HUNTON ANDREWS KURTH LLP, COUNSEL FOR THE DEBTOR AND
DEBTOR IN POSSESSION, FOR ALLOWANCE OF INTERIM COMPENSATION
AND REIMBURSEMENT OF EXPENSES INCURRED FOR THE PERIOD
FROM JUNE 1, 2025 THROUGH AND INCLUDING AUGUST 31, 2025**

Hunton Andrews Kurth LLP (“Hunton”), counsel for Hopeman Brothers, Inc., as debtor and debtor in possession (the “Debtor”), submits this application (the “Application”) for interim allowance of compensation for professional services rendered by Hunton to the Debtor for the period from June 1, 2025 through and including August 31, 2025 (the “Fifth Interim Application Period”), and reimbursement of actual and necessary expenses incurred by Hunton during the Fifth Interim Application Period pursuant to sections 330 and 331 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), Rule 2016-1 of the Local Rules of Bankruptcy Practice and Procedure

for the United States Bankruptcy Court of the Eastern District of Virginia (the “Local Bankruptcy Rules”), and the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* entered on September 9, 2024 [Docket No. 162] (the “Interim Compensation Order”). In support of this Application, Hunton represents as follows:

I. JURISDICTION, VENUE AND PREDICATES FOR RELIEF

1. The United States Bankruptcy Court for the Eastern District of Virginia (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334 and the *Standing Order of Reference from the United States District Court for the Eastern District of Virginia*, dated August 15, 1984. This is a core proceeding pursuant to 28 U.S.C. § 157, and the Court may enter a final order consistent with Article III of the United States Constitution. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

2. The bases for the relief requested herein are sections 330 and 331 of the Bankruptcy Code, Bankruptcy Rule 2016, and Local Bankruptcy Rule 2016-1.

II. BACKGROUND

3. On June 30, 2024 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in this Court commencing this chapter 11 case.

4. The Debtor continues to manage its business as debtor in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee, examiner, or statutory committee has been appointed in this chapter 11 case.

5. On July 22, 2024, the Office of the United States Trustee for the Eastern District of Virginia (the “U.S. Trustee”) appointed the Official Committee of Unsecured Creditors (the “Committee”) [Docket No. 69].

6. On September 9, 2024, the Court entered the Interim Compensation Order, which approved the compensation procedures set forth therein (the “Compensation Procedures”).

7. On September 9, 2024, the Court entered the *Order Authorizing the Retention and Employment of Hunton Andrews Kurth LLP as Counsel for the Debtor Effective as of the Petition Date* [Doc. No. 163], authorizing the Debtor to employ and retain Hunton as its counsel, effective as of the Petition Date.

8. Pursuant to the Compensation Procedures, professionals retained in this case are authorized to file monthly fee statements and serve such statements on the Notice Parties (as defined in the Compensation Procedures). Provided that no objection to a monthly fee statement is timely filed, the Debtor is authorized to pay such professional an amount equal to eighty percent (80%) of the fees and one-hundred percent (100%) of the expenses requested in such monthly fee statement.

9. Additionally, pursuant to the Compensation Procedures, beginning with the period ending on August 31, 2024, and at three-month intervals thereafter, professionals retained in this case are authorized to file interim fee applications with the Court. The Compensation Procedures provide that the fifth interim fee application should cover the period from June 1, 2025 through and including August 31, 2025.

10. The Compensation Procedures also provide that all Retained Professionals (as defined in the Compensation Procedures), to the extent applicable, shall make reasonable efforts to comply with the U.S. Trustee’s requests for information and additional disclosures set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases* (the “Appendix B Guidelines”) in connection with the interim and final fee applications filed in this case.

