III. SUMMARY OF SERVICES RENDERED BY RCD

12. Attached hereto as Exhibits A-1 through A-4 are detailed descriptions of the services performed and expenses incurred by Applicant from February 1, 2025 through May 31, 2025. In summary, Applicant expended 244.70 hours in rendering necessary legal services involving this Chapter 11 proceeding for the period February 1, 2025 through May 31, 2025. The fees total \$129,656.00 for the period February 1, 2025 through May 31, 2025 (consisting of \$31,057.00 for the month of February, 2025; \$55,769.00 for the month of March, 2025; \$26,506.50 for the month of April, 2025 and \$16,323.50 for the month of May, 2025). Applicant further incurred costs in regard to this proceeding in the amount of \$3,020.99 for the period from February 1, 2025 through May 31, 2025 (consisting of \$562.24 for the month of February, 2025, \$2,065.02 for the month of March, 2025; \$393.73 for the month of April, 2025 and \$0.00 for the month of May, 2025). On Exhibit B, RCD has categorized its time by the project categories recommended by the Guidelines for Compensation and Expense Reimbursement of Professionals (the "Compensation Guidelines") referenced in Rule 2016 of the Rules of Practice and Procedure of the United States Bankruptcy Court for the Western District of North Carolina (the "Local Rules"). On Exhibit C, RCD has itemized the costs and expenses incurred on behalf of the Debtors that were billed during the Interim Period.

13. RCD believes that its billing rates for the Interim Period for these cases, which reflect RCD's customary billing rates for the year 2025, should be deemed "reasonable billing rates" for purposes of this Court's determination of the "reasonableness" of the fees for services rendered.

14. Attached hereto as Exhibit D is a summary of this Applicant's prior fee applications.

15. A summary of the professionals/paraprofessionals that have rendered services to the Debtors, which includes each professional's or paraprofessional's title, hourly rate, total number of hours billed and the fees billed, is attached hereto as Exhibit E.

16. Attached as Exhibit F is a background summary of each professional included in this Application.

17. Attached hereto as Exhibits A-1 through A-4 are RCD's detailed invoices for the Interim Period which show on a daily basis the professionals recording time for these cases, how much time was charged for each professional and a description of the services rendered. Whenever in the attached time records, more than one RCD professional is involved or the RCD professionals show interaction with other professionals for the Debtors, each of the RCD professionals are performing distinct tasks for the Debtors and/or work to effectively and efficiently represent the Debtors. Services are provided for each month of the Interim Period and are divided by category of the task performed. To the extent that charges for services rendered or expenses incurred relate to the Interim Period but were not processed prior to the preparation of, or otherwise included in, this Application, RCD reserves the right to request additional compensation for such services and reimbursement of such expenses in future applications.

18. RCD believes that the services it provided to the Debtors during this Interim Period were necessary to the administration of and beneficial to the Debtors' estates. RCD further believes that the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the task addressed.

IV. DESCRIPTION OF SERVICES RENDERED DURING INTERIM PERIOD

20. RCD grouped its services using the eight categories set forth below in accordance with the recommendation of the Compensation Guidelines. RCD also assisted in the coordination and filing of other interim fee applications for the Debtors' professionals, preparation of orders approving the interim fee applications, review of parties' fee requests, and review of supplemental affidavits as needed, as well as required ordinary course counsel reporting. RCD assisted in coordination and circulation of other Debtor professionals' monthly compensation statements as well as assisting other case professionals with questions on fee and engagement procedures. RCD assisted Jones Day in analyzing and advising the Debtors regarding questions on professional engagement issues and filing of Ordinary Course Professionals reports. RCD reviewed and commented on proposed amendments to the order governing fee procedures in these cases. RCD also assisted the Debtors and Jones Day in analyzing certain monthly fee requests and analyzing potential objections to such requests.

RCD assisted in the preparation and filing of a joint status report related to the stayed appeal of denial of a motion to lift the automatic stay filed by certain claimants. RCD also assisted in preparing and filing a response to a notice of

supplemental authority filed in Mr. Semian's appeal of the denial of his motion to dismiss these cases.

F. Plan and Disclosure

26. RCD assisted the Debtors in responding to certain questions from the Bankruptcy Administrator regarding the court-ordered plan mediation in these cases.

G. Claim Administration

H. Miscellaneous Assistance or Other

28. This category is to be used for services that do not otherwise fall into the categories described above and was not used during the Interim Period.

29. As noted above, during the Interim Period, RCD provided services to facilitate the Debtors' discharge of their administrative duties as debtors in possession and to maximize value of the estates for the benefit of creditors, stakeholders and other parties in interest. In addition to the services provided above, RCD responded to numerous inquiries of parties in interest regarding the status of the case. RCD believes that all of these services have helped to ensure the efficient administration of these cases and compliance with the requirements of the Bankruptcy Code.

V. DESCRIPTION OF DISBURSEMENTS AND EXPENSES INCURRED DURING THE INTERIM PERIOD

30. It is RCD's policy with respect to expenses to charge its clients in all areas of practice for expenses incurred in connection with each client's case. The customary expenses charged to clients include, among other things, filing and court fees, regular and express mail charges, special or hand delivery charges, photocopying charges, travel expenses, expenses for "working meals," computerized research charges, and transcription costs.

31. RCD requests reimbursement for its actual and necessary expenses incurred during the Interim Period in the amount of \$3,021.09. A detailed breakdown of such expenses is provided in RCD's invoices attached hereto as Exhibits A-1 through A-4. The expenses RCD incurred in the rendition of professional services were necessary and reasonable under the circumstances to serve the needs of the Debtors.

VI. LEGAL STANDARD

32. This Application is submitted under the standards set forth in a number of decisions of the United States Supreme Court and the Fourth Circuit Court of Appeals; Hensley v. Eckerhart, 461 U.S. 424 (1983); Blum v. Stenson, 465 U.S. 886 (1984); Pennsylvania v. Delaware Valley Cit. Council, 107 S.C. 3078 (1987); Lilly v. Harris-Teeter Supermarket, 842 F.2^d 1496 (4th Cir. 1988); Daly v. Hill, 790 F.2^d 1071 (4th Cir. 1986); and Barber v. Highway Express, Inc., 488 F.2^d 714, 717-19 (5th Cir. 1974). Under the rule of Barber, these standards include the time and labor expended; the novelty and difficulty of the questions raised; the skill required to perform properly the legal services rendered; the attorney's opportunity costs in handling the case; the customary fee for like work; the attorney's expectations at the outset of the case; the time limitations imposed by the client or circumstances; the amount in controversy and the results obtained; the experience, reputation and ability of the attorney; the undesirability of the case within the legal community in which the case arose; the nature and length of the professional relationship between attorney and client; and attorneys' fees in similar cases. Under these

standards, the compensation and rates requested herein are reasonable for services rendered by the Applicant in this case.

VII. NOTICE

Notice of this motion has been provided to: (a) the office of the United States Bankruptcy Administrator for the Western District of North Carolina; (b) counsel to the ACC; (c) counsel to the Debtors' non-debtor affiliates, Trane Technologies Company LLC and Trane U.S. Inc.; (d) the FCR and his counsel; and (e) the other parties on the Service List established by the Case Management Order.
