TO PREPETITION LENDER; (III) MODIFYING THE AUTOMATIC STAY;  
(IV) SCHEDULING A FINAL HEARING AND (V) GRANTING RELATED RELIEF**

The above-captioned debtors and debtors in possession (the “**Debtors**”), by and through their proposed general bankruptcy counsel, Chipman Brown Cicero & Cole, LLP, and proposed special counsel, DLA Piper LLP (US), hereby submit this motion (this “**Motion**”) for entry of an order, substantially in the form attached as **Exhibit A** (the “**Interim Order**”), and, following a final hearing (the “**Final Hearing**”), a final order (the “**Final Order**” and, together with the Interim Order, the “**DIP Orders**”), granting the relief described below. In support of this Motion, the Debtors rely upon the *Amended and Restated Declaration of Alan Tantleff in Support of Debtors’ Chapter 11 Petitions and First Day Motions* (“**First Day Declaration**”).<sup>2</sup> In further support of this Motion, the Debtors respectfully state as follows:

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are Hudson 1701/1706, LLC (0281) and Hudson 1702, LLC (0190). The Debtors’ headquarters and the mailing address for the Debtors is 11440 San Vicente Boulevard, 2nd Floor, Los Angeles, CA 90045.

<sup>2</sup> Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the First Day Declaration or DIP Term Sheet (as defined below), as applicable.

### **PRELIMINARY STATEMENT**

1. The Debtors filed these Chapter 11 Cases to effectuate a restructuring, conclude efforts to cure regulatory issues with the SRO Tenants and lift a stop-work order that New York City Department of Buildings issued with respect to the Hudson, and complete construction at the Hudson. This decision was also driven by the Ground Lessor's asserted defaults and repeated threats to terminate that certain 99-year *Ground Lease* dated as of May 4, 2022 (as amended, the "**Ground Lease**"), including defaults predicated on construction delays and mechanics' liens, an increase in base rent under the Fourth Amendment to the Ground Lease, and the Ground Lessor's refusal to forbear from exercising termination remedies. To address these issues, the Debtors require immediate access to postpetition incremental financing and cash collateral, which will also allow them to continue operations and administer their Chapter 11 Cases.

2. As set forth in further detail in the First Day Declaration, the Debtors were formed in March 2022 to operate the historic Hudson Hotel as a multifamily residential property originally anticipated to include approximately 440 market rate rental units complete with commercial space and a penthouse. Redevelopment and construction at the Hudson commenced quickly after the Company's formation and was expected to conclude in May 2024. Regulatory issues, construction delays, and attendant litigation and liquidity constraints have impacted the project since its inception. As a result, the Debtors have been unable to complete their development of the project, and construction is currently subject to a New York City Department of Buildings stop-work order stemming from disputes with certain of the Hudson's 32 single room occupancy tenants.

3. Parkview Financial REIT, LP, the Debtors' prepetition lender (in such capacity, the "**Prepetition Lender**") has agreed to provide the Debtors with a postpetition senior secured, priming, first-lien and superpriority multi-draw debtor-in-possession term loan credit facility

(the “**DIP Facility**”) on an arm’s-length, good faith basis and on market terms. The Debtors’ need for postpetition financing arises from a series of events, including the November 2024 maturity default under the Prepetition Loan Agreement (as defined below), the Prepetition Lender’s UCC foreclosure on July 25, 2025, and the transfer of ownership interests to the Prepetition Lender’s affiliate, PV Hudson LLC, through an \$80,000,000 credit bid. The Debtors faced these challenges in parallel with ongoing disputes with the Ground Lessor concerning asserted events of default under the Ground Lease. These circumstances, together with regulatory challenges and liquidity limitations, left the Debtors without access to third-party credit and necessitated a consensual, priming debtor-in-possession facility from the Prepetition Lender. The Debtors determined, in their business judgment, that there was no proposal for debtor-in-possession financing available on terms better than those provided by the Prepetition Lender. With the assistance of their advisors, the Debtors evaluated their financing options and determined that no actionable third-party proposals were available on terms superior to or competitive with the DIP Facility. In addition, on the terms available from inbound third party inquiries, the Prepetition Lender would not consent to another lender providing funding and “priming” its prepetition liens or obtaining *pari passu* liens, and the Debtors do not believe that any other party would have provided additional funding on a junior basis or unsecured basis.

4. The DIP Facility and access to the cash collateral of the Prepetition Lender is critical to the Debtors’ ability to fund its operations while providing sufficient liquidity throughout the Chapter 11 Cases. The DIP Facility is an essential component of a successful path forward while the Debtors expeditiously conduct the chapter 11 process. The Debtors respectfully submit that the proposed DIP Facility, and the Debtors’ immediate access to the cash collateral of the

Prepetition Lender, is therefore in the best interests of, and necessary to avoid irreparable harm to, the Debtors and their estates, and should be approved.

### **RELIEF REQUESTED**

5. By this Motion, the Debtors request entry of an Interim Order providing the following relief:

- (a) authorizing the Debtors to obtain and enter into the DIP Facility pursuant to that certain Senior Secured Priming Superpriority DIP Term Sheet (the “**DIP Term Sheet**”), by and among the Debtors and Parkview Financial REIT, LP (in its capacity as such, the “**DIP Lender**”), attached as **Exhibit 1** to the Interim Order, which will include up to a maximum principal amount of \$32,762,104 of new-money funding (such funds, the “**DIP Loans**”) to be loaned pursuant to the terms of the DIP Orders and the DIP Term Sheet and the agreements, instruments, certificates, and other documents executed in connection therewith (as further identified in the DIP Term Sheet, collectively, the “**DIP Loan Documents**”), to enable the Debtors to pay the costs and expenses in the initial DIP loan budget (attached as **Exhibit 2** to the Interim Order) and any subsequent budget approved in accordance with the provisions of the DIP Term Sheet (each, an “**Approved Budget**”);
- (b) authorizing the Debtors to execute and deliver the DIP Loan Documents and to perform the obligations thereunder and to perform such other and further acts as may be required in connection with the DIP Loan Documents and DIP Orders;
- (c) authorizing the Debtors to borrow (i) up to \$12,270,387 of new money DIP Loans pursuant to the Interim Order (the “**Interim DIP Amount**”) and roll-up an equal amount of Prepetition Secured Obligations upon entry of the Interim Order and (ii) up to the full amount of the DIP Loans, inclusive of the Interim DIP Amount, and roll-up an equal amount of Prepetition Obligations on a dollar-for-dollar basis as and when the Debtors borrow additional DIP Loans, pursuant to the Final Order;
- (d) granting liens, security interests, and superpriority claims pursuant to 11 U.S.C. § 364(c)(1) (“**Superpriority DIP Claims**”) and liens and priming liens pursuant to 11 U.S.C. §§ 364(c)(2), 364(c)(3), and 364(d) (the “**DIP Liens**”) to the DIP Lender in, on and against substantially all of the Debtors’ assets (as further identified in the DIP Term Sheet, collectively the “**DIP Collateral**”) and all proceeds thereof, subject to the Carve Out and the other priorities set forth in the DIP Loan Documents and pursuant to the terms of the Interim Order, to be followed by the Final Order;

- (e) authorizing the Debtors to use Cash Collateral of the Prepetition Lender in accordance with the Approved Budget, pursuant to the terms of the Interim Order, to be followed by the Final Order;
- (f) granting adequate protection in favor of the Prepetition Lender pursuant to the terms of the DIP Loan Documents and Interim Order, to be followed by the Final Order;
- (g) subject to entry of the Final Order, authorizing the waiver by the Debtors of (i) the right to assert claims to surcharge against the DIP Collateral pursuant to 11 U.S.C. § 506(c), (ii) the right to seek marshaling with respect to the DIP Collateral, and (iii) the application of the “equities of the case” exception in section 552(b) of the Bankruptcy Code to the Prepetition Lender and/or Prepetition Collateral;
- (h) modifying the automatic stay imposed under 11 U.S.C. § 362 to the extent necessary to implement and effectuate the terms and provisions of the DIP Loan Documents and Interim Order, to be followed by the Final Order;
- (i) scheduling a Final Hearing to consider entry of the Final Order; and
- (j) granting related relief.

6. This Court has jurisdiction over this matter under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

7. Under rule 9013-1(f) of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), the Debtors consent to the entry of a final order by the Court in connection with the Motion to the extent that it is later determined that the Court, absent the consent of the parties, cannot enter final orders or judgments in connection with this Motion consistent with article III of the United States Constitution.

8. Venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409.

9. The statutory and legal bases for the relief requested in this Motion are sections 105, 361, 362, 363(b), 363(c)(2), 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1), 364(e), 503, 506(c),

and 507 of title 11 of the United States Code (the “**Bankruptcy Code**”), Bankruptcy Rules 2002, 4001, 6003, 6004, and 9014, and Local Rules 2002-1(b), 4001-2, and 9013.

