This Objection seeks to disallow certain proofs of claim. Claimants receiving this Objection should locate their names and claims on Schedules 1-4 to the Order attached to this Objection.

The above-captioned wind-down debtor (the “Wind-Down Debtor” and prior to the Effective Date,² the “Debtor”) represents as follows in support of this omnibus claims (the “Objection”), and submits the *Declaration of Susanne Edwards in Support of the Wind-Down Debtor’s Amended Sixth Omnibus Objection to Certain Proofs of Claim (Assigned Contract Claims, Amended Claims, Untimely Claims, No Liability Claims, and Satisfied Claims)* attached hereto as Exhibit A (the “Edwards Declaration”):

Relief Requested

1. The Wind-Down Debtor seeks entry of the proposed order (the “Order”), pursuant to § 502(b) of the Bankruptcy Code (defined herein), Rule 3007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and the Objection Procedures (as defined herein):

- i. disallowing each proof of claim identified on Schedule 1 to the Order (collectively, the “Assigned Contract Claims”) because the Wind-Down Debtor has determined that each Assigned Contract Claim was satisfied or released during these chapter 11 cases in connection with the assumption of a contract or lease pursuant to the Plan or a Court order as identified on Schedule 1;
- ii. disallowing each proof of claim identified on Schedule 2 to the Order (collectively, the “Untimely Claims”), because each such claim was untimely filed;
- iii. disallowing the proofs of claim identified on Schedule 3 to the

² Capitalized terms used but not defined herein have the meanings given to them in the Plan (defined below).

Order (collectively, the “No Liability Claims”) because the Wind-Down Debtor does not believe it is liable for such No Liability Claim; and

- iv. disallowing the proofs of claim identified on Schedule 4 to the Order (collectively, the “Satisfied Claims”) because the Wind-Down Debtor believes that such Satisfied Claims have been satisfied during these chapter 11 cases in accordance with the Bankruptcy Code, any applicable rules, court order, or in the ordinary course of business.

2. In support of this Objection to the Assigned Contract Claims, the Untimely Claims, the No Liability Claims, and the Satisfied Claims (each, an “Objected Claim” and collectively, the “Objected Claims”), the Wind-Down Debtor submits the Edwards Declaration.

Jurisdiction and Venue

3. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Wind-Down Debtor confirms its consent, pursuant to Bankruptcy Rule 7008, to the entry of a final order by the Court.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 105(a) and 502(b) of title 11 of the United States Code (the “Bankruptcy Code”), Bankruptcy Rule 3007, and rules 3007-1 and 9013-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

6. On January 31, 2023 (the “Petition Date”), the Debtor and each of its affiliates (collectively, the “Debtors” and after the Effective Date, the “Wind-Down Debtors”) filed their respective voluntary petitions for relief under Chapter 11 of the Bankruptcy Code, commencing the above captioned, jointly administered chapter 11 cases.

7. On March 13, 2023, the Court entered its *Order (I) Setting Bar Dates for Filing Proofs of Claim, Including Requests for Payment under Section 503(b)(9), (II) Establishing Amended Schedules Bar Date and Rejection Damages Bar Date, (III) Approving the Form of and Manner for Filing Proofs of Claim, Including Section 503(b)(9) Requests, and (IV) Approving Notice of Bar Dates* [Docket. No. 222]³ (the “Bar Date Order”), establishing the following deadlines: (i) May 1, 2023, as the deadline for filing proofs of claim (the “General Bar Date”); and (ii) July 31, 2023, as the deadline for claims asserted by governmental units (the “Governmental Bar Date” and together with the General Bar Date, the “Bar Date”). Written notice of the Bar Dates was mailed to, among others, to all creditor and other known holders of claims against the Debtors, to all parties requesting notice in these bankruptcy cases, and all entities that filed a Proof of Claim in these Cases as of the date of the Bar Date Order.

8. On March 31, 2023, each of the Debtors filed its respective Schedule of Assets and Liabilities and Statement of Financial Affairs, as each may have been amended from time to time [Docket Nos. 292–318].

9. On June 16, 2023, the Court entered the *Order Confirming the Third Amended Combined Disclosure Statement and Joint Plan of Liquidation of IEH Auto Parts Holding LLC and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (the “Confirmation Order”) [Docket No. 749], confirming the Debtors’ *Amended Chapter 11 Plan* (the “Plan”) [Docket No. 738]. On October 6, 2023, the Plan went effective (the “Effective Date”). Pursuant to the Plan, the Debtors shall continue in existence for the purpose of resolving Claims that are not General Unsecured Claims and otherwise administering the Plan. Plan, Art. IV.A.2.

