Case No. 25-12177 (LSS)

(Jointly Administered)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

General

Apple Tree Life Sciences, Inc. ("ATLS"), and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors"), are filing their respective *Schedules of Assets and Liabilities* (each, a "Schedule," and collectively, the "Schedules") and *Statements of Financial Affairs* (each, a "Statement," and collectively with the Schedules, the "Schedules and Statements") with the United States Bankruptcy Court for District of Delaware (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code"), rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rule 1007-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the "Local Rules").

These global notes and statements of limitations, methodology and disclaimers regarding the Debtors' Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to, and referenced in connection with, any review of the Schedules and Statements.²

The Schedules and Statements are unaudited and reflect the Debtors' reasonable efforts to report certain financial information of each Debtor on a stand-alone, unconsolidated basis. These Schedules and Statements neither purport to represent financial statements prepared in

¹ The Debtors in these chapter 11 cases, together with the last four digits of each Debtor's federal tax identification number include: Apple Tree Life Sciences, Inc. (4506); ATP Life Science Ventures, L.P. (8224); ATP III GP, Ltd. (6091); Apertor Pharmaceuticals, Inc. (3161); Initial Therapeutics, Inc. (2453); Marlinspike Therapeutics, Inc. (4757); Red Queen Therapeutics, Inc. (8563); Evercrisp Biosciences, Inc. (4437); Nine Square Therapeutics, Inc. (4503); and Nereid Therapeutics Incorporated (8493). The location of the Debtors' service address in these chapter 11 cases is 230 Park Avenue, Suite 2800, New York, NY 10169.

² These Global Notes supplement, and are in addition to, any specific notes contained in each Debtor's Schedules or Statements. The fact that the Debtors prepared these Global Notes with respect to any of the individual Debtor's Schedules and Statement and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors' other Schedules and Statements, as appropriate.

accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that were available at the time of such preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. Accordingly, the Debtors and their directors, managers, officers, agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein or the Schedules and Statements. In no event shall the Debtors or their directors, managers, officers, agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their directors, managers, officers, agents, attorneys, and financial advisors are advised of the possibility of such damages.

The Schedules and Statements have been signed by Perry M. Mandarino, the Debtors’ Chief Restructuring Officer. Mr. Mandarino is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Mandarino relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors’ advisors and other professionals. Given the scale of the Debtors’ businesses, Mr. Mandarino has not (and practically could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtors. The Debtors reserve their right to amend the Schedules and Statements from time-to-time as may be necessary or appropriate; provided, that the Debtors, their agents, and their advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein or to notify any third party should the information be updated, modified, revised, or recategorized, except to the extent required by applicable law.

The Schedules, Statements, and Global Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors.

Global Notes and Overview of Methodology

1. **Description of the Cases.** The Debtors commenced these voluntary cases under chapter 11 of the Bankruptcy Code on December 9 and 15, 2025 and January 1 and 15, 2026 (collectively, the “Petition Dates,” and each, a “Petition Date”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Bankruptcy Rule 1015(b). *See* Docket Nos. 69, 178 & 200. On January 20, 2026, the United States Trustee for the District of Delaware (the “U.S. Trustee”) appointed an Official Committee of Unsecured Creditors pursuant to section 1102(a)(1) of the Bankruptcy Code (the “UCC”) [Docket No. 194]. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed, or will file, its own Schedules and Statements.

2. **Global Notes Control.** Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments. In the event that the Schedules or Statements differ from any of the Global Notes, the Global Notes shall control.

3. **Reservation of Rights.** Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate but do not undertake any obligation to do so, except as required by applicable law. Nothing contained in the Schedules, Statements, or Global Notes shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
 - a. **No Admission.** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against any Debtors, any assertion made therein or herein, or a waiver of any of the Debtors’ rights to dispute any claim or assert any cause of action or defense against any party.