### **BACKGROUND**

10. On October 22, 2025 (the “**Petition Date**”), each of the Debtors commenced a voluntary case by filing a petition for relief under chapter 11 of the Bankruptcy Code (collectively, the “**Chapter 11 Cases**”). The Debtors are authorized to operate their business and manage their property as debtor in possession under sections 1107(a) and 1108 of the Bankruptcy Code.

11. No request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases, and no official committees have been appointed or designated.

12. Additional information regarding the Debtors’ business operations, corporate and capital structures, and restructuring efforts are described in greater detail in the First Day Declaration, which is incorporated in this Motion by reference.

### **PREPETITION CAPITAL STRUCTURE AND NEED FOR DIP FINANCING**

#### **A. Prepetition Loan Agreement and Secured Obligations.**

13. As discussed more fully in the First Day Declaration, the Debtors are party to the (i) that certain *Building Loan Agreement*, dated as of May 4, 2022, as amended by Amendment to Building Loan Agreement dated as of May 1, 2023, (as amended, restated or modified from time to time, the “**Building Loan**”), together with (ii) that certain *Project Loan Agreement*, dated as of May 4, 2022, by and among the Debtors and the Prepetition Lender (as amended, restated or modified from time to time, the “**Project Loan**” and, together with the Building Loan, the “**Prepetition Loan Agreement**”). The Building Loan is secured by that certain *Building Loan Mortgage Note*, by and among the Debtors and the Prepetition Lender, dated as of May 4, 2022. The Project Loan is secured by that certain *Project Loan Mortgage Note*, by and among the

Debtors and the Prepetition Lender, dated as of May 4, 2022, and secured by all assets of the Debtors. On July 25, 2025, the Prepetition Lender exercised its right to conduct a UCC foreclosure sale of the certain pledged collateral. At a public sale, the Prepetition Lender obtained the pledged collateral in the Company in exchange for a credit bid in the amount of \$80,000,000 of existing prepetition indebtedness (the “**Credit Bid**”). The Prepetition Lender then assigned the interests it acquired to its wholly owned subsidiary, PV Hudson LLC. PV Hudson is currently the sole Member of each Debtor.

14. Prior to the chapter 11 filing, the Debtors and the Prepetition Lender negotiated that certain *Cash Collateral Agreement* dated as of October 22, 2025 (the “**Cash Collateral Agreement**”), which is annexed as Exhibit 1 to the First Day Declaration. Through the Cash Collateral Agreement, the Prepetition Lender extended, on an emergency bridge loan basis, up to \$1,000,000 (the “**New Advance**”) prior to the Petition Date to be used by the Debtors solely in accordance with the budget attached thereto. The Cash Collateral Agreement will be terminated and superseded by the DIP Term Sheet and Interim Order, once entered.

15. As of the Petition Date, after giving effect to the Credit Bid and the New Advance, the Debtors were obligated to the Prepetition Lender in the aggregate amount of approximately \$146 million (plus accrued and unpaid interest and fees, expenses, charges, indemnities, and other obligations) of prepetition obligations (collectively, the “**Prepetition Obligations**”).

**B. Unsecured Indebtedness.**

16. In the ordinary course of business, the Debtors incur unsecured indebtedness to various suppliers, trade vendors, utility providers, and services providers, among others.

**C. Equity Interests.**

17. All of the Debtors' equity interests are owned by PV Hudson, which is wholly owned by the Prepetition Lender.

**D. Debtors' Need for Postpetition Financing.**

18. As set forth more fully in the First Day Declaration, the Debtors commenced these Chapter 11 Cases after extensive efforts to recommence construction at the Hudson. Without certain regulatory approvals, the Debtors have been unable to complete the project. Because the improvements to the Hudson are incomplete, the Debtors have been unable to generate substantial income and have had to rely on cash infusions from the Prepetition Lender. The Debtors believe that chapter 11 will provide a forum to effectuate a restructuring and complete construction at the Hudson.

19. The Debtors currently have approximately \$570,000 in cash on hand, including cash from the New Advance, all of which is encumbered by the Prepetition Liens, and are unable to borrow additional amounts under the existing Prepetition Loan Agreement. Therefore, the Debtors have an urgent need for post-petition funding to sustain operations and pay for the costs of these Chapter 11 Cases, including effectuating a comprehensive restructuring. The DIP Facility is the best and only path forward to ensure that the Debtors can successfully administer the Chapter 11 Cases and ensure administrative solvency.

**E. Debtors' Efforts to Obtain Postpetition Financing.**

20. Prior to the Petition Date, the Debtors, the DIP Prepetition Lender, and the DIP Lender began materially advancing negotiations regarding the terms of proposed DIP financing. Such good faith and arm's length negotiations led to the Debtor and DIP Lender agreeing to the terms of the DIP Facility as set forth in the DIP Term Sheet. The Debtors determined, in their

business judgment, that there was no proposal for debtor in possession financing available to the Debtors on terms better than those provided by the Prepetition Lender. In particular, the Debtors and their advisors determined, in their business judgement, that no other party would be willing to extend debtor-in-possession financing to the Debtors on an unsecured or junior basis. Accordingly, the Debtors are seeking this Court's approval of DIP Facility on the terms and conditions set forth in the DIP Term Sheet, which is attached to the Interim Order as Exhibit 1, and the DIP Orders.

### **BASIS FOR RELIEF REQUESTED**

**A. Entry into DIP Facility is a sound exercise of Debtors’ business judgment.**

22. Section 364 of the Bankruptcy Code authorizes a debtor to obtain secured or superpriority financing under certain circumstances discussed in detail below. Courts grant a debtor in possession considerable deference to act in accordance with their business judgment in

obtaining postpetition secured credit, so long as the agreement to obtain such credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code. Indeed, “courts will almost always defer to the business judgment of a debtor in the selection of the lender.” *See, e.g., In re L.A. Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) (“[C]ourts will almost always defer to the business judgment of a debtor in the selection of the lender.”); *In re Trans World Airlines, Inc.*, 163 B.R. 964, 974 (Bankr. D. Del. 1994) (approving a postpetition loan and receivables facility because such facility “reflect[ed] sound and prudent business judgment”).

23. Specifically, to determine whether the business judgment standard is met, a court need only “examine whether a reasonable businessperson would make a similar decision under similar circumstances.” *In re Exide Techs.*, 340 B.R. 222, 239 (Bankr. D. Del. 2006); *see also In re Curlew Valley Assocs.*, 14 B.R. 506, 513–14 (Bankr. D. Utah 1981) (noting that courts should not second guess a debtor’s business decision when that decision involves “a business judgment made in good faith, upon a reasonable basis, and within the scope of [the debtor’s] authority under the [Bankruptcy] Code”).

24. Further, considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and the potential lender. Courts may also appropriately take into consideration non-economic benefits to the debtor offered by a proposed postpetition facility. For example:

Although all parties . . . are naturally motivated to obtain financing on the best possible terms, a business decision to obtain credit from a particular lender is almost never based purely on economic terms. Relevant features of the financing must be evaluated, including noneconomic elements such as the timing and certainty of closing, the impact on creditor constituencies and the likelihood of a successful reorganization. This is particularly true in a bankruptcy setting where cooperation and established allegiances with creditor groups can be a vital part of building support for a restructuring that ultimately may lead to a confirmable reorganization plan. That

which helps foster consensus may be preferable to a notionally better transaction that carries the risk of promoting unwanted conflict.

*In re ION Media Networks, Inc.*, No. 09-13125, 2009 WL 2902568, at \*4 (Bankr. S.D.N.Y. Jul. 6, 2009).

25. The Debtors' decision to enter into forward with the DIP Facility is an exercise of their sound business judgment following arm's-length negotiations and careful evaluation of available alternatives. As further discussed in the First Day Declaration, the DIP Facility reflects the Debtors' operational challenges and prepetition capital structure and was the product of arm's-length, good faith negotiations. Moreover, no other financing was offered or otherwise available. Importantly, the DIP Facility has favorable economic and noneconomic terms. The DIP Facility provides enough funding to continue the regulatory cure process and recommence construction at the Hudson. The Debtors reasonably believe that they have obtained the best financing available and that the proposed DIP Facility will best position the Debtors to complete construction and recommence its operations.

26. Accordingly, the Debtors submit that entry into the DIP Facility is in the best interests of the Debtors' estates, necessary to preserve the value of their estates, and is a reasonable exercise of their business judgement.

