H. EDC Facility.

(i) The Debtors make reference to (i) that certain Loan Agreement, dated as of November 1, 2018 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time prior to the Petition Date, the "EDC LATAM Loan Agreement" and collectively with all other agreements, instruments, and documents executed or delivered in connection therewith, each as may be amended, restated, amended and restated, supplemented, or otherwise modified from time to time prior to the Petition Date, the "EDC LATAM Loan Documents"), among AFG LATAM Sim Holdings, LLC, a Florida limited liability company

(“LATAM”), Export Development Canada, a corporation established by an Act of Parliament of Canada (“EDC”), as loan agent for the lenders (in such capacity, the “EDC Loan Agent”), as a lender (in such capacity, a “EDC Lender”), and as security trustee (in such capacity, the “EDC Security Trustee” and together with the EDC Loan Agent and EDC Lender, the “EDC Secured Parties”), and (ii) that certain Loan Agreement, dated as of July 11, 2019 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time prior to the Petition Date, the “EDC LATAM IV Loan Agreement” and collectively with all other agreements, instruments, and documents executed or delivered in connection therewith, each as may be amended, restated, amended and restated, supplemented, or otherwise modified from time to time prior to the Petition Date, the “EDC LATAM IV Loan Documents”), among AFG LATAM Sim Holdings IV, LLC, a Florida limited liability company (“LATAM IV”) and the EDC Secured Parties.

(ii) Pursuant to the EDC LATAM Loan Documents, the EDC Secured Parties provided loans to certain of the Debtors for the purchase of one TRU Simulation + Training Canada Inc. A320 flight simulator unit bearing manufacturer’s serial number SN-00002635 and certain related assets (the “EDC LATAM Facility”). The EDC LATAM Facility is secured by such assets and certain other related assets, including the equity interests of LATAM, substantially all assets of LATAM, and the rights and interests of LATAM and certain of its subsidiaries in certain leases and subleases related to such assets (collectively, the “EDC LATAM Collateral”). Pursuant to the EDC LATAM IV Loan Documents, the EDC Secured Parties provided loans to the Debtors for the purchase of one TRU Simulation + Training Canada Inc. A320 flight simulator unit bearing manufacturer’s serial number SN-00002659 and certain related assets (the “EDC LATAM IV Facility”). The EDC LATAM IV Facility is secured by

such assets and certain other related assets, including the equity interests of LATAM IV, substantially all assets of LATAM IV, and the rights and interests of LATAM IV and certain of its subsidiaries in certain leases and subleases related to such assets (collectively, the “EDC LATAM IV Collateral” and together with EDC LATAM Collateral, the “EDC Collateral” and the liens and security interests granted thereon in favor of the EDC Secured Parties, the “EDC Liens”). As of the Petition Date, the EDC Liens on the EDC Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the EDC Secured Parties for fair consideration and reasonably equivalent value.

I. Releases. Subject to paragraph 44 hereof, the Debtors, on behalf of themselves and their respective Estates (including any successor trustee or other estate representative in the Chapter 11 Cases and any Successor Cases (as defined herein), and any party acting by, through, or under the Debtors or their Estates), hereby stipulate and agree that they absolutely and unconditionally release and forever and irrevocably discharge and acquit each of the DIP Secured Parties, the Prepetition Term Loan Secured Parties, and their respective affiliates and each of their respective former or current officers, partners, directors, managers, owners, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals (solely in their respective capacities as such) and the respective successors and assigns thereof (collectively, the “Released Parties”) from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, debts, accounts, contracts, disputes, liabilities, allegations, suits, controversies, proceedings, actions, and causes of action arising prior to the date of this Final Order of any kind, nature, or description, whether known or unknown, foreseen or unforeseen, or liquidated or unliquidated, arising in law or equity

or upon contract or tort or under any state or federal law or regulation or otherwise, arising out of or related to (as applicable) the DIP Documents, the Prepetition Term Loan Documents, the negotiation thereof, the transactions contemplated thereby, or the obligations owing and the financial obligations made thereunder, or otherwise related to the Debtors, in each case that the Debtors or their Estates at any time had, now have, or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause, or thing whatsoever arising at any time on or prior to the date of this Final Order. The Debtors further waive and release any defense, right of counterclaim, right of setoff, or deduction to the payment of the Prepetition Term Loan Obligations that the Debtors may now have or may claim to have against the Released Parties, arising out of, connected with, or relating to any and all acts, omissions, or events occurring prior to this Court entering this Final Order. For the avoidance of doubt, the foregoing releases shall not apply to any claims, causes of action, or rights that are Litigation Trust Assets (as defined in the Committee Resolution (as defined below)).

(i) *Cash Collateral*. All or substantially all of the Debtors' cash and cash equivalents, including cash on deposit in any account or accounts as of the Petition Date, cash obtained at any time thereafter (including proceeds of the DIP Facility), securities, or other property, wherever located, whether subject to control agreements or otherwise, whether as original collateral or proceeds of other Prepetition Term Loan Collateral, constitutes Cash Collateral of the Prepetition Term Loan Secured Parties.

J. Findings Regarding Postpetition Financing.

(i) *Request for Postpetition Financing*. The Debtors seek authority to (a) enter into the DIP Facility on the terms described herein and in the DIP Documents, and (b) use Cash Collateral on the terms described herein to administer their Chapter 11 Cases and fund their

operations in accordance with the Approved Budget (as defined below), DIP Term Sheet, and other DIP Documents.

(ii) *Priming of the Prepetition Term Loan Liens.* The priming of the Prepetition Term Loan Liens on the Prepetition Term Loan Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Documents and as further described below, will enable the Debtors to obtain the DIP Facility and to continue to operate their businesses to the benefit of their Estates and creditors, and the Debtors would not be able to obtain debtor-in-possession financing in a sufficient amount without granting such priming liens. Consistent with the requirements of section 364(d) of the Bankruptcy Code, the Prepetition Term Loan Secured Parties shall receive adequate protection as set forth in this Final Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, against any post-petition diminution in value of the Prepetition Term Loan Secured Parties' respective liens and interests in the Prepetition Term Loan Collateral (including Cash Collateral) resulting from, among other things, (i) the use, sale, or lease by the Debtors of such collateral, (ii) the market value decline of such collateral, (iii) the use of Cash Collateral by each of the Debtors, (iv) the imposition of the automatic stay, (v) the subordination of the Prepetition Term Loan Liens and Prepetition Term Loan Obligations to the Carve-Out, the DIP Liens, and the DIP Obligations, in each case, as set forth in this Final Order, and (vi) any other act or omission which causes diminution in the value of their respective liens or interests in the Prepetition Term Loan Collateral (including Cash Collateral) (collectively, the "Diminution").

(iii) *Need for Postpetition Financing and Use of Cash Collateral.* The Debtors have an immediate and critical need to obtain the financing pursuant to the DIP Facility and to continue to use the Prepetition Term Loan Collateral (including Cash Collateral) in order to, among other things, (i) pay the fees, costs, and expenses incurred in connection with the Chapter 11 Cases,

(ii) fund any obligations benefitting from the Carve-Out, (iii) permit the orderly continuation of the operation of their businesses and sustain such operations through approval and consummation of the proposed sale of substantially all of their assets, (iv) maintain business relationships with customers, vendors, and suppliers, (v) make payroll, and (vi) satisfy other working capital and operational needs. The incurrence of new debt under the DIP Documents and use of Cash Collateral is necessary and vital to the preservation and maintenance of the going concern value of the Debtors. The terms of the proposed financing are fair and reasonable, reflect the Debtors' exercise of prudent business judgment, and are supported by reasonably equivalent value and fair consideration. The adequate protection provided in this Final Order and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code.

(iv) *No Credit Available on More Favorable Terms.* The DIP Facility is the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, capital structure, and the circumstances of these Chapter 11 Cases, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP Facility. Further, the Prepetition Term Loan Secured Parties are adequately protected and have consented to the Debtors incurring debtor-in-possession financing, the priming of the Prepetition Term Loan Liens, and the use of Cash Collateral, only on the terms and subject to the conditions set forth in the DIP Documents and this Final Order. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their Estates that is not otherwise subject to a lien; or

(c) credit secured solely by a junior lien on property of the Debtors and their Estates that is subject to a lien. Financing on a postpetition basis is not otherwise available without granting the DIP Secured Parties: (1) perfected security interests in and liens on (each as provided herein) all of the Debtors' existing and after-acquired assets with the priorities set forth herein; (2) superpriority claims and priming liens to the extent set forth in this Final Order, the DIP Term Sheet, and the other DIP Documents; and (3) the other protections set forth in this Final Order.

(v) *Use of Cash Collateral and Proceeds of the DIP Facility.* As a condition to the Debtors' entry into the DIP Documents, the extension of credit under the DIP Facility, and the authorization to use Prepetition Term Loan Collateral, including Cash Collateral, the Debtors have agreed that Cash Collateral and the proceeds of the DIP Facility shall be used solely in accordance with the terms and conditions of this Final Order and the DIP Documents and in accordance with the Approved Budget (as defined below), subject to Permitted Variances (as defined below).

(vi) *Application of Proceeds of Collateral.* As a condition to entry into the DIP Documents, the extension of credit under the DIP Facility, and authorization to use Cash Collateral, the Debtors have agreed that, as of and commencing on the date of entry of the Interim Order, the Debtors shall apply the proceeds of DIP Collateral in accordance with this Final Order and the DIP Documents, and in accordance with the relative lien priorities set forth in **Exhibit B** to this Final Order.

(vii) *Roll-Up of Prepetition Term Loan Obligations Into DIP Obligations.* Effective upon entry of the Interim Order, Bridge Loan Obligations in the amount of \$6,000,000 (the "Interim Roll-Up Amount") were converted on a cashless dollar-for-dollar basis into principal obligations constituting DIP Obligations, without any further action by the Debtors or any other party (the "Interim Roll-Up Obligations"), which conversion is ratified by this Final Order. Upon

entry of this Final Order, additional Prepetition Term Loan Obligations in the amount of \$23,000,000 (the “Final Roll-Up Amount” and together with the Interim Roll-Up Amount, the “Roll-Up Amount”) shall be converted on a cashless dollar-for-dollar basis into principal obligations constituting DIP Obligations, without any further action by the Debtors or any other party (the “Final Roll-Up Obligations” and together with the Interim Roll-Up Obligations, the “Roll-Up Obligations”). The conversion (or “roll-up”) shall be authorized as compensation for, in consideration for, and solely on account of the agreement of the Prepetition Term Loan Lenders as DIP Lenders to fund amounts and provide other consideration to the Debtors under the DIP Facility (including permitting the use of Cash Collateral on a consensual basis pursuant to the terms of this Final Order) and not as payments under, adequate protection for, or otherwise on account of any Prepetition Term Loan Obligations. Notwithstanding any other provision of this Final Order or the DIP Documents, all rights of the Prepetition Term Loan Secured Parties shall be fully preserved. The Roll-Up Obligations are an inextricable component of the DIP Facility, and the Prepetition Term Loan Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of the Prepetition Term Loan Liens to the DIP Liens, and the DIP Secured Parties would not be willing to provide the DIP Facility or extend credit to the Debtors thereunder without the inclusion of the Roll-Up Obligations in the DIP Obligations. The Roll-Up Obligations will enable the Debtors to obtain urgently needed financing to administer these Chapter 11 Cases and fund their operations.

K. Adequate Protection. In exchange for their consent to (i) the priming of the Prepetition Term Loan Liens by the DIP Liens and (ii) the use of Cash Collateral to the extent set forth in this Final Order, the Prepetition Term Loan Secured Parties shall receive adequate

protection to the extent of any Diminution of their interests in the Prepetition Term Loan Collateral, as more fully set forth in this Final Order.

L. Good Faith of the DIP Secured Parties.

(i) *Willingness to Provide Financing.* The DIP Secured Parties have committed to provide financing to the Debtors subject to: (a) entry of this Final Order; (b) approval of the terms and conditions of the DIP Facility and those set forth in the DIP Documents; (c) satisfaction of the closing conditions set forth in the DIP Documents; and (d) findings by this Court that the DIP Facility is essential to the Debtors and their Estates, that the DIP Lenders are extending credit to the Debtors pursuant to the DIP Documents in good faith, and that the DIP Secured Parties' claims, superpriority claims, security interests and liens, and other protections granted pursuant to this Final Order and the DIP Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) *Business Judgment and Good Faith Pursuant to Section 364(e).* Based on the Motion, the First Day Declaration, and the record presented to the Court at the Interim Hearing and the Final Hearing, (a) the terms of the financing embodied in the DIP Facility, including the Roll-Up Obligations, fees, expenses, and other charges paid and to be paid thereunder or in connection therewith, (b) the adequate protection authorized by this Final Order and the DIP Documents, and (c) the terms on which the Debtors may continue to use the Prepetition Term Loan Collateral (including Cash Collateral), in each case pursuant to this Final Order and the DIP Documents, are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, constitute reasonably equivalent value and fair consideration, and represent the best financing and terms available under the circumstances.

