Aequitas Receiver Report

I. Introduction

During the course of an investigation into the business practices of Aequitas Management, LLC (“AM”); Aequitas Holdings, LLC (“AH”); Aequitas Commercial Finance, LLC (“ACF”); Aequitas Capital Management, Inc. (“ACM”); and Aequitas Investment Management, LLC (“AIM”) (collectively “Entity Defendants”), as well as 43 subsidiaries and/or majority-owned affiliates (collectively “Receivership” or “Receivership Entity”), the Securities and Exchange Commission (“Commission” or “SEC”) concluded that the appointment of a receiver was necessary and appropriate for the purposes of marshaling and preserving all assets of the Receivership Entity (the “Receivership Property”). Accordingly, on March 10, 2016, the Commission and the Entity Defendants filed a Proposed Stipulated Order Appointing Receiver (the “Proposed Receivership Order”) [Dkt. 2-2].¹

On March 16, 2016, pursuant to the Stipulated Interim Order Appointing Receiver (the “Interim Receivership Order”), Ronald Greenspan was appointed as Receiver for the Entity Defendants and 43 related entities on an interim basis. On April 14, 2016, pursuant to the Order Appointing Receiver, Mr. Greenspan was appointed as Receiver for the Receivership Entity on a final basis (the “Final Receivership Order”) [Dkt. 156].

In accordance with the Final Receivership Order, the Receiver is required to file a report (the “Receiver’s Report”) with the Court within thirty (30) days after the end of each calendar quarter. This report (the “Report”) represents the report and

¹ All Dkt (or Docket) references are available at the Receiver’s website - <http://www.kccllc.net/aequitasreceivership>

recommendations to the Court for the quarter ending December 31, 2018. A voluntary report and recommendations to the Court (the “Initial Report”) for the first “stub quarter” ending June 30, 2016 [Dkt. 246], the first mandated quarterly report covering the period through September 30, 2016 [Dkt. 298] and subsequent reports covering the period through December 31, 2016 [Dkt. 365], through March 31, 2017 [Dkt. 444], through June 30, 2017 [Dkt. 491], through September 30, 2017 [Dkt. 559], through December 31, 2017 [Dkt. 587], through March 31, 2018 [Dkt. 610] through June 30, 2018 [Dkt. 644] and through September 30, 2018 [Dkt. 662] are collectively referred to herein as the “Receiver’s Reports”. In the accompanying discussion of Receivership matters, the Report provides an update regarding some matters previously reported and does not include all details contained in prior Receiver’s Reports. For a complete and fulsome discussion and for such additional details please refer to prior Receiver’s Reports.

As is the case for the prior Receiver’s Reports, the findings and recommendations of the Receiver contained in this Report should be considered preliminary and subject to change due to the volume of material and information acquired, the complexity of matters analyzed and the need for additional information, verification and analyses.

II. Limitations of Report

The information contained herein has been prepared based upon financial and other data obtained from the Receivership Entity’s books and records and provided to the Receiver and FTI Consulting, Inc. from the staff employed by the Receivership Entity as well as its contract staff and advisers, or from public sources.

The Receiver has not subjected the information contained herein to an audit in accordance with generally accepted auditing or attestation standards or the Statement on Standards for Prospective Financial Information issued by the American Institute of Certified Public Accountants (the “AICPA”). Also, most of the Receivership Entity’s assets

discussed herein are not readily tradable, have no public value indication, are illiquid, are often minority and/or other partial interests, and might be detrimentally affected by affiliation with Aequitas and uncertain consequences of past and future events involving Aequitas. Accordingly, the Receiver cannot express an opinion or any other form of assurance on, and assumes no responsibility for, the accuracy or correctness of the historical information or the completeness and achievability of the projected financial data, valuations, information and assessments upon which the following Report is rendered.

III. Case Background

A. Introduction

As the Initial Report set forth a summary of the complaint (the “SEC Complaint”) against the Entity Defendants, as well as Robert J. Jesenik, Brian A. Oliver and N. Scott Gillis (collectively the “Individual Defendants”), the focus of this Report is to provide an update on various aspects of the Receivership. Additionally, the Final Receivership Order requires that certain items be addressed with the filing of this Report. Pursuant to Section IV Stay of Litigation, paragraph 24 states the following:

The Receiver shall also investigate the probable impact of discovery directed to the Receiver and the Receivership Entity in Ancillary Proceedings and those actions authorized in Paragraph 23. The Receiver shall include in the report and petition it must file pursuant to Paragraph 39 below, a recommendation to the Court as to a plan to govern all discovery directed to the Receiver and the Receivership Entity in Ancillary Proceedings and those actions authorized in Paragraph 23.

Each of the required topics will be addressed individually in the Report.

B. Focus of the Activities to Date

The Receiver has successfully stabilized the Receivership Entity, preserved value when possible and facilitated the monetization of a majority of the Receivership assets. Through the quarter ended December 31, 2018, the Receiver has sold assets and collected receivables totaling approximately \$316.8 million. The Receiver has also entered into and substantially completed the implementation of a settlement with the Consumer Financial Protection Bureau (“CFPB”) and fourteen state Attorneys General in connection with the Corinthian Colleges student loan portfolio held by CSF - including modification or cancellation of each of the approximately 47,000 loans, and appropriate notification to each of the borrowers. As a result of the debt discharge provided to the student borrowers, the Receiver was also required to mail approximately 42,000 debt cancellation tax forms (1099’s) to the borrowers.²

Having made substantial progress on the planned asset dispositions, the Receiver has proceeded with an investor claim validation process and has compiled and sent out 2,561 individually-tailored investment data verification packets, which substantially completes the Receiver’s intended investor data verification packet production. As mandated by the Order, the Receiver has concluded the first phase of his forensic investigation and the resulting forensic report (the “Forensic Report”) was filed and posted to the Receiver’s website³ on November 21, 2018 [Dkt. 663]. The Receiver has expended a significant effort in data analysis and financial modeling necessary for the development of a formal claims process and bar date as well as analyses of potential distribution plans. Further, the Receiver and his team coordinated and

² Subsequent to the extended deadline to file the 1099’s, and after the close of the second quarter of 2018, the Receiver received notice that IRS has determined that the debt forgiveness may not be taxable income to the borrowers. Borrowers should see IRS Revenue Procedure 18-39 at <https://www.irs.gov/pub/irs-drop/rp-18-39.pdf> and consult their tax advisor for applicability.

