RE: Billing categories used on the Ottenwess, Taweel & Schenk, PLC invoices

Dear Mr. Fishman:

Pursuant to our telephone conference on March 27, 2014 and my letter of March 20, 2014, I am recommending the following categories for billings associated with our firm's work on the Detroit Bankruptcy matter:

Alternative Structures for DWSD: Within this billing category, I will capture all time associated with reviewing alternatives to DWSD remaining a department of the City as currently envisioned by the City Charter as amended by the orders of the federal court in the matter United States v City of Detroit (Case No. 77-71100). This category will include assorted variations on the Root Cause Committee's recommendations, the review of proposals submitted by the Emergency Manager for a regional authority, and other matters under consideration during the engagement.

DWSD Legal Structure: Within this billing category, I will capture time associated with research and legal advice concerning DWSD current legal framework including, but not limited to (1) a review of the various orders of Judge Sean F. Cox in the matter of United States v City of Detroit (Case No. 77-71100) which granted DWSD a certain degree of operational independence from the City of Detroit, (2) the Detroit City Charter, (3) existing state laws related to DWSD's operations, (4) the interplay between the orders of Judge Cox and Public Act 436, which authorized the appointment of an emergency manager and provided the framework for a bankruptcy filing by a municipality, and (4) applicable case law addressing DWSD's operations.

Bankruptcy Proceedings: Within this billing category, I will capture time associated with reviewing filings by parties to the bankruptcy proceedings that both directly and indirectly impact the negotiations regarding the treatment of DWSD within Detroit's bankruptcy. This category includes reviews of relevant provisions of the Disclosure Statements, the Plan of Adjustment, the Notice of Intent for DWSD capital financing during the bankruptcy, the initial proposal to creditors, and other related matters. This category may, on occasion, include review of relevant testimony within the bankruptcy proceedings and media reports of the same that directly impact other categories within this engagement.

Administration: This category will be used largely as a catch-all category to capture time that does not fit easily into one of the categories listed above, including time associated with compliance with the Fee Review Order, meetings with and responses to the Fee Examiner, etc.

Based upon our discussion on March 27, 2014, it is my understanding that these categories were acceptable to you, retroactively to the October 2013 invoices. Additionally, I understand that it is my obligation to update the categories should additional matters be added to the scope of our engagement in the Detroit Bankruptcy.

Very Truly Yours,

Ottenwess, Taweel & Schenk, PLC.

RE: January 2014 Invoice, Narrative Description

Dear Mr. Fishman:

Pursuant to the Fee Review Order in the Detroit Bankruptcy case, this memorandum is submitted in compliance with the requirement to provide a summary of the work performed in connection with our firm's engagement by the Detroit Water and Sewerage Department.

Alternative Structures for DWSD (15.2 hours): During the month of December, the firm reviewed and commented on several documents received from the negotiating parties to the Authority transaction. Additionally, the firm prepared a briefing package for the Board of Water Commissioners in preparation for the Board's meeting with members of the Authority negotiating team. Finally, the firm reviewed and provided input on recent term sheets associated with the proposed Authority transaction.

Bankruptcy Proceedings (23.5 hours): During the month of December, the firm reviewed Plans of Adjustment and Disclosure Statements from other jurisdictions in order to provide proposed language to the EM's team related to the proposed DWSD Authority transaction. In addition, the firm drafted a memorandum summarizing the legal framework within which DWSD must set annual charges for water and sewerage services. Finally, the firm reviewed and provided feedback on the proposed Notice of Intent resolution for DWSD to begin the bond issuance process.

Legal Structure for DWSD (1.1 hours): During the month of December, the firm was asked to research some of the prior court orders of Judge Sean F. Cox in United States v City of Detroit, et al (Case No. 77-71100) related to DWSD's operational independence from the City of Detroit.

Administration (0.3 hour): During the month of December, the firm provided historical feedback related to a deed for DWSD property.

The total bill for the month of January, 2014 was \$9,022.50 made up of 40.1 hours of attorney time and \$0.00 in reimbursable expenses.

Very Truly Yours,

Ottenwess, Taweel & Schenk, PLC.

City of Detroit, Michigan, Detroit Chapter 9 Task Descriptions for Dentons

Overview. The Official Committee of Retirees ("Committee") was appointed by the Office of the United States Trustee on August 23, 2013. The Committee represents the general interests of approximately 22,500 retirees with vested pension benefits and OPEB (other post employment benefits) that the City estimated to be a total \$3.5 billion and \$5.6 billion, respectively with bankruptcy case filings. As a result, claims related to retirees account for more than half of the City's asserted \$18 billion of debt, and more than 66% of claims if the alleged \$6.5 billion if secured bonds are excluded.

After being retained, the Committee interviewed several law firms to serve as its principal legal counsel. On August 28, 2013, the Committee retained Dentons US LLP ("Dentons"). There are three key engagement partners Sam J. Alberts, Claude Montgomery and Carole Neville, the second of whom was still technically with Salans FMC SNR Denton Europe LLP ("Salans"). On October 1, 2013, the New York offices of Dentons and Salans combined. As such, separate fee applications for Dentons and Salans were submitted for the months of August and September 2013, and any single fee application for Dentons have been and continue to be submitted for the period beginning October 2013.

