

2. The Debtors utilize the services of Paychex HR through its professional employer organization (“**PEO**”) Oasis Outsourcing V, LLC which provides certain human resources, payroll and benefit services to the Debtors, pursuant to a services agreement. The PEO is responsible for, *inter alia*, processing employee wages, benefits and withholdings and remitting and reporting taxes to applicable state and federal authorities. In a PEO relationship, returns are filed under the PEO FEIN not under the individual client FEIN. In the instant case, Paychex HR has indicated that it filed the returns in question in a consolidated return that includes many of its clients’ employees, such that an individual client return does not exist. Attached hereto as Exhibit A are tax compliance letters from Paychex HR to (i) RHCSC Columbus AL Holdings LLC, (ii) RHCSC Montgomery I AL Holdings LLC, (iii) RHCSC Savannah AL Holdings LLC, and (iv) RHCSC Social Circle AL Holdings LLC with respect to returns for those entities. RHCSC Montgomery II AL Holdings LLC was shut down prior to the Petition Date and has not had any employees during the pendency of the Chapter 11; therefore, no Form 940 or 941 returns were required.

3. Although the Debtors have discussed other tax returns with the IRS during the pendency of these cases, the Debtors have no record of a previous request from the IRS for the identified returns. Upon receipt of the Motion, counsel for the Debtors provided Federal Tax Detail Reports along with the tax compliance letters to counsel for the IRS. The Federal Tax Detail Reports contain substantially the same information as would have been included in the returns themselves.

4. The Debtors assert that they have complied with their obligations to file returns and pay any corresponding tax liability.

WHEREFORE, the Debtors respectfully request that the Court deny the Motion and grant the Debtors such other and further relief as may be just and proper.

This 12th day of June, 2025.
