Case No. 20-30608 (JCW)

(Jointly Administered)

**AMENDED GLOBAL NOTES AND STATEMENT OF  
LIMITATIONS, METHODOLOGIES, AND SPECIFIC DISCLOSURES  
REGARDING THE DEBTORS' AMENDED SCHEDULES OF ASSETS  
AND LIABILITIES AND AMENDED STATEMENTS OF FINANCIAL AFFAIRS**

The Amended Schedules of Assets and Liabilities (collectively, the "Amended Schedules") and the Amended Statements of Financial Affairs (collectively, the "Amended Statements"), filed by Aldrich Pump LLC ("Aldrich") and Murray Boiler LLC ("Murray," and together with Aldrich, the "Debtors"), the debtors in the above-captioned chapter 11 cases, in the United States Bankruptcy Court for the Western District of North Carolina, Charlotte Division (the "Bankruptcy Court"): (a) were prepared pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtors' management, and, subject to management's direction, with the assistance of the Debtors' professionals and personnel of the Debtors' non-debtor affiliate, Trane Technologies Company LLC ("New Trane Technologies"), pursuant to two services agreements, each between a Debtor, on the one hand, and New Trane Technologies, on the other; and (b) are unaudited.

The *Global Notes and Statement of Limitations, Methodologies, and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "Original Global Notes") and related Schedules of Assets and Liabilities (the "Original Schedules") and the Statements of Financial Affairs (the "Original Statements") were filed by Aldrich and Murray on August 3, 2020 [Aldrich Dkts. 207-208; Murray Dkts. 19-20]. Following a review of the Debtors' books and records and a reconciliation of the Debtors' claims database, the Debtors have amended Schedule E/F, Schedule G, and SOFA Part 3/Question 7 to match their updated records and database.

Additions and modifications made to the Original Schedules and Original Statements as reflected in these Amended Schedules and Amended Statements are identified by discrete signifiers further described herein. Items removed from the Original Schedules and

<sup>1</sup> The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

Original Statements and no longer reflected in these Amended Schedules and Amended Statements are identified on the attachments to the cover sheet filed contemporaneously herewith.

These *Amended Global Notes and Statement of Limitations, Methodologies, and Specific Disclosures Regarding the Debtors' Amended Schedules of Assets and Liabilities and Amended Statements of Financial Affairs* (the "Amended Global Notes") provide additional detail regarding changes made to those portions of the Original Schedules and Original Statements. To the extent not amended by these Amended Global Notes, the Original Global Notes control for the Original Schedules and Original Statements.

The Amended Global Notes were prepared in conjunction with, are incorporated by reference in, and constitute an integral part of, the Debtors' Amended Schedules and Amended Statements. Any party reviewing the Amended Schedules and the Amended Statements should refer to, consider, and consult the Amended Global Notes in connection with such review. Further, the Debtors reserve the right to amend or supplement these Amended Global Notes as they determine is necessary or appropriate.

The Amended Schedules and the Amended Statements reflect the Debtors' reasonable best efforts to disclose each Debtor's assets, liabilities, and other required information on an unconsolidated basis, except as otherwise noted. The Amended Schedules and the Amended Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed for each Debtor. Additionally, the Amended Schedules and the Amended Statements contain unaudited information that is subject to further review and potential adjustment.

In preparing the Amended Schedules and the Amended Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although those members of the Debtors' management and the Debtors' professionals responsible for the preparation of the Amended Schedules and the Amended Statements have made a reasonable effort to ensure that these materials are accurate and complete based on information known to them at the time of preparation and after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Amended Schedules and the Amended Statements that may warrant amendment thereof in the future. Moreover, because the Amended Schedules and the Amended Statements contain unaudited information that is subject to further review and potential adjustment, there is no assurance that the Amended Schedules and the Amended Statements are complete or accurate in all respects. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Amended Schedules and the Amended Statements from time to time as the Debtors deem necessary and appropriate. Notwithstanding the foregoing, the Debtors make no affirmative representation that they will revise, amend, or otherwise update the Amended Schedules or the Amended Statements.

