THE COURT HEREBY FURTHER FINDS AND DETERMINES THAT:³

I. Petition Date

A. On March 16, 2025 (the “Petition Date”), the Debtors commenced these Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Since the Petition Date, the Debtors have continued to operate and manage their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

II. Jurisdiction, Final Order and Statutory Predicates

B. The Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157(b)(1) and 1334(a). This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N) and (O). Venue is proper in this District and in the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

C. This order (this “Sale Order”) constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding the provisions of Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Federal Rule of Civil Procedure 54(b), as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Sale Order, expressly waives any stay, and expressly directs entry of judgment as set forth herein.

D. The statutory predicates for the relief requested in the Motion are sections 105(a), 363, 365, 503, and 507 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, 9007, and 9014 of the Federal Rules of Bankruptcy Procedure, Local Rules 9013-1 and 9013-2, and Section H of the Complex Case Procedures.

³ All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Motion are hereby incorporated herein to the extent not inconsistent herewith.

E. The findings of fact and conclusions of law set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014.

III. Notice of the Sale, Auction, and the Cure Amounts

F. Actual written notice of the Bidding Procedures Hearing, the Sale Hearing, the Auction Cancellation Notice, the Motion, the identity of the Buyer, the Sale, the assumption, assignment, cure and sale of the Assumed Contracts to be assigned to the Buyer pursuant to the Stalking Horse Purchase Agreement (which are identified on **Exhibit B** hereto, subject to Buyer's right to designate additional Assumed Contracts up to the Designation Deadline), and assumption by the Buyer of the customer and membership obligations (as set forth in the Stalking Horse Purchase Agreement) has been timely and properly provided to, and a reasonably calculated, fair and reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to, all known interested persons and entities, including, but not limited to the following parties: (i) all entities known to have asserted any Interest in or upon any of the Debtors' Assets; (ii) all federal, state, and local regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by this Motion; (iii) known counterparties to any unexpired leases or executory contracts that could potentially be assumed and assigned to the Buyer; (iv) the Office of the United States Trustee for the Northern District of Georgia; (v) holders of the thirty (30) largest unsecured claims against the Debtors on a consolidated basis; (vi) the Office of the United States Attorney General for the Northern District of Georgia; (vii) the Internal Revenue Service; (viii) the U.S. Department of Justice; (ix) the offices of the attorneys general for the states in which the Debtors operate; (x) counsel to each Stalking Horse Bidder; and (xi) all parties requesting notice pursuant to Bankruptcy Rule 2002.

The requirements of Bankruptcy Rule 6004(a) and all applicable Local Rules are satisfied by such notice.

G. In accordance with the provisions of the Bidding Procedures Order, the Debtors caused the Cure Notice to be served, in compliance with the requirements of due process and the Bankruptcy Code, upon the Buyer and the non-Debtor counterparties to the executory Contracts or unexpired Leases (each, a “Contract Counterparty,” and, collectively, the “Contract Counterparties”), noticing such parties: (i) of the Sale, (ii) that the Sellers may seek to assume and assign the Assumed Contracts on the Closing Date, (iii) of the relevant Cure Amounts, and (iv) of the relevant objection deadlines. The Court finds that: (1) the Buyer and the Contract Counterparties have had an opportunity to object to the Sale and to Cure Amounts set forth in the Cure Notice; (2) the Cure Notice provided the Buyer and the Contract Counterparties with proper notice of the potential assumption and assignment of the Assumed Contracts and any Cure Amount relating thereto; (3) the service of such Cure Notice was good, sufficient, and appropriate under the circumstances; (4) no further notice need be given in respect of establishing Cure Amounts for the Assumed Contracts; and (5) the procedures set forth in the Bidding Procedures Order with regard to objecting to any such Cure Amount satisfy the provisions of section 365 of the Bankruptcy Code and Bankruptcy Rule 6006.

H. In accordance with the provisions of the Bidding Procedures Order, the Debtors caused the Customer Notice to be served, in compliance with the requirements of due process and the Bankruptcy Code, upon the Buyer and the customers of the Sellers with warranty claims and/or memberships with the Sellers (including those that may be counterparties to an executory Contract), noticing such parties: (i) of the Sale, (ii) that the Sellers may seek to assume and assign the Assumed Contracts on the Closing Date (to the extent applicable), and (iii) of the relevant

objection deadlines. The Court finds that: (1) the Buyer and these customers have had an opportunity to object to the Sale; (2) the Customer Notice provided the Buyer and customers with proper notice of the potential assumption and assignment of the Assumed Contracts and of the Buyer's assumption of the warranty and membership obligations; (3) the service of such Customer Notice was good, sufficient, and appropriate under the circumstances; and (4) the procedures set forth in the Bidding Procedures Order satisfy the provisions of section 365 of the Bankruptcy Code and Bankruptcy Rules 2002 and 6006.

I. The Debtors' Auction and Sale Notice, the Cure Notice, and Customer Notice, as applicable, provided all interested persons and entities with timely and proper notice of, and a reasonable opportunity to object and be heard with respect to, the assumption and assignment of the Assumed Contracts, the Sale, the Sale Hearing, and the Auction (prior to being cancelled).

J. As evidenced by the affidavits of service previously filed with the Court (including [D.I. 46, 73, 179, 208, 209, 247, 248, 261, 304, 320, 321, 322, and 340]), proper, timely, adequate, and sufficient notice of the Motion, the Bidding Procedures, the assumption and assignment of the Assumed Contracts, the Auction, the Auction Cancellation Notice, the Sale Order, the Sale Hearing, and the Sale has been provided in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, and 9014, the Local Rules, and Sections D and H of the Complex Case Procedures. The Debtors also have complied with all obligations to provide notice of the assumption and assignment of the Assumed Contracts, the Auction, the cancellation of the Auction, the Sale Hearing, and the Sale required by the Bidding Procedures Order. The notices described in Section III were good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the assumption and assignment of the

Assumed Contracts, the Auction, the cancellation of the Auction, the Sale Hearing, Sale, or the assumption, assignment, and sale of the customer warranties and memberships is required.

K. The disclosures made by the Debtors concerning the Motion, the Bidding Procedures, the Stalking Horse Purchase Agreement, the assumption and assignment of the Assumed Contracts, the assumption of the liabilities of the customer and membership claims, the cancellation of the Auction, the Sale, and the Sale Hearing, were good, complete, and adequate.

L. A reasonable opportunity to object and/or be heard regarding the relief provided in this Sale Order was afforded to all parties in interest.

IV. Good Faith of the Buyer, Sellers and Solutions

M. The Stalking Horse Purchase Agreement was negotiated, proposed, and entered into by and among the Sellers, Solutions, and the Buyer, including their respective boards of directors or equivalent governing bodies, officers, directors, employees, agents, professionals, and representatives, without collusion, in good faith, and from arm's-length bargaining positions. The Buyer is making such purchase in good faith and is a good-faith purchaser within the meaning of section 363(m) of the Bankruptcy Code, in that among other things: (i) the Buyer's Qualified Bid was subject to a marketing process in a time frame approved by the Court through the Bidding Procedures Order; (ii) the Debtors conducted the marketing process, including in consultation with the Official Committee of Unsecured Creditors (the "Committee"); (iii) the Buyer did not attempt to limit the Debtors' freedom to deal with any other party interested in acquiring the Acquired Assets; and (iv) all payments to be made by the Buyer and other agreements or arrangements entered into by the Buyer in connection with the Sale have been disclosed. There was no evidence of insider influence or improper conduct by the Buyer in connection with the negotiation of the Stalking Horse Purchase Agreement with the Debtors, no evidence of fraud, collusion, or bad faith on the part of the Buyer, no evidence of the Buyer doing anything to control or otherwise influence

the marketing or sale process, including anything to control or otherwise influence the purchase price paid for the Acquired Assets, and no evidence that the Buyer violated section 363(n) of the Bankruptcy Code. The Buyer is not an “insider” of any Debtor (as defined under section 101(31) of the Bankruptcy Code). Accordingly, the Buyer is entitled to the full protections of section 363(m) of the Bankruptcy Code.

N. As demonstrated by (i) any testimony and other evidence proffered or adduced at the Sale Hearing, and (ii) the representations of counsel made on the record at the Sale Hearing, substantial marketing efforts and a competitive sale process were conducted in accordance with the Bidding Procedures Order and, among other things: (a) the Debtors and the Buyer complied with the provisions in the Bidding Procedures Order; (b) the Buyer agreed to subject its bid to the competitive Bidding Procedures set forth in the Bidding Procedures Order; and (c) the Buyer in no way improperly induced or caused the chapter 11 filing by the Debtors.

V. Highest and Best Offer

O. The Debtors’ marketing and sale process, including the Debtors’ prepetition marketing process, with respect to the Acquired Assets in accordance with the Bidding Procedures, which were followed by the Debtors, afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets.

P. The Debtors implemented the Bidding Procedures and cancelled the Auction in accordance with the provisions of the Bidding Procedures Order, and the Debtors have otherwise complied with the Bidding Procedures Order in all respects. Such process was duly noticed and conducted in a non-collusive, fair, and good faith manner, in consultation with the Committee, and

a reasonable opportunity has been given to any interested party to make a higher and better offer for the Acquired Assets.

Q. The Debtors received no Qualified Bids by the Bid Deadline for the Acquired Assets other than the Qualified Bid submitted by the Buyer. The Bidding Procedures provide that if no Qualified Bids (other than the Qualified Bid submitted by the Buyer) were received by the Bid Deadline, the Auction would not be conducted and the Buyer's Qualified Bid would be the Successful Bid for the Acquired Assets.

R. The Stalking Horse Purchase Agreement represents a fair and reasonable offer to purchase the Acquired Assets under the circumstances of the Chapter 11 Cases, including in light of the fact that no other Qualified Bids were received. The consideration provided by the Buyer under the Stalking Horse Purchase Agreement, including the assumption of the Assumed Liabilities, is fair and adequate, represents the highest or otherwise best available offer, including by providing the highest economic value available to the Debtors' estates, and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. Accordingly, the Stalking Horse Purchase Agreement constitutes the highest and best offer for the Acquired Assets and a valid, reasonable, and sound exercise of the Debtors' business judgment consistent with their fiduciary duties, and complies in all respects with the Bidding Procedures Order.

S. Approval of the Motion and the Stalking Horse Purchase Agreement and the consummation of the Sale contemplated thereby is in the best interests of the Debtors, their creditors, their estates, and other parties in interest.

VI. No Sub Rosa or De Facto Plan

T. Good and sufficient reasons for approval of the Stalking Horse Purchase Agreement and the transactions to be consummated in connection therewith have been articulated, and the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest. The Debtors have demonstrated compelling circumstances and good, sufficient, and sound business purposes and justifications for the Sale outside the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code, before, and outside of, a plan of reorganization, in that, among other things, the immediate consummation of the Sale with the Buyer is necessary and appropriate to maximize the value of the Debtors' estates, and the Sale will provide the means for the Debtors to maximize distributions to creditors.

U. The Sale does not constitute a *sub rosa* or *de facto* plan of reorganization or liquidation as it does not propose to (i) impair or restructure existing debt of, or equity interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan that may be proposed by the Debtors, (iii) circumvent chapter 11 safeguards, such as those set forth in sections 1125 and 1129 of the Bankruptcy Code, or (iv) classify claims or equity interests or extend debt maturities. Accordingly, the Sale neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating chapter 11 plan for the Debtors.

VII. Successor Liability Matters

V. By virtue of the consummation of the Sale, (i) the Buyer is not a continuation of the Debtors or their respective estates, there is no continuity between the Buyer and the Debtors, there is no common identity between the Buyer and the Debtors, and there is no continuity of enterprise between the Buyer and the Debtors, (ii) the Buyer is not holding itself out to the public as a continuation of the Debtors or their respective estates, and (iii) the Sale does not amount to a

consolidation, merger, or *de facto* consolidation or merger of the Buyer and any of the Debtors and the Debtors' respective estates.

W. The Buyer is not, and shall not be considered, a successor to the Debtors or their respective estates by reason of any theory of law or equity, including, but not limited to, under any federal, state or local statute or common law, or revenue, pension, ERISA, tax, labor, employment, environmental, escheat or unclaimed property laws, or other law, rule or regulation (including, without limitation, filing requirements under any such laws, rules, or regulations), or under any products liability law or doctrine with respect to the Debtors' liability under such law, rule or regulation or doctrine or common law, or under any product warranty liability law or doctrine with respect to the Debtors' liability under such law, rule or regulation or doctrine, and the Buyer and its affiliates shall have no liability or obligation under the Worker Adjustment and Retraining Act (the "WARN Act"), 929 U.S.C. §§ 210 et seq. and shall not be deemed to be a "successor employer" for purposes of the Internal Revenue Code of 1986, Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act, the Americans with Disability Act, the Family Medical Leave Act, the National Labor Relations Act, the Labor Management Relations Act, the Older Workers Benefit Protection Act, the Equal Pay Act, the Civil Rights Act of 1866 (42 U.S.C. § 1981), the Employee Retirement Income Security Act, the Multiemployer Pension Protection Act, the Pension Protection Act, and/or the Fair Labor Standards Act; the Buyer is not a continuation or substantial continuation of any of the Debtors or their respective estates, business or operations or any enterprise of the Debtors; the Buyer does not have a common identity of incorporators, directors or equity holders with the Debtors; and the Sale does not amount to a consolidation, merger, or *de facto* merger of the Buyer and the Debtors or their respective estates. Accordingly, the Buyer is not and shall not be deemed a successor to any of the Debtors or their

respective estates as a result of the consummation of the Sale pursuant to the Stalking Horse Purchase Agreement and this Sale Order.

VIII. No Fraudulent Transfer; Validity of Transfer

X. The Stalking Horse Purchase Agreement was not entered into by the Buyer and the Debtors for the purpose of hindering, delaying, or defrauding creditors under either the Bankruptcy Code or the other laws of the United States, or the laws of any state, territory, possession, or the District of Columbia (including, without limitation, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and the Uniform Voidable Transactions Act). Neither the Debtors nor the Buyer entered into the Stalking Horse Purchase Agreement fraudulently, nor are they entering into or consummating the transactions contemplated by the Stalking Horse Purchase Agreement fraudulently, including under applicable federal and state fraudulent conveyance and fraudulent transfer laws.

Y. The consideration provided by the Buyer pursuant to the Stalking Horse Purchase Agreement, (i) was negotiated at arm's-length, (ii) is fair, adequate, and reasonable, (iii) is the highest or otherwise best offer for the Acquired Assets, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the other laws of the United States, and the laws of any state, territory, possession, or the District of Columbia (including, without limitation, the Uniform Fraudulent Conveyance Act, Uniform Fraudulent Transfer Act and the Uniform Voidable Transactions Act). No other person or entity or group of entities has offered to purchase the Acquired Assets for greater economic value to the Debtors' estates than the Buyer. For the purposes of statutory and common law fraudulent conveyance and fraudulent transfer claims, neither the Sellers, Solutions, nor the Buyer are entering into or consummating the transactions contemplated by the Stalking Horse Purchase Agreement fraudulently. Approval of

the Motion, the Stalking Horse Purchase Agreement, the Sale, and the consummation of the transactions contemplated thereby is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest.

Z. The Sellers are the sole and lawful owners of the Acquired Assets. The Acquired Assets constitute property of the Sellers' estates and title to the Acquired Assets is vested in the Sellers' estates within the meaning of section 541(a) of the Bankruptcy Code. The Sellers, Solutions, and the Buyer have full corporate power and authority to execute, deliver, and perform the Stalking Horse Purchase Agreement and all other documents contemplated thereby, and no further consents or approvals are required for the Sellers, Solutions, or the Buyer to consummate the transactions contemplated by the Stalking Horse Purchase Agreement or the other documents contemplated thereby, except as otherwise set forth in the Stalking Horse Purchase Agreement or such other documents.

AA. The Stalking Horse Purchase Agreement does not provide for the sale of the Debtors' and their estates' claims—including, without limitation, commercial tort claims and Avoidance Actions—against any of the Debtors' insiders (as that term is defined in section 101(31) of the Bankruptcy Code). For purposes of this Sale Order, "Avoidance Actions" means all avoidance and recovery actions or remedies that may be brought on behalf of the Debtors or their estates under the Bankruptcy Code or applicable non-bankruptcy law, including actions or remedies under sections 544, 547, 548, 550, 551, 552, or 553 of the Bankruptcy Code.

