- b. Accumulations of Common Stock. At least 20 business days prior to effectuating any transfer of Beneficial Ownership of Common Stock that would result in an increase in the amount of Common Stock as to which a Substantial Equityholder has Beneficial Ownership or would result in a person or Entity becoming a Substantial Equityholder (including the exercise of any Option to acquire Common Stock that would result in the amount of Common Stock beneficially owned by any person or Entity that currently is or, as a result of the proposed transaction, would be, a Substantial Equityholder), the parties to such transaction must file with the Court and serve upon the Declaration Notice Parties an advance written declaration of the intended transfer of Common Stock, substantially in the form of Exhibit 1B attached to these Procedures (each, a “Declaration of Intent to Accumulate Common Stock”).
- c. Transfers of Common Stock. At least 20 business days prior to effectuating any transfer of Beneficial Ownership of Common Stock that would result in a decrease in the amount of Common Stock of which a Substantial Equityholder has Beneficial Ownership or would

result in a person or Entity ceasing to be a Substantial Equityholder, the parties to such transaction must file with the Court and serve upon the Declaration Notice Parties an advance written declaration of the intended transfer of Common Stock, substantially in the form of Exhibit 1C attached to these Procedures (each, a “Declaration of Intent to Transfer Common Stock or Options” and, together with a Declaration of Intent to Accumulate Common Stock, each, a “Declaration of Proposed Transfer”).

- d. Notice of Majority Stock Ownership. Any person or Entity that, at any time on or after the Petition Date, is a Majority Equityholder must file with the Court and serve upon the Declaration Notice Parties a declaration of such status, substantially in the form of Exhibit 1D attached to these Procedures (each, a “Declaration of Status as a Majority Equityholder”), on or before the later of (i) 20 business days after the date of the Notice of Interim Order (as defined herein) and (ii) 10 calendar days after becoming a Majority Equityholder; provided, that for the avoidance of doubt, the other procedures set forth herein shall apply to any Majority Equityholder even if no Declaration of Status as a Majority Equityholder has been filed.
- e. Notice of Intent to Claim a Worthless Stock Deduction. At least 20 business days before a Majority Equityholder files any federal income tax return, or any amendment to such a return, claiming a Worthless Stock Deduction for a tax year of the Majority Equityholder ending on or before the effective date of a chapter 11 plan of reorganization for the Debtors, such Majority Equityholder must file with the Court and serve upon the Declaration Notice Parties an advanced written declaration of the intended Worthless Stock Deduction, substantially in the form of Exhibit 1E attached to these Procedures (a “Declaration of Proposed Worthless Stock Deduction”).
- f. Objection Procedures.
 - i. The Debtors shall have 15 business days after receipt of a Declaration of Proposed Transfer or a Declaration of Proposed Worthless Stock Deduction to file with the Court and serve on such person or Entity an objection to the proposed transaction on the grounds that such transaction might adversely affect the Debtors’ ability to utilize their Tax Attributes.
 - ii. If the Debtors file an objection, the proposed transaction will remain ineffective unless such objection is withdrawn by the Debtors or such transaction is approved by a final and non-appealable order of the Court.
 - iii. If the Debtors do not object within such 15-business day period, the proposed transaction may proceed solely as set forth in the applicable Declaration of Proposed Transfer or Declaration of Proposed Worthless Stock Deduction. Further transactions within the scope of the Procedures must be the subject of additional notices in accordance with the Procedures, with an additional 15-business day waiting period for each Declaration of Proposed Transfer or Declaration of Proposed Worthless Stock Deduction.

- g. For purposes of these Procedures for Transfers of or Claims of Worthless Stock Deductions with Respect to Beneficial Ownership of Common Stock:
- i. “Entity” has the meaning as such term is defined in section 1.382-3(a) of the Treasury Regulations, including any group of persons who have a formal or informal understanding among themselves to make a coordinated acquisition of stock.
 - ii. “Majority Equityholder” means (A) any person that Beneficially Owns at least 8,720,042 shares of Common Stock (representing approximately 50% of all issued and outstanding shares of Common Stock, and determined by taking into account shares of Class A Common Stock and Class B Common Stock on an aggregate basis) or (B) any person that would be a “50-percent shareholder” (within the meaning of section 382(g)(4)(D) of the IRC) with respect to its Beneficial Ownership of Common Stock if such person claimed a Worthless Stock Deduction at any time on or after the Petition Date;
 - iii. “Nominee” means any bank, broker, intermediary, or mailing agent that holds Common Stock in “street name” for beneficial holders;
 - iv. “Substantial Equityholder” means any person or Entity that has Beneficial Ownership of at least 784,803 shares of Common Stock (representing approximately 4.5% of all issued and outstanding shares of Common Stock as of the Petition Date, and determined by taking into account shares of Class A Common Stock and Class B Common Stock on an aggregate basis); and
 - v. “Worthless Stock Deduction” means any claim (for U.S. federal income tax reporting purposes) of a worthlessness deduction under section 165 of the IRC with respect to Beneficial Ownership of Common Stock.