The Debtors and their agents, attorneys, professionals, and affiliates do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall

not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. The Debtors and their agents, attorneys, professionals, and affiliates expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or recategorized. In no event shall the Debtors or their agents, attorneys, professionals, or affiliates be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, professionals, or affiliates are advised of the possibility of such damages.

Allan Tananbaum, Chief Legal Officer of the Debtors, has signed the Amended Schedules and the Amended Statements. Mr. Tananbaum is an authorized signatory for each of the Debtors. In reviewing and signing the Amended Schedules and the Amended Statements, Mr. Tananbaum has relied upon the efforts, statements, and representations of various personnel of the Debtors and their advisors and personnel of their affiliates providing services to the Debtors. Mr. Tananbaum has not (and could not have) personally verified the accuracy of each statement and representation contained in the Amended Schedules and the Amended Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

### **Amended Global Notes and Overview of Methodology**

**1. Amended Global Notes Control.** In the event that information provided in the Amended Schedules and the Amended Statements differs from the Amended Global Notes, the Amended Global Notes shall control.

**2. Reservation of Rights.** The Debtors reserve all rights to amend, supplement, or otherwise modify the Amended Schedules and the Amended Statements from time to time, in all respects, at any time as may be necessary or appropriate as determined by the Debtors, including, without limitation, the rights to (a) amend the Amended Schedules and the Amended Statements with respect to claim descriptions or designations; (b) dispute or assert a right of setoff or other defenses to any claim reflected in the Amended Schedules or the Amended Statements as to amount, liability, priority, status, or classification; (c) subsequently designate any claim as "disputed," "contingent," or "unliquidated;" and/or (d) object to the extent, validity, enforceability, priority, or avoidability of any claim. Any failure to designate a claim in the Amended Schedules or the Amended Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." Notwithstanding the foregoing, the Debtors shall not be required to update the Amended Schedules and the Amended Statements except as may be required by applicable law or an order of the Bankruptcy Court.

Listing a claim does not constitute an admission of liability by the Debtors. Further, nothing contained in the Amended Schedules or the Amended Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, without

limitation, any right involving claims (including allowance, disallowance, liquidation, or estimation thereof), defenses, equitable subordination, setoff, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, and any other relevant non-bankruptcy laws to recover assets or avoid transfers or the treatment of agreements as executory, nonexecutory, valid, or invalid contracts.

Any specific reservation of rights contained in the Amended Global Notes does not limit in any respect the general reservation of rights contained in this section.

**3. Description of the Bankruptcy Cases and the "As Of" Information Date.**

On June 18, 2020 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors' bankruptcy cases are being jointly administered under case number 20-30608 (JCW). The Debtors currently are operating their businesses and are in possession of their property as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code.

Except as otherwise noted, all asset and liability information is as of the Petition Date. Further, the Amended Schedules and the Amended Statements reflect, as appropriate, information from the date of formation of the Debtors on May 1, 2020 (the "Formation Date") through the Petition Date. For the avoidance of doubt, except as otherwise indicated, the Schedules and the Statements do not reflect information from prior to the Formation Date, such as information relating to the former Trane Technologies Company LLC, successor by merger to Ingersoll-Rand Company (a former New Jersey corporation) ("Old IRNJ") or the former Trane U.S. Inc. ("Old Trane"), each of which ceased to exist when the Debtors were formed on the Formation Date. Additional information about the transactions on the Formation Date by which Old IRNJ and Old Trane ceased to exist and the Debtors, New Trane Technologies, and a new Delaware corporation named Trane U.S. Inc., ("New Trane") were formed can be found in the *Declaration of Ray Pittard in Support of First Day Pleadings* [Dkt. 27] (the "Pittard Declaration") filed on the Petition Date.

