the Omnibus Objection, including, without limitation, to object to amended or newly filed claims is hereby reserved. Without limiting the generality of the foregoing, the GUC Trustee specifically reserves the right to amend the Omnibus Objection, file additional papers in support of the Omnibus Objection, or take any other appropriate actions, including to (a) respond to any allegation or defense that may be raised in a response filed in accordance with the Omnibus Objection by or on behalf of any of the claimants or other interested parties; (b) object further to any Claim for which a claimant provides (or attempts to provide) additional documentation or substantiation; and (c) object further to any Claim based on additional information that may be discovered upon further review by the GUC Trustee or through discovery pursuant to the applicable provisions of the Bankruptcy Rules.
