FEE EXAMINER'S FINAL MONTHLY REPORT REGARDING DECEMBER 2013 MONTHLY INVOICES

Robert M. Fishman, the duly appointed fee examiner (the "Fee Examiner"), presents this Final Monthly Report regarding the December 2013 Monthly Invoices (each a "December Invoice") pursuant to paragraph 7 of the Court's Fee Review Order dated September 11, 2013 [Docket No. 810] (the "Fee Review Order"):[1]

Background

1. Pursuant to the Order Appointing Fee Examiner dated August 19, 2013 [Docket No. 383] (the "Appointment Order"), the Court appointed Robert M. Fishman as the Fee Examiner in connection with the above-captioned bankruptcy case. According to the Appointment Order, it is the Fee Examiner's responsibility to assure the Court, the City, the creditors, and the public that the City's Professional Fee Expenses (as defined in the Appointment Order) are fully disclosed and are reasonable, as required by 11 U.S.C. § 943(b)(3).

2. Pursuant to paragraph 1 of the Fee Review Order, the City and the Committee have identified the following City Professionals and Committee Professionals, whose Professional Fee Expenses are subject to review by the Fee Examiner:

[1] Capitalized terms not otherwise defined herein shall have the meaning assigned in the Fee Review Order.

City Professionals	Committee Professionals
Conway MacKenzie, Inc.	Dentons US LLP/Salans FMC SNR Denton Europe LLP
Ernst & Young LLP	Brooks Wilkins Sharkey & Turco PLLC
Jones Day	Lazard Freres & Co. LLC
Foley & Lardner LLP	Segal Consulting
Kurtzman Carson Consultants LLC	
Miller Buckfire & Co. LLC	
Miller, Canfield, Paddock & Stone, P.L.C.	
Milliman, Inc.	
Pepper Hamilton LLP	
Kilpatrick & Associates, PC	
Dykema Gossett, PLLC	
Ottenwess, Taweel & Schenk, PLC	

3. Pursuant to paragraph 4 of the Fee Review Order, the Professionals are required to submit monthly invoices to the Fee Examiner within 49 days after the end of each calendar month. Therefore, the December Invoices were due on or before February 18, 2014.

4. The Fee Examiner received timely December Invoices from each of the Professionals except Miller Buckfire & Co. LLC, Dykema Gossett, PLLC and Segal Consulting. Miller Buckfire and Co. LLC submitted its December Invoice to the Fee Examiner on February 20, 2014, and Segal Consulting submitted its December Invoice to the Fee Examiner on February 27, 2014. On December 13, 2013, counsel for the City advised that Dykema Gossett, PLLC and several other firms were going to be added to the fee review process. Dykema Gossett, PLLC submitted its December Invoice to the Fee Examiner on April 25, 2014.

5. Pursuant to paragraph 5 of the Fee Review Order, the Fee Examiner is to issue Preliminary Reports to each of the Professionals with respect to each month's Invoices. The December Preliminary Reports (each a "Preliminary Report") were issued by the Fee Examiner on or about April 4, 2014 (and transmitted to each Professional) with respect to each of the December Invoices.[2] Thereafter, the Fee Examiner engaged in Resolution Discussions with each of the Professionals in an effort to resolve the Fee Examiner's comments and questions regarding the December Invoices.

6. Pursuant to paragraph 7 of the Fee Review Order, the Fee Examiner submits this December Final Monthly Report regarding the December Invoices. Excepted from this December Final Monthly Report are the December Invoices of Dykema, Ernst & Young LLP and Dentons US LLP/Salans FMC SNR Denton Europe LLP because those firms have not submitted final, revised December Invoices to the Fee Examiner. The Fee Examiner will file a supplement to this December Final Monthly Report and to the corresponding Second Quarterly Report upon receipt of the applicable December Invoices.