vi. Procedures Applicable to Transfers of Claims Against the Debtors

- a. Disclosure of 382(l)(5) Plan. If the proponent of a plan of reorganization (a “Plan Proponent”) determines that any of the reorganized Debtors likely could qualify for and benefit from the application of section 382(l)(5) of the IRC and reasonably anticipates that a Post-Emergence Company will invoke such section, then the Plan Proponent, in proposing a 382(l)(5) Plan, shall disclose the following in its proposed disclosure statement or, in the case of items (iii) through (v) described below, a later, separate notice (collectively, the “Proposed 382(l)(5) Disclosure Statement”):
- i. Adequate information about the incremental tax benefits anticipated to be realized through the use of section 382(l)(5) of the IRC that, taking into account the applicable Debtor’s anticipated net unrealized built-in gains or net unrealized built-in losses, would not otherwise be available;
 - ii. A summary of any restrictions expected to be imposed on the transferability of securities issued under the 382(l)(5) Plan in order to preserve such incremental tax benefits;
 - iii. The (A) dollar amount of Applicable Claims (by class or other applicable classification) expected to result in a one-percent (1%) interest in the New Interests and (B) number (or other measure) of any of the specified interests (the “Owned Interests”) in the applicable Debtor which shall include, but not necessarily be limited to, Common Stock expected to result in a one-percent (1%) interest in the New Interests, in each case based upon then-available information;
 - iv. A specified date (the “Determination Date”) that is not less than 10 days after the service of the notice of the hearing with respect to the Proposed 382(l)(5) Disclosure Statement;
 - v. A specified date (the “Reporting Deadline”) that is not less than 5 days after the Determination Date, by which persons (including Entities) must serve on various parties the notice required by these Procedures (the “Notice of Substantial Claim Ownership”); and
 - vi. In the event that items (iii) through (v) above are disclosed in a separate notice after the filing of the proposed disclosure statement, such items shall also be disclosed in a separate filing with the Securities and Exchange Commission on Form 8-K.
- b. Notice of Substantial Claim Ownership.
- i. Any person (including any Entity) that beneficially owns either (i) more than a specified amount of Applicable Claims² or (ii) a lower amount of Applicable

² This “specified amount” is to be reasonably established by the Plan Proponent, taking into account the terms of the 382(l)(5) Plan, and disclosed in the Proposed 382(l)(5) Disclosure Statement. The “specified amount” may be expressed by class or type of Claim(s), if applicable.

Claims that (based on the applicable information set forth in the Proposed 382(l)(5) Disclosure Statement), when taking into account any Owned Interests beneficially owned by a holder of Applicable Claims (including pursuant to the applicable aggregation rules), in each case, that is reasonably expected to result in such holder of Applicable Claims holding the Applicable Percentage of the New Interests, in each case as of the Determination Date, shall serve upon the Plan Proponent and its counsel (and the Debtors and their counsel if not the Plan Proponent) a Notice of Substantial Claim Ownership, in substantially the form annexed to the Procedures as Exhibit 1F (or as adjusted and annexed to the Proposed 382(l)(5) Disclosure Statement) on or before the Reporting Deadline. Such person or Entity also shall set forth in the Notice of Substantial Claim Ownership its Beneficial Ownership, if any, of any Owned Interests and whether it agrees to refrain from acquiring Beneficial Ownership of additional Owned Interests (and Options to acquire the same) until after the effective date of the 382(l)(5) Plan and to immediately dispose of any Owned Interests or Options (if acquired on or after the Petition Date and prior to submitting its Notice of Substantial Claim Ownership). A person (including any Entity) that is required to file a Notice of Substantial Claim Ownership may or may not be a Substantial Claimholder. The standard for a person (including an Entity) being required to file a Notice of Substantial Claim Ownership is different than the definition of a Substantial Claimholder. At the election of the Substantial Claimholder, the Notice of Substantial Claim Ownership to be filed with the Court (but not the Notice of Substantial Claim Ownership that is served upon the Debtors and the attorneys for the Debtors) may be redacted to exclude the Substantial Claimholder's taxpayer identification number.