(iii) *Good Faith Pursuant to Section 364(e)*. The terms and conditions of the DIP Facility and the use of Cash Collateral were negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties, and the Prepetition Term Loan Secured Parties with the assistance and counsel of their respective advisors. The use of Cash Collateral and credit to be extended under the DIP Facility (including the Roll-Up Obligations) shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Secured Parties and the Prepetition Term Loan Secured Parties within the meaning of section 364(e) of the Bankruptcy Code.

(iv) *Consent to DIP Facility and Use of Cash Collateral*. The Prepetition Term Loan Secured Parties have consented to the Debtors' use of Cash Collateral and the other Prepetition Term Loan Collateral, and to the Debtors' entry into the DIP Documents, in each case, solely in accordance with and subject to the terms and conditions in this Final Order and the DIP Documents.

M. Good Cause. Good cause has been shown for immediate entry of this Final Order, and the entry of this Final Order is in the best interests of the Debtors, the Estates, and their stakeholders. Among other things, the relief granted herein will minimize disruption of the Debtors' business and permit the Debtors to fund payroll obligations, to pursue the sale of substantially all of their assets, and to satisfy amounts owing to stakeholders critical to ongoing operations, including the payment of premiums on insurance policies, and other expenses necessary to maximize the value of the Estates, in each case in accordance with the Approved Budget. The terms of the Debtors' DIP Facility, use of Cash Collateral and proposed adequate protection arrangements, as set forth in this Final Order, are fair and reasonable under the circumstances and reflect the Debtors' exercise of prudent business judgment.

N. Immediate Entry. Sufficient cause exists for immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the applicable Local Rules.

Based upon the foregoing findings and conclusions, the Motion, and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. DIP Financing Approved. On a final basis, entry into the DIP Term Sheet and other DIP Documents is authorized and approved, and the use of Cash Collateral is authorized, in each case, subject to the terms and conditions set forth in this Final Order. All objections to this Final Order to the extent not withdrawn, waived, settled, or resolved, and all reservations of rights included therein, are hereby denied and overruled on the merits. This Final Order shall become effective immediately upon its entry.

DIP Facility Authorization

2. Authorization of the DIP Financing. Effective as of entry of the Interim Order, the Debtors are expressly and immediately authorized and empowered to enter into, execute, and deliver the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Final Order and the DIP Documents, and to enter into, execute, deliver, and perform under all instruments, certificates, agreements, and documents which may be required or necessary for the performance by the Debtors under the DIP Documents and the creation and perfection of the DIP Liens described in and provided for by this Final Order and the DIP Documents. Effective as of entry of the Interim Order, the Debtors are hereby authorized and directed to pay, in accordance with this Final Order, any principal, interest, fees, expenses, and other amounts described in the DIP Documents and this Final Order, as such amounts become due

and owing, without need to obtain further Court approval (except as otherwise provided herein or in the DIP Documents), subject to and in accordance with the terms hereof and thereof, including, without limitation, any closing fees and commitment fees, as well as any reasonable and documented fees and disbursements of Proskauer Rose LLP, Landis Rath & Cobb LLP, Alston & Bird LLP, and one local counsel to the DIP Agent as DIP Professionals (as defined below), as set forth herein and in the DIP Documents, whether or not such professional fees and disbursements arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in this Final Order and the DIP Documents. Upon execution and delivery, the DIP Documents shall represent legal, valid, and binding obligations of the Debtors, enforceable against each of the Debtors and their Estates in accordance with their terms. Effective as of entry of the Interim Order, each manager, member, or officer of the Debtors acting individually is hereby authorized to execute and deliver each of the DIP Documents, such execution and delivery to be conclusive evidence of such manager's, member's, or officer's respective authority to act in the name of and on behalf of the applicable Debtor; *provided that* the DIP Term Sheet shall be deemed to have been executed and delivered upon entry of the Interim Order.

3. Authorization to Borrow. To enable the Debtors to continue to operate their business and preserve and maximize the value of their Estates, subject to the terms and conditions set forth in the DIP Documents and this Final Order, the Debtors were, pursuant to the Interim Order, authorized to borrow the Interim Amount and are hereby authorized to borrow the Final Amount, subject to any limitations on, or conditions to, borrowing under the DIP Documents, which borrowings shall be used solely for purposes permitted under the DIP Documents, including,

without limitation, to provide working capital for the Debtors and to pay interest, fees, costs, charges and expenses, in each case, in accordance with this Final Order, the DIP Documents, and the Approved Budget.

4. DIP Obligations. The DIP Documents and this Final Order shall constitute and evidence the validity and binding effect of the Debtors' DIP Obligations. All DIP Obligations shall be enforceable against the Debtors, their Estates, and any successors thereto, including, without limitation, any trustee appointed in the Chapter 11 Cases, or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "Successor Cases"). Effective as of entry of the Interim Order and as ratified by this Final Order, the DIP Obligations shall include all loans, guarantees, reimbursement obligations, and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to the DIP Secured Parties, including, without limitation, all principal, accrued interest, costs, charges, fees, expenses, and other amounts under the DIP Documents. The Debtors shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall become due and payable, without notice or demand, on the Termination Date (as defined below). No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Lien) to the DIP Secured Parties shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or be subject to any disgorgement, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether

equitable, contractual, or otherwise), claim, counterclaim, charge, assessment, cross-claim, defense, or any other liability or challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity for any reason.

5. DIP Collateral. To secure the DIP Obligations, effective as of entry of the Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Agent (for the benefit of the DIP Lenders) were granted (and such grant is hereby ratified and approved on a final basis) continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition first priority and other security interests in and liens (collectively, the “DIP Liens”) on the DIP Collateral in accordance with the relative lien priorities set forth in Exhibit B to this Final Order and all cash and non-cash proceeds, rents, profits, and offspring of DIP Collateral.⁵

⁵ “DIP Collateral” means all property of the Estates under section 541 of the Bankruptcy Code, including all real and personal property, whether now existing or hereafter arising and wherever located, tangible and intangible, of the Debtors, including: (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable) and investment property (including all of the issued and outstanding capital stock of each of its subsidiaries), hedge agreements, real estate, furniture, fixtures, equipment (including documents of title), goods, franchise rights, trade names, trademarks, servicemarks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights to the payment of money (including tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, books and records related to the foregoing, accessions and proceeds of the foregoing, wherever located, including insurance or other proceeds; (b) the proceeds of any avoidance actions brought pursuant to chapter 5 of the Bankruptcy Code or applicable state law equivalents; (c) proceeds from the Debtors’ exercise of rights under section 506(c) and 550 of the Bankruptcy Code (“Avoidance Proceeds”); (d) all Prepetition Term Loan Collateral, (e) all EDC Collateral, (f) all property of the Debtors that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date, and (g) all proceeds from the sale, assignment, or other disposition of any leased real property. Notwithstanding the foregoing, DIP Collateral shall not include (a) the Debtors’ real property leases (but shall include all proceeds of such leases) solely to the extent that the grant of a DIP Lien is prohibited or restricted by the terms of such real property lease or applicable nonbankruptcy law to attach to any such real property lease, (b) any insurance proceeds arising from damage to a leased property to the extent that under the applicable lease and insurance policy such insurance proceeds are payable to, or for the benefit of, the applicable landlord, and (c) any security deposits in the possession of a landlord, unless liens on such security deposits are expressly permitted pursuant to the underlying lease documents.

6. DIP Liens. The DIP Liens securing the DIP Obligations are valid, automatically perfected, non-avoidable, senior in priority to the Prepetition Term Loan Liens on the Prepetition Term Loan Collateral, and superior to any security, mortgage, collateral interest, lien, or claim to any of the DIP Collateral (whether currently existing or hereafter created), except that the DIP Liens shall be subject only to (i) the Carve-Out, (ii) the Prepetition Permitted Liens, and (iii) any liens expressly identified in **Exhibit B** to this Final Order to be senior to the DIP Liens on the collateral specified therein. Other than as expressly set forth herein (including **Exhibit B** hereto), the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any Successor Cases and shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases or any Successor Cases upon the conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code (or in any other Successor Case), or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The DIP Liens shall not be subject to section 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of any Estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Liens.

7. DIP Superpriority Claims. Subject to the Carve-Out, effective as of entry of the Interim Order, the DIP Secured Parties were granted (and such grant is hereby ratified and approved on a final basis), pursuant to section 364(c)(1) of the Bankruptcy Code, allowed superpriority administrative expense claims in each of the Chapter 11 Cases and any Successor Cases (collectively, the “DIP Superpriority Claims”) for all DIP Obligations: (a) except as expressly set forth herein (including with respect to the Carve-Out), with priority over any and all administrative expense claims and unsecured claims against the Debtors or their Estates in any of the Chapter 11 Cases and any Successor Cases, at any time existing or arising, of any kind or

nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 364, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114 of the Bankruptcy Code, and any other provision of the Bankruptcy Code, as provided under section 364(c)(1) of the Bankruptcy Code; and (b) which shall at all times be senior to the rights of the Debtors and their Estates, and any successor trustee or other estate representative to the extent permitted by law.

8. DIP Roll-Up Obligations. Effective immediately upon entry of the Interim Order, Prepetition Term Loan Obligations in an aggregate amount equal to the Interim Roll-Up Amount were converted on a cashless dollar-for-dollar basis into principal obligations constituting DIP Obligations without any further action by the Debtors or any other party, which conversion is ratified by this Final Order. Immediately upon entry of this Final Order, additional Prepetition Term Loan Obligations in an aggregate amount equal to the Final Roll-Up Amount shall be converted on a cashless dollar-for-dollar basis into principal obligations constituting DIP Obligations without any further action by the Debtors or any other party.

9. No Obligation to Extend Credit. The DIP Secured Parties shall have no obligation to make any loan or advance under the DIP Documents unless all of the conditions precedent under the DIP Documents and this Final Order have been satisfied in full or waived by the Required DIP Lenders in their sole discretion in accordance with the terms of the DIP Documents.

10. Use of Proceeds of DIP Facility. From and after the Petition Date, the Debtors shall use advances of credit under the DIP Facility only for the purposes specifically set forth in this Final Order and the DIP Documents, and only in compliance with the Approved Budget (subject to the Permitted Variances (as defined below)) and the terms and conditions in this Final Order and the DIP Documents (a) to pay transaction costs, fees and expenses that are incurred in connection

with the DIP Facility, (b) to pay professional fees of the Debtors and their Estates and the Committee, (c) for working capital and other general corporate purposes permitted by the DIP Documents, and (d) to pay Statutory Fees (as defined herein). Upon entry of the Interim Order, the deemed proceeds of the DIP Facility were used to refinance (on a cashless basis) the Interim Roll-Up Amount of the Bridge Loan Obligations held by the DIP Lenders in their capacity as Prepetition Term Loan Lenders (or their affiliates) reducing the amount of the “Obligations” (as defined in the Prepetition Credit Agreement) by such amount. Immediately upon entry of this Final Order, the deemed proceeds of the DIP Facility shall be used to refinance (on a cashless basis) the Final Roll-Up Amount of the Prepetition Term Loan Obligations held by the DIP Lenders in their capacity as Prepetition Term Loan Lenders (or their affiliates) reducing the amount of the “Obligations” (as defined in the Prepetition Credit Agreement) by such amount.

11. No Monitoring Obligation. The DIP Secured Parties shall have no obligation or responsibility to monitor the Debtors’ use of the DIP Facility, and the DIP Secured Parties may rely upon the Debtors’ representation that the use of the DIP Facility at any time is in accordance with the requirements of this Final Order and the DIP Documents and in compliance with the Approved Budget (subject to the Permitted Variances).

Authorization to Use Cash Collateral

12. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Final Order and the DIP Documents, and in accordance with the Approved Budget (subject to the Permitted Variances), the Debtors are authorized to use Cash Collateral until the expiration of the Remedies Notice Period (as defined below) following the Termination Date. Nothing in this Final Order shall authorize the disposition of any assets of the Debtors outside the ordinary course of business, or any Debtor’s use of any Cash Collateral or other proceeds resulting therefrom, except

as expressly permitted by this Final Order and the DIP Documents, and in accordance with the Approved Budget (subject to the Permitted Variances).

13. Consent of Prepetition Term Loan Secured Parties. The Prepetition Term Loan Secured Parties hereby consent to (a) the provisions of this Final Order, including the Debtors' entry into the DIP Facility on a final basis, (b) the granting on a final basis of the DIP Liens and DIP Superpriority Claims on the terms and subject to the conditions set forth herein (including the Carve-Out), and (c) the Approved Budget.

