FEE EXAMINER'S FINAL MONTHLY REPORT REGARDING NOVEMBER 2013 MONTHLY INVOICES

Robert M. Fishman, the duly appointed fee examiner (the "Fee Examiner"), presents this Final Monthly Report regarding the November 2013 Monthly Invoices (each a "November Invoice") pursuant to paragraph 7 of the Court's Fee Review Order dated September 11, 2013 [Docket No. 810] (the "Fee Review Order"):[1]

Background

1. Pursuant to the Order Appointing Fee Examiner dated August 19, 2013 [Docket No. 383] (the "Appointment Order"), the Court appointed Robert M. Fishman as the Fee Examiner in connection with the above-captioned bankruptcy case. According to the Appointment Order, it is the Fee Examiner's responsibility to assure the Court, the City, the creditors, and the public that the City's Professional Fee Expenses (as defined in the Appointment Order) are fully disclosed and are reasonable, as required by 11 U.S.C. § 943(b)(3).

2. Pursuant to paragraph 1 of the Fee Review Order, the City and the Committee have identified the following City Professionals and Committee Professionals, whose Professional Fee Expenses are subject to review by the Fee Examiner:

[1] Capitalized terms not otherwise defined herein shall have the meaning assigned in the Fee Review Order.

City Professionals	Committee Professionals
Conway MacKenzie, Inc.	Dentons US LLP/Salans FMC SNR Denton Europe LLP
Ernst & Young LLP	Brooks Wilkins Sharkey & Turco PLLC
Jones Day	Lazard Freres & Co. LLC
Foley & Lardner LLP	Segal Consulting
Kurtzman Carson Consultants LLC	
Miller Buckfire & Co. LLC	
Miller, Canfield, Paddock & Stone, P.L.C.	
Milliman, Inc.	
Pepper Hamilton LLP	
Kilpatrick & Associates, PC	
Dykema Gossett, PLLC	
Ottenwess, Allman & Taweel, PLC	

3. Of the City Professionals, Foley & Lardner LLP did not submit a November Invoice to the Fee Examiner.

4. Pursuant to paragraph 4 of the Fee Review Order, the Professionals are required to submit monthly invoices to the Fee Examiner within 49 days after the end of each calendar month. Therefore, the November Invoices were due on or before January 21, 2014.

5. The Fee Examiner received timely November Invoices from each of the Professionals except Kurtzman Carson Consultants LLC, Dykema Gossett, PLLC ("Dykema"), Ottenwess, Allman & Taweel, PLC ("Ottenwess") and Segal Consulting. Kurtzman Carson Consultants LLC submitted its Invoice to the Fee Examiner on January 22, 2014, and Segal Consulting submitted its Invoice to the Fee Examiner on February 11, 2014. On December 13,

2013, counsel for the City advised that Kilpatrick & Associates, P.C., Dykema and Ottenwess were going to be added to the fee review process. Dykema submitted its Invoice to the Fee Examiner on March 19, 2014, and Ottenwess submitted its Invoice to the Fee Examiner on February 3, 2014.

6. Pursuant to paragraph 5 of the Fee Review Order, the Fee Examiner is to issue Preliminary Reports to each of the Professionals with respect to each month's Invoices. The November 2013 Preliminary Reports (each a "Preliminary Report") were issued by the Fee Examiner between March 4-7, 2014 (and transmitted to each Professional) with respect to each of the November Invoices. Thereafter the Fee Examiner engaged in Resolution Discussions with each of the Professionals in an effort to resolve the Fee Examiner's comments and questions regarding the November Invoices.

7. Pursuant to paragraph 7 of the Fee Review Order, the Fee Examiner submits this Final Monthly Report regarding the November Invoices.

Summary of November Invoices by Professional

8. The following are summaries of the submitted November Invoices organized by Professional, indicating total requested fees and expenses, as well as voluntary write-offs and other reductions made by each of the Professionals with respect to its November Invoice, both before the submission of the November Invoice and as a result of the Resolution Discussions between the Fee Examiner and each Professional. As referenced beside the name of each Professional, attached as exhibits to this November Final Monthly Report are copies of the final, redacted (as applicable) November Invoices which in many respects have been revised and/or reduced based on the Preliminary Reports and Resolution Discussions between the Fee Examiner and the Professionals.