As a general matter, the representation of the Committee is being conducted by three key engagement Dentons partners identified above. These partners, often oversee specific issues and tasks, and often oversee other attorneys on tasks.

We have read and understand the terms of the Court's Fee Review Order dated September 11, 2013 ("the Order"). We have complied with the Order except as expressly noted in this transmittal.

Invoice No. 1544080

Matter: Eligibility

Eligibility of the City to be a debtor under chapter 9 is the central gating issue in this and almost all other chapter 9 cases. In this case, the issue of eligibility, and the Committee objection to it, was one of, if not the most significant tasks for the first several months of this case. The Committee's efforts were rendered both more complicated in some respects, and easier in others, by the fact that more than 100 different parties filed objection to the City's eligibility. In addition to complex factual discovery, the Committee raised several procedural, legal and constitutional challenges to eligibility, as well as seeking withdrawal of the reference to the District Court on certain legal issues. The Eligibility task was lead by Claude Montgomery, with assistance from several attorneys, including partners Arthur Rugger and Anthony Ullman on trial matters, Leah Bruno on general discovery matters and Robert Millner on pension discovery matters. Also providing significant assistance were counsel Paul Gunther and associates Joseph Selby and Christopher Soper on brief writing and research. For January, this task covered assessing the factual and legal issues related to the eligibility ruling issued on December 3, 2013 and developing, coordinating and filing appellate papers in both the United States District Court and the Court of Appeals for the Sixth Circuit, which in total resulted in 413.20 hours of work at a value of \$218,306.50.

Matter: Assumption Motion

This task involves a motion by the City filed within the first days of the bankruptcy case to assume a contract that ostensibly resolves more than \$220 million in allegedly secured SWAP obligations. A number of objections were filed before the Committee was appointed. The Committee was expressly authorized by Judge Rhodes to participate in the mediation involving the SWAP assumption motion and to file its objection. Given the pending nature of the motion, Dentons was required to attend to the Swap Matters. This task was principally overseen by Carole Neville, with assistance from Gene Besen and Sam J. Alberts. Although the Committee agreed to withdraw its objection to the SWAP motion as part of a settlement of OPEB litigation, the Committee has continued to monitor the proceedings involving the SWAPs, which are (a) substantial claims against the City's estate and (b) related to the funding of the pensions in 2005. The treatment of the SWAPs and certificates of participation they support have been the subject of several hearing before Judge Rhodes. The time spent on this task in January was 6.50 hours, at a value of \$5,622.00.

Invoice No. 1544080

Matter: Pension

According to the City, unfunded pension liability to retirees approximates \$3.5 million, which the City asserts will necessarily result reductions in pension benefit payments to current and future retirees. This threat has been made notwithstanding that pensions are specifically protected under the Michigan Constitution. As such, the protection and preservation of pension is a critical issue for the Committee. Dentons continues to try to find a compromise with the City that protects the pensions and gives the City some breathing room for its recovery. Claude Montgomery and Carole Neville have the analysis lead for this project. For the month of January, time on this matter totaling 105.80 hours at a value of \$63,935.00.

Invoice No. 1544080

Matter: OPEB

The City asserts that unfunded OPEB obligations to retirees totals \$5.6 billion, making it the largest claim in the case. OPEB largely (although not exclusively) consists of health care benefits. The issue of threatened reductions to OPEB are of critical importance to retirees. From the outset the case, the City has stated its intention to substantially reduce OPEB health care, and to eliminate dental, eye care and life insurance benefits to retirees. In fact, under the City's original plan (still in affect), the City seeks to reduce annual OPEB spending from approximately \$180 million to retirees to \$30 million. Sam J. Alberts is the lead partner on these efforts. On OPEB litigation matters, assistance was provided by Dan Barnowski, Daniel Morris and Chris Soper (among others). The City's OPEB proposal for 2014 left several retiree groups without access to health care or access to adequate health care. As a result, the Committee was forced to consider revival of its action against the City. On OPEB health care issue, assistance was provided by John Feore, and on trust structures, Michael Maryn. Total January time was 552.00 hours with a value of \$323,465.50.

Invoice No. 1544080

Matter: Retention of Professionals

This task includes the pleadings filed to retain Committee Professionals, including Dentons (originally SNR Denton and Salans, which effectively combined for this case on October 1, 2013), but also interviewing several different firms to serve as local counsel, investment banker and actuary. Ultimately, the Committee, with the assistance of Dentons retained Brooks, Wilkins Sharkey & Turco, PLLC as local counsel, Lazard as investment broker and Segal Consulting as actuary. Given the importance of these retentions, efforts by Claude Montgomery, Carole Neville, Sam Alberts, and others (including Jo Christine Reed) were needed. Total time for January was 6.20 hours at a value of \$4,529.50.

Category 0016: Due Diligence.

