ATTACHMENT A

EXPLANATION OF CLAIM

This Proof of Claim is based on amounts due the Creditor (the "Indebtedness") pursuant to that certain merchant agreement by and between Creditor and Debtor, a copy of which is attached hereto as Exhibit "1" (the "Merchant Agreement"). In addition, to the extent as allowed by applicable law, Creditor is entitled to post petition interest on unpaid amounts and attorneys' fees and costs in connection with the collection of the Indebtedness and/or this bankruptcy proceeding.

Merchant Processing Agreement

This Merchant Processing Agreement ("Agreement") is entered into on the Effective Date defined in Section 13.A, below, between the business indicated on the Merchant Application ("Merchant" or "You"), Cynergy Data, LLC ("CD" or "Processor"), and Harris, N.A. ("Bank").

Recitals

Merchant desires to accept Debit Cards and/or Other Cards, as indicated on the Merchant Application, validly issued by members of Discover® Network, Visa U.S.A. Inc. ("Visa") and MasterCard International, Incorporated ("MasterCard"). "Debit Card" means all Discover Network Visa or MasterCard cards issued by a non-U.S. bank, a Discover Network, Visa or MasterCard card that accesses a consumer's asset account within 14 days after purchase, including but not limited to Discover Network Visa or MasterCard cards issued altered value, prepaid, payroll, EBT, gift, and consumer check cards, and debit cards validly issued by the debit card networks indicated in Section 4.G below ("Debit Networks"), such as online (PIN-based) cards. "Other Cards" means all cards issued by a non-U.S. bank and all Discover Network, Visa or MasterCard cards other than Debit Cards, including but not limited to business and consumer credit cards and business debit cards. The category of card acceptance you have indicated on the Merchant Application will collectively be referred to as "Cards". Bank and Processor desire to provide Card processing services to Merchant. Therefore, Merchant, Processor and Bank agree as follows:

Terms and Conditions

1. Honoring Cards.

A. Without Discrimination. You will honor, without discrimination, any Debit Card and/or Other Card, as indicated by you on the Merchant Application, properly tendered by a Cardholder. "Cardholder" means a person presenting a Card and purporting to be the person in whose name the Card is issued. If you elect to accept only one of the card acceptance categories but later submit a transaction from a card in a different category, you agree that Processor and Bank may process the transaction and assess the appropriate fee, and that all terms of this Agreement will apply to that transaction. You will not establish a minimum or maximum transaction amount as a condition for honoring a Card. Cardholders will be entitled to the same services and return privileges you extend to cash customers, and you will not impose any special conditions (unless permitted by the Card Associations) in connection with the acceptance of a Card. "Card Association" means Visa, MasterCard, Discover Network, American Express, Japanese Credit Bureau, and/or a Debit Network, as applicable.

B. Cardholder Identification. You will identify the Cardholder and check the expiration date and signature on each Card. You will not honor any Card if: (i) the Card has expired, (ii) the signature on the sales draft does not correspond with the signature on the Card; (iii) the account number embossed on the Card does not match the account number on the Card's magnetic strip (as printed in electronic form) or the account number is listed on a current Electronic Warning Bulletin file. You may not require a Cardholder to provide personal information, such as a home or business telephone number, a home or business address, or a drivers license number as a condition for honoring a Card unless permitted under the Laws and Rules defined in Section 14, below. You may not require a Cardholder to complete a postcard or similar device that includes the Cardholder's account number, Card expiration date, signature, or any other Card account data in plain view when mailed.

C. Card Recovery. You will use your reasonable, best efforts to recover any Card. (i) on Visa Cards if the printed four digits above the embossed account number do not match the first four digits of the embossed account number; (ii) if you are advised by Processor or Bank (or a designee) the issuer of the Card or the designated value authorization center to retain it; (iii) if you have reasonable grounds to believe the Card is counterfeit, fraudulent or stolen, or not authorized by the Cardholder; or (iv) for MasterCard Cards, the embossed account number, indent printed account number and or encoded account number do not agree or the Card does not have a MasterCard hologram on the lower right corner of the Card face.

D. Surcharge. You will not add any amount to the posted price of goods or services you offer as a condition of paying with a Card, except as permitted by the Rules. This paragraph does not prohibit you from offering a discount from the standard price to induce a person to pay by cash, check or similar means rather than by using a Card.