**B. The Debtors should be authorized to grant liens, including priming liens, and Superpriority DIP Claims.**

27. The Debtors propose to grant the DIP Liens on and security interests in the DIP Collateral as set forth in the DIP Loan Documents and the proposed Interim Order pursuant to section 364(c) and 364(d) of the Bankruptcy Code. More specifically, the Debtors propose to provide to the DIP Lender continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition liens on and security interests in the DIP

Collateral. The Debtors also seek authority to grant the DIP Superpriority Claims. The Debtors are unable to obtain secured credit without granting to the DIP Lender the DIP Liens and without granting to the Prepetition Lender the Adequate Protection Lien and other adequate protection set forth in the Interim Order, on the terms and subject to the conditions set forth in the Interim Order and in the DIP Term Sheet.

28. The statutory requirement for obtaining postpetition credit under section 364(c) of the Bankruptcy Code is a finding, made after notice and hearing, that a debtor is “unable to obtain unsecured credit allowable under section 503(b)(1) of [the Bankruptcy Code].” 11 U.S.C. § 364(c). *See In re Crouse Grp., Inc.*, 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987) (secured credit under section 364(c) of the Bankruptcy Code is authorized, after notice and hearing, upon showing that unsecured credit cannot be obtained). Courts have articulated a three-part test to determine whether a debtor is entitled to financing under section 364(c) of the Bankruptcy Code:

- a. the debtor is unable to obtain unsecured credit under section 364(b) of the Bankruptcy Code—i.e., by allowing a lender only an administrative claim;
- b. the credit transaction is necessary to preserve the assets of the estate; and
- c. the terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and proposed lenders.

*In re Crouse Grp., Inc.*, 71 B.R. 544 at 549 (Bankr. E.D. Pa. 1987); *see also L.A. Dodgers LLC*, 457 B.R. 308 at 312–13 (Bankr. D. Del. 2011); *Ames Dep’t Stores*, 115 B.R. 34 at 37–40 (Bankr. S.D.N.Y. 1990).

29. Further, section 364(d) provides that a debtor may obtain credit secured by a senior or equal lien on property of the estate already subject to a lien, after notice and a hearing, where the debtor is “unable to obtain such credit otherwise” and “there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is

proposed to be granted.” 11 U.S.C. § 364(d)(1). Consent of the secured creditors to liens priming their interests in collateral obviates the need to show adequate protection. *See Anchor Says. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 122 (N.D. Ga. 1989) (“[B]y tacitly consenting to the superpriority lien, those [undersecured] creditors relieved the debtor of having to demonstrate that they were adequately protected.”). Accordingly, the Debtors may incur “priming” liens under the DIP Facility if either (a) the Prepetition Lender consents to the priming or (b) the Prepetition Lender’s interests in collateral are adequately protected.

30. Here, the Debtors satisfy section 364(d) because (i) they are unable to obtain financing on an unsecured or junior secured basis and (ii) the Prepetition Lender has consented to the priming liens granted to the DIP Lender, subject to the adequate protection set forth in the DIP Orders..

31. The Debtors are unable to obtain unsecured credit due to their lack of unencumbered assets. Thus, the Debtors determined that the DIP Facility provided the best—and, in fact, the only—opportunity available to the Debtors under the circumstances to fund these Chapter 11 Cases. No unsecured or junior financing is available. The DIP Facility was negotiated in good faith, at arm’s-length among the proposed DIP Lender and its counsel and the Debtors and their proposed counsel and advisors. Further, financing on a postpetition basis is not available without granting the DIP Lender the DIP Liens on the DIP Collateral and the DIP Superpriority Claims, as more fully described in and pursuant the DIP Term Sheet and DIP Orders. The Prepetition Lender has consented to the Debtors incurring debtor-in-possession financing, the priming of its Prepetition Liens, and the use of its Cash Collateral, only on the terms of, and subject to, the conditions set forth in the DIP Loan Documents and DIP Orders, including the granting of adequate protection as more fully described in and pursuant to the DIP Term Sheet and DIP Orders.

32. Without access to the DIP Facility and Cash Collateral, which will provide the Debtors with necessary funds to continue their efforts to cure regulatory issues and lift the stop-work order and administer the Chapter 11 Cases, the value of the Debtors' estates would be significantly impaired to the detriment of all stakeholders. Under the circumstances, the Debtors believe that the terms of the proposed DIP Facility and use of Cash Collateral are fair and reasonable. For the reasons discussed in this Motion, including the terms of the proposed DIP Facility, as well as the unavailability of actionable alternative sources of financing, the Debtors respectfully submit that they satisfy the standards required to access postpetition financing on a superpriority claim and priming lien basis under sections 364(c) and 364(d) of the Bankruptcy Code.

**C. The Debtors should be authorized to use Cash Collateral and provide adequate protection to the Prepetition Lender.**

33. Section 363 of the Bankruptcy Code generally governs the use of estate property. Section 363(c)(2) conditions use of Cash Collateral upon (a) obtaining consent of each party that has an interest in the Cash Collateral or (b) "the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this section." Further, the use of cash collateral may be prohibited or conditioned, upon proper request, as is necessary to adequately protect any interest in cash collateral. *See* 11 U.S.C. §363(e).

34. If a secured creditor does not consent to the debtor's proposed use of cash collateral, the court must ensure that the creditor's interests are adequately protected. *See id.* Thus, courts are required to balance the protection offered to a secured creditor against the debtor's need to use cash in its reorganization effort. *Stein v. U.S. Farmers Home Admin. (In re Stein)*, 19 B.R. 458, 459 (Bankr. E.D. Pa. 1982). In determining whether a creditor is adequately protected, courts "will generally permit the business operation to continue, at least to the point of plan formulation,

if the debtors make a solid evidentiary showing to support their projections.” *In re Dynaco Corp.*, 162 B.R. 389, 395 (Bankr. D.N.H. 1993).

35. “The concept of ‘adequate protection’ is not defined in the [Bankruptcy] Code except by the implications of the examples of adequate protection listed in § 361.” *In re Beker Indus. Corp.*, 58 B.R. 725, 736 (Bankr. S.D.N.Y. 1986). This can include a cash payment or periodic cash payments, additional liens, replacement liens or the “indubitable equivalent of such entity’s interest in such property.” 11 U.S.C. § 361. While section 361 of the Bankruptcy Code provides examples of forms of adequate protection, courts decide what constitutes sufficient adequate protection on a case-by-case basis. *In re Swedeland Dev. Grp., Inc.*, 16 F.3d 552, 564 (3d Cir. 1994).

36. After arm’s-length and good faith negotiations, the Prepetition Lender has consented to the use of the Prepetition Collateral, including Cash Collateral, subject to its receipt of adequate protection as set forth in the DIP Term Sheet and DIP Orders. Among other things, the adequate protection contemplated by DIP Orders is designed to protect the Prepetition Lender’s interests in the Debtors’ property from any diminution in value caused by the automatic stay, by the Debtors’ use of the Cash Collateral during the pendency of these Chapter 11 Cases, and by the priming of the Prepetition Lender’s liens by the DIP Liens.

37. The Debtors submit that they have provided the Prepetition Lender with fair and reasonable adequate protection sufficient to protect the Prepetition Lender from any diminution in value of the Cash Collateral and Prepetition Collateral. The Debtors’ provision of the adequate protection is not only necessary to protect against any such diminution in value, but is also fair and appropriate under the circumstances of these Chapter 11 Cases to ensure the Debtors are able to

continue using the Cash Collateral, subject to the terms and limitations set forth in the DIP Orders, for the benefit of its estate and all parties in interest.

**D. The Roll-Up is appropriate.**

38. Section 363(b) of the Bankruptcy Code permits a debtor to use, sell, or lease property, other than in the ordinary course of business, with court approval. It is well settled in the Third Circuit that such transactions should be approved when they are supported by a sound business purpose. *See In re Abbotts Dairies, Inc.*, 788 F.2d 143 (3d Cir. 1986) (holding that in the Third Circuit, a debtor’s use of assets outside the ordinary course of business under section 363(b) of the Bankruptcy Code should be approved if the debtor can demonstrate a sound business justification for the proposed transaction). The business judgment rule shields a debtor’s management from judicial second-guessing. *In re Johns-Manville Corp.*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986) (“[T]he [Bankruptcy] Code favors the continued operation of a business by a debtor and a presumption of reasonableness attaches to a debtor’s management decisions.”).

