**WHEREAS**, on September 22, 2025, the Bankruptcy Court entered its *Order Fixing Allowed Amount of Class 11 Interests* [Bankr. Docket No. 4401] (the "Class 11 Order") granting the Class 11 Motion and fixing the allowed amount of the unvested Class 11 Contingent Claimant Trust Interests.

**WHEREAS**, on October 6, 2025, Dugaboy filed its *Notice of Appeal of Order Fixing Allowed Amount of Class 11 Interests* [Bankr. Docket No. 4423] commencing its appeal of the Class 11 Order to the District Court (the "Appeal"). *See* Case No. 3:25-cv-02724-L.

**WHEREAS**, on October 23, 2025, Dugaboy filed *Appellant The Dugaboy Investment Trust's Statement of Issues to be Presented and Amended Designation of Items to be Included in the Record on Appeal From the Bankruptcy Court's Order Fixing Allowed Amount of Class 11 Interests* [Bankr. Docket No. 4443], which identified Dugaboy's (a) issues to be presented on Appeal (the "Issues Presented"), and (b) items designated for the record on Appeal ("Dugaboy's Designations").

**WHEREAS**, on October 29, 2025, the Claimant Trust filed *Appellee's Motion to Strike Items Improperly Designated as Part of the Record on Appeal of Class 11 Order [Docket No. 4401]* [Bankr. Docket No. 4450] (the "Motion to Strike"), seeking entry of an order striking certain items listed in Dugaboy's Designations.

**WHEREAS**, on December 19, 2025, Dugaboy filed its *Unopposed Motion to Stay and Modify Appellate Briefing Deadlines Pending the Bankruptcy Court's Resolution of Highland's Motion to Strike Items from the Appellate Record* [Dist. Court Docket. No. 19] (the "Motion to Stay").

**WHEREAS**, on December 23, 2025, the Court granted the Motion to Stay and entered the Order staying all proceedings and briefing deadlines in the Appeal subject to the Bankruptcy Court's ruling on the Motion to Strike. [*See* Dist. Court Docket No. 20] (the "Stay Order"). Pursuant to the Stay Order, the briefing deadlines in the Appeal (the "Briefing Schedule") are as follows: Dugaboy's opening brief (the "Opening Brief") is due 40 days after the entry of the Bankruptcy Court's order on the Motion to Strike; the Claimant Trust's response brief (the "Response") is due 30 days after the filing of the Opening Brief; and Dugaboy's reply brief (the "Reply") is due 14 days after the filing of the Response.

**WHEREAS**, on January 9, 2026, Dugaboy filed its Opposition to the Motion to Strike [Bankr. Docket No. 4497].

**WHEREAS**, the Motion to Strike is scheduled for hearing on January 27, 2026. [*See* Docket No. 4494].

**WHEREAS**, after engaging in good faith, arm's length negotiations, the Claimant Trust and Dugaboy desire to finally resolve the Motion to Strike on the terms set forth below.

**NOW, THEREFORE**, it is hereby jointly stipulated and agreed as follows:

1. The Parties have agreed that all items in Dugaboy's Designations shall be stricken from the record in the Appeal and replaced with the items identified on **Exhibit A**, attached hereto (the "Record Designations").

2. In light of the Parties' resolution of the Motion to Strike, the Parties have agreed to the following Briefing Schedule:

a. The Opening Brief shall be due 40 days after entry of an order approving this Stipulation;

b. The Response shall be due 30 days after the filing of the Opening Brief;

c. The Reply shall be due 14 days after the filing of the Response.

3. Notwithstanding the above, Highland reserves the right to assert that (a) some or all of the Issues Presented are not properly preserved for Appeal and (b) certain items included in the Record Designations are irrelevant to any issue properly before the District Court in connection with the Appeal.

4. This Stipulation may be executed in counterparts. A facsimile, electronic copy, or photocopy of this Stipulation and the signatures hereto shall have the same effect and may be accepted with the same authority as if it were an original.

5. The Parties agree that the Bankruptcy Court shall retain jurisdiction with respect to all matters arising from or relating to the implementation, interpretation, and enforcement of this Stipulation and any order related thereto.

[4] The Court admitted the following exhibits into evidence: (a) all of the Debtor's exhibits lodged at Docket No. 1822 (except TTTTT, which was withdrawn by the Debtor); (b) all of the Debtor's exhibits lodged at Docket No. 1866; (c) all of the Debtor's exhibits lodged at Docket No. 1877; (d) all of the Debtor's exhibits lodged at Docket No. 1895; and (e) Exhibits 6-12 and 15-17 offered by Mr. James Dondero and lodged at Docket No. 1874.

## FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. **Findings of Fact and Conclusions of Law.** The findings and conclusions set forth herein, together with the findings of fact and conclusions of law set forth in the record during the Confirmation Hearing, constitute the Bankruptcy Court's findings of fact and conclusions of law pursuant to Federal Rule of Civil Procedure 52, made applicable to this proceeding pursuant to Bankruptcy Rules 7052 and 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

2. **Introduction and Summary of the Plan.** Prior to addressing the specific requirements under the Bankruptcy Code and Bankruptcy Rules with respect to the confirmation of the Plan, the Bankruptcy Court believes it would be useful to first provide the following background of the Debtor's Chapter 11 Case, the parties involved therewith, and some of the major events that have transpired culminating in the filing and solicitation of the Plan of this very unusual case. Before the Bankruptcy Court is the *Debtor's Fifth Amended Plan of Reorganization of Highland Capital Management, L.P.*, filed on November 24, 2020, as modified on January 22, 2021 and again on February 1, 2021. The parties have repeatedly referred to the Plan as an "asset monetization plan" because it involves the orderly wind-down of the Debtor's estate, including the sale of assets and certain of its funds over time, with the Reorganized Debtor continuing to manage certain other funds, subject to the oversight of the Claimant Trust Oversight Board. The Plan provides for a Claimant Trust to, among other things, manage and monetize the Claimant Trust Assets for the benefit of the Debtor's economic stakeholders. The Claimant Trustee is responsible

for this process, among other duties specified in the Plan's Claimant Trust Agreement. There is also anticipated to be a Litigation Sub-trust established for the purpose of pursuing certain avoidance or other causes of action for the benefit of the Debtor's economic constituents.

3. **Confirmation Requirements Satisfied.** The Plan is supported by the Committee and all claimants with Convenience Claims (*i.e.*, general unsecured claims under $1 million) who voted in Class 7. Claimants with Class 8 General Unsecured Claims, however, voted to reject the Plan because, although the Plan was accepted by 99.8% of the amount of Claims in that class, only 17 claimants voted to accept the Plan while 27 claimants voted to reject the Plan. As a result of such votes, and because Mr. Dondero and the Dondero Related Entities (as defined below) objected to the Plan on a variety of grounds primarily relating to the Plan's release, exculpation and injunction provisions, the Bankruptcy Court heard two full days of evidence on February 2 and 3, 2021, and considered testimony from five witnesses and thousands of pages of documentary evidence in determining whether the Plan satisfies the confirmation standards required under the Bankruptcy Code. The Bankruptcy Court finds and concludes that the Plan meets all of the relevant requirements of sections 1123, 1124, and 1129, and other applicable provisions of the Bankruptcy Code, as more fully set forth below with respect to each of the applicable confirmation requirements.

4. **Not Your Garden Variety Debtor**. The Debtor's case is not a garden variety chapter 11 case. The Debtor is a multibillion-dollar global investment adviser registered with the SEC, pursuant to the Investment Advisers Act of 1940. It was founded in 1993 by James Dondero and Mark Okada. Mark Okada resigned from his role with Highland prior to the

bankruptcy case being filed on October 16, 2019 (the "Petition Date"). Mr. Dondero controlled the Debtor as of the Petition Date but agreed to relinquish control of it on or about January 9, 2020, pursuant to an agreement reached with the Committee, as described below. Although Mr. Dondero remained with the Debtor as an unpaid employee/portfolio manager after January 9, 2020, his employment with the Debtor terminated on October 9, 2020. Mr. Dondero continues to work for and/or control numerous non-debtor entities in the complex Highland enterprise.

5. **The Debtor**. The Debtor is headquartered in Dallas, Texas. As of the Petition Date, the Debtor employed approximately 76 employees. The Debtor is privately-owned: (a) 99.5% by the Hunter Mountain Investment Trust; (b) 0.1866% by The Dugaboy Investment Trust, a trust created to manage the assets of Mr. Dondero and his family; (c) 0.0627% by Mark Okada, personally and through family trusts; and (d) 0.25% by Strand, the Debtor's general partner.

6. **The Highland Enterprise.** Pursuant to various contractual arrangements, the Debtor provides money management and advisory services for billions of dollars of assets, including collateralized loan obligation vehicles ("CLOs"), and other investments. Some of these assets are managed by the Debtor pursuant to shared services agreements with certain affiliated entities, including other affiliated registered investment advisors. In fact, there are approximately 2,000 entities in the byzantine complex of entities under the Highland umbrella. None of these affiliated entities filed for chapter 11 protection. Most, but not all, of these entities are not subsidiaries (direct or indirect) of the Debtor. Many of the Debtor's affiliated companies are

offshore entities, organized in jurisdictions such as the Cayman Islands and Guernsey. *See* Disclosure Statement, at 17-18.

7. **Debtor's Operational History.** The Debtor's primary means of generating revenue has historically been from fees collected for the management and advisory services provided to funds that it manages, plus fees generated for services provided to its affiliates. For additional liquidity, the Debtor, prior to the Petition Date, would sell liquid securities in the ordinary course, primarily through a brokerage account at Jefferies, LLC. The Debtor would also, from time to time, sell assets at non-Debtor subsidiaries and cause those proceeds to be distributed to the Debtor in the ordinary course of business. The Debtor's current Chief Executive Officer, James P. Seery, Jr., credibly testified at the Confirmation Hearing that the Debtor was "run at a deficit for a long time and then would sell assets or defer employee compensation to cover its deficits." The Bankruptcy Court cannot help but wonder if that was necessitated because of enormous litigation fees and expenses incurred by the Debtor due to its culture of litigation—as further addressed below.

8. **Not Your Garden Variety Creditor's Committee**. The Debtor and this chapter 11 case are not garden variety for so many reasons. One of the most obvious standouts in this case is the creditor constituency. The Debtor did not file for bankruptcy because of any of the typical reasons that large companies file chapter 11. For example, the Debtor did not have a large, asset-based secured lender with whom it was in default; it only had relatively insignificant secured indebtedness owing to Jeffries, with whom it had a brokerage account, and one other entity, Frontier State Bank. The Debtor also did not have problems with its trade vendors or landlords.

The Debtor also did not suffer any type of catastrophic business calamity. In fact, the Debtor filed for Chapter 11 protection six months before the onset of the COVID-19 pandemic. Rather, the Debtor filed for Chapter 11 protection due to a myriad of massive, unrelated, business litigation claims that it faced—many of which had finally become liquidated (or were about to become liquidated) after a decade or more of contentious litigation in multiple forums all over the world. The Committee in this case has referred to the Debtor—under its former chief executive, Mr. Dondero—as a "serial litigator." The Bankruptcy Court agrees with that description. By way of example, the members of the Committee (and their history of litigation with the Debtor and others in the Highland complex) are as follows:

a. **The Redeemer Committee of the Highland Crusader Fund (the "Redeemer Committee").** This Committee member obtained an arbitration award against the Debtor in the amount of $190,824,557, inclusive of interest, approximately five months before the Petition Date, from a panel of the American Arbitration Association. It was on the verge of having that award confirmed by the Delaware Chancery Court immediately prior to the Petition Date, after years of disputes that started in late 2008 (and included legal proceedings in Bermuda). This creditor's claim was settled during this Chapter 11 Case in the amount of approximately $137,696,610 (subject to other adjustments and details not relevant for this purpose).

b. **Acis Capital Management, L.P., and Acis Capital Management GP, LLC ("Acis").** Acis was formerly in the Highland complex of companies, but was not affiliated with Highland as of the Petition Date. This Committee member and its now-owner, Joshua Terry, were involved in litigation with the Debtor dating back to 2016. Acis was forced by Mr. Terry (who was a former Highland portfolio manager) into an involuntary chapter 11 bankruptcy in the Bankruptcy Court for the Northern District of Texas, Dallas Division before the Bankruptcy Court in 2018, after Mr. Terry obtained an approximately $8 million arbitration award and judgment against Acis. Mr. Terry ultimately was awarded the equity ownership of Acis by the Bankruptcy Court in the Acis bankruptcy case. Acis subsequently asserted a multi-million dollar claim against Highland in the Bankruptcy Court for Highland's alleged denuding of Acis to defraud its creditors—primarily Mr. Terry. The litigation involving Acis and Mr. Terry dates back to mid-2016 and has

continued on with numerous appeals of Bankruptcy Court orders, including one appeal still pending at the Fifth Circuit Court of Appeals. There was also litigation involving Mr. Terry and Acis in the Royal Court of the Island of Guernsey and in a state court in New York. The Acis claim was settled during this Chapter 11 Case, in Bankruptcy Court-ordered mediation, for approximately $23 million (subject to other details not relevant for this purpose), and is the subject of an appeal being pursued by Mr. Dondero.

c. **UBS Securities LLC and UBS AG London Branch ("UBS").** UBS is a Committee member that filed a proof of claim in the amount of $1,039,957,799.40 in this Chapter 11 Case. The UBS Claim was based on a judgment that UBS received from a New York state court in 2020. The underlying decision was issued in November 2019, after a multi-week bench trial (which had occurred many months earlier) on a breach of contract claim against non-Debtor entities in the Highland complex. The UBS litigation related to activities that occurred in 2008 and 2009. The litigation involving UBS and Highland and affiliates was pending for more than a decade (there having been numerous interlocutory appeals during its history). The Debtor and UBS recently announced an agreement in principle for a settlement of the UBS claim (which came a few months after Bankruptcy Court-ordered mediation) which will be subject to a 9019 motion to be filed with the Bankruptcy Court on a future date.

d. **Meta-E Discovery ("Meta-E").** Meta-E is a Committee member that is a vendor who happened to supply litigation and discovery-related services to the Debtor over the years. It had unpaid invoices on the Petition Date of more than $779,000.

It is fair to say that the members of the Committee in this case all have wills of steel. They fought hard before and during this Chapter 11 Case. The members of the Committee, all of whom have volunteered to serve on the Claimant Trust Oversight Board post-confirmation, are highly sophisticated and have had highly sophisticated professionals representing them. They have represented their constituency in this case as fiduciaries extremely well.

9. **Other Key Creditor Constituents.** In addition to the Committee members who were all embroiled in years of litigation with Debtor and its affiliates in various ways, the Debtor has been in litigation with Patrick Daugherty, a former limited partner and employee of the Debtor, for many years in both Delaware and Texas state courts. Mr. Daugherty filed an amended

proof of claim in this Chapter 11 Case for $40,710,819.42 relating to alleged breaches of employment-related agreements and for defamation arising from a 2017 press release posted by the Debtor. The Debtor and Mr. Daugherty recently announced a settlement of Mr. Daugherty's claim pursuant to which he will receive $750,000 in cash on the Effective Date of the Plan, an $8.25 million general unsecured claim, and a $2.75 million subordinated claim (subject to other details not relevant for this purpose). Additionally, entities collectively known as "HarbourVest" invested more than $70 million with an entity in the Highland complex and asserted a $300 million proof of claim against the Debtor in this case, alleging, among other things, fraud and RICO violations. HarbourVest's claim was settled during the bankruptcy case for a $45 million general unsecured claim and a $35 million subordinated claim, and that settlement is also being appealed by a Dondero Entity.

10. **Other Claims Asserted.** Other than the Claims just described, most of the other Claims in this Chapter 11 Case are Claims asserted against the Debtor by: (a) entities in the Highland complex—most of which entities the Bankruptcy Court finds to be controlled by Mr. Dondero; (b) employees who contend that are entitled to large bonuses or other types of deferred compensation; and (c) numerous law firms that worked for the Debtor prior to the Petition Date and had outstanding amounts due for their prepetition services.

11. **Not Your Garden Variety Post-Petition Corporate Governance Structure**. Yet another reason this is not your garden variety chapter 11 case is its post-petition corporate governance structure. Immediately from its appointment, the Committee's relationship with the Debtor was contentious at best. First, the Committee moved for a change of venue from

Delaware to Dallas. Second, the Committee (and later, the United States Trustee) expressed its then-desire for the appointment of a chapter 11 trustee due to its concerns over and distrust of Mr. Dondero, his numerous conflicts of interest, and his history of alleged mismanagement (and perhaps worse).

12. **Post-Petition Corporate Governance Settlement with Committee.** After spending many weeks under the threat of the potential appointment of a trustee, the Debtor and Committee engaged in substantial and lengthy negotiations resulting in a corporate governance settlement approved by the Bankruptcy Court on January 9, 2020.[5] As a result of this settlement, among other things, Mr. Dondero relinquished control of the Debtor and resigned his positions as an officer or director of the Debtor and its general partner, Strand. As noted above, Mr. Dondero agreed to this settlement pursuant a stipulation he executed,[6] and he also agreed not to cause any Related Entity (as defined in the Settlement Motion) to terminate any agreements with the Debtor. The January 9 Order also (a) required that the Bankruptcy Court serve as "gatekeeper" prior to the commencement of any litigation against the three independent board members appointed to oversee and lead the Debtor's restructuring in lieu of Mr. Dondero and (b) provided for the exculpation of those board members by limiting claims subject to the "gatekeeper" provision to those alleging willful misconduct and gross negligence.

---

[5] This order is hereinafter referred to as the "January 9 Order" and was entered by the Court on January 9, 2020 [Docket No. 339] pursuant to the *Motion of the Debtor to Approve Settlement with Official Committee of Unsecured Creditors Regarding the Governance of the Debtor and Procedures for Operation in the Ordinary Course* [Docket No. 281] (the "Settlement Motion").

[6] *See Stipulation in Support of Motion of the Debtor for Approval of Settlement With the Official Committee of Unsecured Creditors Regarding Governance of the Debtor and Procedures for Operations in Ordinary Course* [Docket No. 338] (the "Stipulation").

13. **Appointment of Independent Directors.** As part of the Bankruptcy Court-approved settlement, three eminently qualified independent directors were chosen to lead Highland through its Chapter 11 Case. They are: James P. Seery, Jr., John S. Dubel (each chosen by the Committee), and Retired Bankruptcy Judge Russell Nelms. These three individuals are each technically independent directors of Strand (Mr. Dondero had previously been the sole director of Strand and, thus, the sole person in ultimate control of the Debtor). The three independent board members' resumes are in evidence. The Bankruptcy Court later approved Mr. Seery's appointment as the Debtor's Chief Executive Officer, Chief Restructuring Officer, and Foreign Representative. Suffice it to say that this settlement and the appointment of the independent directors changed the entire trajectory of the case and saved the Debtor from the appointment of a trustee. The Bankruptcy Court and the Committee each trusted the independent directors. They were the right solution at the right time. Because of the unique character of the Debtor's business, the Bankruptcy Court believed the appointment of three qualified independent directors was a far better outcome for creditors than the appointment of a conventional chapter 11 trustee. Each of the independent directors brought unique qualities to the table. Mr. Seery, in particular, knew and had vast experience at prominent firms with high-yield and distressed investing similar to the Debtor's business. Mr. Dubel had 40 years of experience restructuring large complex businesses and serving on boards in this context. And Retired Judge Nelms had not only vast bankruptcy experience but seemed particularly well-suited to help the Debtor maneuver through conflicts and ethical quandaries. By way of comparison, in the chapter 11 case of Acis, the former affiliate of Highland that the Bankruptcy Court presided over and which company was

much smaller in size and scope than Highland (managing only 5-6 CLOs), the creditors elected a chapter 11 trustee who was not on the normal trustee rotation panel in this district but, rather, was a nationally known bankruptcy attorney with more than 45 years of large chapter 11 experience. While the Acis chapter 11 trustee performed valiantly, he was sued by entities in the Highland complex shortly after he was appointed (which the Bankruptcy Court had to address). The Acis trustee was also unable to persuade the Debtor and its affiliates to agree to any actions taken in the case, and he finally obtained confirmation of Acis' chapter 11 plan over the objections of the Debtor and its affiliates on his fourth attempt (which confirmation was promptly appealed).

14. **Conditions Required by Independent Directors.** Given the experiences in Acis and the Debtor's culture of constant litigation, it was not as easy to get such highly qualified persons to serve as independent board members and, later, as the Debtor's Chief Executive Officer, as it would be in an ordinary chapter 11 case. The independent board members were stepping into a morass of problems. Naturally, they were worried about getting sued no matter how defensible their efforts—given the litigation culture that enveloped Highland historically. Based on the record of this Case and the proceedings in the Acis chapter 11 case, it seemed as though everything always ended in litigation at Highland. The Bankruptcy Court heard credible testimony that none of the independent directors would have taken on the role of independent director without (1) an adequate directors and officers' ("D&O") insurance policy protecting them; (2) indemnification from Strand that would be guaranteed by the Debtor; (3) exculpation for mere negligence claims; and (4) a gatekeeper provision prohibiting the commencement of litigation against the independent directors without the Bankruptcy Court's prior authority. This gatekeeper provision was also

included in the Bankruptcy Court's order authorizing the appointment of Mr. Seery as the Debtor's Chief Executive Officer, Chief Restructuring Officer, and Foreign Representative entered on July 16, 2020.[7] The gatekeeper provisions in both the January 9 Order and July 16 Order are precisely analogous to what bankruptcy trustees have pursuant to the so-called "Barton Doctrine" (first articulated in an old Supreme Court case captioned *Barton v. Barbour,* 104 U.S. 126 (1881)). The Bankruptcy Court approved all of these protections in the January 9 Order and the July 16 Order, and no one appealed either of those orders. As noted above, Mr. Dondero signed the Stipulation that led to the settlement that was approved by the January 9 Order. The Bankruptcy Court finds that, like the Committee, the independent board members have been resilient and unwavering in their efforts to get the enormous problems in this case solved. They seem to have at all times negotiated hard and in good faith, which culminated in the proposal of the Plan currently before the Bankruptcy Court. As noted previously, they completely changed the trajectory of this case.

15. **Not Your Garden Variety Mediators.** And still another reason why this was not your garden variety case was the mediation effort. In the summer of 2020, roughly nine months into the chapter 11 case, the Bankruptcy Court ordered mediation among the Debtor, Acis, UBS, the Redeemer Committee, and Mr. Dondero. The Bankruptcy Court selected co-mediators because mediation among these parties seemed like such a Herculean task—especially during COVID-19 where people could not all be in the same room. Those co-mediators were: Retired

Seery, Jr., as Chief Executive Officer, Chief Restructuring Officer, and Foreign Representative Nunc Pro Tunc to March 15, 2020* [Docket No. 854] entered on July 16, 2020 (the "July 16 Order")

Bankruptcy Judge Alan Gropper from the Southern District of New York, who had a distinguished career presiding over complex chapter 11 cases, and Ms. Sylvia Mayer, who likewise has had a distinguished career, first as a partner at a preeminent law firm working on complex chapter 11 cases, and subsequently as a mediator and arbitrator in Houston, Texas. As noted earlier, the Redeemer Committee and Acis claims were settled during the mediation—which seemed nothing short of a miracle to the Bankruptcy Court—and the UBS claim was settled several months later and the Bankruptcy Court believes the ground work for that ultimate settlement was laid, or at least helped, through the mediation. And, as earlier noted, other significant claims have been settled during this case, including those of HarbourVest (who asserted a $300 million claim) and Patrick Daugherty (who asserted a $40 million claim). The Bankruptcy Court cannot stress strongly enough that the resolution of these enormous claims—and the acceptance by all of these creditors of the Plan that is now before the Bankruptcy Court—seems nothing short of a miracle. It was more than a year in the making.

16. **Not Your Garden Variety Plan Objectors (That Is, Those That Remain)**. Finally, a word about the current, remaining objectors to the Plan before the Bankruptcy Court. Once again, the Bankruptcy Court will use the phrase "not your garden variety", which phrase applies to this case for many reasons. Originally, there were over a dozen objections filed to the Plan. The Debtor then made certain amendments or modifications to the Plan to address some of these objections, none of which require further solicitation of the Plan for reasons set forth in more detail below. The only objectors to the Plan left at the time of the Confirmation Hearing

were Mr. Dondero [Docket No. 1661] and entities that the Bankruptcy Court finds are owned and/or controlled by him and that filed the following objections:

a. *Objection to Confirmation of the Debtor's Fifth Amended Plan of Reorganization* (filed by Get Good Trust and The Dugaboy Investment Trust) [Docket No. 1667];

b. *Objection to Confirmation of Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (filed by Highland Capital Management Fund Advisors, L.P., Highland Fixed Income Fund, Highland Funds I and its series, Highland Funds II and its series, Highland Global Allocation Fund, Highland Healthcare Opportunities Fund, Highland Income Fund, Highland Merger Arbitrate Fund, Highland Opportunistic Credit Fund, Highland Small-Cap Equity Fund, Highland Socially Responsible Equity Fund, Highland Total Return Fund, Highland/iBoxx Senior Loan ETF, NexPoint Advisors, L.P., NexPoint Capital, Inc., NexPoint Real Estate Strategies Fund, NexPoint Strategic Opportunities Fund)* [Docket No. 1670];

c. A *Joinder to the Objection filed at 1670 by: NexPoint Real Estate Finance Inc., NexPoint Real Estate Capital, LLC, NexPoint Residential Trust, Inc., NexPoint Hospitality Trust, NexPoint Real Estate Partners, LLC, NexPoint Multifamily Capital Trust, Inc., VineBrook Homes Trust, Inc., NexPoint Real Estate Advisors, L.P., NexPoint Real Estate Advisors II, L.P., NexPoint Real Estate Advisors III, L.P., NexPoint Real Estate Advisors IV, L.P., NexPoint Real Estate Advisors V, L.P., NexPoint Real Estate Advisors VI, L.P., NexPoint Real Estate Advisors VII, L.P., NexPoint Real Estate Advisors VIII, L.P., and any funds advised by the foregoing* [Docket No. 1677];

d. *NexPoint Real Estate Partners LLC's Objection to Debtor's Fifth Amended Plan of Reorganization (filed by NexPoint Real Estate Partners LLC f/k/a HCRE Partners LLC)* [Docket No. 1673]; and

e. *NexBank's Objection to Debtor's Fifth Amended Plan of Reorganization (filed by NexBank Title, Inc., NexBank Securities, Inc., NexBank Capital, Inc., and NexBank)* [Docket No. 1676]. The entities referred to in (i) through (v) of this paragraph are hereinafter referred to as the "Dondero Related Entities").

17. **Questionability of Good Faith as to Outstanding Confirmation Objections.** Mr. Dondero and the Dondero Related Entities technically have standing to object to the Plan, but the remoteness of their economic interests is noteworthy, and the Bankruptcy Court

questions the good faith of Mr. Dondero's and the Dondero Related Entities' objections. In fact, the Bankruptcy Court has good reason to believe that these parties are not objecting to protect economic interests they have in the Debtor but to be disruptors. Mr. Dondero wants his company back. This is understandable, but it is not a good faith basis to lob objections to the Plan. As detailed below, the Bankruptcy Court has slowed down plan confirmation multiple times and urged the parties to talk to Mr. Dondero in an attempt to arrive at what the parties have repeatedly referred to as a "grand bargain," the ultimate goal to resolve the Debtor's restructuring. The Debtor and the Committee represent that they have communicated with Mr. Dondero regarding a grand bargain settlement, and the Bankruptcy Court believes that they have.

18. **Remote Interest of Outstanding Confirmation Objectors.** To be specific about the remoteness of Mr. Dondero's and the Dondero Related Entities' interests, the Bankruptcy Court will address them each separately. First, Mr. Dondero has a pending objection to the Plan. Mr. Dondero's only economic interest with regard to the Debtor is an unliquidated indemnification claim (and, based on everything the Bankruptcy Court has heard, his indemnification claims would be highly questionable at this juncture). Mr. Dondero owns no equity in the Debtor directly. Mr. Dondero owns the Debtor's general partner, Strand, which in turn owns a quarter percent of the total equity in the Debtor. Second, a joint objection has been filed by The Dugaboy Trust ("Dugaboy") and the Get Good Trust ("Get Good"). The Dugaboy Trust was created to manage the assets of Mr. Dondero and his family and owns a 0.1866% limited partnership interest in the Debtor. *See* Disclosure Statement at 7, n.3. The Bankruptcy Court is not clear what economic interest the Get Good Trust has, but it likewise seems to be related to Mr. Dondero. Get Good

filed three proofs of claim relating to a pending federal tax audit of the Debtor's 2008 return, which the Debtor believes arise from Get Good's equity security interests and are subject to subordination as set forth in its Confirmation Brief. Dugaboy filed three claims against the Debtor: (a) an administrative claim relating to the Debtor's alleged postpetition management of Multi-Strat Credit Fund, L.P., (b) a prepetition claim against a subsidiary of the Debtor for which it seeks to pierce the corporate veil, each of which the Debtor maintains are frivolous in the Confirmation Brief, and (c) a claim arising from its equity security interest in the Debtor, which the Debtor asserts should be subordinated. Another group of objectors that has joined together in one objection is what the Bankruptcy Court will refer to as the "Highland Advisors and Funds." *See* Docket No. 1863. The Bankruptcy Court understands they assert disputed administrative expense claims against the estate that were filed shortly before the Confirmation Hearing on January 23, 2021 [Docket No. 1826], and during the Confirmation Hearing on February 3, 2021 [Docket No. 1888]. At the Confirmation Hearing, Mr. Post testified on behalf of the Highland Advisors and Funds that the Funds have independent board members that run the Funds, but the Bankruptcy Court was not convinced of their independence from Mr. Dondero because none of the so-called independent board members have ever testified before the Bankruptcy Court and all have been engaged with the Highland complex for many years. Notably, the Court questions Mr. Post's credibility because, after more than 12 years of service, he abruptly resigned from the Debtor in October 2020 at the exact same time that Mr. Dondero resigned at the Board of Directors' request, and he is currently employed by Mr. Dondero. Moreover, Dustin Norris, a witness in a prior proceeding (whose testimony was made part of the record at the Confirmation Hearing), recently

testified on behalf of the Highland Advisors and Funds in another proceeding that Mr. Dondero owned and/or controlled these entities. Finally, various NexBank entities objected to the Plan. The Bankruptcy Court does not believe they have liquidated claims against the Debtor. Mr. Dondero appears to be in control of these entities as well.

19. **Background Regarding Dondero Objecting Parties.** To be clear, the Bankruptcy Court has allowed all these objectors to fully present arguments and evidence in opposition to confirmation, even though their economic interests in the Debtor appear to be extremely remote and the Bankruptcy Court questions their good faith. Specifically, the Bankruptcy Court considers them all to be marching pursuant to the orders of Mr. Dondero. In the recent past, Mr. Dondero has been subject to a temporary restraining order and preliminary injunction by the Bankruptcy Court for interfering with Mr. Seery's management of the Debtor in specific ways that were supported by evidence. Around the time that this all came to light and the Bankruptcy Court began setting hearings on the alleged interference, Mr. Dondero's company phone, which he had been asked to turn in to Highland, mysteriously went missing. The Bankruptcy Court merely mentions this in this context as one of many reasons that the Bankruptcy Court has to question the good faith of Mr. Dondero and his affiliates in raising objections to confirmation of the Plan.

20. **Other Confirmation Objections.** Other than the objections filed by Mr. Dondero and the Dondero Related Entities, the only other pending objection to the Plan is the *United States Trustee's Limited Objection to Confirmation of Debtor's Fifth Amended Plan of Reorganization* [Docket No. 1671], which objected to the Plan's exculpation, injunction, and

Debtor release provisions. In juxtaposition, to these pending objections, the Bankruptcy Court notes that the Debtor resolved the following objections to the Plan:

a. *CLO Holdco, Ltd.'s Joinder to Objection to Confirmation of Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. and Supplemental Objections to Plan Confirmation* [Docket No. 1675]. This Objection has been resolved pursuant to mutually agreed language by the parties set forth in paragraph VV of the Confirmation Order;

b. *Objection of Dallas County, City of Allen, Allen ISD, City of Richardson, and Kaufman County to Confirmation of the Fifth Amended Plan of Reorganization of Highland Capital Management, L.P.* [Docket No. 1662]. This Objection has been resolved pursuant to mutually agreed language by the parties set forth in paragraph QQ of the Confirmation Order;

c. *Senior Employees' Limited Objection to Debtor's Fifth Amended Plan of Reorganization (filed by Scott Ellington, Thomas Surgent, Frank Waterhouse, Isaac Leventon)* [Docket No. 1669]. This Objection has been resolved pursuant to mutually agreed language by the parties set forth in paragraph 82 and paragraphs RR and SS of the Confirmation Order;

d. *Limited Objection of Jack Yang and Brad Borud to Fifth Amended Plan of Reorganization of Highland Capital Management, L.P.* [Docket No. 1666] and the amended joinder filed by Davis Deadman, Paul Kauffman and Todd Travers [Docket No. 1679]. This Objection and the amended joinder were resolved by agreement of the parties pursuant to modifications to the Plan filed by the Debtor;

e. *United States' (IRS) Limited Objection to Debtor's Fifth Amended Plan of Reorganization* [Docket No. 1668]. This Objection has been resolved pursuant to mutually agreed language by the parties set forth in paragraphs TT and UU of the Confirmation Order; and

f. *Patrick Hagaman Daugherty's Objection to Confirmation of Fifth Amended Plan of Reorganization* [Docket No. 1678]. This objection was resolved by the parties pursuant to the settlement of Mr. Daugherty's claim announced on the record of the Confirmation Hearing.

21. **Capitalized Terms.** Capitalized terms used herein, but not defined herein, shall have the respective meanings attributed to such terms in the Plan and the Disclosure Statement, as applicable.

22. **Jurisdiction and Venue.** The Bankruptcy Court has jurisdiction over the Debtor's Chapter 11 Case pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue of this proceeding and this Chapter 11 Case is proper in this district and in the Bankruptcy Court pursuant to 28 U.S.C. §§ 1408 and 1409.

23. **Chapter 11 Petition.** On the Petition Date, the Debtor commenced a voluntary case under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware, which case was transferred to the Bankruptcy Court on December 19, 2019. The Debtor continues to operate its business and manage its property as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in this Chapter 11 Case. The Office of the United States Trustee appointed the Committee on October 29, 2019.

24. **Judicial Notice.** The Bankruptcy Court takes judicial notice of the docket in this Chapter 11 Case maintained by the clerk of the Bankruptcy Court and the court-appointed claims agent, Kurtzman Carson Consultants LLC ("KCC"), including, without limitation, all pleadings, notices, and other documents filed, all orders entered, and all evidence and arguments made, proffered or adduced at the hearings held before the Bankruptcy Court during this Chapter 11 Case, including, without limitation, the hearing to consider the adequacy of the Disclosure Statement and the Confirmation Hearing, as well as all pleadings, notices, and other documents filed, all orders entered, and all evidence and arguments made, proffered, or adduced at hearings held before the Bankruptcy Court or the District Court for the Northern District of Texas in

connection with an adversary proceeding or appellate proceeding, respectively, related to this Chapter 11 Case.

25. **Plan Supplement Documents.** Prior to the Confirmation Hearing, the Debtor filed each of the Plan Supplements. The Plan Supplements contain, among other documents, the Retained Causes of Action, the Claimant Trust Agreement, the Litigation Sub-Trust Agreement, the Senior Employee Stipulation, the Related Entity List, the Schedule of Employees, the Reorganized Limited Partnership Agreement, supplements to the Liquidation Analysis/Financial Projections, the Schedule of Contracts and Leases to be Assumed, and the other Plan Documents set forth therein (collectively, the "Plan Supplement Documents").

26. **Retained Causes of Action Adequately Preserved.** The Bankruptcy Court finds that the list of Retained Causes of Action included in the Plan Supplements sufficiently describes all potential Retained Causes of Action, provides all persons with adequate notice of any Causes of Action regardless of whether any specific claim to be brought in the future is listed therein or whether any specific potential defendant or other party is listed therein, and satisfies applicable law in all respects to preserve all of the Retained Causes of Action. The definition of the Causes of Action and Schedule of Retained Causes of Action, and their inclusion in the Plan, specifically and unequivocally preserve the Causes of Action for the benefit of the Reorganized Debtor, the Claimant Trust, or the Litigation Sub-Trust, as applicable.

27. **Plan Modifications Are Non-Material.** In addition to the Plan Supplements, the Debtor made certain non-material modifications to the Plan, which are reflected in (i) the *Redline of Fifth Amended Plan of Reorganization of Highland Capital Management, L.P.*

*(as Modified)* filed on January 22, 2021 [Docket No. 1809], and (ii) Exhibit B to the *Debtor's Notice of Filing of Plan Supplement to Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified)* filed on February 1, 2021 [Docket No. 1875] (collectively, the "Plan Modifications"). Section 1127(a) of the Bankruptcy Code provides that a plan proponent may modify its plan at any time before confirmation so long as such modified plan meets the requirements of sections 1122 and 1123 of the Bankruptcy Code. None of the modifications set forth in the Plan Supplements or the Plan Modifications require any further solicitation pursuant to sections 1125, 1126, or 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, because, among other things, they do not materially adversely change the treatment of the claims of any creditors or interest holders who have not accepted, in writing, such supplements and modifications. Among other things, there were changes to the projections that the Debtor filed shortly before the Confirmation Hearing (which included projected distributions to creditors and a comparison of projected distributions under the Plan to potential distributions under a hypothetical chapter 7 liquidation). The Plan Supplements and Plan Modifications did not mislead or prejudice any creditors or interest holders nor do they require that Holders of Claims or Equity Interests be afforded an opportunity to change previously cast votes to accept or reject the Plan. Specifically, the Amended Liquidation Analysis/Financial Projections filed on February 1, 2021 [Docket No. 1875] do not constitute any material adverse change to the treatment of any creditors or interest holders but, rather, simply update the estimated distributions based on Claims that were settled in the interim and provide updated financial data. The filing and notice of the Plan Supplements and Plan Modifications were appropriate and complied with the requirements of

section 1127(a) of the Bankruptcy Code and the Bankruptcy Rules, and no other solicitation or disclosure or further notice is or shall be required. The Plan Supplements and Plan Modifications each became part of the Plan pursuant section 1127(a) of the Bankruptcy Code. The Debtor or Reorganized Debtor, as applicable, is authorized to modify the Plan or Plan Supplement Documents following entry of this Confirmation Order in a manner consistent with section 1127(b) of the Bankruptcy Code, the Plan, and, if applicable, the terms of the applicable Plan Supplement Document.

28. **Notice of Transmittal, Mailing and Publication of Materials.** As is evidenced by the Voting Certifications and the Affidavits of Service and Publication, the transmittal and service of the Plan, the Disclosure Statement, Ballots, and Confirmation Hearing Notice were adequate and sufficient under the circumstances, and all parties required to be given notice of the Confirmation Hearing (including the deadline for filing and serving objections to the confirmation of the Plan) have been given due, proper, timely, and adequate notice in accordance with the Disclosure Statement Order and in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and applicable non-bankruptcy law, and such parties have had an opportunity to appear and be heard with respect thereto. No other or further notice is required. The publication of the Confirmation Hearing Notice, as set forth in the *Notice of Affidavit of Publication* dated December 3, 2020 [Docket No. 1505], complied with the Disclosure Statement Order.

29. **Voting.** The Bankruptcy Court has reviewed and considered the Voting Certifications. The procedures by which the Ballots for acceptance or rejection of the Plan were

distributed and tabulated, including the tabulation as subsequently amended to reflect the settlement of certain Claims to be Allowed in Class 7, were fairly and properly conducted and complied with the Disclosure Statement Order, the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

30. **Bankruptcy Rule 3016(a).** In accordance with Bankruptcy Rule 3016(a), the Plan is dated and identifies the Debtor as the proponent of the Plan.

31. **Plan Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(1)).** As set forth below, the Plan complies with all of the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(1) of the Bankruptcy Code.

32. **Proper Classification (11 U.S.C. §§ 1122, 1123(a)(1)).** Section 1122 of the Bankruptcy Code provides that a plan may place a claim or interest in a particular class only if such claim or interest is substantially similar to the other claims or interest of such class. The Claims and Equity Interests placed in each Class are substantially similar to other Claims and Equity Interests, as the case may be, in each such Class. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Equity Interests created under the Plan, and such Classes do not unfairly discriminate between Holders of Claims and Equity Interests.

33. **Classification of Secured Claims.** Class 1 (Jefferies Secured Claim) and Class 2 (Frontier Secured Claim) each constitute separate secured claims held by Jefferies LLC and Frontier State Bank, respectively, and it is proper and consistent with section 1122 of the Bankruptcy Code to separately classify the claims of these secured creditors. Class 3 (Other

Secured Claims) consists of other secured claims (to the extent any exist) against the Debtor, are not substantially similar to the Secured Claims in Class 1 or Class 2, and are also properly separately classified.

34. **Classification of Priority Claims.** Class 4 (Priority Non-Tax Claims) consists of Claims entitled to priority under section 507(a), other than Priority Tax Claims, and are properly separately classified from non-priority unsecured claims. Class 5 (Retained Employee Claims) consists of the potential claims of employees who may be retained by the Debtor on the Effective Date, which claims will be Reinstated under the Plan, are not substantially similar to other Claims against the Debtor, and are properly classified.

35. **Classification of Unsecured Claims.** Class 6 (PTO Claims) consists solely of the claims of the Debtor's employees for unpaid paid time off in excess of the $13,650 statutory cap amount under sections 507(a)(4) and (a)(5) of the Bankruptcy Code and are dissimilar from other unsecured claims in Class 7 and Class 8. Class 7 (Convenience Claims) allows holders of eligible and liquidated Claims (below a certain threshold dollar amount) to receive a cash payout of the lesser of 85% of the Allowed amount of the creditor's Claim or such holder's *pro rata* share of the Convenience Claims Cash Pool. Class 7 (Convenience Claims) are provided for administrative convenience purposes in order to allow creditors, most of whom are either trade creditors or holders of professional claims, to receive treatment provided under Class 7 in lieu of the treatment of Class 8 (General Unsecured Claims). The Plan also provides for reciprocal "opt out" mechanisms to allow holders of Class 7 Claims to elect to receive the treatment for Class 8 Claims. Class 8 creditors primarily constitute the litigation claims of the Debtor. Class 8 Creditors

will receive Claimant Trust Interests which will be satisfied pursuant to the terms of the Plan. Class 8 also contains an "opt out" mechanism to allow holders of liquidated Class 8 Claims at or below a $1 million threshold to elect to receive the treatment of Class 7 Convenience Claims. The Claims in Class 7 (primarily trade and professional Claims against the Debtor) are not substantially similar to the Claims in Class 8 (primarily the litigation Claims against the Debtor), and are appropriately separately classified. Valid business reasons also exist to classify creditors in Class 7 separately from creditors in Class 8. Class 7 creditors largely consist of liquidated trade or service providers to the Debtor. In addition, the Claims of Class 7 creditors are small relative to the large litigation claims in Class 8. Furthermore, the Class 8 Claims were overwhelmingly unliquidated when the Plan was filed. The nature of the Class 7 Claims as being largely liquidated created an expectation of expedited payment relative to the largely unliquidated Claims in Class 8, which consists in large part of parties who have been engaged in years, and in some cases over a decade of litigation with the Debtor. Separate classification of Class 7 and Class 8 creditors was the subject of substantial arm's-length negotiations between the Debtor and the Committee to appropriately reflect these relative differences.

36. **Classification of Equity Interests.** The Plan properly separately classifies the Equity Interests in Class 10 (Class B/C Limited Partnership Interests) from the Equity Interests in Class 11 (Class A Limited Partnership Interests) because they represent different types of equity security interests in the Debtor and different payment priorities.

37. **Elimination of Vacant Classes.** Section III.C of the Plan provides for the elimination of Classes that do not have at least one holder of a Claim or Equity Interest that is

Allowed in an amount greater than zero for purposes of voting to accept or reject the Plan, and are disregarded for purposes of determining whether the Plan satisfies section 1129(a)(8) of the Bankruptcy Code with respect to such Class. The purpose of this provision is to provide that a Class that does not have voting members shall not be included in the tabulation of whether that Class has accepted or rejected the Plan. Pursuant to the Voting Certifications, the only voting Class of Claims or Equity Interests that did not have any members is Class 5 (Retained Employees). As noted above, Class 5 does not have any voting members because any potential Claims in Class 5 would not arise, except on account of any current employees of the Debtor who may be employed as of the Effective Date, which is currently unknown. Thus, the elimination of vacant Classes provided in Article III.C of the Plan does not violate section 1122 of the Bankruptcy Code. Class 5 is properly disregarded for purposes of determining whether or not the Plan has been accepted under Bankruptcy Code section 1129(a)(8) because there are no members in that Class. However, the Plan properly provides for the treatment of any Claims that may potentially become members of Class 5 as of the Effective Date in accordance with the terms of the Plan. The Plan therefore satisfies section 1122 of the Bankruptcy Code.

38. **Classification of Claims and Designation of Non-Classified Claims (11 U.S.C. §§ 1122, 1123(a)(1)).** Section 1123(a)(1) of the Bankruptcy Code requires that the Plan specify the classification of claims and equity security interests pursuant to section 1122 of the Bankruptcy Code, other than claims specified in sections 507(a)(2), 507(a)(3), or 507(a)(8) of the Bankruptcy Code. In addition to Administrative Claims, Professional Fee Claims, and Priority Tax Claims, each of which need not be classified pursuant to section 1123(a)(1) of the Bankruptcy

Code, the Plan designates eleven (11) Classes of Claims and Equity Interests. The Plan satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

39. **Specification of Unimpaired Classes (11 U.S.C. § 1123(a)(2)).** Article III of the Plan specifies that each of Class 1 (Jefferies Secured Claim), Class 3 (Other Secured Claims), Class 4 (Priority Non-Tax Claims), Class 5 (Retained Employee Claims), and Class 6 (PTO Claims) are Unimpaired under the Plan. Thus, the requirement of section 1123(a)(2) of the Bankruptcy Code is satisfied.

40. **Specification of Treatment of Impaired Classes (11 U.S.C. § 1123(a)(3)).** Article III of the Plan designates each of Class 2 (Frontier Secured Claim), Class 7 (Convenience Claims), Class 8 (General Unsecured Claims), Class 9 (Subordinated Claims), Class 10 (Class B/C Limited Partnership Interests), and Class 11 (Class A Limited Partnership Interests) as Impaired and specifies the treatment of Claims and Equity Interests in such Classes. Thus, the requirement of section 1123(a)(3) of the Bankruptcy Code is satisfied.

41. **No Discrimination (11 U.S.C. § 1123(a)(4)).** The Plan provides for the same treatment by the Plan proponent for each Claim or Equity Interest in each respective Class unless the Holder of a particular Claim or Equity Interest has agreed to a less favorable treatment of such Claim or Equity Interest. The Plan satisfies this requirement because Holders of Allowed Claims or Equity Interests in each Class will receive the same rights and treatment as other Holders of Allowed Claims or Equity Interests within such holder's respective class, subject only to the voluntary "opt out" options afforded to members of Class 7 and Class 8 in accordance with the terms of the Plan. Thus, the requirement of section 1123(a)(4) of the Bankruptcy Code is satisfied.

42. **Implementation of the Plan (11 U.S.C. § 1123(a)(5)).** Article IV of the Plan sets forth the means for implementation of the Plan which includes, but is not limited to, the establishment of: (i) the Claimant Trust; (ii) the Litigation Sub-Trust; (iii) the Reorganized Debtor; and (iv) New GP LLC, in the manner set forth in the Plan Documents, the forms of which are included in the Plan Supplements.

a. **The Claimant Trust.** The Claimant Trust Agreement provides for the management of the Claimant Trust, as well as the Reorganized Debtor with the Claimant Trust serving as the managing member of New GP LLC (a wholly-owned subsidiary of the Claimant Trust that will manage the Reorganized Debtor as its general partner). The Claimant Trust, the Claimant Trustee, the management and monetization of the Claimant Trust Assets, and the management of the Reorganized Debtor (through the Claimant Trust's role as managing member of New GP LLC) and the Litigation Sub-Trust will all be managed and overseen by the Claimant Trust Oversight Committee. Additionally, the Plan provides for the transfer to the Claimant Trust of all of the Debtor's rights, title, and interest in and to all of the Claimant Trust Assets in accordance with section 1141 of the Bankruptcy Code and for the Claimant Trust Assets to automatically vest in the Claimant Trust free and clear of all Claims, Liens, encumbrances, or interests subject only to the Claimant Trust Interests and the Claimant Trust Expenses, as provided for in the Claimant Trust Agreement. The Claimant Trust will administer the Claimant Trust Assets as provided under the Plan and the Claimant Trust Agreement contained in the Plan Supplements.

b. **The Litigation Sub-Trust.** The Plan and the Litigation Sub-Trust Agreement provide for the transfer to the Litigation Sub-Trust all of the Claimant Trust's rights, title, and interest in and to all of the Estate Claims (as transferred to the Claimant Trust by the Debtor) in accordance with section 1141 of the Bankruptcy Code and for the Estate Claims to automatically vest in the Litigation Sub-Trust free and clear of all Claims, Liens, encumbrances, or interests subject only to the Litigation Sub-Trust Interests and the Litigation Sub-Trust Expenses, as provided for in the Litigation Sub-Trust Agreement. The Litigation Trustee is charged with investigating, pursuing, and otherwise resolving any Estate Claims (including those with respect to which the Committee has standing to pursue prior to the Effective Date pursuant to the January 9 Order) pursuant to the terms of the Litigation Sub-Trust Agreement and the Plan, regardless of whether any litigation with respect to any Estate Claim was commenced by the Debtor or the Committee prior to the Effective Date.

c. **The Reorganized Debtor**. The Reorganized Debtor will administer the Reorganized Debtor Assets, which includes managing the wind down of the Managed Funds.

The precise terms governing the execution of these restructuring transactions are set forth in greater detail in the applicable definitive documents included in the Plan Supplements, including the Claimant Trust Agreement, the Litigation Sub-Trust Agreement, and the Schedule of Retained Causes of Action. The Plan, together with the documents and forms of agreement included in the Plan Supplements, provides a detailed blueprint for the transactions contemplated by the Plan. The Plan's various mechanisms provide for the Debtor's continued management of its business as it seeks to liquidate the Debtor's assets, wind down its affairs, and pay the Claims of the Debtor's creditors. Upon full payment of Allowed Claims, plus interest as provided in the Plan, any residual value would then flow to the holders of Class 10 (Class B/C Limited Partnership Interests), and Class 11 (Class A Limited Partnership Interests). Finally, Mr. Seery testified that the Debtor engaged in substantial and arm's length negotiations with the Committee regarding the Debtor's post-Effective Date corporate governance, as reflected in the Plan. Mr. Seery testified that he believes the selection of the Claimant Trustee, Litigation Trustee, and members of the Claimant Trust Oversight Board are in the best interests of the Debtor's economic constituents. Thus, the requirements of section 1123(a)(5) of the Bankruptcy Code are satisfied.

43. **Non-Voting Equity Securities (11 U.S.C. § 1123(a)(6)).** The Debtor is not a corporation and the charter documents filed in the Plan Supplements otherwise comply with section 1123(a)(6) of the Bankruptcy Code. Therefore, the requirement of section 1123(a)(6) of the Bankruptcy Code is satisfied.

44. **Selection of Officers and Directors (11 U.S.C. § 1123(a)(7)).** Article IV of the Plan provides for the Claimant Trust to be governed and administered by the Claimant Trustee. The Claimant Trust, the management of the Reorganized Debtor, and the management and monetization of the Claimant Trust Assets and the Litigation Sub-Trust will be managed by the Claimant Trust Oversight Board. The Claimant Trust Oversight Board will consist of: (1) Eric Felton, as representative of the Redeemer Committee; (2) Joshua Terry, as representative of Acis; (3) Elizabeth Kozlowski, as representative of UBS; (4) Paul McVoy, as representative of Meta-E Discovery; and (5) David Pauker. Four of the members of the Claimant Trust Oversight Committee are the holders of several of the largest Claims against the Debtor and/or are current members of the Committee. Each of these creditors has actively participated in the Debtor's case, both through their fiduciary roles as Committee members and in their individual capacities as creditors. They are therefore intimately familiar with the Debtor, its business, and assets. The fifth member of the Claimant Trustee Oversight Board, David Pauker, is a disinterested restructuring advisor and turnaround manager with more than 25 years of experience advising public and private companies and their investors, and he has substantial experience overseeing, advising or investigating troubled companies in the financial services industry and has advised or managed such companies on behalf of boards or directors, court-appointed trustees, examiners and special masters, government agencies, and private investor parties. The members of the Claimant Trust Oversight Board will serve without compensation, except for Mr. Pauker, who will receive payment of $250,000 for his first year of service, and $150,000 for subsequent years.

45. **Selection of Trustees.** The Plan Supplements disclose that Mr. Seery will serve as the Claimant Trustee and Marc Kirschner will serve as the Litigation Trustee. As noted above, Mr. Seery has served as an Independent Board member since January 2020, and as the Chief Executive Officer and Chief Restructuring Officer since July 2020, and he has extensive management and restructuring experience, as evidenced from his curriculum vitae which is part of the record. The evidence shows that Mr. Seery is intimately familiar with the Debtor's organizational structure, business, and assets, as well as how Claims will be treated under the Plan. Accordingly, it is reasonable and in the Estate's best interests to continue Mr. Seery's employment post-emergence as the Claimant Trustee. Mr. Seery, upon consultation with the Committee, testified that he intends to employ approximately 10 of the Debtor's employees to enable him to manage the Debtor's business until the Claimant Trust effectively monetizes its remaining assets, instead of hiring a sub-servicer to accomplish those tasks. Mr. Seery testified that he believes that the Debtor's post-confirmation business can most efficiently and cost-effectively be supported by a sub-set of the Debtor's current employees, who will be managed internally. Mr. Seery shall initially be paid $150,000 per month for services rendered after the Effective Date as Claimant Trustee; however, Mr. Seery's long-term salary as Claimant Trustee and the terms of any bonuses and severance are subject to further negotiation by Mr. Seery and the Claimant Trust Oversight Board within forty-five (45) days after the Effective Date. The Bankruptcy Court has also reviewed Mr. Kirschner's curriculum vitae. Mr. Kirschner has been practicing law since 1967 and has substantial experience in bankruptcy litigation matters, particularly with respect to his prior experience as a litigation trustee for several litigation trusts, as set forth on the record of the

Confirmation Hearing and in the Confirmation Brief. Mr. Kirschner shall be paid $40,000 per month for the first three months and $20,000 per month thereafter, plus a success fee related to litigation recoveries. The Committee and the Debtor had arm's lengths negotiations regarding the post-Effective Date corporate governance structure of the Reorganized Debtor and believe that the selection of the Claimant Trustee, the Litigation Trustee, and the Claimant Trust Oversight Committee are in the best interests of the Debtor's economic stakeholders. Section 1123(a)(7) of the Bankruptcy Code is satisfied.

46. **Debtor's Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(2)).** Pursuant to section 1129(a)(2) of the Bankruptcy Code, the Debtor has complied with the applicable provisions of the Bankruptcy Code, including sections 1122, 1123, 1124, 1125, and 1126 of the Bankruptcy Code, the Bankruptcy Rules, and the Disclosure Statement Order governing notice, disclosure, and solicitation in connection with the Plan, the Disclosure Statement, the Plan Supplements, and all other matters considered by the Bankruptcy Court in connection with this Chapter 11 Case.

47. **Debtor's Solicitation Complied with Bankruptcy Code and Disclosure Statement Order.** Before the Debtor solicited votes on the Plan, the Bankruptcy Court entered the Disclosure Statement Order. In accordance with the Disclosure Statement Order and evidenced by the Affidavits of Service and Publication, the Debtor appropriately served (i) the Solicitation Packages (as defined in the Disclosure Statement Order) on the Holders of Claims in Classes 2, 7, 8 and 9 and Holders of Equity Interests in Classes 10 and 11 who were entitled to vote on the Plan; and (ii) the Notice of Nonvoting Status (as defined in the Disclosure Statement Order) and the

Confirmation Hearing Notice to the Holders of Claims in Classes 1, 3, 4, 5 and 6, who were not entitled to vote on the Plan pursuant to the Disclosure Statement Order. The Disclosure Statement Order approved the contents of the Solicitation Packages provided to Holders of Claims and Equity Interests entitled to vote on the Plan, the notices provided to parties not entitled to vote on the Plan, and the deadlines for voting on and objecting to the Plan. The Debtor and KCC each complied with the content and delivery requirements of the Disclosure Statement Order, thereby satisfying sections 1125(a) and (b) of the Bankruptcy Code, as evidenced by the Affidavits of Service and Publication. The Debtor also satisfied section 1125(c) of the Bankruptcy Code, which provides that the same disclosure statement must be transmitted to each holder of a claim or interest in a particular class. The Debtor caused the same Disclosure Statement to be transmitted to all holders of Claims and Equity Interests entitled to vote on the Plan. The Debtor has complied in all respects with the solicitation requirements of section 1125 of the Bankruptcy Code and the Disclosure Statement Order. The Bankruptcy Court rejects the arguments of the Mr. Dondero and certain Dondero Related Entities that the changes made to certain assumptions and projections from the Liquidation Analysis annexed as Exhibit C to the Disclosure Statement (the "Liquidation Analysis") to the Amended Liquidation Analysis/Financial Projections require resolicitation of the Plan. The Bankruptcy Court heard credible testimony from Mr. Seery regarding the changes to the Liquidation Analysis as reflected in the Amended Liquidation Analysis/Financial Projections. Based on the record, including the testimony of Mr. Seery, the Bankruptcy Court finds that the changes between the Liquidation Analysis and the Amended Liquidation Analysis/Financial Projections do not constitute materially adverse change to the treatment of Claims or Equity

Interests. Instead, the changes served to update the projected distributions based on Claims that were settled after the approval of the Disclosure Statement and to otherwise incorporate more recent financial data. Such changes were entirely foreseeable given the large amount of unliquidated Claims at the time the Disclosure Statement was approved and the nature of the Debtor's assets. The Bankruptcy Court therefore finds that holders of Claims and Equity Interests were not misled or prejudiced by the Amended Liquidation Analysis/Financial Projections and the Plan does not need to be resolicited.

48. **Plan Proposed in Good Faith and Not by Means Forbidden by Law (11 U.S.C. § 1129(a)(3)).** The Debtor has proposed the Plan in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. In determining that the Plan has been proposed in good faith, the Bankruptcy Court has examined the totality of the circumstances surrounding the filing of this Chapter 11 Case, the Plan itself, and the extensive, unrebutted testimony of Mr. Seery in which he described the process leading to Plan's formulation. Based on the totality of the circumstances and Mr. Seery's testimony, the Bankruptcy Court finds that the Plan is the result of extensive arm's-length negotiations among the Debtor, the Committee, and key stakeholders, and promotes the objectives and purposes of the Bankruptcy Code. Specifically, the Debtor's good faith in proposing the Plan is supported by the following facts adduced by Mr. Seery:

a. The Independent Board determined that it should consider all potential restructuring alternatives, including pursuit of a traditional restructuring and the continuation of the Debtor's business, a potential sale of the Debtor's assets in one or more transactions, an asset monetization plan similar to that described in the Plan, and a so-called "grand bargain" plan that would involve Mr. Dondero's sponsorship of a plan with a substantial equity infusion.

b. The Debtor subsequently engaged in arm's-length, good faith negotiations with the Committee over an asset monetization Plan commencing in June 2020, which negotiations occurred over the next several months.

c. Negotiations between the Debtor and the Committee were often contentious over disputes, including, but not limited to, the post-confirmation corporate governance structure and the scope of releases contemplated by the Plan.

d. While negotiations with the Committee progressed, the Independent Board engaged in discussions with Mr. Dondero regarding a potential "grand bargain" plan which contemplated a significant equity infusion by Mr. Dondero, and which Mr. Seery personally spent hundreds of hours pursuing over many months.

e. On August 3, 2020, the Bankruptcy Court entered the *Order Directing Mediation* [Docket No. 912] pursuant to which the Bankruptcy Court ordered the Debtor, the Committee, UBS, Acis, the Redeemer Committee, and Mr. Dondero into mediation. As a result of this mediation, the Debtor negotiated the settlement of the claims of Acis and Mr. Terry, which the Bankruptcy Court approved on October 28, 2020 [Docket No. 1302].

f. On August 12, 2020, the Debtor filed its *Chapter 11 Plan of* Reorganization *of Highland Capital Management, L.P.* [Docket No. 944] (the "Initial Plan") and related disclosure statement (the "Initial Disclosure Statement") which were not supported by either the Committee or Mr. Dondero. The Independent Board filed the Initial Plan and Initial Disclosure Statement in order to act as a catalyst for continued discussions with the Committee while it simultaneously worked with Mr. Dondero on the "grand bargain" plan.

g. The Bankruptcy Court conducted a contested hearing on the Initial Disclosure Statement on October 27, 2020. The Committee and other parties objected to approval of the Disclosure Statement at the Initial Disclosure Statement hearing, which was eventually continued to November 23, 2020.

h. Following the Initial Disclosure Statement hearing, the Debtor continued to negotiate with the Committee and ultimately resolved the remaining material disputes and led to the Bankruptcy Court's approval of the Disclosure Statement on November 23, 2020.

i. Even after obtaining the Bankruptcy Court's approval of the Disclosure Statement, the Debtor and the Committee continued to negotiate with Mr. Dondero and the Committee over a potential "pot plan" as an alternative to the Plan on file with the Bankruptcy Court, but such efforts were unsuccessful. This history conclusively demonstrates that the Plan is being proposed in good faith within the meaning of section 1129(a)(3).

49. **Payments for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4)).** Article II.B of the Plan provides that Professionals will file all final requests for payment of Professional Fee Claims no later than 60 days after the Effective Date, thereby providing an adequate period of time for interested parties to review such claims. The procedures set forth in the Plan for the Bankruptcy Court's approval of the fees, costs, and expenses to be paid in connection with this chapter 11 Case, or in connection with the Plan and incident to this Chapter 11 Case, satisfy the objectives of and are in compliance with section 1129(a)(4) of the Bankruptcy Code.

50. **Directors, Officers, and Insiders (11 U.S.C. § 1129(a)(5)).** Article IV.B of the Plan provides for the appointment of the Claimant Trustee, Litigation Trustee, and the Claimant Trust Oversight Committee and the members thereto. For the reasons more fully explained in paragraphs 44-45 of this Confirmation Order with respect to the requirement of section 1123(a)(7) of the Bankruptcy Code, the Debtor has disclosed the nature of compensation of any insider to be employed or retained by the Reorganized Debtor, if applicable, and compensation for any such insider. The appointment of such individuals is consistent with the interests of Claims and Equity Interests and with public policy. Thus, the Plan satisfies section 1129(a)(5) of the Bankruptcy Code.

51. **No Rate Changes (11 U.S.C. § 1129(a)(6)).** The Plan does not provide for any rate change that requires regulatory approval. Section 1129(a)(6) of the Bankruptcy Code is thus not applicable.

52. **Best Interests of Creditors (11 U.S.C. § 1129(a)(7)).** The "best interests" test is satisfied as to all Impaired Classes under the Plan, as each Holder of a Claim or Equity Interest in such Impaired Classes will receive or retain property of a value, as of the Effective Date of the Plan, that is not less than the amount that such Holder would so receive or retain if the Debtor were liquidated under chapter 7 of the Bankruptcy Code. On October 15, 2020, the Debtor filed the Liquidation Analysis [Docket 1173], as prepared by the Debtor with the assistance of its advisors and which was attached as Exhibit C to the Disclosure Statement. On January 29, 2021, in advance of Mr. Seery's deposition in connection with confirmation of the Plan, the Debtor provided an updated version of the Liquidation Analysis to the then-objectors of the Plan, including Mr. Dondero and the Dondero Related Entities. On February 1, 2021, the Debtor filed the Amended Liquidation Analysis/Financial Projections. The Amended Liquidation Analysis/Financial Projections included updates to the Debtor's projected asset values, revenues, and expenses to reflect: (1) the acquisition of an interest in an entity known as "HCLOF" that the Debtor will acquire as part of its court-approved settlement with HarbourVest and that was valued at $22.5 million; (2) an increase in the value of certain of the Debtor's assets due to changes in market conditions and other factors; (3) expected revenues and expenses arising in connection with the Debtor's continued management of the CLOs pursuant to management agreements that the Debtor decided to retain; (4) increases in projected expenses for headcount (in addition to adding two or three employees to assist in the management of the CLOs, the Debtor also increased modestly the projected headcount as a result of its decision not to engage a Sub-Servicer) and professional fees; and (5) an increase in projected recoveries on notes resulting from the

acceleration of term notes owed to the Debtor by the following Dondero Related Entities: NexPoint Advisors, L.P.; Highland Capital Management Services, Inc.; and HCRE Partners, LLC (n/k/a NexPoint Real Estate Partners, LLC). Under the Plan, as of the Confirmation Date, (a) Class 7 General Unsecured Creditors are projected to receive 85% on account of their claims; and (b) Class 8 General Unsecured Creditors are projected to receive at least approximately 71% on account of their Claims. Under a hypothetical chapter 7 liquidation, all general unsecured creditors are projected to receive approximately 55% on account of their Claims. The Bankruptcy Court finds that the distributions that Class 7 and 8 General Unsecured Creditors are projected to receive under the Plan substantially exceeds that which they would receive under a chapter 7 liquidation based on Mr. Seery's testimony, including the following credible reasons he posited, among others:

a. The nature of the Debtor's assets is complex. Certain assets relate to complicated real estate structures and private equity investments in operating businesses. Mr. Seery's extensive experience with the Debtor during the thirteen months since his appointment as an Independent Director and later Chief Executive Officer and Chief Restructuring Officer, provides him with a substantial learning curve in connection with the disposition of the Debtor's assets and are reasonably expected to result in him being able to realize tens of millions of dollars more value than would a chapter 7 trustee.

b. Assuming that a hypothetical chapter 7 trustee could even operate the Debtor's business under chapter 7 of the Bankruptcy Code and hire the necessary personnel with the relevant knowledge and experience to assist him or her in selling the Debtor's assets, a chapter 7 trustee would likely seek to dispose of the Debtor's assets in a forced sale liquidation which would generate substantially less value for the Debtor's creditors than the asset monetization plan contemplated by the Plan.

c. A chapter 7 trustee would be unlikely to retain the Debtor's existing professionals to assist in its efforts to monetize assets, resulting in delays, increased expenses, and reduced asset yields for the chapter 7 estate.

d. The chapter 7 estate would be unlikely to maximize value as compared to the asset monetization process contemplated by the Plan because potential buyers are likely to perceive a chapter 7 trustee as engaging in a quick, forced "fire sale" of assets; and

e. The Debtor's employees, who are vital to its efforts to maximum value and recoveries for stakeholders, may be unwilling to provide services to a chapter 7 trustee.

Finally, there is no evidence to support the objectors' argument that the Claimant Trust Agreement's disclaimed liability for ordinary negligence by the Claimant Trustee compared to a chapter 7 trustee's liability has any relevance to creditor recoveries in a hypothetical chapter 7 liquidation. Thus, section 1129(a)(7) of the Bankruptcy Code is satisfied.

53. **Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8)).** Classes 1, 3, 4, 5 and 6 are Unimpaired under the Plan. Class 2 (Frontier Secured Claim), Class 7 (Convenience Claims), and Class 9 (Subordinated Claims) have each voted to accept the Plan in accordance with the Bankruptcy Code, thereby satisfying section 1129(a)(8) as to those Classes. However, Class 8 (General Unsecured Claims), Class 10 (Class B/C Limited Partnership Interests), and Class 11 (Class A Limited Partnership Interests) have not accepted the Plan. Accordingly, section 1129(a)(8) of the Bankruptcy Code has not been satisfied. The Plan, however, is still confirmable because it satisfies the nonconsensual confirmation provisions of section 1129(b), as set forth below.

54. **Treatment of Administrative, Priority, Priority Tax Claims, and Professional Fee Claims (11 U.S.C. § 1129(a)(9)).** The treatment of Administrative Claims, Priority Claims, and Professional Fee Claims pursuant to Article III of the Plan, and as set forth below with respect to the resolution of the objections filed by the Internal Revenue Service and

certain Texas taxing authorities satisfies the requirements of sections 1129(a)(9) of the Bankruptcy Code.

55. **Acceptance by Impaired Class (11 U.S.C. § 1129(a)(10)).** Class 2 (Frontier Secured Claims) and Class 7 (Convenience Claims) are each Impaired Classes of Claims that voted to accept the Plan, determined without including any acceptance of the Plan by any insider. Therefore, the requirement of section 1129(a)(10) of the Bankruptcy Code is satisfied.

56. **Feasibility (11 U.S.C. § 1129(a)(11)).** Article IV of the Plan provides for the implementation of the Plan through the Claimant Trust, the Litigation Sub-Trust, and the Reorganized Debtor. The Plan provides that the Claimant Trust, among other things, will monetize and distribute the Debtor's remaining assets. The Disclosure Statement, the Amended Liquidation Analysis/Financial Projections, and the other evidence presented at the Confirmation Hearing provide a reasonable probability of success that the Debtor will be able to effectuate the provisions of the Plan. The Plan contemplates the establishment of the Claimant Trust upon the Effective Date, which will monetize the Estate's assets for the benefit of creditors. Mr. Seery testified that the Class 2 Frontier Secured Claim will be paid over time pursuant to the terms of the New Frontier Note and the Reorganized Debtor will have sufficient assets to satisfy its obligations under this note. The Claims of the Holders of Class 7 Claims (as well as those Class 8 creditors who validly opted to receive the treatment of Class 7 Claims) are expected to be satisfied shortly after the Effective Date. Holders of Class 8 Claims (including any holders of Class 7 Claims who opted to receive the treatment provided to Class 8 Claims) are not guaranteed any recovery and will

periodically receive pro rata distributions as assets are monetized pursuant to the Plan and the Claimant Trust Agreement. Thus, section 1129(a)(11) of the Bankruptcy Code is satisfied.

57. **Payment of Fees (11 U.S.C. § 1129(a)(12)).** All fees payable under 28 U.S.C. § 1930 have been paid or will be paid on or before the Effective Date pursuant to Article XII.A of the Plan, thus satisfying the requirement of section 1129(a)(12) of the Bankruptcy Code. The Debtor has agreed that the Reorganized Debtor, the Claimant Trust, and the Litigation Sub-Trust shall be jointly and severally liable for payment of quarterly fees to the Office of the United States Trustee pursuant to 28 U.S.C. § 1930 through the entry of the Final Decree for the Debtor or the dismissal or conversion of the Chapter 11 Case.

58. **Retiree Benefits.** The Plan provides for the assumption of the Pension Plan (to the extent such Pension Plan provides "retiree benefits" and is governed by section 1114 of the Bankruptcy Code). Thus, the Plan complies with section 1129(a)(13) of the Bankruptcy Code, to the extent applicable.

59. **Miscellaneous Provisions (11 U.S.C. §§ 1129(a)(14)-(16)).** Sections 1129(a)(14)-(16) of the Bankruptcy Code are inapplicable as the Debtor (i) has no domestic support obligations (section 1129(a)(14)), (ii) is not an individual (section 1129(a)(15)), and (iii) is not a nonprofit corporation (section 1129(a)(16)).

60. **No Unfair Discrimination; Fair and Equitable Treatment (11 U.S.C. § 1129(b)).** The classification and treatment of Claims and Equity Interests in Classes 8, 10 and 11, which have not accepted the Plan, is proper pursuant to section 1122 of the Bankruptcy Code, does

not discriminate unfairly, and is fair and equitable pursuant to section 1129(b)(1) of the Bankruptcy Code.

a. Class 8. The Plan is fair and equitable with respect to Class 8 General Unsecured Claims. While Equity Interests in Class 10 and Class 11 will receive a contingent interest in the Claimant Trust under the Plan (the "Contingent Interests"), the Contingent Interests will not vest unless and until holders of Class 8 General Unsecured Claims and Class 9 Subordinated Claims receive distributions equal to 100% of the amount of their Allowed Claims plus interest as provided under the Plan and Claimant Trust Agreement. Accordingly, as the holders of Equity Interests that are junior to the Claims in Class 8 and Class 9 will not receive or retain under the Plan on account of such junior claim interest any property unless and until the Claims in Class 8 and Class 9 are paid in full plus applicable interest, the Plan is fair and equitable with respect to holders of Class 8 General Unsecured Claims pursuant to section 1129(b)(2)(B) of the Bankruptcy Code and the reasoning of *In re Introgen Therapuetics* 429 B.R 570 (Bankr. W.D. Tex. 2010).

b. Class 10 and Class 11. There are no Claims or Equity Interests junior to the Equity Interests in Class 10 and Class 11. Equity Interests in Class 10 and 11 will neither receive nor retain any property under the Plan unless Allowed Claims in Class 8 and Class 9 are paid in full plus applicable interest pursuant to the terms of the Plan and Claimant Trust Agreement. Thus, the Plan does not violate the absolute priority rule with respect to Classes 10 and 11 pursuant to Bankruptcy Code section 1129(b)(2)(C). The Plan does not discriminate unfairly as to Equity Interests. As noted above, separate classification of the Class B/C Partnership Interests from the Class A Partnerships Interests is appropriate because they constitute different classes of equity security interests in the Debtor, and each are appropriately separately classified and treated.

Accordingly, the Plan does not violate the absolute priority rule, does not discriminate unfairly, and is fair and equitable with respect to each Class that has rejected the Plan. Thus, the Plan satisfies the requirements of section 1129(b) of the Bankruptcy Code with respect to Classes 8, 10, and 11.

61. **Only One Plan (11 U.S.C. § 1129(c)).** The Plan is the only chapter 11 plan confirmed in this Chapter 11 Case, and the requirements of section 1129(c) of the Bankruptcy Code are therefore satisfied.

62. **Principal Purpose (11 U.S.C. § 1129(d)).** Mr. Seery testified that the principal purpose of the Plan is neither the avoidance of taxes nor the avoidance of the application of section 5 of the Securities Act of 1933, and no governmental unit has objected to the confirmation of the Plan on any such grounds. Accordingly, section 1129(d) of the Bankruptcy Code is inapplicable.

63. **Satisfaction of Confirmation Requirements.** Based upon the foregoing, the Plan satisfies the requirements for confirmation set forth in section 1129 of the Bankruptcy Code and should be confirmed.

64. **Good Faith Solicitation (11 U.S.C. § 1125(e)).** The Debtor, the Independent Directors, and the Debtor's employees, advisors, Professionals, and agents have acted in good faith within the meaning of section 1125(e) of the Bankruptcy Code and in compliance with the applicable provisions of the Bankruptcy Code and Bankruptcy Rules in connection with all of their respective activities relating to the solicitation of acceptances of the Plan and their participation in the activities described in section 1125 of the Bankruptcy Code, and they are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code.

65. **Discharge (11 U.S.C. § 1141(d)(3))**. The Debtor is entitled to a discharge of debts pursuant to section 1141(d)(3)(B) of the Bankruptcy Code. Under the Plan, the Claimant Trust or Reorganized Debtor, as applicable, will continue to manage funds and conduct business

in the same manner as the Debtor did prior to Plan confirmation, which includes the management of the CLOs, Multi-Strat, Restoration Capital, the Select Fund and the Korea Fund. Although the Plan projects that it will take approximately two years to monetize the Debtor's assets for fair value, Mr. Seery testified that while the Reorganized Debtor and Claimant Trust will be monetizing their assets, there is no specified time frame by which this process must conclude. Mr. Seery's credible testimony demonstrates that the Debtor will continue to engage in business after consummation of the Plan, within the meaning of Section 1141(d)(3)(b) and that the Debtor is entitled to a discharge pursuant to section 1141(d)(1) of the Bankruptcy Code.

66. **Retention of Jurisdiction.** The Bankruptcy Court may properly retain jurisdiction over the matters set forth in Article XI of the Plan and/or section 1142 of the Bankruptcy Code to the maximum extent under applicable law.

67. **Additional Plan Provisions (11 U.S.C. § 1123(b)).** The Plan's provisions are appropriate, in the best interests of the Debtor and its Estate, and consistent with the applicable provisions of the Bankruptcy Code, Bankruptcy Rules, and Local Rules.

68. **Executory Contracts and Unexpired Leases (11 U.S.C. § 1123(b)(2)).** The Debtor has exercised reasonable business judgment with respect to the rejection of the Executory Contracts and Unexpired Leases pursuant the terms of the Plan and this Confirmation Order, and such rejections are justified and appropriate in this Chapter 11 Case. The Debtor also filed the List of Assumed Contracts, which contain notices to the applicable counterparties to the contracts set forth on Exhibit "FF" to Plan Supplement filed on February 1, 2021 [Docket No. 1875] and which exhibit sets forth the list of executory contracts and unexpired leases to be

assumed by the Debtor pursuant to the Plan (collectively, the "Assumed Contracts"). With respect to the Assumed Contracts, only one party objected to the assumption of any of the Assumed Contracts, but that objection was withdrawn.[8] Any modifications, amendments, supplements, and restatements to the Assumed Contracts that may have been executed by the Debtor during the Chapter 11 Case shall not be deemed to alter the prepetition nature of the Assumed Contracts or the validity, priority, or amount of any Claims that may arise in connection therewith. Assumption of any Assumed Contract pursuant to the Plan and full payment of any applicable Cure pursuant to the Plan shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption.

69. **Compromises and Settlements Under and in Connection with the Plan (11 U.S.C. § 1123(b)(3)).** All of the settlements and compromises pursuant to and in connection with the Plan, comply with the requirements of section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019.

70. **Debtor Release, Exculpation and Injunctions (11 U.S.C. § 1123(b)).** The Debtor Release, Exculpation, and Injunction provisions provided in the Plan (i) are within the jurisdiction of the Bankruptcy Court under 28 U.S.C. § 1334; (ii) are integral elements of the transactions incorporated into the Plan, and inextricably bound with the other provisions of the Plan; (iii) confer material benefit on, and are in the best interests of, the Debtor, its Estate, and its

[8] *See Notice of Withdrawal of James Dondero's Objection Debtor's Proposed Assumption of Contracts and Cure Amounts Proposed in Connection Therewith* [Docket No. 1876]

creditors; (iv) are fair, equitable, and reasonable; (v) are given and made after due notice and opportunity for hearing; (vi) satisfy the requirements of Bankruptcy Rule 9019; and (vii) are consistent with the Bankruptcy Code and other applicable law, and as set forth below.

71. **Debtor Release.** Section IX.D of the Plan provides for the Debtor's release of the Debtor's and Estate's claims against the Released Parties. Releases by a debtor are discretionary and can be provided by a debtor to persons who have provided consideration to the Debtor and its estate pursuant to section 1123(b)(3)(A) of the Bankruptcy Code. Contrary to the objections raised by Mr. Dondero and certain of the Dondero Related Entities, the Debtor Release is appropriately limited to release claims held by the Debtor and does not purport to release the claims held by the Claimant Trust, Litigation Sub-Trust, or other third parties. The Plan does not purport to release any claims held by third parties and the Bankruptcy Court finds that the Debtor Release is not a "disguised" release of any third party claims as asserted by certain objecting parties. The limited scope of the Debtor Release in the Plan was extensively negotiated with the Committee, particularly with the respect to the Debtor's conditional release of claims against employees, as identified in the Plan, and the Plan's conditions and terms of such releases. The Plan does not release (i) any obligations of any party under the Plan or any document, instrument, or agreement executed to implement the Plan, (ii) the rights or obligations of any current employee of the Debtor under any employment agreement or plan, (iii) the rights of the Debtor with respect to any confidentiality provisions or covenants restricting competition in favor of the Debtor under any employment agreement with a current or former employee of the Debtor, (iv) any Avoidance Actions, or (v) any Causes of Action arising from willful misconduct, criminal misconduct, actual

fraud, or gross negligence of such applicable Released Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction. The Debtor Release also contains conditions to such releases as set forth in Article X.D of the Plan with respect to employees (the "Release Conditions"). Until the an employee satisfies the Release Conditions or the Release Conditions otherwise terminate, any claims against such employee will be tolled so that if the Release Conditions are not met the Litigation Trustee may pursue claims against an employee at a later date. The evidence before the Bankruptcy Court, including, but not limited to Mr. Seery's testimony, demonstrates that the Debtor is not aware of any claims against any of the Released Parties, that the Released Parties have been instrumental in assisting the Debtor's efforts toward confirmation of the Plan and that, therefore, the releases are a *quid pro quo* for the Released Parties' significant contributions to a highly complex and contentious restructuring. The Committee, whose members hold approximately $200 million in claims against the Estate, is highly sophisticated and is represented by highly sophisticated professionals, and has actively and vigorously negotiated the terms of the Debtor Release, which was the subject of significant controversy at the Initial Disclosure Statement hearing held by the Bankruptcy Court on October 27, 2020.

72. **Exculpation.** Section IX.C of the Plan provides for the exculpation of certain Exculpated Parties to the extent provided therein (the "Exculpation Provision"). As explained below, the Exculpation Provision is appropriate under the unique circumstances of this litigious Chapter 11 Case and consistent with applicable Fifth Circuit precedent. First, with respect to the Independent Directors, their agents, and their advisors, including any employees acting at

their direction, the Bankruptcy Court finds and concludes that it has already exculpated these parties for acts other than willful misconduct and gross negligence pursuant to the January 9 Order. The January 9 Order was specifically agreed to by Mr. Dondero, who was in control of the Debtor up until entry of the January 9 Order. The January 9 Order was not appealed. In addition to the appointment of the Independent Directors in an already contentious and litigious case, the January 9 Order set the standard of care for the Independent Directors and specifically exculpated them for negligence. Mr. Seery and Mr. Dubel each testified that they had input into the contents of the January 9 Order and would not have agreed to their appointment as Independent Directors if the January 9 Order did not include the protections set forth in paragraph 10 of the January 9 Order. Paragraph 10 of the January 9 Order (1) requires that parties wishing to sue the Independent Directors or their agents and advisors must first seek approval from the Bankruptcy Court before doing so; (2) sets the standard of care for the Independent Directors during the Chapter 11 Case and exculpated the Independent Directors for acts other than willful misconduct or gross negligence; (3) only permits suits against the Independent Directors to proceed for colorable claims of willful misconduct and gross negligence upon order of the Bankruptcy Court; and (4) does not expire by its terms.

73. **Existing Exculpation of Independent Directors.** The Bankruptcy Court also finds and concludes that it has already exculpated Mr. Seery acting in the capacity as Chief Executive Officer and Chief Restructuring Officer pursuant to the July 16 Order. The Bankruptcy Court concludes its previous approval of the exculpation of the Independent Directors, their agents, advisors and employees working at their direction pursuant to the January 9 Order, and the Chief

Executive Officer and Chief Restructuring Officer pursuant to the July 16 Order constitutes the law of this case and are *res judicata* pursuant to *In re Republic Supply Co. v. Shoaf*, 815 F.2d 1046 (5th Cir.1987). The January 9 Order and July 16 Order cannot be collaterally attacked based on the objectors' objection to the exculpation of the Independent Directors, their agents, and advisors, including any employees acting at their direction, as well as the Chief Executive Officer and Chief Restructuring Officer, that the Bankruptcy Court already approved pursuant to the January 9 Order and the July 16 Order.

74. **The Exculpation Provision Complies with Applicable Law.** Separate and apart from the *res judicata* effect of the January 9 Order and the July 16 Order, the Bankruptcy Court also finds and concludes that the Exculpation Provision is consistent with applicable law, including *In re Pacific Lumber Co*., 584 F.3d 229 (5th Cir. 2009), for several reasons:

a. First, the statutory basis for *Pacific Lumber*'s denial of exculpation for certain parties other than a creditors' committee and its members is that section 524(e) of the Bankruptcy Code "only releases the debtor, not co-liable third parties." *Pacific Lumber*, 253 F.3d. at 253. However, *Pacific Lumber* does not prohibit all exculpations under the Bankruptcy Code and the court in such case specifically approved the exculpations of a creditors' committee and its members on the grounds that "11 U.S.C. § 1103(c), which lists the creditors' committee's powers, implies committee members have qualified immunity for actions within the scope of their duties…. [I]f members of the committee can be sued by persons unhappy with the committee's performance during the case or unhappy with the outcome of the case, it will be extremely difficult to find members to serve on an official committee." *Pacific Lumber*, 253 F.3d at 253 (quoting Lawrence P. King, et al, Collier on Bankruptcy, ¶ 1103.05[4][b] (15th Ed. 2008]). *Pacific Lumber's* rationale for permitted exculpation of creditors' committees and their members (which was clearly policy-based and based on a creditors' committee qualified immunity flowing from their duties under section 1103(c) of the Bankruptcy Code and their disinterestedness and importance in chapter 11 cases) does not preclude exculpation to other parties in a particular chapter 11 case that perform similar roles to a creditors' committee and its members. The Independent Directors, and by extension the Chief Executive Officer and Chief Restructuring Officer, were not

part of the Debtor's enterprise prior to their appointment by the Bankruptcy Court under the January 9 Order. The Bankruptcy Court appointed the Independent Directors in lieu of a chapter 11 trustee to address what the Bankruptcy Court perceived as serious conflicts of interest and fiduciary duty concerns with the then-existing management prior to January 9, 2020, as identified by the Committee. In addition, the Bankruptcy Court finds that the Independent Directors expected to be exculpated from claims of negligence, and would likely have been unwilling to serve in contentious cases absent exculpation. The uncontroverted testimony of Mr. Seery and Mr. Dubel demonstrates that the Independent Directors would not have agreed to accept their roles without the exculpation and gatekeeper provision in the January 9 Order. Mr. Dubel also testified as to the increasing important role that independent directors are playing in complex chapter 11 restructurings and that unless independent directors could be assured of exculpation for simple negligence in contentious bankruptcy cases they would be reluctant to accept appointment in chapter 11 cases which would adversely affect the chapter 11 restructuring process. The Bankruptcy Court concludes that the Independent Directors were appointed under the January 9 Order in order to avoid the appointment of a chapter 11 trustee and are analogous to a creditors' committee rather than an incumbent board of directors. The Bankruptcy Court also concludes that if independent directors cannot be assured of exculpation for simple negligence in contentious bankruptcy cases, they may not be willing to serve in that capacity. Based upon the foregoing, the Bankruptcy Court concludes that *Pacific Lumber's* policy of exculpating creditors' committees and their members from "being sued by persons unhappy with the committee's performance during the case or unhappy with the outcome of the case" is applicable to the Independent Directors in this Chapter 11 Case.[9]

b. Second, the Bankruptcy Court also concludes that *Pacific Lumber* does not preclude the exculpation of parties if there is a showing that "costs [that] the released parties might incur defending against such suits alleging such negligence are likely to swamp either the Exculpated Parties or the reorganization." *Pacific Lumbe*r, 584 F.3d at 252. If ever there was a risk of that happening in a chapter 11 reorganization, it is this one. Mr. Seery credibly testified that Mr. Dondero stated outside the courtroom that if Mr. Dondero's pot plan does not get approved, that Mr. Dondero will "burn the place down." The Bankruptcy Court can easily expect that the proposed Exculpated Parties might expect to incur costs that could swamp them and the reorganization based on the prior litigious conduct of Mr. Dondero and his controlled entities that justify their inclusion in the Exculpation Provision.

[9] The same reasoning applies to the inclusion of Strand in the Exculpation Provision because Strand is the general partner of the Debtor through which each of the Independent Board members act.

75. **Injunction.** Section IX.D of the Plan provides for a Plan inunction to implement and enforce the Plan's release, discharge and release provisions (the "Injunction Provision"). The Injunction Provision is necessary to implement the provisions in the Plan. Mr. Seery testified that the Claimant Trustee will monetize the Debtor's assets in order to maximize their value. In order to accomplish this goal, the Claimant Trustee needs to be able to pursue this objective without the interference and harassment of Mr. Dondero and his related entities, including the Dondero Related Entities. Mr. Seery also testified that if the Claimant Trust was subject to interference by Mr. Dondero, it would take additional time to monetize the Debtor's assets and those assets could be monetized for less money to the detriment of the Debtor's creditors. The Bankruptcy Court finds and concludes that the Injunction Provision is consistent with and permissible under Bankruptcy Code sections 1123(a), 1123(a)(6), 1141(a) and (c), and 1142. The Bankruptcy Court rejects assertions by certain objecting parties that the Injunction Provision constitutes a "third-party release." The Injunction Provision is appropriate under the circumstances of this Chapter 11 Case and complies with applicable bankruptcy law. The Bankruptcy Court also concludes that the terms "implementation" and "consummation" are neither vague nor ambiguous

76. **Gatekeeper Provision**. Section IX.F of the Plan contains a provision contained in paragraph AA of this Confirmation Order and which the Debtor has referred to as a gatekeeper provision (the "Gatekeeper Provision"). The Gatekeeper Provision requires that Enjoined Parties first seek approval of the Bankruptcy Court before they may commence an action against Protected Parties. Thereafter, if the Bankruptcy Court determines that the action is

colorable, the Bankruptcy Court may, if it has jurisdiction, adjudicate the action. The Bankruptcy Court finds that the inclusion of the Gatekeeper Provision is critical to the effective and efficient administration, implementation, and consummation of the Plan. The Bankruptcy Court also concludes that the Bankruptcy Court has the statutory authority as set forth below to approve the Gatekeeper Provision.

77. **Factual Support for Gatekeeper Provision.** The facts supporting the need for the Gatekeeper Provision are as follows. As discussed earlier in this Confirmation Order, prior to the commencement of the Debtor's bankruptcy case, and while under the direction of Mr. Dondero, the Debtor had been involved in a myriad of litigation, some of which had gone on for years and, in some cases, over a decade. Substantially all of the creditors in this case are either parties who were engaged in litigation with the Debtor, parties who represented the Debtor in connection with such litigation and had not been paid, or trade creditors who provided litigation-related services to the Debtor. During the last several months, Mr. Dondero and the Dondero Related Entities have harassed the Debtor, which has resulted in further substantial, costly, and time-consuming litigation for the Debtor. Such litigation includes: (i) entry of a temporary restraining order and preliminary injunction against Mr. Dondero [Adv. Proc. No. 20-03190 Docket No. 10 and 59] because of, among other things, his harassment of Mr. Seery and employees and interference with the Debtor's business operations; (ii) a contempt motion against Mr. Dondero for violation of the temporary restraining order, which motion is still pending before the Bankruptcy Court [Adv. Proc. No. 20-03190 Docket No. 48]; (iii) a motion by Mr. Dondero's controlled investors in certain CLOs managed by the Debtor that the Bankruptcy Court referred to

as frivolous and a waste of the Bankruptcy Court's time [Docket No. 1528] which was denied by the Court [Docket No. 1605]; (iv) multiple plan confirmation objections focused on ensuring the Dondero Related Entities be able to continue their litigation against the Debtor and its successors post-confirmation [Docket Nos. 1661, 1667, 1670, 1673, 1676, 1677 and 1868]; (v) objections to the approval of the Debtor's settlements with Acis and HarbourVest and subsequent appeals of the Bankruptcy Court's order approving each of those settlements [Docket Nos. 1347 and 1870]; and (vi) a complaint and injunction sought against Mr. Dondero's affiliated entities to prevent them from violating the January 9 Order and entry of a restraining order against those entities [Adv Proc. No. 21-03000 Docket No 1] (collectively, the "Dondero Post-Petition Litigation").

78. **Findings Regarding Dondero Post-Petition Litigation.** The Bankruptcy Court finds that the Dondero Post-Petition Litigation was a result of Mr. Dondero failing to obtain creditor support for his plan proposal and consistent with his comments, as set forth in Mr. Seery's credible testimony, that if Mr. Dondero's plan proposal was not accepted, he would "burn down the place." The Bankruptcy Court concludes that without appropriate protections in place, in the form of the Gatekeeper Provision, Mr. Dondero and his related entities will likely commence litigation against the Protected Parties after the Effective Date and do so in jurisdictions other than the Bankruptcy Court in an effort to obtain a forum which Mr. Dondero perceives will be more hospitable to his claims. The Bankruptcy Court also finds, based upon Mr. Seery's testimony, that the threat of continued litigation by Mr, Dondero and his related entities after the Effective Date will impede efforts by the Claimant Trust to monetize assets for the benefit of creditors and result

in lower distributions to creditors because of costs and distraction such litigation or the threats of such litigation would cause.

79. **Necessity of Gatekeeper Provision.** The Bankruptcy Court further finds that unless the Bankruptcy Court approves the Gatekeeper Provision, the Claimant Trustee and the Claimant Trust Oversight Board will not be able to obtain D&O insurance, the absence of which will present unacceptable risks to parties currently willing to serve in such roles. The Bankruptcy Court heard testimony from Mark Tauber, a Vice President with AON Financial Services, the Debtor's insurance broker ("AON"), regarding his efforts to obtain D&O insurance. Mr. Tauber credibly testified that of all the insurance carriers that AON approached to provide D&O insurance coverage after the Effective Date, the only one willing to do so without an exclusion for claims asserted by Mr. Dondero and his affiliates otherwise requires that this Order approve the Gatekeeper Provision. Based on the foregoing, the Bankruptcy Court finds that the Gatekeeper Provision is necessary and appropriate in light of the history of the continued litigiousness of Mr. Dondero and his related entities in this Chapter 11 Case and necessary to the effective and efficient administration, implementation and consummation of the Plan and is appropriate pursuant to *Carroll v. Abide (In re Carroll)* 850 F.3d 811 (5th Cir. 2017). Approval of the Gatekeeper Provision will prevent baseless litigation designed merely to harass the post-confirmation entities charged with monetizing the Debtor's assets for the benefit of its economic constituents, will avoid abuse of the court system and preempt the use of judicial time that properly could be used to consider the meritorious claims of other litigants. Any suit against a Protected Party would effectively be a suit against the Debtor, and the Debtor may be required to indemnify the Protected

Parties under the Limited Partnership Agreement, which will remain in effect through the Effective Date, or those certain *Indemnification and Guaranty Agreements*, dated January 9, 2020, between Strand, the Debtor, and each Independent Director, following the Confirmation Date as each such agreement will be assumed pursuant to 11 U.S.C. § 365 pursuant to the Plan.

80. **Statutory Authority to Approve Gatekeeper Provision.** The Bankruptcy Court finds it has the statutory authority to approve the Gatekeeper Provision under sections 1123(a)(5), 1123(b)(6), 1141, 1142(b), and 105(a). The Gatekeeper Provision is also within the spirit of the Supreme Court's "Barton Doctrine." *Barton v. Barbour,* 104 U.S. 126 (1881). The Gatekeeper Provision is also consistent with the notion of a prefiling injunction to deter vexatious litigants, that has been approved by the Fifth Circuit in such cases as *Baum v. Blue Moon Ventures, LLC*, 513 F.3d 181, 189 (5th Cir. 2008), and *In re Carroll,* 850 F.3d 811 (5th Cir. 2017).

81. **Jurisdiction to Implement Gatekeeper Provision.** The Bankruptcy Court finds that it will have jurisdiction after the Effective Date to implement the Gatekeeper Provision as post-confirmation bankruptcy court jurisdiction has been interpreted by the Fifth Circuit under *United States Brass Corp. v. Travelers Ins. Group, Inc. (In re United States Brass Corp.)*, 301 F.3d 296 (5th Cir. 2002) and *EOP-Colonnade of Dallas Ltd. P'Ship v. Faulkner (In re Stonebridge Techs., Inc.)*, 430 F.3d 260 (5th Cir. 2005). Based upon the rationale of the Fifth Circuit in *Villegas v. Schmidt*, 788 F.3d 156, 158-59 (5th Cir. 2015), the Bankruptcy Court's jurisdiction to act as a gatekeeper does not violate *Stern v. Marshall.* The Bankruptcy Court's determination of whether

a claim is colorable, which the Bankruptcy Court has jurisdiction to determine, is distinct from whether the Bankruptcy Court would have jurisdiction to adjudicate any claim it finds colorable.

82. **Resolution of Objections of Scott Ellington and Isaac Leventon**. Each of Scott Ellington ("Mr. Ellington") and Isaac Leventon ("Mr. Leventon") (each, a "Senior Employee Claimant") has asserted certain claims for liquidated but unpaid bonus amounts for the following periods: 2016, 2017, and 2018, as set forth in Exhibit A to that certain *Senior Employees' Limited Objection to Debtor's Fifth Amended Plan of Reorganization* [Docket No. 1669] (the "Senior Employees' Objection") (for each of Mr. Ellington and Mr. Leventon, the "Liquidated Bonus Claims").

a. Mr. Ellington has asserted Liquidated Bonus Claims in the aggregate amount of $1,367,197.00, and Mr. Leventon has asserted Liquidated Bonus Claims in the aggregate amount of $598,198.00. Mr. Ellington received two Ballots[10] – a Ballot for Class 7 of the Plan and a Ballot for Class 8 of the Plan. Mr. Ellington completed and timely returned both of such Ballots, voted to reject the Plan, and elected to have his Class 8 Liquidated Bonus Claims treated under Class 7 of the Plan, subject to the objections and reservations of rights set forth in the Senior Employees' Objection. If Mr. Ellington is permitted to elect Class 7 treatment for his Liquidated Bonus Claims, then the maximum amount of his Liquidated Bonus Claims will be $1,000,000.

b. Mr. Leventon received two Ballots—a Ballot for Class 7 of the Plan and a Ballot for Class 8 of the Plan. Mr. Leventon completed and timely returned both of such Ballots and voted each such Ballots to rejected the Plan.

c. The Senior Employees' Objection, among other things, objects to the Plan on the grounds that the Debtor improperly disputes the right of Mr. Ellington to elect Class 7 treatment for his Liquidated Bonus Claims and Mr. Leventon's entitlement to receive Class 7 Convenience Class treatment for his Liquidated Bonus Claims. The Debtor contended that neither Mr. Ellington or Mr. Leventon were entitled to elect to receive Class 7 Convenience Class treatment on account of their Liquidated

[10] As defined in the Plan, "Ballot" means the forms(s) distributed to holders of Impaired Claims or Equity Interests entitled to vote on the Plan on which to indicate their acceptance or rejection of the Plan.

Bonus Claims under the terms of the Plan, the Disclosure Statement Order or applicable law.

d. The Debtor and Mr. Ellington and Mr. Leventon negotiated at arms' length in an effort to resolve all issues raised in the Senior Employee's Objection, including whether or not Mr. Ellington and Mr. Leventon were entitled to Class 7 Convenience Class treatment of their Liquidated Bonus Claims. As a result of such negotiation, the Debtor, Mr. Ellington, and Mr. Leventon have agreed to the settlement described in paragraphs 82(e) through 82(k) below and approved and effectuated pursuant to decretal paragraphs RR through SS (the "Senior Employees' Settlement").

e. Under the terms of the Senior Employees' Settlement, the Debtor has the right to elect one of two treatments of the Liquidated Bonus Claims for a Senior Employee Claimant. Under the first treatment option ("Option A"), the Liquidated Bonus Claims will be entitled to be treated in Class 7 of the Plan, and the Liquidated Bonus Claims will be entitled to receive payment in an amount equal to 70.125% of the Class 7 amount of the Liquidated Bonus Claims, subject to the Liquidated Bonus Claims becoming Allowed Claims under the terms of the Plan. Under this calculation, Mr. Ellington would be entitled to receive $701,250.00 on account of his Class 7 Convenience Class Claim when and as Allowed under the Plan, and Mr. Leventon would be entitled to receive $413,175.10 on account of his Class 7 Convenience Class Claim when and as Allowed under the Plan. If, however, any party in interest objects to the allowance of the Senior Employee Claimant's Liquidated Bonus Claims and does not prevail in such objection, then such Senior Employee Claimant will be entitled to a payment in an amount equal to 85% of his Allowed Liquidated Bonus Claims (subject, in the case of Mr. Ellington, to the cap imposed on Class 7 Claims). In addition, under Option A, each of Mr. Ellington and Mr. Leventon would retain their respective rights to assert that the Liquidated Bonus Claims are entitled to be treated as Administrative Expense Claims, as defined in Article I.B.2. of the Plan, in which case the holder of such Liquidated Bonus Claims would be entitled to payment in full of the Allowed Liquidated Bonus Claims. Under Option A, parties in interest would retain the right to object to any motion seeking payment of the Liquidated Bonus Amounts as Administrative Expenses.

f. Under the second treatment option ("Option B"), the Debtor would agree that the Senior Employee Claimant has Allowed Liquidated Bonus Claims, no longer subject to objection by any party in interest, in the amounts of the Liquidated Bonus Claims (subject, in the case of Mr. Ellington, to the cap imposed by Class 7). If the Debtor elects Option B as to a Senior Employee Claimant, then such Senior Employee Claimant would be entitled to a payment on account of his Allowed Liquidated Bonus Claims in an amount equal to 60% of the amount of the

Liquidated Bonus Claims (which, in Mr. Ellington's case, would be $600,000 and in Mr. Leventon's case, would be $358,918.80), and such payment would be the sole recovery on account of such Allowed Liquidated Bonus Claims.

g. The Debtor may, with the consent of the Committee, elect Option B with respect to a Senior Employee Claimant at any time prior to the occurrence of the Effective Date. If the Debtor does not make an election, then Option A will apply.

h. Under either Option A or Option B, Mr. Ellington and Mr. Leventon will retain all their rights with respect to all Claims other than the Liquidated Bonus Amounts, including, but not limited to, their Class 6 PTO Claims, other claims asserted as Class 8 General Unsecured Claims, the Senior Employees' claims for indemnification against the Debtor, and any other claims that they may assert constitute Administrative Expense Claims, and any other such Claims are subject to the rights of any party in interest to object to such Claims, and the Debtor reserves any all of its rights and defenses in connection therewith.

i. Subject to entry of this Confirmation Order and as set forth and announced on the record at the hearing on confirmation of the Plan and no party objecting thereto, Mr. Ellington and Mr. Leventon agreed to change the votes in their respective Ballots from rejection to acceptance of the Plan and to withdraw the Senior Employees' Objection.

j. The Senior Employees' Settlement represents a valid exercise of the Debtor's business judgment and satisfies the requirements for a compromise under Bankruptcy Rule 9019(a).

k. For the avoidance of doubt, neither Mr. Leventon nor Mr. Ellington shall be a Released Party under the Plan regardless of how the Senior Employee Claimants' Claims are to be treated hereunder.

Based upon the foregoing findings, and upon the record made before the Bankruptcy Court at the Confirmation Hearing, and good and sufficient cause appearing therefor, it is hereby

**ORDERED, ADJUDGED AND DECREED THAT:**

**A. Confirmation of the Plan.** The Plan is approved in its entirety and **CONFIRMED** under section 1129 of the Bankruptcy Code. The terms of the Plan, including the

sufficient notice thereof. Accordingly, pursuant to section 1127(a) of the Bankruptcy Code and Bankruptcy Rule 3019, the Plan Modifications and the Plan Supplements do not require additional disclosure under section 1125 of the Bankruptcy Code or resolicitation of votes under section 1126 of the Bankruptcy Code, nor do they require that Holders of Claims or Equity Interests be afforded an opportunity to change previously cast acceptances or rejections of the Plan. The Plan Modifications and the Plan Supplements constitute the Plan pursuant to section 1127(a) of the Bankruptcy Code. Accordingly, the Plan, as modified, is properly before the Bankruptcy Court and all votes cast with respect to the Plan prior to such modification shall be binding and shall apply with respect to the Plan.

**E. Deemed Acceptance of Plan.** In accordance with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, all Holders of Claims and Equity Interests who voted to accept the Plan (or whom are conclusively presumed to accept the Plan) are deemed to have accepted the Plan as modified by the Plan Modifications. No holder of a Claim shall be permitted to change its vote as a consequence of the Plan Modifications.

**F. Vesting of Assets in the Reorganized Debtor.** Except as otherwise provided in the Plan or this Confirmation Order, on or after the Effective Date, all Reorganized Debtor Assets will vest in the Reorganized Debtor, free and clear of all Liens, Claims, charges or other encumbrances pursuant to section 1141(c) of the Bankruptcy Code, except with respect to such Liens, Claims, charges, and other encumbrances that are specifically preserved under the Plan upon the Effective Date. The Reorganized Debtor shall be the exclusive trustee of the Reorganized Debtor Assets for purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the

representative of the Estate appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code with respect to the Reorganized Debtor Assets.