E. Return Policy. You will properly disclose to the Cardholder at the time of the Card transaction and in accordance with the Rules, any limitation you have on accepting returned merchandise.

F. No Claim Against Cardholder. You will not have any claim against or right to receive payment from a Cardholder unless Processor and Bank refuses to accept the Sales Draft (as defined in Section 3) or rejects a prior acceptance of the Sales Draft after receipt or a chargeback or otherwise. You will not accept any payments from a Cardholder relating to previous charges for merchandise or services included in a Sales Draft, and if you receive any such payments you promptly will remit them to Processor and Bank.

G. Dispute With Cardholder. All disputes between you and any Cardholder relating to any Card transaction will be settled between you and the Cardholder. Neither Processor or Bank bear any responsibility for such transactions.

2. Authorization.

A. Required on all Transactions. You will obtain a prior authorization for the total amount of a transaction via electronic terminal or device before completing any transaction, and you will not process any transaction that has not been authorized. You will follow any instructions received during the authorization process. Upon receipt of authorization you may consummate only the transaction authorized and must note on the Sales Draft the authorization number. Where authorization is obtained, you will be deemed to warrant the true identity of the customer as the Cardholder.

B. Effect. Authorizations are not a guarantee of acceptance or payment of the Sales Draft. Authorizations do not waive any provisions of this Agreement or otherwise validate a fraudulent transaction or a transaction involving the use of an expired Card.

C. Unreadable Magnetic Stripes. When you present Card transactions for authorization electronically, and if your terminal is unable to read the magnetic stripes on the card, you will obtain an imprint of the card and the Cardholder's signature on the imprinted draft before presenting the Sales Draft to Processor and Bank for processing. Failure to do so may result in the assessment of a transaction surcharge on non-qualifying transactions.

3. Presentation of Sales Drafts.

A. Forms. You will use a Sales Draft ("Sales Draft") or other form approved by Processor and Bank to document each Card transaction. Each Sales Draft will be legibly imprinted with: (i) merchant's name, location and account number; (ii) the information embossed on the Card presented by the Cardholder (either electronically or manually, and truncated, if applicable); (iii) the date of the transaction; (iv) a brief description of the goods or services involved; (v) the transaction authorization number; (vi) the total amount of the sale including any applicable taxes, or credit transaction; and (vii) adjacent to the signature line, a notation that all sales are final. If applicable.

B. Signatures. Sales Drafts must be signed by the Cardholder unless the Card transaction is a valid mail/telephone order Card transaction, or PIN-based Debit Card transaction, which fully complies with the requirements set forth in this Agreement. You may not require the Cardholder to sign the Sales Draft before you enter the final transaction amount in the Sales Draft.

C. Reproduction of Information. If the following information embossed on the Card and the Merchant's name is not legibly imprinted on the Sales Draft, you will legibly reproduce on the Sales Draft before submitting it to Processor and Bank: (i) the Cardholder's name; (ii) account number (truncated, if applicable); (iii) expiration date and (iv) the Merchant's name and place of business. Additionally, for MasterCard transactions you will legibly reproduce the name of the Bank issuing the Card as it appears on the face of the Card.

D. Delivery and Retention. You will deliver a complete copy of the Sales Draft or credit voucher to the Cardholder at the time of the transaction. You will retain the "merchant copy" of the Sales Draft or credit memorandum for at least 3 years following the date of completion of the Card transaction (for such longer period as the Rules require).

E. Electronic Transmission. In using electronic authorization and/or data capture services, you will enter the data related to a sales or credit transaction into a computer terminal or magnetic strip reading terminal no later than the close of business on the date the transaction is completed (unless otherwise permitted by the Rules). Failure to do so may result in the assessment of a transaction surcharge on non-qualifying transactions. If you provide your own electronic terminal or similar device, such terminals must meet Processor's and Bank's requirements for processing transactions. Information regarding a sales or credit transaction transmitted with a computer or magnetic strip reading terminal will be transmitted by you to Processor and Bank or their agent in the form Processor and Bank from time to time specifies or as required under the Rules. If Processor or Bank requests a copy of a Sales Draft, credit voucher or other transaction evidence, you will provide it within 24 hours following the request.