39. Repaying prepetition debt with funds borrowed postpetition (often referred to as a “roll-up”) is a common feature in debtor in possession financing arrangements. The importance of “roll-up” features in DIP facilities has been repeatedly recognized by courts in this District and others, and such courts have granted relief similar to the relief requested herein. *See, e.g., In re Franchise Group, Inc.*, Case No. 24-12480 (JTD) (Bankr. D. Del. December 11, 2024) (approving a \$750 million DIP Credit Facility with a 2:1 ratio consisting of \$500 million of prepetition debt and \$250 million of new money); *In re Restoration Forest Products Group, LLC*, Case No. 24-10120 (KBO) (Bankr. D. Del. Feb. 1, 2024) (authorizing an approximately \$93 million DIP Credit Facility, including a \$64 million roll-up of the prepetition bridge facility on an interim basis); *In re DeCurtis Holdings LLC*, Case No. 23- 10548 (JKS) (Bankr. D. Del. June 23, 2023) (authorizing

an approximate \$27 million DIP Credit Facility, including a \$20.5 million roll-up of prepetition loans); *In re SiO2 Medical Prods., Inc.*, Case No. 23-10366 (JTD) (Bankr. D. Del. Apr. 26, 2023) [Docket No. 216] (authorizing an approximately \$120 million DIP Credit Facility, including a \$60 million roll-up of the prepetition term loan); *In re Phoenix Servs. Topco LLC*, Case No. 22-10906 (MFW) (Bankr. D. Del. Sept. 29, 2022) [Docket No. 73] (approving a \$100 million interim DIP Credit Facility with a 3:1 roll-up ratio consisting of \$75 million of prepetition debt and \$25 million of new money); *In re TPC Group Inc.*, Case No. 22- 10493 (CTG) (Bankr. D. Del. June 3, 2022) [Docket No. 147] (authorizing an approximately \$323 million DIP Credit Facility, including a \$238 million roll-up of prepetition secured notes, of which approximately \$59 million rolled up on an interim basis); *In re Nine Point Energy Holdings, Inc.*, Case No. 21-10570 (MFW) (Bankr. D. Del. Mar. 17, 2021) [Docket No. 100] (approving a \$13 million interim DIP Credit Facility with a 3:1 ratio consisting of \$39 million of prepetition debt and \$13 million of new money); *In re Blackhawk Mining LLC*, Case No. 19-11595 (LSS) (Bankr. D. Del. July 23, 2019) [Docket No. 81] (authorizing DIP facilities in the aggregate amount of \$240 million, including a \$100 million roll-up of the prepetition term loan and an additional \$140 million in incremental liquidity, pursuant to interim order); *In re Charlotte Russe Holding, Inc.*, Case No. 19-10210 (LSS) (Bankr. D. Del. Feb. 5, 2019) [Docket No. 92] (approving a \$50 million interim DIP Credit Facility with a 2.57:1 roll-up ratio consisting of \$36 million of prepetition debt and \$14 million of new money).

40. As described above, effective immediately upon entry of the Interim Order, \$12,270,387 of the Prepetition Secured Obligations will be automatically “rolled up” on a 1:1 basis with the Interim DIP Loan and converted into and treated for all purposes as DIP Loans and DIP Obligations. Subject to entry of the Final Order, simultaneous with the borrowing of any Subsequent DIP Loans by the Debtors under the DIP Facility, there will be a dollar-for-dollar roll

up of Prepetition Secured Obligations to Subsequent DIP Loans when and as funded by the DIP Lender to the Debtors. The outstanding aggregate amount of Prepetition Secured Obligations will be deemed reduced by the amount of Prepetition Secured Obligations included in the Roll Up.

41. The Roll Up is a sound exercise of the Debtors' business judgment and is a material component of the structure of the DIP Facility. Without continued access to the additional liquidity provided under the DIP Facility, the Debtors will be unable to fund the administration of these Chapter 11 Cases and recommence construction at the Hudson.

42. The Roll Up was the subject of arm's-length good faith negotiations between the Debtors, the DIP Lender and the Prepetition Lender and is an integral component of the overall terms of the DIP Facility. Additionally, the Roll Up is a necessary and integral condition for the DIP Lender to agree to the DIP Facility. Upon information and belief, the Debtors believe the prepetition obligations are secured by valid, enforceable and perfected, first priority liens and security interests. For these reasons, and because no other party has put forward an actionable financing proposal, the Roll Up is reasonable, on market terms approved in other cases in this District, appropriate, a sound exercise of the Debtors' business judgment, and ultimately in the best interests of all stakeholders given the lack of any viable alternatives.

**E. The scope of the Carve-Out is appropriate.**

43. The DIP Term Sheet and DIP Orders provide that the DIP Liens, Prepetition Lender Adequate Protection Liens, Prepetition Liens, Adequate Protection Superpriority Claims, and DIP Superpriority Claims are subject and subordinate to the Carve-Out.

44. The Carve-Out is necessary to ensure that the Debtors and other parties in interest are not deprived of certain rights and powers by ensuring their professionals are compensated for the services they provide in these Chapter 11 Cases. *See In re Ames Dep't Stores, Inc.*, 115 B.R.

34, 40 (Bankr. S.D.N.Y. 1990) (observing that courts insist on carve-outs for professionals representing parties in interest because “[a]bsent such protection, the collective rights and expectations of all parties-in-interest are sorely prejudiced”). Additionally, the Carve-Out protects against administrative insolvency during the course of these Chapter 11 Cases by ensuring that assets remain for the payment of amounts to the Clerk of the Court and U.S. Trustee fees and professional fees of the Debtors.

**F. The DIP Lender is and should be deemed a good-faith lender under section 364(e) of the Bankruptcy Code.**

45. Section 364(e) of the Bankruptcy Code protects a good-faith lender’s rights to collect on loans extended to a debtor and its rights in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal.

46. Section 364(e) of the Bankruptcy Code provides that:

The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

11 U.S.C § 364(e).

47. As explained in this Motion and the First Day Declaration, the terms of the DIP Facility are the result of (a) the Debtors’ reasonable and informed determination that the DIP Lender offered the most favorable terms available on which to obtain vital postpetition financing, and (b) arm’s-length, good-faith negotiations between the Debtors and the DIP Lender and their respective advisors.

48. The Debtors submit that the terms and conditions of the DIP Facility are reasonable and appropriate under the circumstances, and the proceeds of the DIP Facility will be used only for purposes that are permissible under the Bankruptcy Code and in accordance with the DIP Term Sheet, Approved Budget, and DIP Orders. Further, no consideration is being provided to the DIP Lender other than as described in this Motion. Accordingly, the Debtors respectfully request that the Court find that the DIP Lender is a “good faith” lender within the meaning of section 364(e) of the Bankruptcy Code that is entitled to all of the protections afforded thereunder.

**G. Modification of the Automatic Stay is warranted.**

49. This Motion contemplates a modification of the automatic stay to permit (a) the Debtor to grant the security interests, liens, and superpriority claims described above and to perform such acts as may be requested to assure the perfection and priority of such security interests and liens; (b) upon the occurrence of an Event of Default (*as defined in the DIP Loan Documents*), subject to the “Remedies Notice Period” as set forth in the proposed DIP Orders, for the DIP Lender to exercise any remedies available to it; and (c) implement the terms of the proposed DIP Orders, including payment of all amounts referred to in the DIP Loan Documents. In the Debtors’ business judgment, such relief is reasonable and fair under the circumstances.

50. Stay modifications of this kind are common features of debtor in possession financing arrangements and, in the Debtors’ business judgment, are appropriate in this case as well. *See, e.g., In re Azzur Group Holdings LLC, et al.*, Case No. 25-10342 (KBO) (Bankr. D. Del. Apr. 14, 2025) (modifying automatic stay as necessary to effectuate the terms of the order and following occurrence of an Event of Default); *In re PGX Holdings, Inc.*, Case No. 23-10718 (CTG) (Bankr. D. Del. Aug. 4, 2023) (same); *In re SiO2 Medical Prods., Inc.*, Case No. 23-10366

**H. Failure to obtain immediate access to the DIP Facility would cause immediate and irreparable harm to the Debtors and Stakeholders.**

51. Bankruptcy Rules 4001(b) and 4001(c) provide that a final hearing on a motion to obtain credit under section 364 of the Bankruptcy Code or to use cash collateral pursuant to section 363 of the Bankruptcy Code may not be commenced earlier than fourteen (14) days after the service of such motion. However, Bankruptcy Rules 4001(b)(2) and (c)(2) allow the Court to (a) hold a preliminary expedited hearing on the motion and authorize the Debtor to obtain credit and use of cash collateral if so requested and (b) authorize, to the extent necessary to avoid immediate and irreparable harm to the estate, the use of cash collateral or the obtaining of credit.

52. The Debtors respectfully request that the Court hold a hearing to consider entry of the proposed Interim Order authorizing the Debtors—in the period from and after entry of the Interim Order until the Final Hearing—to borrow funds under the DIP Facility and use Cash Collateral in accordance with the Approved Budget, DIP Term Sheet and Interim Order. The Approved Budget was developed by the Debtors and their professionals, together with the DIP Lender, to ensure that the Debtors have sufficient funds to continue the regulatory cure process, recommence construction at the Hudson, and pay their administrative expenses. Further, the Approved Budget contemplates that, in the period from and after entry of the Interim Order until the Final Hearing, the Debtors will use only those funds necessary to avoid immediate and irreparable harm.

