Background

1. Pursuant to the Order Appointing Fee Examiner dated August 19, 2013 [Docket No. 383] (the “Appointment Order”), the Court appointed Robert M. Fishman as the Fee Examiner in connection with the above-captioned bankruptcy case (the “Case”). Pursuant to the Appointment Order, it is the Fee Examiner’s responsibility to assure the Court, the City, the creditors, and the public that the City’s Professional Fee Expenses (as defined in the Appointment Order) are fully disclosed and are reasonable, as required by 11 U.S.C. § 943(b)(3).

2. Pursuant to paragraph 1 of the Fee Review Order, by no later than September 30, 2013, the City and the Committee were both required to submit lists of all professionals who have been retained to render services in connection with the Case and who seek payment of compensation and reimbursement of expenses from the City for post-petition services, excluding

Additionally, on May 29, 2014 the Court issued an order [Docket No. 5150] (the “US Bank Order”) requiring that US Bank, as Trustee, submit the invoices (going back to the inception of the case) received from its internal employee, counsel and consultants to the Fee Examiner for review. Accordingly, the following Professionals, on behalf of U.S. Bank, as Trustee, are also now participating in the Fee Review Process and submitting their invoices to the Fee Examiner: Waller, Bodman, John Young, GLC and U.S. Bank. Additionally, counsel

for Christie's Inc, Debevoise, has also agreed to be designated as a City Professional and have its invoices reviewed by the Fee Examiner. The Fee Examiner has just begun his review of the applicable invoices for these new Professionals and will be filing the appropriate Final Monthly and Quarterly Reports in the future.

4. By no later than October 4, 2013, each City Professional and Committee Professional was required to submit to the Fee Examiner (a) an executed copy of its engagement letter, (b) a verified rate statement respecting regular hourly rates and Discounted Rates, and (c) a list of billing and expense categories to be used in Monthly Invoices, which list had to be acceptable to the Fee Examiner in his reasonable discretion (collectively, the "Initial Submissions"). Fee Review Order, ¶ 2.

5. Each of the Professionals has provided its Initial Submissions to the Fee Examiner.

6. Pursuant to the Fee Review Order, each Professional is required to submit Monthly Invoices to the Fee Examiner within 49 days after the end of each calendar month; provided, however, that the July and August 2013 Monthly Invoices were due on or before October 21, 2013 (each, an "Invoice Deadline"). *Id.*, ¶ 4. Within 35 days of each Invoice Deadline, the Fee Examiner is required to create Preliminary Reports with respect to each timely submitted Monthly Invoice and transmit that Preliminary Report to the applicable Professional. *Id.*, ¶ 5. During the 14-day period after the Fee Examiner transmits the Preliminary Report (the "Resolution Period"), the Fee Examiner and each Professional are required to meet and confer respecting any issues raised by the Fee Examiner in the Preliminary Report in an effort to resolve such issues by agreement (the "Resolution Discussion"). *Id.*, ¶ 6.

7. Within 14 days after the expiration of the Resolution Period, the Fee Examiner is required to prepare a Final Monthly Report respecting all of the Monthly Invoices. Fee Review Order, ¶ 7. In the Final Monthly Report, the Fee Examiner is required to delineate all write-offs and other adjustments made to each Monthly Invoice, both before the submission of the Monthly Invoice and as a result of the Resolution Discussions. *Id.*

8. Beginning on February 4, 2014³ and approximately every 91 days thereafter, the Fee Examiner is required to prepare Quarterly Reports, which must include the following: (a) copies of each of the Final Monthly Reports for the applicable months and copies of each Monthly Invoice (subject to redaction requirements); (b) a summary of the Professional Fee Expenses for each Professional for the applicable time period, as well as for all prior time periods; and (c) a statement by the Fee Examiner as to whether all of the Professional Fee Expenses covered by the Quarterly Report have been fully disclosed and are reasonable. Fee Review Order, ¶ 8. The Quarterly Reports must be filed with the Court and posted on the Emergency Manager's page of the City's website and on the restructuring website maintained by the City's claims and noticing agent. *Id.*

9. The Fee Review Order sets forth other procedures and requirements that apply to and govern the submission, disclosure and review of all Professional Fees in the Case.

Final Monthly Reports and Monthly Invoices

10. As required by the Fee Review Order, the Fee Examiner prepared and transmitted Preliminary Reports to each Professional that submitted a Monthly Invoice and engaged in Resolution Discussions with the Professionals prior to preparing the Final Monthly Reports. The Final Monthly Reports are attached to this Third Quarterly Report as Group Exhibit 1 (January

11. Each of the attached Final Monthly Reports includes summaries of the Professional Fee Expenses for each set of applicable Monthly Invoices, including a statement of voluntary write-offs and other reductions made by each of the Professionals with respect to each Monthly Invoice, both before the submission of each Monthly Invoice and as a result of the Resolution Discussions between the Fee Examiner and each Professional.