**4. Amendments and Recharacterization.** Notwithstanding the Debtors' commercially reasonable efforts to properly characterize, classify, categorize, designate, or include certain claims, assets, executory contracts, unexpired leases, and other items reported in the Amended Schedules and the Amended Statements, the Debtors nevertheless may have improperly characterized, classified, categorized, designated, included, or omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Amended Schedules and the Amended Statements at a later time as is necessary or appropriate in their discretion as additional information becomes available, including, without limitation, whether contracts listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Amended Schedules, in one or more Amended Statements, or in one or more exhibits or attachments to the Amended Schedules or the Amended Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct portion of the Amended Schedules, the Amended Statements, or any exhibit or attachment thereto.

5. **Estimates and Assumptions.** The preparation of the Amended Schedules and the Amended Statements requires the Debtors to make certain estimates and assumptions that affect the reported values of assets and liabilities, the disclosures of contingent assets and liabilities, and other matters. Actual results could differ (perhaps materially) from those estimates included in, or underlying the information in, the Amended Schedules and the Amended Statements. In addition, and without limiting any other qualification or limitation herein, certain estimates of value used herein that were provided by third parties are not to be relied upon by other parties for any purpose.

6. **Unknown Amounts.** The value of certain of the scheduled assets and liabilities is unknown and unliquidated at this time. In such cases, the amounts are listed as "Undetermined," "Unknown," or "Unliquidated." Amounts that are Undetermined, Unknown, or Unliquidated may be material. For purposes of calculating totals for the value of categories of assets and liabilities, amounts listed as Undetermined, Unknown, or Unliquidated are treated as \$0.00 even though the value of such amounts, once liquidated, could be material. Accordingly, the Amended Schedules and the Amended Statements may not accurately reflect the aggregate amount of the Debtors' assets and liabilities.

7. **Excluded Assets and Liabilities.** The Debtors have excluded certain assets and liabilities that appear in their books and records from the Amended Schedules and the Amended Statements, including, without limitation, any potential future rights of the Debtors under Divisional Merger Support Agreements with New Trane Technologies and New Trane, certain amounts expected to be received from insurers related to payment of future asbestos claims, and certain liability accruals related to asbestos matters. The Debtors also have not attempted to anticipate rejection damage claims of counterparties to executory contracts that may arise out of future contract rejections, and such potential claims are not reflected in the Schedules and the Statements. In addition, certain immaterial assets and liabilities may have been excluded.

Aldrich and its non-debtor direct subsidiary, 200 Park, Inc. ("200 Park"), are parties to that certain Cash Pooling Agreement, dated as of May 1, 2020 (the "Aldrich Cash Pooling Agreement"). Murray and its non-debtor direct subsidiary, ClimateLabs LLC ("ClimateLabs"), are parties to that certain Cash Pooling Agreement, dated as of May 1, 2020 (the "Murray Cash Pooling Agreement" and together with the Aldrich Cash Pooling Agreement, the "Cash Pooling Agreements"). As applicable, each of the Cash Pooling Agreements provides for the pooling of funds belonging to either (a) Aldrich and 200 Park or (b) Murray and ClimateLabs through the transfer of certain of 200 Park's or ClimateLabs' cash into Aldrich's or Murray's respective bank accounts, and the transfer of such cash back to 200 Park or ClimateLabs in the ordinary course of business. The Bankruptcy Court has approved such cash management practices by an order entered on June 25, 2020 [Dkt. 113] (the "Cash Management Order"). Consistent with the Cash Pooling Agreements and the Cash Management Order, cash of 200 Park or ClimateLabs held in Aldrich's or Murray's respective bank accounts is not property of either Debtor's bankruptcy estate. As a result, the Debtors have not listed as an asset non-estate funds held on behalf of 200 Park or ClimateLabs in accordance with the Cash Pooling Agreements and the Cash Management Order. The Debtors similarly have not listed as a liability their respective offsetting obligations to transfer such funds back to 200 Park or ClimateLabs pursuant to the Cash Pooling Agreements.