---

<sup>4</sup> Because the orders are voluminous, they have not been attached to this Motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

**WAIVER OF STAY UNDER BANKRUPTCY RULES 6004(a) AND (h)**

53. Bankruptcy Rule 6004(h) provides that “[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise.” Fed. R. Bankr. P. 6004(h). As explained above and in the First Day Declaration, the Debtors face substantial liquidity challenges that threaten their ability to continue as a going concern. It is therefore imperative for the Debtors to obtain immediate access to funds to facilitate the regulatory cure and construction process. Accordingly, the relief requested in this Motion is necessary to avoid immediate and irreparable harm to the Debtors.

54. For this reason and those set forth above, the Debtors respectfully request that the Court waive the notice requirements under Bankruptcy Rule 6004(a) and the fourteen (14) day stay imposed by Bankruptcy Rule 6004(h), to the extent such notice requirements and such stay apply in these Chapter 11 Cases.

**RESERVATION OF RIGHTS**

55. Nothing contained in this Motion (i) is intended or may be deemed to constitute an assumption of any agreement under section 365 of the Bankruptcy Code or an admission as to the validity of any claim against the Debtors and their estates; (ii) impairs, prejudices, waives, or otherwise affects the rights of the Debtors and their estates with respect to the validity, priority, or amount of any claim against the Debtors and their estates (provided that the DIP Orders will contain stipulations, agreements and acknowledgements required by the DIP Lender and Prepetition Lender); (iii) impairs, prejudices, waives, or otherwise affects the rights of the Debtors and their estates with respect to any and all claims or causes of action against any third party or (iv) may be construed as a promise to pay a claim.

**NOTICE**

56. Notice of this Motion will be provided to: (i) the U.S. Trustee; (ii) the Debtors' top twenty (20) unsecured creditors; (iii) counsel to the DIP Lender and the Prepetition Lender; (iv) all other known holders of prepetition liens, encumbrances or security interests against the Debtors' property; (v) the Internal Revenue Service; (vi) New York Secretary of State; (vii) New York City Department of Housing Preservation and Development; (viii) the Delaware Secretary of State; (ix) the Delaware Secretary of the Treasury; (x) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (xi) any other party required to be provided notice under Local Rule 9013-1. The Debtors respectfully submit that such notice is sufficient, and no other or further notice of this Motion is required.

*[Remainder of page intentionally left blank]*

**WHEREFORE**, the Debtors respectfully request entry of the Interim Order and Final Order, in stages, granting the relief requested in this Motion and such other and further relief as the Court may deem just and proper.

To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

Lender and the Prepetition Lender; (iv) all other known holders of prepetition liens, encumbrances or security interests against the Debtors' property; (v) the Internal Revenue Service; (vi) New York Secretary of State; (vii) New York City Department of Housing Preservation and Development; (viii) the Delaware Secretary of State; (ix) the Delaware Secretary of the Treasury; (x) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (xi) any other party required to be provided notice under Local Rule 9013-1(m). Under the circumstances, notice was sent under Bankruptcy Rules 4001(b), 4001(c) and 4001(d), Local Rule 4001-2, and section 102(1) of the Bankruptcy Code, in light of the emergency nature of the interim relief requested in the Motion, and no further notice of the relief sought at the Interim Hearing and the relief granted herein is necessary or required.

**F. Necessity and Uses of DIP Financing and Cash Collateral.**

i. Immediate Need for Postpetition Financing and Use of Cash Collateral. The Debtors have an immediate and critical need to obtain post-petition financing through the debtor-in-possession financing facility created by and through the DIP Loan Documents (the "DIP Facility") and to continue to use the Prepetition Collateral (as defined below), including, without limitation, Cash Collateral (as defined below), in order to, among other things, (a) fund the continued operation of their businesses, including, without limitation, to respond to various regulatory requirements and orders, (b) maintain business relationships with vendors, (c) pay the fees, costs, and expenses incurred in connection with the Chapter 11 Cases, and (d) satisfy other working capital and operational needs. The incurrence of the DIP Loans and use of Cash Collateral is necessary and vital to the preservation and maintenance of the going concern and potential future value of the Debtors, their assets and businesses. Immediate and irreparable harm will be caused to the Debtors, their creditors, estates, and other stakeholders if immediate post-

petition financing is not obtained and the Debtors are not immediately authorized to use Cash Collateral. The terms applicable to the extensions of credit under the DIP Facility are fair and reasonable, and the Debtors' entry into the DIP Facility reflects the sound exercise of the Debtors' business judgment and is supported by reasonably equivalent value and fair consideration. Therefore, it is in the best interest of the Debtors, their creditors, and their estates to establish the DIP Facility described in the Motion, as set forth in this Interim Order, and as contemplated by the DIP Loan Documents, and to authorize the Debtors' use of Cash Collateral, subject to the terms and conditions in the DIP Loan Documents and as set forth in this Interim Order. The Prepetition Lender has consented to the use of its Cash Collateral and to the priming of the Prepetition Liens (as defined below), in each case on the terms and conditions set forth in the DIP Term Sheet and this Interim Order.

ii. No Credit Available on More Favorable Terms. As set forth in the First Day Declaration, the DIP Facility is the best and likely only source of debtor-in-possession financing available to the Debtors at this time. Given their current financial condition, financing arrangements, and capital structure, stalled development, and the other circumstances leading to the commencement of the Chapter 11 Cases, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lender on terms and conditions more favorable than those set forth in the DIP Loan Documents, if at all. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of

the Debtors and their estates that is subject to a lien. Financing on a postpetition basis is not otherwise available without granting the DIP Lender the priming DIP Liens and DIP Superpriority Claims pursuant to sections 364(d) and 364(c)(1) of the Bankruptcy Code, and the other protections set forth in the DIP Loan Documents and this Interim Order.

iii. Use of Cash Collateral and DIP Loans. As a condition to the Debtors' entry into the DIP Loan Documents, the extension of credit under the DIP Facility and the authorization to use Prepetition Collateral, including, without limitation, Cash Collateral, the Debtors have agreed that Cash Collateral and the DIP Loans will be used solely in accordance with the terms and conditions of this Interim Order (as may be amended and supplemented by the Final Order), the DIP Loan Documents, and the Approved Budget (subject to Permitted Variances).

G. Good Faith of DIP Lender and Prepetition Lender.

i. Willingness to Provide DIP Financing. The DIP Lender has committed to provide financing to the Debtors subject to, among other things: (a) entry of this Interim Order and the Final Order, in stages as applicable; (b) approval of the terms and conditions of the DIP Term Sheet and other DIP Loan Documents; (c) satisfaction of the conditions set forth in the DIP Loan Documents; and (d) findings by this Court that the DIP Facility is essential to the Debtors' estates, that the DIP Lender is extending credit to the Debtors under the DIP Loan Documents in good faith, and that the DIP Lender's claims, superpriority claims, liens and security interests, and other protections granted under this Interim Order and the DIP Loan Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

ii. Business Judgment. Based on the DIP Motion and the First Day Declaration, and the record presented to the Court at the Interim Hearing, (a) the provisions the DIP Facility embodied in the DIP Loan Documents, including, without limitation, the fees, expenses, and other

charges paid and to be paid thereunder or in connection therewith, (b) the adequate protection authorized by the Interim Order (and to be authorized by the Final Order on the terms of such Final Order) and DIP Loan Documents, and (c) the terms on which the Debtors may continue to use the Cash Collateral, in each case under this Interim Order and the DIP Loan Documents, are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, constitute reasonably equivalent value and fair consideration, and represent the best financing and terms available under the circumstances.

iii. Good Faith Under Section 364(e). The terms and conditions of the DIP Loan Documents and the use of Cash Collateral were negotiated in good faith, at arm's length, and for fair consideration among the Debtors, the DIP Lender, and the Prepetition Lender, with the assistance and counsel of their respective advisors. Accordingly, all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with the extension of the DIP Facility, the DIP Loan Documents, and all fees and other obligations or indebtedness owing to the DIP Lender, shall be deemed to have been extended by the DIP Lender in good faith (as that term is used in section 364(e) of the Bankruptcy Code), and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

iv. Consent to DIP Facility and Use of Cash Collateral. The Prepetition Lender has consented to the Debtors' use of Cash Collateral and the other Prepetition Collateral, and the Debtors' entry into the DIP Loan Documents, in accordance with and subject to the terms and conditions in this Interim Order and the DIP Loan Documents.