Statement Regarding Disclosure and Reasonableness of Professional Fee Expenses

13. The procedures and requirements set forth in the Fee Review Order, including but not limited to the submission of the information contained in this Third Quarterly Report, are intended to ensure the adequacy of disclosure and provide a mechanism to assess the reasonableness of all Professional Fee Expenses. For example, the Initial Submissions enabled the Fee Examiner (i) to understand the terms of the engagement letters pursuant to which each Professional is employed, (ii) to evaluate the significance of any Discounted Rates in comparison to each Professional's regular hourly rates, and (iii) to obtain Monthly Invoices in a sufficiently detailed and organized format that is conducive to meaningful review. The Fee Examiner, individually and through his professionals, conducted a thorough review of each Monthly Invoice and generated a Preliminary Report for each Monthly Invoice that contained the Fee

Examiner's detailed comments and questions, which were aimed at (a) generating compliance with the substantive requirements of the Fee Review Order and the reasonableness standards developed by the Fee Examiner based on his extensive experience in bankruptcy cases, and (b) providing full public disclosure of the Professional Fee Expenses (subject only to redacting as determined by the applicable Professional).

14. Over the course of the many months of the creation, submission, review and related discussions, the Fee Examiner and the Professionals have developed an understanding of the manner in which invoices are going to be prepared, submitted and reviewed. The Fee Review Process itself has allowed the Professionals to improve the substantive content and quality of their respective invoices. This has resulted in both a more complete and meaningful disclosure of the services rendered. Additionally, the Fee Review Process has enabled the Professionals to present their billing services in formats and manners that are acceptable to the Fee Examiner. As the Fee Review Process has proceeded, the Professionals are generally doing a better job with their respective invoices, thereby decreasing both the modifications/clarifications and billing adjustments that the Fee Examiner has requested.

15. Once again, the Professional Fee Expenses incurred during the Reporting Period were substantial. The Case presents issues of a magnitude and complexity that challenge the Professionals' and the Fee Examiner's ability to assimilate and digest. The novelty of the legal issues, the deadlines imposed by the Case and the strong differences in opinion between the various parties on the appropriate resolution of issues, has (and continues to) make the Case extremely time intensive for all concerned. It is impossible (and inappropriate) to view the Professional Fee Expenses in the abstract. They must be tested against the circumstances of the Case, such as the amount of debt being addressed, the number of competing interests that have to

be considered, the number of diverse problems and public interest issues that must be simultaneously considered and solved within the uncharted waters of a Chapter 9 case of this magnitude.

16. During this Reporting Period, there was a shift in the most significant matters occurring in the Case. Previously, the eligibility trial was the most dominant feature of the Case, along with numerous simultaneous mediations, the contested hearings respecting the Debtor's motion to assume and approve the forbearance and optional termination agreement documenting the settlement of swap-related disputes, and multiple pension and labor negotiations. Since the first of the year, the preparation, negotiation and related motion practice respecting the City's Plan of Adjustment (the "Plan") and Disclosure Statement have become the center of activity in the Case. While mediations, financing, labor and pension negotiations and other specific substantive areas all remain extremely active, the context of much of the Case has shifted to the terms of the Plan and manner of the implementation of the Plan process. Most of the substantive disputes are now focused on Plan treatment and efforts to negotiate resolutions of those disputes that might result in confirmation of the Plan, or efforts by parties to prevent a Plan from being confirmed that such parties believe are not in their best interests.

17. All of the issues that the Fee Examiner identified in the Preliminary Reports were reasonably addressed to his satisfaction through the Resolution Discussions and the subsequent revisions to invoices, which in many instances resulted in additional voluntary reductions by the Professionals. That is not to say that every recommendation of the Fee Examiner was accepted by every Professional. The Fee Review Process limits the Fee Examiner to raising questions and seeking clarification of issues. The power of the Fee Examiner under the Fee Review Order is limited to recommendations and challenges made through the Preliminary Reports and the

Resolution Discussions. The Fee Examiner has no authority to require modifications of the Monthly Invoices or to unilaterally reduce the amount of any firm's Professional Fee Expense request.

18. The Final Monthly Reports prepared by the Fee Examiner delineate the voluntary write-offs and reductions by each Professional, both before the submission of each Monthly Invoice and as a result of the Resolution Discussions with the Fee Examiner, and, in the Fee Examiner's opinion, further reflect the reasonableness of the Professional Fee Expenses. Although the fees incurred by the Professionals during the Reporting Period and covered by this Third Quarterly Report are substantial by any measure, the Fee Examiner believes that all of the requested fees are commensurate with the complexity and speed of the Case, and the quality of the services that the Professionals have provided. Furthermore, the Fee Examiner believes that all of the requested expenses were necessarily incurred by the Professionals in connection with the services rendered. Accordingly, the Fee Examiner submits that all of the Professional Fee Expenses from the Reporting Period, as addressed by this Third Quarterly Report, have been fully disclosed and are reasonable, as required by 11 U.S.C. § 943(b)(3).

