Debtors.

Chapter 11

Case No. 25-10603 (TMH)

(Jointly Administered)

March 2025 Monthly Operating Report Global Notes

General:

1. There are seven Debtor entities, jointly administered under CTN Holdings, Inc. Case Number 25-10603 (TMH) (see footnote 1) as of the filing of these Global Notes. CTN Holdings, Inc. is the primary operating company for the Debtor entities. Catona Climate Solutions, LLC holds certain assets and liabilities that are generally constant, and one de minimus bank account that is inactive. Aspiration Fund Adviser, LLC is a non-operating company that holds pre-petition accounts payable and no bank accounts. Aspiration Fund Adviser, LLC is related to CTN Holdings, Inc.'s former consumer finance company. For these three Debtor entities, to the extent there are financial statements relative to the Monthly Operating Reports, part 1, part 2, part 4, part 6, and part 7 are completed and the appropriate support documentation is provided (cash flow, balance sheet, and income statement). The remaining four entities (CTN SPV Holdings, LLC, Make Earth Green Again, LLC, Aspiration QFZ, LLC, and Zero Carbon Holdings, LLC), they do not have any financial activity on their books and records, maintain no cash accounts, and have no financial information to report.

¹ The Debtors in these chapter 11 cases, along with the last four digits of the Debtors' federal tax identification numbers, are CTN Holdings, Inc. (9122), CTN SPV Holdings, LLC (8689), Make Earth Green Again, LLC (4441), Aspiration QFZ, LLC (1532), Aspiration Fund Adviser, LLC (4214), Catona Climate Solutions, LLC (3375) and Zero Carbon Holdings, LLC (1679). The mailing address for the Debtors is 548 Market Street, PMB 72015, San Francisco, CA 94104-5401.

2. The Debtors' chapter 11 bankruptcy cases were filed on March 30, 2025. These Monthly Operating Reports are prepared for the one-day post-petition activity occurring on March 31, 2025. Certain transactions are recorded on the last day of each month. The Debtors have made efforts to bifurcate all financials, however, certain adjusting entries were entered into the financial records as of the last day of the month.
3. Financial statements prepared for the Monthly Operating Reports are provided on an unaudited basis. Hence, the numbers are subject to further revisions and can change in the future. Certain financial information reported on these Monthly Operating Reports have been adjusted from the books and records of the Debtors, as appropriate, to accurately reflect current values. All information in these Monthly Operating Reports is based on the representations of the Debtors' management team and is subject to change.
4. The values reported on these Monthly Operating Reports may vary from the Statements and Schedules previously filed in this case. This is primarily due to GAAP accounting procedures that are recognized in the books and records of the Debtors for the treatment of things like future interest and accruals.

Part 1: Cash Receipts and Disbursements

5. Cash receipts and disbursements schedule are presented on book basis; based on the Debtors' journal entries.

Part 2: Asset and Liability Status

6. Certain accounts receivables have been written off as uncollectible since the filing of the Statements of Financial Affairs and Statements of Assets and Liabilities.
7. Certain adjustments have been made to asset and liability accounts of the Debtors' financial statement to reflect unrecorded post-petition events, as well as unrecorded adjustments that should have occurred as a result of the bankruptcy filing. Debtors' management is preparing these required adjustments and will be noted in future Monthly Operating Reports as appropriate.
8. All Debtor entities are subject to certain pre-petition secured debt obligations of CTN Holdings, Inc. either as a co-borrower, grantor, or otherwise. These Monthly Operating

Reports do not duplicate secured debt among the various guarantors, grantors, or co-borrowers. The totality of the secured debt is represented in CTN Holdings, Inc.'s Monthly Operating Report. Please see the appropriate Schedules and Statements and associated Global Notes for each of the individual debtors for reference for further details on who is co-debtor to what portion of secured debt.

9. Certain liabilities numbers are based on the Debtors' estimates and subject to revisions and claims reconciliation procedures.
10. The Debtors' financial statements do not reflect all the liabilities scheduled in the Statements of Financial Affairs and the Statements of Assets and Liabilities previously filed in this case. This is due to the fact that certain pre-petition liabilities such as net operating loss carry forwards, litigated judgments, certain contractual liabilities, etc. have not historically been recorded on the books and records of the Debtors.

Part 3: Assets Sold or Transferred

11. The only asset transfer during the period was the transfer of fully amortized company-owned computers of CTN Holdings, Inc. These computers were given by management to certain employees who were laid off. This equipment was in the possession of the employees in their remote, personal workspace with no likelihood of being able to retrieve such equipment. To the extent that any of the equipment had any residual value, the Debtor wrote this equipment off of the financial statements. Management believes that the value of said equipment was approximately \$4,000.

Part 4: Income Statement

12. Income is only being reported for Catona Climate Solutions, LLC. Although this income was associated with the pre-petition sale of carbon credits, the Debtors' revenue recognition guidelines require that this income be recognized at month end. No other Debtor entity had revenue during the reporting period of this Monthly Operating Report.

Part 7: Questionnaire

13. Note that the answers provided in part 7, item i are identical for all debtors despite the policies being held at the CTN Holdings, Inc. level, as these policies cover all Debtor entities.