This task category includes time relating to the due diligence review of various assets and potential assets of the City. It largely includes diligence work in connection with valuing the City-owned assets of the Detroit Institute of Arts ("DIA") and in reviewing the DWSD and alternatives to monetize that asset. Aside from general cash flow, the DIA and the DWSD are the City's two most valuable assets, and maximizing their values is essential to minimizing the City's proposed cut to retiree pensions and healthcare. Services in this category were rendered by BWST member Matthew E. Wilkins (DIA and DWSD). [4.5 hours of work with a value of \$1,980.00].

June 27, 2014

To whom it may concern:

Attached is our revised January 2014 invoice for our work with the Official Retiree Committee for the City of Detroit. Please note:

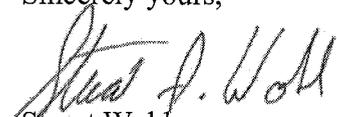

1. We have read and understand the terms of the Court's Fee Review Order dated September 11, 2013 (the "Order"). We have complied with the Order except as expressly noted in this transmittal. For the January 2014 Invoice, we have no exceptions to the Order.
2. Our January invoice is substantially larger than any prior invoice and at least double most of the prior months. Besides our regular work with the Committee, Segal was asked to participate in numerous mediation days as well as provide additional actuarial analyses in support of a potential agreement for the Retiree Committee including the following:
 - The City issued three proposals during the period beginning in late December through January that Segal was asked to review and analyze.
 - Review and comment on Milliman's determination of the impact on the pension plans of the City's December 2013 proposed cuts, including preparing and presenting the analysis to the Retiree Committee.
 - The City issued another proposal on January 8, 2014. Segal analyzed the proposal and performed valuations that showed the impact on the pension plans and participants.
 - Segal was asked to analyze the Annuity Savings fund issue and determine the amount of "excess investment return" the City claimed was paid.
 - Segal was asked to analyze the impact of the City's proposal if the Detroit Water and Sewer District and the Library were carved out of the pension plan.
 - Segal was asked to determine the pension cuts needed to meet the City's funded status goal under alternative discount rates.
 - Segal was asked to model the impact of alternative cuts to the cost of living adjustments.

- Segal was asked to perform an analysis of the cost of alternative plan designs for future accruals for active members of each retirement system.
- Segal attended a mediation session in January where the City verbally modified its proposal. We were asked to analyze the City's modified proposal and determine the financial impact of plan changes under alternative interest rate scenarios. We were also asked to prepare 40-year projections of costs in order to analyze the contributions included in the City's proposal.
- Segal was asked to prepare "straw men" calculations showing the impact on individual retiree's pensions under the City's January proposal.
- Segal was asked to prepare detailed distributions of retirees by age and pension amount and to analyze the impact of the City's proposed pension cuts on retirees.
- Segal analyzed the impact of the Annuity Savings Fund recoupment proposal on individual retirees.
- Segal was asked to determine the reasons for the difference in funded status between the two pension plans. We researched the valuation reports from 2006 through 2012 and performed an analysis showing the reasons for the difference in funded status.
- Segal had discussions with the actuaries from the System and the City to discuss assumptions.
- Segal determined the pension plans' termination liabilities under the method that the California Public Employees Retirement System would use for the City of Stockton.
- The City issued Segal a new Plan of Adjustment (POA) and Draft 40-Year Plan on January 29, 2014. Segal reviewed the documents and provided detailed comments.
- Segal attended **seven** days of mediation sessions – on January 6 – 10 and January 21 – 22.
- Segal was asked to research the General System's division of assets and liabilities among the different employers and compile valuation results under various interest rates.
- Segal was requested to finalize the Wohl affidavit in support of an injunction against the imposition of the March 2014 Retiree Health Plans along with testimony preparation related to that report.
- Segal was asked to support the negotiations of the financial and other terms related to the settlement of the 2014 Retiree Health Plans.

- Segal modeled numerous improvements to the 2014 Retiree Health Plans that were discussed in negotiating sessions. Segal participated in many of those negotiating sessions.

Please let me know if you have any questions.

Sincerely yours,

Stuart Wohl

**FEE EXAMINER'S FINAL MONTHLY REPORT
REGARDING FEBRUARY 2014 MONTHLY INVOICES**

Robert M. Fishman, the duly appointed fee examiner (the "Fee Examiner"), presents this Final Monthly Report regarding the February 2014 Monthly Invoices (each a "February Invoice") pursuant to paragraph 7 of the Court's Fee Review Order dated September 11, 2013 [Docket No. 810] (the "Fee Review Order"): ¹

Background

1. Pursuant to the Order Appointing Fee Examiner dated August 19, 2013 [Docket No. 383] (the "Appointment Order"), the Court appointed Robert M. Fishman as the Fee Examiner in connection with the above-captioned bankruptcy case. According to the Appointment Order, it is the Fee Examiner's responsibility to assure the Court, the City, the creditors, and the public that the City's Professional Fee Expenses (as defined in the Appointment Order) are fully disclosed and are reasonable, as required by 11 U.S.C. § 943(b)(3).

