EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION**

In re:  
City of Detroit, Michigan,  
Debtor.

Bankruptcy Case No. 13-53846  
Judge Thomas J. Tucker  
Chapter 9

**REVISED NOTICE OF  
FIRST AND FINAL DISTRIBUTION AND DISTRIBUTION DATE**

**PLEASE READ THIS NOTICE CAREFULLY!**

**This is the Revised Notice of the City of Detroit’s first and final distribution of B Notes with respect to Allowed Class 14 “Other Unsecured Claims”<sup>1</sup> in its bankruptcy case. If you hold a Class 14 Unsecured Claim in the City’s bankruptcy case, you should read this Notice carefully, as it contains information related to the treatment of these claims. (Please note that this Revised Notice only discusses the Distribution of B Notes with respect to Allowed Class 14 Claims; accrued interest on the B Notes will be paid on a future date or dates to the Holders of B Notes.)**

**THIS REVISED NOTICE IS FOR INFORMATIONAL PURPOSES ONLY.**

**Exhibit 6-B<sup>2</sup>** to this Revised Notice contains a list of all Allowed Class 14 Claims that will receive Distributions of B Notes as required under the City’s confirmed

<sup>1</sup> Capitalized terms that are not defined in this Revised Notice have the meanings given to them in the *City of Detroit’s Motion for an Order (A) Approving First and Final Distribution of New B Notes to Holders of Allowed Class 14 Claims Under the City’s Plan of Adjustment and (B) Granting Other Related Relief*, filed at Docket Number 13521 (the “**Motion**”), as approved by the *Order (A) Approving First and Final Distribution of New B Notes to Holders of Allowed Class 14 Claims Under the City’s Plan of Adjustment and (B) Granting Other Related Relief*, filed at Docket Number 13570. Many of the terms referenced in the Motion may be found in the *Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (October 22, 2014)*, filed on October 22, 2014 (Docket Number 8045), as modified and confirmed on November 12, 2014 (Docket Number 8272) (collectively, the “**Plan**”). Documents referenced by Docket Number are available free of charge at the City of Detroit’s bankruptcy website maintained by the City’s claims agent, Verita (formerly Kurtzman Carson Consultants, LLC), available at <https://veritaglobal.net/detroit> or <http://www.kcellc.net/Detroit> under “Court Documents” (left side of screen).

<sup>2</sup> The original Notice was filed with the Motion. Exhibit numbers referenced in this Revised Notice have the same numbering as was used in the original Notice.

bankruptcy Plan. **Exhibit 6-B** specifies the amount of B Notes to be Distributed to each of the Holders of these claims. Because these B Notes were issued in two series with identical terms, **Exhibit 6-B** lists the amount of each to be Distributed.

The Bankruptcy Court previously approved a proposed Distribution of B Notes by the City, but subsequent litigation<sup>3</sup> delayed the Distribution. This litigation was resolved in January of this year. Thus, the Distribution of B Notes to Allowed Class 14 Claimants is expected to begin on or about **June 30, 2025**. Distributions will be made to the accounts previously identified by the Holders of these Allowed Class 14 Claims and may take a few days to complete. As required by an order of the Bankruptcy Court,<sup>4</sup> if an attempt to Distribute B Notes to an account fails or is otherwise unsuccessful, the City will notify the Holder of the Claim so that the Claim Holder can take corrective action if needed or desired.

**Exhibit 6-C** contains a list of Claims that have been abandoned and that will not receive Distributions of B Notes. Holders of the Claims on **Exhibit 6-C** were contacted by mail several times but did not return the information necessary for the City to Distribute B Notes to them. As specified in an order of the Bankruptcy Court,<sup>5</sup> all rights to Distributions on these Claims have been forfeited.

**This is the final notice the City will file with respect to Distribution of B Notes.**

<sup>3</sup> A discussion of this litigation is contained in the *City of Detroit's Status Report on Bankruptcy Case* (Docket Number 13928) (see paragraphs 10-21).

<sup>4</sup> *Order Granting City of Detroit's Motion to Establish Procedures for Distribution of New B Notes to Holders of Allowed Class 14 Claims Under the City's Plan of Adjustment* (Docket Number 13488).

<sup>5</sup> *Order Granting the City of Detroit's Motion to Implement Distributions of B Notes to Holders of Allowed Class 14 Claims Under the City's Confirmed Plan of Adjustment* (Docket Number 13173).

## **EXHIBIT 6-B**

### **LIST OF PLANNED DISTRIBUTIONS TO HOLDERS OF ALLOWED CLASS 14 CLAIMS AND BRIEF SUMMARY OF REVISIONS**

#### **Summary of Revisions from Original Notice**

1. Orders entered at Docket Numbers 13530, 13554, 13556, and 13622 added claim numbers 1189, 1641, 2403, and 2859 to Exhibit 6-B. These changes mean that claims on Exhibit 6-B receiving a distribution now represent 98.37% of all Allowed Class 14 Claims, an increase from the 95.93% shown on the original exhibit. Correspondingly, forfeited claims represent 1.63% of the total, down from the 4.07% shown previously.

2. Because of the revisions noted above, all other claims experienced minor reductions as the B Notes are distributed “pro rata,” meaning “proportionately in accordance with each claim’s face amount.” Larger claims will thus be reduced proportionately more than smaller claims. For example, the first claim on the list, claim number 12 held by Jessie Payne, was originally scheduled to receive \$285,712 in face value of B Notes (\$282,663 from Series 2014B-1 and \$3,049 from Series 2014B-2). Inclusion of the claims noted in paragraph 1 means that the B Notes to be Distributed will be spread among a slightly higher number of claims, meaning that each claim receives slightly fewer B Notes than originally calculated. For claim number 12, its pro rata share of B Notes falls slightly from \$285,712 to \$285,340, a decrease of \$372, to accommodate Distributions to the additional claims. The Distribution of B Notes to the next claim, claim number 13, decreases only \$10 from the originally estimated amount because claim number 13 is significantly smaller than claim number 12.

3. The adjustments noted above lead to slightly different rounding effects. The originally proposed calculations showed \$124 in face value of B Notes left undistributable. The revised calculations now show \$138 in face value of B Notes undistributable.

## **EXHIBIT 6-C**

### **LIST OF HOLDERS OF ALLOWED CLASS 14 CLAIMS THAT DID NOT COMPLY WITH THE BROKERAGE ORDER AND WHOSE CLAIMS HAVE BEEN DISALLOWED AND EXPUNGED AND BRIEF SUMMARY OF REVISIONS**

#### **Summary of Revisions from Original Notice**

1. Orders entered at Docket Numbers 13530, 13554, and 13556 resulted in claim numbers 1189 and 2403 being markedly reduced on Exhibit 6-C and claim numbers 1641 and 2859 being removed from Exhibit 6-C.

2. As a result, whereas claims in the total amount of \$8,745,272.12 had been listed as having been forfeited on Exhibit 6-C, the revised Exhibit 6-C now shows \$3,511,622.12 in claims forfeited. This represents a reduction of \$5,233,650.00. Put differently, over \$5 million dollars in claims against the City will now receive Distributions where previously they would have been deemed forfeited by claimant inaction.