Each Debtor has (a) a contractual obligation to indemnify its non-debtor affiliates in the event that any non-debtor affiliate is held liable for any of the Debtor's asbestos-related liabilities;<sup>2</sup> (b) contractual indemnification obligations with, or other obligations to, certain former transaction counterparties for any losses on account of the Debtor's asbestos-related liabilities; and (c) confidential "coverage-in-place" or buyout agreements with various insurers that obligate the Debtor to indemnify such insurers and various related parties under a variety of circumstances as set forth in such agreements. *See also* Original Global Note for Schedule A/B, Part 11/Question 73, regarding the Debtors' interests in insurance assets. On June 25, 2020 and July 14, 2020, the Bankruptcy Court entered the *Temporary Restraining Order* [Adv. Pro. 20-03041, Adv. Dkt. 26] (the "TRO") and the *Order Extending Temporary Restraining Order* [Adv. Pro. 20-03041, Adv. Dkt. 51], respectively, which orders temporarily enjoined through and including July 23, 2020 the assertion against the Debtors' non-debtor affiliates and other entities identified therein by reference (collectively, the "Protected Parties") of any claims relating to the Debtors' asbestos-related liabilities, to the extent that the automatic stay imposed by section 362 of the Bankruptcy Code does not already apply to such actions. The Debtors also sought a preliminary injunction to continue to enjoin the assertion of such claims against the Protected Parties, or to find that the automatic stay already applies to such actions. On July 23, 2020, the Court entered an order [Adv. Pro. 20-03041, Adv. Dkt. 58] (the "Agreed Injunction Order"), in a form agreed upon by the Debtors and the Official Committee of Asbestos Personal Injury Claimants (the "Committee"), granting a preliminary injunction on substantially the same terms as the TRO, pending a hearing on the Debtors' preliminary injunction request (the "Preliminary Injunction Hearing") and the entry of an order on the requested relief. On August 23, 2021, the Court entered its findings of fact and conclusion of law and order (a) declaring that the automatic stay applies to certain actions against non-debtors and (b) preliminarily enjoining such actions [Adv. Pro. 20-03041, Adv. Dkts. 307-308]. Under the circumstances, the indemnification obligations relating to asbestos-related claims asserted against the Protected Parties have not been listed in the Amended Schedules and the Amended Statements. Although the Debtors routinely receive demands for indemnification claims from former transaction counterparties, those tenders typically do not give rise to additional damages beyond the claims being made directly against the Debtors. As a result, the Debtors have listed potential indemnity claims for the Protected Parties in the amount of \$0.00 in Schedule E/F. Additional detail regarding excluded liabilities is included in the Original Global Notes to Schedule A/B and the Amended Global Notes to Schedule E/F.

**8. Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information available and the research conducted in conjunction with the preparation of the Amended Schedules and the Amended Statements. As additional information becomes available and further research is conducted, the allocation of certain liabilities between prepetition and postpetition periods may change. Further, the liabilities listed on the Amended Schedules do not reflect any claims under section 503(b)(9) of the Bankruptcy Code (if applicable). The Debtors reserve all of their rights to dispute or challenge the validity, amount, or priority of any claims (including any claims under

---

<sup>2</sup> New Trane Technologies and New Trane have reciprocal indemnification obligations to indemnify Aldrich or Murray, as applicable, for all losses incurred in connection with either New Trane Technologies' or New Trane's assets and liabilities. These indemnification obligations have not been listed in the Amended Schedules and the Amended Statements.

section 503(b)(9) of the Bankruptcy Code, if any are asserted) or the characterization of the structure of any transaction or any document or instrument related to any creditor's claim.

