2. During the Compensation Period, Claro did not receive any payments or promises of payment from any source other than the Debtors for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Applications. No agreement or understanding exists between Claro or any third person for the sharing of compensation, except as allowed by section 504(b) of the Bankruptcy Code and Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) with respect to the sharing of compensation between and among the members of Claro.

Compensation Order, the *Guidelines for Compensation and Expense Reimbursement of Professionals* issued by this Court (the “Compensation Guidelines”), and the Rules of Practice and Procedure of the United States Bankruptcy Court for the Western District of North Carolina (the “Local Rules”).

Background

6. On June 18, 2020 (the “Petition Date”), the Debtors commenced their reorganization cases (the “Chapter 11 Cases”) by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code. These Chapter 11 Cases have been consolidated for procedural purposes only and are being administered jointly.

7. On June 18, 2020, the Debtors filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the “OCP Motion”)³ and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the “Interim Compensation Motion”), each with the Bankruptcy Court. On July 15, 2020, the Bankruptcy Court entered the OCP Order [Dkt. 170] granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the Interim Compensation Order [Dkt. 171] granting the relief requested in the Interim Compensation Motion.

8. Pursuant to paragraph 3(g) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (i.e., greater than \$500,000 during the pendency of these Chapter 11 Cases), then such Ordinary Course Professional shall file a fee application with the Court for any such excess amount in accordance

³ Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, the Compensation Guidelines, and any and all applicable orders of the Court.

Claro also filed a Supplemental Declaration of Ordinary Course Professional on August 7, 2020 [Dkt. 223]. On or about November 23, 2020, Claro's aggregate fees in the Chapter 11 Cases reached and exceeded the \$500,000 aggregate OCP Fee Limit established in the OCP Order, and as a result, is required to file this Application for amounts in excess of such aggregate OCP Fee Limit.

Jurisdiction

10. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue for this matter is proper in this district pursuant to 28 U.S.C. § 1409.

Summary of Services

11. The professional services performed by Claro were necessary and appropriate to the administration of the Debtors' Chapter 11 Cases, as described in detail below and in Exhibit A. These services were in the best interests of the Debtors and other parties in interest. The compensation requested is commensurate with the complexity and nature of the issues and tasks involved.

12. All of the services for which compensation is requested hereunder were rendered at the request of and solely on behalf of the Debtors, and not on behalf of any other entity.

Prior Monthly Fee Statements

13. Pursuant to both the OCP Order and the Interim Compensation Order, Claro has submitted the following monthly fee statements (collectively, the "Prior Monthly Fee

Statements”) to the Debtors for the four months comprising the Compensation Period, each of which is incorporated herein by reference in its entirety.⁴⁵

14. In all, Claro has submitted the Prior Monthly Fee Statements during the Compensation Period for total fees of \$94,561.50 and total expenses of \$600.00. As of the date of this Application, no party has objected to any of Claro’s Prior Monthly Fee Statements.

Compensation by Project Category

The following is a summary of the activities performed by Claro professionals during the Compensation Period, organized by project billing category.⁶

15. **Asbestos Administrative Insurance Support (Combined for both Debtors) – 12.5 hours -- \$4,838.50**

During the Compensation Period, Claro professionals consulted with the Debtors in relation to the Debtors’ asbestos liabilities. The work performed by Claro included the following activities among others:

⁴ Copies of the Prior Monthly Fee Statements are attached hereto collectively as Exhibit A.

⁵ There was a clerical error on the cover page of the December Monthly Fee Statement, which incorrectly stated that total fees incurred were \$7,177.50. The correct total fees for December were \$6,630.00, which is the amount that was submitted to the Debtor and is reflected in this Interim Fee Application. No additional fees were billed to or collected from the Debtor as a result of this clerical error.

⁶ The summary set forth below is qualified in its entirety by reference to the time and services detail attached to each Prior Monthly Fee Statement. Project billing categories for which no time was charged during the Compensation Period are not listed below.

- a) Preparing insurance carrier billings in accordance with the Debtors' historical insurance coverage and related agreements;
- b) Gathering and analyzing data to assist Debtors' quarterly financial reporting;
- c) Addressing the Debtors' and insurers' requests for information as they relate to historical asbestos product spending and claims activity;
- d) Assisting the Debtors by maintaining, tracking, and analyzing historical defense costs; and
- e) Assisting the Debtors' recovery efforts of outstanding asbestos product insurer reimbursements.

16. Insurance Strategy Support (Combined for both Debtors) – 181.5

hours -- \$82,823.00

During the Compensation Period, Claro professionals devoted time consulting with the Debtors' outside counsel and National Coordinating Counsel in relation to the Debtors' asbestos product liabilities. The work performed included (a) gathering and analyzing defense spending data from the Debtors' legal billing software, (b) preparing insurer reimbursement financial analyses, and (c) analyzing insurer coverage in place agreements for reimbursement responsibilities.

17. Clark - Administrative Insurance Support – 1.0 hours -- \$547.50

During the Compensation Period, at the Debtors' request, Claro professionals performed services for Clark on behalf of the Debtors similar to the services described in paragraph 15 above. The work performed by Claro included the following activities among others:

- a) Preparing insurance carrier billings in accordance with historical insurance coverage and related agreements;
- b) Gathering and analyzing data to assist with quarterly financial reporting;

- c) Addressing the Debtors' and insurers' requests for information as they relate to historical asbestos product spending and claims activity;
- d) Assisting the Debtors' recovery efforts of outstanding asbestos product insurer reimbursements.