Summary of December Invoices by Professional

7. The following are summaries of the submitted December Invoices organized by Professional, indicating total requested fees and expenses, as well as voluntary write-offs and other reductions made by each of the Professionals with respect to its December Invoice, both before the submission of the December Invoice and as a result of the Resolution Discussions between the Fee Examiner and each Professional. As referenced beside the name of each Professional, attached as exhibits to this December Final Monthly Report are copies of the final, redacted (as applicable) December Invoices which in many respects have been revised and/or

[2] Except as to Dykema, from whom the Fee Examiner had not yet received the Invoice. The December Preliminary Report will be sent at a later date.

reduced based on the Preliminary Reports and Resolution Discussions between the Fee Examiner and the Professionals.

City Professionals

8. Conway MacKenzie, Inc. ("Conway") (Exhibit A)

Initial Voluntary Fee Reduction	$9,058.50
Original Fee Request	$940,506.50
Subsequent Voluntary Fee Reduction	$3,244.63
Final Fee Request	$937,261.87
Expenses Incurred	$9,254.72
Voluntary Expense Reduction	$4,236.45
Final Expense Request	$5,018.27
Total Fee and Expense Request	$942,280.14

Conway's December Invoice initially provided for a fee request of $940,506.50 and an expense request of $5,018.27, for a total request of $945,524.77. In the Preliminary Report regarding Conway's December Invoice, the Fee Examiner identified several issues and made certain requests of Conway relating to, among other things: (i) the sufficiency of certain service descriptions; (ii) the allocation of certain tasks to senior professionals; (iii) the reasonableness of charging for multiple professionals to attend the same meetings; (iv) the appropriateness of charging for certain administrative tasks; and (v) the amount of certain lodging expenses.

Based on the Preliminary Report, Conway made substantial revisions to the Invoice to supplement and clarify certain service descriptions, to explain the need for allocation of particular tasks to senior professionals and for multiple professionals to participate in certain meetings, and to explain the amount of certain lodging expenses. Conway made additional voluntary reductions totaling $3,244.63 related primarily to certain administrative tasks questioned by the Fee Examiner. Conway has provided an affirmative statement that the fees requested in the December Invoice comply with the terms and conditions of Conway's fee

agreement with the City and has further demonstrated that the fees are being monitored to comply with the amount restrictions set forth therein. In sum, Conway's revised December Invoice, which includes a modified fee and expense request of $942,280.14, addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

Initial Voluntary Discounts	$726,710.32
Original Fee Request	$3,184,521.75
Additional Voluntary Fee Reduction	$15,633.00
Final Fee Request	$3,168,888.75
Original Expense Request	$197,918.20
Additional Voluntary Expense Reduction	None
Final Expense Request	$197,918.20
Total Fee and Expense Request	$3,366,806.95

In the Preliminary Report regarding Jones Day's December Invoice, the Fee Examiner identified several issues and made certain requests, including, but not limited to: (i) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, incorrect categorization, improper allocation of resources, duplicative time entries, internal inconsistencies, and unreasonable or non-compensable expenses); (ii) certain professionals' practice of placing time entries for the hearing on the assumption motion and post-petition financing motion in two separate categories (COP/SWAP Matters and Post-petition/Exit Financing); (iii) a request that Jones Day subdivide the Mediation category into distinct categories for each mediation; (iv) Jones Day's practice of placing a number of seemingly unrelated matters into the City Assets, Services, and Revitalization category; and (v) a request that Jones Day explain why it was necessary to spend over 128 hours on a reply brief in support of the City's motion to obtain DIP financing.

With respect to the practice of putting time entries related to the assumption motion and post-petition financing motion into separate categories, Jones Day explained that the matters

were related and, for that reason, the Court had consolidated the hearings on the motions. Preparation for the two matters thus overlapped. Jones Day further indicated that it had attempted to bill matters related to the post-petition financing motion to the Post-petition/Exit Financing category and those related to the assumption motion in the COP/SWAP category. The Fee Examiner believes this is an adequate response to his concern.

Jones Day has adequately addressed the Fee Examiner's concerns with the broadness of the Mediation category by further clarifying certain of its entries to indicate specific mediations. Jones Day further noted that many of the mediation activities related to multiple or overlapping issues. While the Fee Examiner has accepted this response respecting the December Invoice, Jones Day and the Fee Examiner are discussing a modified approach to the Mediation category in invoices relating to January 2014 and later.