³ <http://www.kccllc.net/aequitasreceivership/document/1600438181121000000000001>

participated in two mediations with the Receivership Entity's insurers, the Individual Defendants and counsel for the investor groups in an effort to broker a global settlement of claims that, absent an early negotiated resolution, would diminish the insurance proceeds available to pay a portion of the investors' claims against the Receivership Entity and the Individual Defendants. In that same vein, the Receiver and his team have been intimately involved in shepherding settlement of claims against Tonkon Torp LLP, a law firm that provided legal services to the Receivership Entity and alleged by the various investor groups to have aided and abetted in the fraud. The Tonkon Torp settlement is subject to approval by multiple courts. Additionally, settlement negotiations with other parties who the Receiver believes owe the Receivership substantial amounts of money were advanced during the quarter. And finally, the Receivership continues to facilitate discovery, with over 200 people having accessed the database with 17 million documents and provide financial and tax administration including preparing and filing over 100 entity tax returns annually.

C. Recommendation regarding Continuance of the Receivership

It remains the Receiver's recommendation that the Receivership be continued. The conditions under which the Receivership was imposed still exist. While much has been accomplished, there is still much more to do. The Receiver must finish monetizing the remaining assets in a manner and timeline consistent with reasonably maximizing the value to the investors. The Receiver also must (i) complete the claims processes, (ii) complete asset recovery and avoidance litigation, (iii) resolve investor and other creditor claim amounts, (iv) draft and seek constituent support and court approval of an asset distribution plan, for which the modeling of several alternatives has already begun, and (v) manage the distribution process to conclusion.

The remaining loan portfolios owned by the Receivership require management until they are monetized or wound down. The Receiver and his team fill the management gap left after the termination of the Individual Defendants and the departures of other management and staff (more than 90% of pre-Receivership employees are no longer with the Receivership Entities). Absent that day-to-day, hands-on management, the Receivership Entity's and, ultimately, the investors' value would languish.

Feedback from SEC Staff and Aequitas investors regarding our progress thus far has been positive. The Receiver is very mindful of the priorities to proceed both expeditiously and economically, to seek an interim distribution when possible, and conclude this Receivership in an equitable fashion as soon as practicable. The Receiver believes he has their support and encouragement to continue his efforts, and that they also support the continuation of the Receivership.

D. Probable Impact of Discovery Directed to the Receiver and the Receivership Entity

1. Consolidated Database

As previously reported, the Receiver has consolidated all digital data within his control into a centralized, organized database. The database now contains approximately 17.5 million documents/emails. In addition to the Receivership Entity's database, the Receiver has also integrated the multiple data repositories in DTI's⁴ possession as well as the data repository hosted by Pepper Hamilton.⁵ The database

⁴ DTI (aka Document Technologies, Inc. and Epiq) was the previous eDiscovery vendor employed by Aequitas and the database contains valuable work product related to prior productions in the ASFG litigation and to the SEC. The work product has been preserved.

⁵ The Pepper Hamilton repository contains certain files provided by the Receivership Entity as well as Sidley Austin and the SEC.

was effectively utilized to fulfill requests for production (RFP) from governmental agencies.

In accordance with the directive contained in paragraph 24 of the Order Appointing Receiver [Dkt. 156], the Receiver made the centralized database available for access and use by counsel for litigants and other appropriately-authorized parties.⁶ Additional parties interested in obtaining access should contact Troy Greenfield at Schwabe, Williamson & Wyatt (tgreenfield@schwabe.com/ 206.407.1581).

2. Orderly Discovery Process

Pursuant to the Court's May 23, 2016, October 23, 2017 and August 16, 2018 orders granting limited relief from the stay [Dkt. Nos. 185, 551 and 646], the Individual Defendants' defense costs are paid from the Receivership Entity's wasting D&O policies. Final resolution of the SEC's claims against the Individual Defendants would benefit the Receivership Estate and the Aequitas investors by reducing the legal spend and corresponding depletion of the insurance policy limits.

In the last report, the Receiver recommended that the Court refrain from lifting the stay of litigation against the Individual Defendants and the Receivership Entity until after December 31, 2018 because the SEC Staff and the Individual Defendants had reached a tentative resolution of the claims presented in the SEC Complaint, contingent upon approval by the Commission.⁷ The successful negotiations between the SEC Staff and the Individual Defendants paved the way for subsequent settlement negotiations between the Aequitas investors, the Individual Defendants, the Receivership Entity, as

⁶ As of January 2019, access has been provided to 211 users from the following law firms, advisors and interested parties: Beugelmans LLP, Bressler, Amery & Ross, P.C., Corr Cronin, Deloitte, Department of Justice (United States), Eversheds Sutherland, FBI, Hart Wagner, Larkins Vacura Kayser, Latham & Watkins, Miller Nash Graham & Dunn LLP, Munger Tolles & Olson, NJ Attorney General's Bureau of Securities, Pepper Hamilton LLP, Schulte Roth & Zabel, Schwabe Williamson & Wyatt, Securities & Exchange Commission (SEC), Shartsis Friese & Ginsburg, Stoll Berne, The Ferranti Firm LLC, TM Financial Forensics, Winston & Strawn LLP The Receiver remains willing to work with any of the remaining law firms interested in accessing the consolidated database.

⁷ On June 1, 2018, the SEC Staff and Individual Defendants filed their Joint Stipulation To Stay Discovery And To Vacate All Pre-Trial Deadlines; Proposed Order [Dkt. 615] which order was granted the same day [Dkt. 616].

well as the responsible insurance carriers. The Receiver and those parties held private mediation sessions on August 22, 2018 in Portland, Oregon, and on November 12, 2018 in Seattle, Washington. As addressed in Section F. below, and in light of on-going mediation efforts, the Receiver continues to recommend that the Court refrain from lifting the stay of litigation against the Individual Defendants and the Receivership Entity until after March 30, 2019, by which time the Receiver will submit an interim recommendation based on whether he believes a further stay is in the best interests of the Receivership Entity and its investors/creditors.

