The above-captioned wind-down debtor (the "Wind-Down Debtor" and prior to the Effective Date,² the "Debtor") represents as follows in support of this objection (the "Objection") to the Non-GUC portion of a claim filed by Dorman Products ("Dorman"), and submits the Declaration of Susanne Edwards in Support of the Wind-Down Debtor's Objection to the Non-GUC Portion of Proof of Claim No. 439 Filed by Dorman Products attached hereto as Exhibit A (the "Edwards Declaration"):

Relief Requested

1. The Wind-Down Debtor seeks entry of the proposed order (the "Order"), pursuant to § 502(b) of the Bankruptcy Code and Rule 3007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") reclassifying in part, and disallowing in part, the non-general unsecured portion of Claim No. 439 filed by Dorman Products (the non-general unsecured ("Non-GUC") portion being the "Objected Claim"). This Objection does not object to any portion of the general unsecured claim filed by Dorman or any portion of the Objected Claim that may become a general unsecured claim by virtue of this Objection, and all rights are reserved by the GUC Trustee to do so on any grounds.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Debtors confirms its consent to the entry of a final

order by the Court in connection with this Objection.

- 3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
- 4. The bases for the relief requested herein are sections 105(a) and 502(b) of title 11 of the United States Code (the "Bankruptcy Code"), Bankruptcy Rule 3007, and rules 3007-1 and 9013-1 of the Bankruptcy Local Rules for the Southern District of Texas (the "Bankruptcy Local Rules").

Background

- 5. On January 31, 2023 (the "<u>Petition Date</u>"), the Debtor and each of its affiliates (collectively, the "<u>Debtors</u>" and after the Effective Date, the "<u>Wind-Down Debtors</u>") filed their respective voluntary petitions for relief under Chapter 11 of the Bankruptcy Code, commencing the above captioned, jointly administered chapter 11 cases.
- 6. On March 13, 2023, the Court entered its *Order (I) Setting Bar Dates for Filing Proofs of Claim, Including Requests for Payment under Section 503(b)(9), (II) Establishing Amended Schedules Bar Date and Rejection Damages Bar Date, (III) Approving the Form of and Manner for Filing Proofs of Claim, Including Section 503(b)(9) Requests, and (IV) Approving Notice of Bar Dates [Docket. No. 222]³ (the "Bar Date Order"), establishing the following deadlines: (i) May 1, 2023, as the deadline for filing proofs of claim (the "General Bar Date"); and (ii) July 31, 2023, as the deadline for claims asserted by governmental units (the "Governmental Bar Date" and together with the General Bar Date, the "Bar Dates"). Written notice of the Bar Dates was mailed to, among others, to all creditor and other known holders of claims against the Debtors, to all parties requesting notice in these bankruptcy cases, and all entities that filed a Proof of Claim in these Cases as of the date of the Bar Date Order.*

³ Unless otherwise indicated, all docket references in this Objection refer to the docket of *In re IEH Auto Parts Holding, LLC*, et al., Case No. 23-90054 (Jointly Administered) (Bankr. S.D. Tex.) (CML).

- 7. On March 31, 2023, each of the Debtors filed its respective *Schedule of Assets and Liabilities and Statement of Financial Affairs*, as each may have been amended from time to time [Docket Nos. 292–318].
- 8. On June 16, 2023, the Court entered the *Order Confirming the Third Amended Combined Disclosure Statement and Joint Plan of Liquidation of IEH Auto Parts Holding LLC and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (the "Confirmation Order") [Docket No. 749], confirming the Debtors' *Amended Chapter 11 Plan* (the "Plan") [Docket No. 738]. On October 6, 2023, the Plan went effective (the "Effective Date").
- 9. The Plan bifurcated the claim reconciliation process. On the one hand, the GUC Trustee was appointed to oversee the GUC Claim Reconciliation in accordance with the Plan. *See* Plan, Art. VII. On the other hand, the Plan Agent was appointed to serve as the trustee and administrator overseeing the wind down and dissolution of the Debtors and their Estates, including overseeing the reconciliation of Non-GUC Claims. *See id.* Non-GUC Claims means all claims other than General Unsecured Claims, including 503(b)(9) claims. *See id.* at Art. I. 88. So, pursuant to the Plan, the Debtors shall continue in existence for the purpose of resolving Claims that are not General Unsecured Claims and otherwise administering the Plan. *See id.* at Art. IV.A.2.
- 10. In the ordinary course of business, the Debtors maintained books and records that reflect the Debtors' liabilities and amounts owed to their creditors. The books and records were subsequently maintained after the commencement of these Cases. The Debtors and their financial advisors (collectively, the "Reviewing Parties") analyzed their books and records to determine the validity of the proofs of claim. In addition to reviewing the Debtors' books and records, the Reviewing Parties have been working diligently to review the proofs of claim, including any supporting documentation.