City Professionals

9. Conway MacKenzie, Inc. ("Conway") (Exhibit A)

Initial Voluntary Fee Reduction	$5,841.00
Original Fee Request	$1,001,959.25
Subsequent Voluntary Fee Reduction	$3,209.54
Final Fee Request	$998,749.71
Expenses Incurred	$6,934.94
Voluntary Expense Reduction	$4,430.07
Final Expense Request	$2,504.87
Total Fee and Expense Request	$1,001,254.58

Conway's November Invoice initially provided for a fee request of $1,001,959.25 and an expense request of $2,504.87, for a total request of $1,004,464.12. In the Preliminary Report regarding Conway's November Invoice, the Fee Examiner identified several issues and made certain requests of Conway relating to, among other things: (i) the sufficiency of certain service descriptions; (ii) the allocation of certain tasks to senior professionals; (iii) the treatment of certain administrative tasks, including whether they were appropriately billed to the City; (iv) numerous instances of lumping discrete tasks into single time entries; and (v) the appropriateness of charging for multiple professionals to attend certain inter-office conferences.

Based on the Preliminary Report, Conway made substantial revisions to the Invoice to supplement and clarify certain service descriptions, to un-lump numerous time entries, and to explain why multiple professionals were required to participate in certain inter-office conferences. Conway made additional voluntary reductions totaling $3,209.54 related to certain inconsistent or duplicate time entries, and with respect to certain administrative tasks. Conway has provided an affirmative statement that the fees requested in the Invoice comply with the terms and conditions of Conway's fee agreement with the City and has further demonstrated that the fees are being monitored to comply with the amount restrictions set forth therein. In sum,

Conway's revised November Invoice, which includes a modified fee and expense request of $1,001,254.58, addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

10. Jones Day (Exhibit B)

Initial Voluntary Discounts	$454,696.84
Original Fee Request	$3,255,186.37
Additional Voluntary Fee Reduction	$41,783.25
Final Fee Request	$3,213,403.12
Original Expense Request	$290,214.23
Additional Voluntary Expense Reduction	None
Final Expense Request	$290,214.23
Total Fee and Expense Request	$3,503,617.35

In the Preliminary Report regarding Jones Day's November Invoice, the Fee Examiner identified several issues and made certain requests, including, but not limited to: (i) the number of Jones Day professionals that attended the eligibility trial over four days in November 2013 (Jones Day billed approximately $116,170.00 for as many as nine professionals to attend), which number appeared excessive to the Fee Examiner; (ii) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, unreasonable time, incorrect categorization, improper allocation of resources, duplicative time entries, internal inconsistencies, and unreasonable or non-compensable expenses); (iii) a request that, for time entries related to mediation activities, the time entry identify the specific mediation proceeding; (iv) a request that Jones Day explain why the amount of time spent on the claims bar date motion, order and claims procedures was so significant (approximately 95.8 hours); (v) a request that Jones Day explain why the amount of time spent on the appeal brief was so significant (approximately 132.6 hours); (vi) a request that Jones Day explain why the amount of time spent analyzing objections to the motion for authority to enter into the Public Lighting Authority transaction was so significant (approximately 227.3 hours); (vii) a request that Jones Day divide the large City Assets, Services and Revitalization category into smaller categories based on the

specific task being undertaken, such as Windsor Tunnel, Detroit Institute of Arts, Public Lighting Authority, Energy, and Detroit Land Bank; (viii) the tendency of certain professionals to bill time in blocks of .50 or .00, which trend suggested that such professionals were not billing in increments of one-tenth of an hour; and (ix) a request that Jones Day subdivide the Plan of Adjustment category into two separate categories related to the plan of adjustment and the disclosure statement.

In response to the Preliminary Report, with respect to Jones Day's attendance at the eligibility trial, Jones Day explained the magnitude and complexity of issues involved, particularity the "(a) the scope of this litigation, (b) the number of issues and adversaries, (c) the fundamental importance of an eligibility determination to the success of the chapter 9 process and (d) the anticipation that the record would be reviewed carefully by the Bankruptcy Court and again on appeal." Such task was "far too large for one or two lawyers to handle." Jones Day also explained that it had already written off approximately 37.1 hours for both senior and junior lawyers to attend the eligibility trial, for a total of $21,760.00. Jones Day agreed, however, to write-off an additional $13,972.50 in legal fees, which comprised the attendance of one of the senior partners on November 4 and 5 and certain associates on November 4, 5 and 8. The Fee Examiner believes this is an appropriate resolution to the issue.