BB. Subject to section 363(f) of the Bankruptcy Code, the transfer of each of the Acquired Assets to the Buyer will be, as of the Closing Date, a legal, valid, and effective transfer of the Acquired Assets, which transfer vests or will vest the Buyer with all right, title, and interest of the Debtors in, to, and under the Acquired Assets free and clear of (i) all Liens (as defined in

the Stalking Horse Purchase Agreement) and other liens (including any liens as that term is defined in section 101(37) of the Bankruptcy Code) and encumbrances relating to, accruing, or arising at any time prior to the Closing Date (collectively, as defined in this clause (i), the “Liens”), other than Permitted Liens, and (ii) all debts arising under, relating to, or in connection with any act of the Debtors, claims (as that term is defined in section 101(5) of the Bankruptcy Code) or causes of action, liabilities, obligations, demands, guaranties, options in favor of third parties, rights, easements, servitudes, restrictive covenants, encroachments, contractual commitments, restrictions, interests, mortgages, hypothecations, charges, indentures, loan agreements, instruments, collective bargaining agreements, leases, subleases, licenses, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, judgments, claims for reimbursement, contribution, indemnity, exoneration, infringement, products liability, alter-ego, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of the Chapter 11 Cases, and whether imposed by agreement, understanding, law, equity, or otherwise, known or unknown, contingent or matured, liquidated or unliquidated, and all rights and remedies with respect thereto (a) that purport to give to any party a right of setoff against, or a right or option to effect any forfeiture, modification, profit sharing interest, right of first refusal, purchase or repurchase right or option, or termination of, any of the Debtors’ or the Buyer’s interests in the Acquired Assets, or any similar rights, or (b) in respect of taxes, restrictions, rights of first refusal, charges of interests of any kind or nature, if any, including without limitation, any restriction of use, voting, transfer, receipt of income or other exercise of any attributes of ownership (collectively, as defined in this clause (ii), the “Claims”), relating to, accruing or arising at any time prior to entry of this Sale Order, other than Assumed Liabilities, including amounts necessary under sections 365(b)(1)(A) and (B) and 365(f)(2)(A) of the Bankruptcy Code to cure

all defaults and pay all actual pecuniary losses under the Assumed Contracts (the “Cure Amounts”) or any other obligations arising under the Assumed Contracts to the extent set forth in the Stalking Horse Purchase Agreement or this Sale Order.

IX. Section 363(f) Is Satisfied

CC. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full. Therefore, the Sellers may sell the Acquired Assets free and clear of any interests in the Acquired Assets. The Buyer would not have entered into the Stalking Horse Purchase Agreement and would not consummate the transactions contemplated thereby if the sale of the Acquired Assets to the Buyer and the assumption, assignment, and sale of the Assumed Contracts to the Buyer were not, except as otherwise provided in the Stalking Horse Purchase Agreement with respect to the Assumed Liabilities and Permitted Liens, free and clear of all Claims and Liens of any kind or nature whatsoever of the Debtors, or if the Buyer would, or in the future could (except and only to the extent expressly provided in the Stalking Horse Purchase Agreement and with respect to the Assumed Liabilities and Permitted Liens), be liable for any of such Claims and Liens, including, but not limited to, Claims and Liens in respect of the following: (i) all mortgages, deeds of trust, and security interests; (ii) any pension, welfare, compensation, or other employee benefit plans, agreements, practices, and programs, including, without limitation, any pension plan of the Debtors; (iii) any other employee, worker’s compensation, occupational disease, unemployment, or temporary disability related claim, including, without limitation, claims that might otherwise arise under or pursuant to (a) the Employee Retirement Income Security Act of 1974, as amended, (b) the Fair Labor Standards Act, (c) Title VII of the Civil Rights Act of 1964, (d) the Federal Rehabilitation Act of 1973, (e) the National Labor Relations Act, (f) the WARN Act, (g) the Age Discrimination and Employee Act of 1967 and Age Discrimination in Employment Act, as amended, (h) the Americans with Disabilities Act of 1990, (i) the Consolidated Omnibus Budget

Reconciliation Act of 1985, (j) state discrimination laws, (k) state unemployment compensation laws or any other similar state laws, or (l) any other state or federal benefits or claims relating to any employment with the Debtors or any of their predecessors; (iv) any bulk sales or similar law to the maximum extent permitted by Law; (v) any tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended; (vi) any environmental laws, including any Environmental, Health and Safety Requirement(s); and (vii) any theories of successor or transferee liability.

DD. The Sellers may sell the Acquired Assets free and clear of all Claims and Liens against the Sellers, their respective estates, or any of the Acquired Assets (except for any Assumed Liabilities and Permitted Liens under the Stalking Horse Purchase Agreement) because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Holders of such Claims or Liens fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Claims or Liens attach to the net cash proceeds of the Sale, if any, ultimately attributable to the Acquired Assets in which such creditor or interest holder alleges an interest, in the same order of priority, with the same validity, force and effect that such creditor or interest holder had prior to the Sale, subject to any claims and defenses the Sellers and their estates may possess with respect thereto. Those holders of Claims or Liens against or in the Sellers, their estates or any of the Acquired Assets who did not object, who withdrew their objection, or whose objection was overruled, to the Sale or the Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code.

EE. The sale, conveyance, assignment and transfer of any personally identifiable information pursuant to the terms of the Stalking Horse Purchase Agreement and this Sale Order

complies with the terms of the Debtors' policy regarding the transfer of such personally identifiable information as of the Petition Date and, as a result, consummation of the Sale is permitted pursuant to section 363(b)(1)(A) of the Bankruptcy Code. Accordingly, appointment of a consumer privacy ombudsman in accordance with sections 363(b)(1) or 332 of the Bankruptcy Code is not required with respect to the Sale.

X. Assumption and Assignment of the Assumed Contracts

FF. The assumption and assignment of the Assumed Contracts pursuant to the terms of this Sale Order is integral to the Stalking Horse Purchase Agreement and is in the best interests of the Debtors and their estates, creditors, interest holders, and other parties in interest and represents the reasonable exercise of sound and prudent business judgment by the Debtors.

GG. The Cure Amounts set forth on **Exhibit B** annexed hereto are the sole amounts necessary under sections 365(b)(1)(A) and (B) and 365(f)(2)(A) of the Bankruptcy Code to cure all monetary defaults and pay all actual pecuniary losses under the Assumed Contracts.

HH. Pursuant to section 365 of the Bankruptcy Code, the Debtors have demonstrated that assuming all Assumed Contracts and assigning such Assumed Contracts to the Buyer is appropriate.

II. Pursuant to the terms of the Stalking Horse Purchase Agreement and this Sale Order, the Buyer shall have: (i) either or both cured and provided adequate assurance of cure of any defaults existing before the Closing Date under any of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code; and (ii) provided compensation or adequate assurance of compensation to any party for actual pecuniary loss to such party resulting from a default prior to the Closing Date under any of the Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code. After payment of the relevant Cure Amounts by the Buyer and as required by the Stalking Horse Purchase Agreement and this Sale Order, the

Debtors shall not have any further liabilities to the Contract Counterparties on or after the Closing Date. The Buyer provided adequate assurance of its future performance under the relevant Assumed Contracts within the meaning of sections 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code. Any non-Debtor counterparty to an Assumed Contract who did not timely file an objection to the assumption of its Assumed Contract shall be deemed to have consented to its assumption and assignment to the Buyer pursuant to section 365 of the Bankruptcy Code in accordance with the Stalking Horse Purchase Agreement.

JJ. No default exists in the Sellers' estates performance under the Assumed Contracts as of the Closing Date other than the failure to pay Cure Amounts or defaults that are not required to be cured as contemplated in section 365(b)(1)(A) of the Bankruptcy Code

KK. Designation Rights. In accordance with the Stalking Horse Purchase Agreement, the Buyer shall maintain certain rights to modify the list of Assumed Contracts after the date of this Sale Order and up to the applicable designation deadline (the "Designation Deadline"), which shall be ten (10) days following entry of this Sale Order. Such modification rights include, but are not limited to, the right of the Buyer, prior to the Designation Deadline, to designate certain Contracts for assumption by the Debtors and assignment and to the Buyer. The notice and opportunity to object provided to the Contract Counterparties to such Assumed Contracts and to other parties in interest, as set forth in the Bidding Procedures Order and the Stalking Horse Purchase Agreement, fairly and reasonably protects any rights that such Contract Counterparties and other parties in interest may have with respect to such Assumed Contracts.

XI. Compelling Circumstances for an Immediate Sale

LL. Good and sufficient reasons for approval of the Stalking Horse Purchase Agreement and the Sale have been articulated. The relief requested in the Motion is in the best interests of the

Debtors, their estates, their creditors, and other parties in interest. To maximize the value of the Debtors' assets and preserve the viability of the business to which the Acquired Assets relate, it is essential that the Sale be approved and occur promptly within the time constraints set forth in the Stalking Horse Purchase Agreement. Time is of the essence in effectuating the Stalking Horse Purchase Agreement and consummating the Sale, both to preserve and maximize the value of the Debtors' assets for the benefit of the Debtors, their estates, their creditors, interest holders, and all other parties in interest in the Chapter 11 Cases and to provide the means for the Debtors to maximize creditor and interest holder recoveries. As such, the Debtors and the Buyer intend to close the Sale of the Acquired Assets as soon as reasonably practicable. The Debtors have demonstrated both compelling circumstances and a good, sufficient, and sound business purpose and justification for immediate approval and consummation of the Stalking Horse Purchase Agreement.

MM. The consummation of the transactions set forth in the Stalking Horse Purchase Agreement and the assumption and assignment of the Assumed Contracts are legal, valid, and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), 365(b) and 365(f), and all of the applicable requirements of such sections have been complied with in respect of such transactions.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

Those parties who did not object, or withdrew their objections to the Motion, are deemed to have consented to the Sale pursuant to section 363(f)(2) of the Bankruptcy Code.

4. This Court's findings of fact and conclusions of law set forth in the Bidding Procedures Order are incorporated herein by reference.

Approval of the Stalking Horse Purchase Agreement

5. The Stalking Horse Purchase Agreement and all other ancillary documents, and all of the respective terms and conditions thereof, the Sale contemplated thereby, and the Purchase Price are hereby approved. The Sellers and Solutions are authorized to enter into the Stalking Horse Purchase Agreement and all other ancillary documents to be executed in connection with the Stalking Horse Purchase Agreement as may be necessary.

6. Pursuant to sections 363 and 365 of the Bankruptcy Code, entry by the Sellers and Solutions into the Stalking Horse Purchase Agreement is hereby authorized and approved. The Sellers, Solutions, and the Buyer, acting by and through their respective existing agents, representatives, and officers, are authorized, empowered and directed, without further order of this Court, to use their reasonable best efforts to take any and all actions necessary or appropriate to (a) consummate and close the Sale in accordance with the terms and conditions of the Stalking Horse Purchase Agreement and this Sale Order, (b) transfer and assign all right, title, and interest to all assets, property, licenses, and rights of the Sellers to be conveyed in accordance with the terms and conditions of the Stalking Horse Purchase Agreement, and (c) execute and deliver, perform under, consummate, implement, and close fully the Stalking Horse Purchase Agreement, including the assumption and assignment to the Buyer of the Assumed Contracts, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Stalking Horse Purchase Agreement and the Sale, including any other ancillary documents, or as may be reasonably necessary or appropriate to the performance of the obligations as contemplated by the Stalking Horse Purchase Agreement, this Sale Order, and such other ancillary documents, including any actions that otherwise would require further approval by shareholders, members, or their boards of directors, as the case may be, without the need to obtain such approvals. The Sellers and Solutions are hereby authorized to perform their covenants and undertakings as provided in the Stalking Horse Purchase Agreement and any ancillary documents before or after the Closing Date without further order of the Court. Neither the Buyer, the Sellers nor Solutions shall have any obligation to proceed with the Closing under the Stalking Horse Purchase Agreement until all conditions precedent to their obligations to do so have been met,

satisfied, or waived, except as otherwise contemplated and provided for in the Stalking Horse Purchase Agreement and this Sale Order.

7. This Sale Order and the Stalking Horse Purchase Agreement shall be binding in all respects upon the Debtors, including the Debtors' estates, all holders of equity interests in any Debtor, all holders of Claims or Liens (whether known or unknown) against any Debtor, including the Committee, any holders of Claims or Liens against or on all or any portion of the Acquired Assets, all Contract Counterparties, the Buyer and all successors and assigns of the Buyer, the Acquired Assets, all successors and assigns of the Debtors, and any subsequent trustees appointed in any of the Chapter 11 Cases or upon a conversion to chapter 7 under the Bankruptcy Code of any of the Chapter 11 Cases, and shall not be subject to rejection or unwinding. This Sale Order and the Stalking Horse Purchase Agreement shall inure to the benefit of the Debtors, their estates, their creditors, the Buyer and their respective successors and assigns. Nothing in any chapter 11 plan confirmed in the Chapter 11 Cases, the confirmation order confirming any such chapter 11 plan, any order approving the wind down or dismissal of the Chapter 11 Cases, or any order entered upon the conversion of the Chapter 11 Cases to one or more cases under chapter 7 of the Bankruptcy Code or otherwise shall alter, conflict with, or derogate from, the provisions of this Sale Order.

Transfer of the Acquired Assets

8. Pursuant to sections 105(a), 363(b), 363(f), 365(b) and 365(f) of the Bankruptcy Code, the Sellers are authorized and directed to transfer the Acquired Assets to the Buyer on the Closing Date. The transfer of the Acquired Assets to the Buyer under the Stalking Horse Purchase Agreement does not require any consents other than as specifically provided for in the Stalking Horse Purchase Agreement. The transfer of the Sellers' right, title, and interest in the Acquired Assets to the Buyer pursuant to the Stalking Horse Purchase Agreement and this Sale Order shall

be deemed transferred to the Buyer upon and as of the Closing Date, and such transfer of the Acquired Assets and the consummation of the Sale and any related actions contemplated thereby constitute a legal, valid, binding, and effective transfer of the Sellers' right, title, and interest in the Acquired Assets and shall vest the Buyer with all the right, title and interest of the Sellers in and to the Acquired Assets as set forth in the Stalking Horse Purchase Agreement, free and clear of all Claims and Liens (except Assumed Liabilities and Permitted Liens). Upon the Closing, the Buyer shall take title to and possession of the Acquired Assets subject only to the Assumed Liabilities and Permitted Liens. Pursuant to section 363(f) of the Bankruptcy Code, the transfer of title to the Acquired Assets and the Assumed Contracts shall be free and clear of all Claims and Liens including, without limitation, all Claims pursuant to any successor or successor-in-interest liability theory, except for Assumed Liabilities and Permitted Liens.

9. On the Closing Date, this Sale Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Sellers' right, title, and interest in the Acquired Assets or a bill of sale transferring good and marketable title in such Acquired Assets to the Buyer on the Closing Date pursuant to the terms of the Stalking Horse Purchase Agreement and this Sale Order, free and clear of all Claims and Liens (other than Assumed Liabilities and Permitted Liens). For the avoidance of doubt, the Excluded Assets set forth in the Stalking Horse Purchase Agreement and herein are not included in the Acquired Assets, and the Excluded Liabilities set forth in the Stalking Horse Purchase Agreement and herein are not Assumed Liabilities.

10. The Buyer shall be authorized, as of the Closing Date, to operate under any license, permit, registration, and governmental authorization or approval of the Sellers constituting Acquired Assets, and all such licenses, permits, registrations, and governmental authorizations and

approvals are deemed to have been, and hereby are, directed to be transferred to the Buyer as of the Closing Date as provided by the Stalking Horse Purchase Agreement. To the extent provided by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any grant, permit, or license relating to the operation of the Acquired Assets sold, transferred, assigned, or conveyed to the Buyer on account of the filing or pendency of the Chapter 11 Cases or the consummation of the Sale.

11. Except with respect to Assumed Liabilities and Permitted Liens, all persons and entities holding Claims against the Debtors or Claims or Liens in all or any portion of the Acquired Assets arising under or out of, in connection with or in any way relating to the Debtors, the Acquired Assets, the operation of the Debtors' business prior to the Closing Date, the transfer of the Acquired Assets to the Buyer, or otherwise, are hereby forever barred, estopped, and permanently enjoined from asserting against the Buyer or its successors or assigns, their property, or the Acquired Assets such persons' or entities' Claims against the Debtors or Claims or Liens in and to the Acquired Assets. On and after the Closing Date, each creditor is authorized and directed to execute such documents and take all other actions as may be deemed by the Buyer to be necessary or desirable to evidence the release of Claims or Liens, if any, as provided for herein, as such Claim or Lien may have been recorded or may otherwise exist.