4. Deposit of Sales Drafts and Funds Due Merchant.

A. Deposit of Funds.

i. Deposits. You agree that this Agreement is a contract of financial accommodation within the meaning of the Bankruptcy Code, 11 U.S.C. § 365 as amended from time to time. Subject to this Section, Bank will deposit to the Designated Account (defined in Section 6 below) funds evidenced by Sales Drafts (whether evidenced in writing or by electronic means) complying with the terms of this Agreement and the Rules and will provide you provisional credit for such funds (less recoupment of any credits), adjustments, fines, chargebacks, or fees). You understand and agree that Bank may withhold deposit and payment to you without notice until the expiration of any chargeback period for: a) mail order, telephone order, or Internet transactions on Cards issued by non-U.S. banks; and b) if Processor or Bank determine, in their sole and reasonable discretion, that a transaction or batch of transactions poses a risk of loss. Neither Processor nor Bank are responsible for any losses you may incur, including but not limited to NSF fees, due to such delayed deposit of funds. You acknowledge that your obligation to Processor and Bank for all amounts owed under this Agreement arise out of the same transaction as Processor and Bank's obligation to deposit funds to the Designated Account.

ii. Provisional Credit. Notwithstanding the previous sentences, under no circumstance will Processor or Bank be responsible for processing credits or adjustments related to Sales Drafts not originally processed by Processor and Bank. All Sales Drafts and deposits are subject to audit and final checking by Processor and Bank and may be adjusted for inaccuracies. You acknowledge that all credits provided to you are provisional and subject to chargebacks and adjustments: (i) in accordance with the Rules; (ii) for any of your obligations to Processor and Bank; and (iii) in any other situation constituting suspected fraud or a breach of this Agreement, whether or not a transaction is charged back by the Card issuer. Processor and Bank may be granted a conditional credit for individual or groups of any funds evidenced by Sales Drafts. Final credit for those conditional funds will be granted within Processor and Bank's sole discretion.

iii. Processing Limits. Processor and Bank may impose a cap on the volume and ticket amount of Sales Drafts that they will process for you, as indicated to you by Processor and Bank. This limit may be changed by Processor and Bank upon written notice to you.

B. Chargebacks. You are fully liable for all transactions returned for whatever reason, otherwise known as "chargebacks". You will pay on demand the value of all chargebacks. Authorization is granted to offset from incoming transactions and to debit the Designated Account, the Reserve Account (defined in Section 7, below) or any other account held at Bank or at any other financial institution the amount of all chargebacks. You will fully cooperate in complying with the Rules regarding chargebacks.

C. Excessive Activity. Your presentation to Processor and Bank of Excessive Activity will be a breach of this Agreement and cause for immediate termination of this Agreement. "Excessive Activity" means, during any monthly period: (i) the dollar amount of chargebacks and/or retrieval requests in excess of 1% of the average monthly dollar amount of your Card transactions; (ii) sales activity that exceeds by 25% of the dollar volume indicated on the Application; or (iii) the dollar amount of returns exceeds 20% of the average monthly dollar amount of your Card transactions. You authorize, upon the occurrence of Excessive Activity, Processor and Bank to take any action they deem necessary including but not limited to, suspension or termination of processing privileges or creation or maintenance of a Reserve Account in accordance with this Agreement.

D. Credit.

i. Credit Memoranda. You will issue a credit memorandum in any approved form, instead of making a cash advance, a disbursement or a refund on any Card transaction. Bank will debit the Designated Account for the total face amount of each credit memorandum submitted to Bank. You will not submit a credit relating to any Sales Draft not originally submitted to Bank, nor will you submit a credit that exceeds the amount of the original Sales Draft. You will within the time period specified by the Rules, provide a credit memorandum or credit statement for every return of goods or forgiveness of debt for services which were the subject of a Card transaction.

ii. Revocation of Credit. Processor or Bank may refuse to accept any Sales Draft, and Processor and Bank may revoke prior acceptance of a Sales Draft in the following circumstances: (a) the transaction giving rise to the Sales Draft was not made in compliance with this Agreement, the Laws or the Rules; (b) the Cardholder disputes his liability to Processor and Bank for any reason, including but not limited to a contention that the Cardholder did not receive the goods or services, that the goods or services provided were not as ordered or pursuant to those chargeback rights enumerated in the Rules; or (c) the transaction giving rise to the Sales Draft was not directly between you and the Cardholder. You will pay Processor and Bank any amount previously credited to you for a Sales Draft not accepted by Processor and Bank or where accepted, is revoked by Processor and Bank.