The Receiver recommends and will file a motion to establish an orderly discovery process including reasonable limitations upon the discovery that may be directed to the Receivership Entity. Obviously, the Receivership Estate would be unnecessarily diminished by subjecting the Receiver, FTI personnel, remaining Aequitas employees and the Receivership Entity's engaged professionals to duplicative discovery in multiple lawsuits. The Receiver has addressed these concerns to counsel for investor claimants who support the general premise that discovery directed to the Receivership Entity must be organized and reasonably limited to avoid unnecessary depletion of the Receivership Estate.

E. Forensic Report

Pursuant to the Order which authorized and empowered the Receiver to investigate (the "Investigation") the manner in which the financial affairs of the Receivership Entity were conducted, on November 21, 2018, the Receiver filed his Forensic Report [Dkt. 663]. The 137-page Forensic Report details the financial activities during the Relevant Period (defined in the Forensic Report as January 1, 2014 through March 16, 2016) and is supplemented by 35 pages of exhibits and supported by 425 files obtained from the books and records of Receivership Entity. The following excerpt

from the Financial Report summarizes the Receiver's findings and the Receiver directs you to the full Forensic Report for a more fulsome discussion of the findings:

The Commission alleges in the Complaint that "...redemptions and interest payments to prior investors were being paid primarily from new investor money in a Ponzi-like [emphasis added] fashion...." While the Investigation uncovered frequent instances where redemptions and interest payments were financed by fundraising efforts or the movement of funds among entities to satisfy such obligations, that, in and of itself, does not qualify as a Ponzi scheme. The Forensic Report examines the Ponzi scheme construct and applies multiple factors by which a finder of fact could determine if the Aequitas scheme qualifies as such.

Even though Aequitas does not present as a classically defined Ponzi scheme where there was no material business being conducted, there is still sufficient evidence of actual fraud and badges of fraud apparent that establish the Ponzi-like nature and fraudulent activity. The Investigation uncovered instances of self-dealing and misstatement of financial statements and activities intended to perpetuate an investor fraud. Based on the findings of the Investigation, it is the Receiver's intention to seek the designation of a Ponzi scheme as it relates to the Receivership Entity.

Since the publication of the Forensic Report, the Receiver has received mostly favorable response from governmental agencies and counsel for the investors.

Additionally, a few items of feedback/revision are worthy of mention:

In Section C.9, the Forensic Report states that "Since 2014, Aequitas paid \$14.5 million out of Investor funds in commissions and consulting fees in furtherance of the

scheme, often to unlicensed salespeople.” The resulting discussion and table⁸ in Section E.4.3.1 mistakenly include payments made to RP Capital that occurred in 2013. The revised total for payments made during the Relevant Period (as defined within the Forensic Report as January 1, 2014 through March 15, 2016) should be \$12,397,919 and specific to RP Capital should be \$6,033,367. A revised table follows.

Also related to the payments discussed in Section E.4.3.1, Mr. Jeff Sica (through his counsel) notified the Receiver that he objected to “inferences” in the Forensic Report as to his (1) involvement in any fundraising and (2) knowledge or complicity in the Ponzi scheme. To the Receiver’s knowledge, Mr. Sica does not dispute that he (and his related entities) received \$1,520,000 in consulting fees and a \$500,000 loan (principal

⁸ Which table was attached to the Forensic Report as Exhibit C.9.

amount) which loan the Receiver contends is in default and now due and owing. The Receiver has again reviewed the information in the Forensic Report as it relates to Mr. Sica and can confirm that, per the Receivership's books and records, \$29,245,000 of investor's funds were attributable to Mr. Sica's clients – of which \$23,670,000 was invested during the Relevant Period and \$9,680,000 of such funds remained outstanding as of the Receivership Date. Further, the Receiver could not identify any inaccurate fact or "inference" as to what Mr. Sica knew or did not know within the Forensic Report. In the Receiver's opinion, no changes to the Forensic Report are appropriate and Mr. Sica's call for the report to be voluntarily sealed or redacted is rejected.

Footnote 284 states: "As of January 28, 2016, the Aequitas Advisory Board consisted of William McCormick, Edmund Jensen, Patrick Terrell, Martin Brantley, William Glasgow J.D., Keith Barnes, Donna Miles, Robert (Bob) Zukis and Gerald Frank. Aequitas records show many of the advisors resigned around January 29, 2016." Mr. Jensen challenged such a characterization and provided documentation (verified by the Receiver) which confirmed Mr. Jensen resigned from the Aequitas Advisory Board as of September 30, 2014 (which resignation the Receiver has now been able to determine was acknowledged by Aequitas on October 4, 2014). Despite having accepted his resignation, Aequitas continued to list Mr. Jensen as a member of the Aequitas Advisory Board in private placement memoranda disseminated throughout 2015 and was included in drafts in 2016. Based on the new information, the Receiver agrees that Mr. Jensen was not a member of the Aequitas Advisory Board on January 28, 2016 and will amend the Forensic Report accordingly.

F. Lifting the Stay of Litigation

With the filing of the Forensic Report and given that the majority of the Receivership Entity's assets have been sold or otherwise monetized, and the majority of outstanding governmental litigation has been settled, resources can be redirected to litigation-related matters without jeopardizing the Receivership's other vital activities.

As addressed above, the Receiver recommends that the Court refrain from lifting the stay of litigation against the Individual Defendants and the Receivership Entity until after March 30, 2019, by which time the Receiver will submit a further interim recommendation. In addition to seeking an order lifting the stay of litigation against the Individual Defendants and the Receivership Entity, the Receiver will thereafter seek orders (i) reasonably limiting discovery of the Receivership Entity and (ii) channeling investor and ordinary vendor claims into a systematic and efficient claims process, and (iii) establishing a claims resolution process to address more complex unliquidated creditor actions (see Section IV.B., below, for additional detail).