H. Property of the Estates. Each item of the DIP Collateral and Prepetition Collateral (each as defined below) constitutes property of the Debtors' estates to the fullest extent provided for in section 541 of the Bankruptcy Code.

I. Good Cause. Good and sufficient cause has been shown for immediate entry of this Interim Order, and the entry of this Interim Order is in the best interests of the Debtors, their creditors, estates, and other stakeholders. Among other things, the Debtors have an immediate need for the liquidity provided by the DIP Facility and Cash Collateral, as authorized pursuant to the applicable DIP Orders, in order to avoid immediate, irreparable harm, and the relief granted in this Interim Order will minimize disruption of the Debtors' businesses and permit the Debtors to pay critical expenses necessary to maximize the value of their assets and estates. The extensions of credit under the DIP Facility, the use of Cash Collateral, and the proposed adequate protection arrangements, each as set forth in this Interim Order, are fair and reasonable under the circumstances and reflect the Debtors' exercise of prudent business judgment.

J. Immediate Entry. Sufficient cause exists for the immediate entry and effectiveness of this Interim Order under Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the applicable Local Rules.

K. Debtors' Stipulations. Each stipulation, admission, and agreement contained in this Interim Order and the DIP Term Sheet will be binding upon the Debtors, and any successors thereto (including, without limitation, any chapter 7 or chapter 11 trustee appointed or elected for the Debtors) under all circumstances and for all purposes. The Debtors have irrevocably waived and relinquished all Challenges (as defined below) as of the Petition Date. Without prejudice to the rights of any other party and subject to Paragraph 41 hereof, the Debtors, on their own behalf

and on behalf of their estates, admit, stipulate, acknowledge, and agree as follows (collectively, the “Debtors’ Stipulations”):

i. Prepetition Loan Agreement. Prior to the Petition Date, the Debtors, as borrowers, and Parkview, as lender (in its capacity as such, the “Prepetition Lender”), entered into (i) that certain *Building Loan Agreement*, dated as of May 4, 2022, as amended by Amendment to Building Loan Agreement dated as of May 1, 2023, (as amended, restated or modified from time to time, the “Building Loan”), together with (ii) that certain *Project Loan Agreement*, dated as of May 4, 2022, by and among the Debtors and Parkview (as amended, restated or modified from time to time, the “Project Loan” and, together with the Building Loan, the “Prepetition Loan Agreement”). The Building Loan is secured by that certain *Building Loan Mortgage Note*, by and among the Debtors and the Prepetition Lender, dated as of May 4, 2022. The Project Loan is secured by that certain *Project Loan Mortgage Note*, by and among the Debtors and the Prepetition Lender, dated as of May 4, 2022. For purposes of this Interim Order, the term “Prepetition Loan Documents” means the Prepetition Loan Agreement and all other agreements, documents, and instruments executed and/or delivered with, to or in favor of the Prepetition Lender in connection with, evidencing or securing the Prepetition Secured Obligations (as defined below), including, without limitation, that certain Cash Collateral Agreement, dated October 22, 2025 (the “Prepetition Cash Collateral Agreement”), between the Debtors and Prepetition Lender (each as the same may have been amended, restated, renewed, replaced, supplemented or otherwise modified from time to time). As of the Petition Date, the Building Loan and Project Loan were fully drawn and additional protective advances were provided by the Prepetition Lender, including a protective advance made by the Prepetition Lender on October 22, 2025, in the amount of \$1,000,000, to enable the Debtors to pay critical payments and finalize preparations for filing the Bankruptcy Cases.

ii. Prepetition Secured Obligations. As of the Petition Date, the Debtors are jointly and severally, justly and lawfully indebted and liable to the Prepetition Lender, without defense, counterclaim or offset of any kind, in the aggregate amount of approximately \$146 million in principal amount outstanding on account of the Building Loan and the Project Loan plus all accrued and unpaid interest, fees, expenses, charges, indemnities and all other Obligations (as defined in the Prepetition Loan Agreement) incurred or accrued under or in connection with the Prepetition Loan Documents (collectively, the “Prepetition Secured Obligations”).

iii. Security for Prepetition Secured Obligations. As more fully set forth in the Prepetition Loan Documents, prior to the Petition Date, the Debtors granted to the Prepetition Lender security interests in and liens on (the “Prepetition Liens”) all of their right, title and interest in the Collateral (as defined in the Prepetition Loan Documents) (the “Prepetition Collateral”).

iv. Validity of Prepetition Secured Obligations. The Prepetition Secured Obligations constitute legal, valid, and binding obligations of the Debtors, jointly and severally, enforceable against them in accordance with their terms (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), and no portion of the Prepetition Secured Obligations owing to, or any transfers made to the Prepetition Lender on account of the Prepetition Secured Obligations, is subject to avoidance, recharacterization, reduction, set-off, offset, counterclaim, cross-claim, recoupment, defenses, disallowance, impairment, recovery, subordination, or any other legal or equitable challenges under the Bankruptcy Code or applicable non-bankruptcy law or regulation by any person or entity, including in any Successor Case (as defined below).

v. Validity, Extent, Perfection, and Priority of Prepetition Liens. The Prepetition Liens granted to the Prepetition Lender constitute legal, valid, binding, enforceable (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), unavoidable

and perfected security interests in and liens on the Prepetition Collateral (including the proceeds thereof), at any time owned by the Debtors and thereafter acquired, were granted to, or for the benefit of, the Prepetition Lender for fair consideration and reasonably equivalent value, and are not subject to defense, counterclaim, recharacterization, subordination, avoidance, or recovery under the Bankruptcy Code or applicable non-bankruptcy law or equitable remedies or regulation by any person or entity, including in any Successor Case.

vi. No Challenges or Claims Related to Prepetition Secured Obligations. No offsets, challenges, objections, defenses, claims or counterclaims of any kind or nature to any of the Prepetition Loan Documents, Prepetition Liens or Prepetition Secured Obligations exist, no facts or occurrence supporting or giving rise to any offset, challenge, objection, defense, claim or counterclaim of any kind or nature to any of the Prepetition Loan Documents, Prepetition Liens or Prepetition Secured Obligations exist, and no portion of the Prepetition Liens or Prepetition Secured Obligations are subject to any challenge or defense including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) under the Bankruptcy Code or applicable non-bankruptcy law or equity. The Debtors and their estates have no valid or meritorious Claims (as such term is defined in section 101(5) of the Bankruptcy Code), objections, challenges, causes of action, and/or choses in action or basis for any equitable relief against the Prepetition Liens or other property of the Prepetition Lender, or the Prepetition Lender or any of its affiliates and its and their respective predecessors, agents, attorneys, advisors, professionals, officers, managers, directors, and employees with respect to the Prepetition Loan Documents, the Prepetition Secured Obligations, the Prepetition Liens, or otherwise, whether arising at law or at equity, including, without limitation, any challenge, recharacterization, subordination, avoidance, recovery, disallowance, reduction, or other Claims

arising under sections 105, 502, 510, 541, 542 through 553, inclusive, or 558 of the Bankruptcy Code or applicable non-bankruptcy law equivalents. The Prepetition Secured Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

vii. No Challenges or Claims Related to the DIP Facility. No offsets, challenges, objections, defenses, claims or counterclaims of any kind or nature to any of the DIP Loan Documents, DIP Liens or DIP Obligations (as defined below) exist, no facts or occurrence supporting or giving rise to any offset, challenge, objection, defense, claim or counterclaim of any kind or nature to any of the DIP Loan Documents, DIP Liens or DIP Obligations exist, and no portion of the DIP Loan Documents, DIP Liens or DIP Obligations are subject to any challenge or defense including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) under the Bankruptcy Code or applicable non-bankruptcy law or equity. The Debtors and their estates have no valid claims (as such term is defined in section 101(5) of the Bankruptcy Code), objections, challenges, causes of action, and/or choses in action or basis for any equitable relief against the DIP Lender or any of its affiliates and its and their respective predecessors, agents, attorneys, advisors, professionals, officers, directors, and employees with respect to the DIP Obligations, the DIP Liens, the DIP Loan Documents or otherwise, whether arising at law or at equity, including, without limitation, any challenge, recharacterization, subordination, avoidance, recovery, disallowance, reduction, or other Claims arising under or pursuant to sections 105, 502, 510, 541, 542 through 553, inclusive, or 558 of the Bankruptcy Code or applicable non-bankruptcy law equivalents.

viii. Cash Collateral. Except with respect to proceeds from the DIP Loans and proceeds from the DIP Collateral, all of the Debtors' cash constitutes Cash Collateral or proceeds

of the Prepetition Collateral and, therefore, is Cash Collateral of the Prepetition Lender. For purposes of this Interim Order, the term “Cash Collateral” includes, without limitation: (i) all “cash collateral” as defined in section 363(a) of the Bankruptcy Code on hand or in any account or accounts; (ii) all cash equivalents; (iii) all deposits subject to setoff; and (iv) all cash arising from the collection or other conversion to cash of property of the Debtors in which the Prepetition Lender asserts security interests, liens or mortgages, regardless of whether such security interests, liens, or mortgages existed as of the Petition Date or arose thereafter pursuant to this Interim Order, and whether the property converted to cash existed as of the Petition Date or arose thereafter.