E. Reprocessing. Notwithstanding any authorization or request from a Cardholder, you will not re-enter or reprocess any transaction which has been charged back.

F. Miscellaneous. You will not present for processing or credit, directly or indirectly, any transaction not originated as a result of a Card transaction directly between you and a Cardholder or any transaction you know or should know to be fraudulent or not authorized by the Cardholder. You will not sell or disclose to third parties Card account information other than in the course of performing your obligations under this Agreement.

G. Debit Card Processing.

i. "Debit Networks" means those debit card networks accepted by Processor, including but not limited to the following organizations and their successors: Star, NYCE, Pulse, Interlink, AFN, Alaska, Janie, Accel, and Money Station.

ii. Credit Refunds. You will attempt to settle in good faith any dispute between you and a Cardholder involving a transaction. You will establish a fair, consistent policy for the exchange and return of merchandise and for the adjustment of amounts due on Debit Card sales. You will promptly initiate a refund to the customer (which may be made in cash, by an adjustment draft or with a check or cashier's check, as permitted by the Rules) whenever you determine that a Debit Card transaction should be canceled or reversed.

iii. Adjustments. Except as the Debit Networks may permit, you will not make any cash refunds or payments for returns or adjustments on Debit Card transactions. Debit Card will instead complete an adjustment form provided or approved by Processor. The Debit Card Sales Draft for which no refund or return will be accepted by you must be clearly and conspicuously marked (including on the Cardholder's copy) as "final sale" or "no return" and must comply with the Rules.

iv. Error Resolution. You will refer Debit Card Cardholders with questions or problems to the institution that issued the Debit Card. You will cooperate with Processor and with each applicable Debit Network and its other members to resolve any alleged errors relating to transactions. You will permit and will pay all expenses of periodic examination and audit of functions relating to each Debit Network, at such frequency as the applicable Debit Network deems appropriate. Audits will meet Debit Network standards, and the results will be made available to the Debit Network.

5. Other Types of Transactions.

A. Mail/Telephone Order. Processor and Bank caution against mail orders or telephone orders or any transaction in which the Cardholder and Card are not present ("mail/telephone orders") due to the high incidence of customer disputes. You will perform AVS and obtain the expiration date of the Card for a mail/telephone order and submit the expiration date when obtaining authorization of the Card transaction. For mail/telephone order transactions, you will type or print legibly on the signature line the following as applicable: telephone order or "TO" or mail order or "MO" You must promptly notify Processor and Bank if your retailmail order/telephone order mix changes from the percentages represented to Processor and Bank in the Merchant Application. Processor and Bank may cease accepting mail/telephone order transactions, or limit its acceptance of such transactions, or increase their fees, or terminate this Agreement, or impose a Reserve Account (defined in Section 7.A), if this mix changes. You may not deposit a mail/telephone order Sales Draft before the product is shipped.

B. Recurring Transactions. For recurring transactions, you must obtain a written request from the Cardholder for the goods and services to be charged to the Cardholders account, the frequency of the recurring charge, and the duration of time during which such charges may be made. You will not complete any recurring transaction after receiving: (i) a cancellation notice from the Cardholder (ii) notice from Processor or Bank, or (iii) a response that the Card is not to be honored. You must print legibly on the Sales Draft the words "Recurring Transaction".

C. Multiple Sales Drafts. You will include a description and total amount of goods and services purchased in a single transaction on a single Sales Draft or transaction record, unless (i) partial payment is entered on the Sales Draft or transaction record and the balance of the transaction amount is paid in cash or by check at the time of transaction, or (ii) a Sales Draft represents an advance deposit in a Card transaction completed in accordance with this Agreement and the Rules.

D. Partial Completion.

i. Prior Consent. You will not accept for payment by Card any amount representing a deposit or partial payment for goods or services to be delivered in the future without the prior written consent of Processor or Bank. Such consent will be subject to Bank's final approval. The acceptance of a Card for payment or partial payment of goods or services to be delivered in the future without prior consent will be deemed a breach of this Agreement and cause for immediate termination, in addition to any other remedies available under the Laws or Rules.

ii. Acceptance. If you have obtained prior written consent, then you will complete such Card transactions in accordance with the terms set forth in this Agreement, the Rules, and the Laws. Cardholders must execute one Sales Draft when making a deposit with a Card and a second Sales Draft when paying the balance. You will note upon the Sales Draft the words "deposit" or "balance" as appropriate. You will not deposit the Sales Draft labeled "balance" until the goods have been delivered to Cardholder or you have fully performed the services.