11. Based on examination of the claims, their supporting documentation, and the Claims Register, the Wind-Down Debtor believes the Objected Claim described in this Objection should be reclassified in part, and disallowed in part, as set forth herein.

A. The Dorman Claim.

12. On April 25, 2023, Dorman Products filed the Objected Claim against IEH Auto Parts, LLC. The Objected Claim asserts a Non-GUC portion of the claim in the amount of \$535,304.16 for the alleged value of goods received by the debtor within 20 days before the commencement of the Debtors' cases, in which the goods had been sold to the Debtors in the ordinary course of the Debtors' business pursuant to 11 U.S.C. § 503(b)(9). *See* Proof of Claim No. 439. A copy of the Objected Claim is attached hereto as **Exhibit B**.

B. The Objected Claim Review and Reconciliation Process.

- 13. There were approximately 130 non-general unsecured claims filed by the Bar Date. Most of those claims contained § 503(b)(9) administrative claim designations. Since the Effective Date, the Wind-Down Debtor has diligently reviewed all aspects the non-general unsecured claims. Those efforts included confirming dates of goods receipt, what goods were received, the value of those goods, whether the Debtors physically received those goods, and whether there are any just offsets that should be applied. This included an in-depth review of the Objected Claim by the Reviewing Parties, which uncovered a large variance in what was claimed and what the Wind-Down Debtor believes is owed as a Non-GUC claim. As such, the Wind-Down Debtor does not believe that it is liable to pay the Non-GUC portion of the Objected Claim.
- 14. There are two main categories of variance between what should be classified as a § 503(b)(9) claim according to the Debtor's books and records and what was asserted in the Objected Claim. *First*, the invoices contained goods which were delivered to the Debtor outside the 20-day §503(b)(9) window. *Second*, a portion of the Objected Claim is subject to a dollar-for-

dollar setoff based on contractually owed cash rebates, often referred to as "vendor support funds." The Wind-Down Debtor will address each of these categories in further detail.

- 15. Goods Outside the 20-day §503(b)(9) Window. Section 503(b)(9) provides that, after notice and a hearing, the bankruptcy court shall allow, as an administrative expense, "the value of any goods received by the debtor within 20 days before the date of commencement of a case under this title in which the goods have been sold to the debtor in the ordinary course of the debtor's business." 11 U.S.C. § 503(b)(9). Administrative expenses receive priority over other unsecured claims pursuant to § 507(a)(2). To receive such priority, a creditor must demonstrate that: (1) the goods in question were received by the debtor within 20 days before the petition date, (2) the goods were sold to the debtor, and (3) the goods were sold in the ordinary course of business. *Id*.
- 16. The Petition Date is January 31, 2023. The 20-day § 503(b)(9) window is January 11 through January 30, 2023. Based on the supporting data filed with the Objecting Claim, and other documents received from Dorman, invoices totaling \$380,421.38 were on account of goods received prior to January 11, 2023. Because those goods were received outside the 20-day § 503(b)(9) window, the related amounts totaling \$380,421.38 should be reclassified to a general unsecured claim. Therefore, the Wind-Down Debtors believe the maximum Non-GUC portion of the Objected Claim that is properly asserted as a § 503(b)(9) is \$154,882.78. This number is subject to further deductions as explained below.
- 17. <u>Vendor Support Funds</u>. A common term in vendor agreements in the Debtor's industry relates to different types of obligations requiring the trade vendor to provide a discount, cash rebate, or other consideration to the Debtor in exchange for purchasing, stocking, marketing, or engaging in another action related to that vendor's goods. These terms are contractual and are

usually found in vendor agreements with vendors who the Debtor engaged in a high volume of business with. They often take the form of a flat discount across a specific product line, or a cash payment or rebate obligation based on a % of all sales of that vendor's goods. They are often accrued and paid on a quarterly basis. In the Debtor's industry, these terms are collectively referred to as vendor support funds ("<u>VSF</u>").