Jones Day does not believe that creating multiple subcategories for the tasks in the City Assets, Services and Revitalization category would be useful, "particularly since many of these discrete projects are active for only short durations." Further, Jones Day asserts that each time entry already describes the underlying tasks appropriately to identify the asset, transaction or issue being addressed. The Fee Examiner respectfully disagrees. Many of the projects in the category have continued since the beginning months of the case through December 2013. And the specificity of a given time entry does little to assist the Fee Examiner's attempts to evaluate the total number of hours billed on a given project. While the Fee Examiner has accepted this response respecting the December Invoice, Jones Day and the Fee Examiner are discussing a modified approach to the City Assets, Services and Revitalization category in invoices relating to January 2014 and later.

Jones Day explained that work spent on the reply in support of the post-petition financing motion was necessary because of the importance of the motion. The relief sought in the motion "was critical to fund the proposed settlement with the counterparties to the City's interest rate swap agreements and to obtain funds necessary to make critical reinvestments in the City." Over 20 objections to the motion were filed raising issues that had to be reviewed, evaluated and briefed by lawyers at Jones Day with the relevant specialized expertise. Jones Day also indicated that it had already written off at least 18 hours related to the reply brief. Given the importance of the motion and the complexity of the issues raised, the Fee Examiner is satisfied that the time spent on the brief was not unreasonable.

Finally, with respect to individual time entries and expenses, Jones Day has either: (a) reduced or written off such time entry, (b) revised the description, or (c) provided an adequate explanation with respect to the Fee Examiner's comments on such time entry or expense.

10. Foley & Lardner LLP ("Foley") (Exhibit C)

Additional Voluntary Expense Reduction	None
Final Expense Request	$0
Total Fee and Expense Request	$7,600.00

In the Preliminary Report regarding Foley's December Invoice, the Fee Examiner identified an issue regarding the vagueness of a particular time entry. Foley made revisions to the December Invoice to add more specific detail to the time entry in accordance with the Fee

Examiner's suggestions. As a result, Foley has fully complied with the terms of the Court's Fee Review Order for the compensation period of December 2013.

11. Kurtzman Carson Consultants LLC ("KCC") (Exhibit D)

Additional Voluntary Expense Reduction	None
Final Expense Request	$14,340.08
Total Fee and Expense Request	$74,152.58

In the Preliminary Report regarding KCC's December Invoice, the Fee Examiner identified several issues requiring clarification and/or a reduction in requested fees and expenses. For example, the Fee Examiner identified that KCC's December Invoice did not provide a 50% discount for non-working travel time, as required by the Fee Review Order. In response to the Fee Examiner's Preliminary Report, KCC subsequently applied a 50% discount to all non-working travel time contained in the December Invoice. Accordingly, KCC has fully complied with the terms of the Court's Fee Review Order for the compensation period of December, 2013.

12. Miller Buckfire & Co. LLC ("Miller Buckfire") (Exhibit E)

Original Expense Request	$18,140.21
Additional Voluntary Expense Reduction	None
Final Expense Request	$18,140.21

Miller Buckfire submitted its December Invoice on February 20, 2014. In the Preliminary Report regarding the December Invoice, which was sent to Miller Buckfire on April 4, 2014, the Fee Examiner identified several issues and made certain requests of Miller Buckfire relating to the need for additional information in the description of some of the incurred expenses including the beginning and end points for taxi and car service expenses and the duration of all hotel stays. The Fee Examiner also requested additional information to determine the necessity of certain incurred hotel and meal expenses. Miller Buckfire provided the Fee Examiner with a thorough email response and submitted a final revised redacted December Invoice on April 21, 2014. The email response and revised redacted Invoice made the suggested revisions and provided the requested additional information. The revised redacted December Invoice addresses all concerns raised by the Fee Examiner and there are no unresolved issues.