12. All persons and entities that are presently, or on the Closing Date may be, in possession of some or all of the Acquired Assets to be sold, transferred, or conveyed (wherever located) to the Buyer pursuant to the Stalking Horse Purchase Agreement are hereby directed to surrender possession of such Acquired Assets to the Buyer on the Closing Date. To the extent that any such person or entity fails or refuses to surrender possession of such Acquired Assets on or after the Closing Date, the Buyer has the right to commence a turnover action and have it

considered on an expedited basis. All persons are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with, or which would be inconsistent with, the ability of the Sellers to sell and transfer any or all of the Acquired Assets to the Buyer, or the ability of the Buyer to take title and possession of any or all of the Acquired Assets, in accordance with the terms of the Stalking Horse Purchase Agreement and this Sale Order.

13. This Sale Order is and shall be effective as a determination that, as of the Closing Date, all Claims and Liens of any kind or nature whatsoever existing as to the Acquired Assets before the Closing, other than Assumed Liabilities and Permitted Liens, or as otherwise provided in this Sale Order, shall have been unconditionally released, discharged, and terminated. Moreover, this Sale Order is and shall be effective as a determination that, as of the Closing Date, the conveyances described herein have been affected, with all such Claims and Liens to attach to any net proceeds received by the Sellers ultimately attributable to the Acquired Assets against, or in, which such Claims or Liens are asserted, subject to the terms thereof, with the same validity, force, and effect, and in the same order of priority, which such Claims or Liens now have against the Acquired Assets, subject to any rights, claims, and defenses that the Sellers or their estates, as applicable, may possess with respect thereto.

14. This Sale Order is and shall be binding upon and govern the acts of all persons and entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal and local officials and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease, and each of the foregoing persons and

entities is hereby authorized and directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Stalking Horse Purchase Agreement.

15. Each and every federal, state, and local governmental agency or department is hereby authorized to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Stalking Horse Purchase Agreement. A certified copy of this Sale Order may be: (a) filed with the appropriate clerk; (b) recorded with the recorder; or (c) filed or recorded with any other governmental agency to act to cancel any of the Claims, Liens, and other encumbrances of record.

16. If any person or entity that has filed statements or other documents or agreements evidencing Claims or Liens in all or any portion of the Acquired Assets has not delivered to the Sellers prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of Liens and Claims and any other documents necessary or desirable to the Buyer for the purpose of documenting the release of all Claims and Liens (other than Assumed Liabilities or Permitted Liens), which the person or entity has or may assert with respect to all or any portion of the Acquired Assets, then the Buyer and the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents in the name and on behalf of such person or entity with respect to the Acquired Assets; provided that, notwithstanding anything in this Sale Order or the Stalking Horse Purchase Agreement to the contrary, the provisions of this Sale Order shall be self-executing, and neither the Debtors nor the Buyer shall be required to execute or file releases termination statements, assignments, consents, or other instruments in order to effectuate, consummate, and implement the provisions of this Sale Order.

DIP Facility Obligations; Continuing Lien⁴

17. On the Closing Date, the Debtors shall use and disburse the net cash proceeds from this Sale, and on any other closing date of any other sale of the Debtors' assets approved pursuant to orders of the Court (collectively, the "Sale Transactions", and such aggregate proceeds the "Sale Proceeds"), each as set forth below:

- a. First, \$[]⁵ (the "Holdback Amount") of the Sale Proceeds shall be funded into the DIP Proceeds Account, which shall constitute Cash Collateral subject to the Final DIP Order (including, but not limited to, the Carve-Out). The Holdback Amount shall be used by the Debtors in accordance with the Final DIP Order (including, but not limited to, the Carve-Out) and the Approved Budget until (i) further order of this Court, which further order, for the avoidance of doubt, may include a stipulation and agreed order or the order confirming a chapter 11 plan for any Debtor, or (ii) the Debtors, the DIP Secured Parties, Prepetition Secured Parties, and the Committee otherwise agree in writing.
- b. Second, all Sale Proceeds in excess of the Holdback Amount shall, in such amounts as may be directed in writing by the DIP Agent and the Prepetition Agent (collectively, the "Agent"), be paid directly to the Agent for application to the DIP Obligations and/or the Prepetition Obligations, as elected by the Agent; provided, nothing in this clause (b) shall prejudice any rights under the Final DIP Order that may be available to the DIP Secured Parties, the Prepetition Secured Parties, the Debtors, or the Committee.

For the avoidance of doubt, all Liens and Claims will attach to the Sale Proceeds to the same extent and with the same priority as existed prior to consummation of the Sale Transactions, subject to any claims, defenses and objections, if any, that the Debtors, their estates, or any other party in interest may possess with respect thereto.

18. Without limitation to the other provisions of this Sale Order, at the Closing, the DIP Secured Parties and the Prepetition Secured Parties shall execute such documents and take such

⁴ Capitalized terms used in paragraphs 17-18 and not otherwise defined in this Sale Order shall have the meanings ascribed to them in the *Final Order (A) Authorizing the Debtors to Obtain Postpetition Financing and to Use Cash Collateral, (B) Granting Liens and Superpriority Claims, (C) Granting Adequate Protection, (D) Modifying the Automatic Stay, and (E) Granting Related Relief* [D.I. 255] (the "Final DIP Order").

other actions as may be reasonably necessary to release their Claims and Liens in and to the Acquired Assets as of the Closing that are transferred to the Buyer; provided, however, any failure to do so shall not in any way affect the validity of such transfer pursuant to this Sale Order.

Assumed Contracts; Assumed Warranty and Membership Obligations

19. The Sellers are hereby authorized and directed in accordance with sections 105(a), 363, and 365 of the Bankruptcy Code to (a) assume and assign the Assumed Contracts to the Buyer free and clear of all Claims, Liens, and other interests of any kind or nature whatsoever (other than the Assumed Liabilities), subject to the terms of the Stalking Horse Purchase Agreement and this Sale Order, as of the Closing Date and (b) execute and deliver to the Buyer such documents or other instruments as the Buyer deems necessary to assign and transfer the Assumed Contracts to the Buyer in accordance with the Stalking Horse Purchase Agreement. The payment of the applicable Cure Amounts (if any) by the Buyer as required by the Stalking Horse Purchase Agreement and this Sale Order shall (i) effect a cure of all defaults existing thereunder as of the Closing Date, (ii) compensate for any actual pecuniary loss to the applicable Contract Counterparty resulting from such default, and (iii) together with the assignment by the Sellers to and the assumption of the Assumed Contracts by the Buyer, constitute adequate assurance of future performance thereof.

20. The Buyer's right to modify the list of Assumed Contracts after the date of this Sale Order and up to the Designation Deadline is hereby approved.

21. On the Closing Date, the Sellers shall assume and assign to the Buyer each Assumed Contract designated by Buyer for assumption and assignment on the Closing Date in accordance with the Stalking Horse Purchase Agreement and this Sale Order, and which Assumed Contracts are set forth on **Exhibit B** attached hereto (as may be modified up to the Designation Deadline); provided, however, to the extent any contract with a customer for a warranty claim

and/or a membership constitute an executory Contract, such contract shall be deemed an Assumed Contract without their inclusion on **Exhibit B**.

22. Pursuant to section 365(f) of the Bankruptcy Code, the assignment by the Sellers of the Assumed Contracts shall not be a default thereunder. Any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract to the Buyer or allows the party to such Assumed Contract to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract to the Buyer, constitute anti-assignment provisions that are unenforceable and will have no force and effect solely with respect to assumption and assignment pursuant to this Sale Order or any subsequent assumption and assignment order. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Sellers and assignment to the Buyer of the Assumed Contracts have been satisfied.

23. On the Closing Date, upon payment of the relevant Cure Amount, if any, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested with all right, title and interest of the Sellers under such Assumed Contract. To the extent provided in the Stalking Horse Purchase Agreement, the Debtors shall cooperate with and take all actions reasonably requested by the Buyer to effectuate the foregoing.

24. On the Closing Date, and the payment of the relevant Cure Amount, if any, the Assumed Contracts will remain in full force and effect (subject to any amendments agreed to between the counterparty to such Assumed Contract and the Buyer), and no default shall exist under the Assumed Contracts and no counterparty to any Assumed Contract shall be permitted (a) to declare a default by the Buyer under such Assumed Contract, or (b) to otherwise take action

against the Buyer as a result of any Debtors' financial condition, bankruptcy, or failure to perform any of its obligations under the relevant Assumed Contract.

25. Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, other than the right to payment of any Cure Amount, all Contract Counterparties are forever barred and permanently enjoined from raising or asserting against either the Debtors or the Buyer any assignment fee, default, breach, Claim, pecuniary loss, or condition to assignment arising under or related to the Assumed Contracts existing as of the Closing Date or arising by reason of the Closing; provided, however, that the foregoing shall not apply to any customer of any Seller holding a Cure Amount on account of a valid warranty from any Seller or a membership agreement with any Seller, as such liabilities are being assumed by Buyer.

26. On the Closing Date, the Debtors shall be relieved, pursuant to sections 363 and 365(k) of the Bankruptcy Code, from any further liability under any Assumed Contract, and the counterparties shall be estopped from asserting any and all Claims or Liens, whether known or unknown, against the Debtors on account of the Assumed Contract. Without limiting the foregoing, on the Closing Date, the Sellers shall be relieved of any further liability under any warranty or membership obligation with any of their customers, as such liabilities are being assumed by the Buyer.

27. Any Contract Counterparty—including, to the extent applicable, any customer holding a valid warranty from, and/or membership with, any Seller—who did not timely file an objection to the assumption of its Assumed Contract shall be deemed to have consented to the Assumed Contract's assumption and assignment to the Buyer pursuant to section 365 of the Bankruptcy Code. All objections to the assumption and assignment of the Assumed Contracts that have not been withdrawn, waived, settled, or adjourned, as announced to the Court at the Sale

Hearing or by stipulation filed with the Court, and all reservations of rights included in such objections or otherwise, are hereby denied and overruled on the merits with prejudice.

28. All non-Debtor counterparties to the Assumed Contracts shall cooperate and expeditiously execute and deliver, upon the reasonable request of the Buyer, any instruments, applications, consents, or other documents that may be required or requested by any public authority or other party or entity to effectuate the applicable transfers in connection with the sale of the Acquired Assets.

Other Provisions

29. The consideration provided by the Buyer for the Sellers' right, title, and interest in the Acquired Assets under the Stalking Horse Purchase Agreement constitutes reasonably equivalent value and fair consideration for the Acquired Assets under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transactions Act, and other applicable law within the meaning of section 544(b) of the Bankruptcy Code, under the laws of the United States, any state, territory, possession, or the District of Columbia.

30. Effective upon the Closing Date, except as set forth in the Stalking Horse Purchase Agreement with respect to Assumed Liabilities and Permitted Liens and Sale Order, all persons and entities are forever prohibited and permanently enjoined from commencing or continuing in any manner any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding against the Buyer, its successors and assigns, or the Acquired Assets, with respect to any (a) Claims and Liens arising under, out of, in connection with or in any way relating to the Debtors, the Buyer, the Acquired Assets, or the operation of the Acquired Assets prior to the Closing or (b) successor liability based, in whole or in part, directly or indirectly, on any theory of successor or vicarious liability of any kind of character, or based

Notwithstanding the foregoing, subject to its other rights in this Section 2.7, if either (A) the Buyer has been designated as the Successful Bidder at the Auction or (B) if the Buyer has been designated as the Back-Up Bidder at the Auction and the Successful Bidder has terminated its offer, then in the case of clause (A), no later than ten (10) days from entry

of the Sale Order and in the case of Clause (B), no later than ten (10) days from notice thereof (the “Opt Out Deadline”), the Buyer may add or remove any Contract, Lease, Employee Benefit Plan or Assumable Permit to or from the Contract and Cure Schedule, Assumed Employee Benefit Plan Schedule or Assumed Permit Schedule, as applicable, in each case as may have been amended prior thereto by the Buyer in accordance with this clause (c), and, in the case of any Contract or Lease that is removed from the Contract and Cure Schedule, Employee Benefit Plan that is removed from the Assumed Employee Benefit Plan Schedule or Assumable Permit that is removed from the Assumed Permit Schedule, as applicable, either advise the applicable Seller it has no objection to the Seller rejecting such Contract, Lease, Employee Benefit Plan or Assumable Permit or with respect to any Contract, Lease, Employee Benefit Plan Assumable Permit put such Contract, Lease, Employee Benefit Plan or Assumable Permit on Exhibit H as a Designated Contract, in each case by providing notice thereof to the Sellers along with a further modified Contract and Cure Schedule, Assumed Employee Benefit Plan Schedule or Assumed Permit Schedule, as applicable. The final Contract and Cure Schedule, as modified by any such designations, removals, or as otherwise provided in Section 2.8, is referred to as the “Closing Assumed Contract List.” The final Assumed Employee Benefit Plan Schedule, as modified by any such designations, removals, or as otherwise provided in Section 2.8, is referred to as the “Closing Assumed Employee Benefit Plan List.” The final Assumed Permit Schedule, as modified by any such designations, removals, or as otherwise provided in Section 2.8, is referred to as the “Closing Assumed Permit List.” For the avoidance of doubt, if the Buyer is designated as the Successful Bidder at the Auction or if the Buyer is designated as the Back-Up Bidder at the Auction and the Successful Bidder has terminated its offer, at any time and from time to time prior to the Opt Out Deadline, the Buyer shall have the right, in its sole and absolute discretion, to designate a Contract, Lease, Employee Benefit Plan or Assumable Permit for exclusion and rejection by delivering written notice to the Sellers along with (x) a modified Contract and Cure Schedule (and all such Contracts and Leases shall be Excluded Assets and all Liabilities arising under or in connection with such Contracts shall be Excluded Liabilities), (y) a modified Assumed Employee Benefit Plan Schedule (and all such Employee Benefit Plans shall be Excluded Assets and all Liabilities arising under or in connection such Employee Benefit Plans shall be Excluded Liabilities) or (z) a modified Assumed Permit Schedule (and all such Assumable Permits shall be Excluded Assets and all Liabilities arising under or in connection with such Assumable Permits shall be Excluded Liabilities), without the necessity of providing prior notice to any non-debtor counterparty to any such Contract, Lease, Employee Benefit Plan or Assumable Permit.

(d) Unless the Bankruptcy Court orders otherwise, each Contract and Lease included on the Closing Assumed Contract List, Assumed Employee Benefit Plan included on the Closing Assumed Employee Benefit Plan List and Assumable Permit included on the Closing Assumed Permit List will be deemed to have been assigned to the Buyer and become an Assumed Contract, Assumed Employee Benefit Plan or Assumed Permit, as applicable, on the date (the “Assumption Effective Date”) that is the later of: (i) the Closing Date, or (ii) contemporaneously with the resolution of any objections to the assumption and assignment of such Contract or Lease (or to a proposed Cure Amount), Assumed Employee Benefit Plan or Assumable Permit.

(e) As part of the Sale Motion (or as necessary in one or more separate motions), the Sellers shall request that, by virtue of the Sellers prior notice of their intent to assume and assign any Contract, Lease, Employee Benefit Plan or Assumable Permit, which notice shall be provided pursuant to the terms set forth in the Bidding Procedures Order, the Bankruptcy Court shall deem (by way of the Bidding Procedures Order or such other order of the Bankruptcy Court) any non-debtor party to such Contract, Lease, Employee Benefit Plan or Assumable Permit that does not file an objection with the Bankruptcy Court during such notice period to have given any required Consent to the assumption of the Contract, Lease, Employee Benefit Plan or Assumable Permit by the relevant Seller and assignment to the Buyer. For the avoidance of doubt, the Sellers may reject any Contract and Lease that is not an Assumed Contract, Assumed Employee Benefit Plan or Assumed Permit.

(f) In connection with the assumption and assignment to the Buyer of any Assumed Contract, the cure amounts, as agreed among the applicable non-debtor counterparty, the Sellers and the Buyer, or as determined by the Bankruptcy Court, if any necessary to cure all defaults, if any, and to pay all actual or pecuniary losses that have resulted from such defaults under the Assumed Contracts, including any amounts payable to any landlord under any Lease that is an Assumed Contract, in each that relates to the period prior to the Assumption Effective Date (such amounts, the “Cure Amounts”), shall be paid by the Buyer, on or prior to the Assumption Effective Date and not by any Seller and no Seller shall have liability therefor, and the Cure Amounts paid by the Buyer shall not reduce, directly or indirectly, any consideration received by the Sellers hereunder (other than the Excess Cure Amounts as provided in Section 2.6).