**9. Intellectual Property Rights.** Any exclusion of intellectual property rights from the Amended Schedules or the Amended Statements shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

**10. Asset Values.** It would be prohibitively expensive, unduly burdensome, and time-consuming to obtain current market valuations of the Debtors' assets and interests. Accordingly, to the extent any asset value is listed herein, and unless otherwise noted therein, the Amended Schedules and the Amended Statements reflect approximate net book values, rather than current market values. Except as otherwise noted, all asset values and claim values provided herein reflect the Debtors' data as of close of business on May 31, 2020.

**11. Currency.** All amounts are reflected in U.S. dollars.

**12. Causes of Action.** The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, the "Causes of Action") the Debtors may have, and neither these Amended Global Notes nor the Amended Schedules nor the Amended Statements shall be deemed a waiver of any claims or Causes of Action or in any way to prejudice or impair the assertion of such claims or Causes of Action.

**13. Insiders.** Where the Amended Schedules and the Amended Statements require information regarding insiders and/or officers and directors, included therein are (a) each of the Debtors' (i) managers (or persons in similar positions) and (ii) seconded employees or other individuals that are, or were during the relevant period, officers (or persons in control) of the Debtors; and (b) certain affiliates of the Debtors. The listing of a party as an insider is not intended to be, nor should it be construed as, a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such facts, claims, rights, and defenses are hereby expressly reserved. Persons and entities listed as "insiders" (including any affiliates of the Debtors) have been included for informational purposes only, and such individuals and entities should not be deemed to be "insiders" for other purposes.

**14. Summary of Significant Reporting Policies and Practices.** The following conventions were utilized by the Debtors in preparation of the Amended Schedules and Amended the Statements:

- (a) Undetermined Amounts. The description of an amount as "unknown," "unliquidated," or "undetermined" is not intended to reflect upon the materiality of such amount.
- (b) Totals. All totals that are included in the Amended Schedules and the Amended Statements represent totals of all known amounts only. To the extent there are unknown or undetermined amounts (which have been treated as \$0.00 for the purpose of calculating totals in the Amended Schedules and Amended Statements), the actual total may be different from the listed total, and such difference could be material.
- (c) Book Value of Liabilities. Unless otherwise noted therein, the Amended Schedules and the Amended Statements reflect the carrying value of the liabilities as listed in the Debtors' books and records.
- (d) Disputed, Contingent, and/or Unliquidated Claims. Failure to designate a claim on any of the Amended Schedules or the Amended Statements as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Amended Schedules or the Amended Statements on any and all available grounds, including the right to dispute the amount, liability, priority, validity, classification, or status of any claim.

### **Specific Disclosures with Respect to the Debtors' Amended Schedules**

**Amended Schedules Summary.** Given, among other things, the uncertainty surrounding the collectability and valuation of certain assets and the valuation and nature of certain liabilities, the Amended Schedules should not be relied upon nor do they constitute an admission regarding the financial status of the Debtors. *See also* Notes 6 and 14, above, regarding the treatment of unknown or undetermined amounts.

**Amended Schedule E/F.** *Creditors who have unsecured claims.* Certain of the claims of state and local taxing authorities set forth in Part 1 of Amended Schedule E/F, which is unchanged from the Original Schedules, ultimately may be deemed, in whole or in part, to be secured claims pursuant to state or local laws or priority claims under the Bankruptcy Code. The Debtors reserve their right to dispute or challenge whether claims owing to various taxing authorities are secured or entitled to priority. The listing of any claim on Amended Schedule E/F does not constitute an admission that such claim is entitled to priority pursuant to section 507 of the Bankruptcy Code.

Parties who have asserted an asbestos-related claim involving either Debtor (collectively, the "Asbestos Claimants") are listed on Part 2 of Amended Schedule E/F of the Debtor against whom such claim was asserted as holders of nonpriority unsecured claims. The Asbestos Claimants have been listed on Amended Schedule E/F with respect to any unsecured claim they may have or assert against the Debtors. To the extent that a claim was asserted against both Debtors, the Debtors have listed such Asbestos Claimant in the Amended Schedules

of each Debtor. The Debtors have not determined against which Debtor any such claim should be listed, and the Debtors hereby reserve all rights, including but not limited to, the right to amend the Amended Schedules or object to any claim as asserted against the incorrect Debtor.