**G. Effectiveness of All Actions.** All actions contemplated by the Plan, including all actions in connection with the Claimant Trust Agreement, the Senior Employee Stipulation, the New GP LLC Documents, the New Frontier Note, the Reorganized Limited Partnership Agreement, the Litigation Sub-Trust Agreement, and the other Plan Documents, are authorized to be taken on, prior to, or after the Effective Date, as applicable, under this Confirmation Order, without further application to or order of the Bankruptcy Court, or further action by the directors, managers, officers or partners of the Debtor or the Reorganized Debtor and with the effect that such actions had been taken by unanimous action of such parties.

**H. Restructuring Transactions.** The Debtor or Reorganized Debtor, as applicable, are authorized to enter into and effectuate the Restructuring provided under the Plan, including, without limitation, the entry into and consummation of the transactions contemplated by the Claimant Trust Agreement, the Senior Employee Stipulation, the New GP LLC Documents, the New Frontier Note, the Reorganized Limited Partnership Agreement, the Litigation Sub-Trust Agreement, and the other Plan Documents, and may take any actions as may be necessary or appropriate to effect a corporate restructuring of its business or a corporate restructuring of the overall corporate structure of the Reorganized Debtor, as and to the extent provided in the Plan. Any transfers of assets or equity interests effected or any obligations incurred through the Restructuring pursuant to the Plan are hereby approved and shall not constitute fraudulent conveyances or fraudulent transfers or otherwise be subject to avoidance.

**I. Preservation of Causes of Action.** Unless a Cause of Action against a Holder of a Claim or an Equity Interest or other Entity is expressly waived, relinquished, released, compromised or settled in the Plan or any Final Order (including, without limitation, this Confirmation Order), such Cause of Action is expressly reserved for later adjudication by the Reorganized Debtor, the Litigation Sub-Trust, or the Claimant Trust, as applicable (including, without limitation, Causes of Action not specifically identified or of which the Debtor may presently be unaware or that may arise or exist by reason of additional facts or circumstances unknown to the Debtor at this time or facts or circumstances that may change or be different from those the Debtor now believes to exist) and, therefore, no preclusion doctrine, including, without limitation, the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches will apply to such Causes of Action as a consequence of the confirmation, effectiveness, or consummation of the Plan based on the Disclosure Statement, the Plan, or this Confirmation Order, except where such Causes of Action have been expressly released in the Plan or any other Final Order (including, without limitation, this Confirmation Order). In addition, the right of the Reorganized Debtor, the Claimant Trust, or the Litigation Sub-Trust to pursue or adopt any claims alleged in any lawsuit in which the Debtor is a plaintiff, defendant or an interested party, against any Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits, is expressly reserved.

**J. Independent Board of Directors of Strand.** The terms of the current Independent Directors shall expire on the Effective Date without the need for any further or other action by any of the Independent Directors. For avoidance of doubt, the Assumed Contracts

include the *Indemnification and Guaranty Agreement between Highland Capital Management, Strand Advisors, Inc. and James Seery*; the *Indemnification and Guaranty Agreement between Highland Capital Management, Strand Advisors, Inc. and John Dubel* and *Indemnification and Guaranty Agreement between Highland Capital Management, Strand Advisors, Inc. and Russell Nelms* and shall each remain in full force and effect notwithstanding the expiration of the terms of any Independent Directors.

**K. Cancellation of Equity Interests and Issuance of New Partnership Interests.** On the Effective Date, all Class A Limited Partnership Interests, including the Class A Limited Partnership Interests held by Strand, as general partner, and Class B/C Limited Partnerships in the Debtor will be deemed cancelled, and all obligations or debts owed by, or Claims against, the Debtor on account of, or based upon, such Class A Limited Partnership Interests and Class B/C Limited Partnership Interests shall be deemed as cancelled, released, and discharged, including all obligations or duties by the Debtor relating to the Equity Interests in any of the Debtor's formation documents, including the Limited Partnership Agreement. As of the Effective Date and pursuant to the Plan, new Class A Limited Partnership Interests in the Reorganized Debtor will be issued to the Claimant Trust and New GP LLC. The Claimant Trust, as limited partner, will ratify New GP LLC's appointment as general partner of the Reorganized Debtor, and on and following the Effective Date, the Claimant Trust will be the Reorganized Debtor's limited partner and New GP LLC will be its general partner. The Claimant Trust, as limited partner, and New GP LLC, as general partner, will execute the Reorganized Limited Partnership Agreement, which will amend and restate, in all respects, the Debtor's current Limited

Partnership Agreement. Following the Effective Date, the Reorganized Debtor will be managed consistent with the terms of the Reorganized Limited Partnership Agreement by New GP LLC. The sole managing member of New GP LLC will be the Claimant Trust, and the Claimant Trustee will be the sole officer of New GP LLC on the Effective Date.

**L. Transfer of Assets to Claimant Trust.** On or prior to the Effective Date, the Debtor shall irrevocably transfer and shall be deemed to have irrevocably transferred to the Claimant Trust all of its rights, title, and interest in and to all of the Claimant Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, the Claimant Trust Assets shall automatically vest in the Claimant Trust free and clear of all Claims, Liens, encumbrances, or interests subject only to the Claimant Trust Interests and the Claimant Trust Expenses, as provided for in the Claimant Trust Agreement, and such transfer shall be exempt from any stamp, real estate transfer, mortgage from any stamp, transfer, reporting, sales, use, or other similar tax. Following the Effective Date, the Claimant Trust will administer the Claimant Trust Assets pursuant to the Plan and the Claimant Trust Agreement.

**M. Transfer of Estate Claims to Litigation Sub-Trust**. On or prior to the Effective Date, the Claimant Trust shall irrevocably transfer and shall be deemed to have irrevocably transferred to the Litigation Sub-Trust all of the Claimant Trust's rights, title, and interest in and to all of the Estate Claims as successor in interest to the Debtor, and in accordance with section 1141 of the Bankruptcy Code, the Estate Claims shall automatically vest in the Litigation Sub-Trust free and clear of all Claims, Liens, encumbrances, or interests subject only to the Litigation Sub-Trust Interests and Litigation Sub-Trust Expenses. The Litigation Trustee will

be authorized to investigate, pursue, and otherwise resolve the Estate Claims pursuant to the terms of the Litigation Sub-Trust Agreement and the Plan, including as successor in interest to the Debtor or Committee, as applicable, in any litigation commenced prior to the Effective Date in which Estate Claims are asserted.

**N. Compromise of Controversies.** In consideration for the distributions and other benefits, including releases, provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all Claims, Equity Interests, and controversies resolved under the Plan and the entry of this Confirmation Order constitutes approval of such compromise and settlement under Bankruptcy Rule 9019.

**O. Objections to Claims**. The Claims Objection Deadline shall be the date that is 180 days after the Effective Date, *provided, however*, that the Claims Objection Deadline may be extended by the Bankruptcy Court upon a motion by the Claimant Trustee and as otherwise provided under the Plan.

**P. Assumption of Contracts and Leases.** Effective as of the date of this Confirmation Order, each of the Assumed Contacts shall be assumed by the Debtor without the need for any further notice to or action, order, or approval of the Bankruptcy Court, under section 365 of the Bankruptcy Code and the payment of Cures, if any, shall be paid in accordance with the Plan. Each Assumed Contract shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to any of the

Assumed Contracts that have been executed by the Debtor during the Chapter 11 Case shall not be deemed to alter the prepetition nature of such Assumed Contracts or the validity, priority, or amount of any Claims that may arise in connection therewith. Assumption of the Assumed Contracts pursuant to Article V.A of the Plan and full payment of any applicable Cure pursuant to the Plan shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition, or other bankruptcy-related defaults, arising under any Assumed Contracts.

**Q. Rejection of Contracts and Leases.** Unless previously assumed during the pendency of the Chapter 11 Case or pursuant to the Plan, all other Executory Contracts and Unexpired Leases are rejected as of the date of the entry of this Confirmation Order and pursuant to the terms of the Plan. To the extent that any party asserts any damages resulting from the rejection of any Executory Contract or Unexpired Lease, such claim must be filed within **thirty (30) days** following entry of this Confirmation Order, or such claim will be forever barred and disallowed against the Reorganized Debtor.

**R. Assumption of Issuer Executory Contracts.** On the Confirmation Date, the Debtor will assume the agreements set forth on **Exhibit B** hereto (collectively, the "Issuer Executory Contracts") pursuant to section 365 of the Bankruptcy Code and Article V of the Plan. In full and complete satisfaction of its obligation to cure outstanding defaults under section 365(b)(1) of the Bankruptcy Code, the Debtor or, as applicable, any successor manager under the

Issuer Executory Contracts (collectively, the "Portfolio Manager") will pay to the Issuers[12] a cumulative amount of $525,000 (the "Cure Amount") as follows:

a. $200,000 in cash on the date that is five business days from the Effective Date, with such payment paid directly to Schulte Roth & Zabel LLP ("SRZ") in the amount of $85,714.29, Jones Walker LLP ("JW") in the amount of $72,380.95, and Maples Group ("Maples" and collectively with SRZ and JW, the "Issuers' Counsel") in the amount of $41,904.76 as reimbursement for the attorney's fees and other legal expenses incurred by the Issuers in connection with the Debtor's bankruptcy case; and

b. $325,000 in four equal quarterly payments of $81,250.00 (each, a "Payment"), which amounts shall be paid to SRZ in the amount of $34,821.43, JW in the amount of $29,404.76, and Maples in the amount of $17,023.81 as additional reimbursement for the attorney's fees and other legal expenses incurred by the Issuers in connection with the Debtor's bankruptcy case (i) from any management fees actually paid to the Portfolio Manager under the Issuer Executory Contracts (the "Management Fees"), and (ii) on the date(s) Management Fees are required to be paid under the Issuer Executory Contracts (the "Payment Dates"), and such obligation shall be considered an irrevocable direction from the Debtor and the Bankruptcy Court to the relevant CLO Trustee to pay, on each Payment Date, the Payment to Issuers' Counsel, allocated in the proportion set forth in such agreement; *provided, however,* that (x) if the Management Fees are insufficient to make any Payment in full on a Payment Date, such shortfall, in addition to any other amounts due hereunder, shall be paid out of the Management Fees owed on the following Payment Date, and (y) nothing herein shall limit either Debtor's liability to pay the amounts set forth herein, nor the recourse of the Issuers or Issuers' Counsel to the Debtor, in the event of any failure to make any Payment.

**S. Release of Issuer Claims.** Effective as of the Confirmation Date, and to the maximum extent permitted by law, each Issuer on behalf of itself and each of its current and former advisors, trustees, directors, officers, managers, members, partners, employees, beneficiaries, shareholders, agents, participants, subsidiaries, parents, successors, designees, and

[12] The "Issuers" are: Brentwood CLO, Ltd., Gleneagles CLO, Ltd., Greenbriar CLO, Ltd., Highland CLO 2018-1, Ltd., Highland Legacy Limited, Highland Loan Funding V Ltd., Highland Park CDO I, Ltd., Pam Capital Funding LP, Rockwall CDO II Ltd., Rockwall CDO Ltd., Southfork CLO Ltd., Stratford CLO Ltd., Westchester CLO, Ltd., Aberdeen Loan Funding, Ltd., Eastland CLO, Ltd., Grayson CLO, Ltd., Highland Credit Opportunities CDO Ltd., Jasper CLO, Ltd., Liberty Cayman Holdings, Ltd., Liberty CLO, Ltd., Red River CLO, Ltd., Valhalla CLO, Ltd.

assigns hereby forever, finally, fully, unconditionally, and completely releases, relieves, acquits, remises, and exonerates, and covenants never to sue, (i) the Debtor and (ii) the Professionals retained by the Debtor and the Committee in the Chapter 11 Case, the Independent Directors, the CEO/CRO, and with respect to the Persons listed in this subsection (ii), such Person's Related Persons (collectively, the "Debtor Released Parties"), for and from any and all claims, debts, liabilities, demands, obligations, promises, acts, agreements, liens, losses, costs and expenses (including, without limitation, attorney's fees and related costs), damages, injuries, suits, actions, and causes of action of whatever kind or nature, whether known or unknown, suspected or unsuspected, matured or unmatured, liquidated or unliquidated, contingent or fixed, at law or in equity, statutory or otherwise, including, without limitation, any claims, defenses, and affirmative defenses, whether known or unknown, including, without limitation, those which were or could have been asserted in, in connection with, or with respect to the Bankruptcy Case (collectively, the "Issuer Released Claims").

**T. Release of Debtor Claims against Issuer Released Parties.** Upon entry of this Order, and to the maximum extent permitted by law, the Debtor hereby forever, finally, fully, unconditionally, and completely releases, relieves, acquits, remises, and exonerates, and covenants never to sue [(i) each Issuer and (ii) Wendy Ebanks, (iii) Yun Zheng, (iv) Laura Chisholm, (v) Mora Goddard, (vi) Stacy Bodden, (vii) Suzan Merren (viii) Scott Dakers, (ix) Samit Ghosh, (x) Inderjit Singh, (xi) Ellen Christian, (xii) Andrew Dean, (xiii) Betsy Mortel, (xiv) David Hogan, (xv) Cleveland Stewart, (xvi) Rachael Rankin, (xvii) Otelia Scott, (xviii) Martin Couch, (xx) Ferona Bartley-Davis, (xxi) Charlotte Cloete, (xxii) Christina McLean, (xxiii) Karen Ellerbe,

(xxiv) Gennie Kay Bigord, (xxv) Evert Brunekreef, (xxvii) Evan Charles Burtton (collectively, the "Issuer Released Parties"),] for and from any and all claims, debts, liabilities, demands, obligations, promises, acts, agreements, liens, losses, costs and expenses (including, without limitation, attorney's fees and related costs), damages, injuries, suits, actions, and causes of action of whatever kind or nature, whether known or unknown, suspected or unsuspected, matured or unmatured, liquidated or unliquidated, contingent or fixed, at law or in equity, statutory or otherwise, including, without limitation, any claims, defenses, and affirmative defenses, whether known or unknown, which were or could have been asserted in, in connection with, or with respect to the Bankruptcy Case (collectively, the "Debtor Released Claims"); *provided, however,* that notwithstanding anything herein to the contrary, the release contained herein will apply to the Issuer Released Parties set forth in subsection (ii) above only with respect to Debtor Released Claims arising from or relating to the Issuer Executory Contracts. Notwithstanding anything in this Order to the contrary, the releases set forth in paragraphs S and T hereof will not apply with respect to the duties, rights, or obligations of the Debtor or any Issuer hereunder.

**U. Authorization to Consummate.** The Debtor is authorized to consummate the Plan after the entry of this Confirmation Order subject to satisfaction or waiver of the conditions precedent to the Effective Date of the Plan set forth in Article VIII.A of the Plan. The Plan shall not become effective unless and until the conditions set forth in Article VIII.A of the Plan have been satisfied, or otherwise waived pursuant to Article VIII.B of the Plan.

**V. Professional Compensation.** All requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Effective Date

must be filed no **later than sixty (60) days after the Effective Date**. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and an opportunity for hearing in accordance with the procedures established by the Bankruptcy Code and the Bankruptcy Court. The Debtor shall fund the Professional Fee Reserve as provided under the Plan. The Reorganized Debtor shall pay Professional Fee Claims in Cash in the amounts the Bankruptcy Court allows. The ad valorem property taxes for tax year 2020 shall be paid in accordance with and to the extent required under

applicable nonbankruptcy law. In the event the 2020 taxes are paid after February 1, 2021, the Tax Authorities may assert any rights and amounts they claim are owed with respect to penalties and interest that have accrued through the date of payment and the Debtor and Reorganized Debtor reserve any all rights and defenses in connection therewith.

The Tax Authorities shall not be required to file and serve an administrative expense claim and request for payment as a condition of allowance of their administrative expense claims pursuant to 11 U.S.C. Section 503(b)(1)(D). With regard to year 2019 ad valorem property taxes, the Tax Authorities will receive payment of their prepetition claims within 30 days of the Effective Date of the Plan. The payment will include interest from the Petition Date through the Effective Date and from the Effective Date through payment in full at the state statutory rate pursuant to 11 U.S.C. Sections 506(b), 511, and 1129, if applicable, subject to all of the Debtor's and Reorganized Debtor's rights and defenses in connection therewith. Notwithstanding any other provision in the Plan, the Tax Authorities shall (i) retain the liens that secure all prepetition and postpetition amounts ultimately owed to them, if any, as well as (ii) the state law priority of those liens until the claims are paid in full.

b. The Tax Authorities' prepetition claims and their administrative expense claims shall not be discharged until such time as the amounts owed are paid in full. In the event of a default asserted by the Taxing Authorities, the Tax Authorities shall provide notice Debtor or Reorganized Debtor, as applicable, and may demand cure of any such asserted default. Subject to all of its rights and defenses, the Debtor or Reorganized Debtor shall have fifteen (15) days from the date of the notice to cure the default. If the alleged default is not cured, the Tax Authorities may exercise any of their respective rights under applicable law and pursue collection of all amounts owed pursuant to state law outside of the Bankruptcy Court, subject in all respects to the Debtor's and Reorganized Debtor's applicable rights and defenses. The Debtor/Reorganized Debtor shall be entitled to any notices of default required under applicable nonbankruptcy law and each of the Taxing Authorities, the Debtor and the Reorganized Debtor reserve any and all of their respective rights and defenses in connection therewith. The Debtor's and Reorganized Debtor's rights and defenses under Texas Law and the Bankruptcy Code with respect to this provision of the Confirmation Order, including their right to dispute or object to the Tax Authorities' Claims and liens, are fully preserved.

The Debtor may, only with the consent of the Committee, elect Option B for a Senior Employee Claimant by written notice to such Senior Employee Claimant on or before the occurrence of the Effective Date. If the Debtor does not elect Option B, then Option A will govern the treatment of the Liquidated Bonus Claims.

a. Notwithstanding any language in the Plan, the Disclosure Statement, or this Confirmation Order to the contrary, if Option A applies to the Liquidated Bonus Claims of a Senior Employee Claimant, then the Liquidated Bonus Claims of such Senior Employee Claimant will receive the treatment described in paragraph 82(e) hereof, and if the Debtor timely elects Option B with respect to the Liquidated Bonus Claims of a Senior Employee Claimant, then the Liquidated Bonus Claims of such Senior Employee will receive the treatment described in paragraph 82(f) hereof.

b. The Senior Employees' Settlement is hereby approved, without prejudice to the respective rights of Mr. Ellington and Mr. Leventon to assert all their remaining Claims against the Debtor's estate, including, but not limited to, their Class 6 PTO Claims, their remaining Class 8 General Unsecured Claims, any indemnification claims, and any Administrative Expense Claims that they may assert and is without prejudice to the rights of any party in interest to object to any such Claims.

Resolution of Objection of Internal Revenue Service.** Notwithstanding any other provision or term of the Plan or Confirmation Order, the following Default Provision shall control as to the United States of America, Internal Revenue Service ("IRS") and all of its claims, including any administrative claim (the "IRS Claim"):

(a) Notwithstanding any other provision in the Plan, if the Debtor, the Reorganized Debtor, or any successor in interest fails to pay when due any payment required to be made on federal taxes, the IRS Claim, or other payment required to be made to the IRS under the terms and provisions of this Plan, the Confirmation Order, or the Internal Revenue Code (26 U.S.C.), or fails to timely file any required federal tax return, or if any other event of default as set forth in the Plan occurs, the IRS shall be entitled to give the Debtor, the Reorganized Debtor and/or any successor in interest and their counsel of record, by United States Certified Mail, written notice of the failure and/or default with demand that it be cured, and if the failure and/or default is not cured within 14 days of the date of said notice and demand, then the following shall apply to the IRS:

The Internal Revenue Service may take such actions as it deems necessary to assess any liability that may be due and owing by the responsible persons of the Debtor, the Reorganized Debtor and/or any successor in interest to the Internal Revenue Service.

(e) Nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, claims, causes of action, rights of setoff or recoupment, rights to appeal tax assessments, or other legal or equitable defenses that the Debtor or Reorganized Debtor have under non-bankruptcy law in connection with any claim, liability or cause of action of the United States and its agency the Internal Revenue Service.

IRS Proof of Claim.** Notwithstanding anything in the Plan or in this Confirmation Order, until all required tax returns are filed with and processed by the IRS, the IRS's proof of claim will not be deemed fixed for purposes of Section 502 of the Bankruptcy Code and may be amended in order to reflect the IRS' assessment of the Debtor's unpaid priority and general unsecured taxes, penalties and interest.

**VV. CLO Holdco, Ltd. Settlement** Notwithstanding anything contained herein to the contrary, nothing in this Order is or is intended to supersede the rights and obligations of either the Debtor or CLO Holdco contained in that certain *Settlement Agreement between CLO Holdco, Ltd., and Highland Capital Management, L.P., dated January 25,2021* [Docket No. 1838-1] (the "CLOH Settlement Agreement"). ## ARTICLE IV.
## MEANS FOR IMPLEMENTATION OF THIS PLAN

### A. Summary

As discussed in the Disclosure Statement, the Plan will be implemented through (i) the Claimant Trust, (ii) the Litigation Sub-Trust, and (iii) the Reorganized Debtor.

On the Effective Date, all Class A Limited Partnership Interests, including the Class A Limited Partnership Interests held by Strand, as general partner, and Class B/C Limited Partnerships in the Debtor will be cancelled, and new Class A Limited Partnership Interests in the Reorganized Debtor will be issued to the Claimant Trust and New GP LLC – a newly-chartered limited liability company wholly-owned by the Claimant Trust. The Claimant Trust, as limited

partner, will ratify New GP LLC's appointment as general partner of the Reorganized Debtor, and on and following the Effective Date, the Claimant Trust will be the Reorganized Debtor's limited partner and New GP LLC will be its general partner. The Claimant Trust, as limited partner, and New GP LLC, as general partner, will execute the Reorganized Limited Partnership Agreement, which will amend and restate, in all respects, the Debtor's current Limited Partnership Agreement. Following the Effective Date, the Reorganized Debtor will be managed consistent with the terms of the Reorganized Limited Partnership Agreement by New GP LLC. The sole managing member of New GP LLC will be the Claimant Trust, and the Claimant Trustee will be the sole officer of New GP LLC on the Effective Date.

Following the Effective Date, the Claimant Trust will administer the Claimant Trust Assets pursuant to this Plan and the Claimant Trust Agreement, and the Litigation Trustee will pursue, if applicable, the Estate Claims pursuant to the terms of the Litigation Sub-Trust Agreement and the Plan. The Reorganized Debtor will administer the Reorganized Debtor Assets and, if needed, with the utilization of a Sub-Servicer, which administration will include, among other things, managing the wind down of the Managed Funds.

Although the Reorganized Debtor will manage the wind down of the Managed Funds, it is currently anticipated that neither the Reorganized Debtor nor the Claimant Trust will assume or assume and assign the contracts between the Debtor and certain Related Entities pursuant to which the Debtor provides shared services and sub-advisory services to those Related Entities. The Debtor believes that the continued provision of the services under such contracts will not be cost effective.

The Reorganized Debtor will distribute all proceeds from the wind down to the Claimant Trust, as its limited partner, and New GP LLC, as its general partner, in each case in accordance with the Reorganized Limited Partnership Agreement. Such proceeds, along with the proceeds of the Claimant Trust Assets, will ultimately be distributed to the Claimant Trust Beneficiaries as set forth in this Plan and the Claimant Trust Agreement.

The Claimant Trust Agreement generally will provide for, among other things:

(ii) the payment of other reasonable expenses of the Claimant Trust;

Except as otherwise ordered by the Bankruptcy Court, the Claimant Trust Expenses shall be paid from the Claimant Trust Assets in accordance with the Plan and Claimant Trust Agreement. The Claimant Trustee may establish a reserve for the payment of Claimant Trust Expense (including, without limitation, any reserve for potential indemnification claims as authorized and provided under the Claimant Trust Agreement), and shall periodically replenish such reserve, as necessary.

In furtherance of, and consistent with the purpose of, the Claimant Trust and the Plan, the Trustees, for the benefit of the Claimant Trust, shall, subject to reporting and oversight by the Claimant Trust Oversight Committee as set forth in the Claimant Trust Agreement: (i) hold the Claimant Trust Assets for the benefit of the Claimant Trust Beneficiaries, (ii) make Distributions to the Claimant Trust Beneficiaries as provided herein and in the Claimant Trust Agreement, and (iii) have the sole power and authority to prosecute and resolve any Causes of Action and objections to Claims and Equity Interests (other than those assigned to the Litigation Sub-Trust), without approval of the Bankruptcy Court. The Claimant Trust Agreement and Litigation Sub-Trust Agreement may include reasonable and customary provisions that allow for indemnification by the Claimant Trust in favor of the Claimant Trustee, Litigation Trustee, and the Claimant Trust Oversight Committee. Any such indemnification shall be the sole responsibility of the Claimant Trust and payable solely from the Claimant Trust Assets.

6. *Compensation and Duties of Trustees.*

The salient terms of each Trustee's employment, including such Trustee's duties and compensation shall be set forth in the Claimant Trust Agreement and the Litigation Sub-Trust Agreement, as appropriate. The Trustees shall each be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar types of bankruptcy cases.

7. *Cooperation of Debtor and Reorganized Debtor.*

To effectively investigate, prosecute, compromise and/or settle the Claims and/or Causes of Action that constitute Claimant Trust Assets (including Estate Claims), the Claimant Trustee, Litigation Trustee, and each of their professionals may require reasonable access to the Debtor's and Reorganized Debtor's documents, information, and work product relating to the Claimant Trust Assets. Accordingly, the Debtor and the Reorganized Debtor, as applicable, shall reasonably cooperate with the Claimant Trustee and Litigation Trustee, as applicable, in their prosecution of Causes of Action and in providing the Claimant Trustee and Litigation Trustee with copies of documents and information in the Debtor's possession, custody, or control on the Effective Date that either Trustee indicates relates to the Estate Claims or other Causes of Action.

8. *United States Federal Income Tax Treatment of the Claimant Trust.*

Unless the IRS requires otherwise, for all United States federal income tax purposes, the parties shall treat the transfer of the Claimant Trust Assets to the Claimant Trust as: (a) a transfer

of the Claimant Trust Assets (other than the amounts set aside in the Disputed Claims Reserve, if the Claimant Trustee makes the election described in Section 7 below) directly to the applicable Claimant Trust Beneficiaries followed by (b) the transfer by the such Claimant Trust Beneficiaries to the Claimant Trust of such Claimant Trust Assets in exchange for the Claimant Trust Interests. Accordingly, the applicable Claimant Trust Beneficiaries shall be treated for United States federal income tax purposes as the grantors and owners of their respective share of the Claimant Trust Assets. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

9. *Tax Reporting.*

(a) The Claimant Trustee shall file tax returns for the Claimant Trust treating the Claimant Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a). 14. *Dissolution of the Claimant Trust and Litigation Sub-Trust.*

The Trustees and the Claimant Trust and Litigation Sub-Trust shall be discharged or dissolved, as the case may be, at such time as: (a) the Litigation Trustee determines that the pursuit of Estate Claims is not likely to yield sufficient additional proceeds to justify further pursuit of such Estate Claims, (b) the Claimant Trustee determines that the pursuit of Causes of Action (other than Estate Claims) is not likely to yield sufficient additional proceeds to justify further pursuit of such Causes of Action, (c) the Clamant Trustee determines that the pursuit of sales of other Claimant Trust Assets is not likely to yield sufficient additional proceeds to justify further pursuit of such sales of Claimant Trust Assets, (d) all objections to Disputed Claims and Equity Interests are fully resolved, (e) the Reorganized Debtor is dissolved, and (f) all Distributions required to be made by the Claimant Trustee to the Claimant Trust Beneficiaries under the Plan have been made, but in no event shall the Claimant Trust be dissolved later than three years from the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such third anniversary (and, in the event of further extension, by order of the Bankruptcy Court, upon motion made at least six months before the end of the preceding extension), determines that a fixed period extension (not to exceed two years, together with any prior extensions, without a favorable letter ruling from the Internal Revenue Service or an opinion of counsel that any further extension would not adversely affect the status of the Claimant Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on, and liquidation of, the Claimant Trust Assets; *provided, however,* that each extension must be approved, upon a finding that the extension is necessary to facilitate or complete the recovery on, and liquidation of the Claimant Trust Assets, by the Bankruptcy Court within 6 months of the beginning of the extended term and

no extension, together with any prior extensions, shall exceed three years without a favorable letter ruling from the Internal Revenue Service or an opinion of counsel that any further extension would not adversely affect the status of the Claimant Trust as a liquidating trust for federal income tax purposes.

Upon dissolution of the Claimant Trust, and pursuant to the Claimant Trust Agreement, any remaining Claimant Trust Assets that exceed the amounts required to be paid under the Plan will be transferred (in the sole discretion of the Claimant Trustee) in Cash or in-kind to the Holders of the Claimant Trust Interests as provided in the Claimant Trust Agreement.

## ARTICLE V.
## TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

### A. Assumption, Assignment, or Rejection of Executory Contracts and Unexpired Leases

Unless an Executory Contract or Unexpired Lease: (i) was previously assumed or rejected by the Debtor pursuant to this Plan on or prior to the Confirmation Date; (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto; (iii) is the subject of a motion to assume filed by the Debtor on or before the Confirmation Date; (iv) contains a change of control or similar provision that would be triggered by the Chapter 11 Case (unless such provision has been irrevocably waived); or (v) is specifically designated as a contract or lease to be assumed in the Plan or the Plan Supplement, on the Confirmation Date, each Executory Contract and Unexpired Lease shall be deemed rejected pursuant to section 365 of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, unless such Executory Contract or Unexpired Lease is listed in the Plan Supplement.

At any time on or prior to the Confirmation Date, the Debtor may (i) amend the Plan Supplement in order to add or remove a contract or lease from the list of contracts to be assumed or (ii) assign (subject to applicable law) any Executory Contract or Unexpired Lease, as determined by the Debtor in consultation with the Committee, or the Reorganized Debtor, as applicable.

The Confirmation Order will constitute an order of the Bankruptcy Court approving the above-described assumptions, rejections, and assumptions and assignments. Except as otherwise provided herein or agreed to by the Debtor and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtor during the Chapter 11 Case shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith. To the extent applicable, no change of control (or similar provision) will be deemed to occur under any such Executory Contract or Unexpired Lease.

If certain, but not all, of a contract counterparty's Executory Contracts and/or Unexpired Leases are rejected pursuant to the Plan, the Confirmation Order shall be a determination that such counterparty's Executory Contracts and/or Unexpired Leases that are being assumed pursuant to the Plan are severable agreements that are not integrated with those Executory Contracts and/or Unexpired Leases that are being rejected pursuant to the Plan. Parties seeking to contest this finding with respect to their Executory Contracts and/or Unexpired Leases must file a timely objection to the Plan on the grounds that their agreements are integrated and not severable, and any such dispute shall be resolved by the Bankruptcy Court at the Confirmation Hearing (to the extent not resolved by the parties prior to the Confirmation Hearing).

Notwithstanding anything herein to the contrary, the Debtor shall assume or reject that certain real property lease with Crescent TC Investors L.P. Rejection Claims shall be classified as General Unsecured Claims and shall be treated in accordance with ARTICLE III of this Plan.

**C. Cure of Defaults for Assumed or Assigned Executory Contracts and Unexpired Leases**

Any monetary amounts by which any Executory Contract or Unexpired Lease to be assumed or assigned hereunder is in default shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Debtor upon assumption or assignment thereof, by payment of the default amount in Cash as and when due in the ordinary course or on such other terms as the parties to such Executory Contracts may otherwise agree. The Debtor may serve a notice on the Committee and parties to Executory Contracts or Unexpired Leases to be assumed or assigned reflecting the Debtor's or Reorganized Debtor's intention to assume or assign the Executory Contract or Unexpired Lease in connection with this Plan and setting forth the proposed cure amount (if any).

If a dispute regarding (1) the amount of any payments to cure a default, (2) the ability of the Debtor, the Reorganized Debtor, or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed or assigned or (3) any other matter pertaining to assumption or assignment, the cure payments required by section 365(b)(1) of the Bankruptcy Code will be made following the entry of a Final Order or orders resolving the dispute and approving the assumption or assignment.

Assumption or assignment of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise and full payment of any applicable cure amounts pursuant to this ARTICLE V.C shall result in the full release and satisfaction of any cure amounts, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed or assigned Executory Contract or Unexpired Lease at any time prior to the effective date of assumption or assignment. ## ARTICLE VI.
## PROVISIONS GOVERNING DISTRIBUTIONS

### A. Dates of Distributions

Except as otherwise provided in this Plan, on the Effective Date or as soon as reasonably practicable thereafter (or if a Claim is not an Allowed Claim or Equity Interest on the Effective Date, on the date that such Claim or Equity Interest becomes an Allowed Claim or Equity Interest, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Equity Interest against the Debtor shall receive the full amount of the distributions that this Plan provides for Allowed Claims or Allowed Equity Interests in the applicable Class and in the manner provided herein. If any payment or act under this Plan is required to be made or performed on a date that is not on a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent there are Disputed Claims or Equity Interests, distributions on account of any such Disputed Claims or Equity Interests shall be made pursuant to the provisions provided in this Plan. Except as otherwise provided in this Plan, Holders of Claims and Equity Interests shall not be entitled to interest, dividends or accruals on the distributions provided for therein, regardless of whether distributions are delivered on or at any time after the Effective Date.

Upon the Effective Date, all Claims and Equity Interests against the Debtor shall be deemed fixed and adjusted pursuant to this Plan and none of the Debtor, the Reorganized Debtor, or the Claimant Trust will have liability on account of any Claims or Equity Interests except as set forth in this Plan and in the Confirmation Order. All payments and all distributions made by the Distribution Agent under this Plan shall be in full and final satisfaction, settlement and release of all Claims and Equity Interests against the Debtor and the Reorganized Debtor.

At the close of business on the Distribution Record Date, the transfer ledgers for the Claims against the Debtor and the Equity Interests in the Debtor shall be closed, and there shall be no further changes in the record holders of such Claims and Equity Interests. The Debtor, the Reorganized Debtor, the Trustees, and the Distribution Agent, and each of their respective agents, successors, and assigns shall have no obligation to recognize the transfer of any Claims against the Debtor or Equity Interests in the Debtor occurring after the Distribution Record Date and shall be entitled instead to recognize and deal for all purposes hereunder with only those record holders stated on the transfer ledgers as of the close of business on the Distribution Record Date irrespective of the number of distributions to be made under this Plan to such Persons or the date of such distributions.

### B. Distribution Agent

Except as provided herein, all distributions under this Plan shall be made by the Claimant Trustee, as Distribution Agent, or by such other Entity designated by the Claimant Trustee, as a Distribution Agent on the Effective Date or thereafter. The Reorganized Debtor will be the Distribution Agent with respect to Claims in Class 1 through Class 7.

The Claimant Trustee, or such other Entity designated by the Claimant Trustee to be the Distribution Agent, shall not be required to give any bond or surety or other security for the performance of such Distribution Agent's duties unless otherwise ordered by the Bankruptcy Court.

The Distribution Agent shall be empowered to (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to this Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions hereof.

The Distribution Agent shall not have any obligation to make a particular distribution to a specific Holder of an Allowed Claim if such Holder is also the Holder of a Disputed Claim.

**C. Cash Distributions**

Distributions of Cash may be made by wire transfer from a domestic bank, except that Cash payments made to foreign creditors may be made in such funds and by such means as the Distribution Agent determines are necessary or customary in a particular foreign jurisdiction.

**D. Disputed Claims Reserve**

On or prior to the Initial Distribution Date, the Claimant Trustee shall establish, fund and maintain the Disputed Claims Reserve(s) in the appropriate Disputed Claims Reserve Amounts on account of any Disputed Claims.

**E. Distributions from the Disputed Claims Reserve**

The Disputed Claims Reserve shall at all times hold Cash in an amount no less than the Disputed Claims Reserve Amount. To the extent a Disputed Claim becomes an Allowed Claim pursuant to the terms of this Plan, within 30 days of the date on which such Disputed Claim becomes an Allowed Claim pursuant to the terms of this Plan, the Claimant Trustee shall distribute from the Disputed Claims Reserve to the Holder thereof any prior distributions, in Cash, that would have been made to such Allowed Claim if it had been Allowed as of the Effective Date. For the avoidance of doubt, each Holder of a Disputed Claim that subsequently becomes an Allowed Claim will also receive its Pro Rata share of the Claimant Trust Interests. If, upon the resolution of all Disputed Claims any Cash remains in the Disputed Claims Reserve, such Cash shall be transferred to the Claimant Trust and be deemed a Claimant Trust Asset.

**F. Rounding of Payments**

Whenever this Plan would otherwise call for, with respect to a particular Person, payment of a fraction of a dollar, the actual payment or distribution shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded down. To the extent that Cash to be distributed under this Plan remains undistributed as a result of the aforementioned rounding, such Cash or stock shall be treated as "Unclaimed Property" under this Plan.

**G. *De Minimis* Distribution**

Except as to any Allowed Claim that is Unimpaired under this Plan, none of the Debtor, the Reorganized Debtor, or the Distribution Agent shall have any obligation to make any Plan Distributions with a value of less than $100, unless a written request therefor is received by the Distribution Agent from the relevant recipient at the addresses set forth in ARTICLE VI.J hereof within 120 days after the later of the (i) Effective Date and (ii) the date such Claim becomes an Allowed Claim. *De minimis* distributions for which no such request is timely received shall revert to the Claimant Trust. Upon such reversion, the relevant Allowed Claim (and any Claim on account of missed distributions) shall be automatically deemed satisfied, discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

**H. Distributions on Account of Allowed Claims**

Except as otherwise agreed by the Holder of a particular Claim or as provided in this Plan, all distributions shall be made pursuant to the terms of this Plan and the Confirmation Order. Except as otherwise provided in this Plan, distributions to any Holder of an Allowed Claim shall, to the extent applicable, be allocated first to the principal amount of any such Allowed Claim, as determined for U.S. federal income tax purposes and then, to the extent the consideration exceeds such amount, to the remainder of such Claim comprising accrued but unpaid interest, if any (but solely to the extent that interest is an allowable portion of such Allowed Claim).

**I. General Distribution Procedures**

The Distribution Agent shall make all distributions of Cash or other property required under this Plan, unless this Plan specifically provides otherwise. All Cash and other property held by the Debtor, the Reorganized Debtor, or the Claimant Trust, as applicable, for ultimate distribution under this Plan shall not be subject to any claim by any Person.

**J. Address for Delivery of Distributions**

Distributions to Holders of Allowed Claims, to the extent provided for under this Plan, shall be made (1) at the addresses set forth in any written notices of address change delivered to the Debtor and the Distribution Agent; (2) at the address set forth on any Proofs of Claim Filed by such Holders (to the extent such Proofs of Claim are Filed in the Chapter 11 Case), (2), or (3) at the addresses in the Debtor's books and records.

If there is any conflict or discrepancy between the addresses set forth in (1) through (3) in the foregoing sentence, then (i) the address in Section (2) shall control; (ii) if (2) does not apply, the address in (1) shall control, and (iii) if (1) does not apply, the address in (3) shall control.

**K. Undeliverable Distributions and Unclaimed Property**

If the distribution to the Holder of any Allowed Claim is returned to the Reorganized Debtor or the Claimant Trust as undeliverable, no further distribution shall be made to such Holder, and Distribution Agent shall not have any obligation to make any further distribution to the Holder, unless and until the Distribution Agent is notified in writing of such Holder's then current address.

Any Entity that fails to claim any Cash within six months from the date upon which a distribution is first made to such Entity shall forfeit all rights to any distribution under this Plan and such Cash shall thereafter be deemed an Claimant Trust Asset in all respects and for all purposes. Entities that fail to claim Cash shall forfeit their rights thereto and shall have no claim whatsoever against the Debtor's Estate, the Reorganized Debtor, the Claimant Trust, or against any Holder of an Allowed Claim to whom distributions are made by the Distribution Agent.

**L. Withholding Taxes**

In connection with this Plan, to the extent applicable, the Distribution Agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to this Plan shall be subject to such withholding and reporting requirements. The Distribution Agent shall be entitled to deduct any U.S. federal, state or local withholding taxes from any Cash payments made with respect to Allowed Claims, as appropriate. As a condition to receiving any distribution under this Plan, the Distribution Agent may require that the Holder of an Allowed Claim entitled to receive a distribution pursuant to this Plan provide such Holder's taxpayer identification number and such other information and certification as may be deemed necessary for the Distribution Agent to comply with applicable tax reporting and withholding laws. If a Holder fails to comply with such a request within one year, such distribution shall be deemed an unclaimed distribution. Any amounts withheld pursuant hereto shall be deemed to have been distributed to and received by the applicable recipient for all purposes of this Plan.

**M. Setoffs**

The Distribution Agent may, to the extent permitted under applicable law, set off against any Allowed Claim and any distributions to be made pursuant to this Plan on account of such Allowed Claim, the claims, rights and causes of action of any nature that the Debtor, the Reorganized Debtor, or the Distribution Agent may hold against the Holder of such Allowed Claim that are not otherwise waived, released or compromised in accordance with this Plan; *provided, however*, that neither such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor, the Reorganized Debtor, or the Claimant Trustee of any such claims, rights and causes of action that the Debtor, the Reorganized Debtor, or Claimant Trustee possesses against such Holder. Any Holder of an Allowed Claim subject to such setoff reserves the right to challenge any such setoff in the Bankruptcy Court or any other court with jurisdiction with respect to such challenge.

**N. Surrender of Cancelled Instruments or Securities**

As a condition precedent to receiving any distribution pursuant to this Plan on account of an Allowed Claim evidenced by negotiable instruments, securities, or notes canceled pursuant to ARTICLE IV of this Plan, the Holder of such Claim will tender the applicable negotiable instruments, securities, or notes evidencing such Claim (or a sworn affidavit identifying the negotiable instruments, securities, or notes formerly held by such Holder and certifying that they have been lost), to the Distribution Agent unless waived in writing by the Distribution Agent.

**O. Lost, Stolen, Mutilated or Destroyed Securities**

In addition to any requirements under any applicable agreement and applicable law, any Holder of a Claim or Equity Interest evidenced by a security or note that has been lost, stolen, mutilated, or destroyed will, in lieu of surrendering such security or note to the extent required by this Plan, deliver to the Distribution Agent: (i) evidence reasonably satisfactory to the Distribution Agent of such loss, theft, mutilation, or destruction; and (ii) such security or indemnity as may be required by the Distribution Agent to hold such party harmless from any damages, liabilities, or costs incurred in treating such individual as a Holder of an Allowed Claim or Equity Interest. Upon compliance with ARTICLE VI.O of this Plan as determined by the Distribution Agent, by a Holder of a Claim evidenced by a security or note, such Holder will, for all purposes under this Plan, be deemed to have surrendered such security or note to the Distribution Agent.

## ARTICLE VII.

**C. Procedures Regarding Disputed Claims or Disputed Equity Interests**

All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Claims or Equity Interests may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court. The rights and objections of all parties are reserved in connection with any such estimation proceeding.

By executing the Senior Employee Stipulation embodying this release, each Senior Employee acknowledges and agrees, without limitation, to the terms of this release and the tolling agreement contained in the Senior Employee Stipulation.

The provisions of this release and the execution of a Senior Employee Stipulation will not in any way prevent or limit any Employee from (i) prosecuting its Claims, if any, against the Debtor's Estate, (ii) defending him or herself against any claims or causes of action brought against the Employee by a third party, or (iii) assisting other persons in defending themselves from any Estate Claims brought by the Litigation Trustee (but only with respect to Estate Claims brought by the Litigation Trustee and not collection or other actions brought by the Claimant Trustee).

## ARTICLE II.
## ESTABLISHMENT OF THE CLAIMANT TRUST

2.1 Creation of Name of Trust.

(a) The Claimant Trust is hereby created as a statutory trust under the Delaware Statutory Trust Act and shall be called the "Highland Claimant Trust." The Claimant Trustee shall be empowered to conduct all business and hold all property constituting the Claimant Trust Assets in such name in accordance with the terms and conditions set forth herein.

(b) The Trustees shall cause to be executed and filed in the office of the Secretary of State of the State of Delaware the Certificate of Trust and agree to execute, acting solely in their capacity as Trustees, such certificates as may from time to time be required under the Delaware Statutory Trust Act or any other Delaware law.

2.2 Objectives.

(a) The Claimant Trust is established for the purpose of satisfying Allowed General Unsecured Claims and Allowed Subordinated Claims (and only to the extent provided herein, Allowed Class A Limited Partnership Interests and Class B/C Limited Partnership Interests) under the Plan, by monetizing the Claimant Trust Assets transferred to it and making distributions to the Claimant Trust Beneficiaries. The Claimant Trust shall not continue or engage in any trade or business except to the extent reasonably necessary to monetize and distribute the Claimant Trust Assets consistent with this Agreement and the Plan and act as sole member and manager of New GP LLC. The Claimant Trust shall provide a mechanism for (i) the monetization of the Claimant Trust Assets and (ii) the distribution of the proceeds thereof, net of all claims, expenses, charges, liabilities, and obligations of the Claimant Trust, to the Claimant Trust Beneficiaries in accordance with the Plan. In furtherance of this distribution objective, the Claimant Trust will, from time to time, prosecute and resolve objections to certain Claims and Interests as provided herein and in the Plan.

(b) It is intended that the Claimant Trust be classified for federal income tax purposes as a "liquidating trust" within the meaning of section 301.7701-4(d) of the Treasury Regulations. In furtherance of this objective, the Claimant Trustee shall, in his business judgment,

make continuing best efforts to (i) dispose of or monetize the Claimant Trust Assets and resolve Claims, (ii) make timely distributions, and (iii) not unduly prolong the duration of the Claimant Trust, in each case in accordance with this Agreement.

2.3 Nature and Purposes of the Claimant Trust.

(a) The Claimant Trust is organized and established as a trust for the purpose of monetizing the Claimant Trust Assets and making distributions to Claimant Trust Beneficiaries in a manner consistent with "liquidating trust" status under Treasury Regulation Section 301.7701-4(d). The Claimant Trust shall retain all rights to commence and pursue all Causes of Action of the Debtor other than (i) Estate Claims, which shall be assigned to and commenced and pursued by the Litigation Trustee pursuant to the terms of the Litigation Sub-Trust Agreement, and (ii) Causes of Action constituting Reorganized Debtor Assets, if any, which shall be commenced and pursued by the Reorganized Debtor at the direction of the Claimant Trust as sole member of New GP LLC pursuant to the terms of the Reorganized Limited Partnership Agreement. The Claimant Trust and Claimant Trustee shall have and retain, and, as applicable, assign and transfer to the Litigation Sub-Trust and Litigation Trustee, any and all rights, defenses, cross-claims and counter-claims held by the Debtor with respect to any Claim as of the Petition Date. On and after the date hereof, in accordance with and subject to the Plan, the Claimant Trustee shall have the authority to (i) compromise, settle or otherwise resolve, or withdraw any objections to Claims against the Debtor, provided, however, the Claimant Trustee shall only have the authority to compromise or settle any Employee Claim with the unanimous consent of the Oversight Board and in the absence of unanimous consent, any such Employee Claim shall be transferred to the Litigation Sub-Trust and be litigated, comprised, settled, or otherwise resolved exclusively by the Litigation Trustee and (ii) compromise, settle, or otherwise resolve any Disputed Claims without approval of the Bankruptcy Court, which authority may be shared with or transferred to the Litigation Trustee in accordance with the terms of the Litigation Sub-Trust Agreement. For the avoidance of doubt, the Claimant Trust, pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and applicable state trust law, is appointed as the successor-in-interest to, and representative of, the Debtor and its Estate for the retention, enforcement, settlement, and adjustment of all Claims other than Estate Claims, the Employee Claims, and those Claims constituting Reorganized Debtor Assets.

(b) The Claimant Trust shall be administered by the Claimant Trustee, in accordance with this Agreement, for the following purposes:

(i) to manage and monetize the Claimant Trust Assets in an expeditious but orderly manner with a view towards maximizing value within a reasonable time period;

(ii) to litigate and settle Claims in Class 8 and Class 9 (other than the Employee Claims, which shall be litigated and/or settled by the Litigation Trustee if the Oversight Board does not unanimously approve of any proposed settlement of such Employee Claim by the Claimant Trustee) and any of the Causes of Action included in the Claimant Trust Assets (including any cross-claims and counter-claims); provided, however, that Estate Claims transferred to the Litigation Sub-Trust shall be litigated and settled by the Litigation Trustee pursuant to the terms of the Litigation Sub-Trust Agreement;

(iii) to distribute net proceeds of the Claimant Trust Assets to the Claimant Trust Beneficiaries;

(iv) to distribute funds from the Disputed Claims Reserve to Holders of Trust Interests or to the Reorganized Debtor for distribution to Holders of Disputed Claims in each case in accordance with the Plan from time to time as any such Holder's Disputed Claim becomes an Allowed Claim under the Plan;

(v) to distribute funds to the Litigation Sub-Trust at the direction the Oversight Board;

(vi) to serve as the limited partner of, and to hold the limited partnership interests in, the Reorganized Debtor;

(vii) to serve as the sole member and manager of New GP LLC, the Reorganized Debtor's general partner;

(viii) to oversee the management and monetization of the Reorganized Debtor Assets pursuant to the terms of the Reorganized Limited Partnership Agreement, in its capacity as the sole member and manager of New GP LLC pursuant to the terms of the New GP LLC Documents, all with a view toward maximizing value in a reasonable time in a manner consistent with the Reorganized Debtor's fiduciary duties as investment adviser to the Managed Funds; and

(ix) to perform any other functions and take any other actions provided for or permitted by this Agreement and the Plan, and in any other agreement executed by the Claimant Trustee.

2.4 Transfer of Assets and Rights to the Claimant Trust; Litigation Sub-Trust.

(a) On the Effective Date, pursuant to the Plan, the Debtor shall irrevocably transfer, assign, and deliver, and shall be deemed to have transferred, assigned, and delivered, all Claimant Trust Assets and related Privileges held by the Debtor to the Claimant Trust free and clear of all Claims, Interests, Liens, and other encumbrances, and liabilities, except as provided in the Plan and this Agreement. To the extent certain assets comprising the Claimant Trust Assets, because of their nature or because such assets will accrue or become transferable subsequent to the Effective Date, and cannot be transferred to, vested in, and assumed by the Claimant Trust on such date, such assets shall be considered Reorganized Debtor Assets, which may be subsequently transferred to the Claimant Trust by the Reorganized Debtor consistent with the terms of the Reorganized Limited Partnership Agreement after such date.

(b) On or as soon as practicable after the Effective Date, the Claimant Trust shall irrevocably transfer, assign, and deliver, and shall be deemed to have transferred, assigned, and delivered, all Estate Claims and related Privileges held by the Claimant Trust to the Litigation Sub-Trust Trust free and clear of all Claims, Interests, Liens, and other encumbrances, and liabilities, except as provided in the Plan, this Agreement, and the Litigation Sub-Trust Agreement. Following the transfer of such Privileges, the Litigation Trustee shall have the power to waive the Privileges being so assigned and transferred.

(c) On or before the Effective Date, and continuing thereafter, the Debtor or Reorganized Debtor, as applicable, shall provide (i) for the Claimant Trustee's and Litigation Trustee's reasonable access to all records and information in the Debtor's and Reorganized Debtor's possession, custody or control, (ii) that all Privileges related to the Claimant Trust Assets shall transfer to and vest exclusively in the Claimant Trust (except for those Privileges that will be transferred and assigned to the Litigation Sub-Trust in respect of the Estate Claims), and (iii) subject to Section 3.12(c), the Debtor and Reorganized Debtor shall preserve all records and documents (including all electronic records or documents), including, but not limited to, the Debtor's file server, email server, email archiving system, master journal, SharePoint, Oracle E-Business Suite, Advent Geneva, Siepe database, Bloomberg chat data, and any backups of the foregoing, until such time as the Claimant Trustee, with the consent of the Oversight Board and, if pertaining to any of the Estate Claims, the Litigation Trustee, directs the Reorganized Debtor, as sole member of its general partner, that such records are no longer required to be preserved. For the purposes of transfer of documents, the Claimant Trust or Litigation Sub-Trust, as applicable, is an assignee and successor to the Debtor in respect of the Claimant Trust Assets and Estate Claims, respectively, and shall be treated as such in any review of confidentiality restrictions in requested documents.

(d) Until the Claimant Trust terminates pursuant to the terms hereof, legal title to the Claimant Trust Assets (other than Estate Claims) and all property contained therein shall be vested at all times in the Claimant Trust as a separate legal entity, except where applicable law in any jurisdiction requires title to any part of the Claimant Trust Assets to be vested in the Claimant Trustee, in which case title shall be deemed to be vested in the Claimant Trustee, solely in his capacity as Claimant Trustee. For purposes of such jurisdictions, the term Claimant Trust, as used herein, shall be read to mean the Claimant Trustee.

2.5 Principal Office. The principal office of the Claimant Trust shall be maintained by the Claimant Trustee at the following address: 100 Crescent Court, Suite 1850, Dallas, Texas 75201.

2.6 Acceptance. The Claimant Trustee accepts the Claimant Trust imposed by this Agreement and agrees to observe and perform that Claimant Trust, on and subject to the terms and conditions set forth herein and in the Plan.

2.7 Further Assurances. The Debtor, Reorganized Debtor, and any successors thereof will, upon reasonable request of the Claimant Trustee, execute, acknowledge and deliver such further instruments and do such further acts as may be necessary or proper to transfer to the Claimant Trustee any portion of the Claimant Trust Assets intended to be conveyed hereby and in the Plan in the form and manner provided for hereby and in the Plan and to vest in the Claimant Trustee the powers, instruments or funds in trust hereunder.

2.8 Incidents of Ownership. The Claimant Trust Beneficiaries shall be the sole beneficiaries of the Claimant Trust and the Claimant Trustee shall retain only such incidents of ownership as are necessary to undertake the actions and transactions authorized herein.

## ARTICLE III.

3.1 Role. In furtherance of and consistent with the purpose of the Claimant Trust, the Plan, and this Agreement, the Claimant Trustee, subject to the terms and conditions contained herein, in the Plan, and in the Confirmation Order, shall serve as Claimant Trustee with respect to the Claimant Trust Assets for the benefit of the Claimant Trust Beneficiaries and maintain, manage, and take action on behalf of the Claimant Trust.

3.2 Authority.

(a) In connection with the administration of the Claimant Trust, in addition to any and all of the powers enumerated elsewhere herein, the Claimant Trustee shall, in an expeditious but orderly manner, monetize the Claimant Trust Assets, make timely distributions and not unduly prolong the duration of the Claimant Trust. (b) The Claimant Trustee, subject to the limitations set forth in Section 3.3 of this Agreement shall have the right to prosecute, defend, compromise, adjust, arbitrate, abandon, estimate, or otherwise deal with and settle any and all Claims and Causes of Action that are part of the Claimant Trust Assets, other than the Estate Claims transferred to the Litigation Sub-Trust, as the Claimant Trustee determines is in the best interests of the Claimant Trust; provided, however, that if the Claimant Trustee proposes a settlement of an Employee Claim and does not obtain unanimous consent of the Oversight Board of such settlement, such Employee Claim shall be transferred to the Litigation Sub-Trust for the Litigation Trustee to litigate. To the extent that any action has been taken to prosecute, defend, compromise, adjust, arbitrate, abandon, or otherwise deal with and settle any such Claims and Causes of Action prior to the Effective Date, on the Effective Date the Claimant Trustee shall be substituted for the Debtor in connection therewith in accordance with Rule 25 of the Federal Rules of Civil Procedure, made applicable by Rule 7025 of the Federal Rules of Bankruptcy Procedure, and the caption with respect to such pending action shall be changed to the following "[Claimant Trustee], not individually but solely as Claimant Trustee for the Claimant Trust, et al. v. [Defendant]".

(c) Subject in all cases to any limitations contained herein, in the Confirmation Order, or in the Plan, the Claimant Trustee shall have the power and authority to:

(i) solely as required by Section 2.4(d), hold legal title to any and all rights of the Claimant Trust and Beneficiaries in or arising from the Claimant Trust Assets, including collecting and receiving any and all money and other property belonging to the Claimant Trust and the right to vote or exercise any other right with respect to any claim or interest relating to the Claimant Trust Assets in any case under the Bankruptcy Code and receive any distribution with respect thereto;

(viii) protect and enforce the rights to the Claimant Trust Assets by any method deemed appropriate, including by judicial proceedings or pursuant to any applicable bankruptcy, insolvency, moratorium or similar law and general principles of equity;

(ix) obtain reasonable insurance coverage with respect to any liabilities and obligations of the Trustees, Litigation Trustee, and the Members of the Oversight Board solely in their capacities as such, in the form of fiduciary liability insurance, a directors and officers policy, an errors and omissions policy, or otherwise. The cost of any such insurance shall be a Claimant Trust Expense and paid by the Claimant Trustee from the Claimant Trust Assets;

(x) without further order of the Bankruptcy Court, but subject to the terms of this Agreement, employ various consultants, third-party service providers, and other professionals, including counsel, tax advisors, consultants, brokers, investment bankers, valuation counselors, and financial advisors, as the Claimant Trustee deems necessary to aid him in fulfilling his obligations under this Agreement; such consultants, third-party service providers, and other professionals shall be retained pursuant to whatever fee arrangement the Claimant Trustee deems appropriate, including contingency fee arrangements and any fees and expenses incurred by such professionals engaged by the Claimant Trustee shall be Claimant Trust Expenses and paid by the Claimant Trustee from the Claimant Trust Assets;

(xi) retain and approve compensation arrangements of an independent public accounting firm to perform such reviews and/or audits of the financial books and records of the Claimant Trust as may be required by this Agreement, the Plan, the Confirmation Order, and applicable laws and as may be reasonably and appropriate in Claimant Trustee's discretion. Subject to the foregoing, the Claimant Trustee may commit the Claimant Trust to, and shall pay,

such independent public accounting firm reasonable compensation for services rendered and reasonable and documented out-of-pocket expenses incurred, and all such compensation and reimbursement shall be paid by the Claimant Trustee from Claimant Trust Assets;

(xii) prepare and file (A) tax returns for the Claimant Trust treating the Claimant Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a), (B) an election pursuant to Treasury Regulation 1.468B-9(c) to treat the Disputed Claims Reserve as a disputed ownership fund, in which case the Claimant Trustee will file federal income tax returns and pay taxes for the Disputed Claim Reserve as a separate taxable entity, or (C) any periodic or current reports that may be required under applicable law;

(xiii) prepare and send annually to the Beneficiaries, in accordance with the tax laws, a separate statement stating a Beneficiary's interest in the Claimant Trust and its share of the Claimant Trust's income, gain, loss, deduction or credit, and to instruct all such Beneficiaries to report such items on their federal tax returns;

(xiv) to the extent applicable, assert, enforce, release, or waive any attorney-client communication, attorney work product or other Privilege or defense on behalf of the Claimant Trust (including as to any Privilege that the Debtor held prior to the Effective Date), including to provide any information to insurance carriers that the Claimant Trustee deems necessary to utilize applicable insurance coverage for any Claim or Claims;

(xv) subject to Section 3.4, invest the proceeds of the Claimant Trust Assets and all income earned by the Claimant Trust, pending any distributions in short-term certificates of deposit, in banks or other savings institutions, or other temporary, liquid investments, such as Treasury bills;

(xvi) request any appropriate tax determination with respect to the Claimant Trust, including a determination pursuant to section 505 of the Bankruptcy Code;

(xvii) take or refrain from taking any and all actions the Claimant Trustee reasonably deems necessary for the continuation, protection, and maximization of the value of the Claimant Trust Assets consistent with purposes hereof;

(xviii) take all steps and execute all instruments and documents necessary to effectuate the purpose of the Claimant Trust and the activities contemplated herein and in the Confirmation Order and the Plan, and take all actions necessary to comply with the Confirmation Order, the Plan, and this Agreement and the obligations thereunder and hereunder;

(xix) exercise such other powers and authority as may be vested in or assumed by the Claimant Trustee by any Final Order;

(xx) evaluate and determine strategy with respect to the Claimant Trust Assets, and hold, pursue, prosecute, adjust, arbitrate, compromise, release, settle or abandon the Claimant Trust Assets on behalf of the Claimant Trust; and

(xxi) with respect to the Claimant Trust Beneficiaries, perform all duties and functions of the Distribution Agent as set forth in the Plan, including distributing Cash from

the Disputed Claims Reserve, solely on account of Disputed Class 1 through Class 7 Claims that were Disputed as of the Effective Date, but become Allowed, to the Reorganization Debtor such that the Reorganized Debtor can satisfy its duties and functions as Distribution Agent with respect to Claims in Class 1 through Class 7 (the foregoing subparagraphs (i)-(xxi) being collectively, the "Authorized Acts").

(d) The Claimant Trustee and the Oversight Committee will enter into an agreement as soon as practicable after the Effective Date concerning the Claimant Trustee's authority with respect to certain other assets, including certain portfolio company assets (the "Other Assets").

(e) The Claimant Trustee has the power and authority to act as trustee of the Claimant Trust and perform the Authorized Acts through the date such Claimant Trustee resigns, is removed, or is otherwise unable to serve for any reason.

3.3 Limitation of Authority.

(a) Notwithstanding anything herein to the contrary, the Claimant Trust and the Claimant Trustee shall not (i) be authorized to engage in any trade or business, (ii) take any actions inconsistent with the management of the Claimant Trust Assets as are required or contemplated by applicable law, the Confirmation Order, the Plan, and this Agreement, (iii) take any action in contravention of the Confirmation Order, the Plan, or this Agreement, or (iv) cause New GP LLC to cause the Reorganized Debtor to take any action in contravention of the Plan, Plan Documents or the Confirmation Order.

(b) Notwithstanding anything herein to the contrary, and in no way limiting the terms of the Plan, the Claimant Trustee must receive the consent by vote of a simple majority of the Oversight Board pursuant to the notice and quorum requirements set forth in Section 4.5 herein, in order to:

(i) terminate or extend the term of the Claimant Trust;

(ii) prosecute, litigate, settle or otherwise resolve any of the Material Claims;

(iii) except otherwise set forth herein, sell or otherwise monetize any assets that are not Other Assets, including Reorganized Debtor Assets (other than with respect to the Managed Funds), that are valued greater than $3,000,000 (over a thirty-day period);

(iv) except for cash distributions made in accordance with the terms of this Agreement, make any cash distributions to Claimant Trust Beneficiaries in accordance with Article IV of the Plan;

(v) except for any distributions made in accordance with the terms of this Agreement, make any distributions from the Disputed Claims Reserve to Holders of Disputed Claims after such time that such Holder's Claim becomes an Allowed Claim under the Plan;

(vi) reserve or retain any cash or cash equivalents in an amount reasonably necessary to meet claims and contingent liabilities (including Disputed Claims and any indemnification obligations that may arise under Section 8.2 of this Agreement), to maintain the value of the Claimant Trust Assets, or to fund ongoing operations and administration of the Litigation Sub-Trust;

(x) change the compensation of the Claimant Trustee;

(xi) subject to ARTICLE X, make structural changes to the Claimant Trust or take other actions to minimize any tax on the Claimant Trust Assets; and

(xii) retain counsel, experts, advisors, or any other professionals; provided, however, the Claimant Trustee shall not be required to obtain the consent of the Oversight Board for the retention of (i) PSZJ, WilmerHale, or Development Specialists, Inc. and (ii) any other professional whose expected fees and expenses are estimated at less than or equal to $200,000.

(c) [Reserved.]

3.4 Investment of Cash. The right and power of the Claimant Trustee to invest the Claimant Trust Assets, the proceeds thereof, or any income earned by the Claimant Trust, with majority approval of the Oversight Board, shall be limited to the right and power to invest in such Claimant Trust Assets only in Cash and U.S. Government securities as defined in section 29(a)(16) of the Investment Company Act; provided, however that (a) the scope of any such permissible investments shall be further limited to include only those investments that a "liquidating trust" within the meaning of Treasury Regulation Section 301.7701-4(d), may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the Internal Revenue Service ("IRS") guidelines, whether set forth in IRS rulings, other IRS pronouncements, or otherwise, (b) the Claimant Trustee may retain any Claimant Trust Assets received that are not Cash only for so long as may be required for the prompt and orderly monetization or other disposition of such assets, and (c) the Claimant Trustee may expend the assets of the Claimant Trust (i) as reasonably necessary to meet contingent liabilities (including indemnification and similar obligations) and maintain the value of the assets of the Claimant Trust during the pendency of this Claimant Trust, (ii) to pay Claimant Trust Expenses (including, but not limited to, any taxes imposed on the Claimant Trust and reasonable attorneys' fees and expenses in connection with litigation), and (iii) to satisfy other liabilities incurred or assumed by the Claimant Trust (or to which the assets are otherwise subject) in accordance with the Plan or this Agreement).

3.5 Binding Nature of Actions. All actions taken and determinations made by the Claimant Trustee in accordance with the provisions of this Agreement shall be final and binding upon any and all Beneficiaries.

3.6 Term of Service. The Claimant Trustee shall serve as the Claimant Trustee for the duration of the Claimant Trust, subject to death, resignation or removal.

3.7 Resignation. The Claimant Trustee may resign as Claimant Trustee of the Claimant Trust by an instrument in writing delivered to the Bankruptcy Court and Oversight Board at least thirty (30) days before the proposed effective date of resignation. The Claimant Trustee shall continue to serve as Claimant Trustee after delivery of the Claimant Trustee's resignation until the proposed effective date of such resignation, unless the Claimant Trustee and a simple majority of the Oversight Board consent to an earlier effective date, which earlier effective date shall be no earlier than the date of appointment of a successor Claimant Trustee in accordance with Section 3.9 hereof becomes effective.

3.8 Removal.

(a) The Claimant Trustee may be removed by a simple majority vote of the Oversight Board for Cause for Cause immediately upon notice thereof, or without Cause upon 60 days' prior written notice. Upon the removal of the Claimant Trustee pursuant hereto, the Claimant Trustee will resign, or be deemed to have resigned, from any role or position he or she may have at New GP LLC or the Reorganized Debtor effective upon the expiration of the foregoing 60 day period unless the Claimant Trustee and a simple majority of the Oversight Board agree otherwise.

(b) To the extent there is any dispute regarding the removal of a Claimant Trustee (including any dispute relating to any compensation or expense reimbursement due under this Agreement) the Bankruptcy Court shall retain jurisdiction to consider and adjudicate such dispute. Notwithstanding the foregoing, the Claimant Trustee will continue to serve as the Claimant Trustee after his removal until the earlier of (i) the time when a successor Claimant Trustee will become effective in accordance with Section 3.9 of this Agreement or (ii) such date as the Bankruptcy Court otherwise orders.

3.9 Appointment of Successor.

(a) Appointment of Successor. In the event of a vacancy by reason of the death or Disability (in the case of a Claimant Trustee that is a natural person), dissolution (in the case of a Claimant Trustee that is not a natural person), or removal of the Claimant Trustee, or prospective vacancy by reason of resignation, a successor Claimant Trustee shall be selected by a simple majority vote of the Oversight Board. If Members of the Oversight Board are unable to secure a majority vote, the Bankruptcy Court will determine the successor Claimant Trustee on motion of the Members. If a final decree has been entered closing the Chapter 11 Case, the Claimant Trustee may seek to reopen the Chapter 11 Case for the limited purpose of determining the successor Claimant Trustee, and the costs for such motion and costs related to re-opening the Chapter 11 Case shall be paid by the Claimant Trust. The successor Claimant Trustee shall be appointed as soon as practicable, but in any event no later than sixty (60) days after the occurrence of the

vacancy or, in the case of resignation, on the effective date of the resignation of the then acting Claimant Trustee.

(b) Vesting or Rights in Successor Claimant Trustee. Every successor Claimant Trustee appointed hereunder shall execute, acknowledge, and deliver to the Claimant Trust, the exiting Claimant Trustee, the Oversight Board, and file with the Bankruptcy Court, an instrument accepting such appointment subject to the terms and provisions hereof. The successor Claimant Trustee, without any further act, deed, or conveyance shall become vested with all the rights, powers, trusts and duties of the exiting Claimant Trustee, except that the successor Claimant Trustee shall not be liable for the acts or omissions of the retiring Claimant Trustee. In no event shall the retiring Claimant Trustee be liable for the acts or omissions of the successor Claimant Trustee.

(c) Interim Claimant Trustee. During any period in which there is a vacancy in the position of Claimant Trustee, the Oversight Board shall appoint one of its Members to serve as the interim Claimant Trustee (the "Interim Trustee") until a successor Claimant Trustee is appointed pursuant to Section 3.9(a). The Interim Trustee shall be subject to all the terms and conditions applicable to a Claimant Trustee hereunder. Such Interim Trustee shall not be limited in any manner from exercising any rights or powers as a Member of the Oversight Board merely by such Person's appointment as Interim Trustee.

3.10 Continuance of Claimant Trust. The death, resignation, or removal of the Claimant Trustee shall not operate to terminate the Claimant Trust created by this Agreement or to revoke any existing agency (other than any agency of the Claimant Trustee as the Claimant Trustee) created pursuant to the terms of this Agreement or invalidate any action taken by the Claimant Trustee. In the event of the resignation or removal of the Claimant Trustee, the Claimant Trustee shall promptly (i) execute and deliver, by the effective date of resignation or removal, such documents, instruments, records, and other writings as may be reasonably requested by his successor to effect termination of the exiting Claimant Trustee's capacity under this Agreement and the conveyance of the Claimant Trust Assets then held by the exiting Claimant Trustee to the successor Claimant Trustee; (ii) deliver to the successor Claimant Trustee all non-privileged documents, instruments, records, and other writings relating to the Claimant Trust as may be in the possession or under the control of the exiting Claimant Trustee, provided, the exiting Claimant Trustee shall have the right to make and retain copies of such documents, instruments, records and other writings delivered to the successor Claimant Trustee and the cost of making such copies shall be a Claimant Trust Expense to be paid by the Claimant Trust; and (iii) otherwise assist and cooperate in effecting the assumption of the exiting Claimant Trustee's obligations and functions by his successor, provided the fees and expenses of such assistance and cooperation shall be paid to the exiting Claimant Trustee by the Claimant Trust. The exiting Claimant Trustee shall irrevocably appoint the successor Claimant Trustee as his attorney-in-fact and agent with full power of substitution for it and its name, place and stead to do any and all acts that such exiting Claimant Trustee is obligated to perform under this Section 3.10.

3.11 Claimant Trustee as "Estate Representative". The Claimant Trustee will be the exclusive trustee of the Claimant Trust Assets for purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the representative of the Estate appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code (the "Estate Representative") with respect to the Claimant

Trust Assets, with all rights and powers attendant thereto, in addition to all rights and powers granted in the Plan and in this Agreement; provided that all rights and powers as representative of the Estate pursuant to section 1123(b)(3)(B) shall be transferred to the Litigation Trustee in respect of the Estate Claims and the Employee Claims. The Claimant Trustee will be the successor-in-interest to the Debtor with respect to any action pertaining to the Claimant Trust Assets, which was or could have been commenced by the Debtor prior to the Effective Date, except as otherwise provided in the Plan or Confirmation Order. All actions, claims, rights or interest constituting Claimant Trust Assets are preserved and retained and may be enforced, or assignable to the Litigation Sub-Trust, by the Claimant Trustee as an Estate Representative.

3.12 Books and Records.

(a) The Claimant Trustee shall maintain in respect of the Claimant Trust and the Claimant Trust Beneficiaries books and records reflecting Claimant Trust Assets in its possession and the income of the Claimant Trust and payment of expenses, liabilities, and claims against or assumed by the Claimant Trust in such detail and for such period of time as may be necessary to enable it to make full and proper accounting in respect thereof. Such books and records shall be maintained as reasonably necessary to facilitate compliance with the tax reporting requirements of the Claimant Trust and the requirements of Article VII herein. Except as otherwise provided herein, nothing in this Agreement requires the Claimant Trustee to file any accounting or seek approval of any court with respect to the administration of the Claimant Trust, or as a condition for managing any payment or distribution out of the Claimant Trust Assets.

(b) The Claimant Trustee shall provide quarterly reporting to the Oversight Board and Claimant Trust Beneficiaries of (i) the status of the Claimant Trust Assets, (ii) the balance of Cash held by the Claimant Trust (including in each of the Claimant Trust Expense Reserve and Disputed Claim Reserve), (iii) the determination and any re-determination, as applicable, of the total amount allocated to the Disputed Claim Reserve, (iv) the status of Disputed Claims and any resolutions thereof, (v) the status of any litigation, including the pursuit of the Causes of Action, (vi) the Reorganized Debtor's performance, and (vii) operating expenses; provided, however, that the Claimant Trustee may, with respect to any Member of the Oversight Board or Claimant Trust Beneficiary, redact any portion of such reports that relate to such Entity's Claim or Equity Interest, as applicable and any reporting provided to Claimant Trust Beneficiaries may be subject to such Claimant Trust Beneficiary's agreement to maintain confidentiality with respect to any non-public information.

(c) The Claimant Trustee may dispose some or all of the books and records maintained by the Claimant Trustee at the later of (i) such time as the Claimant Trustee determines, with the unanimous consent of the Oversight Board, that the continued possession or maintenance of such books and records is no longer necessary for the benefit of the Claimant Trust, or (ii) upon the termination and winding up of the Claimant Trust under Article IX of this Agreement; provided, however, the Claimant Trustee shall not dispose of any books and records related to the Estate Claims or Employee Claims without the consent of the Litigation Trustee. Notwithstanding the foregoing, the Claimant Trustee shall cause the Reorganized Debtor and its subsidiaries to retain such books and records, and for such periods, as are required to be retained pursuant to Section 204-2 of the Investment Advisers Act or any other applicable laws, rules, or regulations.

3.13 Compensation and Reimbursement; Engagement of Professionals.

(a) Compensation and Expenses.

(i) Compensation. As compensation for any services rendered by the Claimant Trustee in connection with this Agreement, the Claimant Trustee shall receive compensation of $150,000 per month (the "Base Salary"). Within the first forty-five days following the Confirmation Date, the Claimant Trustee, on the one hand, and the Committee, if prior to the Effective Date, or the Oversight Board, if on or after the Effective Date, on the other, will negotiate go-forward compensation for the Claimant Trustee which will include (a) the Base Salary, (b) a success fee, and (c) severance.

(ii) Expense Reimbursements. All reasonable out-of-pocket expenses of the Claimant Trustee in the performance of his or her duties hereunder, shall be reimbursed as Claimant Trust Expenses paid by the Claimant Trust.

(b) Professionals.

(i) Engagement of Professionals. The Claimant Trustee shall engage professionals from time to time in conjunction with the services provided hereunder. The Claimant Trustee's engagement of such professionals shall be approved by a majority of the Oversight Board as set forth in Section 3.3(b) hereof.

(ii) Fees and Expenses of Professionals. The Claimant Trustee shall pay the reasonable fees and expenses of any retained professionals as Claimant Trust Expenses.

3.14 Reliance by Claimant Trustee. Except as otherwise provided herein, the Claimant Trustee may rely, and shall be fully protected in acting or refraining from acting, on any resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order or other instrument or document that the Claimant Trustee has no reason to believe to be other than genuine and to have been signed or presented by the proper party or parties or, in the case of facsimiles, to have been sent by the proper party or parties, and the Claimant Trustee may conclusively rely as to the truth of the statements and correctness of the opinions or direction expressed therein. The Claimant Trustee may consult with counsel and other professionals, and any advice of such counsel or other professionals shall constitute full and complete authorization and protection in respect of any action taken or not taken by the Claimant Trustee in accordance therewith. The Claimant Trustee shall have the right at any time to seek instructions from the Bankruptcy Court, or any other court of competent jurisdiction concerning the Claimant Trust Assets, this Agreement, the Plan, or any other document executed in connection therewith, and any such instructions given shall be full and complete authorization in respect of any action taken or not taken by the Claimant Trustee in accordance therewith. The Claimant Trust shall have the right to seek Orders from the Bankruptcy Court as set forth in Article IX of the Plan.

3.15 Commingling of Claimant Trust Assets. The Claimant Trustee shall not commingle any of the Claimant Trust Assets with his or her own property or the property of any other Person.

3.16 Delaware Trustee.

(a) The Delaware Trustee shall have the limited power and authority, and is hereby authorized and empowered, to (i) accept legal process served on the Claimant Trust in the State of Delaware; and (ii) execute any certificates that are required to be executed under the Delaware Statutory Trust Act and file such certificates in the office of the Secretary of State of the State of Delaware, and take such action or refrain from taking such action under this Agreement, in either case as may be directed in a writing delivered to the Delaware Trustee by the Claimant Trustee and upon which the Delaware Trustee shall be entitled to conclusively and exclusively rely; provided, however, that the Delaware Trustee shall not be required to take or to refrain from taking any such action if the Delaware Trustee shall believe, or shall have been advised by counsel, that such performance is likely to involve the Delaware Trustee in personal liability or to result in personal liability to the Delaware Trustee, or is contrary to the terms of this Agreement or of any document contemplated hereby to which the Claimant Trust or the Delaware Trustee is or becomes a party or is otherwise contrary to law. The Parties agree not to instruct the Delaware Trustee to take any action or to refrain from taking any action that is contrary to the terms of this Agreement or of any document contemplated hereby to which the Claimant Trust or the Delaware Trustee is or becomes party or that is otherwise contrary to law. Other than as expressly provided for in this Agreement, the Delaware Trustee shall have no duty or power to take any action for or on behalf of the Claimant Trust. For the avoidance of doubt, the Delaware Trustee will only have such rights and obligations as expressly provided by reference to the Delaware Trustee hereunder. The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities, of the Claimant Trustee set forth herein. The Delaware Trustee shall be one of the trustees of the Claimant Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Statutory Trust Act and for taking such actions as are required to be taken by a Delaware Trustee under the Delaware Statutory Trust Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to those expressly set forth in this Section 3.16 and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating thereto to the Claimant Trust, the other parties hereto or any beneficiary of the Claimant Trust, it is hereby understood and agreed by the other parties hereto that such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Agreement.

(b) The Delaware Trustee shall serve until such time as the Claimant Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Claimant Trustee in accordance with the terms hereof. The Delaware Trustee may resign at any time upon the giving of at least thirty (30) days' advance written notice to the Claimant Trustee; provided, that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Claimant Trustee in accordance with the terms hereof. If the Claimant Trustee does not act within such thirty (30) day period, the Delaware Trustee may apply to the Court of Chancery of the State of Delaware for the appointment of a successor Delaware Trustee.

(c) Upon the resignation or removal of the Delaware Trustee, the Claimant Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the

outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Delaware Statutory Trust Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Claimant Trustee and any undisputed fees, expenses and indemnity due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of its duties and obligations under this Agreement.

(d) The Delaware Trustee shall be paid such compensation as agreed to pursuant to a separate fee agreement. 4.5 Unanimous Written Consent. Any action required or permitted to be taken by the Oversight Board in a meeting may be taken without a meeting if the action is taken by unanimous written consents describing the actions taken, signed by all Members and recorded. If any Member informs the Claimant Trustee (via e-mail or otherwise) that he or she objects to the decision, determination, action, or inaction proposed to be made by unanimous written consent, the Claimant Trustee must use reasonable good faith efforts to schedule a meeting on the issue to be set within 48 hours of the request or as soon thereafter as possible on which all members of the Oversight Board are available in person or by telephone. Such decision, determination, action, or inaction must then be made pursuant to the meeting protocols set forth herein.

(a) A quorum for the transaction of business at any meeting of the Oversight Board shall consist of at least three Members (including no less than one (1) Disinterested Member); provided that if the transaction of business at a meeting would constitute a direct or indirect conflict of interest for the Redeemer Committee, Acis, and/or UBS, at least two Disinterested Members must be present for there to be a quorum. Except as set otherwise forth herein, the majority vote of the Members present at a duly called meeting at which a quorum is present throughout shall be the act of the Oversight Board except as otherwise required by law or as provided in this Agreement. Any or all of the Members may participate in a regular or special meeting by, or conduct the meeting through the use of, conference telephone, video conference, or similar communications equipment by means of which all Persons participating in the meeting may hear each other, in which case any required notice of such meeting may generally describe the arrangements (rather than or in addition of the place) for the holding hereof. Any Member participating in a meeting by this means is deemed to be present in person at the meeting. Voting (including on negative notice) may be conducted by electronic mail or individual communications by the applicable Trustee and each Member.

(b) Any Member who is present and entitled to vote at a meeting of the Oversight Board when action is taken is deemed to have assented to the action taken, subject to the requisite vote of the Oversight Board, unless (i) such Member objects at the beginning of the meeting (or promptly upon his/her arrival) to holding or transacting business at the meeting; (ii) his/her dissent or abstention from the action taken is entered in the minutes of the meeting; or (iii) he/she delivers written notice (including by electronic or facsimile transmission) of his/her dissent or abstention to the Oversight Board before its adjournment. The right of dissent or abstention is not available to any Member of the Oversight Board who votes in favor of the action taken.

(c) Prior to a vote on any matter or issue or the taking of any action with respect to any matter or issue, each Member shall report to the Oversight Board any conflict of interest such Member has or may have with respect to the matter or issue at hand and fully disclose the nature of such conflict or potential conflict (including, without limitation, disclosing any and all financial or other pecuniary interests that such Member may have with respect to or in connection with such matter or issue, other than solely as a holder of Trust Interests). A Member who, with respect to a matter or issue, has or who may have a conflict of interest whereby such Member's interests are adverse to the interests of the Claimant Trust shall be deemed a "Conflicted Member" who shall not be entitled to vote or take part in any action with respect to such matter or issue. In the event of a Conflicted Member, the vote or action with respect to such matter or issue giving rise to such conflict shall be undertaken only by Members who are not Conflicted Members and, notwithstanding anything contained herein to the contrary, the affirmative vote of only a majority of the Members who are not Conflicted Members shall be required to approve of such matter or issue and the same shall be the act of the Oversight Board.

(d) Each of Acis, the Redeemer Committee, and UBS shall be deemed "Conflicted Members" with respect to any matter or issue related to or otherwise affecting any of their respective Claim(s) (a "Committee Member Claim Matter"). A unanimous vote of the Disinterested Members shall be required to approve of or otherwise take action with respect to any

Committee Member Claim Matter and, notwithstanding anything herein to the contrary, the same shall be the act of the Oversight Board.

4.7 Tenure of the Members of the Oversight Board. The authority of the Members of the Oversight Board will be effective as of the Effective Date and will remain and continue in full force and effect until the Claimant Trust is terminated in accordance with Article IX hereof. The Members of the Oversight Board will serve until such Member's successor is duly appointed or until such Member's earlier death or resignation pursuant to Section 4.8 below, or removal pursuant to Section 4.9 below.

4.8 Resignation. A Member of the Oversight Board may resign by giving prior written notice thereof to the Claimant Trustee and other Members. If any Committee Member has its Claim disallowed in its entirety the representative of such entity will immediately be removed as a Member without the requirement for a vote and a successor will be appointed in the manner set forth herein. Notwithstanding the foregoing, upon the termination of the Claimant Trust, any or all of the Members shall be deemed to have resigned.

4.10 Appointment of a Successor Member.

(a) In the event of a vacancy on the Oversight Board (whether by removal, death, or resignation), a new Member may be appointed to fill such position by the remaining Members acting unanimously; provided, however, that any vacancy resulting from the removal, resignation, or death of a Disinterested Member may only be filled by a disinterested Person unaffiliated with any Claimant or constituency in the Chapter 11 Case; provided, further, that if an individual serving as the representative of a Committee Member resigns from its role as representative, such resignation shall not be deemed resignation of the Committee Member itself and such Committee Member shall have the exclusive right to designate its replacement representative for the Oversight Board. The appointment of a successor Member will be further evidenced by the Claimant Trustee's filing with the Bankruptcy Court (to the extent a final decree has not been entered) and posting on the Claimant Trustee's website a notice of appointment, at the direction of the Oversight Board, which notice will include the name, address, and telephone number of the successor Member.

(b) Immediately upon the appointment of any successor Member, the successor Member shall assume all rights, powers, duties, authority, and privileges of a Member hereunder and such rights and privileges will be vested in and undertaken by the successor Member without any further act. A successor Member will not be liable personally for any act or omission of a predecessor Member.

(c) Every successor Member appointed hereunder shall execute, acknowledge, and deliver to the Claimant Trustee and other Members an instrument accepting the appointment

under this Agreement and agreeing to be bound thereto, and thereupon the successor Member without any further act, deed, or conveyance, shall become vested with all rights, powers, trusts, and duties of a Member hereunder.

4.11 Compensation and Reimbursement of Expenses. Unless determined by the Oversight Board, no Member shall be entitled to compensation in connection with his or her service to the Oversight Board; provided, however, that a Disinterested Member shall be compensated in a manner and amount initially set by the other Members and as thereafter amended from time to time by agreement between the Oversight Board and the Disinterested Member. Notwithstanding the foregoing, the Claimant Trustee will reimburse the Members for all reasonable and documented out-of-pocket expenses incurred by the Members in connection with the performance of their duties hereunder (which shall not include fees, costs, and expenses of legal counsel).

4.12 Confidentiality. Each Member shall, during the period that such Member serves as a Member under this Agreement and following the termination of this Agreement or following such Member's removal or resignation, hold strictly confidential and not use for personal gain any material, non-public information of or pertaining to any Person to which any of the Claimant Trust Assets relates or of which such Member has become aware in the Member's capacity as a Member ("Confidential Trust Information"), except as otherwise required by law. For the avoidance of doubt, a Member's Affiliates, employer, and employer's Affiliates (and collectively with such Persons' directors, officers, partners, principals and employees, "Member Affiliates") shall not be deemed to have received Confidential Trust Information solely due to the fact that a Member has received Confidential Trust Information in his or her capacity as a Member of the Oversight Board and to the extent that (a) a Member does not disclose any Confidential Trust Information to a Member Affiliate, (b) the business activities of such Member Affiliates are conducted without reference to, and without use of, Confidential Trust Information, and (c) no Member Affiliate is otherwise directed to take, or takes on behalf of a Member or Member Affiliate, any actions that are contrary to the terms of this Section 4.12.

None of the Claimant Trustee, acting in his capacity as the Claimant Trustee or in any other capacity contemplated by this Agreement or the Plan, the Delaware Trustee, acting in its capacity as Delaware Trustee, the Oversight Board, or any current or any individual Member, solely in their capacity as Members of the Oversight Board, shall be personally liable to the Claimant Trust or to any Person (including any Claimant Trust Beneficiary) in connection with the affairs of the Claimant Trust, unless it is ultimately determined by order of the Bankruptcy Court or, if the Bankruptcy Court either declines to exercise jurisdiction over such action, or cannot exercise jurisdiction over such action, such other court of competent jurisdiction that the acts or omissions of any such Claimant Trustee, Delaware Trustee, Oversight Board, or Member constituted fraud, willful misconduct, or gross negligence. The employees, agents and professionals retained by the Claimant Trust, the Claimant Trustee, Delaware Trustee, Oversight Board, or individual Member shall not be personally liable to the Claimant Trust or any other Person in connection with the affairs of the Claimant Trust, unless it is ultimately determined by order of the Bankruptcy Court or, if the Bankruptcy Court either declines to exercise jurisdiction over such action, or cannot exercise jurisdiction over such action, such other court of competent jurisdiction that such acts or omissions by such employee, agent, or professional constituted willful fraud, willful misconduct or gross negligence. None of the Claimant Trustee, Delaware Trustee, Oversight Board, or any Member shall be personally liable to the Claimant Trust or to any Person for the acts or omissions of any employee, agent or professional of the Claimant Trust or Claimant Trustee taken or not taken in good faith reliance on the advice of professionals or, as applicable, with the approval of the Bankruptcy Court, unless it is ultimately determined by order of the Bankruptcy Court or, if the Bankruptcy Court either declines to exercise jurisdiction over such action, or cannot exercise jurisdiction over such action, such other court of competent jurisdiction that the Claimant Trustee, Delaware Trustee, Oversight Board, or Member acted with gross negligence or willful misconduct in the selection, retention, or supervision of such employee, agent or professional of the Claimant Trust.

8.2 Indemnification. The Claimant Trustee (including each former Claimant Trustee), WTNA in its individual capacity and as Delaware Trustee, the Oversight Board, and all past and present Members (collectively, in their capacities as such, the "Indemnified Parties") shall be

indemnified by the Claimant Trust against and held harmless by the Claimant Trust from any losses, claims, damages, liabilities or expenses (including, without limitation, attorneys' fees, disbursements, and related expenses) to which the Indemnified Parties may become subject in connection with any action, suit, proceeding or investigation brought or threatened against any of the Indemnified Parties in their capacity as Claimant Trustee, Delaware Trustee, Oversight Board, or Member, or in connection with any matter arising out of or related to the Plan, this Agreement, or the affairs of the Claimant Trust, unless it is ultimately determined by order of the Bankruptcy Court or other court of competent jurisdiction that the Indemnified Party's acts or omissions constituted willful fraud, willful misconduct, or gross negligence. If the Indemnified Party becomes involved in any action, proceeding, or investigation in connection with any matter arising out of or in connection with the Plan, this Agreement or the affairs of the Claimant Trust for which an indemnification obligation could arise, the Indemnified Party shall promptly notify the Claimant Trustee and/or Oversight Board, as applicable; provided, however, that the failure of an Indemnified Party to promptly notify the Claimant Trustee and/or Oversight Board of an indemnification obligation will not excuse the Claimant Trust from indemnifying the Indemnified Party unless such delay has caused the Claimant Trust material harm. The Claimant Trust shall pay, advance or otherwise reimburse on demand of an Indemnified Party the Indemnified Party's reasonable legal and other defense expenses (including, without limitation, the cost of any investigation and preparation and attorney fees, disbursements, and other expenses related to any claim that has been brought or threatened to be brought) incurred in connection therewith or in connection with enforcing his or her rights under this Section 8.2 as a Claimant Trust Expense, and the Claimant Trust shall not refuse to make any payments to the Indemnified Party on the assertion that the Indemnified Party engaged in willful misconduct or acted in bad faith; provided that the Indemnified Party shall be required to repay promptly to the Claimant Trust the amount of any such advanced or reimbursed expenses paid to the Indemnified Party to the extent that it shall be ultimately determined by Final Order that the Indemnified Party engaged in willful fraud, willful misconduct, or gross negligence in connection with the affairs of the Claimant Trust with respect to which such expenses were paid; provided, further, that any such repayment obligation shall be unsecured and interest free. The Claimant Trust shall indemnify and hold harmless the employees, agents and professionals of the Claimant Trust and Indemnified Parties to the same extent as provided in this Section 8.2 for the Indemnified Parties. For the avoidance of doubt, the provisions of this Section 8.2 shall remain available to any former Claimant Trustee, WTNA in its individual capacity and as Delaware Trustee, or Member or the estate of any decedent Claimant Trustee or Member, solely in their capacities as such. The indemnification provided hereby shall be a Claimant Trust Expense and shall not be deemed exclusive of any other rights to which the Indemnified Party may now or in the future be entitled to under the Plan or any applicable insurance policy. The failure of the Claimant Trust to pay or reimburse an Indemnified Party as required under this Section 8.2 shall constitute irreparable harm to the Indemnified Party and such Indemnified Party shall be entitled to specific performance of the obligations herein. The terms of this Section 8.2 shall survive the termination of this Agreement and the resignation or removal of any Indemnified Party.

8.3 No Personal Liability. Except as otherwise provided herein, neither of the Trustees nor Members of the Oversight Board shall be subject to any personal liability whatsoever, whether in tort, contract, or otherwise, to any Person in connection with the affairs of the Claimant Trust to the fullest extent provided under Section 3803 of the Delaware Statutory Trust Act, and all Persons asserting claims against the Claimant Trustee, Litigation Trustee, or any Members, or

otherwise asserting claims of any nature in connection with the affairs of the Claimant Trust, shall look solely to the Claimant Trust Assets for satisfaction of any such claims.

8.4 Other Protections. To the extent applicable and not otherwise addressed herein, the provisions and protections set forth in Article IX of the Plan will apply to the Claimant Trust, the Claimant Trustee, the Litigation Trustee, and the Members.

## ARTICLE IX.
## TERMINATION

9.1 Duration. The Trustees, the Claimant Trust, and the Oversight Board shall be discharged or dissolved, as the case may be, at such time as: (a) the Litigation Trustee determines that the pursuit of Estate Claims is not likely to yield sufficient additional proceeds to justify further pursuit of such Estate Claims, (b) the Claimant Trustee determines that the pursuit of Causes of Action (other than Estate Claims) is not likely to yield sufficient additional proceeds to justify further pursuit of such Causes of Action, (c) the Clamant Trustee determines that the pursuit of sales of other Claimant Trust Assets is not likely to yield sufficient additional proceeds to justify further pursuit of such sales of Claimant Trust Assets, (d) all objections to Disputed Claims and Equity Interests are fully resolved, (e) the Reorganized Debtor is dissolved, and (f) all Distributions required to be made by the Claimant Trustee to the Claimant Trust Beneficiaries under the Plan have been made, but in no event shall the Claimant Trust be dissolved later than three years from the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such third anniversary (and, in the event of further extension, by order of the Bankruptcy Court, upon motion made at least six months before the end of the preceding extension), determines that a fixed period extension (not to exceed two years, together with any prior extensions) is necessary to facilitate or complete the recovery on, and liquidation of, the Claimant Trust Assets.

9.2 Distributions in Kind. Upon dissolution of the Claimant Trust, any remaining Claimant Trust Assets that exceed the amounts required to be paid under the Plan will be transferred (in the sole discretion of the Claimant Trustee) in Cash or in-kind to the Holders of the Claimant Trust Interests as provided in the Claimant Trust Agreement.

9.3 Continuance of the Claimant Trustee for Winding Up. After dissolution of the Claimant Trust and for purpose of liquidating and winding up the affairs of the Claimant Trust, the Claimant Trustee shall continue to act as such until the Claimant Trustee's duties have been fully performed. Prior to the final distribution of all remaining Claimant Trust Assets, the Claimant Trustee shall be entitled to reserve from such assets any and all amounts required to provide for the Claimant Trustee's own costs and expenses, including a reserve to fund any potential indemnification or similar obligations of the Claimant Trust, until such time as the winding up of the Claimant Trust is completed. Upon the dissolution of the Claimant Trust and completion of the winding up of the assets, liabilities and affairs of the Claimant Trust pursuant to the Delaware Statutory Trust Act, the Claimant Trustee shall prepare, execute and file a certificate of cancellation with the State of Delaware to terminate the Claimant Trust pursuant to Section 3810 of the Delaware Statutory Trust Act (such date upon which the certificate of cancellation is filed shall be referred to as the "Termination Date"). If the Delaware Trustee's signature is required for purposes of filing such certificate of cancellation, the Claimant Trustee shall provide the Delaware

Trustee with written direction to execute such certificate of cancellation, and the Delaware Trustee shall be entitled to conclusively and exclusively rely upon such written direction without further inquiry. Upon the Termination date, the Claimant Trustee shall retain for a period of two (2) years, as a Claimant Trust Expense, the books, records, Claimant Trust Beneficiary lists, and certificated and other documents and files that have been delivered to or created by the Claimant Trustee. At the Claimant Trustee's discretion, all of such records and documents may, but need not, be destroyed at any time after two (2) years from the Termination Date.

9.4 Termination of Duties. Except as otherwise specifically provided herein, upon the Termination Date of the Claimant Trust, the Claimant Trustee, the Oversight Board and its Members shall have no further duties or obligations hereunder.

9.5 No Survival. The rights of Claimant Trust Beneficiaries hereunder shall not survive the Termination Date, provided that such Claimant Trust Beneficiaries are provided with notice of such Termination Date.

## ARTICLE X.
## AMENDMENTS AND WAIVER

The Claimant Trustee, with the consent of a simple majority of the Oversight Board, may amend this Agreement to correct or clarify any non-material provisions. This Agreement may not otherwise be amended, supplemented, otherwise modified, or waived in any respect except by an instrument in writing signed by the Claimant Trustee and with the unanimous approval of the Oversight Board, and the approval of the Bankruptcy Court, after notice and a hearing; provided that the Claimant Trustee must provide the Oversight Board with prior written notice of any non-material amendments, supplements, modifications, or waivers of this Agreement. No amendment or waiver of this Agreement that adversely affects the Delaware Trustee shall be effective unless the Delaware Trustee has consented thereto in writing in its sole and absolute discretion.

## ARTICLE XI.

11.2 Bankruptcy of Claimant Trust Beneficiaries. In no event shall the Claimant Trustee or the Claimant Trust Beneficiaries have any personal liability for such claims. If any liability shall be asserted against the Claimant Trust or the Claimant Trustee as the transferee of the Claimant Trust Assets on account of any claimed liability of, through or under the Debtor or Reorganized Debtor, the Claimant Trustee may use such part of the Claimant Trust Assets as may be necessary to contest any such claimed liability and to pay, compromise, settle or discharge same on terms reasonably satisfactory to the Claimant Trustee as a Claimant Trust Expense.

assignment of the balance of the remaining Estate Claims (as defined in the Plan) to the HMIT Entities; (c) the allowance of the HMIT Class 10 Interest in the Claimant Trust in a fixed amount; (d) distributions to HMIT on account of its Class 10 interest, including the assignment of the Dugaboy Note, a long-term note with no ready market, at times and in amounts, and subject to the conditions, set forth in the Settlement Agreement; and (e) the exchange of mutual general and broad releases and other protections consistent with the parties' intent to end all current, and avoid all future litigation, between and among them (except for any alleged breach of the Settlement Agreement).

2. The parties' entry into the Settlement Agreement is one of the most significant developments in the long-running Highland Bankruptcy Case. As this Court is aware, until now, HMIT has used its position as a holder of an unallowed, unvested, contingent interest in Class 10 of the Claimant Trust to commence litigation demanding books and records, seeking judicial declarations as to its claimed status as a beneficiary of the Claimant Trust, and asserting various other claims against the Highland Entities and their Court-appointed fiduciaries. The HMIT Entities have been made subject to a motion filed by Highland in the District Court seeking an adjudication that they or some of them are vexatious litigants. While that motion was denied by the District Court, Highland could bring the same type of motion before this Court. Also certain of the HMIT Entities have been named as defendants by the Liquidation Sub-Trust in the Amended Kirschner Complaint.

3. No more. The parties' willingness to resolve all disputes and settle all claims among them will finally end that portion of the protracted and value-destructive litigation that has impeded the Highland Entities' ability to distribute their assets to their constituents and fully implement the Plan. The Settlement Agreement will also remove substantial hurdles to the

eventual windup of the Highland Entities.[3] Indeed, among the many benefits that will accrue to the Highland Entities from the Settlement Agreement are: (a) the cessation of costly, time-consuming, and disruptive litigation; (b) the disposition of two significant Estate assets—the Estate Claims and another illiquid asset, the Dugaboy Note—via distribution, assignment, and sale in furtherance of the ultimate winding up of the Claimant Trust's affairs; (c) the resolution of all disputes in connection with the HMIT Class 10 interest in the Claimant Trust, which was not previously allowed; and (d) the protection against future value-destructive litigation.

4. The proposed Settlement Agreement is clearly in the best interests of the Highland Entities and their stakeholders and results from a sound exercise of their business judgment. The Motion should be granted.

## RELEVANT BACKGROUND

### I. HMIT's Partnership Interest in Highland

5. In December 2015, HMIT acquired 100% of Highland's Class B and Class C limited partnership interests (the "Class B/C Interests") from James Dondero, Mark Okada, and certain entities affiliated with them. Mr. Dondero—through the Dugaboy Investment Trust ("Dugaboy") and Strand Advisors, Inc. ("Strand")—and Mr. Okada, directly and indirectly, retained Highland's Class A limited partnership interests (the "Class A Interests").

6. The Class B/C Interests represented 99.50% of the Debtor's prepetition total equity. The Class A Interests, in aggregate, represented the remaining 0.50%.

7. Concurrently with its acquisition of the Class B/C Interests, HMIT executed that certain *Secured Promissory Note* dated December 21, 2015, in the original face amount of

[3] Assuming the Settlement Agreement is approved, the only unresolved Claims or Equity Interests will be Patrick Daugherty's claim (Adv. Proc. No. 25-03055-sgj, Docket No. 1 (Bankr. N.D. Tex. May 2, 2025) (the "Daugherty Claim")), and the disputed, out-of-the-money, *de minimis* Class 11 Equity Interests asserted by two Dondero controlled entities—Dugaboy and Strand.

$63,000,000 in favor of Highland (the "HMIT Note"), which, as of the Petition Date, had an outstanding principal balance of $57,690,640.95 (the "HMIT Note Balance").

8. On December 24, 2015, the Debtor and its limited partners, including HMIT, entered into that certain *Fourth Amended and Restated Agreement of Limited Partnership of Highland Capital Management, L.P.* (as subsequently amended, the "LPA"). Pursuant to the LPA, each limited partner had a capital account at the Debtor on account of its limited partnership interests.

9. As of the Petition Date, HMIT's capital account balance on account of its Class B/C Interests was $394,630,871.53 (the "HMIT Capital Account Balance"), and the capital account for all Class A Interests in aggregate was $1,983,069.70.[4]

## II. The Bankruptcy Case

10. The Debtor commenced the Bankruptcy Case in the District of Delaware on October 16, 2019, by filing its voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Bankruptcy Case was subsequently transferred to this Court.

11. On February 22, 2021, the Bankruptcy Court entered the *Order (I) Confirming the Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified) and (II) Granting Related Relief* [Docket No. 1943], which confirmed the *Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified)* [Docket No. 1943-1] (the "Plan"). The Plan went effective on August 11, 2021 [Docket No. 2700] (the "Effective Date").

12. On the Effective Date, in accordance with the Plan: (a) the Claimant Trust and Litigation Sub-Trust were created; (b) the Class B/C Interests and the Class A Interests were extinguished; (c) holders of allowed Class 10 interests, consisting of Class B/C Interests, would receive contingent and unvested Class 10 Interests if and when their claims or interests were

[4] As of the Petition Date, Dugaboy's capital account was $740,081.61; Strand's capital account was $994,707.76; and Mr. Okada's and his affiliates entities' capital accounts, in aggregate, was $248,280.33.

allowed in amounts determined under the Plan; (d) holders of allowed Class 11 interests, consisting of the Class A Interests, would receive contingent and unvested Class 11 Interests if and when their claims or interests were allowed in amounts under the Plan; (e) James P. Seery, Jr., was appointed the Claimant Trustee of the Claimant Trust; and (f) Marc Kirschner was appointed the Litigation Trustee of the Litigation Sub-Trust.

13. Presently, neither the HMIT Class 10 Interest nor any of the Class 11 Interests have been Allowed (as such term is defined in the Plan).

## III. The Kirschner Litigation

14. On October 15, 2021, the Litigation Trustee filed his *Complaint and Objection to Claims* (Adv. Proc. No. 21-03076-sgj, Docket No. 1 (Bankr. N.D. Tex. Oct. 15, 2021)) (the "Kirschner Complaint") which asserted, among other things, various claims against (a) Rand PE Fund and (b) HMIT, including a cause of action to collect amounts owed to Highland by HMIT pursuant to the HMIT Note.

15. On May 19, 2022, the Litigation Trustee amended the Kirschner Complaint (Adv. Proc. No. 21-03076-sgj, Docket No. 158 (Bankr. N.D. Tex. May 19, 2022)) (the "Amended Kirschner Complaint"). The Amended Kirschner Complaint asserted substantially similar claims against HMIT and Rand PE Fund, including claims to collect the amounts owed under the HMIT Note.

16. On April 4, 2023, upon the motion of the Litigation Trustee, this Court stayed prosecution of the Amended Kirschner Complaint, among other proceedings. Adv. Proc. No. 21-03076-sgj, Docket No. 338 (Bankr. N.D. Tex. April 4, 2023). As of the issuance of the stay, none of the HMIT Entities named a defendant had filed answers and therefore had not been required to file any counterclaims.

## IV. The Pending HMIT Litigation

17. On March 28, 2023, HMIT filed *Hunter Mountain Investment Trust's Emergency Motion for Leave to File Verified Adversary Proceeding* [Docket Nos. 3699, 3760, 3815, 3816] (as amended and supplemented, the "First Motion for Leave") in which HMIT asserted, *inter alia*, claims for breach of fiduciary duty, conspiracy, and unjust enrichment against Highland, the Claimant Trust, and Mr. Seery, among others. On August 25, 2023, this Court denied the First Motion for Leave. *In re Highland Cap. Mgmt., L.P.*, 2023 Bankr. LEXIS 2104 (Bankr. S.D. Tex Aug. 25, 2023). HMIT appealed to the District Court for the Northern District of Texas (the "District Court"), and, on March 21, 2025, the District Court remanded to this Court for further proceedings. *Hunter Mountain Inv. Tr. v. Highland Cap. Mgmt., L.P.*, Case No. 3:23-cv-02071-E, Docket No. 44 (N.D. Tex. Mar. 21, 2025).