**NOW, THEREFORE**, based upon the foregoing findings of fact, the DIP Motion, the First Day Declaration, and the record before the Court with respect to the DIP Motion and the Cases, and after due consideration and good and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED THAT:**

1. **Motion Granted**. The DIP Motion is GRANTED as set forth in this Interim Order. Entry into the DIP Term Sheet and the other DIP Loan Documents is hereby authorized and approved, and the use of Cash Collateral is authorized, in each case, subject to the terms and conditions set forth in this Interim Order and in the DIP Loan Documents, including, without limitation, the Approved Budget (subject to Permitted Variances). All objections to this Interim Order to the extent not withdrawn, waived, settled, or resolved, and all included reservations of rights, are hereby denied and overruled on the merits. This Interim Order will become effective immediately upon its entry.

**DIP Facility Authorization**

2. **Authorization of the DIP Facility**. The Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Loan Documents, and to incur and to

perform the DIP Obligations and other obligations under and in accordance with, and subject to, the terms of this Interim Order and the DIP Loan Documents, and to execute, deliver, and perform under all DIP Loan Documents, including, without limitation, all instruments, certificates, agreements, and documents which may be required or necessary for the performance by the Debtors under the DIP Loan Documents and the creation and perfection of the DIP Liens granted by this Interim Order and the DIP Loan Documents (the DIP Liens are immediately and automatically perfected by entry of this Interim Order and such perfection will continue upon entry of the Final Order without the need of the Debtors or the DIP Lender to take any action, file or record any mortgage, lien, or notice, or attach or take possession of any DIP Collateral). The Debtors are hereby authorized to pay any principal, interest, fees, expenses, and other amounts described in the DIP Loan Documents and this Interim Order, as such amounts become due and owing, subject to the Approved Budget (subject to Permitted Variances), without the need to obtain further Court approval (except as otherwise provided in this Interim Order or in the DIP Loan Documents), subject to and in accordance with their terms and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order and the DIP Loan Documents. The DIP Loan Documents represent legal, valid and binding obligations of the Debtors, enforceable against the Debtors and their estates in accordance with their terms. Each member, manager, and officer of a Debtor acting individually is hereby authorized to execute and deliver each of the DIP Loan Documents (in the event not already done), such execution and delivery to be conclusive evidence of such member, manager, or officer's respective authority to act in the name of and on behalf of the Debtors.

3. In furtherance of the foregoing and without further approval of this Court, the Debtors are authorized to perform all acts, to make, execute and deliver all instruments and

documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements) that may be reasonably required or necessary for the Debtors' performance of their obligations under or in connection with the DIP Facility and DIP Loan Documents, including, without limitation, (i) the execution, delivery and performance of the DIP Loan Documents, any other documents or instruments that may be reasonably requested by the DIP Lender in connection with the DIP Facility, and, subject to the provisions of paragraph 21 of this Interim Order, any waivers, forbearances, consents or amendments to the DIP Loan Documents as the Debtors and the DIP Lender may agree in writing, all in accordance with the terms of the DIP Loan Documents and this Interim Order, and (ii) payment of all reasonable fees and expenses of the DIP Lender and its counsel and other retained professionals as set forth in the DIP Loan Documents and Paragraph 37 hereof.

4. Upon entry of this Interim Order, the DIP Loan Documents shall constitute valid, binding and enforceable obligations of the Debtors, enforceable against the Debtors in accordance with the terms thereof and hereof. No obligation, payment, transfer or grant of security under the DIP Loan Documents or this Interim Order shall be voidable, or recoverable under the Bankruptcy Code (including, without limitation, under section 502(d) or 549 of the Bankruptcy Code) or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim and shall survive dismissal of, or conversion of the case to a case under chapter 7 of the Bankruptcy Code.

5. **Authorization of DIP Facility; Borrowing of Initial DIP Loan.** The maximum amount of DIP Loans available under the DIP Facility is \$32,762,104, which shall be available to the Debtors as follows: (i) \$12,270,387, is available to be borrowed by the Debtors in one draw upon entry of this Interim Order, subject to the satisfaction of the Initial DIP Borrowing Conditions

and in accordance with the other provisions of the DIP Term Sheet (the “Initial DIP Loan”), and (ii) an additional \$20,491,717, is available to be borrowed by the Debtors in multiple draws upon entry of the Final Order, subject to the satisfaction of the Subsequent DIP Borrowing Conditions and in accordance with the other provisions of the DIP Term Sheet (the “Subsequent DIP Loans”). The DIP Lender’s commitment to make the DIP Loans is limited to the aggregate amount of the Interim DIP Loan and Subsequent DIP Loans, i.e., \$32,762,104 (the “DIP Commitment”). To prevent immediate and irreparable harm to the Debtors’ and their estates, and to enable the Debtors to continue to operate their businesses and preserve and maximize the value of their assets and estates, subject to the terms and conditions set forth in the DIP Loan Documents and this Interim Order, the Debtors are hereby authorized to borrow the Initial DIP Loan. Subject to entry of the Final Order, the Debtors will be authorized to borrow the Subsequent DIP Loans.

6. **Roll Up.** The Initial Roll Up is hereby approved. Effective immediately upon entry of this Interim Order, \$12,270,387 of the Prepetition Secured Obligations will be automatically “rolled up” on a 1:1 basis with the Interim DIP Loan, converted into, and treated for all purposes as DIP Loans and DIP Obligations. Subject to entry of the Final Order, simultaneous with the borrowing of any Subsequent DIP Loans by the Debtors under the DIP Facility, there shall be a dollar-for-dollar roll up of Prepetition Secured Obligations to Subsequent DIP Loans when and as funded by the DIP Lender to the Debtors. The outstanding aggregate amount of Prepetition Secured Obligations shall be automatically and irrevocably deemed reduced by the amount of Prepetition Secured Obligations included in the Roll Up.

7. **Early Termination Fee.** The Early Termination Fee is hereby approved. In the event of a Voluntary Prepayment of all DIP Obligations, a fee equal to 2% of the DIP Commitment shall be paid by the Debtors in cash to the DIP Lender (the “Early Termination Fee”). The Early

Termination Fee shall be fully earned upon entry of this Interim Order and non-refundable once paid.

8. **DIP Obligations.** The DIP Loan Documents and this Interim Order constitute and evidence the validity and binding effect of the DIP Obligations. All DIP Obligations are enforceable against the Debtors, their estates, and any successors thereto, including, without limitation, any trustee appointed in any of the Chapter 11 Cases, or in any case under chapter 7 of the Bankruptcy Code upon the conversion in any of the Chapter 11 Cases, in any other proceedings superseding or related to any of the foregoing (each, a “Successor Case”), or in the event any Bankruptcy Case is dismissed. The DIP Obligations include all loans, reimbursement obligations, and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by the Debtors to the DIP Lender, including, without limitation, all principal, accrued interest, costs, charges, fees, expenses, and other amounts, in each case payable under the DIP Loan Documents and/or pursuant to this Interim Order. The DIP Obligations are due and payable on the Termination Date (as defined below). No obligation, payment, transfer, or grant of collateral as security hereunder or under the DIP Loan Documents (including, without limitation, any DIP Obligations or DIP Liens) to the DIP Lender, including, without limitation, in connection with any adequate protection provided hereunder, will be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547–550 of the Bankruptcy Code or under any applicable state or common law), or be subject to any disgorgement, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), claim, counterclaim, charge, assessment, cross-claim, defense, or any other liability or

challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity for any reason.