- ii. In order to assist in determining their eligibility to avail themselves of the relief set forth in section 382(l)(5) of the IRC, the Debtors may request³ from any person (including any Entity) that beneficially owns either (i) more than a specified amount of Applicable Claims (which may be expressed by class or type of Claim(s), if applicable) or (ii) a lower amount of Applicable Claims that, when taking into account the Owned Interests beneficially owned by a holder of Applicable Claims (including pursuant to the applicable aggregation rules), could result in such holder of Applicable Claims holding the Applicable Percentage of the New Interests, in each case, as of the date specified in such request, information regarding its Beneficial Ownership of Applicable Claims and Owned Interests (and Options to acquire the same) prior to the filing of the Proposed 382(l)(5) Disclosure Statement, in a manner consistent with these Procedures. A response to such request shall be served upon the Debtors and their counsel. In addition, the Debtors shall disclose such request in a separate filing with the Securities and Exchange Commission on Form 8-K.
- iii. Any person (including any Entity) that fails to comply with its notification obligations set forth in this paragraph shall, among other things, be subject to such

³ For purposes of making this determination, such request shall include information comparable to the information that would be required in a Proposed 382(l)(5) Disclosure Statement pursuant to these Procedures.

remedy as the Court may find appropriate upon motion by the Debtors, after service of the Motion upon such person or Entity and a hearing on the Motion in accordance with the Federal Rules of Bankruptcy Procedure, including, without limitation, ordering such noncompliant person or Entity to divest itself promptly of any Beneficial Ownership of Applicable Claims to the extent of such person's (or Entity's) ownership of an Excess Amount and imposing monetary damages for any costs reasonably incurred by the Debtors that were caused by the violation and enforcement of this paragraph.

c. Claims Trading Before and After Determination Date.

- i. Any person (including any Entity) generally may trade freely and make a market in Claims until the Determination Date.
- ii. After the Determination Date, any acquisition of Applicable Claims by a person (including any Entity) who filed or is or was required to file a Notice of Substantial Claim Ownership or by a person or Entity who would be required to file a Notice of Substantial Claim Ownership as a result of the consummation of the contemplated transaction if the proposed acquisition date had been the Determination Date (each such person or Entity, a "Proposed Claims Transferee") shall not be effective unless consummated in compliance with these Procedures.
- iii. At least ten (10) days prior to the proposed date of any acquisition of Applicable Claims by a Proposed Claims Transferee (a "Proposed Claims Acquisition Transaction"), such Proposed Claims Transferee shall serve upon the Plan Proponent and its counsel (and the Debtors and their counsel if not the Plan Proponent) a notice of such Proposed Claims Transferee's request to purchase, acquire, or otherwise accumulate an Applicable Claim (a "Claims Acquisition Request"), in substantially the form annexed to the Procedures as Exhibit 1G, which describes specifically and in detail the Proposed Claims Acquisition Transaction, regardless of whether such transfer would be subject to the filing, notice, and hearing requirements set forth in Bankruptcy Rule 3001. At the election of the Substantial Claimholder, the Claims Acquisition Request to be filed with the Court (but not the Claims Acquisition Request that is served upon the Debtors and the attorneys for the Debtors) may be redacted to exclude the Substantial Claimholder's taxpayer identification number.
- iv. The Plan Proponent may determine, in consultation with the Debtors (if not the Plan Proponent), whether to approve a Claims Acquisition Request. If the Plan Proponent does not approve a Claims Acquisition Request in writing within eight days after the Claims Acquisition Request is filed with the Court, the Claims Acquisition Request shall be deemed rejected.

d. Creditor Conduct and Sell-Down.