13. Miller, Canfield, Paddock & Stone, P.L.C. ("Miller Canfield") (Exhibit F)

Initial Voluntary Discounts	None
Original Fee Request	$218,154.50
Subsequent Voluntary Fee Reduction	$363.75
Final Fee Request	$218,217.25
Original Expense Request	$5,682.17
Additional Voluntary Expense Reduction	None
Final Expense Request	$5,682.17
Total Fee and Expense Request	$223,899.42

In the Preliminary Report regarding Miller Canfield's December Invoice, the Fee Examiner identified several issues, including, but not limited to: (i) the inconsistent use of billing categories; (ii) the appropriateness of having multiple attorneys present at a court hearing; and (iii) the inadequacy of several descriptions of services rendered in individual time entries. After Miller Canfield submitted its initial December Invoice, it modified its retention agreement with the City, resulting in a slightly increased fee request. Effective retroactively to October 1, 2013, Miller Canfield will charge the City *the lesser of* (a) standard hourly rates for all of lawyers; and

(b) a blended hourly rate of $385 per hour for all non-bankruptcy lawyers and standard hourly rates for all bankruptcy lawyers. Miller Canfield's billing rates, including the blended hourly rate, may be adjusted annually, in accordance with typical, annual rate increases, as permitted by paragraph 12 of the Fee Review Order; however, Miller Canfield will not increase the blended hourly rate by more than 3% this year.

With regard to the Fee Examiner's comments concerning billing categories and the insufficiency of certain service descriptions, Miller Canfield revised its December Invoice to correct the billing categories and provide additional detail of the services rendered. Additionally, Miller Canfield made voluntary reductions to its request for compensation for court appearances where two Miller Canfield attorneys were present. Miller Canfield's revised December Invoice, which includes a modified fee and expense request of $223,899.42 reflecting Miller Canfield's standard hourly rates, addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

14. Milliman, Inc. ("Milliman") (Exhibit G)

Final Expense Request	$0.00
Total Fee and Expense Request	$85,026.00

On April 4, 2014 the Fee Examiner sent Milliman the December Preliminary Report respecting its December Invoice. In the Preliminary Report, Milliman was asked to revise the December Invoice to provide more detail in describing the work performed by professionals whose billed entries totaled less than an hour for the entire month, and to provide an explanation

of the work performed by professionals who were designated as "Administrative/Clerical." Milliman provided written comments in response to the Preliminary Report explaining the work performed by the individuals designated as "Administrative/Clerical," and providing additional explanations for the other time entries as requested. Milliman later incorporated the Fee Examiner's comments into its revised and final December Invoice, and removed from the total fees requested in the December Invoice all amounts billed for those services performed by "Administrative/Clerical" personnel. The revised December Invoice addresses all of the Fee Examiner's concerns and there are no unresolved issues.

15. Pepper Hamilton LLP ("Pepper") (Exhibit H).

Initial Voluntary Discounts	None

Original Expense Request	$3,465.45
Voluntary Expense Reduction	None
Final Expense Request	$3,465.45
Total Fee and Expense Request	$181,375.65

In the Preliminary Report regarding Pepper's December Invoice, the Fee Examiner identified several issues and suggested certain revisions related to, among other things, (i) the sufficiency of various service descriptions; and (ii) the lumping of large blocks of related services into a single descriptive sentence. In response to the Fee Examiner's suggestions and requests, Pepper made substantial revisions to the December Invoice, including de-lumping of time entries and providing more detailed descriptions of the particular services performed by Pepper Hamilton professionals. Based upon the foregoing revisions, Pepper has fully complied with the terms of the Court's Fee Review Order for the compensation period of December, 2013.

Additional Voluntary Expense Reduction	TBD
Final Expense Request	TBD
Total Fee and Expense Request	TBD
10% Contractual Fee Hold-Back[3]	TBD
Interim Fee and Expense Request	TBD

On April 4, 2014, the Fee Examiner transmitted the Preliminary Report regarding the December Invoice of EY. The Preliminary Report contained a spreadsheet identifying specific issues and suggested revisions to certain time and expense entries that were vague, incomplete or inconsistent with other time and expense entries. The Preliminary Report also contained a narrative that raised general issues with the Invoice and (i) requested information ("Expert Engagement Information") on EY's engagement agreement with the City on expert witness services; (ii) raised concern over the amount of compensation sought by EY in order to comply with the Fee Review Order ("Fee Review Compensation"); and (iii) requested a verification ("Timekeeper Verification") regarding the authorship of the time entries contained in the Invoice.