 - b. **Claims Listing and Descriptions.** The listing of a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules and Statements accordingly. Any failure to designate a claim listed on the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve the right to dispute and to assert

- setoff rights, counterclaims, and defenses to any claim reflected on their Schedules and Statements on any grounds, including, but not limited to, amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.”
- c. Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, due to the complexity of the Debtors’ businesses, the Debtors may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired post-petition.
- d. Classifications.** The listing of a claim (i) on Schedule D as “secured,” (ii) on Schedule E/F as either “priority,” or “unsecured priority,” or (iii) listing a contract or lease on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection or otherwise. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors’ assets in which such creditors may have a security interest has been undertaken. Except as provided in an order of the Court, the Debtors reserve all rights to dispute and challenge the secured nature or amount of any such creditor’s claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor’s claim.
- e. Estimates and Assumptions.** To prepare these Schedules and Statements and report information on a legal entity basis, the Debtors were required to make certain reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities as of the Petition Date. Actual results could differ from such estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.
- f. Causes of Action.** Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any claim, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power, privilege, license, lien, indemnity, guaranty, interest, damage, remedy, cause of action, proceeding, agreement, or franchise of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-

contingent, liquidated or unliquidated, secured or unsecured, assertable, directly or derivatively, matured or unmatured, suspected or unsuspected, whether arising before, on, or after the Petition Date, in contract, in tort, at law, in equity, or otherwise. Causes of action also include: (a) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law or in equity; (b) any claim based on or relating to, or in any manner arising from, in whole or in part, tort, breach of contract, breach of fiduciary duty, violation of local, state, federal, or foreign law, or breach of any duty imposed by law or in equity, including, without limitation, securities laws, negligence, and gross negligence; (c) the right to object to or otherwise contest claims or interests; (d) claims pursuant to sections 362 or chapter 5 of the Bankruptcy Code; (e) such claims and defenses as fraud, mistake, duress, and usury, and any other defenses set forth in section 558 of the Bankruptcy Code; and (f) any avoidance actions arising under chapter 5 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including, without limitation, fraudulent transfer laws, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions, or in any way prejudice or impair the assertion of such claims or causes of action.

g. Intellectual Property Rights. Exclusion of certain intellectual property on the Statements and Schedules shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property on the Statements and Schedules shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

h. Insiders. The Debtors have attempted to include all payments made on or within twelve months before the Petition Date to any individual (and their relatives) or entity who, in the Debtors' good faith belief, may be deemed an "insider" as set forth in section 101(31) of the Bankruptcy Code. As to each Debtor, an individual or entity is designated as an "insider" for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to dictate corporate policy and the disposition of corporate assets.

The listing or omission of a party as an "insider" for the purposes of the Schedules and Statements is for informational purposes and is not intended to be nor should be construed as an admission that those parties are insiders for purposes of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities listed as insiders in the Schedules and Statements may not be used for: (a) the

purposes of determining (i) control of the Debtors; (ii) the extent to which any individual or entity exercised management responsibilities or functions; (iii) corporate decision-making authority over the Debtors; or (iv) whether such individual or entity (or the Debtors) could successfully argue that they are not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (b) any other purpose. Furthermore, certain of the individuals or entities identified as insiders may not have been insiders for the entirety of the twelve-month period before the Petition Date. The Debtors reserve all rights with respect thereto.

4. **Methodology**

- a. **Basis of Presentation.** These Schedules and Statements neither purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the proper Debtor entity. However, due to limitations within Debtors' accounting systems, it is possible that not all assets, liabilities or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

Given, among other things, the uncertainty surrounding the collection, ownership, and valuation of certain assets and the amount and nature of certain liabilities, a Debtor may report more assets than liabilities. Such report shall not constitute an admission that such Debtor was solvent on the Petition Date or at any time prior to or after the Petition Date. Likewise, a Debtor reporting more liabilities than assets shall not constitute an admission that such Debtor was insolvent on the Petition Date or at any time prior to or after the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

- b. **Reporting Date.** Unless otherwise noted, the Schedules and Statements generally reflect the Debtors' books and records as of the applicable Petition Date.
- c. **Confidentiality or Sensitive Information.** There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to concerns about the privacy of the Debtors' employees and vendors (*e.g.*, home addresses). The alterations will be limited to only what is necessary to protect the Debtor or the applicable third party. The Debtors may also be authorized or required to redact certain information from the public record pursuant to orders of the Court authorizing the Debtors to redact, seal, or otherwise protect such information from public disclosure.