2. Pursuant to paragraph 1 of the Fee Review Order, the City and the Committee have identified the following City Professionals and Committee Professionals, whose Professional Fee Expenses are subject to review by the Fee Examiner:

¹ Capitalized terms not otherwise defined herein shall have the meaning assigned in the Fee Review Order.

3. Pursuant to paragraph 4 of the Fee Review Order, the Professionals are required to submit monthly invoices to the Fee Examiner within 49 days after the end of each calendar month. Therefore, the February Invoices were due on or before April 18, 2014.

4. The Fee Examiner received timely February Invoices from each of the Professionals except Dykema Gossett, PLLC, Ernst & Young LLP, Kurtzman Carson Consultants LLC, Lazard Freres & Co. LLC, Miller Buckfire & Co. LLC and Segal Consulting. Ernst & Young LLP submitted its February Invoice on April 20, 2014, Kurtzman Carson Consultants LLC submitted its February Invoice on April 29, 2014, Lazard Freres & Co. LLC submitted its February Invoice on May 1, 2014, Miller Buckfire & Co. LLC submitted its February Invoice on April 27, 2014, and Segal Consulting submitted its February Invoice on

May 28, 2014. Dykema Gossett, PLLC was added to the Fee Review Process late and was required to submit monthly invoices for the period of July-December 2013 before submitting its February Invoice. Dykema Gossett, PLLC submitted its February Invoice on May 22, 2014. On May 29, 2014 the Court issued an order [Docket No. 5150] (the “US Bank Order”) requiring that US Bank, as Trustee, submit the invoices (going back to the inception of the case) received from its internal employee, counsel and consultants to the Fee Examiner for review. Accordingly, the following Professionals, on behalf of U.S. Bank, as Trustee, are also now participating in the Fee Review Process and submitting their invoices to the Fee Examiner: Waller, Bodman, John Young, GLC and U.S. Bank. Additionally, counsel for Christie’s Inc, Debevoise, has also agreed to be designated as a City Professional and have its invoices reviewed by the Fee Examiner. The Fee Examiner has just begun the process of reviewing and commenting on these invoices.

5. Pursuant to paragraph 5 of the Fee Review Order, the Fee Examiner is to issue Preliminary Reports to each of the Professionals with respect to each month’s Invoices. The February Preliminary Reports (each a “Preliminary Report”) were issued by the Fee Examiner on or about May 27, 2014 (and transmitted to each Professional) with respect to each of the February Invoices. Thereafter, the Fee Examiner engaged in Resolution Discussions with each of the Professionals in an effort to resolve the Fee Examiner’s comments and questions regarding the February Invoices.

6. Pursuant to paragraph 7 of the Fee Review Order, the Fee Examiner submits this February Final Monthly Report regarding the February Invoices.

Summary of February Invoices by Professional

7. The following are summaries of the submitted February Invoices organized by Professional, indicating total requested fees and expenses, as well as voluntary write-offs and other reductions made by each of the Professionals with respect to its February Invoice, both before the submission of the February Invoice and as a result of the Resolution Discussions between the Fee Examiner and each Professional. As referenced beside the name of each Professional, attached as exhibits to this February Final Monthly Report are copies of the final, redacted (as applicable) February Invoices which in many respects have been revised and/or reduced based on the Preliminary Reports and Resolution Discussions between the Fee Examiner and the Professionals.

City Professionals

8. Conway MacKenzie, Inc. (“Conway”) (Exhibit A)

Initial Voluntary Fee Reduction	\$12,276.00
Original Fee Request	\$883,739.25
Subsequent Voluntary Fee Reduction	\$387.03
Final Fee Request	\$883,352.22
Expenses Incurred	\$4,690.89
Voluntary Expense Reduction	\$3,368.07
Final Expense Request	\$1,322.82
Total Final Fee and Expense Request	\$884,675.04

Conway’s February 2014 Monthly Invoice initially provided for a fee request of \$883,739.25 and an expense request of \$1,322.82, for a total request of \$885,062.07. In the Preliminary Report regarding Conway’s February 2014 Monthly Invoice, the Fee Examiner identified several issues and made certain requests of Conway relating to, among other things: (i) the sufficiency of certain service descriptions; (ii) clarification of certain services that appeared to be clerical in nature; (iii) the reasonableness of charging for multiple professionals to attend the same meetings; and (iv) the basis for certain cellular expenses.

Based on the Preliminary Report, Conway made substantial revisions to the Invoice to supplement and clarify certain service descriptions, to explain why certain services were not purely clerical and provided a benefit to the City, to demonstrate the need for multiple professionals to participate in certain meetings, and to explain the basis for certain cellular expenses. Conway made additional voluntary reductions totaling \$387.03 related primarily to inconsistent meeting times identified by the Fee Examiner. Conway has provided an affirmative statement that the fees requested in the Invoice comply with the terms and conditions of Conway's fee agreement with the City and has further demonstrated that the fees are being monitored to comply with the amount restrictions set forth therein. In sum, Conway's revised February 2014 Invoice, which includes a modified fee and expense request of \$884,675.04, addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