On April 21, 2014, EY provided the Fee Examiner with a written response to the Preliminary Report with a supporting spreadsheet. However, EY did not respond to the Fee

[3] Under the terms of EY's engagement agreement with the City, the monthly fees of EY are "subject to a 10% holdback that will be payable upon the confirmation of a Plan of Adjustment of Debts by the Bankruptcy Court by December 31, 2014. In the event a Plan of Adjustment of Debts is not confirmed by December 31, 2014, the cumulative holdback amount will not be payable."

Examiner's concerns over the Fee Review Compensation or his requests for the Expert Engagement Information and the Timekeeper Verification. The Fee Examiner has reiterated his request to EY for a response on these matters so that he can incorporate them into his evaluation of the Invoice. The Fee Examiner intends to prepare and file a supplement to this December Final Monthly Report and the corresponding Second Quarterly Report as soon as EY provides a response on these open matters and any associated resolution discussions can be concluded.

Original Expense Request	$0.00
Additional Voluntary Expense Reduction	None
Final Expense Request	$0.00
Total Fee and Expense Request	$4,895.00

On April 4, 2014 the Fee Examiner sent Kilpatrick the December Preliminary Report respecting its December Invoice. In the Preliminary Report, Kilpatrick was asked to revise the December Invoice to provide more descriptive summaries for services rendered in various time entries, and to "unlump" some entries to break down the time spent performing multiple tasks. On April 18, 2014, Kilpatrick provided written comments in response to the Preliminary Report, adding more detail to those entries identified in the Preliminary Report and making additional revisions. Kilpatrick later incorporated the Fee Examiner's comments into its revised and final December Invoice. The revised Invoice addresses all of the Fee Examiner's concerns and there are no unresolved issues.

18. Ottenwess, Taweel & Schenk, PLC ("Ottenwess") (Exhibit J)

Initial Voluntary Discounts	Capped Rate of $225/hour
Original Fee Request	$2,565.00
Additional Voluntary Fee Reduction	None
Final Fee Request	$2,565.00
Original Expense Request	$3.10
Voluntary Expense Reduction	None
Final Expense Request	$3.10
Total Fee and Expense Request	$2,568.10

On March 27, 2014, the Fee Examiner and counsel for Ottenwess had a telephone conference to discuss the Fee Examiner's general comments to Ottenwess' invoices (December and earlier) and his general suggestions for revisions moving forward. On April 4, 2014, Ottenwess submitted an amended December Invoice to the Fee Examiner, which, among other things, (i) addressed the sufficiency of various service descriptions; (ii) provided a summary of services performed during the period; and (iii) created distinct, descriptive categories of services based upon the connection to the case. As a result of the revisions made by Ottenwess, the Fee Examiner's December Preliminary Report raised no additional issues. Based upon the foregoing revisions, Ottenwess has fully complied with the terms of the Court's Fee Review Order for the compensation period of December, 2013.

19. Dykema Gossett, PLLC ("Dykema") (Exhibit K)

Initial Voluntary Discounts	Professional Fees charged at maximum hourly rate of $290 for attorneys and $65 for paralegals/law clerks
Original Fee Request	$4,495.00
Additional Voluntary Fee Reduction	None
Final Fee Request	$4,495.00
Original Expense Request	$2.20
Additional Voluntary Expense Reduction	None
Final Expense Request	$2.20
Total Fee and Expense Request	$4,497.20

On April 25, 2014, Dykema Gossett PLLC ("Dykema") submitted its December Invoice to the Fee Examiner. Due to the relatively small amount of Dykema's December Invoice and the pending Resolution Discussions that the Fee Examiner was having with Dykema in connection with its invoices for July through November 2013, the Fee Examiner did not prepare a separate Preliminary Report for December. Instead, the Fee Examiner informally provided comments on discrete time entries in the December Invoice in the context of his Resolution Discussions with Dykema on the July-November invoices. Dykema promptly made corresponding revisions to the December Invoice and thereby fully complied with the terms of the Court's Fee Review Order for the compensation period of December 2013.