E. Future Delivery. You will not present any Sales Draft or other memorandum to Bank for processing (whether by electronic means or otherwise) which relates to the sale of goods or services for future delivery without Processor or Bank's prior written authorization. Such consent will be subject to Bank's final approval. If Processor or Bank have given such consent, you represent and warrant to Processor and Bank that you will not rely on any proceeds or credit resulting from such transactions to purchase or furnish goods or services. You will maintain sufficient working capital to provide for the delivery of goods or services at the agreed upon future date, independent of any credit or proceeds resulting from sales drafts or other memoranda taken in connection with future delivery transactions.

F. Electronic Commerce. You may process electronic commerce ("EC") transactions only if you have so indicated on the Application, and only if you have obtained CD's consent. If you submit EC transactions without such consent, Processor may immediately terminate this Agreement. If you have obtained CD's consent, on the Application that you will be submitting EC transactions, you acknowledge that you have received a copy of the Visa Cardholder Information Security Program ("CISP") manual. If you present EC transactions, such transactions must comply with the CISP requirements and all other applicable Rules and Law. You understand that transactions processed via EC are high risk and subject to a higher incidence of chargebacks. You are liable for all chargebacks and losses related to EC transactions, whether or not: i) EC transactions have been encrypted; and ii) you have obtained consent to engage in such transactions. Encryption is not a guarantee of payment and will not waive any provision of this Agreement or otherwise validate a fraudulent transaction. You must offer Cardholders a secure transaction method, such as Secure Sockets Layer (SSL) or 3D-Secure. All communication costs related to EC transactions are your responsibility. You understand that Processor will not manage the EC telecommunications link and that it is your responsibility to manage that link. All EC transactions will be settled by Bank into a depository institution of the United States in U.S. currency.

i. Requirements. For goods to be shipped on EC transactions, you may obtain authorization up to 7 calendar days prior to the shipment date. You need not obtain authorization for goods to be shipped on a Sales Draft unless the Sales Draft contains an authorized amount, provided that the additional amount represents shipping costs. Further, your website must contain all of the following information: a) complete description of the goods or services offered, b) returned merchandise and refund policy, c) customer service contact, including electronic mail address and/or telephone number, d) transaction currency (such as U.S. or Canadian dollars), e) export or legal restrictions. If known, f) delivery policy, consumer data privacy policy, g) your security method for transmission of payment data, and h) the Visa flag symbol in full color. If you store cardholder account numbers, expiration dates, and other personal cardholder data in a database, you must follow Discover Network, Visa and MasterCard guidelines on securing such data. You shall immediately notify Processor of any suspected or confirmed loss or theft of any transaction information. In addition, you must provide reasonable access to Discover Network, Visa, MasterCard, a Debit Network or independent third party to verify your ability to prevent future security breaches in a manner consistent with the requirements of any Rule.

ii. Cardholder Information Security. You agree that you are, and will remain, fully compliant with the Payment Card Industry Data Security Standard required by Discover Network and the Card Associations, including but not limited to undertaking the required annual or quarterly self-assessments and Web infrastructure scans, as appropriate. If you accept EC transactions, you must: install and maintain a working network firewall to protect data accessible via the Internet; keep security patches up-to-date; encrypt stored data and data sent over open networks; use and update antivirus software; restrict access to data by business "need-to-know"; assign a unique ID to each person with computer access to data; not use vendor-supplied defaults for system passwords and other security parameters; track access to data by unique ID; regularly test security systems and processes; maintain a policy that addresses information security for employees and contractors; and restrict physical access to cardholder information. When outsourcing administration of information assets, networks, or data you must retain legal control of proprietary information and use limited "need-to-know" access to such assets, networks or data. Further, you must reference the protection of cardholder information and compliance with the Visa CISP Rules in contracts with other service providers. You agree to indemnify and reimburse Processor and Bank immediately for any loss, liability, assessment or fine incurred by either of you as a result of this Section.