14. Adequate Protection for Prepetition Term Loan Secured Parties. As adequate protection for any Diminution of the Prepetition Term Loan Secured Parties' interests in the Prepetition Term Loan Collateral, the Prepetition Term Loan Agent shall receive or has received, effective as of entry of the Interim Order, for the benefit of the Prepetition Term Loan Secured Parties, the following (collectively, the "Term Loan Adequate Protection Obligations"):

(i) continuing valid, binding, enforceable, and perfected postpetition replacement liens pursuant to sections 361, 363(e), and 364(d)(1) of the Bankruptcy Code (the "Term Loan Replacement Liens") on the DIP Collateral, which shall be subject only to the Carve-Out and those liens expressly identified as senior in right of priority in **Exhibit B** to this Final Order and which (x) shall otherwise be senior to all other security interests in, liens on, or claims against the DIP Collateral, and (y) shall not be made subject to or *pari passu* with any other lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in any of the Chapter 11 Cases or any Successor Cases, and shall not be subject to sections 510, 549, or 550 of the Bankruptcy Code;

(ii) administrative superpriority expense claims in each of the Chapter 11 Cases (the “Term Loan Adequate Protection Superpriority Claims”), subject only to the Carve-Out and the DIP Obligations (including the DIP Superpriority Claims), pursuant to section 507(b) of the Bankruptcy Code with priority over any and all other administrative expenses, administrative expense claims, and unsecured claims against the Debtors or their Estates, now existing or hereafter arising, of any kind or nature whatsoever as to and to the extent provided by sections 503(b) and 507(b) of the Bankruptcy Code;

(iii) subject to the procedures set forth in paragraph 38 of this Final Order, monthly payment of the Prepetition Term Loan Secured Parties’ respective reasonable and documented fees, costs, and expenses when due and payable in accordance with this Final Order, including the professional fees and disbursements of Proskauer Rose LLP, Landis Rath & Cobb LLP, Alston & Bird LLP, and any other Prepetition Term Loan Professionals (as defined below), in each case without the need for the filing of formal fee applications, including as to any amounts arising before or after the Petition Date; and

(iv) the unqualified and unconditional right to credit bid the Prepetition Term Loan Obligations in connection with any sale or other disposition of Prepetition Term Loan Collateral, including, without limitation, as set forth in paragraph 40 hereof.

15. Adequate Protection Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Term Loan Secured Parties hereunder is insufficient to compensate for any Diminution of their respective interests in the Prepetition Term Loan Collateral during the Chapter 11 Cases or any Successor Cases. The receipt by the Prepetition Term Loan Secured Parties of the adequate protection provided herein shall not be deemed an admission that the

interests of the Prepetition Term Loan Secured Parties are adequately protected, and this Final Order shall not prejudice or limit the rights of the Prepetition Term Loan Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection.

Provisions Common to DIP Financing and Use of Cash Collateral

16. Amendment of the DIP Documents. The Debtors irrevocably waive any right to seek any amendment, modification, or extension of this Final Order without the prior written consent of the Required DIP Lenders, which they may grant in their discretion. The Debtors and the DIP Agent and Required DIP Lenders (or as otherwise provided in the DIP Documents) may enter into one or more amendments, waivers, consents, or other modifications to and under the DIP Documents, in each case in accordance with the terms of the applicable DIP Documents and in such form as the Debtors, the DIP Agent, and the Required DIP Lenders (or as otherwise provided in the DIP Documents) agree, in such applicable DIP Lenders' sole discretion, and no further approval of this Court shall be required for any amendment, waiver, consent, or other modification to and under the DIP Documents (and any fees paid in connection therewith) that does not materially and adversely affect the Debtors or which does not (i) shorten the maturity of the DIP Facility, (ii) increase the principal amount of or the rate of interest on the DIP Facility, or (iii) change any event of default, add any covenants, or amend the covenants to be materially more restrictive; *provided, however*, any such material amendment, waiver, consent, or other modification shall be subject to further Court approval; *provided, further*, that no motion is required to be filed to effectuate any such material amendment, waiver, consent, or other modification, and the requirements of Bankruptcy Rule 4001 and any applicable Local Rules are waived. Copies of all amendments and modifications to and under the DIP Documents, regardless of materiality, shall be provided to the U.S. Trustee and the Committee. No consent to any such

amendment, waiver, consent, or modification shall be implied by any action, inaction, or acquiescence of the DIP Secured Parties or the Prepetition Term Loan Secured Parties, as applicable.

17. Approved Budget.

(i) Attached to the Interim Order as **Exhibit B** is a 13-week budget approved by the Required DIP Lenders, which sets forth, among other things, projected cash receipts and cash disbursements (the “Approved Budget”). The Debtors may propose updates to the Approved Budget as needed (and shall provide an updated Approved Budget in form and substance satisfactory to the Required DIP Lenders (the “Updated Approved Budget”) no later than three (3) business days following entry of this Final Order), and if such updated budget is in form and substance satisfactory to the Required DIP Lenders or the DIP Agent (acting at the direction of the Required DIP Lenders), and upon (and subject to) the approval in writing of any such updated budget by the Required DIP Lenders or the DIP Agent (acting at the direction of the Required DIP Lenders), it shall become the “Approved Budget” for purposes of the DIP Documents and this Final Order. Any amendments, supplements, or modifications to the Approved Budget or an Approved Variance Report (as defined below) shall be subject to the prior written approval of the Required DIP Lenders or the DIP Agent (acting at the direction of the Required DIP Lenders) prior to the implementation thereof. Until any such updated budget, amendment, supplement, or modification has been approved by the Required DIP Lenders or the DIP Agent (acting at the direction of the Required DIP Lenders), the Debtors shall be subject to and be governed by the terms of the Approved Budget then in effect. For the avoidance of doubt, there shall be an Event of Default upon the expiration of the Approved Budget then in effect and upon the Debtors’ failure

to deliver the Updated Approved Budget no later than three (3) business days following entry of this Final Order.

(ii) The Approved Budget is approved on a final basis. The proceeds of the DIP Facility and Cash Collateral under this Final Order shall be used by the Debtors solely in accordance with the Approved Budget (subject to Permitted Variances), this Final Order, and the DIP Documents.

(iii) Other than with respect to the Carve-Out, none of the DIP Secured Parties' and the Prepetition Term Loan Secured Parties' consent to, or acknowledgement of, the Approved Budget shall be construed as consent to use the proceeds of the DIP Facility beyond the Maturity Date or the Termination Date (as defined below), as applicable, or the use of Cash Collateral beyond the expiration of the Remedies Notice Period (as defined below) following the Termination Date, regardless of whether the aggregate funds shown on the Approved Budget have been expended.

(iv) Notwithstanding anything to the contrary herein, the Debtors shall pay the fees, costs, and expenses of the DIP Professionals (as defined below) in accordance with the DIP Documents and this Final Order without reference to the Approved Budget.

18. Budget Reporting. The Debtors shall at all times comply with the Approved Budget, subject to the Permitted Variances (as defined below). By not later than 5:00 p.m. (Eastern Time) on Wednesday after the second full calendar week following the Petition Date (the "First Testing Date"), no later than 5:00 p.m. (Eastern Time) on Wednesday after the third full calendar week following the Petition Date (the "Second Testing Date"), and no later than 5:00 p.m. (Eastern Time) on each Wednesday thereafter (together with the First Testing Date and Second Testing Date, each a "Testing Date"), the Debtors shall deliver to the DIP Agent and the Committee a variance

report for the applicable Testing Period (as defined below) in form and detail acceptable to the Required DIP Lenders (which acceptance may be communicated in writing by the DIP Agent at the written direction of the Required DIP Lenders) (an “Approved Variance Report”) showing comparisons of (a) actual cumulative cash receipts for such Testing Period compared to the projected cumulative cash receipts on a line by line basis of the Debtors for such Testing Period as set forth in the Approved Budget (any such difference, a “Receipts Variance”), and (b) actual cumulative cash disbursements on a line by line basis of the Debtors for such Testing Period compared to the projected cumulative cash disbursements on a line by line basis for such Testing Period as set forth in the Approved Budget (any such difference, a “Disbursements Variance”). The term “Testing Period” means the two-week period beginning on Sunday and ending on the Saturday immediately prior to the First Testing Date, the three-week period beginning on Sunday and ending on the Saturday immediately prior to the Second Testing Date, and on a rolling four-week period beginning on Sunday and ending on the Saturday immediately prior to the applicable Testing Date thereafter.

19. Budget Testing. Each Approved Variance Report shall indicate whether there are any adverse variances that exceed the Permitted Variances (as defined below) and shall provide a written explanation for such variances. “Permitted Variances” shall mean, as of any Testing Date, a Receipts Variance up to 15% in the aggregate for all line items contained in the Approved Budget or a Disbursement Variance up to 15% for each line item contained in the Approved Budget (including professional fees of the Debtors and the Committee (including any holdback)), in each case calculated weekly commencing as of the Petition Date; *provided that* to the extent (i) the Debtor’s actual operating disbursements or actual capital expenditures are less than the projected disbursements provided for such line items in the Approved Budget, or (ii) the Debtor’s actual

receipts are greater than the projected receipts on an aggregate basis in the Approved Budget, such positive variance may be rolled forward (to the applicable line item with respect to positive variances in clause (i) and on an aggregate basis with respect to positive variances in clause (ii)) to any succeeding week for purposes of compliance with this Final Order and the DIP Term Sheet; *provided, further*, that any such rolled forward positive variance shall only be applied once.

20. Modification of Automatic Stay. Effective as of entry of the Interim Order, the automatic stay of section 362 of the Bankruptcy Code is hereby modified and vacated to the extent necessary to permit the Debtors, the DIP Secured Parties, and the Prepetition Term Loan Secured Parties to accomplish the transactions contemplated by this Final Order.

21. Perfection of DIP Liens and Term Loan Replacement Liens. Effective as of entry of the Interim Order, this Final Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Term Loan Replacement Liens, subject to the priorities set forth in **Exhibit B** to this Final Order, without the necessity of filing or recording any financing statement, mortgage, deed of trust, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Term Loan Replacement Liens or to entitle the DIP Secured Parties and the Prepetition Term Loan Secured Parties to the priorities granted herein. Notwithstanding the foregoing, the DIP Agent (for the benefit of the DIP Secured Parties) and the Prepetition Term Loan Agent (for the benefit of the Prepetition Term Loan Secured Parties) are each authorized, but not required, to file, as each deems necessary or advisable, such financing statements, security agreements, mortgages, notices of liens, and other similar documents to

perfect in accordance with applicable non-bankruptcy law or otherwise to evidence the DIP Liens and the Term Loan Replacement Liens, and all such financing statements, mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided, however,* that no such filing or recordation shall be necessary or required in order to create or perfect the DIP Liens or the Term Loan Replacement Liens. The Debtors are authorized and directed to execute and deliver promptly upon demand to the DIP Agent and the Prepetition Term Loan Agent all such financing statements, mortgages, notices, and other documents as each may reasonably request. The DIP Agent and the Prepetition Term Loan Agent may each file a photocopy of this Final Order as a financing statement with any filing or recording office or with any registry of deeds or similar office in addition to or in lieu of such financing statements, notices of lien, or similar instruments. To the extent that the Prepetition Term Loan Agent is, with respect to the DIP Collateral, the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notice or agreement, bailee letter, custom broker agreement, financing statement, account control agreement, or any other Prepetition Term Loan Document or is listed as loss payee, lenders' loss payee, or additional insured under any of the Debtors' insurance policies, the DIP Agent (for the benefit of the DIP Secured Parties) shall also be deemed to be the secured party or mortgagee, as applicable, under such documents or to be the loss payee or additional insured, as applicable. The Prepetition Term Loan Agent shall act as agent for the DIP Secured Parties solely for purposes of perfecting the DIP Secured Parties' liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Final Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party (including any deposit account control agreement), and, subject to the relative lien priorities set forth in **Exhibit B** to this Final Order, all of the Prepetition Term Loan Agent's

respective rights in such DIP Collateral shall inure to the benefit of and be exercisable exclusively by the DIP Agent until the DIP Obligations have been indefeasibly repaid in full in cash; *provided* that the DIP Agent may, in its sole discretion and acting at the direction of the Required DIP Lenders, require the Debtors and the Prepetition Term Loan Agent to (and the Debtors and the Prepetition Term Loan Agent shall) use commercially reasonable efforts to provide the DIP Agent with such possession or control as is necessary to perfect the DIP Obligations and DIP Liens. Notwithstanding the foregoing, in the event any of the Chapter 11 Cases or Successor Cases are dismissed prior to the indefeasible payment in full of the DIP Obligations, such order dismissing any Chapter 11 Cases or Successor Cases shall not be effective for five (5) business days to permit the DIP Agent and the Prepetition Term Loan Agent to enter into any agreements or file any documents (including credit agreements, financing statements, mortgages, or other notices or documents) evidencing the DIP Obligations and the perfection and priority of the DIP Liens and Term Loan Replacement Liens consistent with this Final Order, and during such period, the Debtors shall comply with all reasonable requests of the DIP Agent and the Prepetition Term Loan Agent to ensure the perfection of the DIP Liens and the Term Loan Replacement Liens, as applicable.