(g) The Sellers shall use their commercially reasonable best efforts to obtain an order of the Bankruptcy Court (including the Sale Order) to assign the Assumed Contracts to the Buyer (the “Assumption Approval”) on the terms set forth in this Section 2.7. In the event the Sellers are unable to assign any such Assumed Contract, Assumed Employee Benefit Plan or Assumed Permit to the Buyer pursuant to an order of the Bankruptcy Court for any reason, including that the Consent of Governmental Entity or third party is necessary to assume and assign such Assumed Contracts to the Buyer to the extent disclosed on Section 3.3(a) of the Disclosure Schedule (the “Necessary Consents”) and such Necessary Consent has not yet been obtained, then the Parties shall use their commercially reasonable best efforts until the earlier of the effective date of any Chapter 11 plan confirmed in the Sellers’ Chapter 11 Cases or the ninetieth (90th) day after the Closing Date (the “Consent Deadline”) to obtain, and to cooperate in obtaining, all Consents from Governmental Entities and third parties necessary to assume and assign such Contract, Lease, Assumed Employee Benefit Plan or Assumable Permit to the Buyer, including, in the case of the Sellers, paying any applicable Cure Amounts.

(h) To the extent that any Consent that is required to assign to the Buyer any Contract or Lease is not obtained by the Closing Date, the applicable Seller shall, with respect to each such Contract or Lease, from and after the Closing and until the earliest to occur of (x) the effective date of any Chapter 11 plan confirmed in the Sellers’ Chapter 11 Cases, (y) the date on which such applicable Consent is obtained (which Consents the Parties shall use their commercially reasonable best efforts, and cooperate with each other,

to obtain promptly), and (z) the Consent Deadline, use commercially reasonable best efforts to (i) provide to the Buyer the benefits under such Contract or Lease Contract, (ii) cooperate in any reasonable and lawful arrangement (including holding such Contract or Lease in trust for the Buyer pending receipt of the required Consent) designed to provide such benefits to the Buyer, and (iii) use its commercially reasonable best efforts to enforce for the account of the Buyer any rights of the applicable Seller under such Contract or Lease (including the right to elect to terminate such Contract or Lease Contract in accordance with the terms thereof upon the written direction of the Buyer). The Buyer shall reasonably cooperate with the applicable Seller in order to enable the applicable Seller to provide to the Buyer the benefits contemplated by this Section 2.7(h). The Buyer shall compensate the Sellers for any reasonable, out-of-pocket, non-fixed costs with respect to any Assumed Contract for which a Necessary Consent has not been obtained until such time as such Assumed Contract is either (a) assumed by the applicable Seller and assigned to the Buyer or (b) rejected by the applicable Seller.

(i) Notwithstanding the foregoing, a Contract or Lease shall not be an Assumed Contract hereunder and shall not be assigned to, or assumed by, the Buyer to the extent that such Contract or Lease (i) is rejected by the applicable Seller or validly terminated by the applicable Seller in accordance with the terms hereof or by the other party thereto, or terminates or expires by its terms, on or prior to the Closing Date and is not continued or otherwise extended upon assumption, or (ii) requires a Consent of any Governmental Entity or other third party (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to the Buyer of such Seller's rights under such Contract, and no such Consent has been obtained prior to the effective date of any Chapter 11 plan confirmed in the Sellers' Chapter 11 Cases. In addition, a Permit shall not be assigned to, or assumed by, the Buyer to the extent that such Permit requires a Consent of any Governmental Entity or other third party (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to the Buyer of the applicable Seller's rights under such Permit, and no such Consent has been obtained prior to the Closing or such later date as may be agreed among the applicable Seller and the Buyer (and all costs and expenses associated with such extension shall be borne by the Buyer).

(j) If prior to the Closing, it is discovered that a Contract should have been listed on Section 2.7(c) of the Disclosure Schedule but was not so listed (any such Contract, a "Previously Omitted Contract"), the Sellers shall, promptly following the discovery thereof (but in no event later than five (5) Business Days following the discovery thereof), notify the Buyer in writing of such Previously Omitted Contract and provide the Buyer with a copy of such Previously Omitted Contract and the Cure Amount (if any) in respect thereof. The Buyer shall thereafter deliver written notice to the Sellers, no later than five (5) Business Days following such notice of such Previously Omitted Contract from the Sellers, if the Buyer elects to so include such Previously Omitted Contract on the Contract & Cure Schedule.

(k) If the Buyer includes a Previously Omitted Contract on the Contract & Cure Schedule in accordance with Section 2.7(j), the applicable Seller shall file and serve a notice on the contract counterparties to such Previously Omitted Contract notifying such counterparties of such Seller's intention to assume and assign to the Buyer such Previously

Omitted Contract, including the proposed Cure Amount (if any). Such notice shall provide such contract counterparties pursuant to the procedures set forth in the Bidding Procedures Order, with an opportunity to object, in writing, to the Sellers and the Buyer to the assumption of its Contract or Lease. If such counterparties, the Sellers and the Buyer are unable to reach a consensual resolution with respect to the objection, the Sellers shall seek an expedited hearing before the Bankruptcy Court to seek approval of the assumption and assignment of such Previously Omitted Contract. If no objection is timely served on the Sellers and the Buyer, then such Previously Omitted Contract shall be deemed assumed by such Seller and assigned to the Buyer pursuant to the Sale Order. The Sellers and the Buyer shall execute, acknowledge and deliver such other instruments and use commercially reasonable best efforts as are reasonably practicable for the Buyer to assume the rights and obligations under such Previously Omitted Contract.

Section 2.8 The Designated Contracts shall not be deemed to be Assumed Contracts, Assumed Leases or Assumed Employee Benefit Plans hereunder, but Solutions shall not assume or reject such Designated Contracts at the Closing, and with respect to certain Designated Contracts specified on Exhibit H, up to a period of twenty (20) days thereafter. In accordance with the terms of the Transition Services Agreement, Solutions shall provide to the Buyer the benefits under certain Designated Contracts as set forth in the Transition Services Agreement and cooperate in any reasonable and lawful arrangement designed to provide such benefits to the Buyer for a period of twenty (20) days following the Closing, including using commercially reasonable efforts to assist with introductions and facilitating negotiations with the counterparties to the Designated Contracts. If during such twenty (20) day period, Buyer is not able to successfully enter into an agreement with Enterprise FM Trust for the vehicles utilized in the Business, then for a period of ten (10) days thereafter, Sellers shall use commercially reasonable best efforts to assist Buyer in the transition of equipment from vehicles used in the Business to, at the Buyer's discretion, either storage, or new vehicles acquired by Buyer.

Section 2.9 Closing. The Parties agree that the closing of the purchase and sale of the Acquired Assets pursuant to this Agreement (the "Closing") shall take place at 10:00 a.m. (prevailing Eastern time) as promptly as practicable, and in any event on the date that is the second (2nd) Business Day after the date on which all conditions to the obligations of the Sellers and the Buyer to consummate the transactions contemplated hereby set forth in Article VII have been satisfied or waived (other than conditions with respect to actions that either or both the Sellers and the Buyer will take at the Closing itself, but subject to the satisfaction or waiver (by the Party entitled to waive such condition) of those conditions), or at such other time or on such other date as shall be mutually agreed upon by the Sellers and the Buyer prior thereto (the "Closing Date"); provided, however, the Closing shall occur prior to the End Date. The Closing shall take place by exchanging documents via facsimile, DocuSign, e-mail, portable document format or other electronic means, or overnight courier or at such other location as agreed to by the Parties. The date and time on and at which the Closing actually occurs is referred to in this Agreement as the "Closing Date."

As soon as reasonably practicable and in no event later than sixty (60) days after the Closing Date, the Buyer shall provide the Sellers with a draft allocation of the Purchase Price for federal income tax purposes, including any liabilities properly included therein among the Acquired Assets and the agreements provided for herein, for federal, state and local income tax purposes (the "Initial Allocation"). Within forty-five (45) days of the receipt of the Initial Allocation, the Sellers may deliver a written notice (the "Allocation Objection Notice") to the Buyer, setting forth in reasonable detail those items in the Initial Allocation that the Sellers dispute, if any. The Sellers may make reasonable inquiries of the Buyer and its accountants and Service Providers relating to the Initial Allocation, and the Buyer shall use reasonable efforts to cause any such accountants and Service Providers to cooperate with, and provide such requested information to, the Sellers in a timely manner. If prior to the conclusion of such forty-five (45)-day period, the Sellers notify the Buyer in writing that they will not provide any Allocation Objection Notice or if the Sellers do not deliver an Allocation Objection Notice within such forty-five (45)-day period, then the Buyer's proposed Initial Allocation shall be deemed final, conclusive and binding upon each of the Parties. Within thirty (30) days of the Sellers' delivery of the Allocation Objection Notice, the Sellers and the Buyer shall attempt to resolve in good faith any disputed items, and failing such resolution, the unresolved disputed items shall be referred for final binding resolution to a mutually agreeable accounting firm (the "Arbitrating Accountant"). The fees and expenses of the Arbitrating Accountant shall be paid fifty percent (50%) by the Buyer and fifty percent (50%) by the Sellers. Such determination by the Arbitrating Accountant shall be (i) in writing, (ii) furnished to the Buyer and the Sellers as soon as practicable (and in no event later than thirty (30) days after the items in dispute have been referred to the Arbitrating Accountant), (iii) made in accordance with the principles set forth in this Section 2.11, (iv) shall not assign a value to any disputed matter greater than the greatest value for such matter proposed by either party or less than the smallest value proposed for such matter by either party and (v) non-appealable and incontestable by the Buyer and the Sellers. As used herein, the "Allocation" means the allocation of the Purchase Price, the Assumed Liabilities and other related items among the Acquired Assets and the agreements provided for herein as finally agreed between the Buyer and the Sellers or ultimately determined by the Arbitrating Accountant, as applicable, in accordance with this Section 2.11. The Allocation shall be prepared in accordance with IRC Section 1060 and the treasury regulations promulgated thereunder (and any similar provision of state, local or foreign Law, as appropriate). The Buyer and the Sellers shall each report the federal, state and local income and other Tax consequences of the transactions contemplated hereby in a manner consistent with the Allocation, including, if applicable, the preparation and filing of Forms 8594 under IRC Section 1060 (or any successor form or successor provision of any future Tax Law) with their respective federal income Tax Returns for the taxable year which includes the Closing Date, and neither will take any position inconsistent with the Allocation unless otherwise required under applicable Law. The Sellers shall provide the Buyer

and the Buyer shall provide the Sellers with a copy of any information required to be furnished to the Secretary of the Treasury under IRC Section 1060.

Section 2.12 Proration of Taxes and Other Items. Except as otherwise provided in this Agreement with respect to Tax items allocable to a particular Party, to the extent that any of the items listed below in this Section 2.12 are paid by the Sellers prior to the Closing or are payable by the Buyer or the Sellers after the Closing Date, such items shall be apportioned as of the Closing Date such that (i) the Sellers shall be liable for (and shall reimburse the Buyer to the extent that the Buyer shall pay) that portion of such of the foregoing relating or attributable to periods prior to the Closing Date; and (ii) the Buyer shall be liable (and shall reimburse the Sellers, to the extent the Sellers shall have paid) that portion of the foregoing relating or attributable to periods on or after the Closing Date. Should any amounts to be prorated not have been finally determined on the Closing Date, a mutually satisfactory estimate of such amounts made on the basis of the Sellers' records shall be used as a basis for settlement at the Closing, and the amount finally determined will be prorated as of the Closing Date and appropriate settlement made as soon as practicable after such final determination, with final settlement to be made no later than sixty (60) days after the Closing Date. The items to be prorated in accordance with this Section 2.12 shall include, only the following: (a) personal property, real estate, retail sales, occupancy and use Taxes, if any, on or with respect to the Business, the Acquired Assets and/or the Assumed Liabilities, except to the extent the date of the assessment of such Taxes falls before the Closing Date, in which case such Taxes shall be Excluded Liabilities; (b) payroll amounts and related Taxes during the payroll period that includes the Closing Date with respect to the Transferred Employees that remains unpaid as of the Closing (the "Unpaid Employee Amounts"); (c) lease payments under any Assumed Contract that is a Lease for the month in which the Closing occurs; and (d) insurance premiums of any policies acquired by the Buyer at the Closing. Such access shall include access to any information in electronic form to the extent reasonably available. The Buyer acknowledges that the Sellers have the right to retain copies of all of Records included in the Acquired Assets for periods prior to the Closing subject to all confidentiality agreements applicable thereto. Prior to destroying any material Records included in the Acquired Assets for periods prior to the Closing, the Buyer shall notify the Sellers thirty (30) days in advance of any such proposed destruction of its intent to destroy such Records, and the Buyer shall permit the Sellers to retain such Records. With respect to any litigation and claims that are Excluded Liabilities, the Buyer shall render, at the Sellers' expense, all reasonable assistance that the Sellers may request in defending such litigation or claim and shall make reasonable efforts to make personnel most knowledgeable about the matter in question available to the Sellers.

Section 6.4 Employee Matters.

(a) The Buyer shall, or shall cause one or more of its Affiliates to, offer employment as of the Closing Date to active employees of the Business on such terms and conditions that are sufficient (based on information provided by Sellers to Buyer herein) to not give rise to any "employment loss" (as such term is defined under the WARN Act) under the WARN Act (such employees who accept such employment, the "Transferred Employees"); provided, that notwithstanding anything to the contrary contained herein, the Buyer shall have no obligation to hire or retain any employee of the Business that does not provide services exclusively for the benefit of operation of the Business in the state of the Georgia, Alabama, or Washington (irrespective of whether the failure to hire or retain such employee gives rises to any liability under the WARN Act or any similar state or local legal requirement). Nothing in this Agreement shall restrict the rights of the Buyer under applicable Law or any employment contract with respect to any employee hired by the Buyer.

(b) Notwithstanding anything in this Agreement to the contrary:

(i) Each Seller shall be liable for the base wages or base salary and commissions that accrued on or prior to the Closing Date with respect to all Service Providers of such Seller; and

(ii) Nothing in this Agreement is intended to (x) prevent the Buyer from terminating the employment of any Person who becomes an employee of the Buyer or one of its Affiliates on or following the Closing, or (y) create any third-party beneficiary rights in any Service Provider of any Seller or any of its Subsidiaries, any beneficiary or dependent thereof, or any collective bargaining agreement representative.

Section 6.5 Transfer Taxes. The Buyer shall pay all stamp, documentary, registration, transfer, added-value or similar Tax (each, a “Transfer Tax”) imposed under any applicable Law in connection with the transactions contemplated by Article II of this Agreement. The Sellers shall cooperate in a timely manner with the Buyer in the Buyer's preparation and filing of any Tax Returns required to be filed in connection with Transfer Taxes described in the immediately preceding sentence.

Section 6.6 Wage Reporting. The Buyer and the Sellers agree to utilize, or cause their respective Affiliates to utilize, the standard procedure set forth in Internal Revenue Service Revenue Procedure 2004-53 with respect to wage reporting.

Section 6.7 Reasonable, Out-of-Pocket, Non-Fixed Costs. With respect to any provision in this Agreement that requires a Party to compensate another Party for their reasonable, out-of-pocket, non-fixed costs, the Buyer and the Sellers shall each use their commercially reasonable best efforts to agree in advance in writing as to such costs pursuant to, among other things, a Transition Services Agreement or an approved budget.

Section 6.8 Tax Records. Sellers shall retain copies of all Records that are in electronic form as of the date hereof related to any potential investigation by taxing authorities for a period of five (5) years following the Closing. Sellers shall also accept and retain copies of any such Records identified by Buyer and provided to Sellers, at the Buyer’ sole cost and expense, after the Closing provided that any such records are provided in electronic form.

Section 6.9 Transition Services. Without limiting Solutions' or its Affiliate's obligations to provide services under the Transition Services Agreement, Buyer agrees to use commercially reasonable efforts to be able to operate the Business independently as of the Closing.

ARTICLE VII CONDITIONS TO OBLIGATION TO CLOSING

Section 7.1 Conditions to the Buyer’s Obligations. The Buyer’s obligation to consummate the transactions contemplated hereby in connection with the Closing are subject to the Buyer becoming the Successful Bidder (whether following the conclusion of the Auction or thereafter as a result of the Successful Bidder failing to close) and to the satisfaction or waiver of the following conditions (any of which may be waived by the Buyer, in whole or in part, in its sole and absolute discretion):

(a) all representations or warranties of the Sellers in Article III shall be true and correct in all material respects (with respect to representations and warranties not so qualified or limited) or in all respects (with respect to representations and warranties qualified or limited by materiality), in each case, as of the date hereof and on and as of the

Closing Date as if made on and as of the Closing Date, other than any such representations or warranties that expressly speak only as of an earlier date, which shall be true and complete in all respects or all material respects, as applicable, as of such earlier date;

(b) each Seller shall have materially performed and complied with such Seller's covenants and agreements hereunder to the extent required to be performed prior to the Closing in all material respects;

(c) the Buyer shall have received the items required to be executed and delivered by Sellers listed in Section 2.10(a);

(d) no Governmental Entity of competent jurisdiction shall have threatened, enacted, issued, promulgated, enforced or entered any Decree that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing;

(e) the Sale Order shall have been entered by the Bankruptcy Court and shall be a Final Order; provided, however, that nothing in this Agreement precludes the Parties from consummating the transactions contemplated by this Agreement if the Sale Order has been entered and has not been stayed and the Buyer, in its sole discretion, waives in writing the condition that the Sale Order be a Final Order;

(f) there must not be in effect any Law or Decree that would prohibit or make illegal the consummation of the transactions contemplated by this Agreement;

(g) from the date of this Agreement until the Closing Date, there shall not have occurred and be continuing any Material Adverse Effect;

(h) at least eighty-seven and one half percent (87.5%) of the employees of the Sellers on a net basis measured among all the Sellers (and not on the basis of any individual Seller or location and taking into account any hired employees, including full-time equivalent employees) shall: (i) continue to be actively employed by the Sellers and (ii) not have given written notice to Sellers of their intention to terminate their employment with the Sellers, [REDACTED]

and

(i) the Sellers shall have delivered a certificate from an authorized officer of the Sellers to the effect that each of the conditions specified in Section 7.1(a) and Section 7.1(b) has been satisfied.

