III. SUMMARY OF SERVICES RENDERED BY RCD

12. Attached hereto as Exhibits A-1 through A-4 are detailed descriptions of the services performed and expenses incurred by Applicant from October 1, 2025 through January 31, 2026. In summary, Applicant expended 392.60 hours in rendering necessary legal services involving this Chapter 11 proceeding for the period October 1, 2025 through January 31, 2026. The fees total \$199,459.00 for the period October 1, 2025 through January 31, 2026 (consisting of \$72,279.00 for the month of October, 2025; \$52,920.50 for the month of November, 2025; \$35,247.50 for the month of December, 2025 and \$39,012.00 for the month of January, 2026). Applicant further incurred costs in regard to this proceeding in the amount of \$14,922.24 for the period from October 1, 2025 through January 31, 2026 (consisting of \$7,880.24 for the month of October, 2025, \$2,479.42 for the month of November, 2025; \$1,942.38 for the month of December, 2025 and \$2,620.20 for the month of January, 2026). On Exhibit B, RCD has categorized its time by the project categories recommended by the Guidelines for Compensation and Expense Reimbursement of Professionals (the "Compensation Guidelines") referenced in Rule 2016-1 of the Rules of Practice and Procedure of the United States Bankruptcy Court for the Western District of North Carolina (the "Local Rules"). On Exhibit C, RCD has itemized the costs and expenses incurred on behalf of the Debtors that were billed during the Interim Period.

13. RCD believes that its billing rates for the Interim Period for these cases, which reflect RCD's customary billing rates for the years 2025 and 2026, should be deemed "reasonable billing rates" for purposes of this Court's determination of the "reasonableness" of the fees for services rendered.

14. Attached hereto as Exhibit D is a summary of this Applicant's prior fee applications.

15. A summary of the professionals/paraprofessionals that have rendered services to the Debtors, which includes each professional's or paraprofessional's title, hourly rate, total number of hours billed and the fees billed, is attached hereto as Exhibit E.

16. Attached as Exhibit F is a background summary of each professional included in this Application.

17. Attached hereto as Exhibits A-1 through A-4 are RCD's detailed invoices for the Interim Period which show on a daily basis the professionals recording time for these cases, how much time was charged for each professional and a description of the services rendered. Whenever in the attached time records, more than one RCD professional is involved or the RCD professionals show interaction with other professionals for the Debtors, each of the RCD professionals are performing distinct tasks for the Debtors and/or work to effectively and efficiently represent the Debtors. Services are provided for each month of the Interim Period and are divided by category of the task performed. To the extent that charges for services rendered or expenses incurred relate to the Interim Period but were not processed prior to the preparation of, or otherwise included in, this Application, RCD reserves the right to request additional compensation for such services and reimbursement of such expenses in future applications.

18. RCD believes that the services it provided to the Debtors during this Interim Period were necessary to the administration of and beneficial to the Debtors' estates. RCD further believes that the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the task addressed.

IV. DESCRIPTION OF SERVICES RENDERED DURING INTERIM PERIOD

19. As counsel to the Debtors, RCD has assisted the Debtors with a variety of matters in the Debtors' bankruptcy cases, as set forth in the summary description below and in greater detail on Exhibits A-1 through A-4.

20. RCD grouped its services using the eight categories set forth below in accordance with the recommendation of the Compensation Guidelines. Because some services may overlap categories, services pertaining to one category may in fact be included in another category. The services provided are generally described below by category.

RCD also assisted in the coordination and filing of other interim fee applications for the Debtors' professionals, preparation of orders approving the interim fee applications, review of parties' fee requests, and review of supplemental affidavits as needed. RCD assisted in coordination and circulation of other Debtor professionals' monthly compensation statements as well as assisting other case professionals with questions on fee and engagement procedures. RCD assisted Jones Day in analyzing and advising the Debtors regarding questions on professional engagement issues and filing of Ordinary Course Professionals reports. RCD also assisted the Debtors and Jones Day in analyzing certain monthly professional fee requests and analyzing potential objections to such requests. Specifically, RCD had responsibility for analyzing and objecting to certain fee requests of the ACC's financial advisor, FTI, and negotiated and documented a resolution of those objections with FTI. RCD also assisted co-counsel in analyzing issues related to objections to compensation request from another ACC professional, Verus, and assessing proposed resolutions of those disputes. Finally, RCD assisted the Debtors in negotiating an amendment to the Fee Procedure order entered in these cases, which had previously been requested by the Court.

D. Financing and Relief from Stay Proceedings

24. RCD did not provide significant services in this category during the Interim Period.

E. Litigation

25. RCD assisted co-counsel in addressing matters related to certain litigation brought derivatively by the ACC as well as the ACC's litigation seeking substantive

consolidation of the Debtors and certain non-debtor affiliates (collectively, the “Restructuring Litigation”), including in drafting affirmative discovery on the ACC in that litigation and addressing open issues related to ongoing discovery in that litigation. RCD assisted co-counsel in addressing issues related to proposed amendments to the case management order for the Restructuring Litigation, including conducting requested research, assisting in developing strategy for proposed amendments including arguments in opposition to such amendment. RCD further assisted Jones Day and the Debtors in drafting a motion to stay the Restructuring Litigation and reply in support. RCD assisted in the preparation and filing of a joint status report related to the stayed appeal of denial of a motion to lift the automatic stay filed by certain claimants. RCD performed certain research related to the estimation proceeding in these cases at Jones Day’s request and assisted co-counsel in responding to an ACC motion seeking to provide enhanced confidentiality protections to the initial estimation expert reports. RCD also assisted the Debtors and co-counsel in analyzing a proposal by the FCR to commence a two-phase estimation process and assisted in drafting a response to the FCR’s motion seeking such a two-phase process, and in negotiating the form of order granting the FCR’s motion. Finally, RCD assisted the Debtors and Jones Day in drafting a motion seeking discovery from the ACC related to committee governance issues.

F. Plan and Disclosure

26. RCD did not provide significant services in this category during the Interim Period.

G. Claim Administration

As noted above, during the Interim Period, RCD provided services to facilitate the Debtors' discharge of their administrative duties as debtors in possession and to maximize value of the estates for the benefit of creditors, stakeholders and other parties in interest. In addition to the services provided above, RCD responded to numerous inquiries of parties in interest regarding the status of the case. RCD believes that all of these services have helped to ensure the efficient administration of these cases and compliance with the requirements of the Bankruptcy Code.

V. DESCRIPTION OF DISBURSEMENTS AND EXPENSES INCURRED DURING THE INTERIM PERIOD

30. It is RCD's policy with respect to expenses to charge its clients in all areas of practice for expenses incurred in connection with each client's case.