Due to their volume, the Asbestos Claimants' asbestos-related claims identified on Part 2 of Amended Schedule E/F have been listed in a separate attachment thereto (the "Amended Schedule E/F Attachment"). The Asbestos Claimants have been identified based on information from a database (the "PACE Database") of all asbestos-related litigation and asserted legal claims known to the Debtors, which database was created and is maintained by PACE Claims Services LLC ("PACE"). By an order entered on June 25, 2020 [Dkt. 112], the Bankruptcy Court has authorized service on the Asbestos Claimants in care of their counsel. Therefore, the addresses listed for the Asbestos Claimants in Amended Schedule E/F are the addresses of their identified counsel. Upon further review of their books and records, the Debtors have identified two claims, marked with a "G" identifier in Amended Schedule E/F, in which the Asbestos Claimants' counsel has withdrawn their appearance and the action remains open and dormant. Those Asbestos Claimants' last known addresses are listed in Amended Schedule E/F. Where counsel to Asbestos Claimants maintain offices at more than one address, it would be unduly burdensome to identify the particular office location associated with each Asbestos Claimant. Therefore, in such cases, a single office location has been listed for each law firm representing Asbestos Claimants.

With the exception of the two claims noted above, identification of Asbestos Claimants on Schedule E/F is limited to Asbestos Claimants for whom counsel is identified in the PACE Database. The Debtors and their professionals identified numerous asbestos-related claims in the PACE Database for which no Asbestos Claimant's counsel was identified. Generally, these claims have been dormant for an extended period of time, sometimes for 10 or more years. To attempt to identify current counsel, the Debtors' professionals reviewed pleadings uploaded to the PACE Database, made inquiries to local defense counsel, and used other resources to identify counsel, where available. Where counsel to Asbestos Claimants were identified from these inquiries, they are listed in Amended Schedule E/F. In other cases, reasonable inquiry did not identify any current counsel. Further, the Debtors lack address information for the Asbestos Claimants or sufficient information to reasonably determine the address of individual Asbestos Claimants in these matters, particularly with respect to matters that have been dormant for extended periods. It would be unduly burdensome and expensive for the Debtors to investigate the current personal address of each such Asbestos Claimant, and the Debtors believe that any such investigation is unlikely to identify accurate current address information in any event. Moreover, the Debtors believe that, for the vast majority—if not all—of the claims for which no current counsel was identified, such claims likely are no longer pending but have yet to be closed in the PACE Database. Accordingly, such claims would not constitute unsecured claims against the Debtors for purposes of Amended Schedule E/F. Therefore, where the Debtors and their professionals have not identified current counsel through the inquires described above, and have not been notified of the applicable Asbestos Claimant's address, the Debtors have omitted such claims from Amended Schedule E/F.

Co-defendants in asbestos-related litigation (collectively, the "Asbestos Co-Defendants") have been identified in Original Schedule H as potential co-debtors based on information from a database of co-defendants of the Debtors in asbestos-related litigation

pending since 2015 created and maintained by PACE. *See* Original Global Note to Schedule H for additional information regarding the Asbestos Co-Defendants. The Asbestos Co-Defendants have not been listed in Amended Schedule E/F, but each Asbestos Co-Defendant identified in Original Schedule H is hereby deemed to be listed in Amended Schedule E/F, Part 2/Question 3 as having a nonpriority claim (a) in an undetermined amount, (b) that is contingent, unliquidated, and disputed and not subject to offset, and (c) that was incurred on an undetermined date.