18. On May 10, 2023, Dugaboy Investment Trust ("Dugaboy") and HMIT filed that certain *Complaint to (i) Compel Disclosures About the Assets of Highland Claimant Trust and (ii) Determine (a) Relative Value of Those Assets, and (b) Nature of Plaintiffs' Interests in the Claimant Trust*, Adv. Proc. No. 23-03038-sgj, Docket No. 1 (the "Valuation Complaint"), seeking an order (a) compelling the Claimant Trust to provide information about its assets, (b) valuing those assets, and (c) deeming Dugaboy and HMIT "Claimant Trust Beneficiaries." On May 24, 2024, this Court dismissed the Valuation Complaint with prejudice [Docket No. 27]. Dugaboy and HMIT appealed to the District Court (Case No. 3:24-cv-01531-X (N.D. Tex.)), and the appeal is fully briefed and *sub judice*.

19. On January 1, 2024, HMIT filed its *Motion for Leave to File a Delaware Complaint* [Docket. No. 4000] (the "Second Motion for Leave," and together with the First Motion for Leave and the Valuation Complaint, the "Pending HMIT Litigation"). On January 16, 2024, Highland and the Claimant Trust moved to stay the Second Motion for Leave pending

appellate review of the dismissal of the Valuation Complaint [Docket No. 4013] (the "Stay Motion"). On June 22, 2024, this Court granted the Stay Motion [Docket No. 4104]. HMIT subsequently appealed to the District Court (Case No. 3:24-cv-01786-L (N.D. Tex.)), and the appeal is fully briefed and *sub judice*.

## V. Summary of the Salient Terms of the Settlement Agreement

20. To resolve the disputes between the Highland Entities and the HMIT Entities, including the Pending HMIT Litigation, the parties and their counsel engaged in extensive arm's-length, good faith negotiations over the last several months. These negotiations resulted in the Settlement Agreement, which provides for, *inter alia*, the sale and transfer of certain Estate Claims and other Estate assets to the HMIT Entities, the dismissal of the Pending HMIT Litigation, and the exchange of broad mutual releases.

21. Subject to the terms of the Settlement Agreement, the principal terms of the Settlement Agreement are set forth below:[5]

- Within five (5) business days after the Court issues an order approving the allowance of HMIT Class 10 Interest (the "Bankruptcy Court Approval Date"), the HMIT Entities will dismiss the Pending HMIT Litigation with prejudice;[6]
- Within five (5) business days after the Bankruptcy Court Approval Date, the Litigation Trustee will dismiss HMIT and Rand PE Fund from Counts I, II, III, and XXIV (which relates to the HMIT Note) of the Amended Kirschner Complaint with prejudice;
- Within five (5) business days after the Bankruptcy Court Approval Date, Highland will pay $500,000 to HMIT;
- Subject to the Court's approval and the terms and conditions set forth in the Settlement Agreement, the HMIT's Class 10 Interests will be allowed in the amount of

[5] In the event of any inconsistency between this Motion and the Settlement Agreement, the terms of the Settlement Agreement shall control.

[6] The Valuation Complaint will only be dismissed as to HMIT; Dugaboy's claims in the Valuation Complaint will not be impaired.

$336,940,230.58, which represents the HMIT Capital Account Balance, less the HMIT Note Balance;[7]

- Within five (5) business days after the Bankruptcy Court Approval Date, (a) the Indemnity Trust will distribute $10 million Pro Rata to the Holders of allowed Class 10 Claims or Equity Interests and (b)(i) the Highland Entities will cause the portion of that certain *Promissory Note*, dated May 31, 2017, in the original face amount of $24,268,621.69, from Dugaboy, as Maker, and Highland Capital Management, L.P. and The Get Good Non-Exempt Trust, collectively as Payee (the "Dugaboy Note") held by the Highland Entities to be distributed in-kind to HMIT and (ii) the Indemnity Trust will distribute to HMIT cash in the aggregate amount of all principal and interest payments actually received on the Dugaboy Note by the Highland Entities, including the Indemnity Trust, from the date of the Settlement Agreement to the date of such assignment of the Dugaboy Note;[8]

- Subject to certain conditions precedent, the Indemnity Trust will make subsequent distributions Pro Rata to the Holders of allowed Class 10 Claims or Equity Interests with a final distribution date estimated to be on or about April 1, 2029;

- Within five (5) business days after the Bankruptcy Court Approval Date, the Litigation Trustee will, solely to the extent permitted by the Plan, the Litigation Sub-Trust Agreement, and applicable law, transfer, sell and assign to the HMIT Entities all Claims and causes of action that were asserted or could have been asserted by the Litigation Trustee in the Amended Kirschner Complaint (the "Transferred Claims"); and

- On the Bankruptcy Court Approval Date, the HMIT Releasors will provide broad, general releases to the Highland Released Parties and the Highland Releasors will provide broad, general releases to the HMIT Released Parties.

If the Settlement Agreement is approved, the only unresolved Claims or Equity Interests will be the Daugherty Claim and the Class 11 Equity Interests asserted by two Dondero controlled entities—Dugaboy and Strand—that have no value but, if they did, their aggregate maximum value, if allowed, would not exceed approximately $1.7 million.

---

[7] Notwithstanding anything to the contrary in the Plan or the Claimant Trust Agreement, HMIT shall not be deemed, and no holder of the HMIT Class 10 Interest shall be, a Claimant Trust Beneficiary or a "Beneficiary" under the Claimant Trust Agreement, and the Highland Released Parties, individually and collectively, shall owe no duty to any HMIT Releasor (whether contractual, fiduciary, equitable, statutory or otherwise), including with respect to the HMIT Class 10 Interest, in each case, except as expressly set forth in the Settlement Agreement.

[8] Pursuant to the Settlement Agreement, HMIT will engage an independent valuation service provider to value the Dugaboy Note for purposes of determining the magnitude of reduction to the outstanding allowed Class 10 Interests on account of such in-kind distribution, which shall not be less than 50% of the current balance owed under the Dugaboy Note. Contemporaneously with the assignment of the Dugaboy Note, the Indemnity Trust will make a *pro rata* cash distribution to any other Holder of an Allowed Class 10 Claim or Equity Interest based on such valuation.

## RELIEF REQUESTED

22. Pursuant to Bankruptcy Rule 9019 and Bankruptcy Code section 363(b), the Movants request entry of an order substantially in the form attached hereto as **Exhibit A**, granting the Motion, approving the Settlement Agreement, and authorizing the Highland Entities and their agents to take all actions necessary or desirable to implement the Settlement Agreement without the need for further notice or approval by the Court.

## BASIS FOR RELIEF REQUESTED

23. Bankruptcy Rule 9019 provides that "[o]n motion … and after notice and a hearing, the court may approve a compromise or settlement." FED. R. BANKR. P. 9019(a). Settlements are favored in the bankruptcy context to "minimize litigation and expedite the administration of a bankruptcy estate." *Myers v. Martin (In re Martin)*, 91 F.3d 389, 393 (3d Cir. 1996). The approval of a settlement is within the "sound discretion" of the Court. *In re Jackson Brewing Co.*, 624 F.2d 599, 603 (5th Cir. 1980).

24. Pursuant to Bankruptcy Rule 9019(a), the Court may approve a settlement if it is fair, reasonable, and in the best interests of the estate. *See, e.g., Official Comm. of Unsecured Creditors v. Moeller (In re Age Ref., Inc.)*, 801 F.3d 530, 540 (5th Cir. 2015). A settlement should be approved unless it falls below the lowest point in the range of reasonableness, based on a comparison between the terms of the settlement and the costs and benefits of further litigation. *See, e.g., Jackson Brewing Co.*, 624 F.2d at 602 (court must compare the "terms of the compromise with the likely rewards of litigation"); *Cook v. Waldron*, 2006 U.S. Dist. LEXIS 31411, at *10 (S.D. Tex. April 18, 2006) (court should "canvass the issues" to decide if settlement falls "below the lowest point in the range of reasonableness").

25. In evaluating a proposed settlement, courts consider (i) the "probability of success in the litigation, with due consideration for the uncertainty in fact and law," (ii) the "complexity

and likely duration of the litigation and any attendant expense, inconvenience and delay," and (iii) "[a]ll other factors bearing on the wisdom of the compromise." *Official Comm. of Unsecured Creditors v. Cajun Elec. Power Coop. (In re Cajun Elec. Power Coop.)*, 119 F.3d 349, 356 (5th Cir. 1997) (quoting *Jackson Brewing Co.*, 624 F.2d at 602). Assessing the first factor—success on the merits—does not require a "mini-trial" on the merits. *Cajun Elec. Power Coop.*, 119 F.3d at 356. The "other factors" include "the best interests of the creditors, 'with proper deference to their reasonable views,'" as well as "'the extent to which the settlement is truly the product of arms-length bargaining, and not of fraud or collusion.'" *Id.* (quoting *Conn. Gen. Life Ins. Co. v. United Cos. Fin. Corp. (In re Foster Mortg. Corp.)*, 68 F.3d 914, 917-18 (5th Cir. 1995)).

26. A trustee also "is permitted to settle lawsuits pursuant to section 363(b)" of the Bankruptcy Code. *Id*. at 354. Section 363(b) provides that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. 363(b)(1). A settlement involving a transaction outside the ordinary course of business "'must be supported by an articulated business justification, good business judgment, or sound business reasons.'" *Gluckstadt Holdings, L.L.C. v. VCR I, L.L.C. (In re VCR I, L.L.C.)*, 922 F.3d 323, 327 (5th Cir. 2019) (quoting *Cadle Co. v. Mims (In re Moore)*, 608 F.3d 253, 263 (5th Cir. 2010)).

27. As discussed in detail below, the factors to be considered pursuant to Bankruptcy Rule 9019 and Bankruptcy Code section 363(b) weigh in favor of approving the Settlement Agreement in this case.

28. First, although the Highland Entities believe they have strong and meritorious defenses to all of the Pending HMIT Litigation, history has shown that defending the Pending HMIT Litigation, including the appeals that could result therefrom, will be costly, time-consuming and value-destructive to the estate and creditor recoveries. Further, there is no guarantee that the

Highland Entities would continue to be successful in defending the Pending HMIT Litigation—or that the HMIT Entities will not file additional litigation against the Highland Entities and their indemnified parties.

29. The second factor—complexity, duration, and costs of litigation—also weighs heavily in favor of approval of the Settlement Agreement. As this Court is aware, the cost of defending against the litigation in this case, including the Pending HMIT Litigation, has been significant. The litigation and its attendant costs have also significantly delayed and reduced distributions to the Debtor's constituents. The Pending HMIT Litigation began in 2023 and, although HMIT has lost in this Court, the Pending HMIT Litigation is subject to at least two pending appeals and has no signs of resolving absent this settlement. If the Settlement Agreement is not approved, the Highland Entities will be faced with significant appellate litigation and potentially additional litigation in this Court and other courts to resolve the Pending HMIT Litigation as well as any other litigation that may be brought by the HMIT Entities if the Settlement Agreement—and the Litigation Protections, including the releases—are not approved.

30. Third, approval of the Settlement Agreement is justified by the paramount interest of Highland's creditors and constituents. The Settlement Agreement resolves the Pending HMIT Litigation, resolves all disputes in connection with the HMIT Class 10 claim; sells, transfers, and assigns the Estate Claims asserted in the Amended Kirschner Complaint—which has been pending since 2021 at significant cost to the estate—to the HMIT Entities; and provides for broad mutual releases and a cessation of the litigation and acrimony that has delayed consummation of the Plan. In exchange the Highland Entities are paying $500,000 and the Indemnity Trust is agreeing to scheduled distributions from the Indemnity Trust to the Holders of Allowed Class 10 Claims and Equity Interests. The Settlement Agreement is clearly a rational exercise of the Highland Entities' business judgment.

31. Finally, the Settlement Agreement was unquestionably negotiated in good faith and at arm's length. The Highland Entities' and HMIT Entities' relationship to date has been defined by hostility. Notwithstanding that history, the Highland Entities and HMIT Entities, with their advisors, negotiated the Settlement Agreement over the last several months, which, although not perfect for any party, finally resolves the years of active litigation and acrimony between the Highland Entities and HMIT Entities.

32. While this Motion is the motion of the Highland Entities, undersigned counsel for the HMIT Entities appears below to evidence the approval by the HMIT Entities of the form and content of this Motion.

## NO PRIOR REQUEST

33. No previous request for the relief sought herein has been made to this Court or any other court.

## PRAYER

**WHEREFORE**, the Movants respectfully request entry of an order, substantially in the form attached hereto as **Exhibit A**, granting the Motion and the relief requested herein, and granting them such other and further relief as the Court deems just and proper.

(c) Notwithstanding anything herein to the contrary, the obligations of the Indemnity Trust to make the First Subsequent Distribution or Second Subsequent Distribution is subject in all respects to (i) there being no Threats and (ii) a determination in accordance with Article VIII, Section 8.1(c) of the Indemnity Trust Agreement that the Indemnity Trust Assets comprising such distributions are not reasonably necessary to satisfy current or potential Indemnification Obligations (as defined in the Indemnity Trust Agreement) to all persons who are or might become Beneficiaries (as defined in the Indemnity Trust Agreement).

7. Final Distribution on the Allowed Class 10 Interests.

(a) On the later of the Final Court Approval Date and April 1, 2029, the Indemnity Trust will distribute all excess remaining Indemnity Trust Assets in accordance with Article VIII of the Indemnity Trust Agreement; provided, however, that the obligation of the Indemnity Trust to make any such distributions and/or dissolve and wind up the affairs of the Indemnity Trust is subject in all respects to (i) there being no Threats and (ii) a determination in accordance with Article VIII of the Indemnity Trust Agreement that (1) a Final Order(s) (as defined in the Indemnity Trust Agreement) has been entered resolving all litigation, claims or proceedings in any forum of any kind which could give rise to Indemnity Obligations (as defined in the Indemnity Trust Agreement) and payment in full of all such Indemnity Obligations and (2) all applicable statutes of limitations and any applicable tolling of such statutes of limitation have expired.

(b) The Indemnity Trust agrees to not use Indemnity Trust Assets to fund Operating Expenses.

(c) Following the Bankruptcy Court Approval Date, at the request of Mark Patrick, solely in his capacity, and to the extent he remains, as administrator of HMIT, but not more often than quarterly, Highland and the Indemnity Trust Administrator agree to review (i) the status of their respective assets, (ii) the balance of cash held, (iii) the status of any claims made for indemnification and any resolutions thereof, (iv) the status of any litigation, and (v) forecasted operating expenses with Mr. Patrick, and will each work in good faith to reduce operating expenses where reasonably practicable; provided, however, that all such reporting shall be subject to Mr. Patrick's agreement to maintain confidentiality with respect to any non-public information.

8. Transfer Kirschner Claims; Dismissal of HMIT Note Claims.

(a) Within five (5) Business Days after the Bankruptcy Court Approval Date, but after the dismissal provided for in Section 2, the Litigation Sub-Trust shall execute a short-

form assignment in in favor of the HMIT Entities transferring all of the Litigation Sub-Trust's right, title, and interest in and to the Kirschner Claims (the "**Kirschner Transfer**"). Such assignment shall be in a form mutually acceptable to the Parties and its substance shall be consistent with the terms, conditions and limitations set forth in this Agreement, including Section 8(b) below. Each HMIT Entity acknowledges and agrees that none of the Highland Entities will have any duty or obligation to assist the HMIT Entities in any way with respect to the Kirschner Claims, including the prosecution thereof, except as provided in this Agreement, including the terms of Section 8(c) below.

(b) THE HMIT ENTITIES SPECIFICALLY ACKNOWLEDGE AND AGREE THAT THE LITIGATION SUB-TRUST IS TRANSFERRING THE KIRSCHNER CLAIMS ON AN "AS IS AND WITH ALL FAULTS" BASIS AND THAT THE HMIT ENTITIES ARE NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, FROM THE HIGHLAND ENTITIES OR THEIR REPRESENTATIVES AS TO ANY MATTERS CONCERNING THE KIRSCHNER CLAIMS AND AMENDED COMPLAINT, INCLUDING WITH RESPECT TO THE ENFORCEABILITY, TRANSFERABILITY, VIABILITY, STRENGTH, OR VALUE OF ANY OF THE KIRSCHNER CLAIMS OR THE AMENDED COMPLAINT. The HMIT Entities hereby specifically acknowledge that they have carefully reviewed this Section and have had the opportunity to discuss its import with legal counsel and that the provisions of this Section are a material part of this Agreement. Thus, if for any reason HMIT is precluded from or is otherwise unable to prosecute all or any of the Kirschner Claims, (i) the HMIT Releasors shall have no recourse against any Highland Released Parties whatsoever and shall not be entitled to compensation of any kind, it being agreed that the HMIT Entities are otherwise receiving adequate consideration for the duties and obligations they are undertaking pursuant to this Agreement and (ii) there will be no effect whatsoever on the validity and enforceability of this Agreement or any of the other transactions contemplated hereby.

(c) As promptly as reasonably practicable following the Bankruptcy Court Approval Date, the Highland Entities shall provide to the HMIT Entities electronic copies of written discovery requests and responses thereto, and documents produced in discovery in respect of the Kirschner Claims and the Amended Complaint. The Highland Entities will not provide any other documents regarding the Kirschner Claims including any attorney-client communications and any documents subject to the attorney work-product doctrine or similar privileges or immunities concerning the Kirschner Claims (collectively, the "**Kirschner Privileges**"), it being understood and agreed that the Highland Entities are retaining, and not transferring or waiving, the Kirschner Privileges.

(d) Each Party acknowledges and agrees that if (i) the Kirschner Transfer is found or deemed to be impermissible or invalid, for any reason, or (ii) any HMIT Entity materially breaches this Agreement, the Kirschner Claims and Amended Complaint will revert to, and remain an asset of, the Litigation Sub-Trust.

9. General Release By The HMIT Entities. On the Bankruptcy Court Approval Date, and to the maximum extent permitted by law, each of the HMIT Entities, on behalf of itself and each of its respective Affiliates (including Affiliated and/or managed funds, accounts and other investment vehicles) and its and their respective current and former advisors, consultants,

administrators, trustees, directors, officers, managers, executives, members, partners (including limited and general partners), employees, beneficiaries, direct and indirect shareholders and other equity holders, agents, participants, direct and indirect subsidiaries and parents, successors, predecessors, designees, and assigns (whether by operation of law or otherwise) and all Persons claiming through, under or on their behalf (collectively with the HMIT Entities, the "**HMIT Releasors**") hereby forever, finally, fully, unconditionally, and completely releases, relieves, acquits, discharges, remises, and exonerates each Highland Released Party from, and waives and relinquishes, any and all Claims, which the HMIT Releasors, or any Person claiming through, under, or on behalf of any of the HMIT Releasors, ever had, now has, or hereafter can, shall, or may have against any of the Highland Released Parties by reason of, arising from, relating to, or in connection with, any fact, matter, or transaction that occurred prior to the Agreement Date, including any fact, matter, transaction, or occurrence asserted by any HMIT Entity in the Pending Litigation or in connection with, relating to, or with respect to the Bankruptcy Case, the management or operation of any of the Highland Released Parties, or the Highland Released Parties' property and including any defense, affirmative defenses, and right to setoff arising out of, or otherwise related to, any of the foregoing (collectively, the "**HMIT Entity Released Claims**").

10. General Release By The Highland Entities. On the Bankruptcy Court Approval Date, and to the maximum extent permitted by law, each of the Highland Entities, on behalf of itself and each of its respective Affiliates (including Affiliated and/or managed funds, accounts and other investment vehicles) and its or their respective current and former advisors, consultants, administrators, trustees, directors, officers, managers, executives, members, partners (including limited and general partners), employees, beneficiaries, direct and indirect shareholders and other equity holders, agents, participants, direct and indirect subsidiaries and parents, successors, predecessors, designees, and assigns (whether by operation of law or otherwise) and all Persons claiming through, under or on their behalf (collectively with the Highland Entities, the "**Highland Releasors**") hereby forever, finally, fully, unconditionally, and completely releases, relieves, acquits, discharges, remises, and exonerates each HMIT Released Party from, and waives and relinquishes, any and all Claims which the Highland Releasors, or any Person claiming through, under, or on behalf of any of the Highland Releasors, ever had, now has, or hereafter can, shall, or may have against any of the HMIT Released Parties by reason of, arising from, relating to, or in connection with, any fact, matter, or transaction that occurred prior to the Bankruptcy Court Approval Date, including any fact, matter, transaction, or occurrence in connection with, relating to, or with respect to the Bankruptcy Case, the management or operation of any of the HMIT Released Parties, or the HMIT Released Parties' property and including any defense, affirmative defenses, and right to setoff arising out of, or otherwise related to, any of the foregoing (collectively, the "**Highland Released Claims**").

11. Further Provisions Concerning The General Releases.

(a) **FOR THE AVOIDANCE OF DOUBT, THE FOREGOING RELEASES ARE INTENDED TO BE GENERAL AND INCLUDE A RELEASE OF ALL RELEASED CLAIMS, WHETHER KNOWN OR UNKNOWN, SUSPECTED OR UNSUSPECTED, ARISING OR EXISTING FROM THE BEGINNING OF TIME THROUGH AND INCLUDING THE AGREEMENT DATE.**

(b) To the maximum extent permitted by law, each of the HMIT Entities and the Highland Entities, on their own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, waives the benefit of any statute or other principle of law or equity that limits the applicability of a release with respect to Claims that the releasing party does not know or suspect to exist in his, her or its favor at the time of executing the release.

(c) Without limiting the scope of the foregoing waiver, in connection with the foregoing release, each of the HMIT Entities and the Highland Entities, on its own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, waives the benefits of Section 1542 of the California Civil Code (to the extent, if any, that Section 1542 might apply to the foregoing release), which provides as follows:

> **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

Each of the HMIT Entities and the Highland Entities, on their own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, hereby agrees that the provisions of Section 1542 of the Civil Code of the State of California and all similar federal or state law, rights, rules or legal principles, legal or equitable, in each case solely to the extent such provisions apply, **ARE HEREBY KNOWINGLY AND VOLUNTARILY WAIVED AND RELINQUISHED BY EACH OF THE HMIT ENTITIES AND THE HIGHLAND ENTITIES, ON THEIR OWN BEHALF AND ON BEHALF OF THE OTHER HMIT RELEASORS AND HIGHLAND RELEASORS, RESPECTIVELY,** in each and every capacity, to the full extent that such rights and benefits pertaining to the matters released herein may be waived, and each of the HMIT Entities and the Highland Entities, on their own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, hereby agrees and acknowledges that this waiver and relinquishment is an essential term of this Agreement, without which the consideration provided would not have been given.

In connection with such waiver and relinquishment, each of the HMIT Entities and Highland Entities acknowledges that it is aware that it may hereafter discover Claims presently unknown or unsuspected, or facts in addition to or different from those which it now knows or believes to be true, with respect to the matters released herein. Nevertheless, it is the intent of each of the HMIT Entities and the Highland Entities, on its own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, in executing this Agreement fully, finally, and forever to settle and release all such matters, and all Claims related thereto, which exist, may exist or might have existed (whether or not previously or currently asserted in any action) which are the subject to the releases granted above.

(d) As an integral component of this Agreement, and notwithstanding the Parties' intent set forth in the preamble hereto and the general nature of the releases in Sections 9 and 10, should:

(i) any HMIT Releasor contend or assert that any Claim of any kind whatsoever held by any HMIT Releasor against any Highland Released Party survives this Agreement and is in any way related to or arising from or in connection with any HMIT Entity Released Claim (such claim or cause of action, a "**HMIT Alleged Claim**"), such HMIT Releasor will be deemed to have irrevocably, fully, and finally assigned such HMIT Alleged Claim to the Highland Entities and the Highland Entities will be deemed to have forever, finally, full, unconditionally, and irrevocably, and completely released such HMIT Alleged Claim.

(ii) any Highland Releasor contend or assert that any Claim of any kind whatsoever held by any Highland Releasor against any HMIT Released Party survives this Agreement and is in any way related to or arising from or in connection with any Highland Entity Released Claim (such claim or cause of action, a "**Highland Alleged Claim**"), such Highland Releasor will be deemed to have irrevocably, fully, and finally assigned such Highland Alleged Claim to the HMIT Entities and the HMIT Entities will be deemed to have forever, finally, full, unconditionally, and irrevocably, and completely released such Highland Alleged Claim.

12. Covenant Not To Sue; Limitation on Standing. Upon the Agreement Date:

(a) Each of the HMIT Releasors covenants and agrees that it will not institute or prosecute any Action, in law, in equity or otherwise, against any of the Highland Released Parties, to recover, enforce, investigate, or collect any HMIT Entity Released Claim and will not (i) induce, encourage or direct any other Person to do so or (ii) act in concert with or assist (financially or otherwise) any other Person in doing so.

(b) Each of the Highland Releasors covenants and agrees that it will not institute or prosecute any Action, in law, in equity or otherwise, against any of the HMIT Released Parties, to recover, enforce, investigate, or collect any Highland Entity Released Claim and will not (i) induce, encourage or direct any other Person to do so or (ii) act in concert with or assist (financially or otherwise) any other Person in doing so.

(c) For the avoidance of doubt, this Agreement shall not operate to give any HMIT Entity standing for any purpose in connection with the Bankruptcy Case (or in connection with any appeal arising from any order entered by the Bankruptcy Court), except for the limited purpose of seeking Court approval of this Agreement (including with respect to any appeal concerning any order entered granting or denying such approval), and except for the limited purpose of enforcing this Agreement, no HMIT Entity shall commence any Action in connection with the HMIT Class 10 Interest.

13. Representations and Warranties.

(a) Each of the HMIT Entities hereby represents and warrants that every HMIT Entity Released Claim has not heretofore been assigned or encumbered and is not the subject of a transfer (as such term is defined in 11 U.S.C. § 101(54)), by any HMIT Releasor.

(b) The HMIT Entities, on their own behalf and on behalf of the other HMIT Releasors, acknowledge and agree that each Plan Provision is lawful, effective, and binding on the HMIT Releasors. The HMIT Entities further agree, on their own behalf and on behalf of the

other HMIT Releasors, that the HMIT Releasors will never, in any way, challenge or seek to modify, nullify, vacate, or revoke, or induce, encourage or direct any other Person to do so or act in concert with or assist (financially or otherwise) any other Person in doing so the Confirmation Order, the Plan, the Plan Protections, or any Plan Document, including the Claimant Trust Agreement, the LPA, the Indemnity Trust Agreement or the Litigation Sub-Trust Agreement, in the Bankruptcy Court, in any other state or federal court, in any other forum or tribunal, or otherwise, including administrative or regulatory tribunals and foreign courts.

(c) Each of the Highland Entities hereby represents and warrants that every Highland Entity Released Claim has not heretofore been assigned or encumbered and is not the subject of a transfer (as such term is defined in 11 U.S.C. § 101(54)), by any Highland Releasor.

(d) Each Party severally represents and warrants as to itself only that: (i) it has taken all necessary action to authorize and approve the execution, delivery and performance of this Agreement; (ii) such Party has full power and authority to execute and deliver this Agreement; and (iii) this Agreement constitutes a valid, legal and binding obligation of such Party, and is enforceable subject to its terms. Each individual signatory hereto individually warrants and represents to all Parties hereto that such individual has full power and authority to act on behalf of and bind the Party for which he or she has executed this Agreement; provided, however that no signatory shall otherwise provide any warranty or representation or otherwise be a party to this Agreement on an individual basis.

14. No Continuing Rights, Duties or Obligations. Except for the rights, duties, and obligations expressly set forth in this Agreement, all Rights and Obligations that existed or may have existed shall be deemed terminated, extinguished, and released upon the Agreement Date. For the avoidance of doubt, from and after the Agreement Date, (a) the Highland Released Parties, individually and collectively, shall owe no duty, past or present, including with respect to the Kirchner Claims, to the HMIT Released Parties, individually and collectively, whether contractual, fiduciary, equitable, statutory or otherwise, except as arising out of this Agreement, and (b) the HMIT Released Parties, individually and collectively, shall owe no duty to the Highland Released Parties, individually and collectively, whether contractual, fiduciary, equitable, statutory or otherwise, except as arising out of this Agreement.

15. Gatekeeper Standard.

(a) The HMIT Entities and the Highland Entities, on their own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, acknowledge and agree that, notwithstanding the United States Court of Appeals for the Fifth Circuit's decision in *Highland Capital Management Fund Advisors, L.P. v. Highland Capital Management, L.P.*, No. 23-10$^{53}$4 (5th Cir. Mar. 18, 2025), the "Gatekeeper" provisions contained in Highland's Original Plan is forever binding on each of the HMIT Entities and any Persons claiming through, under or on behalf of any of them, and for a claim or cause of action to be "colorable" for purposes of the Gatekeeper, it must be found by final order of the Bankruptcy Court (the "**Gatekeeper Court**"), which order shall be subject to appeal to a court of competent jurisdiction, to have satisfied the "Gatekeeper Colorability Test" as such term is defined in *In re Highland Capital Management, L.P.*, 2023 Bankr. LEXIS 2104 at *124-36 (Bankr. N.D. Tex. Aug. 24, 2023).

(b) The HMIT Entities and the Highland Entities, on their own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, acknowledge and agree that compliance with the Gatekeeper requires (i) a motion seeking leave to sue an Exculpated Party (as that term is defined in Highland's original Plan) and a finding that the litigant's claims and causes of action are "colorable" attaching a complaint setting forth the basis for such claims or causes of action and (ii), in the Gatekeeper Court's sole discretion, an evidentiary hearing (during which the Gatekeeper Court may, among other things, hear testimony and assess the credibility of any witness(es)) to determine whether a proposed claim or cause of action is "colorable."

(c) The HMIT Entities and the Highland Entities, on their own behalf and on behalf of the other HMIT Releasors and Highland Releasors, respectively, further acknowledge and agree that the moving party under the Gatekeeper has the burden of satisfying the "Gatekeeper Colorability Test," and that the dismissal of the Pending Litigation shall have res judicata effect.

16. Indemnification.

(a) Without in any manner limiting the available remedies for any breach of this Agreement, the HMIT Entities, severally but not jointly, agree to indemnify, defend, and hold the Highland Released Parties harmless from and against any and all Liability, that may arise or result from or on account of, or that are otherwise related or attributable to (x) any breach of this Agreement or of any representation or warranty contained in the Agreement, including the representations and warranties of any HMIT Entity set forth in Section 13 or (y) any Actions brought or prosecuted by or on behalf of, any HMIT Releasor or that are induced, encouraged, assisted or directed by any HMIT Releasor or brought or prosecuted in concert with any HMIT Releasor against any Highland Released Party with respect to or related to any HMIT Entity Released Claims. Without limiting the scope of the foregoing in any manner, any HMIT Entity that breaches Section 12 shall be liable to the Highland Released Party against whom the applicable Action has been brought or prosecuted in violation of Section 12 for the reasonable attorneys' fees and costs incurred by such Highland Released Party in defending against or otherwise responding to such Action. Each HMIT Entity acknowledges and agrees that the HMIT Entities are and shall be severally but not jointly liable for any Liability arising from or out of any breach of this Agreement or of any representation or warranty set forth in this Agreement.

(b) Without in any manner limiting the available remedies for any breach of this Agreement, the Highland Entities, severally but not jointly, agree to indemnify, defend, and hold the HMIT Released Parties harmless from and against any and all Liability, that may arise or result from or on account of, or that are otherwise related or attributable to (x) any breach of this Agreement or of any representation or warranty contained in the Agreement, including the representations and warranties of any Highland Entity set forth in Section 13 or (y) any suits, proceedings, or other actions brought or prosecuted by or on behalf of, any Highland Releasor or that are induced, encouraged, assisted or directed by any Highland Releasor or brought or prosecuted in concert with any Highland Releasor against any HMIT Released Party with respect to or related to any Highland Entity Released Claims. Without in any manner limiting the scope of the foregoing, any Highland Entity that breaches Section 12 shall be liable to the HMIT

Released Party against whom the applicable Action has been brought or prosecuted in violation of Section 12 for the reasonable attorneys' fees and costs incurred by such HMIT Released Party in defending against or otherwise responding to such Action. Each Highland Entity acknowledges and agrees that the Highland Entities are and shall be severally but not jointly liable for any Liability arising from or out of any breach of this Agreement or of any representation or warranty set forth in this Agreement.

17. Execution. This Agreement may be executed by the exchange of signatures by facsimile or by PDF attachment to an email transmittal and in counterparts, and if so executed, shall be fully executed when a counterpart has been executed and delivered by all Parties hereto through counsel. All counterparts taken together shall constitute one and the same agreement and shall be fully enforceable as such.

18. Bankruptcy Court Order. The allowance of the allowed HMIT Class 10 Interest pursuant to Section 4 is subject to the entry of the Bankruptcy Court Order. To that end, the Highland Entities shall file the 9019 Motion no later than five (5) Business Days after the Agreement Date. Each Party shall, and shall cause each of their respective Affiliates to, undertake any and all actions in compliance with applicable law to obtain the Bankruptcy Court Order as promptly as practicable, and without limiting the foregoing, if an Action is threatened or instituted by any Person opposing the 9019 Motion or otherwise challenging the validity or legality, or seeking to restrain the consummation, of the transactions contemplated by this Agreement or the Bankruptcy Court Order, each Party shall, and shall cause its respective Affiliates to, use their commercially reasonable best efforts to avoid, resist, resolve or, if necessary, and defend to effectuate this Agreement and consummate the transactions hereby. If the 9019 Motion is not approved by entry of the Bankruptcy Court Order or if the Bankruptcy Court Approval is precluded from becoming a Final Order, (a) there will be no effect on, adjustment to, or impairment of, in any way, the validity and enforceability of the remainder of this Agreement, and the other transactions contemplated hereby, all of which shall remain in full force and effect and (b) each Party shall, and shall cause its respective Affiliates to, use their best efforts to seek the allowance of the HMIT Class 10 Interest in a substantially similar amount and on substantially similar terms as set forth in Section 4 to the fullest extent possible so as to give effect to the original intent of the Parties as closely as possible.

19. Fees and Expenses. Whether or not the transactions contemplated hereby are consummated or the Bankruptcy Court Order is obtained, and except as otherwise expressly provided in this Agreement, each Party will bear its respective fees, costs and expenses (including legal, accounting and other professional fees) incurred in connection with the preparation, negotiation, execution and performance of this Agreement or the transactions contemplated hereby, including with respect to each Party's respective obligations pursuant to Section 18. Notwithstanding the foregoing, if any Party hereto, any Highland Released Party, or any HMIT Released Party brings an Action to enforce or interpret the terms and provisions of this Agreement, the prevailing Person in that Action shall be entitled to have and recover from the non-prevailing Person all such fees, costs and expenses (including all court costs and reasonable attorneys' fees) as the prevailing Person may suffer or incur in the pursuit or defense of such action or proceeding.

20. Entire Agreement; No Other Representations. **THIS AGREEMENT CONTAINS THE ENTIRE AGREEMENT BETWEEN THE PARTIES, AND NO RIGHTS ARE CREATED IN FAVOR OF ANY PERSON OTHER THAN AS SPECIFIED OR EXPRESSLY SET FORTH IN THIS AGREEMENT. THERE ARE NO REPRESENTATIONS, CONDITIONS, WARRANTIES, STATEMENTS, OR UNDERSTANDINGS (COLLECTIVELY, "REPRESENTATIONS"), EITHER ORAL OR WRITTEN, BETWEEN THE PARTIES OTHER THAN THOSE EXPRESSLY SET FORTH IN THIS AGREEMENT. THE PARTIES EXPRESSLY AGREE THAT THEY HAVE NOT BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY ANY REPRESENTATIONS NOT SET FORTH IN THIS AGREEMENT; AND THE PARTIES EXPRESSLY AGREE THAT THEY HAVE NOT RELIED ON ANY REPRESENTATIONS NOT EXPRESSLY SET FORTH IN THIS AGREEMENT. THE PARTIES EXPRESSLY AGREE THAT THEY ARE ENTERING INTO THIS AGREEMENT RELYING SOLELY ON THEIR OWN JUDGMENT AND NOT ON ANY REPRESENTATIONS BY ANY PARTY, EXCEPT FOR THOSE REPRESENTATIONS EXPRESSLY SET FORTH IN THIS AGREEMENT. THE PARTIES AGREE THAT REPRESENTATIONS NOT EXPRESSLY SET FORTH IN THIS AGREEMENT SHALL NOT BE USED IN THE INTERPRETATION OR CONSTRUCTION OF THIS AGREEMENT, AND NEITHER THE HMIT RELEASED PARTIES NOR THE HIGHLAND RELEASED PARTIES SHALL HAVE ANY LIABILITY FOR ANY CONSEQUENCES ARISING AS A RESULT OF ANY REPRESENTATIONS NOT SET FORTH IN THIS AGREEMENT**.

21. Agreement and Release Knowing and Voluntary. The Parties acknowledge that they have considered this Agreement with their respective attorneys and have carefully read this Agreement, that it has been fully explained by their attorneys, and that they have had a reasonable opportunity to consider this Agreement. The Parties further represent that they know and fully understand the contents of this Agreement, that they intend to be legally bound by this Agreement and the releases and covenants contained herein, and that they are signing this Agreement, including the release provisions herein, voluntarily and of their own free will and without coercion, and with the benefit of advice of counsel.

22. Cooperation. The Parties agree to perform any services or actions reasonably necessary to carry out the terms and conditions of this Agreement or the transactions contemplated hereby, including the execution and delivery of reasonable additional documents, instruments, conveyances and/or assurances, in good faith, and to reasonably communicate and cooperate with one another in this regard. For the avoidance of doubt, nothing in this Section shall obligate the Highland Entities to assist the HMIT Entities in any way with respect to the Kirschner Claims, including the prosecution thereof.

23. Governing Law. This Agreement shall be construed pursuant to and governed by the laws of the State of Delaware (substantive and procedural) without reference to principles of conflicts of law that would result in the application of any other State's laws.

24. Jurisdiction/Venue. The Parties hereby irrevocably submit to the jurisdiction and venue of the Bankruptcy Court with respect to any Action arising out of or related to this Agreement or the subject matter hereof; if (and only if) the Bankruptcy Court lacks personal or

subject matter jurisdiction to adjudicate an Action arising out of or related to this Agreement or the subject matter hereof, then the Parties irrevocably submit to the jurisdiction and venue of the United States District Court for the Northern District of Texas.

25. No Admissions. All Parties acknowledge and agree that the matters set forth in this Agreement constitute the settlement and compromise of disputed Claims and that this Agreement shall not constitute the admission of any fact or liability by any of them regarding any Claim, including the Claims released hereunder, and neither the terms hereof, nor the fact of this Agreement itself, shall be evidence of any kind in any Action, other than an Action to enforce the terms of the Agreement or any instrument executed in connection herewith or any claim for damages or other relief for breach of any representation or warranty contained herein or in any instrument executed in connection herewith.

26. Other Provisions.

(a) No representation, inducement, agreement, promise or understandings altering, modifying, amending, taking from or adding to, the terms and conditions hereof shall have any force or effect unless the same is in writing and validly executed by each of the Parties hereto.

(b) The waiver by any Party of any breach of, or default under, any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach or default; provided, however, that for any such waiver to be enforceable, it shall be in writing and executed by the non-breaching Party.

(c) The headings contained in this Agreement are for convenience only and shall in no way restrict or otherwise affect the construction of the provisions hereof.

(d) The Parties shall each execute all documents and perform all acts necessary and proper to effectuate the terms of this Agreement.

27. Notices. All notices required or permitted to be provided hereunder shall be afforded to the respective parties to and through their counsel, and shall be transmitted simultaneously by electronic mail (with PDF attachments, as necessary) and by telefax, addressed as follows:

**PRELIMINARY OBJECTION OF THE DUGABOY INVESTMENT TRUST TO THE MOTION FOR ENTRY OF AN ORDER PURSUANT TO BANKRUPTCY RULE 9019 AND 11 U.S.C. § 363 APPROVING SETTLEMENT WITH THE HMIT ENTITIES**

**COMES NOW**, the Dugaboy Investment Trust ("Dugaboy") and submits this Preliminary Objection (the "Objection") to the *Motion for Entry of an Order Pursuant to Bankruptcy Rule 9019 and 11 U.S.C. § 363 Approving Settlement with the HMIT Entities and Authorizing Actions Consistent Therewith* [Dkt. No. 4216] (the "Settlement Motion"), and in support thereof, respectfully states as follows:

**PRELIMINARY STATEMENT**

1. The Settlement Motion seeks approval of a settlement agreement between Highland Capital Management, L.P. ("Highland"), the Highland Claimant Trust, the Highland Litigation Sub-Trust, and the Highland Indemnity Trust (collectively, the "Highland Entities"), on the one hand, and Hunter Mountain Investment Trust ("HMIT") and related entities (the "HMIT Entities")

on the other (the "Settlement Agreement"). On June 6, 2025, Dugaboy retained the undersigned counsel to represent it with respect to the Settlement Motion. The undersigned promptly requested a brief two-week extension of the Settlement Motion's objection deadline. Counsel for the Highland Entities declined any extension. As such, Dugaboy files this Objection to preserve its rights, and expressly reserves the right to supplement this Objection after conducting discovery of the issues relevant to the Settlement Motion.

2. If the Court grants the Settlement Motion, it will approve a wide-ranging compromise that would significantly alter the confirmed Plan (as defined below). Specifically, the Settlement Motion attempts to elevate distributions to certain equity interests (Class 10) above the remaining creditors and provides for accelerated distributions *ahead* of those creditor[s].[1] Such a distribution is a clear violation of the terms of the Plan and its implementation documents, including the Claimant Trust Agreement. For this reason alone, the Court should deny the Settlement Motion.

3. Additionally, the Settlement Motion is devoid of information sufficient to allow the Court or other parties in interest to determine whether the proposed Settlement Agreement meets the standards for approval, including evidence to support the distribution of any assets to the holders of any equity interests, including the HMIT Entities, and evidence to support the allowance of HMIT's Class 10 interest in the amount of $336,940,230.58. As a result, Dugaboy intends to serve discovery upon the Highland Entities to obtain the evidence relating to these and other issues set forth in the Settlement Motion.

[1] It is not clear from the Settlement Motion the total number of remaining, unpaid claimants. In footnote 3 of the Settlement Motion, the Highland Entities represent that if the Settlement Motion is granted, the only "unresolved claim" is the claim of Patrick Daugherty. Since the Settlement Motion proposes making distributions to only the holder of a Class 10 Equity Interest, it implies that the only "unresolved claim" (maybe the only unpaid claim) is held by Mr. Daugherty.

4. Finally, the Settlement Agreement's currently drafted mutual release provisions are vague and overly broad. Out of an abundance of caution, Dugaboy objects to any language that explicitly or implicitly attempts to impose a release of any of its claims or the claims of any affiliates, including James Dondero ("Dondero"), against any Highland Entity (as that term is defined in the Settlement Agreement) or any HMIT Entity (as that term is defined in the Settlement Agreement). For these reasons, as further detailed below, the Settlement Motion should be denied.

**PROCEDURAL HISTORY**

5. The Debtor commenced the above-captioned case (the "Bankruptcy Case") in the District of Delaware on October 16, 2019. The Bankruptcy Case was subsequently transferred to this Court. On February 22, 2021, this Court entered the *Order (I) Confirming the Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified) and (II) Granting Related Relief* [Docket No. 1943], which confirmed the *Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified)* [Docket No. 1943-1] (the "Plan"). The Plan went effective on August 11, 2021 [Docket No. 2700] (the "Effective Date").

6. On the Effective Date, in accordance with the Plan: (a) Highland established the Claimant Trust for the benefit of the Claimant Trust Beneficiaries; (b) Highland established Litigation Sub-Trust for the benefit of the Claimant Trust as the "Litigation Sub-Trust Beneficiary"; (c) the Class B/C Interests and the Class A Interests in Highland were extinguished; (d) holders of allowed Class 10 interests, consisting of Class B/C Interests, would receive contingent and unvested Class 10 Interests if and when their claims or interests were allowed in amounts determined under the Plan; (e) holders of allowed Class 11 interests, consisting of the Class A Interests, would receive contingent and unvested Class 11 Interests if and when their claims or interests were allowed in amounts under the Plan; (f) James P. Seery, Jr., was appointed

the Claimant Trustee of the Claimant Trust; and (g) Marc Kirschner was appointed the Litigation Trustee of the Litigation Sub-Trust.

7. Subsequently, on or about August 16, 2021, the Claimant Trust, as grantor through the Claimant Trustee (Mr. Seery), established the Indemnity Trust for the benefit of the "Trust Indemnified Parties."[2] In general terms the "Trust Indemnified Parties" and "Beneficiaries" of the Indemnity Trust are (a) the "Indemnified Parties" identified in Sec. 8.2 of the Claimant Trust Agreement, (b) the "Indemnified Parties" identified in Sec. 8.2 of the Litigation Sub-Trust and (c) the "Covered Persons" under Sec. 10 of the Reorganized Limited Partnership Agreement of Highland. Mr. Seery appointed himself the Indemnity Trust Administrator for the Indemnity Trust and is generally responsible for managing the Indemnity Trust.[3]

8. Prior to the filing of the Settlement Motion, neither the Class 10 Interests held by HMIT nor any of the Class 11 Interests, including those held by Dugaboy, have been Allowed (as defined in the Plan). The Settlement Motion, however, proposes to alter this state of affairs with an agreement to allow HMIT's Class 10 Interests and to authorize distribution of funds and assets to HMIT by the Claimant Trust or by other entities for the benefit of the Claimant Trust. The proposed distributions being made by the Claimant Trust, or for the benefit of the Claimant Trust, are being effectuated, apparently, prior to payment in full of all holders of claims.

---

[2] According to the Settlement Agreement, the Indemnity Trust Agreement has been amended at least two times, most recently "effective as of [April 28], 2025." See, Settlement Agreement, p.5 (definition of "Indemnity Trust Agreement"). Upon information and belief, the Second Amendments to the Indemnity Trust Agreement have not been provided to Dugaboy.

[3] The Settlement Agreement was signed for the Highland Entities by Mr. Kirschner as the Litigation Trustee for the Litigation Sub-Trust and Mr. Seery as (a) the Chief Executive Officer of Highland, (b) the Claimant Trustee for the Claimant Trust and (c) the Indemnity Trust Administrator for the Indemnity Trust.

## INITIAL OBJECTIONS

### A. The Settlement Agreement Violates the Terms of the Plan and the Claimant Trust Agreement

9. The Claimant Trust Agreement has explicit requirements that must be met prior to the distribution of funds or assets to any Equity Trust Certificate holders. Sec. 5.1(c) of the Claimant Trust Agreement provides:

> (c) Contingent Trust Interests. On the date hereof, or on the date such Interest becomes Allowed under the Plan, the Claimant Trust shall issue Contingent Interests to Holders of Allowed Class 10 Class B/C Limited Partnership Interests and Holders of Allowed Class 11 Class A Limited Partnership Interests (collectively, the "Equity Holders"). The Claimant Trustee shall allocate to each Holder of Allowed Class 10 Class B/C Limited Partnership Interests and each Holder of Allowed Class 11 Class A Limited Partnership Interests a Contingent Trust Interest equal to the ratio that the amount of each Holder's Allowed Class 10 or Class 11 Interest bears to the total amount of the Allowed Class 10 or Class 11 Interests, as applicable, under the Plan. Contingent Trust Interests shall not vest, and the Equity Holders shall not have any rights under this Agreement, unless and until the Claimant Trustee files with the Bankruptcy Court a certification that all GUC Beneficiaries have been paid indefeasibly in full, including, to the extent applicable, all accrued and unpaid post-petition interest consistent with the Plan and all Disputed Claims have been resolved (the "GUC Payment Certification"). Equity Holders will only be deemed "Beneficiaries" under this Agreement upon the filing of a GUC Payment Certification with the Bankruptcy Court, at which time the Contingent Trust Interests will vest and be deemed "Equity Trust Interests." The Equity Trust Interests shall be subordinated in right and priority to Subordinated Trust Interests, and distributions on account thereof shall only be made if and when Subordinated Beneficiaries have been repaid in full on account of such Subordinated Beneficiary's Allowed Subordinated Claim, in accordance with the terms of the Plan, the Confirmation Order, and this Agreement. The Equity Trust Interests distributed to Allowed Holders of Class A Limited Partnership Interests shall be subordinated to the Equity Trust Interests distributed to Allowed Holders of Class B/C Limited Partnership Interests.

10. Before the Holders of Class 10 or Class 11 Interests are entitled to receive any distribution of property, the Claimant Trustee is required to file with the Court the "GUC Payment Certification" (as defined in Section 5.1(c) of the Claimant Trust Agreement). As of the filing of the Settlement Motion, the GUC Payment Certification had not been filed. So, based on the

express terms of the Claimant Trust Agreement, no distribution can be made to the HMIT Entities based on its Class 10 Interests.

11. The Settlement Agreement, however, includes an agreement between the Highland Entities and the HMIT Entities as to the allowed amount of HMIT's Class 10 Interest: $336,940,230.58. And Section 4(b) of the Settlement Agreement provides that, notwithstanding the allowance of HMIT's Class 10 Interest, it shall not be a "Claimant Trust Beneficiary" or a "Beneficiary" under the Claimant Trust Agreement.

12. In an apparent attempt to subvert the prohibition against making distributions to the HMIT Entities, the Settlement Agreement proposes to have distributions made by entities under the control of the Claimant Trust or the Claimant Trustee to the HMIT Entities. For example:

- Highland, which is wholly owned, directly and indirectly, by the Claimant Trust, is making a $500,000 payment to the HMIT Entities;[4]
- the Indemnity Trust, which was created by the Claimant Trust for the benefit of the Indemnified Parties identified in the Claimant Trust, the Litigation Trust and the Highland limited partnership agreement is making a series of payments in an amount not less than $23 million (and could be more if any funds remain in the Indemnity Trust on April 1, 2029) to be applied to HMIT's allowed Class 10 Equity Interest;
- the Litigation Trust, the sole beneficiary of which is the Claimant Trust, is transferring to the HMIT Entities the "Kirschner Claims";[5] and
- "The Highland Entities" (the specific Highland Entity is not disclosed in the Settlement Motion or Settlement Agreement) is transferring to HMIT the Dugaboy Note. After the Dugaboy Note is valued, the value is to be applied to HMIT's Class 10 Interest.

13. All, or substantially all, of the payments and transfers of property are being made by *or for the benefit of* the Claimant Trust to reduce the HMIT Entities' Class 10 Equity Interests

[4] The Settlement Agreement is silent as to how this payment is to be applied by HMIT. Will it be applied to HMIT's Class 10 Interest?

[5] The Settlement Agreement is silent as to the value of the "Kirschner Claims" or how such value it to be applied by HMIT. Once again, will the value attributed to the "Kirschner Claims" be applied to HMIT's Class 10 Interest?

in violation of the express terms of the Claimant Trust Agreement and Plan. As such, the Settlement Motion should be denied.

**B. There is Insufficient Evidence to Support Approval of the Settlement Agreement**

14. The Highland Entities are proposing a settlement with the HMIT Entities that violates the Plan, the Claimant Trust Agreement and the Confirmation Order. As a result, Dugaboy requires discovery relating to a number of relevant issues, including but not limited to:

- Has the Claimant Trust paid all the creditors, including the Class 9 subordinated creditors, in full?
- Is the Debtor solvent and capable of paying all the creditors, including the Class 9 subordinated creditors, in full?
- If the Debtor has not paid all creditors in full, does it have adequate funds and resources to pay all creditors in full?
- What is the basis of the Claimant Trustee's agreement to allow the Class 10 Equity Interest of HMIT in the amount of $336,940,230.58?
- What is the basis of the Claimant Trustee's assertion in Footnote 3 as to the amount of the Class 11 Equity Interests?
- What value is being attributed to the Kirschner Claims, and will such value be applied to HMIT's Class 10 Equity Interest?

15. The forgoing factual issues are not exhaustive but illustrate a sampling of the types of open factual issues left unaddressed by the Settlement Motion. Dugaboy intends to serve discovery on the Highland Entities with regard to the Settlement Motion. Because the Highland Entities have failed to provide sufficient evidence to support approval of the Settlement Agreement, the Court should deny the Settlement Motion.

**C. The Releases Contained in the Settlement Agreement are Vague and Overly Broad**

16. Finally, the Settlement Motion contains vague and overly broad mutual release provisions. Out of an abundance of caution, Dugaboy objects to any language that explicitly or implicitly attempts to impose a release of any of its claims or the claims of any affiliate, including

Mr. Dondero, of any Highland Entity (as that term is defined in the Settlement Agreement) or any HMIT Entity (as that term is defined in the Settlement Agreement).

**RESERVATION OF RIGHTS**

17. In the event the Court grants Dugaboy's motion to extend the response deadline to the Settlement Motion, Dugaboy reserves its rights to supplement this Objection. Further, Dugaboy reserves its rights to supplement this Objection as a result of evidence that will be obtained in discovery.

**WHEREFORE, PREMISES CONSIDERED**, Dugaboy prays that the Court enter an order (a) denying the Settlement Motion, and (b) granting Dugaboy such other and further relief to which it is entitled.

# DUGABOY INVESTMENT TRUST

## POTENTIAL TRANSACTION EXECUTIVE SUMMARY [1]

- The Dugaboy Investment Trust ("Dugaboy") is a Delaware Trust established in 2010 for the benefit of Jim Dondero ("Dondero")
- Dugaboy is believed to be one of Dondero's most significant personal assets, holding among other items:
  - 100% LP interest in NexPoint Advisors, Dondero's flagship real estate investment platform
  - Significant portfolio of publicly traded Dondero-managed entities as well as privately held real estate investments and other private investments
  - A potential claim to a contingent unvested derivative interest in the HCMLP estate through Dugaboy's purported claim on Hunter Mountain Investment Trust
- Dugaboy was the Maker of a Promissory Note (the "Original Note") dated 12/28/16 in the face amount of $23,817,639.58 owed to The Get Good Non-Exempt Trust [2] as Payee
  - The Get Good Non-Exempt Trust assigned 97.6835% of its interest in the original note to HCMLP on 12/28/16, retaining 2.3165%
  - The Original Note was replaced by an Amended Note in the face amount of $24,198,069.28 dated 5/31/17 and further replaced by a Promissory Note (the "Note") in the face amount of $24,268,621.69, also dated 5/31/17
  - The current face amount owed to HCMLP under the Note is $18,174,936.62 [3]
  - Despite raising defenses with other notes owed by Dondero-affiliated entities, Dugaboy's trustee affirmed under oath that no similar oral agreements existed beyond those specific notes [4]
  - Dugaboy's counsel in fact asserted that "there is no dispute that . . . Dugaboy has been making (and continues to make) payments on the Dugaboy Note and that there is little risk of Dugaboy defaulting on the Dugaboy Note" [5]
- Terms of the Note:
  - Unsecured note due 12/31/46 [6]
  - Interest: 3.26% payable annually on December 31
  - Amortization: 1 / 30 of original principal amount owed annually on December 31 ($790k owed annually to HCMLP, or 4.35% of the current principal amount)

|---|---|---|---|---|---|---|---|
| Riva Ridge Capital Management | Stephn Golden | Founding Partner- PM | 2/27/2024 | Over telephone discussed information in HCMLP prepared materials and the opportunity | Asked questions regarding the counter-party; rejected receipt of the materials; no interest at all; "life's too short" | None | Acutally laughed; stated that while the note was performing, that was for now; in his view the note was an invitation to litigate |
| Cyrus Capital Partners | Svetoslav Nikov | Partner/Analyst | 2/27/2024 | Over telephone, discussed information in HCMLP materials and the opportunity | Very quick no; no interest in the materials; believes owning the note is asymetric risk to the downside -- if it pays back, a modest return for the risk; if it defaults, your investors will want to know why you would voluntarily become a creditor to Dondero. Compared the opportunity to the chance to lend money to Phil Falcone. Once again said "lifes too short to be a creditor of Dondero" | None | |
| Carronade Capital Management | Dan Gropper | Managing Partner/CIO | 2/23/2024 | Initial email mentioning note; lunch meeting with Gropper and head of research Andy Taylor on 2/29/24; reviewed materials at lunch meeting | Gropper and Taylor quickly expressed no interest in the note; upside vs. downside skewed (far too much downside); even if the upside was better balanced, the liklihood of litigation over such a small note made the investment unattactive (even if you got costs of collection); asset transfers out of maker also a concern | None. Did not want to keep the materials | Small note with likely costly litigation that would be never ending makes the opportunity completely unattactive |
| UBS | Nader Attalla | Structured Credit Trading; responsible for day-to-day managemnet of UBS actions against Dondero | 2/23/2024 | Initial email mentioning note; follow up call and emailing of "teaser" | Two calls in March and early April; He has been too busy to focus on it; troubled by the fact that it does not cross-default with other Dugaboy obligations | Has Teaser; follow-up discussion required | UBS is suing Dondero and Dugaboy on other obligations/torts; could be useful to them at the right price |

Bardin Hill would not be interested in being a direct counterpart to Dondero especially if that was their only recourse. | Desai and Claimant Trust to consider ways to lend against the note and other assets in the event the Claimant Trust desires $10 million to $20 million of liquidity | Thoughtful approach; no interest in Dondero as a counterparty but would like to provided liquidity to the Trust and use a variety of assets to secure the BH advances. |

## SUMMARY OF DONDERO AFFILIATED NOTES DUE TO HCMLP

- Highland is in the process of collecting on notes owed by Dondero-affiliated entities, which are in default [1]
- Dondero-affiliates raised a number of defenses, including the existence of an alleged oral agreement with Nancy Dondero as Trustee of Dugaboy and holder of a majority of HCMLP units that the notes would be forgiven contingent on Dondero's monetization of certain assets [2]
- On 1/17/23, the Bankruptcy Court filed a supplemental report and recommendation finding the Dondero-affiliates liable for the notes under Highland's motion for summary judgement
- On 7/6/23, the United States District Court, Northern District of Texas, Dallas Division adopted and approved the Bankruptcy Court's Report and Recommendation on HCMLP's motion for summary judgement on the notes and subsequently entered amended final judgements against the Dondero entities
- Defendants have paid the judgement amounts into the court registry, pending appeal to the United States Court of Appeals for the Fifth Circuit

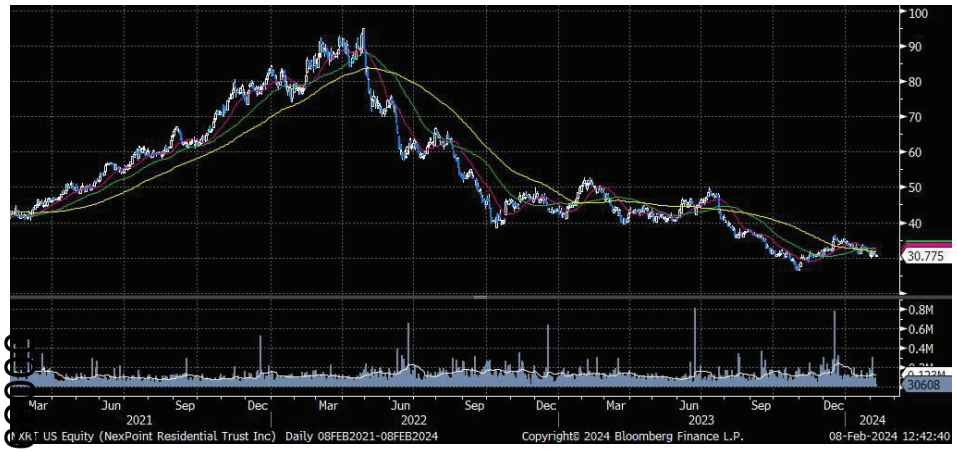
## DUGABOY SECURITIES PORTFOLIO NXRT

### Business verview



NexPoint Residential Trust, Inc ("N RT") is an externally advised, publicly traded real estate investment trust (REIT)focused on the acquisition, asset management, and disposition of multifamily assets, located primarily in the Sun Belt region of the United States.

The company pursues investments in class B multifamily real estate properties, typically with a value-add component, where it can invest significant amounts of capital to provde "life-style" amenities to "workforce" housing.

N RT was formed via a spin-off from the predecessor to N DT, which at the time was a closed end fund (NHF)

N RT is NexPoint's flagship investment product

### Capital Structure

NexPoint Residential Trust, Inc

|---|---|---|
| Mortgages payable | $ 1,575 | |
| Credit Facility | $ 41 | |
| Total Debt | $ 1,616 | 11.7x |

### Considerations

Dugaboy owns 7.6% of outstanding N RT shares

N RT benefited from 2015-21 from era of low interest rates

Growth story has been challenged recently as company forced to sell assets to reduce leverage

Currently 36% of debt matures by 2026 and carries a weighted average floating rate of 6.3%

$21.6mm of run-rate annual fees are being waived by NexPoint Advisors, whose LP interest is 100% owned by Dugaboy, therefore if N RT fundamentals can improve it represents significant upside to Dugaboy through both share appreciation and revenue

# SUMMARY OF BACKGROUND AND RECOMMENDATION

- As has been discussed at several prior meetings, Dugaboy is the Maker and HCMLP is a Payee under a promissory note with a long-dated maturity and annual P&I payments
- The note has a current principal balance of approximately $18.2 million and has accrued interest of approximately $0.3 million as of June 30, 2024 and has no restrictions with respect to assignment.
  - The next payment is due December 31, 2024, with $0.8 million of principal and $0.6 million of interest due
  - Subsequent payments are due on December 31 of each year - $0.8 million of principal, plus accrued interest
  - See next slide for amortization schedule
- During 1H 2024, Highland has engaged with numerous parties in an attempt to determine the market for the note and ultimately to assign the note if a willing buyer was prepared to offer reasonable value in exchange
- These efforts (as described in greater detail herein) ultimately proved unsuccessful as neither Dondero parties nor third parties ultimately made any (let alone an attractive) bid for the note
- While the asset lacks a liquid market and carries with it all the stigma and risks associated with its Maker, the note is nevertheless currently performing and has some value
  - However, the time horizon to monetization is long and mismatched with the timing of other remaining assets of HCMLP and the Claimant Trust
- Separately, regarding reserves for indemnification obligations, the Indemnity Trust remains well short of it's 9-figure target

# SUMMARY OF OUTREACH EFFORTS

| Potential buyer | Person contacted | Title | Initial date contacted | Information/materials provided | Responses |
|---|---|---|---|---|---|
| Riva Ridge Capital Management | Stephen Golden | Founding Partner/PM | 2/27/24 | Over telephone, discussed information in HCMLP-prepared materials and the opportunity | Asked questions regarding the counter-party; rejected receipt of the materials; no interest at all; "life's too short"; actually laughed; stated that while the note was performing, that was for now; in his view the note was an invitation to litigate |
| Cyrus Capital Partners | Svetoslav Nikov | Partner/Analyst | 2/27/24 | Over telephone, discussed information in HCMLP materials and the opportunity | Very quick no; no interest in the materials; believes owning the note is asymmetric risk to the downside – if it pays back, a modest return for the risk; if it defaults, your investors will want to know why you would voluntarily become a creditor to Dondero. Compared the opportunity to the chance to lend money to Phil Falcone. Once again said "life's too short to be a creditor of Dondero" |
| Carronade Capital Management | Dan Gropper | Managing Partner/CIO | 2/23/24 | Initial email mentioning note; lunch meeting with Gropper and head of research Andy Taylor on 2/29/24; reviewed materials at lunch meeting | Gropper and Taylor quickly expressed no interest in the note; upside vs. downside skewed (far too much downside); even if the upside was better balanced, the likelihood of litigation over such a small note made the investment unattractive (even if you got costs of collection); asset transfers out of Maker also a concern; Gropper and Taylor did not want to keep the materials |
| UBS | Nader Attalla | Structured Credit Trading; responsible for day-to-day management of UBS actions against Dondero | 2/23/24 | Initial email mentioning note; follow-up call and emailing of "teaser" | Two calls in March and early April; he has been too busy to focus on it; troubled by the fact that it does not cross-default with other Dugaboy obligations; while UBS is suing Dondero and Dugaboy on other obligations torts, making this note potentially useful at the right price, UBS ultimately did not have a bid |
| Bardin Hill Investment Partners | Pratik Desai | Partner/PM | 6/7/24 | Initial email with "teaser" and requesting follow-up call | 30 minute call on June 10, 2024; reviewed teaser with Desai; questions regarding background of note; why it had not been accelerated; payment history; terms; Dugaboy's assets and liabilities; payback period at various discounts; ultimately would require a material discount to 50% soft offer; asked about lending against the note and/or other Claimant Trust assets with material haircuts. Bardin Hill would not be interested in being a direct counterpart to Dondero especially if that was their only recourse; Bardin Hill would consider ways to lend against the note or other assets if the Claimant Trust was in need of $10-$20 million of liquidity |
| NexPoint/affiliates | Matt McGraner & DC Sauter | CIO<br>General Counsel | 5/16/24 | Email with description of note; Indicated nonbinding offer price of $12M, subject to approval of Oversight Board | DC Sauter responded via email of 5/22/24 that they were not currently interested in the terms outlined. If the terms change, they would be interested in taking another look. They did not have a bid of their own. |

Dave, thanks for following up, and sorry for not responding. We're not currently interested in the terms you outline below, but I think it's a positive thing if we can continue to resolve some of these outlying issues on mutually agreeable terms. If the terms of your proposed transaction change, we'd certainly be interested in taking another look.

Matt/DC,
I have not heard anything back from you on the Dugaboy note and other assets mentioned in my email last week. Please let me know if there is any interest in the assets for NexPoint or any of its affiliates. If not, we will go forward with other transactions. I understand you are likely busy but would appreciate if you would confirm that you are passing by tomorrow morning. Thanks.

Matt/DC,

I wanted to reach out to you on a few points to see if there was any interest amongst the NexPoint affiliated entities. While much of this doesn't fit neatly into your team's world like SE Multi and NHT, the fact that we were able to get those assets traded gives me some hope that traction may be possible in other places. Hoping you may have some feedback on the following:

Dugaboy Note
I'd be happy to provide more details on the note itself, or you could verify these points with Dugaboy's accountant, but the basics are as follows and it's quite a simple asset:

- Principal outstanding to Highland - $18,174,936.62
- Interest rate – 3.26% fixed
- WAL (yrs) – 10.5
- Payments – P+I Due December 31 each year (next payment due 12/31/24)
  - Minimum principal amort to Highland - $790,214.64 each year
  - Next interest payment to Highland is $594,126.23
  - Combined payment of $1,384,340.87 due 12/31/24
- Final payment date– December 31, 2046

This note wasn't part of the "notes litigation" and has not been accelerated because Dugaboy has stayed current on its payments.

Before we complete a transfer of the Dugaboy note, we wanted to at least check NexPoint's/Dondero's interest in buying it back. The following is a summary of the price and terms by which Highland would consider offering to sell the note. These terms are indicative and nonbinding and nothing in this email constitutes a firm commitment. Any firm offer to sell must be in a writing signed by Highland's CEO after approval of the Claimant Trust Oversight Board.

Purchaser – NexPoint Advisors, LP or its affiliates
Proposed purchase price (the "Purchase Price") - $12,000,000.00 in cash
a. Purchase Price as % of principal outstanding – Approximately 66%
b. Discount to current principal outstanding - $6,174,936.62
c. Implied purchaser IRR – Approximately 9%

Trades flat – Purchase Price represents the total amount of consideration to be paid
Closing – on or before May 31, 2024
"As-is, where-is" with no reps or warranties, except ownership and authority to sell

Our willingness to consider any discount is simply to facilitate an immediate sale of the note and does not impact our view of value.

Please revert to us by close of business on Wednesday, May 22, 2024 with any feedback you may have. If you desire to move forward, we will promptly seek Oversight Board approval and prepare documentation with a firm offer. If we don't hear from you, we'll be taking that to mean there is no interest.

Ginn
It's a small stub position, but Highland/Highland-managed funds have ownership interests in Ginn (A & B loans and LLC units). We believe NexPoint also has ownership through its affiliated entities, and understand Matt DiOrio is currently serving as a Director of G-LA Resorts Holdings, LLC. We'd be willing to sell these interests to NexPoint or one of its affiliates for nominal consideration to facilitate the further wind down of entities, which will cost more to maintain than the prospective value that may eventually come out of Ginn, which we understand could take up to several more years. We thought this might be appealing to you since it wouldn't create incremental monitoring burden to your team. If interested, just let me know and I'd be happy to help coordinate documentation.

Global resolution

Since the unsuccessful mediation last October, it's been quiet on this front, but the framework that Highland would consider is essentially unchanged. The level of indemnification reserves needed for indemnified parties and the cash on hand that needs to be maintained for future expenses could be reduced with agreement to broad, unequivocal releases and a permanent cessation of litigation. Dondero's counsel has Highland's position with respect to the scope of these items, which have not changed since the mediation and remain the gating issue to begin a substantive conversation. I raise this point only to highlight that the door is open if he'd like to engage at all – whether now or in the future. I don't want to be wasting peoples' time, but it shouldn't go unsaid either.

Thank you,
Dave

## Report of Independent Auditors

To the General Partner of Highland Capital Management, L.P.

We have audited the accompanying consolidated financial statements of Highland Capital Management, L.P. and its subsidiaries (collectively, the "Partnership"), which comprise the consolidated balance sheet as of December 31, 2018, and the related consolidated statements of income, of changes in partners' capital and of cash flows for the year then ended.

***Management's Responsibility for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Partnership's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Highland Capital Management, L.P. and its subsidiaries as of December 31. 2018, and the results of their operations, changes in their partners' capital and their cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The Supplemental Consolidating Balance Sheet, the Supplemental Consolidating Statement of Income, the Supplemental Unconsolidated Balance Sheet and the Supplemental Unconsolidated Statement of Income are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole.

## 1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment adviser under the Investment Advisers Act of 1940 that manages collateralized loan obligations ("CLOs"), hedge funds, private equity funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is owned by an unaffiliated (other than through its direct ownership) trust as well as affiliated trusts and personal holdings of the senior management of the Partnership.

As of December 31, 2018, the Partnership provided investment advisory services for eighteen CLOs, five separate accounts, one master limited partnership, and nine hedge funds or private equity structures, with total fee-earning assets under management of approximately $3.1 billion. The Partnership also provides investment services on behalf of affiliate advisors.

## 2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its consolidated financial statements.

### Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles in the United States of America ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification and are stated in the United States Dollar.

### Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

### Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries ("Consolidated Entities"), which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs' expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

The Partnership assesses consolidation requirements pursuant to ASU 2015-02: Consolidation, which was adopted using the modified retrospective method and resulted in an effective date of adoption of January 1, 2016.

The Partnership and its affiliate's involvement with unconsolidated VIEs is generally limited to that of an advisory services provider, and their investment, if any, represents an insignificant interest in the relevant investment entities' assets under management. The Partnership's affiliate's exposure to risk in these entities is generally limited to any capital contribution it has made or is required to make and any earned but uncollected asset based and performance fees. The Partnership has not issued any investment performance guarantees to these VIEs or their investors, except that the Partnership has agreed to subject the full value of its equity interest in Highland Prometheus Fund to dollar-for-dollar reduction to the extent the third party investor in such fund does not achieve an annual target return.

As of December 31, 2018, the net assets of the unconsolidated VIEs and the Partnership's maximum risk of loss were as follows:

*(in thousands)*

| | Unconsolidated VIE Net Assets | Carrying Value and Maximum Risk of Loss |
|---|---|---|
| Sponsored investment funds | $ 206,329 | $ 12,178 |

**Consolidation of Variable Interest Entities**
The Partnership consolidates the following VIEs (along with majority owned funds: Highland Diversified Credit Fund, L.P., and Highland Select Equity Fund, L.P., collectively the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

The following table includes a rollforward of non-controlling interests from December 31, 2017, to December 31, 2018.

| Noncontrolling interest of deconsolidated entities | (3,218) |
| Noncontrolling interest, December 31, 2018 | $ 316,867 |

**Investment Transactions**
Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the consolidated financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

See Note 5 for the Partnership's fair value process and hierarchy disclosures.

**Management and Incentive Fee Revenue**
The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2018, the Partnership and its Consolidated Entities recognized management fees and incentive fees of approximately $36.6 million and $0.1 million, respectively.

**Shared Services Revenue**
The Partnership recognizes revenue as earned in connection with services provided to related parties under various shared services agreements. Under these agreements, the Partnership earns fees for services including, but not limited to, back office support functions, marketing, and investment advisory services. During the year ended December 31, 2018, the Partnership and its Consolidated Entities recognized shared services revenue of approximately $9.2 million, which has been presented in *Shared services fees* in the Consolidated Statement of Income. See further discussion in Note 8.

**Income and Expense Recognition**
Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums associated with purchases of investments are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis over the life of the investment. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

**Income Taxes**
The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these consolidated financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. See further discussion in Note 13.

**Cash and Cash Equivalents**
Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Cash equivalents are carried at cost, which approximates market value. At December 31, 2018, the Partnership and Consolidated Entities held cash balances at certain financial institutions in excess of the federally insured limit of $0.3 million. The Partnership and Consolidated Entities regularly monitor the credit quality of these institutions.

**Notes Receivable**
Notes receivable consists of secured promissory notes with maturities greater than one year. When available, the Partnership uses observable market data, including pricing on recent closed transactions to value notes. When appropriate, these notes may be valued using collateral values. Adjustments to the value may be performed in circumstances where attributes specific to the collateral exist suggesting impairment.

**Other Intangible Assets**
Goodwill and other intangible assets are recorded on the Consolidated Balance Sheet at current carrying values. The Partnership and its Consolidated Entities perform an impairment test on an annual basis. Any impairment in the value of other intangible assets is accounted for in the year when it occurs.

**Fixed Assets and Leasehold Improvements**
Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

The Partnership and its Consolidated Entities are depreciating fixed assets as follows:

| | Period |
|---|---|
| Leasehold improvements | Lease term |
| Buildings | 29 - 40 years |
| Furniture and fixtures | 7 years |
| Computer and equipment | 3 - 5 years |
| Computer software | 3 years |

**Securities Sold, Not Yet Purchased**
Certain of the Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand.

Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender. A gain (which cannot exceed the price at which the Consolidated Investment Funds sold the security short) or a loss (which theoretically could be unlimited in size) will be settled upon termination of a short sale.

**Due to/from Brokers**
Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Partnership's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

**Options Contracts**
The Partnership and the Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership or the Consolidated Entities purchase (write) an option, an amount equal to the premium paid (received) by the entity is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the Partnership or the Consolidated Entities enter into a closing transaction), the entity realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership or the Consolidated Entities purchasing a security at a price different from the current market value.

The Partnership and the Consolidated Entities are exposed to counterparty risk from the potential that a seller of an option contract does not sell or purchase the underlying asset as agreed under the terms of the option contract. The maximum risk of loss from counterparty risk to the Partnership and the Consolidated Entities is the greater of the fair value of its open option contracts or the premiums paid to purchase the open option contracts. The Partnership and the Consolidated Entities consider the credit risk of the intermediary counterparties to its option transactions in evaluating potential credit risk.

**Margin Transactions**
To obtain more investable cash, certain of the Consolidated Entities may use various forms of leverage including purchasing securities on margin. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

**Withdrawals Payable**
Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2018. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. At December 31, 2018, the Consolidated Investment Funds had withdrawals payable of $57.0 million.

**Foreign Currency Transactions**
The Partnership's subsidiaries HCM Singapore and HCM Korea use Singapore dollars and Korean won, respectively, as their functional currency. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2018. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the Consolidated Statement of Income.

The Consolidated Entities do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments* on the Consolidated Statement of Income.

**Life Settlement Contracts**
One of the Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are recorded as a component of “Investments at fair value” on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of *Purchase of investments* and *Proceeds from dispositions of investments* on the Consolidated Statement of Cash Flows. At December 31, 2018, the Consolidated Investment Fund was invested in 13 policies, which had a total face value of approximately $145.3 million and a fair value of $35.7 million.

**Financing**
The Partnership and its Consolidated Entities may finance the acquisition of its investments in securities and loans through financing arrangements which are classified in Notes payable and Investment liabilities on the Consolidated Balance Sheet. The Partnership and its Consolidated Entities recognize interest expense on all borrowings on the accrual basis in the Consolidated Statement of Income.

**Financial Instruments**
The Partnership and its Consolidated Entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable, withdrawals payable, debt and notes payable, due to brokers, investment liabilities and accrued liabilities approximate their fair values. For fair value of investment, see Note 5.

**Accounts Payable, Accrued and Other Liabilities**
Expenses are recorded on an accrual basis, as incurred. Current liabilities are included in Accounts payable. Long-term liabilities are included in Accrued and other liabilities.

**Partners' Capital**
The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

## 5. Fair Value of Financial Instruments

### Fair Value Measurement

U.S. GAAP defines fair value as the price an entity would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants as of the measurement date. The standard requires fair value measurement techniques to reflect the assumptions market participants would use in pricing an asset or liability and, where possible, to maximize the use of observable inputs and minimize the use of unobservable inputs. It also establishes the following hierarchy that prioritizes the valuation inputs into three broad levels:

- Level 1 – Valuation based on unadjusted quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Entities have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.

- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active that are reflective of recent market transactions; or (c) models in which all significant inputs are observable, either directly or indirectly.

- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Entities use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being reclassified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates. Whenever possible, the Partnership and its Consolidated Entities use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Entities develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

The Partnership has established policies, as described above, processes and procedures to ensure that valuation methodologies for investments and financial instruments that are categorized within all levels of the fair value hierarchy are fair and consistent. A Pricing Committee has been established to provide oversight of the valuation policies, processes and procedures, and is comprised of various personnel from the Partnership. The Pricing Committee meets monthly to review the proposed valuations for investments and financial instruments. The Pricing Committee is responsible for establishing the valuation policies and evaluating the overall fairness and consistent application of those policies.

As of December 31, 2018, the Partnership and its Consolidated Entities' investments consisted primarily of common equity securities, closed-end mutual funds, floating rate syndicated bank loans, real estate investment trusts, life settlement contracts, limited partnership interests, rights and warrants, LLC interests, asset-backed securities, and preferred equity. In addition, certain of the Consolidated Entities engage in short sale transactions. The majority of these financial instruments are not listed on national securities exchanges and management is required to use significant judgment to estimate their values.

**Public Equity Investments**
Publicly traded equities, including closed-end mutual funds and publicly traded REITs are valued at the closing price at the date of the financial statements. The fair value of equity investments that are not traded on national exchanges or through real-time quotation services are derived from methodologies that provide appropriate fair value estimates. Equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

**Private Equity Investments**
The Partnership and Consolidated Entities hold private equity investments which often resulted from the restructuring of other instruments which are classified as common equity securities. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Partnership and Consolidated Entities will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publically available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances. Private equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Private equity investments that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

The Consolidated Entities also invest in warrant securities of publicly–traded companies. The fair value of these investments is based on an option pricing model. The option model bases warrant value on a number of factors including underlying equity price as of the valuation date, strike price, exercise date, time to expiration and volatility. Warrant investments that have observable volatility are classified as Level 2 assets. Warrant investments where volatility inputs are not observable are valued using an estimated volatility input, and are classified as Level 3 assets.

**Debt Securities**

The Partnership and Consolidated Entities invest in various types of debt, including floating rate syndicated bank loans, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Partnership and Consolidated Entities first seek to obtain reliable market quotes from other parties dealing in the specific asset. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Loans and bonds that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Absent both a reliable market quote and third-party pricing service date, the Partnership and Consolidated Entities may use various models to establish an estimated exit price. These investments are classified as Level 3 assets. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

**Life Settlement Contracts**

Life Settlement contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. Management generally utilizes an independent third party firm to perform these calculations and provide the relevant inputs. Management evaluates the results based on visible market activity and market research. Since these inputs are not readily observable, these contracts are classified as Level 3 assets.

At December 31, 2018, the Consolidated Entities' investments in life settlement contracts consisted of the following:

(U.S. dollars in thousands, except number of policies)

| Remaining Life Expectancy (in years) | Number of Policies | Face Value | Fair Value |
|---|---|---|---|
| 1-2 | - | $ - | $ - |
| 2-3 | 3 | 33,785 | 16,940 |
| 3-4 | - | - | - |
| 4-5 | - | - | - |
| Thereafter | 10 | 111,500 | 18,804 |
| Total | 13 | $ 145,285 | $ 35,744 |

**Asset-Backed Securities**
The Consolidated Entities invest in a variety of asset-backed securities. Asset-backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Entities generally utilize an independent third parties to provide the relevant inputs. The Consolidated Entities evaluate the results based on visible market activity and market research. When appropriate, the Consolidated Entities may apply other techniques based on a specific asset's characteristics. Asset-backed securities with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Asset-backed securities that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

**Limited Partnership and LLC Interests**
The Partnership and its Consolidated Entities hold limited partnership and LLC interests in various entities. These assets are valued as the net asset value of the limited partnership interests because the entities utilize fair value accounting for their own financial statements. These interests are classified as Level 3 assets.

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2018:

In addition to the unobservable inputs utilized for various valuation methodologies, the Partnership often uses a combination of two or more valuation methodologies to determine fair value for a single holding. In such instances, the Partnership assesses the methodologies and ascribes weightings to each methodology. The selection of weightings is an inherently subjective process, dependent on professional judgement. These selections may have a material impact to the concluded fair value for such holdings.

The significant unobservable inputs used in the fair value measurement of the Partnership's assets could fluctuate significantly, resulting in a significantly higher or lower fair value measurement.

## 6. Financial Instruments with Concentration of Credit and Other Risks

**Financial Instruments**
The Partnership and its Consolidated Entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The Consolidated Entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the Consolidated Entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

**Market Risk**
Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Entities due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Entities' exposure to market risk is affected by a number of macroeconomic factors, such as interest rates, availability of credit, inflation rates, economic uncertainty and changes in laws and regulations. These factors may affect the level and volatility of securities prices and the liquidity of the Partnership and its Consolidated Entities investments. Volatility or illiquidity could impair the Partnership and its Consolidated Entities performance or result in losses. The Partnership and its Consolidated Entities may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets. The performance of life settlement contracts may be adversely impacted by the under estimation of mortality and other rates.

**Credit Risk**
Credit risk is the potential loss the Partnership and its Consolidated Entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the Consolidated Entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the Consolidated Entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

**Liquidity Risk**
The Consolidated Entities' limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Entities nor their manager expects such a market to develop.

**Business Risk**
The Partnership provides advisory services to the Consolidated Entities. Consolidated Entities could be materially affected by the liquidity, credit and other events of the Partnership.

**High Yield Bonds and Loans**
The Partnership and its Consolidated Entities' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Entities' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

When the Partnership and its Consolidated Entities purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Entities have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Entities may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

**Debt Obligations**
The Partnership and its Consolidated Entities' investment portfolio consists of collateralized loan obligations that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. Because of the inherent uncertainty of these investments, the Partnership's best estimates may differ significantly from values that would have been used had broader market for the investments existed.

**Distressed Investments**
A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Entities invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

**Corporate Bonds, Preferred Securities, and Loans**
The Consolidated Entities may invest in corporate bonds, floating rate syndicated bank loans, and preferred securities which are rated in the lower rating categories by the various credit rating agencies (or in comparable non-rated securities). Securities in the lower rating categories are subject to greater risk of loss of principal and interest than higher-rated securities and are generally considered to be predominantly speculative with respect to the issuer's capacity to pay interest and repay principal. They are also subject to greater risks than securities with higher ratings in the case of deterioration of general economic conditions. Because of these greater risks associated with the lower-rated securities, the yields and prices of such securities may be more volatile than those for higher-rated securities. The market for lower-rated securities is thinner and less active than that for higher-rated securities, which could adversely affect the prices at which these securities may be sold by the Consolidated Entities.

**Limited Diversification**
The Investment Manager attempts to diversify the Consolidated Entities' investments. However, the Consolidated Entities' portfolios could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Entities. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Entities to losses that are disproportionate to market movements as a whole.

At December 31, 2018, the Consolidated Entities' investments were predominantly concentrated in the United States and Cayman Islands.

**Exit Difficulties**
The Partnership and its Consolidated Entities cannot assure investors that it will be able to exit its investments by sale or other disposition at attractive prices, if at all. The mergers and acquisitions and public securities markets are highly cyclical, which means that the Consolidated Entities' investments, even its best performing investments, may be illiquid for extended periods of time despite the Consolidated Entities' efforts to identify attractive exit opportunities. Additionally, a significant portion of the Consolidated Entities' assets at any time will likely consist of debt obligations and other securities that are thinly-traded, for which no market exists and/or are restricted as to their transferability under applicable law and/or documents governing particular transactions of the Consolidated Entities. In some cases, the Consolidated Entities may be unable to realize an investment prior to the date on which the Consolidated Entities are scheduled to terminate and/or have to sell or otherwise dispose of one or more investments on disadvantageous terms as a result of the Consolidated Entities' termination, or distribute such investments in kind.

**Custody Risk**
The clearing operations for the Partnership and its Consolidated Entities are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Entities' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Entities may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Entities might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

**Leverage Risk**
The Consolidated Entities may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Entities' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Entities. If the value of the Consolidated Entities' securities fall below the margin level required by a counterparty, additional margin deposits would be required. If the Consolidated Entities are unable to satisfy a margin call, the counterparty could liquidate the Consolidated Entities' positions in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Entities to incur significant losses. In addition, to the extent the Consolidated Entities have posted excess collateral for margin transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Entities' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Entities. In addition, because the use of leverage allows the Consolidated Entities to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Entities may lose in the event of adverse price movements is high in relation to the amount of their investment.

In the event of a sudden drop in the value of the Consolidated Entities' assets, the Consolidated Entities may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Entities may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Entities have the ability to apply discretionary margin, haircut, and financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

**Foreign Currency Risk**
The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

**Concentration of Investments**
At December 31, 2018, the Consolidated Entities' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

**Litigation Risk**
The Partnership and its Consolidated Entities are periodically subject to legal actions arising from the ordinary course of business. The ultimate outcome of these cases is inherently uncertain and could result in additional losses to the Partnership and/or its Consolidated Entities. Refer to Note 14 for a discussion of open litigation.

## 7. Intangible Assets

On May 12, 2017, HCM Latin America, as manager, purchased all rights and obligations for management of a certain hedge fund. As of December 31, 2018, the current carrying value of these rights and obligations is $3.0 million, which consists of the original purchase price of $2.0 million and a deferred purchase price of $1.0 million and is reflected in the Consolidated Balance Sheet.

The Partnership and its Consolidated Entities perform an impairment test as required by U.S. GAAP on a yearly basis. The Partnership has determined that an impairment charge was necessary for the value obtained on December 19, 2017, for subadvisory and shared servicing rights from an affiliate. As of December 31, 2018, the asset was determined to be fully impaired and an impairment expense of $2.8 million is reflected in the Consolidated Statement of Income.

## 8. Related Party Transactions

**Investments Under Common Control**
Certain members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. As of December 31, 2018, the Partnership and its Consolidated Entities held the following investments in these companies:

*(in thousands)*

**Expenses Reimbursable by Funds Managed**
In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2018, approximately $6.4 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in *Other Assets* in the accompanying Consolidated Balance Sheet.

**Accounts Held with Related Party**
During the year the Partnership and its Consolidated Entities maintained bank accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2018, balances in these accounts were approximately $0.5 million, a portion of which exceeds Federal deposit insurance limits.

**Investment in Affiliated Loans**
During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank was the agent bank. ## 14. Legal Proceedings

The Partnership and certain affiliated investment vehicles are defendants in a complaint filed on February 24, 2009 New York state court by UBS Securities LLC and UBS AG, London Branch relating to a CLO warehouse facility with respect to which UBS is attempting to extend liability beyond the two entities that bore sole risk of loss under the governing documents. On February 19, 2010, the court dismissed all claims against the Partnership. UBS since has filed additional claims against the Partnership and certain additional investment vehicles. On July 21, 2011, the First Appellate Division again dismissed two of UBS's four claims against the Partnership, severely limiting the remaining two claims. Additional claims were dismissed in a further appellate ruling issued on October 31, 2017. Certain claims were tried in July 2018 against two Highland-affiliated defendants, but the trial court has neither ruled on those claims nor indicated when it will set UBS's remaining claims for trial. The second trial, if it occurs, will try all claims against the Partnership and certain affiliated investment vehicles.

From time to time the Partnership is party to disputes with disgruntled former employees. One such matter involves a former employee that improperly recorded internal conversations in violation of the Partnership's internal policies and procedures and potentially certain criminal and regulatory provisions. The former employee obtained a $7.9 million judgment against Highland affiliate Acis Capital Management, L.P. ("Acis"). The employee currently is attempting to collect this judgment through various proceedings in Texas state and federal court, including claims against Highland for receipt of assets from Acis.

In another matter, a Court ruled that a former employee breached his fiduciary duty to the Partnership, owed damages to the Partnership, and ordered the former employee to cease using or disclosing the Partnership's confidential information. Additionally, an award was entered in favor of the employee against a separate incentive compensation entity for an interest that was already escrowed in his name prior to trial and in which he was already vested. The dispute over the amount of his vested interest is on-going. Additionally, the Partnership from time to time must take action to enforce the permanent injunction against the former employee's continuing improper disclosures of the Partnership's confidential information.

The Partnership is engaged in litigation and arbitration with a group of investors relating to the post-financial crisis wind down and distribution of the remaining assets in the Crusader hedge fund vehicle.

The Partnership currently is and has been previously subject to various legal proceedings, many of which have been due to the nature of operating in the distressed loan business in the U.S. The legal process is often the route of last resort to recover amounts due from delinquent borrowers. We currently do not anticipate these proceedings will have a material negative impact to the Partnership.

## ARTICLE 3

## FINANCIAL MATTERS

**3.1. Capital Contributions.**

(a) Initial Capital Contributions. The initial Capital Contribution of each Partner shall be set forth in the books and records of the Partnership.

(b) Additional Capital Contributions.

(i) The General Partner, in its reasonable discretion and for a *bona fide* business purpose, may request in writing that the Founding Partner Group make additional Capital Contributions in proportion to their Percentage Interests (each, an "***Additional Capital Contribution***").

(ii) Any failure by a Partner to make an Additional Capital Contribution requested under Section 3.1(b)(i) on or before the date on which that Additional Capital Contribution was due shall result in the Partner being in default.

(c) Consequences to Defaulting Partners. In the event a Partner is in default under Section 3.1(b) (a "***Defaulting Partner***"), the Defaulting Partner, in its sole and unfettered discretion, may elect to take either one of the option set forth below.

(i) Default Loans. If the Defaulting Partner so elects, the General Partner shall make a loan to the Defaulting Partner in an amount equal to that Defaulting Partner's additional capital contribution (a "***Default Loan***"). A Default Loan shall be deemed advanced on the date actually advanced. Default Loans shall earn interest on the outstanding principal amount thereof at a rate equal to the Applicable Federal Mid-Term Rate (determined by the Internal Revenue Service for the month in which the loan is deemed made) from the date actually advanced until the same is repaid in full. The term of any Default Loan shall be six (6) months, unless otherwise extended by the General Partner in its sole and unfettered discretion. If the General Partner makes a Default Loan, the Defaulting Partner shall not receive any distributions pursuant to Section 3.9(a) or Section 5.3 or any proceeds from the Transfer of all or any part of its Partnership Interest while the Default Loan remains unpaid. Instead, the Defaulting Partner's share of distributions or such other proceeds shall (until all Default Loans and interest thereon shall have been repaid in full) first be paid to the General Partner. Such payments shall be applied first to the payment of interest on such Default Loans and then to the repayment of the principal amounts thereof, but shall be considered, for all other purposes of this Agreement, to have been distributed to the Defaulting Partner. The Defaulting Partner shall be liable for the reasonable fees and expenses incurred by the General Partner (including, without limitation, reasonable attorneys' fees and disbursements) in connection with any enforcement or foreclosure upon any Default Loan and such costs shall, to the extent enforceable under applicable law, be added to the principal amount of the applicable Default Loan. In addition, at any time during the term of such Default Loan, the Defaulting Partner shall have the right to repay, in full, the Default Loan (including interest and any other charges). If the General Partner makes a Default Loan, the Defaulting Partner shall be deemed to have pledged to the General Partner and granted to the General Partner a continuing first priority security interest in, all of the Defaulting Partner's Partnership Interest to secure the payment of the principal of, and interest on, such Default Loan in accordance with the provisions hereof, and for such purpose this Agreement shall constitute a security agreement. The Defaulting Partner shall promptly execute, acknowledge and deliver such financing statements, continuation statements or other documents and take such other actions as the General Partner shall request in writing in order to perfect or continue the perfection of such security interest; and, if the Defaulting Partner shall fail to do so within seven (7) days after the Defaulting Partner's receipt of a notice making demand therefor, the General Partner is hereby appointed the attorney-in-fact of, and is hereby authorized on behalf of, the Defaulting Partner, to execute, acknowledge and deliver all such documents and take all such other actions as may be required to perfect such security interest. Such appointment and authorization are coupled with an interest and shall be irrevocable. The General Partner shall, prior to exercising any right or remedy (whether at law, in equity or pursuant to the terms hereof) available to it in connection with such security interest, provide to the Defaulting Partner a notice, in reasonable detail, of the right or remedy to be exercised and the intended timing of such exercise which shall not be less than five (5) days following the date of such notice.

(ii) Reduction of Percentage Interest. If the Defaulting Partner does not elect to obtain a Default Loan pursuant to Section 3.1(c)(i), the General Partner shall reduce the Defaulting Partner's Percentage Interest in accordance with the following formula:

> The Defaulting Partner's new Percentage Interest shall equal the product of (1) the Defaulting Partner's current Percentage Interest, multiplied by (2) the quotient of (a) the current Capital Account of the Defaulting Partner (with such Capital Account determined after taking into account a revaluation of the Capital Accounts immediately prior to such determination), divided by (b) the sum of (i) the current Capital Account of the Defaulting Partner (with such Capital Account determined after taking into account a revaluation of the Capital Accounts immediately prior to such determination), plus (ii) the amount of the additional capital contribution that such Defaulting Partner failed to make when due.

To the extent any downward adjustment is made to the Percentage Interest of a Partner pursuant to this Section 3.1(c)(ii), any resulting benefit shall accrue to the Partners (other than the Defaulting Partner) in proportion to their respective Percentage Interests.

**3.2. Allocations of Profits and Losses.**

(a) Allocations of Profits. Except as provided in Sections 3.4, 3.5, and 3.6, Profits for any Fiscal Year will be allocated to the Partners as follows:

(i) First, to the Partners until cumulative Profits allocated under this Section 3.2(a)(i) for all prior periods equal the cumulative Losses allocated to the Partners under Section 3.2(b)(iii) for all prior periods in the inverse order in which such Losses were allocated; and

(ii) Next, to the Partners until cumulative Profits allocated under this Section 3.2(a)(ii) for all prior periods equal the cumulative Losses allocated to the Partners under Section 3.2(b)(ii) for all prior periods in the inverse order in which such Losses were allocated; and

(iii) Then, to all Partners in proportion to their respective Percentage Interests.

(b) Allocations of Losses. Except as provided in Sections 3.4, 3.5, and 3.6, Losses for any Fiscal Year will be will be allocated as follows:

(i) First, to the Partners until cumulative Losses allocated under this Section 3.2(b)(i) for all prior periods equal the cumulative Profits allocated to the Partners under Section 3.2(a)(iii) for all prior periods in the inverse order in which such Profits were allocated; and

(ii) Next, to the Partners in proportion to their respective positive Capital Account balances until the aggregate Capital Account balances of the Partners (excluding any negative Capital Account balances) equal zero; *provided, however,* losses shall first be allocated to reduce amounts that were last allocated to the Capital Accounts of the Partners; and

(iii) Then, to all Partners in proportion to their respective Percentage Interests.

(c) Limitation on Loss Allocations. If any allocation of Losses would cause a Limited Partner to have an Adjusted Capital Account Deficit, those Losses instead shall be allocated to the General Partner.

**3.3. Allocations on Transfers**. Taxable items of the Partnership attributable to a Partnership Interest that has been Transferred (including the simultaneous decrease in the Partnership Interest of existing Partners resulting from the admission of a new Partner) shall be allocated in accordance with Section 4.3(d).

**3.4. Special Allocations.** If the requisite stated conditions or facts are present, the following special allocations shall be made in the following order:

(a) Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 3, if there is a net decrease in Partnership Minimum Gain during any taxable year or other period for which allocations are made, prior to any other allocation under this Agreement, each Partner shall be specially allocated items of Partnership income and gain for that period (and, if necessary, subsequent periods) in proportion to, and to the extent of, an amount equal to that Partner's share of the net decrease in Partnership Minimum Gain during that year determined in accordance with Treasury Regulations Section 1.704-2(g)(2). The items to be allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(g). This Section 3.4(a) is intended to comply with the partnership minimum gain chargeback requirements of the Treasury Regulations and shall be subject to all exceptions provided therein.

(b) Partner Nonrecourse Debt Minimum Gain Chargeback. Notwithstanding any other provision of this Article 3 (other than Section 3.4(a)), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain with respect to a Partner Nonrecourse Debt during any taxable year or other period for which allocations are made, any Partner with a share of such Partner Nonrecourse Debt Minimum Gain as of the beginning of the year shall be specially allocated items of Partnership income and gain for that period (and, if necessary, subsequent periods in an amount equal to that Partner's share of the net decrease in the Partner Nonrecourse Debt Minimum Gain during that year determined in accordance with Treasury Regulations Section 1.704-2(g)(2). The items to be so allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(g). This Section 3.4(b) is intended to comply with the partner nonrecourse debt minimum gain chargeback requirements of the Treasury Regulations, shall be interpreted consistently with the Treasury Regulations and shall be subject to all exceptions provided therein.

(c) Qualified Income Offset. If a Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (d)(5) or (d)(6), then items of Partnership income and gain shall be specially allocated to each such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of the Partner as quickly as possible; *provided, however,* an allocation pursuant to this Section 3.4(c) shall be made if and only to the extent that the Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 3 have been tentatively made without considering this Section 3.4(c).

(d) Gross Income Allocation. If a Partner has a deficit Capital Account at the end of any Fiscal Year of the Partnership that exceeds the sum of (i) the amount the Partner is obligated to restore, and (ii) the amount the Partner is deemed to be obligated to restore pursuant to the penultimate sentences of Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), then each such Partner shall be specially allocated items of income and gain of the Partnership in the amount of the excess as quickly as possible; *provided, however,* an allocation pursuant to this Section 3.4(d) shall be made if and only to

the extent that the Partner would have a deficit Capital Account in excess of that sum after all other allocations provided for in this Article 3 have been tentatively made without considering Section 3.4(c) or 3.4(d).

(e) Nonrecourse Deductions. Nonrecourse Deductions for any taxable year or other period for which allocations are made shall he allocated among the Partners in accordance with their Percentage interests.

(f) Partner Nonrecourse Deductions. Notwithstanding anything to the contrary in this Agreement, any Partner Nonrecourse Deductions for any taxable year or other period for which allocations are made will be allocated to the Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which the Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulations Section 1.704-2(i).

(g) Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any asset of the Partnership under Code Section 734(b) or Code Section 743(b) is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of the adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis of the asset) and that gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to that Section of the Treasury Regulations.

(h) Section 481 Adjustments. Any allocable items of income, gain, expense, deduction or credit required to be made by Section 481 of the Code as the result of the sale, transfer, exchange or issuance of a Partnership Interest will be specially allocated to the Partner receiving said Partnership Interest whether such items are positive or negative in amount.

**3.5. Curative Allocations.** The "***Basic Regulatory Allocations***" consist of (i) the allocations pursuant to Section 3.2(c), and (ii) the allocations pursuant to Sections 3.4. Notwithstanding any other provision of this Agreement, the Basic Regulatory Allocations shall be taken into account in allocating items of income, gain, loss and deduction among the Partners so that, to the extent possible, the net amount of the allocations of other items and the Basic Regulatory Allocations to each Partner shall be equal to the net amount that would have been allocated to each such Partner if the Basic Regulatory Allocations had not occurred. For purposes of applying the foregoing sentence, allocations pursuant to this Section 3.5 shall be made with respect to allocations pursuant to Section 3.4 (g) and (h) only to the extent that it is reasonably determined that those allocations will otherwise be inconsistent with the economic agreement among the Partners. To the extent that a special allocation under Section 3.4 is determined not to comply with applicable Treasury Regulations, then the Partners intend that the items shall be allocated in accordance with the Partners' varying Percentage Interests throughout each tax year during which such items are recognized for tax purposes.

**3.6. Code Section 704(c) Allocations.** In accordance with Code Section 704(c) and the Treasury Regulations thereunder, income, gain, loss and deduction with respect to property contributed to the capital of the Partnership shall, solely for tax purposes, be allocated among the Partners so as to take account of any variation at the time of the contribution between the tax basis of the property to the Partnership and the fair market value of that property. Except as otherwise provided herein, any elections or other decisions relating to those allocations shall be made by the General Partner in any manner that reasonably reflects the purpose and intent of this Agreement. Allocations of income, gain, loss and deduction pursuant to this Section 3.6 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, the Capital Account of any Partner or the share

of Profits, Losses, other tax items or distributions of any Partner pursuant to any provision of this Agreement.

3.7. **Capital Accounts.**

(a) Maintenance of Capital Accounts. The Partnership shall establish and maintain a separate capital account (*"Capital Account"*) for each Partner in accordance with the rules of Treasury Regulations Section 1.704-1(b)(2)(iv), subject to and in accordance with the provisions set forth in this Section 3.7.

(i) The Capital Account balance of each Partner shall be credited (increased) by (A) the amount of cash contributed by that Partner to the capital of the Partnership, (B) the fair market value of property contributed by that Partner to the capital of the Partnership (net of liabilities secured by that contributed property that the Partnership assumes or takes subject to under Code Section 752), and (C) that Partner's allocable share of Profits and any items in the nature of income or gain which are specially allocated pursuant to Sections 3.4 and 3.5; and

(ii) The Capital Account balance of each Partner shall be debited (decreased) by (A) the amount of cash distributed to that Partner by the Partnership, (B) the fair market value of property distributed to that Partner by the Partnership (net of liabilities secured by that distributed property that such Partner assumes or takes subject to under Code Section 752), (C) that Partner's allocable share of expenditures of the Partnership described in Code Section 705(a)(2)(B), and (D) that Partner's allocable share of Losses and any items in the nature of expenses or losses which are specially allocated pursuant to Sections 3.2, 3.4 and 3.5.

The provisions of this Section 3.7 and the other provisions of this Agreement relating to the maintenance of Capital Accounts have been included in this Agreement to comply with Code Section 704(b) and the Treasury Regulations promulgated thereunder and will be interpreted and applied in a manner consistent with those provisions. The General Partner may modify the manner in which the Capital Accounts are maintained under this Section 3.7 in order to comply with those provisions, as well as upon the occurrence of events that might otherwise cause this Agreement not to comply with those provisions.

(b) Negative Capital Accounts. If any Partner has a deficit balance in its Capital Account, that Partner shall have no obligation to restore that negative balance or to make any Capital Contribution by reason thereof, and that negative balance shall not be considered an asset of the Partnership or of any Partner.

(c) Interest. No interest shall be paid by the Partnership on Capital Contributions or on balances in Capital Accounts.

(d) No Withdrawal. No Partner shall be entitled to withdraw any part of his/her/its Capital Contribution or his/her/its Capital Account or to receive any distribution from the Partnership, except as provided in Section 3.9 and Article 5.

(e) Loans From Partners. Loans by a Partner to the Partnership shall not be considered Capital Contributions.

(f) Revaluations. The Capital Accounts of the Partners shall not be "booked-up" or "booked-down" to their fair market values under Treasury Regulations Section 1.704(c)-1(b)(2)(iv)(f) or otherwise.

