**Notes to the Quarterly Operating Reports and Statement of Cash Flows.**

- (1) This QOR is for the quarter ended September 30, 2024 and the post-emergence period January 13, 2024 to September 30, 2024.
- (2) The financial information contained herein is presented on a preliminary and unaudited basis and remains subject to adjustments.
- (3) All figures include both cash and restricted cash as reported in the bank statements. Reconciling differences will exist between bank statement balances and balance sheet cash balances due to routine timing differences between payment execution by the Debtors' financial system and disbursement of funds from respective bank accounts.
- (4) During the quarter ended March 31, 2024, Final Fee Applications for Pre-Emergence Retained Professionals were approved by the Court and were paid by the Professional Fee Escrow Account and are not included in the Statement of Cash Flows. In May, 2024, after paying all Final Fee Applications, approximately \$7.98 million from the Professional Fee Escrow Account was transferred to the Plan Administrator and is included in the Reserve for First Lien Claims and/or Expenses.
- (5) Subsequent to the Effective Date, \$772,000 was transferred to the Plan Administrator to pay the fourth quarter US Trustee Fees and ordinary course professional fees, which were not paid prior to closing. In addition, \$7.2 million was received by the Debtors after distribution to the First Lien Lenders on or about the Effective Date and is being held by the Plan Administrator in reserve to be distributed to the First Lien Claims under the Plan.
- (6) Under the APA, the Debtors funded the Adjustment Escrow Amount of \$30 million ("the Working Capital Escrow"). The funding of the Working Capital Escrow was included as

a disbursement in the Debtors' Monthly Operating Reports. In August 2024, the Adjustment Amount under the APA was finalized and the \$30 million Working Capital Escrow plus \$12.5 million from the Purchaser as well as interest earned on the Working Capital Escrow of approximately \$346,000, was transferred to the Plan Administrator and is included in the Reserve for First Lien Claims and/or Expenses.

- (7) The GUC Trust is not included in the Statement of Cash Flows. On the Effective Date, the GUC Trust received \$8.65 million. As of the date of this report, the GUC Trust has not Allowed or paid any General Unsecured Claims.
- (8) Under the Plan, no distribution is anticipated to Equity Interests.
- (9) Inception to date September 30, 2024, total disbursements by the Plan Administrator and from the Professional Fee Escrow Account were approximately \$33.87 million, and therefore were less than the sum of the cash transferred to the Plan Administrator at Emergence, Working Capital Escrow, and the Professional Fee Escrow which totals \$89.72 million (collectively, the "Initial Funding"). Accordingly, the Plan Administrator has not reflected the disbursements in the QOR for the period as "disbursements" for purposes of 28 U.S.C. § 1930(a)(6) in Part 1: Summary of Post-confirmation Transfers in the Post-confirmation report of CTI Liquidation Co., Inc. and will not do so until disbursements are in excess of the Initial Funding.