Section 7.2 Conditions to the Sellers' Obligations. Sellers' obligation to consummate the transactions contemplated hereby in connection with the Closing are subject to the Buyer becoming the Successful Bidder (whether following the conclusion of the Auction, if any, or thereafter as a result of the Successful Bidder failing to close) and to the satisfaction or waiver of the following conditions (any of which may be waived by the Sellers, in whole or in part, in their sole and absolute discretion):

(a) all representations or warranties of the Buyer in Article IV shall be true and correct in all material respects (with respect to representations and warranties not so qualified or limited) or in all respects (with respect to representations and warranties qualified or limited by materiality), in each case, as of the date hereof and on and as of the Closing Date as if made on and as of the Closing Date, other than any such representations or warranties that expressly speak only as of an earlier date, which shall be true and complete in all respects or all material respects, as applicable, as of such earlier date;

(b) the Buyer shall have materially performed and complied with its covenants and agreements hereunder to the extent required to be performed prior to the Closing in all material respects;

(c) the Seller shall have received the items required to be executed and delivered by the Buyer listed in Section 2.10(b);

(d) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Decree that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing;

(e) the Sale Order shall have been entered by the Bankruptcy Court and shall be a Final Order; and

(f) the Buyer shall have delivered a certificate from an authorized officer of the Buyer to the effect that each of the conditions specified in Section 7.2(a) and Section 7.2(b) has been satisfied.

ARTICLE VIII TERMINATION

Section 8.1 Termination of Agreement. This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing:

(a) by mutual consent of the Buyer and the Sellers;

(b) by the Buyer:

(1) upon the conversion of the Sellers' Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code, the dismissal of the Sellers' Chapter 11 Cases, or any similar commencement of liquidation proceedings relating to the Sellers, other than as contemplated herein;

(2) if the Closing does not occur on or before the End Date, unless the failure to consummate the Closing is due to the failure of the Buyer to perform any of its obligations under this Agreement to the extent required to be performed by the Buyer on or prior to the Closing Date;

(3) upon the entry of an order of the Bankruptcy Court for the appointment of a trustee or examiner with managerial powers, other than at the request of the Buyer or any of its Affiliates, under Bankruptcy Code Section 1104 and such trustee or examiner takes any action to materially interfere with or materially impair the transactions contemplated by this Agreement;

(4) so long as the Buyer is not then in material breach of any of its representations, warranties or covenants contained in this Agreement, if there has been a breach of any of the Sellers' representations, warranties or covenants contained in this Agreement, which would result, in or would reasonably be expected to result in, the failure of a condition set forth in Section 7.1 to be satisfied, and which breach has not been cured within ten (10) days after written notice of such breach has been delivered to the Sellers from the Buyer or cannot be cured by the End Date;

(5) if the Bankruptcy Court denies the motion for entry of the Bidding Procedures Order or fails to approve the Break Up Fee or the Expense Reimbursement, or fails to enter the Bidding Procedures Order (in form reasonably satisfactory to both parties hereto) by fifty (50) days after the Petition Date; or

(6) upon the issuance of a Decree by a court of competent jurisdiction restraining, enjoining or otherwise invalidating or materially and adversely affecting the transactions contemplated by this Agreement, and such Decree becomes final, binding and non-appealable; provided that, the Buyer may not terminate under this clause if the issuance of such Decree was caused by the Buyer's failure to perform any of its obligations under this Agreement.

(c) by the Sellers:

(1) so long as the Sellers are not then in material breach of any of their representations, warranties or covenants contained in this Agreement, if there has been a breach of any of the Buyer's representations, warranties or covenants contained in this Agreement which would result, in or would reasonably be expected to result in, the failure of a condition set forth in Section 7.2 to be satisfied, and which breach has not been cured within ten (10) days after written notice of such breach has been delivered to the Buyer from the Sellers or cannot be cured by the End Date;

(2) [reserved];

(3) if the Closing does not occur on or before the End Date, unless the failure to consummate the Closing is due to the failure of the Sellers to perform any of their obligations under this Agreement to the extent required to be performed by the Sellers on or prior to the Closing Date;

(4) if any event, circumstance, condition, fact, effect or other matter has occurred or exists which would, or would be reasonably likely to, give rise to the failure of any of the conditions to the obligations of the Seller set forth in Section 7.2 and cannot be cured within thirty (30) Business Days after the giving of written notice to the Buyer; provided, that the right to terminate this Agreement pursuant to this clause shall not be available to Sellers at any time that the Sellers are in material breach of any covenant, representation or warranty hereunder; or

(5) upon the issuance of a Decree by a court of competent jurisdiction restraining, enjoining or otherwise invalidating or materially and adversely affecting the transactions contemplated by this Agreement, and such Decree becomes final, binding and non-appealable; provided that, Sellers may not terminate under this clause if the issuance of such Decree was caused by Sellers' failure to perform any of its obligations under this Agreement.

(d) This Agreement shall terminate automatically in the event that (i) the Buyer is not chosen at the Auction to be the Successful Bidder or the Back-Up Bidder, (ii) an Alternative Transaction has been consummated following approval by the Bankruptcy Court, or (iii) if the Buyer is chosen at the Auction to be the Back-Up Bidder, upon the expiration of the period during which the Buyer is required to keep its back-up bid open and irrevocable under the Bidding Procedures and Bidding Procedures Order.

Section 8.2 Effect of Termination. In the event of termination of the transactions contemplated hereby pursuant to Section 8.1, written notice thereof shall be given to the other party to this Agreement, and this Agreement shall terminate (subject to the provisions of this Section 8.2, Section 8.3 and Section 8.4) and the transactions contemplated hereby shall be abandoned, without further action by either of the parties hereto. If this Agreement is terminated as provided herein:

(a) upon request therefor, each party shall redeliver all documents, work papers and other material of any other party relating to the transactions contemplated hereby, whether obtained before or after the execution hereof, to the party furnishing the same; and

(b) no party hereto shall have any Liability or further obligation under this Agreement, except that the provisions of Sections 2.5, 8.2, 8.3, 8.4 and Article IX shall survive any termination and remain in full force and effect.

Section 8.3 Buyer's Exclusive Remedy.

(a) In consideration for the Buyer having expended considerable time and expense in connection with this Agreement and the negotiation thereof, if this Agreement is terminated pursuant to Section 8.1(d)(ii) and the Sellers do not at the time of such termination have a right to terminate this Agreement pursuant to Section 8.1(c)(1), without further order of the Bankruptcy Court (other than the Bidding Procedures Order): (i) the Sellers shall pay or caused to be paid, and the Buyer shall be entitled to, the Break Up Fee and the Expense Reimbursement by wire transfer of immediately available funds, and (ii) the Deposit shall be returned to the Buyer in accordance with the Escrow Agreement. If owed pursuant to the immediately preceding sentence,

such Break Up Fee and the Expense Reimbursement shall be treated as allowed administrative expense claims in the Sellers' Chapter 11 Cases pursuant to Section 503(b)(1)(A) of the Bankruptcy Code and shall be payable, in the case of an Alternative Transaction, solely from the proceeds of the Alternative Transaction. For the avoidance of doubt, the provision of the administrative expense for the Break-Up Fee and Expense Reimbursement shall only be an obligation of the Sellers' estates if an Alternative Transaction closes.

(b) Each of the Parties acknowledges and agrees that the agreements contained in this Section 8.3 are an integral part of this Agreement and that the Break Up Fee is not a penalty, but rather represents liquidated damages in a reasonable amount that will reasonably compensate the Buyer in the circumstances in which such Break Up Fee is payable for the efforts and resources expended and opportunities foregone by the Buyer while negotiating and pursuing this Agreement and in reasonable reliance on this Agreement and on the reasonable expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision. The Parties agree that if this Agreement is terminated, then (i) the Buyer's receipt of the Deposit in accordance with this Agreement (when payable) and (ii) the Buyer's receipt of the Break Up Fee and the Expense Reimbursement (when payable) pursuant to this Section 8.3, shall be Buyer's sole and exclusive remedy hereunder.

Section 8.4 Acknowledgement. Each of the Parties acknowledges that the agreements contained in this Article VIII are an integral part of the transactions contemplated by this Agreement and without such agreements, the Parties would not have entered into this Agreement. In no event shall the Sellers have any liability to the Buyer or any other Person for any special, incidental, exemplary, indirect, consequential or punitive damages, and any such claim, right or cause of action for any damages that are special, incidental, exemplary, indirect, consequential or punitive is hereby fully waived, released and forever discharged. In no event shall the Buyer have any liability to the Sellers or any other Person for any special, incidental, exemplary, indirect, consequential or punitive damages, and any such claim, right or cause of action for any damages that are special, incidental, exemplary, indirect, consequential or punitive is hereby fully waived, released and forever discharged.

Section 8.5 Expenses. The Sellers shall pay their own direct and indirect expenses incurred in connection with the preparation and negotiation of this Agreement, all Related Agreements, and the consummation of the transactions contemplated by this Agreement, including all fees and expenses of its advisors and representatives. The Buyer shall pay its own direct and indirect expenses incurred in connection with the preparation and negotiation of this Agreement and the consummation of the transactions contemplated by this Agreement, including all fees and expenses of its advisors and representatives.

Section 8.6 The Sellers' Remedy. If (a) the Sellers validly terminate this Agreement pursuant to Section 8.1(c)(1) or (b) this Agreement is terminated for any reason other than pursuant to Section 8.1(c)(1) and at such time the Sellers had the right to terminate pursuant to Section 8.1(c)(1), then the Sellers shall be entitled to the Deposit as liquidated damages and not a penalty, and as its sole and exclusive remedy, which shall be paid to the Sellers in accordance with the Escrow Agreement; provided, that notwithstanding anything to the contrary contained herein, in order for the Sellers to be entitled to the Deposit pursuant to Section 8.6(b) above, the Sellers shall be required to provide the Buyer with a full ten (10) days after the receipt of written notice of such

breach to cure any such breach; provided, further, that during such cure period, the Buyer shall not be permitted to terminate this Agreement pursuant to Section 8.1(b) and any termination under Section 8.1(d) shall not be effective until expiry of such cure period.

ARTICLE IX MISCELLANEOUS

Section 9.1 Entire Agreement. This Agreement, the Related Agreements the Bidding Procedures Order (once entered) and the Sale Order (once entered), including all schedules and exhibits attached to any of the foregoing, and the documents and instruments referred to in this Agreement that are to be delivered at or in connection with the Closing, constitute the entire agreement among the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or among the Parties, written or oral, with respect to the subject matter hereof and the subject matter of the Related Agreements.

Section 9.2 Incorporation of Annexes, Exhibits and Disclosure Schedule. The annexes and exhibits to this Agreement and the documents and other information made available in the Disclosure Schedule are incorporated herein by reference and made a part hereof.

Section 9.3 Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by any Party of any default, misrepresentation, or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach of warranty or covenant. No conditions, course of dealing or performance, understanding or agreement purporting to modify, vary, explain or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the first sentence of this Section 9.4 except as expressly provided herein. Except where a specific period for action or inaction is provided herein, no delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

Section 9.4 Succession and Assignment. This Agreement binds and benefits the Parties and their respective successors (including any trustee, receiver, receiver-manager, interim receiver or monitor or similar officer appointed in any respect of the Sellers under Chapter 11 or Chapter 7 of the Bankruptcy Code and any entity appointed as a successor to any Seller pursuant to a confirmed chapter 11 plan). No party may delegate any performance of its obligations under this Agreement, except that the Buyer may at any time assign or delegate the performance of its obligations to any Affiliate of the Buyer so long as the Buyer remains responsible for the performance of the delegated obligation. Without limiting the foregoing, the Buyer shall have the right to designate one or more Affiliates, including any special purpose entities that may be organized by or at the direction of the Buyer for such purpose, to bid at the Auction or take title to the Acquired Assets at the Closing (or thereafter) or any portion thereof and operate the business going forward, and upon written notice to the Sellers of any such designation by the Buyer, the

Sellers agree to execute and deliver all instruments of transfer with respect to the Acquired Assets directly to, and in the name of, the Buyer's assignees. In addition, notwithstanding the foregoing, the Buyer may assign any Indebtedness owed to it by the Sellers to any Affiliate of the Buyer, any other buyer or any other assignee or designee at any time.

Section 9.5 Notices. All notices, requests, demands, claims and other communications hereunder shall be in writing except as expressly provided herein. Any notice, request, demand, claim or other communication hereunder shall be deemed duly given (i) when delivered personally or by electronic mail to the recipient (without receipt of an automated notice of failure of transmission); (ii) the day delivered by a reputable overnight courier service, with a record of receipt; or (iii) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and addressed to the intended recipient as set forth below:

Section 9.6 Governing Law: Jurisdiction. This Agreement shall in all aspects be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of laws provisions or rules (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware, and the obligations, rights and remedies of the Parties shall be determined in accordance with such Laws. The Parties agree that any Litigation one Party commences against any other Party pursuant to this Agreement shall be brought exclusively in the Bankruptcy Court; provided that if the Bankruptcy Court is unwilling or unable to hear any such Litigation, then the courts of the State of Delaware, sitting in New Castle County, and the federal courts of the United States of America sitting in the State of Delaware shall have exclusive jurisdiction over such Litigation.

Section 9.7 Consent to Service of Process. In addition to any other method allowed by applicable Law, each of the Parties hereby consents to process being served by any Party in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 9.5.

Section 9.8 WAIVERS OF JURY TRIAL. **EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE RELATED AGREEMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.**

Section 9.9 Specific Performance.

(a) Each of the Parties acknowledges and agrees that the other Parties (collectively, the "Enforcing Parties") would be damaged irreparably in the event any provision of this Agreement is not performed in accordance with its specific terms or

otherwise breached, so that, prior to the termination of this Agreement pursuant to Section 8.2, in addition to any other remedy that each of the Parties may have under Law or equity, each of the Parties shall be entitled to injunctive relief to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof.

(b) Each of the Parties agrees that it shall not oppose the granting of specific performance or an injunction sought in accordance with this Section 9.9 on the basis that the Enforcing Parties have an adequate remedy at law or that any award of specific performance is, for any reason, not an appropriate remedy. The Enforcing Parties shall not be required to provide any bond or other security in connection with any such injunction or other equitable remedy. The End Date shall be tolled from the date any of the Enforcing Parties files a petition seeking specific performance or an injunction under this Section 9.9 until a final, non-appealable decision regarding this matter is obtained from a court of competent jurisdiction.

Section 9.10 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability in any one jurisdiction affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.11 No Third-Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns except such rights as may inure to a successor or permitted assignee or designee under Section 9.4.

Section 9.12 No Survival of Representations, Warranties and Agreements. None of the Parties' representations, warranties, covenants, and other agreements in this Agreement, including any rights of the other Party or any third party arising out of any breach of such representations, warranties, covenants and other agreements, shall survive the Closing, except for (i) those covenants and agreements contained herein that by their terms apply or are to be performed in whole or in part after the Closing, (ii) the Parties' representations and warranties relating to such Party's authority with regard to the execution of this Agreement to which it is a party and the consummation of the transactions contemplated hereby and thereby, (iii) the Buyer's representations and warranties in connection with the Sellers' Chapter 11 Cases or the Bankruptcy Code, (iv) this Article IX, and (v) all defined terms set forth in Article I that are referenced in the foregoing provisions referred to in clauses (i) through (iv) above.