**3.8. Distributive Share for Tax Purpose.** All items of income, deduction, gain, loss or credit that are recognized for federal income tax purposes will be allocated among the Partners in accordance with the allocations of Profits and Losses hereunder as determined by the General Partner in its sole and unfettered discretion. Notwithstanding the foregoing, the General Partner may (i) as to each New Issue, specially allocate to the Partners who were allocated New Issue Profit from that New Issue any short-term capital gains realized during the Fiscal Year upon the disposition of such New Issue during that Fiscal Year, and (ii) specially allocate items of gain (or loss) to Partners who withdraw capital during any Fiscal Year in a manner designed to ensure that each withdrawing Partner is allocated gain (or loss) in an amount equal to the difference between that Partner's Capital Account balance (or portion thereof being withdrawn) at the time of the withdrawal and the tax basis for his/her/ its Partnership Interest at that time (or proportionate amount thereof); *provided, however,* that the General Partner may, without the consent of any other Partner, (a) alter the allocation of any item of taxable income, gain, loss, deduction or credit in any specific instance where the General Partner, in its sole and unfettered discretion, determines such alteration to be necessary or appropriate to avoid a materially inequitable result *(e.g.,* where the allocation would create an inappropriate tax liability); and/or (b) adopt whatever other method of allocating tax items as the General Partner determines is necessary or appropriate in order to be consistent with the spirit and intent of the Treasury Regulations under Code Sections 704(b) and 704(c).

**3.9. Distributions.**

(a) General. The General Partner may make such pro rata or non-pro rata distributions as it may determine in its sole and unfettered discretion, without being limited to current or accumulated income or gains, but no such distribution shall be made out of funds required to make current payments on Partnership indebtedness; provided, however, that the General Partner may not make non-pro rata distributions under this Section 3.9(a) during an NAV Ratio Trigger Period without the consent of the Class B Limited Partner (in the case of a Class B NAV Ratio Trigger Period) and/or the Class C Limited Partner (in the case of a Class C NAV Ratio Trigger Period); provided, further this provision should not be interpreted to limit in any way the General Partner's ability to make non-pro rata tax distributions under Section 3.9(c) and Section 3.9(f). The Partnership has entered into one or more credit facilities with financial institutions that may limit the amount and timing of distributions to the Partners. Thus, the Partners acknowledge that distributions from the Partnership may be limited. Any distributions made to the Class B Limited Partner or the Class C Limited Partner pursuant to Section 3.9(b) shall reduce distributions otherwise allocable to such Partners under this Section 3.9(a) until such aggregate reductions are equal to the aggregate distributions made to the Class B Partners and the Class C Partners under Section 3.9(b).

(b) Priority Distributions. Prior to the distribution of any amounts to Partners pursuant to Section 3.9(a), and notwithstanding any other provision in this Agreement to the contrary, the Partnership shall make the following distributions ("***Priority Distributions***") pro-rata among the Class B Limited Partner and the Class C Limited Partner in accordance with their relative Percentage Interests:

(i) No later than March 31st of each calendar year, commencing March 31, 2017, an amount equal to $1,600,000.00;

(ii) No later than March 31st of each year, commencing March 31, 2017, an amount equal to three percent (3%) of the Partnership's investment gain for the prior year, as reflected in the Partnership's books and records within ledger account number 90100 plus three percent (3%) of the gross realized investment gains for the prior year of Highland Select Equity Fund, as reflected in its books and records;

(iii) No later than March 31st of each year, commencing March 31, 2017, an amount equal to ten percent (10%) of the Partnership's Operating Cash Flow for the prior year; and

(iv) No later than December 24th of each year, commencing December 24, 2016, an amount equal to the aggregate annual principal and interest payments on the Purchase Notes for the then current year.

(c) Tax Distributions. The General Partner may, in its sole discretion, declare and make cash distributions pursuant hereto to the Partners to allow the federal and state income tax attributable to the Partnership's taxable income that is passed through the Partnership to the Partners to be paid by such Partners (a "***Tax Distribution***"). The General Partner may, in its discretion, make Tax Distributions to the Founding Partner Group without also making Tax Distributions to other Partners; provided, however, that if the General Partner makes Tax Distributions to the Founding Partner Group, Tax Distributions must also be made the Class B Limited Partner to the extent the Class B Limited Partner provides the Partnership with documentation showing it is subject to an entity-level federal income tax obligation. Notwithstanding anything else in this Agreement, the General Partner may declare and pay Tax Distributions even if such Tax Distributions cause the Partnership to be unable to make Priority Distributions under Section 3.9(b).

(d) Payments Not Deemed Distributions. Any amounts paid pursuant to Sections 4.1(e) or 4.1(h) shall not be deemed to be distributions for purposes of this Agreement.

(e) Withheld Amounts. Notwithstanding any other provision of this Section 3.9 to the contrary, each Partner hereby authorizes the Partnership to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Partnership with respect to that Partner as a result of that Partner's participation in the Partnership. If and to the extent that the Partnership shall be required to withhold or pay any such taxes, that Partner shall be deemed for all purposes of this Agreement to have received a payment from the Partnership as of the time that withholding or tax is paid, which payment shall be deemed to be a distribution with respect to that Partner's Partnership Interest to the extent that the Partner (or any successor to that Partner's Partnership Interest) is then entitled to receive a distribution. To the extent that the aggregate of such payments to a Partner for any period exceeds the distributions to which that Partner is entitled for that period, the amount of such excess shall be considered a loan from the Partnership to that Partner. Such loan shall bear interest (which interest shall be treated as an item of income to the Partnership) at the "Applicable Federal Rate" (as defined in the Code), as determined hereunder from time to time, until discharged by that Partner by repayment, which may be made in the sole and unfettered discretion of the General Partner out of distributions to which that Partner would otherwise be subsequently entitled. Any withholdings authorized by this Section 3.9(d) shall be made at the maximum applicable statutory rate under the applicable tax law unless the General Partner shall have received an opinion of counsel or other evidence satisfactory to the General Partner to the effect that a lower rate is applicable, or that no withholding is applicable.

(f) Special Tax Distributions. The Partnership shall, upon request of such Founding Partner, make distributions to the Founding Partners (or loans, at the election of the General Partner) in an amount necessary for each of them to pay their respective federal income tax obligations incurred through the effective date of the Third Amended and Restated Agreement of Limited Partnership of Highland Capital Management, L.P., the predecessor to this Agreement.

(g) Tolling of Priority Distributions. In the event of a "Honis Trigger Event," as defined in the Second Amended Buy-Sell and Redemption Agreement, the Partnership shall not make any distributions, including priority distributions under Section 3.9(b), to the Class B Limited Partner or the Class C Limited Partner until such time as a replacement trust administrator, manager and general partner,

as applicable, acceptable to the Partnership in its sole discretion, as indicated by an affirmative vote of consent by a Majority Interest, shall be appointed to the Class B Limited Partner/Class C Limited Partner and any of its direct or indirect owners that have governing documents directly affected by a Honis Trigger Event.

**3.10. Compensation and Reimbursement of General Partner.**

(a) Compensation. The General Partner and any Affiliate of the General Partner shall receive no compensation from the Partnership for services rendered pursuant to this Agreement or any other agreements unless approved by a Majority Interest; provided, however, that no compensation above five million dollars per year may be approved, even by a Majority Interest, during a NAV Ratio Trigger Period.

(b) Reimbursement for Expenses. In addition to amounts paid under other Sections of this Agreement, the General Partner and its Affiliates shall be reimbursed for all expenses, disbursements, and advances incurred or made, and all fees, deposits, and other sums paid in connection with the organization and operation of the Partnership, the qualification of the Partnership to do business, and all related matters.

**3.11. Books, Records, Accounting, and Reports.**

(a) Records and Accounting. The General Partner shall keep or cause to be kept appropriate books and records with respect to the Partnership's business, which shall at all times be kept at the principal office of the Partnership or such other office as the General Partner may designate for such purpose. The books of the Partnership shall be maintained for financial reporting purposes on the accrual basis or on a cash basis, as the General Partner shall determine in its sole and unfettered discretion, in accordance with generally accepted accounting principles and applicable law. Upon reasonable request, the Class B Limited Partner or the Class C Limited Partner may inspect the books and records of the Partnership.

(b) Fiscal Year. The fiscal year of the Partnership shall be the calendar year unless otherwise determined by the General Partner in its sole and unfettered discretion.

(c) Other Information. The General Partner may release information concerning the operations of the Partnership to any financial institution or other Person that has loaned or may loan funds to the Partnership or the General Partner or any of its Affiliates, and may release such information to any other Person for reasons reasonably related to the business and operations of the Partnership or as required by law or regulation of any regulatory body.

(d) Distribution Reporting to Class B Limited Partner and Class C Limited Partner. Upon request, the Partnership shall provide the Class B Limited Partner and/or the Class C Limited Partner information on any non-pro rata distributions made under Section 3.9 to Partners other than the Partner requesting the information.

**3.12. Tax Matters.**

(a) Tax Returns. The General Partner shall arrange for the preparation and timely filing of all returns of Partnership income, gain, loss, deduction, credit and other items necessary for federal, state and local income tax purposes. The General Partner shall deliver to each Partner as copy of his/her/its IRS Form K-1 as soon as practicable after the end of the Fiscal Year, but in no event later than October 1. The classification, realization, and recognition of income, gain, loss, deduction, credit and

other items shall be on the cash or accrual method of accounting for federal income tax purposes, as the General Partner shall determine in its sole and unfettered discretion. The General Partner in its sole and unfettered discretion may pay state and local income taxes attributable to operations of the Partnership and treat such taxes as an expense of the Partnership.

(b) Tax Elections. Except as otherwise provided herein, the General Partner shall, in its sole and unfettered discretion, determine whether to make any available tax election.

(c) Tax Controversies. Subject to the provisions hereof, the General Partner is designated the Tax Matters Partner (as defined in Code Section 6231), and is authorized and required to represent the Partnership, at the Partnership's expense, in connection with all examinations of the Partnership's affairs by tax authorities, including resulting administrative and judicial proceedings, and to expend Partnership funds for professional services and costs associated therewith. Each Partner agrees to cooperate with the General Partner in connection with such proceedings.

(d) Taxation as a Partnership. No election shall be made by the Partnership or any Partner for the Partnership to be excluded from the application of any of the provisions of Subchapter K, Chapter 1 of Subtitle A of the Code or from any similar provisions of any state tax laws.

Each Limited Partner hereby waives any and all defenses or other remedies that may be available against any such lender, purchaser, or other Person to contest, negate, or disaffirm any action of the General Partner in connection with any such sale or financing. In no event shall any Person dealing with the General Partner or the General Partner's representative with respect to any business or property of the Partnership be obligated to ascertain that the terms of this Agreement have been complied with, and each such Person shall be entitled to rely on the assumptions that the Partnership has been duly formed and is validly in existence. In no event shall any such Person be obligated to inquire into the necessity or expedience of any act or action of the General Partner or the General Partner's representative, and every contract, agreement, deed, mortgage, security agreement, promissory note, or other instrument or document executed by the General Partner or the General Partner's representative with respect to any business or property of the Partnership shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (i), at the time of the execution and delivery thereof, this Agreement was in full force and effect; (ii) such instrument or document was duly executed in accordance with the terms and provisions of this Agreement and is binding upon the Partnership; and (iii) the General Partner or the General Partner's representative was duly authorized and empowered to execute and deliver any and every such instrument or document for and on behalf of the Partnership.

(d) Partnership Funds. The funds of the Partnership shall be deposited in such account or accounts as are designated by the General Partner. The General Partner may, in its sole and unfettered discretion, deposit funds of the Partnership in a central disbursing account maintained by or in the name of the General Partner, the Partnership, or any other Person into which funds of the General Partner, the Partnership, on other Persons are also deposited; *provided, however,* at all times books of account are maintained that show the amount of funds of the Partnership on deposit in such account and interest accrued with respect to such funds as credited to the Partnership. The General Partner may use the funds of the Partnership as compensating balances for its benefit; *provided, however,* such funds do

not directly or indirectly secure, and are not otherwise at risk on account of, any indebtedness or other obligation of the General Partner or any director, officer, employee, agent, representative, or Affiliate thereof. Nothing in this Section 4.1(d) shall be deemed to prohibit or limit in any manner the right of the Partnership to lend funds to the General Partner or any Affiliate thereof pursuant to Section 4.1(e)(i). All withdrawals from or charges against such accounts shall be made by the General Partner or by its representatives. Funds of the Partnership may be invested as determined by the General Partner in accordance with the terms and provisions of this Agreement.

(e) Loans to or from General Partner; Contracts with Affiliates; Joint Ventures.

(i) The General Partner or any Affiliate of the General Partner may lend to the Partnership funds needed by the Partnership for such periods of time as the General Partner may determine; *provided, however,* the General Partner or its Affiliate may not charge the Partnership interest at a rate greater than the rate (including points or other financing charges or fees) that would be charged the Partnership (without reference to the General Partner's financial abilities or guaranties) by unrelated lenders on comparable loans. The Partnership shall reimburse the General Partner or its Affiliate, as the case may be, for any costs incurred by the General Partner or that Affiliate in connection with the borrowing of funds obtained by the General Partner or that Affiliate and loaned to the Partnership. The Partnership may loan funds to the General Partner and any member of the Founding Partner Group at the General Partner's sole and exclusive discretion.

(ii) The General Partner or any of its Affiliates may enter into an agreement with the Partnership to render services, including management services, for the Partnership. Any service rendered for the Partnership by the General Partner or any Affiliate thereof shall be on terms that are fair and reasonable to the Partnership.

(iii) The Partnership may Transfer any assets to joint ventures or other partnerships in which it is or thereby becomes a participant upon terms and subject to such conditions consistent with applicable law as the General Partner deems appropriate; provided, however, that the Partnership may not transfer any asset to the General Partner or one of its Affiliates during any NAV Ratio Trigger Period for consideration less than such asset's fair market value.

(f) Outside Activities' Conflicts of Interest. The General Partner or any Affiliate thereof and any director, officer, employee, agent, or representative of the General Partner or any Affiliate thereof shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including, without limitation, business interests and activities in direct competition with the Partnership. Neither the Partnership nor any of the Partners shall have any rights by virtue of this Agreement or the partnership relationship created hereby in any business ventures of the General Partner, any Affiliate thereof, or any director, officer, employee, agent, or representative of either the General Partner or any Affiliate thereof.

(g) Resolution of Conflicts of Interest. Unless otherwise expressly provided in this Agreement or any other agreement contemplated herein, whenever a conflict of interest exists or arises between the General Partner or any of its Affiliates, on the one hand, and the Partnership or any Limited Partner, on the other hand, any action taken by the General Partner, in the absence of bad faith by the General Partner, shall not constitute a breach of this Agreement or any other agreement contemplated herein or a breach of any standard of care or duty imposed herein or therein or under the Delaware Act or any other applicable law, rule, or regulation.

(h) Indemnification. The Partnership shall indemnify and hold harmless the General Partner and any director, officer, employee, agent, or representative of the General Partner (collectively,

the "***GP Party***"), against all liabilities, losses, and damages incurred by any of them by reason of any act performed or omitted to be performed in the name of or on behalf of the Partnership, or in connection with the Partnership's business, including, without limitation, attorneys' fees and any amounts expended in the settlement of any claims or liabilities, losses, or damages, to the fullest extent permitted by the Delaware Act; *provided, however,* the Partnership shall have no obligation to indemnify and hold harmless a GP Party for any action or inaction that constitutes gross negligence or willful or wanton misconduct. The Partnership, in the sole and unfettered discretion of the General Partner, may indemnify and hold harmless any Limited Partner, employee, agent, or representative of the Partnership, any Person who is or was serving at the request of the Partnership acting through the General Partner as a director, officer, partner, trustee, employee, agent, or representative of another corporation, partnership, joint venture, trust, or other enterprise, and any other Person to the extent determined by the General Partner in its sole and unfettered discretion, but in no event shall such indemnification exceed the indemnification permitted by the Delaware Act. Notwithstanding anything to the contrary in this Section 4.1(h) or elsewhere in this Agreement, no amendment to the Delaware Act after the date of this Agreement shall reduce or limit in any manner the indemnification provided for or permitted by this Section 4.1(h) unless such reduction or limitation is mandated by such amendment for limited partnerships formed prior to the enactment of such amendment. In no event shall Limited Partners be subject to personal liability by reason of the indemnification provisions of this Agreement.

(i) Liability of General Partner.

(i) Neither the General Partner nor its directors, officers, employees, agents, or representatives shall be liable to the Partnership or any Limited Partner for errors in judgment or for any acts or omissions that do not constitute gross negligence or willful or wanton misconduct.

(ii) The General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its directors, officers, employees, agents, or representatives, and the General Partner shall not be responsible for any misconduct or negligence on the part of any agent or representative appointed by the General Partner.

(j) Reliance by General Partner.

(i) The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(ii) The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers, and other consultants and advisers selected by it, and any opinion of any such Person as to matters which the General Partner believes to be within such Person's professional or expert competence shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by the General Partner hereunder in good faith and in accordance with such opinion.

(k) The General Partner may, from time to time, designate one or more Persons to be officers of the Partnership. No officer need be a Partner. Any officers so designated shall have such authority and perform such duties as the General Partner may, from time to time, delegate to them. The General Partner may assign titles to particular officers, including, without limitation, president, vice president, secretary, assistant secretary, treasurer and assistant treasurer. Each officer shall hold office until such Person's successor shall be duly designated and shall qualify or until such Person's death or

until such Person shall resign or shall have been removed in the manner hereinafter provided. Any number of offices may be held by the same Person. The salaries or other compensation, if any, of the officers and agents of the Partnership shall be fixed from time to time by the General Partner. Any officer may be removed as such, either with or without cause, by the General Partner whenever in the General Partner's judgment the best interests of the Partnership will be served thereby. Any vacancy occurring in any office of the Partnership may be filled by the General Partner.

**4.2. Rights and Obligations of Limited Partners.** In addition to the rights and obligations of Limited Partners set forth elsewhere in this Agreement, Limited Partners shall have the following rights and obligations:

(a) Limitation of Liability. Limited Partners shall have no liability under this Agreement except as provided herein or under the Delaware Act.

(b) Management of Business. No Limited Partner shall take part in the control (within the meaning of the Delaware Act) of the Partnership's business, transact any business in the Partnership's name, or have the power to sign documents for or otherwise bind the Partnership other than as specifically set forth in this Agreement.

(c) Return of Capital. No Limited Partner shall be entitled to the withdrawal or return of its Capital Contribution except to the extent, if any, that distributions made pursuant to this Agreement or upon termination of the Partnership may be considered as such by law and then only to the extent provided for in this Agreement.

(d) Second Amended Buy-Sell and Redemption Agreement. Each Limited Partner shall comply with the terms and conditions of the Second Amended Buy-Sell and Redemption Agreement.

(e) Default on Priority Distributions. If the Partnership fails to timely pay Priority Distributions pursuant to Section 3.9(b), and the Partnership does not subsequently make such Priority Distribution within ninety days of its due date, the Class B Limited Partner or the Class C Limited Partner may require the Partnership to liquidate publicly traded securities held by the Partnership or Highland Select Equity Master Fund, L.P., a Delaware limited partnership controlled by the Partnership; provided, however, that the General Partner may in its sole discretion elect instead to liquidate other non-publicly traded securities owned by the Partnership in order to satisfy the Partnership's obligations under Section 3.9(b) and this Section 4.2(e). In either case, Affiliates of the General Partner shall have the right of first offer to purchase any securities liquidated under this Section 4.2(e).

**4.3. Transfer of Partnership Interests.**

(a) Transfer. No Partnership Interest shall be Transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Section 4.3 and the Second Amended Buy-Sell and Redemption Agreement. Any Transfer or purported Transfer of any Partnership Interest not made in accordance with this Section 4.3 and the Second Amended Buy-Sell and Redemption Agreement shall be null and void. An alleged transferee shall have no right to require any information or account of the Partnership's transactions or to inspect the Partnership's books. The Partnership shall be entitled to treat the alleged transferor of a Partnership Interest as the absolute owner thereof in all respects, and shall incur no liability to any alleged transferee for distributions to the Partner owning that Partnership Interest of record or for allocations of Profits, Losses, deductions or credits or for transmittal of reports and notices required to be given to holders of Partnership Interests.

(b) Transfers by General Partner. The General Partner may Transfer all, but not less than all, of its Partnership Interest to any Person only with the approval of a Majority Interest; provided, however, that the General Partner may not Transfer its Partnership Interest during any NAV Ratio Trigger Period except to the extent such Transfers are for estate planning purposes or resulting from the death of the individual owner of the General Partner. Any Transfer by the General Partner of its Partnership Interest under this Section 4.3(b) to an Affiliate of the General Partner or any other Person shall not constitute a withdrawal of the General Partner under Section 4.5(a), Section 5.1(b), or any other provision of this Agreement. If any such Transfer is deemed to constitute a withdrawal under such provisions or otherwise and results in the dissolution of the Partnership under this Agreement or the laws of any jurisdiction to which the Partnership of this Agreement is subject, the Partners hereby unanimously consent to the reconstitution and continuation of the Partnership immediately following such dissolution, pursuant to Section 5.2.

(c) Transfers by Limited Partners. The Partnership Interest of a Limited Partner may not be Transferred without the consent of the General Partner (which consent may be withheld in the sole and unfettered discretion of the General Partner), and in accordance with the Second Amended Buy-Sell and Redemption Agreement.

(d) Distributions and Allocations in Respect of Transferred Partnership Interests. If any Partnership Interest is Transferred during any Fiscal Year in compliance with the provisions of Article 4 and the Second Amended Buy-Sell and Redemption Agreement, Profits, Losses, and all other items attributable to the transferred interest for that period shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during the period in accordance with Code Section 706(d), using any conventions permitted by law and selected by the General Partner; provided that no allocations shall be made under this Section 4.3(d) that would affect any special allocations made under Section 3.4. All distributions declared on or before the date of that Transfer shall be made to the transferor. Solely for purposes of making such allocations and distributions, the Partnership shall recognize that Transfer not later than the end of the calendar month during which it is given notice of that Transfer; ***provided, however,*** if the Partnership does not receive a notice stating the date that Partnership Interest was Transferred and such other information as the General Partner may reasonably require within thirty (30) days after the end of the Fiscal Year during which the Transfer occurs, then all of such items shall be allocated, and all distributions shall be made, to the person who, according to the books and records of the Partnership, on the last day of the Fiscal Year during which the Transfer occurs, was the owner of the Partnership Interest. Neither the Partnership nor any Partner shall incur any liability for making allocations and distributions in accordance with the provisions of this Section 4.3(d), whether or not any Partner or the Partnership has knowledge of any Transfer of ownership of any Partnership Interest.

(e) Forfeiture of Partnership Interests Pursuant to the Contribution Note. In the event any Class B Limited Partnership Interests are forfeited in favor of the Partnership as a result of any default on the Contribution Note, the Capital Accounts and Percentage Interests associated with such Class B Limited Partnership Interests shall be allocated pro rata among the Class A Partners. The Priority Distributions in Section 3.9(b) made after the date of such forfeiture shall each be reduced by an amount equal to the ratio of the Percentage Interest associated with the Class B Limited Partnership Interest transferred pursuant to this Section 4.3(e) over the aggregate Percentage Interests of all Class B Limited Partnership Interests and Class C Limited Partnership Interests, calculated immediately prior to any forfeiture of such Class B Limited Partnership Interest.

(f) Transfers of Partnership Interests Pursuant to the Purchase Notes. Notwithstanding any other provision in this Agreement, the Partnership shall respect, and the General Partner hereby provides automatic consent for, any transfers (in whole or transfers of partial interests) of

the Class C Limited Partnership Interests, or a portion thereof, if such transfer occurs as a result of a default on the Purchase Notes. Upon the transfer of any Class C Limited Partnership Interest to any member of the Founding Partner Group (or their assigns), such Class C Limited Partnership Interest shall automatically convert to a Class A Partnership Interest. The Priority Distributions in Section 3.9(b) shall each be reduced by an amount equal to the ratio of the Percentage Interest associated with the transferred Class C Limited Partnership Interest over the aggregate Percentage Interests of all Class B Limited Partnership Interests and Class C Limited Partnership Interests, calculated immediately prior to any transfer of such Class C Limited Partnership Interest.

**4.4. Issuances of Partnership Interests to New and Existing Partners.**

(a) Issuance of Partnership Interests to New Limited Partners. The General Partner may admit one or more additional Persons as Limited Partners ("Additional Limited Partners") to the Partnership at such times and upon such terms as it deems appropriate in its sole and unfettered discretion; provided, however, that the General Partner may only admit additional Persons as Limited Partners in relation to the issuance of equity incentives to key employees of the Partnership; provided, further that the General Partner may not issue such equity incentives to the extent they entitle the holders, in the aggregate, to a Percentage Interest in excess of twenty percent without the consent of the Class B Limited Partner and the Class C Limited Partner. All Class A Limited Partners, the Class B Limited Partner and the Class C Limited Partner shall be diluted proportionately by the issuance of such limited partnership interests. No Person may be admitted to the Partnership as a Limited Partner until he/she/it executes an Addendum to this Agreement in the form attached as Exhibit B (which may be modified by the General Partner in its sole and unfettered discretion) and an addendum to the Second Amended Buy-Sell and Redemption Agreement.

(b) Issuance of an Additional Partnership Interest to an Existing Partner. The General Partner may issue an additional Partnership Interest to any existing Partner at such times and upon such terms as it deems appropriate in its sole and unfettered discretion. Upon the issuance of an additional Partnership Interest to an existing Partner, the Percentage Interests of the members of the Founding Partner Group shall be diluted proportionately. Any additional Partnership Interest shall be subject to all the terms and conditions of this Agreement and the Second Amended Buy-Sell and Redemption Agreement.

**4.5. Withdrawal of General Partner**

(a) Option. In the event of the withdrawal of the General Partner from the Partnership, the departing General Partner (the "***Departing Partner***") shall, at the option of its successor (if any) exercisable prior to the effective date of the departure of that Departing Partner, promptly receive from its successor in exchange for its Partnership Interest as the General Partner, an amount in cash equal to its Capital Account balance, determined as of the effective date of its departure.

(b) Conversion. If the successor to a Departing Partner does not exercise the option described in Section 4.5(a), the Partnership Interest of the Departing Partner as the General Partner of the Partnership shall be converted into a Partnership Interest as a Limited Partner.

**4.6. Admission of Substitute Limited Partners and Successor General Partner.**

(a) Admission of Substitute Limited Partners. A transferee (which may be the heir or legatee of a Limited Partner) or assignee of a Limited Partner's Partnership Interest shall be entitled to receive only the distributive share of the Partnership's Profits, Losses, deductions, and credits attributable to that Partnership Interest. To become a substitute Limited Partner (a "***Substitute Limited Partner***"),

that transferee or assignee shall (1) obtain the consent of the General Partner (which consent may be withheld in the sole and unfettered discretion of the General Partner), (ii) comply with all the requirements of this Agreement and the Second Amended Buy-Sell and Redemption Agreement with respect to the Transfer of the Partnership Interest at issue, and (iii) execute an Addendum to this Agreement in the form attached as Exhibit B (which may be modified by the General Partner in its sole and unfettered discretion) and an addendum to the Second Amended Buy-Sell and Redemption Agreement. Upon admission of a Substitute Limited Partner, that Limited Partner shall be subject to all of the restrictions applicable to, shall assume all of the obligations of, and shall attain the status of a Limited Partner under and pursuant to this Agreement with respect to the Partnership Interest held by that Limited Partner.

(b) Admission of Successor General Partner. A successor General Partner selected pursuant to Section 5.2 or the transferee of or successor to all of the Partnership Interest of the General Partner pursuant to Section 4.3(b) shall be admitted to the Partnership as the General Partner, effective as of the date of the withdrawal or removal of the predecessor General Partner or the date of Transfer of that predecessor's Partnership Interest.

(c) Action by General Partner. In connection with the admission of any substitute Limited Partner or successor General Partner or any additional Limited Partner, the General Partner shall have the authority to take all such actions as it deems necessary or advisable in connection therewith, including the amendment of Exhibit A and the execution and filing with appropriate authorities of any necessary documentation.

## ARTICLE 5

## DISSOLUTION AND WINDING UP

**5.1. Dissolution.** The Partnership shall be dissolved upon:

(a) The withdrawal, bankruptcy, or dissolution of the General Partner, or any other event that results in its ceasing to be the General Partner (other than by reason of a Transfer pursuant to Section 4.3(b));

(b) An election to dissolve the Partnership by the General Partner that is approved by the affirmative vote of a Majority Interest; *provided, however,* the General Partner may dissolve the Partnership without the approval of the Limited Partners in order to comply with Section 14 of the Second Amended Buy-Sell and Redemption Agreement; or

(c) Any other event that, under the Delaware Act, would cause its dissolution.

For purposes of this Section 5.1, the bankruptcy of the General Partner shall be deemed to have occurred when the General Partner: (i) makes a general assignment for the benefit of creditors; (ii) files a voluntary bankruptcy petition; (iii) becomes the subject of an order for relief or is declared insolvent in any federal or state bankruptcy or insolvency proceeding: (iv) files a petition or answer seeking a reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any law; (v) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the General Partner in a proceeding of the type described in clauses (i) through (iv) of this paragraph; (vi) seeks, consents to, or acquiesces in the appointment of a trustee, receiver, or liquidator of the General Partner or of all or any substantial part of the General Partner's properties; or (vii) one hundred twenty (120) days expire after the date of the commencement of a proceeding against the General Partner seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution, or

similar relief under any law if the proceeding has not been previously dismissed, or ninety (90) days expire after the date of the appointment, without the General Partner's consent or acquiescence, of a trustee, receiver, or liquidator of the General Partner or of all or any substantial part of the General Partner's properties if the appointment has not previously been vacated or stayed, or ninety (90) days expire after the date of expiration of a stay, if the appointment has not previously been vacated.

**5.2. Continuation of the Partnership**. Upon the occurrence of an event described in Section 5.1(a), the Partnership shall be deemed to be dissolved and reconstituted if a Majority Interest elect to continue the Partnership within ninety (90) days of that event. If no election to continue the Partnership is made within ninety (90) days of that event, the Partnership shall conduct only activities necessary to wind up its affairs. If an election to continue the Partnership is made upon the occurrence of an event described in Section 5.1(a), then:

(a) Within that ninety (90)-day period a successor General Partner shall be selected by a Majority Interest;

(b) The Partnership shall be deemed to be reconstituted and shall continue until the end of the term for which it is formed unless earlier dissolved in accordance with this Article 5;

(c) The interest of the former General Partner shall be converted to an interest as a Limited Partner; and

(d) All necessary steps shall be taken to amend or restate this Agreement and the Certificate of Limited Partnership, and the successor General Partner may for this purpose amend this Agreement and the Certificate of Limited Partnership, as appropriate, without the consent of any Partner.

**5.3. Liquidation**. Upon dissolution of the Partnership, unless the Partnership is continued under Section 5.2, the General Partner or, in the event the General Partner has been dissolved, becomes bankrupt (as defined in Section 5.1), or withdraws from the Partnership, a liquidator or liquidating committee selected by a Majority Interest, shall be the Liquidator. The Liquidator (if other than the General Partner) shall be entitled to receive such compensation for its services as may be approved by a Majority Interest. The Liquidator shall agree not to resign at any time without fifteen (15) days' prior written notice and (if other than the General Partner) may be removed at any time, with or without cause, by notice of removal approved by a Majority Interest. Upon dissolution, removal, or resignation of the Liquidator, a successor and substitute Liquidator (who shall have and succeed to all rights, powers, and duties of the original Liquidator) shall within thirty (30) days thereafter be selected by a Majority Interest. The right to appoint a successor or substitute Liquidator in the manner provided herein shall be recurring and continuing for so long as the functions and services of the Liquidator are authorized to continue under the provisions hereof, and every reference herein to the Liquidator shall be deemed to refer also to any such successor or substitute Liquidator appointed in the manner provided herein. Except as expressly provided in this Article 5, the Liquidator appointed in the manner provided herein shall have and may exercise, without further authorization or consent of any of the parties hereto, all of the powers conferred upon the General Partner under the terms of this Agreement (but subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers) to the extent necessary or desirable in the good faith judgment of the Liquidator to carry out the duties and functions of the Liquidator hereunder for and during such period of time as shall be reasonably required in the good faith judgment of the Liquidator to complete the winding up and liquidation of the Partnership as provided herein. The Liquidator shall liquidate the assets of the Partnership and apply and distribute the proceeds of such liquidation in the following order of priority, unless otherwise required by mandatory provisions of applicable law:

(a) To the payment of the expenses of the terminating transactions including, without limitation, brokerage commission, legal fees, accounting fees and closing costs;

(b) To the payment of creditors of the Partnership, including Partners, in order of priority provided by law;

(c) To the Partners and assignees to the extent of, and in proportion to, the positive balances in their respective Capital Accounts as provided in Treasury Regulations Section 1.704-1(b)(2)(ii)(b)(2); *provided, however,* the Liquidator may place in escrow a reserve of cash or other assets of the Partnership for contingent liabilities in an amount determined by the Liquidator to be appropriate for such purposes; and

(d) To the Partners in proportion to their respective Percentage Interests.

**5.4. Distribution in Kind.** Notwithstanding the provisions of Section 5.3 that require the liquidation of the assets of the Partnership, but subject to the order of priorities set forth therein, if on dissolution of the Partnership the Liquidator determines that an immediate sale of part or all of the Partnership's assets would be impractical or would cause undue loss to the Partners and assignees, the Liquidator may defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Partnership (other than those to Partners) and/or may distribute to the Partners and assignees, in lieu of cash, as tenants in common and in accordance with the provisions of Section 5.3, undivided interests in such Partnership assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any joint operating agreements or other agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

**5.5. Cancellation of Certificate of Limited Partnership.** Upon the completion of the distribution of Partnership property as provided in Sections 5.3 and 5.4, the Partnership shall be terminated, and the Liquidator (or the General Partner and Limited Partners if necessary) shall cause the cancellation of the Certificate of Limited Partnership in the State of Delaware and of all qualifications and registrations of the Partnership as a foreign limited partnership in jurisdictions other **than** the State of Delaware and shall take such other actions as may be necessary to terminate the Partnership.

**5.6. Return of Capital.** The General Partner shall not be personally liable for the return of the Capital Contributions of Limited Partners, or any portion thereof, it being expressly understood that any such return shall be **made** solely from Partnership assets.

**5.7. Waiver of Partition.** Each Partner hereby waives any rights to partition of the Partnership property.

## ARTICLE 6

## GENERAL PROVISIONS

**6.1. Amendments to Agreement.** The General Partner may amend this Agreement without the consent of any Partner if the General Partner reasonably determines that such amendment is necessary and appropriate; *provided, however, any* action taken by the General Partner shall be subject to its fiduciary duties to the Limited Partners under the Delaware Act; provided further that any amendments

that adversely affect the Class B Limited Partner or the Class C Limited Partner may only be made with the consent of such Partner adversely affected.

6.2. **Addresses and Notices.** Any notice, demand, request, or report required or permitted to be given or made to a Partner under this Agreement shall be in writing and shall be deemed given or made when delivered in person or when sent by United States registered or certified mail to the Partner at his/her/its address as shown on the records of the Partnership, regardless of any claim of any Person who may have an interest in any Partnership Interest by reason of an assignment or otherwise.

6.3. **Titles and Captions.** All article and section titles and captions in the Agreement are for convenience only, shall not be deemed part of this Agreement, and in no way shall define, limit, extend, or describe the scope or intent of any provisions hereof. Except as specifically provided otherwise, references to "Articles," "Sections" and "Exhibits" are to "Articles," "Sections" and "Exhibits" of this Agreement. All Exhibits hereto are incorporated herein by reference.

6.4. **Pronouns and Plurals.** Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns, pronouns, and verbs shall include the plural and vice versa.

6.5. **Further Action.** The parties shall execute all documents, provide all information, and take or refrain from taking all actions as may be necessary or appropriate to achieve the purposes of this Agreement.

6.6. **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns.

6.7. **Integration.** This Agreement constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto.

6.8. **Creditors.** None of the provisions of this Agreement shall be for the benefit of or enforceable by any creditors of the Partnership.

6.9. **Waiver.** No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach or any other covenant, duty, agreement, or condition.

6.10. **Counterparts.** This agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart.

6.11. **Applicable Law.** This Agreement shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to the principles of conflicts of law.

6.12. **Invalidity of Provisions.** If any provision of this Agreement is declared or found to be illegal, unenforceable, or void, in whole or in part, then the parties shall be relieved of all obligations arising under that provision, but only to the extent that it is illegal, unenforceable, or void, it being the intent and agreement of the parties that this Agreement shall be deemed amended by modifying that provision to the extent necessary to make it legal and enforceable while preserving its intent or, if that is

not possible, by substituting therefor another provision that is legal and enforceable and achieves the same objectives.

**6.13. General Partner Discretion.** Whenever the General Partner may use its sole discretion, the General Partner may consider any items it deems relevant, including its own interest and that of its affiliates.

**6.14. Mandatory Arbitration.** In the event there is an unresolved legal dispute between the parties and/or any of their respective officers, directors, partners, employees, agents, affiliates or other representatives that involves legal rights or remedies arising from this Agreement, the parties agree to submit their dispute to binding arbitration under the authority of the Federal Arbitration Act; provided, however, that the Partnership or such applicable affiliate thereof may pursue a temporary restraining order and /or preliminary injunctive relief in connection with any confidentiality covenants or agreements binding on the other party, with related expedited discovery for the parties, in a court of law, and thereafter, require arbitration of all issues of final relief. The arbitration will be conducted by the American Arbitration Association, or another mutually agreeable arbitration service. A panel of three arbitrators will preside over the arbitration and will together deliberate, decide and issue the final award. The arbitrators shall be duly licensed to practice law in the state of Texas. The discovery process shall be limited to the following: Each side shall be permitted no more than (i) two party depositions of six hours each, each deposition to be taken pursuant to the Texas Rules of Civil Procedure; (ii) one non-party deposition of six hours; (iii) twenty-five interrogatories; (iv) twenty-five requests for admissions; (v) ten request for production (in response, the producing party shall not be obligated to produce in excess of 5,000 total pages of documents, including electronic documents); and (vi) one request for disclosure pursuant to the Texas Rules of Civil Procedure. Any discovery not specifically provided for in this paragraph, whether to parties or non-parties, shall not be permitted. The arbitrators shall be required to state in a written opinion all facts and conclusions of law relied upon to support any decision rendered. The arbitrators will not have the authority to render a decision that contains an outcome based on error of state or federal law or to fashion a cause of action or remedy not otherwise provided for under applicable state or federal law. Any dispute over whether the arbitrators have failed to comply with the foregoing will be resolved by summary judgment in a court of law. In all other respects, the arbitration process will be conducted in accordance with the American Arbitration Association's dispute resolution rules or other mutually agreeable arbitration services rules. All proceedings shall be conducted in Dallas, Texas or another mutually agreeable site. Each party shall bear its own attorneys fees, costs and expenses, including any costs of experts, witnesses and /or travel, subject to a final arbitration award on who should bear costs and fees. The duty to arbitrate described above shall survive the termination of this Agreement. Except as otherwise provided above, the parties hereby waive trial in a court of law or by jury. All other rights, remedies, statutes of limitation and defenses applicable to claims asserted in a court of law will apply in the arbitration.

Docket No. 4362] (the "Class 11 Motion") requesting entry of an order fixing the allowed amount of the unvested Class 11 Contingent Claimant Trust Interests (as defined in the Class 11 Motion).

**WHEREAS**, on September 22, 2025, the Bankruptcy Court entered its *Order Fixing Allowed Amount of Class 11 Interests* [Bankr. Docket No. 4401] (the "Class 11 Order") granting the Class 11 Motion and fixing the allowed amount of the unvested Class 11 Contingent Claimant Trust Interests.

**WHEREAS**, on October 6, 2025, Dugaboy filed its *Notice of Appeal of Order Fixing Allowed Amount of Class 11 Interests* [Bankr. Docket No. 4423] commencing its appeal of the Class 11 Order to the District Court (the "Appeal"). *See* Case No. 3:25-cv-02724-L.

**WHEREAS**, on October 23, 2025, Dugaboy filed *Appellant The Dugaboy Investment Trust's Statement of Issues to be Presented and Amended Designation of Items to be Included in the Record on Appeal From the Bankruptcy Court's Order Fixing Allowed Amount of Class 11 Interests* [Bankr. Docket No. 4443], which identified Dugaboy's (a) issues to be presented on Appeal (the "Issues Presented"), and (b) items designated for the record on Appeal ("Dugaboy's Designations").

**WHEREAS**, on October 29, 2025, the Claimant Trust filed *Appellee's Motion to Strike Items Improperly Designated as Part of the Record on Appeal of Class 11 Order [Docket No. 4401]* [Bankr. Docket No. 4450] (the "Motion to Strike"), seeking entry of an order striking certain items listed in Dugaboy's Designations.

**WHEREAS**, on December 19, 2025, Dugaboy filed its *Unopposed Motion to Stay and Modify Appellate Briefing Deadlines Pending the Bankruptcy Court's Resolution of Highland's Motion to Strike Items from the Appellate Record* [Dist. Court Docket. No. 19] (the "Motion to Stay").

**WHEREAS**, on December 23, 2025, the Court granted the Motion to Stay and entered the Order staying all proceedings and briefing deadlines in the Appeal subject to the Bankruptcy Court's ruling on the Motion to Strike. [*See* Dist. Court Docket No. 20] (the "Stay Order"). Pursuant to the Stay Order, the briefing deadlines in the Appeal (the "Briefing Schedule") are as follows: Dugaboy's opening brief (the "Opening Brief") is due 40 days after the entry of the Bankruptcy Court's order on the Motion to Strike; the Claimant Trust's response brief (the "Response") is due 30 days after the filing of the Opening Brief; and Dugaboy's reply brief (the "Reply") is due 14 days after the filing of the Response.

**WHEREAS**, on January 9, 2026, Dugaboy filed its Opposition to the Motion to Strike [Bankr. Docket No. 4497].

**WHEREAS**, the Motion to Strike is scheduled for hearing on January 27, 2026. [*See* Docket No. 4494].

**WHEREAS**, after engaging in good faith, arm's length negotiations, the Claimant Trust and Dugaboy desire to finally resolve the Motion to Strike on the terms set forth below.

**NOW, THEREFORE**, it is hereby jointly stipulated and agreed as follows:

1. The Parties have agreed that all items in Dugaboy's Designations shall be stricken from the record in the Appeal and replaced with the items identified on **Exhibit A**, attached hereto (the "Record Designations").

2. In light of the Parties' resolution of the Motion to Strike, the Parties have agreed to the following Briefing Schedule:

a. The Opening Brief shall be due 40 days after entry of an order approving this Stipulation;

b. The Response shall be due 30 days after the filing of the Opening Brief;

c. The Reply shall be due 14 days after the filing of the Response.

3. Notwithstanding the above, Highland reserves the right to assert that (a) some or all of the Issues Presented are not properly preserved for Appeal and (b) certain items included in the Record Designations are irrelevant to any issue properly before the District Court in connection with the Appeal.

4. This Stipulation may be executed in counterparts. A facsimile, electronic copy, or photocopy of this Stipulation and the signatures hereto shall have the same effect and may be accepted with the same authority as if it were an original.

5. The Parties agree that the Bankruptcy Court shall retain jurisdiction with respect to all matters arising from or relating to the implementation, interpretation, and enforcement of this Stipulation and any order related thereto.

**SO STIPULATED AND AGREED:**

**OMNIBUS REPLY IN SUPPORT OF MOTION FOR ENTRY OF AN ORDER PURSUANT TO BANKRUPTCY RULE 9019 AND 11 U.S.C. § 363 APPROVING SETTLEMENT WITH THE HMIT ENTITIES AND AUTHORIZING ACTIONS CONSISTENT THEREWITH**

The Movants hereby submit this reply (the "Reply") in support of their *Motion for Entry of an Order Pursuant to Bankruptcy Rule 9019 and 11 U.S.C. § 363 Approving Settlement with the HMIT Entities and Authorizing Actions Consistent Therewith* [Docket No. 4216] (the

"Motion")[2] and in opposition to (i) *Patrick Daugherty's Objection to Motion for Entry of an Order Pursuant to Bankruptcy Rule 9019 and 11 U.S.C. § 363 Approving Settlement with the HMIT Entities and Authorizing Actions Consistent Therewith* [Docket No. 4229] (the "Daugherty Obj.") filed by Patrick Daugherty ("Daugherty"); (ii) *Preliminary Objection of the Dugaboy Investment Trust to the Motion for Entry of an Order Pursuant to Bankruptcy Rule 9019 and 11 U.S.C. § 363 Approving Settlement with the HMIT Entities* [Docket No. 4230] (the "Dugaboy Obj.") filed by The Dugaboy Investment Trust ("Dugaboy"); and (iii) *Objection of the Dallas Foundation and Crown Global Life Insurance Ltd. to Motion for Entry of an Order Pursuant to Bankruptcy Rule 9019 and 11 U.S.C. § 363 Approving Settlement with the HMIT Entities and Authorizing Actions Consistent Therewith* [Docket No. 4231] (the "Crown Obj." and together with the Daugherty Objection and the Dugaboy Objection, the "Objections") filed by The Dallas Foundation (on behalf of Empower Dallas Foundation and The Okada Family Foundation), and Crown Global Life Insurance, Ltd. (collectively, the "Purported Beneficiaries," and together with Daugherty and Dugaboy, the "Objectors"). In further support of the Motion, the Movants state as follows:

## I. PRELIMINARY STATEMENT

1. The Objectors' lack of any meaningful economic interest in the outcome of the Motion or substantive connection to, or interests in, the Movants calls into question their motives. Dugaboy, James Dondero's family trust, has no allowed Claims or Interests, is subordinated to HMIT, and would be hopelessly out-of-the money even if its unvested Class 11 Interest were ever allowed. Daugherty's allowed Class 8 and Class 9 Claims have been paid in full, and his disputed Class 8 Claim has been fully reserved at an agreed-upon amount for years. And the Purported Beneficiaries are complete strangers to this case, cannot be heard, and are

[2] All capitalized terms used but not defined herein have the meanings given to them in the Motion.

being bankrolled by Dondero—both here and in their litigation in the Cayman Islands. Nor does any Objector articulate how the Settlement Agreement adversely affects *its* alleged Claims or Interests in the Highland estate. Rather, the Objectors point to perceived inconsistencies with the Plan and the Claimant Trust Agreement to argue how Class 9 Claim holders—all of whom have either been paid or consented to the Settlement Agreement—are somehow negatively affected.

2. None of the Objectors has a cognizable pecuniary interest in the estate; none of the Objections has merit.

3. To the contrary, the Settlement Agreement is in the best interests of Highland's estate—and particularly holders of Class 9 Claims. It will (i) stop costly and time-consuming litigation; (ii) dispose of certain illiquid Estate assets; (iii) dispose of the Estate Claims and certain Causes of Action; (iv) resolve all disputes concerning HMIT's Class 10 Interests; and (v) protect against and prevent future value-destructive litigation. As a result, if approved, the Settlement Agreement will bring the Movants substantially closer to fully consummating the Plan. The Objections—transparent efforts to keep the litigation machine running—are frustrating, familiar, and tired.

4. The Court should overrule the Objections, approve the Motion, and allow the estate to move towards completion of the Plan and dissolution of the Trusts.

## II. REPLY

### A. The Objections Are Meritless

5. As discussed in the Motion, under applicable Fifth Circuit precedent, a bankruptcy court may approve a compromise or settlement as long as the proposed settlement is fair, reasonable, and in the best interest of the estate. *See, e.g.*, *In re Age Ref. Inc.*, 801 F.3d 530, 540 (5th Cir. 2015). In making this determination, courts review the following factors: (i) probability of success in the litigation, with due consideration for the uncertainty of law and fact;

(ii) complexity and likely duration of the litigation and any attendant expense, inconvenience and delay; and (iii) all other factors bearing on the wisdom of the compromise, including (a) "the paramount interest of creditors with proper deference to their reasonable views" and (b) whether the settlement is the product of arm's length bargaining and not of fraud or collusion. *Official Comm. of Unsecured Creditors v. Cajun Elec. Power Coop. (In re Cajun Elec. Power Coop.)*, 119 F.3d 349, 356 (5th Cir. 1997) (citations omitted); *see also Age Ref. Inc.*, 801 F.3d at 540; *Conn. Gen. Life Ins. Co. v. United Cos. Fin. Corp. (In re Foster Mortg. Corp.)*, 68 F.3d 914, 918 (5th Cir. 1995). Settlements, like the Settlement Agreement which contemplates the transfer and release of estate assets or claims, are further authorized under section 363(b) if "'supported by an articulated business justification, good business judgment, or sound business reasons.'" *Gluckstadt Holdings, L.L.C. v. VCR I, L.L.C. (In re VCR I, L.L.C.)*, 922 F.3d 323, 327 (5th Cir. 2019) (quoting *Cadle Co. v. Mims (In re Moore)*, 608 F.3d 253, 263 (5th Cir. 2010)).

6. Each element is satisfied here, and the Objections should be overruled.

**B. <u>Dugaboy Objection</u>**

7. Dugaboy asserts (i) the Settlement Agreement violates the Plan and Claimant Trust Agreement because it allows payments on HMIT's Class 10 Interest notwithstanding that HMIT's Class 10 Interest has not vested and will not vest under the terms of the Settlement Agreement; (ii) there is insufficient evidence to support the relief requested in the Motion; and (iii) the mutual releases in the Settlement Agreement are overly broad and could (somehow) release claims that Dugaboy or its affiliates have against the Highland Entities or the HMIT Entities. The Dugaboy Objection should be overruled.

**1. The Settlement Agreement Does Not Violate the Plan or Claimant Trust Agreement**

8. Dugaboy argues HMIT cannot receive anything on account of its Class 10 Interest

until the Claimant Trustee files a "GUC Payment Certification" pursuant to Section 5.1(c) of the Claimant Trust Agreement. Dugaboy Obj. ¶ 10. Dugaboy is wrong. Upon the filing of a GUC Payment Certification, Contingent Trust Interests vest, and allowed interests in Class 10 and Class 11 gain rights under the Claimant Trust Agreement. That is all. Section 5.1(c) does not prohibit (or even address) the allowance of a Class 10 Interest—which is entirely separate from vesting—nor does it prohibit settlements agreed to by all affected parties that further the intent of the Plan and Claimant Trust, *i.e.*, monetizing assets and making distributions.

9. The Claimant Trust Agreement (CTA §§ 2.2(a)-(b), 3.2(a)-(b), 3.2(c)(iv)) and the Litigation Sub-Trust Agreement (LTA §§ 2.2, 3.2(a)-(b), 3.2(c)(v)) expressly authorize the Claimant Trustee and Litigation Trustee to resolve and settle Claims and to implement those settlements. The Plan also permits Claimants and Equity Interest holders (including those in Class 9 and Class 10) to accept "other less favorable" treatment. Plan, Art. III.H.9, 10. Here, the documentary evidence proves that the holders of the remaining Class 9 claims consented to the proposed payments being made to HMIT *before* payment in full on their Class 9 Interests to bring this case closer to completion. Docket No. 4255, Ex. 59. For its part, HMIT has agreed that its Class 10 Interest will not vest; it will not have rights under the Claimant Trust Agreement; and it will voluntarily provide broad Litigation Protections in exchange for the consideration being provided to it under the proposed Settlement Agreement. Parties' willing waiver of their rights and acceptance of reduced rights otherwise provided for by a plan as part of a settlement agreement is neither atypical nor frowned upon. It is encouraged.

10. More specifically, holders of Class 9 Claims—the only parties with a pecuniary interest in the payments to HMIT—signed consents agreeing that (i) Daugherty's Class 9 Claim could be paid in full (which payment occurred on or about May 20, 2025) and (ii) HMIT could

receive certain payments under the Settlement Agreement before their Class 9 Claims are paid in full.[3]

11. In sum, all parties economically affected by the Settlement Agreement have knowingly and voluntarily waived rights in order to settle with HMIT because the settlement resolves existing litigation, limits future litigation, and creates a scenario where those parties may receive their final distributions.

**2. Sufficient Evidence Supports Approval of the Motion**

12. Dugaboy contends the Movants failed to offer evidence sufficient to support their Motion and has requested significant discovery. In response, the Movants expeditiously produced more than 4,000 pages of documents to Dugaboy (and others) and made four witnesses available for deposition. As will be shown at the hearing, the evidence overwhelmingly supports approval of the Motion.

**3. The Release Is Neither Vague nor Overbroad**

13. Finally, Dugaboy alleges the releases in the Settlement Agreement are vague and overbroad and could limit Dondero's ability or the ability of the legion of entities controlled by him to sue the estate. Dugaboy cites no language to support its assertions and is wrong. The release is a broad, mutual release, but it is a standard provision necessary to effectuate the intent of the settlement and which does not release any purported claims of Dugaboy against any party.

**C. Daugherty Objection**

14. Like Dugaboy, Daugherty alleges the Settlement Agreement violates the Plan and Claimant Trust Agreement as well as the absolute priority rule. Daugherty also alleges the

[3] All Class 8 Claims—other than Daugherty's disputed Claim—have been fully resolved and paid in full. Daugherty's disputed Class 8 Claim has been fully reserved for in accordance with the Plan and in an amount ($2,650,353) plus interest Daugherty agreed to years ago. Finally, all Claims junior to Class 8 have been fully resolved and paid.

Settlement Agreement is contrary to the estate's interests because it settles litigation rather than propagates it. Daugherty is wrong on both counts.

**1. The Settlement Agreement Does Not Violate the Claimant Trust Agreement, the Plan, or the Bankruptcy Code**

15. First, as set forth above, the Settlement Agreement does not violate the Plan or Claimant Trust Agreement. It effectuates a settlement among the affected parties; Daugherty is not an affected party. His allowed Class 8 and Class 9 Claims have been paid in full, and his disputed Class 8 Claim has been fully reserved in an amount he agreed to and in accordance with the Disputed Claims Reserve requirements in the Plan (Plan, Art. I.B.49, I.B.50, VI.E; Docket No. 4255, Exhibits. 58, 60-63).[4] Nevertheless, Daugherty asserts no settlement with HMIT can be reached until his disputed Class 8 Claim has been resolved to Daugherty's satisfaction. Given the status of Daugherty's claims, that assertion is wholly without basis.

16. Second, the Settlement Agreement does not implicate the absolute priority rule because that is a requirement for plan confirmation; it does not apply to a settlement occurring nearly four years after the Plan Effective Date.

17. Ultimately, Daugherty's objection is a transparent attempt to create leverage in the negotiation of his Class 8 Claim.[5]

**2. The Settlement Agreement Is in the Estate's Best Interests**

18. Daugherty also argues the Settlement Agreement is not in the best interests of the

[4] Daugherty cannot unilaterally increase the amount reserved for his Class 8 Claim. Under the Plan, the "Disputed Claims Reserve Amount" can be increased, in pertinent part, (i) with Highland's agreement or (ii) by an order of this Court disallowing, in whole or in part, or estimating Daugherty's Class 8 Claim. Plan, Art. I.B.50. Highland will not agree to increase Daugherty's Disputed Claim Reserve Amount. In fact, Highland filed a complaint to disallow, subordinate, or estimate Daugherty's Class 8 Claim. Adv. Pro. No. 25-03055. In response, Daugherty moved to dismiss, seeking to delay adjudication of that Complaint indefinitely. Daugherty is bound by his actions and cannot refuse to adjudicate his Claim while simultaneously demanding that his Disputed Claims Reserve Amount be increased.

[5] The evidence will show Daugherty recently threatened to sue Highland's employees and object to the Motion if Highland did not pay him $20 million.

estate because Highland should sue HMIT to recover "hundreds of millions of dollars." *See, e.g.*, Daugherty Obj. ¶ 26. Daugherty misconstrues the economics of the estate and the terms of the Claimant Trust Agreement and Plan. In the absence of a settlement, the Litigation Trustee's claims against HMIT were a potential source of cash that might have been needed to pay senior claims and obligations, including indemnification obligations. With the settlement of HMIT's Class 10 Interest—which represents 99.5% of Highland's prepetition equity—and resulting limitation of future litigation, the need for litigation funding is reduced, making further distributions possible. In any event, Daugherty fails to explain why he cares about the settlement or how it affects him. Rather, the facts are undisputed: Daugherty's disputed Class 8 Claim is fully reserved, and the reserve is fully funded. Any amounts recovered from HMIT through litigation would never have flowed to Daugherty. They would have been used to pay senior obligations, whatever remained of Class 9, and then returned to HMIT as payment on its Class 10 Interest.

**D. Crown Objection**

19. As an initial matter, the Purported Beneficiaries are not parties in interest under 11 U.S.C. § 1109 and have no right to appear or be heard with respect to the Motion. As the Purported Beneficiaries admitted during their depositions:

- They have (i) never appeared in Highland's bankruptcy case; (ii) never filed a claim against Highland in its bankruptcy case; (iii) no claims or interests in Highland or the Claimant Trust; and (iv) have never had an interest—direct or otherwise—in Highland.
- Neither Highland nor the Claimant Trust owes any Purported Beneficiary any duty—contractual, fiduciary, or otherwise.
- They had no direct interest in HMIT before the reorganization discussed in the Crown Objection.
- They had no interest—direct or indirect—in HMIT after the reorganization.

- If the Settlement Agreement is consummated, the Purported Beneficiaries would have no claims against Highland or any Movant related to the Settlement Agreement or otherwise.

- Their concern is not the Settlement Agreement before the Court but whether they will share in the cash and assets HMIT will recover if the Court grants the Motion.

Based on their deposition testimony and other evidence, the Purported Beneficiaries are strangers to these proceedings with no interest in the Motion or Settlement Agreement.

20. Even under the most capacious interpretation of what constitutes a "party in interest" under Bankruptcy Code § 1109, and even assuming 11 U.S.C. § 1109 applies four years post-confirmation, the Purported Beneficiaries do not have a sufficient interest in the relief requested in the Motion—either before or after the reorganization described in the Crown Objection—to object to the Motion. According to the Supreme Court, the ability to be heard under Section 1109 requires an entity to have a "direct financial stake in the outcome." *Truck Ins. Exch. v. Kaiser Gypsum Co.,* 602 U.S. 268, 277–78 (2024) (quoting 7 COLLIER ON BANKRUPTCY ¶ 1109.01 (16th ed. 2023)). A "direct financial interest" requires "an actual interest in the controversy, as distinguished from a nominal party"—*i.e.*, a "pecuniary interest … directly affected by the bankruptcy proceeding." *Id.* at 278, n.3. "Where a proposed plan 'allows a party to put its hands into other people's pockets, the ones with the pockets are entitled to be fully heard and to have their legitimate objections addressed.'" *Id.* at 282 (quoting *In re Global Indus. Techs., Inc.*, 645 F.3d 201, 204 (3d Cir. 2011)). The Movants have no interest in the Purported Beneficiaries' pockets. The Purported Beneficiaries are interlopers falling well outside the

Supreme Court's definition of "party in interest" under Section 1109.[6] They epitomize the "truly peripheral parties" lacking any "direct interest" to whom the Supreme Court denies the ability to be heard. *Id.*, 602 U.S. at 284. Because the Purported Beneficiaries do not have sufficient interest in the relief requested in the Motion or in the bankruptcy case under Section 1109, the Court should strike the Crown Objection and decline to hear their arguments pertaining to the Motion.[7]

21. Substantively, the Crown Objection is meritless. The Purported Beneficiaries argue the Motion must be denied or stayed because Mark Patrick allegedly violated his fiduciary obligations to the Purported Beneficiaries. On this basis, the Purported Beneficiaries conclude that the Settlement Agreement could be jeopardized by protracted costly litigation.[8] In so arguing, the Purported Beneficiaries conflate whether Patrick's *corporate restructuring* was a breach of his fiduciary duty with whether Patrick had the *authority* to execute the Settlement Agreement. Whether the Purported Beneficiaries or the Cayman liquidators (who, tellingly, are not before this Court) have claims against Patrick is not a question of corporate authority and is irrelevant to whether Highland can meet its burden under Bankruptcy Rule 9019 and 11 U.S.C. § 363. Regardless, the evidence will demonstrate that Patrick is authorized to enter into the Settlement Agreement and that he required no one's consent to do so.

---

[6] This would be true even if the restructuring outlined in the Crown Objection were reversed and the Purported Beneficiaries retained their remote interest in HMIT. *Truck Insurance* left undisturbed a long line of cases holding that "a shareholder of a party in interest is not, by virtue of its equity holding, itself a party in interest." *In re AIO US, Inc.*, 2025 Bankr. LEXIS 1369, at *29 (Bankr. D. Del. June 6, 2025); *see also, e.g.*, *In re Refco*, 505 F.3d 109, 117 (2d Cir. 2007); *In re Vantage Drilling Int'l*, 603 B.R. 538, 545 (D. Del. 2019).

[7] Ignoring the Movants' written request (Docket No. 4255, Ex. 120), the Purported Beneficiaries also failed to file a disclosure statement as required by Federal Rule of Bankruptcy Procedure 2019, which is independent grounds to refuse to permit the Purported Beneficiaries to be heard and to assess sanctions against them. FED. R. BANKR. PROC. 2019(e)(2)(A)-(C).

[8] The Purported Beneficiaries also conceded during their depositions that (i) Dondero is funding their pursuit of the Crown Objection and (ii) they had not even read the Settlement Agreement. The Purported Beneficiaries also testified, among other things, that (i) HMIT had the corporate authority to enter into the Settlement Agreement and (ii) they had no reason to believe the Settlement Agreement was not the product of good faith and arm's length negotiations or that the terms of the Settlement Agreement were unfair to either side.

WHEREFORE, for the reasons set forth above and in the Motion, the Movants respectfully request that the Court overrule the Objections and grant the Motion.

DALLAS, TEXAS - JUNE 25, 2025 - 9:38 A.M.

THE CLERK: All rise. The United States Bankruptcy Court for the Northern District of Texas, Dallas Division, is now in session, the Honorable Stacey Jernigan presiding.

THE COURT: Good morning. Please be seated.

MR. LANG: Good morning, Judge.

THE COURT: All right. We have Highland settings this morning, Case No. 19-34054. We have two motions: a motion to extend the duration of the Plan Trust, and then a motion under Rule 9019 to approve a settlement between the estate entities and Hunter Mountain entities.

All right. So, lots to get to. Let's quickly get appearances from the participating parties in interest this morning.

MR. MORRIS: Good morning, Your Honor. John Morris; Pachulski Stang Ziehl & Jones. I'm joined by my colleagues Jeffery Pomerantz, Gregory Demo, and Hayley Winograd. And we represent the Highland Capital Management Claimant Trust and Highland Capital Management, LP.

THE COURT: Okay. Good morning. Other appearances?

MR. LOIGMAN: Good morning, Your Honor. Robert Loigman from Quinn Emanuel. We represent the Highland Litigation Trustee, Marc Kirschner.

THE COURT: Good morning.

MS. DEITSCH-PEREZ: Good morning, Your Honor. This

is Deborah Deitsch-Perez from Stinson representing the Dugaboy Trust on the motion to extend the duration of the Trust.

THE COURT: Good morning.

MS. DEITSCH-PEREZ: Good morning.

MR. LANG: Michael Lang for Dugaboy Investment Trust on the 9019 motion.

THE COURT: Good morning.

MR. LANG: Good morning.

MR. PHILLIPS: Good morning, Your Honor. Louis M. Phillips and Amelia L. Hurt; Kelly Hart Hallman -- Kelly Hart Pitre, Louisiana trade name, I don't know why -- appearing on behalf of Hunter Mountain Investment Trust and the Hunter Mountain entities in connection with the 9019 motion.

THE COURT: Good morning.

MR. YORK: Good morning, Your Honor. Drew York along with Joshua Smeltzer and Drake Rayshell from Gray Reed on behalf of Patrick Daugherty with regard to the 9019 motion.

THE COURT: Good morning. Ms. Schmidt?

MS. SCHMIDT: Erin Schmidt on behalf of the U.S. Trustee.

THE COURT: Good morning.

MR. CURRY: Good morning, Your Honor. David Curry from Okin Adams on behalf of The Dallas Foundation and Crown Global Life Insurance, Ltd.

THE COURT: Good morning.

All right. Well, let me ask. I'll start with Mr. Morris, given these are your motions. Do you have any agreements about how you're going to proceed? I'm wondering, first off, are we going to have joint presentations, joint evidence on both motions, or are we going to take one at the time?

MR. MORRIS: Good morning, Your Honor. Thank you very much for hearing us yesterday. It's kind of a big day in the case. We have a milestone that we hope will greatly advance the prosecution of this case, and, frankly, what remains to be done to complete the wind-up of Highland.

There are two motions before the Court. The first is the motion to extend the Trusts. That was filed at Docket No. 4213. We're going to address that one first, Your Honor, because we have a resolution and a stipulation. There's only one objecting party. That was the Dugaboy Investment Trust. And early this morning we reached an agreement whereby Dugaboy is going to withdraw its objection, with prejudice, subject to a stipulation that we will file with the Court but that contains the following terms.

THE COURT: Okay.

MR. MORRIS: Number one, Dugaboy agrees to withdraw its objection to the motion, with prejudice.

Number two, the Trusts expect to dissolve by August 11th, 2026, so that no further extension of the duration of the Trusts will be necessary.

THE COURT: Okay.

MR. MORRIS: And number three, Dugaboy hereby preserves and does not waive its right, if any, to object to any further attempts to extend the date by which the Trusts must be dissolved or to extend the duration of the Trusts.

THE COURT: Wait. I don't understand that third one. Could you repeat it?

MR. MORRIS: It's a reservation of rights.

THE COURT: Okay.

MR. MORRIS: And so Dugaboy preserves and does not waive its right, if any, to object --

THE COURT: Well, okay. I'm sorry. Maybe I zoned out or heard something different.

MR. MORRIS: Uh-huh.

THE COURT: I thought number two of the agreement was August 11th, 2026 would be it; there would be no further extensions.

MR. MORRIS: It's a statement of expectation. It's not a representation. It's not a warranty. We do not believe today, based on the facts and circumstances that we know of, that a further extension will be necessary, but we're not waiving the right to seek it if circumstances change or something unforeseen happens. And all Dugaboy is saying is that, okay, we reserve the right, if any, to object.

THE COURT: Okay.

MR. MORRIS: It's that simple.

THE COURT: Okay. It's sort of confusing, right?

MR. MORRIS: Yeah.

THE COURT: Okay.

MR. MORRIS: Perhaps. If you have any questions, let me try and clarify.

THE COURT: Well, I guess I'll just start with Ms. Deitsch-Perez. Would you come to the podium? We've got I don't know who on the camera, but we want to make sure everyone hears.

MS. DEITSCH-PEREZ: Okay. I'll take a stab at --

THE COURT: Do you confirm what you heard and do you have any clarification of Points 2 and 3?

MS. DEITSCH-PEREZ: Maybe I can make it clear. I confirm that is the stipulation that we agreed upon, and I think all that was intended is the Trusts and the Debtor are saying they expect to be done by August 11, 2026, so that they will not need to make this motion again, but they could not and would not promise that they will be done by then. So Dugaboy is withdrawing the objection to this particular extension but is not waiving the right to object to a further request for an extension. And that's the sum of it. Does that make sense to Your Honor?

THE COURT: It does.

MS. DEITSCH-PEREZ: Okay.

THE COURT: I'm hoping it'll be over by August 11th, 2026, and we'll see where we are at that time.

Well, one of my reasons for a slight bit of confusion is, in reading the 9019 settlement that is before the Court, I saw that there were some future installments payments, if you will, to HMIT, I think up through 2029, maybe.

MR. MORRIS: Sure.

THE COURT: So I was --

MR. MORRIS: So let me clarify.

THE COURT: Okay.

MR. MORRIS: The only thing that we said that we expect to happen as of, you know, by August 11th, 2026 is that the Trusts will be dissolved. But that is not the end of their life. It is a process. Once you file for dissolution, then you have to complete the wind-down. And completing the wind-down will require the completion of all litigation. It will -- right?

All we're talking about is dissolving the Highland Claimant Trust and the Highland Litigation Subtrust so that what remains after that is the Indemnity Trust. And the Indemnity Trust will be fully funded and will be prepared to go forward. And if we ever get to a point when there's no further litigation, the corpus of that will be distributed to whatever stakeholders are entitled to it at that time.

But when we talk about being done by next year, it doesn't

mean the case will be over. It simply means that the Claimant Trust and the Highland Litigation Subtrust will be dissolved. But they still have to complete the wind-up.

THE COURT: Okay. Gotcha.

MS. DEITSCH-PEREZ: And Dugaboy is reserving its rights to object to -- if something is happening that seems improper or untoward or they're seeking additional relief, obviously, we're not waiving the unknown now.

THE COURT: Okay. Gotcha. All right. Well, I appreciate the resolution of these issues. I assume no other party in interest is going to weigh in since we only had a Dugaboy objection.

MR. MORRIS: That was the only objection we had. I'm prepared to, if Your Honor thinks it's necessary or appropriate, or both, to make a very short proffer. A proffer.

THE COURT: Okay. I'll accept that proffer at this time.

MR. MORRIS: Okay. So, Your Honor, we filed on the docket at No. 4253 Exhibits 1 through 65, and we supplemented our exhibit list at Docket No. 4271 with two additional documents, which are Exhibits 66 and 67. We don't believe there's any objection to any of those documents, and we would respectfully move for their admission into evidence.

THE COURT: All right. Could you repeat the numbers

once again?

MR. MORRIS: Yes, Your Honor. So, for the motion for an order further extending the duration of the Trusts, we have two docket entries that contain Highland's exhibits. The first is Docket No. 4253, and that has Exhibits 1 through 65.

THE COURT: Okay.

MR. MORRIS: And then we supplemented at 4271 with Docket -- with Exhibit Numbers 66 and 67.

THE COURT: All right. I presume there's no objection to these exhibits.

All right. They are admitted.

(Claimant Trust's Exhibits 1 through 67 are admitted into evidence.)

JAMES P. SEERY, JR., PROFFER OF TESTIMONY

MR. MORRIS: Okay. So, Your Honor, if called to testify, James P. Seery, Jr., the Claimant Trustee of the Highland Claimant Trust, would testify as follows.

At Exhibits 63 and 64, Highland filed excerpts of the Litigation Trust and the Litigation Subtrust -- the Claimant Trust and the Litigation Subtrust, and each of those excerpts contain Section 9.1, respectively. That's the section of the Trusts that deal with the extensions that may be necessary from to the original three-year term. And Mr. Seery would testify that he's familiar with those provisions and that he understands the requirements of those provisions include,

among other things, the requirement that all objections to claims and equity interests have been resolved and that all assets that the Trustee believes might yield sufficient value to the estate have been sold.

Mr. Seery would also testify that the Highland estate has a number of assets in its possession today, certain of which will be conveyed to Hunter Mountain if the 9019 motion is approved.

Among those assets, Mr. Seery would testify that, in accordance with the proposed settlement agreement, which is at Exhibit 17, in Paragraph 5(b), the Court will see reference to what's known as the Dugaboy Note. The Dugaboy Note is an asset of the estate that will go to Hunter Mountain if the 9019 motion is approved. If it's not approved, then Mr. Seery would testify that he's got to find another way to dispose of it. But it is an asset with a face amount today of about $17 million, so it has substantial value.

There is a note from Hunter Mountain. That also will be disposed of as set forth in Paragraph 4(a) of the proposed settlement agreement. That note is going to be used to reduce the allowed amount of Hunter Mountain's Class 10 claim if the settlement is approved. But that note is also an asset of the estate. It's worth over $60 million. I believe it actually might be in the fifties. But somewhere in the $50 to $60 million range. And that's an asset that needs to be disposed

of.

The estate has a contingent right to receive certain funds under its settlement with Mr. Okada, and it has the Kirschner Litigation. All of these assets will be disposed of. They're very illiquid assets, I'd call them, and it would be very helpful to the estate in moving this case forward if the 9019 motion is approved.

There are other assets that the estate has that will not be monetized by August 11th and which therefore require the extension of the Trusts. Mr. Seery would testify, if called to the stand, that the pursuit of the sale of these assets will yield proceeds that justified the continued pursuit of their monetization. They include interests in Highland CLO Funding, Ltd. Documents pertaining to that can be found at Exhibits 21 and 25.

The Claimant Trust also owns shares in Highland Capital Management Korea, Ltd. Documents relating to that asset can be found at Exhibits 18 through 20. That's an asset that, if Mr. Seery were to testify, he would say that he has been actively engaged in trying to liquidate that asset, but it's not going to be completed by August 11th.

There's also a note that is due from Highland Capital Management Korea, Ltd. That can be found at Exhibit 67. That's another asset that Mr. Seery has concluded and would testify to that he thinks is valuable for the estate but will

not be monetized by the end of this extension period.

And then there's the bad faith award that the estate obtained against HCRE, which remains on appeal. The appeal of that order can be found at Exhibit 15. And there's no further cost, really, to waiting for the Court's decision, but that is an asset of the estate that remains to be monetized.

So there's two buckets of assets, one of which, hopefully, if the 9019 motion is approved, will go to HMIT and that will be helpful. But there's another bucket of assets that are not implicated by the HMIT settlement that will not be monetized before August 11th that Mr. Seery would testify we need a little bit more time and that's why we're going to extend the Trusts.

Mr. Seery would also testify, finally, that there are claims and equity interests that remain unresolved. They include Mr. Daugherty's Class 8 claim. As Your Honor is probably aware at this point, Highland has objected to that claim. It seeks to disallow, subordinate, that particular claim. Otherwise, have it monetized for purposes of winding up the estate.

Mr. Daugherty has moved to dismiss that complaint. That's his right. But our scheduling order already takes us past August 11th.

And then, finally, we've got Dugaboy's Class 11 interest, which has not yet been allowed. If the 9019 motion is

approved today, we do expect to move quickly to get to that point so that we can finish that up. But we don't foresee that being completed before August 11th, either.

So, in sum, Mr. Seery would testify that, from his perspective, the estate still has assets that are valuable to the estate that will not be monetized by August 11th, and there are still one claim and one equity interest that need to be resolved in order to satisfy the test, you know, to get to the dissolution.

So that would be the sum total of his testimony. That's the completion of the proffer. And unless Your Honor has any objections, we're prepared to move to the next motion.

THE COURT: I have a couple of questions.

MR. MORRIS: Sure.

THE COURT: But first I'm going to go ahead and swear in Mr. Seery --

MR. MORRIS: Great.

THE COURT: -- to affirm this, as well as swear him in for what I'm sure will be future testimony today.

MR. MORRIS: Sure.

MR. SEERY: Would you like me to come --

THE COURT: Well, you can just stand in place. Just make sure we hear you.

(The witness is sworn as to both his proffer and future testimony.)

THE COURT: Okay. Thank you.

All right. My question is probably for you.

THE WITNESS: Uh-huh.

THE COURT: Just confirm my understanding. We have one claim and one --

MR. MORRIS: Equity interest.

THE COURT: -- equity interest to resolve? Mr. Daugherty's Class 8 claim and the Dugaboy what would be Class 11 interest?

MR. MORRIS: That is correct.

THE COURT: Did I hear that correctly, Mr. Seery?

THE WITNESS: That's correct, Your Honor.

THE COURT: Okay. Thank you.

And then my other question is, once again, a clarification. I pulled out of your attachments to your motion to extend the Exhibit B, Unresolved Pending Litigation.

MR. MORRIS: Uh-huh.

THE COURT: And at the time this was filed, May 8th, 2025, it showed nine pending matters at all court levels. And I think two of them now are finished. I'm sorry. This is a long question. But maybe I'm wrong. The first two matters, the recusal matter that was at the Fifth Circuit, as well as the gatekeeper appeal, which I know a motion to stay the mandate was at the Supreme Court, both of those are finished now? Done?

MR. MORRIS: Yes, Your Honor.

THE COURT: Okay. So the nine pending matters is now down to seven. And if the Court were to approve the 9019 today, I understand that, well, it looks like, at a minimum, two more would go away?

MR. MORRIS: Precisely.

THE COURT: We have an appeal at the District Court, what we call the Claims Trading Appeal, where Highland had sued -- I'm sorry, Hunter Mountain had sued Highland and others regarding the claims trading issue, I'll call it. So that would go away?

MR. MORRIS: Yes, Your Honor.

THE COURT: And then let me see what else. I've marked all over my chart.

MR. MORRIS: And then I believe Hunter Mountain's motion for leave to file a complaint in the Delaware Chancery Court --

THE COURT: Ah.

MR. MORRIS: -- to remove Mr. Seery will also be dismissed with prejudice --

THE COURT: Okay.

MR. MORRIS: -- if the 9019 motion is approved.

THE COURT: Okay. So, that, yes, Hunter Mountain v. Seery, the Court issued a stay on that being able to go forward in Delaware.

MR. MORRIS: Precisely.

THE COURT: So that would go away.

So, of the nine matters listed, we're down to five. But I'll hear, I guess, about this later with Mr. Seery, the big what I would call Kirschner adversary against lots of defendants which has been abated for a long, long time now. Hunter Mountain would basically receive that lawsuit with those claims? The claims against it go away? And I don't know what we'll hear, I don't know what Hunter Mountain will do with that big adversary, but maybe it doesn't know yet. I don't know.

MR. MORRIS: Yeah.

THE COURT: So, --

MR. MORRIS: Not a question we've concerned ourselves with, Your Honor.

THE COURT: Okay. So that, again, I'm kind of recapping everything.

(Counsel confer.)

MR. MORRIS: Go ahead, Your Honor.

THE COURT: So, again, I'm looking at the chart. If anyone wants to know what I'm looking at, it's at Docket No. 4213-2, filed May 8th. We're down to the HCRE --

MR. MORRIS: Appeal.

THE COURT: -- appeal.

MR. MORRIS: Uh-huh. Which is fully briefed and

we're just waiting for a decision.

THE COURT: Okay. So that bad faith decision may or may not stick, but it's hanging there on appeal.

MR. MORRIS: Uh-huh.

THE COURT: We're down to a Dugaboy -- what we called the Imaging Motion. Or no?

MR. MORRIS: Correct. I guess that's been stayed, but that's out there.

THE COURT: We have the valuation motion of Dugaboy, but I don't know, is it going to be moot after today? I don't know what I'm going to hear today as far as the evidence.

MR. MORRIS: So, that has -- great question -- two plaintiffs in that lawsuit, HMIT and Dugaboy.

THE COURT: Oh, that's right. So --

MR. MORRIS: HMIT is going to dismiss it with prejudice. Dugaboy will still have an active complaint.

THE COURT: Appeal.

MR. MORRIS: My hope is that --

THE COURT: It's an appeal of --

MR. MORRIS: Yes.

THE COURT: Okay.

MR. MORRIS: My hope is that, because we produced so much valuation information to HMIT, which we then had to make available to Dugaboy because that's the way discovery works, that they'll withdraw that complaint.

THE COURT: Okay.

MR. MORRIS: I'm going to make that plea right on the record here, because they've now gotten everything they've asked for. But that's their decision to make, and it's out there. But HMIT is withdrawing itself as a party to that lawsuit, but it does remain in Dugaboy's lap.

THE COURT: Okay. So those potentially three things?

MR. MORRIS: Yeah.

THE COURT: Plus the Daugherty matter?

MR. MORRIS: Yeah.

THE COURT: Okay. Mr. Seery, did I miss something?

THE WITNESS: One clarification, Your Honor. My apologies. One clarification. In the Class 11 subordinated interests, there's a Dugaboy capital account of $740,000. There's also the Strand capital account -- both of these are controlled by Mr. Dondero -- of $994,000. And then Mr. Okada and his affiliates have a combined capital account of $248,000. So we'll -- I said just Dugaboy, but it's actually Dugaboy, Strand, and then Okada and two family trusts of his.

THE COURT: Okay.

MR. MORRIS: And if the 9019 motion is granted, --

THE WITNESS: It's in the footnote. It's in the footnote in the motion.

THE COURT: Yes. I actually had that in my notes.

MR. MORRIS: Yeah.

THE COURT: So I glossed over Class 11 just being Dugaboy. There are Strand and Okada.

All right. So I appreciate that clarification. We're down hopefully to very little litigation. But we have no control over higher courts, when they have time to look at it.

MR. MORRIS: Or future litigation, now that the gatekeeper has been curtailed.

THE COURT: Okay. All right.

Anyone wish to say anything about this motion to extend?

All right. Well, based on the pleadings, the argument, the evidence, I do think it is necessary and appropriate and reasonable to extend the duration of the Highland Trusts through August 11th, 2026. The relief is something that is contemplated as a possibility under the trust documents. Moreover, I think the Court has some authority under Bankruptcy Rule 9006(b) and Bankruptcy Code Section 105 to grant this relief.

The evidence shows there are unliquidated assets and some unfinished litigation that must be resolved before the Trust is in a position to wind down. So, again, I think it's necessary, prudent, and in the best interest. The motion is granted, and the Court duly acknowledges the comments with regard to the stipulation of Dugaboy and the estate. All right.

MR. MORRIS: Thank you very much. So, may I move to

the 9019 motion?

THE COURT: You may.

MR. MORRIS: Okay. With respect to the 9019 motion, there were originally three Objecting Parties: the Dugaboy Investment Trust, Patrick Daugherty, and The Dallas Foundation and an entity called Crown Global.

I'm pleased to report, and I think Your Honor may already be aware, that a settlement has been reached to dispose of The Dallas Foundation and the Crown Global objection. There is a written agreement to that effect that effectuates that. And I'd like to just turn the podium over to Mr. Phillips. Louis Phillips represents the HMIT Entities. I know Mr. Curry is here on behalf of the objecting parties, The Dallas Foundation, but I think -- I think I'll let Mr. Phillips address, you know, the specific terms of the resolution of that objection.

THE COURT: All right. Thank you. And I will say that my staff reached out yesterday to -- I don't know if it was Mr. Curry or someone in your office -- wanting to know have you delivered exhibit notebooks. And it was at that point my staff heard, well, we've resolved.

MR. CURRY: We had just finished.

THE COURT: Okay. All right. So I'm happy to hear what the resolution is.

MR. PHILLIPS: Good morning, Your Honor. Louis M.

Phillips on behalf of the Hunter Mountain Investment Trust and the named parties therein.

We had a written stipulation that has been signed by my firm, by Mr. Curry's firm, by the Pachulski firm, and by the Quinn Emanuel firm that is to be submitted to the -- is to be filed on the record. It also contains a reference to a settlement agreement that will be attached. But we will read the stipulation into the record, if Your Honor would allow me to.

THE COURT: All right. You may.

MR. PHILLIPS: And Mr. Curry is here, and he can tell me whether or not I have read correctly, but I think I have it.

THE COURT: Okay. All right.

MR. PHILLIPS: (reading) Now, wherefore, it is jointly -- hereby jointly stipulated and agreed as follows. The Foundation Parties -- Mr. Curry's clients -- withdraw The Foundation Objection, which is a defined term in the stipulation, with prejudice, in accordance with the terms of the term sheet annexed hereto as Attachment 1. And Attachment 1 will be attached to the stipulation.

Paragraph 2. The Foundation Parties, the HMIT Entities -- that's Hunter Mountain Entities and the Movants; that is, Mr. Morris' client and Quinn Emanuel on behalf of the Litigation Subtrust -- agree that the following language shall be

contained in the proposed order on the 9019 motion. And that's clearly the proposed order. This is not dependent upon the motion being granted. Notwithstanding anything in the settlement agreement or the 9019 order to the contrary, none of The Dallas Foundation, EDF, Okada Family, or Crown (The Foundation Parties) are or will be included in the definition of HMIT Releasors or Highland Releasors. For the avoidance of doubt, however, any attempt by The Foundation Parties to assert a claim against an HMIT released party by, through, or under, including derivatively a Highland entity, or against a Highland released party by, through, or under, including derivatively an HMIT entity, is barred by this order and the settlement agreement.

That is the sum and substance of the stipulation. The settlement agreement we don't think needs to be read to the Court because it's a signed settlement agreement that will be attached as Attachment 1 to the stipulation. And I believe I read it correctly.

THE COURT: Mr. Curry, did he read it correctly?

MR. CURRY: Mr. Phillips did read it correctly, Your Honor. And thank you.

And we want to thank Trustee's counsel and Mr. Phillips for working with us to address some very real concerns. And through the stipulation, we still have some work to do, but we have the time to do it, and maybe move it to where we can

actually get it resolved.

THE COURT: Okay. Well, there are some things I am concerned -- well, I should say, all I really feel the need to go into is you're releasing your objection, your clients are, and all of the parties here, parties to the proposed settlement and the estates, the Debtors, Hunter Mountain, are agreeing that your clients are not releasors under the 9019 settlement if the Court approves it.

MR. CURRY: Correct, Your Honor. Unless and except our clients were to attempt to assert a released claim against a released party, and that's what the "provided, however" was to clarify.

MR. PHILLIPS: And this doesn't affect the estate at all. It basically affects the HMI -- the Hunter Mountain entities. But the language that we have read in the stipulation has been agreed to and is contained within the order that will be proposed.

THE COURT: Okay. You said it better than I said it. The estate is releasing claims --

MR. PHILLIPS: I can't believe that, Your Honor, but thank you.

THE COURT: Well, the estate is releasing claims that it has --

MR. PHILLIPS: Correct.

THE COURT: -- or in Trusts have -- I shouldn't have

said the estate. It's the Trust entities and what's left of the Reorganized Debtors are releasing any claims they have against Hunter Mountain in the proposed settlement --

MR. PHILIPS: Yes.

THE COURT: -- if it's approved. But any direct claims of your clients are not --

MR. CURRY: Well, direct claims that our client has or derivative claims, for example, against Hunter Mountain that are derivative through Hunter Mountain.

THE COURT: Okay. All right.

MR. PHILLIPS: Yeah.

MR. CURRY: Yeah. That was the -- what we were trying to make sure.

THE COURT: Yes. All right. Well, and when I said this is all I care about, what I mean is I don't even know who the heck Crown Insurance is.

MR. PHILLIPS: Correct.

THE COURT: There was a very interesting party in interest objection asserted by the Debtor. And I've learned a lot about a lot of entities during all these years, but that was a new one on me. I understood that it's somewhere in the framework of the --

MR. PHILLIPS: Yes, Your Honor.

THE COURT: -- Charitable DAF.

MR. PHILLIPS: Let's say it's somewhere in the

universe, Your Honor.

THE COURT: The universe? Okay.

MR. PHILLIPS: The universe. Not necessarily the Charitable DAF or Hunter Mountain.

THE COURT: Okay.

MR. PHILLIPS: But in the universe.

THE COURT: Well, but the point is, we've announced anything relevant to --

MR. PHILLIPS: Correct.

THE COURT: -- the Reorganized Debtor, --

MR. PHILLIPS: Correct.

THE COURT: -- Claimant Trust, Subtrust.

MR. PHILLIPS: And the motion -- and the objections of all these entities are withdrawn with prejudice.

THE COURT: All right.

MR. CURRY: And Your Honor, the one thing that I will note, part of our agreement, and it's in the signed term sheet that you'll see, is that we've agreed that if there's a dispute over the settlement to withdraw our objection, this Court will have at least concurrent jurisdiction to resolve that dispute, because it is a settlement to resolve an objection to a core proceeding.

THE COURT: Okay. Thank you.

MR. PHILLIPS: And we have agreed and we do agree that the Court has jurisdiction. It has jurisdiction.

THE COURT: Okay. For what that is worth.

MR. PHILLIPS: Well, that's what we can agree to.

THE COURT: All right. I appreciate that.

Anyone wish to say anything about what's been announced?

All right. Well, I accept this resolution and withdrawal of --

MR. PHILLIPS: Okay. We will be filing --

THE COURT: -- the objection.

MR. PHILLIPS: We will be filing, at the close of this hearing, this stipulation, and we will be clicking whatever ECF box request that the Court so ordered on the stipulation.

THE COURT: Okay. We will be on the lookout for that.

All right. Well, Mr. Lang, you stood up on behalf of Dugaboy.

MR. LANG: I just want to make the Court aware of a letter that was sent last night that involves this from the Caymans, from Grant Thornton.

MR. PHILLIPS: We object.

MR. LANG: I just want to make the Court -- they were asking for a 45-day that the Joint Liquidators --

MR. PHILLIPS: We object to this, Your Honor. That's not a part of the record. This is a person from outer space. Not outer space, but the Cayman Islands. And it's a letter

that we --

THE COURT: Coming from someone --

MR. PHILLIPS: It looks like a letter --

THE COURT: -- who is called Yosemite Sam, I understand, outside of court.

MR. PHILLIPS: Yeah. Yeah. I didn't want to bring that up, but Mr. Morris --

THE COURT: Okay. Well, it's stuck in my brain forever now.

MR. PHILLIPS: -- says it's his favorite cartoon character, so it must be okay.

THE COURT: Okay. Well, okay, I don't want to make light. I think this goes back to what I was saying about there are certain things I care about and certain things I don't care about. And I read from the pleadings, I haven't heard evidence but I've read from the pleadings that there is a lot going on in the Cayman Islands with regard to what I call the Charitable DAF structure or Hunter Mountain.

MR. LANG: Yes.

THE COURT: Parties in that universe. And I don't plan to exercise any control or jurisdiction over that, so I'm hesitant to hear what it is you want to present. I don't know, maybe on cross-examination of Mark Patrick today it may or may not be relevant. But what is it --

MR. LANG: All they ask for is a 45-day basically

abeyance or continuance of the decision on the 9019, to allow them to investigate and weigh in on it.

MR. PHILLIPS: Your Honor?

MR. LANG: They're Joint Liquidators. That's -- I'm just making the Court aware of the request.

THE COURT: Okay. Well, they're not here to articulate that. So I respect your wanting to be transparent and whatnot, but I'm not going to let it stop me from going forward today. Okay.

MR. LANG: Thank you.

THE COURT: Thank you.

MR. PHILLIPS: Your Honor, if I may be excused, that's our position with respect to the withdrawal. We appreciate Your Honor's attention. Thank you.

THE COURT: Okay. Thank you.

MR. CURRY: Thank you, Your Honor.

THE COURT: Anyone else wish to weigh in?

All right. Well, I do, as I was saying, accept the withdrawal of The Dallas Foundation and related entities' objection to the 9019 settlement.

So does that leave only the Daugherty objection to the settlement? Well, and the Dugaboy.

MR. MORRIS: And the Dugaboy, yes.

THE COURT: And Dugaboy, of course.

MR. MORRIS: That's right.

THE COURT: Okay.

MR. MORRIS: So, --

THE COURT: So how did you want to proceed?

MR. MORRIS: So, the way I propose to proceed, Your Honor, I have an opening statement to make --

THE COURT: Okay.

MR. MORRIS: -- with a PowerPoint presentation to present. I would propose that, as the Movant, I go first. Then we can hear from Dugaboy, we can hear from Mr. Daugherty, and then we can put Mr. Seery on the stand.

Assuming that there is no challenge to Mark Patrick's authority to enter into the settlement agreement on behalf of all of the HMIT entities, I would not plan on calling either Mr. Dondero or Ms. Deitsch-Perez, who are under subpoena here, because the challenge to authority was really coming from The Dallas Foundation. Their objection has now been withdrawn. So as long as Mr. Daugherty -- well, really, as long as Dugaboy doesn't challenge Mr. Patrick's authority to enter into the settlement agreement on behalf of the HMIT entities, I think we'll just put on the one witness and be done.

THE COURT: All right. Just so we know what lies ahead, --

MR. MORRIS: Uh-huh.

THE COURT: -- I don't think that Dugaboy objected to Mr. Patrick's authority. I do recall it was just The

Foundation.

MR. LANG: There was no objection on the -- there was no objection.

THE COURT: Okay. And same with Mr. Daugherty? No objection about the authority of Mark Patrick to enter into the settlement?

MR. YORK: There was no objection.

THE COURT: All right.

MR. MORRIS: All right. May I proceed?

THE COURT: You may proceed.

MR. MORRIS: Okay. So, may I approach, Your Honor? I've got a --

THE COURT: You may. Is this a PowerPoint? And everyone else has it, correct?

(Pause.)

THE COURT: You may proceed.

MR. MORRIS: Thank you, Your Honor. John Morris; Pachulski Stang Ziehl & Jones; for Highland Capital Management, LP and the Highland Claimant Trust.

Before I begin, Your Honor, I'd like to move my exhibits into evidence because I will be referring to them in my opening.

THE COURT: All right. So I think I said on Monday the first thing I was going to ask, and I've already blown that, was did you all have good faith discussions regarding

admission of each other's exhibits? And I did see Mr. Lang filed a day or two ago his list of objections. It looked like you were like you were down to about nine or eleven exhibits you were objecting to.

(Counsel confer.)

THE COURT: Out of 123 designations, which I think probably grew overnight to --

MR. MORRIS: Oh, okay. Well, --

MR. LANG: I just have to make clear for the record.

MR. MORRIS: You go ahead and do that.

MR. LANG: Your Honor, I've been told that Dugaboy does challenge the authority. It is not in our objection.

MR. PHILLIPS: It's not in his --

THE COURT: Well, can I ask why it was not in your objection?

MR. LANG: I do not know. I was not counsel of record when the objection was filed. I do not know what was known or not known at that time.

THE COURT: So, --

MR. LANG: So I guess we just seek leave to --

THE COURT: -- if you did not have him on -- was Mark Patrick on your exhibit list? I don't think he was, right?

MR. LANG: He was not.

THE COURT: Okay. So how would you address that? Again, we've had, I know, some back and forth over who was

going to represent Dugaboy on this matter.

MR. LANG: Yes.

THE COURT: I remember the substitutions and whatnot. But --

MR. LANG: We found out late last night that The Foundation was resolving their issue, and that kind of left us in a position.

THE COURT: So what are you saying? You all were relying on --

MR. LANG: Well, the issue had --

THE COURT: -- The Foundation to carry the flag on this one?

MR. LANG: They had raised the issue. They were pursuing the issue. We went through discovery and they were pursuing it. It was already in front of the Court.

THE COURT: All right. What would you like to say, Mr. Morris?

MR. MORRIS: Your Honor, this is more than disappointing. The fact of the matter is Mr. Dondero is funding both the Cayman Islands litigation as well as The Dallas Foundation's prosecution of the objection. The fact that The Dallas Foundation settled doesn't open the door to Mr. Dondero to assert objections that he's never asserted before.

I will tell you what will happen. If Your Honor allows

this, I will have to call Mr. Dondero and Ms. Deitsch-Perez to the stand to offer evidence under subpoena that they personally acknowledge and understand, because Mr. Dondero's signature is on documents that were signed in the year 2025, that Mr. Patrick is authorized to represent HMIT. I really didn't want to do that. But if they want to pursue it, I'll have to do my job.

THE COURT: All right.

MR. LANG: And I want to clarify one thing.

THE COURT: Uh-huh.

MR. LANG: And it goes back to something we already discussed, which is the authority issue is derived from the Cayman Island Joint Liquidators' appointment on May 6th, 2020. And so how that changes the authority, it's -- I think the issue is does he have authority, like Mr. Morris --

THE COURT: All right. Well, before I comment, Mr. Phillips, it's your client representative that we're talking about here. What do you say?

MR. PHILLIPS: Very disappointing, but -- and further revealing the limits of my imagination. There is no objection to authority. There's no evidence of record of objection to authority. There's no evidence even in The Dallas Foundation's papers about authority. Dugaboy did not raise objections to authority. Daugherty did not raise objections to authority. And Mr. Morris was willing to release Ms.

Deitsch-Perez and Mr. Dondero from subpoena in connection with an order that this Court entered that Hunter Mountain objected to. And outside the Court, the evidence will establish, the evidence submitted by Mr. Morris will establish that Hunter Mountain, through authority of Mr. Patrick, objected to Ms. Deitsch-Perez signing on behalf of Hunter Mountain because she did not seek approval and did not have authorization to sign a stipulation before this Court.

Subsequently, after signing the stipulation and entry of the order, we suggested that we would not deal with Ms. Deitsch-Perez, we would only deal with unconflicted counsel, and we dealt with unconflicted counsel to make an agreement with HCLOM and another of Mr. Dondero's entities to avoid filing a motion for reconsideration before this Court based on the fact that, as we have suggested in the motion that we didn't file, Hunter Mountain's approval was not real.

So Mr. Morris has these people under subpoena because we signed an agreement that Mr. Dondero signed to avoid the filing of a motion for reconsideration before this Court, recognizing that Mr. Patrick had authority for Hunter Mountain to sign the agreement. And so that's the purpose of his subpoena.

But our position is there's no suggestion in pleadings by Dugaboy or Daugherty that challenge the authority of Mr. Patrick to execute on behalf of any of the Hunter Mountain

entities. And the one party who, without suggesting an evidentiary basis, but that's fine, they say maybe they did have an evidentiary -- we -- and they withdrew their objection.

THE COURT: Okay. Let me --

MR. MORRIS: Okay. I'm sorry. Just really --

THE COURT: Thirty second.

MR. MORRIS: Really quickly.

THE COURT: Uh-huh.

MR. MORRIS: The letter that Mr. Lang just referred to from the Joint Official Liquidators, addressed to us, asking for an extension of time, doesn't even challenge Mr. Patrick's authority to act today on behalf of the HMIT entities to enter into the settlement agreement. The Joint Official Liquidators wrote to us last night, and they don't say what Mr. Lang is now saying.

MR. PHILLIPS: And the only thing I would say is we got a letter by email from somebody who says, I am who I am. It came through email PDF. We don't challenge the authority. But we would respectfully request -- we're not there. We've made no appearance. We don't challenge the authority. But please wait -- ask the Court to wait the 45 minutes -- 45 days for us. We got a letter. PDF. We don't know who sent it.

THE COURT: Okay.

MR. PHILLIPS: It wouldn't be admissible even if

someone tried to introduce it as evidence.

THE COURT: Okay. Let me just say a few things here. This has felt like a very strange sideshow, I'm going to say. When I read The Foundation's objection, I was, again, scratching my head, who in the heck is Crown Insurance? I know who Dallas Foundation is because there have been charts submitted to me in the past, and I know it's part of the I'm going to say Mr. Phillips' client set over the months, the Charitable Foundation structure. But I'm like, how in the heck do these people have standing? Okay? I have to always consider standing. That's every trial judge's first obligation, does this party have standing? Not a creditor. Not an equity holder. But somehow I guess they're going to explain through evidence how they're a person aggrieved by the proposed settlement.

So that's why I kind of -- hopefully, it doesn't sound flippant -- thought this sounded like a sideshow, because this is a stranger, really, to weigh in.

Okay. So now I'm hearing that a party in interest, which Dugaboy is -- I guess some might argue that, but I think they're affected by the settlement, so that makes them a party in interest -- you're making the same argument. And it's because of a rotation of counsel you didn't make it sooner.

Okay. So I'm just trying to be transparent here, tell you what the Court is thinking. I guess what the Court is

thinking is Mark Patrick is the client representative, so I'm told by the Movants on the 9019, and you, Mr. Phillips, he's the party representative for Hunter Mountain.

MR. PHILLIPS: Yes, Your Honor.

THE COURT: I don't, I guess, know what harm there is, except a longer hearing, in, okay, put him on the stand to testify about the bona fides of the settlement. It's more evidence. But if you all want to call Mr. Dondero, I'm going to require that.

MR. MORRIS: Your Honor?

THE COURT: I mean, as a counterbalance, since it's appearing from the pleadings to be --

MR. MORRIS: Your Honor, respectfully, Mr. Patrick is not on their witness list. He's not on our witness list.

THE COURT: Wasn't he on somebody's witness list?

MR. MORRIS: He was on The Dallas Foundation's witness list.

THE COURT: Oh.

MR. MORRIS: He's not on their witness list. He's not on our witness list. He should not testify today because they're raising an issue that they didn't raise ever before. This is improper. They should just be shut down here.

THE COURT: I think probably you should be shut down. But I kind of go back and forth, what's the harm in having the representative, the person I'm told is the representative of

Highland?

MR. PHILLIPS: Your Honor?

THE COURT: I could limit it to one hour. And the flip side is that Dondero himself, as I guess the representative of Dugaboy, would have to also take the stand, limited to one hour.

MR. PHILLIPS: I'd like to make one note, Your Honor, about the documents that Mr. Morris has introduced. That document list -- and I don't have the numbers in front of me -- but part of the presentation and the reason Mr. Patrick is not on the Movants' motion -- witness and exhibit list, the documents that have been introduced are all of -- include all of the documents evidencing Mr. Patrick's authority as the control person of the entire Hunter Mountain group.

THE COURT: Which they've stipulated.

MR. PHILLIPS: Which they've stipulated to.

THE COURT: Uh-huh.

MR. MORRIS: And to be clear, Your Honor, they can be found at Exhibits 70 through 104. We've got 34 documents in evidence that establish that Mr. Patrick is authorized to act on behalf of each of the HMIT entities. All that's going to happen is we're now going to spend time dealing with an issue that you already described as a sideshow, and we're going to do it for a party who didn't put Mr. Patrick on a witness list, who hasn't objected on this basis, and we've got a

mountain of evidence that shows that he's completely authorized to do this. I just --

MR. PHILLIPS: To which there's no objection.

MR. MORRIS: And you can also look, Your Honor, at Exhibit 69. That's the agreement that Mr. Dondero signed with Mr. Patrick after he got outed for authorizing Ms. Deitsch-Perez to sign a document on behalf of HMIT without Mark Patrick's knowledge or approval. He signed that. Six months ago. And we're going to have a trial here over whether Mark Patrick is authorized to act on behalf of HMIT?

A VOICE: That was long ago.

MR. MORRIS: This is not -- this is not --

THE COURT: We're not going to have a trial. And I fully acknowledge that I am possibly abusing discretion by allowing this. We have our rules, and our rules were not complied with, and it does feel a little bit like ambush. Okay?

But on the flip side of it, it doesn't seem entirely unreasonable to have the representative, the purported representative of Hunter Mountain, who is the counterparty, if you will, to this very major settlement, take the stand. And I'll limit it. And, again, I condition it on Mr. Dondero, the ultimate beneficiary of the Dugaboy Trust, as it's been represented to me in prior filings, --

MR. MORRIS: Correct.

THE COURT: -- he'll have to stay an equal amount of time on the stand. Okay?

MR. MORRIS: Okay.

THE COURT: Okay. Hang on. I've got my smarter staff member handing me a note. Okay.

(Pause.)

THE COURT: Okay. Well, so that's how we're going to stand.

Now, I am going to address Mr. Daugherty here. We're not going to let Mr. Daugherty cross-examine Patrick. Clearly, his objection has been around, and he never said anything about --

MR. YORK: Certainly not as to authority. However, we should be able to examine him as it relates to the portion of the objection that goes to whether the settlement is in the best interest, given the claims that are being -- the Kirschner claims that are being transferred by Highland to the HMIT entities.

THE COURT: All right. Well, you all are going to have to share your 30 minutes.

MR. YORK: That's fine.

THE COURT: Okay? We're giving 30 minutes to Debtor entities, Highland entities, and Hunter Mountain entities collectively, and 30 minutes to Dugaboy and Daugherty collectively. Okay? So, I'm going to have my law clerk

timing you like you're on the clock.

MR. MORRIS: Okay.

THE COURT: Okay?

MR. MORRIS: May I proceed?

THE COURT: You may proceed.

MR. MORRIS: Thank you, Your Honor. So, appearing at Docket 4255 is the Movants' exhibit list, with Exhibits 1 through 123. At Docket 4277 are Exhibits 124 and 125. And at Docket 4280, we've got Exhibit 126.

The Movants respectfully move into evidence all of those documents, with the exception of Exhibits 124 and 125 on Docket No. 4277. Those are the transcripts of The Dallas Foundation representatives, and since we have reached an agreement and The Dallas Foundation has withdrawn their objection, we are not going to offer those two transcripts into evidence as part of the record in this matter.

But Exhibits 1 through 123, and Exhibit 126, we move into evidence.

THE COURT: All right. And as I thought we were going to start talking about a moment ago, Mr. Lang objected to 11 of these 123 designations. Do those still remain? If they do, we're just going to see if they want to be I think offered --

MR. LANG: No, I think we've --

THE COURT: -- the old-fashioned way, but I think

that might be more efficient. I have, in your objection, which is at Docket 4273, you objected to Numbers 10, 12, 13, 57 and 59, and then 64 through 69. Eleven items.

MR. LANG: Mr. Morris clarified that 12 and 13 are one document. But I still, I think that, again, for purposes of the authority issue, Exhibit 13 we don't think is relevant.

MR. MORRIS: Exhibit 13, Your Honor. We'll just take them one at a time.

THE COURT: Yes, go ahead and address it.

MR. MORRIS: Is relevant because it's simply a document that was provided to Highland by Hunter Mountain as part of the negotiations. And we've been asked to produce all of the documents related to the negotiations. This is one of the documents that we received.

THE COURT: Okay. And do I understand 12 and 13 are actually the same thing, or --

MR. MORRIS: Yeah. Well, 12 is the email, 13 is the attachment.