Background

1. Pursuant to the Order Appointing Fee Examiner dated August 19, 2013 [Docket No. 383] (the "Appointment Order"), the Court appointed Robert M. According to the Appointment Order, it is the Fee Examiner's responsibility to assure the Court, the City, the creditors, and the public that the City's Professional Fee Expenses (as defined in the Appointment Order) are fully disclosed and are reasonable, as required by 11 U.S.C. § 943(b)(3).

2. Pursuant to paragraph 1 of the Fee Review Order, the City and the Committee have identified the following City Professionals and Committee Professionals, whose Professional Fee Expenses are subject to review by the Fee Examiner:

3. Pursuant to paragraph 4 of the Fee Review Order, the Professionals are required to submit monthly invoices to the Fee Examiner within 49 days after the end of each calendar month. Therefore, the January Invoices were due on or before March 21, 2014.

4. The Fee Examiner received timely January Invoices from each of the Professionals except Foley & Lardner LLP, Kurtzman Carson Consultants LLC, Lazard Freres & Co. LLC and Segal Consulting. Foley & Lardner LLP submitted its January Invoice on March 27, 2014, Kurtzman Carson Consultants LLC submitted its January Invoice on April 29, 2014, Lazard Freres & Co. LLC submitted its January Invoice on March 30, 2014, and Segal Consulting submitted its January Invoice on March 31, 2014. On May 29, 2014 the Court issued an order [Docket No. 5150] (the "US Bank Order") requiring that US Bank, as Trustee, submit

the invoices (going back to the inception of the case) received from its internal employee, counsel and consultants to the Fee Examiner for review. Accordingly, the following Professionals, on behalf of U.S. Bank, as Trustee, are also now participating in the Fee Review Process and submitting their invoices to the Fee Examiner: Waller, Bodman, John Young, GLC and U.S. Bank. Additionally, counsel for Christie's Inc, Debevoise, has also agreed to be designated as a City Professional and have its invoices reviewed by the Fee Examiner. The Fee Examiner has just begun the process of reviewing and commenting on these invoices.

5. Pursuant to paragraph 5 of the Fee Review Order, the Fee Examiner is to issue Preliminary Reports to each of the Professionals with respect to each month's Invoices. The January Preliminary Reports (each a "Preliminary Report") were issued by the Fee Examiner on or about May 8, 2014 (and transmitted to each Professional) with respect to each of the January Invoices. Thereafter, the Fee Examiner engaged in Resolution Discussions with each of the Professionals in an effort to resolve the Fee Examiner's comments and questions regarding the January Invoices.

6. Pursuant to paragraph 7 of the Fee Review Order, the Fee Examiner submits this January Final Monthly Report regarding the January Invoices.

As referenced beside the name of each Professional, attached as exhibits to this January Final Monthly Report are copies of the final,

redacted (as applicable) January Invoices which in many respects have been revised and/or reduced based on the Preliminary Reports and Resolution Discussions between the Fee Examiner and the Professionals.

Original Fee Request	\$1,066,242.00
Subsequent Voluntary Fee Reduction	\$560.26
Final Fee Request	\$1,065,681.74

Voluntary Expense Reduction	\$6,478.90
Final Expense Request	\$6,892.90
Total Final Fee and Expense Request	\$1,072,574.64

Conway’s January 2014 Monthly Invoice initially provided for a fee request of \$1,066,242.00 and an expense request of \$6,892.90, for a total request of \$1,073,134.90. In the Preliminary Report regarding Conway’s January 2014 Monthly Invoice, the Fee Examiner identified several issues and made certain requests of Conway relating to, among other things: (i) the sufficiency of certain service descriptions; (ii) clarification of certain services that appeared to be administrative in nature; (iii) the reasonableness of charging for multiple professionals to attend the same meetings; and (iv) the basis for certain cellular and lodging expenses.

Based on the Preliminary Report, Conway made substantial revisions to the Invoice to supplement and clarify certain service descriptions, to explain why certain services were not purely administrative and provided a benefit to the City, to demonstrate the need for multiple professionals to participate in certain meetings, and to explain the basis for certain cellular and lodging expenses. Conway made additional voluntary reductions totaling \$560.26 related primarily to some inconsistent meeting times identified by the Fee Examiner. Conway has provided an affirmative statement that the fees requested in the Invoice comply with the terms

and conditions of Conway's fee agreement with the City and has further demonstrated that the fees are being monitored to comply with the amount restrictions set forth therein. In sum, Conway's revised January 2014 Invoice, which includes a modified fee and expense request of \$1,072,574.64, addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