Section 9.13 Construction. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the

singular form of names and pronouns shall include the plural and vice versa. The word “including” and “include” and other words of similar import shall be deemed to be followed by the phrase “without limitation.” The words “herein,” “hereto,” “hereby,” and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or other subdivision of this Agreement. The words “includes” and “including” are not limiting. Unless expressly stated in connection therewith or the context otherwise requires, the phrase “relating to the Business” and other words of similar import shall be deemed to mean “relating to the operation of the Business as conducted as of the date hereof.” Except as otherwise provided herein, references to Articles, Sections, clauses, subclauses, subparagraphs, Annexes, Exhibits and the Disclosure Schedule herein are references to Articles, Sections, clauses, subclauses, subparagraphs, Annexes, Exhibits and the Disclosure Schedule of this Agreement. Any reference herein to any Law (or any provision thereof) shall include such Law (or any provision thereof) and any rule or regulation promulgated thereunder, in each case, including any successor thereto, and as it may be amended, modified or supplemented from time to time. Any reference herein to “dollars” or “\$” means United States dollars. To the extent not contrary to the foregoing, the rules of construction contained in section 102 of the Bankruptcy Code shall apply. Any option, consent, approval, discretion or similar right of the Buyer set forth in this Agreement or any other Related Agreement may be exercised by the Buyer in its sole, absolute and unreviewable discretion (regardless of whether any or all such words are used in connection therewith), unless the provisions of this Agreement or Related Agreement specifically require another standard for such option, consent, approval, discretion or similar right.

Section 9.14 Computation of Time. In computing any period of time prescribed by or allowed with respect to any provision of this Agreement that relates to a Seller’s or the Sellers’ Chapter 11 Cases, the provisions of Bankruptcy Rule 9006(a) shall apply.

Section 9.15 Mutual Drafting. Each of the Parties has participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 9.16 Disclosure Schedule. All capitalized terms not defined in the Disclosure Schedule shall have the meaning ascribed to them in this Agreement. The representations and warranties of the Sellers in this Agreement are made and given, and the covenants are agreed to, subject to the disclosures and exceptions set forth in the Disclosure Schedule. The Seller Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of this Agreement to which it relates. The disclosure in any section or paragraph of the Disclosure Schedule, and those in any amendment or supplement thereto, shall be deemed to relate to and to qualify only the particular representation or warranty set forth in the corresponding numbered or lettered section of this Agreement, except to the extent that: (a) such information is cross-referenced in another part of the Disclosure Schedule; or (b) it is reasonably apparent on the face of the disclosure (without reference to any document referred to therein or any independent knowledge on the part of the reader regarding the matter disclosed) that such information qualifies another representation or warranty of the Sellers. The listing of any matter shall expressly not be deemed to constitute an admission by any Seller, or to otherwise imply, that any such matter is material, is required to be disclosed under this Agreement or falls within relevant minimum thresholds or materiality standards set forth in this Agreement. No

disclosure in the Disclosure Schedule relating to any possible breach or violation of any Contract or law shall be construed with respect to any Person not a party hereto as an admission or indication that any such breach or violation exists or has actually occurred.

Section 9.17 Headings; Table of Contents. The section headings and the table of contents contained in this Agreement and the Disclosure Schedule are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 9.18 Counterparts: Facsimile and Email Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Agreement or any counterpart may be executed and delivered by facsimile or email with scan attachment copies, each of which shall be deemed an original.

Section 9.19 Time of Essence. Time is of the essence of this Agreement.

Purchase Price is fair and reasonable and in the best interest of the Debtors' estates; and the Court having jurisdiction over this matter; and the legal and factual bases set forth in the Motion and at the Sale Hearing establishing just cause for the relief granted herein; and after due deliberation thereon,

THE COURT HEREBY FURTHER FINDS AND DETERMINES THAT:³

I. Petition Date

A. On March 16, 2025 (the "Petition Date"), the Debtors commenced these Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Since the Petition Date, the Debtors have continued to operate and manage their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

II. Jurisdiction, Final Order and Statutory Predicates

B. The Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157(b)(1) and 1334(a). This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N) and (O). Venue is proper in this District and in the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

C. This order (this "Sale Order") constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding the provisions of Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Federal Rule of Civil Procedure 54(b), as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Sale Order, expressly waives any stay, and expressly directs entry of judgment as set forth herein.

³ All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Motion are hereby incorporated herein to the extent not inconsistent herewith.

D. The statutory predicates for the relief requested in the Motion are sections 105(a), 363, 365, 503, and 507 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, 9007, and 9014 of the Federal Rules of Bankruptcy Procedure, Local Rules 9013-1 and 9013-2, and Section H of the Complex Case Procedures.

E. The findings of fact and conclusions of law set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014.

III. Notice of the Sale, Auction, and the Cure Amounts

F. Actual written notice of the Bidding Procedures Hearing, the Sale Hearing, the Auction Cancellation Notice, the Motion, the identity of the Buyer, the Sale, the assumption, assignment, cure and sale of the Assumed Contracts to be assigned to the Buyer pursuant to the Stalking Horse Purchase Agreement (which are identified on **Exhibit B** hereto, subject to Buyer's right to designate additional Assumed Contracts up to the Designation Deadline), and assumption by the Buyer of the customer and membership obligations (as set forth in the Stalking Horse Purchase Agreement) has been timely and properly provided to, and a reasonably calculated, fair and reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to, all known interested persons and entities, including, but not limited to the following parties: (i) all entities known to have asserted any Interest in or upon any of the Debtors' Assets; (ii) all federal, state, and local regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by this Motion; (iii) known counterparties to any unexpired leases or executory contracts that could potentially be assumed and assigned to the Buyer; (iv) the Office of the United States Trustee for the Northern District of Georgia; (v) holders of the thirty (30) largest unsecured claims against the Debtors on a consolidated basis; (vi) the Office of the United States Attorney General for the Northern District of Georgia; (vii) the Internal Revenue Service; (viii) the U.S. Department of Justice; (ix) the offices of the attorneys general for the states in which the Debtors operate; (x) counsel to each Stalking Horse Bidder; and (xi) all parties requesting notice pursuant to Bankruptcy Rule 2002. The requirements of Bankruptcy Rule 6004(a) and all applicable Local Rules are satisfied by such notice.

G. In accordance with the provisions of the Bidding Procedures Order, the Debtors caused the Cure Notice to be served, in compliance with the requirements of due process and the Bankruptcy Code, upon the Buyer and the non-Debtor counterparties to the executory Contracts or unexpired Leases (each, a “Contract Counterparty,” and, collectively, the “Contract Counterparties”), noticing such parties: (i) of the Sale, (ii) that the Sellers may seek to assume and assign the Assumed Contracts on the Closing Date, (iii) of the relevant Cure Amounts, and (iv) of the relevant objection deadlines. The Court finds that: (1) the Buyer and the Contract Counterparties have had an opportunity to object to the Sale and to Cure Amounts set forth in the Cure Notice; (2) the Cure Notice provided the Buyer and the Contract Counterparties with proper notice of the potential assumption and assignment of the Assumed Contracts and any Cure Amount relating thereto; (3) the service of such Cure Notice was good, sufficient, and appropriate under the circumstances; (4) no further notice need be given in respect of establishing Cure Amounts for the Assumed Contracts; and (5) the procedures set forth in the Bidding Procedures Order with regard to objecting to any such Cure Amount satisfy the provisions of section 365 of the Bankruptcy Code and Bankruptcy Rule 6006.

H. In accordance with the provisions of the Bidding Procedures Order, the Debtors caused the Customer Notice to be served, in compliance with the requirements of due process and the Bankruptcy Code, upon the Buyer and the customers of the Sellers with warranty claims and/or memberships with the Sellers (including those that may be counterparties to an executory Contract), noticing such parties: (i) of the Sale, (ii) that the Sellers may seek to assume and assign the Assumed Contracts on the Closing Date (to the extent applicable), and (iii) of the relevant objection deadlines. The Court finds that: (1) the Buyer and these customers have had an opportunity to object to the Sale; (2) the Customer Notice provided the Buyer and customers

with proper notice of the potential assumption and assignment of the Assumed Contracts and of the Buyer's assumption of the warranty and membership obligations; (3) the service of such Customer Notice was good, sufficient, and appropriate under the circumstances; and (4) the procedures set forth in the Bidding Procedures Order satisfy the provisions of section 365 of the Bankruptcy Code and Bankruptcy Rules 2002 and 6006.

I. The Debtors' Auction and Sale Notice, the Cure Notice, and Customer Notice, as applicable, provided all interested persons and entities with timely and proper notice of, and a reasonable opportunity to object and be heard with respect to, the assumption and assignment of the Assumed Contracts, the Sale, the Sale Hearing, and the Auction (prior to being cancelled).

J. As evidenced by the affidavits of service previously filed with the Court (including [D.I. 46, 73, 179, 208, 209, 247, 248, 261, 304, 320, 321, 322, and 340]), proper, timely, adequate, and sufficient notice of the Motion, the Bidding Procedures, the assumption and assignment of the Assumed Contracts, the Auction, the Auction Cancellation Notice, the Sale Order, the Sale Hearing, and the Sale has been provided in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, and 9014, the Local Rules, and Sections D and H of the Complex Case Procedures. The Debtors also have complied with all obligations to provide notice of the assumption and assignment of the Assumed Contracts, the Auction, the cancellation of the Auction, the Sale Hearing, and the Sale required by the Bidding Procedures Order. The notices described in Section III were good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the assumption and assignment of the Assumed Contracts, the Auction, the cancellation of the Auction, the Sale Hearing, Sale, or the assumption, assignment, and sale of the customer warranties and memberships is required.

K. The disclosures made by the Debtors concerning the Motion, the Bidding Procedures, the Stalking Horse Purchase Agreement, the assumption and assignment of the Assumed Contracts, the assumption of the liabilities of the customer and membership claims, the cancellation of the Auction, the Sale, and the Sale Hearing, were good, complete, and adequate.

L. A reasonable opportunity to object and/or be heard regarding the relief provided in this Sale Order was afforded to all parties in interest.

IV. Good Faith of the Buyer, Sellers and Solutions

M. The Stalking Horse Purchase Agreement was negotiated, proposed, and entered into by and among the Sellers, Solutions, and the Buyer, including their respective boards of directors or equivalent governing bodies, officers, directors, employees, agents, professionals, and representatives, without collusion, in good faith, and from arm's-length bargaining positions. The Buyer is making such purchase in good faith and is a good-faith purchaser within the meaning of section 363(m) of the Bankruptcy Code, in that among other things: (i) the Buyer's Qualified Bid was subject to a marketing process in a time frame approved by the Court through the Bidding Procedures Order; (ii) the Debtors conducted the marketing process, including in consultation with the Official Committee of Unsecured Creditors (the "Committee"); (iii) the Buyer did not attempt to limit the Debtors' freedom to deal with any other party interested in acquiring the Acquired Assets; and (iv) all payments to be made by the Buyer and other agreements or arrangements entered into by the Buyer in connection with the Sale have been disclosed. There was no evidence of insider influence or improper conduct by the Buyer in connection with the negotiation of the Stalking Horse Purchase Agreement with the Debtors, no evidence of fraud, collusion, or bad faith on the part of the Buyer, no evidence of the Buyer doing anything to control or otherwise influence the marketing or sale process, including

anything to control or otherwise influence the purchase price paid for the Acquired Assets, and no evidence that the Buyer violated section 363(n) of the Bankruptcy Code. The Buyer is not an “insider” of any Debtor (as defined under section 101(31) of the Bankruptcy Code). Accordingly, the Buyer is entitled to the full protections of section 363(m) of the Bankruptcy Code.

N. As demonstrated by (i) any testimony and other evidence proffered or adduced at the Sale Hearing, and (ii) the representations of counsel made on the record at the Sale Hearing, substantial marketing efforts and a competitive sale process were conducted in accordance with the Bidding Procedures Order and, among other things: (a) the Debtors and the Buyer complied with the provisions in the Bidding Procedures Order; (b) the Buyer agreed to subject its bid to the competitive Bidding Procedures set forth in the Bidding Procedures Order; and (c) the Buyer in no way improperly induced or caused the chapter 11 filing by the Debtors.

V. Highest and Best Offer

O. The Debtors' marketing and sale process, including the Debtors' prepetition marketing process, with respect to the Acquired Assets in accordance with the Bidding Procedures, which were followed by the Debtors, afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets.

P. The Debtors implemented the Bidding Procedures and cancelled the Auction in accordance with the provisions of the Bidding Procedures Order, and the Debtors have otherwise complied with the Bidding Procedures Order in all respects. Such process was duly noticed and conducted in a non-collusive, fair, and good faith manner, in consultation with the Committee, and a reasonable opportunity has been given to any interested party to make a higher and better offer for the Acquired Assets.

Q. The Debtors received no Qualified Bids by the Bid Deadline for the Acquired Assets other than the Qualified Bid submitted by the Buyer. The Bidding Procedures provide that if no Qualified Bids (other than the Qualified Bid submitted by the Buyer) were received by the Bid Deadline, the Auction would not be conducted and the Buyer's Qualified Bid would be the Successful Bid for the Acquired Assets.

R. The Stalking Horse Purchase Agreement represents a fair and reasonable offer to purchase the Acquired Assets under the circumstances of the Chapter 11 Cases, including in light of the fact that no other Qualified Bids were received. The consideration provided by the Buyer under the Stalking Horse Purchase Agreement, including the assumption of the Assumed Liabilities, is fair and adequate, represents the highest or otherwise best available offer, including by providing the highest economic value available to the Debtors' estates, and will provide a

greater recovery for the Debtors' estates than would be provided by any other available alternative. Accordingly, the Stalking Horse Purchase Agreement constitutes the highest and best offer for the Acquired Assets and a valid, reasonable, and sound exercise of the Debtors' business judgment consistent with their fiduciary duties, and complies in all respects with the Bidding Procedures Order.

S. Approval of the Motion and the Stalking Horse Purchase Agreement and the consummation of the Sale contemplated thereby is in the best interests of the Debtors, their creditors, their estates, and other parties in interest.

VI. No Sub Rosa or De Facto Plan

T. Good and sufficient reasons for approval of the Stalking Horse Purchase Agreement and the transactions to be consummated in connection therewith have been articulated, and the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest. The Debtors have demonstrated compelling circumstances and good, sufficient, and sound business purposes and justifications for the Sale outside the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code, before, and outside of, a plan of reorganization, in that, among other things, the immediate consummation of the Sale with the Buyer is necessary and appropriate to maximize the value of the Debtors' estates, and the Sale will provide the means for the Debtors to maximize distributions to creditors.

U. The Sale does not constitute a *sub rosa* or *de facto* plan of reorganization or liquidation as it does not propose to (i) impair or restructure existing debt of, or equity interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan that may be proposed by the Debtors, (iii) circumvent chapter 11 safeguards, such as those set forth in

sections 1125 and 1129 of the Bankruptcy Code, or (iv) classify claims or equity interests or extend debt maturities. Accordingly, the Sale neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating chapter 11 plan for the Debtors.

VII. Successor Liability Matters

V. By virtue of the consummation of the Sale, (i) the Buyer is not a continuation of the Debtors or their respective estates, there is no continuity between the Buyer and the Debtors, there is no common identity between the Buyer and the Debtors, and there is no continuity of enterprise between the Buyer and the Debtors, (ii) the Buyer is not holding itself out to the public as a continuation of the Debtors or their respective estates, and (iii) the Sale does not amount to a consolidation, merger, or *de facto* consolidation or merger of the Buyer and any of the Debtors and the Debtors' respective estates.

W. The Buyer is not, and shall not be considered, a successor to the Debtors or their respective estates by reason of any theory of law or equity, including, but not limited to, under any federal, state or local statute or common law, or revenue, pension, ERISA, tax, labor, employment, environmental, escheat or unclaimed property laws, or other law, rule or regulation (including, without limitation, filing requirements under any such laws, rules, or regulations), or under any products liability law or doctrine with respect to the Debtors' liability under such law, rule or regulation or doctrine or common law, or under any product warranty liability law or doctrine with respect to the Debtors' liability under such law, rule or regulation or doctrine, and the Buyer and its affiliates shall have no liability or obligation under the Worker Adjustment and Retraining Act (the "WARN Act"), 929 U.S.C. §§ 210 et seq. and shall not be deemed to be a "successor employer" for purposes of the Internal Revenue Code of 1986, Title VII of the Civil

Rights Act of 1964, as amended, the Age Discrimination in Employment Act, the Americans with Disability Act, the Family Medical Leave Act, the National Labor Relations Act, the Labor Management Relations Act, the Older Workers Benefit Protection Act, the Equal Pay Act, the Civil Rights Act of 1866 (42 U.S.C. § 1981), the Employee Retirement Income Security Act, the Multiemployer Pension Protection Act, the Pension Protection Act, and/or the Fair Labor Standards Act; the Buyer is not a continuation or substantial continuation of any of the Debtors or their respective estates, business or operations or any enterprise of the Debtors; the Buyer does not have a common identity of incorporators, directors or equity holders with the Debtors; and the Sale does not amount to a consolidation, merger, or *de facto* merger of the Buyer and the Debtors or their respective estates. Accordingly, the Buyer is not and shall not be deemed a successor to any of the Debtors or their respective estates as a result of the consummation of the Sale pursuant to the Stalking Horse Purchase Agreement and this Sale Order.