With respect to individual time entries and expenses, Jones Day has either: (a) reduced or written off such time entry, (b) revised the description, or (c) provided an adequate explanation with respect to the Fee Examiner's comments on such time entry or expense. Jones Day adequately addressed the Fee Examiner's concern that the entries of certain timekeepers tended to add up to .50 or .00 by (i) writing off entries that added up to .50 or .00 as part of its

initial voluntary reduction, which would otherwise have been billable and (ii) writing off additional time on account of such entries.

11. Foley & Lardner LLP (No Exhibit)

Foley & Lardner LLP did not bill any time to the City of Detroit in November 2013.

12. Kurtzman Carson Consultants LLC ("KCC") (Exhibit C)

Initial Voluntary Discounts	50% Courtesy Rate Discount
Original Fee Request	$35,341.00
Additional Voluntary Fee Reduction	None
Final Fee Request	$35,341.00
Original Expense Request	$268,951.40
Additional Voluntary Expense Reduction	None
Final Expense Request	$268,951.40
Total Fee and Expense Request	$304,292.40

In the Preliminary Report regarding KCC's November Invoice, the Fee Examiner identified several issues requiring clarification from KCC. For example, the Fee Examiner requested that KCC describe certain expenses related to "mailings" and certain services which may otherwise qualify as clerical in nature and thus non-compensable. In response to the Fee Examiner's Preliminary Report, KCC provided the Fee Examiner with sufficient explanations regarding the services and expenses included in the Monthly Invoice. Accordingly, KCC has fully complied with the terms of the Court's Fee Review Order for the compensation period of November 2013.

13. Miller Buckfire & Co. LLC ("Miller Buckfire") (Exhibit D)

Initial Voluntary Discounts	Fixed Fee Contract Negotiated with City $500,000 per month through December 2013
Original Fee Request	$500,000
Additional Voluntary Fee Reduction	None
Final Fee Request	$500,000
Original Expense Request	$27,406.79
Additional Voluntary Expense Reduction	$2,056.00
Final Expense Request	$25,350.79
Total Fee and Expense Request	$525,350.79

Miller Buckfire submitted its November Invoice on January 21, 2014. On February 19, 2014, Miller Buckfire submitted a revised November Invoice in an attempt to conform the November Invoice with comments made by the Fee Examiner to prior months' invoices. In the Preliminary Report regarding the November Invoice, which was sent to Miller Buckfire on March 4, 2014, the Fee Examiner identified several issues and made certain requests of Miller Buckfire relating to: (i) adding a discussion of any applicable discounts to the fees requested, and (ii) the need for additional information in the description of certain incurred expenses, including the beginning and end points for taxi and car service expenses. Miller Buckfire and the Fee Examiner resolved all outstanding issues through a series of emails on March 13 and 14, 2014, and Miller Buckfire submitted a final revised redacted November Invoice on March 18, 2014. The revised redacted November Invoice contained the suggested revisions and provided the requested additional information, and also included an expense reduction of $2,056.00 as a credit for all travel agency fees previously requested in the July-October 2013 invoices. The revised redacted November Invoice addresses all concerns raised by the Fee Examiner and there are no unresolved issues.

14. Miller, Canfield, Paddock & Stone, P.L.C. ("Miller Canfield") (Exhibit E)

Initial Voluntary Discounts	None
Original Fee Request	$273,216.00
Subsequent Voluntary Fee Reduction	$6,326.75
Final Fee Request	$266,889.25
Original Expense Request	$9,829.92
Additional Voluntary Expense Reduction	None
Final Expense Request	$9,829.92
Total Fee and Expense Request	$276,719.17

In the Preliminary Report regarding Miller Canfield's November Invoice, the Fee Examiner identified several issues, including, but not limited to: (i) the inappropriate use of billing categories; (ii) the potential duplication of certain services by Miller Canfield professionals; (iii) the allocation of particular tasks to senior attorneys; and (iv) the reasonableness of charges for certain court appearances as local counsel with a non-active role. Additionally, the Fee Examiner expressed concerns to Miller Canfield and other firms that the number of professionals in attendance and the amount of fees charged for the City's eligibility trial were excessive. Accordingly, the Fee Examiner asked Miller Canfield to review and re-evaluate its charges for certain court appearances.