9. Jones Day (Exhibit B)

Initial Voluntary Discounts	\$580,310.49
Original Fee Request	\$3,157,805.25
Additional Voluntary Fee Reduction	\$7,410.38
Final Fee Request	\$3,150,154.57
Original Expense Request	\$90,773.30
Additional Voluntary Expense Reduction	\$240.30
Final Expense Request	\$90,533.00
Total Fee and Expense Request	\$3,240,687.57

In the Preliminary Report regarding Jones Day's January Invoice, the Fee Examiner identified several issues and made certain requests, including, but not limited to: (i) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, incorrect categorization, improper allocation of resources, duplicative time entries, internal inconsistencies, and unreasonable or non-compensable expenses); (ii) Jones Day's practice of placing a number of unrelated matters into (a) the City Assets, Services, and Revitalization Category (the "City Assets Category") and (b) the Mediation Category (the "Mediation Category"), and a request that Jones Day subdivide the time entries in the City Assets and Mediation Categories according to the discrete, substantive project that was being undertaken; and (iii) a request that Jones Day explain why it was necessary to spend over 160 hours drafting a complaint seeking a declaratory judgment that the certificates of participation ("COPs") are invalid under state law.

In response, Jones Day agreed to (and did) provide reports that subdivided the time entries relating to the most significant matters billed to the City Assets and Mediation Categories

during a given month, thereby allowing the Fee Examiner to more easily review the time entries respecting the several different projects that Jones Day works on each month.

With respect to time spent on the COPs complaint, Jones Day emphasized the complexity and novel nature of the legal issues arising in the litigation, as well as the importance of the COPs complaint. Because the COPs complaint challenged the validity of over \$1.4 billion of debt held by sophisticated parties, Jones Day stated that it was critical that the complaint be well researched and supported by a solid factual basis. Jones Day also explained that it had already written-off at least 15.9 hours relating to the COPs complaint, representing over \$12,500 in fees.

Finally, with respect to individual time entries and expenses, Jones Day has either: (a) reduced or written off such time entry, (b) revised the description, or (c) provided an adequate explanation with respect to the Fee Examiner's comments on such time entry or expense.

As a result of the response from Jones Day, there are no open issues with respect to the January 2014 Invoice.

In the Preliminary Report regarding Foley's January Invoice, the Fee Examiner had no comments or suggested revisions for Foley. As a result, Foley has fully complied with the terms of the Court's Fee Review Order for the compensation period of January, 2014.

11. Kurtzman Carson Consultants LLC (“KCC”) (Exhibit D)

Initial Voluntary Discounts	50% Courtesy Rate Discount

Final Expense Request	\$29,084.83
Total Fee and Expense Request	\$130,206.58

In the Preliminary Report regarding KCC’s January 2014 Monthly Invoice, the Fee Examiner identified several issues requiring clarification and/or a reduction in requested fees and expenses. For example, the Fee Examiner identified that the KCC Invoice did not provide a 50% discount for non-work travel time, as required by the Fee Review Order. In response to the Fee Examiner’s Preliminary Report, KCC subsequently applied a 50% discount to all non-work travel time contained in the Invoice. Accordingly, KCC has fully complied with the terms of the Court’s Fee Review Order for the compensation period of January 2014.

12. Miller Buckfire & Co. LLC (“Miller Buckfire”) (Exhibit E)

Initial Voluntary Discounts	Fixed Fee Contract Negotiated with City \$300,000 per month beginning January 2014

Miller Buckfire submitted its January Invoice on March 21, 2014 and submitted a revised January Invoice on March 24, 2014. In the January Preliminary Report, the Fee Examiner noted the reduced monthly fee of Miller Buckfire effective as of January 2014 and that all prior comments by the Fee Examiner on specificity concerning expenses had been addressed. The Fee Examiner did request additional information concerning what appeared to be two duplicate expense requests. Miller Buckfire provided the Fee Examiner with a thorough email response and submitted a final revised redacted January Invoice on June 9, 2014. The email response and revised redacted January Invoice provided the requested additional information. The revised redacted January Invoice addresses all concerns raised by the Fee Examiner and there are no unresolved issues.

13. Miller, Canfield, Paddock & Stone, P.L.C. (“Miller Canfield”) (Exhibit F)

Initial Voluntary Discounts	None

Original Expense Request	\$3,623.44
Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$3,623.44
Total Fee and Expense Request	\$295,821.44

In the Preliminary Report regarding Miller Canfield’s January 2014 Monthly Invoice, the Fee Examiner identified several issues, including, but not limited to: (i) the inconsistent use of billing categories; (ii) the appropriateness of assigning certain tasks to more senior attorneys; and (iii) the inadequacy of several descriptions of services rendered in individual time entries. Pursuant to its modified retention agreement with the City, effective retroactively to October 1, 2013, Miller Canfield will charge the City *the lesser of* (a) standard hourly rates for all of lawyers; and (b) a blended hourly rate of \$395 per hour for all non-bankruptcy lawyers and standard hourly rates for all bankruptcy lawyers. Miller Canfield’s billing rates, including the

blended hourly rate, may be adjusted annually, in accordance with typical, annual rate increases, as permitted by paragraph 12 of the Fee Review Order; however, Miller Canfield will not increase the blended hourly rate by more than 3% this year.