20. Dentons US LLP ("Dentons") (No Exhibit)

Initial Voluntary Discounts	None
Original Fee Request	$1,020,754.25
Additional Voluntary Fee Reduction	TBD
Final Fee Request	TBD
Original Expense Request	$55,824.55
Additional Voluntary Expense Reduction	TBD
Final Expense Request	TBD
Total Fee and Expense Request	TBD

The Fee Examiner reviewed the December Invoice of Dentons and raised several issues in the Preliminary Report, including, but not limited to: (i) why Dentons spent over 300 hours and incurred over $72,000 in fees in connection with efforts to "catalogue" the Detroit Institute of Arts art collection; (ii) the use of certain confusing and generic fee categories; and (iii) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, unreasonable time, incorrect categorization, improper allocation of resources, duplicative time entries, internal inconsistencies, and unreasonable or non-compensable expenses).

Dentons has not yet responded to the Preliminary Report, concluded the Resolution Discussions or returned any modified and/or redacted December Invoice. The Fee Examiner intends to prepare and file a supplement to this December Final Monthly Report and the corresponding Second Quarterly Report as soon as Dentons provides a response on these open matters and any associated Resolution Discussions can be concluded.

21. Brooks Wilkins Sharkey & Turco, PLLC ("Brooks Wilkins") (Exhibit L)

Initial Voluntary Discounts (in addition to general rate reduction discount)	None
Original Fee Request	$43,925.50
Additional Voluntary Fee Reduction	None
Final Fee Request	$43,925.50
Original Expense Request	$387.52
Additional Voluntary Expense Reduction	None
Final Expense Request	$387.52
Total Fee and Expense Request	$44,313.02

The Fee Examiner reviewed the December Invoice for Brooks Wilkins and identified several issues and made certain requests of Brooks Wilkins in the Preliminary Report, including, but not limited, to explaining: (i) certain individual time entries (*e.g.*, insufficient description, potentially duplicative services, and improperly categorized time entries); (ii) the lack of summary descriptions before each invoice category; (iii) why Brooks Wilkins spent over 17 hours in connection with the review of records of the Detroit Institute of Arts ("DIA") art collection; and (iv) Brooks Wilkins' overall role and responsibility in representing the Retiree Committee *vis a vis* Dentons' role and responsibility.

With respect to individual time entries and expenses, Brooks Wilkins has either revised the description or provided an adequate explanation with respect to the Fee Examiner's comments on such time entry or expense. Brooks Wilkins also revised its invoice to provide sufficient summary descriptions before each category.

In response to the Fee Examiner's inquiry with respect to the DIA, Brooks Wilkins explained that it was necessary to determine the City's ownership interest in the artwork and the extent to which such artwork was property of the bankruptcy estate. Brooks Wilkins explained that the ownership and value of the artwork has become a significant issue in the Case as part of both the Retiree Committee's negotiations with the City over the treatment of the retirees in a plan of adjustment and the financial creditors' view of the true value of the DIA art collection.

Finally, with respect to its role, Brooks Wilkins explained that its role goes beyond that of local counsel in that it shares general responsibility for the engagement by the Retiree Committee. The firm provides advice on all local and state law matters, interfaces with the court and local attorneys, is involved in negotiating and drafting the plan of adjustment, and is involved in most aspects of representing the Retiree Committee. As a result of the response from Brooks Wilkins, there are no open issues with respect to the December Invoice.