THE COURT: Okay. I overrule the relevance objection. Those will be admitted.

(Claimant Trust's Exhibits 12 and 13 are admitted into evidence.)

MR. LANG: 57.

MR. MORRIS: 57 is also a part of the settlement documents. It's, I think, an email exchange between Mr. Seery

and UBS, which was one of the Class 9 claimants, and we had to obtain their consent and that's part of the process of getting to the settlement agreement.

MR. LANG: I think the objection is it doesn't include the attachment.

MR. MORRIS: It's got all -- it's got numerous attachments on it.

MR. LANG: To 57?

MR. MORRIS: Yeah.

MR. LANG: Mine did not.

MR. MORRIS: Your Honor, we'll withdraw the exhibit.

THE COURT: Okay.

MR. MORRIS: Okay.

THE COURT: 59. Well, you didn't address #10.

MR. LANG: Oh, sorry.

THE COURT: That was the first one.

MR. LANG: Yeah.

MR. MORRIS: We'll withdraw #10.

THE COURT: All right.

MR. MORRIS: Okay.

THE COURT: So, 59?

MR. MORRIS: 59? Your Honor, I'm not surprised they object, because it's at the core of the Court's ability to authorize this settlement.

MR. LANG: We withdrew that.

MR. MORRIS: Oh, you withdrew that?

MR. LANG: Withdrew.

MR. MORRIS: Oh, okay. They withdrew that.

THE COURT: Okay. So, 59 will be admitted.

(Claimant Trust's Exhibit 59 is admitted into evidence.)

MR. MORRIS: And then I think the last is 64 to 69.

THE COURT: Uh-huh.

MR. MORRIS: We were actually prepared to withdraw those exhibits because we didn't think there was a challenge to authority. Now that there's a challenge to authority, we're going to offer all of those in because they're highly relevant to the acknowledge of Mr. Patrick's authority.

THE COURT: All right. And your objection was solely to relevance?

MR. LANG: The objection was relevance because they predate the May 6th issue in the Caymans, which is what caused the entire structure to -- the authority from the top down to be questioned.

THE COURT: All right. Well, you can cross-examine if you want on those items.

MR. LANG: Okay.

THE COURT: But I find they're relevant so they will be admitted, 64 through 69.

(Claimant Trust's Exhibits 64 through 69 are admitted into evidence.)

*[Court Edit: Claimant Trust's Exhibits 1 through 9, 11 through 56, 58 through 123, and 126 are admitted into evidence.]*

THE COURT: All right. And as far as the exhibits of Dugaboy, I think it was just the plan and settlement agreement were all that had been designated. Correct?

MR. LANG: Yes.

MR. MORRIS: No objection.

THE COURT: So, no objection. Those will be admitted.

(Dugaboy Investment Trust's exhibits are admitted into evidence.)

THE COURT: And Daugherty's exhibits?

MR. YORK: Yes, Your Honor. So, Mr. Morris and I conferred yesterday about both sides' exhibits. And my understanding is we've reached an agreement that both sides' exhibits are not objected to. And so therefore we'd move to admit Daugherty's as well.

THE COURT: All right.

MR. YORK: 1 through 42, I believe, it is.

THE COURT: All right. So you confirm?

MR. MORRIS: Yes, Your Honor.

THE COURT: All right. The Court will admit all of Daugherty's 1 through 42, and they appear at Docket Entry 4266.

(Patrick Daugherty's Exhibits 1 through 42 are admitted into evidence.)

THE COURT: All right. Opening statements.

OPENING STATEMENT ON BEHALF OF THE CLAIMANT TRUST

MR. MORRIS: All right. Good morning, Your Honor. John Morris; Pachulski Stang Ziehl & Jones; for Highland Capital Management, LP and the Highland Claimant Trust.

If we can go to the first slide, Your Honor. This is a 9019 motion. It's not a terribly high bar. What the Movant has to show here is that the settlement agreement was the product of arm's-length, good-faith negotiations, and effectively that it's in the best interests of its stakeholders.

THE COURT: Did you want this put on the screen, or does everyone have a hard copy?

MR. MORRIS: Counsel have a hard copy.

THE COURT: Oh, okay.

MR. MORRIS: Yeah. The evidence is going to show, and there really is no dispute, that the settlement agreement is the product of arm's-length, good-faith negotiations. Mr. Seery is going to testify that the negotiations began in late March and they concluded on May 19th. Exhibits 2 through 57, with the exception of the one or two I just withdrew, reflect the parties' negotiations. Mr. Seery is going to testify that the negotiations were conducted by Zoom, by phone call, there

was one in-person meeting, there was many, many email exchanges that are reflected in the exhibits.

Mr. Seery is going to testify about the substance of the negotiations at a high level. Originally, we had sought to have one agreement with Hunter Mountain and the DAF entities. Mr. Patrick was not comfortable with that. He wanted to run them separately. And there was a DAF agreement that was ultimately entered into but that nobody believed required court approval.

So, once that got completed and one of the Fifth Circuit appeals got dismissed as a result, we moved to the Hunter Mountain discussions. Those discussions were robust. There were issues about the timing of the effectiveness of certain of the benefits under the proposed agreement. Highland wanted the releases, for example, to be effective upon signing. Mr. Patrick was unwilling to agree to anything without this Court's approval.

So there were changes that were made over time in terms of the timing of the transfer of the consideration. There were discussions and negotiations and bids and asks about the amounts that would be paid, when they would be paid, the circumstances under -- that they would be paid. There was an enormous amount of information that was exchanged pursuant to a confidentiality agreement that now became public because it's relevant to the Debtors' burden or the Claimant Trust's

burden to carry the day here.

That information included claims information, the trust agreement itself, budgets, asset/liability valuation information, forecasted expenses, because HMIT rightly wondered, you know, what's going to happen to the money? Is it going to be gone before it got its agreed-upon share? So, you know, there will be, I think, indisputable evidence at the end of the day that the settlement is the product of arm's-length, good-faith negotiations.

If we move to the next slide, the evidence will also show that the proposed settlement is indisputably in the best interest of the Highland entities and their stakeholders. Upon court approval, all of the pending litigation that Your Honor identified earlier will be dismissed with prejudice, thereby greatly reducing litigation risk and attendant costs.

The stakeholders will also benefit from the allowance of the HMIT claim at a fixed amount of $337 million. And we will explain -- Mr. Seery will explain to the Court how that number was arrived at.

The estates and their stakeholders will also benefit because, under the proposed settlement, as I indicated earlier, Highland will be able to monetize or otherwise dispose of a number of illiquid assets, including the Dugaboy Note and the estate claims in the Kirschner Litigation. And perhaps most importantly to the estate, we are getting very,

very broad what we refer to as litigation protections from all of the Hunter Mountain entities. It includes not only a release but a covenant not to sue as well as, you know, we could go through it, but -- but we believe that even if Mr. Dondero or somebody else obtains control of Hunter Mountain, unless somebody sets aside this agreement, those protections are going to inure to the benefit of the Trusts, the Indemnity Trust and all of its stakeholders until the end of time, and nobody is ever going to be able to set this agreement aside because it was negotiated in good faith, it was the product of arm's-length negotiations, and it's fair and reasonable to both sides.

So those litigation protections are paramount and they provide another indicator of the benefits that the Claimant Trust is going to receive.

The next slide, Your Honor, is a demonstrative exhibit, although, as always, we have citations to the very specific documents that are now in the record. Mr. Seery will describe for you at a high level how the allowed claim of HMIT was calculated, and it's really just based on the limited partners' capital accounts as of the petition date. And I'll just leave it at that for the moment. There's no magic to it. It's objectively reasonable. It's mathematics. There's really no subjectivity that I'm aware of that goes into this. It's just, hey, let's look at the tax returns, let's look at

the financial statements, and let's look at the partnership agreement, and let's see how the capital account was structured as of the petition date. And that's how you get to, really, $396 million less the amount of the Dugaboy Note. I mean, the HMIT note.

The next slide. With the settlement, the transfer of the Kirschner Litigation is in the best interests of the Movants. I think Mr. Daugherty somehow suggests that really the best thing to do would be to prosecute that litigation. We respectfully disagree. In the Debtors' business -- in the Claimant Trust's business judgment, that would be exactly the wrong thing to do when you are settling with HMIT.

And why is that? When we commenced the Kirschner Litigation a number of years ago, the Kirschner Litigation represented a potential source of funding for indemnification expenses, and at that time, for the payment in full to creditors.

By 2023, 2024, with the success of the Highland team's monetization of assets, the need to pursue and monetize the Kirschner claims became less clear, so we put it on ice. And we voluntarily stayed the litigation to conserve resources.

The settlement with HMIT changes everything. The claims are as valid today as they were yesterday, as they were before we signed the agreement, as they were when we commenced the action. But they have very different value to Highland when

you're settling with HMIT. And that's why we're prepared to transfer the claims today.

Why? Because at this point, unlike when we commenced the action, Class 8 has been paid in full except for Mr. Daugherty's fully-reserved claim, right, in an amount that he agreed to for years and that he ratified and reaffirmed three different times in three different stipulations. That's the only thing that remains in Class 8.

THE COURT: And remind me of the dollar amounts on reserve.

MR. MORRIS: It's approximately $2.5 million. I can --

THE COURT: Okay.

MR. MORRIS: It's -- the dollar amount is specifically set forth --

(Pause.)

MR. MORRIS: It would be, I believe, in Exhibit 60, --

THE COURT: Okay.

MR. MORRIS: -- is the original tolling agreement. And in Paragraph 1 it has the very specific dollar amount. And then in Exhibits 62, 63 -- 61, 62, and 63, those are amendments to the tolling agreement that fully incorporated the original tolling agreement, including the reserve amount. So that amount has been there for years. Nobody has ever said

anything about it. Nobody has ever tried to adjust it. Nobody has ever identified a change in circumstances that would suggest a change was appropriate. But here we are.

So, why is it different and why does the Kirschner Litigation not have so much value to us when we're settling with Class 11? Because Class 8 has been paid in full. Class 9 has been paid 80 percent. If the HMIT settlement is approved, it will receive another 10 percent. So that all that remains is 10 percent of the Class 9s.

And most importantly, Your Honor, with the settlement with HMIT and the Claimant Trust's receipt of the litigation protections, the need for indemnification expenses is going to be greatly reduced. We can give the money where it belongs because all we'll have left is Mr. Dondero and Dugaboy. It really will literally be the only thing. And we need a lot to deal with that, but not as much as we needed when we had to deal with them and HMIT.

And at the end of the day, once you're settling with HMIT, prosecution of the claims would only benefit HMIT, so why should we undertake the expense of doing that?

Is that clear to Your Honor?

THE COURT: It is.

MR. MORRIS: It is? So, it's -- this has nothing to do -- and you're going to hear questions of Mr. Seery, did you value the Kirschner claims? Are you giving them away for

free? No, we didn't value them, because once you're settling with HMIT it doesn't really matter. Once you have the litigation protections, once you know that HMIT is never going to be an adversary of yours, the monetization of the Kirschner claims would insure to their benefit because they will have an allowed claim of $330 million. So even if we sued and even if we got a hundred million dollars, that's going to go to them. Why would we pick up the tab today? A very different scenario than when we prosecuted the case, when the case was commenced.

So, really, really, in the estate's best interest to get value for those claims. The value is reflected in the totality of the agreement. The Court really should look at the body of the consideration that's being received, including the litigation protections.

If we can go to the next slide, Your Honor. As long as we're on the topic of Mr. Patrick's authority, Mr. Seery is going to testify to the work that he did to satisfy himself that Mr. Patrick was duly authorized to act on behalf of each of the HMIT entities in this case.

The next slide here shows an excerpt from the Hunter Mountain Trust Agreement. It's Paragraph 7. And it says, among other things, the Administrator -- who is Mark Patrick -- shall be duly authorized, from time to time, in his sole discretion, to manage the business and affairs of the Trust.

It continues by saying that the Administrator, Mr.

Patrick, shall also have the power to settle, compromise, submit to arbitration, or to submit to any court having jurisdiction in any matter, any matters that are in dispute.

So, you know, this is just one document. It's the Hunter Mountain document. We focus on the Hunter Mountain document because that's the only one of the HMIT entities that has a stake in the Claimant Trust. But, again, Your Honor, if you just -- Mr. Seery will, at a high level, confirm that Exhibits 70 through 104 are documents that definitively establish that Mr. Patrick has the authority to enter into each of these agreements on behalf of the HMIT entities.

Not only that, but he will describe, if asked by you or anybody cross-examining him, why nobody has the ability to interfere with the effectuation of his authority. He doesn't have to get anybody's consent. He doesn't have to -- right? This is all just crystal clear. And whatever entity far up the chain may exist, Your Honor should just think of as a shareholder. And if Coca-Cola came in here and they wanted to do a 9019 motion, a shareholder can't come in and stop Coca-Cola from doing that. If they don't like what Coca-Cola is doing, go file a derivative suit. Go sue Coca-Cola in another court at another time. Not that I'm inviting litigation against Mr. Patrick, but by analogy, this is what we're talking about.

There is no restriction on Mr. Patrick's authority. The

settlement is fair and reasonable. He has authority under the governing documents to do what he has done here, and that is act in the best interests of the HMIT entities. And so this is just one page. Mr. Seery will explain, you know, just the work that he's done to satisfy himself.

The next slide, Your Honor, there's objections about how somehow the settlement agreement violates the plan or the absolute priority rule, all of that. It's not accurate. I'll just leave it at that in terms of how I characterize it.

The next slide is excerpts of -- I think it's the plan of reorganization, Your Honor. And I think we admitted the plan last night. That's Exhibit 126. And they're -- these excerpts are really important because what they show is that Classes 9 and 10 have the indisputable right to accept less favorable treatment. And that's what they've done. Okay? And I think it's Article III, Section H, Subparts 9 and 10. Holders of Class 9 and 10 interests have the right to accept less favorable treatment.

And if we can go to the next slide, I'll just briefly describe the less favorable treatment that these stakeholders have in fact accepted. As permitted by the plan, holders of Class 9 claims consented to the payment in full of Mr. Daugherty's Class 9 claim and the Class 10 distributions, in accordance with the settlement agreement, before their Class 9 claim is paid in full.

And that's Exhibit 59. It may be among the most important documents that have been admitted this morning. Exhibit 59 is the consent of the Class 9 holders other than Mr. Daugherty to accept lesser treatment.

So there's no violation of the plan at all. HMIT is also accepting less favorable treatment than it might otherwise be entitled to if it ever successfully prosecuted its claim. It has less favorable treatment because it's agreeing that it's not a Claimant Trust beneficiary, that its rights are limited to the rights that are given to it under the settlement agreement and nowhere else. It's accepting less favorable treatment because it's agreeing that the Highland entities owe no duty of any kind to any HMIT entity except as provided for in the settlement agreement. It's accepting restrictions on its ability to transfer its Class 10 interests -- more less-favorable treatment -- as a condition to the first and second distributions. They have agreed that they are subject to Mr. Seery's determination that the Highland entities are not at that time under any Threat. "Threat" is a defined term, and it has to do with litigation.

And so if Mr. Seery, in his sole discretion, believes that he needs to conserve resources because he remains years in the future under threat of litigation, he's not going to make the payments to HMIT, and HMIT is okay with that because they understand.

And, of course, in the end, they're accepting less favorable treatment because they're granting to the Claimant Trust the litigation protections.

All stakeholders have been paid in full except for the 10 percent of Class 9 and Mr. Daugherty's Class 8 claim. That claim is the subject of an objection, and as I just walked Your Honor through, it has been fully reserved in an agreed-upon amount for years.

There was some questioning during Mr. Seery's -- one of Mr. Seery's I think three depositions in the last week -- about why he didn't offer Mr. Daugherty the same treatment that he offered to the other Class 9 holders because Mr. Daugherty had about an $800,000 Class 9 claim. Your Honor will see in Exhibit 58 that that claim was paid in full, and Mr. Seery will explain that he found negotiating with Mr. Patrick to be difficult, number one. And number two, it was an amount of money that the estate could afford. And so the other Class 9 claims are substantially bigger, so rather than going through the process of attempting to negotiate with Mr. Daugherty, he just paid it in full. The Claimant Trust had every right to do that. And Mr. Daugherty should not be heard to complain that he actually got everything that he could have ever been entitled to.

THE COURT: And --

MR. MORRIS: Uh-huh?

THE COURT: I don't mean to get you off-track.

MR. MORRIS: That's all right.

THE COURT: But Class 9 claimants, I'm trying to remember who else was in that class. Was it a UBS --

MR. MORRIS: UBS.

THE COURT: -- claim?

MR. MORRIS: Exactly right.

THE COURT: Okay.

MR. MORRIS: And then affiliates of Stonehill and Farallon.

THE COURT: Okay.

MR. MORRIS: Because they had purchased --

THE COURT: They had Class 9 --

MR. MORRIS: They had purchased originally I think it was Josh Terry, and the Redeemer Committee may have had a piece. No, no. No, no, no. HarbourVest. HarbourVest had a piece. Right? So, HarbourVest sold their claim, including the Class 9 claim. Josh Terry sold his claim, including his Class 9 claim. Then there's UBS, who still holds a piece of their claim, and Mr. Daugherty. So, UBS, if you look at Exhibit 59, you'll see the signatures of UBS and the affiliates of Stonehill and Farallon, who all agreed to accept lesser treatment.

THE COURT: Okay.

MR. MORRIS: So, at the end of the day, Your Honor,

the last slide is a slide that I didn't intend to present, frankly, because I didn't ever believe that there was going to be a challenge to authority by anybody other than The Dallas Foundation. But as long as we have it attached, we might as well see it.

As you can see, Your Honor, in the lower right-hand corner, you can see Hunter Mountain is owned by Beacon Mountain, which is owned by CLO Holdco. Like, there is no -- and Mr. Patrick controls it. And it's really on the other side of the ledger, in the DAF house, so to speak, that any of The Dallas Foundation got interested.

Dugaboy is not even on here, by the way. Like, Dugaboy is nobody. The people in here who are now going to challenge the authority of Mr. Patrick, no, not on here. And they're going to do it, they're going to do it without ever having given us notice.

I know Your Honor made your ruling and we'll deal with it, but I don't know if Your Honor was aware of this: They're not on here.

Your Honor, at the end of the day, this is a really, really easy call to make from our perspective. We have been waiting for this moment for years. Finally, a responsible person understands that the way to preserve value is to put the sword down.

Mr. Patrick, I don't know what happened between him and

Mr. Dondero. I don't care. I have no knowledge of that. But clearly he is exercising independence. And that's why we're here, because we finally have somebody who says, you know what, give me everything I can possibly get and I will stop fighting. I wish other people would say that, because then this case would be over. Then the case would really be over.

But getting to a settlement with the Class 10 interest holder who is going to have an allowed claim of $337 million, such that any value in the future is going to go to HMIT, I hope that that -- you know, this is an easy call to make, Your Honor.

I have nothing further at this time, but I look forward to putting Mr. Seery on the stand and making sure that Your Honor has, you know, an adequate, sufficient, overwhelming basis, frankly, to approve this motion.

THE COURT: Okay. I don't mean to stifle you, but --

MR. MORRIS: Yeah.

THE COURT: -- anything more for an opening statement? Mr. Phillips, I'm doing friendlies and then friendlies.

OPENING STATEMENT ON BEHALF OF THE HUNTER MOUNTAIN ENTITIES

MR. PHILLIPS: Your Honor, just briefly. Louis M. Phillips on behalf of the Hunter Mountain entities.

We fully embrace and concur with everything that Mr. Morris has told the Court. From our perspective, and the

reason that -- and you'll see, the documents include all of the back and forth -- we required the Court approval before the effectiveness of any releases, litigation protections, et cetera, for exactly the reason that we needed the Class 9 to agree. And we obtained -- the Highland entities obtained the approval of the Class 9 creditors to our treatment, and I think that the bona fides of this settlement and the value of the settlement and our -- what we are giving in the settlement is, I think, established beyond even the slightest bit of question by the fact that the Class 9 creditors and the Oversight Board of the Claimant Trust all agreed that it was important enough to the estate to get this settlement with Hunter Mountain Investment Trust that they agreed to allow Hunter Mountain Investment Trust to receive the money set forth in the settlement upon the approval. And we have agreed that, notwithstanding appeal rights of some people who really don't have the right to be here, but that's going to be determined by Your Honor, we're not worried about that. We are giving our releases. And the releases are effective upon approval by this Court. We are not requiring any type of final unappealable order that doesn't -- that waits for years before the releases are effective.

Very importantly, it seems to me, from Your Honor's perspective, and I'm reluctant to suggest that I know about that, but our releases are given upon the approval by this

Court of the settlement. They're not -- if the settlement is reversed on appeal, our releases stay.

So the Class 9s that are above the Class 10 have voted, and they have approved, and Mr. Seery is going to testify about that. And we think that in and of itself is a monumental accomplishment. And we appreciate everything Mr. Morris has said. We agree with everything Mr. Morris has said. We agree with everything Mr. Morris has said about the absence of true objection. We agree with everything Mr. Morris has said about the fallacy of suggesting that Mr. Seery had to value the Hunter Mountain -- the Kirschner Litigation proceeds, of which would come to us.

The idea that we need to worry about how much Mr. Dondero entities can pay in connection with the Kirschner Litigation so that we could value the Kirschner Litigation based on what Mr. Dondero can pay, so that to suffice with an objection by Dugaboy maybe that there was no value given. I mean, that's all backwards. Value was given as described by Mr. Morris and will be established by the evidence submitted by Mr. Seery's testimony and the documents that are already in evidence.

And that is it from our standpoint, Your Honor. Thank you.

THE COURT: Thank you. All right. I'll hear from the Objectors. Daugherty's counsel, are you going to go first?

OPENING STATEMENT ON BEHALF OF PATRICK DAUGHERTY

MR. YORK: Thank you, Your Honor. If I may approach.

THE COURT: You may.

MR. YORK: Good morning, Your Honor. Drew York on behalf of Mr. Daugherty.

We're here today regarding the 9019 and Mr. Daugherty's objection. The 9019 motion should be denied. If you turn to the third slide in there, we say that Highland -- Highland, I'm referring to Highland collectively for the Movants -- attempts to put the cart before the horse. So really what's going on here, Your Honor, is we're just asking the Court to follow the rules of the road that it set forth in the plan, the confirmation order, and, frankly, even Highland to follow the terms of the settlement agreement it entered into with Mr. Daugherty.

None of that is happening here as a result of this proposed settlement that's being presented to you today for consideration.

The first problem with the motion and the proposed settlement is that it violates the absolute priority rule, it violates the express terms of the Court's plan, the confirmation order, as well as the Claimant Trust Agreement, because it attempts to fund the contingent Class 10 claims without first resolving, let alone satisfying, Mr. Daugherty's remaining Class 8 claim.

And then, secondly, the settlement agreement does not satisfy the *Jackson Brewing* factors because it prioritizes the HMIT insiders over the estate creditors, including Mr. Daugherty, and it forfeits potential recovery that would go to the benefit of those to creditors to appease litigation pressure.

So, first, I'm going to talk about why the settlement violates the plan, the confirmation order, and the Trust Agreement.

As everyone is aware, the HMIT entities are asserting a Class 10 claim.

If you turn to the next page, as Mr. Morris has acknowledged and admitted here today, Mr. Daugherty has a remaining Class 8 claim. And, importantly, Your Honor, because Mr. Morris and Highland continue to argue that that claim is fully reserved, I would point out that in the settlement agreement between Mr. Daugherty and Highland the parties characterized that claim as a contingent unliquidated claim. A contingent unliquidated claim. And in fact, they went so far, Highland did, in its adversary complaint on the next slide, Your Honor, to again refer to it as an unliquidated and contingent claim that is dependent on the final outcome of the 2008 audit, including the magnitude of any adjustments.

And so Highland cannot come into this courtroom and on the

one hand argue that that claim is fully reserved, and at the same time admit that it is a contingent unliquidated claim that is subject to a myriad of adjustments depending upon the outcome of that audit.

And in reality, when you look at the tolling agreement, there is nothing that the parties said that that was a fully reserved claim at all. That's simply not what they agreed to. They just simply put a number in there, which was put into the reserve account at the time. But it did not constitute a fully reserved claim at all.

Nor has Highland pointed to anything -- in the plan, the confirmation order, or the Claimant Trust Agreement -- that allows Highland to come in and violate those documents by simply saying that we fully reserved for Mr. Daugherty's claim.

THE COURT: Okay. Well, we're going to hear the evidence, but as I understood it, it was an agreed reserved amount. And I asked earlier, was it $2.5 million or -- I feel like it was an agreed amount plus even some interest, acknowledging there might be time. I don't remember every detail from this case, but I'm just telling you that's what my memory is. Am I correct?

MR. YORK: The --

THE COURT: Mr. Daugherty agreed, here's what we'll agree is enough to set aside for our ultimately potentially

allowed claim, *x* amount plus interest? Can you confirm?

MR. YORK: What the tolling agreement provides is that Mr. Daugherty agreed to provide the tolling of the objection deadline. Okay. And Highland then agreed to put $2.56 million into the reserve.

And what the footnote says in the tolling agreement, Exhibit 60, is that the estimated amount of that claim as of -- and let's be clear about this -- as of October 23rd of 2020, was $2.56 million and change. And that's it. And I'm happy to have my colleague, Mr. Smeltzer, who is a tax attorney and deals with these issues all the time, can come up and explain why, at the end of the day, this is still a contingent unliquidated claim and it's subject to a myriad of factors that make it that that amount that Highland has set aside is not necessarily going to be a fully-reserved amount.

That is why the parties have -- had called it both in the settlement agreement and the tolling agreement, and Highland has continued to call it -- characterize it in its adversary complaint as a contingent unliquidated claim. So --

THE COURT: Okay. It's hard to wrap my brain around it. It's a claim that I understood really couldn't be liquidated with certainty until this potential audit of 2008 is final, and there was some discussion of how close to it being final was it. But I guess -- well, I don't know where I'm going here except to say this could be a contingent

unliquidated claim for a -- you know, it's already, what, 17 years?

MR. YORK: Based -- from when the tax return was filed? I think that's correct, Your Honor.

THE COURT: Okay. Well, this is what the adversary is about, right? I guess they're finally saying it should be estimated, liquidated, pursuant to the Bankruptcy Code and we'll be done.

MR. YORK: Correct. In violation of the terms of the settlement agreement between Mr. Daugherty and Highland. Yes, that's --

THE COURT: Wait. Wait. What?

MR. YORK: So, the settlement agreement between Daugherty and Mr. Highland provides --

THE COURT: Mr. Highland?

MR. YORK: I'm sorry. I apologize. Between Mr. Daugherty and Highland --

THE COURT: Uh-huh.

MR. YORK: -- provides that the -- as long as the IRS audit has not had a final -- there's not a final determination, --

THE COURT: Uh-huh.

MR. YORK: -- then any litigation concerning the validity or the amount of Mr. Daugherty's claim is stayed and cannot be brought before the Court. And that's exactly what

their adversary complaint did, which is -- because they admit in their adversary complaint --

THE COURT: Well, okay. I won't pursue this anymore. But what's an estate to do? They're getting criticized for the Trust going on too long. Not by your client, but -- and meanwhile you want, I mean, 2032, are we still going to be waiting on the IRS?

MR. YORK: I don't know because we don't have any insight into what the IRS audit is.

THE COURT: Well, it's been 17 years.

MR. YORK: I understand, Your Honor.

THE COURT: So, --

MR. YORK: But the bottom line is this. The plan -- that Highland entered into the terms of that settlement agreement.

THE COURT: I'm going to say it right now. I'm not keeping this estate open until 2032. I just, I was --

MR. YORK: I presume that --

THE COURT: -- kind of flippantly throwing that out there.

MR. YORK: And --

THE COURT: But this happens in bankruptcy cases a lot, where you've got a contingent unliquidated claim, and there are provisions in the Bankruptcy Code to say what can be done in that scenario. The Court can estimate or liquidate.

MR. YORK: Understood. Your point to me was -- before was that's why Highland brought the adversary complaint, and I was simply pointing out that, pursuant to the express terms of the agreement that Highland reached with Mr. Daugherty, Highland was -- is not allowed to bring the adversary complaint to challenge the validity or amount of Mr. Daugherty's claim so long as the IRS audit has not been -- had a final determination. That's exactly what's going on here with the adversary complaint that they have filed.

THE COURT: Okay.

MR. YORK: Okay. So I think Your Honor is familiar with the terms of the plan, the Fifth Amended Plan and the subordination. But specifically we have two issues. One begins with the Claimant Trust Agreement in Section 5.1(c), which provides that the equity holders shall not have any rights under the agreement unless and until the Claimant Trustee files with the Bankruptcy Court a certification that all of general unsecured creditor beneficiaries have been paid indefeasibly, in full, including, to the extent applicable, all accrued and unpaid postpetition interest, consistent with the plan, and all disputed claims have been resolved.

That has not happened here and it cannot happen because, for one, Mr. Daugherty's unresolved Class 8 claim, and also the remaining Class 9 claims, as I think you'll hear from Mr. Seery. And so there are no rights that can be given to the

HMIT entities pursuant to -- as a Class 10 holder, an allowed Class 10 holder, pursuant to the Claimant Trust Agreement. So the proposed settlement violates the Claimant Trust Agreement's express terms.

It also violates the Court's confirmation order that was entered at -- specifically on Page 45 of the order, in Subparagraph (a): The holders of the equity interests -- which would be the Class 10 and Class 11 equity interests -- that are junior to the claims in Class 8 and Class 9 will not receive or retain under the plan, on account of such junior claim interest, any property, unless and until the claims -- the claims, not the allowed claims, but the claims -- in Class 8 and Class 9 are paid in full, plus applicable interest.

That's exactly what the settlement that is proposed here is designed to do.

And if you turn two pages in, you'll see that in addition to the assignment of the Kirschner claims, what we're also having under this proposed settlement are interim cash distributions that would be made to the HMIT entities, interim cash distributions that theoretically could be made before the resolution of Mr. Daugherty's Class 8 claim, which would be in violation of the plan, the Claimant Trust Agreement, and the confirmation order.

And that is, as best as they put in their agreement, that's approximately $23 million in cash that would be paid

out theoretically in those interim distributions.

One of the things that Mr. Morris said in his opening was that they did not -- Mr. Seery did not negotiate with Mr. Daugherty because he was difficult to deal with. Well, that's surprising, Your Honor, considering, on the other hand, Mr. Morris says to the Court that there were repeated tolling agreements or amendments to the tolling agreement that were entered into by Mr. Daugherty willingly and voluntarily to benefit Highland.

And what really happened when Mr. Morris says that there were good-faith arm's-length negotiations, well, there may have been good-faith, arm's-length negotiations between the HMIT entities and Highland, but what happened here was that Highland actually sought to ice out Mr. Daugherty from all of this completely.

And how did that happen? Well, the evidence is going to show that Highland reached out to the other Class 9 creditors over a month in advance of the motion being filed, sought their consent to the proposed settlement, told them that Mr. Daugherty was not going to be a part of it, told them that Mr. Daugherty's Class 8 claim was going to have an adversary complaint filed against it, told them that once that adversary complaint was granted and the claim was disallowed, then those funds would waterfall down to Class 9, so the Class 9 creditors would get that -- those funds that theoretically are

part of Mr. Daugherty's Class 8 claim.

So at no point in time prior to the filing of the adversary proceeding, or even prior to the filing of the motion for approval of this proposed settlement, did Highland ever contact Mr. Daugherty to attempt to discuss any of this, because they simply wanted to ice him out.

THE COURT: Okay. I'm going to hear evidence. I don't mean to cut you off, but --

MR. YORK: Sure.

THE COURT: -- I was told that Mr. Daugherty was paid $800,000 --

MR. YORK: With respect to his --

THE COURT: -- on his Class 9 claim.

MR. YORK: Correct.

THE COURT: Is that not true?

MR. YORK: So, the day --

THE COURT: Is that true?

MR. YORK: It is true. The day after the motion for entry of the proposed settlement was filed, Mr. Demo sent a letter to my office that was a payoff --

THE COURT: I just wanted to -- I don't need to know every detail.

MR. YORK: Yes. Sure.

THE COURT: Has he been paid?

MR. YORK: His Class 9 claim was paid in full the day

after the proposed settlement was filed.

THE COURT: Okay. So what is the asserted amount of his Class 8 claim?

MR. YORK: We -- again, both sides do not know because they do not have --

THE COURT: What was the asserted amount in the proof of claim that's been reserved for, the Class 8 proof of claim? What was the asserted amount?

MR. YORK: It was listed as contingent unliquidated. And as I understood it, and Your Honor --

MR. MORRIS: No. I think it's approximately $1.7 million, Your Honor.

MR. DAUGHERTY: That's not true.

THE COURT: $1.7 million?

MR. DAUGHERTY: No.

THE COURT: I would look it up, but I don't know if we --

MR. DAUGHERTY: Your Honor, I'll tell you. It was like $1.45 million, and then the interest to October, which was like another $1.3 million. I'm estimating it. But the total is around $2.6 million, $2.7 million at October/November 2020. Up to that point.

THE COURT: Okay. Well, that's kind of a weird process here for an opening statement. But I'm asking because, you know, I always try to stray people into let's be

pragmatic whenever I can. And a pragmatic approach here might have been, if your client didn't think the reserve was big enough, you all could have a discussion about, oh, instead of $2.56 million, it now should, I don't know, $3 million, whatever you say the number is. And there could have been a give and take, instead of all these people showing up in the court and having an all-day hearing.

So I'm just trying to understand that. And you're saying, okay, violation of the absolute priority, when your client took a full payment on his Class 9 claim without Class 8 being quite paid in full. I'm just trying to be pragmatic here. What would it take to make Mr. Daugherty happy? Again, that's just the bankruptcy judge speaking on Chapter 11 world that's trying to get to a pragmatic result.

MR. YORK: We're happy to have that discussion with the other side. We were -- we --

THE COURT: Well, what --

MR. YORK: Yes.

THE COURT: You can't tell me right now? You're here ready to go to battle over this settlement, and I'm trying to figure out what might happen here that would make you all withdraw your objection. And that's what we do in Chapter 11. If there's a way we can pragmatically resolve things, we do.

MR. YORK: Sure.

THE COURT: And it just, I'm picking on you because

we're talking about a $2.5 or so million claim in a situation where people are wanting the estate wrapped up and it's holding hundreds of millions of dollars, I guess.

MR. MORRIS: Not that much, Your Honor.

THE COURT: Not that much anymore. Not that much anymore. A lot has been paid out. But a lot more than $2.56 million, shall we say.

MR. YORK: Understood, Your Honor. And I'm happy to have a conversation with Mr. Morris and see if we can reach a number that's agreeable to accept as, you know, the reserve.

THE COURT: How hard could that be? I don't mean to be --

MR. YORK: Happy to do so. Sure.

THE COURT: How hard could that be, when we're talking about he's been paid $800,000 on his Class 9 ahead of his Class 8, which, to understand your argument, would be an absolute priority rule problem. But, you know, --

MR. YORK: Correct. We indicated that --

THE COURT: -- no picking and choosing what is problematic here. And we're talking about $2.56 million is set aside, and we're talking about the prospect of liquidating it and paying whatever is appropriate way before the IRS is finished. Maybe. I don't know. So how hard could it be to figure out --

MR. YORK: I'm sure we can -- we can have a

conversation real quick and try to see if we can --

THE COURT: Okay. Well, it'll have to be during a break, --

MR. YORK: Sure. Happy to.

THE COURT: -- because we're plowing ahead. Okay. Anything else on your opening statement?

MR. YORK: The only other thing I would point out with respect to the best interests of the estate is that the -- as part of the settlement, the Class 9 holders and the Class 10 holders are actually getting more favorable treatment than Mr. Daugherty's Class 8 claim because of the mutual releases that they're getting pursuant to the terms of the proposed settlement, including the fact that the Class 9 written consent holders who are all -- all have served on the board here are getting those releases as well under the proposed settlement.

THE COURT: It's not a release by your client.

MR. YORK: No, I understand that. I understand that. But they're getting mutual releases from each other on litigation that Highland has -- the Claimant Trust, excuse me, has -- Trustee has, you know, consistently said that they had all of those parties, all of those defendants, dead to rights on.

So, that's all I have.

THE COURT: Okay. I really, I'm trying to focus on

people's standing. Your client has standing. He has a proof of claim that's unresolved. But I'm just trying to understand the economic impact, I guess, on your client. And all I'm hearing is, I don't know, that maybe he thinks more than $2.56 million ought to be reserved. I mean, I'm --

MR. YORK: Given the passage of time, and also given the fact that it's still undetermined as to what's going to happen with that audit and what the penalties might be, considering that the amount that was --

THE COURT: But, again, this is bankruptcy-land. We can't wait around 20 years, 30 years. The Bankruptcy Code contemplates we can at some point estimate --

MR. YORK: Sure.

THE COURT: -- a contingent unliquidated claim.

MR. YORK: I understand.

THE COURT: So I -- all right. Thank you.

MR. YORK: Thank you.

THE COURT: And Mr. Lang?

OPENING STATEMENT ON BEHALF OF THE DUGABOY INVESTMENT TRUST

MR. LANG: We're down to three issues, one of which is the scope of the release, which I think we can work out with Mr. Morris, just to make sure people are carved out, being Dugaboy.

The second issue is the use of the dollar value from the capital account as the basis for the Class 10 claim versus

using the -- well, they're using it on the petition date versus using it -- the current capital account balance or the percentage interest of 99.5 percent, because that prevents the class, as structured, class level (inaudible). And so we have an issue with why they're using the capital account as the basis for the allowed claim, when the plan is silent on how that equity interest is to be valued.

Does that make sense?

THE COURT: Okay. You have a problem with the valuation methodology used here, which was taking the capital account balances from --

MR. LANG: On the petition date.

THE COURT: -- on the petition date?

MR. LANG: Versus using the ownership percentage of the equity on, as repeatedly stated, 99.5 percent of Highland is owned by HMIT, .5 is owned by the Class 11.

THE COURT: Okay. Well, I'm not sure what -- I guess you'll cross-examine Mr. Seery on different possible methodologies.

MR. LANG: Yes.

THE COURT: Okay.

MR. LANG: And so then the third one is the authority issue on Mr. Patrick's authority to enter into the settlement agreement and the transfer of the Dugaboy Note to Mr. Patrick's entity, HMIT.

THE COURT: All right. And, again, I'll just clarify my understanding. Dugaboy -- this came up earlier -- itself has a .1866 percent Class A limited partnership interest?

MR. LANG: I think that's approximately right. Not exact. Is that Mr. Morris' sheet?

THE COURT: It was in several pleadings.

MR. LANG: Okay. Yeah.

THE COURT: Okay. So the question will be, should that be valued at $740,000 or something different?

MR. LANG: More -- there's $65 to $70 million in assets in the estate. There's $20 million in Class 9 debt, is what Mr. Seery -- unpaid Class 9, is what Mr. Seery testified to.

THE COURT: Uh-huh.

MR. LANG: So it's $45 to $50 million would be left after payment of the Class 9. And if they use the ownership percentages, Class 11 gets some money. If they use a $333 million capital account, Class 11 gets nothing.

THE COURT: Okay. I presume that's a material difference, and I'm going to hear about that.

MR. LANG: Yes.

THE COURT: Okay. And then I guess my other thoughts on his interest -- I say his; it's Dugaboy. We tend to equate Dugaboy with Mr. Dondero since we've heard he and his family are the hundred percent beneficiaries. There I guess is a

note that is addressed in the settlement.

MR. LANG: Yes.

THE COURT: I called it the $24.2 million note in my --

MR. LANG: That was --

THE COURT: -- preparation, but it's down to --

MR. LANG: Seventeen-ish.

THE COURT: -- $17 million or whatever. So, right now, Highland is a payee on that note, as well as Get Good Trust, and Hunter Mountain under the proposed settlement gets to substitute in as a co-payee.

So I guess I'm just trying to, in my brain, figure out all the, just like I was doing with Mr. Daugherty, the economic impact of this settlement on your client. And have I just addressed the two things in your view?

MR. LANG: Yes.

THE COURT: Okay.

MR. LANG: I believe so.

THE COURT: Okay. Thank you.

All right. Can we start with evidence? At some point, we'll break for lunch, but we'll figure out as we go. I don't want to be inconvenient to people if people have ordered lunch or something.

MR. MORRIS: We are going to be finished with Mr. Seery on direct well before lunch.

THE COURT: Okay.

MR. MORRIS: Or by lunch, for sure.

THE COURT: It's 11:30.

MR. MORRIS: Yeah.

THE COURT: So, all right.

MR. MORRIS: I do -- I would be remiss if I didn't point out that Mr. Lang just raised yet another issue, the calculation of the allowed amount of HMIT's Class 10 claim. Nowhere in his pleading. Again, hearing about this for the first time as I'm standing here. He raised three issues, only one of which is in their pleading, only one of which I ever heard about from Dugaboy, and that is the scope of the release.

THE COURT: Okay. I don't know if it makes a material difference or not. I am not a mathematician. But --

MR. MORRIS: So Highland -- the Movants call Mr. Seery.

THE COURT: All right. Mr. Seery, if you could approach the witness box. I swore you in earlier for purposes of all testimony today, so you are under oath.

MR. SEERY: Thank you, Your Honor.

JAMES SEERY, CLAIMANT TRUST'S WITNESS, PREVIOUSLY SWORN

DIRECT EXAMINATION

BY MR. MORRIS:

Q Good morning, Mr. Seery.

A Good morning.
Q Do you have three binders in front of you?
A I have four binders in front of me.
Q Okay. I just want to make sure you have ours.
A I think -- yes, sir.
Q The fourth has the last few exhibits that we filed on the docket.

Should we wait for Mr. Edmond?

THE WITNESS: That would be good.

THE COURT: Yes. I just noticed. Okay. The recording is always going, so never fear.

(Pause.)

THE COURT: All right.

THE WITNESS: Apologies, Your Honor.

THE COURT: Oh, I didn't see what happened. Was there a spill episode?

And please, if people need breaks, let me know. I sometimes go long without appropriate breaks, so let me know, anybody, if we need to break for bathroom.

MR. MORRIS: May I proceed, Your Honor.

THE COURT: You may.

MR. MORRIS: All right.

BY MR. MORRIS:
Q Are you comfortable, Mr. Seery?
A Yes.

Q I want to actually start a little unscripted with the argument that was just made on behalf of Mr. Daugherty. Did you listen to that?
A I did, Your Honor. Yes, I did. I'll speak to Your Honor. Yes, I did, Your Honor.
Q Did Mr. Daugherty have a Class 9 claim?
A He did have a Class 9 claim.
Q And what was the value of the Class 9 interest that he held?
A It was approximately $3.7 million.
Q And who are the other Class 9 claim holders?
A There are three -- I'm sorry, there are four other Class 9 holders. There is Muck Holdings, LLC. There is Jessup Holdings, LLC. There is UBS AG. And there's UBS Securities, LLC.
Q Okay. And if you can turn to Exhibit 58, which is in Volume 1.
A VOICE: Mr. Morris, what was the exhibit number?
MR. MORRIS: It's 58.
A VOICE: Thank you.
MR. MORRIS: You're welcome.
BY MR. MORRIS:
Q Do you have that in front of you, sir?
A Yes.
Q What is that?

A That is a distribution notice to Mr. Daugherty from the Highland Claimant Trust with the eighth distribution. And I believe this would be related to his Class 9 claim. It may be some 8 -- some Class 8 as well. But March 25 is -- I'm sorry, May 25, my eyes are not that great for close up, this is just related to the payoff of his Class 9 claim. So he'd had a $3.7 million. This was the last -- final payment, so he's been paid in full on his Class 9 claim.

Q So do I have this right, that before you sent this $800,000-plus to him, he had already received $2.9 million on account of his Class 9 claim?

A That's approximately correct, yes.

Q And how many different distributions were made to Mr. Daugherty on account of his Class 9 claim before this last one?

A Two -- two or three. I believe the way we had phrased and put 8 is our total distributions including 8 and 9. So he had a larger Class 8 claim as well. I think it was approximately $8.25 million. That's been paid in full. His Class 9 claim was getting paid in full by this one.

Q Okay. And did Mr. Daugherty receive these prior distributions -- withdrawn. Did the other holders of Class 9 claims also receive pro rata their Class 9 distributions at the same time as Mr. Daugherty?

A Yes. The distributions were pro rata.

Q Okay. Did Mr. Daugherty ever return any of the Class 9 checks that he received and say, oh my goodness, it violates the plan and the absolute priority rule and everything else because his Class 8 claim hasn't been paid in full?

A No, he did not.

Q Did he -- did he suggest that UBS or Muck or Jessup should return their checks that they received on account of their Class 9 claims because his Class 8 claim had remained unresolved?

A No, he did not.

Q Okay. Let's go to the reason that we're really here today, the agreement itself. Did you negotiate the settlement on behalf of the Highland entities?

A Yes, I did.

Q Can you describe for the Court how that came about?

A In December, we had a hearing on -- this is a little bit convoluted, I apologize -- but in December we had a hearing on the HCLOM claim in court, and we settled that claim as a $10 million Class 10 interest.

We moved into the new year and we heard some -- at some point that HMIT disagreed with that settlement, even though HMIT had signed that settlement as acceptable to it in form and substance. And the reason was because HMIT had been the only Class 10 -- not allowed, but the only Class 10 interest in -- under the plan, and defined that way, and we had agreed

pursuant to the plan to put HCLOM in there.

And although HMIT had signed in form and substance acceptable by its attorney, we learned that Mark Patrick had not been consulted and that attorney had simply -- because we were in the room -- had gone in and gotten permission from Mr. Dondero to approve that settlement in form and substance. We didn't know it at the time.

That went away pretty quickly, and we understood that somehow it got resolved.

Shortly after that, sometime I believe in January or early February, there was contact between HMIT counsel and our counsel about a potential settlement. And we had two issues, really, with Mr. Patrick, who controlled two separate entities. There's the DAF entities he controlled and there's the HMIT entities. And we wanted to make sure -- and we had disputes with both of them. We had a Fifth Circuit appeal coming up in DAF and HMIT. And so we were contacted and said, okay, we're willing to settle this if we can get to a place that makes sense to us. And so that was the commencement of those negotiations.

Q And can you describe -- how long did the negotiations last?

A Well, there was negotiation around the NDA, which took some time, and I think we probably got that finalized at around the middle to end of March. And then we began

negotiations in earnest during April. And we took pretty much the full month to get these negotiations done, maybe a month and a half.

Q Can you describe for the Court just how the negotiations were conducted?

A Well, initially, we ensured that the ground rules would be set. We didn't want to waste our time and expense if we weren't going to reach agreement around particularly litigation protections, because that's essential to us, and having any settlement required that.

Secondly, we then -- from their side, they wanted information. So, pursuant to that NDA, which was rather robust, we provided substantial information.

We then had a -- I believe one or two Zoom calls, and then a face-to-face meeting, and then subsequently a number of Zoom calls with our counsel -- usually, these were always with counsel -- so, our counsel, their counsel, principals, my team, Mr. Patrick and his team, to go through each of the items that we exchanged. And then we worked through a framework to -- back and forth on that to a term sheet, to a negotiated structured settlement along the lines of the one you see.

Q And did the parties exchange information as part of the process?

A Yeah. As I explained, we, under our NDA, we gave a lot of

information. We got information back from Mr. Patrick, Mr. Phillips, their teams, about the structure of their entities, how we could interact with them, who was responsible for each entity. And that caused us to, frankly, move from just HMIT to a couple other entities to make sure we had full protection.

Q Did you provide information concerning assets, budgets, expenses, and the like?

A Yeah. The detailed information we provided, it was pretty extensive. So we gave a high-level view of our budget, assuming that we had a settlement with them. We have an asset list that we keep and where each asset was located. So, dollars amounts, what kind of form it was in, whether it was cash, whether it was U.S. Treasuries, whether it was, you know, equity interests. Some couple other assets, as Mr. Morris explained in the opening, had not yet been disposed of. And the valuations we put on those assets.

Q Can you turn, I guess, to any volume, and let's just look at the exhibit list. Are you generally familiar with the documentation concerning the negotiations?

A Yes.

Q Can you confirm that Exhibits 2 through 57 are the emails and information that were disclosed between the Highland side and the HMIT side during the negotiations?

A Yes. And I -- I could look through 2 through 57 now, but

--

Q Yeah.

A -- I have looked through them before, and this is the information back and forth. We generally exchanged, other than at the face-to-face meeting, we exchanged information on Zoom calls as well, but when we get documents we gave them counsel-to-counsel.

Q Okay. And did you instruct me to produce all of the communications with the HMIT side in connection with the discovery requests that were served in this case?

A Yes. We had discovery requests that we went through in detail and reviewed them, and we produced in accordance with those requests.

Q Are you aware of any document that we didn't produce that reflects the parties' negotiations of this agreement?

A No, not at all.

Q Can you describe for the Court the general deal points that were negotiated? Withdrawn. Who was your counterparty to these negotiations?

A The principal on the HMIT side is Mr. Mark Patrick. He had his team. And I was responsible on our side with my team.

Q And can you just describe for the Court what the primary negotiating points were between the two teams?

A Yeah. Number one for us was dismissal of outstanding litigations. So we needed, with prejudice, dismissal of those

litigations. Otherwise, why are we bothering?

Number two, we wanted to make sure that we had litigation protections. These have been around since -- we came up with them during our mediation. They're really important to us. They set up a structure where we can actually count on the estate and the principals of the estate and the indemnified parties of the estate not being attacked. So that was essential to us.

In exchange, we had to fix their claim and allow it in an amount pursuant to the plan, which requires us to fix an amount. And that's the Class 10 interest that they have, which is senior to the Class 11 interests under the plan and the Claimant Trust Agreement.

And then the way the Trust is set up in the plan, it's a waterfall. They -- we advocated for getting everything for us upfront and putting everything for them at the back. They, understandably, didn't like that as much and wanted distributions upfront. So we negotiated around those terms. And I think those are the biggest terms.

We had some assets that we were -- we were -- difficult to monetize that we also were happy to dispose of in this way, with a credit, you know, towards their claim amount.

Q Did you -- and I may have missed this; I apologize if I did -- but did you also negotiate the amounts and the timing of the distributions that would be made to the HMIT entities?

A Yeah. That's what I alluded to, where we -- we had hoped to get everything for us upfront, give them everything later. I think it's the *Wimpy* 'For a hamburger you give me today, I'll gladly pay you Tuesday' structure. That didn't like that as much, so we did work on timing. And that did bring into consideration the other Class 9 holders and timing with respect to payments to the Class 9.

Q Was the topic of the allowed amount of HMIT's Class 10 interest the subject of negotiation?

A The topic of the allowed --

Q Did you discuss how the amount of its allowed interest would be calculated?

A Oh, yeah, that was a, you know, a critical part of the -- or, you know, essential part of the structure. What's the allowed amount they're going to get? The plan requires an amount fixed for that class. We had already had a $10 million HCLOM amount allowed into that class. So we needed to fix that amount.

Q So let's transition to that particular topic, the calculation of HMIT's Class 10 interest. Are you familiar with the methodology that was used to arrive at the Class 10 amount?

A Yes.

Q Can you tell me the process, before we get to the methodology itself? Like, what work was done to figure that

out?

A Well, the structure of limited partnership is that the equity account is treated as what's called a capital account. Each limited partner in a limited partnership has a capital account that tracks their equity interest. As a default rule, it's the amount that a limited partner can expect to get on a sale of the partnership or a liquidation of the partnership. So we used the capital account that had been maintained continuously by Highland to set their capital account amount.

I think the partnership agreement talks about 99-1/2 percent for HMIT. It doesn't talk about dollars because that's kept in the accounting for the partnership. And that amount was consistently kept by Highland up to the petition date. And even after the petition date in the monthly operating reports.

Q If you take a look back at the exhibit list, I would direct your attention to Page 12 of 15. Actually, it starts at the Page 11. At the bottom, it's got the heading, Capital Account Amounts. Are you familiar with Exhibits 113 through 118? And if you need to look at the exhibits, take your time.

A Oh, I'm sorry. I thought you told me 15.

Q No. One -- I did. I mentioned Page 15. But we're just looking at Exhibits 113 to 118.

THE COURT: 113 to what?

MR. MORRIS: 18.

THE COURT: Okay.

THE WITNESS: Um, --

MR. MORRIS: If you look at the index, Your Honor, at the bottom of Page 15 -- 11, you'll see a heading, Capital Accounts --

THE COURT: Right.

MR. MORRIS: -- Amounts. And then that captures Exhibits 113 to 118.

THE WITNESS: Yes.

BY MR. MORRIS:

Q Are those the documents that you and your team relied upon in order to calculate the amount of the allowed Class 10 interest for HMIT?

A These are some of them. I don't know if you have the tax returns in here and the K-1s. Oh, here they are. 115.

Q Yeah. That's 115?

A Yeah. You've got the K-1s for 2018, which fix an amount. Those are signed by Mr. Dondero, and they give the amounts to each partner. And then you've got the adjustments, because those are done in -- they're 2018 year-end. They were done in September of 2019, about a month before the filing.

Q And is that Exhibit 116?

A It's 115 and 116. I believe that's -- 116 is 2019, I believe, and that would have been signed postpetition by -- I believe that was signed by Waterhouse.

Q Okay.
A So it sets out the K-1. The numbers that we have are slightly different because they're in the -- they're not middle of the year, but they're for the petition date of 10/16/19. And there are -- there's economic activity that happens during the year, that you take the year-end from '18 and you have economic activity that would affect, pursuant to the partnership, the capital account of each partner during that year, fixed it on the petition date, and then it's been forward since.
Q Did you apply any of your own subjective views or beliefs in the calculation of the amount of the Class 10 interest held by HMIT?
A No. This was math.
Q And did you hear Dugaboy's counsel suggest in the opening that there was a different methodology that perhaps you could have used, a pro rata methodology, instead of the methodology you used?
A I heard what he said, but it doesn't make any sense. You can't fix an amount that way.
Q And do you understand that Dugaboy, under the partnership agreement, is subordinated to HMIT?
A Dugaboy is subordinated under the partnership agreement for certain distributions. But importantly for our purposes, they're subordinated under the plan. So the Class 11

interests are explicitly subordinated to the Class 10 interests, in both the plan and the Claimant Trust Agreement.

Q Did the Debtor consider putting Dugaboy and HMIT in the same class? Back when the plan was being formulated?

A I -- I don't recall.

Q Do you recall why they're in separate classes?

A They -- they're in separate classes because HMIT had a senior -- a right to senior distributions under the partnership agreement. We set it up that way. Nobody objected to it. That was part of the confirmed plan and the confirmed order.

Q Thank you very much. Let's talk for just a moment about Mr. Patrick's authority. Before entering into the settlement agreement, did you do anything to satisfy yourself that Mr. Patrick had the authority to enter into the settlement agreement on behalf of each of the HMIT entities?

A Yes.

Q What did you do to satisfy yourself?

A Well, as a default rule, I always look at the agreements that I'm going to enter into and the organizational docs. And we did do that. We looked at each of the organizational docs to --

Q Let me stop you there for a second. Are those the documents that are in the exhibit list from 70 through 104?

A I'd have to check the actual numbers, but --

Q If you just look at the exhibit list.
A Oh.
Q It's at the front. You'll see on Page 8 of 15 of the exhibit list there's a heading, --
A Yes.
Q -- E, Patrick Authority, and then I'm asking you if you are aware of what Exhibits 70 through 104 are?
A Yes. So, these, these are -- there's a number of organizational documents that we looked and made sure that Mr. Patrick had authority.

We also knew from our own files that Mr. Patrick, you know, previously had different interests assigned to him, and we know from Mr. Patrick and documents he's given us that John Honis, who was a former controller of some of -- controlled some of these entities and a friend of Dondero's who previously worked at Highland, is on some retail boards, in 2022 transferred those interests to an entity controlled by Mr. Patrick.

Moreover, Mr. Patrick was here in court as the HMIT Administrator, trying to sue the Highland estate. He testified on behalf of HMIT as the Administrator. And the documents are very clear that the Administrator has full control of these entities.

Q We've heard some argument about a Cayman Islands proceeding. Are you generally aware of what's happening in

the Cayman Islands?

A I hesitate to say generally aware. I'm aware that there's a proceeding in the Cayman Islands about involving a blocker corp. And there's disclosure in this Court about what that entity is. It's a blocker corp. in the Caymans that prevents the ultimate charitable entities -- and I put that in quotes -- to -- from receiving UBTI, which is Unrelated Business Income. And in that case, they would have to pay tax on it, and the idea is that they don't want to pay taxes and they don't pay taxes. So that corp. apparently is in some sort of proceeding. That's on the DAF side. That is not on the HMIT side.

Q Okay. So, based on the work that you did and the documents that you reviewed, did you form a view as to whether or not Mr. Patrick is authorized to enter into the settlement agreement on behalf of each of the HMIT entities?

A Yes.

Q And what view did you reach?

A He has complete authority over each of these entities. They run up to entities that he controls or he owns. And he's had that, and it's the structure that was set up a long time ago, and any changes to that structure are just consistent with the documents that let him do these things. And the proceeding in Cayman, whatever that is, has no impact on Mr. Patrick's authority over these entities or any of the entities

in this chain.

Q Did you see anything in the diligence that you conducted that required Mr. Patrick to seek anybody's authority, consent, or approval before entering into the settlement agreement on behalf of the HMIT entities?

A No. And we could go through each document. He has complete authority on each of these entities. And even the objections that were filed that were withdrawn from The Dallas Foundation, they have no -- it's absolutely clear that they have no rights to deal with at all the management of each of these entities. They don't have an ownership interest in it. Crown issued an annuity policy that's a variable policy. They have no rights.

Q All right. Let's turn to the agreement itself. Can you tell the Court why you believe that the settlement agreement is in the Claimant Trust's best interests?

A Number one, this case has been going on for a full five years. We have spent tens of millions of dollars dealing with vexatious and frivolous litigation and attacks. The opportunity to settle with a Class 10 holder and allow their claim under the terms of the settlement is extremely valuable because it moves us much, much closer to a potential resolution of this case, which we would all love to resolve.

Number two, it's fair value for the estate. We are making sure, while we're paying some money out in front, we have

triggers on the backend payments to ensure that the Indemnity Trust has enough assets to protect parties if there are unforeseen litigations. And I can almost bet there'll be at least one or two of those. So it's really, really valuable in that respect.

Three, it cuts down tremendously on what future expenses could be. Because we have gotten these litigation protections, we've basically walled off a potential avenue to be attacked. And I think the structure of this deal is valuable, not only to the fiduciaries and folks who have been responsible for managing this process and who are indemnified by the Claimant Trust or HCMLP, it also enables us to, down the road, pay off the Class 9s and ultimately make distributions to the Class 10s.

Q Is one of the other benefits to this agreement is that it enables the Claimant Trust to dispose of certain illiquid assets?

A Well, that's a -- that is a benefit, because we do have to resolve these claims and dispose of these assets, and we're not in a position to hang around until 2030 or more to do that.

So we've got the Kirschner claims, which would go to HMIT. Again, the way that the waterfall is set up, to the extent that they have value, they are very expensive to pursue. We've spent a ton of money setting them up. We've produced

seven million documents, pages, and received zero in return. We stayed them because we didn't think we needed them for the Class 8 and 9 and it was prudent to do so, and the question was would we need them for indemnification. So disposing of those claims now at this time as part of this settlement, where that value would go to Class 10 anyway, is very valuable.

Q Had you made any efforts prior to entering into this agreement to monetize or otherwise sell the Dugaboy Note?

A Yes.

Q Can you describe for the Court what your efforts were in that regard?

A So, we set out to try to monetize the Dugaboy Note. I contacted -- we put together what we call a teaser, laying out what we knew about Dugaboy, at least up until the time that Dugaboy was no longer part of our computer system. Laid out what we thought the assets were. There's not a lot of public information. Laid out the amortizing of the note. It's a 3.2 percent-ish, 3.26 percent note, I believe, goes to 2047, '46 on the amortization, 2047. And then presented that to I think it's five different investors in distressed funds. Had no interest whatsoever. One investor laughed at me, which I understood that he was aware of the parties and the principals and the collection efforts that would be difficult on that note.

The note is performing, because if it hadn't performed I would have accelerated on the first second and we would have collected the whole thing. But we've seen that show in the other Notes Litigation. And so we didn't -- we didn't get any reception.

We also reached out to Mr. Dondero, in writing, through D.C. Sauder, and made them an offer and tried to get them to respond, and they indicated they had no interest in the note.

Q Turning back to the exhibit list, if you can turn your attention to Page 11 of 15 of the exhibit list, is Section F, Exhibits 105 through 112, the documents that reflect the note and your efforts to dispose of the note?

A Yes.

Q And let's take a look at Exhibit 112 quickly, since that involves Mr. Dondero. Can you just tell the Court what this exhibit is?

A Yes. This is an exchange between D.C. Sauder, Matt McGraner, both of whom work for Dondero, and Dave Klos, our CFO. I'd authorized Dave to make an offer to them to see if we could get cash for the Dugaboy Note. And as you see right below the reply from Mr. Klos, which is -- this is friendly, but Mr. Sauder's indication that they have no interest.

Q Okay. So Highland offered to sell the Dugaboy Note to Mr. Dondero or entities controlled by him, and that offer was rejected without a counteroffer. Do I have that right?

A That's correct.

Q Okay. Let's finish up here. Are you familiar with the objections of Dugaboy and Mr. Daugherty that the settlement somehow violates the plan because it's making distributions to Class 10 before junior classes are paid in full?

A Yes. I'm familiar with those.

Q Do you believe the settlement violates the plan?

A Not at all.

Q And why is that?

A The plan specifically contemplates that -- I don't think it's -- we showed the 9 and 10s, but I think it's any claimant could take less than is being offered by the plan. What we did very specifically is go to the Class 9 claimants and discuss with them this opportunity to settle with HMIT and what it would take, which included some, as I described earlier, payments upfront.

After being fully informed -- they asked a lot of questions, they pushed back quite a bit, as you can expect that they would -- and we reached agreement with those Class 9 claimants in writing to approve the structure of the deal and the settlement and the concurrent payments, as well as the final small payment to Mr. Daugherty on behalf of his Class 9 claim.

Q Could I trouble you to turn to Exhibit 59, please, Mr. Seery?

A I've got it.
Q Are you familiar with that document?
A I am, yes.
Q Can you explain to the Court what that document is?
A This document is the written consent that we entered into with the Class 9 claimants, approving the settlement agreement as well as the payment to Mr. Daugherty.
Q Okay.
A And -- and -- so these -- the payment to Mr. Daugherty would have been non-pro rata, so they agreed to that. And the concurrent payments under the settlement agreement to Class 10 were agreed to by the Class 9 claim holders.
Q So looking at Page 2 at the top, do I have this right, that Mr. Daugherty's original Class 9 subordinated claim was in the amount of $3.75 million, and that with the payment described in this document his claim was paid in full?
A That's correct, yes.
Q And did he complain that he was getting paid in full but the other Class 9 holders were not?
A No. That had never been his complaint.
Q Did he complain that he was getting paid in full on his Class 9 claim but his Class 8 claim remained unresolved?
A No. I think that, as indicated before in my testimony and indicated here, this was the last payment, the 781. Before that, he'd received almost $3 million on account of his Class

9 claim. And pro rata with the other Class 9 claimants.
Q I think you mentioned that your understanding is that, under the plan, creditors can elect to receive less favorable treatment than the plan otherwise provides. Is that right?
A That's correct. And I think that's a pretty standard provision in virtually every plan that I see.
Q Can we just grab that for a second? It's the last exhibit, 126, which is probably in the skinny binder, if you have one.
A Yes. Do you want me to go to the section?
Q Yeah. Just one minute. I want to make sure the judge is with us. Give her a second.
MR. MORRIS: Are you with us, Your Honor?
THE COURT: Yes.
MR. MORRIS: Okay.
BY MR. MORRIS:
Q So if you can turn to Page 23 of Exhibit 126. Does Section 9, under Treatment, Romanette (ii), is that the provision that you were just describing that gives Class 9 holders the ability to receive such other less-favorable treatment as to which such holder and the Claimant Trust may agree upon in writing?
A That's correct.
Q And the same is true with respect to the Class 10 claims, at the top of Page 24?

A That's also correct, yes.
Q All right. And so was the consent that was executed by the Class 9 holders that's Exhibit 59 done in satisfaction of these plan provisions?
A I'd say it's consistent with these. They could elect to receive it or not, but this was, you know, did it under this provision and they were entitled to elect to take lesser treatment, if that's what they agree to.
Q Okay. Can you describe for the Court why you believe that the Class 9 claim holders are receiving less-favorable treatment under -- as a result of this settlement agreement than they would otherwise be entitled to under the plan?
A Well, they would be entitled to receive payments in front of any payments that would be made to Class 10. In addition, they would have been entitled to receive a pro rata distribution of the $800,000 that was paid to Mr. Daugherty, and they agreed to waive those provisions.
Q Okay. Is it your understanding that HMIT is also accepting less favorable treatment than it might otherwise receive if it pursued and succeeded in the prosecution of its claim?
A I suppose, ultimately, if everything was resolved, that they could have gotten a Class 10 interest that wasn't structured along the lines of the settlement agreement. So the settlement agreement takes some of that structure and what

arguably would be value away from them, and this is the amount that they've agreed to have as their allowed claim, as structured by the settlement agreement.

Q And is it your understanding that under the settlement agreement HMIT has disavowed any rights under the Claimant Trust Agreement?

A Under the Claimant Trust Agreement, yes. They have rights under the settlement agreement to receive distributions, and those will ultimately come from the Indemnity Trust as we wind down the Claimant Trust.

Q And did HMIT also agree that it would not be a Claimant Trust beneficiary under the Claimant Trust?

A Yes. And that's very important to us because we have seen lots of litigation, lots of emails, trying to use these types of structures just to create claims, even when there's literally no basis for it. I should -- well, I'll control myself.

Q Yeah. We can stop there.

MR. MORRIS: Your Honor, I have no further questions at this time.

THE COURT: All right. We're going to figure out, are we taking a bathroom break or a short lunch break. I'll poll the audience and then I'll decide. Do people want to take maybe a 30 to 45-minute lunch break, or just a bathroom break and keep going?

THE WITNESS: Thirty minutes.

THE COURT: I'll say -- are you going to have any further examination?

MR. PHILLIPS: I'm going to maybe ask one question, just to bring it up. It's already been -- but one question.

THE COURT: Okay. And then what about Dugaboy and Daugherty? Guesstimate how much examination you'll have.

MR. YORK: Fifteen minutes, maybe.

MR. LANG: Twenty minutes or so.

THE COURT: Why don't we take a five-minute bathroom break, --

MR. PHILLIPS: Sure.

THE COURT: -- and then we'll at least finish this witness.

MR. PHILLIPS: Perfect.

THE COURT: All right?

MR. PHILLIPS: Thank you, Your Honor.

THE WITNESS: Thank you.

THE CLERK: All rise.

(A recess ensued from 12:07 p.m. until 12:15 p.m.)

THE CLERK: All rise.

THE COURT: Please be seated.

(Pause.)

THE COURT: All right. Can I get some help rounding people up?

(Pause.)

THE COURT: All right. We're missing -- okay. We're going back on the record in Highland Capital. We still have Mr. Seery on the witness stand. Mr. Phillips, you had examination. You said one question.

MR. PHILLIPS: I did, Your Honor. And I meant it.

THE COURT: Okay.

CROSS-EXAMINATION

BY MR. PHILLIPS:

Q Could you look at Exhibit 118, please?

A You said 118?

Q Yes, sir.

A Certainly.

Q Did the calculation of the Class 10 claim amount of $336,940,230.58, is that the result of applying the full value to the Highland or Highland Claimant Trust of the HMIT note receivable?

A Apologies, because I can't read this because it's too small, but I can answer the question.

THE COURT: Would you like this?

THE WITNESS: I think I can answer the question without it.

THE COURT: Okay.

THE WITNESS: The -- what we used was the petition date capital account.

BY MR. PHILLIPS:

Q Correct.

A And just like every other claim in bankruptcy, fixed at the petition date. And what we subtracted from that petition date was the petition date amount principal and interest of that HMIT note which was owed to Highland Capital.

Q Thank you.

THE COURT: All right. That was one question. All right. Counsel?

MR. YORK: Thank you, Your Honor. Get it organized here.

CROSS-EXAMINATION

BY MR. YORK:

Q Good afternoon, Mr. Seery.

A Good afternoon.

Q Would you take a look at Exhibit 1 in Daugherty's witness and exhibit binder? It's the settlement agreement between Highland and Mr. Daugherty, I believe.

A Yes, I have it.

Q All right. And can you confirm that is the settlement agreement that Highland and Mr. Daugherty entered into in connection with the claims Mr. Daugherty asserted in the bankruptcy?

A It appears to be, yes.

Q Would you turn to Section 9, then, which is on Page #11,

starts on Page #11?
A Yes.
Q And that relates to a reserved claim that Mr. Daugherty had as part of his proof of claim against Highland in the bankruptcy, correct?
A That's correct.
Q And would you agree with me that the second line of Section 9 there of the settlement agreement describes that claim as a contingent unliquidated claim against the Debtor?
A I would not agree with you on that, no.
Q Why not?
A Because it says, Daugherty contends --
Q Ah. Daugherty contends.
A -- he has a contingent unliquidated claim against the Debtor.
Q Okay. Well, why don't you then turn with me to Daugherty Exhibit #2, which is the -- which is the -- Highland's adversary complaint that was filed against Mr. Daugherty on I believe May 2nd of 2025. Correct?
A I don't recall the specific date and it's blurred at the top. So if you say so, I'll accept that.
Q All right. And if you look at Paragraph 1, the third line, there's a sentence there that says, All of Mr. Daugherty's claims were settled except his unliquidated contingent claim that the Debtor has a continuing and

indefinite obligation to make him whole if a tax refund he apparently received for tax year 2008 on account of his partnership interest is ever successfully challenged by the IRS.

Did I read that correctly?

A You did read that correctly, yes.

Q All right. This reserved claim under the settlement agreement is a Class 8 unsecured claim, correct?

A It is the claim that he asserted and that we initially classed under Class 8 in a fixed amount for a tax refund which is on his statement that he got that he claims he's entitled to more, which would be unsecured as of the petition date. I believe the amount on his payment statement from 2009 is $1.475 million.

Q All right.

THE COURT: Could you pull the microphone closer to you?

THE WITNESS: I'm sorry, Your Honor.

THE COURT: Okay. Good.

MR. YORK: All right.

BY MR. YORK:

Q And, again, my question is pretty simple. And it's a Class 8 unsecured claim, right?

A It's not a Class 8. It was in Class 8. It's been objected to.

Q Right.
A So it is not in a class now at all. We seek to disallow it in its entirety, or, at worst, subordinate it to all creditor claims.
Q Understood. But it has been asserted as a Class 8 general unsecured claim, right?
A He asserted it as that, yes.
Q Okay. And is it fair to say that in the adversary complaint, if you go to Page -- I'm sorry, Paragraph 4 -- Highland alleges that: However, even if Mr. Daugherty's claim is not disallowed in its entire -- I think that should be entirety. Right?
A It should be, yes.
Q It remains contingent on the outcome of the 2008 audit. Correct? Did I read that correctly?
A You did read that correctly, yes.
Q And the next sentence says, It is unclear when, how, or if the 2008 audit will finally be resolved. Correct?
A Correct.
Q And in fact, if you go to, then, Page #7 of the complaint and you look at Footnote 6, at the very end of that footnote it indicates that Highland has an understanding that the resolution may not be expected until approximately 2029. Is that correct?
A The litig... I can't read it because it's small, but the

litigation may not be resolved. The IRS has already issued a final determination on the audit.

Q How do you know that?

A I was advised that by another partner.

Q Who?

A Kurt Plumer.

Q Have you seen the FPAA that was issued by the IRS?

A No, I have not.

Q Have you asked for it?

A Yes.

Q You did, personally?

A My lawyers did.

Q Your lawyers did?

A Yes.

Q Okay. But you -- but you did not, right? Just to be clear.

A No, I did not. My lawyers, acting at my direction, did.

Q Asked the tax matters partner for Highland for that information?

A Asked Mr. Daugherty.

Q Asked Mr. --

A I think asked you, I'm sorry.

Q Oh, asked me for that information?

A Yes.

Q Well, so tell me, why is Mr. Daugherty -- first off, do

you know if Mr. Daugherty has received the FPAA?
A I don't know.
Q Okay. Do you know if anybody else has received an FPAA?
A I was told there was a final determination. I don't know if they've actually received an FPAA. But I do know that Mr. Daugherty has produced a document where the IRS has requested additional information for him. Since they hadn't done that for 17 years, I suspect that they've reached a final determination of the audit.
Q All right. So you don't know whether an FPAA has actually been issued?
A I --
Q True?
A I don't know. And for the Court's benefit, that's a Final Partnership something Determination.
Q Okay. What -- where --
THE COURT: F-A --
THE WITNESS: F-P-P -- I think it's --
MR. YORK: F-P-A-A.
THE WITNESS: -- F-P-A-A.
THE COURT: Okay. The court reporter will no doubt ask, so good.
BY MR. YORK:
Q Tell me, where in the universe is it that -- is it Mr. Daugherty's obligation to provide Highland with the FPAA?

A I don't -- I don't think there's any such obligation that I've seen.
Q And in fact, the IRS audit is handled by the tax matters partner for Highland Capital, correct?
A The IRS audit for Highland Capital's -- from Highland Capital's position is handled by that. The IRS handles their side.
Q Right. From Highland's side. Okay. And that tax matters partner is doing that on behalf of Highland Capital, right?
A I think at this point it's doing it on behalf of the old Highland Capital, not Reorg Highland Capital. We don't have any liability with respect to it, nor do we have any visibility as to what's going on in the tax audit.
Q So even though, under the partnership agreement, that's the tax matters partner that's referred to, Highland Capital cannot compel that tax matters partner to provide that information to them, if an FPAA actually exists?
A I don't think so. That partnership agreement is the pre-effective date partnership agreement.
Q All right.
A The new Highland Reorg Debtor doesn't have these partners and is not a tax matter partner for those -- those audits.
Q So let's go back, then, to Paragraph 4 of the adversary complaint that was filed. And I want to look at the next sentence that Highland wrote there. It says: Moreover, if

the claim is not disallowed, it will need to be estimated, after taking into account the likely outcome of the 2008 audit, including adjustments that result therefrom.

Did I read that correctly?

A You read that correctly.

Q Have -- has anyone at Highland conducted any analysis as of today to determine what Mr. Daugherty's potential liability would be from that IRS audit if that audit was completed today and all interest and penalties were assessed as of today?

A Yes.

Q How much?

A It would be $1.475 million, the amount of his prepetition claim in his proof of claim. Since it's unsecured, whatever happens with the IRS is not a concern of Highland. His claim is that he didn't get that amount as a refund. Either he got that amount or he got some -- some lower amount. It would be a petition -- prepetition-date amount. And under Texas law, he would be entitled to prejudgment interest from 2009 to the petition date at a rate of five percent.

Q Which would be how much?

A It would be approximately $2.2 million in aggregate.

Q Okay. And there would be -- you're saying there would be no penalties or any other -- any other interests or assessments that would -- Mr. Daugherty would be liable for that Highland would also then be liable for under that claim?

A No. There would not. It would not impact his claim against Highland. His claim against Highland is simply: I did not get this refund.

He got the refund. He's now claiming it might be adjusted. If the IRS otherwise has penalties, interest against him for his tax attributes somewhere between 2009 and 2019, that wouldn't be subject to his proof of claim and it wouldn't be the responsibility of Highland.

Q Even if Highland had promised at the time that that refund was made that it would -- it would make him whole with respect to any IRS audit whatsoever?

A It simply --

MR. MORRIS: Objection to the form of the question.

THE WITNESS: It simply didn't do that.

MR. MORRIS: Yeah.

THE COURT: Okay. Overruled.

THE WITNESS: We can -- you could litigate the claim, but that's just not what it says.

BY MR. YORK:

Q So you talked earlier about the Class 9 consent that was obtained, and no one from Highland reached out to Mr. Daugherty to try to seek his consent. Right?

A That's correct.

Q Why not?

A Because I didn't want to.

Q Why?
A Because Mr. Daugherty is an extremely difficult person to deal with. The last time I dealt with Mr. Daugherty on the phone with respect to anything, I had extreme difficulty and got sucked into a stalking lawsuit that I had to testify to that is a complete mess that I want nothing to do with. So originally my counsel said, have no communication with him. But with respect to this, we were objecting to his claim. We knew he would try to hold this up. You have tried to do that and demanded $20 million. So that's why we didn't reach out to you. We just paid the 9 and we have a fully-reserved amount on the 8.
Q You thought that the stalking case that you were pulled into was completely fabricated, didn't you?
A I thought that at the time. I'm not as sure anymore.
Q Oh, really?
A Yeah.
Q Okay. And you actually also told Mr. Daugherty that Mr. Ellington, who brought that case, was a complete liar and POS, right?
A I don't know if I used POS, but I do not think Mr. Ellington is an honest person.
MR. MORRIS: Your Honor, at some point I'm going to on relevance grounds. I think we've got a settlement agreement before the Court that we're trying to get approved

today, not to take discovery on any other matters.

THE COURT: Okay. I'm going to overrule to the extent there was an objection, but I think it's appropriate to worry that we're straying down a road that is not relevant. So, --

MR. YORK: Understood.

THE COURT: -- reign it in.

MR. YORK: All right.

BY MR. YORK:

Q You'd agree that the -- under the terms of the proposed settlement, there will be some interim distributions will be made to the HMIT entities in cash totaling approximately $23 million. Correct?

A Not necessarily, no.

Q Why not?

A Because there's an initial distribution. I believe it's $10 million.

Q Yes.

A And then subsequent distributions are predicated on whether there are threats, either outstanding litigation or threats as defined in the agreement.

Q And so long as those threats don't occur, then those interim -- those additional interim distributions will be made, right?

A Yes. The Indemnity Trust would make those distributions

at those times, and then I have to make -- it's a double trigger, because it has to be no threats and I have to determine that the Indemnity Trust had sufficient assets to meet its obligations for both actual and contingent indemnification obligations.

Q But at a minimum, the HMIT entities will receive at least $10 million?

A Yes.

Q On an interim basis?

A Yes.

Q All right. And you'd agree with me that, under the terms of the plan, the plan provides that the classes get paid in order of priority, correct?

A That's correct.

Q All right. And if you turn to Daugherty Exhibit 4, which is the confirmation order, at Page 45. And Subsection A there in the middle of that has a sentence that says: Accordingly, as the holders of the equity -- excuse me. Strike that. Let me start over. Are you there yet, Mr. --

A Now I am.

Q All right. Accordingly, as the holders of equity interests that are junior to the claims in Class 8 and Class 9 will not receive or retain under the plan on account of such junior claim interest in any property unless and until the claims in Class 8 and Class 9 are paid in full, plus

applicable interest, --

Did I read all that correctly?

A Yes.

Q Okay. And the term "Claim" there is a capitalized term, right?

A Yes.

Q It's not -- it doesn't say allowed claims. It just says claims. Right?

A That's correct.

Q All right. All right. Now, if you'd turn with me to the Claimant Trust Agreement, which is Daugherty Exhibit 5, and go to Section 5(c). Excuse me. 5.1(c). I apologize.

A Yes.

Q And this is -- this is -- relates to the contingent trust interests associated with the Class 10 and Class 11 limited partnership interests in Highland, correct?

A Generally, yes.

Q All right. And you'd agree with me that, in the -- about four lines down, it says: The Claimant Trustee shall allocate to each holder of allowed Class 10-B and C limited partnership interests and each holder of allowed Class 11 Class A limited partnership interests a contingent trust interest equal to the ratio that the amount of each holder's allowed Class 10 or Class 11 interest bears to the total amount of the Class 11 or -- Class 10 or Class 11 interest, excuse me, as applicable

under the plan.

Did I read all of that correctly?

A I believe you did, yes.

Q All right. And under the terms of the proposed settlement, the HMIT entities are getting an allowed Class 10 interest, correct?

A That's correct, yes.

Q All right. And then the next sentence goes on to say: The contingent trust interest shall not vest and the equity holder shall not have any rights under this agreement unless and until the Claimant Trustee files with the Bankruptcy Court a certification that all GUC beneficiaries have been paid indefeasibly in full, including, to the extent applicable, all accrued and unpaid postpetition interest consistent with the plan and all disputed claims have been resolved. The GUC Payment Certification.

Did I read that correctly?

A You did, except you used the article "The" before "contingent trust interest" at the start of the sentence.

Q Fair enough. And the GUC beneficiaries there would be the general unsecured creditor beneficiaries, correct?

A That's correct.

Q And this certification has not been issued yet by the Claimant Trustee in this bankruptcy, correct?

A That's correct.

Q In part because of Mr. Daugherty's remaining unresolved Class 8 claim, correct?
A In part, yes.
Q And also in part because of the remaining Class 9 claimant holders who still have money owed to them on their Class 9 claims?
A In part, yes.
Q Okay. Does the term of the proposed settlement agreement provide those Class 9 consent holders with releases from the HMIT entities?
A No.
Q It does not?
A No.
Q At all?
A No.
Q Even if they were in their capacity serving as board members for Highland Capital?
A Certain of the Class 9 holders are also on the Oversight Board. In their capacity as Oversight Board members, yes, they get -- they get broad releases. UBS, for example, is not. There are no releases in there for the two UBS entities.
Q Would you now -- you can set that binder aside. And if you'd turn with me to Exhibit 60 in the -- Highland's exhibit list.
A Six zero?

Q Yes, sir.
A Yes.
Q This is a copy of the tolling agreement extending objection deadline between -- that's on -- dated July 27th of 2022 between Mr. Daugherty and Highland Capital Management, LP and Highland Claimant Trust. Correct?
A Yes. That's what it appears to be, yes.
Q All right. If you would, go with me to Page 2 at the bottom. There is a Footnote #3. Do you see that?
A Yes.
Q And that footnote relates to, up above, a defined term called a "Reserved Claim," the Reserved Claim being what was discussed earlier in Mr. Daugherty's settlement agreement with Highland, right?
A That's correct, yes.
Q And it states in here that that Reserved Claim means "the contingent and unliquidated claim as referenced in Proof of Claim #205."
Did I read that portion of the footnote correctly?
A Yes.
Q All right. And it goes further to say that the amount listed there of 2.65 million three hundred -- two point six -- let me start ever. $2,650,353 is the amount estimated as of October 23, 2020. Correct?
A That's correct.

Q All right. It doesn't say it's -- anywhere in there that it's a fully -- it fully reserves that unliquidated contingent claim. Correct?
A In what you just read, no.
Q All right. And if you go to Page 1 -- or, I'm sorry, to Page 3, Paragraph 1, the covenant to reserve where Highland agrees to reserve $2,650,353 on account of the reserved claim, does it say anywhere in there that that is -- fully reserves that contingent unliquidated claim anywhere?
A It says exactly what it says. And you read it.
Q That's not my question. Does it say --
A I don't -- well, it says, Further agree to reserve $2.650 [million] on account of the reserved claim in disputed claim reserve.
Q All right. Does it say anywhere in there that that is the fully-reserved amount of that claim?
A Not in that sentence, no.
Q Thank you. All right.
MR. YORK: Your Honor, give me one second. Let me confer.
THE COURT: Okay.
(Pause.)
BY MR. YORK:
Q Mr. Seery, UBS is one of the consent holders, Class 9 consent holders related to the HMIT settlement. Correct?

A There are two UBS entities, UBS AG 66 and UBS Securities, LLC.

Q All right. Did either of those entities sit on the Unsecured Creditors' Committee in this bankruptcy?

A A UBS entity did. I'm not sure which of those did, or whether it was both with one counsel. I don't -- there's a UBS entity on that Creditors' Committee.

Q Is the -- are the members of the Unsecured Creditors' Committee within the definition of the Highland released parties under the proposed HMIT settlement? Do you know?

A I don't know. The members of the Creditors' Committee, I believe, have exculpation anyway, so I don't -- I don't -- I don't know if it captures the old members of the Creditors' Committee. I don't -- for example -- I don't think so. I don't -- I don't know.

MR. YORK: Pass the witness.

THE COURT: All right. Mr. Lang?

THE WITNESS: Do you have a separate binder?

MR. LANG: No.

THE WITNESS: Okay. Will you be using Mr. Daugherty's binder?

MR. LANG: No.

CROSS-EXAMINATION

BY MR. LANG:

Q All right, Mr. Seery. Just to be clear, the Class B and C

-- or the Class A interests and the -- of Highland under the plan, they have 99.5 percent of the -- Highland Capital Management. Correct?

A Could --

Q Sorry. The Class B and C --

A Limited partnership interest.

Q -- shareholder -- limited partnership interests were 99 point -- or, were .5 percent of Highland Capital Management?

A I -- I'm not trying to be difficult.

Q No, it's fine. It's a terrible -- terrible --

A I don't -- I just don't -- I don't understand your question. I apologize.

Q Okay. So, at the time of the petition, --

A Yes.

Q -- Hunter Mountain Investment Trust owned 99.5 percent of Highland Capital Management?

A It owned 99-1/2 percent of the limited partnership interest in Highland Capital Management.

Q And the remainder -- and HMIT has the Class 10 claims. Correct?

A You said something, the remainder? The --

Q Oh, sorry. The remaining interests are owned by the Class 11 claims under the plan.

A The remaining partnership interests are among those entities I testified earlier to, which are Dugaboy, Strand, --

Q And Okada?
A -- Mark Okada individually, and two Mark Okada and Pamela Okada trusts.
Q Okay. And the total assets in the estate right currently you testified are between $65 to $70 million?
A I -- off the top of my head, I don't recall, but it -- rough range, it could be in that general vicinity. That does not include the payments that have to be made to the 9s and expenses. So I believe there's documents in here that we could go through, if you like.
Q And I believe you testified that the remaining unpaid 9s are owed approximately $20 million?
A Approximately $20 million, yes.
Q Okay. And the plan does not say that the equity claims for Class 10 and 11 are to be determined by the capital account values of the limited partnership interests in the Debtor LP?
A That's correct. It says to set an amount. It doesn't tell you how to do the amount.
Q Okay. And under the settlement agreement, Class 10 interests will be allowed in the amount of $336,940,230.58?
A Approximately $336 million, yes.
Q $336 million. Fair. And this is the capital account balance as of -- HMIT's capital account balance as of the petition date, less, I believe, the HMIT note?

A That's correct. So that amount is the net amount.
Q The net? And do you know how the capital account balances were calculated --
A Yes.
Q -- on the petition date?
A Yes.
Q And how were they calculated?
A So, you take the 2018 year-end capital account amount, and then there's activity in the company that gets passed through through the partnership. The partnership agreement -- in this instance, the prepetition Debtor partnership agreement passed through profits and losses on a pro rata basis. There was activity in the first half of the year that affected that capital account. You can see that reflected in the year-end auditeds as well as the K-1 statement that -- for 2018 that was given to HMIT. That would be their 2018 year-end. That then, from an accounting perspective, was used and brought down to the petition date. And between the petition date and year-end 2019, there was additional capital activity, the biggest one of which was the reserve -- full reserve for the $50-plus million for the HMIT note. And so then you'll see the 2009 auditeds that are signed off by Mr. Waterhouse. And in those interim months, then you also see the gross amount of the partner capital each month in the monthly operating reports.

Q And correct me if I'm wrong, but I believe you testified that the capital account balances continued to go down after 2019. So you have the petition date, you have the next year, and did they continue to --

A I don't think I testified to that. What I testified to is that there was economic activity in 2019 that affected the year-end '18 to the petition date. And then from the petition date there was year-end activity -- there was activity from the petition date to year-end '19 that would affect the capital account as reflected in the 2018 auditeds -- they weren't auditeds -- 2018 tax returns signed off by Waterhouse. The biggest part of that activity was the application or the reserve for the Hunter Mountain Note.

Q And was there any activity after the 2019 tax return?

A There was postpetition activity in the partnership, certainly.

Q And did it reduce the capital accounts during those years?

A I assume it would have reduced all of the capital accounts pro rata.

Q Okay. And why'd you use the petition date as the date to determine the value of the capital accounts?

A Because this is bankruptcy and that's the date on which you fix all your claims and interests.

Q If you used -- have you ever used equity ownership percentages to determine the payment to the equity versus

their capital account balances?
A In this case, or elsewhere?
Q Elsewhere.
A I think that's standard. I can't cite you a specific thing, but typically when a partnership liquidates or a partnership is sold, amounts get distributed pursuant to the capital accounts and -- and -- in up to amounts in the capital accounts.
Q You would agree, if you use the percentage of ownership, being 99.5 percent for Class 10 and the .5 percent for Class 11, would potentially leave money for the Class 11 creditors to recover?
A I don't think so. No, I don't agree with that.
Q Why do you say that?
A Because Class 11 is subordinated to Class 10.
Q Okay. So explain how, if $60 million exists and you pay $20 million to the Class 9, --
A Roughly. Yeah.
Q Rough. Just rough math.
A Okay.
Q That leaves $40 million.
A Okay.
Q Correct? And if the ownership interests or the allowed claim for HMIT was 99.5 percent, wouldn't that leave .5 percent of $40 million for the remaining creditors?

A That doesn't make any sense, because 99-1/2 percent of a senior thing means you get everything. So that Class 10 has to be paid in full before the 11.

In addition, there's already an agreed-upon amount on HCLOM for $10 million. So how do I give HCLOM $10 million and 99-1/2 percent to somebody else? There has to be numbers.

Q But to be clear, the plan does not say that the equity claims are determined on capital accounts. Correct?

A That's correct.

Q All right.

MR. LANG: No further questions.

THE COURT: All right. Any redirect?

MR. MORRIS: Just one moment, Your Honor.

(Pause.)

MR. MORRIS: We have no questions, Your Honor.

THE COURT: All right. Any redirect from --

MR. PHILLIPS: No, Your Honor. Thank you.

THE COURT: -- the one question?

Okay. Thank you, Mr. Seery. You are excused from the witness box.

THE WITNESS: Thank you, Your Honor.

(The witness steps down.)

THE COURT: Okay. I'm going to again take proposals. I can live with a 30-minute lunch break. I and my staff can. But it's easier for us than all of you. So do you all want to

negotiate for more?

MR. MORRIS: I just wanted to let the Court know that, with that, the Movants rest. We're not -- we're not going to call anybody else.

THE COURT: Okay.

MR. MORRIS: We reserve the right to cross-examine. We reserve the right to call rebuttal witnesses, including Ms. Deitsch-Perez and Mr. Dondero, depending on what testimony is elicited. So we reserve the right to call rebuttal witnesses. But we're not calling anybody further on our direct case, and we rest.

THE COURT: Okay. So let me --

MR. MORRIS: I'll let them --

THE COURT: -- follow up on that point.

MR. MORRIS: Uh-huh.

THE COURT: There had been a discussion of Mr. Patrick.

MR. MORRIS: Uh-huh.

THE COURT: Limited to one total hour. Thirty minutes collectively, Debtor and HMIT. Thirty minutes collectively, Dugaboy and Daugherty.

MR. MORRIS: You know what, Your Honor.

THE COURT: You're -- you're not asking --

MR. MORRIS: No, maybe I -- I forgot that you had told us we could do it, too. So let's take the lunch break,

let us figure it out, we'll let you know when we come back.

THE COURT: Well, I'm clarifying because I'm deciding --

MR. MORRIS: Yeah.

THE COURT: -- who gets to go first.

MR. MORRIS: Understood.

THE COURT: Each witness.

MR. MORRIS: Understood.

THE COURT: And I presume --

MR. MORRIS: Understood.

THE COURT: -- the Debtor/HMIT would go first.

MR. MORRIS: Yeah.

THE COURT: And then with regard to Dondero, --

MR. MORRIS: Yeah.

THE COURT: -- you all would go first.

MR. MORRIS: So I withdraw what I said. Let us confer during the lunch break and we'll figure out who's going first, whether we do rest or whether we put Mr. Patrick on for a short direct.

THE COURT: Okay. Which leads me to our lunch break. Do people want to negotiate for more than 30 minutes? I don't want to make someone collapse if --

MR. MORRIS: Thirty minutes, or 1:30?

MR. PHILLIPS: 1:30.

MR. MORRIS: 1:30, Your Honor. It's nice and round.

MR. PHILLIPS: One clarification, Your Honor. Because I don't -- I don't -- if one side doesn't take the half hour, does that go over to the other side, or --

THE COURT: No.

MR. PHILLIPS: No?

THE COURT: I don't think -- I'm just giving --

MR. PHILLIPS: Great. Thank you.

THE COURT: And my law clerk said maybe I was confusing about that earlier today.

MR. MORRIS: Yeah.

THE COURT: One hour total, but 30 minutes each. And if one collective team doesn't use the whole 30 minutes, we're not --

MR. MORRIS: Yeah.

THE COURT: -- giving it to the other side. Okay?

MR. PHILLIPS: That was my question.

MR. MORRIS: Understood, Your Honor.

THE COURT: And while I'll let you all discuss whatever you want, what I envisioned is you all would go first with Mr. Patrick, --

MR. MORRIS: Uh-huh.

THE COURT: -- and then Dugaboy and Daugherty would go first on Mr. Dondero. But if you all collectively think it makes sense to do something different, I'll hear.

MR. MORRIS: No. That makes sense, Your Honor.

MR. PHILLIPS: Thank you, Your Honor.

THE COURT: All right. So we'll come back at 1:30 --

MR. YORK: Yes.

THE COURT: -- and resume.

MR. YORK: Thank you so much.

THE COURT: Okay. Thank you.

THE CLERK: All rise.

(A luncheon recess ensued from 12:51 p.m. until 1:33 p.m.)

THE CLERK: All rise.

THE COURT: Please be seated. All right. We're back on the record in the Highland Capital matter, the Rule 9019 motion for approval of a settlement. When we broke, we were waiting to talk about Mr. Patrick and Mr. Dondero as witnesses. Are they going -- is Patrick going to be your witness?

MR. MORRIS: No, Your Honor. We're going to reserve our 30 minutes for rebuttal.

THE COURT: Okay. Thank you.

All right. I'll hear from the Objectors now.

(Pause.)

MR. YORK: Sorry, Your Honor. I didn't realize they were going to observe. So, --

THE COURT: Well, yes. If you understood what I was saying before the break, I presumed they might want to go first with Mr. Patrick, but it was -- you're the one who

wanted him, so if they want to go second, they can go second.

MR. YORK: Well, --

THE COURT: Well, I say "you're." I'm sorry.

MR. LANG: No, it's okay.

THE COURT: Mr. Lang wanted to go --

MR. YORK: Yeah. So are we definitely doing Mark Patrick now?

MR. PHILLIPS: No.

MR. YORK: Oh, okay.

MR. PHILLIPS: We just rested.

THE COURT: Okay.

MR. MORRIS: They can call whoever they want.

THE COURT: They have rested. If you don't want to go forward with any witnesses, you don't have to.

MR. YORK: Oh, we --

THE COURT: But you had wanted to go forward -- you wanted to question Patrick and I said, if he's going to be a witness, then Dondero should also be a witness. Okay? And at most an hour collectively for each witness. If you don't want to call either one of them, you don't have to call either one of them.

MR. LANG: We're going to. I think that they were just going to call Daugherty first. I didn't know if you had an order that you wanted to do this in.

THE COURT: Well, no. I don't care. I guess I don't

care. Was Daugherty listed? I mean, --

MR. YORK: Yes.

THE COURT: I'm sorry. Did you say Daugherty or Dondero?

MR. LANG: Daugherty.

THE COURT: Okay. I'm sorry. So you want to call Daugherty?

MR. YORK: Yes.

THE COURT: And you listed him as a witness?

MR. YORK: Yes.

THE COURT: So you may call Daugherty.

MR. YORK: All right.

MR. MORRIS: Yes. I --

MR. YORK: We'll call Patrick Daugherty, then.

THE COURT: Okay.

MR. MORRIS: I don't believe Dugaboy did, but --

MR. YORK: Right.

MR. MORRIS: -- if they -- if they want to call him, by all means.

THE COURT: Okay.

MR. MORRIS: Yep.

THE COURT: All right. Mr. Daugherty, if you could approach the witness box, I will swear you in. Please raise your right hand.

PATRICK DAUGHERTY, PATRICK DAUGHERTY'S WITNESS, SWORN

THE COURT: All right. Please be seated.

THE WITNESS: Oh, wow. A lot of water up here.

THE COURT: Plenty of water for everyone.

DIRECT EXAMINATION

BY MR. YORK:

Q Good afternoon, Mr. Daugherty. Could you state your name for the record, please?

A Patrick H. Daugherty.

Q Mr. Daugherty, are you a creditor in the Highland Capital bankruptcy?

A Yes, I am.

Q All right. And would you turn to, in the Daugherty exhibit binder, turn to Exhibit 1, please?

A Yes.

Q And this is a settlement agreement between you and Highland Capital Management relating to claims -- your proof of claim that you made in this bankruptcy, correct?

A Yes.

Q And we looked earlier. You were in the courtroom for Mr. Seery's testimony, correct?

A I was.

Q All right. And we talked in Section 9 about the defined Reserved Claim in there. Do you remember that?

A I did.

Q All right. Can you describe what --

A I consider it the Compensation Claim, but yes.

Q Can you describe what the Reserved Claim is?

A Yeah. Basically, it, background, it dates back to the financial crisis of 2008, 2009. Highland was on the brink of filing for bankruptcy. We had a creditor bank led by Bank of America and Scotia, and we were in default. And so the banks came in, declared default, and basically put a limit or terminated our ability to pay cash bonuses. And that -- right after Lehman Brothers failed, so call it September 2008 and going into 2009.

And the problem with that is we were losing people right and left. We had about 22 senior-level guys. We were down -- and I say guys. I think there were some women, too. But we were down to about 12 people. And they were trying to stem the tide of people running out of the doors in order to save the value of Highland. We started the year at about $40 billion under management, and by that time, we were -- I think we were as low as $19 or $20 billion under management.

Hedge funds were rolling up. CLOs did fine. Private equity did fine. Retail funds were having problems. And separate accounts were okay. But we were definitely a firm in crisis and trying to hold on to people.

So the nature of this compensation claim, you know, every year, everybody except Dondero and Okada would get what's called a compensations and award letter. Because Dondero and

Okada were really the only partners. I think you can kind of see that, given your experience. They were called the founding partners. They were the only ones that got true distributions from the firm annually. Guys like us, you know, the other 12 or so, we got cash bonuses and incentive comp and deferred comp. And, you know, obviously, cash compensation was a big part of our compensation, and they were prohibited from the banks from paying it.

So Dondero, with the help of Rick Swadley and some of the other tax people, I don't know if we used out outside firms or not, they came up with this scheme, if you will, where Highland was going to go and use whatever they came up with with the partnerships and whatnot and then generate a tax refund to the senior-level guys. As or in lieu of the cash bonuses that couldn't be paid, they were going to go make these elections and then we were going to get this money.

And if you look at our awards agreement, it says you're going to get *x* amount of money. And it's in the line that historically is the cash bonus.

Also, when we got like our email or whatever that year from Patrick Boyce, our CFO, he was like, Congratulations, your bonus this year was *x*. And it was whatever that amount was on your compensation and award letter.

Well, several of us had the same accountant, John Garvey, at Bland Garvey. Me, Joe Daugherty, and Davis Deadman. And

we took this concept to our accountant and he's like, man, that's really precedent. And so you guys are going to have to basically protect yourselves from -- sorry, go ahead. Make your objection. I'm sure I'm --

MR. MORRIS: I just, I just don't remember what the question was at this point and he's testifying to --

THE WITNESS: Why I got this thing.

THE COURT: It was --

THE WITNESS: My apologies.

MR. MORRIS: -- to conversations and hearsay.

THE COURT: What is the --

MR. YORK: Let me ask a question and I'm going to try to --

THE COURT: -- proof of claim about, was the essence of the question.

MR. YORK: Yeah. Right.

THE COURT: So I sustain. We're getting a little narrative, shall we say.

THE WITNESS: My apologies.

MR. YORK: So, --

THE WITNESS: I'll tighten it up.

BY MR. YORK:

Q All right. So, Mr. Daugherty, what you were getting under this scheme, as you describe it, was a cash bonus that was masked as a refund, correct?

A Look, Highland paid for it however they're going to pay for it. They're the one who created whatever that they did. But for us, it was a cash bonus.
Q Okay.
A But given that I was -- what I was just alluding to, there were concerns about the tax impacts if the IRS didn't agree with Highland. And so what we did is we negotiated for and got from Dondero -- really, I mean, Jim ultimately made the decisions at Highland. He said, look, if you don't -- if this doesn't work, if it doesn't go through, we'll make you whole. And so we got that provision in the compensation and award letter that says if the actual refund deviates materially from the refund, then you'll get substitute compensation. And that was enough for us, --
Q And --
A -- and that's what led to this claim.
Q And was it your understanding that, in terms of making you whole, that was not just whatever you had to pay back for the refund, but also interest and penalties?
A Yeah.
MR. MORRIS: Objection. Leading.
THE COURT: Sustained.
THE WITNESS: That's fair enough.
BY MR. YORK:
Q What was your understanding as to what that 'make you

whole' constituted?
A It was basically to put me and the others back in the position of getting to that number that was listed in the document. So if there were any interest, penalties, pullbacks from the IRS, then we would be made whole at that -- we'd get back the net of that number. However, if the IRS was fine with it, we wouldn't get anything.
Q So there's a chance, depending on how the IRS audit turns out, if the IRS says what Highland did was fine, then you don't owe the IRS anything, right?
A Yeah. That's been a critical thing, that I may not owe the IRS anything, and certainly I wouldn't expect Highland to give me anything.
Q And at that point, what's been reserved as your reserved claim would effectively at that point, from the IRS perspective, the IRS audit perspective, would be a zero dollar amount, right?
A Yeah. I mean, more so. I mean, Jim Seery offered to buy me out with an amount of the reserved claim. And I said, listen, I'm not looking for a windfall here. What I'm looking for is to be made whole, --
Q Right.
A -- it's my insurance policy on what I earned back in 2008, because the alternative is I will have ended up working for free in 2008, plus have to pay penalties and interest going

forward that could wipe out my net worth.

Q All right.

A So I wanted the insurance policy aspect of it.

Q So you heard Mr. Seery's testimony earlier where he said the total amount you would owe was somewhere in the range of $1.4 to $1.5 million if there was --

A He's wrong about that, if that's what he said.

Q Why?

A At the time -- I think the number he was referencing was in our claim number that I filed back in, I want to say, October 2020. And the $1.45 million, what was in the compensation -- was the number in the compensation and awards letter.

The other number that I spoke about from the gallery out there was one point -- I don't know, whatever the interest -- whatever I guessed the interest might be. And then I didn't have anything for penalties. So, at that particular time, took those numbers and said, okay, if the IRS says no way on all this, this is what I'd have to pay, not including penalties.

Q All right. So you've seen today and you listened to the testimony about the footnote in Highland's adversary complaint against you in which they say that the resolution may not be until 2029 of this IRS audit?

A That's correct. I've heard that.

Q All right.
A I've seen it and heard it.
Q All right. As you've sat here today, have you done any calculation back of the napkin to try to estimate what your potential exposure would be to the IRS in terms of interest and penalties as a result of that audit dispute if it wasn't resolved until 2029?
A Yeah. I listened to the judge. I went and ran '33 because that was a number that was just thrown out. At '33, if it's 2033, it's $7.4 million, and if it's 2029 it's $5.7 million.
Q What sort of financial impact would that have on you?
A The latter would pretty much wipe me out. I'm sorry. The former would -- the $5.7 million would wipe me out. The latter would cause me to file for bankruptcy.
Q Okay. Mr. Seery also discussed his -- that he had heard through the grapevine that the IRS audit had been resolved. Has anyone from Highland ever told you that the IRS audit is resolved?
A No one's told me that from anywhere, anyhow, anyway.
Q Have you had a conver... have you had -- so nobody at all, right?
A No one at all.
Q Have you -- did you have a conversation recently with Kurt Plumer over it?

A I did. I had lunch with him at Hillstone.
Q Did he mention it at all?
A No.
Q All right. Could you turn with me to, in your exhibit binder, Exhibit 8, please?
A Yeah.
Q All right. Can you just identify for us what this document is?
A This is a letter I got from the IRS dated November 20th, 2024, basically telling me that the case is open and I may owe money.
Q And specifically, if we look at the first paragraph, it says, "Why You're Receiving This Letter," in bold, right?
A It does.
Q And then below that it says: We might have to adjust your tax return based on our examination of the Highland Capital Management listed above.
Did I read that part correctly?
A Yes.
Q And so is it your understanding that your -- that this is related to the IRS audit of Highland?
A That is my understanding.
Q And that your tax return, your personal tax return may be adjusted as a result of that?
A Mine and my wife's.