With regard to the Fee Examiner’s comments concerning billing categories and the insufficiency of certain service descriptions, Miller Canfield revised its Invoice to correct the billing categories and provide additional detail of the services rendered. The Fee Examiner is also satisfied with Miller Canfield’s explanations regarding the allocation of certain drafting assignments to more senior partners. Miller Canfield’s revised January 2014 Monthly Invoice, which includes a modified fee and expense request of \$292,198.00 reflecting Miller Canfield’s blended hourly rate of \$395 per hour for all non-bankruptcy lawyers and standard hourly rates for all bankruptcy lawyers, addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

On May 12, 2014 the Fee Examiner sent Milliman, Inc. (“Milliman”) the January 2014 Preliminary Report (the “Preliminary Report”) respecting Milliman’s January 2014 invoice (“the Invoice”). In the Preliminary Report, Milliman was asked to revise the Invoice to provide more detail in describing the work performed by professionals whose billed entries totaled less than an hour for the entire month, and to provide an explanation of the work performed by professionals

who were designated as “Administrative/Clerical.” Milliman was also asked to provide additional detail regarding airfare expenses. Lastly, the Fee Examiner once again asked Milliman to consider providing a discounted rate for its services, as the City is not receiving any discount on the work performed by Milliman. Milliman provided written comments in response to the Preliminary Report, explaining the work performed by the individuals designated as “Administrative/Clerical,” and providing additional explanations for the other time entries as requested. Milliman incorporated all of the Fee Examiner’s comments into its revised and final Invoice. Milliman also removed from the total fee all amounts billed for those services performed by “Administrative/Clerical” personnel. Milliman continues to decline to provide the City with any discount for the services it provides. There are no unresolved issues.

In the Preliminary Report regarding Pepper’s January Invoice, the Fee Examiner identified several issues and suggested certain revisions related to the sufficiency of various service descriptions. In response to the Fee Examiner’s suggestions and requests, Pepper made substantial revisions to the January Invoice, including providing more detailed descriptions of the particular services performed by Pepper Hamilton professionals. Based upon the foregoing revisions, Pepper has fully complied with the terms of the Court’s Fee Review Order for the compensation period of January, 2014.

Interim Fee and Expense Request	\$1,226,782.14

On May 15, 2014, the Fee Examiner served his Preliminary Report regarding the January 2014 Monthly Invoice of EY was transmitted to EY. The Preliminary Report contained a spreadsheet identifying specific issues and suggested revisions to particular time and expense entries that were vague, incomplete or inconsistent with other time and expense entries. The Preliminary Report also contained a narrative (“Narrative”) that raised general issues with the January Invoice and (i) requested further information (“Technology Information”) on EY’s participation in a software demonstration by a technology vendor and EY’s associated assessment of the vendor’s technology services; (ii) raised concern over the amount of compensation sought by EY in order to comply with the Fee Review Order (“Fee Review Compensation”); and (iii) requested a verification (“Timekeeper Verification”) regarding the authorship of the time entries contained in the January Invoice.

² Under the terms of EY’s engagement agreement with the City, the monthly fees of EY are “subject to a 10% holdback that will be payable upon the confirmation of a Plan of Adjustment of Debts by the Bankruptcy Court by December 31, 2014. In the event a Plan of Adjustment of Debts is not confirmed by December 31, 2014, the cumulative holdback amount will not be payable.”

On June 1, 2014, EY provided the Fee Examiner with a written response to the Preliminary Report. EY's response included a supporting spreadsheet that mirrored the Fee Examiner's spreadsheet, responded to each of the Fee Examiner's comments on particular time and expense entries, and detailed specific revisions and adjustments that EY agreed to make to its January Invoice in order to address the Fee Examiner's concerns. EY's response also included a response to the Narrative that (i) provided the Technology Information requested by the Fee Examiner, (ii) offered a \$15,000 reduction of the Fee Review Compensation, and (iii) reflected the Timekeeper Verification requested by the Fee Examiner. On the basis of EY's response and agreed adjustments to its invoice, EY has fully complied with the terms of the Court's Fee Review Order for the compensation period of January 2014.

On May 8, 2014 the Fee Examiner sent Kilpatrick the January 2014 Preliminary Report for a January 2014 Invoice received on March 21, 2014. In the Preliminary Report, Kilpatrick was asked to revise the Invoice to provide more descriptive summaries for services rendered in various time entries, and to "unlump" some entries to break down the time spent performing multiple tasks. On May 20, 2014, Kilpatrick provided written comments in response to the Preliminary Report, adding more detail to those entries identified in the Preliminary Report and

making additional revisions, including reducing its copying expenses in accordance with the Fee Review Order. Kilpatrick later incorporated the Fee Examiner's comments into its revised and final Invoice. The revised Invoice addresses all of the Fee Examiner's concerns and there are no unresolved issues.