IV. Overview of the Receiver's Activities

A. Summary of Operations of the Receiver

1. Day-to-Day Management

With the termination of Aequitas management, the Receiver has needed to supervise the day-to-day operations of the various Receivership Entities. In addition to the daily management duties, the Receiver has focused on several key areas of his mandate, including the marshaling, preserving and monetizing of all assets for the benefit of the investors.

2. Bank Accounts

As discussed in the Initial Report, the Receiver has instituted an integrated on-line platform that facilitates banking, future claims processing, and cash reporting for

receivership cases. As assets are being monetized, the Receiver has been closing bank accounts that are no longer necessary.

Cash basis reports including information for the current reporting period and case to date are attached as Exhibit B.

3. Staffing

a. *Headcount*

The Receiver continues to maintain the minimum staff necessary for the Receivership and enterprise to operate efficiently and effectively. As of December 31, 2018, the Receivership Entity had 10 full-time employees and 1 part-time employee (unchanged from the prior quarter). In January 2019, the Receiver anticipates scaling back the number of full-time employees by one. The Receiver's employee retention program provides for at least six-weeks' notice to employees whose services are anticipated to no longer be required by the Receivership.

b. *Contractors*

In response to staff attrition in addition to the planned reductions, the Receiver necessarily backfilled key accounting and technology positions with local independent contractors (not affiliated with FTI). As of December 31, 2018, the Receivership employed two full-time equivalent accounting contractors (a decrease from three in the prior period) and two part-time IT contractors (unchanged from the prior quarter).

4. Tax Preparation

In the ordinary course of business, the Receivership has many reporting and tax preparation responsibilities to investors and taxing authorities. With the resignation of Deloitte LLP as Aequitas' auditor and tax preparer, the Receiver was required to seek out and engage new professionals to fulfill those requirements.

a. *Tax Preparer*

The Receiver retained a tax specialist to assist legacy Aequitas staff in the preparation of tax and information returns, and to provide tax consulting services on an as-needed basis at the request of the Receiver.

b. Other Tax Matters

2018 tax reporting begins in January 2019 with 1099 information reporting as applicable.

The Receiver expects to provide estimates to fund members for the remaining funds consistent with timing in prior years. Form k-1s will be provided as returns are completed in summer 2019.

The remaining investor equity funds are:

Aequitas Income Protection Fund LLC

Aequitas Enhanced Income Fund LLC

Aequitas Hybrid Fund LLC

Extensions for the 2018 returns for the remaining Aequitas entities are due in March and April 2019. The completed returns are due in September and October 2019.

Federal and state tax reporting for the Aequitas multi-tier structure will continue to be required until there is a conversion of the structure. Depending on the timing, short prior returns could be required.

c. Tax Reform Impact and Other Tax Law Changes

A comprehensive review of the impacts of tax reform on the Receivership is ongoing and will continue as the 2018 returns are prepared. The Receiver cannot provide tax advice to investors. Investors are urged to consult their own tax advisors for guidance and counsel about the applicability and impact of the significant tax law changes that were enacted in late 2017 by the Tax Cuts and Jobs Act (TCJA, P.L. 115-97, 12/22/2017).

The information provided here may be helpful to investors and their advisors in identifying changes that should be reviewed. This list may not contain all the impacts and other guidance may be applicable. It is not intended to replace advice from your own advisors.

Tax law changes include:

1. IRC Section 199A: Qualified Business Income Deduction

The 2017 Tax Cuts and Jobs Act created a 20% deduction for “qualified business income” from pass-through businesses. All the remaining investor equity funds and many of the other receivership entities are pass-through businesses. The Receivership will be providing required disclosure on 2018 form k-1s to assist recipients in determining if there is an impact from Section 199A. The 20% deduction, if applicable, is claimed on a member’s return. Investors should consult with their tax advisors to determine any impact.

2. Other Changes:

Federal tax elimination of loss carrybacks, reduction of tax rates and changes to casualty/theft loss provisions could impact tax reporting for investors. These changes will impact investors differently depending on how investments and income were reported in prior years. States and other localities where investors or the Receivership file returns may or may not have adopted the federal tax changes. The Receivership cannot provide member specific advice or guidance. Investors should consult with their tax advisors to determine any impact from these changes.

3. IRC Section 6221: Determination at partnership level

Beginning with the 2018 tax year, federal tax attributable to adjustments made during audits or other changes resulting in tax due will be assessed at the entity level. This means that a receivership pass-through entity could be subject to tax. The

receivership will be monitoring the impact of the new provision and evaluating the available options to elect out, as possible. Members are required to receive notice of electing out of the new provisions.

Information reporting for student loans held by Campus Student Funding LLC was required in connection with debt cancellation that was provided under the terms of the settlement with the CFPB and state Attorneys General. Receiver and his legal counsel had been working with the IRS and had requested a Private Letter Ruling that would eliminate the need for the information reporting. Such relief from the reporting requirements was denied by the IRS. Receiver had also filed a request for an extension of the deadline to mail informational forms (1099's) to the student borrowers (which request was granted in January 2018). On or about March 2, 2018, the Receivership mailed out ~42,000 informational tax forms to the student borrowers. Subsequent to the extended deadline to file the 1099's, and during the third quarter of 2018, the Receiver received notice that the IRS had determined that the debt forgiveness may not be taxable income to the borrowers. Borrowers should see IRS Revenue Procedure 18-39 at <https://www.irs.gov/pub/irs-drop/rp-18-39.pdf> and consult their tax advisor for applicability.

During the fourth quarter of 2018, the Receivership staff and retained professionals continued to field direct inquiries from the borrowers about the 1099 tax forms, monitored the activities of the call center that also handled such inquiries, and communicated with the IRS, CFPB, and state Attorneys General on matters related to the tax implications of the debt forgiveness on the student borrowers.