9. Jones Day (Exhibit B)

Initial Voluntary Discounts	\$468,021.49
Original Fee Request	\$2,422,896.75
Additional Voluntary Fee Reduction	\$6,633.06
Final Fee Request	\$2,416,263.69
Original Expense Request	\$120,920.13
Additional Voluntary Expense Reduction	\$5,221.06
Final Expense Request	\$115,699.07
Total Fee and Expense Request	\$2,531,962.76

In the Preliminary Report regarding Jones Day's February 2014 Invoice, the Fee Examiner identified several issues and made certain requests, including, but not limited to: (i) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, incorrect categorization, improper allocation of resources, duplicative time entries, internal inconsistencies, and unreasonable or non-compensable expenses); (ii) the amount of time spent in the Debt and Financial Issues category on a reply brief in support of the City's motion to dismiss Ambac's complaint (in excess of 213 hours), which the Fee Examiner

believed was excessive; (iii) certain entries in the Debt and Financing Issues category related to negotiations and settlement discussions related to the UTGO litigation, which the Fee Examiner believed may belong in the Mediation category; and (iv) the “top heavy” nature of the Tax Advice category, which only included tasks billed by partners and upper level associates.

In response to the Fee Examiner’s comment about the time spent on the reply brief, Jones Day stated that it believed the time spent was necessary and appropriate. Jones Day explained that Ambac had drafted a 65-page opposition brief to the City’s motion to dismiss, and that Jones Day professionals were required to thoroughly research and brief a number of complex issues and novel legal theories for the City’s reply brief. Jones Day also stated that it had already written off 63.80 hours with respect to this matter, representing fees of approximately \$44,445.00.

With respect to the entries in the Debt and Financing Issues category, Jones Day explained that such entries were billed in the correct category with other entries related to the UTGO litigation. In response to the Fee Examiner’s comment on the Tax Advice category, Jones Day explained that the staffing was appropriate given the unique, complex and unprecedented nature of the transactions contemplated by the chapter 9 Plan of Adjustment. Finally, with respect to individual time entries and expenses, Jones Day has either (i) reduced or written off such time entry, (ii) revised the description, or (iii) provided an adequate explanation with respect to the Fee Examiner’s comments on such time entry or expense.

As a result of the response from Jones Day, there are no open issues with respect to the February 2014 Invoice.

10. Foley & Lardner LLP (“Foley”) (No Exhibit)

Foley did not perform any work during February 2014 for which it seeks compensation.

11. Kurtzman Carson Consultants LLC (“KCC”) (Exhibit C)

Initial Voluntary Discounts	50% Courtesy Rate Discount
Original Fee Request	\$144,133.75
Additional Voluntary Fee Reduction	\$4,349.75
Final Fee Request	\$139,784.00
Original Expense Request	\$175,967.79
Additional Voluntary Expense Reduction	\$20,071.82
Final Expense Request	\$155,885.97
Total Fee and Expense Request	\$295,669.97

In the Preliminary Report regarding KCC’s Invoice, the Fee Examiner identified several issues requiring clarification and/or a reduction in requested fees and expenses. For example, the Fee Examiner identified that the Invoice did not provide a 50% discount for non-work travel time, as required by the Fee Review Order. Additionally, the Fee Examiner identified several non-reimbursable expenses listed on the Invoice. In response to the Fee Examiner’s Preliminary Report, KCC subsequently applied a 50% discount to all non-work travel time contained in the Invoice and removed all expense line-items that are not properly reimbursable by the City. Accordingly, KCC has fully complied with the terms of the Court’s Fee Review Order for the compensation period of February 2014.

12. Miller Buckfire & Co. LLC (Exhibit D)

Initial Voluntary Discounts	Fixed Fee Contract Negotiated with City \$300,000 per month beginning January 2014
Original Fee Request	\$300,000.00
Additional Voluntary Fee Reduction	\$0.00
Final Fee Request	\$300,000.00
Original Expense Request	\$21,989.70
Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$21,989.70
Total Fee and Expense Request	\$321,989.70

Miller Buckfire submitted its February 2014 monthly Invoice on April 27, 2014. In the Preliminary Report regarding the Invoice, which was sent to Miller Buckfire on May 27, 2014, the Fee Examiner noted the reduced monthly fee of Miller Buckfire beginning as of January 2014 and that all prior comments by the Fee Examiner on specificity concerning expenses had been addressed. The Fee Examiner did request additional information concerning what appeared to be a duplicate expense request. Miller Buckfire provided the Fee Examiner with a thorough email response and submitted a final revised redacted Invoice on July 8, 2014. The email response and revised redacted Invoice addresses all concerns raised by the Fee Examiner and there are no unresolved issues.