22. Access to Books and Records. The Debtors will (i) maintain books, records, and accounts to the extent and as required by the DIP Documents, (ii) cooperate with, consult with, and provide to the DIP Agent and the DIP Lenders all such information and documents that any or all of the Debtors are obligated to provide under the DIP Documents or the provisions of this Final Order or as otherwise reasonably requested by the DIP Agent or any of the DIP Lenders, (iii) during normal business hours, upon reasonable advance notice, permit consultants, advisors and other representatives (including third party representatives) of the DIP Agent and the DIP Lenders to

visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to conduct a collateral audit and analysis of their respective assets, inventory and accounts, to tour the Debtors' business premises and other properties, and to discuss, and provide advice with respect to, their respective business affairs, finances, properties, business operations, and accounts with their respective senior management and independent public accountants as often as may reasonably be desired, and (iv) permit the DIP Secured Parties, the Prepetition Term Loan Secured Parties, and their respective consultants, advisors, and other representatives, to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations, and assets, as provided for in the DIP Documents or as otherwise reasonably requested.

23. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Cases, shall obtain credit or incur debt pursuant to sections 364(b), 364(c) or 364(d) of the Bankruptcy Code or in violation of the DIP Documents or this Final Order at any time prior to the indefeasible repayment in full in cash of all DIP Obligations and the termination of the DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any plan with respect to any or all of the Debtors and the Debtors' Estates, and such facilities are secured by any DIP Collateral, then all cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent (for the benefit of the DIP Secured Parties) to be distributed in accordance with this Final Order and the DIP Documents. For the avoidance of doubt, if the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in the Chapter 11 Cases, or any Successor Cases, shall obtain credit or incur debt (other than the DIP Facility) pursuant to section 364(d) of the

Bankruptcy Code at any time prior to the indefeasible repayment in full in cash of the Prepetition Term Loan Obligations, the Prepetition Term Loan Secured Parties' rights to object to the Debtors' use of Cash Collateral and assert a lack of adequate protection shall be fully preserved.

24. Cash Management. The Debtors shall maintain their cash management system consistent with the terms and conditions of the Cash Management Order (as defined below), the DIP Documents, and this Final Order. Unless authorized by this Final Order or otherwise agreed to in writing by the Required DIP Lenders, the Debtors shall not maintain any deposit accounts except those identified in any interim or final order granting the Debtors authorization to continue their cash management system and certain related relief (as amended, supplemented, or otherwise modified, the "Cash Management Order"), which Cash Management Order shall be in form and substance acceptable to the Required DIP Lenders.

25. Maintenance of DIP Collateral. Until the indefeasible payment in full in cash of all DIP Obligations, all Prepetition Term Loan Obligations, and the termination of the DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall: (a) insure the DIP Collateral as required under the DIP Documents or the Prepetition Term Loan Documents, as applicable; and (b) maintain the cash management system consistent with the terms and conditions of the Cash Management Order, the DIP Documents, and this Final Order.

26. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral or Prepetition Term Loan Collateral (or enter into any binding agreement to do so), other than in the ordinary course of business or as otherwise permitted by the DIP Documents, without the prior written consent of the Required DIP Lenders, or pursuant to a sale of all or substantially all of the Debtors' assets in accordance with the Sale Motion and Sale Transaction (each as defined in the DIP Term Sheet). The Debtors are

authorized and directed to make the Mandatory Prepayments as set forth in the DIP Term Sheet, and, upon the closing of a sale of any of the DIP Collateral, immediately to pay all cash proceeds of any such sale to the DIP Agent (for the benefit of the DIP Secured Parties) or the Prepetition Term Loan Agent (for the benefit of the Prepetition Term Loan Secured Parties to be applied in accordance with the Prepetition Term Loan Documents), as applicable, subject to the lien priorities set forth in **Exhibit B** of this Final Order, and any order approving the sale of such DIP Collateral shall provide that the sale is conditioned upon payment of the cash proceeds in accordance with the lien priorities set forth in **Exhibit B** of this Final Order; *provided that* any prepayment made pursuant to romanette (ii) or (iii) of the Mandatory Prepayments section of the DIP Term Sheet shall be applied to the Roll-Up Obligations or to the Prepetition Term Loan Obligations as determined by the Required DIP Lenders.

27. **Termination Date**. On the Termination Date (as defined below), all DIP Obligations shall be immediately due and payable, and all commitments to extend credit under the DIP Facility will terminate other than as permitted by the Carve-Out.

28. **Events of Default**. Until the DIP Obligations are indefeasibly paid in full in cash and all commitments thereunder are terminated in accordance with the DIP Documents, the occurrence of any of the following events, unless waived by the Required DIP Lenders (or as otherwise provided in the DIP Documents) in writing (which may be by email) and in accordance with the terms of the DIP Documents, shall constitute an event of default (collectively, the “**Events of Default**”): (a) the failure of the Debtors to perform, in any material respect, any of the terms, provisions, conditions, covenants, or obligations under this Final Order, including, without limitation, failure to make any payment under this Final Order when due, the failure to comply with any Milestone (as defined in the DIP Term Sheet), or the failure to comply with the Approved

Budget (subject to the Permitted Variances); and (b) the occurrence and continuation of any Event of Default under, and as defined in, the DIP Term Sheet or any other DIP Documents (subject to any notice and cure periods set forth therein).

29. Milestones. As a condition to the DIP Facility and the use of Cash Collateral, the Debtors have agreed to the Milestones. For the avoidance of doubt, unless waived, modified, or extended in writing by the Required DIP Lenders, the failure of the Debtors to meet the Milestones by the Specified Deadlines (as defined in the DIP Term Sheet) shall constitute an Event of Default under the DIP Documents and this Final Order.

30. Rights and Remedies Upon Event of Default. Upon the occurrence and during the continuation of any Event of Default, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion, or notice to, hearing before, or order from the Court, but subject to the terms of this Final Order: (a) the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders, or as otherwise provided in the DIP Documents) may send a written notice to counsel to the Debtors, counsel to the Committee, and the U.S. Trustee (any such declaration shall be referred to herein as a "Termination Declaration"), which shall be filed on the docket of the Chapter 11 Cases, declaring (1) all DIP Obligations owing under the DIP Documents and this Final Order to be immediately due and payable, (2) the commitment of each DIP Lender to make DIP Loans to be terminated, whereupon such commitment and obligation shall be terminated to the extent any such commitment remains under the DIP Facility, (3) the termination of the DIP Facility and the DIP Documents as to any future liability or obligation of the DIP Lenders, but without affecting any of the DIP Liens or the DIP Obligations, and (4) the application of the Carve-Out has occurred following the delivery of the Carve-Out Trigger Notice (as defined below) to the Borrower; (b) interest, including, where applicable, default interest, shall

accrue and be paid as set forth in the DIP Documents; and (c) upon delivery of the Termination Declaration, the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) shall be deemed to have declared a termination, reduction, or restriction on the ability of the Debtors to use Cash Collateral, other than to pay expenses set forth in the Approved Budget that are necessary to avoid immediate and irreparable harm to the Debtors' Estates absent further order of the Court. The earliest date on which a Termination Declaration is delivered by the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) and filed on the docket of the Chapter 11 Cases shall be referred to herein as the "Termination Date." Following the Termination Date, no DIP Secured Party or Prepetition Term Loan Secured Party shall be required to consent to the use of any Cash Collateral or provide any loans or other financial accommodations under the DIP Facility. The Termination Declaration shall be given by email (or other electronic means) to counsel to the Debtors, counsel to the Committee, and the U.S. Trustee.

31. No Waiver by Failure to Seek Relief. The rights and remedies of the DIP Secured Parties and the Prepetition Term Loan Secured Parties are cumulative and not exclusive of any rights or remedies that the DIP Secured Parties or the Prepetition Term Loan Secured Parties may have under the DIP Documents, the Prepetition Term Loan Documents, applicable law, or otherwise. The failure or delay on the part of any of the DIP Secured Parties or the Prepetition Term Loan Secured Parties to seek relief or otherwise exercise their rights and remedies under this Final Order, the DIP Documents, the Prepetition Term Loan Documents, or applicable law, as the case may be, shall not constitute a waiver of any of their respective rights or be deemed as an admission that no Event of Default has occurred. No delay on the part of any party in the exercise of any right or remedy under this Final Order, the DIP Documents, or the Prepetition Term Loan Documents shall preclude any other or further exercise of any such right or remedy or the exercise

of any other right or remedy. Except as expressly set forth herein, none of the rights or remedies of any party under this Final Order, the DIP Documents, and the Prepetition Term Loan Documents shall be deemed to have been amended, modified, suspended, or waived unless such amendment, modification, suspension, or waiver is express, in writing, and signed by the requisite parties under the DIP Documents and the requisite parties under the Prepetition Term Loan Documents, as applicable. No consents required hereunder by any of the DIP Secured Parties or the Prepetition Term Loan Secured Parties shall be implied by any inaction or acquiescence by any of the DIP Secured Parties or the Prepetition Term Loan Secured Parties (as applicable).

32. Emergency Hearing. Upon the delivery of a Termination Declaration, the Debtors, the Committee, the DIP Secured Parties, and the Prepetition Term Loan Secured Parties consent to a hearing on an expedited basis. During the five (5) days following the date a Termination Declaration is delivered (such five (5) day period, the “Remedies Notice Period”), the Debtors shall continue to have the right to use Cash Collateral in accordance with the terms of this Final Order, solely to pay necessary expenses set forth in the Approved Budget to avoid immediate and irreparable harm to the Estates. At the end of the Remedies Notice Period, unless the Court has entered an order to the contrary, the Debtors’ right to use Cash Collateral shall immediately cease, and the DIP Secured Parties shall have the rights set forth immediately below.

33. Certain Rights and Remedies Following Termination Date. Following a Termination Date and upon either the expiration of the Remedies Notice Period or pursuant to a further order of the Court (which may authorize the remedies set forth in this paragraph or any other appropriate remedy as then determined by the Court) upon an emergency motion by the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) to be heard, subject to the Court’s availability, on no less than three (3) business days’ notice (and the Debtors

shall not object to such shortened notice) (the “Termination Enforcement Order”), the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) shall be entitled to exercise all rights and remedies in accordance with the DIP Documents, this Final Order, and applicable law and shall be permitted to satisfy the relevant DIP Obligations and DIP Liens based on the relative priorities set forth in **Exhibit B** to this Final Order. Following expiration of the Remedies Notice Period or entry of the Termination Enforcement Order, except as otherwise ordered by the Court (including in any Termination Enforcement Order): (a) subject to the lien priorities set forth in **Exhibit B** to this Final Order, the Debtors are hereby authorized and directed to, with the exclusion of the Carve-Out, remit to the DIP Agent (for the benefit of the DIP Secured Parties) one hundred percent (100%) of all collections, remittances, and proceeds of the DIP Collateral in accordance with the DIP Documents; (b) the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders or as otherwise provided in the DIP Documents) may compel the Debtors to seek authority to (i) sell or otherwise dispose of all or any portion of the DIP Collateral (or any other property of the Debtors to the extent a lien is not permitted by law to attach to such property, the proceeds of which are DIP Collateral) pursuant to section 363 of the Bankruptcy Code (or any other applicable provision) on terms and conditions acceptable to the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) pursuant to sections 363, 365, and other applicable provisions of the Bankruptcy Code, and (ii) assume and assign any lease or executory contract included in the DIP Collateral to the designees of the DIP Agent (at the direction of the Required DIP Lenders) in accordance with and subject to section 365 of the Bankruptcy Code; (c) the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) may direct the Debtors to (and the Debtors shall comply with such direction without the need for any further or additional corporate approvals under applicable state or federal

law to) dispose of or liquidate the DIP Collateral (or any other property of the Debtors to the extent a lien is not permitted by law to attach to such property, the proceeds which are DIP Collateral) on terms and conditions acceptable to the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) via one or more sales of such DIP Collateral or property or the monetization of other DIP Collateral or property, including pursuant to a strict foreclosure in accordance with applicable state law; (d) the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) may, or may direct the Debtors to (and the Debtors shall comply with such direction to), collect any and all accounts receivable, without setoff by any account debtor; (e) the Required DIP Lenders or DIP Agent (for the benefit of the DIP Secured Parties) shall be authorized to succeed to any and all of the Debtors' rights and interests under any licenses for the use of any intellectual property in order to complete the production and sale of any inventory with respect to the DIP Collateral; and (f) the Debtors shall take all action that is reasonably necessary to cooperate with the DIP Secured Parties in the exercise of their rights and remedies and to facilitate the realization of the DIP Collateral by the DIP Secured Parties in a manner consistent with the priorities set forth in **Exhibit B** to this Final Order and in the DIP Documents.

