:48:47 Page 5 of

Section 331 of the Bankruptcy Code establishes the general rule that professionals may apply to the court for compensation for services and/or reimbursement of expenses only three times per year. Section 331 of the Bankruptcy Code, however, also expressly allows a court to permit the more frequent filing of such applications. Though payment of 80% of the fees incurred by Professionals on a monthly basis is a commonly used arrangement, it is not mandated. As one example, in the Rockville Centre diocese case, the court reduced the monthly payment percentage from 80% to 50% for a period of time because of the debtor's cash flow situation and the high amount of professional fees incurred in the case before the case resolved. See Order Regarding Holdback of Professional Fees and related Transcript, In re Roman Catholic Diocese of Rockville Centre, New York, Case No. 20-12345, Dkt. Nos. 2743 and 2753.

The attached Cash Forecast reflects the actual Professional fees incurred thus far in the Chapter 11 Case, which have increased since the Debtor filed its Plan in November 2024. The Cash Forecast also now reflects an assumed exit date of September 30, 2025 based on the schedule ordered by this Court for discovery and the confirmation hearing on the Debtor's Third Amended Plan. The Cash Forecast reflects the requested 40% holdback, which would result in a deferral of over \$1.67 million in Professional fees until final fee applications are decided at the end of the Bankruptcy Case.

Attached to this Motion to Amend as <u>Exhibit C</u> is a chart which reflects the Professional fees in this Bankruptcy Case since its inception, showing the total sum of \$30,314,733.42 in Professional Fees requested for time through February 2025. The Debtor has timely paid all amounts as and when due pursuant to the existing Interim Compensation Order. This chart confirms a recent increase in the fees being charged by the Committee, which the Debtor recently addressed with lead counsel for the Committee. The Debtor noted, for example, the Committee's fees for its three law firms for the month of February *exceeded* the amount of Foley's fees as lead counsel for the Debtor – the Committee charged the total sum of \$803,380.50 for its attorney fees in February compared to Foley's fees in the amount of \$637,824.00.² In addition, the Committee's Monthly Fee Statements show the Committee has charged the estate at least the sum of \$1.4 million for its work related to the three motions and two adversary

² See Dkt. Nos. 1858 (Lowenstein Sandler LLP ("<u>Lowenstein</u>")); 1857 (Keller Benvenutti Kim ("<u>KBK</u>")), 1859 (Burns Bair LLP ("Burns"); and 1848 (Foley & Lardner LLP ("Foley")).

proceedings the Committee filed against the Debtor and various non-debtors following the filing of the 2 Debtor's initial Plan in November 2024. This in turn caused the Debtor to spend just over \$600,000.00 in attorney fees to defend the Committee's filings – much less than the Committee spend on this litigation.⁴ 3 Although the Debtor takes great exception to the Committee charging Professional fees which exceed the 5 Debtor's Professional fees⁵, the Debtor has advised the Committee it will reserve any objection to the Committee's previously-charged fees for the final fee application stage, because the Debtor believes at 7 this stage of the Bankruptcy Case that is in the best interests of the Debtor's estate.

Even without consideration of the specific amounts recently charged by the Committee in this Bankruptcy Case, both the total amount of Professional fees incurred to date for all Professionals (including the mediators) and the Debtor's current financial position support the relief requested in this Motion to Amend. Deferring an additional 20% in Professional fees and holding these amounts until final fee applications are approved is in the best interests of the Debtor's estate. This will help to ensure the Debtor can pay administrative expenses through confirmation and will not unduly prejudice the Professionals.

In addition, for administrative convenience, the Debtor requests that the Court amend the Interim Compensation Order to provide that if the 30th day of the month falls on a weekend or holiday, then the Professional may file its Monthly Fee Statement on the next business day following the 30th.

VI.

RESERVATION OF RIGHTS

Nothing contained in this Motion to Amend is intended to be or shall be construed as (i) an admission as to the validity of any claim against the Debtor, (ii) a waiver of the Debtor's or any appropriate party in interest's rights to dispute any claim, or (iii) an approval or assumption of any agreement, contract,

⁵ Generally, a committee's professional fees in a chapter 11 case approximate 35-50% of a debtor's professional fees, and in some cases may approach 2/3 of a debtor's professional fees. The Debtor is not familiar with any string of cases in which a committee's professional fees actually exceed the fees being charged by professionals for the debtor. For comparison, see Exhibit D which reflects the professional fees charged in the hard fought and contested Rockville Centre case, where the committee's fees were approximately 45% of the debtor's fees.

Likewise, if the Court grants the relief sought in this Motion to Amend, any payment made pursuant to the Court's order is not intended to be, and should not be construed as, an admission to the validity of any claim or a waiver of the Debtor's rights to dispute such claim subsequently.

Nothing contained in this Motion to Amend is intended to be or shall be construed as a waiver of any of the Debtor's rights under any applicable law, including, without limitation, the Code of Canon Law, the First Amendment of the United States Constitution, the Constitution of the State of California, the California Corporations Code §§ 10000-10015, the Religious Freedom Restoration Act of 1993 (42) U.S.C. §§ 2000bb-2000bb-4), the church autonomy doctrine, charitable trust law, California trust law, and the Debtor's rights under any insurance policies and to proceeds thereof, and to object to disclosure of information and contend that certain assets discussed in this Motion to Amend are not property of the estate. Furthermore, nothing contained in this Motion to Amend limits the rights of the Debtor to seek further modifications to the Interim Compensation Order.

VII.

NOTICE

Notice of this Motion to Amend is being provided to the Core Service List pursuant to the Court's Interim Order Approving Debtor's Motion For an Order Authorizing and Approving Special Noticing and Confidentiality Procedures [Docket No. 35], pursuant to which no further notice is required.

VIII.

CONCLUSION

WHEREFORE, the Debtor respectfully requests that the Court enter the Proposed Order and grant such other and further relief as may be just and proper.