5. Payments made on behalf of the defense of the Individual Defendants

Pursuant to the Court's May 23, 2016 order granting limited relief from the stay to permit payment of defense costs for the Individual Defendants under the Receivership's D&O policy, the Individual Defendants are required to submit to the Receiver on a quarterly basis, commencing within 90 days of the entry of the order, a report reflecting the aggregate amount of defense costs paid by the insurers on behalf of the former executives during the prior quarter.

The Receiver had been informed by counsel for XL Catlin, the insurer providing the first tier of \$5 million coverage, that the total of the payments made by XL Catlin as of July 7, 2017 was \$5 million. The Receiver refused to stipulate to the payment of the Individual Defendants' claimed defense costs by the insurer providing the next \$5 million tier of coverage – Forge Underwriting Ltd. (Forge). The Individual Defendants filed motions for relief from the Order Appointing Receiver for the purpose of permitting Forge to reimburse their defense costs. The Receiver vigorously opposed the motions on a number of grounds, specifically including the fact that the Receivership Entity faces claims of Aequitas investors totaling over \$600 million.

The Receivership Entity is also insured under the subject policies, with coverage limits being depleted by the defense spend of the Individual Defendants. In August 2017, numerous counsel for the hundreds of Aequitas investors submitted written claims/demands to the Receiver totaling over \$600 million. The Receiver's insurance coverage counsel promptly tendered those claims to the Receivership Entity's insurance carriers.

Pursuant to the Court's October 23, 2017 order granting further limited relief from the stay, Forge was permitted to pay the Individual Defendants' reasonably-

incurred defense costs. The Receiver has been informed that Forge made payments totaling \$5 million, exhausting the second tier of coverage.

To facilitate the Individual Defendants' participation in a private mediation of claims amongst the Receivership Entity, the Aequitas investors, the Individual Defendants and the responsible insurance carriers, the Receiver stipulated to limited relief from the stay to permit the payment of the Individual Defendants' reasonable and related Defense Costs by Starr Indemnity & Liability Company ("Starr") not to exceed certain specified amounts. The Receiver has been informed that, in the fourth quarter of 2018, approximately \$266,000 was paid in defense costs, with another several ten thousand dollars of invoices related to Defense Costs that are currently outstanding.

6. Ongoing Litigation

Receivership creditors Weider Health & Fitness and Bruce Forman (Weider/Forman) alleged a security interest in the medical receivables held by certain affiliates of CarePayment Holdings LLC and demanded adequate protection related to the sale of those medical receivables. As previously reported, on April 6, 2018, Weider/Forman filed a petition to the Ninth Circuit [9th Cir. Case No. 18-70984, Dkt. 1], asking the appellate court to force the district court to impose a dedicated reserve for their benefit. Weider/Forman additionally moved the Ninth Circuit to "stay" the district court's order denying Weider/Forman a reserve [9th Cir Case No. 18-70984, Dkt. 2]. On April 26, 2018, the Ninth Circuit denied Weider/Forman's petition and motion. [9th Cir Case No. 18-70984, Dkt. 10].

The Receiver is presently engaged in negotiations with a number of parties to recover Receivership Assets and/or to resolve substantial, disputed claims. Consistent with the Court's prior orders, to the extent negotiated resolutions are not reached with

any of the parties, the Receiver will file additional actions. Additionally, the Receiver continues to actively support investor actions against third-party professionals.

Another significant claim against the Receivership which is currently stayed is by American Student Financial Group, Inc. (“ASFG”) in connection with the Corinthian student loan receivables program. During the third quarter of 2018, the Receiver met with representatives of ASFG in an effort to resolve the claims between the Receivership Entity and ASFG. As a follow up to this meeting, in the fourth quarter of 2018, the Receiver and his counsel continued their attempts to reach a consensual resolution of the alleged claims, but these efforts have not yet come to fruition. The Receiver has necessarily continued to expend considerable resources in connection with analyzing the respective claims of the Receivership Entity and ASFG as well as the extensive loan portfolio data, in preparation for the referenced settlement discussions and, if necessary, litigated resolution.

B. Development of Claims Process

The Receiver has substantially completed quantifying and validating approximately \$600 million of investor claims. This involved reconciling tens of thousands of investor investment/redemption activities documented by the books and records of the Receivership, which, because Aequitas did not utilize a consolidated accounting and investor reporting platform, required reconciling investor account statements produced outside the accounting system with separate accounting and tax records. Additional validations were necessary to the extent issues are discovered during the reconciliation process and to the extent the Receivership’s records do not align with investor and creditor records.

As of June 30, 2018, 2,561 investor data validation packets (including Integrity investors) have been sent to investors representing substantially all of the invested

capital in ACF Private Note, Income Opportunity Fund, Income Opportunity Fund II, Income Protection Fund, Private Client Fund, Enhanced Income Fund, ACC C Plus Holdings, ACC F Plus Holdings, Aequitas Peer-to-Peer Funding, CarePayment Holdings, ML Financial Holdings, and MotoLease Financial.

During the third and fourth quarters of 2018, the Receiver undertook a significant effort involving integration of information on interest and return payments made to investors prior to the Receivership into the comprehensive investor activity database that the Receiver has developed. Given the uncertainty of the nature of a future distribution plan, the Receiver has determined that it was necessary to supplement the investor activity database with the detail of interest and return payments in order to be able to accommodate a wider range of possible distribution plans and be able to readily access this important information. The Receivership staff and retained professionals worked to review numerous Aequitas Excel-based schedules, capture the relevant information involving approximately 19,000 transactions, and then map and integrate such information into the existing database. This work is nearing completion, in preparation for the claims process.

The Receiver and the retained professionals have designed and drafted the necessary documentation for the upcoming claims process. The Receivership staff also interviewed several potential claim agent vendors and reviewed such vendors' capabilities, tools, and process, as well as solicited proposals to provide claims agent services. Ultimately, the Receiver has made a decision to hire Epiq Restructuring Services, LLC as a claims agent. On February 12, 2019, the Receiver circulated a claims motion for conferral and, thereafter, will file it with the Court.