³ Unless otherwise indicated, all docket references in this Objection refer to the docket of *In re IEH Auto Parts Holding, LLC*, et al., Case No. 23-90054 (Jointly Administered) (Bankr. S.D. Tex.) (CML).

10. On August 10, 2023, the Court also entered the *Order (I) Approving Omnibus Claims Objection Procedures and (II) Authorizing the Debtors to File Substantive Omnibus Objections to Claims Pursuant to Bankruptcy Rule 3007* (the “Objection Procedures”) [Docket No. 850]. The Order authorizes Debtors to file certain objections to claims in an omnibus format. Objection Procedures, ¶ 1.

11. In the ordinary course of business, the Debtors maintained books and records that reflect the Debtors’ liabilities and amounts owed to their creditors. The books and records were subsequently maintained after the commencement of these Cases. The Debtors and their financial advisors (collectively, the “Reviewing Parties”) analyzed their books and records to determine the validity of the proofs of claim. In addition to reviewing the Debtors’ books and records, the Reviewing Parties have been working diligently to review the proofs of claim, including any supporting documentation.

12. Based on examination of the claims, their supporting documentation, and the Claims Register, the Wind-Down Debtor believes the Objected Claims described in this Objection should be disallowed as set forth herein.

Objection

13. Section 502 of the Bankruptcy Code provides, in pertinent part, as follows: “[a] claim or interest, proof of which is filed under section 501 of [the Bankruptcy Code], is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). Section 502 also provides that “if such objection is made, the court...shall determine the amount of such claim...and shall allow such claim in such amount, except to the extent that such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law...” 11 U.S.C. § 502(b).

14. Bankruptcy Rule 3007 provides certain grounds upon which “objections to more than one claim may be joined in an omnibus objection,” which include when “the objections are based solely on the grounds that the claims should be disallowed, in whole or in part, because . . . they have been satisfied or released during the case in accordance with the Code, the applicable rules, or a court order.” Fed. R. Bankr. P. 3007(d).

15. As set forth in Bankruptcy Rule 3001(f), a properly executed and filed proof of claim constitutes prima facie evidence of the validity and the amount of the claim under section 502(a) of the Bankruptcy Code. *See, e.g., In re Jack Kline Co., Inc.*, 440 B.R. 712, 742 (Bankr. S.D. Tex. 2010). A proof of claim loses the presumption of prima facie validity under Bankruptcy Rule 3001(f) if an objecting party refutes at least one of the allegations that are essential to the claim’s legal sufficiency. *See In re Fidelity Holding Co., Ltd.*, 837 F.2d 696, 698 (5th Cir. 1988).

16. Once such an allegation is refuted, the burden reverts to the claimant to prove the validity of its claim by a preponderance of the evidence. *Id.* Despite this shifting burden during the claim objection process, “the ultimate burden of proof always lies with the claimant.” *In re Armstrong*, 347 B.R. 581, 583 (Bankr. N.D. Tex. 2006) (citing *Raleigh v. Ill. Dep’t of Rev.*, 530 U.S. 15 (2000)).

The Assigned Contract Claims

17. As set forth in the Edwards Declaration, the Reviewing Parties thoroughly reviewed the Wind-Down Debtors’ books and records and support provided by the Wind-Down Debtors, including the relevant company databases, the claims register, the Assigned Contract Claims, the Plan and Confirmation Order, and any documents filed in support therewith, if any, and have determined that the Assigned Contract Claims were satisfied or released during these chapter 11 cases in accordance with the Bankruptcy Code, any applicable rules, or a Court order.

18. Specifically, each Assigned Contract Claim listed on **Schedule 1** to the Order was filed on account of certain obligations arising from contracts between the claimant filing the Assigned Contract Claim and the Debtors. The contracts forming the basis of each Assigned Contract Claim were assumed and assigned by the Debtors. The contracts forming the basis of each Assigned Contract Claim were assumed and assigned by the Debtors to a specific purchaser as set forth on **Schedule 1** to the Order, pursuant to the *Order (I) Approving the Bid Procedures, (II) Approving the Sale of Certain of the Debtors' Assets Free and Clear, and (III) Granting Related Relief* [Docket No. 585] (the "Sale Order"). The Sale Order states:

The Cure Amounts specified in the Cure Notices are hereby found to be the sole amounts necessary to cure any and all defaults under the Assumed Contracts and Assumed Leases under section 365(b) of the Bankruptcy Code, subject to any timely filed objections to such Cure Amounts. Upon payment of the portion of the Cure Amounts with respect to which they are liable under the APAs, pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall have no further liability under the Assumed Contracts and Assumed Leases whatsoever other than to the Buyers pursuant to the APAs.

