CTN Holdings, Inc., *et al.*,¹

Debtors.

Chapter 11

Case No. 25-10603 (TMH)

(Jointly Administered)

June 2025 Monthly Operating Report Global Notes

General:

1. There are eight Debtor entities, jointly administered under CTN Holdings, Inc. Case Number 25-10603 (TMH) (see footnote 1) as of the filing of these Global Notes. CTN Holdings, Inc. is the primary operating company for the Debtor entities. Catona Climate Solutions, LLC holds certain assets and liabilities that are generally constant, and one de minimus bank account that is inactive. Aspiration Fund Adviser, LLC is a non-operating company that holds pre-petition accounts payable and no bank accounts. Aspiration Fund Adviser, LLC is related to CTN Holdings, Inc.'s former consumer finance company. For these three Debtor entities, to the extent there are financial statements relative to the Monthly Operating Reports, part 1, part 2, part 4, part 6, and part 7 are completed and the appropriate support documentation is provided (cash flow, balance sheet, and income statement). The remaining five entities (CTN SPV Holdings, LLC, Make Earth Green Again, LLC, Aspiration QFZ, LLC, Zero Carbon Holdings, LLC, and Carbon Sequestration III, LLC), do not have any financial activity on their books and records, maintain no cash accounts, and have no financial information to report.

¹ The Debtors in these chapter 11 cases, along with the last four digits of the Debtors' federal tax identification numbers, are CTN Holdings, Inc. (9122), CTN SPV Holdings, LLC (8689), Make Earth Green Again, LLC (4441), Aspiration QFZ, LLC (1532), Aspiration Fund Adviser, LLC (4214), Catona Climate Solutions, LLC (3375), Zero Carbon Holdings, LLC (1679), and Carbon Sequestration III, LLC (2344). The mailing address for the Debtors is 548 Market Street, PMB 72015, San Francisco, CA 94104-5401.

2. Financial statements prepared for the Monthly Operating Reports are provided on an unaudited basis. Hence, the numbers are subject to further revisions and can change in the future. Certain financial information reported on these Monthly Operating Reports have been adjusted from the books and records of the Debtors, as appropriate, to accurately reflect current values. All information in these Monthly Operating Reports is based on the representations of the Debtors' management team and is subject to change. Note that these MORs have been prepared without the benefit of closed June books, as the Debtor's finance team resigned before these could be closed. As such, best efforts have been made based on available resources to produce this MOR.
3. The values reported on these Monthly Operating Reports may vary from the Statements and Schedules previously filed in this case. This is primarily due to GAAP accounting procedures that are recognized in the books and records of the Debtors for the treatment of things like future interest and accruals.

Part 1: Cash Receipts and Disbursements

4. Cash receipts and disbursements schedule are presented on book basis; based on the Debtors' journal entries.

Part 2: Asset and Liability Status

5. Certain accounts receivables have been written off as uncollectible since the filing of the Statements of Financial Affairs and Statements of Assets and Liabilities.
6. Certain adjustments have been made to asset and liability accounts of the Debtors' financial statement to reflect unrecorded post-petition events, as well as unrecorded adjustments that should have occurred as a result of the bankruptcy filing. Debtors' management is preparing these required adjustments and will be noted in future Monthly Operating Reports as appropriate.
7. All Debtor entities are subject to certain pre-petition secured debt obligations of CTN Holdings, Inc. either as a co-borrower, grantor, or otherwise. These Monthly Operating Reports do not duplicate secured debt among the various guarantors, grantors, or co-borrowers. The totality of the secured debt is represented in CTN Holdings, Inc.'s Monthly Operating Report. Please see the appropriate Schedules and Statements and associated

Global Notes for each of the individual debtors for reference for further details on who is co-debtor to what portion of secured debt.

8. During the three weeks immediately preceding the bankruptcy filing the senior secured creditor Inherent Aspiration, LLC provided \$1.175M in protective advances that were rolled over into the DIP financing as set forth in Debtor's Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Post-Petition Financing and (B) Use Cash Collateral, (II) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (III) Granting Adequate Protection to the Prepetition Term Loan Secured Parties, (IV) Modifying the Automatic Stay, (V) Scheduling a Final Hearing and (VI) Granting Related Relief [Docket No. 21]. These protective advances are included in Inherent Aspiration, LLC's stated pre-petition secured debt.
9. Certain liabilities numbers are based on the Debtors' estimates and subject to revisions and claims reconciliation procedures.
10. The Debtors' financial statements do not reflect all the liabilities scheduled in the Statements of Financial Affairs and the Statements of Assets and Liabilities previously filed in this case. This is due to the fact that certain pre-petition liabilities such as net operating loss carry forwards, litigated judgments, certain contractual liabilities, etc. have not historically been recorded on the books and records of the Debtors.

Part 4: Income Statement

11. No Debtor entity had revenue during the reporting period of this Monthly Operating Report.

Part 5: Pro Fees

12. The Debtors in this jointly administered case required payments to bankruptcy professionals during the period. Out of an abundance of caution, all payments made to bankruptcy professionals listed in Part 5 have been listed on each Debtor's MOR in duplicate. All payments made to professionals were made by Debtor CTN Holdings, Inc. for the benefit of all Debtors. To bifurcate or allocate professional fees between the Debtor entities would be unduly burdensome and not provide any incremental value to the estate of the Debtor entities.

Part 7: Questionnaire

13. Note that the answers provided in part 7, item i are identical for all debtors despite the policies being held at the CTN Holdings, Inc. level, as these policies cover all Debtor entities.