V. Disposition of Assets/Interests

A. Assets/Interests Sold

1. CarePayment Medical Receivables

On December 21, 2017, CPLLC and CPFIT sold the remaining healthcare receivables to an affiliate of CPYT. This marked a major milestone in the Receivership's successful complete liquidation of the CarePayment receivables portfolio.

Throughout 2018, we continued to work closely with CPYT to finalize separation of the CarePayment platform from the Receivership. The Receivership continued to negotiate and execute documentation with healthcare providers that resulted in releases to the Receivership Entities in connection with prior contractual obligations of CPLLC and assignment of the agreements to an affiliate of CPYT. Such releases and assignments reduce the risk to the Receivership Entity going forward and are intended to minimize any potential future claims from the providers. As of December 31, 2018, the Receiver obtained releases and provider agreement assignments in connection with 32 contracts, encompassing approximately 120 medical facilities. Several additional agreements with hospital providers were terminated. To the best of Receiver's knowledge, the Receivership has resolved all the outstanding CarePayment provider agreements by either assigning them to an affiliate of CPYT (with a release to the Receivership Entity) or by terminating such agreements. The Receiver, jointly with CPYT, is continuing to work on terminating or transitioning the remaining contractual relationships with marketing partners, targeting to complete the vast majority of such transitions by the end of February 2019.

2. Coeur d'Alene, Idaho real estate

The Receivership sold a vacant lake-front, recreational home in Coeur d'Alene, Idaho, legally described as: Lot 6, Washington Place Subdivision, according to the plat recorded in Book F of Plats, Pager 4, records of Kootenai County, Idaho (the "Real Property") on April 30,

2018. As part of the transaction, the Receivership received a \$550,000 secured promissory note from the buyer bearing interest at the rate of 5.0% and repaid on a 30-year amortization schedule at the rate of \$2,952/month. The unpaid balance of the Loan was due nine (9) months after closing of the sale or by January 31, 2019. The Loan was secured by a first priority deed of trust lien on the Real Property. The purchaser repaid the note in full during the fourth quarter of 2018.

3. Claims against Gerald Frank

The Receiver continues to work with CPYT regarding the monetization of 111,573 shares of Class A Common Stock in CPYT received as part of the settlement with Gerald W. Frank and the Gerald W. Frank Revocable Living Trust related to the Rock and Roll restaurant loan.

4. Synchronex, LLC⁹

Synchronex LLC provides technology solutions to the publishing industry via multiple products. It offers syncAccess, a cloud-based pay meter solution that helps newspaper publishers to develop, configure, own, and evolve mobile and digital products.

The Receiver, on behalf of each of AHL, ACL, ACF, APF, and Aequitas Management, LLC (“AML”), (AHL, AML, ACL and APF each a “Seller Entity,” and collectively the “Seller Entities”), entered into a Purchase Agreement dated as of April 9, 2018, subject to approval of this Court, with Silvermine Media Holdings, LLC (“Purchaser”), which provides the terms for sale of the Seller Entities’ (a) membership interests in Company, and (b) their lenders’ interests in certain loans to Company (together, the “Assigned Interests”, as defined in the Purchase Agreement). The Court issued its Order Granting Receiver's Motion To Sell Personal Property To Silvermine Media Holdings, LLC, Free And Clear Of Liens, Interests, Claims And Encumbrances relative to

the Assigned Interests on May 17, 2018 [Dkt. 614] and the sale closed on June 15, 2018 repaying the AHL Loan in full. Pursuant to the Purchase Agreement, the Purchaser had until September 15, 2018 to calculate a purchase price adjustment for operating capital which could result in the receipt of additional consideration of up to \$75,000. On September 14, 2018, the Purchaser advised the Receivership that the review of the Closing Balance Sheet had concluded and the Losses (as defined in the Purchase Agreement) exceed \$75,000 by a substantial margin and, accordingly, the Purchase Price will be reduced by \$75,000 pursuant to the terms of the Purchase Agreement. The Receivership requested and received additional information regarding the adjustments and continues to evaluate potential remedies.

B. Ongoing Asset Monetization and Sales Efforts

1. Campus Student Funding

On August 17, 2017, the Court approved Receiver entering into the nationwide settlement with Consumer Financial Protection Bureau (CFPB) and thirteen state Attorneys General in connection with the Corinthian Colleges private student loan portfolio owned by the Receivership (the “Settlement”) [Dkt. 495].

All 14 individual settlements are on identical terms, although the form and structure of the settlement and ensuing court orders differ among the states. States that joined the settlement include: California, Colorado, Connecticut, Florida, Illinois, Iowa, Kentucky, Maryland, New York, Oregon, Pennsylvania, Texas, and Washington. The CFPB settlement pertains to all students nationally; the state settlements cover approximately 65% of the then outstanding receivables balance.

While the Settlement represents significant relief to the borrowers in terms of the unpaid principal balance reduction and credit history “clean-up”, it is beneficial for the Receivership Entity as it:

- Allows the Receivership to sell the portfolio (after a significant settlement implementation process and period) and substantially enhances the marketability of the portfolio;
- Preserves the Receivership's (or purchaser's) ability to collect and pursue collection actions for the Active Loans, thus preserving value in the remaining portfolio;
- Avoids significant legal costs and disruption associated with on-going actions by CFPB and likely actions by state Attorneys General.

In addition to the Settlement discussed above, after extensive negotiations, the Receiver has reached a separate settlement with the Attorney General of Massachusetts (the "Massachusetts Settlement"), who had not previously joined the Settlement reached with CFPB and thirteen individual states. On June 12, 2018, the Court approved the Receiver's Motion for Approval of Proposed Settlement with Massachusetts Attorney General. [Dkt. 620]. The Massachusetts Settlement, implemented in the form of an Assurance of Discontinuance, became effective on June 21, 2018.

Following the very significant effort expended by the Receivership on the implementation of the Settlement at the end of 2017 and in the beginning of 2018 which resulted in processing relief in connection with approximately 47,000 loans, the Receiver continued to implement the remaining obligations under the Settlement in 2018. In the third quarter of 2018, the Receiver developed and submitted the second Settlement compliance progress report to CFPB and thirteen state Attorneys General. Following the submission of the compliance progress report, no Settlement compliance issues were brought up by CFPB and state Attorneys General. The Receivership staff and

retained professionals continued to work with the regulators to address any questions that came up in the course of the operations of the portfolio.