13. Miller, Canfield, Paddock & Stone, P.L.C. (“Miller Canfield”) (Exhibit E)

Initial Voluntary Discounts	None
Original Fee Request	\$288,801.50
Subsequent Voluntary Fee Reduction	\$178.00
Final Fee Request	\$288,623.50
Original Expense Request	\$1,790.21
Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$1,790.21
Total Fee and Expense Request	\$290,413.71

In the Preliminary Report regarding Miller Canfield’s February 2014 Monthly Invoice, the Fee Examiner identified several issues, including, but not limited to: (i) the inconsistent use of billing categories, and (ii) the inadequacy of several descriptions of services rendered in individual time entries. Pursuant to its modified retention agreement with the City, effective retroactively to October 1, 2013, Miller Canfield will charge the City *the lesser of* (a) standard hourly rates for all of lawyers; and (b) a blended hourly rate of \$395 per hour for all non-bankruptcy lawyers and standard hourly rates for all bankruptcy lawyers. Miller Canfield’s billing rates, including the blended hourly rate, may be adjusted annually, in accordance with

typical, annual rate increases, as permitted by paragraph 12 of the Fee Review Order; however, Miller Canfield will not increase the blended hourly rate by more than 3% this year.

With regard to the Fee Examiner’s comments concerning billing categories and the insufficiency of certain service descriptions, Miller Canfield revised its Invoice to correct the billing categories and provide additional detail of the services rendered. Miller Canfield’s revised February 2014 Monthly Invoice addresses all of the issues raised by the Fee Examiner in the Preliminary Report.

14. Milliman, Inc. (“Milliman”) (Exhibit F)

Initial Voluntary Discounts	None
Original Fee Request	\$46,880.60
Additional Voluntary Fee Reduction	\$0.00
Final Fee Request	\$46,880.60
Original Expense Request	\$0.00
Additional Voluntary Expense Reduction	N/A
Final Expense Request	\$0.00
Total Fee and Expense Request	\$46,880.60

On May 27, 2014 the Fee Examiner sent Milliman the February 2014 Preliminary Report respecting its February 2014 Invoice. In the Preliminary Report, Milliman was asked to provide an explanation of the work performed by professionals who were designated as “Administrative/Clerical.” If Milliman could confirm that professionals designated as “Administrative/Clerical” were not performing administrative or clerical work, the Fee Examiner requested that those professionals’ descriptions of positions be changed in Milliman’s revised Invoice. The Fee Examiner also asked Milliman to consider providing a discounted rate for its services, as the City is not receiving any discount on the work Milliman performs. Milliman provided written comments in response to the Preliminary Report explaining the work performed by the individuals designated as “Administrative/Clerical” was not in fact administrative or clerical in nature. Milliman failed, however, to incorporate the Fee Examiner’s comments into

its revised and final Invoice, as one professional in the revised Invoice is still designated as “Administrative/Clerical.” Milliman continues to refuse to provide its services to the City on discounted basis. There are no further unresolved issues.

15. Pepper Hamilton LLP (“Pepper”) (Exhibit G).

Initial Voluntary Discounts	10% Discount Using 2013 Professional Rates
Original Fee Request	\$174,123.00

Original Expense Request	\$1,569.59
Voluntary Expense Reduction	\$0.00
Final Expense Request	\$1,569.59
Total Fee and Expense Request	\$175,692.59

In the Preliminary Report regarding Pepper’s February 2014 Monthly Invoice, the Fee Examiner identified several issues and suggested certain revisions related to the sufficiency of various service descriptions, including identifying communications between Pepper Hamilton professionals and other professionals in the case. In response to the Fee Examiner’s suggestions and requests, Pepper made substantial revisions to the February 2014 Monthly Invoice, including providing more detailed descriptions of the particular services performed by Pepper Hamilton professionals. Based upon the foregoing revisions, Pepper has fully complied with the terms of the Court’s Fee Review Order for the compensation period of February 2014.

16. Ernst & Young (“EY”) (Exhibit H)

Initial Voluntary Discounts	Professional Fees Charged at 65% of EY Standard Rates; Non-Working Travel Time Capped at 2 Hours; Meals Not Billed.

Final Expense Request	\$88,788.00
Total Fee and Expense Request	\$1,220,191.00
10% Contractual Fee Hold-Back ²	\$122,019.10
Interim Fee and Expense Request	\$1,098,171.90

On June 3, 2014, the Fee Examiner transmitted the February Preliminary Report to EY regarding its February 2014 Monthly Invoice. The Preliminary Report contained a spreadsheet identifying specific issues and suggested revisions to particular time and expense entries that were vague, incomplete, improperly categorized or inconsistent with other time and expense entries. The Preliminary Report also contained a narrative (“Narrative”) that raised general issues with the February Invoice and (i) requested an explanation on the apparent staffing redundancy in EY’s staffing of daily cash pack reviews; (ii) raised concern over the amount of compensation sought by EY in order to comply with the Fee Review Order (“Fee Review Compensation”); and (iii) requested an explanation on certain expense entries from prior time periods that were included in the February Invoice.

On June 17, 2014, EY provided the Fee Examiner with a written response to the Preliminary Report. EY’s response included a supporting spreadsheet that mirrored the Fee

² Under the terms of EY’s engagement agreement with the City, the monthly fees of EY are “subject to a 10% holdback that will be payable upon the confirmation of a Plan of Adjustment of Debts by the Bankruptcy Court by December 31, 2014. In the event a Plan of Adjustment of Debts is not confirmed by December 31, 2014, the cumulative holdback amount will not be payable.”