Q Which would mean you're subject to interests and penalties as well?
A As is she.
Q Okay. And is this the only letter you've ever received from the IRS?
A No.
Q Related to the Highland Capital Management audit?
A No.
Q All right. Do you receive these periodically?
A Yes. The initial one came I want to say about five months after we filed the returns in two thousand -- it was for the calendar year 2008, so it was April 15th, 2009, I want to say. Maybe it was -- I think the first one came around October, late October 2009.
Q And --
A Like this. I can't -- I don't remember it verbatim.
Q Is this the last communication you have received from the IRS relating to Highland's IRS audit?
A This was it. Yeah.
Q Okay. Has anyone from the IRS ever told you that an FPAA has been issued --
A No.
Q -- with respect to the Highland's audit?
A No. I don't even know what that -- I didn't even know what that was.

Q And you've never received an FPAA from the IRS, right?
A I have not.
Q And you've never -- nobody else has ever sent you an FPAA related to the Highland audit, right?
A No.
MR. MORRIS: I'm being kind, but this is just --
THE COURT: It's leading.
MR. MORRIS: -- testifying from the podium.
THE COURT: Sustained.
THE WITNESS: Yeah.
BY MR. YORK:
Q All right. Mr. Daugherty, would you turn -- we'll switch topics real quick to the tolling agreement. Would you turn in Volume 1 of the Highland exhibits to Exhibit 60, please?
A Volume 1, and then which one, I'm sorry?
Q Exhibit 60.
A Yeah. Yes, I'm there.
Q Why did you enter into -- well, back up. Strike that. Start over. This is the tolling agreement extending a claim objection deadline between you and Highland Capital and the Highland Claimant Trust as of July 27th, 2022, correct?
A That is correct.
Q And is it your signature on Page 6 or 7 of the document on the left-hand side?
A It appears to be, yes.

Q All right. Why did you enter in this tolling agreement? Why did you enter into --

A I'm sorry, what was your question?

Q Why did you enter into this tolling agreement?

A Jim Seery had reached out to me in 2022 and said that they had a problem with -- the Court had an objection deadline that was running and that was somewhat inconsistent with the settlement agreement that we had just gotten approved in early March of 2022 that said they couldn't object, they being Highland, object to the legitimacy or amount of my compensation claim.

So he said, look, you know, we're in a little bit of a predicament here. We can go to the Court or we can try and work this out. And I'm like, hey, I'm fine to work it out. I don't want the estate to be burdened or any way. So we went back and forth on the document, and ultimately I felt that it was the right thing to do. The spirit of our settlement was, you know, I -- they couldn't -- they couldn't challenge this part of my claim, but the *quid pro quo* was I'm not going to be able to beat them out on a technicality by running in here, saying, ah, the objection deadline, you know, expired.

So his solution seemed to be a reasonable one. And we worked with their counsel, I think Demo and to some degree Morris, to work that out for them.

Q How did the estimate come about in Footnote 3?

A I don't know. Nobody ever asked me about it. There was no -- Mr. Morris is right, there was no negotiation about it. Because, frankly, I didn't see that as my problem. They had something to fulfill pursuant to the plan. And there was no back and forth on that reserve amount with Seery whatsoever. He just said, This is what we're doing and, you know, we're going to put this -- and my perception is I didn't have any right to challenge it other than what was in my settlement agreement. And I looked at that as a one-time right to go and seek an estimate, and I didn't want to do it that early in the process.

Q Would you take a look with me at the last recital that's on Page 3 of the document? All right. It says, --

A Oh. You're going to make me read. All right.

Q It says: Whereas, solely to avoid the expense, inconvenience, and uncertainty associated with litigation, and without any party admitting liability, fault, or wrongdoing, or releasing or waiving any rights or defenses with respect to the reserved claim, the parties desire to enter into this agreement to extend the claim objection deadline solely with respect to the reserved claim to January 11th, 2023 at 5:00 p.m. Central Time, defined as the Objection Deadline.

Did I read that part correctly?

A You did.

Q What was your understanding of this recital provision

being put in here?
A Well, I think I just kind of summarized it. There was a problem that the parties didn't, you know, fully recognize could occur that would give me a windfall, and so this was to kind of solve that on an interim basis until we got to a final resolution on this tax refund thing.
I mean, the honest truth, God -- Judge. Not God, Judge. But the honest-to-God's truth is Seery and I had a very good relationship, and we were going back and forth, and his view was that this thing could get resolved in 2022.
Q Did you have an understanding as to whether or not you were reserving all rights with respect to your reserved claim under the terms of the tolling agreement?
A Absolutely I did. Both in emails and in the document.
Q All right.
MR. YORK: Pass the witness.
THE COURT: All right. Any cross? I'm assuming Dugaboy did not have questions. And, Mr. Daugherty, I should have --
MR. LANG: No, we do not.
THE COURT: Okay. Thank you. Cross?

CROSS-EXAMINATION

BY MR. MORRIS:
Q Good afternoon, Mr. Daugherty. Take your time.
A How are you, Mr. Morris?

Q Good. I just have a few questions. You have been paid in full on your Class 9 claim, correct?
A Evidently, yes.
Q And that Class 9 claim was for $3.7 million, correct?
A I believe it was $3.75 million.
Q Thank you for the clarification. Do you recall how many payments you received that resulted in your receipt of $3.75 million?
A I don't.
Q When you received those payments, did you tell Mr. Seery -- did you send it back to Mr. Seery out of any concern that your Class 8 claim has not been resolved?
A No.
Q When you received those payments, did you object to Mr. Seery or to anybody else that it was improper for the other Class 9 holders to receive the payments when your Class 8 claim had not been resolved?
A I had no idea what they were receiving.
Q Did you have any reason to believe that you were receiving a benefit that the other Class 9 claim holders were not receiving?
A Again, I had no idea what they were receiving, so I can't compare the two.
Q Okay. But it is true that you accepted without protest your Class 9 payments, even though your Class 8 claim had not

been resolved, correct?
A I think that's accurate.
Q Okay. I think you mentioned in your proof of claim it had $1.4 million; is that right?
A Again, I'm cuffing it. If you could grab it, I'll -- I want to say it was -- the proof of claim had two components, as I mentioned. There was a, as I mentioned, there was the compensation award amount from my compensation letter of like $1.475 million.
Q Uh-huh.
A Don't quote me on that, but close enough.
Q Approximate.
A And then an interest component that would take me up to that particular time if the IRS reversed it.
Q Okay.
A But no penalties were included.
Q And that approximately $1.45 million, that's money that you received back in 2009?
A I didn't get that full amount in 2009. That was -- I don't want to broaden this up too much, but many times what was promised was not what was delivered. So I got a lesser amount from the IRS.
Q How much less did you receive?
A I want to say, on a net basis, it was just under $1.2 million.

Q Okay. And so it's true that you've had the benefit of the $1.2 million for 15 years now?
A When you say the benefit, what do you mean?
Q It went into your pocket 15 years ago.
A Yeah, but it's a contingent liability I have back to the IRS, so I can't say that it's, you know, not without reservations.
Q But you've had possession of that million and a half dollars now for 15 years, correct?
A Right. And with it comes an obligation --
Q Okay.
A -- contingent back to the IRS.
Q Your claim is a prepetition claim; is that right?
A What do you mean by my claim? Are you talking about the compensation one?
Q Yes.
A Yeah. I mean, that -- that contractual obligation originated in, well, yeah, February 2009.
Q It's not an administrative claim, right?
A I don't believe so, no.
Q It's just -- it's just a claim that existed prior to the petition date. Fair?
A That is fair.
Q Okay. With respect to the reserve, you did agree to that amount of the reserve, fair?

A I did not. I mean, I -- I signed the document, but I did not agree to that amount.
Q Well, --
A I did not negotiate for it or anything like that.
Q Well, but if you turn to Exhibit 60 that you just looked at, --
A sure.
Q -- and you go towards the end of the document, that is your signature on the first Page 7, right?
A Yeah. I've already admitted that.
Q And Paragraph 1 of the agreement that you signed specifically set the reserve at the amount set forth in Paragraph 1, correct?
A That much is true.
Q Okay. And you --
A You just said, did I agree to it, and I'm like, it was in the document.
Q It's in the agreement that you signed, correct?
A For sure.
Q Okay. And you've never asked for that amount to be adjusted, correct?
A I've spoken many times to Mr. Seery and told him that it will need to be adjusted upward as years go by. We've had quite a dialogue along those lines.
Q Okay. But he's never agreed to do that, correct?

A He said when the time comes, we'll figure out -- listen, we had a very collaborative relationship up until like the last year. And so it was like, hey, I'm not going to press you. You don't -- he's fighting off Dondero right and left. You know, and I'm like, I don't want to get in the middle of all this. You go do what you've got to do. We'll both sit tight. In fact, there was dialogue to that very effect.

Q Uh-huh.

A And so this was just all part of sitting tight, thinking that the right thing would be done when we got final analysis to this.

Q Okay. So would you just agree with me that, since signing this agreement, you haven't come to court to seek an adjustment --

A No.

Q -- of the reserve?

A I did not want to be a burden.

Q Okay. And since signing this agreement back in 2022, you and Mr. Seery have not come to an agreement on any adjustment to the reserve, correct?

A We have not.

Q Okay. Do you believe that you have claims against Highland's employees?

MR. YORK: I'm going to object on relevance grounds. Also, outside the scope.

THE COURT: What is the relevance?

MR. MORRIS: We're going to get to the $20 million demand in a moment. I'm laying the foundation. But we have anybody on anybody --

THE COURT: But what's the $20 million demand?

MR. MORRIS: I'll get to it in a moment.

THE WITNESS: There's --

THE COURT: I can't figure out if --

MR. MORRIS: I can make a proffer if you'd like.

THE COURT: -- that's relevant.

MR. MORRIS: I can make a proffer, Your Honor. I'll tell you. I'll tell you right now.

On June 5th, Mr. York called me and said that Mr. Daugherty asserts that he has claims against the Highland employees, and if Highland didn't pay him $20 million he was going to sue them, and he was going to file this objection together with a petition in the Supreme Court opposing Highland's request to stay the issuance of a mandate in the Fifth Circuit.

MR. YORK: First off, if Mr. Morris is going to become a witness, we've got a problem here. Secondly, any sort of communications between us would be 408. And third, it's not relevant to the issue we're here on today.

THE COURT: Okay.

MR. MORRIS: My response to that, Your Honor?

THE COURT: All right. I'm going to allow a little latitude, --

MR. MORRIS: Yeah.

THE COURT: -- but I'm still unclear --

MR. MORRIS: It's about -- it's about three questions.

THE COURT: Okay.

MR. MORRIS: It's about three questions.

THE COURT: You may proceed.

BY MR. MORRIS:

Q Do you believe you have claims against Highland's employees?

A Me personally, no.

Q Okay. Do you -- did you authorize your lawyer to call me and to demand $20 million in exchange for a release and your standing down from filing any objection to this motion?

A I'm not aware that that ever happened. Nobody demanded anything of you.

Q Really?

A Yeah.

Q Do you know that your lawyer used the number $20 million to me?

A Oh, I've read the emails back and forth between you.

Q So why don't you explain to Judge Jernigan what your understanding is as to what your lawyer meant when used $20

million to me.

A I can't say for sure what he meant, but I can tell you from my perspective what I understood.

Q What did you understand?

A I have another entity that I picked up in the settlement with Highland called the Highland Employee Retention Asset Fund. And again, pursuant to the settlement agreement, I mean -- I guess supposedly, I guess, when I think about it, I do have claims individually, because it's with me, that agreement.

But it said that Highland had to turn over all the books and records of the HERA fund. And Mr. Morris was on many of those emails. And they had turned over some of the books and records, but they didn't turn over any of the books and records that implicated Thomas Surgent and David Klos in defrauding HERA in allocating Highland's expenses when they were litigating me, against me, back to HERA.

So I do have a settlement agreement with Highland and these employees, but Highland Employee Retention Assets needs their books and records. And we've made it very clear to you on numerous emails where you, you know, kind of muscled up on us and said this is all you're going to get and tough if you don't like it or whatever.

And so the deeper we get into this, we did get discovery from others, we found that Highland's been withholding

material information.

So as it relates to -- I mean, you're doing that little squeaky thing, and I think he's a fantastic lawyer, but the reality is you guys have created some damages to HERA that you may be accountable for. Your clients, not you.

Q Okay. In the four years since we signed the settlement agreement, you've never asserted a breach of contract claim, have you?

A Well, because we thought you were complying with it. So if you want to go into the details there, in 2022, we were -- asked for more information. 2023, we asked for more information. 2024, we asked for more information. And so those are continuing breaches.

Again, I -- I don't want to go to war with Highland. You're too damn good of an attorney, you're scaring me a little bit. But --

Q I don't want to.

A You know, listen. You know I think well of you.

Q I appreciate that.

A But, you know, I mean, I just wanted the information. I'm not looking to go to war with you guys. I got enough battles that I've got to fight. And so, you know, I guess a number was thrown out or whatever. I don't know the full context of it. But it wasn't -- it wasn't for this IRS compensation issue.

Q But what was the -- my last question. What was the $20 million demand for?

A Again, it's just a number. Y'all were having settlement negotiations. So, I mean, you work off of it.

Q All right.

MR. MORRIS: I have no further questions, Your Honor.

THE WITNESS: Yeah.

THE COURT: All right. Any redirect?

MR. PHILLIPS: I have no questions, Your Honor.

THE COURT: All right. Okay.

MR. YORK: Apologies. I wanted to make sure.

THE COURT: Yes.

MR. YORK: No redirect, Your Honor.

EXAMINATION BY THE COURT

THE COURT: Okay. If you've watched Highland hearings, you know the judge sometimes has questions. I am still trying to understand the 1.4, the 1.2, the 1.475. I understand broadly that, in essence, a cash bonus was negotiated back in early 2009, I think you said.

THE WITNESS: Yes.

THE COURT: After 2008. And so that's, in essence, what was contractually negotiated. But I understand there was a hook, if you will, we're calling it a contingency, whatever word you want to use, where if one day there was an IRS audit and I guess Highland had extra liability for 2008, that this

-- I don't know if I understood it or not.

THE WITNESS: Do you want me to try and guess what you're asking, or --

THE COURT: Try to guess what I'm asking. Again, I'm --

THE WITNESS: The liability -- so, Highland chose to use this tax scheme as a currency to pay us a cash bonus. From our perspective, we weren't stupid. We're like, well, okay, that's great, but if the IRS says --

THE COURT: Okay, I just want to know what -- you say you were contractually entitled to $1.4 million.

THE WITNESS: That's what I was supposed to get for that bonus year.

THE COURT: Okay. But there was a tax contingency, if you will, where -- that's where I want you to jump in.

THE WITNESS: So, Highland had a tax problem. They came up with this mechanism to use whatever they were doing with the IRS to create the cash to pay us a bonus. We looked at it and said, well, this looks fishy -- by the way, every year before that and after that, I've just gotten a cash bonus. But for this one year, when the banks are saying, no, no, no, we get this. And so we looked at this and said, look, this sounds fishy, but if you can't pull it off, we need to be made whole. I can't be in a situation where here I am in 2025 and I may have to pay $5, $6 million to the IRS for the

pleasure of working at Highland.

THE COURT: Okay. See, that's where my disconnect is.

THE WITNESS: Uh-huh.

THE COURT: Because I thought this all turned on a Highland tax return.

THE WITNESS: Oh, no, no. So, Highland did the planning and the creation of the scheme, and I guess ultimately it was Highland's tax return, but it flowed through to us as pass-throughs. K-1s, what have you.

THE COURT: Right.

THE WITNESS: So I guess it's both.

THE COURT: Okay. You were a partner.

THE WITNESS: Well, that's debatable, too. That's debatable, too, because I had a --

THE COURT: Okay. I thought you weren't, but --

THE WITNESS: Well, I wasn't --

THE COURT: But you got -- okay. Let me just skip to, --

THE WITNESS: Yeah.

THE COURT: -- I guess, the important part. You did, you got paid? You said $1.2 million?

THE WITNESS: Yeah. I got a refund back from the IRS for around that amount. Slightly under $1.2 million.

THE COURT: So the contingency you are worried about

that you think gives you a contingent claim against Highland is, what, the IRS comes back and says --

THE WITNESS: And they say, Give us that money back plus interest plus penalties or we're taking your house. And it's a very real threat, because this has gone on, as you've noted, forever. And I went from having a one-point-whatever bonus to possibly having to pay six, seven, eight, I don't know how long this lasts, million dollars back to the IRS for an election that was made by them. As a substitute for paying me a cash bonus the regular way, they did it this way. And that's why we put and negotiated for that term in the compensation agreement that said, if for whatever reason the actual refund is different, we get made whole.

THE COURT: Okay. I may be overthinking this, I do do that sometimes, but I'm still, I'm trying to understand why your claim would escalate up to, you know, you said maybe $5.7 million if, in 2029, this all plays out with the IRS.

THE WITNESS: That --

THE COURT: Because you've gotten the benefit of that money and --

THE WITNESS: Well, no, because if the IRS says --

THE COURT: -- return on that.

THE WITNESS: Sorry. I didn't mean to interrupt.

THE COURT: You know what I'm saying? So I'm trying to figure out why it would grow in the way that you're

suggesting.

THE WITNESS: Can I respond?

THE COURT: Yes.

THE WITNESS: So I've gotten money that the IRS says is not mine. Right? And the IRS says --

THE COURT: And you've had the use of it.

THE WITNESS: Oh, yes.

THE COURT: You've presumably invested it and --

THE WITNESS: Well, no, I mean, you can't --

THE COURT: Well, you've had the ability to. Uh-huh.

THE WITNESS: But you don't want to take risk with something that's not yours, so you're kind of limited, right? But I have, I have that amount of money. Here's the problem, Your Honor, with that. If the IRS says, Give us back our money, here's the interest, here's the principal. Oh, by the way, if it's $7, $8 million, I can't -- I don't have that. I've got to file for bankruptcy in order to give the IRS back money that I'm having to pay them for the pleasure that I had of working for Highland in 2008 when I helped save the company and create a lot of the assets that paid all these people in the room. MGM Studios, Trussway.

THE COURT: Okay.

THE WITNESS: Okay.

THE COURT: Yeah. We are going beyond this.

THE WITNESS: Fair enough.

THE COURT: I was just, I'm zeroing in on this because I'm trying to figure out, I mean, it matters to me if that reserve is likely fair enough, the reserve I'm told you agreed to is fair enough. And I'm having trouble figuring out, I mean, if you've had the use of this money for 17 years or whatever that is, why you would get this extra interest add-on that you're -- $5.7 million or whatever it would be. You know, $3 million more.

THE WITNESS: Can I answer that question?

THE COURT: Uh-huh.

THE WITNESS: Because the IRS didn't look at it as my money. They looked at it as their money. And so if you look at the plain language of the compensation award letter, if the actual amount deviates from the amount that was granted, then Highland was going to give me substitute compensation to make me whole. Making me whole includes the penalties and the interest that I would owe the IRS. Because if you look at it any other way, I had to pay money to work at Highland.

THE COURT: Do I have that letter in my evidence?

THE WITNESS: You should. Drew?

THE COURT: Do I? Maybe I'll just cut this off and look at the letter.

MR. YORK: It's at Daugherty 2, and it's at the back of --

THE WITNESS: There's multiple letters, but this is

one of them.

THE COURT: The letter that you say this claim stems from.

THE WITNESS: Sure.

THE COURT: I'll just cut it off and look at that.

THE WITNESS: Yeah, you can tell her where it is.

MR. YORK: So I think it's at the back of the statement on PD-2. It's at the last page, Your Honor.

THE COURT: Which one?

MR. YORK: P -- Daugherty 2.

THE COURT: Oh, 2? I've got emails.

THE WITNESS: P-2? I don't think so.

THE COURT: Okay. We can move on.

MR. YORK: That's fine. We'll work this out.

THE COURT: Before we're done here today, I want to look at the letter to better understand how the claim could grow substantially to --

MR. YORK: Yeah.

THE COURT: -- $5.7 million by 2029. Okay. Thank you.

THE WITNESS: Thank you, Your Honor.

THE COURT: You're excused.

THE WITNESS: Oh, I found -- I just found it and then I closed it.

THE COURT: Okay. Well, you can --

THE WITNESS: My bad.

THE COURT: -- call my attention to it when you find it.

THE WITNESS: All right.

(The witness steps down.)

THE COURT: All right. Your next witness?

MR. YORK: I believe we're calling Mark Patrick.

THE COURT: All right, Mr. Patrick. All right. Please raise your right hand.

MARK PATRICK, DUGABOY INVESTMENT TRUST'S WITNESS, SWORN

THE COURT: All right. Please be seated.

And, Courtney, you're going to start the clock going. I show 2:12. I don't know if my clock's right.

You may proceed.

MR. LANG: And, Your Honor, may I hand the witness -- this is from Mr. Morris' opening. May I use this as Exhibit 3?

THE COURT: Oh, okay. You're talking about the back page of his PowerPoint?

MR. LANG: Yes. Org chart.

THE COURT: Yes. I've got it in front of me. And for the record, I'm going to put this PowerPoint, even though it's not an exhibit *per se*, as a demonstrative aid in the file for this matter. And so it's the last item of the Highland PowerPoint. All right.

MR. LANG: Yes.

DIRECT EXAMINATION

BY MR. LANG:

Q Mr. Patrick, does this Hunter Mountain Investment Trust org chart that I just handed you accurately reflect the structure of the Hunter Mountain Investment Trust ownership today?

A Just give me a few moments to review.

Q Sure.

MR. LEWIS: Your Honor, I had mentioned early on that we object to this whole line of questioning because it's outside the scope of the objection of Dugaboy. And I don't want to interrupt, but I want to make sure that my objection is continuing, because this has nothing to do with the objection presented by Dugaboy.

THE COURT: All right.

MR. PHILLIPS: So we object to the question.

THE COURT: Okay. So the record will reflect basically a running objection from Hunter Mountain?

MR. PHILLIPS: We would appreciate that, Your Honor.

THE COURT: Okay. In light of the failure of Dugaboy to disclose Mark Patrick as a witness, as well as the failure to challenge in a written objection his authority. Okay. So I recognized that this was quite a persuasive objection, but given the magnitude, I would say, of what is going on here,

potentially a settlement that could come very close to ending this long-running plan implementation process, I'm erring, if it's an error, I'm erring on the side of allowing this. All right. But you have a running objection that the record will reflect if one day there is an appeal.

MR. MORRIS: And, Your Honor, the Highland Claimant Trust and the Highland Litigation Subtrust and Highland Capital Management, LP join Mr. Phillips' objection.

THE COURT: Okay. Understood.

MR. PHILLIPS: Thank you very much, Your Honor.

THE COURT: All right.

BY MR. LANG:

Q Mr. Patrick, have you had time to study this Hunter Mountain Investment Trust org chart?

A Yes, I have.

Q And does this accurately show the ownership structure for Hunter Mountain Investment Trust today?

A I'm not sure, without reviewing the underlying corporate documents on some of these entities that you have listed here.

Q Did you help prepare this chart?

A No.

Q No? Okay. So Hunter Mountain Investment Trust is owned by Beacon Mountain, LLC, correct?

A Yes.

Q And Beacon Mountain, LLC is owned by CLO Holdco, LLC,

correct?
A Correct.
Q And CLO Holdco, LLC is owned by CLO Holdco, Limited?
A That's correct.
Q And CLO Holdco, Limited is owned by Charitable DAF Fund, LP?
A Correct.
Q And Charitable DAF Fund 1, LP is owned by CDMC FAD, LLC?
A The ultimate beneficial owner is DFW Charitable Foundation. To my -- to the best of my recollection, I would say that appears accurate. I'm just not a hundred percent.
Q Okay. And --
A But I am a hundred percent that DFW Charitable Foundation is the ultimate beneficial owner. And I'm a hundred percent that Dugaboy Investment Trust has no interest in it. And I'm also a hundred percent that The Dallas Foundation or any --
MR. LANG: Judge, I haven't asked --
THE WITNESS: -- or any other nonprofit has any --
MR. LANG: -- any of these questions.
THE COURT: Okay. There's an objection, nonresponsive. I sustain.
BY MR. LANG:
Q Mr. Patrick, before December of 2024, Charitable DAF Fund, LP was owned by Charitable DAF Holdco, correct?
A (Pause.) I'm just waiting for a relevancy. I don't

understand how that's relevant to my authority --

THE COURT: Okay. You're not allowed to make a relevancy objection. Okay.

MR. PHILLIPS: Your Honor, I think the problem is that, if I could, we have made an objection. And our objection, our running objection is founded on relevancy and founded on improper process. So I would like to just tell the Court, and so my client representative can hear it, that the fact that I'm not standing up every time there's a problematic question, --

THE COURT: Okay.

MR. PHILLIPS: -- because every question is problematic, my objection is being maintained to every question that's being asked.

THE COURT: Okay. You understand that, right?

THE WITNESS: I --

THE COURT: There's a running relevancy objection. You're the witness. You can't make the objection. But it's on the record for whatever use it might have down the road.

MR. PHILLIPS: I have objected to every question that's coming in connection with this line of questioning on the basis of relevance.

THE COURT: I got it. I think we all have it.

MR. PHILLIPS: I'm just --

MR. LANG: Understood.

THE COURT: Yes. And you're thinking he's eating into your 30 minutes?

MR. LANG: Yes.

THE COURT: Okay. We've got it.

THE CLERK: I stopped the time.

MR. LANG: So -- thank you.

THE COURT: Did you stop the time for a minute?

THE CLERK: Yes, I did.

MR. LANG: Thank you.

THE COURT: Okay.

BY MR. LANG:

Q So, to my question, before December of 2024, Charitable DAF Fund, LP was owned by Charitable DAF Holdco, correct? Charitable DAF Holdco, Limited?

A And where is that on the chart?

Q I'm asking, before December of 2024, Charitable DAF Fund, LP was owned by Charitable DAF Holdco, Limited.

A Can you show me a corporate document so I know the precise corporation you're referring to?

Q You're the -- you are the manager of -- or the control person of CDHGP Limited, correct?

A Again, I'd have to refresh my recollection, but I am the control person over CDMC.

Q Okay. And CDMC --

A As well as Charitable DAF Fund. I'll represent that to

you.
Q Okay. Was there a transaction in December of 2024 where Charitable DAF Holdco, Limited sold its interest or transferred its interest in Charitable DAF Fund, LP to CDMC FAD, LLC?
A I know you're trying to help other litigation and --
MR. PHILLIPS: Mark.
THE COURT: Okay. Nonresponsive.
THE WITNESS: Your Honor, he's using your time to fish for other litigation to support that --
THE COURT: Okay. Okay. We have a running objection to relevance. I'm going to say that one more time. Okay. Just answer the question as best you can.
THE WITNESS: I'd have to review the corporate documents to refresh my recollection for that time period.
BY MR. LANG:
Q Up until December of 2024, Charitable DAF Fund, LP was owned 100 percent by Charitable DAF Holdco, Limited, wasn't it?
A I don't know what entity you're referring to without a refreshment of corporate documents of that entity. There could be a lot of entities called that.
Q You're aware that there is a proceeding in the Caymans investigating the December 2024 transaction that sold -- where Charitable DAF Holdco, Limited sold its interest in -- and or

transferred its interest in Charitable DAF Fund, LP to CDMC FAD, LLC?

A There are several parts to that question. So the answer is no.

Q Are you aware of a proceeding pending in the Caymans involving Charitable DAF Holdco, Limited?

A Again, I don't know what entity you're referring to. Show me a -- show me a corporate document.

MR. LANG: Your Honor, this was on the Foundation's exhibit list. We cross-designated any document designated as an exhibit by any other party in this case. And I'd like to hand this to the witness.

MR. MORRIS: Which exhibit is it?

THE COURT: Which is -- yes.

MR. LANG: It was on the -- it was on the DAF -- or, the Foundation's exhibit list.

MR. MORRIS: They haven't been admitted into evidence and they've withdrawn their objection. We object, Your Honor.

THE COURT: Yes, they've not been admitted.

MR. LANG: Okay. Well, can I --

MR. PHILLIPS: We object to that, Your Honor. We object to any witness --

MR. LANG: We cross-designated every --

THE COURT: I already discussed at the beginning what we were admitting and that was not disclosed.

MR. LANG: Okay.

THE COURT: As I recall, I said you've only designated the plan and settlement agreement, and the answer was yes.

MR. LANG: Okay.

BY MR. LANG:

Q And we're aware that the Joint Official -- are you aware that there is a Joint Official Liquidator appointed over a Charitable DAF entity in the Cayman Islands?

MR. PHILLIPS: Objection to form.

THE WITNESS: Again, without more specific --

THE COURT: Overruled. Yes.

THE WITNESS: -- specificity, there could be a thousand different actions that you're referring to, in my mind.

BY MR. LANG:

Q Are you aware that the Joint Official Liquidators in the Caymans are investigating transactions involving Charitable DAF Fund, LP and Charitable DAF Holdco, Limited?

A Again, again, I don't specifically know what you're referring to.

MR. PHILLIPS: Your Honor, may I -- excuse me. I don't know that my running objection includes an objection to form for each of the questions. This objection is to form of the questions about, quote, --

THE COURT: What's wrong with the form?

MR. PHILLIPS: -- investigation.

THE COURT: What is wrong with the form of that question? I'm not clear.

MR. PHILLIPS: My objection to form is that the question is an open-ended question with an undefined term, investigation.

THE COURT: Overruled. I don't think that's a vague term. So you may answer.

THE WITNESS: If you show me some document, some complaint or something, I'll be very happy to verify whatever questions related to that. But just giving me verbal words of entities and names and actions, I don't know precisely what you are talking about.

BY MR. LANG:

Q Mr. Patrick, who set up the entities in the Hunter Mountain Investment Trust org chart that is sitting in front of you?

A I'm sorry. Repeat the question?

Q Who set up the various entities that are in the org chart that is on your -- on the stand?

MR. PHILLIPS: Objection to form. Set up. What does that mean?

THE WITNESS: It -- yeah, it's very --

THE COURT: I think we know what it means. Creating,

perhaps.
BY MR. LANG:
Q Created?
A Who? Are you asking if I created it?
Q Did you participate in creating them?
A Did I participate? In which ones?
Q CDMC FAD, LLC.
A What do you mean by participate?
Q Were you involved in creating -- did you initiate the creation of CDMC FAD, LLC?
A Lawyers were.
Q Did you engage in any capacity on behalf of any entity? Were you involved in engaging the lawyers to set up CDMC FAD, LLC?
A Yes, I engaged lawyers to set up entities.
MR. LANG: Objection. Nonresponsive.
THE COURT: Sustained.
MR. LANG: Did you --
THE COURT: He asked about this one particular entity, I think.
BY MR. LANG:
Q Did you --
A Which entity, again, did you ask?
Q CDMC FAD, LLC.
A Yes, I believe I hired a lawyer.

Q And when did CDMC FAD, LLC become a hundred percent owner of Charitable DAF Fund, LP?

A Around the end of March of 2025. I believe.

Q And were you involved in the transaction between -- in which CDMC FAD, LLC obtained a hundred percent interest in Charitable DAF Fund, LP?

A What do you mean by involved? How?

THE COURT: Okay. I can see what's happening here or I have an impression of what's happening here. I feel like you're slowing down this process where I've given 30 minutes to this lawyer. Okay? And I feel like you're feigning confusion. I don't mean to be insulting, but that's how it comes across. Okay? So I need you to speed up your answers and not be confused about things you shouldn't be confused about. Okay?

THE WITNESS: Okay.

THE COURT: I feel like it's late 1980s *Dondi*. Does anyone know what I mean by that? Okay. We've been there, done that, in the federal courts, and we don't like the looking at -- you're not looking up at the ceiling. That's what they did in *Dondi*. Confusion. Delay. Okay?

So I don't mean to chastise you. I'm just telling you that you're going to make us be here a lot longer, and nobody wants that, because I will give him extra time for this. Okay?

THE WITNESS: Understood.

THE COURT: Thank you.

BY MR. LANG:

Q Okay. So you were involved in the transaction in which CDMC FAD, LLC acquired 100 percent ownership interest in Charitable DAF Fund, LP in or around March of 2025, correct?

A Correct.

Q Who did CDMC FAD, LLC obtain its interests in Charitable DAF Fund, LP from in March of 2025?

A From an -- from an entity called Charitable DAF Holdco, Ltd.

Q Charitable DAF Holdco, Ltd., the entity that I asked about earlier, correct?

A Of the same name.

Q Yes. And Charitable DAF Holdco, Ltd. has had Joint Liquidated -- Liquidators, Joint Official Liquidators appointed over it in the Cayman Islands, correct?

A Yes.

Q And those Joint Official Liquidators were appointed over Charitable DAF Holdco, Limited in or around May 6th, 2025?

A In May is what I recall.

MR. LANG: Your Honor, we'll pass the witness.

THE COURT: All right. Do we have any questions?

MR. YORK: No questions, Your Honor.

THE COURT: Okay. Any cross?

MR. MORRIS: Just briefly, Your Honor.

CROSS-EXAMINATION

BY MR. MORRIS:

Q Mr. Patrick, do you know who initiated the proceedings to get the appointment of the Joint Official Liquidators in the Cayman Islands?

A The director and myself, we initially filed for a voluntary joint liquidation in May.

Q And did there come a time when the Cayman court appointed the Joint Official Liquidators?

A Yes.

Q Do you know who asked the court to appoint the Joint Official Liquidators?

A We did, as well as other -- it was an agreement with the participation holders of that entity.

Q And who are the participation holders of that entity?

A It was the DFW Charitable Foundation as a 51 percent holder as well as the Highland Dallas Foundation, Highland Santa Barbara Foundation, and the Highland Kansas City Foundation.

Q And those three foundations that you just mentioned, do you know who controls them?

A Jim Dondero.

Q Is it your understanding that Mr. Dondero was funding the litigation in the Cayman Islands?

A Yes.
Q The Joint Official Liquidators, are you aware of any statement that they've ever made that you are not authorized to act on behalf of any of the HMIT entities?
A Yeah, they've never made a statement that I'm not authorized to act under any of those entities.
Q Okay. Did you receive a letter last night that was purportedly authored by the Joint Official Liquidators?
A Yes.
Q Did you review that letter?
A Yes.
Q Did that letter refer to today's hearing?
A Yes.
Q Are you aware of the Joint Official Liquidators making any appearance in this proceeding?
A No, I'm not aware they made any appearance in this proceeding.
Q Based on your recollection of the contents of that letter, did the Joint Official Liquidators challenge your authority to enter into the settlement agreement on behalf of the HMIT entities?
A No, they did not, because there's no ownership interest.
Q Okay. And what do you mean by that?
A The entity in liquidation owns nothing. And the DFW Charitable Foundation is the ultimate beneficial owner.

Q Are you aware that The Dallas Foundation filed an objection to the settlement agreement on behalf of Empower Dallas Foundation, the Okada Family Foundation, and Crown Global?

A Yes.

Q Are you aware that that objection was withdrawn?

A Yes.

Q Was the withdrawal of that objection the product of negotiations that your counsel had with lawyers for The Dallas Foundation and Crown Global?

A Yes, it was.

Q Did The Dallas Foundation or Crown Global require you to surrender your control position of the HMIT entities as a condition to the withdrawal of their objection?

A To give up my control? No.

Q They didn't ask you to do that, did they?

A No. No.

Q You are the control person for each of the HMIT entities that are party to the settlement agreement, correct?

A That is correct.

Q Are you aware of any requirement in any of the governance documents --

MR. CURRY: Your Honor, I'm not questioning, but I'm going to object to the line of questioning here about what was asked and what was not received into negotiations, because,

frankly, you're getting an imperfect picture there. And I don't think it should be misrepresented. The communications didn't happen with Mr. Patrick.

THE COURT: Okay. I don't know if that objection was a confidential settlement communications.

MR. CURRY: It's a combination of foundation and that he's going into confidential settlement discussions.

MR. MORRIS: Your Honor, it's a very simple question. I'll ask it again.

THE COURT: Okay. We'll let --

BY MR. MORRIS:

Q To the best of best of your knowledge, Mr. Patrick, did The Dallas Foundation or any of the entities on whose behalf it filed its objection require you to surrender your position as the control person of the HMIT entities in exchange for the withdrawal of their objection?

A No, they did not.

Q Thank you. Are you aware -- are you familiar with the governance documents for the HMIT entities?

A Yes, I am.

Q Are you aware of any restriction on your ability to act on behalf of those HMIT entities with respect to -- withdrawn. Are you required to obtain the consent of anyone in order to enter into the settlement agreement on behalf of the HMIT entities?

A No, I am not. I'm the sole authority and control person for that entity.
Q And do you believe that you're entering into the settlement agreement on behalf of the HMIT entities in good faith?
A Yes, I do.
Q Have you received legal counsel before entering into the agreement?
A Yes, I have.
Q Do you believe that you've negotiated the best terms that you could get on behalf of the HMIT entities?
A Yes, I do.
Q Do you believe that you received the information that you believed you required in order to make an informed decision before you entered into the settlement agreement on behalf of the HMIT entities?
A Yes, I did.

MR. MORRIS: I have no further questions, Your Honor.

THE COURT: All right. Mr. Phillips, anything from you?

MR. PHILLIPS: No questions.

THE COURT: Okay. Any redirect?

MR. LANG: Briefly.

THE COURT: Uh-huh.

MR. LANG: Your Honor, because they mentioned the

letter of last night from Grant Thornton, the Liquidators, I'm going to offer that into evidence as the letter that we talked about this morning. But Mr. Morris directly asked him if he reviewed it and asked him questions about it.

THE COURT: Response?

MR. MORRIS: No objection, Your Honor. Go right ahead.

THE COURT: I'll admit it.

MR. LANG: This is --

THE COURT: Do I have it in my notebook?

MR. LANG: -- Dugaboy --

THE COURT: Okay.

REDIRECT EXAMINATION

BY MR. LANG:

Q Mr. Patrick, I've handed you --

THE COURT: We're going to call this Dugaboy 3?

MR. LANG: Dugaboy 3.

THE COURT: Okay.

(Dugaboy Investment Trust's Exhibit 3 is admitted into evidence.)

BY MR. LANG:

Q Mr. Patrick, I've handed you a letter. It's from Grant Thornton dated June 24th, 2025. Do you see that?

A Yes.

Q And is this a true and correct copy of the letter that you

received or that you reviewed from the Joint Liquidators that you referred to in your answers to Mr. Morris' questions?

A Well, it's a PDF. I mean, I'm assuming it's from the Official Liquidators.

Q But this is the letter you were referring to in your testimony a few minutes ago?

A Yes.

Q And do you see on the second paragraph it says that, on May 6th, 2025, the Grand Court of Cayman Islands Financial Services Division appointed Margot MacInnis and Sandipan Bhowmik, each of Grant Thornton Special Services (Cayman) Limited, as the Joint Official Liquidators of the company. Do you see that?

A Yes.

Q And do you see on the second page, it says: Since our appointment, we have been diligently investigating these transactions, including a corporate transaction that occurred in or around December 2024 where the company transferred a hundred percent of its interest in the Fund to CDMC FAD, LLC, which resulted in the company being the sole member of CDM and subsequent redemptions of the company's interests in CDM.

Do you see that?

A Yes.

Q Is that your understanding of what is happening in the Caymans right now, is investigating these transactions?

A Correct.

MR. LANG: Pass the witness.

MR. MORRIS: May I just have that letter, please?

THE COURT: Any recross?

MR. MORRIS: Yeah, just real brief.

RECROSS-EXAMINATION

BY MR. MORRIS:

Q None of the transactions that you were just asked about has anything to do with any of the HMIT entities, correct?

A That's absolutely correct.

Q Okay. And now that we have the letter in the record, if you could look at the third paragraph. Do you see --

A Yeah.

Q Do you see it refers to the Highland Dallas Foundation, Highland Santa Barbara Foundation, and Highland Kansas City Foundation?

A Yes.

Q Are those the three entities that you referred to earlier that are, to the best of your understanding, controlled by Mr. Dondero?

A Yes.

Q Okay. And this is the letter that you said you reviewed and concluded that the Joint Official Liquidators weren't challenging your authority to enter into the agreement on behalf of the HMIT entities; do I have that right?

A Yes. Yes, you do.

MR. MORRIS: I have no further questions, Your Honor.

THE COURT: Okay. I have a question or two.

EXAMINATION BY THE COURT

THE COURT: And again, I apologize if I sounded harsh earlier. I recognize different people present different ways when they testify. It just appeared to me that maybe we were slowing things down unnecessarily. All right?

THE WITNESS: I apologize, too. I'm just a little emotionally upset they're using this proceeding for a benefit someplace else.

THE COURT: Okay. My question, very general question: Do you think this settlement is fair and equitable as far as HMIT is concerned?

THE WITNESS: Absolutely.

THE COURT: And could you tell me why?

THE WITNESS: Yeah. There was no obvious pathway for HMIT to, in my mind, to receive the residual interest of the bankruptcy estate without a settlement with the Debtor. Otherwise, it just seemed to me that it would go on forever. And then I balanced that against the existing litigation and the probability of the outcome weighted against the costs, and determined that it made sense from HMIT's perspective to enter into the settlement agreement.

THE COURT: Okay. And you understand that, as part

of this, you're giving up some litigation claims that have been waged now for a couple of years or more?

THE WITNESS: That is correct, but I'm also receiving the Kirschner Litigation, which I did negotiate to receive.

THE COURT: Okay. And there was a note that the estate -- I've heard it called at some point the $57 million note that HMIT owed Highland, a December 2015 note -- that basically gets credited against the capital account. You understand that?

THE WITNESS: Yes, I do.

THE COURT: Okay. And then you understand that if I approve this deal, I'm not sure why there's going to be $500,000 to HMIT and then also another $10 million to HMIT, but subsequent payments could get held up if there are litigation threats to the Highland Claimant Trust. You understand that, correct?

THE WITNESS: Yes, I do.

THE COURT: Okay. I just, I have to ask. I'm confused about what's going on here. I thought that -- well, let me just ask this: Would you consider yourself crossways with Mr. Dondero now?

THE WITNESS: No, but I'll answer the question. Upon advice of counsel, I quit Skyview Group. And upon advice of counsel, I terminated the back office services that Skyview Group was providing to the DAF.

THE COURT: Okay. Well, you said you're getting maybe a little emotional because of other litigation. I'm just trying -- I don't understand what all that other --

THE WITNESS: Unrelated -- well, unrelated to that. They're clearly trying to use this forum to benefit their Cayman actions. They hired U.S. counsel called Reed Smith, and they've been begging for an organization chart to issue a variety of frivolous lawsuits against the operating DAF entities. So I do apologize, but that's a little upsetting to me because I know we're going to -- that I've just fed them a list of targets in another unrelated matter.

THE COURT: Okay. Reed Smith. Here we go again with -- they've made an appearance for Mr. Seery in this litigation.

MR. MORRIS: Exactly. And we have raised that issue.

THE COURT: Okay.

MR. MORRIS: And I'm surprised to hear that they think they still have the ability to do this. But we will pursue that later.

THE COURT: Okay. All right. I had nothing further. Thank you, Mr. Patrick.

(The witness steps down.)

THE COURT: All right. So where are we now? I said that, again, just trying to balance the playing field, if Dugaboy was given the ability to question Mr. Patrick, then I

would allow I guess you want to call it rebuttal in the form of the Debtor, Reorganized Debtor/Claimant to call Mr. Dondero. Do you choose to call him?

MR. MORRIS: I'm not.

THE COURT: Oh, and I guess I'll allow you, --

MR. MORRIS: Yeah.

THE COURT: -- if you want to put on your client representative, Mr. Lang.

MR. LANG: We call Jim Dondero.

THE COURT: All right. Yes, we are timing.

Please raise your right hand, sir, Mr. Dondero.

JAMES "JIM" DONDERO, DUGABOY INVESTMENT TRUST'S WITNESS, SWORN

THE COURT: All right. Thank you. The time is running.

THE WITNESS: Thank you for the time.

DIRECT EXAMINATION

BY MR. LANG:

Q Mr. Dondero, do you claim that Mr. Patrick lost authority to enter into the 9019 settlement -- or, the settlement agreement that's the subject of the 9019 motion today?

A Yes.

Q And when do you claim Mr. Patrick lost authority to enter into that settlement agreement?

A I think it's best if I give a timeline. He left Sky -- can I give a --

MR. PHILLIPS: Objection, Your Honor. Nonresponsive.

THE COURT: Overruled. He can give a timeline.

THE WITNESS: He left Skyview in October, November, walked out the door, never talked to anybody again, never talked to the charities again except through counsel. Never collected severance, anything else. Just walked out the door.

As part of Skyview's review of what he'd been working on and what was the nature and what might have been happening, they discovered numerous abnormalities. They discovered--

THE COURT: Do we have an objection?

MR. MORRIS: We do. We're not going to use this opportunity to smear Mr. Patrick. If the notion is that the breach of the ability to act with authority occurred in May, he should start his timeline in May.

THE COURT: Well, I assumed he was just giving background to explain.

THE WITNESS: Yes.

THE COURT: So I'll overrule.

THE WITNESS: Thank you. I'm going to just give you a little bit of background. Everything that I'm stating is in the public record. I won't do anything to besmirch Mark Patrick. It's all in the public record. It's all in the Cayman pleadings. But there was affidavits regarding embezzlements by vendors where he would request overbilling and the money sent to his house.

MR. PHILLIPS: Your Honor, we're talking about documents outside the scope, not identified, not listed. Objection.

THE WITNESS: It's all --

MR. PHILLIPS: This is not a timeline.

THE COURT: This --

THE WITNESS: It's --

THE COURT: Sustained. We don't have anything in the record. This is --

THE WITNESS: Okay. It's all in the public arena. And so is the insider trading.

MR. PHILLIPS: Objection, Your Honor.

THE WITNESS: So, --

THE COURT: Okay. I sustain.

THE WITNESS: Okay. All right.

And then, yeah, and then there was monies missing. There were large amounts of monies missing from the estate. There was unexplained $16 million of expenses in '23.

MR. PHILLIPS: Objection, Your Honor. They're --

THE COURT: Okay. Explain the relevance, Mr. Lang.

MR. LANG: I thought he was just giving a background.

THE COURT: It's getting rather --

THE WITNESS: Okay, Your Honor. Well, --

THE COURT: -- colorful, shall we say. All right?

THE WITNESS: Okay. Without giving specifics

regarding the embezzlement or --

MR. PHILLIPS: Your Honor?

MR. MORRIS: We move to strike, Your Honor.

MR. PHILLIPS: We move to strike all of this.

MR. MORRIS: We move to strike all of this.

THE COURT: Okay. I grant. We don't have any evidence of embezzlement.

THE WITNESS: Okay. All right. Without detailing any of the bad acts that we -- that it looked like happened from the investigation, we took all the bad acts and all the investigations and we gave them to the three underlying charities. Let's remember the DAF is a legacy charity I set up 15 years ago, or actually, Mark Patrick did the documentation back when he was a loyal employee. And it was three -- around $300 million and about $600 million of liability, I mean, legal claims and other things that were meant to be a family legacy, where the donations would help the community. We've given out more than $50 million over the years. And the recognition would help our various companies or our families. That's what it was. Okay?

Went to the three underlying charities who were the beneficiaries of the DAF as it existed: Santa Barbara, Dallas Foundation, Kansas City. These are large charities that have been around for a hundred years. I don't control them by any form or fashion. As a matter of fact, the Hunts are $4

billion out of the $6 billion in Kansas City. I think I'm a hundred million or whatever. The DAF was a hundred million. I think the Hunts would be disturbed to hear that I control it.

Anyway, so all those charities were beneficiaries. And so we went to them with all the investigative results. And at first, they tried to verify, they tried to have an audience with Mark Patrick. They wanted details. They wanted what -- financials. They wanted to know what was happening. And nothing was forthcoming from Mark Patrick. He didn't think he owed them any fiduciary responsibilities.

MR. PHILLIPS: Objection. Hearsay.

THE WITNESS: No, that's --

THE COURT: What is the out-of-court statement? I'm not sure.

MR. MORRIS: Mark Patrick thinks that he doesn't owe any fiduciary duties.

MR. PHILLIPS: They did an investigation. They tried to do *x*. They tried to do *y*.

THE COURT: Oh, okay. Technically not hearsay, but I think we're getting --

THE WITNESS: Okay.

THE COURT: -- a little far beyond the subject matter. So if we could reign it in, please.

THE WITNESS: Okay. In February, they were noted,

they were notified, or, in particular, Dallas Foundation was notified that their Empower subsidiary, which owned a hundred percent of the HMIT interests that we were talking about, was transferred to an undisclosed company for a million dollars. Without any transparency, without any understanding of who the new owner was, they filed for receivership in Cayman. To the best of the charity's knowledge and based on all the documentation --

MR. PHILLIPS: Your Honor, objection.

THE COURT: Okay. Let me try to understand the relevance. Do you think I opened this up by asking if there was a falling out essentially between you and Patrick? Is that why you're going into this? Or --

THE WITNESS: No, no, no. No. The falling-out is much bigger than this. But I'm just saying the day receivership was filed was the day Mark Patrick lost authority. And I think anybody would look at it that way. It was for liquidation in the Cayman --

THE COURT: Okay. That's his view and we'll either see the --

THE WITNESS: Okay.

THE COURT: -- documents that support that or not.

THE WITNESS: All right. So, your -- yes. Because the question was when do I think he lost authority. I -- you could make the argument he lost it a lot sooner, because for

months beforehand the charities had written him letters saying they wanted their assets distributed in kind, they lost faith in --

THE COURT: Okay.

THE WITNESS: Yeah.

MR. PHILLIPS: Again, Your Honor, objection.

THE COURT: This is hearsay. Okay. I sustain.

THE WITNESS: Okay. Well, they did.

So, eventually, and it takes a lot to get four little old ladies at different charities to get together and agree to file a charity in liquidation, but they did in the Caymans. Okay? And then lo and behold, the response from Mark Patrick was, ha-ha, there are no assets there anymore, I moved them all to my living room --

MR. PHILLIPS: Move to strike, Your Honor.

THE WITNESS: -- at DFW.

MR. PHILLIPS: There's no evidence in the record of this. There was no evidence of any statement. Move to strike.

THE COURT: There's not, right?

THE WITNESS: Well, no, there is, because what Mark Patrick --

THE COURT: Sustained. I don't have it.

MR. PHILLIPS: Your Honor, there is no evidence of any of this.

THE WITNESS: Well, Mark Patrick's testimony, he said -- he said that our receivership was right after his receivership. He had liquidated and taken all the assets out from Dallas, Santa Barbara, and whatever, and moved it all to his charity. So when we tried -- when the poor charities in Texas in the U.S. tried to file for liquidation, his response was ha-ha. And there were no assets there, you know, because he had already filed --

MR. PHILLIPS: Objection.

THE WITNESS: He -- he --

THE COURT: Okay, I've sustained the objection to the ha-ha. Okay.

THE WITNESS: Okay. But he had, he had filed --

MR. PHILLIPS: Your Honor, please, move to strike.

THE COURT: Okay. Let's strike everything after that last question. Ask your next question.

MR. LANG: I don't remember what the first question was.

BY MR. LANG:

Q What happened -- or, what's your understanding of the proceedings in the Caymans?

MR. PHILLIPS: Your Honor, objection. Form. Understanding of the proceedings in the Caymans?

MR. LANG: His understanding is, I mean, his understanding. What's his endgame?

THE COURT: All right. I sustain.

MR. LANG: Okay.

THE WITNESS: The Cayman Islands --

MR. PHILLIPS: Your Honor?

MR. LANG: Hold --

THE COURT: I sustained, so --

THE WITNESS: Oh, sustained. Sorry. Okay.

BY MR. LANG:

Q What is your endgame with respect to your objection over the authority of Mr. Patrick to enter into the settlement agreement that is subject of the 9019?

A The three charities in the U.S. are affected materially. Dallas Foundation can't make payroll as of October. Dallas Foundation --

MR. PHILLIPS: Your Honor, I'll object to this testimony. The Dallas Foundation has withdrawn its objection on behalf of -- Dallas Foundation appearing on behalf of Empower, the Okada Family Foundation, and Crown Global. The Dallas Foundation is no longer a party here and did not even object in its -- an individual capacity. Object.

THE COURT: I sustain the objection. They had an objection. They withdrew it.

Moreover, as I announced early on today, I was really questioning their standing to weigh in.

So in light of all of that, I'm not going to allow

testimony regarding the impact there has been on Dallas Foundation as a result of something Mark Patrick may have done. Okay?

THE WITNESS: Okay. I can answer it differently.

THE COURT: Well, wait for your question. Okay.

BY MR. LANG:

Q Well, what -- what is the --

A What is my goal?

Q Well, yes, what is your goal?

THE COURT: Okay. Yes. Why are you objecting? Why is Dugaboy objecting? How about that?

MR. LANG: Safely.

THE WITNESS: Safely. Without stating where the assets are or might be, they are not with the three charities they were with a year ago. They have zero. And I would like to get those assets back.

(Pause.)

THE COURT: Okay. Go ahead. I have a couple of questions, but maybe you'll hit on them.

MR. LANG: Oh.

BY MR. LANG:

Q Mr. Dondero, are you asking the Court to -- are you objecting to the settlement agreement that is the subject of the 9019, asking the Court to allow the Joint Liquidators in the Caymans to weigh in on the settlement agreement?

A Yes. Or described a little differently, there's no irreparable harm --

MR. PHILLIPS: Objection. Nonresponsive.

BY MR. LANG:

Q Well, let me ask you this: Are you asking --

THE COURT: Let him answer.

MR. LANG: Yes.

THE COURT: Go ahead and answer.

BY MR. LANG:

Q Go ahead.

A There's no irreparable harm for a bit of delay to get to the bottom of where the assets are and what bad deeds have occurred.

Q Is that the reason why you're objecting, is to delay this for 45 days or so?

A Well, I believe the HMIT million-dollar transaction in February was a steal. I believe it was a stolen asset that he -- Mark Patrick's trying to monetize. And I don't believe it's monetized at nearly its fair value. And so I believe that it needs to be reviewed.

Q Are you asking the Court to -- are you objecting simply to allow the Liquidators in the Caymans time to review this transaction and the settlement agreement?

A Yes. There needs to be more time.

Q Okay.

MR. LANG: I'll pass the witness.

THE COURT: All right. Cross?

CROSS-EXAMINATION

BY MR. MORRIS:

Q Good afternoon, Mr. Dondero.

A How's it going?

Q Okay. You referred to the three underlying charities as being The Dallas Foundation, The Highland Santa Barbara Foundation, and The Highland Kansas City Foundation. Do I have that right?

A The three are The Dallas Foundation, Santa Barbara, Kansas City. There's a holding company or there's an entity below it, below each one that I'm on the board of, but it's separate and distinct from the overall charity.

Q Okay. But the ones that are separate and distinct that have the Highland name, --

A Yes.

Q -- those are the ones that you control, correct?

A No. I'm on the board. There's three or four people on the board.

Q Okay. But --

A But we don't control. Otherwise, you know, we would have not recommended the settlement.

Q Does the Hunt family make their contributions to The Dallas Foundation, The Santa Barbara Foundation, and The

Kansas City Foundation, or do they make them to The Highland Dallas Foundation, The Highland Santa Barbara Foundation, and The Highland Kansas City Foundation?

A Most families do it through DAF, so they probably have their own -- they're just involved with Kansas City, as far as I know. I don't know if they're involved in any of these others. But they probably have a Hunt Kansas City.

Q But the ones with the Highland name are the ones who initiated the proceeding in the Cayman Islands to get the Joint Official Liquidators appointed over this entity down there, right?

A Yes, I believe so.

Q And you personally funded that litigation, correct?

A The charities can't make payroll.

Q And the charities, did you tell the charities what's happening here?

A Yes. They're aware.

Q When did you tell the charities what's happening here?

A They've known it for weeks.

Q And they haven't filed any objection in this court, correct?

A They thought it was best for Dallas to file it.

Q And Dallas settled; isn't that right?

A To the surprise of all the other charities.

Q Okay. So today, there's actually no charity who is

objecting to the settlement agreement, correct?
A Because it was -- she got bludgeoned in depositions over the weekend and it happened last night and nobody was aware of it.
Q I didn't bludgeon anybody.
A Well, --
Q I don't bludgeon people.
A She switched course after a Sunday full-day deposition or half-day deposition.
Q Okay. So the charities that you speak of aren't objecting, correct?
A Well, if we had more time. We only had six hours' notice that Dallas fell away. I think they probably would object.
Q And you say -- you began to have concerns about Mark Patrick going all the way back to 2023, right?
A 2023? A little bit, yeah.
Q And then you had real concerns in 2024, right?
A Yeah. I mean, he's an odd duck, but he was really odd towards the end.
Q Did you file a declara... is one of those public documents you mentioned in the Cayman Islands, that's your affidavit, right?
A I believe so.
Q Do you want to grab Binder 3 of 3?
A Sure.

Q And turn to Exhibit 119?
A Yes.
Q Okay. And this is the declara... this is the affidavit that you filed in the Cayman Islands?
A Yes.
Q And if you turn to Page 4, in Paragraph 25 you begin to recite events concerning Mark Patrick that concerned you, correct?
A Yes. I'm glad you're bringing this into evidence.
Q Yes. And in the two years since you started having concerns, has anybody sued Mark Patrick for breach of fiduciary duty?
A No.
Q Have you recommended to any of these charities: Mark Patrick is doing wrong, let's go sue him?
A We were unaware on 90 percent of it until he left.
Q You were aware of everything that's in your declaration. It says in 2023, you have notice of these emails. Right? And you did an investigation in 2024, correct?
A Yes. But it took a while to get the affidavits from third parties.
Q You had the whole investigation done in 2024 and nobody sued Mark Patrick, right?
A We didn't sue him. Correct.
Q You're just mad that you lost control. Isn't that right?

A No.
Q Turn to Paragraph 33, please. You accuse Mr. Patrick of misusing material nonpublic inside information. Is that right?
A Yes.
Q What material nonpublic inside information did he abuse?
A I wasn't involved in the specifics. My understanding is that he had an awareness of a tender or some financial transaction and then was providing inside information to attorneys and then had them do something. But I don't -- I don't know the specifics.
Q Sir, under oath, in this affidavit that you submitted to the Cayman Islands, you accuse Mark Patrick of obtaining and abusing material nonpublic inside information. Can you just tell Judge Jernigan what you had in mind?
A Whatever it says I have in mind. I'm just saying I didn't remember the specifics. I can read it, though, if you'd like me to read it.
Q Well, was it something about a put option?
A Yes.
Q Did he tell The Dallas Foundation that it had a put option? Does that refresh your recollection?
A I don't remember the details.
Q Do you remember who the counterparty was to the put option?

A Counterparty. One of the mutual funds.
Q Does it refresh your recollection that it was the Dugaboy?
A No.
Q Do you remember, sir?
A I don't remember.
Q I'm going to try. I'm going to try and refresh your recollection. Do you remember that Mark Patrick suggested to The Dallas Foundation that it could recover millions of dollars if it simply exercised the put option with Dugaboy?
A My recollection is it was a mutual fund, and it wasn't millions of dollars, but it would disrupt the transaction that was already in place. That's my recollection.
Q Okay.
A And I don't see Dugaboy anywhere in here, by the way.
Q I know. I was wondering if you could just -- I asked you, but it doesn't sound like you know specifically what the material nonpublic --
A Well, --
Q -- inside information is that you accused Mr. Patrick of abusing at that time.
A I know it's been reported. We can get you the details.
Q Okay. You, in fact, acted on behalf of HMIT, didn't you?
A Who is HMIT?
Q Apologies. You personally -- there's no question in your mind that Mark Patrick is the Administrator at HMIT, correct?

A I'm sorry, I'm drawing a blank on HMIT. What is HMIT?
Q I apologize. Hunter Mountain Investment Trust.
A Oh. Okay.
Q I'm calling it HMIT.
A Okay. All right. Sorry.
Q I probably not saying it clearly. I apologize. H-M-I-T. HMIT, that's what I call it. Is there something better that you prefer?
A No, that's fine. Yeah.
Q Okay. So HMIT. Mark Patrick is the Administrator at HMIT, right?
A I believe his status, his dirty hands, I believe he's trying to monetize a stolen asset.
MR. PHILLIPS: Objection, Your Honor. Nonresponsive.
THE COURT: Sustained.
THE WITNESS: No, I -- I saw it. I don't agree --
MR. PHILLIPS: Objection, Your Honor.
THE COURT: Sustained.
MR. PHILLIPS: Move to strike.
THE COURT: Granted.
THE WITNESS: I do not agree.
BY MR. MORRIS:
Q Okay. Has he -- he was at one time the Administrator. You would agree with that, right?
A Yes.

Q And did he stop becoming the Administrator in your mind when the Joint Official Liquidators were appointed?
A Yes. I believe.
Q Okay. So, in your mind, that's when it happened?
Can you describe for the Court the relationship between the entity in the Cayman Islands and HMIT?
A The entity in the Cayman Island, as far as we knew, was the org structure that all the assets were either in or controlled by in the organizational structure before all the HGEQ things that you went over earlier with Mark Patrick.
Q Okay. I'm not asking -- it's my fault. Do you believe the entity in the Cayman Islands controls HMIT?
A HMIT was one of the assets that were owned by the charities until it was moved for a million dollar to who know who.
Q And do you know how many layers there are between the Cayman Islands entity and HMIT?
A I do not.
Q Is it fair to -- in your view, do you believe that the Cayman Islands entity had a direct -- withdrawn. Do you believe that the Cayman Islands entity had an indirect ownership interest in HMIT?
A We believed it was direct.
Q Direct. So it was the owner?
A Well, it was -- it was the direct before it got moved in

February.
Q Hasn't Beacon always been the owner of -- the beneficial owner of HMIT?
A Then it was Beacon that was moved. There was -- charities were notified in February that, for $1 million, the HMIT was sold to an undisclosed, unknown person.
Q Do you believe that the entity in the Cayman Islands ever had the ability to control Hunter Mountain Investment Trust?
A Yeah. It was an asset in the portfolio.
Q And do you believe that that gives it the right to control HMIT?
A Yes. I think the Liquidators will prove that. I think they can go back in time on bad acts and bad behavior and they can regroup assets to their rightful owners.
Q So your concern here is not with corporate authority, it's with the bad acts. Is that fair?
A Well, no. I think you lose your corporate authority when you're fiducially irresponsible or commit corporate crimes.
Q Okay. But you've never -- you've never brought a lawsuit accusing him of that. Fair?
A I think you'll see a litany of stuff come out of the Cayman Islands.
MR. PHILLIPS: Objection. Nonresponsive.
MR. MORRIS: I'm sure we might someday.
THE COURT: Sustained.

THE WITNESS: Yeah. But, no. But I have not, no.
BY MR. MORRIS:
Q Yeah. But you personally, have you ever been the Administrator of Hunter Mountain Investment Trust?
A Not that I'm aware of.
Q Have you ever had any role whatsoever with respect to the Hunter Mountain Investment Trust?
A Not that I -- not that I recall.
Q Okay. Do you recall last December we were here on some litigation concerning HCLOM's scheduled claim?
A You have to give me more of a clue.
Q Remember HCLOM had that $10 million scheduled claim and Highland had filed a bad faith motion and we were all here in court and we wound up settling that matter and HCLOM got a Class 10 interest for $10 million?
A Yes, I vaguely remember that.
Q Okay. And you were here and you were representing HCLOM, right?
A Okay. I don't remember specifics, but, yes, go ahead.
Q Okay. And do you recall that Highland required Hunter Mountain Investment Trust's consent as part of the transaction?
A Vaguely.
Q And you personally authorized that consent back in December, didn't you?

A No.
Q Who did?
A Whoever would have spoke for HMIT at the time.
Q Okay. Let's take a look at Exhibit 68, please.
A So, Binder 2?
Q Yes, please.
A Sorry, this says Pat Daugherty. This is 1 of 3. This one. Okay. Did you say 68?
Q Yes.
A It's not in here, either. 68.
Q So you see that's an order of the Court?
A Yes.
Q And this resolves HCLOM's claim? Take your time.
A I'll leave it in case someone else needs it. Okay.
Q And do you see on the last page of the document there's an electronic signature by Deborah Deitsch-Perez at the Stinson firm as counsel for Hunter Mountain Investment Trust and Dugaboy Investment Trust? Do you see that?
A I'm sorry. I went to the very last page with Mark and I. Is there another page? Oh, okay. Yes. Okay.
Q So you see Stinson has signed both on behalf of you personally and HCLOM, and at the bottom, Stinson and Ms. Deitsch-Perez has also signed on behalf of Hunter Mountain Investment Trust and the Dugaboy Investment Trust? Do you see that?

A Yes. But then it's separate on 69, right?
Q Yeah. We're just looking at 68.
A Okay.
Q Do you know who authorized Ms. Deitsch-Perez to sign her name and tell the Court that the Dugaboy Investment Trust had approved this form of order both as to form and substance? Who acted on behalf of Dugaboy?
A I have no idea. I hope she keeps it straight when she's signing stuff.
Q Well, on whose behalf are you here today?
A Dugaboy's.
Q And are you a representative of Dugaboy?
A Representative? I'm primary beneficiary until I pass.
Q And who's the trustee of Dugaboy?
A I believe it's my sister at the moment.
Q Does she know you're here today testifying on behalf of Dugaboy?
A She knows I'm in court. I didn't -- I wasn't specific.
Q Did you talk to her about the Dugaboy -- does she -- does she even know about the Dugaboy objection?
A I don't know.
Q Okay. So how about Hunter Mountain Investment Trust? Do you know who authorized Ms. Deitsch-Perez to sign this document on behalf of Hunter Mountain Investment Trust?
A When was this? In December or January?

Q Yeah.
A I'm assuming -- I'm assuming Mark Patrick.
Q Late December.
A I'm assuming Mark Patrick. But I don't know.
Q Did you hear about a week later that Mr. Phillips called your lawyer and accused her of signing this document without authority from Hunter Mountain Investment Trust's authorized representative, Mr. Patrick?
A In hindsight, he's been in on it for a while, so --
Q What do you mean, he's been in on it for a while?
A I think he knows the plan Mark Patrick's been putting in place for quite a while.
Q But this document was signed without his knowledge or consent; isn't that right?
A I don't know.
Q And you had to sign a new agreement with Mark Patrick as the authorized representative of HMIT. Didn't you do that, sir?
A I don't know.
Q Okay. Let's take a look at guess I guess probably Exhibit 69. So this is an intercreditor and participation agreement. Do you see that?
A Yes.
Q And it's dated January 10th, 2025, correct?
A Yes.

Q And even though you -- even though Skyview had completed this investigation in which it was alleged that Mr. Patrick misused material nonpublic inside information and he had terminated his relationship with Skyview, you still entered into this agreement with him as the authorized representative of HMIT, correct?

A Those were different work streams, you know, so they were -- but yes.

MR. PHILLIPS: Objection. Nonresponsive.

THE COURT: Sustained.

BY MR. MORRIS:

Q That is -- that is your signature on the last page, correct?

A Yeah. I mean, --

Q It's a simple question. That's your signature, right?

A Yes.

Q And you understood that you were signing an agreement with Mark Patrick, correct?

A Yes.

Q And you signed this agreement in order to avoid Mr. Phillips filing a motion in this court for reconsideration of an order that she signed not knowing that Hunter Mountain had given its consent without authority. Isn't that right?

A No, I had no -- none of that --

Q So what's your memory? Why do you think you entered into

this agreement?
A Because the lawyers put it in front of me as a finished product from what had been going on recently.
Q And you had no understanding of what it was?
A Not with the innuendo and agenda that you were describing. No. I mean, I just -- I knew what it generally involved. That's it.
Q But you would agree with me that you entered into an agreement knowing that Mark Patrick was signing on behalf of Hunter Mountain, correct?
A Yes.
Q I mean, it's right below your name, right?
A Yes.
Q You couldn't have missed it.
A Yes. That part, I'll agree with.
Q Okay. And you signed the agreement with Mark acting as the authorized agent and representative of Hunter Mountain, notwithstanding all of the bad acts that you supposedly were aware of at the time. Correct?
A Object to aware of at the time. They were all coming together in parallel work paths.
THE COURT: Okay.
MR. PHILLIPS: Object. Nonresponsive.
THE COURT: Sustained. Like I told Mr. Patrick, the witness does not get to object.

THE WITNESS: Okay.

BY MR. MORRIS:

Q And just to close the loop, Mr. Dondero, you fully funded The Dallas Foundation's objection, correct?

A And I made additional donations so that they could pursue bad actors and get their money back.

Q You funded the litigation so that The Dallas Foundation could pursue their objection, correct?

A I made additional donations so that they could get some assets back so that they could be a charity again and make donations.

Q Do you get a tax deduction for that donation?

A Yes.

Q Okay. That's nice.

Let's just finish up with the Joint Official Liquidators. Have you spoken to them?

A I do not believe so.

Q Has anybody acting on your behalf spoken with the Joint Official Liquidators?

A I don't know. I think the Joint Official Liquidators are an accounting firm. I think they're Grant Thornton. I think people have spoken to the attorneys down there, but I don't know -- I haven't spoken to Grant Thornton and I don't know if anybody else has.

Q Okay. Did you see the letter that your counsel marked as

the exhibit, the one that was sent last night?
A I've not heard it -- I've not read it, but I've heard you guys read it today.
Q Yeah. Are you aware of the Joint Official Liquidators saying at any time that they didn't believe Mark Patrick had the authority to enter into the settlement agreement on behalf of the HMIT entities?
A I have not.
Q Okay.
MR. MORRIS: No further questions, Your Honor.
THE COURT: All right. Mr. Phillips?
MR. PHILLIPS: Yeah.
THE COURT: Wait. What are we at timewise?
THE CLERK: So their 30 minutes is over. If you intended to give them 30 minutes for Patrick and --
THE COURT: Yes. Yes. They collectively got 30 minutes.
THE CLERK: For both of those --
THE COURT: Yes.
THE CLERK: -- witnesses. Okay. Yes, they're out.
THE COURT: How much did Mr. Morris use?
THE CLERK: Well, I don't know. I just was --
THE COURT: No, no, no, no. 30 minutes for each side for each Patrick and Dondero.
MR. MORRIS: About eight minutes.

THE CLERK: Yes. Mr. Morris -- I think Mr. Phillips may have asked one question, but Mr. Morris mostly -- 30 minutes.

THE COURT: No. On this witness, Phillips hadn't gone.

THE CLERK: No, not this witness.

THE COURT: Okay. That's all I care about, this witness.

THE CLERK: I don't know this witness.

THE COURT: Okay. Do you have a question, Mr. Phillips?

THE CLERK: I was doing 30 minutes for the total.

THE COURT: No, no, no, no, no.

MR. PHILLIPS: Your Honor, I can resolve this. I can resolve this. We have no questions.

THE COURT: Okay. Thank you. Where are we? Mr. Lang, any redirect?

MR. LANG: I'm not sure.

THE COURT: Okay.

THE WITNESS: The last one.

MR. PHILLIPS: Your Honor, the witness is telling the lawyer what question to ask.

THE COURT: Okay.

MR. LANG: I believe I've already asked, which is the endgame.

THE COURT: Okay. Just let's move on. Anything else? What was the question?

REDIRECT EXAMINATION

BY MR. LANG:

Q Mr. Dondero, what are you looking to accomplish through this objection?

MR. PHILLIPS: Asked and answered.

THE COURT: Sustained. Sustained. He did. He was asked and answered.

BY MR. LANG:

Q The endgame in general.

MR. PHILLIPS: Asked and answered.

THE COURT: Answered and answered. Move on.

THE WITNESS: No, no. No, I haven't. No, I --

MR. PHILLIPS: Asked and answered. Move to strike.

THE COURT: You asked him this on your direct earlier.

MR. LANG: I did.

THE WITNESS: But, in general, regarding the --

MR. PHILLIPS: Your Honor?

THE WITNESS: Not just this.

THE COURT: Sustained. Ask another question.

MR. LANG: I don't have any more questions.

THE COURT: Okay. I have a question.

EXAMINATION BY THE COURT

THE COURT: Here is something that I want to understand. What I have before me is whether a settlement with Hunter Mountain, a settlement between the Highland entities, the Claimant Trust, the Subtrusts, and the Hunter Mountain entities, seven of them, is fair and equitable, is in the best interest of the estate. If you were the director, the manager, the representative of Hunter Mountain estate, what would your answer be?

THE WITNESS: It's not in the ZIP Code.

THE COURT: It's not in the ZIP Code?

THE WITNESS: Of fair. Yes.

THE COURT: Okay. Why do you think it's not in the ZIP Code of fair?

THE WITNESS: Okay. We filed in Delaware on a $100 million judgment. Pachulski was our counsel. They told us --

THE COURT: I know all this.

THE WITNESS: It just --

THE COURT: I'm talking about the settlement in front of me right now.

THE WITNESS: -- we'd be in and out in three months, right? We got liquidated instead. We got liquidated for over $850 million, which not enough people talk about. Okay? It would've been $950 million if Seery had done a good job, but it was $850 million we got liquidated for. Okay? The POCs were pumped up. People who supposedly had no claim, all of a

sudden, $300 million.

There's $700 million missing or misallocated from the estate. Okay? There was -- all the original creditors, all the original creditors sold 99 percent of their interest for $160 million. The Farallon and Stonehill went to the beach. There was enough money on the balance sheet. Seery could have given them the $160 million and tossed us the keys. Instead, he had relations, deep relations, undisclosed business relationships with Farallon and Stonehill, --

THE COURT: Okay. I do want you to know --

THE WITNESS: No, but --

THE COURT: -- I've read all this many times.

THE WITNESS: Okay. But so -- so these --

THE COURT: I promise I read every piece of paper submitted.

THE WITNESS: Okay. So, so he sold the POCs to them, and it's been -- they've tripled their money in two and a half years. The professional fees have been $300-odd million. There's interrelationships between all the professionals -- Farallon, Stonehill, Grosvenor, the Hellman & Friedman guys, the Millennium guys who took whatever. All this stuff has to come out.

We're on the edge of a giant RICO case eventually. We're -- that's -- we're on the edge of a giant RICO case. And they should not be giving up their rights for $10, $20 million.

It's crazy for them to give up their rights at Dallas Foundation for 10 or 20 million bucks.

There's $700 million missing. All the original creditors sold for $160 million. The estate was sold for over $850 million. Where'd all the money go? Where'd all the money go and why? You know.

We get updates quarterly, once in a while, well, this much went out to this law firm, this much went out to this, whatever, but no one looks at the gross amount and where'd all the money go? And why? Why did it have to -- why did it have to go down like that? Why do we have to fire --

THE COURT: Okay. I know you have an objection.

THE WITNESS: -- all the employees?

THE COURT: This is narrative.

MR. MORRIS: Yeah. And --

THE COURT: I understand all --

MR. MORRIS: -- I'm not going to cross-examine him, but this is -- this is not accurate.

THE COURT: I understand all of these arguments. You know, I --

THE WITNESS: But I'm just --

THE COURT: Your lawyers at least know, if you don't know, that we wrote a 100-plus-page opinion on the motion of Hunter Mountain to sue for all of this. Okay? So I promise I've heard this and looked at it. But right now, Hunter

Mountain, through Mark Patrick, you question his authority, but they are ready to lay down their swords and not pursue that motion for leave to sue based on the claims trading, and --

THE WITNESS: Have you seen all the insider trading, Farallon, Stonehill? Have you seen the trading and claims on insider information? Have you seen all that stuff?

THE COURT: I've seen the allegations but I --

THE WITNESS: Well, why would you release all those people right now before the RICO?

THE COURT: So I -- Dugaboy -- you've been asked what is your goal? Dugaboy a .18 limited partnership interest --

THE WITNESS: Correct.

THE COURT: -- that is subordinated to Hunter Mountain. I'm just trying to understand the scenario where it makes sense to keep fighting for years to come.

THE WITNESS: Well, RICO transcends this, right? I mean, RICO brings everybody in. Until we get --

THE COURT: Okay. You think it's -- and my question, why is this not fair and equitable and in the best interest of the estate, you think it's better to litigate several more years and maybe have a chance, you know, --

THE WITNESS: At $600 mill. At $600 million.

THE COURT: -- Hunter Mountain would have a chance to --

THE WITNESS: $600 million. Yes.

THE COURT: Okay.

THE WITNESS: Versus $20 million now. But you have to remember, it's all part of -- you have to pay attention to this Mark Patrick stuff.

MR. PHILLIPS: Your Honor?

THE COURT: Okay. Yes. I asked my question. I'm trying to understand why Dugaboy, why its position is this is not fair and equitable and in the best interest and in the range of reasonableness. Those are the buzz words that a judge has to focus on.

THE WITNESS: It's not fair to the charities. I still think no one's ever seen --

THE COURT: The charities aren't parties here.

THE WITNESS: Not yet. Give them a little time. They just heard about the settlement yesterday.

THE COURT: Well, isn't that what the Cayman Islands is all about? What I do doesn't necessarily affect what's happening there.

THE WITNESS: Well, no, but you're saying they're not here today. If you delayed this three weeks, they'd be here. It's just a couple --

THE COURT: They were here and they chose to withdraw.

THE WITNESS: One. One. Just one charity. But the

others, if you give them some time, they'll be here.

THE COURT: Okay. Okay. I think you've answered my question, your theory of how this should play out and how you want it to play out. Okay. All right.

THE WITNESS: Thank you.

THE COURT: That's all. Thank you.

THE WITNESS: Thank you for the time.

THE COURT: Uh-huh.

(The witness steps down.)

THE COURT: All right. I think that concludes our evidence, correct?

MR. YORK: Yes, Your Honor. At least from Daugherty and --

THE COURT: Okay. The Objectors rest. Any rebuttal?

MR. PHILLIPS: No, Your Honor.

THE COURT: Okay.

MR. YORK: Your Honor, would it be okay if we took a five-minute comfort break?

THE COURT: Yes. We may as well turn it into a 10-minute break because that's what's going to happen. All right. We'll be back at 3:40.

THE CLERK: All rise.

(A recess ensued from 3:30 p.m. until 3:44 p.m.)

THE CLERK: All rise.

THE COURT: Please be seated. We're back on the

record in Highland Capital. I will hear closing arguments. And I dangled something out there before lunch and I've never heard any follow-up. I guess no agreement with Daugherty could be reached on the reserve?

MR. YORK: Haven't had that conversation, Your Honor.

THE COURT: You didn't have that conversation? Oh, well. Why didn't you have that conversation?

MR. YORK: We were, during the lunch break, working busily to prepare the rebuttal to Mr. Seery's testimony, --

MR. MORRIS: Yeah.

MR. YORK: -- Your Honor. And so --

THE COURT: Okay. You told me you'd talk about it.

MR. MORRIS: May I proceed, Your Honor?

THE COURT: I guess I don't matter. Do I not matter when I suggest something like that?

Okay. Go ahead.

CLOSING ARGUMENT ON BEHALF OF THE CLAIMANT TRUST

MR. MORRIS: Good afternoon, Your Honor. John Morris; Pachulski, Stang, Ziehl & Jones; for Highland Capital Management, LP and the Highland Claimant Trust and on behalf of the Highland Litigation Subtrust.

I know that we've got Bob Loigman in the courtroom, but I know that -- at least I hope he joins me in this closing argument. I suspect he does.

I don't want to be too long here, Your Honor. We don't

have a high burden. This is a 9019 motion, for goodness' sakes. I've never been involved in such a contentious 9019 motion in my life. We had three depositions on Friday. We had two on Sunday. I think we had two on Monday. For a 9019, I've had one witness sit multiple times.

It's been an extraordinary experience. But at the end of the day, nobody's really challenging the settlement agreement. You've got people challenging, you know, the Cayman Islands. You've got people challenging, is it -- you know, can you jam it in under the plan? We're not jamming anything under the plan. We're following the plan provisions.

Nobody's challenging the bona fides of the motion. Nobody is challenging whether it's the product of good-faith, arm's-length negotiations.

You heard Mr. Seery testify at length about the process. You've got 55 different documents in the record proving that this agreement is the product of arm's-length, good-faith negotiations between parties represented by sophisticated counsel that resulted from an exchange of information, an exchange of proposals, back and forth, and here we are.

It's also in the best interests of the estate. Really not challenged by anybody. Nobody is contending that Highland is getting a raw deal here. Nobody. And the proof that Highland is getting fair consideration and that this settlement is in the best interest of the Claimant Trust and its stakeholders,

it's obvious we are terminating costly, wasteful, and I dare say frivolous litigation. We are disposing of several illiquid assets. We are getting litigation protections that will inure to the benefit of the released parties, the Highland release parties and it will, we believe, provide the protection that we deserve.

It's not just releases. It's covenants not to sue. It's all kinds of bells and whistles in there. Substantial benefits to the estate. And so nobody's really objecting to that.

Nobody's really objecting to the fairness of the settlement to the HMIT parties except for Mr. Dondero, and he's just mad that peace is breaking out. He's just mad because he's not going to be able to litigate anymore. It's not relevant to a 9019 motion. But even if it was, it's ridiculous. It's just ridiculous.

The settlement is fair and reasonable and in the best interest of the creditors. It's the product of good-faith, arm's-length negotiations. And on that alone, it should be approved.

We've had a lot of testimony today about Mark Patrick's authority. The only actual evidence that concerns Mark Patrick's authority are the exhibits in the binder and Jim Seery's testimony about the diligence that he did. And the exhibits in the binder all prove that Mark Patrick has the

authority to act and bind the HMIT entities to the settlement agreement. It's Paragraph 7 of the HMIT trust agreement itself.

Did the objecting parties point you to one single document to support their speculative argument, because it's not anything more than that, that somehow Mark Patrick isn't authorized to do this? There is not a scintilla of evidence that Mark Patrick is not authorized to do this.

And if Your Honor had any concerns about Mr. Patrick, I think he answered them at the end. That he understood exactly what the terms of the agreement are. That he had a reasonable opportunity to consult with counsel and to negotiate. That he knows exactly what he's doing on behalf of these entities. That he believes the best path forward from the HMIT entities is to grab the value today instead of letting it waste.

We welcome Mr. Patrick to the table. It makes a lot of sense. We've been trying to get to this point forever.

Mr. Daugherty. You know, I have no gripes with Mr. Daugherty. I don't know quite what's motivating him these days, but he admitted and the evidence is clear that when he was a Class 9 claim holder, I forget if it's two or three or four occasions, he accepted $3.7 million in multiple payments, without any concern at all as to whether or not it violated the plan, even though his Class 8 claim had remained unresolved.

He didn't send the money back. He didn't say, Mr. Seery, you can't do this because it violates the plan. He knowingly and willingly accepted the benefits of being a Class 9 claim holder. And now he comes and objects on the basis that somehow it's not fair to him as a Class 8 holder? This is what we call estoppel. Right?

I wasn't in a position to really make the argument because I didn't quite understand it until today. Like, how does he come in today and say you can't do this, Your Honor? You can't allow Class 9 and 10 to get a nickel until he's done, when he himself has accepted millions of dollars before his claim is resolved? That doesn't sound right to me. And I don't think the Court should accept that argument.

Just quickly, because I don't want to give it any weight, frankly, but this whole business of the Cayman Islands and the JOLs, the only facts Your Honor has to take into account are that they were appointed before this motion was filed. They've never appeared here. They've never objected. And there is no evidence in the record to suggest, let alone to prove, that the JOLs contend that Mark Patrick does not have the authority to enter into the settlement on behalf of the HMIT entities. There's no evidence of any kind.

What you need to know and need to remember, though, is that whole proceeding in the Cayman Islands is being brought on behalf of not The Kansas City Foundation or The Dallas

Foundation, but The Highland Kansas City Foundation, The Highland Dallas. It's Mr. Dondero, and he's funding it, and it says it in Paragraph I think 47 or 48 of his declaration. He's funding all of that. And he funded The Dallas Foundation's objection here.

And that's why he's upset, because they settled last night without telling him because they didn't want any part of this, Your Honor. That's the truth. That's why they're not here. And they, right, they're the people who suggested that maybe something untoward happened and maybe someday -- because this is the way their objection is characterized. Complete speculation.

If you go back and look at the objection, it's someday, somebody might do something and might someday set it aside. That wasn't a proper basis at the time, but we know that Mark Patrick remains in control of the HMIT entities today because nobody has told the Court otherwise. And we know that The Dallas Foundation has withdrawn its objection. As I asked Mr. Patrick, have you been, you know, removed or clipped or terminated or in any way restricted in your capacity as the Administrator and control person of the HMIT entities as a result of the settlement, and the answer was no.

There's nothing to see here, Your Honor, except the opportunity for the Highland Claimant Trust and its affiliated entities in moving this case forward in an enormously positive

and constructive direction.

We have the opportunity today to put to rest a lot of pending litigation. We have the opportunity today to put to rest a lot of future potential litigation that undoubtedly would have come to pass had these entities remained under the indirect control of Mr. Dondero, because we know that that was the case.

If you remember, Your Honor, we sat here two years ago, June 8th, 2023, on the evidentiary hearing on Hunter Mountain's motion for leave to bring the claims trading case. And if Your Honor will remember, Mr. Patrick at that time was forced to admit that the entirety of that case came in from Mr. Dondero, that he had no knowledge of any facts that related to anything.

I would ask Your Honor to go and compare The Dallas Foundation's objection with Mr. Dondero's declaration that he filed in the Cayman Islands. I'm not going to say they're verbatim, but they are largely, largely the same. This is just Jim Dondero being Jim Dondero, and that is not a basis to overrule or deny the motion under Rule 9019.

It's a product of good faith negotiations, it is clearly in the best interests of the estate, and we respectfully request that as soon as possible Your Honor grant motion.

THE COURT: Okay.

MR. MORRIS: Thank you, Your Honor.

THE COURT: Any closing from the Movant, Co-Movant?

MR. PHILLIPS: Your Honor, thank you very much. Louis M. Phillips on behalf of the --

THE COURT: I don't know if you're the Co-Movant. You're a party to the proposed settlement.

MR. PHILLIPS: I'm not a Co-Movant.

THE COURT: Okay.

MR. PHILLIPS: I'm a party to the settlement.

THE COURT: Uh-huh.

MR. PHILLIPS: I didn't quite make it to that status to be a Co-Movant.

CLOSING ARGUMENT ON BEHALF OF THE HUNTER MOUNTAIN ENTITIES

MR. PHILLIPS: But anyway, we appreciate the Court's time. We appreciate the Court's attention. This was, as the evidence established, we provided and were provided an immense amount of information.

Much of the information, certainly the information about Mr. Patrick's control of the HMIT entities, was provided by us. It was reviewed by Mr. Seery. And Mr. Seery made a very strong case for the amount of diligence he did on our side of the equation. It's not nearly as relevant to Your Honor's decision about whether to approve the settlement whether we got a good deal or not, but the deal we got, we think, is very fair.

The deal we got was negotiated with counsel, with

businesspeople who are very sophisticated. We have agreed on the methodology and of the calculation of our Class 10 claim. The Debtor and the Debtor estate or the Claimant Trust or whoever held the HMIT note got full value for the HMIT note. Any additional value from the HMIT note would come back to HMIT. The Kirschner Litigation would be for the benefit of HMIT. The Dugaboy Note would be for the benefit of HMIT.

All of that is being put into a package and is being resolved, affiliated, administered in a very effective and efficient manner. We are getting some money. We appreciate. We tried to get more. We couldn't. They tried to pay less. We made a deal.

So, Your Honor, I echo and thank Mr. Morris for all of his comments. I appreciate counsel being involved here today. We think this is a fair and equitable settlement. There is no question under 9019 that this settlement should be approved. And the suggestion that this Court should allow itself to just be a vehicle for continued litigation, when we have analyzed it, perhaps from a different perspective, and made the decision that it is time to make our deal now, it is time to take HMIT out of the litigation picture and into the fold of a party in interest of a fixed claim with fixed treatment that's different from the plan, authorized by the plan. And we appreciate it.

Thank you, Your Honor.

THE COURT: Thank you. All right. Mr. Loigman, we didn't mean to ignore you.

CLOSING ARGUMENT ON BEHALF OF MARC S. KIRSCHNER, LITIGATION TRUSTEE

MR. LOIGMAN: Thank you, Your Honor. Robert Loigman, Quinn Emanuel. You didn't ignore me. Louis was just quicker to jump up than I was.

And I step up solely because you asked whether the Co-Movant had anything to add. And we have nothing further to add to what Mr. Morris said. We agree with it wholly. We think this is a fair and complete settlement, and we would ask that the Court approve the settlement under the 9019 motion.

THE COURT: Thank you.

MR. LOIGMAN: Thank You, Your Honor.

THE COURT: All right. The Objectors?

MR. MORRIS: Your Honor?

THE COURT: Oh.

MR. MORRIS: Just to clarify, the motion was made under 9019 and Section 363. I just don't want that to get lost. That's all.

THE COURT: Okay. 363, use of property. Okay.

The Objectors?

CLOSING ARGUMENT ON BEHALF OF PATRICK DAUGHERTY

MR. YORK: Thank you, Your Honor. I'll be very brief.

I certainly appreciate that the Court desires to have this bankruptcy wrapped up, given how long it's gone on now, for six -- approximately six years in this court. The fact of the matter is that the settlement agreement that Highland proposes to enter into with Hunter Mountain Investment Trust entities violates the express terms of the plan, the confirmation order, and the Claimant Trust Agreement.

And they have not pointed to any language in there or to argue otherwise. Their only argument has been that they've set a reserve aside. And there's no provision in any of those documents that provides that that's an excuse for them to violate the express terms of the confirmation order, the plan, or the Claimant Trust Agreement, including specifically the language that Class 10 claims are not to receive or retain anything under the plan on account of their interest unless and until the Class 8 and Class 9 claims are paid in full plus applicable interest. And --

THE COURT: I really want to understand that argument. Mr. Seery correctly testified that, pretty much in every Chapter 11 plan we see, there's a disputed claim reserve. Well, I guess unless we have really unsophisticated creditors who don't insist on that. But we had sophisticated creditors. So why doesn't that mechanism, which I would call tried and true, we see it in most cases, why doesn't that resolve this issue you're raising?

MR. YORK: Well, --

THE COURT: And I focused in more than maybe I needed to about the nature of Mr. Daugherty's remaining claim, his Class 8 claim. What was the scope? What's the maximum amount it could be? When might it be resolved? Because I think we have a tried-and-true mechanism that addresses his concerns. Tell me why it doesn't.

MR. YORK: Well, --

THE COURT: Really, I want to understand what you think I'm missing.

MR. YORK: Well, so I think twofold, Your Honor. The first is that the dispute reserve that exists normally would be for whatever the amount of the disputed claim is. And here we're dealing with, as both sides have acknowledged, a claim that they at best could estimate, but they don't know for certain, given all of the machinations that could come out of the IRS audit.

And secondly, specifically with respect to the confirmation order, if it had said that the net 10 and 11 claims could be paid as long as the allowed 8 and 9 claims were paid, then the dispute reserve would provide that protection. But that's not what the language in the confirmation order says. It says claims, not allowed claims. And therefore it's referring to all claims, including disputed claims. And --

THE COURT: But we have a disputed claim reserve. Okay. We have a disputed claim reserve.

MR. YORK: There is, yes, there is a reserve.

THE COURT: So is it your argument that I can't approve a settlement like this until Mr. Daugherty's claim has been resolved with certainty, which might be in 2033 or whatever? I can't keep a bankruptcy estate open, allowing administrative expenses to continue to accrue, because of one contingent unliquidated claim that may never even develop.

MR. YORK: Your Honor, I appreciate the Court's frustration with that, but that's the way that the documents are written in terms of the confirmation order. And so it's an --

THE COURT: So the disputed claim reserve is meaningless?

MR. YORK: No, it is not -- a disputed claim reserve exists, but it does not, under the terms of the confirmation order, in terms of allowing the payment of Class 10 and Class 11 claims, those can't be done until the Class 8 claims are resolved.

THE COURT: You would have -- just a moment -- you would have me keep this estate open for as long as it takes, 2033, whatever, without allowing Class 10 and Class 11 theoretically to get anything?

MR. YORK: At least under --

THE COURT: Let's just let the -- with all respect to Mr. Seery, he's charging a handsome amount. It was agreed to or approved by the Court. Let's just let him continue accruing until 2033 because of Mr. Daugherty's prospect of the IRS saying you owe $1.4 million plus interest and penalties, when he's gotten the use of that all? Help me. This doesn't make sense to me.

MR. YORK: Sure. One way this could be solved is that the payments to -- the cash payments, for example, that are to be made to the HMIT entities, under the proposed settlement could be held in abeyance until the resolution of the Class 8 claim. The Court could modify the proposed settlement based on that. That's one way to deal with the issue, for example.

THE COURT: Do what? Hold it in abeyance?

MR. YORK: Yes. For -- the payments to be made to the Hunter Mountain Investment Trust under the proposed settlement could be -- could be done in accordance with the terms of the confirmation order. We'll just hold those payments until such time.

THE COURT: We who? Put it in the Court Registry?

MR. YORK: Or --

THE COURT: Where it will earn 0.18 percent?

MR. YORK: No. No. It can remain within the Claimant Trust until the time at which the Class 8 claim is

finally and fully resolved.

THE COURT: Okay. Meanwhile, I've approved the extension of the Trusts for one year, with Dugaboy saying, we don't think this should happen again and again and again. We reserve our rights. That's not a good solution.

MR. YORK: Your Honor, I understand the Court's frustration, but this is the terms of the plan and the confirmation order that were entered. Highland needs to follow it.

THE COURT: Okay. What about the estoppel argument that I heard Mr. Morris make?

MR. YORK: Well, sure. So, the first time they raise it is here today. And the one thing that -- the difference is that allowing this settlement to go forward is an effective liquidation of the estate versus where things are now, in which any payments that were made is not an effective liquidation. It doesn't expose anyone that would have priority to Class 10 with respect to anything that happens in the future from, you know, not having sufficient funds to deal with it. That's all.

THE COURT: Okay.

MR. YORK: Thank you, Your Honor.

THE COURT: Thank you. All right. Mr. Lang?

CLOSING ARGUMENT ON BEHALF OF DUGABOY INVESTMENT TRUST

MR. LANG: I'll be brief. Your Honor, there are

three issues that we've raised. One is the capital account balance being used for the claim for the Class 10 holders. The plan does not specify that the capital account balance is to be used. Allowing the $336 million claim to Class 10 ensures that Class 11 will not ever receive a dime. That's guaranteed.

Alternatively, upon the satisfaction of the Class 9, the $20 million approximately owed to Class 9, the holders of HMIT should receive 99.5 percent of the total residual. We think that would be a more fair outcome to the Class 11 claimants.

THE COURT: Wait, say again?

MR. LANG: That, so, of total assets, $70 million approximately, $20 million is owed to Class 9.

THE COURT: Uh-huh.

MR. LANG: Of the remainder from that, HMIT should receive 99.5 percent of those assets, whatever they are, the value, rather than a $336 million claim. That was the objection.

THE COURT: But I didn't get any evidence of a separate way of competing -- of doing that. I heard credible testimony from Mr. Seery about why he used the math he used and I didn't hear any countervailing evidence of, wait, this is a more fair, realistic way of computing it. And what I did hear is the .5 percent limited partnership interest of Dugaboy is subordinated in its payment rights under the limited

partnership agreement of Highland.

MR. LANG: It's subordinated under the plan, but yes, the plan does not say to use --

THE COURT: Under the partnership agreement is the reason the plan did it, is what I've been presented.

MR. LANG: I believe Mr. Seery -- and I could be wrong -- I think I heard him say that he has used the other method, but I could have misheard him in the testimony.

THE COURT: Well, that's not what I heard. I heard him emphasizing the fact that the Class 8 interests, including that of Dugaboy, are subordinated with regard to payment rights under the Highland partnership agreement. And so that's why he didn't think it made sense to just apply percentages.

MR. LANG: That's what he testified to.

THE COURT: So I'm just -- anyway, I'm just trying to figure out what the countervailing evidence is here to suggest his methodology is wrong.

MR. LANG: I believe the partner -- or, the plan says that the Class 10, when the GUC certification is a Class 10, and the Class 11 received pro rata, it doesn't specify the account balance is to be used as the number to determine what they receive.

THE COURT: Okay. You want to point out what you are focused on?

MR. LANG: I believe it's under Treatment.

THE COURT: Okay.

MR. LANG: Section --

THE COURT: I don't want to hunt. I want you to tell me what the language is that you think is supportive of that.

MR. LANG: And the second -- I guess the secondary issue that we probably should just get to is the release. We think it's broad, and just Dugaboy and Dondero are carved out. And Mr. Morris did send me a proposal last -- yesterday evening that I haven't gotten to. But that is an objection that we have, is just to make sure that the -- that nobody can argue that the release covers any claim Dugaboy might have, if any.

THE COURT: Okay. I think many hours ago I remember this being mentioned. I guess it was a little bit more broad than just -- I think it was Highland employees. I don't know.

What is the agreement, Mr. Morris, if you're awake there, on --

MR. MORRIS: I am awake, Your Honor. Apologies.

THE COURT: Okay. I didn't mean to be flippant.

MR. MORRIS: Yeah.

THE COURT: I get punchy and --

MR. MORRIS: That's okay. With respect to the release?

THE COURT: Right.

MR. MORRIS: We don't have an agreement. We have an agreement -- well, I sent a proposal last night, but it didn't get responded to. If they want to accept that proposal, that's terrific.

THE COURT: Okay. I don't know what the agreement says. Are you saying you want to accept what they proposed last night?

MR. LANG: No, I have edits to it. I just couldn't -- I was tied up on another filing last night. I have not been able to get to it today.

THE COURT: Okay. I'm going to make a ruling today. Okay? If it means y'all sit here in the courtroom a while, fine. But just like all of you, I have a mountain of other stuff waiting for me, so I really want to rule today. So, --

MR. LANG: Understood.

THE COURT: Yeah.

MR. LANG: Maybe we can work on it as soon as I'm done and I can get back to 'em --

THE COURT: Okay.

MR. LANG: -- and get back to you.

Your Honor, the -- it's on Page 23 of the plan. It talks about the Class 10 and Class 11, where the partnership interests, that their treatment, they shall receive as pro rata share of the contingent Claimant Trust interests. And all we're asking is that be used or applied as a 99.5/.5

distribution.

(Pause.)

THE COURT: I'm sorry. Go ahead.

MR. LANG: Oh, sorry. I thought you were looking for it.

And the last issue is authority. The only point of the authority argument, Your Honor, is that the Joint Administrators were appointed down in the Caymans to investigate the transaction that moved basically the entire ownership, because it's owned a hundred percent down to HMIT, out. They're investigating the transactions. They have not stipulated to authority. They're looking at everything. They've requested a 45-day delay on this motion. And that's all that -- not even asking to deny the 9019. They were just asking time to basically bless this transaction so that nobody could come back and make an issue of it. But I understand your desire to rule today.

THE COURT: Okay. Any rebuttal?

MR. MORRIS: Yeah, briefly, Your Honor.

REBUTTAL CLOSING ARGUMENT ON BEHALF OF THE CLAIMANT TRUST

MR. MORRIS: I just want to point the Court to two provisions of the operative documents that I think --

THE COURT: Okay.

MR. MORRIS: -- will resolve even further the issues that we've presented today.

The Claimant Trust Agreement -- and I apologize, I don't know if the whole document is in evidence, but I will respectfully suggest to the Court that the Claimant Trust Agreement provides in Article 5, Section 5.1(c), --

THE COURT: Okay. Let me catch up.

MR. MORRIS: Yes.

(Counsel confer.)

THE COURT: It's not Debtor's Exhibit 5.

MR. MORRIS: Yeah.

THE COURT: Daugherty's Exhibit 5?

MR. MORRIS: It's Daugherty Exhibit 5?

MR. YORK: Yes.

THE COURT: Okay.

MR. YORK: So we have a full copy at Daugherty --

THE COURT: I've got it. Daugherty's Exhibit 5.

MR. MORRIS: Okay. So if you could just go to Page 27, Your Honor. And this is in response to Mr. Lang's argument about the calculation of the allowed claim. You'll see it deals with contingent trust interests. And the very last sentence says the equity trust --

THE COURT: Wait. What page again?

MR. MORRIS: 27.

THE COURT: Okay.

MR. MORRIS: Do you see Section C in the middle is Contingent Trust Interests?

THE COURT: No.

THE CLERK: It's 26 of the Claimant Trust Agreement, 27 of the --

THE COURT: Ah, it's 26. Yes. On the bottom, it's 26; on the top, it's 27 of 38.

MR. MORRIS: Okay.

THE COURT: Okay.

MR. MORRIS: And at the end of Section C, it says explicitly: The equity trust interests distributed to allowed holders of Class A limited partnership interests -- that's Dugaboy --

THE COURT: Uh-huh.

MR. MORRIS: -- shall be subordinated to the equity interests distributed to the allowed holders of Class B and C. That's Hunter Mountain. Okay?

So the trust agreement provides for exactly what we're doing here. Dugaboy is in fact subordinated to HMIT. It doesn't get paid until HMIT gets paid in full. And Mr. Seery I think compellingly testified as to the reasonable calculation that he did based on very objective numbers to determine each respective limited partner's capital account.

With respect to Mr. Daugherty, the plan, which is on the docket at 1943, has a definition of Disputed Claim Reserve. And it states, among other things, that the amount of the disputed claim upon which the disputed claim --

THE COURT: Give me the page number.

MR. MORRIS: I apologize, Your Honor.

THE COURT: I've got it right in front of me.

MR. MORRIS: It's Page 7 of the plan.

THE COURT: Okay. All right. I'm there. The Defined Term.

MR. MORRIS: So the Defined Term "Disputed Claim, Claims Reserve Amount" in the middle says: The amount of the disputed claim upon which the disputed claims reserve is calculated shall be -- they've got an A and then a B -- the amount agreed to by the holder of the disputed claim and the Claimant Trustee or Reorganized Debtor, as applicable. And then it says D: Or is otherwise ordered by the Bankruptcy Court, including an estimated -- an order estimating the disputed claim.

And that last provision is vital, Your Honor, because that is the hook upon which you can always hang your hat when you decide that we are not going to wait until 2023 [sic] when the IRS audit may be resolved, because you have the ability, as ordered by the Bankruptcy Court, including estimating the amount of the disputed claim. Which is one of the causes of action that we've asserted in the complaint. It's either to subordinate -- actually, it's to disallow, to subordinate, or to estimate. Because this case does have to end, Your Honor. We actually think he should be bound by the definition in B.

It is an agreed-upon amount.

I've heard the testimony from Mr. Daugherty that there was no negotiation, but he didn't deny that he signed a document that is called an agreement that sets forth the disputed claim amount. And that is an agreement, and I think that satisfies that definition. And even if it didn't, at some point this case has to end.

Thank you, Your Honor.

THE COURT: Okay. Thank you.

All right. Well, it's been a long day and even a longer case. I think a lot of people were on the receiving end of a little bit of my grumpiness at times today, and I apologize for that.

I always feel compelled to say to the lawyers and parties when I rule from the bench that I can assure you it's not knee-jerk. I can assure you my law clerk and I have read every piece of paper submitted. And we come in here I think well-prepared and we just want to listen to the evidence to see if it supports -- who it supports. So I am going to rule from the bench.

I first want to make clear that with regard to the motion before the Court, the motion which was filed May 19th at Docket Entry 4216, pursuant to Bankruptcy Rule 9019 and Bankruptcy Code Section 363, the Court is being asked to approve a very broad settlement that is between what are

defined as the HMIT entities, seven entities in all; Hunter Mountain Investment Trust; as well as Beacon Mountain, LLC; Rand Advisors, LLC; Rand PE Fund 1, LP; Rand PE Fund Management, LLC; Atlas IDF, LP; and Atlas IDF GP, PLLC. So this proposed compromise and settlement is between all of those Hunter Mountain entities as well as the Reorganized Debtor, the Highland Claimant Trust, the Highland Litigation Subtrust, and the Highland Indemnity Trust.

I first will note that notice has been fulsome, reasonable under the circumstances, to provide due process to anyone affected by the proposed compromise.

The Court would note that the legal standard is a very well-known and established legal standard here. Among other things, the Court is to look at whether the settlement is fair, reasonable, and in the best interest of the estate; whether it would appear reasonable business judgment has been exercised; is the compromise and settlement within the range of reasonableness?