- d. **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
- e. **Net Book Value of Assets.** In many instances, current market valuations are not maintained by or readily available to the Debtors. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all assets. As such, unless otherwise indicated, net book values are as of the Petition Date. When necessary, the Debtors have indicated that the value of certain assets is "Unknown" or "Undetermined." The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtors reserve all rights to amend, supplement, and adjust the asset values set forth in the Schedules and Statements. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. Nothing in the Debtors' Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date or any time prior to the Petition Date.
- f. **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated.
- g. **Payment of Prepetition Claims Pursuant to Payment Orders.** Following the Petition Date, the Court entered various orders authorizing the Debtors to, among other things, pay certain prepetition claims, including without limitation: insurance obligations; employee wages, salaries, and related items (including, but not limited to, employee benefit programs and contractor wage obligations); and other obligations (collectively, the "Payment Orders"). Accordingly, certain of these liabilities may have been, or will be, satisfied in accordance with the Payment Orders. Where the Schedules list creditors and set forth the Debtor's scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date. The Debtors reserve the right to amend and/or supplement the Schedules and Statements to reflect payments made pursuant to an order of the Court.
- h. **Other Paid Claims.** To the extent the Debtors have reached any post-petition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is

necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

- i. **Leases.** Nothing in the Schedules and Statements is, or shall be construed to be, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease, a financing arrangement, or a real property interest), and the Debtors reserve all rights with respect to such issues.
- j. **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics', materialmen, or similar liens that may attach (or have attached) to such inventories, property, and equipment, and the Debtors reserve all of their rights with respect to such liens (if any).
- k. **Allocation of Liabilities.** The Debtors, in consultation with their advisors, have sought to allocate liabilities between the prepetition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-petition periods may change. The Debtors reserve the right to amend and/or supplement the Schedules and Statements as they deem appropriate in this regard.
- l. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as "unknown" or "undetermined." If there are unknown or undetermined amounts, the actual totals may be materially different from the listed totals. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.
- m. **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."
- n. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, and taxes are listed as the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors or (ii) be net of accrued credits, allowances, rebates, trade debits, or other adjustments that are actually owed by a creditor to the Debtors on a post-petition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and post-petition payments, if applicable. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including but not limited to, the right to assert claims objections and/or setoffs with respect to the same.

- o. Claims of Third-Party Related Entities.** While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations thereto. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

Notes Specific to Schedules of Assets and Liabilities

Schedule A/B: Assets

Part 1 – Cash and Cash Equivalents

- (a) **Question 3 – Checking, Savings, Money Market, or Financial Brokerage Accounts.** Schedule A/B 3 lists bank account balances as of the applicable Petition Date. Further details with respect to the Debtors' cash management system and bank accounts are also provided in the *Final Order (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and (B) Honor Certain Pre-Petition Obligations Related Thereto, and (II) Granting Related Relief* [Docket No. 189] and the *Order (I) Directing Joint Administration of Additional Chapter 11 Cases and (II) Extending Certain Relief Granted to the Original Debtors* [Docket No. 200].

Part 2 – Deposits and Prepayments

- (a) **Question 7 – Deposits.** The Debtors may have inadvertently omitted deposits and conversely may have reported deposits that are no longer outstanding. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if deposits are incorrectly identified.
- (b) **Question 8 – Prepayments.** The Debtors are required to make prepayments from time to time with various vendors, landlords, and service providers as part of the ordinary course of business. These prepayments are disclosed on A/B 8 as "Prepaid Expenses" and/or "Prepaid R&D." Certain prepayments may be reflected on an amortized basis to the extent recorded in the Debtors' books and records as such.

Part 7 – Office furniture, fixtures, and equipment. The Debtors track fixed assets and depreciation in a fixed asset system connected within its accounting system. Generally, fixed asset descriptions may include very broad descriptions (e.g., "Lab Equipment"), may include a vendor name in lieu of an asset description, may have multiple line items associated with a single asset if multiple general ledger transactions occurred for a single asset, or may combine multiple assets into one line item on the Schedules and Statements. Assets have been categorized based on the Debtor's general ledger asset classifications and categorizations included in the company's reconciliations of the fixed asset accounts. The current value of furniture is listed as undetermined because it has not been recently appraised.

Part 10 – Intangibles and Intellectual Property. Patents, trademarks, and other intellectual property are listed on Schedule A/B, Part 10. Considering book values of intangible assets such as patents, trademarks, copyrights, and other intangibles may materially differ from their fair market values, they may be listed as “Undetermined” amounts. Further, it would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtor to obtain current market valuations for these assets.