G. American Express, and Diners Club Transaction. Upon your request, Processor and Bank will provide authorization and/or data capture service, for Diners Club and American Express transactions. By signing this Merchant Agreement, Merchant agrees to abide by the terms and conditions of Diners Club and American Express. I understand that the Diners Club Agreement will be sent to the business entity indicated on this application. By accepting the Diners Club card for goods and/or services Merchant agrees to be bound by the terms and conditions of the Agreement. Processor and Bank are not responsible for funding such transactions. Initial setup fees may apply.

H. Cash Advances. You will not deposit any transaction for purpose of obtaining or providing a cash advance. You agree that any such deposit shall be grounds for immediate termination.

I. Prohibited Transactions. You will not accept or deposit any fraudulent transaction and you may not, under any circumstances, present for deposit directly or indirectly a transaction which originated with any other merchant or any other source. You will not, under any circumstance, engage in any transaction prohibited by the Rules or deposit telemarketing transactions unless you obtain Bank or Processor's prior written consent. Such consent will be subject to Bank's final approval. If you process any such transactions, you may be immediately terminated and Bank may hold funds and/or require you to establish a Reserve Account. Further, you may be subject to Discover Network or the Card Association reporting requirements. You will not: accept cash, checks or other negotiable items from any Cardholder and forward a credit through Discover Network or any Card Association or Debit Network (i.e., as a purported payment or deposit to an account maintained by the Cardholder); forward any transaction or initiate any reversal of a transaction that did not originate between you and the Cardholder; complete any transaction that you know or should have known to be fraudulent or not authorized by the Cardholder; accept any Debit Card in payment for any legal services or for expenses related to the defense of any crime (other than a traffic violation); or any domestic violence case where written or electronic evidence is furnished by a person whose name is not embossed on the Debit Card or any bankruptcy, insolvency, or other proceeding affecting the creditors of any Cardholder; present for processing a transaction that does not represent a sale of goods or service directly between Cardholder and you. You will fully cooperate with Processor, Discover Network and with each Card Association in the event that Processor, Discover Network or any Card Association determines that there is a substantial risk of fraud arising from your access to Discover Network and the Card Association. You will take whatever actions Processor, Discover Network or Card Associations reasonably deem necessary in order to protect Discover Network, such Card Association, its members, and its Cardholders. Neither Discover Network, the Card Associations, Processor, nor any of their respective personnel will have any liability to you for any action taken in good faith.

J. Debit Card Transactions.

i. For each PIN-based Debit Card sale, the Cardholder must enter his Personal Identification Number ("PIN") through a PIN pad located at the point of sale.

ii. Each PIN will be situated to permit Cardholders to input their PINs without revealing them to other persons, including your personnel.

iii. You will instruct personnel that they may not ask any Cardholder to disclose the PIN and that in the event that any of your personnel nevertheless becomes aware of any Cardholder's PIN, such personnel will not use such PIN or create or maintain any record of such PIN, and will not disclose such PIN to any other person.

iv. The PIN message must be encrypted from the PIN pad to the point of sale device connected to a Debit Network used to initiate transactions ("Terminal") and from the Terminal to the Debit Network and back so that the PIN message will not be in the clear at any point in the transaction.

v. You will comply with any other requirements relating to PIN security as required by Bank or by any Debit Network.

vi. A transaction receipt in conformity with Regulation E and the Rules will be made available to the Cardholder.

vii. You may not establish a minimum or maximum transaction amount as a condition for use of a Debit Card.

ix. You may charge any Cardholder for the use of any Debit Card unless the Rules so permit.

x. You may collect any fee as a separate cash transaction.

K. Debit Card Terminals. Debit Card terminals, including hardware and software, must be certified for use by Bank and by all of the Debit Networks. Terminals must include encrypted PIN pads which allow entry of up to sixteen character PINs, printers and a keyboard lock function. You are responsible for compliance with all Rules regarding the use of Terminals, regardless of whether such Terminals are obtained through CD or through a third party.

6. Designated Account.

A. Establishment and Authority. Merchant will establish and maintain an account at an ACH receiving depository institution approved by Bank ("Designated Account"). Merchant will maintain sufficient funds in the designated account to satisfy all obligations, including fees, contemplated by this Agreement. Merchant irrevocably authorizes Bank to debit the Designated Account for chargebacks, fees and any other penalties or amounts owed under this Agreement. This authority will remain in effect for at least 2 years after termination of this Agreement whether or not you have notified Processor and Bank of a change to the Designated Account. Merchant must obtain prior written consent from Bank or Processor to change the Designated Account, if Merchant does not get that consent, Processor and Bank may immediately terminate the Agreement and may take other action necessary, as determined by them within their sole discretion.