Additionally, we have continued to maintain and update a detailed informational website for the borrowers in connection with the Settlement. Through December 31, 2018, the website had received 86,872 hits from 37,572 visitors. Most of the borrower inquiries are being addressed by the servicer but the Receivership also addressed 1,303 borrower inquiries directly (through January 15, 2019). In addition to addressing direct borrower inquiries, the Receivership staff and retained professionals monitor, review, and respond to borrower complaints that are submitted through the CFPB on-line consumer complaint portal or through other venues. All these activities are instrumental in mitigating the Settlement implementation risk to the Receivership, reducing the number of potential borrower complaints, and stabilizing the portfolio.

Furthermore, during the fourth quarter of 2018, the Receiver continued the implementation of the Massachusetts Settlement, overseeing the activities of University Accounting Service (the loan servicer) in providing borrower debt discharge and cash refunds as needed.

As discussed previously in the report, and despite the intervention of the IRS Taxpayer Advocate Service office, the IRS did not agree to waive the requirement for the Receiver to provide informational tax forms (1099's) to student borrowers in connection with the debt discharge granted as part of the Settlement. In the first quarter of 2018, the Receivership staff, retained professionals, and a specialty vendor prepared and mailed out approximately 42,000 informational tax forms. To handle potential borrower inquiries related to the 1099 tax forms, the Receivership has set up an outsourced call center that handled 1,944 calls, including 861 calls answered by agents, through December 31, 2018 (the rest of the callers chose to only listen to a detailed recorded

message). The Receivership staff and retained professionals worked closely with the call center vendor to review call logs and monitor the performance to make sure that the borrowers receive appropriate information.

During the fourth quarter of 2018, the Receivership has also continued to expend significant effort on matters related to the existing servicing agreement with University Accounting Service (“UAS”) and on evaluating other options. The contract negotiations with the servicer are ongoing. The Receivership team worked closely with UAS and Receivership counsel on designing and implementing certain updates and additions to the existing servicing policies that would provide more loan repayment options to the borrowers. Going forward, we will continue working with the loan servicer and our other service providers to complete the implementation of the Settlement and the Massachusetts Settlement and to adjust loan servicing requirements as necessary based on the performance of the portfolio. The Receiver is also evaluating the next steps in connection with the monetization of the remaining portfolio.

2. ACC Holdings 5 (Luxembourg Bonds)

As detailed in Receiver’s Reports, the Receivership Entity is involved in a complex trust structure (the "Lux Investment") related to several series of bonds offered on the Luxembourg Stock Exchange (the “Bonds”) to non-U.S. investors. The issuer of such bonds is Aequitas Income Opportunities S.A. (the “Issuer”), which is not part of the Receivership Entity. Issuer is an independent company that is owned by a Dutch Stichting (foundation) and managed by an independent Board of Directors (the “Lux Board”).¹⁰ During the quarter, the Receiver received an objection from counsel for the Lux Board as to the Receiver’s ongoing practice of deducting the contracted monthly

¹⁰ Consisting of Mr. Andrew MacRitchie, Mr. Elvin Montes and Ms. Laetitia Antoine. Mr. MacRitchie was formerly an officer of the Receivership Entity and owns a minority membership interest in Aequitas Management LLC (“AM”). The other directors do not have any past relationships with the Receivership Entity.

management fee from the underlying investments. While the Receiver evaluates the relevant contracts and rights, and pending negotiations with representatives of the Lux Board, the Receiver intends to accrue as a receivable but not collect the management fee.

3. MotoLease Financial (MLF)

MLF holds subprime consumer leases for motorcycle and other recreational vehicles. Through December 31, 2018, the Receiver has collected approximately \$14.7 million on account of the leases owned at the beginning of the Receivership. As of December 31, 2018, the remaining portfolio (excluding repossessed motorcycles) had a face value of approximately \$1.7 million, of which \$1.5 million is less than 60 days past due. Additionally, MLF had in its possession 52 vehicles with cumulative outstanding lease balances of \$358,000 that are in various stages of reconditioning and/or resale. The Receiver is also reviewing potential claims related to the refurbishment of the repossessed assets. Given the small size of the remaining portfolio and continued payment performance, the Receiver believes the most cost-effective way to monetize this asset is through continued ordinary course runoff of the portfolio in the near term.

4. Pipeline Health Holdings, LLC (“Pipeline”)¹¹

PCF owns 12.6% of Pipeline, which is a telepharmacy platform offering both a full service telepharmacy and software as a service (SaaS) technology. Pipeline offers telepharmacy to hospitals and hospital networks. The Receiver continues to explore opportunities to monetize this asset.

¹¹ <http://www.pipelinerx.com/>

5. Portland Seed Fund (PSF)¹²

Portland Seed fund is an investment in a local venture capital fund providing early stage capital to Oregon based start-ups. The Receiver continues to seek opportunities to monetize the remaining PSF interest.

6. **WorkAmerica**

WorkAmerica offers a web-based platform to source qualified job candidates from community colleges, technical colleges, and vocational training centers nationwide. ACF made a \$250,000 loan to WorkAmerica in April 2014 via a Convertible Promissory Note (“Note”). WorkAmerica is in default under the terms of the Note due to its failure to make timely payments when due. The Note matured on October 18, 2015, at which time the outstanding principal balance and all accrued and unpaid interest was due and payable.

The Receiver has been advised that WorkAmerica is insolvent (total outstanding note holders are estimated at \$2 million) and in the process of being acquired by a competitor. The acquirer is offering to distribute directly to WorkAmerica noteholders a convertible note to be issued upfront and an additional convertible note tied to a potential earn-out which would indicate a recovery of 5-15% of outstanding debt. The Receiver is reviewing the offer and additional documentation has been requested.