VIII. No Fraudulent Transfer; Validity of Transfer

X. The Stalking Horse Purchase Agreement was not entered into by the Buyer and the Debtors for the purpose of hindering, delaying, or defrauding creditors under either the Bankruptcy Code or the other laws of the United States, or the laws of any state, territory, possession, or the District of Columbia (including, without limitation, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and the Uniform Voidable Transactions Act). Neither the Debtors nor the Buyer entered into the Stalking Horse Purchase Agreement fraudulently, nor are they entering into or consummating the transactions contemplated by the Stalking Horse Purchase Agreement fraudulently, including under applicable federal and state fraudulent conveyance and fraudulent transfer laws.

Y. The consideration provided by the Buyer pursuant to the Stalking Horse Purchase Agreement, (i) was negotiated at arm's-length, (ii) is fair, adequate, and reasonable, (iii) is the highest or otherwise best offer for the Acquired Assets, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the other laws of the United States, and the laws of any state, territory, possession, or the District of Columbia (including, without limitation, the Uniform Fraudulent Conveyance Act, Uniform Fraudulent Transfer Act and the Uniform Voidable Transactions Act). No other person or entity or group of entities has offered to purchase the Acquired Assets for greater economic value to the Debtors' estates than the Buyer. For the purposes of statutory and common law fraudulent conveyance and fraudulent transfer claims, neither the Sellers, Solutions, nor the Buyer are entering into or consummating the transactions contemplated by the Stalking Horse Purchase Agreement fraudulently. Approval of the Motion, the Stalking Horse Purchase Agreement, the Sale, and the consummation of the transactions contemplated thereby is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest.

Z. The Sellers are the sole and lawful owners of the Acquired Assets. The Acquired Assets constitute property of the Sellers' estates and title to the Acquired Assets is vested in the Sellers' estates within the meaning of section 541(a) of the Bankruptcy Code. The Sellers, Solutions, and the Buyer have full corporate power and authority to execute, deliver, and perform the Stalking Horse Purchase Agreement and all other documents contemplated thereby, and no further consents or approvals are required for the Sellers, Solutions, or the Buyer to consummate the transactions contemplated by the Stalking Horse Purchase Agreement or the other documents contemplated thereby, except as otherwise set forth in the Stalking Horse Purchase Agreement or such other documents.

AA. The Stalking Horse Purchase Agreement does not provide for the sale of the Debtors' and their estates' claims—including, without limitation, commercial tort claims and Avoidance Actions—against any of the Debtors' insiders (as that term is defined in section 101(31) of the Bankruptcy Code). For purposes of this Sale Order, "Avoidance Actions" means all avoidance and recovery actions or remedies that may be brought on behalf of the Debtors or their estates under the Bankruptcy Code or applicable non-bankruptcy law, including actions or remedies under sections 544, 547, 548, 550, 551, 552, or 553 of the Bankruptcy Code.

BB. Subject to section 363(f) of the Bankruptcy Code, the transfer of each of the Acquired Assets to the Buyer will be, as of the Closing Date, a legal, valid, and effective transfer of the Acquired Assets, which transfer vests or will vest the Buyer with all right, title, and interest of the Debtors in, to, and under the Acquired Assets free and clear of (i) all Liens (as defined in the Stalking Horse Purchase Agreement) and other liens (including any liens as that term is defined in section 101(37) of the Bankruptcy Code) and encumbrances relating to, accruing, or arising at any time prior to the Closing Date (collectively, as defined in this clause (i), the "Liens"), other than Permitted Liens, and (ii) all debts arising under, relating to, or in connection with any act of the Debtors, claims (as that term is defined in section 101(5) of the Bankruptcy Code) or causes of action, liabilities, obligations, demands, guaranties, options in favor of third parties, rights, easements, servitudes, restrictive covenants, encroachments, contractual commitments, restrictions, interests, mortgages, hypothecations, charges, indentures, loan agreements, instruments, collective bargaining agreements, leases, subleases, licenses, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, judgments, claims for reimbursement, contribution, indemnity, exoneration, infringement, products liability, alter-ego, and matters of any kind and nature, whether arising prior to or

subsequent to the commencement of the Chapter 11 Cases, and whether imposed by agreement, understanding, law, equity, or otherwise, known or unknown, contingent or matured, liquidated or unliquidated, and all rights and remedies with respect thereto (a) that purport to give to any party a right of setoff against, or a right or option to effect any forfeiture, modification, profit sharing interest, right of first refusal, purchase or repurchase right or option, or termination of, any of the Debtors' or the Buyer's interests in the Acquired Assets, or any similar rights, or (b) in respect of taxes, restrictions, rights of first refusal, charges of interests of any kind or nature, if any, including without limitation, any restriction of use, voting, transfer, receipt of income or other exercise of any attributes of ownership (collectively, as defined in this clause (ii), the "Claims"), relating to, accruing or arising at any time prior to entry of this Sale Order, other than Assumed Liabilities, including amounts necessary under sections 365(b)(1)(A) and (B) and 365(f)(2)(A) of the Bankruptcy Code to cure all defaults and pay all actual pecuniary losses under the Assumed Contracts (the "Cure Amounts") or any other obligations arising under the Assumed Contracts to the extent set forth in the Stalking Horse Purchase Agreement or this Sale Order.

IX. Section 363(f) Is Satisfied

CC. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full. Therefore, the Sellers may sell the Acquired Assets free and clear of any interests in the Acquired Assets. The Buyer would not have entered into the Stalking Horse Purchase Agreement and would not consummate the transactions contemplated thereby if the sale of the Acquired Assets to the Buyer and the assumption, assignment, and sale of the Assumed Contracts to the Buyer were not, except as otherwise provided in the Stalking Horse Purchase Agreement with respect to the Assumed Liabilities and Permitted Liens, free and clear of all

Claims and Liens of any kind or nature whatsoever of the Debtors, or if the Buyer would, or in the future could (except and only to the extent expressly provided in the Stalking Horse Purchase Agreement and with respect to the Assumed Liabilities and Permitted Liens), be liable for any of such Claims and Liens, including, but not limited to, Claims and Liens in respect of the following: (i) all mortgages, deeds of trust, and security interests; (ii) any pension, welfare, compensation, or other employee benefit plans, agreements, practices, and programs, including, without limitation, any pension plan of the Debtors; (iii) any other employee, worker's compensation, occupational disease, unemployment, or temporary disability related claim, including, without limitation, claims that might otherwise arise under or pursuant to (a) the Employee Retirement Income Security Act of 1974, as amended, (b) the Fair Labor Standards Act, (c) Title VII of the Civil Rights Act of 1964, (d) the Federal Rehabilitation Act of 1973, (e) the National Labor Relations Act, (f) the WARN Act, (g) the Age Discrimination and Employee Act of 1967 and Age Discrimination in Employment Act, as amended, (h) the Americans with Disabilities Act of 1990, (i) the Consolidated Omnibus Budget Reconciliation Act of 1985, (j) state discrimination laws, (k) state unemployment compensation laws or any other similar state laws, or (l) any other state or federal benefits or claims relating to any employment with the Debtors or any of their predecessors; (iv) any bulk sales or similar law to the maximum extent permitted by Law; (v) any tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended; (vi) any environmental laws, including any Environmental, Health and Safety Requirement(s); and (vii) any theories of successor or transferee liability.

DD. The Sellers may sell the Acquired Assets free and clear of all Claims and Liens against the Sellers, their respective estates, or any of the Acquired Assets (except for any

Assumed Liabilities and Permitted Liens under the Stalking Horse Purchase Agreement) because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Holders of such Claims or Liens fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Claims or Liens attach to the net cash proceeds of the Sale, if any, ultimately attributable to the Acquired Assets in which such creditor or interest holder alleges an interest, in the same order of priority, with the same validity, force and effect that such creditor or interest holder had prior to the Sale, subject to any claims and defenses the Sellers and their estates may possess with respect thereto. Those holders of Claims or Liens against or in the Sellers, their estates or any of the Acquired Assets who did not object, who withdrew their objection, or whose objection was overruled, to the Sale or the Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code.

EE. The sale, conveyance, assignment and transfer of any personally identifiable information pursuant to the terms of the Stalking Horse Purchase Agreement and this Sale Order complies with the terms of the Debtors' policy regarding the transfer of such personally identifiable information as of the Petition Date and, as a result, consummation of the Sale is permitted pursuant to section 363(b)(1)(A) of the Bankruptcy Code. Accordingly, appointment of a consumer privacy ombudsman in accordance with sections 363(b)(1) or 332 of the Bankruptcy Code is not required with respect to the Sale.

X. Assumption and Assignment of the Assumed Contracts

FF. The assumption and assignment of the Assumed Contracts pursuant to the terms of this Sale Order is integral to the Stalking Horse Purchase Agreement and is in the best

interests of the Debtors and their estates, creditors, interest holders, and other parties in interest and represents the reasonable exercise of sound and prudent business judgment by the Debtors.

GG. The Cure Amounts set forth on Exhibit B annexed hereto are the sole amounts necessary under sections 365(b)(1)(A) and (B) and 365(f)(2)(A) of the Bankruptcy Code to cure all monetary defaults and pay all actual pecuniary losses under the Assumed Contracts.

HH. Pursuant to section 365 of the Bankruptcy Code, the Debtors have demonstrated that assuming all Assumed Contracts and assigning such Assumed Contracts to the Buyer is appropriate.

II. Pursuant to the terms of the Stalking Horse Purchase Agreement and this Sale Order, the Buyer shall have: (i) either or both cured and provided adequate assurance of cure of any defaults existing before the Closing Date under any of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code; and (ii) provided compensation or adequate assurance of compensation to any party for actual pecuniary loss to such party resulting from a default prior to the Closing Date under any of the Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code. After payment of the relevant Cure Amounts by the Buyer and as required by the Stalking Horse Purchase Agreement and this Sale Order, the Debtors shall not have any further liabilities to the Contract Counterparties on or after the Closing Date. The Buyer provided adequate assurance of its future performance under the relevant Assumed Contracts within the meaning of sections 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code. Any non-Debtor counterparty to an Assumed Contract who did not timely file an objection to the assumption of its Assumed Contract shall be deemed to have consented to its assumption and assignment to the Buyer

pursuant to section 365 of the Bankruptcy Code in accordance with the Stalking Horse Purchase Agreement.

JJ. No default exists in the Sellers' estates performance under the Assumed Contracts as of the Closing Date other than the failure to pay Cure Amounts or defaults that are not required to be cured as contemplated in section 365(b)(1)(A) of the Bankruptcy Code

KK. Designation Rights. In accordance with the Stalking Horse Purchase Agreement, the Buyer shall maintain certain rights to modify the list of Assumed Contracts after the date of this Sale Order and up to the applicable designation deadline (the "Designation Deadline"), which shall be ten (10) days following entry of this Sale Order. Such modification rights include, but are not limited to, the right of the ~~Purchaser~~Buyer, prior to the Designation Deadline, to designate certain Contracts for assumption by the Debtors and assignment and to the Buyer. The notice and opportunity to object provided to the Contract Counterparties to such Assumed Contracts and to other parties in interest, as set forth in the Bidding Procedures Order and the Stalking Horse Purchase Agreement, fairly and reasonably protects any rights that such Contract Counterparties and other parties in interest may have with respect to such Assumed Contracts.

XI. Compelling Circumstances for an Immediate Sale

LL. Good and sufficient reasons for approval of the Stalking Horse Purchase Agreement and the Sale have been articulated. The relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest. To maximize the value of the Debtors' assets and preserve the viability of the business to which the Acquired Assets relate, it is essential that the Sale be approved and occur promptly within the time constraints set forth in the Stalking Horse Purchase Agreement. Time is of the essence in

effectuating the Stalking Horse Purchase Agreement and consummating the Sale, both to preserve and maximize the value of the Debtors' assets for the benefit of the Debtors, their estates, their creditors, interest holders, and all other parties in interest in the Chapter 11 Cases and to provide the means for the Debtors to maximize creditor and interest holder recoveries. As such, the Debtors and the Buyer intend to close the Sale of the Acquired Assets as soon as reasonably practicable. The Debtors have demonstrated both compelling circumstances and a good, sufficient, and sound business purpose and justification for immediate approval and consummation of the Stalking Horse Purchase Agreement.

MM. The consummation of the transactions set forth in the Stalking Horse Purchase Agreement and the assumption and assignment of the Assumed Contracts are legal, valid, and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), 365(b) and 365(f), and all of the applicable requirements of such sections have been complied with in respect of such transactions.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

General Provisions

1. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to the Chapter 11 Cases pursuant to Bankruptcy Rule 9014. Those parties who did not object, or withdrew their objections to the Motion, are deemed to have consented to the Sale pursuant to section 363(f)(2) of the Bankruptcy Code.

4. This Court's findings of fact and conclusions of law set forth in the Bidding Procedures Order are incorporated herein by reference.

Approval of the Stalking Horse Purchase Agreement

5. The Stalking Horse Purchase Agreement and all other ancillary documents, and all of the respective terms and conditions thereof, the Sale contemplated thereby, and the Purchase Price are hereby approved. The Sellers and Solutions are authorized to enter into the Stalking Horse Purchase Agreement and all other ancillary documents to be executed in connection with the Stalking Horse Purchase Agreement as may be necessary.

6. Pursuant to sections 363 and 365 of the Bankruptcy Code, entry by the Sellers and Solutions into the Stalking Horse Purchase Agreement is hereby authorized and approved. The Sellers, Solutions, and the Buyer, acting by and through their respective existing agents, representatives, and officers, are authorized, empowered and directed, without further order of

this Court, to use their reasonable best efforts to take any and all actions necessary or appropriate to (a) consummate and close the Sale in accordance with the terms and conditions of the Stalking Horse Purchase Agreement and this Sale Order, (b) transfer and assign all right, title, and interest to all assets, property, licenses, and rights of the Sellers to be conveyed in accordance with the terms and conditions of the Stalking Horse Purchase Agreement, and (c) execute and deliver, perform under, consummate, implement, and close fully the Stalking Horse Purchase Agreement, including the assumption and assignment to the Buyer of the Assumed Contracts, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Stalking Horse Purchase Agreement and the Sale, including any other ancillary documents, or as may be reasonably necessary or appropriate to the performance of the obligations as contemplated by the Stalking Horse Purchase Agreement, this Sale Order, and such other ancillary documents, including any actions that otherwise would require further approval by shareholders, members, or their boards of directors, as the case may be, without the need to obtain such approvals. The Sellers and Solutions are hereby authorized to perform their covenants and undertakings as provided in the Stalking Horse Purchase Agreement and any ancillary documents before or after the Closing Date without further order of the Court. Neither the Buyer, the Sellers nor Solutions shall have any obligation to proceed with the Closing under the Stalking Horse Purchase Agreement until all conditions precedent to their obligations to do so have been met, satisfied, or waived, except as otherwise contemplated and provided for in the Stalking Horse Purchase Agreement and this Sale Order.

7. This Sale Order and the Stalking Horse Purchase Agreement shall be binding in all respects upon the Debtors, including the Debtors' estates, all holders of equity interests in any Debtor, all holders of Claims or Liens (whether known or unknown) against any Debtor,

including the Committee, any holders of Claims or Liens against or on all or any portion of the Acquired Assets, all Contract Counterparties, the Buyer and all successors and assigns of the Buyer, the Acquired Assets, all successors and assigns of the Debtors, and any subsequent trustees appointed in any of the Chapter 11 Cases or upon a conversion to chapter 7 under the Bankruptcy Code of any of the Chapter 11 Cases, and shall not be subject to rejection or unwinding. This Sale Order and the Stalking Horse Purchase Agreement shall inure to the benefit of the Debtors, their estates, their creditors, the Buyer and their respective successors and assigns. Nothing in any chapter 11 plan confirmed in the Chapter 11 Cases, the confirmation order confirming any such chapter 11 plan, any order approving the wind down or dismissal of the Chapter 11 Cases, or any order entered upon the conversion of the Chapter 11 Cases to one or more cases under chapter 7 of the Bankruptcy Code or otherwise shall alter, conflict with, or derogate from, the provisions of this Sale Order.