Based on the Preliminary Report and related Resolution Discussions, Miller Canfield agreed not to charge the City for more than two lawyers appearing in court as local counsel in an non-active role, and to reduce the second appearing lawyer's charge by 50%. Also, in response to the Fee Examiner's determination that Miller Canfield's compensation arrangement, which included a blended hourly rate of $385 for non-bankruptcy lawyers was not resulting in a discount for the City, as intended, on March 25, 2014, Miller Canfield notified the Fee Examiner that it had modified its compensation arrangement with the City. Effective retroactively to October 1, 2013, Miller Canfield will charge the City *the lesser of* (a) standard hourly rates for

all of lawyers; and (b) a blended hourly rate of $385 per hour for all non-bankruptcy lawyers and standard hourly rates for all bankruptcy lawyers. Miller Canfield's billing rates, including the blended hourly rate, may be adjusted annually, in accordance with typical, annual rate increases, as permitted by paragraph 12 of the Fee Review Order; however, Miller Canfield will not increase the blended hourly rate by more than 3% this year.

With regard to the Fee Examiner's comments concerning possible duplication of services, and the allocation of certain tasks to senior attorneys, Miller Canfield revised its Invoice to clarify that its services were not duplicative and explained why the allocation of certain tasks to senior attorneys was appropriate under the circumstances. Miller Canfield made numerous revisions to the November Invoice to address the Fee Examiner's comments and provided voluntary fee reductions totaling $6,326.75. Miller Canfield's revised November Invoice, which includes a modified fee and expense request in the amount of $276,719.17 based on Miller Canfield's standard hourly rates, addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

Milliman submitted its November Invoice to the Fee Examiner on December 18, 2013. On March 4, 2014 the Fee Examiner sent Milliman the November Preliminary Report respecting its November Invoice. In the Preliminary Report, Milliman was asked to revise the November Invoice to provide more detail in describing the work performed by professionals whose billed

entries totaled less than an hour for the entire month, and to provide an explanation of the work performed by professionals who were designated as "Administrative/Clerical." Additionally, Milliman was asked to identify third party individuals with whom Milliman works on the Health Care Task Force and Pension Plan Task Force. Milliman provided written comments in response to the Preliminary Report explaining the work performed by the individuals designated as "Administrative/Clerical," and providing additional explanations for the other time entries as requested. Milliman later incorporated the Fee Examiner's comments into its revised and final November Invoice, as well as removed from the total fee all amounts billed for those services performed by "Administrative/Clerical" personnel. The revised November Invoice addresses all of the Fee Examiner's concerns and there are no unresolved issues.

In the Preliminary Report regarding Pepper's November Invoice, the Fee Examiner identified several issues and suggested certain revisions related to, among other things, (i) the sufficiency of various service descriptions; and (ii) the role and purpose of each professional and paraprofessional for all time entries relating to the preparation for, and attendance at, the eligibility trial. In response to the Fee Examiner's suggestions and requests, Pepper made substantial revisions to the November Invoice, including defining capitalized terms and acronyms and providing more detailed descriptions of services relating to the eligibility trial.

Based upon the foregoing revisions, Pepper has fully complied with the terms of the Court's Fee Review Order for the compensation period of November 2013.

17. Ernst & Young ("EY") (No Exhibit)

Total Fee and Expense Request	TBD
10% Contractual Fee Hold-Back[2]	TBD
Interim Fee and Expense Request	TBD

On March 7, 2014, the Fee Examiner served the Preliminary Report regarding the November Invoice of EY. The Fee Examiner identified several issues and suggested revisions to the November Invoice that related to certain vague and insufficient time entries and certain other time entries that appeared to be inconsistent with other time entries. The Fee Examiner also requested (i) specific detail ("Home Origin Detail") regarding home origin points of EY professionals with regard to ground transportation and air travel expenses; (ii) EY's reexamination ("Category Reexamination") of its categorization of time entries in the "Historical Performance Analysis" category of services; and (iii) a description ("Brownfield Description") (and EY's consideration of an appropriate modification to applicable category descriptions that cover) the work performed in connection with the City's brownfields.

[2] Under the terms of EY's engagement agreement with the City, the monthly fees of EY are "subject to a 10% holdback that will be payable upon the confirmation of a Plan of Adjustment of Debts by the Bankruptcy Court by December 31, 2014. In the event a Plan of Adjustment of Debts is not confirmed by December 31, 2014, the cumulative holdback amount will not be payable."