- 18. Upon information and belief, the Debtor and Dorman were counterparties to a certain vendor agreement that contained VSF obligations in favor of the Debtor. Prior to the Effective Date, the Debtor calculated what it believed to be owed. By the Wind-Down Debtor's calculation based on the Wind-Down Debtor's books and records, Dorman owes at least \$658,818.00 to the Wind-Down Debtors based on accrued pre-petition VSF. The Debtor reserves the right to seek setoff for Q1 2023 VSF following discovery and further review.
- 19. The Wind-Down Debtor is entitled to a dollar-for-dollar setoff for all VSF amounts owed. The Wind-Down Debtors right to setoff is specifically reserved by the Debtors and the Plan Agent on behalf of the Wind-Down Debtor. *See* Plan Articles III.D. and VI.K. As such, at least \$658,818.00 of the Objected Claim is not owed by the Wind-Down Debtor and should be disallowed. If VSF obligations remain after all lawful setoffs from Non-GUC portions of the Objected Claim, all rights are reserved for the GUC Trustee to use the remainder to seek further setoff against the general unsecured portions.

Objection

20. A filed proof of claim is deemed allowed, unless a party in interest objects. 11 U.S.C. § 502(a). *See also* Fed. R. Bankr. P. 3001(f) ("A proof of claim executed and filed in accordance with these rules shall constitute *prima facie* evidence of the validity and amount of the claim."). Further, section 502(b)(1) of the Bankruptcy Code provides that the court "shall determine the amount of such claim ... as of the date of the filing of the petition, and shall allow

such claim in such amount, except to the extent that—such claim is unenforceable against the debtor and the property of the debtor ..." 11 U.S.C. § 502(b)(1).

- 21. A properly executed and filed proof of claim constitutes *prima facie* evidence of the validity and the amount of the claim under § 502(a) of the Bankruptcy Code. *See* Fed. R. Bankr. P. 3001(f). Whether a claim is allowable "generally is determined by applicable nonbankruptcy law." *In re W.R. Grace & Co.*, 346 B.R. 672, 674 (Bankr. D. Del. 2006).
- A proof of claim loses the presumption of *prima facie* validity under Bankruptcy Rule 3001(f) if an objecting party refutes at least one of the allegations that are essential to the claim's legal sufficiency. *See, e.g., In re Fidelity Holding Co., Ltd.*, 837 F.2d 696, 698 (5th Cir. 1988). Once an allegation is refuted, the burden reverts to the claimant to prove the validity of its claim by a preponderance of the evidence. *See id.* Despite this shifting burden during the claim objection process, "the ultimate burden of proof always lies with the claimant." *Id.*
- 23. Through this Objection, the Debtors have refuted at least one of the allegations that are essential to the Objected Claim's legal sufficiency. The Objected Claim is not entitled to *prima* facie validity, as it fails to consider the 20-day window and VSF issues identified above, resulting in an overstatement of what is owed pursuant to § 503(b)(9). All issues can be identified on the Objected Claim's supporting documentation and are expounded on in the Edwards Declaration.
- 24. Accordingly, the Objected Claim lacks *prima facie* validity, and the Court cannot treat the Objected Claim as establishing a right to payment from the Wind-Down Debtor. The Wind-Down Debtor respectfully requests the following:
 - a. \$380,421.38 of the Objected Claim related to goods that were on account of goods received outside the 20-day § 503(b)(9) window should be reclassified as a general unsecured claim, with all rights reserved for the GUC Trustee to

- review and object to any general unsecured amount for any reason, including any amounts reclassified herein (with the GUC Trustee rights further reserved as set out in the Order);
- \$658,818.00 of the Objected Claim related to VSF amounts owed should be disallowed;
- c. Any portion of the VSF not used to setoff the Non-GUC Claim to be reserved for setoff by the GUC Trustee.

Reservation of Rights

- 25. This Objection is limited to the grounds stated herein. It is without prejudice to the rights of the Wind-Down Debtor, the GUC Trustee, or any other party in interest to object to the Claim on any additional grounds. The Wind-Down Debtor expressly reserves all further substantive or procedural objections it may have. Nothing contained herein or any actions taken pursuant to such relief is intended or should be construed as: (a) an admission as to the validity of any prepetition claim against Debtors; (b) a waiver of any party's right to dispute any prepetition claim on any grounds, including the rights of the Debtor, GUC Trustee, and the Plan Administrator on behalf of the Wind-Down Debtor; (c) a promise or requirement to pay any prepetition claim; (d) an implication or admission that any particular claim is of a type specified or defined in this objection or any order granting the relief requested by this Objection; (e) a request or authorization to assume any prepetition agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (f) a waiver of Debtor's, Wind-Down Debtor's, or GUC Trustee's rights under the Plan, Bankruptcy Code, or any other applicable law.
- 26. If the Objected Claim is not reduced on the grounds asserted herein, the Wind-Down Debtor hereby reserves all rights to further object to the Objected Claim, or any amended claim, on any other grounds. Additionally, the Wind-Down Debtor expressly reserves all rights to

amend, modify, or supplement the objections asserted herein and to file additional objections to the Objected Claim.

