03/27/2026	66	<p>ELECTRONIC ORDER Staying Motion and Administratively Closing Case:</p> <p>The Court STAYS Appellees' Motion to Dismiss Appeal as Moot (Doc. No. 21) pending determination of the same. To be clear, Appellees' Motion to Dismiss Appeal as Moot REMAINS PENDING.</p> <p>There appears to be no further reason at this time to maintain the file as open for statistical purposes. The Clerk is, therefore, instructed to submit a JS-6 form to the Administrative Office, thereby removing this case from the statistical records. <u>Nothing in this Order shall be considered a dismissal or disposition of this case.</u> Once the pending motion has been determined, the Court will lift the stay and reopen this matter. This case will proceed in the same manner as if this Order had not been entered.</p> <p>(Ordered by Judge Ed Kinkeade on 3/27/2026) (chmb) (Entered: 03/27/2026)</p>