VI. Communications to Interested Parties

A. Ongoing Communication with Investors/Counsel

To facilitate regular communication regarding significant opportunities, challenges and actions, the Receiver formed the Investor Advisory Committee (the “IAC”). Participation was initially solicited based on size of the investor or investment advisor and with an eye toward ensuring that all of the significant constituencies would

¹² <http://portlandseedfund.com/>

be represented. Further, the Receiver received several inquiries from additional investors who desired to participate in the IAC. The Receiver evaluated each of these requests and accommodated the investor when circumstances warranted. The last IAC meeting was held on November 13, 2018. Additionally, the Receiver, his legal counsel, and staff stay in regular contact with the IAC members and their legal counsel, including addressing investor inquiries. The next IAC meeting is anticipated to occur during the first quarter of 2019.

The Receiver believes litigation settlements are or will soon be available which could return tens of millions of dollars directly to investors much quicker than will be required to resolve the Receivership. However, such settlements require the cooperation and agreement of numerous groups of investor plaintiffs who hold claims against the defendants. The Receiver and his team expended considerable effort to facilitate an agreement among represented investors to govern both the percentage of litigation recoveries to be paid to investors' counsel and the allocation of those fees among the counsel. Such an agreement would likely result in greater cooperation and coordination among investors' counsel, which would then lead to earlier and greater recoveries available for interim distributions on account of settlements available now and in the future. The Receiver understands that the investor groups recently utilized the Receiver's allocation recommendation in executing settlement agreements with the law firm of Tonkon Torp.

The Receiver continues to press stakeholders to pursue early, negotiated resolutions as opposed to engaging in protracted litigation.

B. SEC and Other Governmental Agencies

1. SEC

As previously discussed, on March 10, 2016, the SEC filed a complaint in this Court alleging that certain Aequitas executives and five entities had violated various federal securities laws. On June 6, 2016, the SEC and the Receiver, acting on behalf of the Aequitas Entity Defendants, filed a consent judgment with the Court, which resolved the claims set forth in the SEC Complaint against the Entity Defendants only, without admitting or denying the numerous allegations. We continue to interact and cooperate with the SEC (including substantial discovery requests), as required by the consent judgement, but there is nothing new to report as of now (other than the developments referenced in section III.D.2. above).

2. CSF and CFPB, and State Attorneys General

Please see section V.B.1 above for the discussion of the Settlement with CFPB and fourteen state Attorneys General.

3. Additional Governmental Agencies

The Receiver has expended significant efforts to comply with various subpoenas and discovery requests from state and federal agencies as those investigations continue.

VII. Lender Relationships

A. Retirement of Institutional Debt

The Receivership Entities and affiliates have retired, generally on discounted terms, the entirety of the approximately \$104 million of institutional secured debt.

VIII. Assets in the Possession, Custody and Control of the Receivership

Estate

A. Cash and Cash Equivalents

The Receiver had cash balances of approximately \$117.2 million as of December 31, 2018 for the entities included in the Receivership Entity. Over the period from March 16, 2016 to December 31, 2018, the overall cash balance of the Receivership Entity increased by approximately \$101.3 million.

Attached as Exhibit B to this Report is the Report of Cash Receipts and Disbursements in the form of the Standardized Fund Accounting Reports as prescribed by the SEC. The reports, together with the accompanying footnotes and detailed schedules, provide an accounting of the Receivership Entity's cash activities through December 31, 2018.

IX. Asset Recovery – Anticipated Assets not yet in the Possession of the Receivership Entity

The Receiver believes Next Motorcycle, LLC and/or its affiliates possesses or have previously possessed approximately 46 motorcycle assets (or the funds due from the sale of said assets) which are currently not in the possession of the Receivership Entity. Due to the unknown condition or value of these vehicles and the associated litigation costs to pursue recovery, the Receiver continues to evaluate various options to pursue a recovery (or abandon if non-economic to pursue) on all or some of these assets.

X. Accrued Professional Fees

As previously discussed, the Receiver has retained several key professionals to assist him in managing the various Aequitas entities, dealing with inquiries/

investigations from governmental agencies and prosecuting his mandate as the Receiver.

The amounts are preliminary and subject to adjustment based on the interim and final fee applications. Detailed time records and supporting documents are being supplied to the Commission and fee applications will be filed with the Court for Court approval prior to the payment. All professionals, including the Receiver, are working at a discount to their standard rates.

XI. Receivership Claimants

In the Initial Report, the Receiver provided a summary compilation of claimants. The summary reflected the Aequitas entities where claimants invested/loaned funds. It does not reflect any subsequent inter-company investments/loans by the Aequitas entities. Interests in ACF “private notes” held by three investors and totaling approximately \$9.55 million in stated principal balance and participation interest in four notes issued by IOF II totaling \$1,070,000 in stated principal balance have been sold by investors and ownership transferred on the Receivership’s records.

XII. Timeline and Distributions

As discussed more fully in the Report, the Receiver has made very substantial progress in actively recovering, stabilizing and monetizing assets, has consolidated and rationalized the terabytes of electronic data and facilitated access by litigating parties, effected settlements with multiple governmental agencies, and has finalized the initial forensic investigation and claims process—but work on each of these activities is still continuing. At this stage it is impossible to provide a definitive timeline for the completion of these and subsequent phases of the Receivership – culminating in a comprehensive, court-approved distribution plan to investors and creditors. This Receivership, comprised directly of 48 entities and almost a dozen more affiliated entities, and involving many operating business (as opposed to owning passive financial assets), is extraordinarily complex and it will take considerable time until distributions to investors can be made from the Receivership Estate. However, the Receiver has facilitated several approved and pending settlements between Investors and professionals and IRAs, the proceeds of which have been, and are intended to be, distributed (with the assistance of the Receiver) shortly after court approval of the settlements.

The Receiver has also evaluated the feasibility of an initial, partial distribution from the considerable funds now on hand. However, that is not feasible until the Receivership has resolved some of the more significant unliquidated vendor claims and competing claims of alleged holders of security interests. The foregoing notwithstanding, the Receiver has initiated preliminary discussions with the IAC regarding the forensic findings, the impact of those findings on a potential distribution plan and various possible distribution plan structures.