34. Access to DIP Collateral. Notwithstanding anything contained herein to the contrary and without limiting any other rights or remedies of the DIP Secured Parties under this Final Order, the DIP Documents and applicable law, after the occurrence of the Termination Date and upon either the expiration of the Remedies Notice Period or the entry of a Termination Enforcement Order, for the purpose of exercising any remedy with respect to any of the DIP Collateral, the Required DIP Lenders or the DIP Agent (or any of their respective employees, agents, consultants, contractors, or other professionals) (collectively, the "Enforcement Agents")

shall have the right (to be exercised at the direction of the Required DIP Lenders), at the sole cost and expense of the Debtors, to: (i) enter upon, occupy, and use any real or personal property, fixtures, equipment, leasehold interests, or warehouse arrangements owned or leased by the Debtors; (ii) enter into the premises of any Debtor in connection with the orderly sale or disposition of the DIP Collateral (including, without limitation, to complete any work in process); (iii) exercise any rights of the Debtors to access any DIP Collateral (including inventory) held by any third party; *provided, however*, the Enforcement Agents may only be permitted to do so in accordance with (a) existing rights under applicable non-bankruptcy law, including, without limitation, applicable leases, (b) any prepetition (and, if applicable, post-petition) landlord waivers or consents, or (c) further order of this Court on motion and notice appropriate under the circumstances; and (iv) use any and all trademarks, tradenames, copyrights, licenses, patents, equipment, or any other similar assets of the Debtors, or assets which are owned by or subject to a lien of any third party and which are used by the Debtors in their businesses; *provided, however*, the Enforcement Agents may use such assets to the extent permitted by applicable non-bankruptcy law.

35. Carve-Out. Except as otherwise provided in **Exhibit B** to this Final Order, each of the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the Prepetition Term Loan Obligations, the Prepetition Term Loan Liens, the Term Loan Replacement Liens, and the Term Loan Adequate Protection Superpriority Claims shall be subject to payment of the Carve-Out.

(i) “Carve-Out” means the following fees and expenses: (a) all statutory fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee pursuant to 28 U.S.C. § 1930(a); (b) all reasonable fees and expenses incurred by a trustee, if any, under section 726(b) of the Bankruptcy Code in an aggregate amount not exceeding \$25,000 (the amounts in these clauses (a) and (b), the “Statutory Fees”); (c) subject in all cases to the Approved

Budget, to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees, disbursements, costs, and expenses (including any restructuring, sale, success, or other transaction fee allowed and payable by the Debtors to Seabury Aviation Partners pursuant to that certain engagement letter dated December 19, 2025, and excluding any restructuring, sale, success, or other transaction fee of any other investment bankers or financial advisors retained by the Debtors or the Committee) (the “Professional Fees”) incurred by persons or firms retained by the Debtors or the Committee pursuant to section 327, 328, 363, or 1103 of the Bankruptcy Code (the “Professional Persons”) at any time before or on the first business day following delivery by the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) of a Carve-Out Trigger Notice (as defined below); and (d) Professional Fees of the Debtors not to exceed \$150,000 and Professional Fees of the Committee not to exceed \$50,000, in each case incurred after the first business day following delivery by the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) of the Carve-Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (d) being the “Post-Carve-Out Trigger Notice Cap”). For purposes of the foregoing, “Carve-Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) to the Debtors, their lead restructuring counsel, the U.S. Trustee, and lead restructuring counsel to the Committee, which notice may be delivered, at the direction of the Required DIP Lenders, following the occurrence and during the continuation of an Event of Default, stating that the Post-Carve-Out Trigger Notice Cap has been invoked. No portion of the Carve-Out, any Cash Collateral, any other DIP Collateral, or any proceeds of the DIP Facility, including any disbursements set forth in the Approved Budget or obligations benefitting from the

Carve-Out, shall be used for the payment of Professional Fees, disbursements, costs, or expenses incurred by any person, including, without limitation, the Committee, in connection with challenging the DIP Secured Parties' or the Prepetition Term Loan Secured Parties' liens or claims, preventing, hindering, or delaying any of the DIP Secured Parties' or the Prepetition Term Loan Secured Parties' enforcement or realization upon any of the DIP Collateral or the Prepetition Term Loan Collateral, or initiating or prosecuting any claim or action against any DIP Secured Party or Prepetition Term Loan Secured Party; *provided that*, notwithstanding anything herein to the contrary, proceeds from the DIP Facility or Cash Collateral not to exceed \$50,000 in the aggregate (the "Investigation Budget") may be used on account of Professional Fees incurred by Professional Persons of the Committee during the Challenge Period (as defined below) in connection with the investigation of avoidance actions or any other claims or causes of action (but not the prosecution of such actions) on account of the Prepetition Term Loan Obligations, the Prepetition Term Loan Liens, and Prepetition Term Loan Secured Parties (but not the DIP Facility and DIP Secured Parties).

(ii) Professional Fee Reserve. Prior to the delivery of the Carve-Out Trigger Notice, on a weekly basis, the Debtors shall fund from the DIP Facility or cash on hand, into a trust account of the Debtors' lead counsel (the "Funded Reserve Account") held for the benefit of Professional Persons, an amount equal to the aggregate amount of the estimated accrued fees of Professional Persons based on and subject in all cases to the Approved Budget, to the extent remaining unpaid as of the Friday of the preceding week (and not previously funded to the Funded Reserve Account). Upon the delivery of the Carve-Out Trigger Notice, the Carve-Out Trigger Notice shall (a) be deemed a request by the Debtors to use DIP Loans or Cash Collateral, in an amount equal to (i) the sum of the aggregate unpaid amount of the total budgeted weekly fees of

Professional Persons incurred before or on the first business day following delivery by the Required DIP Lenders or the DIP Agent (at the direction of the Required DIP Lenders) of a Carve-Out Trigger Notice (to the extent not previously funded to the Funded Reserve Account) based on and subject in all cases to the Approved Budget, and (ii) the Post-Carve-Out Trigger Notice Cap (less any amounts already funded into the Funded Reserve Account in respect of such amounts) (any such amounts actually advanced shall constitute DIP Loans); and (b) constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the amounts set forth in clauses (a)(i) and (ii) (less any amounts already funded into the Funded Reserve Account in respect of such amounts). For the avoidance of doubt, in no event shall any DIP Lender be required to fund any amount in excess of its then-outstanding commitments under the DIP Facility.

(iii) The Debtors shall use funds held in the Funded Reserve Account exclusively to pay Professional Fees included within the Carve-Out as they become allowed and payable pursuant to the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any interim or final orders of the Court; *provided that* when all Professional Fees and the other obligations that are a part of the Carve-Out have been paid in full (regardless of when such Professional Fees are allowed by the Court), any funds remaining in the Funded Reserve Account shall revert to the DIP Agent for the benefit of the DIP Secured Parties. Funds transferred to the Funded Reserve Account shall be subject to the DIP Liens, DIP Superpriority Claims, Term Loan Replacement Liens, and Term Loan Adequate Protection Superpriority Claims granted hereunder; *provided that*, for the avoidance of doubt, such liens and claims shall be subject in all respects to the Carve-Out.

(iv) Notwithstanding anything to the contrary in the DIP Documents, this Final Order, or any other Court order, the Funded Reserve Account and the amounts on deposit in the

Funded Reserve Account shall be available and used only to satisfy Professional Fees benefitting from the Carve-Out and the other obligations that are a part of the Carve-Out until such amounts have been satisfied in full. The failure of the Funded Reserve Account to satisfy Professional Fees in full shall not affect the priority of the Carve-Out; *provided* that, to the extent that the Funded Reserve Account is actually funded, the Carve-Out shall be reduced by such funded amount on a dollar-for-dollar basis.

(v) No Direct Obligation to Pay Professional Fees; No Waiver of Right to Object to Fees. None of the DIP Secured Parties or Prepetition Term Loan Secured Parties shall be responsible for the direct payment or reimbursement of any fees or disbursements of any of the Professional Persons incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate any of the DIP Secured Parties or Prepetition Term Loan Secured Parties in any way to compensate, or to reimburse expenses of, any of the Professional Persons, or to guarantee that the Debtors or their Estates have sufficient funds to pay such compensation or reimbursement. Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors, the Committee, any other official or unofficial committee in these Chapter 11 Cases or any Successor Cases, or of any other person or entity, or shall affect the right of any party to object to the allowance and payment of any such fees and expenses.

36. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order. The DIP Secured Parties and the Prepetition Term Loan Secured Parties have acted in good faith in connection with this Final Order and are entitled to rely upon the protections granted herein and by section 364(e) of the Bankruptcy Code. Based on the findings set forth in this Final Order and the record made during the Interim Hearing and the Final Hearing, and in

accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Final Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court, the DIP Secured Parties and Prepetition Term Loan Secured Parties are entitled to the protections provided in section 364(e) of the Bankruptcy Code. Any such modification, amendment, or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder, or lien, claim, or priority authorized or created hereby.

37. Approval of DIP Fees. In consideration for the DIP Facility and the consent to the use of Cash Collateral in accordance with the terms of this Final Order, the DIP Secured Parties shall be paid all fees, expenses, and other amounts payable under the DIP Documents as such become due, including, without limitation, the Upfront Fee and the Exit Fee, and all reasonable and documented fees, costs, and expenses, including legal fees of the DIP Agent (limited to one lead counsel and one local counsel) and the DIP Lenders, financial advisor fees of the DIP Lenders, and similar fees, costs, and expenses of the DIP Lenders incurred in connection with the DIP Facility and the Chapter 11 Cases, including, without limitation, the reasonable and documented fees, costs, and expenses of (a) counsel to the DIP Lenders (limited to one lead counsel and one local counsel), and (b) specialty or local counsel to the DIP Lenders in each relevant jurisdiction (all such fees, collectively, the “DIP Fees”). The DIP Financing Fees were fully earned upon entry of the Interim Order and the DIP Fees shall be payable in accordance with the terms of the DIP Documents and this Final Order, without the need for any further order of this Court. The DIP Fees shall be part of the DIP Obligations. Any and all DIP Fees paid prior to the Petition Date by any of the Debtors to the DIP Secured Parties in connection with or with respect to the DIP Facility in each case are hereby approved in full.

38. Lender Professionals' Fees. Professionals for the DIP Secured Parties (the "DIP Professionals") and professionals for the Prepetition Term Loan Secured Parties (the "Prepetition Term Loan Professionals") and together with the DIP Professionals, the "Lender Professionals") shall not be required to comply with the U.S. Trustee fee guidelines or file applications or motions with, or obtain approval of, this Court for compensation and reimbursement of fees and expenses. The Lender Professionals shall submit copies of summary invoices (which may be redacted to the extent necessary to protect any information subject to attorney-client privilege, attorney work product, or other applicable privilege) to counsel for the Debtors, the U.S. Trustee, and counsel for the Committee. The summary invoices shall provide only the total aggregate number of hours billed and a summary description of services provided and the expenses incurred by the applicable party or professionals, and shall be subject to all applicable privilege and work product doctrines. If the Debtors, U.S. Trustee, or the Committee objects to the reasonableness of the fees and expenses of any Lender Professional and cannot resolve such objection within fourteen (14) days after receipt of such invoices, then the Debtors, U.S. Trustee, or the Committee, as the case may be, shall file with this Court and serve on such Lender Professional an objection (the "Fee Objection"), and any failure by any such party to file a Fee Objection within such fourteen (14) day period shall constitute a waiver of any right of such party to object to the applicable invoice. Notwithstanding any provision herein to the contrary, any objection to, and any hearing on an objection to, payment of any fees, costs, and expenses set forth in a professional fee invoice in respect of the Lender Professionals shall be limited to the reasonableness of the particular items or categories of the fees, costs, and expenses that are the subject of such objection. The Debtors shall timely pay in accordance with the terms and conditions of this Final Order (a) the undisputed fees,

costs, and expenses reflected on any invoice to which a Fee Objection has been timely filed, and
(b) all fees, costs, and expenses on any invoice to which no Fee Objection has been timely filed.

39. Indemnification. The Debtors shall indemnify and hold harmless the DIP Secured Parties, each of their respective successors, assigns, affiliates, parents, subsidiaries, partners, controlling persons, representatives, agents, attorneys, advisors, financial advisors, consultants, professionals, officers, directors, members, managers, shareholders, and employees past, present, and future (solely in their respective capacities as such), and their respective heirs, predecessors, successors, and assigns in accordance with, and subject to, the terms and conditions of this Final Order and the DIP Documents except to the extent resulting solely from such party's actual fraud or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction.