- i. To permit reliance by the Debtors on Treasury Regulations section 1.382-9(d)(3), upon the entry of the Final Order, any Substantial Claimholder that participates in

formulating any chapter 11 plan of or on behalf of the Debtors (which shall include, without limitation, making any suggestions or proposals to the Debtors or their advisors with regard to such a chapter 11 plan) shall not disclose or otherwise make evident to the Debtors that any Applicable Claims in which such Substantial Claimholder has a Beneficial Ownership are Newly Traded Claims, unless compelled to do so by an order of a court of competent jurisdiction or some other applicable legal requirement, provided, however, that the following activities shall not constitute participation in formulating a chapter 11 plan *if*, in pursuing such activities, the Substantial Claimholder does not disclose or otherwise make evident (unless compelled to do so by an order of a court of competent jurisdiction or some other applicable legal requirement) to the Debtors that such Substantial Claimholder has Beneficial Ownership of Newly Traded Claims: filing an objection to a proposed disclosure statement or to confirmation of a proposed chapter 11 plan; voting to accept or reject a proposed chapter 11 plan; reviewing or commenting on a proposed business plan; providing information on a confidential basis to counsel to the Debtors; holding general membership on an official committee or an ad hoc committee; or taking any action required by an order of the Court.

- ii. Following the Determination Date, if the Plan Proponent determines that Substantial Claimholders must sell or transfer all or a portion of their Beneficial Ownership of Applicable Claims in order to ensure that the requirements of section 382(l)(5) of the IRC will be satisfied, the Plan Proponent may file a motion with the Court for entry of an order—after notice to counsel to the Debtors (if the Debtors are not the Plan Proponent), and the relevant Substantial Claimholder(s) and a hearing—approving the issuance of a notice (each, a “Sell-Down Notice”) that such Substantial Claimholder must sell, cause to sell, or otherwise transfer a specified amount of its Beneficial Ownership of Applicable Claims (by class or other applicable classification) equal to the excess of (x) the amount of Applicable Claims beneficially owned by such Substantial Claimholder over (y) the Maximum Amount for such Substantial Claimholder (such excess amount, an “Excess Amount”). The motion shall be heard on expedited basis such that the Court can render a decision on the motion at or before the hearing on confirmation of the 382(l)(5) Plan. If the Court approves the Plan Proponent’s motion for the issuance of a Sell-Down Notice, the Plan Proponent shall provide the Sell-Down Notice to the relevant Substantial Claimholder(s).
- iii. Notwithstanding anything to the contrary in these Procedures, no Substantial Claimholder shall be required to sell, cause to sell, or otherwise transfer any Beneficial Ownership of Applicable Claims if such sale or transfer would result in the Substantial Claimholder’s Beneficial Ownership of an aggregate amount of Applicable Claims (by class or other applicable classification) that is less than such Substantial Claimholder’s Protected Amount.
- iv. Each Sell-Down Notice shall direct the Substantial Claimholder to sell, cause to sell, or otherwise transfer its Beneficial Ownership of the amount of Applicable Claims specified in the Sell-Down Notice to Permitted Transferees (each sale or transfer, a “Sell-Down”); provided, however, that such Substantial Claimholder

shall not have a reasonable basis to believe that any such Permitted Transferee would own, immediately after the contemplated transfer, an Excess Amount of Applicable Claims; provided, further, that a Substantial Claimholder that has properly notified the Permitted Transferee of its Applicable Claims under these Procedures shall not be treated as having such reasonable basis in the absence of notification or actual knowledge that such Permitted Transferee would own, after the transfer, an Excess Amount of Applicable Claims.