And this involves looking at, among other things, the probability of success in the litigation -- that would be all the various litigation involving HMIT, if it were to go forward; the complexity and likely duration of further litigation and attendant expense, inconvenience, and delay; and all other factors bearing on the wisdom of the compromise. We know that's *Cajun Electric*, *Jackson Brewing*, *Foster*

*Mortgage*, among other cases. I probably left out *AWECO*.

Anyway, applying all of those legal standards here, I do think the evidence was very thorough in showing that the compromise is a product of good faith and arm's-length negotiations. Indeed, it was almost shocking to this Court when I saw the motion, having the history I have with all of the contested issues, adversary proceedings that have transpired over the past few years between Hunter Mountain and the Debtor.

I do think the evidence is that it's fair and equitable and in the best interest of the estate and within the range of reasonableness, given due regard for all of the expense, delay, and likelihood of success.

I'll just briefly recount that, as noted early today, there was an Exhibit B attached to the 9019 motion that listed nine unresolved pending pieces of litigation that the Highland entities are embroiled in. Two of those are now gone. This was filed May 8th, and as of January 25th, they're gone. So seven pieces of litigation, of which two will go entirely away if I approve this settlement. The Kirschner adversary claims against Hunter Mountain will go away.

We have very little, very little, relatively speaking, left in this bankruptcy case to resolve if I approve this settlement. That alone is very, very significant. Again, we have large shall I say issues with Hunter Mountain. Highland

says Hunter Mountain owes the Highland entities something like $57.69 million on a note that Hunter Mountain is payor on dated December 21st, 2015.

The flip side of that is that Hunter Mountain was sued by Kirschner in the Kirschner action on various claims, including this $57 million note. We have had Hunter Mountain file multiple motions for leave to sue Highland, the Claimant Trust, Mr. Seery. And those have been denied, but are in appeal status or remand status or some further litigation status.

And again, we have numerous issues. Hunter Mountain having sought valuation. The Court denied that. It's on appeal.

So, so much goes away, so much further litigation goes away and we make a monumental step in ending this long-running case if I approve this settlement.

Now, on the flip side of this, I know that Dugaboy, through the voice of Mr. Dondero today, expressed that Hunter Mountain is, I forget the words he used, but not -- this isn't close to being fair and equitable as far as he was concerned for Hunter Mountain. That Hunter Mountain, in addition to being through with litigation in this bankruptcy-land, would be paid $500,000 within five days. They would also be paid separately $10 million as an initial distribution, with the hope of two more $6.5 million distributions in '27 and '28.

And it would get a note, which I think has $24 million -- I think it was less than that, $17 or $18 million left on it, perhaps, on which Dugaboy is a maker. The debtor is one of the two payees. The Debtor gives up its rights in that note.

It looks like Hunter Mountain is getting a lot. And again, the way this estate has been liquidated, there is money that can flow to it as a Class 10 equity here, as the evidence has shown.

So I am approving the settlement. I am specifically overruling the remaining objections of both Dugaboy and Mr. Daugherty.

As far as Mr. Daugherty's argument that the settlement violates the absolute priority rule or violates the terms of the plan or the confirmation order or the trust agreement by, putting words in his mouth, skipping over the full payment of whatever his Class 8 claim is going to be and allowing a subordinate class, Class 10, to get paid, I have flipped and studied the wording of the plan and the confirmation order and the defined term for Disputed Reserve. And I referred to a disputed reserve as a tried-and-true provision in Chapter 11 plans. I think it does what needs to happen for precisely this kind of situation, that as long as an appropriate amount is being held in reserve, and the Court can decide what is an appropriate amount, we don't have to hold up a bankruptcy estate for years and years.

So the disputed claim reserve is what allows me to find this is fair and equitable and this isn't some sort of violation of the absolute priority rule. I think this is precisely the reason the disputed claim reserve mechanism is in place, so that we can get on with the business of getting more people paid sooner.

And based on the evidence I've heard, it is an appropriate amount, I think. We're doing a lot of crystal-balling, what may or may not ever happen when, but I think, based on all the persuasive evidence I've heard, the Daugherty objection should be overruled.

As far as Dugaboy, I, as noted, am overruling that objection. I didn't have any persuasive evidence, solid evidence to show me that Mark Patrick doesn't have appropriate corporate governance authority to enter into this settlement agreement.

I realize there's a lot swirling around in the Cayman Islands, and that's going to play out however it plays out. But as of today, I don't have any evidence that he doesn't have authority currently to enter into the settlement. And it speaks volumes that The Foundation backed down. It would seem that they have been convinced that the lack-of-authority argument was not one they wanted to press today. So that is overruled.

I feel like we have all seen this movie many times before.

I wanted to understand, perhaps I went deeper than I needed to, I know Mr. Phillips thinks I went deeper than I needed in hearing some of the testimony from Mr. Patrick and Mr. Dondero, but I'm just trying to understand what's happening here. Why people who were so lockstep and friendly for years of this case suddenly, when we're right on the brink of maybe the case being put to bed -- I'm optimistic; it's not quite that close -- all of a sudden they're at loggerheads.

And so how many times have I seen this over the years, whether it's a breakdown in business and personal relationships, Mr. Daugherty, Mr. Terry, Grant Scott, now Mark Patrick? I'm probably leaving out someone. I don't know. I feel like I'm watching the same movie. Okay, now these two have parted ways. Now these two have parted ways.

And then, as I recall, when Grant Scott withdrew his objection to the HarbourVest settlement all these years ago, 2020, 2021, which he had been lodging for Charitable DAF, I think it was, --

MR. MORRIS: Yes, Your Honor.

THE COURT: -- then what happens? Well, I think Mark Patrick came in to work or replace Grant Scott, and then a bunch of people ended up getting sued in a different court regarding the settlement I approved, the HarbourVest settlement I approved.

So why am I saying this? I just, I'm trying to understand

things I'll never understand. I wanted to maybe hear something that would make me better understand what's happened now between Hunter Mountain, Mark Patrick, and Dondero and Dugaboy, because it sure seems like they were on the same team for many years. But it was very likely irrelevant, as Mr. Phillips kept getting up and down and saying. I just was seeing if it would lead to something relevant that would bear on the wisdom of this compromise, since that's one of my other legal standards. I'm supposed to consider all factors that might bear on the wisdom of the compromise. And so I guess that's where I was going in allowing all of that to come in.

All right. Well, while everyone is not thrilled with this compromise and settlement, I heartily congratulate the human beings that made it happen, and they know who they are. Maybe I do, maybe I don't. But I think it's rather amazing. And I hope that we are not coming to court for hearings in 2032. I don't know who among us will be alive. I'm not going to be alive by then. Certain people might cheer if that's the case. But I congratulate the human beings who made this happen. And you know who you are. Maybe I do, maybe I don't, but I congratulate you.

All right. So I reserve the right to supplement or amend this oral bench ruling in a more fulsome written order. I am asking Mr. Morris and his team to be the scriveners on that order. And obviously, you're going to run it by the other

lawyers here who participated today.

Is there anything else before we wrap it up?

MR. MORRIS: Just one other thing, Your Honor. And I greatly appreciate your comments.

When we draft the order, are we authorized to say that this settlement is approved not only pursuant to 9019 but to 363? Because there are asset sales that are part of this. We moved under that provision, and I didn't hear Your Honor reference that, --

THE COURT: Okay.

MR. MORRIS: -- but we would like to include that in the order.

THE COURT: You may. And that is precisely why I said I reserve the right to supplement or amend, because many times I get out of here and look at this transcript and, ooh, I forgot to say whatever.

MR. MORRIS: Yeah.

THE COURT: So I meant to say that and I didn't, so you may add that.

MR. MORRIS: And I assume all Your Honor wants is a fairly simple form of order that incorporates --

THE COURT: I do not want a 40-page order.

MR. MORRIS: Right.

THE COURT: Okay?

MR. MORRIS: Just an order that incorporates your

comments on the record, and to the extent that Your Honor wants to amend that, you'll do so at your leisure?

THE COURT: Yes.

MR. MORRIS: Perfect.

THE COURT: All right.

MR. MORRIS: Thank you.

THE COURT: Thank you all. We're adjourned.

MR. PHILLIPS: Thank you, Your Honor.

THE CLERK: All rise.

**MOTION FOR ORDER FIXING**
**ALLOWED AMOUNT OF CLASS 11 INTERESTS**[1]

The Highland Claimant Trust ("**Claimant Trust**") files this Motion (the "**Motion**") for entry of an order pursuant to 11 U.S.C. § 502(b), substantially in the form attached as **Exhibit A**, fixing the allowed amount of the unvested Class 11 Contingent Claimant Trust Interests of: (a) The Dugaboy Investment Trust ("**Dugaboy**") in the amount of $740,081.61; (b) Strand Advisors, Inc.

[1] Capitalized terms used but not defined herein have the meanings given to them in the Claimant Trust Agreement or the Plan, as applicable.

("**Strand**"), in the amount of $994,707.76; (c) Mark K. Okada ("**Okada Individual**") in the amount of $192,754.38; (d) The Mark and Pamela Okada Family Trust – Exempt Trust #1 ("**Okada Trust #1**") in the amount of $38,868.17; and (d) The Mark and Pamela Okada Family Trust – Exempt Trust #2 ("**Okada Trust #2**") in the amount of $16,657.79 (Dugaboy, Strand, Okada Individual, Okada Trust #1 and Okada Trust #2 are collectively referred to as the "**Class 11 Holders**"), in each case, on account of their respective pre-petition Class A Limited Partnership Interests in Highland Capital Management, L.P. ("**Highland**")

## PRELIMINARY STATEMENT

1. Before the Claimant Trust can complete the dissolution and wind-up process, it must, among other things, fully resolve all Disputed Claims and Equity Interests.[2] With this Court's recent Order[3] approving the settlement with HMIT and allowing its Class 10 interest in the Claimant Trust on account of its pre-petition equity interest in Highland in the amount of $336,940,230.58, the only unresolved Claims and Equity Interests are (a) the alleged Class 8 Claim held by Patrick Daugherty (which is fully reserved-for), and (b) the unvested Class 11 Contingent Claimant Trust Interests to be issued to the Class 11 Holders.[4] This Motion addresses the Class 11 interests.

2. Specifically, the Claimant Trust asks the Court to fix the allowed amount of each unvested Class 11 Contingent Claimant Trust Interest to be issued to each Class 11 Holder as required by the Plan and the Claimant Trust Agreement and pursuant to Section 502 of the Bankruptcy Code. The Court should determine the amount of each Class 11 Contingent Claimant

[2] Claimant Trust Agreement § 9.1(d).

[3] *Order Pursuant to Bankruptcy Rule 9019 and 11 U.S.C. § 363 Approving Settlement Between the Highland Entities and the HMIT Entities and Authorizing Actions Consistent Therewith* [Docket No. 4297] (the "**HMIT Order**").

[4] Earlier this year, Highland commenced an adversary proceeding (Adv. Pro. No. 25-03055-sgj) to resolve Mr. Daugherty's remaining claim, leaving the Class 11 Interests as the only Disputed Claim or Equity Interest.

Trust Interest consistent with HMIT's Class 10 Contingent Claimant Trust Interest—that is, the allowed amount of each unvested Class 11 Contingent Claimant Trust Interest should be fixed in the amount of each Class 11 Holder's Petition Date capital account balance.[5]

3. Accordingly, the Claimant Trust respectfully requests that the Court enter an order in the form annexed as **Exhibit A** granting the Motion and fixing the amount of each unvested Class 11 Contingent Claimant Trust Interest as set forth in Exhibit A.

## RELEVANT BACKGROUND

### I. Highland's Partnership Structure

4. Highland was a limited partnership organized under the laws of the State of Delaware. In December 2015, Highland, through a series of transactions, restructured its limited partnership interests into three classes: Class A Limited Partnership Interests, Class B Limited Partnership Interests, and Class C Limited Partnership Interests. The Hunter Mountain Investment Trust ("**HMIT**") acquired 100% of Highland's Class B/C Limited Partnership Interests by contributing funds into Highland as well as by purchasing interests from James Dondero, Mark Okada, and certain entities affiliated with them.[6] The HMIT Class B/C Limited Partnership Interests accounted for 99.5% of the pre-petition partnership interests in Highland and entitled the holders thereof to priority distributions. Mr. Dondero (through Dugaboy and Strand) and Mr. Okada (through Okada Individual, Okada Trust #1, and Okada Trust #2) retained Highland's Class A Limited Partnership Interests, which accounted for 0.5% of Highland's pre-petition partnership interests.

---

[5] HMIT's Class 10 Contingent Claimant Trust Interest was fixed based on the amount of its limited partner capital account as of the Petition Date, offset by the HMIT Note Balance (as defined below).

[6] Concurrent with its acquisition of the Class B/C Limited Partnership Interests, HMIT executed the *Secured Promissory Note*, dated December 21, 2015, in the original face amount of $63,000,000 in favor of Highland (the "**HMIT Note**"), which, as of the Petition Date, had an outstanding principal and interest balance of $57,690,640.95 (the "**HMIT Note Balance**").

5. On December 24, 2015, Highland and its limited partners entered into the Limited Partnership Agreement, which governed the rights and obligations of the Class A and Class B/C limited partners and remained in effect until the Effective Date. Consistent with the requirements of the Internal Revenue Code and IRS regulations promulgated thereunder,[7] the Limited Partnership Agreement required the establishment and maintenance of a capital account at Highland reflecting each partner's economic interest in the partnership and the amounts the partners would receive – after payment of senior obligations – in a liquidation or buyout. The capital accounts for each partner were consistently adjusted based on partnership economic activity and were maintained in accordance with IRS regulations and the Limited Partnership Agreement, and Schedule K-1s were distributed to the partners annually.[8]

6. Between year-end 2018 (as reflected in the 2018 Tax Return and accompanying K-1s) and the Petition Date, the capital accounts of the Highland partners fluctuated in accordance with the requirements of the Limited Partnership Agreement based on Highland's 2019 year-to-date economic performance. As of the Petition Date: (a) HMIT's capital account balance on account of its Class B/C Limited Partnership Interests was $394,630,871.53; (b) Dugaboy's capital account on account of its Class A Limited Partnership Interest was $740,081.61; (c) Strand's capital account on account of its Class A Interest was $994,707.76; (d) Okada Individual's capital account on account of its Class A Limited Partnership Interest was $192,754.38; (e) Okada #1's capital account on account of its Class A Limited Partnership Interest was $38,868.17; and (f)

[7] IRC § 704 *et seq*.; IRS Reg. 1.704-1(b)(2)(iv); LPA § 3.7.

[8] Each of the Class 11 Holders received a Highland Schedule K-1 each year (including 2018 and 2019) reflecting, among other things, their respective share of Highland's calendar year income and losses as well as each partner's beginning and year-end capital accounts. The K-1s were derived from Highland's IRS Form 1065 U.S. Return of Partnership Income for each year (a "**Tax Return**") and were to be used by each Class 11 Holder in preparation of their own respective tax returns. Under penalty of perjury, the 2018 Tax Return was executed by Mr. Dondero (9/15/19), and the 2019 Tax Return was executed by Frank Waterhouse (9/10/20). *See* Claimant Trust's Exhibits 115 and 116, admitted into evidence during the June 25, 2025, hearing resulting in the HMIT Order [Doc. 4293].

Okada #2's capital account on account of its Class A Limited Partnership Interest was $16,657.79. The total of these six capital accounts was $396,613,941.24.[9]

## II. The Bankruptcy Case

7. Highland commenced the Bankruptcy Case in the District of Delaware on October 16, 2019, by filing its voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Bankruptcy Case was subsequently transferred to this Court.

8. On February 22, 2021, the Bankruptcy Court entered the *Order (I) Confirming the Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified) and (II) Granting Related Relief* [Doc. 1943], which confirmed the *Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified)* [Doc. 1943-1] (the "**Plan**"). The Plan went effective on August 11, 2021 [Doc. 2700] (the "**Effective Date**").

9. On the Effective Date and in accordance with the Plan, the Claimant Trust was created pursuant to the terms of the Claimant Trust Agreement (the "**CTA**"). Pursuant to Section 5.1(c) of the CTA and in accordance with the Plan (Art. III.H.10 and 11): (a) the pre-petition Class B/C Limited Partnership Interests and the Class A Limited Partnership Interests in Highland were extinguished; (b) the Holders of allowed Class B/C Limited Partnership Interests would receive unvested Class 10 Contingent Claimant Trust Interests if and when their Equity Interests were allowed in amounts as determined under the Plan; and (c) Holders of allowed Class A Limited Partnership Interests would receive unvested Class 11 Contingent Claimant Trust Interests if and when their Equity Interests were allowed in amounts as determined under the Plan.

10. The Plan requires that Holders of Class 10 and Class 11 whose interests are allowed receive a Pro Rata share of the Contingent Claimant Trust Interest. Pro Rata means the allowed

amount a holder's interest bears to the total allowed amount in the class.[10] To determine the amount of the Contingent Claimant Trust Interests to be issued to each Holder of allowed Class A Limited Partnership Interests and Class B/C Limited Partnership Interests, as applicable, the Plan and the CTA requires the calculation of a ratio equal to the amount of each Holder's allowed Class 10 or Class 11 Interest divided by the total amount of all allowed Class 10 and Class 11 Interests, as applicable.[11] Contingent Claimant Trust Interests distributed to the Holders of allowed Class A Limited Partnership Interests (*i.e.*, Class 11 Holders) are subordinated to the Contingent Claimant Trust Interests issued to the Holders of allowed Class B/C Limited Partnership Interests and receive nothing unless and until allowed Class 10 Interests are paid in full.[12]

11. On June 30, 2025, this Court entered the HMIT Order allowing HMIT's Class 10 Contingent Claimant Trust Interest in the fixed amount of $336,940,230.58, based on HMIT's capital account balance in respect of its Class B/C Limited Partnership Interests as of the Petition Date ($394,630,871.53) minus the HMIT Note Balance ($57,690,640.95).

12. Prior to the HMIT Order, on December 27, 2024, this Court approved and entered the stipulated and agreed order (the "**HCLOM Order**") relating to the claims of Highland CLO Management, Ltd. ("**HCLOM**") pursuant to which HCLOM's claim against Highland was subordinated and then allowed as a Class 10 Contingent Claimant Trust Interest in the fixed amount of $10,140,633.26, subject to the terms of that order.[13] HMIT and HCLOM are the only Holders of Class 10 Interests, subject to the terms of their respective allowance orders.

HCLOM and its control person, Mr. Dondero, expressly agreed to all terms of the HCLOM Order, and Dugaboy and HMIT approved the HCLOM Order "as to form and substance." *Id.*

13. With Class 10 Interest amounts fixed, the Plan and the CTA require the fixing of the allowed amounts of the Holders of Class 11 Interests. Unless such amounts are fixed, it is impossible to calculate the Holders' Pro Rata share of the Contingent Claimant Trust Interests as required by the Plan and the CTA.

**BASIS FOR RELIEF REQUESTED**

14. Under 11 U.S.C. § 502(b), this Court, "after notice and hearing, shall determine the amount of [a] claim … as of the date of the filing of the petition, and shall allow such claim in such amount …." "In determining the amount of a claim, the court is guided by otherwise applicable state or federal law, whether the claim is liquidated or contingent or if any other issues exist which bear upon the amount of the claim. … If the claim is liquidated and properly existing under state law, the task of the court in determining the amount may be relatively straightforward." 4 COLLIER ON BANKRUPTCY ¶ 502.03.

15. To enable the Claimant Trust to complete the issuance of unvested Class 11 Contingent Claimant Trust Interests to the Holders of pre-petition Class A Limited Partnership Interests, the Court should allow the Class 11 Holders' Contingent Claimant Trust Interest in the amount of their respective Highland Class A Limited Partnership Interest capital account balances as of the Petition Date, in a manner consistent with the HMIT Order.

**NO PRIOR REQUEST**

16. No previous request for the relief sought herein has been made to any court.

**PRAYER**

17. WHEREFORE, the Claimant Trust respectfully requests entry of an order, substantially in the form attached hereto as **Exhibit A**, granting the Motion and the relief requested herein as well as any further relief the Court deems just and proper.

For remote and hybrid hearings in Judge Jernigan's court, the notice of hearing must (1) advise case participants that appearances by WebEx are permitted, (2) include notice of the WebEx Meeting Link https://us-courts.webex.com/meet/jerniga, and (3) refer participants to Judge Jernigan's webpage at https://www.txnb.uscourts.gov/judges-info/hearing-dates/chief-judge-jernigans-hearing-dates for WebEx Hearing Instructions and Helpful Hints and Etiquette. When filing the notice of hearing in ECF, the filer should select https://us-courts.webex.com/meet/jerniga as the hearing location for all remote and hybrid hearings. Select the hearing location *Dallas Judge Jernigan Ctrm* only if participants are **required** to attend in person.

## WEBEX HEARINGS – CONNECTION INSTRUCTIONS

Please connect at least 10 minutes prior to the hearing time using one of the two options below. It is recommended that attorneys discuss the logistics of the WebEx appearance with their clients/witnesses at least 48 hours prior to the hearing.

**Option 1: Using the WebEx app on your smartphone, tablet, laptop, or desktop.**

- It is strongly preferred that participants who wish to speak during a hearing use the WebEx application rather than using the "call-in" option described in Option 2.
- Attorneys offering legal argument or conducting examination and all witnesses are required to utilize the video function. The Court may consider special requests for other appearance options on a case-by-case basis.
- Please connect using only one device. Using two or more devices may cause audio feedback issues.
- If using a smartphone or tablet for video, it should be set in a stationary position. Holding a phone or tablet in your hand while speaking does not yield a good video for the Court or other participants.

**NOTE: If you are experiencing audio issues when using the WebEx application,** you may use the "Call Me" selection under "Audio Connection" to move just the audio portion of the WebEx conference to your telephone.

**Option 2: Call-in via phone (audio only).**
The meeting number/access code and dial-in number can be found on the attached WebEx Connection Information. Please use *6 or the mute function on your smartphone to mute your line.

## HELPFUL HINTS AND ETIQUETTE

• Please use the mute function when you are not speaking. Please be aware that sometimes the Court mutes everyone when there is background noise. When you want to speak, make sure you are not muted. Call-in users should dial *6 to unmute your line.

• Remember to state your name for the record each time before speaking and speak slowly and clearly so the Court can get a good record. Also, use your proper name on your device or for your WebEx login when participating over video, so that the Court can more easily determine who is speaking.

• Use headphones whenever possible, especially if using a desktop PC with external speakers. We have found that newer iPhones provide the best visual and audio feed – better than most desktop computers. If you are on a personal computer, headphones or earbuds are required for those who need to speak during the hearing.

• During examination, attorneys and witnesses should use a separate camera and microphone when possible. To avoid feedback, parties using separate devices must not be in the same room. The Court may consider special requests on a case-by-case basis.

• WebEx participants may use the "share" button to easily share their screen or document with the Court or other WebEx participants. Press “stop sharing” to remove the presentation from the meeting.

• When making an appearance from a vehicle, please park in a safe location with windows rolled up (to minimize background distraction and noise) and use a headset that is ear-to-phone (not the vehicle’s hands-free speaker-phone option).

• Suggestions for participating in a WebEx hearing from home: If you are having connectivity problems, turn off devices that may be using bandwidth on your home network. Devices or applications such as Facetime, Roku, streaming media players, video games, or large downloads can negatively impact the audio and video quality of the WebEx meeting.

• Participants are reminded that they should wear attire suitable for court.

• Participants who wish to test their WebEx connection or the share screen functionality in advance of the hearing may arrange a “practice run” by contacting the courtroom deputy at sgj_settings@txnb.uscourts.gov.

## EXHIBITS AND DEMONSTRATIVE AIDS

Exhibits should be filed ahead of time by the date that they would normally be exchanged pursuant to our local rules using the "notice" or "list (witness/exhibit/generic)" event in ECF, with a true and correct copy of each designated exhibit filed as a separate, individual attachment, so that the Court and all participants have ready access to all designated exhibits. For voluminous exhibits, please provide the Court with two exhibit notebooks in advance of the hearing. For any witness who is to be called to testify remotely, the party calling the witness is responsible for supplying the witness or counsel, as appropriate, with paper copies of all designated exhibits prior to the hearing.
Demonstrative aids and PowerPoints should also be filed prior to the hearing, if possible. If not, WebEx has the ability to allow you to share your screen, or a particular document, with everyone in the hearing. If these documents are admitted as exhibits, they would then have to be filed after the hearing.

The Dugaboy Investment Trust ("Dugaboy") respectfully asks the Court to deny the *Motion for Order Fixing the Allowed Amount of Class 11 Interests*, filed by the Highland Claimant Trust ("Highland")[1] on August 8, 2025 (Dkt. 4362).

## I. INTRODUCTION

This dispute is about more than just determining the amount of Dugaboy's[2] Class 11 allowed claim. It will also determine the fate of any surplus funds or assets left over after all senior claimants have been paid in full. Highland says Dugaboy's claim should be reduced to a fixed dollar amount that puts a hard ceiling on any potential recovery. Dkt. 4362 at 1–2. Dugaboy instead contends Class 11 should share in any residual funds based on a *pro rata* percentage in proportion to its share of the equity ownership interests.[3] This is not an extravagant request, as Dugaboy only owns 0.5%[4] of the equity compared to HMIT's 99.5%. Under Dugaboy's approach, it has a fair chance of getting some money. Under Highland's approach, Dugaboy gets no money. Highland is wrong, and its Motion should be denied for four reasons.

---

[1] Except where otherwise specified, this Response uses "Highland" to refer to Highland Claimant Trust, the Movant on this Motion.

[2] For simplicity, this Response uses "Dugaboy" as a shorthand for all of the Class 11 interest-holders. The claimants in Class 11 include Dugaboy, Strand Advisors, Mark Okada individually, and two Okada Family Trust entities.

[3] *See* June 30, 2025 Hearing Transcript 245:25–246:18 (Dugaboy's closing argument).

[4] The 0.5% figure represents the total equity owned by all the members of Class 11. For Dugaboy by itself, its equity share is 0.1866%. *See* Hrg. Tr. 81:1–5.

***First***, both the confirmed Reorganization Plan ("Plan"), and the Claimant Trust Agreement ("CTA") require that any excess funds or surplus assets left over after all senior creditors have been paid in full must revert to the equity interest holders, which include Dugaboy as well as HMIT.

***Second***, longstanding principles of bankruptcy law and controlling precedent require that any distribution of excess funds be made on a *pro rata* or "ratable" basis, meaning that whatever the actual dollar amounts, Dugaboy is entitled to share in any such distribution in proportion to its 0.5% equity interest.

***Third***, the absolute priority rule does not block Dugaboy from sharing in a distribution of excess funds, because any such funds will only become available after all senior classes of creditors have been paid in full. To the contrary, the absolute priority rule helps Dugaboy because it prohibits senior creditors from receiving *more* than they are owed under the Plan and directs that excess value must be allocated to junior classes of creditors or equity.

***Finally***, Highland's proposed method for determining the value of Dugaboy's claim—the same method it previously used for HMIT's claim at the June 25, 2025 hearing[5]—must be rejected as both unreliable and contrary to the principles of

[5] Dugaboy acknowledges that the Court has already ruled on the allowed amount of HMIT's Class 10 claim. *See* Dkt. 4297. Dugaboy assures the Court that its continued argument on this issue is not meant to try the Court's patience but is merely for the sake of preserving error and avoiding waiver. Discussion of HMIT is also relevant because Highland is asking the Court to take exactly the same approach to valuing Dugaboy's interest as it did with HMIT. *See* Dkt. 4362 at 7 (asking the Court to allow the Class 11 interests "in a manner consistent with the HMIT Order").

bankruptcy law. Highland arbitrarily chose to calculate claim values based on the "value" given in the equity holders' limited partnership capital accounts, a number calculated for tax purposes that bears little relation to the market value of the partnership interest. And by limiting Dugaboy's claim to a fixed (and unreliable) number derived from its capital accounts, Highland improperly deprives Dugaboy of its right to *pro rata* treatment in proportion to its ownership share.

## II. BACKGROUND

Before its bankruptcy filing on October 16, 2019, the original debtor existed as a limited partnership entity named Highland Capital Management, L.P. ("HCMLP"). Dkt. 1943. As relevant here, HCMLP structured its limited partnership interests into three classes named "A", "B", and "C." HMIT acquired all of the Class B and C interests, which amounted to 99.5% of HCMLP's partnership interests. Several other entities (including Dugaboy) retained the Class A interests which amounted to the remaining 0.5% of HCMLP's equity. Dkt. 4362 at 3. For tax purposes, HCMLP was required to maintain "limited partner capital accounts" that purported to track the value of each partner's interest. *Id*. at 6.

On February 22, 2021, this Court confirmed the *Fifth Amended Plan of Reorganization* for HCMLP ("Plan") [Dkt. 1943] with an effective date of August 11, 2021 [Dkt. 2700]. As relevant here, the pre-petition limited partnership interests in HCMLP would become unvested Contingent Claimant Trust interests when their equity interests were allowed by the Court under the Plan (and once allowed, those

interests would only vest after more senior creditors were paid in full). Dkt. 4362 at 5. The pre-filing Class B and C interests owned by HMIT became Class 10, and the Class A interests owned by Dugaboy and others became Class 11. *Id*.

At the June 25, 2025 hearing, the Court heard argument and evidence on determining an allowed amount for HMIT's Class 10 equity interests. Claimant Trustee James Seery explained that he used the valuation in HMIT's capital account on the date the petition was filed ($394,630,871.53) as the basis for calculating HMIT's allowed amount for purposes of its bankruptcy claim. Hrg. Tr. 93:11–94:9. After subtracting the balance of approximately $57 million on a note HMIT owed to Highland, Seery arrived at a claim value of $336,940,230.58. *Id*. Despite strenuous objections from Dugaboy—which argued for calculating the allowed amounts for both HMIT and Dugaboy by using a *pro rata* percentage based on their respective 99.5%/0.5% equity ownership shares—the Court sided with Highland and allowed HMIT's Class 10 claim in the same fixed amount calculated by Seery. Dkt. 4297 ¶ 12; *see* Hrg. Tr. 245:25–247:23; 249:20–250:1.

In this Motion, Highland asks the Court to calculate Dugaboy's Class 11 allowed amount using the same method—*i.e*., the value of its limited partner capital account as of the petition date—it has already used for HMIT. For the reasons discussed below, the Court should decline that invitation.

## III. LEGAL STANDARD

Section 502 of the Bankruptcy Code provides that (subject to various exceptions not relevant here) if a claim is objected to, the Court "after notice and a hearing, shall determine the amount of such claim in lawful currency of the United States as of the date of the filing of the petition, and shall allow such claim in such amount." 11 U.S.C. § 502(b). The Court may also "estimate" the amount of any contingent or unliquidated claim, if fixing or liquidating such claim would cause undue delay. *Id*. § 502(c). While § 502 requires the Court to determine a dollar value, it does not dictate any specific method for doing so. Instead, the Court should choose the methods and sources of information that is best suited to the circumstances. *See In re Brints Cotton Marketing, Inc.*, 737 F.2d 1338, 1341 (5th Cir. 1984) ("In estimating a claim, the bankruptcy court should use whatever method is best suited to the circumstances.").

Section 1129 of the Bankruptcy Code sets forth the requirements that must be met for a proposed reorganization Plan to be confirmed by the bankruptcy court. One is the "Absolute Priority Rule," which requires that the claims of each senior class of creditors be paid in full before holders of junior claims can receive anything. 11 U.S.C. § 1129(b); *In re Pacific Lumber Co.*, 584 F.3d 229, 244–45 (5th Cir. 2009). Another is that the Plan be "fair and equitable" with respect to each class of claim holders. *Id*. § 1129(b).

## IV. ARGUMENT

Imagine there is money left over after paying every senior class of creditors the full amounts they are owed under the Plan. This is not farfetched. After paying off Class 9, there could be as much as $45–$50 million left for distribution to Classes 10 and 11. *See* Hrg. Tr. 81:15–18. HMIT has a significant interest in these funds, given its 99.5% equity ownership share. The question is whether Dugaboy can claim the remaining 0.5% of any excess funds based on its own equity rights, even if those funds exceed whatever fixed amount the Court may have used for valuing Dugaboy's allowed claim. The answer, as explained below, is a resounding yes.

### A. Excess funds and surplus assets revert to the equity interest holders.

Both the Plan and the Contingency Trust Agreement make express provision for the disposition of any funds or assets that may be left over after all classes of creditors have been paid in full under the Plan. Upon the wind-down and dissolution of the Reorganized Debtor and the Claimant Trust, "any remaining Claimant Trust Assets ***that exceed the amounts required to be paid under the Plan***" will be transferred to the holders of the claimant trust interests, *i.e.*, the Class 10 and Class 11 claimants. Plan, Art. IV(B)(14) (emphasis added); *see* similar provisions at Plan IV(A), IV(C) and CTA ¶ 9.2. This is consistent with the Bankruptcy Code, which provides that any distribution of estate property must go, in the last instance, to the debtor. *See* 11 U.S.C. § 726(a)(6).

**B. Dugaboy is entitled to its *pro rata* share of any excess funds.**

Highland's proposal to put a fixed ceiling on Dugaboy's allowed claim and cut it off from any further share in excess funds is contrary to the letter and spirit of the Bankruptcy Code, the confirmed Reorganization Plan, and the Claimant Trust Agreement. All of these make clear that holders of contingent equity interests like Dugaboy are entitled to their ***pro rata*** proportionate ownership shares without being limited by any fixed ceiling. The Plan specifically provides that both Class 10 (HMIT) and Class 11 (Dugaboy and others) will receive their "Pro Rata share of the Contingent Claimant Trust Interests." Plan Art. III, H(10) and (11); *see* CTA ¶ 5.1(c) (providing that Class 10 and Class 11 holders will receive contingent trust interests "***equal to the ratio***" that each holder's allowed interest bears to the total amount of allowed interests for their respective class).

These requirements reflect the Bankruptcy Code's statutory interest in upholding the "important norm" in corporate finance of similar treatment for similarly situated creditors. *In re Serta Simmons Bedding, Inc.*, 125 F.4th 555, 565 (5th Cir. 2024). In bankruptcy, that statutory purpose takes the form of mandates to bring about a "ratable [*i.e.*, *pro rata*] distribution" of assets among the creditors. *Brints*, 737 F.2d at 1341; *see Vanston Bondholders Protective Comm. v. Green,* 329 U.S. 156, 162–63 (1946) ("[A] purpose of bankruptcy is to administer an estate as to bring about a ***ratable distribution*** of assets among the bankrupt's creditors.") (emphasis added). "Ratable treatment is such an important norm that it is often

described as a lender's 'sacred right' under syndicated loan agreements." *Serta Simmons*, 125 F.4th at 565.

Disregarding these clear and powerful authorities, Highland contends that because of the absolute priority rule and contractual subordination clauses, HMIT would get 100% of any excess leftover funds—regardless of their amount—and Dugaboy would get nothing beyond the fixed ceiling of the amount allowed by the Court. Hrg. Tr. 133:9–134:3 (Seery testimony); *see* Plan ¶ I(B)(44) (stating Class A interests will be subordinated to Class B/C interests); CTA ¶5.1(c) (same). This contention is wrong, as explained next.

### C. The Absolute Priority Rule does not defeat Dugaboy's right to share in any surplus funds.

Highland misunderstands the purpose of the absolute priority rule, which is to meet the statutory requirement for "fair and equitable" treatment by ensuring each class is fully paid in order of its priority before the next junior class gets anything at all. *See* 11 U.S.C. § 1129(b)(2)(C); *In re Seaquest Diving, L.P.*, 579 F.3d 411, 420 n.5 (5th Cir. 2009) ("The absolute priority rule requires that certain classes of claimants be paid in full before any member of a subordinate class is paid."). But in a scenario where excess cash remains after ***every creditor class has been paid in full***, the absolute priority rule has served its purpose and no longer poses an obstacle to distribution of residual funds. *See, e.g.*, *In re Introgen Therapeutics*, 429 B.R. 570, 585 (Bankr. W.D. Tex. 2010) (acknowledging that absolute priority "would not be an issue" after higher-priority classes are paid in full). Instead, here that distribution

is governed by the terms of the Plan and the Claimant Trust Agreement, which provide that excess funds will eventually be distributed to the equity interest holders (*i.e.*, HMIT and Dugaboy) in proportion to their percentage interest. *See* Section IV(A) above. In that scenario, Dugaboy's designation under Class 11 and HMIT's Class 10 is not a subordination; the Plan and other legal principles require that all equity holders be paid pro rata from excess funds. The designations do not strip Dugaboy of its 0.5% equity share or the right to participate in distributions of excess funds that comes with it.

If the Court allows HMIT to collect 100% (rather than its pro rata share of 99.5%) of any residual funds, while barring Dugaboy's participation by holding it under the hard ceiling of a fixed dollar amount, it will violate an important corollary to the absolute priority rule that prohibits senior classes of claimholders from receiving ***more than*** the full amount they are owed under the Plan. *See, e.g.*, *In re Idearc, Inc*., 423 B.R. 138, 170 (Bankr. N.D. Tex. 2009) ("The corollary of the absolute priority rule is that senior classes cannot receive more than a one hundred percent (100%) recovery for their claims."). Instead, the excess value "must be allocated to junior classes of debt or equity, as the case may be." *In re Granite Broadcasting Corp*., 369 B.R. 120, 140–41 (Bankr. S.D.N.Y. 2007). This rule is intended to protect junior classes from greedy overreach by senior creditors. Because there is no class more junior than Dugaboy's Class 11, this rule is meant to protect

Dugaboy and ensure it is not wrongfully deprived of the rights and benefits of its 0.5% share.

### D. No authority supports Highland's use of limited partner capital accounts to set the proposed allowed value of the claims of Classes 10 and 11.

Although Highland's Claimant Trustee James Seery rejected the use of a *pro rata* approach in this case, he admitted under cross-examination that using equity ownership percentages was a "standard" methodology he had employed in other cases to value a partnership interest for sale or liquidation. Hrg. Tr. 132:24–133:8. Seery also admitted that the underlying limited partnership agreement expressed HMIT's and Dugaboy's relative equity interests as percentages (99.5% and 0.5% respectively) and not fixed dollar amounts. *Id*. 94:10–12.

By contrast, no authority supports Seery's arbitrary choice to use pre-petition limited partner capital accounts as the basis for calculating the value of allowed claims for equity interest holders. *See id*. 93:11–94:9. The Bankruptcy Code does not even mention (let alone require) such an approach, and it is similarly absent from both the Plan and the Claimant Trust Agreement. That's probably for a good reason. Because partnership capital accounts are maintained and calculated largely for tax purposes (*see* Dkt. 4362 at 4), the resulting book values may bear little relation to what an equity interest might command in a market sale.

Contrary to the usual practice in complex bankruptcies, no one has performed an expert valuation of HMIT's equity interest. *See, e.g.*, *Granite Broadcasting*, 369

B.R. at 140–41 (describing the lengthy and detailed valuation analyses performed by both sides' experts). Thus, little reliance can be placed on Seery's back-of-the-envelope estimation that HMIT's claim is worth over $336 million. *See* Hrg. Tr. 110:14–111:6. And the Court can give no greater confidence to Highland's assertion (based on the same dubious methodology) that Dugaboy's interest should be capped at a fixed ceiling of $740,081.61. *See* Dkt. 4362 at 1. This approach unfairly and inequitably cuts off Dugaboy from its right to participate in any distributions of excess assets according to its 0.5% *pro rata* equity share. Even in a bankruptcy, equity deserves to be treated equitably.

All of this acceleration of the determination of the value of equity interests is untimely and unnecessary. It puts the cart before the horse. There is no reason—and Highland has offered none—for the Court to strain to adopt a methodology to value the claim of each equity holder. The Plan takes care of this, providing that each equity holder should be paid *pro rata* from excess funds that arise. When excess funds arise, they should be divided according to the equity ownership percentages. Highland's effort prematurely to make these determinations is without need or cause or reason and should be rejected.

## V. CONCLUSION AND PRAYER

For the reasons above, Dugaboy respectfully asks the Court to deny Highland's Motion.

**REPLY IN SUPPORT OF MOTION FOR ORDER FIXING ALLOWED AMOUNT OF CLASS 11 INTERESTS**

The Highland Claimant Trust (the "Claimant Trust") submits this reply (the "Reply") in further support of its *Motion for Order Fixing Allowed Amount of Class 11 Interests* [Docket No. 4362] (the "Motion") and in opposition to *Dugaboy Investment Trust's Response Opposing*

[1] Highland's last four digits of its taxpayer identification number are (8357). The headquarters and service address for Highland is 100 Crescent Court, Suite 1850, Dallas, TX 75201.

*Highland Claimant Trust's Motion for Order Fixing Allowed Amount of Class 11 Interests* [Docket No. 4384] (the "Objection") filed by The Dugaboy Investment Trust ("Dugaboy"). In further support of the Motion, the Claimant Trust states as follows:

## I. PRELIMINARY STATEMENT[2]

1. Dugaboy's Objection impermissibly requires the rewriting of the Plan and the Claimant Trust Agreement ("CTA") so that Class 10 and Class 11 would no longer be treated as distinct Classes of Contingent Claimant Trust Interests but instead would effectively be collapsed into a single Class with Class 11 treated *pari passu* with Class 10. But Class 11 is not *pari passu* with Class 10; it is expressly subordinated to Class 10 and that Plan treatment cannot be changed.

2. Dugaboy mischaracterizes the Plan, the CTA, and the Bankruptcy Code's absolute priority rule, ignores this Court's prior orders, and renders meaningless the mandated distinction between Classes 10 and 11; indeed, under Dugaboy's new approach, the rationale for Class 11 would cease to exist. Dugaboy's proposal has no basis in law or fact and must be rejected for several reasons.

3. ***First***, Dugaboy's argument that the Plan and the CTA require *pro rata* distributions between Classes 10 and 11 is plainly wrong. The Debtor's prepetition limited partnership agreement created different classes of limited partnership interests, each of which had different rights. The Plan, the Confirmation Order, and the CTA respected these differences by, among other things, creating separate classes of interests—Classes 10 and 11—and expressly subordinating Class 11 to Class 10. As a result of this priority structure, Class 10 must be paid in full before Class 11 can receive anything. Dugaboy cannot now rewrite the plain language of the Plan.

[2] Capitalized terms used but not defined herein have the meanings given to them in the Motion or below.

4. ***Second***, Dugaboy ignores this Court's prior orders allowing the claims of the two Class 10 Interest holders (HMIT and HCLOM) in fixed dollar amounts. Consequently, Dugaboy's proposed Plan modification cannot work and would result in the disparate treatment among Class 10 Interest holders, since HCLOM is not a former limited partner and has no former prepetition percentage interest in the Debtor.

5. ***Third,*** Dugaboy's legal arguments in support of its Objection are misplaced. Dugaboy argues that bankruptcy law requires *pro rata* distribution to ensure that similar claims are treated the same. But, Class 10 and Class 11 Interests are not the same, were properly separately classified in the Plan, and Class 11 is expressly subordinate to Class 10. The Confirmation Order cementing that treatment is final; and notably, Dugaboy never objected to the Plan's differing treatment of Classes 10 and 11. Dugaboy's new scheme would also turn the absolute priority rule on its head by forcibly gifting Class 11, a junior class, a distribution *before* Class 10, a senior class, is paid in full.

6. Class 11 is subordinate to Class 10, and the Plan requires the fixing of the dollar amounts of the Class 10 and Class 11 Interests in order to satisfy that subordination.[3] Section 502 requires the calculation of those interests as of the Petition Date, and using their respective Petition Date capital accounts is faithful to principles of partnership law, the Debtor's Limited Partnership Agreement as of the Petition Date, and the Plan. It is the only logical method to use in this case—as this Court ruled previously when fixing HMIT's Class 10 Interest.

7. For the reasons set forth herein and that will be established at the hearing, Dugaboy's Objection should be overruled, and the Motion should be granted.

[3] As James Dondero and Dugaboy know, the fixing of the Class 10 Interests also enabled HMIT and HCLOM to share the prior Class 10 distributions consistent with the written agreement between them.

## II. REPLY

8. Notwithstanding the plain language of the Plan, Dugaboy argues the Class 10 and Class 11 Interests should not be reduced to a fixed amount and it should share in any distributions to Class 10 based on its 0.1866% prepetition Class A limited partnership percentage interest in the Debtor. Dugaboy ignores the seniority of the Class 10 Interests already held by HMIT and HCLOM (which had no prepetition percentage interest in the Debtor) and collapses Class 10 and Class 11 into a single Class with no distinctions whatsoever. Dugaboy's proposal is contrary to the Bankruptcy Code, the Plan, the CTA, and this Court's prior orders.

9. Dugaboy pretends the Class 11 Interests are *pari passu* with the Class 10 Interests; they are not. On the Effective Date, all Highland limited partnership interests were extinguished, and the former limited partners became entitled to receive Class 10 Contingent Trust Interests if they held Class B/C Limited Partnership Interests and Class 11 Contingent Trust Interests if they held Class A Limited Partnership Interests.[4] Dugaboy's suggestion that the Plan provides for *pro rata* treatment among holders of Class 10 and Class 11 is simply false.

10. The Plan and the CTA recognized the priorities in Highland's prepetition Limited Partnership Agreement by expressly subordinating holders of Class 11 Interests to holders of Class 10 Interests.[5] Although Dugaboy filed an extensive objection to the Plan [Docket No. 1667], it did not object to the separate classification of Class A Limited Partnership Interests in

[4] *See, e.g.*, Plan, Art. III.H.10, 11 (allocating Class 10 Interests to holders of Allowed Class B/C Limited Partnership Interests and Class 11 Interests to Holders of Allowed Class A Limited Partnership Interests); CTA, § 5.1(c) ("The Claimant Trustee shall allocate to each Holder of Allowed Class 10 Class B/C Limited Partnership Interests and each Holder of Allowed Class 11 Class A Limited Partnership Interests a Contingent Trust Interest equal to the ratio that the ***amount*** of each Holder's Allowed Class 10 or Class 11 Interest bears to the total ***amount*** of the Allowed Class 10 or Class 11 Interests, as applicable, under the Plan.") (emphasis added).

[5] Plan, Art. I.A.44 ***("[T]he Contingent Claimant Trust Interests distributed to the Holders of Class A Limited Partnership Interests will be subordinated to the Contingent Claimant Trust Interests distributed to the Holders of Class B/C Limited Partnership Interests***.") (emphasis added); CTA, § 5.1(c) ("***The Equity Trust Interests distributed to Allowed Holders of Class A Limited Partnership Interests shall be subordinated to the Equity Trust Interests distributed to Allowed Holders of Class B/C Limited Partnership Interests***.") (emphasis added).

Class 11 and Class B/C Limited Partnership Interests in Class 10 or the subordination of Class 11 to Class 10 (nor did anyone else). And, in the Confirmation Order, this Court found the separate classification of Interests into Class 10 and Class 11 was proper because the Class B/C Limited Partnership Interests and Class A Limited Partnership Interests were not similarly situated, had different payment priorities, and required different treatment.[6] Accordingly, Class 10 and Class 11 are not now (and never were) similarly situated and, to reflect the differences in the prepetition limited partnership interests, ***the Plan expressly subordinated Class 11 to Class 10***. Class 11 cannot receive a penny until Class 10 is paid in full.

11. Dugaboy's proposed plan modification also ignores that the Class 10 Interests held by HMIT and HCLOM were previously allowed in fixed dollar amounts and are not subject to adjustment. The HCLOM Order, which Dugaboy approved, was entered on December 27, 2024, and granted HCLOM, an entity controlled by Dugaboy, an Allowed Class 10 Interest in a fixed dollar amount of $10,140,633.26. The HCLOM Order was not appealed and is final.[7]

12. On May 19, 2025, Highland and the Claimant Trust moved, *inter alia*, to allow HMIT's Class 10 Interest in an amount equal to its capital account balance in Highland as of the Petition Date, less amounts HMIT owed the estate [Docket No. 4216] (the "HMIT Motion").[8] On June 25, 2025, during the hearing on the HMIT Motion, Dugaboy orally objected (for the first time) to the methodology used to allow HMIT's Class 10 Interests and asked this Court not

[6] *See, e.g.*, Confirmation Order ¶ 36 ("The Plan properly separately classifies the Equity Interests in Class 10 … from the Equity Interests in Class 11 … because they represent different types of equity security interests in the Debtor and different payment priorities.").

[7] After the HCLOM Order was entered, HMIT and HCLOM agreed to an allocation of distributions between them as the holders of Class 10 Interests. *See Intercreditor and Participation Agreement* dated as of January 10, 2025, and filed as Exhibit 69 at Docket No. 4255. HMIT and HCLOM have already given effect to their agreement by actually sharing the distributions HMIT received under its settlement agreement with Highland.

[8] Dugaboy objected to the HMIT Motion [Docket No. 4230] and requested discovery. Highland and the Claimant Trust produced to Dugaboy voluminous discovery concerning Highland's remaining assets and liabilities and the current projected value of those assets and liabilities. Tr. (6/25/25 hearing) at 91:8-16.

to fix HMIT's Class 10 Interests but to permit Class 10 and Class 11 to receive their supposed "*pro rata*" share of the estate's remaining assets, substantively the same plan modification raised in the Objection. *See*, *e.g.*, Tr. (6/25/25 hearing) at 79:24-80:19; 81:1-82:15.[9]

13. On June 30, 2025, this Court entered the HMIT Order and allowed HMIT's Class 10 Interest "in the amount of $336,940,230.58," *i.e.*, the value of HMIT's capital account on the Petition Date ($394,630,871.53), minus the HMIT Note Balance ($57,690,640.95).[10]

14. Dugaboy ignores the fixed dollar amount of HMIT's Interest and does not even consider how the final HCLOM order would be affected. The fixed amount of HCLOM's Class 10 Interest (a) was acknowledged and agreed to by Dugaboy, (b) is not subject to appeal, and (c) cannot be squared with Dugaboy's new proposal. In contrast, fixing the dollar amount of the Allowed Class 11 Interests as the Claimant Trust proposes, allows for the calculation of (i) the dollar amount of distributions to each Class 10 holder, and (ii) once Class 10 has been paid in full, the dollar amount of any theoretical distributions to each Class 11 holder, in each case, as required by the Plan, the Confirmation Order, and the CTA.

15. In short, Dugaboy fails to take into account that (a) HMIT and HCLOM's Class 10 Interests were previously allowed in a fixed amount and (b) HCLOM was never a limited partner of Highland and therefore could never receive its "*pro rata*" share of anything based on former limited partnership interests.

---

[9] At the hearing, Highland and the Claimant Trust introduced significant documentary evidence, including evidence showing the current value of Highland's assets and liabilities. James P. Seery, Jr., the trustee of the Claimant Trust, also described the methodology used to value HMIT's Class 10 Interest. The evidence showed that the respective capital accounts represented each limited partner's interest in the estate's profits and losses and the approximate amount they would have expected to receive if Highland were liquidated as of the Petition Date. The evidence also showed that (a) the capital accounts were maintained in the ordinary course of Highland's business; (b) both Mr. Dondero and Mr. Waterhouse were actively involved in the calculation of each limited partner's capital accounts; and (c) both Mr. Dondero and Mr. Waterhouse signed tax documents, under penalty of perjury, attesting to the calculation of the capital accounts and each partner's allocable share of Highland's value. *See* Tr. (6/25/25 hearing) at 93:8-97:11; 110:10-111:6; Exhibits 113-118 (Docket No. 4255).

[10] Dugaboy has appealed the HMIT Order; however, the HMIT Order is still binding unless and until overturned on appeal.

16. Dugaboy also now argues that treating Class 10 and Class 11 differently violates the absolute priority rule because "where excess cash remains after ***every creditor class has been paid in full***, the absolute priority rule has served its purpose and no longer poses an obstacle to distribution of residual funds."[11] Dugaboy is wrong because it ignores 11 U.S.C. § 1129(b)(2)(C)(ii), which provides that, absent consent, "[t]he holder of any interest that is junior to the interests of such class will not receive or retain under the plan on account of such junior interest any property." The Confirmation Order created Class 10 and Class 11 because the Class B/C Limited Partnership Interests (placed in Class 10) and the Class A Limited Partnership Interests (placed in Class 11) were not substantially similar and had different payment priorities.[12] The Plan accounted for the differences in Highland's limited partnership interests by subordinating Class 11 to Class 10. Allowing Class 11, a junior equity class, to receive anything of value before Class 10, a senior equity class, is paid in full violates the Plan and the absolute priority rule, too. Fixing the Class 11 amount and honoring the Plan subordination is not an option; it is required.

17. Section 502(b) of the Bankruptcy Code provides for a determination of the amount of a claim or interest "as of the date of the filing of the petition …."[13] The Claimant Trust's detailed capital account methodology honors Section 502(b) and allows the Class 10 and Class 11 Interests at the gross amount such interest holders would have received in a hypothetical liquidation of Highland's assets ***on the Petition Date*** calculated consistently with amounts set and approved (and sworn to) by Mr. Dondero and Mr. Waterhouse. Dugaboy ignores the timing requirement in Section 502(b) and seeks to allow the Class 11 Interests in

[11] Objection at 8-9 (emphasis in original).
[12] *See, e.g.*, Confirmation Order ¶ 36.
[13] 11 U.S.C. § 502(b).

amounts determined at some future date when the net assets are actually distributed.

18. Using each former limited partner's respective Petition Date capital account to fix the dollar amount of its Interest respects (a) the way Highland allocated the value of its assets and liabilities to its limited partners prior to and on the Petition Date,[14] (b) the priorities in the Limited Partnership Agreement and the Plan, (c) this Court's prior orders, and (d) the requirements of 11 U.S.C. § 502(b). Using the capital accounts results in each former limited partner's Interest—regardless of whether in Class 10 or Class 11—being allowed in an amount consistent with the capital account balances delivered to the partners and reported to the IRS on their respective Form K-1s both before and after the Petition Date.

| Interest Holder | Class | Petition Date Capital Account Balance |
|---|---|---|
| HMIT | Class 10 | $394,630,871.53* |
| Dugaboy | Class 11 | $740,081.61 |
| Strand Advisors, Inc. | Class 11 | $994,707.76 |
| Mark K. Okada | Class 11 | $192,754.38 |
| The Mark and Pamela Okada Family Trust – Exempt Trust #1 | Class 11 | $38,868.17 |
| The Mark and Pamela Okada Family Trust – Exempt Trust #2 | Class 11 | $16,657.79 |
| | **TOTALS:** | **$396,613,941.24** |

19. In contrast, Dugaboy ignores (a) the priority provisions of the Limited Partnership Agreement and the resulting waterfall priorities in the Plan and CTA, (b) that HMIT's Class 10 Interest is fixed and HCLOM's Class 10 Interest is not only fixed but is incapable of being adjusted on a *pro rata* basis because it was never a limited partner, and (c) that the Class 11 Interests must be valued as of the Petition Date.

[14] The Limited Partnership Agreement required Highland to maintain a capital account for each limited partner that was (a) credited with (i) all property contributed to Highland by such limited partner and (ii) such limited partner's allocable share of Highland's profits and (b) debited by (i) all property distributed to the limited partner and (ii) the limited partner's allocable share of Highland's losses. LPA § 3.7(a); *see also Delaware Revised Uniform Partnership Act*, § 15-401(a). Consistent with that requirement, Highland, while under Mr. Dondero's control, continually updated each limited partner's capital account with its allocable share of profits and losses and reported such amounts to the Internal Revenue Service under penalty of perjury as "true, correct, and complete."

20. For the reasons set forth in the Motion and here, the Court should overrule Dugaboy's Objection and grant the Motion.

(c) Consequences to Defaulting Partners. In the event a Partner is in default under Section 3.1(b) (a "***Defaulting Partner***"), the Defaulting Partner, in its sole and unfettered discretion, may elect to take either one of the option set forth below.

If the Defaulting Partner so elects, the General Partner shall make a loan to the Defaulting Partner in an amount equal to that Defaulting Partner's additional capital contribution (a "***Default Loan***"). A Default Loan shall be deemed advanced on the date actually advanced. Default Loans shall earn interest on the outstanding principal amount thereof at a rate equal to the Applicable Federal Mid-Term Rate (determined by the Internal Revenue Service for the month in which the loan is deemed made) from the date actually advanced until the same is repaid in full. If the General Partner makes a Default Loan, the Defaulting Partner shall be deemed to have pledged to the General Partner and granted to the General Partner a continuing first priority security interest in, all of the Defaulting Partner's Partnership Interest to secure the payment of the principal of, and interest on, such Default Loan in accordance with the provisions hereof, and for such purpose this Agreement shall constitute a security agreement. The Defaulting Partner shall promptly execute, acknowledge and deliver such financing statements, continuation statements or other documents and take such other actions as the General Partner shall request in writing in order to perfect or continue the perfection of such security interest; and, if the Defaulting Partner shall fail to do so within seven (7) days after the Defaulting Partner's receipt of a notice making demand therefor, the General Partner is hereby appointed the attorney-in-fact of, and is hereby authorized on behalf of, the Defaulting Partner, to execute, acknowledge and deliver all such documents and take all such other actions as may be required to perfect such security interest. Such appointment and authorization are coupled with an interest and shall be irrevocable. The General Partner shall, prior to exercising any right or remedy (whether at law, in equity or pursuant to the terms hereof) available to it in connection with such security interest, provide to the Defaulting Partner a notice, in reasonable detail, of the right or remedy to be exercised and the intended timing of such exercise which shall not be less than five (5) days following the date of such notice.

(ii) Reduction of Percentage Interest. If the Defaulting Partner does not elect to obtain a Default Loan pursuant to Section 3.1(c)(i), the General Partner shall reduce the Defaulting Partner's Percentage Interest in accordance with the following formula:

> The Defaulting Partner's new Percentage Interest shall equal the product of (1) the Defaulting Partner's current Percentage Interest, multiplied by (2) the quotient of (a) the current Capital Account of the Defaulting Partner (with such Capital Account determined after taking into account a revaluation of the Capital Accounts immediately prior to such determination), divided by (b) the sum of (i) the current Capital Account of the Defaulting Partner (with such Capital Account determined after taking into account a revaluation of the Capital Accounts immediately prior to such determination), plus (ii) the amount of the additional capital contribution that such Defaulting Partner failed to make when due.

To the extent any downward adjustment is made to the Percentage Interest of a Partner pursuant to this Section 3.1(c)(ii), any resulting benefit shall accrue to the Partners (other than the Defaulting Partner) in proportion to their respective Percentage Interests.

(ii) Next, to the Partners in proportion to their respective positive Capital Account balances until the aggregate Capital Account balances of the Partners (excluding any negative Capital Account balances) equal zero; *provided, however,* losses shall first be allocated to reduce amounts that were last allocated to the Capital Accounts of the Partners; and

(iii) Then, to all Partners in proportion to their respective Percentage Interests.

(c) Limitation on Loss Allocations. If any allocation of Losses would cause a Limited Partner to have an Adjusted Capital Account Deficit, those Losses instead shall be allocated to the General Partner.

**3.3. Allocations on Transfers.** Taxable items of the Partnership attributable to a Partnership Interest that has been Transferred (including the simultaneous decrease in the Partnership Interest of existing Partners resulting from the admission of a new Partner) shall be allocated in accordance with Section 4.3(d).

**3.4. Special Allocations.** If the requisite stated conditions or facts are present, the following special allocations shall be made in the following order:

(a) Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 3, if there is a net decrease in Partnership Minimum Gain during any taxable year or other period for which allocations are made, prior to any other allocation under this Agreement, each Partner shall be specially allocated items of Partnership income and gain for that period (and, if necessary, subsequent periods) in proportion to, and to the extent of, an amount equal to that Partner's share of the net decrease in Partnership Minimum Gain during that year determined in accordance with Treasury Regulations Section 1.704-2(g)(2). The items to be allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(g). The items to be so allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(g). This Section 3.4(b) is intended to comply with the partner nonrecourse debt minimum gain chargeback requirements of the Treasury Regulations, shall be interpreted consistently with the Treasury Regulations and shall be subject to all exceptions provided therein.

(c) Qualified Income Offset. If a Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (d)(5) or (d)(6), then items of Partnership income and gain shall be specially allocated to each such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of the Partner as quickly as possible; *provided, however,* an allocation pursuant to this Section 3.4(c) shall be made if and only to the extent that the Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 3 have been tentatively made without considering this Section 3.4(c).

(d) Gross Income Allocation. If a Partner has a deficit Capital Account at the end of any Fiscal Year of the Partnership that exceeds the sum of (i) the amount the Partner is obligated to restore, and (ii) the amount the Partner is deemed to be obligated to restore pursuant to the penultimate sentences of Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), then each such Partner shall be specially allocated items of income and gain of the Partnership in the amount of the excess as quickly as possible; *provided, however,* an allocation pursuant to this Section 3.4(d) shall be made if and only to

the extent that the Partner would have a deficit Capital Account in excess of that sum after all other allocations provided for in this Article 3 have been tentatively made without considering Section 3.4(c) or 3.4(d).

(e) Nonrecourse Deductions. Nonrecourse Deductions for any taxable year or other period for which allocations are made shall he allocated among the Partners in accordance with their Percentage interests.

(f) Partner Nonrecourse Deductions. (g) Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any asset of the Partnership under Code Section 734(b) or Code Section 743(b) is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of the adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis of the asset) and that gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to that Section of the Treasury Regulations.

Any allocable items of income, gain, expense, deduction or credit required to be made by Section 481 of the Code as the result of the sale, transfer, exchange or issuance of a Partnership Interest will be specially allocated to the Partner receiving said Partnership Interest whether such items are positive or negative in amount.

**3.5. Curative Allocations.** The "***Basic Regulatory Allocations***" consist of (i) the allocations pursuant to Section 3.2(c), and (ii) the allocations pursuant to Sections 3.4. Notwithstanding any other provision of this Agreement, the Basic Regulatory Allocations shall be taken into account in allocating items of income, gain, loss and deduction among the Partners so that, to the extent possible, the net amount of the allocations of other items and the Basic Regulatory Allocations to each Partner shall be equal to the net amount that would have been allocated to each such Partner if the Basic Regulatory Allocations had not occurred. For purposes of applying the foregoing sentence, allocations pursuant to this Section 3.5 shall be made with respect to allocations pursuant to Section 3.4 (g) and (h) only to the extent that it is reasonably determined that those allocations will otherwise be inconsistent with the economic agreement among the Partners. To the extent that a special allocation under Section 3.4 is determined not to comply with applicable Treasury Regulations, then the Partners intend that the items shall be allocated in accordance with the Partners' varying Percentage Interests throughout each tax year during which such items are recognized for tax purposes.

**3.6. Code Section 704(c) Allocations.** In accordance with Code Section 704(c) and the Treasury Regulations thereunder, income, gain, loss and deduction with respect to property contributed to the capital of the Partnership shall, solely for tax purposes, be allocated among the Partners so as to take account of any variation at the time of the contribution between the tax basis of the property to the Partnership and the fair market value of that property. Except as otherwise provided herein, any elections or other decisions relating to those allocations shall be made by the General Partner in any manner that reasonably reflects the purpose and intent of this Agreement. Allocations of income, gain, loss and deduction pursuant to this Section 3.6 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, the Capital Account of any Partner or the share

of Profits, Losses, other tax items or distributions of any Partner pursuant to any provision of this Agreement.

3.7. **Capital Accounts.**

(a) Maintenance of Capital Accounts. The Partnership shall establish and maintain a separate capital account (*"Capital Account"*) for each Partner in accordance with the rules of Treasury Regulations Section 1.704-1(b)(2)(iv), subject to and in accordance with the provisions set forth in this Section 3.7.

(i) The Capital Account balance of each Partner shall be credited (increased) by (A) the amount of cash contributed by that Partner to the capital of the Partnership, (B) the fair market value of property contributed by that Partner to the capital of the Partnership (net of liabilities secured by that contributed property that the Partnership assumes or takes subject to under Code Section 752), and (C) that Partner's allocable share of Profits and any items in the nature of income or gain which are specially allocated pursuant to Sections 3.4 and 3.5; and

(ii) The Capital Account balance of each Partner shall be debited (decreased) by (A) the amount of cash distributed to that Partner by the Partnership, (B) the fair market value of property distributed to that Partner by the Partnership (net of liabilities secured by that distributed property that such Partner assumes or takes subject to under Code Section 752), (C) that Partner's allocable share of expenditures of the Partnership described in Code Section 705(a)(2)(B), and (D) that Partner's allocable share of Losses and any items in the nature of expenses or losses which are specially allocated pursuant to Sections 3.2, 3.4 and 3.5.

The provisions of this Section 3.7 and the other provisions of this Agreement relating to the maintenance of Capital Accounts have been included in this Agreement to comply with Code Section 704(b) and the Treasury Regulations promulgated thereunder and will be interpreted and applied in a manner consistent with those provisions. The General Partner may modify the manner in which the Capital Accounts are maintained under this Section 3.7 in order to comply with those provisions, as well as upon the occurrence of events that might otherwise cause this Agreement not to comply with those provisions.

(b) Negative Capital Accounts. If any Partner has a deficit balance in its Capital Account, that Partner shall have no obligation to restore that negative balance or to make any Capital Contribution by reason thereof, and that negative balance shall not be considered an asset of the Partnership or of any Partner.

(c) Interest. No interest shall be paid by the Partnership on Capital Contributions or on balances in Capital Accounts.

(d) No Withdrawal. No Partner shall be entitled to withdraw any part of his/her/its Capital Contribution or his/her/its Capital Account or to receive any distribution from the Partnership, except as provided in Section 3.9 and Article 5.

(e) Loans From Partners. Loans by a Partner to the Partnership shall not be considered Capital Contributions.

(f) Revaluations. The Capital Accounts of the Partners shall not be "booked-up" or "booked-down" to their fair market values under Treasury Regulations Section 1.704(c)-1(b)(2)(iv)(f) or otherwise.

**3.8. Distributive Share for Tax Purpose.** All items of income, deduction, gain, loss or credit that are recognized for federal income tax purposes will be allocated among the Partners in accordance with the allocations of Profits and Losses hereunder as determined by the General Partner in its sole and unfettered discretion. Notwithstanding the foregoing, the General Partner may (i) as to each New Issue, specially allocate to the Partners who were allocated New Issue Profit from that New Issue any short-term capital gains realized during the Fiscal Year upon the disposition of such New Issue during that Fiscal Year, and (ii) specially allocate items of gain (or loss) to Partners who withdraw capital during any Fiscal Year in a manner designed to ensure that each withdrawing Partner is allocated gain (or loss) in an amount equal to the difference between that Partner's Capital Account balance (or portion thereof being withdrawn) at the time of the withdrawal and the tax basis for his/her/ its Partnership Interest at that time (or proportionate amount thereof); *provided, however,* that the General Partner may, without the consent of any other Partner, (a) alter the allocation of any item of taxable income, gain, loss, deduction or credit in any specific instance where the General Partner, in its sole and unfettered discretion, determines such alteration to be necessary or appropriate to avoid a materially inequitable result *(e.g.,* where the allocation would create an inappropriate tax liability); and/or (b) adopt whatever other method of allocating tax items as the General Partner determines is necessary or appropriate in order to be consistent with the spirit and intent of the Treasury Regulations under Code Sections 704(b) and 704(c).

**3.9. Distributions.**

(a) General. The General Partner may make such pro rata or non-pro rata distributions as it may determine in its sole and unfettered discretion, without being limited to current or accumulated income or gains, but no such distribution shall be made out of funds required to make current payments on Partnership indebtedness; provided, however, that the General Partner may not make non-pro rata distributions under this Section 3.9(a) during an NAV Ratio Trigger Period without the consent of the Class B Limited Partner (in the case of a Class B NAV Ratio Trigger Period) and/or the Class C Limited Partner (in the case of a Class C NAV Ratio Trigger Period); provided, further this provision should not be interpreted to limit in any way the General Partner's ability to make non-pro rata tax distributions under Section 3.9(c) and Section 3.9(f). The Partnership has entered into one or more credit facilities with financial institutions that may limit the amount and timing of distributions to the Partners. Thus, the Partners acknowledge that distributions from the Partnership may be limited. Any distributions made to the Class B Limited Partner or the Class C Limited Partner pursuant to Section 3.9(b) shall reduce distributions otherwise allocable to such Partners under this Section 3.9(a) until such aggregate reductions are equal to the aggregate distributions made to the Class B Partners and the Class C Partners under Section 3.9(b).

(b) Priority Distributions. Prior to the distribution of any amounts to Partners pursuant to Section 3.9(a), and notwithstanding any other provision in this Agreement to the contrary, the Partnership shall make the following distributions ("***Priority Distributions***") pro-rata among the Class B Limited Partner and the Class C Limited Partner in accordance with their relative Percentage Interests:

(i) No later than March 31st of each calendar year, commencing March 31, 2017, an amount equal to $1,600,000.00;

(ii) No later than March 31st of each year, commencing March 31, 2017, an amount equal to three percent (3%) of the Partnership's investment gain for the prior year, as reflected in the Partnership's books and records within ledger account number 90100 plus three percent (3%) of the gross realized investment gains for the prior year of Highland Select Equity Fund, as reflected in its books and records;

(iii) No later than March 31st of each year, commencing March 31, 2017, an amount equal to ten percent (10%) of the Partnership's Operating Cash Flow for the prior year; and

(iv) No later than December 24th of each year, commencing December 24, 2016, an amount equal to the aggregate annual principal and interest payments on the Purchase Notes for the then current year.

(c) Tax Distributions. The General Partner may, in its sole discretion, declare and make cash distributions pursuant hereto to the Partners to allow the federal and state income tax attributable to the Partnership's taxable income that is passed through the Partnership to the Partners to be paid by such Partners (a "***Tax Distribution***"). The General Partner may, in its discretion, make Tax Distributions to the Founding Partner Group without also making Tax Distributions to other Partners; provided, however, that if the General Partner makes Tax Distributions to the Founding Partner Group, Tax Distributions must also be made the Class B Limited Partner to the extent the Class B Limited Partner provides the Partnership with documentation showing it is subject to an entity-level federal income tax obligation. Notwithstanding anything else in this Agreement, the General Partner may declare and pay Tax Distributions even if such Tax Distributions cause the Partnership to be unable to make Priority Distributions under Section 3.9(b).

(d) Payments Not Deemed Distributions. Any amounts paid pursuant to Sections 4.1(e) or 4.1(h) shall not be deemed to be distributions for purposes of this Agreement.

(e) Withheld Amounts. Notwithstanding any other provision of this Section 3.9 to the contrary, each Partner hereby authorizes the Partnership to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Partnership with respect to that Partner as a result of that Partner's participation in the Partnership. If and to the extent that the Partnership shall be required to withhold or pay any such taxes, that Partner shall be deemed for all purposes of this Agreement to have received a payment from the Partnership as of the time that withholding or tax is paid, which payment shall be deemed to be a distribution with respect to that Partner's Partnership Interest to the extent that the Partner (or any successor to that Partner's Partnership Interest) is then entitled to receive a distribution. To the extent that the aggregate of such payments to a Partner for any period exceeds the distributions to which that Partner is entitled for that period, the amount of such excess shall be considered a loan from the Partnership to that Partner. Such loan shall bear interest (which interest shall be treated as an item of income to the Partnership) at the "Applicable Federal Rate" (as defined in the Code), as determined hereunder from time to time, until discharged by that Partner by repayment, which may be made in the sole and unfettered discretion of the General Partner out of distributions to which that Partner would otherwise be subsequently entitled. Any withholdings authorized by this Section 3.9(d) shall be made at the maximum applicable statutory rate under the applicable tax law unless the General Partner shall have received an opinion of counsel or other evidence satisfactory to the General Partner to the effect that a lower rate is applicable, or that no withholding is applicable.

(f) Special Tax Distributions. The Partnership shall, upon request of such Founding Partner, make distributions to the Founding Partners (or loans, at the election of the General Partner) in an amount necessary for each of them to pay their respective federal income tax obligations incurred through the effective date of the Third Amended and Restated Agreement of Limited Partnership of Highland Capital Management, L.P., the predecessor to this Agreement.

(g) Tolling of Priority Distributions. In the event of a "Honis Trigger Event," as defined in the Second Amended Buy-Sell and Redemption Agreement, the Partnership shall not make any distributions, including priority distributions under Section 3.9(b), to the Class B Limited Partner or the Class C Limited Partner until such time as a replacement trust administrator, manager and general partner,

as applicable, acceptable to the Partnership in its sole discretion, as indicated by an affirmative vote of consent by a Majority Interest, shall be appointed to the Class B Limited Partner/Class C Limited Partner and any of its direct or indirect owners that have governing documents directly affected by a Honis Trigger Event.

**3.10. Compensation and Reimbursement of General Partner.**

(a) Compensation. The General Partner and any Affiliate of the General Partner shall receive no compensation from the Partnership for services rendered pursuant to this Agreement or any other agreements unless approved by a Majority Interest; provided, however, that no compensation above five million dollars per year may be approved, even by a Majority Interest, during a NAV Ratio Trigger Period.

(b) Reimbursement for Expenses. In addition to amounts paid under other Sections of this Agreement, the General Partner and its Affiliates shall be reimbursed for all expenses, disbursements, and advances incurred or made, and all fees, deposits, and other sums paid in connection with the organization and operation of the Partnership, the qualification of the Partnership to do business, and all related matters.

**3.11. Books, Records, Accounting, and Reports.**

(a) Records and Accounting. The General Partner shall keep or cause to be kept appropriate books and records with respect to the Partnership's business, which shall at all times be kept at the principal office of the Partnership or such other office as the General Partner may designate for such purpose. The books of the Partnership shall be maintained for financial reporting purposes on the accrual basis or on a cash basis, as the General Partner shall determine in its sole and unfettered discretion, in accordance with generally accepted accounting principles and applicable law. Upon reasonable request, the Class B Limited Partner or the Class C Limited Partner may inspect the books and records of the Partnership.

(b) Fiscal Year. The fiscal year of the Partnership shall be the calendar year unless otherwise determined by the General Partner in its sole and unfettered discretion.

(c) Other Information. The General Partner may release information concerning the operations of the Partnership to any financial institution or other Person that has loaned or may loan funds to the Partnership or the General Partner or any of its Affiliates, and may release such information to any other Person for reasons reasonably related to the business and operations of the Partnership or as required by law or regulation of any regulatory body.

(d) Distribution Reporting to Class B Limited Partner and Class C Limited Partner. Upon request, the Partnership shall provide the Class B Limited Partner and/or the Class C Limited Partner information on any non-pro rata distributions made under Section 3.9 to Partners other than the Partner requesting the information.

**3.12. Tax Matters.**

(a) Tax Returns. The General Partner shall arrange for the preparation and timely filing of all returns of Partnership income, gain, loss, deduction, credit and other items necessary for federal, state and local income tax purposes. The General Partner shall deliver to each Partner as copy of his/her/its IRS Form K-1 as soon as practicable after the end of the Fiscal Year, but in no event later than October 1. The classification, realization, and recognition of income, gain, loss, deduction, credit and

other items shall be on the cash or accrual method of accounting for federal income tax purposes, as the General Partner shall determine in its sole and unfettered discretion. The General Partner in its sole and unfettered discretion may pay state and local income taxes attributable to operations of the Partnership and treat such taxes as an expense of the Partnership.

(b) Tax Elections. Except as otherwise provided herein, the General Partner shall, in its sole and unfettered discretion, determine whether to make any available tax election.

(c) Tax Controversies. Subject to the provisions hereof, the General Partner is designated the Tax Matters Partner (as defined in Code Section 6231), and is authorized and required to represent the Partnership, at the Partnership's expense, in connection with all examinations of the Partnership's affairs by tax authorities, including resulting administrative and judicial proceedings, and to expend Partnership funds for professional services and costs associated therewith. Each Partner agrees to cooperate with the General Partner in connection with such proceedings.

(d) Taxation as a Partnership. No election shall be made by the Partnership or any Partner for the Partnership to be excluded from the application of any of the provisions of Subchapter K, Chapter 1 of Subtitle A of the Code or from any similar provisions of any state tax laws.

not directly or indirectly secure, and are not otherwise at risk on account of, any indebtedness or other obligation of the General Partner or any director, officer, employee, agent, representative, or Affiliate thereof. Nothing in this Section 4.1(d) shall be deemed to prohibit or limit in any manner the right of the Partnership to lend funds to the General Partner or any Affiliate thereof pursuant to Section 4.1(e)(i). All withdrawals from or charges against such accounts shall be made by the General Partner or by its representatives. Funds of the Partnership may be invested as determined by the General Partner in accordance with the terms and provisions of this Agreement.

(e) Loans to or from General Partner; Contracts with Affiliates; Joint Ventures.

The Partnership, in the sole and unfettered discretion of the General Partner, may indemnify and hold harmless any Limited Partner, employee, agent, or representative of the Partnership, any Person who is or was serving at the request of the Partnership acting through the General Partner as a director, officer, partner, trustee, employee, agent, or representative of another corporation, partnership, joint venture, trust, or other enterprise, and any other Person to the extent determined by the General Partner in its sole and unfettered discretion, but in no event shall such indemnification exceed the indemnification permitted by the Delaware Act. Notwithstanding anything to the contrary in this Section 4.1(h) or elsewhere in this Agreement, no amendment to the Delaware Act after the date of this Agreement shall reduce or limit in any manner the indemnification provided for or permitted by this Section 4.1(h) unless such reduction or limitation is mandated by such amendment for limited partnerships formed prior to the enactment of such amendment. In no event shall Limited Partners be subject to personal liability by reason of the indemnification provisions of this Agreement.

(i) Liability of General Partner.

(i) Neither the General Partner nor its directors, officers, employees, agents, or representatives shall be liable to the Partnership or any Limited Partner for errors in judgment or for any acts or omissions that do not constitute gross negligence or willful or wanton misconduct.

(ii) The General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its directors, officers, employees, agents, or representatives, and the General Partner shall not be responsible for any misconduct or negligence on the part of any agent or representative appointed by the General Partner.

(j) Reliance by General Partner.

(i) The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(ii) The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers, and other consultants and advisers selected by it, and any opinion of any such Person as to matters which the General Partner believes to be within such Person's professional or expert competence shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by the General Partner hereunder in good faith and in accordance with such opinion.

(k) The General Partner may, from time to time, designate one or more Persons to be officers of the Partnership. No officer need be a Partner. Any officers so designated shall have such authority and perform such duties as the General Partner may, from time to time, delegate to them. The General Partner may assign titles to particular officers, including, without limitation, president, vice president, secretary, assistant secretary, treasurer and assistant treasurer. Each officer shall hold office until such Person's successor shall be duly designated and shall qualify or until such Person's death or

until such Person shall resign or shall have been removed in the manner hereinafter provided. Any number of offices may be held by the same Person. The salaries or other compensation, if any, of the officers and agents of the Partnership shall be fixed from time to time by the General Partner. Any officer may be removed as such, either with or without cause, by the General Partner whenever in the General Partner's judgment the best interests of the Partnership will be served thereby. Any vacancy occurring in any office of the Partnership may be filled by the General Partner.

**4.2. Rights and Obligations of Limited Partners.** In addition to the rights and obligations of Limited Partners set forth elsewhere in this Agreement, Limited Partners shall have the following rights and obligations:

(a) Limitation of Liability. Limited Partners shall have no liability under this Agreement except as provided herein or under the Delaware Act.

(b) Management of Business. No Limited Partner shall take part in the control (within the meaning of the Delaware Act) of the Partnership's business, transact any business in the Partnership's name, or have the power to sign documents for or otherwise bind the Partnership other than as specifically set forth in this Agreement.

(c) Return of Capital. No Limited Partner shall be entitled to the withdrawal or return of its Capital Contribution except to the extent, if any, that distributions made pursuant to this Agreement or upon termination of the Partnership may be considered as such by law and then only to the extent provided for in this Agreement.

(d) Second Amended Buy-Sell and Redemption Agreement. Each Limited Partner shall comply with the terms and conditions of the Second Amended Buy-Sell and Redemption Agreement.

(e) Default on Priority Distributions. If the Partnership fails to timely pay Priority Distributions pursuant to Section 3.9(b), and the Partnership does not subsequently make such Priority Distribution within ninety days of its due date, the Class B Limited Partner or the Class C Limited Partner may require the Partnership to liquidate publicly traded securities held by the Partnership or Highland Select Equity Master Fund, L.P., a Delaware limited partnership controlled by the Partnership; provided, however, that the General Partner may in its sole discretion elect instead to liquidate other non-publicly traded securities owned by the Partnership in order to satisfy the Partnership's obligations under Section 3.9(b) and this Section 4.2(e). In either case, Affiliates of the General Partner shall have the right of first offer to purchase any securities liquidated under this Section 4.2(e).

**4.3. Transfer of Partnership Interests.**

(a) Transfer. No Partnership Interest shall be Transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Section 4.3 and the Second Amended Buy-Sell and Redemption Agreement. Any Transfer or purported Transfer of any Partnership Interest not made in accordance with this Section 4.3 and the Second Amended Buy-Sell and Redemption Agreement shall be null and void. An alleged transferee shall have no right to require any information or account of the Partnership's transactions or to inspect the Partnership's books. The Partnership shall be entitled to treat the alleged transferor of a Partnership Interest as the absolute owner thereof in all respects, and shall incur no liability to any alleged transferee for distributions to the Partner owning that Partnership Interest of record or for allocations of Profits, Losses, deductions or credits or for transmittal of reports and notices required to be given to holders of Partnership Interests.

(b) Transfers by General Partner. The General Partner may Transfer all, but not less than all, of its Partnership Interest to any Person only with the approval of a Majority Interest; provided, however, that the General Partner may not Transfer its Partnership Interest during any NAV Ratio Trigger Period except to the extent such Transfers are for estate planning purposes or resulting from the death of the individual owner of the General Partner. Any Transfer by the General Partner of its Partnership Interest under this Section 4.3(b) to an Affiliate of the General Partner or any other Person shall not constitute a withdrawal of the General Partner under Section 4.5(a), Section 5.1(b), or any other provision of this Agreement. If any such Transfer is deemed to constitute a withdrawal under such provisions or otherwise and results in the dissolution of the Partnership under this Agreement or the laws of any jurisdiction to which the Partnership of this Agreement is subject, the Partners hereby unanimously consent to the reconstitution and continuation of the Partnership immediately following such dissolution, pursuant to Section 5.2.

(c) Transfers by Limited Partners. The Partnership Interest of a Limited Partner may not be Transferred without the consent of the General Partner (which consent may be withheld in the sole and unfettered discretion of the General Partner), and in accordance with the Second Amended Buy-Sell and Redemption Agreement.

(d) Distributions and Allocations in Respect of Transferred Partnership Interests. If any Partnership Interest is Transferred during any Fiscal Year in compliance with the provisions of Article 4 and the Second Amended Buy-Sell and Redemption Agreement, Profits, Losses, and all other items attributable to the transferred interest for that period shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during the period in accordance with Code Section 706(d), using any conventions permitted by law and selected by the General Partner; provided that no allocations shall be made under this Section 4.3(d) that would affect any special allocations made under Section 3.4. All distributions declared on or before the date of that Transfer shall be made to the transferor. Solely for purposes of making such allocations and distributions, the Partnership shall recognize that Transfer not later than the end of the calendar month during which it is given notice of that Transfer; ***provided, however,*** if the Partnership does not receive a notice stating the date that Partnership Interest was Transferred and such other information as the General Partner may reasonably require within thirty (30) days after the end of the Fiscal Year during which the Transfer occurs, then all of such items shall be allocated, and all distributions shall be made, to the person who, according to the books and records of the Partnership, on the last day of the Fiscal Year during which the Transfer occurs, was the owner of the Partnership Interest. Neither the Partnership nor any Partner shall incur any liability for making allocations and distributions in accordance with the provisions of this Section 4.3(d), whether or not any Partner or the Partnership has knowledge of any Transfer of ownership of any Partnership Interest.

(e) Forfeiture of Partnership Interests Pursuant to the Contribution Note. In the event any Class B Limited Partnership Interests are forfeited in favor of the Partnership as a result of any default on the Contribution Note, the Capital Accounts and Percentage Interests associated with such Class B Limited Partnership Interests shall be allocated pro rata among the Class A Partners. The Priority Distributions in Section 3.9(b) made after the date of such forfeiture shall each be reduced by an amount equal to the ratio of the Percentage Interest associated with the Class B Limited Partnership Interest transferred pursuant to this Section 4.3(e) over the aggregate Percentage Interests of all Class B Limited Partnership Interests and Class C Limited Partnership Interests, calculated immediately prior to any forfeiture of such Class B Limited Partnership Interest.

(f) Transfers of Partnership Interests Pursuant to the Purchase Notes. Notwithstanding any other provision in this Agreement, the Partnership shall respect, and the General Partner hereby provides automatic consent for, any transfers (in whole or transfers of partial interests) of

the Class C Limited Partnership Interests, or a portion thereof, if such transfer occurs as a result of a default on the Purchase Notes. Upon the transfer of any Class C Limited Partnership Interest to any member of the Founding Partner Group (or their assigns), such Class C Limited Partnership Interest shall automatically convert to a Class A Partnership Interest. The Priority Distributions in Section 3.9(b) shall each be reduced by an amount equal to the ratio of the Percentage Interest associated with the transferred Class C Limited Partnership Interest over the aggregate Percentage Interests of all Class B Limited Partnership Interests and Class C Limited Partnership Interests, calculated immediately prior to any transfer of such Class C Limited Partnership Interest.

**4.4. Issuances of Partnership Interests to New and Existing Partners.**

(a) Issuance of Partnership Interests to New Limited Partners. The General Partner may admit one or more additional Persons as Limited Partners ("Additional Limited Partners") to the Partnership at such times and upon such terms as it deems appropriate in its sole and unfettered discretion; provided, however, that the General Partner may only admit additional Persons as Limited Partners in relation to the issuance of equity incentives to key employees of the Partnership; provided, further that the General Partner may not issue such equity incentives to the extent they entitle the holders, in the aggregate, to a Percentage Interest in excess of twenty percent without the consent of the Class B Limited Partner and the Class C Limited Partner. All Class A Limited Partners, the Class B Limited Partner and the Class C Limited Partner shall be diluted proportionately by the issuance of such limited partnership interests. No Person may be admitted to the Partnership as a Limited Partner until he/she/it executes an Addendum to this Agreement in the form attached as Exhibit B (which may be modified by the General Partner in its sole and unfettered discretion) and an addendum to the Second Amended Buy-Sell and Redemption Agreement.

(b) Issuance of an Additional Partnership Interest to an Existing Partner. The General Partner may issue an additional Partnership Interest to any existing Partner at such times and upon such terms as it deems appropriate in its sole and unfettered discretion. Upon the issuance of an additional Partnership Interest to an existing Partner, the Percentage Interests of the members of the Founding Partner Group shall be diluted proportionately. Any additional Partnership Interest shall be subject to all the terms and conditions of this Agreement and the Second Amended Buy-Sell and Redemption Agreement.

**4.5. Withdrawal of General Partner**

(a) Option. In the event of the withdrawal of the General Partner from the Partnership, the departing General Partner (the "***Departing Partner***") shall, at the option of its successor (if any) exercisable prior to the effective date of the departure of that Departing Partner, promptly receive from its successor in exchange for its Partnership Interest as the General Partner, an amount in cash equal to its Capital Account balance, determined as of the effective date of its departure.

(b) Conversion. If the successor to a Departing Partner does not exercise the option described in Section 4.5(a), the Partnership Interest of the Departing Partner as the General Partner of the Partnership shall be converted into a Partnership Interest as a Limited Partner.

**4.6. Admission of Substitute Limited Partners and Successor General Partner.**

(a) Admission of Substitute Limited Partners. A transferee (which may be the heir or legatee of a Limited Partner) or assignee of a Limited Partner's Partnership Interest shall be entitled to receive only the distributive share of the Partnership's Profits, Losses, deductions, and credits attributable to that Partnership Interest. To become a substitute Limited Partner (a "***Substitute Limited Partner***"),

that transferee or assignee shall (1) obtain the consent of the General Partner (which consent may be withheld in the sole and unfettered discretion of the General Partner), (ii) comply with all the requirements of this Agreement and the Second Amended Buy-Sell and Redemption Agreement with respect to the Transfer of the Partnership Interest at issue, and (iii) execute an Addendum to this Agreement in the form attached as Exhibit B (which may be modified by the General Partner in its sole and unfettered discretion) and an addendum to the Second Amended Buy-Sell and Redemption Agreement. Upon admission of a Substitute Limited Partner, that Limited Partner shall be subject to all of the restrictions applicable to, shall assume all of the obligations of, and shall attain the status of a Limited Partner under and pursuant to this Agreement with respect to the Partnership Interest held by that Limited Partner.

(b) Admission of Successor General Partner. A successor General Partner selected pursuant to Section 5.2 or the transferee of or successor to all of the Partnership Interest of the General Partner pursuant to Section 4.3(b) shall be admitted to the Partnership as the General Partner, effective as of the date of the withdrawal or removal of the predecessor General Partner or the date of Transfer of that predecessor's Partnership Interest.

(c) Action by General Partner. In connection with the admission of any substitute Limited Partner or successor General Partner or any additional Limited Partner, the General Partner shall have the authority to take all such actions as it deems necessary or advisable in connection therewith, including the amendment of Exhibit A and the execution and filing with appropriate authorities of any necessary documentation.

## ARTICLE 5

## DISSOLUTION AND WINDING UP

**5.1. Dissolution.** The Partnership shall be dissolved upon:

(a) The withdrawal, bankruptcy, or dissolution of the General Partner, or any other event that results in its ceasing to be the General Partner (other than by reason of a Transfer pursuant to Section 4.3(b));

(b) An election to dissolve the Partnership by the General Partner that is approved by the affirmative vote of a Majority Interest; *provided, however,* the General Partner may dissolve the Partnership without the approval of the Limited Partners in order to comply with Section 14 of the Second Amended Buy-Sell and Redemption Agreement; or

(c) Any other event that, under the Delaware Act, would cause its dissolution.

For purposes of this Section 5.1, the bankruptcy of the General Partner shall be deemed to have occurred when the General Partner: (i) makes a general assignment for the benefit of creditors; (ii) files a voluntary bankruptcy petition; (iii) becomes the subject of an order for relief or is declared insolvent in any federal or state bankruptcy or insolvency proceeding: (iv) files a petition or answer seeking a reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any law; (v) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the General Partner in a proceeding of the type described in clauses (i) through (iv) of this paragraph; (vi) seeks, consents to, or acquiesces in the appointment of a trustee, receiver, or liquidator of the General Partner or of all or any substantial part of the General Partner's properties; or (vii) one hundred twenty (120) days expire after the date of the commencement of a proceeding against the General Partner seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution, or

similar relief under any law if the proceeding has not been previously dismissed, or ninety (90) days expire after the date of the appointment, without the General Partner's consent or acquiescence, of a trustee, receiver, or liquidator of the General Partner or of all or any substantial part of the General Partner's properties if the appointment has not previously been vacated or stayed, or ninety (90) days expire after the date of expiration of a stay, if the appointment has not previously been vacated.

**5.2. Continuation of the Partnership**. Upon the occurrence of an event described in Section 5.1(a), the Partnership shall be deemed to be dissolved and reconstituted if a Majority Interest elect to continue the Partnership within ninety (90) days of that event. If no election to continue the Partnership is made within ninety (90) days of that event, the Partnership shall conduct only activities necessary to wind up its affairs. If an election to continue the Partnership is made upon the occurrence of an event described in Section 5.1(a), then:

(a) Within that ninety (90)-day period a successor General Partner shall be selected by a Majority Interest;

(b) The Partnership shall be deemed to be reconstituted and shall continue until the end of the term for which it is formed unless earlier dissolved in accordance with this Article 5;

(c) The interest of the former General Partner shall be converted to an interest as a Limited Partner; and

(d) All necessary steps shall be taken to amend or restate this Agreement and the Certificate of Limited Partnership, and the successor General Partner may for this purpose amend this Agreement and the Certificate of Limited Partnership, as appropriate, without the consent of any Partner.

**5.3. Liquidation**. Upon dissolution of the Partnership, unless the Partnership is continued under Section 5.2, the General Partner or, in the event the General Partner has been dissolved, becomes bankrupt (as defined in Section 5.1), or withdraws from the Partnership, a liquidator or liquidating committee selected by a Majority Interest, shall be the Liquidator. The Liquidator (if other than the General Partner) shall be entitled to receive such compensation for its services as may be approved by a Majority Interest. The Liquidator shall agree not to resign at any time without fifteen (15) days' prior written notice and (if other than the General Partner) may be removed at any time, with or without cause, by notice of removal approved by a Majority Interest. Upon dissolution, removal, or resignation of the Liquidator, a successor and substitute Liquidator (who shall have and succeed to all rights, powers, and duties of the original Liquidator) shall within thirty (30) days thereafter be selected by a Majority Interest. The right to appoint a successor or substitute Liquidator in the manner provided herein shall be recurring and continuing for so long as the functions and services of the Liquidator are authorized to continue under the provisions hereof, and every reference herein to the Liquidator shall be deemed to refer also to any such successor or substitute Liquidator appointed in the manner provided herein. Except as expressly provided in this Article 5, the Liquidator appointed in the manner provided herein shall have and may exercise, without further authorization or consent of any of the parties hereto, all of the powers conferred upon the General Partner under the terms of this Agreement (but subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers) to the extent necessary or desirable in the good faith judgment of the Liquidator to carry out the duties and functions of the Liquidator hereunder for and during such period of time as shall be reasonably required in the good faith judgment of the Liquidator to complete the winding up and liquidation of the Partnership as provided herein. The Liquidator shall liquidate the assets of the Partnership and apply and distribute the proceeds of such liquidation in the following order of priority, unless otherwise required by mandatory provisions of applicable law:

(a) To the payment of the expenses of the terminating transactions including, without limitation, brokerage commission, legal fees, accounting fees and closing costs;

(b) To the payment of creditors of the Partnership, including Partners, in order of priority provided by law;

(c) To the Partners and assignees to the extent of, and in proportion to, the positive balances in their respective Capital Accounts as provided in Treasury Regulations Section 1.704-1(b)(2)(ii)(b)(2); *provided, however,* the Liquidator may place in escrow a reserve of cash or other assets of the Partnership for contingent liabilities in an amount determined by the Liquidator to be appropriate for such purposes; and

(d) To the Partners in proportion to their respective Percentage Interests.

**5.4. Distribution in Kind.** Notwithstanding the provisions of Section 5.3 that require the liquidation of the assets of the Partnership, but subject to the order of priorities set forth therein, if on dissolution of the Partnership the Liquidator determines that an immediate sale of part or all of the Partnership's assets would be impractical or would cause undue loss to the Partners and assignees, the Liquidator may defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Partnership (other than those to Partners) and/or may distribute to the Partners and assignees, in lieu of cash, as tenants in common and in accordance with the provisions of Section 5.3, undivided interests in such Partnership assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any joint operating agreements or other agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

**5.5. Cancellation of Certificate of Limited Partnership.** Upon the completion of the distribution of Partnership property as provided in Sections 5.3 and 5.4, the Partnership shall be terminated, and the Liquidator (or the General Partner and Limited Partners if necessary) shall cause the cancellation of the Certificate of Limited Partnership in the State of Delaware and of all qualifications and registrations of the Partnership as a foreign limited partnership in jurisdictions other **than** the State of Delaware and shall take such other actions as may be necessary to terminate the Partnership.

**5.6. Return of Capital.** The General Partner shall not be personally liable for the return of the Capital Contributions of Limited Partners, or any portion thereof, it being expressly understood that any such return shall be **made** solely from Partnership assets.

**5.7. Waiver of Partition.** Each Partner hereby waives any rights to partition of the Partnership property.

## ARTICLE 6

## GENERAL PROVISIONS

**6.1. Amendments to Agreement.** The General Partner may amend this Agreement without the consent of any Partner if the General Partner reasonably determines that such amendment is necessary and appropriate; *provided, however, any* action taken by the General Partner shall be subject to its fiduciary duties to the Limited Partners under the Delaware Act; provided further that any amendments

that adversely affect the Class B Limited Partner or the Class C Limited Partner may only be made with the consent of such Partner adversely affected.

6.2. **Addresses and Notices.** Any notice, demand, request, or report required or permitted to be given or made to a Partner under this Agreement shall be in writing and shall be deemed given or made when delivered in person or when sent by United States registered or certified mail to the Partner at his/her/its address as shown on the records of the Partnership, regardless of any claim of any Person who may have an interest in any Partnership Interest by reason of an assignment or otherwise.

6.3. **Titles and Captions.** All article and section titles and captions in the Agreement are for convenience only, shall not be deemed part of this Agreement, and in no way shall define, limit, extend, or describe the scope or intent of any provisions hereof. Except as specifically provided otherwise, references to "Articles," "Sections" and "Exhibits" are to "Articles," "Sections" and "Exhibits" of this Agreement. All Exhibits hereto are incorporated herein by reference.

6.4. **Pronouns and Plurals.** Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns, pronouns, and verbs shall include the plural and vice versa.

6.5. **Further Action.** The parties shall execute all documents, provide all information, and take or refrain from taking all actions as may be necessary or appropriate to achieve the purposes of this Agreement.

6.6. **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns.

6.7. **Integration.** This Agreement constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto.

6.8. **Creditors.** None of the provisions of this Agreement shall be for the benefit of or enforceable by any creditors of the Partnership.

6.9. **Waiver.** No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach or any other covenant, duty, agreement, or condition.

6.10. **Counterparts.** This agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart.

6.11. **Applicable Law.** This Agreement shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to the principles of conflicts of law.

6.12. **Invalidity of Provisions.** If any provision of this Agreement is declared or found to be illegal, unenforceable, or void, in whole or in part, then the parties shall be relieved of all obligations arising under that provision, but only to the extent that it is illegal, unenforceable, or void, it being the intent and agreement of the parties that this Agreement shall be deemed amended by modifying that provision to the extent necessary to make it legal and enforceable while preserving its intent or, if that is

not possible, by substituting therefor another provision that is legal and enforceable and achieves the same objectives.

**6.13. General Partner Discretion.** Whenever the General Partner may use its sole discretion, the General Partner may consider any items it deems relevant, including its own interest and that of its affiliates.

**6.14. Mandatory Arbitration.** In the event there is an unresolved legal dispute between the parties and/or any of their respective officers, directors, partners, employees, agents, affiliates or other representatives that involves legal rights or remedies arising from this Agreement, the parties agree to submit their dispute to binding arbitration under the authority of the Federal Arbitration Act; provided, however, that the Partnership or such applicable affiliate thereof may pursue a temporary restraining order and /or preliminary injunctive relief in connection with any confidentiality covenants or agreements binding on the other party, with related expedited discovery for the parties, in a court of law, and thereafter, require arbitration of all issues of final relief. The arbitration will be conducted by the American Arbitration Association, or another mutually agreeable arbitration service. A panel of three arbitrators will preside over the arbitration and will together deliberate, decide and issue the final award. The arbitrators shall be duly licensed to practice law in the state of Texas. The discovery process shall be limited to the following: Each side shall be permitted no more than (i) two party depositions of six hours each, each deposition to be taken pursuant to the Texas Rules of Civil Procedure; (ii) one non-party deposition of six hours; (iii) twenty-five interrogatories; (iv) twenty-five requests for admissions; (v) ten request for production (in response, the producing party shall not be obligated to produce in excess of 5,000 total pages of documents, including electronic documents); and (vi) one request for disclosure pursuant to the Texas Rules of Civil Procedure. Any discovery not specifically provided for in this paragraph, whether to parties or non-parties, shall not be permitted. The arbitrators shall be required to state in a written opinion all facts and conclusions of law relied upon to support any decision rendered. The arbitrators will not have the authority to render a decision that contains an outcome based on error of state or federal law or to fashion a cause of action or remedy not otherwise provided for under applicable state or federal law. Any dispute over whether the arbitrators have failed to comply with the foregoing will be resolved by summary judgment in a court of law. In all other respects, the arbitration process will be conducted in accordance with the American Arbitration Association's dispute resolution rules or other mutually agreeable arbitration services rules. All proceedings shall be conducted in Dallas, Texas or another mutually agreeable site. Each party shall bear its own attorneys fees, costs and expenses, including any costs of experts, witnesses and /or travel, subject to a final arbitration award on who should bear costs and fees. The duty to arbitrate described above shall survive the termination of this Agreement. Except as otherwise provided above, the parties hereby waive trial in a court of law or by jury. All other rights, remedies, statutes of limitation and defenses applicable to claims asserted in a court of law will apply in the arbitration.

## 1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment adviser under the Investment Advisers Act of 1940 that manages collateralized loan obligations ("CLOs"), hedge funds, private equity funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is owned by an unaffiliated (other than through its direct ownership) trust as well as affiliated trusts and personal holdings of the senior management of the Partnership.

As of December 31, 2018, the Partnership provided investment advisory services for eighteen CLOs, five separate accounts, one master limited partnership, and nine hedge funds or private equity structures, with total fee-earning assets under management of approximately $3.1 billion. The Partnership also provides investment services on behalf of affiliate advisors.

## 2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its consolidated financial statements.

### Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles in the United States of America ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification and are stated in the United States Dollar.

### Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

### Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries ("Consolidated Entities"), which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs' expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

The Partnership assesses consolidation requirements pursuant to ASU 2015-02: Consolidation, which was adopted using the modified retrospective method and resulted in an effective date of adoption of January 1, 2016.

The Partnership and its affiliate's involvement with unconsolidated VIEs is generally limited to that of an advisory services provider, and their investment, if any, represents an insignificant interest in the relevant investment entities' assets under management. The Partnership's affiliate's exposure to risk in these entities is generally limited to any capital contribution it has made or is required to make and any earned but uncollected asset based and performance fees. The Partnership has not issued any investment performance guarantees to these VIEs or their investors, except that the Partnership has agreed to subject the full value of its equity interest in Highland Prometheus Fund to dollar-for-dollar reduction to the extent the third party investor in such fund does not achieve an annual target return.

As of December 31, 2018, the net assets of the unconsolidated VIEs and the Partnership's maximum risk of loss were as follows:

*(in thousands)*

| | Unconsolidated VIE Net Assets | Carrying Value and Maximum Risk of Loss |
|---|---|---|
| Sponsored investment funds | $ 206,329 | $ 12,178 |

**Consolidation of Variable Interest Entities**
The Partnership consolidates the following VIEs (along with majority owned funds: Highland Diversified Credit Fund, L.P., and Highland Select Equity Fund, L.P., collectively the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

**Investment Transactions**
Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the consolidated financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

See Note 5 for the Partnership's fair value process and hierarchy disclosures.

**Management and Incentive Fee Revenue**
The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2018, the Partnership and its Consolidated Entities recognized management fees and incentive fees of approximately $36.6 million and $0.1 million, respectively.

**Shared Services Revenue**
The Partnership recognizes revenue as earned in connection with services provided to related parties under various shared services agreements. Under these agreements, the Partnership earns fees for services including, but not limited to, back office support functions, marketing, and investment advisory services. During the year ended December 31, 2018, the Partnership and its Consolidated Entities recognized shared services revenue of approximately $9.2 million, which has been presented in *Shared services fees* in the Consolidated Statement of Income. See further discussion in Note 8.

**Income and Expense Recognition**
Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums associated with purchases of investments are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis over the life of the investment. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

**Income Taxes**
The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these consolidated financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. See further discussion in Note 13.

**Cash and Cash Equivalents**
Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Cash equivalents are carried at cost, which approximates market value. At December 31, 2018, the Partnership and Consolidated Entities held cash balances at certain financial institutions in excess of the federally insured limit of $0.3 million. The Partnership and Consolidated Entities regularly monitor the credit quality of these institutions.

**Notes Receivable**
Notes receivable consists of secured promissory notes with maturities greater than one year. When available, the Partnership uses observable market data, including pricing on recent closed transactions to value notes. When appropriate, these notes may be valued using collateral values. Adjustments to the value may be performed in circumstances where attributes specific to the collateral exist suggesting impairment.

**Other Intangible Assets**
Goodwill and other intangible assets are recorded on the Consolidated Balance Sheet at current carrying values. The Partnership and its Consolidated Entities perform an impairment test on an annual basis. Any impairment in the value of other intangible assets is accounted for in the year when it occurs.

**Fixed Assets and Leasehold Improvements**
Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

The Partnership and its Consolidated Entities are depreciating fixed assets as follows:

| | Period |
|---|---|
| Leasehold improvements | Lease term |
| Buildings | 29 - 40 years |
| Furniture and fixtures | 7 years |
| Computer and equipment | 3 - 5 years |
| Computer software | 3 years |

**Securities Sold, Not Yet Purchased**
Certain of the Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand.

Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender. A gain (which cannot exceed the price at which the Consolidated Investment Funds sold the security short) or a loss (which theoretically could be unlimited in size) will be settled upon termination of a short sale.

