BASIS FOR RELIEF REQUESTED

20. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of Section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under Section 1103 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and . . . reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1)(A) and (B).

21. Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to . . . [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including --

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title. *Id.* § 330(a)(3)(A)-(F).

22. The foregoing professional services performed by FTI were appropriate and necessary to the effective administration of these Chapter 11 Cases. The services were in the best interests of the Committee. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, as well as issues or tasks involved. The professional services were performed in an appropriately expeditious and efficient manner.

23. In accordance with Section 504 of the Bankruptcy Code and Fed. R. Bankr. P. 2016(a), no agreement or understanding exists between FTI and any other person for the sharing of compensation received or to be received for services rendered in or in connection with these cases.

24. No agreement or understanding prohibited by 18 U.S.C. § 155 has been or will be made by FTI.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

25. The services for which FTI seeks compensation in this Application Period were, at the time rendered, necessary for, beneficial to, and in the best interests of, the Committee and the Debtors' estate. The services rendered by FTI were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved. In accordance with the factors enumerated in sections 330 of the Bankruptcy Code, it is respectfully submitted that the amount requested by FTI is fair and reasonable given (a) the complexity of these cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

NO PRIOR REQUEST

26. No prior request for the relief sought in this Interim Fee Application has been made to this or any other court in connection with these Chapter 11 Cases apart from the delivery of the monthly fee statements.

NOTICE

28. Notice of this Interim Fee Application has been provided in accordance with the Interim Fee Order. FTI submits that no other or further notice need be provided.

CONCLUSION

WHEREFORE, FTI respectfully requests that the Court: (i) enter the form of order attached as Schedule 1 granting this Interim Fee Application and authorizing interim allowance of compensation in the amount of \$439,028.00 for professional services rendered on behalf of the Committee; (ii) direct payment by the Debtors of the foregoing amounts; and (iii) grant such other and further relief as the Court deems just and proper.