B. Deposit. Bank will initiate a deposit in an amount represented on Sales Drafts to the Designated Account subject to Section 4 of this Agreement upon receipt of funds from Visa, MasterCard, or a Debit Network. Typically, the deposit will be initiated 3 business days following Processor's receipt of the Sales Draft, except for mail order/telephone order and electronic commerce transactions, which will be initiated 5 business days following receipt of the Sales Draft. "Business Day" means Monday through Friday, excluding holidays observed by the Federal Reserve Bank of New York. Merchant authorizes Bank and Processor to initiate reversal or adjustment entries and initiate suspend such entries as may be necessary to grant Merchant conditional credit for any entry. Bank, in its sole discretion, may grant you provisional credit for transaction amounts in the process of collection, subject to receipt of final payment by Bank and subject to all chargebacks.

C. Asserted Errors. You must promptly examine all statements relating to the Designated Account, and immediately notify Processor and Bank in writing of any errors. Your written notice must include: (i) Merchant name and account number; (ii) the dollar amount of the asserted error; (iii) a description

of the asserted error, and (iv) an explanation of why you believe an error exists and the cause of it, if known. That written notice must be received by Processor and Bank within 30 calendar days after you received the periodic statement containing the asserted error. You may not make any loss or expense relating to any asserted error for 60 calendar days immediately following Processor's receipt of your written notice. During that 60 day period, Processor and Bank will be entitled to investigate the asserted error.

D. Indemnity. You will indemnify and hold Processor and Bank harmless for any action they take against the Designated Account, the Reserve Account, or any other account pursuant to this Agreement.

E. ACH Authorization. You authorize Processor and Bank to initiate debit/credit entries to the Designated Account, the Reserve Account, or any other account maintained by you at any institution, all in accordance with this Agreement. This authorization will remain in effect beyond termination of this Agreement. In the event you change the Designated Account, this authorization will apply to the new account.

7. Security Interests, Reserve Account, Recoupment and Set-Off.

A. Security Interests.

i. Security Agreement. This Agreement is a security agreement under the Uniform Commercial Code. You grant to Processor and Bank a security interest in and lien upon: (i) all funds at any time in the Designated Account, regardless of the source of such funds; (ii) all funds at any time in the Reserve Account, regardless of the source of such funds; (iii) present and future Sales Drafts; and (iv) any and all amounts which may be due to you under this Agreement including, without limitation, all rights to receive any payments or credits under this Agreement (collectively, the "Secured Assets"). You agree to provide other collateral or security to Processor and Bank to secure your obligations under this Agreement upon Processor or Bank's request. These security interests and liens will secure all of your obligations under this Agreement and any other agreements now existing or later entered into between you and Processor and Bank. This security interest may be exercised by Processor and Bank without notice or demand of any kind by making an immediate withdrawal or freezing the secured assets.

ii. Perfection. Upon request of Processor or Bank, you will execute one or more financing statements or other documents to evidence this security interest. You represent and warrant that no other person or entity has a security interest in the Secured Assets. Further, with respect to such security interests and liens, Processor and Bank will have all rights afforded under the Uniform Commercial Code, any other applicable law and in equity. You will obtain from Processor and Bank written consent prior to granting a security interest of any kind in the Secured Assets to a third party. You agree that this is a contract of recoupment and Processor and Bank are not required to file a motion for relief from a bankruptcy action automatic stay for Processor or Bank to realize on any of its collateral (including any Reserve Account). Nevertheless you agree not to contest or object to any motion for relief from the automatic stay filed by Processor or Bank. You authorize Processor or Bank and appoint Processor or Bank your attorney in fact to sign your name to any financing statement used for the perfection of any security interest or lien granted hereunder.