- v. By the date that is the later of (i) five (5) days after the entry of an order confirming the 382(l)(5) Plan and (ii) such other date specified in the Sell-Down Notice, as applicable, but before the effective date of the 382(l)(5) Plan (the “Sell-Down Date”), each Substantial Claimholder subject to a Sell-Down Notice shall, as a condition to receiving the New Interests, serve upon the Plan Proponent and its counsel (and the Debtors and their counsel if not the Plan Proponent) a notice, substantially in the form annexed to the Procedures as Exhibit 1H that such Substantial Claimholder has complied with the terms and conditions set forth in these Procedures and that such Substantial Claimholder does not and will not hold an Excess Amount of Applicable Claims as of the Sell-Down Date and at all times through the effective date of the 382(l)(5) Plan (each, a “Notice of Compliance”). Any Substantial Claimholder who fails to comply with this provision shall not receive the New Interests with respect to any Excess Amount of Applicable Claims. At the election of the Substantial Claimholder, the Notice of Compliance to be filed with the Court (but not the Notice of Compliance that is served upon the Debtors and the attorneys for the Debtors) may be redacted to exclude the Substantial Claimholder’s taxpayer identification number.
- vi. Other than information that is public or in connection with an audit or other investigation by the Internal Revenue Service or other taxing authority, the Plan Proponent shall keep all Notices of Compliance and any additional information provided by a Substantial Claimholder pursuant to these Procedures (the “Confidential Information”) strictly confidential and shall not disclose the Confidential Information to any other person (including any Entity); provided, however, that the Plan Proponent may disclose the identity of the Substantial Claimholder to its counsel and professional financial advisors, and of any other person(s) that are subject to a nondisclosure agreement with the Plan Proponent, each of whom shall keep all Confidential Information strictly confidential, subject to further order of the Court; provided, further, that to the extent the Plan Proponent reasonably determines such Confidential Information is necessary to demonstrate to the Court the need for the issuance of a Sell-Down Notice, such Confidential Information (determined by, among other things, whether such information was redacted in any public filing) shall be filed with the Court under seal.
- vii. Any person (including any Entity) that violates its obligations under these Procedures applicable to Applicable Claims or, if applicable, its agreement not to acquire Beneficial Ownership of Owned Interests (and Options to acquire the same) or to immediately dispose of any Owned Interests (if acquired on or after the Petition Date but prior to submitting its Notice of Substantial Claim Ownership) in

its Notice of Substantial Claim Ownership shall, pursuant to these Procedures, be precluded from receiving, directly or indirectly, any consideration consisting of a Beneficial Ownership of the New Interests that is attributable to the Excess Amount of Applicable Claims for such person or Entity and, if applicable, to the Owned Interests acquired (or not immediately disposed of) in violation of such agreement by such person or Entity (or if the Owned Interests acquired (or not immediately disposed of) in violation of such agreement become Beneficial Ownership of the New Interests without the need to receive new equity interests, such person or Entity shall be precluded as a result of such violation (and, thus, in addition to any other amounts otherwise precluded hereunder) from receiving, directly or indirectly, any consideration consisting of a Beneficial Ownership of the New Interests attributable to such person's (or Entity's) Applicable Claims up to and including an amount equivalent to that represented by such Owned Interests), in each case including any consideration in lieu thereof, provided, however, that such person (or Entity) may be entitled to receive any other consideration to which such person (or Entity) may be entitled by virtue of holding Applicable Claims (this provision, the "Equity Forfeiture Provision"). Any purported acquisition of, or other increase in the Beneficial Ownership of, the New Interests that is precluded by the Equity Forfeiture Provision will be an acquisition of "Forfeited Equity." Any acquirer of Forfeited Equity shall, promptly upon becoming aware of such fact, return or cause to return the Forfeited Equity to the Debtors (or any successor to the Debtors, including any Post-Emergence Company) or, if all of the equity consideration properly issued to such acquirer and all or any portion of such Forfeited Equity have been sold prior to the time such acquirer becomes aware of such fact, such acquirer shall return or cause to return to the Debtors (or any successor to the Debtors, including any Post-Emergence Company) (i) any Forfeited Equity still held by such acquirer and (ii) the proceeds attributable to the sale of Forfeited Equity, calculated by treating the most recently sold equity as Forfeited Equity. Any acquirer that receives Forfeited Equity and deliberately fails to comply with the preceding sentence shall be subject to such additional sanctions as the Court may determine. Any Forfeited Equity returned to the Debtors, including any Post-Emergence Company, shall be distributed (including a transfer to charity) or extinguished, in the Debtors' sole discretion, in furtherance of the 382(l)(5) Plan.

- viii. In effecting any sale or other transfer of Applicable Claims pursuant to a Sell-Down Notice, a Substantial Claimholder shall, to the extent that it is reasonably feasible to do so within the normal constraints of the market in which such sale takes place, notify the acquirer of such Applicable Claims of the existence of these Procedures and the Equity Forfeiture Provision (it being understood that, in all cases in which there is direct communication between a salesperson and a customer, including, without limitation, communication via telephone, e-mail, and instant messaging, the existence of these Procedures and the Equity Forfeiture Provision shall be included in such salesperson's summary of the transaction).

e. Exceptions.