Sale Order, ¶Z.

19. The Debtors have paid all cure amounts related to the Sale Order, and as such, no other amounts are owed for the Assigned Contract Claims. The assumption and assignment procedures (the "Assumption and Assignment Procedures") authorized by the Court pursuant to the *Order Approving the Bid Procedures and Granting Related Relief* [Docket No. 208] (the "Bid Procedures Order") further provides that the Assigned Contract Claims are fully released and satisfied as of the later of the entry of the applicable sale order or the effective date of assumption and, therefore, are disallowed. Specifically, the Assumption and Assignment Procedures state:

Assumption and assignment of any Designated Contract shall result in the full release and satisfaction of any cures, claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or any bankruptcy-related defaults, arising at any time prior to the effective date of assumption. Any and all proofs of claim based upon executory contracts or unexpired leases that have been

assumed in the chapter 11 cases, including pursuant to the Sale Order, shall be deemed disallowed and expunged as of the later of (1) the date of entry of an order of the Court (including the Sale Order) approving such assumption and (2) the effective date of such assumption without the need for any objection or any further notice to or action, order, or approval of the Court.

Assumption and Assignment Procedures, ¶7 (emphasis in original).

20. Accordingly, the Wind-Down Debtors have no outstanding obligations with respect to the Assigned Contract Claims. Any further obligations due under the agreements subject to each Assigned Contract Claim are payable by the applicable purchaser set forth on **Schedule 1**. Having been fully assumed by such purchasers, the Assigned Contract Claims are no longer enforceable against the Wind-Down Debtors or their bankruptcy estates, and such claims should be disallowed.

21. Failure to disallow such Assigned Contract Claims could result in the claimants receiving an unwarranted recovery against the Wind-Down Debtors to the detriment of other similarly situated creditors. Therefore, the Wind-Down Debtor requests that the Court enter an order disallowing the Assigned Contract Claims identified on **Schedule 1** to the Order.

The Untimely Claims

22. As set forth in the Edwards Declaration, the Reviewing Parties have thoroughly reviewed the Wind-Down Debtors' books and records, the claims register, the Untimely Claims, and any documents filed in support therewith, if any, and determined that each Untimely Claim identified on **Schedule 2** was filed after the expiration of its applicable bar date, as ordered by this Court's Bar Date Order. The Bar Date Order provides that any claim filed after the applicable Bar Date is disallowed. In this regard, the Bar Date Order sets forth:

Any entity that is required, but fails, to file a Proof of Claim in accordance with this Bar Date Order on or before the applicable Bar Date shall be (a) forever barred, estopped, and enjoined from asserting such claim against the Debtors (or filing a Proof of Claim with respect thereto) and the Debtors and their property

shall be forever discharged from any and all indebtedness or liability with respect to or arising from such claim[.]

Bar Date Order, ¶18.

23. The Reviewing Parties have determined that the Untimely Claims listed on **Schedule 2** were filed after the applicable Bar Date and, under the terms of the Bar Date order is barred. Failure to disallow the Untimely Claims in accordance with the specific terms of the Bar Date Order could result in the relevant claimant receiving an unwarranted recovery against the Debtors' and Wind-Down Debtors' estates to the detriment of similarly situated creditors. Therefore, the Wind-Down Debtor requests that the Court enter an order disallowing the Untimely Claims identified on **Schedule 2** to the Order.

The No Liability Claims

24. As set forth in the Edwards Declaration, the Reviewing Parties reviewed the Wind-Down Debtors' books and records, the claims register, the No Liability Claim identified on **Schedule 3**, and any documents filed in support therewith, if any, and do not believe that the Wind-Down Debtor owe the amounts claimed therein. As detailed on **Schedule 3** to the Order, the No Liability Claims either assert an administrative amount that is set off by a credit held by the Wind-Down Debtor or assert amounts not supported by the Wind-Down Debtors' books and records.

25. Failure to disallow the No Liability Claims would result in an improper recovery on account of the No Liability Claims to the detriment of other creditors. The Wind-Down Debtor seeks entry of an order disallowing the No Liability Claims identified on **Schedule 3** to the Order.