Examiner's spreadsheet, responded to each of the Fee Examiner's comments on particular time and expense entries, and detailed specific revisions and adjustments that EY agreed to make to its February Invoice in order to address the Fee Examiner's concerns. EY also included a response to the Narrative that (i) explained and justified EY's staffing on daily cash pack reviews; (ii) offered an \$18,000 reduction of the Fee Review Compensation; and (iii) clarified that certain expense entries related to time periods prior to February but had not been the subject of previous expense reimbursement requests. On the basis of EY's response and agreed adjustments to its Invoice, EY has fully complied with the terms of the Court's Fee Review Order for the compensation period of February 2014.

17. Kilpatrick & Associates, PC ("Kilpatrick") (Exhibit I)

On May 27, 2014 the Fee Examiner sent Kilpatrick and Associates, P.C. ("Kilpatrick") the February 2014 Preliminary Report (the "Preliminary Report") respecting its February 2014 Invoice. In the Preliminary Report, Kilpatrick was asked to revise the Invoice to provide more descriptive summaries for services rendered in various time entries, and to "unlump" some entries to break down the time spent performing multiple tasks. On June 19, 2014, Kilpatrick provided written comments in response to the Preliminary Report, adding more detail to those entries identified in the Preliminary Report and making additional revisions. Kilpatrick also reduced its original request for copying expenses to conform to the Fee Review Order.

Kilpatrick later incorporated the Fee Examiner’s comments into its revised and final Invoice. The revised Invoice addresses all of the Fee Examiner’s concerns and there are no unresolved issues.

18. Ottenwess, Taweel & Schenk, PLC (“Ottenwess”) (Exhibit J)

Initial Voluntary Discounts	Capped Rate of \$225/hour

Final Fee Request	\$6,165.00
Original Expense Request	\$9.90
Voluntary Expense Reduction	\$0.00
Final Expense Request	\$9.90
Total Fee and Expense Request	\$6,174.90

On April 21, 2014, the Fee Examiner and counsel for Ottenwess had a telephone conference to discuss the Fee Examiner’s comments to Ottenwess’ February, 2014 Monthly Invoice and his general suggestions for revisions moving forward. On May 9, 2014, Ottenwess submitted an amended Invoice to the Fee Examiner, which, among other things, (i) addressed the sufficiency of various service descriptions; (ii) provided a summary of services performed during the period; and (iii) created distinct, descriptive categories of services based upon the connection to the case. As a result, in the Fee Examiner’s Preliminary Report to Ottenwess’ February, 2014 Monthly Invoice, the Fee Examiner raised no additional issues. Based upon the foregoing revisions, Ottenwess has fully complied with the terms of the Court’s Fee Review Order for the compensation period of February, 2014.

19. Dykema Gossett, PLLC (“Dykema”) (Exhibit K)

Total Fee and Expense Request	\$24,153.60

On May 24, 2014, Dykema submitted its February invoice to the Fee Examiner. On May 30, 2014, the Fee Examiner transmitted the Preliminary Report regarding Dykema’s February Invoice. In the Preliminary Report, the Fee Examiner (i) identified a computational error in one of Dykema’s time entries, and (ii) suggested that another time entry lacked sufficient specificity. In response, Dykema revised the Invoice to correct the computational error and provide the detail suggested by the Fee Examiner. As a result, Dykema has fully complied with the terms of the Court’s Fee Review Order for the compensation period of February 2014.

Committee Professionals

20. Dentons US LLP (“Dentons”) (Exhibit L)

Initial Voluntary Discounts	None
Original Fee Request	\$823,921.00
Additional Voluntary Fee Reduction	\$2,310.50
Final Fee Request	\$821,610.50
Original Expense Request	\$33,144.46
Additional Voluntary Expense Reduction	\$699.71
Final Expense Request	\$32,444.75
Total Fee and Expense Request	\$854,055.25

The Fee Examiner reviewed the February Invoice of Dentons and raised several issues in his Preliminary Report, including, but not limited to: (i) the practice of billing for services rendered in connection with monitoring press reports, preparing summaries of media coverage,

and preparing and responding to press reports (“Media Activities”) (in excess of \$18,000); (ii) the use of the Mediation fee category, which the Fee Examiner believed is confusing and potentially too broad; and (iii) issues with respect to individual time entries and expenses (including, *e.g.*, insufficient detail about the tasks performed, unreasonable time, incorrect categorization, improper allocation of resources, duplicative time entries, internal inconsistencies, and unreasonable or non-compensable expenses).

In response to the Fee Examiner’s inquiry regarding Media Activities, Dentons stated that “press efforts are vital to this case and for communicating with retirees generally,” and further, that “press management is a critical communication tool for the more than 23,500 retirees and 7,000 beneficiaries who are Committee constituents.” Dentons declined to make any adjustment to its Invoice on account of the Fee Examiner’s concerns. The Fee Examiner questions the propriety of Dentons, a law firm, billing for all Media Activities undertaken during February 2014. As the Fee Examiner has stated in previous reports, certain Media Activities fall within the scope of providing legal services, such as reviewing and advising on press reports prepared by a client, while others tasks do not, such as drafting the entire press report and reviewing newspaper articles on the bankruptcy case. The Fee Examiner thus does not believe that the fees charged for the Media Activities are reasonable.