Part 11 – All Other Assets

- (a) Question 73 – Interests in Insurance Policies or Annuities. A list of the Debtor’s insurance policies can be found in the *Debtors’ Motion for Entry of an Order (I) Authorizing the Debtors to (A) Pay Their Obligations Under Prepetition Insurance Policies, (B) Continue to Pay Certain Brokerage Fees, (C) Renew, Supplement, Modify or Purchase Insurance Coverage, and (II) Granting Related relief* [Docket No. 106], the *Debtors’ Motion for an Order (I) Directing Joint Administration of Additional Chapter 11 Case and (II) Extending Certain Relief Granted to the Original Debtors* [Docket No. 162], and the *Notice of Supplemental Schedule of Insurance Policies* [Docket No. 256]. Accordingly, the Debtors have not duplicated such information in Schedule A/B 73.
- (b) Question 75 – Other Contingent and Unliquidated Claims or Causes of Action. The Debtor made diligent efforts to list known Causes of Action against third parties. Potential avoidance actions arising under chapter 5 of the Bankruptcy Code and certain actions under other relevant non-bankruptcy laws to recover assets were not listed. The Debtor is in the process of investigating available Causes of Action and the investigation is not complete. The list therefore includes only Causes of Action known by the Debtor as of the date hereof, and excludes potential Causes of Action that may be identified in the future. The Debtor’s failure to list any Cause of Action is not an admission that such Cause of Action does not exist, and should not be construed as a waiver of such Cause of Action. Because certain of these Causes of Action are contingent or unknown to the Debtor and not quantifiable as of the Petition Date, they may be listed as “Undetermined” on Schedule A/B, Part 11. The Debtors’ rights with respect to all Causes of Action against third parties are expressly reserved.
- (c) Question 77 – Other Property of Any Kind not Already Listed. The receivables included on A/B-77 reflect balances as of the applicable Petition Date. The listing by the Debtors of any claim between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor’s books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such claim. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or otherwise. The Debtors and all parties in interest reserve all rights with respect to such claims.

Schedule D: Creditors Who Have Claims Secured by Property

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. Further, the listing of a claim as secured is not an admission as to the validity of any lien. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable lease agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

The "Amount of Claim" listed in Column A of Schedule D for certain Debtors may differ from the amount(s) listed in Debtor ATP Life Science Ventures, L.P.'s Schedule A/B 71 due to the different Petition Dates for the applicable Debtors.

Schedule E/F: Creditors Who Have Unsecured Claims

The liabilities identified in Schedule E/F, Part 2, are derived from the Debtors' books and records. The Debtors made reasonable attempts to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. The amounts listed on schedule E/F may not reflect any right of setoff or recoupment, and the Debtors reserve any such setoff or recoupment rights. Some of the scheduled liabilities may be unknown, contingent and/or unliquidated at this time. In such cases, the amounts may be listed as "Undetermined." Accordingly, the Schedules and the Statements may not equal the aggregate value of the Debtors' total liabilities as noted on any previously issued financial statements.

In addition to nonpriority unsecured claims by third-party claimants, intercompany payables between and among the Debtors and non-Debtor affiliates are also reported on Schedule E/F, Part 2. The intercompany claims/listing of payments to affiliates are for general services and the payment for/of services under pre-existing agreements, with the exception of the \$1,000,000.00 payment from Nereid Therapeutics Incorporated to Marlinspike Therapeutics, Inc., which was for the reimbursement of COBRA expenses.

Schedule G: Unexpired Leases and Executory Contracts

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments,

restatements, waivers, estoppels, certificates, letters, memoranda or other documents, instruments and agreements that may not be listed on Schedule G, despite the Debtor's use of reasonable efforts to identify such documents. Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights, which are not set forth separately on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of business, such as subordination, non disturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the executory contracts may not have been memorialized and may be subject to dispute. Certain of the executory contracts or unexpired leases listed in Schedule G may include one or more ancillary documents, including but not limited to any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals and partial releases. Executory contracts that are oral in nature, if any, have not been included on Schedule G. To the extent the Bankruptcy Court determines a particular contract is executory, the Debtor will amend Schedule G to add that contract, as necessary or appropriate.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.