**Due to/from Brokers**
Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Partnership's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

**Options Contracts**
The Partnership and the Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership or the Consolidated Entities purchase (write) an option, an amount equal to the premium paid (received) by the entity is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the Partnership or the Consolidated Entities enter into a closing transaction), the entity realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership or the Consolidated Entities purchasing a security at a price different from the current market value.

The Partnership and the Consolidated Entities are exposed to counterparty risk from the potential that a seller of an option contract does not sell or purchase the underlying asset as agreed under the terms of the option contract. The maximum risk of loss from counterparty risk to the Partnership and the Consolidated Entities is the greater of the fair value of its open option contracts or the premiums paid to purchase the open option contracts. The Partnership and the Consolidated Entities consider the credit risk of the intermediary counterparties to its option transactions in evaluating potential credit risk.

**Margin Transactions**
To obtain more investable cash, certain of the Consolidated Entities may use various forms of leverage including purchasing securities on margin. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

**Withdrawals Payable**
Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2018. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. At December 31, 2018, the Consolidated Investment Funds had withdrawals payable of $57.0 million.

**Foreign Currency Transactions**
The Partnership's subsidiaries HCM Singapore and HCM Korea use Singapore dollars and Korean won, respectively, as their functional currency. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2018. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the Consolidated Statement of Income.

The Consolidated Entities do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments* on the Consolidated Statement of Income.

**Life Settlement Contracts**
One of the Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are recorded as a component of “Investments at fair value” on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of *Purchase of investments* and *Proceeds from dispositions of investments* on the Consolidated Statement of Cash Flows. At December 31, 2018, the Consolidated Investment Fund was invested in 13 policies, which had a total face value of approximately $145.3 million and a fair value of $35.7 million.

**Financing**
The Partnership and its Consolidated Entities may finance the acquisition of its investments in securities and loans through financing arrangements which are classified in Notes payable and Investment liabilities on the Consolidated Balance Sheet. The Partnership and its Consolidated Entities recognize interest expense on all borrowings on the accrual basis in the Consolidated Statement of Income.

**Financial Instruments**
The Partnership and its Consolidated Entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable, withdrawals payable, debt and notes payable, due to brokers, investment liabilities and accrued liabilities approximate their fair values. For fair value of investment, see Note 5.

**Accounts Payable, Accrued and Other Liabilities**
Expenses are recorded on an accrual basis, as incurred. Current liabilities are included in Accounts payable. Long-term liabilities are included in Accrued and other liabilities.

**Partners' Capital**
The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

## 5. Fair Value of Financial Instruments

### Fair Value Measurement

U.S. GAAP defines fair value as the price an entity would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants as of the measurement date. The standard requires fair value measurement techniques to reflect the assumptions market participants would use in pricing an asset or liability and, where possible, to maximize the use of observable inputs and minimize the use of unobservable inputs. It also establishes the following hierarchy that prioritizes the valuation inputs into three broad levels:

- Level 1 – Valuation based on unadjusted quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Entities have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.

- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active that are reflective of recent market transactions; or (c) models in which all significant inputs are observable, either directly or indirectly.

- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Entities use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being reclassified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates. Whenever possible, the Partnership and its Consolidated Entities use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Entities develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

The Partnership has established policies, as described above, processes and procedures to ensure that valuation methodologies for investments and financial instruments that are categorized within all levels of the fair value hierarchy are fair and consistent. A Pricing Committee has been established to provide oversight of the valuation policies, processes and procedures, and is comprised of various personnel from the Partnership. The Pricing Committee meets monthly to review the proposed valuations for investments and financial instruments. The Pricing Committee is responsible for establishing the valuation policies and evaluating the overall fairness and consistent application of those policies.

As of December 31, 2018, the Partnership and its Consolidated Entities' investments consisted primarily of common equity securities, closed-end mutual funds, floating rate syndicated bank loans, real estate investment trusts, life settlement contracts, limited partnership interests, rights and warrants, LLC interests, asset-backed securities, and preferred equity. In addition, certain of the Consolidated Entities engage in short sale transactions. The majority of these financial instruments are not listed on national securities exchanges and management is required to use significant judgment to estimate their values.

**Public Equity Investments**
Publicly traded equities, including closed-end mutual funds and publicly traded REITs are valued at the closing price at the date of the financial statements. The fair value of equity investments that are not traded on national exchanges or through real-time quotation services are derived from methodologies that provide appropriate fair value estimates. Equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

**Private Equity Investments**
The Partnership and Consolidated Entities hold private equity investments which often resulted from the restructuring of other instruments which are classified as common equity securities. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Partnership and Consolidated Entities will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publically available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances. Private equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Private equity investments that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

The Consolidated Entities also invest in warrant securities of publicly–traded companies. The fair value of these investments is based on an option pricing model. The option model bases warrant value on a number of factors including underlying equity price as of the valuation date, strike price, exercise date, time to expiration and volatility. Warrant investments that have observable volatility are classified as Level 2 assets. Warrant investments where volatility inputs are not observable are valued using an estimated volatility input, and are classified as Level 3 assets.

**Debt Securities**

The Partnership and Consolidated Entities invest in various types of debt, including floating rate syndicated bank loans, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Partnership and Consolidated Entities first seek to obtain reliable market quotes from other parties dealing in the specific asset. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Loans and bonds that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Absent both a reliable market quote and third-party pricing service date, the Partnership and Consolidated Entities may use various models to establish an estimated exit price. These investments are classified as Level 3 assets. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

**Life Settlement Contracts**

Life Settlement contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. Management generally utilizes an independent third party firm to perform these calculations and provide the relevant inputs. Management evaluates the results based on visible market activity and market research. Since these inputs are not readily observable, these contracts are classified as Level 3 assets.

At December 31, 2018, the Consolidated Entities' investments in life settlement contracts consisted of the following:

(U.S. dollars in thousands, except number of policies)

| Remaining Life Expectancy (in years) | Number of Policies | Face Value | Fair Value |
|---|---|---|---|
| 1-2 | - | $ - | $ - |

**Asset-Backed Securities**
The Consolidated Entities invest in a variety of asset-backed securities. Asset-backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Entities generally utilize an independent third parties to provide the relevant inputs. The Consolidated Entities evaluate the results based on visible market activity and market research. When appropriate, the Consolidated Entities may apply other techniques based on a specific asset's characteristics. Asset-backed securities with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Asset-backed securities that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

**Limited Partnership and LLC Interests**
The Partnership and its Consolidated Entities hold limited partnership and LLC interests in various entities. These assets are valued as the net asset value of the limited partnership interests because the entities utilize fair value accounting for their own financial statements. These interests are classified as Level 3 assets.

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2018:

In addition to the unobservable inputs utilized for various valuation methodologies, the Partnership often uses a combination of two or more valuation methodologies to determine fair value for a single holding. In such instances, the Partnership assesses the methodologies and ascribes weightings to each methodology. The selection of weightings is an inherently subjective process, dependent on professional judgement. These selections may have a material impact to the concluded fair value for such holdings.

The significant unobservable inputs used in the fair value measurement of the Partnership's assets could fluctuate significantly, resulting in a significantly higher or lower fair value measurement.

## 6. Financial Instruments with Concentration of Credit and Other Risks

**Financial Instruments**
The Partnership and its Consolidated Entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The Consolidated Entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the Consolidated Entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

**Market Risk**
Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Entities due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Entities' exposure to market risk is affected by a number of macroeconomic factors, such as interest rates, availability of credit, inflation rates, economic uncertainty and changes in laws and regulations. These factors may affect the level and volatility of securities prices and the liquidity of the Partnership and its Consolidated Entities investments. Volatility or illiquidity could impair the Partnership and its Consolidated Entities performance or result in losses. The Partnership and its Consolidated Entities may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets. The performance of life settlement contracts may be adversely impacted by the under estimation of mortality and other rates.

**Credit Risk**
Credit risk is the potential loss the Partnership and its Consolidated Entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the Consolidated Entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the Consolidated Entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

**Liquidity Risk**
The Consolidated Entities' limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Entities nor their manager expects such a market to develop.

**Business Risk**
The Partnership provides advisory services to the Consolidated Entities. Consolidated Entities could be materially affected by the liquidity, credit and other events of the Partnership.

**High Yield Bonds and Loans**
The Partnership and its Consolidated Entities' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Entities' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

When the Partnership and its Consolidated Entities purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Entities have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Entities may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

**Debt Obligations**
The Partnership and its Consolidated Entities' investment portfolio consists of collateralized loan obligations that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. Because of the inherent uncertainty of these investments, the Partnership's best estimates may differ significantly from values that would have been used had broader market for the investments existed.

**Distressed Investments**
A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Entities invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

**Corporate Bonds, Preferred Securities, and Loans**
The Consolidated Entities may invest in corporate bonds, floating rate syndicated bank loans, and preferred securities which are rated in the lower rating categories by the various credit rating agencies (or in comparable non-rated securities). Securities in the lower rating categories are subject to greater risk of loss of principal and interest than higher-rated securities and are generally considered to be predominantly speculative with respect to the issuer's capacity to pay interest and repay principal. They are also subject to greater risks than securities with higher ratings in the case of deterioration of general economic conditions. Because of these greater risks associated with the lower-rated securities, the yields and prices of such securities may be more volatile than those for higher-rated securities. The market for lower-rated securities is thinner and less active than that for higher-rated securities, which could adversely affect the prices at which these securities may be sold by the Consolidated Entities.

**Limited Diversification**
The Investment Manager attempts to diversify the Consolidated Entities' investments. However, the Consolidated Entities' portfolios could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Entities. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Entities to losses that are disproportionate to market movements as a whole.

At December 31, 2018, the Consolidated Entities' investments were predominantly concentrated in the United States and Cayman Islands.

**Exit Difficulties**
The Partnership and its Consolidated Entities cannot assure investors that it will be able to exit its investments by sale or other disposition at attractive prices, if at all. The mergers and acquisitions and public securities markets are highly cyclical, which means that the Consolidated Entities' investments, even its best performing investments, may be illiquid for extended periods of time despite the Consolidated Entities' efforts to identify attractive exit opportunities. Additionally, a significant portion of the Consolidated Entities' assets at any time will likely consist of debt obligations and other securities that are thinly-traded, for which no market exists and/or are restricted as to their transferability under applicable law and/or documents governing particular transactions of the Consolidated Entities. In some cases, the Consolidated Entities may be unable to realize an investment prior to the date on which the Consolidated Entities are scheduled to terminate and/or have to sell or otherwise dispose of one or more investments on disadvantageous terms as a result of the Consolidated Entities' termination, or distribute such investments in kind.

**Custody Risk**
The clearing operations for the Partnership and its Consolidated Entities are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Entities' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Entities may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Entities might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

**Leverage Risk**
The Consolidated Entities may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Entities' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Entities. If the value of the Consolidated Entities' securities fall below the margin level required by a counterparty, additional margin deposits would be required. If the Consolidated Entities are unable to satisfy a margin call, the counterparty could liquidate the Consolidated Entities' positions in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Entities to incur significant losses. In addition, to the extent the Consolidated Entities have posted excess collateral for margin transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Entities' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Entities. In addition, because the use of leverage allows the Consolidated Entities to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Entities may lose in the event of adverse price movements is high in relation to the amount of their investment.

In the event of a sudden drop in the value of the Consolidated Entities' assets, the Consolidated Entities may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Entities may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Entities have the ability to apply discretionary margin, haircut, and financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

**Foreign Currency Risk**
The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

**Concentration of Investments**
At December 31, 2018, the Consolidated Entities' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

**Litigation Risk**
The Partnership and its Consolidated Entities are periodically subject to legal actions arising from the ordinary course of business. The ultimate outcome of these cases is inherently uncertain and could result in additional losses to the Partnership and/or its Consolidated Entities. Refer to Note 14 for a discussion of open litigation.

## 7. Intangible Assets

On May 12, 2017, HCM Latin America, as manager, purchased all rights and obligations for management of a certain hedge fund. As of December 31, 2018, the current carrying value of these rights and obligations is $3.0 million, which consists of the original purchase price of $2.0 million and a deferred purchase price of $1.0 million and is reflected in the Consolidated Balance Sheet.

The Partnership and its Consolidated Entities perform an impairment test as required by U.S. GAAP on a yearly basis. The Partnership has determined that an impairment charge was necessary for the value obtained on December 19, 2017, for subadvisory and shared servicing rights from an affiliate. As of December 31, 2018, the asset was determined to be fully impaired and an impairment expense of $2.8 million is reflected in the Consolidated Statement of Income.

**Expenses Reimbursable by Funds Managed**

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2018, approximately $6.4 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in *Other Assets* in the accompanying Consolidated Balance Sheet.

## 14. Legal Proceedings

The Partnership and certain affiliated investment vehicles are defendants in a complaint filed on February 24, 2009 New York state court by UBS Securities LLC and UBS AG, London Branch relating to a CLO warehouse facility with respect to which UBS is attempting to extend liability beyond the two entities that bore sole risk of loss under the governing documents. On February 19, 2010, the court dismissed all claims against the Partnership. UBS since has filed additional claims against the Partnership and certain additional investment vehicles. On July 21, 2011, the First Appellate Division again dismissed two of UBS's four claims against the Partnership, severely limiting the remaining two claims. Additional claims were dismissed in a further appellate ruling issued on October 31, 2017. Certain claims were tried in July 2018 against two Highland-affiliated defendants, but the trial court has neither ruled on those claims nor indicated when it will set UBS's remaining claims for trial. The second trial, if it occurs, will try all claims against the Partnership and certain affiliated investment vehicles.

From time to time the Partnership is party to disputes with disgruntled former employees. One such matter involves a former employee that improperly recorded internal conversations in violation of the Partnership's internal policies and procedures and potentially certain criminal and regulatory provisions. The former employee obtained a $7.9 million judgment against Highland affiliate Acis Capital Management, L.P. ("Acis"). The employee currently is attempting to collect this judgment through various proceedings in Texas state and federal court, including claims against Highland for receipt of assets from Acis.

In another matter, a Court ruled that a former employee breached his fiduciary duty to the Partnership, owed damages to the Partnership, and ordered the former employee to cease using or disclosing the Partnership's confidential information. Additionally, an award was entered in favor of the employee against a separate incentive compensation entity for an interest that was already escrowed in his name prior to trial and in which he was already vested. The dispute over the amount of his vested interest is on-going. Additionally, the Partnership from time to time must take action to enforce the permanent injunction against the former employee's continuing improper disclosures of the Partnership's confidential information.

The Partnership is engaged in litigation and arbitration with a group of investors relating to the post-financial crisis wind down and distribution of the remaining assets in the Crusader hedge fund vehicle.

The Partnership currently is and has been previously subject to various legal proceedings, many of which have been due to the nature of operating in the distressed loan business in the U.S. The legal process is often the route of last resort to recover amounts due from delinquent borrowers. We currently do not anticipate these proceedings will have a material negative impact to the Partnership.

## RECITALS

WHEREAS, on September 22, 2020, Highland Capital Management, L.P. filed a Notice of Filing of Debtor's Amended Schedules in its pending Chapter 11 Case No. 19-34054-sgj11 (the "Bankruptcy Case") in which it, among other things, scheduled a creditor's claim by HCLOM Ltd. (the "HCLOM Claim"); and

WHEREAS, on December 27, 2024, the Bankruptcy Court entered a Stipulated and Agreed Order Resolving (A) HCLOM, Ltd.'s Scheduled Claims 3.65 and 3.66; and (B) Highland Capital Management, L.P.'s (1) Objection and (2) Motion for a Bad Faith Finding and an Award of Attorneys' Fees Against HCLOM, Ltd. and James Dondero in Connection Therewith [Docket Nos. 3657, 4176] in the Bankruptcy Case (the "Stipulation and Agreed Order"); and

WHEREAS, the Stipulation and Agreed Order converted the HCLOM Claim to a Class 10 interest/claim (as such is defined in Article III.H. ¶ 10 of the Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (as Modified) in the Bankruptcy Case) (the "Plan") in the amount of $10,140,633.26; and

WHEREAS, the Parties have agreed to certain rights and priorities solely as between themselves regarding HCLOM Ltd.'s participation in the payment of Class 10 interests/claims;

THEREFORE, for and in consideration of the promises, covenants, conditions, stipulations, benefits, and obligations described and provided herein, the sufficiency and adequacy of which is expressly hereby acknowledged, the Parties agree as follows:

## AGREEMENT

1. **HMIT Payment Obligation to HCLOM Ltd.** Upon HMIT's receipt of distributions on account of its Class 10 interest/claim (the "Distributions"), HMIT will pay to HCLOM Ltd. an amount equal to five percent (5%) of the funds received by HMIT within two (2) business days after receipt of indefeasible funds by HMIT (the "HMIT Payment Obligation"). HMIT shall be entitled to deduct from the Distributions the fees and expenses billed by Kelly Hart Hallman, LLP which directly relate to the Stipulation and Agreed Order or this Agreement (the "HMIT Expenses") until all HMIT Expenses are paid in full.

2. **No Additional Duties to HCLOM Ltd.** HMIT shall retain and have the sole discretion to act with respect to its Class 10 interest/claim, and shall owe no additional duties to HCLOM Ltd. or any other person or entity, including without limitation, with respect to (i) the amount of Distributions or recovery by HMIT on account of its Class 10 interests/claims,

(ii) the amount of Distributions that could be received by any holder of Class 10 interests/claims, (iii) the rights of any holder of Class 10 interests/claims, or (iv) any pleading or document that could or should be filed in any way related to the Bankruptcy Case, the Plan, or the HMIT Class 10 interests/claims.

3. **No Liens or Encumbrances**. HMIT will not take any action that could reasonably be expected to encumber HMIT's Class 10 interests/claims, limit or affect HMIT's right or ability to fulfil and perform the HMIT Payment Obligation, or limit or affect HCLOM Ltd.'s right to receive the Distributions.

4. **This Agreement Supersedes the Effects of the Stipulated and Agreed Order Among the Parties**. HCLOM acknowledges and agrees that, notwithstanding the Stipulated and Agreed Order, the terms of this Agreement amends and supersedes the effect of the Stipulation and Agreed Order as between the Parties and HCLOM's rights to payment under the Plan are limited solely to the HMIT Payment Obligation.

5. **Non-Interference; No Cause of Action**. Notwithstanding Paragraph 3, HCLOM will not have any rights to object to or otherwise interfere with the rights of HMIT as a holder of Class 10 interest to reach a settlement with Highland Capital Management, LP ("Highland"). HCLOM acknowledges that it shall have no right to notice or approval of such a settlement nor will it have any cause of action against HMIT arising out of any such settlement.

6. **Remittance Agreement**. The Parties acknowledge that contemporaneously herewith NREA SB II Holdings, LLC (together with its successors and assigns in such capacities, "NexPoint Small Bay."), Charitable DAF Holdings Corp. (together with its successors and assigns in such capacities, "Charitable DAF"), and Liberty CLO Holdco, Ltd. (together with its successors and assigns in such capacities, "Liberty CLO") have entered into that certain Remittance Agreement effective January 10, 2025 (the "Remittance Agreement"). HCLOM agrees that if NexPoint Small Bay fails to make the DAF Bridge Equity Payment (as defined in the Remittance Agreement) pursuant to the terms of the Remittance Agreement, HMIT will have no obligations to make the HMIT Payment Obligation, and HMIT shall not receive any distribution from HMIT or any other party related to any Class 10 interest/claim. Notwithstanding any failure of NexPoint Small Bay to adhere to the terms of the Remittance Agreement, HCLOM acknowledges that by executing this Agreement, it shall have no other recourse or rights to payment under the Plan other than the terms of this Agreement.

7. **Choice of Law; Jurisdiction; Venue**. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to conflict of law provisions. Each Party to hereby consents and agrees that the courts located in Texas shall have sole and exclusive jurisdiction to hear and determine any claims or disputes between the parties pertaining to this Agreement or to any matter arising out of or relating to this Agreement. Each Party expressly submits and consents in advance to such jurisdiction in any action or suit commenced in any such court, and each Party hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or *forum non conveniens*.

8. **Amendments; Waivers**. No amendment, modification, or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each Party, and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the Party making such waiver or the obligations of the other Party in any other respect or at any other time.

9. **Binding Effect**. Except as otherwise expressly provided herein, the provisions of this Agreement shall inure to the benefit of, and be binding upon, the Parties and their respective successors, assigns, executors, representatives, and administrators.

10. **Entire Agreement**. The Agreement contains the entire understanding of the Parties with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into this Agreement.

11. **Counterparts**. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument. Signature by facsimile or other similar electronic transmission shall have the same force and effect as an original signature.

IN WITNESS WHEREOF, the Parties have executed this Intercreditor and Participation Agreement as of the Effective Date set forth above and in the capacities set forth below.

Dan,

We're following up again.

As you know, in accordance with the Stipulated and Agreed Order filed at Docket 4199, Highland has been seeking wire instructions from your client to facilitate a distribution on account of the Highland CLO Management, Ltd. ("HCLOM") interest in Class 10. To date, we have received no instructions.

Additionally, and consistent with Article VI.L. of the Plan, in order to make the distribution, Highland requires HCLOM's current tax identification number as well as sufficient documentary evidence of HCLOM's tax reporting and withholding status, (typically an IRS form W-8 with applicable supplements).

Please provide the HCLOM wire instructions and required tax certifications.

Thank you for your prompt attention to this matter.

Regards,

John

Hi, John:

HCLOM has promised to provide me wiring instructions by COB today, and I will forward to you and Louis as soon as I have them.

Louis and I have a deal in place w/r/t to the HCLOM distribution. Please distribute the full amount as authorized by HCLOM's Class 10 POC, and then HMIT will get a credit in the amount of that distribution against the amount payable by HMIT.

Louis – Please speak up if I've misunderstood or (unintentionally) mischaracterized the above.

Thanks, Dan

***EXTERNAL TO GT***

Dan,

I'm following up on the emails below.

Can you please send us wire instructions for HCLOM so Highland can fulfill its obligations under the Stipulated and Agreed Order filed at Docket No. 4199?

Highland will otherwise leave it to you and Louis to discuss what additional amounts may be due HCLOM under the HMIT/HCLOM agreement, if any.

Please let me know if you have any questions.

Dan, no worries at all.

We expect to make a distribution to HCLOM but understand there are two agreements in play (HCMLP/HCLOM and HMIT/HCLOM).

It's a $10 million payment. Can you and Louis figure out how it gets divided and give us a joint instruction?

Please let us know.

John

**ORDER FIXING ALLOWED AMOUNT OF CLASS 11 INTERESTS**

Having considered (a) the *Motion for an Order Fixing Allowed Amount of Class 11 Interests* [Docket No. 4362] (the "Motion")[2] filed by the Highland Claimant Trust (the "Claimant Trust") in the above-captioned chapter 11 case (the "Bankruptcy Case"); (b) *Dugaboy Investment Trust's Response Opposing Highland Claimant Trust's Motion for Order Fixing Allowed Amount of Class 11 Interests* [Docket No. 4384] filed by The Dugaboy Investment Trust ("Dugaboy"); (c) the Claimant Trust's *Reply in Support of Motion for an Order Fixing Allowed*

[1] The last four digits of the Reorganized Debtor's taxpayer identification number are 8357. The headquarters and service address for the Reorganized Debtor is 100 Crescent Court, Suite 1850, Dallas, TX 75201.

[2] Capitalized terms not otherwise defined herein have the meanings ascribed to such terms in the Motion.

*Amount of Class 11 Interests* [Docket No. 4393]; (d) the evidence admitted into the record during the hearing on the Motion held on September 18, 2025 (the "Hearing"), including the Court's assessment of the witness's credibility; (e) all arguments presented at the Hearing; and (f) all prior proceedings in the Bankruptcy Case; and the Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 as well as the retention of jurisdiction provisions of the Plan; and the Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and venue in this District being proper pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having found that the legal and factual bases set forth in the Motion establish sufficient cause for the relief granted herein; and adequate notice of the Motion having been given; and after due deliberation and good cause appearing therefor,

**THE COURT HEREBY FINDS THAT:**[3]

1. The Court's findings of fact and conclusions of law set forth on the record at the conclusion of the Hearing are incorporated by reference except as supplemented in this Order.

2. On the Effective Date and in accordance with the Plan, the Claimant Trust was created pursuant to the terms of the Claimant Trust Agreement (the "CTA").

3. Pursuant to Section 5.1(c) of the CTA and in accordance with the Plan (Art. III.H.10 and 11): (a) the pre-petition Class B/C Limited Partnership Interests and the Class A Limited Partnership Interests in Highland Capital Management, L.P. ("Highland") were extinguished; (b) the Holders of allowed Class B/C Limited Partnership Interests would receive unvested Class 10 Contingent Claimant Trust Interests if and when their Equity Interests were allowed in amounts as determined under the Plan; and (c) Holders of allowed Class A Limited Partnership Interests would receive unvested Class 11 Contingent Claimant Trust Interests if and when their Equity Interests were allowed in amounts as determined under the Plan.

[3] Any finding of fact that should be more appropriately characterized as a conclusion of law should be deemed as such and *vice versa*.

4. The holders of unvested Class 11 Contingent Claimant Trust Interests (*i.e.*, Highland's former Class A limited partners) and the percentage of the limited partnership interests previously held by them are as follows: Strand Advisors (0.2508%), Dugaboy (0.1866%), Mark K. Okada (0.0487%), The Mark and Pamela Okada Family Trust—Exempt Trust #1 (0.0098%), and The Mark and Pamela Okada Family Trust—Exempt Trust #2 (0.0042%). Together, Highland's former Class A limited partners held 0.500% of Highland's prepetition limited partnership interests which were extinguished by the Plan.

5. Hunter Mountain Investment Trust ("HMIT") was Highland's sole Class B/C limited partner as of the Petition Date (holding 99.5% of Highland's limited partnership interests) and therefore received an unvested Class 10 Contingent Claimant Trust Interest under the Plan.

6. Following an evidentiary hearing held on June 25, 2025, HMIT's Class 10 Interest was allowed in the amount of $336,940,230.58 pursuant to this Court's order entered at Docket No. 4297 (*see* Order ¶12).

7. Paragraph 36 of the Confirmation Order provides that the "Plan properly separately classifies the Equity Interests in Class 10 . . . from the Equity Interests in Class 11 . . . because they represent different types of equity security interests in the Debtor and different payment priorities."

8. Pursuant to the Plan and the CTA, Class 11 is subordinated to Class 10 such that holders of Allowed Class 11 Interests cannot receive any distributions from the Claimant Trust until the holders of allowed Class 10 Interests are paid in full.

9. The Claimant Trust is required to resolve all disputed Claims and Interests before it can commence its dissolution, a process that must begin no later than August 11, 2026, pursuant to the CTA and this Court's prior orders.

10. The Court finds that the calculation the Claimant Trust used to fix the amount of each Class 11 Interest as of the Petition Date (*i.e.*, Highland started with each former partner's respective capital account balance as of December 31, 2018 (as reported in its 2018 federal income tax return and associated Schedules K-1 delivered to each former partner), and then used Highland's actual activity in 2019 (as reported in Highland's financial statements) to bring those capital account amounts forward to the Petition Date)) was fair and reasonable.

**NOW, THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED THAT:**

11. The Motion is **GRANTED**.

12. As stated on the record during the Hearing, applying the fair and reasonable calculation, the Class 11 Interests are Allowed in the following fixed amounts: Strand Advisors ($994,707.76), Dugaboy ($740,081.61), Mark K. Okada ($192,754.38), The Mark and Pamela Okada Family Trust—Exempt Trust #1 ($38,868.17), and The Mark and Pamela Okada Family Trust—Exempt Trust #2 ($16,657.79).

13. Dugaboy's objections to the Motion are **OVERRULED**.

14. The Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

DALLAS, TEXAS - SEPTEMBER 18, 2025 - 2:47 P.M.

THE COURT: All right. Our other matter is Highland Capital, Case No. 19-34054. We have a motion to fix the allowed amount of our Class 11 interests. We'll get our lawyer appearances, please.

MR. HARPER: Your Honor, Geoffrey Harper with Winston & Strawn for Dugaboy Investment Trust.

THE COURT: Okay. Mr. Harper for Dugaboy.

MR. MORRIS: Good afternoon, Your Honor. John Morris; Pachulski, Stang, Ziehl & Jones; for Highland.

THE COURT: Okay. Mr. Morris for Highland.

Do we have any other appearances?

All right. Well, I've got your pleadings and your witness and exhibit list, to the extent you end up putting evidence on. And Mr. Morris, you may begin.

MR. MORRIS: Good afternoon, Your Honor. Nice to be in your courtroom, as always.

OPENING STATEMENT ON BEHALF OF THE REORGANIZED DEBTORS

MR. MORRIS: We're here today because we need to be here today. We're here today because we have the burden of proving our motion to fix, in specific dollar amounts, each of the unvested contingent interests that are in Class 11. And we have to do that because the Plan and the Claimant Trust Agreement require that. Those documents, which are now four-and-a-half years old, require that all disputed claims in

equity interests be resolved before the Claimant Trust can be dissolved itself, a process that we're very interested to begin.

That's why we're here today, to fix those allowed amounts. And how do we do that? We do it the same way we did it in June, basically. We're using the same methodology that we did in June. You just look at the capital account balances as of the petition date, and, you know, that gets us to where we need to be.

I've got a very short PowerPoint --

THE COURT: Okay.

MR. MORRIS: -- to just highlight some of the issues that we believe are relevant today. Mr. Seery, the Claimant Trustee and the CEO of Highland Capital Management, LP, is here today to give what I hope will be brief testimony in order to meet our burden.

I do just, before I get to the PowerPoint, want to briefly address the objection. As the Court knows, I think there are four or five different holders of the unvested contingent Class 11 interests, but only one of which has objected. I don't know what the position is of the rest of them, but they're not here. And the objection itself is meritless. As we say in our papers, you know, the request that all distributions after senior claims are satisfied be distributed on a pro rata between the holders of the Class 10 and 11

claims violates about a half a dozen orders of this Court. You can't reconcile it with the subordination provisions and the creation of separate classes in the Claimant Trust Agreement or in the plan. You can't reconcile it with the fixing of the HMIT Class 10 interests that we did in June. I mean, what does it mean if you're not just going to distribute stuff without regard to that number?

Mr. Dondero signed an agreement on behalf of HCLOM that resolved HCLOM's claim, put it in Class 10. HCLOM has never been a limited partner. It has no -- you can't do what they want. This is really pushing the limits of Rule 11, in our view, because they're asking you to violate probably a half a dozen different court orders.

So I don't want to beat the drum too loudly because it's just not worth it here. I just want to meet my burden of proof. If I may just hand out these small decks.

THE COURT: You may.

(Pause.)

MR. MORRIS: So, Your Honor, the first slide here is just to highlight the provision in the plan, the definition of contingent Claimant Trust interests that applies here. You know, as always I cite to the record. Actually, before I get to this, I'd like to just to move into evidence -- I should have done that first; I apologize -- I'd like to move into evidence Exhibits 1 through 10, which can be found on

Highland's amended witness and exhibit list that was filed at Docket 4394.

THE COURT: All right. Any objections to that?

MR. HARPER: No, Your Honor.

MR. MORRIS: Okay.

THE COURT: Those 1 through 10 will be admitted.

MR. MORRIS: Thank you.

(Reorganized Debtors' Exhibits 1 through 10 are admitted.)

MR. MORRIS: So with respect to the first slide, it's just a snapshot of one of the definitions in the plan. The plan definition of Claimant -- Contingent Claimant Trust Interest establishes that the limited partnership interests that were held by the Class A members under the prepetition limited partnership agreement will be subordinated to the class that's being established for the holders or the former holders of the Class B and C interests.

And that's important, and that's important because that is the basis upon which the separate classes were created. And so, you know, this definition is given effect in Article 3 of the plan. Article 3, Section H-10 and 11, that's the provisions of the plan that establish the two different classes. And the creation of the separate classes and the subordination provision weren't adopted by accident, right? Your Honor made a very specific finding in Paragraph 36 of the confirmation order that says the plan properly separately

classifies the equity interests in Class 10 from the equity interests in Class 11 because they represent different types of equity security interests in the Debtor and different payment priorities.

There is a reason why this was done, and everybody knew it. Here we are, four-and-a-half years later, revisiting an order that was entered, at least as to this aspect, without objection. Right? What are they doing?

The concept of subordination, if we go to the next slide, was adopted also in the Claimant Trust Agreement, in Section -- Article 5, Section 5.1-C. Again, I've highlighted two portions. The first portion actually does relate to the notion of pro rata treatment, because that's what Dugaboy says, it's got to be pro rata. It is pro rata within a class. It's not pro rata between classes. You have horizontal pro rata. So if you're in Class 10, it's pro rata. There was only one member of Class 10 until we had the HCLOM agreement, and that was HMIT. But in Class 11, you had a bunch of different. And so, yeah, they have to be treated in their class the same.

But the bottom is really why we're here today, because it says the equity interests distributed to the allowed holders of Class A limited partners -- and that's what we're trying to get to. That's why we have to fix the amount. You fix the amount in order to get it to an allowed claim or an allowed

interest. Because it's not even allowed today, right? You get to allowed because it's fixed and it's no longer disputed. And the holders of the Class A limited partnerships, quote, shall be subordinated.

So I don't, I just don't understand how anybody could come here and suggest that Class 10 and 11 should be treated pro rata. It violates the Plan. It violates the Claimant Trust Agreement.

The next slide is just a calculation of the amounts. Mr. Seery will describe the methodology as to how we got to these numbers. Basically, the December 31st, 20- -- it's not written on the back of a napkin. It's written on the front of a tax return. Okay. We didn't write this, right? This isn't made up. He's going to tell you there's nothing subjective about this.

We took the tax returns that Jim Dondero signed when he controlled Highland. That was the starting point, the end of 2018. That's the first column. The second column, we take it to the petition date, and we use Highland's financial statements to do that. And then just for illustrative purposes we take it out until the end of 2019, to show the fluctuation in the value of the capital accounts in the -- just for illustrative purposes.

But the real point is to determine what the capital accounts were as of the petition date. That's when their

interests are being valued.

And Mr. Dondero and Dugaboy know their objection is baseless. And how do we know that? If you go to the last slide. You'll remember -- I mean, there's so many lawyers who have represented Dugaboy, it's a problem. It's a real problem for them. And it's why you can get a new lawyer here who probably, in fairness, probably doesn't have the historical and institutional knowledge to understand that this makes no sense.

Because last December you had Ms. Deitsch-Perez in here in opposition to the objection to the HCLOM claim, signing a settlement agreement on behalf of not just HCLOM but Dugaboy, if you look at Exhibit 8. She signed it on behalf of Dugaboy, too. And they agree that to resolve the dispute they would put HCLOM in Class 10 in a fixed amount, without anybody saying, oh, my goodness, but what's that going to mean for Dugaboy when we come back and we want to do this pro rata? Nobody thought about it then because it wasn't an issue for them.

They take it further. Apparently, Mark Patrick realized that that agreement was signed without his knowledge or consent on behalf of HMIT, and they have a little fight, and that's what led to where we are, where they are today. And they enter into an agreement to resolve their dispute, and that's at Exhibit 9. And that's an agreement, it's an

intercreditor agreement, they call it a participation agreement, between HCLOM and HMIT.

We had nothing to do with that. We didn't even know it was happening until it happened. But apparently they agreed that, if HMIT got a distribution in Class 10, they would give five percent of it to HCLOM, less HMIT's legal fees, another complication, but it's in Paragraph 1 of this agreement. This is how crazy this is. So they agreed to this. Again, second time, not a word about Dugaboy, not a word about how that's going to play out with some expected pro rata sharing.

But here's the best part, maybe the best part, the funniest part. Just four weeks ago, yet another lawyer for Dugaboy has an email communication with Louis Phillips, Mr. Phillips representing HMIT, and they have a back-and-forth. And I get involved because, as a result of the HMIT settlement, HMIT is going to get some payments from Highland. But now they have an obligation under this agreement to share it.

So there's instructions in there. You can look at Mr. Elms' (phonetic) email, right? So you have Ms. Deitsch-Perez in December, you had Mr. Elms, and he says, hey, you know that payment for HCLOM, send it to Dugaboy. Took the whole thing. Took the whole thing. It's right there. Gave wire instructions to send the money to Dugaboy, without ever saying, we need it because we have to take our piece. It's

five percent. They're getting five percent of what HMIT got. Has nothing to do with the partnership agreement. It has nothing to do with prorated. Has nothing to do with Dugaboy's I think 0.01886 percent. Nothing to do with anything.

And yet when they get this motion now, oh, you know what, we don't like what's happening. They said nothing at confirmation about this. There's no appeal about this. There's no objection about this. The orders have been in place for years. They said nothing in June with HMIT. They said nothing when they got the cash. What are we doing?

So that's all I have, Your Honor. I just wanted to provide some context to make sure the Court understands at least Highland's perspective, both as to the validity of our position, because our position, what we're doing, is consistent with the plan. It's consistent with the Claimant Trust Agreement. It's consistent with the HMIT settlement. It's consistent even with the HCLOM/HMIT settlement that we weren't a party to, because under our proposal, under our methodology, they're going to be able to share the cash just as they agreed. Right? Everything works perfectly.

So at the end I'll put Mr. Seery on, he'll be brief, and we'll ask the Court to enter an order granting the motion.

THE COURT: Okay.

MR. MORRIS: Thank you, Your Honor.

THE COURT: Thank you. All right. Mr. Harper?

MR. HARPER: Thank you, Your Honor.

Please forgive the knee. They're working on it.

THE COURT: Okay.

OPENING STATEMENT ON BEHALF OF DUGABOY INVESTMENT TRUST

MR. HARPER: Your Honor, I'll be very quick as well. I don't think there's any point in spending more time on this than need be. We objected to the way that the plan was to set the value of the claim as to Hunter Mountain because of the equity claim and we're objecting to it here.

THE COURT: Wait. Repeat what you just said. I'm sorry. Just start over, --

MR. HARPER: Certainly, Your Honor.

THE COURT: -- if you don't mind.

MR. HARPER: I'm sorry, Your Honor. Dugaboy filed objections earlier, the Court overruled them, when they objected to the amount of the claim that Hunter Mountain was. So, I mean, this -- the statement that we somehow didn't object to this, this is, you know, we objected to it when the Court --

THE COURT: You objected a few weeks ago when we had --

MR. HARPER: Yes.

THE COURT: -- the compromise and settlement motion before the Court --

MR. HARPER: I think this --

THE COURT: -- involving Hunter Mountain and the Claimant Trustee and the Reorganized Debtor. Is that what you're talking about?

MR. HARPER: I believe so, Your Honor. Yes.

THE COURT: Well, I'm asking you.

MR. HARPER: Yes, Your Honor.

THE COURT: Okay.

MR. HARPER: But the point being -- and I think that one of the issues that we've got when we talk about Class 10 and Class 11, we need to recognize that everything in Class 10 and everything in Class 11 aren't the same. The claims of Hunter Mountain in Class 10 are equity claims. The claims of Dugaboy in Class 11 are equity claims. These are the people who owns the shares of the Debtor. And when we are talking about how those claims get valued, they get valued a certain way.

Now, we understand that the whole point of putting them in priorities of Class 1 through 10 is to determine priority of payment.

THE COURT: 11.

MR. HARPER: 11. I'm sorry, Your Honor. Is to determine priority of payment. It doesn't mean that, you know, as we sit around and determine each individual claim, that the way that we value them ends up being the same to determine how much of the claim is allowed. Just like, you

know, some -- each contract gets treated differently, is the situation here.

And our point is the equity claims are unique. Equity is determined, it always has been, right, the answer is in every bankruptcy that I've ever been involved in, right, we pay off the creditors. If there's money left, which there often is not in a liquidation case, then that money gets paid to the equity holders pro rata.

Now, your plan --

THE COURT: Okay. Let me stop you a minute.

MR. HARPER: Sure.

THE COURT: I hope you're going to get to the res judicata, essentially -- my words, not Mr. Morris's, but that's the substance. This has been decided.

MR. HARPER: So which part are you saying, Your Honor. Are you saying you believe it's res judicata because of the plan or are you saying you think it's res judicata because of the 9019 ruling a few weeks ago?

THE COURT: Well, both.

MR. HARPER: Okay. So the plan has very specific statements about what happens to extra money, Your Honor. There's provisions in both of them. Because, candidly, Your Honor, there would be a problem if there wasn't, right? What happens if more money comes into this plan than there are if we have nothing but claims that are set in stone for the

dollar value?

THE COURT: Okay. So you dispute that the plan subordinated Class 11 --

MR. HARPER: No, Your Honor.

THE COURT: -- to Class 10?

MR. HARPER: I do not.

THE COURT: Okay. Then --

MR. HARPER: There's also provisions, however, in there that says, despite that, once you set those claims, there's a provision to deal with money after that. In other words, --

THE COURT: Okay. You'll point out what plan language --

MR. HARPER: Sure.

THE COURT: -- you think supports your argument.

MR. HARPER: Certainly, Your Honor.

THE COURT: Okay.

MR. HARPER: Your plan also states and your order states that, regardless of anything in the plan, that the issues of contractual agreements and the issues of law and equity get involved as well. And there is no possible doubt that the partnership agreement has very specific ways that these are supposed to be valued and the assets are supposed to be paid out. It's in the contract there.

So that becomes critical, because if we go to part two,

which is, all right, if the answer is we're going to come out and determine the cash value here, there's two problems. One, when do we do this? Right? So, as you well know, right, under the bankruptcy law, the answer is we don't determine contingent fee and unliquidated until it's absolutely necessary. If the answer is we believe we've hit that point, that it's absolutely necessary and there is some reason that this will hold things up, then we should discuss that. But since they're asking for this bankruptcy to stay open for several more years, we question whether or not that's really the way to do this.

But secondly, the issue with the --

THE COURT: I want you to address --

MR. HARPER: Sure.

THE COURT: -- res judicata. How many times is it appropriate for this Court to consider the same issue? Isn't that exactly what I'm doing?

MR. HARPER: So --

THE COURT: I considered the plan language, which subordinated Class 11 to Class 10 based on they had different rights under the limited partnership agreement of Highland, which was part of the evidence. Your client didn't object, by the way, to that.

MR. HARPER: They did not.

THE COURT: Although the client objected to the plan

in numerous ways and appealed the confirmation order. So you're going to show me, I guess, why this isn't res judicata, because it looks to me like the plan decided it. Okay?

But then we have the other res judicata issue of, a few weeks ago, when this valuation methodology for Class 10 was proposed by the Debtor and there was testimony from Mr. Seery, and Dugaboy objected, and there was cross-examination, and I had no evidence from a different person about what would be a more appropriate methodology, and so I approved that.

So, from my perspective, you've got at least a double res judicata problem. So I really want you to tell me out of the gate why you don't think you have a double res judicata problem.

MR. HARPER: Your Honor, I don't want to be a smart aleck, so please forgive me, because one thing I was -- I assume you're actually meaning collateral estoppel, not res judicata, since --

THE COURT: Well, I guess it could be either one.

MR. HARPER: And I'm not -- and please don't think that --

THE COURT: I mean, I guess it could be either one.

MR. HARPER: I mean, certainly, --

THE COURT: I guess it could be specific findings I made, and so therefore collateral estoppel might be the doctrine. But I think it's probably the ruling as well.

Maybe it's both. Okay.

MR. HARPER: Your Honor, let me --

THE COURT: We'll have a law school class decide that.

MR. HARPER: Yeah. I'm sorry, Your Honor, I didn't mean to be -- my only point being I didn't want to fail to address the Court's arguments directly, right? Obviously, there was not a ruling on the merits as to the value of Dugaboy's claim two weeks ago. Therefore, since there was not a ruling on the merits on that, there can't be res judicata on that issue.

What I think the Court is trying to say, I mean, I think, is that it believes or it thinks there's -- well, you said you do believe -- you believe there is an issue in that, by valuing the equity in Hunter Mountain, you believe that that has issue-preclusion and equitable estoppel, you know, collateral estoppel claims, meaning you now have determined that's what the equity is.

Your Honor, if that's the case, we lose. Right? I mean, I -- there you go.

THE COURT: Okay. It's a couple of things. It's a subordination issue that I think the plan and the confirmation order has created an estoppel effect, right?

MR. HARPER: Your Honor -- pardon me.

THE COURT: Subordination. Subordination is Class 11

is subordinated to Class 10. We're doing that because the limited partnership agreement clearly showed distinctions in these types of equity interests and we think that is probably the appropriate way to go in the plan, and no one objected, and I approved that.

MR. HARPER: So, Your Honor, obviously, we're going to go over the partnership agreement. If the Court would like, we'll do it right now.

THE COURT: No.

MR. HARPER: I mean, we can do it without a witness, but --

THE COURT: I'm just saying I'm trying to figure out why this hasn't been precluded by prior orders. I'll just say precluded since we don't know which estoppel doctrine is most germane, okay?

MR. HARPER: Yeah. I'm sorry, Your Honor. Just, again, I feel like I'm being -- just in terms of what legal argument I make in response, because, you know, the answer is different each way. So, but, so, again, I'm sorry if I'm acting like a gunner in law school. That's not the intent here.

My point just is I hear what the Court is saying. You know, truthfully, Your Honor, I think that the answer -- you know, happy to address that, feel like I am addressing that, because we can talk about it in more detail if you would like.

If you'd like to do that now, or if you want them to put on their witness first, or we're happy to go through the documents if you want.

THE COURT: I didn't know it was a complicated question I was asking.

MR. HARPER: So, Your Honor, the contingent fee -- so let me start with one interesting hypothetical. So you set these values today. Let's say that, you know, theirs stays at -- I'm just going to round up -- $350 million and ours comes in at $700,000. The issue still remains, what happens if one of the claims that are out there nets money in excess of that? Where does the excess money go?

This plan, the way it is currently being suggested and the way that the Court is suggesting if there is res judicata, has a fatal flaw in that the plan doesn't account for excess cash. There's -- it goes to nobody. That can't be the case, right? It has to go to somebody.

THE COURT: I guess if there's more than three hundred --

MR. HARPER: Fifty million?

THE COURT: -- thirty-six million, --

MR. HARPER: Sure. Where does it go?

THE COURT: -- then Class 11 would get it. I mean, --

MR. HARPER: They would get the $700,000 only by

their -- so what happens if there's more than that? What happens if there's an extra $10 million?

THE COURT: I think we're happy to have another court hearing and decide that.

MR. HARPER: Well, Your Honor, the point is you would have a -- you would have a plan which is per se flawed because it didn't take into account the residual cash issue. But our point is, the plan does.

Now, I agree with you that the problem that we have with this plan is there are provisions in there that are difficult to read together, meaning --

THE COURT: Okay. We've had an appeal up through the Fifth Circuit twice. Okay?

MR. HARPER: Your Honor, not on this issue.

THE COURT: Well, then it's barred. It's barred.

MR. HARPER: Well, no, Your Honor, because the answer is, you know, what we're now talking about is how one interprets the plan, not whether the plan itself is wrong. Because there is no doubt there is a provision in the plan that says once -- it's in the contingent trust agreement -- it says once the allowed claims are paid, including that, then the rest goes to the equity holders. And that's after we've dealt with the Class 10 and 11. Right? So there's your excess out there.

Well, how is that done? The answer is we have claims

beyond the allowed claims. Now, the partnership agreement has a very specific subordination clause as far as what portions of the claims are subordinated and what are not.

Now, I agree, this is a very strange situation. How does one set the value of equity? Because there's a specific way to value the equity in the partnership agreement which they're not using. Instead, they said, let's just take a look, let's take a look at the capital account. And therefore, because the capital account on this date said *x*, let's determine that that must be it.

Now, we all know that has nothing to do with the actual value. It's a tax number. It's not there. But the partnership agreement has very specific language about what to do in a situation of liquidation. And it specifically says, and there is no possible ambiguity here, you pay all the claims. When those claims are done being paid, you then take the amount that's left over and you divide it proportionally among the parties.

Two caveats. On Page 12 of the partnership agreement, there is specific language about the portions of the Class B/C that need to get paid first. They have certain rights where they get paid first.

THE COURT: Why wasn't your client making this argument in February 2021 when the plan was performing?

MR. HARPER: Your Honor, I can't answer that. I do

not know.

THE COURT: Well, you can't change lawyers and use that as an excuse. So what is your excuse?

MR. HARPER: Your Honor, my point is I think the plan takes this into account. I think we're just fighting about how one interprets it.

THE COURT: Okay.

MR. HARPER: What I understood you saying is you think --

THE COURT: Well, I guess you can point out the language that you think the Court would be interpreting before we're done here today.

MR. HARPER: Sure, Your Honor. So if the Court -- would you like me to do it now? Or I don't understand what the Court's asking for.

THE COURT: You know what, you can do it as part of your presentation of evidence --

MR. HARPER: Sure.

THE COURT: -- if you want to do that. Okay?

MR. HARPER: Thank you, Your Honor.

THE COURT: Okay. Thank you.

All right. Mr. Morris?

THE COURT: Your Honor, I just, before I call Mr. Seery, I just want to make a couple of points.

The partnership agreement today is irrelevant. It's been

irrelevant since August 11, 2021 when the plan became effective and it was rejected. It was replaced by the Claimant Trust Agreement.

So I don't really care what the limited partnership agreement says. Nobody has abided by it for years.

Number two, nobody owns the equity today. Right? His client owns an interest, a contingent unvested interest in Class 11. It doesn't own equity in anything. Equity, according to the plan, was extinguished long ago. Okay?

With that, I'd like to call Mr. Seery.

THE COURT: All right. Thank you.

Mr. Seery, welcome back.

MR. SEERY: Good afternoon, Your Honor.

THE COURT: Please raise your right hand.

JAMES P. SEERY, REORGANIZED DEBTORS' WITNESS, SWORN

THE COURT: All right. Please be seated.

MR. MORRIS: May I hand out the witness binders?

THE COURT: You may.

MR. MORRIS: I'll try and keep this brief, Your Honor.

Mr. Seery -- I'd like to also -- may I also give the witness the demonstrative?

THE COURT: You may. Thank you.

MR. MORRIS: And I'm just going to open it up to Slide 4, which is the demonstrative citing all of the evidence

that sets forth the confirmation, just to make this easier.

THE COURT: Okay.

THE WITNESS: Thank you.

MR. MORRIS: You're welcome.

DIRECT EXAMINATION

BY MR. MORRIS:

Q Are you ready to go, Mr. Seery?

A I am.

Q Okay. And are you familiar with the motion that we're here discussing today?

A Yes, I am.

Q Did you authorize Highland to file that motion?

A I did.

Q And why did you authorize Highland to file this motion?

A Because the plan, the confirmation order, and the Claimant Trust Agreement require that we fix all claims in order -- and interests in order to close this case. We have a final deadline to close this case on August 11th. We expect to be dissolved and, frankly, cancelled by that date. The indemnity trust may live on, unfortunately, because litigation may live on, but the case, we expect to be closed.

Q Okay. And are you familiar -- and as part of the process, are you personally familiar with the methodology that Highland used to determine the amount of each unvested contingent Class 11 interest?

A Yes, I am.
Q Can you describe for the Court the methodology that Highland adopted?
A Yes. Similar to the discussion we had at the end of June, the Debtor was a limited partnership. There are no shares. The equity as it's divided in a limited partnership is owned by partners who have limited partnership interests. Those limited partnership interests, in accordance with the partnership agreement, receive allocations of profits and losses that are maintained and required to be maintained in what is called a capital account.

Each partner's interest in the partnership, their stake, their share, whatever word you want to use, is reflected in the partnership capital account that each partner has. So, unlike a corporation, each partner knows exactly what their capital account is at all times.

Q Can we turn in the binder to Exhibit 5? And I guess my first question is, do you know what this document is?
A I do, yes.
Q And what is this document?
A So Exhibit 5 is a bit of a combination of things, but it is the first page of the 2018 Highland Capital Management Limited Partnership tax return. And this is the return for the partnership that -- which became the Debtor. It was signed on 9/15/19, about one month before the filing, by Mr.

Dondero, under penalty of perjury that it's true, correct, and complete. And what it does is it reflects the partnership's income, losses, deductions, tax payments, for year 2018, ending 12/31/18.

What it also contains in the pages behind are what are referred to as Schedule K-1. In a partnership, when the partnership files a tax return, because it is a pass-through entity, profits and losses pass through to the partners pursuant to the terms of the partnership agreement. Those -- that allocation of profits and losses, minus any distributions, is reflected in their capital account.

So each partner in a limited partnership gets a K-1 that's also reported to the IRS and that they use for their own individual partnership -- their own individual income tax returns, the partnership income or losses being part of what their tax makeup might be, depending on their other tax attributes. The K-1 contains the individual partner's specific partner capital account.

Q Can you show us where --

A Form 1065 -- excuse me.

Q Yeah.

A On Page 5, which we don't have here, has the gross amount of the partnership capital for 12/31/2018. So the individual accounts, the partner capital accounts, are reflected -- I apologize for my reading -- the individual capital accounts

are reflected in Section L of each of the K-1s. So you'll see a few pages in, there's Strand with an ending capital account, which would be the 12/31 capital account, of $932,000. There is Mark Okada individually, $181,000. There's Mark Okada Trust I, $36,000. There's Mark Okada Trust II, $15,000. And there's Dugaboy at $693,900. It also reflects Hunter Mountain, which we dealt with in June at $370 million.

Q So those are the capital accounts for each of Highland's limited partners as of December 31st, 2018. Do I have that right?

A That's correct.

Q And that's -- is it your understanding that those are the numbers that were reported by Mr. Dondero on behalf of Highland at the time?

A That's correct.

Q Is it your understanding that each of the taxpayers who received a K-1 relied on those numbers and paid taxes in accordance with the amounts set forth in the K-1?

A To be fair, I don't know exactly what each one did. I know that when I --

Q I appreciate that.

A -- receive a K-1, that's what I do on my individual taxes because that's what's required.

Q Okay. So how -- did you adjust the capital accounts that were reflected in the K-1s at year-end 2018? How do you bring

that up to the petition date of October 16, 2019?

A The partnership agreement requires that, as I said, partnership profits and losses and distributions are reflected in each partner's capital account. Highland studiously maintained that every month. Why did it do that? Well, it's required to do that under the partnership agreement. It was. It's also required -- and the partnership agreement contains that requirement because that's required by the Internal Revenue Service regulations. And those numbers and the distribution and allocation of income, losses, and distributions has to have what is referred to as substantial economic effect in order to give the partnership the ability to pass through losses and income on different bases.

Q And can you turn to Exhibit 7? Is that the document that you relied upon to bring the year-end 2018 capital accounts current as of the petition date?

A Well, this is a -- this is a snapshot from the monthly operating report. These were filed every month during the case. This one you can see is filed, it should be sometime in December. I can't see the filing date. But it does reflect the 11/30/19 capital accounts as well as the 10/31/19 capital account and then the 10/15 filing date capital account.

Now, this is the gross amount. So each individual partner -- because Highland keeps it for itself and then it allocates to each partner that's ultimately reflected on the K-1. The

attachment is some of the output from our Oracle system. This was our accounting system. And this reflects the changes that would be running through the P&L that would hit the balance sheet.

And you'll see at the very last page of Exhibit 7 the 370 -- I can't -- I'm having trouble reading -- the partner capital account of 396,613, and that's the 10/15 number. It's off by a thousand dollars. And it does reflect some of the larger changes during the first half of the year.

So that number went up. If you'll recall the 12/31/18 number that we saw before, it went up during the first 10 months of the year. And that's reflected in a number of the lines above, but right on that page you can see the two biggest drivers. There's something called the Highland Select Equity Fund. This is a $109 million credit. That is the write-up of Trussway, which was an asset that was owned. That took a big write-up during that first 10 months of the year from a very low basis, and that's reflected in the P&L, then reflected through the balance sheet and into the capital accounts.

Ten lines above that you'll see a $74 million debit. That's the reserve taken for the Redeemer -- the initial Redeemer award in April.

So these are the entries that roughly reflect what's going on in the Highland accounts that then roll through to the

capital accounts for each partner.

Q And just to make this really clear, this document that we're looking at, Exhibit 7, was a monthly operating report that was filed in the bankruptcy case; is that your understanding?

A Yes.

Q And that was prepared while Mr. Dondero was still in control of Highland; is that right?

A This one was, yes. But we did it every month --

Q Yeah. Just -- just --

A -- all the way.

MR. MORRIS: And it's the very last page, Your Honor, where it has the total partner capital, $396 million -- $613,941. That's the number that you see in the middle column on our demonstrative, okay?

THE WITNESS: That's --

MR. MORRIS: And that's where it comes from.

THE WITNESS: That's correct.

BY MR. MORRIS:

Q Okay. And then am I correct that what you did is you took that number and multiplied it by the limited partnership interest that each of the limited partnership partners had? Former limited partners?

A Roughly. But if they had gotten distributions that were outsized, then they could have been non pro rata. The general

partner was allowed to do that. Then they would have been -- it would have led to different adjustments. But in this instance, I think that they would have reflected on a straight basis without any changes through the partnership accounting for those first 10 months of the year.

Q Okay. So, to summarize, can we say that Exhibit 7 shows the economic activity at Highland from year-end 2018 through the date of this document, and that that's why there's a difference in the capital accounts, and the bottom line is the 396 number that we see here?

A At a high level. So this is a trial balance out of Oracle, so they are subject to adjustments.

Q Okay. Did you make any adjustment?

A Not up to the petition date, no.

Q Okay. Is there any subjectivity at all in any of the analysis that you've prepared?

A No.

Q Did you rely on anything other than the tax returns and Highland's books and records that were prepared prior to the time you became an independent director?

A The books and records also include the audited financials, which contain the same numbers. So those audited financials which were signed off by the same people, --

Q Great.

A -- they're also -- and the partners' capital is the same.

Q Thank you for your completeness.

Highland contends that once the Class 11 interests are fixed, they will receive no distributions from the Claimant Trust until the Class 10 interests are paid in full. Do I have that right?

A Yeah. The 10s need to get paid in full before the 11s can get paid.

Q And what's the basis for that position?

A That's the plan, the confirmation order, and the Claimant Trust Agreement setting up a hard waterfall on how distributions run through the various classes of 1 to 11.

Q Okay. Are you aware that in -- at least in their objection, Dugaboy took the position that any distributions after Class 9 and all senior obligations are paid in full had to be made pro rata among all of the former limited partners?

A I'm aware that that's what they said.

Q Does that make any sense to you?

A No, it doesn't, not at all.

Q Why not?

A That is simply not the plan, it's not the confirmation order, and it's not the Claimant Trust Agreement. The plan set up a specific priority, and delineated between Class 10 and Class 11, and made Class 10 senior to Class 11. That respected the old partnership agreements, which no longer exist and was rejected. That waterfall is a hard waterfall.

So the idea that it would be pro rata would be anathema to the way -- the structure of the plan.

Q Okay. And we were here in June, and Class 11 -- Class 10 was fixed on a net basis of somewhere at around $330 million. Do you recall that?

A That's correct. That -- Class 11 wasn't -- Class 10 wasn't set there. HMIT's claim in Class 10 was set at that amount, which was their capital account, less the amount of the -- potentially the amount of the note that they owed to Highland.

Q Is there any conceivable chance that HMIT will ever be paid in full?

A No. It's simply not -- it's metaphysically certain that it won't be paid in full.

Q And --

A We have a limited amount of cash to cover expenses. We have $10 to $15 million more in assets. We owe the Class 9s, provided all the senior expenses are paid and all the indemnification obligations are paid and there are no more statute of limitations that we have to worry about and all litigation risks are gone, we owe the Class 9 $10 million. Provided all those things are true, we owe the Class 10, including HCLOM, about three hundred and -- now, after application of the note, about $330 million. There is no world, no universe, that we will ever have a penny more than

is required -- than we could pay through Class 10.

Q Okay.

MR. MORRIS: I have no further questions, Your Honor.

THE COURT: All right. Mr. Harper, cross?

MR. HARPER: Thank you, Your Honor.

CROSS-EXAMINATION

BY MR. HARPER:

Q Good afternoon, Mr. Seery.

A Good afternoon.

Q My name is Geoffrey Harper. I don't think you and I have ever met before; is that right?

A That's correct.

Q So listen, I'm going to try to go quick and just run by a couple things with you real quick, some of which I'm going to try to make speedier by just trying to make sure your testimony that you gave earlier you still agree with today as we sit here.

But when we take a look at the equity between Dugaboy and Hunter Mountain, or the Class A and the Class B and C interests, forgetting for a moment the plan and just asking you, I mean, you would agree with me that under the partnership agreement they get paid pro rata based on profits, correct?

A No, I disagree.

Q Okay. Let's take a look, if you will, at Exhibit 1. Do

you have that with you in that notebook?

A The rejected partnership agreement? Yeah.

Q Sure. So let's take a look at -- as we look at the partnership agreement, let's take a look at Section 3.2, allocations of profits and losses. It indicates that profits are to be done -- so 3.2-A says, you know, we're going to do ones from prior ones and cumulative profits again for prior periods, and then Section 3 says it will be done to all partners in proportion to their respective percentage interests, correct?

A 3 point -- I'm just trying to see where you are reading from.

Q So I'm on Page 8.

A Yes.

Q 3.2.

A Yes.

Q A.

A Yes.

Q Little iii.

A It says, then to all partners in proportion to their respective percentage interests.

Q All right. So, subject to A and B, which has to do with payments for prior periods, then profits are to be assigned based on the proportional interest, correct?

A Allocation of profits, yes.

Q Correct.
A That's what it --
Q Now, --
A That's what it says.
Q Now, your point is there's a difference between allocation and payment, and you're right. So let's take a look at Section 3.9. This is on Page 12. The -- there is a certain -- if I look at 3.9-B, there are priority distributions that are to be provided to the Class B/C interests, correct?
A That's correct.
Q And those are fairly minor in the grand scheme, is -- with the dollars we're talking about, correct?
A I'd disagree with that, but --
Q Okay. So in light of that we're talking 300-and-some-odd -- $360 million for what you're valuing the total equity at for Dugaboy -- I mean, for, excuse me, Hunter Mountain, what we're actually looking at for priority distributions are every calendar year they get $1.6 million -- they're guaranteed to get at least $1.6 million, correct?
A Just the premise of your question, I'm not valuing the equity at anything.
Q Okay.
A We're fixing the amount of a class interest under a plan. So I'm not -- I'm not valuing anything.
Q Okay. I want to make sure that --

A I think the value of Class 11 is zero.
Q Sir, I want to make sure that we say this clearly. So when you're saying you're -- you are not offering testimony as to what you think it's actually worth, are you estimating as to what it was worth at any given point in time?
A We're fixing the amount of a claim. Just like a claim --
Q Right.
A -- doesn't always get a hundred cents, a fixed amount of the interest under this plan doesn't always get a hundred cents.
Q Oh, I understand that. But you're fixing the amount of the claim and you're choosing a figure based on the value of that equity interest as of a date certain, correct?
A I'm picking a figure or fixing a figure based on the capital accounts that were maintained by the partnership as of the petition date.
Q Okay.
A What their actual value might be, I don't know.
Q Okay. I'm sorry. I wanted to make sure I wrote that down specifically.
All right. Now, other than the priority distributions that are provided here in Section 3.9 -- and by the way, even the ones that are provided here don't give -- that just says they get paid first in certain circumstances; it doesn't say that they get paid more, correct?

A I don't know it. I'm not an expert on the entire partnership agreement.
Q Fair enough. Have you looked at Section 5.3?
A I have, yes.
Q Now, 5.3 talks about how it would be handled under a dissolution and a liquidation, correct?
A That's what it says, dissolution and winding up, yes.
Q And if I -- the portion of Section 5.3 on Page 23 indicates that the liquidation will take place, and then the way the cash will be put out is on the second page, Page 24. We have A, B, and C. A would be payment of, you know, certain expenses, B would be payment of creditors, and C is to the partners and assignees, to the extent of and proportion to the balance in their capital account, as provided in the Treasury Regulation Code, correct?
A The -- you gave a quick summary of it. You didn't read the whole thing. But some of those words are there, yes.
Q And then D tell us, to the partners in proportion to their respective percentage interests, correct?
A That's what it says, yes.
Q All right. So C tells us it's going to be in proportion to their capital accounts and C -- and D tells us to the partners in proportion to their respective percentage interests, correct?
A That's what this section says, yes.

Q All right. So when you were determining the amount of the claims, other than just looking at the tax returns for what was listed as capital accounts, did you take into account the way that the partnership agreement said that those interests should be valued and paid?

A You didn't read anything about valuing anything here. What I -- what we did take into account when we set the plan and fixed it was the priority that, in the previous provision you read to me, said, notwithstanding any other provision of this agreement, that that priority gave HMIT, the holder of the B/C, priority to the Class A. So when we put it forth, put the plan forth and constructed it, we wanted to make sure that we didn't get an objection from any of the equity holders, particularly HMIT, saying, well, I should be senior. So the plan was structured with Class 10 being senior to Class 11.

Q All right. So, again, let's -- I only want to focus on what you said as it -- I understand the plan, and I'm trying to -- we're going to get to the plan next. But if we're focusing just on the partnership agreement for a second, when you said them being senior pursuant to the partnership agreement, the only way that they are senior in the partnership agreement is a limited amount of priority distributions, correct?

A They were entitled to priority distributions; that's

correct.
Q All right. And those are limited by the specific terms as to what they're entitled to, correct?
A I assume they are. I've not -- I'm not an expert on how the partnership agreement lays out the priority of B/C to A, but it clearly laid out a priority.
Q Do you know, in the history of the Debtor, was there ever a time that the priority distribution provisions were used such that the Class B/C were paid to the exclusion of the As?
A That the B/C were paid? I don't know the answer.
Q Okay. Now, as you noted, you then went to the plan and noted that there were certain parts to which the -- certain claims that were subordinated, right? I mean, the Class -- as we've said, used the exact words, the Class As are subordinated to the equity trust interests distributed to the allowed holders of the Class B/C, correct?
A Yeah. Which section are you reading from? But that's the -- that's the gist of the plan, yes.
Q I was actually reading from -- I'm on the Claimant Trust agreement, --
A That's what I thought.
Q -- Page 26.
A Yeah, that's -- that's different from the plan.
Q You agree that the plan incorporates the Claimant Trust agreement?

MR. MORRIS: Could we --

THE WITNESS: Yes. And the Claimant Trust Agreement reflects the plan.

BY MR. HARPER:

Q Okay.

A But you said you were reading from the plan, so --

Q I apologize. Sir, I truly am, I'm trying -- I'm not trying to mislead you and I'm sorry if it sounds like I am.

A Uh-huh.

Q So if I take a look at the Claimant Trust Agreement, --

A Uh-huh.

Q -- Article 4 of the trust interests, Section C, little c, notes that the Claimant Trust shall issue contingent interests to the holders of allowed Class 10 B/C limited partnership interests and the holders of allowed Class 11 Class A limited partnership interests, correct?

A I believe it says a lot more than that, but yes.

Q I'm sorry. I'm literally just reading the first sentence.

A I don't have it in front of me, so I'll assume you're --

Q I'm sorry.

A -- you're relatively close to a fair reading.

Q Let me hand you a copy.

A Thank you.

Q I did not realize you did not have a copy. My fault. Sir, I'm on Page 26. Now, in the middle of that paragraph,

there's a sentence that reads -- tell me if I'm reading this correctly: Contingent trust interests shall not vest and the equity holders shall not have any rights under this agreement unless and until the Claimant Trustee files with the bankruptcy court a certification that all GUC beneficiaries have been paid indefeasibly in full. And then there's more, but did I read that part correctly?

A I think you were close, yes.

Q Has that been done?

A No.

Q So as of this moment, the GUC certificate has not been filed and there's nothing that has vested or rights to any payments from the equity holders, correct?

A That's correct. They're not vested as interests under this Claimant Trust Agreement. There has been a fixing of the claim of HMIT, and they are entitled to the rights they have under the settlement agreement, and distributions have been made to HMIT on account of that settlement agreement, including the closing of the transfers of the assets as well as cash payment.

Q All right. Understood, sir. Now, we had an earlier question about whether there was any equity holder left or not. I mean, this is not a term that I'm making up. This is a term in the Claimant Trust Agreement, correct?

A I'm -- what term?

Q Equity holders, sir.
A Yes, that's in this -- in this agreement in this paragraph.
Q Okay. Now, what I was reading earlier was the last sentence under Section C, which says, The equity trust interests distributed to allowed holders of Class A limited partnership interests shall be subordinated to the equity trust interests distributed to allowed holders of Class B/C limited partnership interests.
Did I read that correctly?
A That's correct.
Q Now, let's take a look, if we can, real quick now to Section 9.2. This will be on Page 33.
MR. MORRIS: Do you have a copy for me?
MR. HARPER: Oh, I'm sorry. I thought the Claimant Trust was an exhibit. My fault.
MR. MORRIS: Excerpts, yeah.
MR. HARPER: Oh, I'm sorry.
MR. MORRIS: That's the agreement, yeah.
MR. HARPER: My fault.
THE COURT: I have a notebook of the Reorganized Debtors' exhibits. But the Claimant Trust Agreement, as well as the plan, I just have excerpts that they used as exhibits. And some of what you're reading is not in their excerpts.
So if I pulled the Dugaboy witness and exhibit list at

Docket Entry 4395, do you have the full copies of these or what?

MR. HARPER: No, Your Honor. We did not list it as an exhibit, Your Honor, although, you know, obviously, the Court takes judicial notice of its own filings and pleadings.

THE COURT: Okay. Are you asking me to do that, so I can read along, or what?

MR. HARPER: I'm sorry, Your Honor. I truly believed that they -- at this moment, and this is my own fault, --

THE COURT: Well, as you can see on their exhibit list in bold at Number 2 and 3, they have excerpts of the plan, excerpts of the Claimant Trust Agreement. So I realized --

MR. HARPER: I --

THE COURT: -- that you were reading places that are not in their excerpts.

MR. HARPER: I'm sorry, Your Honor. And even worse than that, I only brought three copies. I would hand you mine real quick, but then I can't read this one. But I'm happy to give you mine the second I read 9.2 out loud.

THE COURT: Okay. Are you about to read from the plan or the Claimant Trust Agreement?

MR. HARPER: I'm reading from the Claimant Trust Agreement.

THE COURT: Okay. That's Docket No. 1811 on the main

docket. I'll find it.

MR. HARPER: Yes, Your Honor. 1811-2, filed on January 22nd, 2021.

THE COURT: Okay.

MR. HARPER: At least pursuant to what I'm holding.

THE COURT: Okay.

(Pause.)

THE COURT: This is taking longer than I want it to, since there are -- no.

MR. HARPER: Your Honor, if it'll be easier, I'll hand this, I'll just have him read it out loud --

THE COURT: Okay.

MR. HARPER: -- and I'll trust he's going to get it.

THE COURT: All right. Thank you.

BY MR. HARPER:

Q Would you read Section 9.2 out loud for us real quick?

A "Upon dissolution of the Claimant Trust, any remaining Claimant Trust assets that exceed the amounts required to be paid under the plan will be transferred, in the sole discretion of the Claimant Trustee, in cash or in kind, to the holders of the Claimant Trust interests, as provided in the Claimant Trust Agreement."

Q All right. So if there is money beyond what is allowed, the claimant can -- has the -- or the Trustee has the right, in his own discretion, to decide whether to do it in cash or

in assets, and then it's to be provided to the holders. So my question to you is, who gets it?

A At the dissolution, we would pay the next class in line. So --

Q All right. So let's go -- let's talk about what you said earlier. You said, for example, that there was no way on God's green earth -- and that's my term, not yours; I apologize -- that they would ever get past the Class 10, correct?

A That's correct.

Q Now, you're aware that there are numerous matters that are on appeal, correct?

A There are some matters on appeal, yes.

Q Including whether or not -- there's the gateway provision and how that's going to apply.

A That's not -- that's not on appeal.

Q So it has been sent back and the Court has just made a revision and there may or may not be an appeal from that, correct? Although there is actually -- you say there's no appeal. Is there not something before the United States Supreme Court right now on that issue?

A There is a cert petition.

Q Okay. So it's -- someone is attempting to obtain a further appeal on that, correct?

A I treat a cert petition as different than an appeal, but

okay.

Q I apologize. I see I'm not the only one that wants to do the *Law Review* route. So let me hit on the issue there. There are additional claims, depending on how those appeals, that could very well change the amount of money that would come into the estate, true?

A False.

Q False?

A False.

Q Hmm. And your reason for that is what?

A There are no additional assets that the estate can recover that would go into the estate. Those are -- the order you referred to is actions against the estate or its fiduciaries that would deplete the indemnity trust.

Q That's fair. Let me try it differently. There are additional claims that could be pursued by, for example, Dugaboy?

A Not for the estate.

Q No, not for the estate, but for Dugaboy themselves. Correct?

A I don't believe there are, but what would that have to do with distributions from the estate?

Q Fair. It has to do with the valuation, but I understand your question there. When you sat there and you said, all right, I'm going to decide how much the claim is to be allowed

under -- as I understand, the way that you have set this up, you believe that the equity holder Hunter Mountain will receive some money, correct?

A They may -- they've already received some money. They may receive more money. I don't know whether they will.

Q Okay. But they may receive more. But you believe that there is, if I understood, you said there's no chance that it will be -- filter down to the Class 11, correct?

A Metaphysically certain.

Q Okay. Now, as to the other, besides Hunter Mountain, Class 10 claimant, that entity was what?

A I apologize. I don't understand your question.

Q So there's two different Class 10, correct, claims?

A Correct.

Q One is Hunter Mountain?

A Yes.

Q And I was asking you to just state what the other one was.

A It's called Highland CLO Management Limited. It's -- we refer to it as HCLOM.

Q Right. And HCLOM was not an equity holder, correct?

A It was not.

Q And they are not referred to under either the plan or the contingent trust as an equity holder, correct?

A They weren't an equity holder. I'm not --

Q Right. And their valuation is --

A I don't -- I don't think they're referred to at all.
Q All right. They had a note, correct?
A They had a note that we said was worthless. We brought an action against them for bad faith. They insisted that -- we insisted they get zero and they pay us millions of dollars. We ended up settling it. They insisted on a Class 10 claim with limited rights.
Q And that Class 10 claim, you know, the agreement was that they were going to get five percent of any amount of money that Hunter Mountain got?
A That's incorrect.
Q Sir, are you familiar with the intercreditor and participation agreement signed between HCLOM and HMIT?
A I have seen that, yes.
Q Okay. And you agree that in the intercreditor and participation agreement, HMIT agreed that they would pay five percent of the money that they received to HCLOM. Correct?
A That's between HCLOM and HMIT. We make our distribution to HCLOM. They have a fixed claim for $10-and-change million by order of this Court.
Q Correct. So it started with a -- they wanted a percentage, and then they also got a set amount of money based on a settlement agreement with you under the -- that was fixed, correct?
A Apologies for how this sounds, but you have no -- that's

not even close to what happened or what these agreements say.

Q Sir, I truly apologize. Why don't -- would you please fix that for me?

MR. MORRIS: Objection to the form of the question.

THE COURT: Fix what?

MR. HARPER: Oh, I'm sorry.

THE COURT: What does that mean?

BY MR. HARPER:

Q You said that was inaccurate, so I'm asking you, would you please tell me the accurate -- the valuation for it.

A HCLOM had a claim for --

Q Uh-huh.

A -- $10 million.

Q Okay.

A It was objected to, because we stated that it was frivolous and it came out of the stripping of assets from Josh Terry's Acis -- controlled Acis -- before he controlled it.

We also filed a bad faith motion, which we would have prevailed on, we're quite confident, for damages against HCLOM. At the hearing, HCLOM's counsel, which is also Dugaboy's counsel, and also at that time HMIT's counsel, made a proposal that we settle the claim. We took advice -- I took advice of counsel and agreed to the settlement. And that was a settlement of the claim. We wanted to zero it out and we wanted to put them in Class 11 and they wanted to be in Class

10. So we gave them an allowed or a fixed claim with limited, extremely limited rights, in Class 10 for $10-and-change million.

That stipulation was signed by HCLOM, the Debtor, HMIT, and Dugaboy approving it.

Q Okay.

A And that was entered by the Court.

Q I'm sorry that you thought my explanation was dramatically different than that. I think the answer is I must not have heard what I said. Let me just make sure that we're on the same page, though. The way that that claim was valued had nothing to do with equity, correct?

A It --

MR. MORRIS: Objection to the form of the question.

THE WITNESS: It -- it --

THE COURT: Sustained.

THE WITNESS: We weren't valued -- the claim --

THE COURT: You don't have to answer.

THE WITNESS: Okay. Sorry.

BY MR. HARPER:

Q That claim was valued via the terms of a settlement, correct?

A The amount was fixed. We didn't value what their claim was worth.

Q I'm sorry.

A Their claim --
Q The amount of the claim that you --
A Their claim is --
Q -- allowed --
A I would value their claim at zero.
Q Okay. The amount of the claim that was allowed was a negotiated settlement. Fair?
A Their classification was -- was negotiated. The amount, because it was subordinated and because it was sitting in a class that was unlikely to get much of a distribution, we didn't really negotiate the amount.
Q Okay.

MR. HARPER: Your Honor, that's it.

THE COURT: Redirect?

MR. MORRIS: I have no further questions, Your Honor.

THE COURT: Okay. Thank you. We appreciate your testimony, Mr. Seery.

THE WITNESS: Thank you, Your Honor.

(The witness steps down.)

THE COURT: Any other evidence from the Reorganized Debtor?

MR. MORRIS: No, Your Honor.

THE COURT: All right. Any evidence from Dugaboy?

MR. HARPER: No, Your Honor.

THE COURT: All right. I'll hear closing argument.

CLOSING ARGUMENT ON BEHALF OF THE REORGANIZED DEBTOR

MR. MORRIS: As usual, Your Honor, I feel like I'm trying to hit a moving target, because I think the argument that I heard today has nothing to do with the objection that was filed.

As I understood the objection that was filed, Dugaboy was saying that, once Class 9 and senior obligations were paid in full, that somehow Class 10 and 11 should share any further recoveries on a prorated basis because they were the former limited partners. That's what we came here to debate. And on a bait-and-switch, as far as I'm concerned, we're now here on some absurd hypothetical about what happens to a dollar after $330-some-odd million gets distributed in the future.

It's never going to happen. I think the Court knows it's never going to happen. And I think the only evidence in the case that you just heard from Mr. Seery is that, in response to counsel's questions and his hypotheticals about what happens if Dugaboy brings a claim in the future, it would have nothing to do with distributions from the estate. Right? Just a completely irrelevant issue.

At the end of the day, if Dugaboy thinks the partnership agreement should have been interpreted and applied in a different way, they should have raised that issue in their objection in January 2021. I think Your Honor has it exactly right. I don't know whether it's res judicata, collateral

estoppel. It's probably both. But it does border on Rule 11 in my mind because I don't think there's a good faith basis in law or in fact to suggest either that distributions should be made pro rata to Class 10 and Class 11 when senior obligations are satisfied or that there's some hypothetical world that exists that's going to -- there's no evidence, right?

The funny thing is, we were here in June, and one of the things Your Honor said to Mr. Lang was, I don't know what you want me to do here. Highland put on a case. They put on a witness. They put in documents. They had evidence. They proved that this methodology was reasonable. You've given me nothing.

They're still giving you nothing. Right? They don't have a witness, they don't have documents, they don't -- they're relying on a partnership agreement that was rejected that hasn't been an effective -- in effect for years. They know what's happening. And they can continue to fight forever, if that's what they choose to do, and it's why creditors are not getting paid yet. It's unfortunate. But if that's the threat, that someday there's going to be more lawsuits, we'll just continue to husband our resources. But we are going to dissolve this estate. Make no mistake about it. That's the goal, that's our obligation, and we're going to fulfill that obligation.

They know what's happening. Mr. Lang stood here in June

and told Your Honor that if you fix Hunter Mountain's claim at the $300-some-odd million, Dugaboy will never get a dime. And he guaranteed it. If you just go to the transcript and just do a search for dime, you'll find his quote. They knew then what's happening. They know now what's happening.

And that's not some evil plan of Mr. Seery. It's not because Judge Jernigan is biased or anything. It's because we followed a judicial procedure that got us to this point. We had trials. We had evidence. We put in documents. We made arguments. We had a plan. We have a Claimant Trust Agreement. That's what we're doing. There's no reason to upset the applecart.

We ask the Court to grant the order and let's move on. Thank you, Your Honor.

THE COURT: Thank you.

Mr. Harper?

MR. HARPER: Thank you, Your Honor.

CLOSING ARGUMENT ON BEHALF OF DUGABOY INVESTMENT TRUST

MR. HARPER: Your Honor, I'm the first one to say, just like you did, that there's issues based on what's already happened here. Okay? So I get that.

THE COURT: Maybe I should say *déjà vu* all over again. Maybe that's a more legally term.

MR. HARPER: Your Honor, --

THE COURT: That's what it feels like to the Court,

okay?

MR. HARPER: I apologize. Because I've got to tell you, I thought I went out of my -- I attempted to, apparently wrongly, go out of my way to not do that as much. And you'll note that, for example, in our response, we noted other places that we objected to that we were not trying to re-argue with you. We were preserving our right to object so it didn't look like we were waiving anything, but we were not going to re-argue that point.

And I'm trying not to do that again today. I hear the Court saying they think otherwise. I mean, you know, obviously, we think that this concept of how the Hunter Mountain interest was valued is horrific, bizarre, and has no basis. Happy to -- and I think, candidly, we heard that for the first time today under oath from Mr. Seery, who said that under no circumstances did he attempt to value this, under no circumstances did he try to determine what the claim would be under the partnership agreement. In other words, how much the person was entitled to, that's something he didn't bother valuing.

Instead, he just said, hey, here's what I'm going to allow, which we negotiated with a settlement, and I'm choosing it based on what a tax return said and what someone said was the value of the capital account and in direct contrast to what the partnership agreement specifically says how those

will be paid out and how those claims will be valued.

Now, Your Honor, I recognize and I'm not here today to say we're going to try to redo what the Court has done, as much as I would like to. That does, however, leave us in a situation of, what do we do about these other claims?

We have put ourselves in a situation, this Court has, where -- and I understand them to say there's just no way in hell it could happen -- but Your Honor, you cannot have a plan that does not take into account additional payments, and this plan does. That's what Section 9.2, which I can provide the Court, says. It says, under the Claimant Trust Agreement, 9.2 says if there's money at the end it's going to get paid back. So it makes assumption that it's there and it goes.

So the question then becomes, how do we value these and when do we value these?

We know that 11 U.S.C. Section 502(b) says we don't sit around and estimate. I mean, we should only be doing the claims and placing a value on them once they have been made certain and liquidated. However, Section 502(b) says the Court can make an estimate if waiting would cause undue delay. And that's the issue.

What we've been trying to say throughout, Your Honor, is, why are we doing this now? The answer is, at some point in time, we will be done. When we are done, we will know how much money is left. When that time comes, the answer is we

need to then say, all right, here's how much money goes to the equity holders. Not to HCLOM, they have a claim which they negotiated, they have their -- but how much money goes to the equity holders. And --

THE COURT: Can I stop you?

MR. HARPER: Certainly.

THE COURT: Didn't Dugaboy, through the Stinson law firm, object to the extension of the Claimant Trust, which we had a hearing on in June, --

MR. HARPER: Yes.

THE COURT: -- same as the Hunter Mountain settlement?

MR. HARPER: Yes.

THE COURT: Okay. I'm just trying to reconcile that with you suggesting we can push off to some later time --

MR. HARPER: Because we lost that, Your Honor.

THE COURT: -- resolution of Classes 10 and 11.

MR. HARPER: Your Honor, we lost that. If the answer is we are now closing the estate and we are saying these claims are done, the trusts are done, we're ready to go, then you're right, it is time to value it. And I agree with that. If all --

THE COURT: That's what we're trying to do now. Well, I mean, --

MR. HARPER: All right. With everything that's on

appeal, with everything that's standing out there, there's more coming. Or not. We'll know soon. They're appealing to the United States Supreme Court right now. Excuse me, they're filing a cert petition to the United States Supreme Court right now, which at least one witness does not consider to be a form of an appeal. But we've got claims out there not only with the district court and otherwise. So the issue is, it makes sense to wait until we actually know how much money there is, and then we do it.

THE COURT: What do you think is out there? I mean, I almost feel like, do you know something I don't know? I've only had one case in 19-1/2 years on the bench where there was this serendipitous, oh my gosh, we've got value for equity beyond our wildest imagination. You know what kind of case it was? It was a bitcoin exchange.

You look like you're in severe pain.

MR. HARPER: I'm sorry, Your Honor. I apologize. Yes.

THE COURT: Okay.

MR. HARPER: But it has nothing to do with the --

THE COURT: Okay. I will tell you my little story. It won't take long.

MR. HARPER: Oh, no. Again, please.

THE COURT: I had a bitcoin exchange. It was a Chapter 15. It was called Mt. Gox. And at the time, it filed

bankruptcy because 800,000 bitcoin went missing. Hacked. Bitcoin was worth between 300 and 400 U.S. dollars for one bitcoin. And guess what happened? I don't know what the cost of bitcoin is right now, but it's a heck of lot higher than that. So there was oodles of money. One time in 19-1/2 years. And I guess I can remember maybe one time in 17 years practicing law before that.

Do you know something the rest of us don't know? Is there a stash of bitcoin somewhere that Mr. Seery just hasn't stumbled upon yet?

MR. HARPER: Your Honor, the -- without getting into privilege, I will tell you my client believes there's more out there, a lot more.

THE COURT: Okay. Well, I'm pretty sure --

MR. HARPER: But --

THE COURT: -- there was an exchange of information in discovery before the Hunter Mountain hearing.

MR. HARPER: Correct.

THE COURT: That's what I was told.

MR. HARPER: Again, Your Honor, I can only -- I'm sorry, Your Honor. I --

THE COURT: Mr. Dondero testified at the last hearing, and that would have been the time to tell me, there's a stack of bitcoin. A stack, whatever. But --

MR. HARPER: Your Honor, I don't know if anybody's

suggesting there is a stack of bitcoin.

THE COURT: Okay.

MR. HARPER: You know, that may --

THE COURT: Well, then what are we doing, is my question? I'm just trying to rationalize the objection.

MR. HARPER: Your Honor, what we're trying to do is actually have the claims valued and the claims set having some basis in reality, which they don't now.

THE COURT: Well, we had a plan confirmation hearing in February 2021 --

MR. HARPER: And I'm not -- right.

THE COURT: -- where, here's Class 10, here's Class 11. Class 11 is subordinated in distribution rights to Class 10. I don't think it was arbitrary. I think it was just trying to give some meaning to different terms in the partnership agreement. But whether it was arbitrary or not, res judicata, collateral estoppel, nobody objected. Okay. No one caused me to focus on the bona fides of doing that.

MR. HARPER: I understand, Your Honor.

THE COURT: And Dugaboy objected like crazy to the plan. Okay? So that's why I started out with my at what point can you stop making an argument.

MR. HARPER: So if I understand what you're saying, can I stop making arguments, while they may be new, but they nonetheless seem to be attacking things that you have concerns

about that have already been decided.

THE COURT: Repeat that?

MR. HARPER: Your Honor, the answer is we know that Section 9.2 must mean something, right? So 9.2 tell us that, if there's money left over, it goes back and it's going to get divided between the equity holders. Right? So the answer is --

THE COURT: If there's money left over, --

MR. HARPER: -- there is an expectation --

THE COURT: -- it's going to be divided among the equity holders? That's not exactly what it says.

MR. HARPER: All right, Your Honor. What it says is that, to the extent that there is money beyond the allowed claims, it will be paid out to the holder -- to the people who have interests in the trust. Based on the way the trust is defined and the different provisions, I would say the way I read that is the only -- the people that are left at the end of the day would be the equity holders, and the reason being the 10 and 11 cannot be paid until all claims above, there's been a certification that they've been paid in full. So they will get no more, right? So that's what we learned from looking at the provision there.

So, therefore, if there is leftover money -- so the answer is we have already made, when we did this, an assumption that there are going to be certain claims of the Hunter Mountain

that are going to be -- have priority, and then there's going to be leftover money that's got to go back. Well, it certainly can't be a case that to the extent there's leftover money ...

And Your Honor, I'm not trying to say it's because I care about the leftover money. My point is it has to mean something, right? We know that the basic rule of contract interpretation and law interpretation is we have to assume every provision means something.

THE COURT: Well, do we have to assume the provisions of the plan setting forth treatment for Class 10 and Class 11 mean something?

MR. HARPER: And the way that --

THE COURT: I think they're pretty clear.

MR. HARPER: Okay. With the exception that they say that they incorporate this. And by the way, the exact same language you're talking about is in here as well. They both say this. It's subordinated. But the question is, are they 100 percent subordinated? Doesn't that mean, by the way, if there is extra money, does it 100 percent go to -- if what the Court is saying is accurate -- and again, I'm not trying to -- I mean, obviously, you wrote it, so you get to say this is how I interpret my --

THE COURT: I didn't write the plan.

MR. HARPER: I'm sorry, Your Honor. You signed --

you had approved it. So you get to say, this is what I meant.

So imagine a world where there's extra money. Does it 100 percent go to Hunter Mountain? Do they -- because it goes to the two equity holders. Because they, under this term, because our claim is subordinated, if there's extra money, does it 100 percent go to them?

And that just can't be. Right? So because of that, we know that subordination ain't to everything. It goes to the allowed amount of a specific claim, which then leads us to the following. How did we decide this?

Now, I understand, Your Honor, and I'm not trying to re-argue what was already there, but what we know and what we just heard testimony on is there was no attempt whatsoever, in deciding what to declare to be an allowed claim, to actually look at how much this was worth or how much it says it will be paid.

I mean, normally, when we determine a contract --

THE COURT: I heard a lot of testimony about the methodology --

MR. HARPER: Uh-huh.

THE COURT: -- and what the reason was for choosing the methodology. And as Mr. Morris alluded to, I turned to Dugaboy at the Hunter Mountain settlement hearing and said, do you have evidence of a more appropriate methodology?

MR. HARPER: And Your Honor, in the record --

THE COURT: And the answer was no. So I had one witness credibly testifying here's the methodology I used, and no countervailing evidence.

MR. HARPER: And that same witness has now told you that the way he did it was, I took a look at these tax returns, I said, hey, here's what this says. I did not bother looking at what would have actually have been owed or paid or valued under the actual partnership agreement and terms. And Your Honor, that's just not how we do things.

THE COURT: Okay. Well, I can take judicial notice of what I heard at the previous hearing.

MR. HARPER: And --

THE COURT: His cross-exam, then, too.

MR. HARPER: Certainly. And you can take judicial --

THE COURT: And I'm not sure I heard anything inconsistent. I think I just got a shorthand version today of what he testified to in a longer version in June.

MR. HARPER: With the exception of he paid no attention to the documents, to which, by the way, those documents are also, if the Court is taking judicial notice of, were exhibits before.

THE COURT: I didn't hear him say he paid no attention to the documents.

MR. HARPER: Okay. Fair enough, Your Honor. He paid no attention to the liquidation provisions or how they say

claims would be paid or how they would be valued, to the extent there is one. And maybe that would be more precise. And again, I appreciate the Court making sure that we are clear in the record.

Your Honor, at the end of the day, let me be -- let me start off with -- let me end with where I started, and so that we don't -- because my whole point was not to find myself in the position I've somehow found myself with the Court. Look, if the Court believes that this was fully resolved before, then there's nothing to do today. I agree. I disagree that it was fully decided, but if the Court believes it was and if the Court believes, hey, you didn't make an objection before so you are stuck with this, then the answer is, Your Honor, we have nothing else to say.

THE COURT: What did I not decide then that you think I should decide today?

MR. HARPER: How to value Dugaboy's interest. If you believe that was decided in the last hearing, I missed that. I certainly don't see it in the order. I see a settlement agreement and a settlement agreement that provided certain claims. Now we've got a decision, to this.

Our point is we don't even think this ought to be done now. But obviously, Your Honor, what was done before is on appeal. We'll hear what the courts up there have to say. But for this point right now, if you believe the answer is, as a

matter of law, based on what was said before, that automatically covers here, Your Honor, I respect the Court and I won't argue with you on it.

I mean, if that's what you are going to say, then, Your Honor, we agree, we lose, if that's your view. And Your Honor, that's what I'm trying to say. I'm not trying to get in an argument with you. If your belief is that was decided before, then --

THE COURT: I'm just asking questions.

MR. HARPER: Yeah. I understand, Your Honor. And I'm just -- but I see frustration here, and I'm trying to avoid that by saying one thing I feel very -- I go out of my way with courts to try to say, is look, if you believe this, we win; if you believe this, we lose.

Your Honor, if you think that this was covered before and that somehow that resolved, then we're done. I've got nothing for you. Because I certainly am not going to try to do that. I don't think it was. I personally -- and I'm doing my best not to reargue the issues that the Court has already decided. But if the Court feels that I have no choice but to do so, then, you know, I'm sorry for doing so, because that was not my intent. I've never seen a judge who appreciates, as you said, *déjà vu* all over again and having the same argument. I'm trying not to do that. But Your Honor, that's all we have.

THE COURT: Okay. Thank you.

MR. HARPER: Thank you.

THE COURT: Movant gets the last word, if any, in rebuttal.

MR. MORRIS: I do have a few comments, Your Honor. I'll try to be brief.

I'm trying to deal with each pellet that's coming out of a shotgun, because this was not the objection. The notion that this isn't the time to value the Class 11 unvested contingent interests is wrong. We're on the clock. Dugaboy knows they're on the clock.

As Your Honor pointed out, they actually objected to the extension of the Claimant Trust Agreement by a year, although withdrew that objection after they got their precious reservation of rights.

The case has to end. I know Mr. Dondero doesn't like that, but it is going to end. The litigation may go on, as Mr. Seery pointed out, but the bankruptcy, right, the Claimant Trust Agreement, the Claimant Trust is going to be dissolved soon. And it can only be dissolved.

And I'll try and finish where I started. I said we're here because the plan requires us requires us to be here. The Claimant Trust Agreement requires us to be here because we have to resolve all of the undisputed claims and interests, and that's what we're doing today.

I'm not a scholar on res judicata and collateral estoppel. I will tell you that the evidence we presented today pertains to the Class 11 interest holders. So to that extent, I think the Court needs to make findings as to what those Class 11 interest holders' claims should be allowed at. It's the same methodology but it's different numbers and it's different interest holders. And I would ask the Court to make specific findings that those unvested contingent interests in Class 11 be allowed in the amount set forth in our motion based on the methodology that Mr. Seery presented to the Court.

I hear a lot of complaints about the methodology, but I want to make this clear for the appellate court. There is not a scintilla of evidence that Dugaboy has ever presented on what the methodology should be, how the Class 11 interests should be calculated, or what their calculations ought to be. We're still left with nothing.

Your Honor asked the question in June, and I think if they had come here with new evidence, right, we wouldn't say res judicata, we wouldn't say collateral estoppel, we would say, oh, the Court has to make a decision on what methodology is appropriate, what methodology is reasonable.

Your Honor is only given one choice today. And so you just have to decide, is the methodology appropriate for the Class 11 stakeholders or the Class 11 interest holders? Because there's no alternative. Again, appellate court, no

evidence. Appellate court, no evidence of value. We have these hypotheticals. Oh, Mr. Dondero is going to bring more lawsuits. Wait 'til you see the next one, because all of the other ones have been so successful.

Why isn't he here to testify? Why isn't he here -- why are they not putting in evidence of value? Why are they not doing anything to rebut Mr. Seery's knowledgeable, informed testimony that there will never be any assets available to satisfy Class 10 and Class 11.

And again, I'll go back to Mr. Lang. He knew it. At least, at least I -- I have a lot of respect for Mr. Lang. At least he was able to stand up here and say, if you do it, Dugaboy gets not a dime. He was right. And that's the way it should be because that's what the plan says because that's what the asset base is. Again, there's nothing evil going on here. We're just doing our job.

The whole issue of what happens in this completely speculative hypothetical situation that there's a nickel left over after the allowed amounts get paid, that whole issue is absolutely irrelevant to what we're doing here today. It's irrelevant because the only issue before the Court is what's the value of the interests in the class; it's not what happens if there's more money left over. That's one reason why it's irrelevant.

It's also irrelevant because we hear time and time again

that Dugaboy believes the plan provides that it will get the residual. If it will get the residual, then why is it crying? And if it doesn't provide for a mechanism of what happens if there's a nickel left over after $330 million is found in some bitcoin account, right, somebody's going to have to come back here and ask for a plan modification and we'll deal with it then. It has nothing to do with the motion before the Court today, and I don't want the Court to go down a path that, in our view, is completely irrelevant. It either provides what Dugaboy thinks, in which case who cares, or it doesn't, and you know what, when somebody finds that bitcoin we'll come back and ask for a plan modification and we'll figure out what to do then.

I have nothing further, Your Honor.

THE COURT: Thank you.

MR. HARPER: Your Honor?

MR. MORRIS: Thank you.

MR. HARPER: I know -- I'm sorry. I have been asked -- my associate reached out to me, he's asked me to say one sentence. If it's okay with the Court, I don't think he'll want to respond, I think he'll just shake his head and --

THE COURT: Usually the movant gets the last word, so this better be important.

MR. HARPER: Your Honor, I have been -- I'm sorry. You may not -- I have been asked to raise one issue with you,

which simply is that, in case it was not clear earlier, that our view as to which claim -- because the point is, you know, again, we said if there's something left over at the end and how to deal with some issues, what's subordinated, what's not, the point that we have been trying to make is that we think that the partnership agreement talks about priority distributions are made. Those are priority, and those are the only ones to which, you know, Dugaboy believes subordinated. Your Honor, that's what my client -- that's it, Your Honor. Thank you.

THE COURT: All right.

MR. HARPER: And again, I'm sorry for doing that out of order. I appreciate you.

THE COURT: Well, I have allowed a lot of discussions and questioning about the limited partnership agreement, and if I erred on that, I erred on the side of allowing our objector, Dugaboy, to fully make its argument. But I do still, at the end of this hearing, believe what I believed or suggested at the beginning, and that is this is really more about the plan and the confirmation order.

The confirmation order approved the plan. The confirmation order approved the Claimant Trust Agreement. And I thought some sort of preclusion doctrine is really the issue here.

And just to tie that all together, again, I allowed

questioning and argument about the Highland December 2015 limited partnership agreement that created three classes -- A, B, and C -- limited partnership interests, but ultimately the arguments about that seem irrelevant at this late stage. I'm trying to pick the right word. Because the time to have argued that the terms of the limited partnership agreement don't support a separation into Class 10, Class 11 of the Class B and C and Class A limited partnership interests, this is just not justified treating Class B and C limited partnership interests, classifying them in Class 10 to get paid ahead of Class 11, that was all very relevant at the plan confirmation hearing. There could have been argument about this just doesn't make sense in light of my reading of the limited partnership agreement, and I could have really drilled down and thought about the merits of those arguments.

But Dugaboy, who vehemently objected to the plan, never made that argument. No one ever made the argument about the inappropriateness of separating out the limited partnership interests the way the plan does. And the way the plan is structured, I do believe is supportive of the Reorganized Debtors' motion here today. I think the settlement with HMIT and the evidence I heard then and the order I entered then is further supportive of the motion that is before me today.

The motion that is before me today I think is not only permissible by Section 502(c) of the Bankruptcy Code, but I

think the statement is absolutely true that it's time for this case to end. As we know very well, a plan was confirmed February 2021, went effective August 2021. Here we sit, more than four years later, and everything that really should have happened by now has happened towards completing the plan, with the exception of a few loose ends that were described at the June Hunter Mountain settlement hearing and have further been addressed to some extent in today's motion.

We have a few appeals, I don't know how many, from time to time people have reported at Highland hearings, but there may be a handful of appeals left. But it is appropriate at this juncture, all these years later, with all that has happened towards completion of the plan, to allow the Highland Claimant Trust to get an order fixing the allowed amount of the Class 7 interests under the plan.

I find that the methodology proposed is reasonable. It is my only evidence of what is reasonable, Dugaboy having chosen not to put on evidence. The methodology amounts to looking at the dollars used by the Debtor multiple times to allocate to the various limited partnership interests values that were signed off on by Mr. Dondero.

So it's hard to understand why we're here, but I do accept as reasonable methodology the methodology suggested by Reorganized Highland and the Claimant Trust. And so therefore I will fix the allowed amount of the Dugaboy Class 11

interests in the amount of $740,081.61; Strand Advisors at $994,707.76; Mark K. Okada's at $192,754.38; Mark and Pamela Okada Family Trust Exempt Trust Number 1 at $38,868.17; and Mark and Pamela Okada Family Trust Exempt Trust Number 2, its Class 11 interests at $16,657.79.

So these are simply the amounts being allocated as to the Class 11 interests. I don't think anything I'm doing shall be deemed to vest the Class 11 interests at this point in time. And the Court reserves the right to supplement and amend the written form of order on this. Mr. Morris, if you would please upload it, and we will get it signed.

Anything else?

MR. MORRIS: No, Your Honor, other than I might not get that to you until tomorrow.

THE COURT: Oh. That's quite all right. I've got plenty to do.

MR. MORRIS: Because I'm hoping to make my way back up north.

THE COURT: Plenty to do before I leave.

MR. MORRIS: Yeah.

THE COURT: Anything further from you, Mr. Harper?

MR. HARPER: No, Your Honor. Thank you so much. I appreciate everything.

THE COURT: Okay.

MR. HARPER: Again, I'm sorry I sort of stuck a --

post-surgery, I could either take painkillers or appear in court, and so I'm sorry if I'm grimacing. It has nothing to do with you.

THE COURT: Well, I just, I don't know if it's worthwhile for me to say this or not, but I really am perplexed, okay? '

MR. HARPER: Understood, Your Honor.

THE COURT: I really am very perplexed about this hearing we had today. And I'm really -- Mr. Morris said this is almost Rule 11-sanctionable, and I don't think that was a farfetched statement.

MR. HARPER: Understood, Your Honor.

THE COURT: I think a lot of us who have been involved with this case for a very long time, we're just very weary of the *déjà vu* all over again. And we're almost too weary to move for sanctions, entertain sanctions.

Do you hear what I'm saying? I really want you to hear what I'm saying. It's been a merry-go-round of lawyers. I don't know what else term to use for it. How many lawyers do you think have appeared for Dugaboy in five years or however long this has been? I guess it's been more than five years.

MR. HARPER: I think there's been more than five. The short answer is, Your Honor, I have no idea. I do understand what the Court is saying. I think --

THE COURT: What do you think it is? Do you think

it's three, six, nine, more?

MR. HARPER: Your Honor, I would have to tell you I honestly have no earthly idea.

THE COURT: Really?

MR. HARPER: I apologize.

THE COURT: Really?

MR. HARPER: Yeah.

THE COURT: Okay. Your firm has been involved representing different clients, by the way.

MR. HARPER: Yes, we have, Your Honor. We were representing -- we have had to wall those people off appropriately.

THE COURT: Okay.

MR. HARPER: But yes, I had spoken with them and we have walled accordingly. We didn't want to raise any issues regarding conflict.

I hear what Your Court is saying. I understand there's a fine line to walk between the objections that need to be preserved. And if the Court feels that -- walk it over, I appreciate it. Message is taken.

THE COURT: No. I'm just --

MR. HARPER: Understood, Your Honor.

THE COURT: Well, I started out with perplexed. I don't understand the recycling. It feels like recycling of arguments --

MR. HARPER: Understood, Your Honor.

THE COURT: -- and thinking it's okay. Thinking it's okay.

MR. HARPER: Your Honor, I understand what you've said and the message has been received.

THE COURT: All right.

MR. HARPER: Your bitcoin case reminded me of my -- our magical-appearing insurance policy case we had with Judge Hale years ago. So, it's --

THE COURT: Okay. I don't know about that. But I'm going to say weary. I'm going to say weary. You said I seemed frustrated. Yes, probably. But more than anything else, I am just weary that we have a revolving door of lawyers.

MR. HARPER: I understand, Your Honor.

THE COURT: That doesn't make it okay to make the same argument --

MR. HARPER: Of course.

THE COURT: -- again and again and again.

MR. HARPER: Absolutely, Your Honor. Could not agree more.

THE COURT: Okay. We're adjourned.

MR. HARPER: Thank you, Your Honor.

MR. MORRIS: Thank you, Your Honor.

THE CLERK: All rise.
