In support of this Eighth Interim Application, Winston respectfully represents as follows:

¹ The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors’ address is 800-E Beaty Street, Davidson, North Carolina 28036.

JURISDICTION AND STATUTORY BASIS FOR RELIEF

1. The United States Bankruptcy Court for the Western District of North Carolina (the “Court”) has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1334 and 157. This application is made pursuant to 11 U.S.C. § 331.

BACKGROUND

2. On January 18, 2020 (the “Petition Date”) Aldrich Pump LLC and Murray Boiler LLC (collectively, the “Debtors”) filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in this Court.

3. From the Petition Date through the date of this Eighth Interim Application, the Debtors have continued to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”).

4. On January 30, 2020, the Office of the United States Bankruptcy Administrator (the “Bankruptcy Administrator”) filed its *Motion of the Bankruptcy Administrator to Appoint Official Committee of Asbestos Claimants* [Docket No. 126]. On July 7, 2020, the Court entered an order appointing the Committee pursuant to section 1102 of the Bankruptcy Code [Docket No. 147].

5. On August 4, 2020, the Committee filed and served its application to retain and employ Winston as its special litigation counsel [Docket No. 212]. On August 7, 2020, the Court entered an order approving the retention application [Docket No. 225]. On August 24, 2020, the Court entered an amended order approving the retention application [Docket No. 279].

6. Pursuant to the Interim Compensation Order, professionals may request monthly compensation and reimbursement. Such requests are to be served on certain identified parties for

review. If no objection to a professional's request is received within fourteen (14) days of such request, the Debtors are authorized to pay 90% of the fees and 100% of the expenses requested.

7. Beginning with the period ending September 30, 2020, the Interim Compensation Order also allows each retained professional to file an application for interim Court approval and allowance pursuant to section 331 of the Bankruptcy Code of 100% of the compensation for services and reimbursement of expenses for prior months not already included in a previous interim fee application.

WORK PERFORMED DURING THE APPLICATION PERIOD

8. During the Application Period, Winston performed significant reasonable and necessary work for the Committee. Winston's work focused on, among other tasks:

- (a) assisting and advising the Committee in investigating potential claims, including without limitation, fraudulent conveyance claims, breach of fiduciary duty, and related claims;
- (b) researching and analyzing issues related to the aforementioned investigation;
- (c) assisting the Committee in preparing such applications, motions, memoranda, proposed orders, and other pleadings as may be required in support of positions taken by the Committee relating to potential Committee claims;
- (d) representing the Committee at certain hearings to be held before this Court and any appellate courts relating to potential Committee claims;
- (e) communicating with Committee and Committee professionals regarding case strategy, next steps, and respective tasks;
- (f) working and communicating with other Committee professionals on issues related to their respective areas of expertise;
- (g) communicating with the key parties in interest in the case including, without limitation, the Debtors and others, regarding status and issues as they arise related to Winston's charge;
- (h) serving as the central document repository and preliminary document review center for the Committee; and
- (i) preparing and reviewing its own professional compensation requests.

9. A true and correct copy of the billing statements prepared for the services rendered by Winston professionals during the Application Period are incorporated herein by reference and attached hereto as **Exhibit A** (collectively, the “Billing Statements”). The Billing Statements are in the same form regularly used by Winston to bill its clients for services rendered and include the date that the services were rendered, a detailed, contemporaneous narrative description of the services, the amount of time spent for each service, and the designation of the professional who performed the service. All of Winston’s work reflected in the Application was necessary, reasonable, and beneficial to the Committee and its constituency.

SUMMARY OF REQUESTED COMPENSATION

10. Winston seeks allowance on an interim basis, compensation for professional services performed during the Application Period in the amount of \$335,359.50.

Such fees are reasonable based on customary compensation charged by comparably skilled practitioners in comparable bankruptcy and non-bankruptcy cases in a competitive national legal market.

13. The summary sheet preceding this Eighth Interim Application contains a schedule of Winston professionals, paraprofessionals, and other non-legal staff who have performed services for the Committee during the Application Period, the capacities in which each individual is employed by Winston, the department in which each individual practices, the hourly billing rate charged by Winston for services performed by such individuals, the year in which each attorney was first licensed to practice law, where applicable, the aggregate number of hours expended in this matter, and fees billed therefor.

COMPENSATION SOUGHT AND RECEIVED DURING THE APPLICATION PERIOD

Date Served	Period Covered by Request	Requested Fees	Requested Expenses	Payment Received - Fees	Payment Received - Expenses
8/14/2024	5/1/2024-5/31/2024	\$113,170.00	\$1,490.20	\$0	\$0

TOTAL		\$335,359.50	\$6,905.80	\$335,359.50	\$6,905.80

20. The payments received by Winston represent less than 100% of the total fees and expenses incurred during the Application Period. Remaining outstanding therefore, and now due and owing, is a balance of **\$335,359.50** in fees and **\$6,905.80** in expenses incurred during the Application Period.

RELIEF REQUESTED AND BASIS FOR RELIEF

21. By this Eighth Interim Application, Winston seeks interim allowance of \$335,359.50 in fees for services rendered and \$6,905.80 in expenses incurred during the Application Period. Winston also seeks an order authorizing and directing the Debtors to pay the present balance of its charges for the Application Period if and to the extent the Debtors have not already paid those charges.

22. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a Court may award a professional person employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered [and] reimbursement for actual, necessary

expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable, based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

23. In the instant case, Winston submits that the services for which it seeks compensation in this Eighth Interim Application were necessary for and beneficial to the Committee. Additionally, the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Committee.

24. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. The professional services were performed expediently and efficiently.

25. In sum, the services rendered by Winston were necessary and beneficial to the Committee and were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved. Accordingly, approval of the compensation for professional services sought herein is warranted.

26. Winston has received no promises for payment from any third party for services rendered during the Application Period in connection with the case. There exists no agreement or understanding between Winston and any other person for the sharing of any compensation to be received for services rendered by Winston in the case.

27. All services for which compensation is requested by Winston pursuant to this Eighth Interim Application were performed for or on behalf of the Committee in the case.

NOTICE

28. Notice of this Eighth Interim Application, including the required Notice of Opportunity for Hearing, has been given to the Notice Parties as defined in the Interim Compensation Procedures Order.

[continued on the next page]

CONCLUSION

WHEREFORE, Winston respectfully requests that the Court enter an Order (a) approving this Eighth Interim Application and allowing on an interim basis Winston's request for **\$335,359.50** in fees and **\$6,905.80** in expenses for the Application Period; (b) authorizing and directing the Debtors to pay the as-yet unpaid balances for the Application Period, that is, **\$335,359.50** in fees and **\$6,905.80** in expenses for services rendered; and (c) granting such other and further relief as the Court deems just and proper.