Notice

27. Notice of this Objection has been provided to Dorman in accordance with the Bankruptcy Rules. The Wind-Down Debtor submits that such notice is sufficient and proper under the circumstances, and that no other further notice is requested.

WHEREFORE, the Wind-Down Debtor respectfully requests that the Court enter the Order (i) sustaining the Objection in its entirety, (ii) reclassifying in part, disallowing in part, and allowing in part the Non-GUC portion of the Objected Claim as requested herein, and (iii) granting such other and further relief as is just and proper under the circumstances.

DECLARATION OF SUSANNE EDWARDS IN SUPPORT OF WIND-DOWN DEBTOR'S OBJECTION TO THE NON-GUC PORTION OF PROOF OF CLAIM NO. 439 FILED BY DORMAN PRODUCTS

- I, Susanne Edwards, hereby declare that the following is true to the best of my knowledge, information, and belief:
- 1. I was an Assistant Vice President of Finance for Debtor IEH Auto Parts, LLC prior to the Debtors' wind down pursuant to these chapter 11 cases. I have been retained by the Wind-Down Debtor to assist with the Non-GUC Claim reconciliation process. I have more than 25 years of experience as a certified public accountant.
- 2. In my role as Assistant Vice President of Finance, I became familiar with the Debtors' day-to-day operations, financing arrangements, business affairs, and accounting software that reflects, among other things, the Debtors' liabilities. I have read the *Wind-Down Debtor's Objection to the Non-GUC Portion of Proof of Claim No. 439 Filed by Dorman Products* (the "Objection")² and I have reviewed the Objected Claim and related exhibits.

¹ The Wind-Down Debtor's service address is: 5330 Carmel Crest Lane, Charlotte, North Carolina 28226. All pleadings related to these chapter 11 cases may be obtained from the website of the Wind Down Debtor's claims and noticing agent at https://www.kccllc.net/autoplus.

² Capitalized terms used but not otherwise defined herein shall have the same meaning ascribed to them in the Objection.

- 3. I believe the assertions made in the Objection are accurate. I reviewed the claims register, the Objected Claim, as well as any supporting documentation provided by the claimant and the Wind-Down Debtor's books and records and determined that the Objected Claim should be reclassified in part and disallowed in part as requested in the Objection.
- 4. For the Objected Claim, there are main reasons for reduction and disallowance. First, a portion of the Objected Claim is related to goods that were delivered outside of the 20-day window prior to the January 31 petition date. Second, there were large amounts of VSF owed to the Debtor, which should be setoff with the amounts claimed in the Objected Claim.

I. Goods Delivered Outside the 20-Day Window

5. I reviewed the date of invoices submitted with the Objected Claim. The claim included 44 invoices ranging from 1/2/2023 through 1/10/23. Based on the supporting data filed with the Objecting Claim, invoices totaling \$380,421.38 were on account of goods received and invoiced prior to January 11, 2023.

II. Vendor Support Funds

6. A common term in vendor agreements in the Debtor's industry relates to different types of obligations requiring the trade vendor to provide a discount, cash rebate, or other consideration to the Debtor in exchange for purchasing, stocking, marketing, or engaging in another action related to that vendor's goods. These terms are contractual and are usually found in vendor agreements with vendors who the Debtor engaged in a high volume of business with. They often take the form of a flat discount across a specific product line, or a cash payment or rebate obligation based on a % of all sales of that vendor's goods. They are often accrued and paid on a quarterly basis. In the Debtor's industry, these terms are collectively referred to as vendor support funds ("VSF").

Case 23-90055 Document 269 Filed in TXSB on 02/28/25 Page 16 of 64

7. Based on the Debtor's books and records, I believe that the Debtor and Dorman

were counterparties to a certain vendor agreement that contained VSF obligations in favor of the

Debtor. The Debtor has previously calculated and notified each claimant what it believed to be

owed. By the Wind-Down Debtor's calculation based on the Wind-Down Debtor's books and

records, Dorman owes at least \$658,818.00 to the Wind-Down Debtors based on VSF accrued

prepetition.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the facts set forth in

the foregoing declaration are true and correct to the best of my knowledge, information and

believe as of the date hereof.