40. Right to Credit Bid. In connection with any sale or other disposition of the DIP Collateral or Prepetition Term Loan Collateral including any sales occurring under or pursuant to section 363 of the Bankruptcy Code, any plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code, or a sale or disposition by a chapter 7 trustee for any of the Debtors under section 725 of the Bankruptcy Code (any of the foregoing sales or dispositions, a "Sale"), the DIP Agent (at the direction of the Required DIP Lenders) and the Prepetition Term Loan Agent (at the direction of the Required Lenders (as defined in the Prepetition Credit Agreement)) shall be authorized subject to section 363(k) of the Bankruptcy Code to credit bid on a dollar-for-dollar basis any or all of the outstanding DIP Obligations (including the Roll-Up Obligations) and Prepetition Term Loan Obligations (and any other applicable obligations) up to the full amount of the DIP Obligations and Prepetition Term Loan Obligations (and any other applicable obligations held by the DIP Secured Parties and Prepetition Term Loan Secured Parties), respectively,

including any accrued interest, expenses, and fees, in a Sale (including any deposit in connection with such sale) of any DIP Collateral or Prepetition Term Loan Collateral, whether such sale is effectuated through section 363 or 1129 of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise, without the need for further court authorization. The DIP Agent (at the direction of the Required DIP Lenders) and the Prepetition Term Loan Agent (at the direction of the Required Lenders (as defined in the Prepetition Credit Agreement)) shall each have the absolute right to assign, transfer, sell, or otherwise dispose of their respective rights to credit bid to any acquisition vehicle formed in connection with such bid or other designee.

41. Proofs of Claim. Neither the DIP Secured Parties nor the Prepetition Term Loan Secured Parties will be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim arising under the DIP Documents or the Prepetition Term Loan Documents, including any claim for adequate protection by the Prepetition Term Loan Secured Parties. The Debtors' stipulations, admissions, and acknowledgments and the provisions of this Final Order shall be deemed to constitute timely filed proofs of claim for the DIP Secured Parties and the Prepetition Term Loan Secured Parties with regard to all claims arising under the DIP Documents and the Prepetition Term Loan Documents, and, as a result, the DIP Obligations and the Prepetition Term Loan Obligations shall be deemed allowed for all purposes in accordance with section 502(a) of the Bankruptcy Code.

42. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve-Out. Except as otherwise expressly permitted in this Final Order and the Approved Budget (including with respect to the Investigation Budget), the DIP Collateral, the Prepetition Term Loan Collateral, the Cash Collateral, and the Carve-Out may not be used in connection with: (a) preventing, hindering, or delaying the DIP Secured Parties or the Prepetition Term Loan Secured Parties' enforcement or

realization upon any of the DIP Collateral or Prepetition Term Loan Collateral; (b) using or seeking to use Cash Collateral or selling or otherwise disposing of DIP Collateral outside the ordinary course of business without the prior written consent of the Required DIP Lenders; (c) outside the ordinary course of business, using or seeking to use any insurance proceeds constituting DIP Collateral without the prior written consent of the Required DIP Lenders; (d) incurring any indebtedness without the prior written consent of the Required DIP Lenders; (e) seeking to amend or modify any of the rights granted to the DIP Secured Parties or the Prepetition Term Loan Secured Parties under this Final Order, the DIP Documents, or the Prepetition Term Loan Documents; (f) objecting to or challenging in any way the DIP Liens, the DIP Obligations, the Prepetition Term Loan Liens, the Prepetition Term Loan Obligations, the DIP Collateral (including Cash Collateral) or, as the case may be, Prepetition Term Loan Collateral, or any other claims or liens, held by or on behalf of any of the DIP Secured Parties or the Prepetition Term Loan Secured Parties, respectively; (g) asserting, commencing, or prosecuting any claims or causes of action whatsoever, including, without limitation, any actions under chapter 5 of the Bankruptcy Code, applicable state law equivalents, any so-called “lender liability” claims and causes of action, or other actions to recover or disgorge payments against the DIP Secured Parties, the Prepetition Term Loan Secured Parties, or any of their respective affiliates, successors, assigns, partners, shareholders, controlling persons, directors, officers, employees, agents, attorneys, advisors, and professionals; (h) litigating, objecting to, challenging, contesting in any manner, or raising any defenses to the validity, extent, amount, perfection, priority, or enforceability of any of the DIP Obligations, the DIP Liens, the Prepetition Term Loan Liens, the Prepetition Term Loan Obligations, or any other rights or interests of the DIP Secured Parties or the Prepetition Term

Loan Secured Parties; or (i) seeking to Challenge (as defined below), subordinate, recharacterize, disallow, or avoid the DIP Obligations or the Prepetition Term Loan Obligations.

43. Turnover. Prior to the indefeasible payment in full in cash and the complete satisfaction of all DIP Obligations and termination of the commitments in accordance with the DIP Documents, any party who holds a lien or security interest in DIP Collateral that is junior or subordinate to the DIP Liens or a claim that is subordinate to the DIP Superpriority Claims (including any of the Prepetition Term Loan Secured Parties) receives or is paid the proceeds of any DIP Collateral other than as expressly permitted in the DIP Documents and this Final Order (whether in connection with the exercise of any right or remedy (including setoff), payment or distribution from the Debtors, mistake or otherwise), such party shall be deemed to have received, and shall hold, such proceeds or payments in trust for the DIP Secured Parties and shall immediately turn over such amounts to the DIP Agent, in the same form as received, with any necessary endorsements, for distribution to the DIP Lenders to repay the DIP Obligations in accordance with the DIP Documents and this Final Order until indefeasibly paid in full in cash.

44. Effect of Stipulations on Third Parties. The Debtors' Stipulations contained in paragraph G and releases contained in paragraph I hereof (the "Debtors' Releases") were binding in all circumstances upon the Debtors upon entry of the Interim Order, as ratified by this Final Order, and shall be binding on the Committee, the Debtors' Estates and any successor thereto in all circumstances for all purposes immediately upon the Challenge Period Termination Date (as defined below). The Committee expressly waives all rights to assert a Challenge (as defined below). The Debtors' Stipulations and Debtors' Releases shall be binding upon each other party in interest, except to the extent such party in interest *first* obtains standing (including any chapter 11 trustee or if the Chapter 11 Cases are converted to cases under chapter 7 prior to the expiration

of the Challenge Period, the chapter 7 trustee in such Successor Case), by no later than the date that is the earlier of (x) one business day before the hearing to consider approval of a sale of all or substantially all of the Debtors' assets, and (y) April 29, 2026 (such time period established by the earlier of clauses (x) and (y) or as such period may be extended with the prior written consent of the Required Lenders (as that term is defined in the Prepetition Credit Agreement) shall be referred to as the "Challenge Period," and the date that is the next calendar day after the termination of the Challenge Period in the event that either (i) no Challenge (as defined below) is properly raised during the Challenge Period or (ii) with respect only to those parties who properly file a contested matter, adversary proceeding, or other matter challenging or otherwise objecting to the admissions, stipulations, findings, or releases set forth in this Final Order, including the Debtors' Stipulations and the Debtors' Releases (each, a "Challenge"), such Challenge is fully and finally adjudicated, with the applicable date established by clauses (i) and (ii), the "Challenge Period Termination Date"), and *second* obtains a final, non-appealable order in favor of such party in interest sustaining any such Challenge in any such timely-filed contested matter, adversary proceeding, or other action (any such Challenge timely brought for which such a final and non-appealable order is so obtained, a "Successful Challenge"). Notwithstanding anything in this Final Order to the contrary, the Challenge Period Termination Date with respect to the Committee is the date of this Final Order, the Committee's Challenge Period has terminated upon entry of this Final Order, and the Committee shall not file a Challenge or a motion seeking standing to file a Challenge on or after the date hereof. The filing of a motion by the Committee seeking standing to file a Challenge before expiration of the Challenge Period, which attaches a proposed Challenge, shall extend the Challenge Period solely with respect to such Committee until two (2) business days after the Court approves the standing motion, or such other time period ordered by the Court in approving the

standing motion and solely with respect to the Challenges asserted in the complaint. Except as otherwise expressly provided herein, from and after the Challenge Period Termination Date and for all purposes in these Chapter 11 Cases and any Successor Cases (and after the dismissal of these Chapter 11 Cases or any Successor Cases), and without further notice, motion, or application to, order of, or hearing before this Court, (i) any and all payments made to or for the benefit of the Prepetition Term Loan Secured Parties or otherwise authorized by this Final Order (whether made prior to, on, or after the Petition Date) shall be indefeasible and not be subject to counterclaim, setoff, subordination, recharacterization, defense, disallowance, recovery, or avoidance by any party in interest, (ii) any and all such Challenges by any party in interest shall be deemed to be forever released, waived, and barred, (iii) all of the Prepetition Term Loan Obligations shall be deemed to be fully allowed claims within the meaning of section 506 of the Bankruptcy Code, and (iv) the Debtors' Stipulations and Debtors' Releases shall be binding on all parties in interest in these Chapter 11 Cases and any Successor Cases, including the Committee or chapter 11 or chapter 7 trustee; *provided* that any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors in these Chapter 11 Cases or any Successor Cases before expiration of the Challenge Period shall not be bound by the Stipulations until ten (10) days after such trustee's appointment or election. Notwithstanding the foregoing, to the extent any Challenge is timely asserted, the Debtors' Stipulations, the Debtors' Releases, and the other provisions in clauses (i) through (iv) in the immediately preceding sentence shall nonetheless remain binding and preclusive on the Committee and on any other party in interest from and after the Challenge Period Termination Date, except to the extent that such Debtors' Stipulations, Debtors' Releases, or the other provisions in clauses (i) through (iv) of the immediately preceding sentence were expressly challenged in such Challenge and such Challenge becomes a Successful Challenge; *provided* that

all other stipulations and releases (other than those subject to a Successful Challenge) shall remain binding on the Committee and all other parties in interest. Notwithstanding any provision to the contrary herein, nothing in this Final Order shall be construed to grant standing on any party in interest, including the Committee, to bring any Challenge on behalf of the Debtors' Estates. The failure of any party in interest, including the Committee, to obtain an order of this Court prior to the Challenge Period Termination Date granting standing to bring any Challenge on behalf of the Debtors' Estates shall not be a defense to failing to commence a Challenge prior to the Challenge Period Termination Date as required under this paragraph 44 or to require or permit an extension of the Challenge Period Termination Date. To the extent any such Challenge is timely and properly commenced, the Prepetition Term Loan Agent and any other Prepetition Term Loan Secured Party shall be entitled to payment of the related costs and expenses, including but not limited to reasonable attorneys' fees, incurred in defending themselves and the other Prepetition Term Loan Secured Parties in any such proceeding as adequate protection, except if a Challenge results in a determination that any part of the Prepetition Term Loan Liens are invalid. Notwithstanding anything to the contrary herein, Challenges may be brought against the Roll-Up Obligations prior to the Challenge Period Termination Date, and the Court may order appropriate relief in the event of any Successful Challenge to the Roll-Up Obligations. Nothing herein shall limit the Committee's (or other party in interest's) ability to (x) file a motion in respect of any timely Challenge for which it may not be able to obtain standing as a matter of law because the applicable Debtor is a limited liability company (an "LLC Challenge Motion"), and (y) seek pursuant to such LLC Challenge Motion a mechanism by which to prosecute such Challenge. In the event the Committee or other party in interest files an LLC Challenge Motion for which it may not be able to obtain standing, the expiration of the Challenge Period solely for the specific Challenge set forth

in the LLC Challenge Motion shall be tolled pending further order of the Court, and applicable parties shall meet and confer with respect to an appropriate process for the prosecution of any such Challenge.

45. No Third-Party Rights. Except as explicitly provided for herein or in any of the DIP Documents, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder, or direct, indirect, or incidental beneficiary.

46. No Lender Liability. In determining to make any loan (whether under the DIP Documents or otherwise) or to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Final Order or the DIP Documents or taking any other act permitted under this Final Order and the DIP Documents, none of the DIP Secured Parties or Prepetition Term Loan Secured Parties shall (i) be considered or deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the *United States Comprehensive Environmental Response, Compensation and Liability Act*, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal, state, or local statute or regulation), (ii) shall be considered or deemed to be a joint employer with any of the Debtors, or (iii) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates. Furthermore, nothing in this Final Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Secured Parties or the Prepetition Term Loan Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code).

47. Section 506(c) Claims. Subject to the provisions of the Carve-Out and as a further condition of the DIP Facility and any obligation of the DIP Lenders to make credit extensions

pursuant to the DIP Documents (and the prior written consent of the DIP Secured Parties to the payment of the Carve-Out to the extent provided herein and the prior written consent of the Prepetition Term Loan Secured Parties to the priming of the Prepetition Term Loan Liens by the DIP Facility and the use of Cash Collateral): (a) no costs or expenses of administration of the Chapter 11 Cases or any Successor Cases shall be charged against or recovered from or against any or all of the DIP Secured Parties or the Prepetition Term Loan Secured Parties with respect to the DIP Collateral or the Prepetition Term Loan Collateral, in each case pursuant to section 105 or section 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the DIP Secured Parties or the Prepetition Term Loan Secured Parties, as applicable; and (b) no such consent shall be implied from any other action, inaction, or acquiescence of any or all of the DIP Secured Parties or the Prepetition Term Loan Secured Parties.