22. Lazard Freres & Co. LLC ("Lazard") (Exhibit M)

Initial Voluntary Discounts	None
Original Fee Request	$175,000.00
Additional Voluntary Fee Reduction	None
Final Fee Request	$175,000.00
Original Expense Request	$16,884.54
Additional Voluntary Expense Reduction	None
Final Expense Request	$16,884.54
Total Fee and Expense Request	$191,884.54

With respect to Lazard's December Invoice, the Fee Examiner identified several issues and made certain requests of Lazard in the December Preliminary Report, including, but not limited to: (i) the quality of the summaries of each category of services in the Invoice, which the Fee Examiner believed were too vague and generic; and (ii) insufficient descriptions of certain of Lazard's expenses. In response to the Preliminary Report, Lazard provided revised descriptions of each category of services, which the Fee Examiner believes are sufficiently detailed. Lazard

also provided additional information about the expenses, which the Fee Examiner believes is sufficient. Lazard made corresponding revisions to the December Invoice and thereby fully complied with the terms of the Court's Fee Review Order for the compensation period of December 2013.

23. Segal Consulting ("Segal") (Exhibit N)

Initial Voluntary Discounts	None
Original Fee Request	$228,788.00
Additional Voluntary Fee Reduction	None
Final Fee Request	$228,788.00
Original Expense Request	$7,742.72
Additional Voluntary Expense Reduction	None
Final Expense Request	$7,742.72
Total Fee and Expense Request	$236,530.72

On April 4, 2014 the Fee Examiner sent Segal the December Preliminary Report respecting the Segal December Invoice. In the December Preliminary Report, the Fee Examiner identified several issues and made certain requests of Segal, including but not limited to: (i) providing descriptive summaries of the services rendered in each billing category; (ii) providing more detailed descriptions of the services performed for particular billing entries, including defining abbreviated terms; and (iii) clearly explaining Segal's calculation of discounted, non-working travel time. Recognizing that Segal's professionals, as employees of an actuary firm, are not accustomed to keeping detailed time entries in tenth-of-an-hour increments, the Fee Examiner also suggested that Segal use a different invoice format in order to alleviate the need for individual time keepers to be more descriptive in their individual time entries. Segal worked with the Fee Examiner to revise its December Invoice in order to provide substantially detailed descriptions of billing categories in lieu of nondescript, individual time entries. Segal will be

using the revised invoice format going forward. Segal's revised December Invoice comports with the Fee Examiner's requests, and there are no unresolved issues.

Summary of Services

During the time period December 1, 2013 through December 31, 2013, the work performed by Jones Day relating to COP/Swap Matters included the following:

(1) Continued to address the City's obligations relating to complex pension certificate of participation ("COP") and interest rate swap agreements to assure, among other things, that the revenue stream from the casinos will not be impeded and that these debt obligations are resolved in an appropriate and timely manner;

(2) Continued to engage in various litigation activities relating to the City's motion (the "Settlement Approval Motion") to assume and approve the forbearance and optional termination agreement (the "Forbearance Agreement" or "FOTA") documenting the settlement of swap-related disputes. These activities included (a) responding to certain motions *in limine*, (b) drafting an omnibus reply to objections to the Settlement Approval Motion, (c) drafting a proposed joint statement of facts, (d) preparing evidentiary materials and trial exhibits, (e) preparing for and participating in various depositions; (f) drafting direct examination and cross examination outlines for live witness testimony, (g) otherwise preparing for the hearing on the Settlement

Approval Motion and (h) coordinating litigation activities with the consolidated hearing on postpetition financing (which would fund the swaps settlement);

(3) Negotiated and filed a sixth amendment to the Forbearance Agreement and prepared and filed a related supplement to the Settlement Approval Motion;

(4) Engaged in ongoing negotiations with the interest rate swap counterparties regarding the payment required to be made by the City under the Forbearance Agreement and related matters;

(5) Addressed issues relating to the *Syncora Guarantee Inc. v. UBS and Merrill Lynch* proceeding (which is between the swap insurer and the swap counterparties and is related to the resolution of City's interest rate swap obligations), including by (a) preparing a combined motion to dismiss the proceeding and opposition to Syncora's motion for summary judgment, (b) preparing a response to Syncora's motion for an order declaring its proceeding not to be within the Bankruptcy Court's core jurisdiction and (c) conducting related research;

(6) Drafted a response to David Sole's motion to dismiss Settlement Approval Motion and postpetition financing motion, and conducted supporting research;

(7) Engaged in negotiations for, and evaluated issues related to, a commutation or other settlement of all of the COP-related obligations, including reviewing and evaluating commutation proposals and drafting alternative commutation structures; and

(8) Prepared for and participated in Bankruptcy Court pre-trial conference on December 13, 2013 and an evidentiary hearing on December 17, 18 and 20, 2013 regarding the Settlement Approval Motion and postpetition financing.