The Satisfied Claims

26. As set forth in the Edwards Declaration, the Reviewing Parties have thoroughly reviewed the Wind-Down Debtors' books and records, the claims register, the Satisfied Claims,

supporting documentation attached thereto, if any, and have determined that the Satisfied Claims have been satisfied during these chapter 11 cases in accordance with the Bankruptcy Code, any applicable rules, Court orders, including *Order (I) Authorizing the Payment of Certain Prepetition Taxes and Fees, and (II) Granting Related Relief* (the “Tax Order”) [Docket No. 43], or in the ordinary course of business. Specifically, each Satisfied Claim was satisfied on the dates and in the amount set forth on **Schedule 4**. The Wind-Down Debtor has no outstanding obligations with respect to the Satisfied Claims. Failure to disallow the Satisfied Claims could result in the applicable claimants receiving multiple recoveries against the Wind-Down Debtor to the detriment of other similarly situated creditors. The Wind-Down Debtor requests that the Court enter the Order disallowing the Satisfied Claims identified on **Schedule 4**.

Reservation of Rights

27. This Objection is limited to the grounds stated herein. It is without prejudice to the rights of the Wind-Down Debtor or any other party with standing to object to any claim—including by the GUC Trustee, as defined in the Plan—to further object to any claim, including any unsecured portion of a Assumed Contract Claim, Untimely Claim, No Liability Claims, or Satisfied Claims (collectively, the “Surviving Claims”), on any grounds whatsoever. **The unsecured amounts listed on Schedules 1–4, whether they are modified or not, shall not be deemed Allowed as a result of the relief requested in the Objection. Notwithstanding this Objection or any order entered thereon, or any attachments or schedules thereto, all General Unsecured Claims in these cases remain subject to further review and objection by the GUC Trustee in every respect.**

28. The Wind-Down Debtor expressly reserves all further substantive or procedural objections. Nothing contained herein or any actions taken pursuant to such relief is intended or

should be construed as: (a) an admission as to the validity of any claim against a Debtor or Debtor entity, including the Surviving Claims; (b) a waiver of the Wind-Down Debtor's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Objection or any order granting the relief requested by this Objection; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (f) a waiver of the Wind-Down Debtor's rights under the Bankruptcy Code or any other applicable law.

Separate Contested Matter

29. To the extent that a response is filed regarding any Objected Claim and the Wind-Down Debtor is unable to resolve any such response, each such Objected Claim, and the Objection as it pertains to such Objected Claim, will constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. Further, the Wind-Down Debtor requests that any order entered by the Court regarding an objection or other reply asserted in response to this Objection be deemed a separate order with respect to each proof of claim.

Notice

30. The Wind-Down Debtor will provide notice of this Objection to: (a) the United States Trustee for the Southern District of Texas; (b) counsel to the GUC Trustee; (c) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (d) the affected claimants (and their counsel, where available). In light of the nature of the relief requested, no other or further notice need be given.

The Wind-Down Debtor requests that the Court enter the Order granting the relief requested herein and such other and further relief as is just and equitable.

**DECLARATION OF SUSANNE EDWARDS
IN SUPPORT OF THE WIND-DOWN DEBTOR'S AMENDED SIXTH OMNIBUS
OBJECTION TO CERTAIN PROOFS OF CLAIM (ASSUMED CONTRACT
CLAIMS, UNTIMELY CLAIMS, NO LIABILITY CLAIMS, AND SATISFIED CLAIMS)**

I, Susanne Edwards, hereby declare that the following is true to the best of my knowledge,
information, and belief:

1. I was an Assistant Vice President of Finance for Debtor IEH Auto Parts, LLC prior to the Debtors' wind down pursuant to these chapter 11 cases. I have been retained by the Wind-Down Debtor to assist with the claims reconciliation process. I have more than 25 years of experience as a certified public accountant.

2. In my role as Assistant Vice President of Finance, I became familiar with the Debtors' day-to-day operations, financing arrangements, business affairs, and accounting software that reflects, among other things, the Debtors' liabilities. I have read the *Wind-Down Debtor's Amended Sixth Omnibus Objection to Certain Proofs of Claim (Assigned Contract Claims,*

¹ The Wind-Down Debtor's service address is: 5330 Carmel Crest Lane, Charlotte, North Carolina 28226. All pleadings related to these chapter 11 cases may be obtained from the website of the Wind Down Debtor's claims and noticing agent at <https://www.kccllc.net/autoplus>.

Untimely Claims, No Liability Claims, and Satisfied Claims) (the “Objection”)² and I have reviewed the related schedules.