Transfer of the Acquired Assets

8. Pursuant to sections 105(a), 363(b), 363(f), 365(b) and 365(f) of the Bankruptcy Code, the Sellers are authorized and directed to transfer the Acquired Assets to the Buyer on the Closing Date. The transfer of the Acquired Assets to the Buyer under the Stalking Horse Purchase Agreement does not require any consents other than as specifically provided for in the Stalking Horse Purchase Agreement. The transfer of the Sellers' right, title, and interest in the Acquired Assets to the Buyer pursuant to the Stalking Horse Purchase Agreement and this Sale Order shall be deemed transferred to the Buyer upon and as of the Closing Date, and such transfer of the Acquired Assets and the consummation of the Sale and any related actions contemplated thereby constitute a legal, valid, binding, and effective transfer of the Sellers' right, title, and interest in the Acquired Assets and shall vest the Buyer with all the right, title and

interest of the Sellers in and to the Acquired Assets as set forth in the Stalking Horse Purchase Agreement, free and clear of all Claims and Liens (except Assumed Liabilities and Permitted Liens). Upon the Closing, the Buyer shall take title to and possession of the Acquired Assets subject only to the Assumed Liabilities and Permitted Liens. Pursuant to section 363(f) of the Bankruptcy Code, the transfer of title to the Acquired Assets and the Assumed Contracts shall be free and clear of all Claims and Liens including, without limitation, all Claims pursuant to any successor or successor-in-interest liability theory, except for Assumed Liabilities and Permitted Liens.

9. On the Closing Date, this Sale Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Sellers' right, title, and interest in the Acquired Assets or a bill of sale transferring good and marketable title in such Acquired Assets to the Buyer on the Closing Date pursuant to the terms of the Stalking Horse Purchase Agreement and this Sale Order, free and clear of all Claims and Liens (other than Assumed Liabilities and Permitted Liens). For the avoidance of doubt, the Excluded Assets set forth in the Stalking Horse Purchase Agreement and herein are not included in the Acquired Assets, and the Excluded Liabilities set forth in the Stalking Horse Purchase Agreement and herein are not Assumed Liabilities.

10. The Buyer shall be authorized, as of the Closing Date, to operate under any license, permit, registration, and governmental authorization or approval of the Sellers constituting Acquired Assets, and all such licenses, permits, registrations, and governmental authorizations and approvals are deemed to have been, and hereby are, directed to be transferred to the Buyer as of the Closing Date as provided by the Stalking Horse Purchase Agreement. To the extent provided by section 525 of the Bankruptcy Code, no governmental unit may revoke or

suspend any grant, permit, or license relating to the operation of the Acquired Assets sold, transferred, assigned, or conveyed to the Buyer on account of the filing or pendency of the Chapter 11 Cases or the consummation of the Sale.

11. Except with respect to Assumed Liabilities and Permitted Liens, all persons and entities holding Claims against the Debtors or Claims or Liens in all or any portion of the Acquired Assets arising under or out of, in connection with or in any way relating to the Debtors, the Acquired Assets, the operation of the Debtors' business prior to the Closing Date, the transfer of the Acquired Assets to the Buyer, or otherwise, are hereby forever barred, estopped, and permanently enjoined from asserting against the Buyer or its successors or assigns, their property, or the Acquired Assets such persons' or entities' Claims against the Debtors or Claims or Liens in and to the Acquired Assets. On and after the Closing Date, each creditor is authorized and directed to execute such documents and take all other actions as may be deemed by the Buyer to be necessary or desirable to evidence the release of Claims or Liens, if any, as provided for herein, as such Claim or Lien may have been recorded or may otherwise exist.

12. All persons and entities that are presently, or on the Closing Date may be, in possession of some or all of the Acquired Assets to be sold, transferred, or conveyed (wherever located) to the Buyer pursuant to the Stalking Horse Purchase Agreement are hereby directed to surrender possession of such Acquired Assets to the Buyer on the Closing Date. To the extent that any such person or entity fails or refuses to surrender possession of such Acquired Assets on or after the Closing Date, the Buyer has the right to commence a turnover action and have it considered on an expedited basis. All persons are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with, or which would be inconsistent with, the ability of the Sellers to sell and transfer any or all of the Acquired Assets to the Buyer,

or the ability of the Buyer to take title and possession of any or all of the Acquired Assets, in accordance with the terms of the Stalking Horse Purchase Agreement and this Sale Order.

13. This Sale Order is and shall be effective as a determination that, as of the Closing Date, all Claims and Liens of any kind or nature whatsoever existing as to the Acquired Assets before the Closing, other than Assumed Liabilities and Permitted Liens, or as otherwise provided in this Sale Order, shall have been unconditionally released, discharged, and terminated. Moreover, this Sale Order is and shall be effective as a determination that, as of the Closing Date, the conveyances described herein have been affected, with all such Claims and Liens to attach to any net proceeds received by the Sellers ultimately attributable to the Acquired Assets against, or in, which such Claims or Liens are asserted, subject to the terms thereof, with the same validity, force, and effect, and in the same order of priority, which such Claims or Liens now have against the Acquired Assets, subject to any rights, claims, and defenses that the Sellers or their estates, as applicable, may possess with respect thereto.

14. This Sale Order is and shall be binding upon and govern the acts of all persons and entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal and local officials and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease, and each of the foregoing persons and entities is hereby authorized and directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Stalking Horse Purchase Agreement.

15. Each and every federal, state, and local governmental agency or department is hereby authorized to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Stalking Horse Purchase Agreement. A certified copy of this Sale Order may be: (a) filed with the appropriate clerk; (b) recorded with the recorder; or (c) filed or recorded with any other governmental agency to act to cancel any of the Claims, Liens, and other encumbrances of record.

16. If any person or entity that has filed statements or other documents or agreements evidencing Claims or Liens in all or any portion of the Acquired Assets has not delivered to the Sellers prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of Liens and Claims and any other documents necessary or desirable to the Buyer for the purpose of documenting the release of all Claims and Liens (other than Assumed Liabilities or Permitted Liens), which the person or entity has or may assert with respect to all or any portion of the Acquired Assets, then the Buyer and the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents in the name and on behalf of such person or entity with respect to the Acquired Assets; provided that, notwithstanding anything in this Sale Order or the Stalking Horse Purchase Agreement to the contrary, the provisions of this Sale Order shall be self-executing, and neither the Debtors nor the Buyer shall be required to execute or file releases termination statements, assignments, consents, or other instruments in order to effectuate, consummate, and implement the provisions of this Sale Order.

DIP Facility Obligations; Continuing Lien⁴

~~17. [To Be Inserted]~~

17. On the Closing Date, the Debtors shall use and disburse the net cash proceeds from this Sale, and on any other closing date of any other sale of the Debtors' assets approved pursuant to orders of the Court (collectively, the "Sale Transactions", and such aggregate proceeds the "Sale Proceeds"), each as set forth below:

- a. First, \$[]⁵ (the "Holdback Amount") of the Sale Proceeds shall be funded into the DIP Proceeds Account, which shall constitute Cash Collateral subject to the Final DIP Order (including, but not limited to, the Carve-Out). The Holdback Amount shall be used by the Debtors in accordance with the Final DIP Order (including, but not limited to, the Carve-Out) and the Approved Budget until (i) further order of this Court, which further order, for the avoidance of doubt, may include a stipulation and agreed order or the order confirming a chapter 11 plan for any Debtor, or (ii) the Debtors, the DIP Secured Parties, Prepetition Secured Parties, and the Committee otherwise agree in writing.
- b. Second, all Sale Proceeds in excess of the Holdback Amount shall, in such amounts as may be directed in writing by the DIP Agent and the Prepetition Agent (collectively, the "Agent"), be paid directly to the Agent for application to the DIP Obligations and/or the Prepetition Obligations, as elected by the Agent; provided, nothing in this clause (b) shall prejudice any rights under the Final DIP Order that may be available to the DIP Secured Parties, the Prepetition Secured Parties, the Debtors, or the Committee.

For the avoidance of doubt, all Liens and Claims will attach to the Sale Proceeds to the same extent and with the same priority as existed prior to consummation

⁴ Capitalized terms used in ~~Paragraphs 17-18~~ and not otherwise defined in this Sale Order shall have the meanings ascribed to them in the *Final DIP Order* ~~or in the DIP Credit Agreement (as defined in the (A) Authorizing the Debtors to Obtain Postpetition Financing and to Use Cash Collateral, (B) Granting Liens and Superpriority Claims, (C) Granting Adequate Protection, (D) Modifying the Automatic Stay, and (E) Granting Related Relief [D.I. 255] (the "Final DIP Order").~~

of the Sale Transactions, subject to any
claims, defenses and objections, if any,
that the Debtors, their estates, or any
other party in interest may possess with
respect thereto.

18. Without limitation to the other provisions of this Sale Order, at the Closing, the DIP Secured Parties and the Prepetition Secured Parties shall execute such documents and take such other actions as may be reasonably necessary to release their Claims and Liens in and to the Acquired Assets as of the Closing that are transferred to the Buyer; provided, however, any failure to do so shall not in any way affect the validity of such transfer pursuant to this Sale Order.

Assumed Contracts; Assumed Warranty and Membership Obligations

19. The Sellers are hereby authorized and directed in accordance with sections 105(a), 363, and 365 of the Bankruptcy Code to (a) assume and assign the Assumed Contracts to the Buyer free and clear of all Claims, Liens, and other interests of any kind or nature whatsoever (other than the Assumed Liabilities), subject to the terms of the Stalking Horse Purchase Agreement and this Sale Order, as of the Closing Date and (b) execute and deliver to the Buyer such documents or other instruments as the Buyer deems necessary to assign and transfer the Assumed Contracts to the Buyer in accordance with the Stalking Horse Purchase Agreement. The payment of the applicable Cure Amounts (if any) by the Buyer as required by the Stalking Horse Purchase Agreement and this Sale Order shall (i) effect a cure of all defaults existing thereunder as of the Closing Date, (ii) compensate for any actual pecuniary loss to the applicable Contract Counterparty resulting from such default, and (iii) together with the assignment by the

Sellers to and the assumption of the Assumed Contracts by the Buyer, constitute adequate assurance of future performance thereof.

20. The Buyer's right to modify the list of Assumed Contracts after the date of this Sale Order and up to the Designation Deadline is hereby approved.

21. On the Closing Date, the Sellers shall assume and assign to the Buyer each Assumed Contract designated by Buyer for assumption and assignment on the Closing Date in accordance with the Stalking Horse Purchase Agreement and this Sale Order, and which Assumed Contracts are set forth on **Exhibit B** attached hereto (as may be modified up to the Designation Deadline); provided, however, to the extent any contract with a customer for a warranty claim and/or a membership constitute an executory Contract, such contract shall be deemed an Assumed Contract without their inclusion on **Exhibit B**.

22. Pursuant to section 365(f) of the Bankruptcy Code, the assignment by the Sellers of the Assumed Contracts shall not be a default thereunder. Any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract to the Buyer or allows the party to such Assumed Contract to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract to the Buyer, constitute anti-assignment provisions that are unenforceable and will have no force and effect solely with respect to assumption and assignment pursuant to this Sale Order or any subsequent assumption and assignment order. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Sellers and assignment to the Buyer of the Assumed Contracts have been satisfied.

23. On the Closing Date, upon payment of the relevant Cure Amount, if any, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and

irrevocably vested with all right, title and interest of the Sellers under such Assumed Contract.

To the extent provided in the Stalking Horse Purchase Agreement, the Debtors shall cooperate with and take all actions reasonably requested by the Buyer to effectuate the foregoing.

24. On the Closing Date, and the payment of the relevant Cure Amount, if any, the Assumed Contracts will remain in full force and effect (subject to any amendments agreed to between the counterparty to such Assumed Contract and the Buyer), and no default shall exist under the Assumed Contracts and no counterparty to any Assumed Contract shall be permitted (a) to declare a default by the Buyer under such Assumed Contract, or (b) to otherwise take action against the Buyer as a result of any Debtors' financial condition, bankruptcy, or failure to perform any of its obligations under the relevant Assumed Contract.

25. Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, other than the right to payment of any Cure Amount, all Contract Counterparties are forever barred and permanently enjoined from raising or asserting against either the Debtors or the Buyer any assignment fee, default, breach, Claim, pecuniary loss, or condition to assignment arising under or related to the Assumed Contracts existing as of the Closing Date or arising by reason of the Closing; provided, however, that the foregoing shall not apply to any customer of any Seller holding a Cure Amount on account of a valid warranty from any Seller or a membership agreement with any Seller, as such liabilities are being assumed by Buyer.

26. On the Closing Date, the Debtors shall be relieved, pursuant to sections 363 and 365(k) of the Bankruptcy Code, from any further liability under any Assumed Contract, and the counterparties shall be estopped from asserting any and all Claims or Liens, whether known or unknown, against the Debtors on account of the Assumed Contract. Without limiting the foregoing, on the Closing Date, the Sellers shall be relieved of any further liability under any

warranty or membership obligation with any of their customers, as such liabilities are being assumed by the Buyer.

27. Any Contract Counterparty—including, to the extent applicable, any customer holding a valid warranty from, and/or membership with, any Seller—who did not timely file an objection to the assumption of its Assumed Contract shall be deemed to have consented to the Assumed Contract's assumption and assignment to the Buyer pursuant to section 365 of the Bankruptcy Code. All objections to the assumption and assignment of the Assumed Contracts that have not been withdrawn, waived, settled, or adjourned, as announced to the Court at the Sale Hearing or by stipulation filed with the Court, and all reservations of rights included in such objections or otherwise, are hereby denied and overruled on the merits with prejudice.

28. All non-Debtor counterparties to the Assumed Contracts shall cooperate and expeditiously execute and deliver, upon the reasonable request of the Buyer, any instruments, applications, consents, or other documents that may be required or requested by any public authority or other party or entity to effectuate the applicable transfers in connection with the sale of the Acquired Assets.

Other Provisions

29. The consideration provided by the Buyer for the Sellers' right, title, and interest in the Acquired Assets under the Stalking Horse Purchase Agreement constitutes reasonably equivalent value and fair consideration for the Acquired Assets under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transactions Act, and other applicable law within the meaning of section 544(b) of the Bankruptcy Code, under the laws of the United States, any state, territory, possession, or the District of Columbia.

30. Effective upon the Closing Date, except as set forth in the Stalking Horse Purchase Agreement with respect to Assumed Liabilities and Permitted Liens and Sale Order, all persons and entities are forever prohibited and permanently enjoined from commencing or continuing in any manner any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding against the Buyer, its successors and assigns, or the Acquired Assets, with respect to any (a) Claims and Liens arising under, out of, in connection with or in any way relating to the Debtors, the Buyer, the Acquired Assets, or the operation of the Acquired Assets prior to the Closing or (b) successor liability based, in whole or in part, directly or indirectly, on any theory of successor or vicarious liability of any kind of character, or based upon any theory of antitrust, environmental, successor or transferee liability, *de facto* merger or substantial continuity, labor and employment, or products liability, whether known or unknown as of the Closing, now existing or hereafter arising, asserted or unasserted, fixed or contingent, or liquidated or unliquidated, including, without limitation, the following actions: (i) commencing or continuing in any manner any action or other proceeding against the Buyer, its successors or assigns, assets, or properties; (ii) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree, or order against the Buyer, its successors or assigns, assets, or properties; (iii) creating, perfecting, or enforcing any Claims or Liens against the Buyer, its successors or assigns, assets, or properties; (iv) asserting any setoff or right of subrogation of any kind against any obligation due to the Buyer or its successors or assigns; (v) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Sale Order or other orders of the Court, or the agreements or actions contemplated or taken in respect thereof; or (vi) revoking, terminating, or failing or

refusing to renew any license, permit or authorization to operate any of the Acquired Assets or conduct any of the businesses operated with the Acquired Assets.

31. The transactions contemplated by the Stalking Horse Purchase Agreement are undertaken by the Buyer without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale (including the assumption and assignment of the Assumed Contracts), unless such authorization and such Sale are duly stayed pending such appeal. The Buyer is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code. The Sale is not subject to avoidance pursuant to section 363(n) of the Bankruptcy Code.

32. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the transactions with the Debtors that are approved by this Sale Order, including, without limitation, the Stalking Horse Purchase Agreement and the Sale.

33. The failure specifically to include any particular provision of the Stalking Horse Purchase Agreement in this Sale Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Stalking Horse Purchase Agreement be authorized and approved in its entirety.

34. The Stalking Horse Purchase Agreement and any related or ancillary agreements, documents or other instruments may be further modified, amended, or supplemented by the parties thereto and in accordance with the terms thereof, without further order of the Court; provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates.

35. To the extent that this Sale Order is inconsistent with any prior order or pleading with respect to the Motion in the Chapter 11 Cases, the terms of this Sale Order shall govern. To the extent there are any inconsistencies between the terms of this Sale Order and the Stalking Horse Purchase Agreement (including any ancillary documents executed in connection therewith), the terms of this Sale Order shall govern.