18. **Chapter 11 Compensation (Combined for both Debtors) – 15.0 hours -
- \$6,352.50**

During the Compensation Period, Claro professionals devoted limited time to (a) reviewing and revising the October 2025 through January 2026 invoices for privilege, to preserve client confidentiality, and to ensure compliance with the Local Rules, (b) drafting, revising, and submitting the Monthly Fee Statements for each such month, and (c) preparing the previous interim fee application. Claro is not seeking compensation from the Debtors for time spent by its in-house counsel in support of these activities. Claro intends to seek compensation in connection with preparing this application at a later date.

Expenses Incurred by Claro

19. Section 330 of the Bankruptcy Code authorizes “reimbursement for actual, necessary expenses” incurred by professionals employed in a chapter 11 case. Accordingly, Claro seeks reimbursement for expenses (“Expenses”) incurred in rendering services to the Debtors during the Compensation Period in the amount of \$600.00. Itemized records detailing the Expenses incurred during the Compensation Period are attached to the Prior Monthly Fee Statements.

Conclusion

20. The fees and expenses requested herein by Claro are billed in accordance with its existing billing rates and procedures in effect during the Compensation Period. Such fees are reasonable based on the customary compensation charged by comparably skilled

practitioners in comparable nonbankruptcy cases in a competitive national market and should be approved on an interim basis pursuant to sections 330 and 331 of the Bankruptcy Code, the OCP Order, the Interim Compensation Order, and the applicable Bankruptcy Rules and Local Rules.

Notice

21. This Application has been served in accordance with the Interim Compensation Order on the Notice Parties, as defined therein. In accordance with the Interim Compensation Order, a notice of opportunity for hearing on this Application in accordance with Local Rule 9013-1(e)(7) has been served on the Notice Parties and all parties that have filed a notice of appearance with the Clerk of this Court and requested such notice. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be provided.

No Prior Request

22. No prior request for the relief sought in this Application has been made to this or any other court.

WHEREFORE, The Claro Group, LLC respectfully requests that, pursuant to sections 330 and 331 of the Bankruptcy Code, the Ordinary Course Professional Order, the Interim Compensation Order, and applicable Bankruptcy Rules and Local Rules, the Court (a) enter an order substantially in the form attached hereto as Exhibit B granting the relief requested herein and (b) grant such other and further relief to The Claro Group, LLC as the Court may deem just and proper.

Case No. 20-30608 (LMJ)

(Jointly Administered)

**NOTICE OF ORDINARY COURSE PROFESSIONAL FEES
OF THE CLARO GROUP, LLC IN EXCESS OF
MONTHLY OCP FEE LIMIT AND AGGREGATE OCP FEE LIMIT**

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 18, 2020, Aldrich Pump LLC and Murray Boiler LLC, as debtors and debtors in possession (together, the "Debtors"), filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion")² and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized By the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020,

¹ The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

² Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

the Bankruptcy Court entered the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 171] (the “Interim Compensation Order”) granting the relief requested in the Interim Compensation Motion.

2. Pursuant to paragraph 3(g) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (i.e., greater than \$500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Court, and any and all applicable orders of the Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the “Authorized Payment”) equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Fee Statement (the “Maximum Payment”) and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

3. The Claro Group, LLC ("Claro") is an Ordinary Course Professional that filed its Declaration of Ordinary Course Professional on July 31, 2020 [Dkt. 199]. Claro also filed a Supplemental Declaration of Ordinary Course Professional on August 7, 2020 [Dkt. 223]. As of November 2020, Claro exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.

4. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Claro's Monthly Statement for November 2025 is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees sought by Claro for the month of November 2025. For services provided in November 2025, Claro has incurred fees totaling \$5,857.00, as well as \$150.00 in requested expense reimbursements.

5. If no Fee Objections are received by the Debtors, Claro, and the other Notice Parties prior to December 30, 2025, the Monthly Statement shall be deemed approved and the OCP Firm may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (\$5,271.30) and 100% of the expenses (\$150.00) for November 2025. Claro will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

6. If a timely Fee Objection is received, any disputed portion of Claro's fees shall be paid only upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

Chapter 11

Case No. 20-30608 (LMJ)

(Jointly Administered)

**NOTICE OF ORDINARY COURSE PROFESSIONAL FEES
OF THE CLARO GROUP, LLC IN EXCESS OF
MONTHLY OCP FEE LIMIT AND AGGREGATE OCP FEE LIMIT**

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 18, 2020, Aldrich Pump LLC and Murray Boiler LLC, as debtors and debtors in possession (together, the "Debtors"), filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion")² and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized By the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020,

¹ The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

² Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

the Bankruptcy Court entered the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 171] (the “Interim Compensation Order”) granting the relief requested in the Interim Compensation Motion.

2. Pursuant to paragraph 3(g) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (i.e., greater than \$500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Court, and any and all applicable orders of the Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the “Authorized Payment”) equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Fee Statement (the “Maximum Payment”) and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

3. The Claro Group, LLC ("Claro") is an Ordinary Course Professional that filed its Declaration of Ordinary Course Professional on July 31, 2020 [Dkt. 199]. Claro also filed a Supplemental Declaration of Ordinary Course Professional on August 7, 2020 [Dkt. 223]. As of November 2020, Claro exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.

4. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Claro's Monthly Statement for January 2026 is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees sought by Claro for the month of January 2026. For services provided in January 2026, Claro has incurred fees totaling \$54,053.00, as well as \$150.00 in requested expense reimbursements.

5. If no Fee Objections are received by the Debtors, Claro, and the other Notice Parties prior to March 16, 2026, the Monthly Statement shall be deemed approved and the OCP Firm may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (\$48,647.70) and 100% of the expenses (\$150.00) for January 2026. Claro will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

6. If a timely Fee Objection is received, any disputed portion of Claro's fees shall be paid only upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.