In addition, the Debtors have listed the following parties on Amended Schedule E/F: (a) parties that may hold or assert indemnification claims against the Debtors; and (b) all ordinary course professionals of the Debtors. Note that, even without taking specific action to initiate a claim against the Debtors, it is possible that some Asbestos Co-Defendants hold a cross-claim against the Debtors for contribution or indemnity that is deemed to automatically arise under case management orders and non-bankruptcy law applicable to asbestos claims in some jurisdictions. Excluding the possible existence of said "deemed filed" cross-claims, the Debtors are not aware of any pending indemnification or contribution claims being pursued against them by any Asbestos Co-Defendant. Identification of any of the foregoing parties on Amended Schedule E/F (including the deemed inclusion of the Asbestos Co-Defendants) is not intended, and shall not be deemed, to constitute an admission of any claim of, or obligation of the Debtors to, such parties.

The listing by the Debtors of any account between a Debtor and a non-debtor affiliate is a statement of what appears in the Debtors' books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, character, validity, or priority of such account. Any intercompany accounts remain subject to further review by the Debtors.

Amended Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts may be reflected on the Debtors' books and records as required in accordance with GAAP. Accruals are general estimates of liability and may not represent specific claims as of the Petition Date.

Amended Schedule E/F includes the addition of pre-petition asbestos claims that were asserted pre-petition but were (a) not reflected in the PACE Database by the filing of the Original Schedules, (b) tendered to the Debtors by parties that the Debtors have agreed to contractually indemnify, or (c) inadvertently omitted from the Original Schedules. These added claims are identified in Amended Schedule E/F with "D" identifier.

Amended Schedule E/F includes the addition of asbestos claims asserted post-petition. Although the Debtors believe that assertion of such claims post-petition is in violation of the automatic stay and/or TRO or preliminary injunction, the Debtors have included such claims on Amended Schedule E/F for completeness and notice purposes. These post-petition claims are identified in Amended Schedule E/F with "C" identifier.

Amended Schedule E/F reflects certain modified claim descriptions. In particular, claims marked with "A" identifier are claims that, pursuant to a settlement, were either (1) being processed for payment or (2) had been paid by the Debtors pre-petition, but such payment was not negotiated by the claimant prior to the petition date. Such claims have been re-characterized

and are no longer marked as contingent, unliquidated, and disputed. In addition, after review of the Debtors' books and records, the Debtors have determined that a number of claims were inadvertently listed in Original Schedule E/F as having a "confidential settlement amount." In fact, no settlement payment was ever agreed upon for these claims, and the Debtors' claims database does not reflect a settlement amount (other than "zero") for these claims. These claims are marked in Amended Schedule E/F/ with "B" identifier.

Amended Schedule E/F reflects the removal of various claims that were (a) dismissed pre-petition but were inadvertently included in Original Schedule E/F or (b) dismissed post-petition. The vast majority of these claims were dismissed without any payment from the Debtors several years before the Petition Date, but were in a backlog that had never been entered in the Debtors' claims database. These pre-petition dismissals were entered in the Debtors' database post-petition. Because these claims are no longer pending they have been removed from Amended Schedule E/F. A separate list of these removed pre- and post-petition claims is attached to the cover sheet as "Schedule E/F, Part 2 - Litigation - Removed Records." Because certain claims have been removed, to avoid confusion caused by inconsistent numbering, Part 2 of Amended Schedule E/F no longer has line numbers.

**Amended Schedule G.** *Executory contracts and unexpired leases.* Although the Debtors' existing books and records have been relied upon to identify and schedule executory contracts and unexpired leases, and diligent efforts have been made to ensure the accuracy of Amended Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Certain contracts identified on Amended Schedule G were entered into before the Formation Date and show Old IRNJ or Old Trane as the original counterparty. Each of these contracts was allocated to the applicable Debtor upon its formation.

The identification of a contract, agreement, or lease in Amended Schedule G does not constitute an admission that such contract, agreement, or lease is an executory contract or unexpired lease or that such contract, agreement, or lease was effective as of the Petition Date or is valid or enforceable. The Debtors reserve all of their rights with respect to the contracts, agreements, and leases identified in Amended Schedule G, including, without limitation, the Debtors' rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases and to amend or supplement Amended Schedule G as necessary.

