On June 17 and 19, 2024, Fisker Inc. and certain affiliates (collectively, “**Fisker**” or the “**Debtors**”) filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code with the United States Bankruptcy Court for the District of Delaware (the “**Court**”).¹ On October 16, 2024, the Court entered an order confirming the Joint Chapter 11 Plan of Liquidation [D.I. 722] (the “**Plan**”). NOTES TO THE FISHER LIQUIDATING TRUST
QUARTERLY OPERATING REPORT

General Note: The unaudited financial information contained herein has been derived from the books and records of the Liquidating Debtors and the Trust. The quarterly financial information is unaudited and limited in scope and has not been subject to the same level of accounting review and testing that applies to the preparation of quarterly and annual financial information in accordance with U.S. Generally Accepted Accounting Principles. Although reasonable efforts were made to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised or subsequent information may result in a material change to the QOR. Accordingly, the Liquidating Trustee believes that the financial information may be subject to change and that these changes could be material.

- 1) **Other Recoveries, Net:** Comprised primarily of tax refunds received.
- 2) **Net Sale of Assets:** The Trust received net proceeds of \$115,430 on account of the sale of certain Automotive Environmental Credits assigned to the Trust under the Plan during the Reporting Period, bringing the total net receipts to \$41.2 million. Due to changes in the regulatory environment, the Liquidating Trustee expects minimal additional proceeds from the sale of EV credits.
- 3) **General Unsecured Claims:** During the Reporting Period, the Trust made an interim distribution of 0.75% to allowed general unsecured claims and established a reserve to make an interim distribution of 0.75% to holders of contingent, unliquidated or disputed claims if and to the extent such claims are ultimately allowed. The aggregate amount distributed by the Trust was \$8.9 million.

CERTAIN SUBSEQUENT EVENTS THROUGH AUGUST 13, 2025

From October 1, 2025 through November 13, 2025, the Liquidating Trust:

- A. Filed objections to certain administrative, priority and secured claims and obtained Court orders sustaining such objections.
- B. Continued the investigation into certain estate causes of action that the Trust may prosecute if and to the extent it determines the same to be merited.