- i. No person (including any Entity) shall be subject to the approval provisions of paragraphs (b) and (c) above or, in the case of Applicable Claims that are part of the transferor's Protected Amount, the sell-down provisions of paragraph (d) above with respect to any transfer described in Treasury Regulations section 1.382-9(d)(5)(ii) so long as such transfer is not for a principal purpose of obtaining the New Interests or permitting the transferee to benefit from the losses of the Debtors within the meaning of Treasury Regulations section 1.382-9(d)(5)(iii); provided, however, that any such transferee who becomes a Substantial Claimholder following the filing of a Proposed 382(l)(5) Disclosure Statement shall serve upon the Plan Proponent and its counsel (and the Debtors and their counsel if not the Plan Proponent), a notice of such status, substantially in the form annexed to the Procedures as Exhibit 1F, as provided in these Procedures.
 - ii. For the avoidance of doubt, the trustee of any trust, any indenture trustee, subordination agent, registrar, paying agent, transfer agent, loan or collateral agent, or any other entity serving in a similar capacity however designated, in each case for any Applicable Claim or any Owned Interests, notes, bonds, debentures, property, or other debt securities or obligations (i) issued by any of the Debtors, (ii) secured by assets of any of the Debtors or agreements with respect to such assets, or (iii) secured by assets leased to any of the Debtors shall not be treated as a Substantial Claimholder solely to the extent that such entities are acting in the capacity described above; provided, however, that neither any transferee of Applicable Claims nor any equity or beneficial owner of a trust shall be excluded from these Procedures solely by reason of this provision.
- f. For purposes of these Procedures Applicable to Transfers of Claims Against the Debtors.
- i. "Applicable Claim" means a Claim with respect to the applicable Debtors that will invoke the 382(l)(5) Plan.
 - ii. "Applicable Percentage of the New Interests" means, (i) if only one class of New Interests of a Post-Emergence Company is to be issued pursuant to the terms of a 382(l)(5) Plan and holders within each class of Applicable Claims receiving such New Interests will receive a *pro rata* distribution of such New Interests, 4.5% of such New Interests that the Debtors reasonably estimate will be outstanding immediately after the effective date of such 382(l)(5) Plan, as determined for U.S. federal income tax purposes, or (ii) if multiple classes of the New Interests of a Post-Emergence Company are issued pursuant to the terms of a 382(l)(5) Plan, a percentage of the number of each class of the New Interests (which percentage may be different for each such class) that have an aggregate fair market value equal to 4.5% of the fair market value of all such New Interests that the Debtors reasonably estimate will be outstanding immediately after the effective date of such 382(l)(5) Plan, as determined for U.S. federal income tax purposes.
 - iii. "Beneficial Ownership" of a Claim or Owned Interest means: (A) the beneficial ownership of a Claim or Owned Interest (as hereinafter defined) as determined in accordance with applicable rules under section 382 of the IRC, the Treasury

Regulations, and rulings issued by the Internal Revenue Service and as described herein (for such purpose, a Claim or Owned Interest is treated as if it were stock) and, thus, to the extent provided in those sources, from time to time, shall include, without limitation, (x) direct and indirect ownership (but determined without regard to any rule that treats stock of an entity as to which the constructive ownership rules apply as no longer owned by that entity) (*e.g.*, a holding company would be considered to beneficially own all Claims or Owned Interests owned or acquired by its subsidiaries), (y) ownership by a holder's family members, and (z) ownership by any Entity, Owned Interests, and/or stock; and (B) the beneficial ownership of an Option (irrespective of the purpose for which such Option was issued, created, or acquired) with respect to a Claim or Owned Interest. For the avoidance of doubt, beneficial ownership of a Claim or Owned Interests also includes the beneficial ownership of any right to receive any equity consideration to be distributed in respect of a Claim or Owned Interests pursuant to a chapter 11 plan or any applicable bankruptcy court order.