On April 21, 2014, the Fee Examiner and counsel for Ottenwess had a telephone conference to discuss the Fee Examiner's comments to Ottenwess' January Invoice and some general suggestions for revisions moving forward. On May 7, 2014, Ottenwess submitted an amended January Invoice to the Fee Examiner, which, among other things, (i) addressed the sufficiency of various service descriptions; (ii) provided a summary of services performed during the period; and (iii) created distinct, descriptive categories of services based upon the connection to the case. As a result, in the Fee Examiner's Preliminary Report to Ottenwess' January Invoice, the Fee Examiner raised no additional issues. In the Preliminary Report, the Fee Examiner (i) identified computational errors in certain of Dykema’s parenthetical time entries, and (ii) suggested that certain time entries lacked sufficient specificity. In response, Dykema corrected the computational errors, and it revised certain time entries to provide the detail suggested by the Fee Examiner. As a result, Dykema has fully complied with the terms of the Court’s Fee Review Order for the compensation period of January 2014.

20. Dentons US LLP (“Dentons”) (Exhibit M)

Initial Voluntary Discounts	\$0.00
Original Fee Request	\$1,074,104.50
Additional Voluntary Fee Reduction	\$2,098.50
Final Fee Request	\$1,072,006.00
Original Expense Request	\$55,468.23
Additional Voluntary Expense Reduction	\$1,082.23
Final Expense Request	\$54,386.00
Total Fee and Expense Request	\$1,126,392.00

In reviewing the January 2014 Invoice of Dentons, the Fee Examiner raised several issues in his Preliminary Report, including, but not limited to: (i) the practice of billing for services rendered in connection with monitoring press reports, preparing summaries of media coverage, and preparing and responding to press reports (“Media Activities”) (in excess of \$22,000); (ii) the use of a general Mediation category, which the Fee Examiner believes is confusing and too broad; and (iii) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, unreasonable time, incorrect categorization, improper allocation of resources, duplicative time entries, internal inconsistencies, and unreasonable or non-compensable expenses).

In response to the Fee Examiner’s inquiry regarding Media Activities, Dentons stated that the “importance” of the tasks merited compensation and did not specifically discount any time related to such services. The Fee Examiner questions the propriety of Dentons, a law firm, billing for all Media Activities undertaken during January 2014. Although certain Media Activities may fall within the scope of providing legal services, such as reviewing and advising on press reports prepared by a client, others tasks do not, such as drafting the entire press report and reviewing newspaper articles on the bankruptcy case. The Fee Examiner thus does not believe that the fees charged for the Media Activities are reasonable.

In its response to the January Preliminary Report, Dentons explained that it was only involved in two of the mediations, OPED and pension, and that those two topics were so closely related that it was not possible to meaningfully separate the two (It should be noted that Jones Day made the same comment as to the OPED and pension mediations and in its breakdown of its mediation services, Jones Day categorized the two mediations in one grouping). The Fee Examiner has accepted Dentons’ explanation.

Finally, with respect to individual time entries and expenses, Dentons has either: (a) reduced or written off such time entry, (b) revised the description, or (c) provided an adequate explanation with respect to the Fee Examiner’s comments on such time entry or expense.

21. Brooks Wilkins Sharkey & Turco, PLLC (“Brooks Wilkins”) (Exhibit N)

Initial Voluntary Discounts (in addition to general rate reduction discount)	\$0.00
Original Fee Request	\$87,111.50
Additional Voluntary Fee Reduction	\$0.00
Final Fee Request	\$87,111.50
Original Expense Request	\$4,426.29
Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$4,426.29
Total Fee and Expense Request	\$91,537.79

The Fee Examiner reviewed the January 2014 Invoice for Brooks Wilkins and identified several issues and made certain requests of Brooks Wilkins in his Preliminary Report with respect to certain individual time entries (*e.g.*, insufficient description, potentially duplicative services, and lumping). In response, Brooks Wilkins either revised the description or provided an adequate explanation with respect to the Fee Examiner’s comments on such time entry. As a result of the response from Brooks Wilkins, there are no open issues with respect to the January 2014 Invoice.

22. Lazard Freres & Co. LLC (“Lazard”) (Exhibit O)

Initial Voluntary Discounts	\$0.00
Original Fee Request	\$175,000.00

Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$10,512.00
Total Fee and Expense Request	\$185,512.00

With respect to Lazard’s January 2014 Invoice, the Fee Examiner identified several issues and made certain requests of Lazard in his Preliminary Report, including Lazard’s failure

to provide sufficient descriptions of certain expenses. In response, Lazard revised the descriptions of each such time entry. As a result of the response from Lazard, there are no open issues with respect to the January 2014 Invoice.