3. I believe that the assertions made in the Objection are accurate. I reviewed the claims register, the relevant proofs of claim, as well as any supporting documentation provided by each claimant, if applicable, and the Wind-Down Debtor’s books and records and determined that each Objected Claim should be disallowed and treated as specified in the Objection and on the schedules to the Objection.

I. Assigned Contract Claims

4. I believe that the Assigned Contract Claims have been satisfied or released during these chapter 11 cases as identified on Schedule 1 to the Order. I understand that the agreements underlying the Assigned Contract Claims were assumed and assigned by the Wind-Down Debtors. The Wind-Down Debtors paid the cure amounts associated with the Assigned Contract Claims, and I do not believe that the Wind-Down Debtor has any other liability on account of the Assigned Contract Claims. I believe that disallowance of the Assigned Contract Claims on the terms set forth in the Objection and Schedule 1 to the Order is appropriate.

II. Untimely Claims

5. I believe that each Untimely Claim listed on Schedule 2 to the Order was filed after the applicable Bar Date based on the information in the Bar Date Order and the dates that the respective Untimely Claims were filed. I believe that the disallowance of the Untimely Claims on the terms set forth in the Objection and Schedule 2 to the Order is appropriate.

² Capitalized terms used but not otherwise defined herein shall have the same meaning ascribed to them in the Objection.

III. No Liability Claims

6. I have reviewed the Wind-Down Debtors' books and records, the claims register, the No Liability Claims, any attached supporting documentation and have determined that the Wind-Down Debtor is not liable for the amounts asserted in the No Liability Claims. Specifically, the No Liability Claims assert amounts that are either not supported by the Wind-Down Debtors' books and records or asserts an administrative amount which is completely offset by a credit owed to the Wind-Down Debtor by the claimant. Accordingly, I believe that No Liability Claims assert amounts for which the Wind-Down Debtor is not liable. I believe that the disallowance of the No Liability Claims on the terms set forth in the Objection and **Schedule 3** to the Order is appropriate

IV. Satisfied Claims

7. The Satisfied Claims identified on **Schedule 4** to the Order were satisfied during these chapter 11 cases. I have reviewed the Wind-Down Debtors' books and records, the claims register, the Satisfied Claims, any attached supporting documentation, and believe the Wind-Down Debtor paid the obligations asserted in the Satisfied Claims as specified on **Schedule 4**. I do not believe that the Wind-Down Debtor has any outstanding obligations with respect to the Satisfied Claims. I believe the Wind-Down Debtor is no longer liable for the Satisfied Claims and that disallowance of the Satisfied Claims on the terms set forth in the Objection and **Schedule 4** to the Order is appropriate.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the facts set forth in the foregoing declaration are true and correct to the best of my knowledge, information and believe as of the date hereof.

2. Each Untimely Claim identified on **Schedule 2** attached to this Order is disallowed; *provided* that nothing herein affects the general unsecured amounts asserted in the proofs of claim identified in the column titled “Claim as Filed.”

3. Each No Liability Claim identified on **Schedule 3** attached to this Order is disallowed; *provided* that nothing herein affects the general unsecured amounts asserted in the proofs of claim identified in the column titled “Claim as Filed.”

This Order will be deemed a separate order with respect to each Objected Claim.

7. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity of any claim, including the Surviving Claims, against a Debtor entity; (b) a waiver of the Wind-Down Debtor's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Objection or any order granting the relief requested by this Objection; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (f) a waiver of the Wind-Down Debtor's rights under the Bankruptcy Code or any other applicable law.

The Wind-Down Debtor specifically and expressly reserves for all purposes the GUC Trustee's right and ability to object to any and all general unsecured claims notwithstanding the relief granted in this Order, whether such claims are reclassified or otherwise modified under this Order, and this Order does not in any manner whatsoever inhibit, modify or otherwise limit the GUC Trustee's right to object to any general unsecured claim for any reason whatsoever, including without limitation to hereafter object to a general unsecured claim to the extent (i) such claim should properly be classified as an administrative claim pursuant to Section 503(b)(9) or otherwise and (ii) such claim is reclassified from a Section 503(b)(9) claim to a general unsecured claim pursuant to this Order. The Wind-Down Debtor's and/or Plan Agent's beliefs and allegations with respect to any claims affected by the Objection or this Order, whether general unsecured claims or otherwise, shall not be binding on or otherwise prejudice the Plan

Agent in any respect, irrespective of whether the GUC Trustee challenged those beliefs or allegations as set forth in the Objection.

9. The Wind-Down Debtor is authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Objection.

10. This Order is immediately effective and enforceable upon its entry.

11. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