B. Reserve Account.

i. Establishment. You will establish and maintain a non-interest bearing deposit account ("Reserve Account") at Bank initially or at any time in the future as requested by Processor and Bank, with sums sufficient to satisfy your current and future obligations as determined by Processor and Bank. You authorize Bank to debit the Designated Account or any other account you have at Bank or any other financial institution to establish or maintain funds in the Reserve Account. Bank may deposit into the Reserve Account funds it would otherwise be obligated to pay you, for the purpose of establishing, maintaining or increasing the Reserve Account in accordance with this Section, if it determines such action is reasonably necessary to protect its interests.

ii. Authorizations. Bank may, without notice to you, apply deposits in the Reserve Account against any outstanding amounts you owe under this Agreement or any other agreement between you and Processor or Bank. Also, Processor and Bank may exercise their rights under this Agreement against the Reserve Account to collect any amounts due to Processor or Bank including, without limitation, rights of set-off and recoupment.

iii. Funds. Funds in the Reserve Account will remain in the Reserve Account until 270 calendar days following the later of termination of this Agreement or your last transmission of sales drafts to Processor or Bank, provided, however, that you will remain liable to Processor and Bank, for all liabilities occurring beyond such 270 day period. After the expiration of such 270 day period you must provide Processor with written notification indicating you desire a release of any funds remaining in the Reserve Account in order to receive such funds. You agree that you will not use these funds in the Reserve Account for any purpose, including but not limited to paying chargebacks, fees, fines or other amounts you owe Processor and Bank under this Agreement. Bank (and not Merchant) shall have sole control of the Reserve Account.

iv. Assurance. In the event of a bankruptcy proceeding and the determination by the court that this Agreement is assumable under Bankruptcy Code § 365, as amended from time to time, you must establish or maintain a Reserve Account in an amount satisfactory to Processor and Bank.

D. Remedies Cumulative. The rights and remedies conferred upon Processor and Bank under this Agreement, at law or in equity, are not intended to be exclusive of each other. Rather, each and every right of Processor and Bank under this Agreement, at law or in equity, will be cumulative and concurrent and in addition to every other right.

Processor and Bank reserve the right to adjust the fees set forth on the Application and in this Section, in accordance with Section 16.I, below, provided that Bank must approve, in advance, any fee to or obligation of Merchant arising from or related to performance of this Agreement. You are also obligated to pay all taxes, and other charges imposed by any governmental authority on the services provided under this Agreement. If you elect to participate in the MMP, you understand that supply quantities provided by CD will be based on your monthly transaction volume. Any liability of Processor or Bank under this Agreement, whether to you or any other party, whatever the basis of the liability, shall not exceed in the aggregate the difference between (i) the amount of fees paid by you to Processor and Bank during the month in which the transaction out of which the liability arose occurred, and (ii) assessments, chargebacks, and offsets against such fees which arose during such month. In the event more than one month is involved, the aggregate amount of Processor's and Bank's liability shall not exceed the lowest amount determined in accord with the foregoing calculation for any one month involved. Neither Processor nor Bank nor their agents, officers, directors, or employees shall be liable for indirect, special, or consequential damages.

D. Performance. Processor and Bank will perform all services in accordance with this Agreement. C. No Litigation or Termination. There is no action, suit or proceeding pending or to your knowledge threatened which if decided adversely would impair your ability to carry on your business substantially as now conducted or which would adversely affect your financial condition or operations. You have never entered into an agreement with a third party to perform credit or debit card processing which has been terminated by that third party.

Neither Processor nor Bank will be responsible for any losses or additional fees incurred by you as a result of any error by a third party agent or a malfunction in a Third Party Terminal.

Further, this Agreement may be terminated at any time with or without notice and with or without cause by Processor and Bank. Processing under a particular Debit Network may be suspended or terminated (without terminating this entire Agreement) if: (i) the Debit Network determines to suspend or terminate processing; or (ii) automatically, upon termination or expiration of Processor's or your access to such Debit Network whether caused by termination or expiration of Processor's agreement with such Debit Network or otherwise. In addition, in the event that Processor's participation in such Debit Network is suspended for any reason, processing through such Debit Network by you will be suspended for the period of time of such suspension and Bank or Processor will immediately notify you of that event. Neither Processor, Bank, nor any Debit Network will have any liability to you as a result of any such suspension or termination.

Other remedies Bank or Processor may have under this Agreement still apply.

14. Compliance With Laws And Rules. You agree to comply with all rules and operating regulations issued from time to time by the Debit Network, Diners' Club, Discover Network, MasterCard, and Visa and any policies and procedures provided by Processor or Bank, including those set forth in the Merchant Operating Manual ("Rules").
