FEE PROCEDURES ORDER

7. On October 28, 2024, the Court entered the Interim Compensation Procedures Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all professionals in these cases.

8. In particular, the Interim Compensation Procedures Order provides that a professional may file and serve a Monthly Fee Application with the Court each month following the month or months for which compensation is sought. If a partial objection to the Monthly Fee Application is filed, then the Debtors are authorized to pay eight percent (80%) of the fees and one hundred percent (100%) of the expenses not subject to an objection.

RELIEF REQUESTED

9. P&B submits this Application for (a) allowance of reasonable compensation for the actual, reasonable and necessary professional services that it has rendered as counsel for the Trustee in these cases for the period from June 1, 2025, through July 31, 2025 and (b) for reimbursement of actual, reasonable and necessary expenses incurred in representing the Trustee during the same period.

10. During the period covered by this Application, P&B incurred fees in the amount of \$141,424.20. With respect to these amounts, as of the date of this Application, P&B has received no payments. P&B's fees for the Application Period are based on the customary compensation charged by comparably skilled professionals in other cases under Title 11.

11. Set forth in the foregoing "Compensation Detail" is a summary of the time expended by timekeepers billing time to these cases.

12. **Exhibit A** attached hereto contains logs which show the time recorded by professionals, paraprofessionals and other support staff and descriptions of the services provided.

13. P&B does not charge for outgoing domestic facsimiles and does not charge for incoming facsimiles.

14. In accordance with Local Rule 2016-1, P&B has reduced its request for compensation for non-working travel, if any, to fifty percent (50%) of its normal rate.

15. P&B has endeavored to represent the Trustee in the most expeditious and economical manner possible. Tasks have been assigned to attorneys, paralegals, and other support staff at P&B so that work has been performed by those most familiar with the particular matter or task and, where attorney or paralegal involvement was required, by the lowest hourly rate professional appropriate for a particular matter. Moreover, P&B has endeavored to coordinate with the other professionals involved in these cases so as to minimize any duplication of effort and

to minimize attorneys' fees and expenses to the Trustee. We believe we have been successful in this regard.

16. No agreement or understanding exists between P&B and any other person for the sharing of compensation received or to be received for services rendered in or in connection with these cases.

The undersigned has reviewed the requirements of Local Rule 2016-1 and certifies, to the best of the undersigned's information, knowledge and belief, that this Application complies with that Rule.

WHEREFORE, P&B respectfully requests that this Court: (a) allow P&B (i) monthly compensation in the amount of \$141,424.20 for actual, reasonable and necessary professional services rendered on behalf of the Trustee during the period June 1, 2025 through July 31, 2025, and; (ii) monthly reimbursement in the amount of \$13,025.38 for actual, reasonable and necessary expenses incurred during the same period; (b) authorize and direct the Debtors to pay to P&B the amount of \$126,164.74 which is equal to the sum of eighty percent (80%) of P&B's allowed monthly compensation [\$113,139.36] and one hundred percent (100%) of P&B's allowed expense reimbursement [\$13,025.38]; and (c) grant such other and further relief as is just and proper.