48. No Marshaling. Other than as expressly set forth in this paragraph and in the Committee Resolution (defined below), the DIP Secured Parties and the Prepetition Term Loan Secured Parties shall not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Term Loan Collateral, as applicable. Notwithstanding the foregoing, prior to seeking payment or satisfaction of any DIP Obligations or DIP Superpriority Claims from any cash or property constituting Litigation Trust Assets (as defined in the Committee Resolution (defined below)), including Avoidance Proceeds, the DIP Secured Parties shall first satisfy such obligations and claims from all other DIP Collateral.

49. Section 552(b). The DIP Secured Parties and the Prepetition Term Loan Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the DIP Secured Parties or the Prepetition Term Loan Secured Parties, as applicable,

with respect to proceeds, product, offspring, or profits of any of the DIP Collateral or Prepetition Term Loan Collateral, as applicable.

50. Limitation on Liability. Nothing in this Final Order or the DIP Documents shall in any way be construed or interpreted to impose or allow the imposition of any liability upon the DIP Secured Parties or Prepetition Term Loan Secured Parties for any claims arising from the prepetition or postpetition activities of the Debtors, including in connection with the operation of their businesses, their restructuring efforts, or the administration of these Chapter 11 Cases. In addition: (a) the DIP Secured Parties shall not in any way or manner be liable or responsible for (i) the safe-keeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any Diminution thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person; and (b) all risk of loss, damage, or destruction of the DIP Collateral shall be borne by the Debtors.

51. Release of DIP Secured Parties. Effective as of entry of the Interim Order, as ratified by this Final Order, the Debtors, on their own behalf and on behalf of their Estates, forever and irrevocably: (i) released, discharged, and acquitted each of the DIP Secured Parties and each of their former or current officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors in interest (solely in their respective capacities as such) of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, of every type, including, without limitation, any so-called “lender liability” or equitable subordination claims or defenses, solely with respect to or relating to the negotiation and entry into the DIP Documents; and (ii) waived, discharged, and released any and all defenses (including, without limitation, offsets and counterclaims of any nature or kind) as

to the validity, perfection, priority, enforceability, and avoidability of the DIP Liens and the DIP Obligations.

52. Insurance Proceeds and Policies. Effective as of entry of the Interim Order, as ratified by this Final Order, and to the fullest extent provided by applicable law, the DIP Agent (for the benefit of the DIP Secured Parties) has been, and shall be deemed to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

53. Binding Effect of Final Order. Immediately upon entry of this Final Order by this Court, the terms and provisions of this Final Order shall become valid and binding upon and inure to the benefit of the Debtors, the DIP Secured Parties, the Prepetition Term Loan Secured Parties, all other creditors of any of the Debtors, the Committee (or any other court appointed committee) appointed in the Chapter 11 Cases, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Chapter 11 Cases, any Successor Cases, or upon dismissal of any Chapter 11 Case or Successor Case.

54. Discharge. Except as otherwise agreed in writing by the Required DIP Lenders (or the DIP Agent (acting at the direction of the Required DIP Lenders)) and the Prepetition Term Loan Agent (acting at the direction of the Required Lenders, as that term is defined in the Prepetition Credit Agreement), the DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization or liquidation in any of the Chapter 11 Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash (and, in the case of DIP Obligations, indefeasibly paid in full as provided by the DIP Documents (including by credit bid)), on or before the effective date

of such confirmed plan of reorganization or liquidation. If any of the Debtors propose or support any plan of reorganization, plan of liquidation, or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that is not conditioned upon the indefeasible payment (including by credit bid) of the DIP Obligations, and the payment of the Debtors' obligations with respect to the adequate protection provided for herein, in full in cash within a commercially reasonable period of time (and in no event later than the effective date of such plan of reorganization, plan of liquidation, or sale) (a "Non-Consensual Plan or Sale") without the prior written consent of the Required DIP Lenders or the DIP Agent (acting at the direction of the Required DIP Lenders) and the Prepetition Term Loan Agent (acting at the direction of the Required Lenders (as defined in the Prepetition Credit Agreement)), the Debtors' proposal or support of a Non-Consensual Plan or Sale, or the entry of an order with respect thereto, shall constitute an Event of Default hereunder and under the DIP Documents.

55. Joint and Several. The Debtors shall be jointly and severally liable for the DIP Obligations and all other obligations hereunder in accordance with the terms of this Final Order and the DIP Documents.

56. Survival. The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization or liquidation in any of the Chapter 11 Cases; (b) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Chapter 11 Cases or Successor Cases. The terms and provisions of this Final Order, including the claims, liens, security interests, and other protections granted to the DIP Secured Parties and the Prepetition Term Loan Secured Parties pursuant to this Final Order and the DIP Documents, shall

continue in the Chapter 11 Cases, in any Successor Cases, or following dismissal of the Chapter 11 Cases or any Successor Cases, and shall maintain their priority as provided by this Final Order until: (i) in respect of the DIP Facility, all the DIP Obligations, pursuant to the DIP Documents and this Final Order, have been indefeasibly paid in full in cash (such payment being without prejudice to any terms or provisions contained in the DIP Facility which survive such discharge by their terms), and all commitments to extend credit under the DIP Facility are terminated; and (ii) in respect of the Prepetition Term Loan Facility, all of the Prepetition Term Loan Obligations pursuant to the Prepetition Term Loan Documents and this Final Order have been indefeasibly paid in full in cash. The terms and provisions concerning the indemnification of the DIP Secured Parties shall continue in the Chapter 11 Cases, in any Successor Cases, following dismissal of the Chapter 11 Cases or any Successor Cases, and following termination of the DIP Documents or the indefeasible repayment of the DIP Obligations. In addition, the terms and provisions of this Final Order shall continue in full force and effect for the benefit of the Prepetition Term Loan Secured Parties notwithstanding the repayment in full or termination of the DIP Obligations until such time as the Prepetition Term Loan Obligations have been indefeasibly paid in full in cash.

57. Priority of Terms. To the extent of any conflict between or among (a) the express terms or provisions of any of the DIP Documents, the Motion, or the Cash Management Motion, on the one hand, and (b) the terms and provisions of this Final Order, on the other hand, unless such term or provision herein is phrased in terms of “as defined in” or “as set forth in” any of the DIP Documents, the Prepetition Credit Agreement, or other agreement or document, the terms and provisions of this Final Order shall govern.

58. Necessary Action. Effective as of entry of the Interim Order, the Debtors are authorized to take any and all such actions and to make, execute, and deliver any and all

instruments as may be reasonably necessary to implement the terms and conditions of this Final Order and the transactions contemplated hereby.

59. Enforceability. This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be enforceable immediately upon entry thereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014 of the Bankruptcy Rules, any applicable Local Rules, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

60. Headings. The headings in this Final Order are for purposes of reference only and shall not limit or otherwise affect the meaning of this Final Order.

61. Retention of Jurisdiction. This Court has and will retain jurisdiction to enforce this Final Order according to its terms.

62. Spirit Reservation of Rights. Nothing in this Final Order, the DIP Term Sheet, or the other DIP Documents grants a security interest, lien, or other interest in, or shall otherwise encumber, sell, prime, prejudice, limit or otherwise alter or impair Spirit Airlines, LLC's (formerly Spirit Airlines, Inc.) or its affiliates' (collectively, "Spirit") (i) claims, rights or interests, including property and ownership interests, in and to any property owned by Spirit or (ii) rights, claims, defenses, rights of setoff or recoupment, or other interests, including liens, security interests, and other interests in property. For the avoidance of doubt, Spirit's ability to challenge the Debtors' Stipulations or the Debtors' Releases in this Final Order are subject to paragraph 44; *provided that*, the relative priority of any secured claims (including setoff or recoupment), liens, security interests, and other interests held by Spirit and the Prepetition Term Loan Secured Parties shall be governed by applicable law, notwithstanding anything stated in this Final Order to the contrary.

63. EDC Resolution. Notwithstanding anything to the contrary in this Final Order, to fully and finally resolve the issues raised by the EDC Secured Parties in connection with the Motion, this Final Order, the proposed sale to the Stalking Horse Bidder as defined in and contemplated by the Sale Motion (as defined below),⁶ the Sale Motion, the Bid Procedures, and the credit bid of the Stalking Horse Bidder (or other designee of the DIP Secured Parties and/or the Prepetition Term Loan Secured Parties), the Debtors, DIP Secured Parties, Prepetition Term Loan Secured Parties, and EDC Secured Parties (collectively, the “EDC Resolution Parties”) have agreed to the following terms of a global resolution (the “EDC Resolution”), which shall be binding upon each of the EDC Resolution Parties and any trustee appointed in these Chapter 11 Cases or any Successor Case immediately upon entry of this Final Order:

(i) The EDC Secured Parties acknowledge and agree on behalf of themselves and their respective affiliates that the DIP Liens and Prepetition Term Loan Liens are senior in all respects to any liens of the EDC Secured Parties with respect to the Monterey Collateral (as defined below).

(ii) The Debtors, DIP Lenders, and Prepetition Term Loan Lenders agree to exclude both Medellin simulators (one A320 flight simulator bearing manufacturer’s serial number SN-00002635 (A320#9/TRU 2635) and one A320 flight simulator bearing manufacturer’s serial number SN-00002659 (A320 #15/TRU 2659)) (collectively, the “Medellin Simulators”) from the proposed sale to the Stalking Horse Bidder.

⁶ Capitalized terms used but not defined in this paragraph 63 and paragraph 64 shall have the meanings ascribed to such terms in the *Motion for (I) an Order (A) Approving Bid Procedures for the Sale of the Debtors’ Assets; (B) Approving Certain Bid Protections in Connection with the Debtors’ Entry into Stalking Horse APA; (C) Scheduling the Auction and Sale Hearing; (D) Approving the Form and Manner of Notice Thereof; and (E) Granting Related Relief; and (II) an Order or Orders (A) Approving the Sale of the Debtors’ Assets Free and Clear of All Encumbrances; and (B) Approving the Assumption and Assignment of Executory Contracts and Unexpired Leases* [Docket No. 13] (the “Sale Motion”).

(iii) The Debtors, EDC Secured Parties, DIP Lenders, and Prepetition Term Loan Lenders stipulate, acknowledge, and agree that the EDC Liens are senior in priority relative to the Prepetition Term Loan Liens and DIP Liens solely with respect to the Medellin Collateral (as defined below).

(iv) The EDC Secured Parties consent to entry of this Final Order. Subject to the express terms of paragraph 63(iii), in furtherance of the EDC Resolution, the EDC Secured Parties agree, and hereby are deemed, to irrevocably waive and forever release and relinquish any and all Challenges, effective as of the Petition Date.

(v) Subject to paragraph 63(ii), the EDC Secured Parties shall consent (and are hereby deemed to consent) to the proposed sale to the Stalking Horse Bidder contemplated by the Stalking Horse APA, including with respect to the credit bid for the Monterey Collateral (including the Monterey simulator (one A320 flight simulator bearing manufacturer's serial number 115493 (A320 #12/CAE 115493)), whether pursuant to section 363 of the Bankruptcy Code, a chapter 11 plan, or otherwise, and the EDC Secured Parties shall consent (and are hereby deemed to consent) to entry of an order approving such sale and transferring such assets free and clear of any lien or interest of the EDC Secured Parties.

(vi) The DIP Lenders and Prepetition Term Loan Lenders shall consent (and are hereby deemed to consent) to any sale of the Medellin Collateral proposed by the Debtors and EDC Secured Parties (other than a sale to the DIP Lenders, Prepetition Term Loan Lenders, or any of their respective affiliates, without the written consent of the applicable foregoing entity and applicable EDC Secured Parties), and to entry of an order approving such sale and transferring such assets free and clear of any lien or interest of the DIP Lenders and Prepetition Term Loan Lenders. The Debtors shall (a) work in good faith with the EDC Secured Parties to facilitate such public or private sale pursuant to section 363 of the Bankruptcy Code, a chapter 11 plan, or otherwise, (b) pay rent for the facility located at Vereda

Chachafruto, Zona Franca Rionegro, Bodega 143, Rionegro, Colombia through and including May 31, 2026, and (c) maintain current insurance on the Medellin Simulators through and including May 31, 2026; *provided that* the payments required by clauses (b) and (c) shall be included in and made in accordance with and subject to the Approved Budget. Subject to the foregoing proviso, the DIP Lenders and Prepetition Term Loan Lenders agree that cash collateral or DIP Loan proceeds may be used by the Debtors to pay the expenses set forth in clauses (b) and (c). To the extent the Medellin Collateral is not sold by May 31, 2026 (which deadline may be extended by written agreement of the Debtors, DIP Lenders, and EDC Secured Parties), (x) the EDC Secured Parties shall be granted relief from the automatic stay under section 362 of the Bankruptcy Code to permit the EDC Secured Parties, without further notice or order of the Court, to exercise any and all rights and remedies available to the EDC Secured Parties under applicable non-bankruptcy law solely with respect to the Medellin Collateral and (y) the Medellin Collateral shall be deemed abandoned by the Debtors and their Estates. For the avoidance of doubt, the sale of the Medellin Collateral contemplated in this paragraph 63(vi) shall not be subject to or governed by the Bid Procedures.