15. Pursuant to the terms of the Interim Compensation Order, Hunton properly filed and served three Monthly Statements during the Fifth Interim Application Period as follows:

Period Covered by Monthly Statement	Total Fees	Total Expenses	Date Served and Docket No.	Objection Deadline	Amount of Fees Received (80%)	Amount of Expenses Received (100%)
June 1, 2025 – June 30, 2025	\$670,881.00	\$8,165.03	8/8/2025 [Docket No. 1091]	8/22/2025	\$0.00	\$0.00
July 1, 2025 – July 31, 2025	\$686,051.00	\$25,309.11	9/17/2025 [Docket No. 1201]	10/1/2025	\$0.00	\$0.00

In accordance with the Compensation Procedures, as set forth in the Interim Compensation Order, and as set forth in Local Rule 2016-1, the Monthly Statements included (i) a detailed itemization of the service hours expended by matter and professional and (ii) a summary schedule of hours and fees categorized by project code. The Monthly Statements also included a detailed chronological itemization of the services rendered by each professional and paraprofessional, calculated by tenths of an hour and categorized in accordance with the appropriate project code. As set forth above, a copy of Hunton’s Monthly Statements are attached hereto as Exhibit F.

17. Hunton has endeavored to represent the Debtor in the most expeditious and economical manner possible. Tasks have been assigned to attorneys and paralegals at Hunton so that the work has been performed by those most familiar with the particular matter or task and, where attorney involvement was required, by the lowest hourly rate professional appropriate for a particular matter. Moreover, Hunton has endeavored to coordinate with the other professionals involved in this case so as to minimize any duplication of effort and to minimize attorneys' fees and expenses to the Debtor. Hunton believes it has been successful in this regard.

18. No agreement or understanding exists between Hunton and any other person for the sharing of compensation received or to be received for services rendered in or in connection with this case.

V. STATEMENT PURSUANT TO APPENDIX B GUIDELINES

19. The following is provided in response to the questions set forth in ¶ C.5 of the Appendix B Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Response: No.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: Not applicable.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does this fee application include time or fees related to reviewing the time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee

application.). If so, please quantify by hours and fees.

Response: This Application includes approximately \$11,748.00 in fees (13.8 hours) relating to preparing, reviewing, or revising Monthly Statements. These fees are reflected in Task Code 160 time entries. Hunton submits that all such fees are reasonable and necessary for preparing the Monthly Statements.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Response: As set forth above, this Application includes approximately \$11,748.00 in fees (13.8 hours) relating to preparing, reviewing, or revising Monthly Statements. In the course of such efforts, Hunton reviewed and edited various entries to avoid publicly disclosing any privileged or confidential information. Hunton submits that such review and edits are a reasonable and necessary part of Hunton's preparation of the Monthly Statements.

Question: If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Response: Yes. As disclosed in the Brown Declaration, the Debtor agreed to retain Hunton in accordance with its standard terms and conditions which, among other things, provide that the billing rates are subject to periodic adjustments. In accordance with Hunton's established billing practices and procedures and, following the Debtor's review and approval, certain of Hunton's billing rates for this engagement were increased effective as of January 1, 2025.

VI. Notice

20. Notice of this Application has been provided in accordance with the terms of the Interim Compensation Order. Hunton submits that no other or further notice need be provided.

[Remainder of page intentionally left blank]

WHEREFORE, Hunton respectfully requests that this Court enter an Order, substantially in the form attached hereto (i) approving this Application, (ii) providing that Hunton be allowed on an interim basis the sum of \$1,986,868.00, as compensation for reasonable and necessary professional services rendered to the Debtor and the sum of \$43,730.76 for reimbursement of actual and necessary costs and expenses, (iii) authorizing and directing the Debtor to pay Hunton the outstanding amount of such sums, and (iv) for such other relief as the Court deems proper and just.

Case Clerk	\$280.21	\$360.00
Aggregated (Blended Rates):	\$797.03	\$1,058.99

¹ Consistent with ¶ C.3 of the Appendix B Guidelines, the blended hourly rates set forth in Exhibit D are calculated by dividing the dollar value of hours billed by the number of hours billed for the relevant timekeepers during the applicable time period. Exhibit D also segregates the timekeepers by rank using the categories set forth in Exhibit A to the Appendix B Guidelines. The data for the “preceding year” is based on information from Hunton’s last completed calendar year ending December 31, 2024.

In addition, as requested by ¶ C.3 of the Appendix B Guidelines, the blended hourly rates identified in Exhibit D for non-bankruptcy domestic timekeepers at Hunton includes discounted or alternative engagements, other than pro bono engagements and engagements for clients who are employees or charitable organizations that are billed at materially discounted rates.