Certain of the items reflected on Amended Schedule G may contain renewal options, purchase options, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Amended Schedule G. The Debtors hereby expressly reserve the right to assert that, or challenge whether, any item listed on Amended Schedule G is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. In addition, the Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed in the Amended Schedules, including Amended Schedule G, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement).

Certain agreements, including corporate constituent documents and confidentiality agreements, have not been listed on Amended Schedule G. The Debtors reserve

all rights with respect to such agreements. Omission of a contract or agreement from Amended Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

Because the Funding Agreements require New Trane Technologies and New Trane to provide certain funding to the Debtors (as applicable) without any corresponding repayment obligation, the Funding Agreements have not been listed on Amended Schedule G. The Debtors nevertheless reserve all rights with respect to the Funding Agreements.

Certain of the contracts and agreements listed on Amended Schedule G may consist of several parts that may not be listed on Schedule G or that may be listed as a single entry. Unless otherwise specified in Amended Schedule G, each executory contract or unexpired lease identified therein shall include all exhibits, schedules, riders, statements of work, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed therein.

Any claims that were included in Original Schedule G but, as a result of the adjustments made to Amended Schedule E/F, were (a) removed from Amended Schedule E/F or (b) had their status changed from "confidential settlement amount" to "undetermined" have been removed from Amended Schedule G. A separate list of these removed executory contracts is attached to the cover sheet as "Schedule G - Removed Records." Because certain claims have been removed, to avoid confusion caused by inconsistent numbering, Amended Schedule G no longer has line numbers. In addition, Amended Schedule G includes certain claims that were inadvertently omitted from Original Schedule G. These added claims are identified in Amended Schedule G with "E" identifier.

### **Specific Disclosures with Respect to the Debtors' Amended Statements of Financial Affairs**

**Amended SOFA Part 3/Question 7.** *Legal actions, administrative proceedings, court actions, executions, attachments, or governmental audits.* The Debtors' records regarding actions and other proceedings initiated against them are organized by reference to the individual claimants involved. Actions initiated by multiple plaintiffs or claimants therefore may appear multiple times within the Debtors' records. The Debtors have made reasonable efforts to remove duplicate entries for each matter listed in Amended SOFA Part 3/Question 7. Nonetheless, certain matters may have been inadvertently listed more than once. The matters listed in Amended SOFA Part 3/Question 7 may not include all actions or proceedings commenced against the Debtors after the Petition Date in violation of the automatic stay. Due to their volume, the asbestos-related matters identified in Amended SOFA Part 3/Question 7 have been listed on a separate attachment.

Through a review of their books and records, the Debtors have discovered that a number of claims that were listed as "pending" in the Original SOFA Part 3/Question 7 were dismissed pre-petition. As a result, the status of these claims has been changed from "pending" to "completed" in Amended SOFA Part 3/Question 7. These claims are marked in Amended

SOFA Part 3/Question 7 with "F" identifier. Because of the voluminous nature of claims included in Amended SOFA Part 3/Question 7, including claims whose status was changed from "pending" to "completed" as a result of the foregoing, it is possible that some claims marked as "completed" may not have been completed within 1 year of the Petition Date. Alternatively, because the Debtors may not know the exact date each claim was dismissed, it is also possible that some claims may have a "pending" status even though they were dismissed prior to the relevant lookback period.

Amended SOFA Part 3/Question 7 also includes claims that were added to Amended Schedule E/F because they were asserted pre-petition but were either (a) not reflected in the PACE Database by the time the Original Schedules were filed, (b) tendered to the Debtors by parties that the Debtors have agreed to contractually indemnify, or (c) inadvertently omitted from the Original Schedules. These added claims are now listed as "pending" in Amended SOFA Part 3/Question 7 and are marked in Amended SOFA Part 3/Question 7 with "D" identifier.