23. Segal Consulting (“Segal”) (Exhibit P)

Initial Voluntary Discounts	None
Original Fee Request	\$411,569.50
Additional Voluntary Fee Reduction	\$0.00
Final Fee Request	\$411,569.50
Original Expense Request	\$13,099.55
Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$13,099.55
Total Fee and Expense Request	\$236,530.72

On May 8, 2014 the Fee Examiner sent Segal the January Preliminary Report. In the January Preliminary Report, the Fee Examiner identified several issues and made certain requests of Segal, including but not limited to: (i) defining abbreviated terms in the summary descriptions of services performed for particular billing categories; and (ii) explaining the expansion of assignments given to Segal because the January Invoice is substantially larger than any prior month. Segal submitted a response to the January Preliminary Report that defined the identified acronyms in its billing category descriptions and provided the requested detail regarding Segal’s expanded responsibilities undertaken in January. Segal’s revised January Invoice incorporated the descriptions of its expanded responsibilities that Segal submitted to the

Fee Examiner. Segal's revised January Invoice comports with the Fee Examiner's requests, and there are no unresolved issues.

Summary description of work performed
As required by paragraph 13 of the Fee Review Order

Introduction / Background

The City engaged Miller Buckfire based upon its restructuring expertise as well as its capital markets knowledge, financing skills and mergers and acquisitions capabilities, some or all of which are expected to be required during Miller Buckfire's engagement, and were important factors in determining the amount of the various fees set forth in Miller Buckfire's Contract. The fee structure was agreed after extensive arms-length negotiations and reduction by Miller Buckfire of the fees originally sought.

In reaching its agreement with Miller Buckfire, the City recognized that Miller Buckfire does not maintain detailed written time records in the normal course of providing financial advisory and investment banking services to its clients and that Miller Buckfire does not bill its clients based on the number of hours expended by its professionals. Rather, the Contract reflects an understanding that the ultimate benefit of Miller Buckfire's services cannot be measured merely by reference to the number of hours to be expended by Miller Buckfire's professionals in the performance of such services. Rather, the Contract was agreed in anticipation that a substantial commitment of professional time and effort will be required of Miller Buckfire and that the actual time and commitment required of Miller Buckfire and its professionals to perform its services would vary substantially from week to week or month to month, creating "peak load" issues for the firm.

Miller Buckfire respectfully submits that (i) the professional services performed by Miller Buckfire are necessary and appropriate and substantially benefit the City and (ii) the compensation requested in this application is in accordance with the terms of Miller Buckfire's Contract. The terms and provisions of the Contract appropriately reflect (i) the nature of the services to be provided by Miller Buckfire and (ii) the fee structures typically utilized by Miller Buckfire and other leading financial advisory and investment banking firms, which do not bill their clients on an hourly basis and generally are compensated on a transactional basis. The fee structure creates a proper balance between fixed, monthly fees and transaction fees based on the consummation of specifically identified transactions. In addition, Miller Buckfire's compensation is fully justified and reasonable based upon the (i) complexity of issues presented, (ii) skill required to perform the financial advisory services properly, (iii) preclusion of other similar employment, (iv) customary fees charged to clients in out-of-court and in-court situations for similar services rendered, (v) time constraints required by the exigencies of the City's case, (vi) experience, reputation and ability of the professionals rendering services, (vii) time and labor required and (viii) and the requirement that specifically identified transaction be consummated prior to payment of any transaction based fees.

Employee Summary

The names in the chart below reflect Miller Buckfire bankers who spent more than five hours on the Detroit engagement during the month of January. Additionally, the chart reflects an estimated percentage of each banker’s work time that was spent on the engagement during the month.

To provide background, Miller Buckfire will typically staff one Managing Director, one Director or Vice President, one Associate and one Analyst on a particular engagement. Additionally, bankers are typically staffed on two live engagements at any time and have other internal firm responsibilities as well. Based on the above, we would expect that a normal engagement would feature four bankers, and that they would each be categorized in the “25-50%” section, on average, over the course of the engagement.

Name	Title	Percent of time on Detroit engagement			
		0-25%	25-50%	50-75%	75%+
Kenneth Buckfire	Managing Director Co-President				✓
James Doak	Managing Director				✓
Kyle Herman	Director				✓
Kevin Haggard	Director			✓	
Sanjay Marken	Vice President				✓
Vladimir Moshinsky	Associate		✓		
Brian Young	Analyst			✓	
George Simmons	Analyst		✓		

Task Time Requirements

In order to provide additional clarity on the work Miller Buckfire performed, Miller Buckfire has assigned one of the following classifications for each task category to reflect the amount of banker time required to complete the task:

- **Limited Time:** Estimated 10-25 banker hours
- **Moderate Time:** Estimated 25-50 banker hours
- **Extensive Time:** Estimated 50-100 banker hours
- **Very Extensive Time:** Estimated 100+ banker hours

Please note that if any task category required less than ten banker hours to complete, Miller Buckfire excluded it from the work description summary.

