5. **Specific PCR Disclosures:**

Notes to Part 1: Summary of the Post-confirmation Transfers. The amounts identified in Part 1 of the PCR (*Summary of Post-confirmation Transfers*) have been derived from Holdings’ books and records. The amounts identified do not include disbursements from the following accounts: (i) GUC Cash Pool Account, (ii) Convenience Claims Account, (iii) Estate Professional Fee Claims Account, and (iv) Backstop Fees and Expenses Account (collectively, the “Effective Date Accounts”). The initial transfers into the Effective Date Accounts are disclosed and reflected in the Debtors’ stub-November monthly operating reports (covering November 1, 2024 through November 19, 2024) [Docket No. 1335, 1336, 1337]. Accordingly, any subsequent disbursements from the Effective Date Accounts are not captured in this PCR.

A holder of a Claim may have been paid, in whole or in part, on account of such Claim by a party that is not the Debtors or Holdings. The signatories to the PCR are not aware of any such payments and are not in possession of records that could confirm any such payments.

On the Effective Date, in accordance with the Plan, Debtors Agathonissos and Eletson Finance were deemed to have dissolved, such that any disbursements or cash payments by or on behalf of any of the Debtors is paid from bank accounts held by Holdings.

Notes to Part 2: Preconfirmation Professional Fees and Expenses. The amounts identified in Part 2 of the PCR (*Preconfirmation Professional Fees and Expenses*) have been derived from orders of the Bankruptcy Court and other filings made in the Chapter 11 Cases. The amounts listed in Part 2 do not include payments made to Holdings’ bankruptcy counsel(s) (*e.g.*, Herbert Smith Freehills Kramer (US) LLP) and other bankruptcy professionals who were not retained by the Debtors nor authorized by the Bankruptcy Court.⁴

Notes to Part 3: Recoveries of the Holders of Claims and Interests under Confirmed Plan. Although Holdings made commercially reasonable efforts to ensure the accuracy and completeness of the PCR, inadvertent errors or omissions may have occurred due to the limited information provided by the Debtors’ former counsel, Reed Smith LLP. Thus, Holdings continues to review and reconcile Claims filed, scheduled, or otherwise asserted in the Chapter 11 Cases. Accordingly, at this time, Holdings is not able to anticipate or determine total payments that may be made under the Plan nor the total

⁴ Pursuant to Sections 2.5(a) and 10.6 of the Plan, the Debtors’ retained professionals were terminated on the Effective Date.

Therefore, "\$0" or "0%" has been entered in certain columns of Part 3 of the PCR (*Recoveries of the Holders of Claims and Interests Under Confirmed Plan*) where such information is unknown, not yet determined, or otherwise not applicable, including instances where the Plan does not provide for or contemplate recoveries to certain Classes of Claims.

With respect to amounts paid as "Administrative claims," Holdings has omitted (i) payments made on account of Professional Fee Claims and (ii) payments made on account of U.S. Trustee Fees.

Notes to Part 4: Questionnaire. Holdings cannot currently anticipate, with any degree of certainty, when the application for a Final Decree may be filed.