[Note that there is some overlap between the hearing preparations relating to the Settlement Approval Motion and preparations relating to the hearing on the proposed postpetition financing, which was intended, in part, to fund the swap settlement and which is billed in the Postpetition Financing matter (-609024). Given the related nature of these matters, the hearings on these separate requests were consolidated. Litigation activities primarily related to the swap settlement were billed to COP/Swap Matters, while litigation activities primarily related to postpetition financing were will billed to Postpetition Financing Matters.]

[Note that there is some overlap between the hearing preparations relating to the Financing Motion and preparations relating to the hearing on the proposed interest rate swap settlement, which was intended to be funded by the Postpetition Financing. Given the related nature of these matters, the hearings on these separate requests were consolidated. Litigation activities primarily related to the swap settlement were billed to COP/Swap Matters (-609009), while litigation activities primarily related to the Financing Motion were will billed to Postpetition Financing Matters.]

Summary description of work performed

As required by paragraph 13 of the Fee Review Order

Introduction / Background

The City engaged Miller Buckfire based upon its restructuring expertise as well as its capital markets knowledge, financing skills and mergers and acquisitions capabilities, some or all of which are expected to be required during Miller Buckfire's engagement, and were important factors in determining the amount of the various fees set forth in Miller Buckfire's Contract. The fee structure was agreed after extensive arms-length negotiations and reduction by Miller Buckfire of the fees originally sought.

In reaching its agreement with Miller Buckfire, the City recognized that Miller Buckfire does not maintain detailed written time records in the normal course of providing financial advisory and investment banking services to its clients and that Miller Buckfire does not bill its clients based on the number of hours expended by its professionals. Rather, the Contract reflects an understanding that the ultimate benefit of Miller Buckfire's services cannot be measured merely by reference to the number of hours to be expended by Miller Buckfire's professionals in the performance of such services. Rather, the Contract was agreed in anticipation that a substantial commitment of professional time and effort will be required of Miller Buckfire and that the actual time and commitment required of Miller Buckfire and its professionals to perform its services would vary substantially from week to week or month to month, creating "peak load" issues for the firm.

Miller Buckfire respectfully submits that (i) the professional services performed by Miller Buckfire are necessary and appropriate and substantially benefit the City and (ii) the compensation requested in this application is in accordance with the terms of Miller Buckfire's Contract. The terms and provisions of the Contract appropriately reflect (i) the nature of the services to be provided by Miller Buckfire and (ii) the fee structures typically utilized by Miller Buckfire and other leading financial advisory and investment banking firms, which do not bill their clients on an hourly basis and generally are compensated on a transactional basis. The fee structure creates a proper balance between fixed, monthly fees and transaction fees based on the consummation of specifically identified transactions. In addition, Miller Buckfire's compensation is fully justified and reasonable based upon the (i) complexity of issues presented, (ii) skill required to perform the financial advisory services properly, (iii) preclusion of other similar employment, (iv) customary fees charged to clients in out-of-court and in-court situations for similar services rendered, (v) time constraints required by the exigencies of the City's case, (vi) experience, reputation and ability of the professionals rendering services, (vii) time and labor required and (viii) and the requirement that specifically identified transaction be consummated prior to payment of any transaction based fees.

Employee Summary

The names in the chart below reflect Miller Buckfire bankers who spent more than five hours on the Detroit engagement during the month of December. Additionally, the chart reflects an estimated percentage of each banker's work time that was spent on the engagement during the month.

To provide background, Miller Buckfire will typically staff one Managing Director, one Director or Vice President, one Associate and one Analyst on a particular engagement. Additionally, bankers are typically staffed on two live engagements at any time and have other internal firm responsibilities as well. Based on the above, we would expect that a normal engagement would feature four bankers, and that they would each be categorized in the "25-50%" section, on average, over the course of the engagement.