Miller Buckfire does not bill or record hours as standard practice, nor does Miller Buckfire’s engagement letter contemplate Miller Buckfire will be required to record hours and provide hourly records.

Summary of Services

During the time period January 1, 2014 through January 31, 2014, the work performed by Jones Day relating to COP/Swap Matters included the following:

- (1) Continued to address the City's obligations relating to complex pension certificate of participation ("COP") and interest rate swap agreements to assure, among other things, that the revenue stream from casino taxes will not be impeded and that these debt obligations are resolved in an appropriate and timely manner;
- (2) Continued to engage in various litigation activities relating to the City's motion (the "Settlement Approval Motion") to assume and approve the forbearance and optional termination agreement (the "Forbearance Agreement" or "FOTA") documenting the settlement of swap-related disputes. These activities included (a) preparing evidentiary materials and trial exhibits, (b) preparing and refining examination and cross examination outlines for live witness testimony and preparing these witnesses for trial, (c) preparing closing arguments and an accompanying visual presentation, (d) otherwise preparing for the continued hearing on the Settlement Approval Motion and (e) coordinating litigation activities with the consolidated hearing on postpetition financing (which would fund the swaps settlement);
- (3) Engaged in ongoing negotiations with the interest rate swap counterparties regarding the payment required to be made by the City under the Forbearance Agreement, potential modifications to the settlement and related matters;
- (4) Addressed issues relating to the *City of Detroit, Michigan v. Syncora Guarantee, Inc.* proceeding (which is between the City and a swap insurer and is related to the City's access to casino revenues), including by analyzing and responding to Syncora's motion to withdraw the reference to the District Court;

- (6) Evaluated the impact of the Bankruptcy Court's denial of the Settlement Approval Motion on January 16, 2014, and the subsequent termination of the FOTA, and developed a new COP/swap strategy in light of these developments; and
- (7) Assisted with the preparation of a complaint seeking a declaratory judgment that the sale of the COPs was invalid under Michigan law as beyond the City's legal debt limit, addressed related issues, conducted supporting research and coordinated these matters with counsel at Pepper Hamilton.

[Note that there is some overlap between the hearing preparations relating to the Settlement Approval Motion and preparations relating to the hearing on the proposed postpetition financing, which was intended, in part, to fund the swap settlement and which is billed in the Postpetition Financing matter (-609024). Given the related nature of these matters, the hearings on these separate requests were consolidated. Litigation activities primarily related to the swap settlement were billed to COP/Swap Matters, while litigation activities primarily related to postpetition financing were will billed to Postpetition Financing Matters.]

Summary of Services

During the time period January 1, 2014 through January 31, 2014, the work performed by Jones Day relating to Postpetition / Exit Financing included the following:

- (1) Continued to engage in preparations for the continued hearings on the City's motion (the "Financing Motion") for an order authorizing the City to enter into a postpetition financing arrangement with Barclays PLC (the "Postpetition Financing"), including by (a) developing and preparing trial exhibits, demonstratives and other materials for use at the hearing; (b) drafting and refining direct examination and cross-examination outlines for live witness testimony, (c) conducting preparation sessions with live witnesses, (d) otherwise preparing for the hearing on the Financing Motion, and (e) coordinating litigation activities with the related hearing on the City's interest rate swap settlement (which was to be funded by the proposed Postpetition Financing);
- (2) Prepared for and participated in Bankruptcy Court hearings on January 3, 13 and 16, 2014 regarding the Financing Motion and swap settlement motion;
- (3) Prepared an objection to the motion filed by Syncora Guarantee Inc. (one of the swap insurers) for a stay pending appeal of the Bankruptcy Court's ruling on the Financing Motion (the "Financing Ruling");

- (4) Revised the proposed order granting the Financing Motion in accordance with the Financing Ruling;
- (5) Prepared a motion for clarification of the Financing Ruling and conducted supporting research; and
- (6) Refined the City's strategy with respect to the Postpetition Financing in light of the Bankruptcy Court's partial denial of the Financing Motion, and continued to negotiate with Barclays regarding a new postpetition financing arrangement consistent with the Financing Ruling.

[Note that there is some overlap between the hearing preparations relating to the Financing Motion and preparations relating to the hearing on the proposed interest rate swap settlement, which was intended to be funded by the Postpetition Financing. Given the related nature of these matters, the hearings on these separate requests were consolidated. Litigation activities primarily related to the swap settlement were billed to COP/Swap Matters (-609009), while litigation activities primarily related to the Financing Motion were billed to Postpetition Financing Matters.]