(a) Each of the DIP Lenders hereby appoints Wilmington Trust, National Association to act on its behalf as the DIP Agent under the Term Sheet and the DIP Documents and authorizes the DIP Agent to take such actions on its behalf and to exercise such powers as are delegated to the DIP Agent by the terms of the Term Sheet and the DIP Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Exhibit are solely for the benefit of the DIP Agent and the DIP Lenders, and no DIP Loan Party nor any of its subsidiaries shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” in the Term Sheet or in any DIP Documents (or any other similar term) with reference to the DIP Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Notwithstanding any provision to the contrary contained elsewhere in the Term Sheet or in any DIP Document, the DIP Agent shall not have any duties or responsibilities, except those expressly set forth in the Term Sheet or such other DIP Document, nor shall the DIP Agent have or be deemed to have any fiduciary relationship with any DIP Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into the Term Sheet or any DIP Document or otherwise exist against the DIP Agent.

Section 1.2 Exculpatory Provisions.

(a) The DIP Agent shall not have any duties or obligations except those expressly set forth in the Term Sheet and in the DIP Documents, and its duties under the Term Sheet and any DIP Document shall be administrative in nature. Without limiting the generality of the foregoing, the DIP Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a default or Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Term Sheet or by the DIP Documents that the DIP Agent is required to exercise as directed in writing by the Required DIP Lenders (or such other number or percentage of the DIP Lenders as shall be expressly provided for in the Term Sheet or in the DIP Documents); provided, that the DIP Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the DIP Agent to liability or that is contrary to the Term Sheet, any DIP Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law or that may effect a forfeiture, modification or termination of property of a defaulting DIP Lender in violation of any debtor relief law;

(iii) shall not, except as expressly set forth in the Term Sheet or in the DIP Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any DIP Loan Party or any of its affiliates that is communicated to or obtained by the DIP Agent or any of its affiliates in any capacity;

(iv) shall not be required to risk or expend its own funds in performing its obligations under the Term Sheet or any DIP Document;

(v) shall not be responsible or liable for any failure or delay in the performance of its obligations under the Term Sheet or any DIP Document arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision or any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; pandemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility;

(vi) shall not have any responsibility for or have a duty to monitor or maintain any portion of the DIP Collateral;

(vii) shall not have any responsibility, obligation or liability relating to the preparation or filing of any UCC financing statement or continuation statement or the correctness of any financing statement filed in connection with the Term Sheet or any DIP Document or the validity or perfection of any lien or secured interest created pursuant to the DIP Documents;

(viii) shall not have any liability for any action taken, or errors in judgment made, in good faith by it or any of its officers, employees or agents, unless it shall have been grossly negligent in ascertaining the pertinent facts;

(ix) shall not be liable, directly or indirectly, for any special, indirect, punitive or consequential damages, even if the DIP Agent has been advised of the possibility of such damages and regardless of the form of action;

(x) shall not be responsible for nor have any duty to monitor the performance or any action of the DIP Loan Parties, or any of their directors, members, officers, agents, affiliates or employees, nor shall it have any liability in connection with the malfeasance or nonfeasance by such parties. The DIP Agent may assume performance by all such persons of their respective obligations. The DIP Agent shall have no enforcement or notification obligations relating to breaches or representations or warranties of any other person;

(xi) shall not be under any obligation to exercise any of the rights or powers vested in it by the Term Sheet or any DIP Document at the request or direction of the Required DIP Lenders, pursuant to the provisions of the Term Sheet or such other DIP Document, unless such DIP Lenders shall have offered to the DIP Agent security or indemnity (satisfactory to the DIP Agent in its sole and absolute discretion) against the costs, expenses and liabilities which may be incurred by it in compliance with such request or direction;

(b) The DIP Agent shall not be liable for any action taken or not taken by it (i) with the written consent, direction or at the request of the Required DIP Lenders (or such other number or percentage of the DIP Lenders as shall be necessary, or as the DIP Agent shall believe in good faith shall be necessary, under the circumstances) or (ii) in the absence of its own gross negligence or willful misconduct, as determined by a court of competent jurisdiction by final and nonappealable judgment. The DIP Agent shall be deemed not to have knowledge of any default or Event of Default unless and until an officer of the DIP Agent responsible for the administration of the Term Sheet or the applicable DIP Documents has received notice describing such default or Event of Default and conspicuously marked as a "notice of default" is given to the DIP Agent in writing by the Borrower or a DIP Lender.

(c) The DIP Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with the Term Sheet or any DIP Document, (ii) the contents of any certificate, report or other document delivered under the Term Sheet or any DIP Document or in connection with the Term Sheet or any DIP Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in the Term Sheet or any DIP Document or the occurrence of any default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of the Term Sheet, any DIP Document or any other agreement, instrument or document or (v) the satisfaction of any conditions set forth in the Term Sheet or any DIP Document.

(d) Notwithstanding anything else to the contrary set forth in the Term Sheet or any DIP Document, whenever reference is made in the Term Sheet or any DIP Document, to any discretionary action by, consent, designation, specification, requirement or approval of, notice request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the DIP Agent, or to any election, decision, opinion, acceptance, use of judgement, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the DIP Agent (including for the avoidance of doubt any such actions that are “satisfactory to the DIP Agent”, “approved by the DIP Agent”, “acceptable to the DIP Agent”, “agreed by the DIP Agent”, “consented by the DIP Agent”, “as required by the DIP Agent”, “as determined by the DIP Agent”, “as specified by the DIP Agent”, “in the DIP Agent’s discretion”, “selected by the DIP Agent”, “the DIP Agent may establish”, “as may be granted by the DIP Agent”, “advisable by the DIP Agent”, “deemed appropriate by the DIP Agent”, and phrases of similar import authorizing and permitting the DIP Agent to approve, disapprove, determine, act or decline to act in its discretion, as applicable, under the Term Sheet or any DIP Document (other than with respect to any amendment to the Term Sheet or any DIP Document that affects the obligations, rights, protections, immunities or indemnities of the DIP Agent which shall be solely at the discretion of the DIP Agent), such provision shall refer to the DIP Agent exercising each of the foregoing at the instruction and with the sole consent of the Required DIP Lenders, and (ii) it is understood that in all cases that such permissive rights shall not be construed as a duty of the DIP Agent and the DIP Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence from Required DIP Lenders in respect of such action.

Section 1.3 Reliance by DIP Agent. The DIP Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, report, opinion, direction, document or other writing (including any electronic message, internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The DIP Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition under the Term Sheet or any DIP Document to the making of a loan that by its terms must be fulfilled to the satisfaction of a DIP Lender, the DIP Agent may presume that such condition is satisfactory to such DIP Lender unless the DIP Agent shall have received notice to the contrary from such DIP Lender prior to the making of such loan. The DIP Agent may consult with legal counsel (who may be counsel for a DIP Loan Party or DIP Lender), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The DIP Agent shall be entitled to request, receive and rely upon such certificates as it may reasonably determine appropriate with respect to the satisfaction of any specified circumstances or conditions precedent to such action. The DIP Agent may rely on the Register and deem and treat the DIP Lender specified in the Register with respect to any amount owing under the Term Sheet or any DIP Document as

the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the DIP Agent.

Section 1.4 Delegation of Duties. The DIP Agent may perform any and all of its duties and exercise its rights and powers under the Term Sheet or under any DIP Document by or through any one or more sub-agents appointed by the DIP Agent. The DIP Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective affiliates, partners, directors, officers, employees, agents, trustees, administrators, managers, advisors and representatives of the DIP Agent and any such sub-agent (collectively, the “Related Parties”). The exculpatory provisions of this Section shall apply to any such sub-agent and to the Related Parties of the DIP Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for in the Term Sheet or DIP Documents as well as activities as DIP Agent. The DIP Agent shall not be responsible for the actions, omissions, negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the DIP Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 1.5 Resignation or Removal of DIP Agent.

(a) The DIP Agent may at any time give notice of its resignation to the DIP Lenders and the Borrower. Upon receipt of any such notice of resignation (or removal pursuant to paragraph (b) below of this Section 1.5), the Required DIP Lenders shall have the right to appoint a successor which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required DIP Lenders and shall have accepted such appointment within thirty (30) days after the retiring DIP Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required DIP Lenders) (the “Resignation Effective Date”), then the retiring DIP Agent may (but shall not be obligated to) on behalf of the DIP Lenders and at the cost and expense of the Borrower, appoint, or petition a court of competent jurisdiction to appoint, a successor DIP Agent meeting the qualifications set forth above. Whether or not a successor has been appointed such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) The Required DIP Lenders may, at any time, by notice in writing to the Borrower and the DIP Agent remove the DIP Agent and appoint a successor. If no such successor shall have been so appointed by the Required DIP Lenders and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Required DIP Lenders) (the “Removal Effective Date”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) Notwithstanding anything to the contrary contained in clauses (a) or (b) above, the Resignation Effective Date or Removal Effective Date, as applicable shall not become effective until, the resigning, retiring or removed DIP Agent has (i) transferred to such successor DIP Agent all sums and other items of DIP Collateral held by the resigning, retiring or removed DIP Agent under the Term Sheet and the DIP Documents, together with all records and other documents reasonably requested by such successor in connection with the performance of the duties of the successor DIP Agent under the Term Sheet and DIP Documents, and (ii) taken such actions, as may be reasonably requested by such successor DIP Agent in connection with the assignment to and continued perfection of the successor DIP Agent of the security interests created under the Term Sheet and the DIP Documents. With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Agent shall be discharged from its duties and obligations under the Term Sheet and under the DIP Documents

(except that in the case of any DIP Collateral security held by such DIP Agent on behalf of the DIP Lenders under the Term Sheet or any of the DIP Documents, the retiring or removed DIP Agent shall continue to hold such DIP Collateral security until such time as a successor DIP Agent is appointed) and (2) except for any indemnity payments, expenses, fees or other reimbursable payments owed to the retiring or removed DIP Agent, all payments, communications and determinations provided to be made by, to or through the DIP Agent shall instead be made by or to each DIP Lender directly, until such time as the Required DIP Lenders appoint a successor DIP Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as DIP Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed DIP Agent (other than any rights to indemnity payments, expenses, fees or other reimbursable payments owed to the retiring or removed DIP Agent), and the retiring or removed DIP Agent shall be discharged from all of its duties and obligations under the Term Sheet or under the DIP Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor DIP Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed DIP Agent's resignation or removal hereunder and under the other DIP Documents, the provisions of this Exhibit shall continue in effect for the benefit of such retiring or removed DIP Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed DIP Agent was acting as DIP Agent. In addition, and subject to the first sentence of this Section 1.5, the Required DIP Lenders may remove the DIP Agent for cause upon prior written notice to the DIP Agent and the Borrower.

(d) Any person into which the DIP Agent may be merged or converted or with which it may be consolidated, or any person resulting from any merger, conversion or consolidation to which the DIP Agent shall be a party, or any person succeeding to the business of the DIP Agent shall be the successor of the DIP Agent without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto, except where an instrument of transfer or assignment is required by law to effect such succession, anything herein to the contrary notwithstanding.

Section 1.6 Non-Reliance on DIP Agent and Other Lenders. Each of the DIP Lenders acknowledges that it has, independently and without reliance upon the DIP Agent or any other DIP Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into the Term Sheet and the DIP Documents. Each of the DIP Lenders also acknowledges that it will, independently and without reliance upon the DIP Agent or any other DIP Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon the Term Sheet, any DIP Document or any related agreement or any document furnished thereunder.

Section 1.7 Legal Orders. If at any time the DIP Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process (including orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any DIP Collateral), the DIP Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate, and if the DIP Agent complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, the DIP Agent shall not be liable to any of the parties hereto or to any other person even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

Section 1.8 DIP Agent May File Proofs of Claim. In case of the pendency of any proceeding under any debtor relief law or any other judicial proceeding relative to any DIP Loan Party, the DIP Agent (irrespective of whether the principal of any loan shall then be due and payable under the Term Sheet or any DIP Document or by declaration or otherwise and irrespective of whether the DIP Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the loans and all other obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the DIP Lenders and the DIP Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the DIP Lenders and the DIP Agent and their respective agents and counsel and all other amounts due to the DIP Lenders and the DIP Agent) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each DIP Lender to make such payments to the DIP Agent and, in the event that the DIP Agent shall consent to the making of such payments directly to the DIP Lenders, to pay to the DIP Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the DIP Agent and its agents and counsel, and any other amounts due to the DIP Agent).