With respect to the Mediation category, Dentons has agreed to revise the category summary to indicate that the Retiree Committee was involved in only two mediations—one involving pension issues and the other healthcare issues. Because of the related nature and limited number of the proceedings, the Fee Examiner agrees that it is reasonable to include them in the same category.

Finally, with respect to individual time entries and expenses, Dentons has either (i) reduced or written off such time entry, (ii) revised the description, or (iii) provided an adequate explanation with respect to the Fee Examiner’s comments on such time entry or expense.

Other than as set forth above, there are no open issues with respect to the February 2014 Invoice.

21. Brooks Wilkins Sharkey & Turco, PLLC (“Brooks Wilkins”) (Exhibit M)

Initial Voluntary Discounts (in addition to general rate reduction discount)	None
Original Fee Request	\$46,590.00
Additional Voluntary Fee Reduction	\$0.00
Final Fee Request	\$46,590.00
Original Expense Request	\$742.61
Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$742.61
Total Fee and Expense Request	\$47,332.61

The Fee Examiner reviewed the February 2014 Invoice for Brooks Wilkins and identified several issues and made certain requests of Brooks Wilkins in his Preliminary Report with respect to certain individual time entries (*e.g.*, insufficient description, potentially duplicative services, and lumping). In response, Brooks Wilkins either revised the description or provided an adequate explanation with respect to the Fee Examiner’s comments on such time entry. As a result of the response from Brooks Wilkins, there are no open issues with respect to the February 2014 Invoice.

22. Lazard Freres & Co. LLC (“Lazard”) (Exhibit N)

Initial Voluntary Discounts	
Original Fee Request	\$175,000.00

Final Expense Request	\$1,323.85
Total Fee and Expense Request	\$176,323.85

With respect to Lazard’s February 2014 Invoice, the Fee Examiner identified several issues and made certain requests of Lazard in his Preliminary Report, including Lazard’s failure to provide sufficient descriptions of certain expenses. In response, Lazard revised the descriptions of each such time entry. As a result of the response from Lazard, there are no open issues with respect to the February 2014 Invoice.

23. Segal Consulting (“Segal”) (Exhibit O)

Initial Voluntary Discounts	None
Original Fee Request	\$288,251.50
Additional Voluntary Fee Reduction	\$0.00
Final Fee Request	\$288,251.50
Original Expense Request	\$8,660.99
Additional Voluntary Expense Reduction	\$0.00
Final Expense Request	\$8,660.99
Total Fee and Expense Request	\$296,912.49

On June 6, 2014 the Fee Examiner sent Segal the February Preliminary Report, in which the Fee Examiner identified several issues and made certain requests of Segal, including but not limited to: (i) specifying the time spent in preparing, reviewing and submitting proofs of claim for individual members of the Retiree Committee; (ii) explaining the necessity of having senior professionals prepare certain reports for Counsel and/or the Retiree Committee, and (iii) providing additional explanation as to the basis for seeking compensation for time spent working

to place insurance coverage for the Retiree Committee. Segal submitted a response to the February Preliminary Report detailing the time spent preparing the proofs of claim for the Retiree Committee, explaining senior professionals' involvement in preparing certain reports, and providing an explanation as to its work trying to procure insurance coverage for the Retiree Committee. The Fee Examiner is satisfied with Segal's descriptions and explanations as to the additional activities relating to the preparation of proofs of claim and the procurement of insurance, and finds that the time spent on those activities is reasonable. There are no unresolved issues.

Summary of Services

During the time period February 1, 2014 through February 28, 2014, the work performed by Jones Day relating to COP/Swap Matters included the following:

- (1) Continued to address the City's obligations relating to complex pension certificate of participation ("COP") and interest rate swap agreements to assure, among other things, that the revenue stream from casino taxes will not be impeded and that these debt obligations are resolved in an appropriate and timely manner;
- (2) Continued to engage in ongoing negotiations with the interest rate swap counterparties regarding the settlement of swap-related disputes following the Bankruptcy Court's denial of the City's motion to assume and approve the forbearance and optional termination agreement, which resulted in an agreement in principle on the terms of a revised settlement to resolve the swap-related disputes and a related plan support agreement;
- (3) Prepared a motion to assume and approve the revised swap settlement (which motion was filed in early March 2014);
- (4) Addressed issues relating to the *City of Detroit, Michigan v. Syncora Guarantee, Inc.* proceeding (which is between the City and a swap insurer and is related to the City's access to casino revenues), including by analyzing and responding to Syncora's motion to withdraw the reference to the District Court;
- (5) Engaged in litigation activities in connection with the lawsuit commenced by the City seeking a declaratory judgment that the sale of the COPs was invalid under Michigan law as beyond the City's legal debt limit (the "COPs Litigation"), including by developing an

- (6) Prepared memoranda for certain City officials regarding the various COP and swap issues facing the City and in preparation of prosecuting the COPs Litigation.