On March 19, 2014, EY provided the Fee Examiner with a written response to the Preliminary Report with a supporting spreadsheet, but it did not respond to the Fee Examiner's requests for the Home Origin Detail, the Category Reexamination, or the Brownfields Description. The Fee Examiner immediately reminded EY of his requests and the need for EY's corresponding responses in order to incorporate them into his resolution recommendations for the November Invoice. On March 25, 2014, EY provided the Home Origin Detail, but it has not yet provided responses to the Fee Examiner's requests for the Category Reexamination or the Brownfields Description. The Fee Examiner has continued to remind EY of his request for the Category Reexamination and the Brownfields Description so that he can finish his review of the November Invoice and conclude resolution discussions with EY. The Fee Examiner intends to prepare and file a supplement to this November Final Monthly Report and the Second Quarterly Report once these issues are resolved.

On March 4, 2014 the Fee Examiner sent Kilpatrick the November Preliminary Report with respect to Kilpatrick's November Invoice. The November Invoice addressed the Fee Examiner's previous requests that Kilpatrick provide descriptive summaries of services rendered in each billing

category, and provide more detail for substantially all of its billing entries. The revised November Invoice provided more detail to individual time entries and included summaries of billing categories for the month, as well as a separate table of all abbreviations used in the November Invoice. Kilpatrick's revised and final November Invoice addresses all of the Fee Examiner's concerns and there are no unresolved issues.

In response to the Fee Examiner's suggestions, Ottenwess made substantial revisions to the November Invoice, including drafting an informative summary of services rendered, providing a list of defined terms and key individuals referenced in the Invoice, and creating more descriptive time entries for the firm's services. On or about December 13, 2013, the City added Dykema to its list of Professionals. However, Dykema did not submit any invoices to the Fee Examiner until March 19, 2014. At that time, Dykema provided the Fee Examiner with a copy of its engagement agreement with the City, and it also submitted invoices covering the period from July 18, 2013 through November 30, 2013.

On April 11, 2014, the Fee Examiner served Dykema with a single Preliminary Report covering all of Dykema's post-petition invoices through November 2013. In the Preliminary Report, the Fee Examiner identified several issues and suggested certain revisions related to, among other things, the need for (i) a precise identification of Dykema professionals rendering services to the City, (ii) additional descriptions for each category of services reflected in the invoices, (iii) the identification of abbreviated terms used in the invoices, (iv) additional information on the affiliation of individuals identified in the invoices. The Preliminary Report also requested adjustments to several specific time entries in the invoices in order to permit the Fee Examiner to sufficiently evaluate the reasonableness of the requested fees in light of the particular services provided.

[3] The attached invoices of Dykema cover the period from July 19, 2013 through November 30, 2013.

In response to the Fee Examiner's Preliminary Report and after subsequent resolution discussions between Dykema and the Fee Examiner, Dykema submitted the revised invoices attached hereto. The revised invoices addressed the concerns that the Fee Examiner expressed in his Preliminary Report and his subsequent Resolution Discussions with Dykema. As a result, Dykema has fully complied with the terms of the Court's Fee Review Order for the compensation period of July 18, 2013 through November 30, 2013.

Committee Professionals

21. Dentons, US LLP ("Dentons") (Exhibit K)

Initial Voluntary Discounts	None
Original Fee Request	$1,001,917.75
Additional Voluntary Fee Reduction	$22,021.44
Final Fee Request	$979,896.31
Original Expense Request	$86,348.97
Additional Voluntary Expense Reduction	$4,042.56
Final Expense Request	$82,306.41
Total Fee and Expense Request	$1,062,202.72

The Fee Examiner reviewed the November 2013 invoice of Dentons. The Fee Examiner raised several issues in the Preliminary Report, including, but not limited to: (i) the number of Dentons and Brooks Wilkins professionals that attended the eligibility trial over four days in November 2013 on behalf of the Retiree Committee (Dentons billed approximately $64,067.50 for as many as six professionals to attend); (ii) a request that Dentons explain why it spent such a significant amount of time on tasks related to (a) researching and reviewing bond documents (over 80 hours) and preparing a diligence memorandum (over 40 hours), (b) preparing for the closing argument (over 40 hours), and (c) researching appellate procedure issues and preparing a motion for leave to file an appeal (over 30 hours); (iii) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, unreasonable time, incorrect categorization, improper allocation of resources, duplicative time entries, internal

inconsistencies, and unreasonable or non-compensable expenses); (iv) the use of certain categories that the Fee Examiner believes are unhelpful, such as Litigation, Court Hearings, Meetings with the Debtor, and Due Diligence, which cover multiple underlying subject matters; (v) and the practice of billing for services rendered in connection with monitoring press reports, preparing summaries of media coverage, and preparing and responding to press reports ("Media Activities").