- iv. "Claim" means any claim, as defined in section 101(5) of the Bankruptcy Code, against any of the Debtors, whether secured or unsecured, other than any claims under or in connection with any proposed debtor in possession financing facility (a "DIP Loan").
- v. "Entity" has the meaning as such term is defined in section 1.382-3(a) of the Treasury Regulations, including any group of persons acting pursuant to a formal or informal understanding among themselves to make a coordinated acquisition of Claims or New Interests.
- vi. "Holdings Report" means a Notice of Substantial Claim Ownership (as hereinafter defined) received by the Debtors with respect to the Determination Date.
- vii. "Maximum Amount" means the maximum amount of Applicable Claims (by class or other applicable classification of Claims) that may be held, as of the effective date of the 382(l)(5) Plan, by a Substantial Claimholder that was a Substantial Claimholder as of the Determination Date, which the Debtors shall calculate as follows: (x) Based upon the information provided by the Substantial Claimholders in the Holdings Reports, the Debtors shall calculate the aggregate amount of Applicable Claims that all such Substantial Claimholders must sell as a group to effectuate the 382(l)(5) Plan (the "Sell-Down Amount"); (y) The Debtors shall calculate for each Substantial Claimholder the amount of such Substantial Claimholder's *pro rata* share of the Sell-Down Amount (*i.e.*, the Sell-Down Amount multiplied by a fraction, (1) the numerator of which is the amount, if any, of Claims identified in such Substantial Claimholder's Holdings Report minus the greater of (A) the applicable Threshold Amount and (B) the Protected Amount for such Substantial Claimholder, and (2) the denominator of which is the aggregate amount of Applicable Claims identified in all of the Substantial Claimholders' Holdings Reports minus the greater of (A) the aggregate applicable Threshold Amount for all Substantial Claimholders and (B) the aggregate Protected Amount of all Substantial Claimholders; and (z) for each such Substantial Claimholder, the

Debtors shall subtract from the total Applicable Claims held by such Substantial Claimholder (as reported in the Holdings Report) such Substantial Claimholder's *pro rata* share of the Sell-Down Amount. The difference shall be the Maximum Amount.

- viii. "New Interests" means the Common Stock and any other equity securities (including securities that are treated as equity securities for U.S. federal income tax purposes) of any Post-Emergence Company, including Options to acquire the same.
- ix. "Newly Traded Claims" means Applicable Claims (x) with respect to which a person (including any Entity) acquired Beneficial Ownership after the date that was eighteen (18) months prior to the Petition Date and (y) that are not "ordinary course" Claims, within the meaning of Treasury Regulations section 1.382-9(d)(2)(iv), of which the same person (including any Entity) always has had Beneficial Ownership.
- x. "Permitted Transferee" with respect to a Substantial Claimholder is a person (including any Entity) whose holding of an Applicable Claim would not result in such Substantial Claimholder having Beneficial Ownership of such Applicable Claim.
- xi. "Post-Emergence Company" means any reorganized Debtor or any successor thereto.
- xii. "Protected Amount" means the amount of Applicable Claims (by class or other applicable classification) of which a holder had Beneficial Ownership on the Petition Date (or such later date as may be specified by the Plan Proponent in the Proposed 382(l)(5) Disclosure Statement) *plus* the amount of Applicable Claims of which such holder acquires, directly or indirectly, Beneficial Ownership pursuant to trades entered into prior to the Petition Date (or such later date), but that had not yet closed as of the Petition Date (or such later date), and the amount of Applicable Claims of which such holder acquires, directly or indirectly, Beneficial Ownership pursuant to trades entered into after the Petition Date (or such later date) that have been approved by the Debtors in accordance with these Procedures minus the amount of Applicable Claims of which such holder sells, directly or indirectly, Beneficial Ownership pursuant to trades entered into prior to the Petition Date (or such later date), but that had not yet closed as of the Petition Date (or such later date).
- xiii. "Substantial Claimholder" means any person (including any Entity) that beneficially owns an aggregate dollar amount of Applicable Claims against the Debtors, or any Entity controlled by such person through which such person beneficially owns Claims against the Debtors, of more than the Threshold Amount other than any claims under or in connection with any DIP Loan. For the avoidance of doubt, section 382 of the IRC, the Treasury Regulations, and all relevant IRS and judicial authority shall apply in determining whether the Applicable Claims of several persons and/or Entities must be aggregated when a person's (including an

Entity's) status as a Substantial Claimholder (for such purpose, a Claim is treated as if it were stock).

- xiv. "Threshold Amount" means an amount of Applicable Claims that, when taking into account the Owned Interests beneficially owned by a holder of Applicable Claims (including under the applicable aggregation rules), could result in such holder of Applicable Claims holding the Applicable Percentage of the New Interests. For this purpose, the Beneficial Ownership of an Option to acquire Owned Interests shall be considered Beneficial Ownership of Owned Interests. - xv. "382(l)(5) Plan" means a plan of reorganization that contemplates the use of section 382(l)(5) of the IRC by a reorganized debtor to obtain certain incremental tax benefits.