In response to the Fee Examiner's questions concerning attendance at the eligibility trial, Brooks Wilkins and Dentons prepared a joint memorandum explaining the role of each professional at the trial and detailing the complexity of the issues and magnitude of the evidence that was presented (including over 1,000 pre-trial and trial exhibits for all objecting parties). The memorandum also explained that Dentons and Brooks Wilkins were responsible for coordinating the presentation of objections for all other objecting parties. Importantly, Dentons emphasized that it had limited its attendance at the trial to its core trial team. Accordingly, Dentons did not agree to any reduction of its time respecting the eligibility trial. However, the firms did agree to a fee reduction of 5% of Brooks Wilkins' time spent at the trial for a total reduction of $447.00. In light of the magnitude and complexity of the issues in the trial, the Fee Examiner believes that this is an appropriate resolution.

Dentons provided adequate explanations and reductions to address the Fee Examiner's concerns with respect to the amount of time spent on the various tasks listed above. In response to the time spent reviewing bond documents, Dentons explained that it conducted a review of the Detroit Water & Sewerage Department bonds to "evaluate the alternatives of . . . restructuring . . . the bonds into a new authority or . . . keeping [the authority] as an enterprise agency with a restructured lease or privatization." Such a review was critical to evaluate the proposals in

connection with the plan of adjustment. Dentons agreed, moreover, to reduce certain time entries spent reviewing bond documents by 12.5%. Next, with respect to the time spent on the closing argument at the eligibility trial, Dentons explained that the presentation was a monumental task requiring a summation of all evidence presented at trial, and that the argument was well received. Finally, with respect to the appellate research, Dentons contended that the research was necessary in light of the lack of precedent and authority for a discretionary direct appeal.

With respect to individual time entries and expenses, Dentons has either: (a) reduced or written off such time entry, (b) revised the description, or (c) provided an adequate explanation with respect to the Fee Examiner's comments on such time entry or expense. Dentons also agreed to revise or discontinue using certain fee categories.

Finally, Dentons agreed to reduce the entries related to Media Activities from approximately $25,260 to $16,000. The Fee Examiner believes this is an appropriate and reasonable resolution and that there are no open issues with respect to the November Invoice.

22. Brooks Wilkins Sharkey & Turco, PLLC ("Brooks Wilkins") (Exhibit L)

Initial Voluntary Discounts (in addition to general rate reduction discount)	None
Original Fee Request	$59,762.50

Additional Voluntary Expense Reduction	None
Final Expense Request	$739.29
Total Fee and Expense Request	$60,054.79

The Fee Examiner reviewed the November Invoice for Brooks Wilkins and identified several issues and made certain requests of Brooks Wilkins in the Preliminary Report, including,

[4] Brooks Wilkins has agreed that the credit for such reduction shall be applied to its April 2014 invoice.

but not limited, to explaining: (i) the number of professionals that attended the eligibility trial on behalf of the Retiree Committee over four days in November 2013 (Brooks Wilkins billed approximately $8,947.00 to attend); (ii) certain individual time entries (*e.g.*, insufficient description, potentially duplicative services, and improperly categorized time entries); and (iii) the lack of summary descriptions before each invoice category.

In response to the Fee Examiner's critique of the number of attorneys who attended the trial, Brooks Wilkins and Dentons prepared a joint memorandum explaining the responsibilities of counsel for the Retiree Committee and the roles of each professional involved. The joint response of Dentons and Brooks Wilkins is more fully discussed herein in the section on Dentons. Brooks Wilkins has agreed to reduce its fees for attendance at the trial by 5% for a total reduction of $447.00. With respect to individual time entries and expenses, Brooks Wilkins has either revised the description or provided an adequate explanation in response to the Fee Examiner's comments on such entry. Brooks Wilkins also revised its invoice to provide sufficient category summaries. As a result, the Fee Examiner has determined there are no open issues with respect to the November Invoice.

23. Lazard Freres & Co. LLC ("Lazard") (Exhibit M)

Additional Voluntary Expense Reduction	$90.00
Final Expense Request	$27,222.62
Total Fee and Expense Request	$202,222.62

With respect to Lazard's November Invoice, the Fee Examiner identified several issues and made certain requests of Lazard in the November Preliminary Report, including, but not

limited to: (i) the quality of the summaries of each category of services in the Invoice, which the Fee Examiner believed were too vague and generic; and (ii) insufficient descriptions of certain of Lazard's expenses. In response to the Preliminary Report, Lazard provided revised descriptions of each category of services, which the Fee Examiner believes are sufficiently detailed. Lazard also provided additional information about its expenses, which the Fee Examiner believes is sufficient.

24. Segal Consulting ("Segal") (Exhibit N)

Initial Voluntary Discounts	None

Additional Voluntary Expense Reduction	None
Final Expense Request	$10,606.58
Total Fee and Expense Request	$172,316.58

On March 4, 2014 the Fee Examiner sent Segal the November Preliminary Report respecting its November Invoice. In the November Preliminary Report, the Fee Examiner identified several issues and made certain requests of Segal, including but not limited to: (i) providing descriptive summaries of the services rendered in each billing category; (ii) providing more detailed descriptions of the services performed for particular billing entries; and (iii) explaining Segal's calculation of discounted, non-working travel time. The Fee Examiner also expressly noted that Segal's nondescript time entries were not improving, despite similar requests in every prior month's preliminary report. In response to the November Preliminary Report, Segal provided the information requested and revised its November Invoice to address

the Fee Examiner's concerns. Segal's revised November Invoice comports with the Fee Examiner's requests, and there are no unresolved issues.

Summary description of work performed

As required by paragraph 13 of the Fee Review Order

Introduction / Background

The City engaged Miller Buckfire based upon its restructuring expertise as well as its capital markets knowledge, financing skills and mergers and acquisitions capabilities, some or all of which are expected to be required during Miller Buckfire's engagement, and were important factors in determining the amount of the various fees set forth in Miller Buckfire's Contract. The fee structure was agreed after extensive arms-length negotiations and reduction by Miller Buckfire of the fees originally sought.

In reaching its agreement with Miller Buckfire, the City recognized that Miller Buckfire does not maintain detailed written time records in the normal course of providing financial advisory and investment banking services to its clients and that Miller Buckfire does not bill its clients based on the number of hours expended by its professionals. Rather, the Contract reflects an understanding that the ultimate benefit of Miller Buckfire's services cannot be measured merely by reference to the number of hours to be expended by Miller Buckfire's professionals in the performance of such services. Rather, the Contract was agreed in anticipation that a substantial commitment of professional time and effort will be required of Miller Buckfire and that the actual time and commitment required of Miller Buckfire and its professionals to perform its services would vary substantially from week to week or month to month, creating "peak load" issues for the firm.

Miller Buckfire respectfully submits that (i) the professional services performed by Miller Buckfire are necessary and appropriate and substantially benefit the City and (ii) the compensation requested in this application is in accordance with the terms of Miller Buckfire's Contract. The terms and provisions of the Contract appropriately reflect (i) the nature of the services to be provided by Miller Buckfire and (ii) the fee structures typically utilized by Miller Buckfire and other leading financial advisory and investment banking firms, which do not bill their clients on an hourly basis and generally are compensated on a transactional basis. The fee structure creates a proper balance between fixed, monthly fees and transaction fees based on the consummation of specifically identified transactions. In addition, Miller Buckfire's compensation is fully justified and reasonable based upon the (i) complexity of issues presented, (ii) skill required to perform the financial advisory services properly, (iii) preclusion of other similar employment, (iv) customary fees charged to clients in out-of-court and in-court situations for similar services rendered, (v) time constraints required by the exigencies of the City's case, (vi) experience, reputation and ability of the professionals rendering services, (vii) time and labor required and (viii) and the requirement that specifically identified transaction be consummated prior to payment of any transaction based fees.

Employee Summary

The names in the chart below reflect Miller Buckfire bankers who spent more than five hours on the Detroit engagement during the month of November. Additionally, the chart reflects an estimated percentage of each banker's work time that was spent on the engagement during the month.

To provide background, Miller Buckfire will typically staff one Managing Director, one Director or Vice President, one Associate and one Analyst on a particular engagement. Additionally, bankers are typically staffed on two live engagements at any time and have other internal firm responsibilities as well. Based on the above, we would expect that a normal engagement would feature four bankers, and that they would each be categorized in the "25-50%" section, on average, over the course of the engagement.

- **Moderate Time**: Estimated 25-50 banker hours
- **Extensive Time**: Estimated 50-100 banker hours
- **Very Extensive Time**: Estimated 100+ banker hours

Please note that if any task category required less than ten banker hours to complete, Miller Buckfire excluded it from the work description summary.

Miller Buckfire does not bill or record hours as standard practice, nor does Miller Buckfire's engagement letter contemplate Miller Buckfire will be required to record hours and provide hourly records.

SUMMARY OF BILLING CATEGORIES

General and Administrative

Legal services billed under the General and Administrative category include any and all legal services that do not fit in one of the discrete categories listed below. Included in this category in the attached invoice are fees for review of the docket in the City of Detroit's bankruptcy case.

Operations

Kilpatrick & Associates, P.C. ("Firm) assists the City of Detroit Water and Sewerage Department ("DWSD") with matters that arise in its day-to-day operations. The time spent providing such services are billed under the Operations category. During the period covered by the attached invoice, the Firm was asked to assist with developing a procedure for addressing the City of Detroit's water and sewer accounts. The Firm worked with Jones Day, restructuring counsel for the City of Detroit, and Ernst & Young, accountants for the City of Detroit, to establish such a procedure. The Firm was also asked to investigate a shut off notice that was purportedly sent by DWSD to a department of the City of Detroit and to advise whether DWSD could proceed with terminating service.

Contract Assumption/Rejection

Section 365 of United States Bankruptcy Code permits DWSD to assume or reject executory contracts and unexpired leases. DWSD requested that the Firm assist in determining what contracts to assume or reject and monitor the progress of the process. During the time period covered by the attached invoice, the Firm participated in meetings and discussions regarding the proposed list of assumed and rejected contracts developed by DWSD.

U.S. Bank

U.S. Bank is the Trustee for the water and sewer bonds. DWSD requested the Firm's assistance with examining due diligence and fee requests made by U.S. Bank under the Trust Indenture. During the time period covered by the attached invoice, the Firm examined a fee request made by U.S. Bank, had discussions with counsel for U.S. Bank regarding the fee request, and formulated a response to the fee request in conjunction with Dykema, counsel for DWSD, and Jones Day, counsel for the City.

Case Status Updates

As bankruptcy counsel for DWSD, the Firm is expected to keep DWSD apprised of the status of the City of Detroit's bankruptcy case. To do so, the Firm provides both verbal and written case status updates to DWSD. The legal services billed under the Case Status Updates category include the verbal and written status updates provided to DWSD by the Firm during the time period covered by the proposed invoice.

Alternative Structures

Legal services billed under the Alternative Structures category relate to investigation and implementation of an array of potential structures for DWSD designed to maximize the value of DWSD to the City of Detroit after the City of Detroit exits bankruptcy. During the time period covered by the attached invoice, the Firm reviewed comments from Oakland County on spinning off DWSD into a regional authority and the legal documents necessary to create a regional authority, investigated public-private partnerships, and attended a meeting of the Board of Water Commissioners ("BOWC") at which the BOWC was briefed on the structure that was being considered for DWSD.

Hearings

In addition to providing case status updates, the Firm attends hearings in the City of Detroit's bankruptcy case to be able to provide DWSD with appropriate updates on the status of the City's bankruptcy case. The fees included under the Hearings category consist of time spent at hearings in the City of Detroit's bankruptcy case.

RE: November 2013 Invoice, Narrative Description

Dear Mr. Fishman:

Pursuant to the Fee Review Order in the Detroit Bankruptcy case, this memorandum is submitted in compliance with the requirement to provide a summary of the work performed in connection with our firm's engagement by the Detroit Water and Sewerage Department.

Alternative Structures for DWSD (15.0 hours): During the month of November, the firm worked with DWSD to prepare the Board of Water Commissioners for a closed session that was held with the Emergency Manager's legal team. In addition to working on the briefing package for the Board, the firm worked with other counsel for the department to prepare a summary memorandum from the closed session for DWSD's General Counsel, who was unable to attend the closed session. Additionally, the firm began exploring alternatives to the Authority concept by reviewing public-private partnership materials from other jurisdictions.

The total bill for the month of November, 2013 was $3,400.70 made up of 15 hours of attorney time and $25.70 in copying charges.

Very Truly Yours,

Ottenwess, Taweel & Schenk, PLC.