9. **DIP Collateral.** To secure the prompt payment and performance of all DIP Obligations, including, without limitation, all principal, the Roll Up, interest, premiums, payments, fees, costs, expenses, indemnities, and/or other amounts, effective as of the Petition Date, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Lender is hereby granted valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition liens on and security interests in the DIP Collateral (collectively, the “DIP Liens”), subject to the Carve Out. The DIP Collateral consists of all assets and properties of each of the Debtors and their estates, including, without limitation, whether tangible or intangible, real, personal, or mixed, wherever located, whether now owned or consigned by or to, or leased from or to, or hereafter acquired by, or arising in favor of, the Debtors, whether prior to or after the Petition Date, including, without limitation, all of the Debtors’ rights, title, and interests in (1) all Prepetition Collateral; (2) all money, cash, DIP Loan proceeds, and cash equivalents; (3) all funds in any deposit accounts, securities accounts, commodities accounts, deposits or other accounts together with all money, cash, and cash equivalents, instruments, and other property deposited therein or credited thereto from time to time; (4) all accounts and other receivables (including, without limitation, those generated by intercompany transactions); (5) all contracts and contract rights including, without limitation, landlord’s rights under residential and non-residential real property leases; (6) all instruments, documents and chattel paper; (7) all securities (whether or not marketable); (8) all goods, as-extracted collateral, furniture, machinery, equipment, inventory and fixtures; (9) all real property interests and attendant rights, licenses, certifications and permits; (10) all interests in leaseholds; (11) all franchise rights; (12) all patents, tradenames, trademarks (other

than intent-to-use trademarks), copyrights, licenses and all other intellectual property; (13) all general intangibles, tax or other refunds, or insurance proceeds; (14) all equity interests, capital stock, limited liability company interests, partnership interests and financial assets; (15) all investment property; (16) all supporting obligations; (17) all letters of credit and letter of credit rights; (18) subject to entry of the Final Order all commercial tort claims, without regard to any description of any such commercial tort claims; (19) all claims and causes of action arising under chapter 5 of the Bankruptcy Code and the proceeds of or property recovered, whether by judgment, settlement or otherwise, from such actions, subject to entry of the Final Order; (20) all permits, licenses, employment contracts, and license agreements, books and records (including, without limitation, customers lists, credit files, computer programs, printouts and other computer materials and records), certifications, approvals, and permits; (21) to the extent not covered by the foregoing, all other goods, inventories, supplies, assets or properties of the Debtors, whether tangible, intangible, real, personal or mixed; and (22) all products, offspring, profits, and proceeds of each of the foregoing and all accessions to, substitutions and replacements for, and rents, profits and products of, each of the foregoing, including, without limitation, any and all proceeds of any insurance (including, without limitation, any business interruption and property insurance), indemnity, warranty or guaranty payable to such Debtor from time to time with respect to any of the foregoing, now owned or hereafter acquired.

10. **DIP Liens.** The DIP Liens are valid, automatically perfected upon entry of this Interim Order, non-avoidable, senior in priority, and superior to any security, mortgage, collateral interest, lien, other encumbrances on, or claim to any of the DIP Collateral, except that the DIP Liens are subject and immediately junior to the Carve-Out (as defined below). The DIP Liens are not and shall not be made subject to or *pari passu* with any lien or security interest heretofore or

hereinafter granted in the Chapter 11 Cases or any Successor Case, and will be valid and enforceable against any trustee appointed in the Chapter 11 Cases or any Successor Case, upon the conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code (or in any other Successor Case), and/or upon the dismissal of any of the Chapter 11 Case or Successor Case. The DIP Liens will not be subject to sections 510, 549, or 550 of the Bankruptcy Code. The DIP Liens have the priorities set forth below.

11. First Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, subject to the Carve-Out, the DIP Liens constitute valid, binding, continuing, enforceable, fully and automatically perfected first priority liens on and senior security interests in the DIP Collateral that is not subject to a lien or security interest as of the Petition Date.

12. Priming DIP Liens. Pursuant to section 364(d) of the Bankruptcy Code, subject to the Carve-Out, the DIP Liens granted pursuant to this Interim Order constitute valid, binding, continuing, enforceable, fully and automatically perfected, first priority, priming DIP Liens upon (i) all DIP Collateral subject to a lien or security interest as of the Petition Date, including, without limitation, all Prepetition Liens and all Permitted Liens , and (ii) the Adequate Protection Liens.

13. Liens Senior to Certain Other Liens. Subject to the Carve-Out, the DIP Liens and the DIP Superpriority Claims are not and shall not be made subject to or *pari passu* with (i) any lien, security interest, or claim heretofore or hereinafter granted in any of the Chapter 11 Cases or any Successor Cases, including, without limitation, any lien or security interest granted in favor of any federal, state, municipal, or other governmental unit (including, without limitation, any regulatory body subject to the following proviso), commission, board, or court for any liability of the Debtors, (ii) any lien or security interest that is avoided or preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise, or (iii) any other

lien, security interest, or claim arising under section 363 or 364 of the Bankruptcy Code granted on or after the Petition Date; *provided, however*, that if the DIP Lender determines, in consultation with the Debtors, that the imposition of the priming DIP Liens would impair any regulatory authority's lien or interest in any DIP Collateral such that the Debtors' rights, licenses, or privileges to continue and complete development of the Project would be materially and negatively impacted thereby, the DIP Lender agrees to enter into a subordination agreement, in all respects acceptable to the DIP Lender, pursuant to which the DIP Liens would be subordinated to such regulatory authority's lien or interest in any DIP Collateral solely to the extent necessary to ensure the Debtors may continue and complete development of the Project.

14. **DIP Superpriority Claims.** Subject to the Carve-Out, pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed claims against the Debtors with priority over any and all administrative expenses, including, without limitation, the Adequate Protection Superpriority Claim granted to the Prepetition Lender hereunder, and all other claims against the Debtors, including, now or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses or claims arising under Sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code, with recourse against all DIP Collateral (the "**DIP Superpriority Claim**"), and, such DIP Superpriority Claims shall at all times be senior to the rights of the Debtors and their estates, and any successor trustee or other estate representative to the extent permitted by law.

15. **No Obligation to Extend Credit.** The DIP Lender has no obligation to fund the Initial DIP Loan or any other DIP Loans, or extend any other financial accommodations, under the DIP Loan Documents or this Interim Order unless all of the applicable conditions precedent under the DIP Loan Documents, including, without limitation, the Initial DIP Borrowing Conditions and

this Interim Order have been satisfied in full or waived in writing by the DIP Lender in accordance with the terms of the DIP Loan Documents.

16. **Use of DIP Proceeds.** The DIP Loans and Cash Collateral shall be used by the Debtors solely to: (i) fund day-to-day working capital needs of the Debtors and expenditures during the Chapter 11 Cases and (ii) to pay reasonable fees and expenses of legal and financial advisors or other similar advisors, in each case in accordance with the applicable Approved Budget (subject to the Permitted Variances) and the provisions of the DIP Loan Documents and this Interim Order.

17. **No Monitoring Obligation.** The DIP Lender has no obligation or responsibility to monitor the Debtors' use of the DIP Loans and Cash Collateral, and the DIP Lender may rely upon the Debtors' representations that the use of the DIP Loans and Cash Collateral at any time is in accordance with the requirements of this Interim Order and the DIP Loan Documents, including, without limitation, the Approved Budget (subject to the Permitted Variances).

18. **Authorization to Use Cash Collateral.** The Prepetition Cash Collateral Agreement is hereby terminated (other than those provisions that survive termination) and superseded by this Interim Order. Subject to the terms and conditions of this Interim Order and the DIP Loan Documents, and in accordance with the Approved Budget (subject to the Permitted Variances), the Debtors are authorized to use Cash Collateral, including, without limitation, any remaining loan proceeds covered by the Prepetition Cash Collateral Agreement as long as such Cash Collateral use is included in the Approved Budget. Nothing in this Interim Order authorizes the disposition of any assets of the Debtors outside the ordinary course of business, or any of the Debtors' use of any Cash Collateral or other proceeds resulting therefrom, except as permitted by

this Interim Order, the DIP Loan Documents, and in accordance with the Approved Budget (subject to the Permitted Variances), as applicable.

19. **Consent of Prepetition Lender.** The Prepetition Lender consents to (i) the provisions of this Interim Order, including the Carve-Out, (ii) the Debtors' entry into the DIP Term Sheet and other DIP Loan Documents, (iii) the incurrence by the Debtors of the Initial DIP Loan, (iv) the granting of the DIP Liens and DIP Superpriority Claims, and (v) the Approved Budget (subject to the Permitted Variances).

20. **Adequate Protection for Prepetition Lender.** Subject only to a successful Challenge, the Prepetition Lender shall have and is hereby granted (effective upon the entry of this Interim Order and without the necessity of the execution of mortgages, deeds of trust, security agreements, pledge agreements, control agreements, financing statements or otherwise), the following adequate protection (collectively, "Adequate Protection") with respect to (i) (a) the priming of the Prepetition Liens securing the Prepetition Secured Obligations to be effectuated by the DIP Liens and DIP Facility, (b) the use of the Prepetition Collateral, including, without limitation, Cash Collateral, and (c) all of the other transactions contemplated by the DIP Facility; and (ii) for any diminution in the value of the Prepetition Liens whether or not such diminution in value results from the sale, lease or use by the Debtors of the Prepetition Collateral securing the Prepetition Secured Obligations, including, without limitation, Cash Collateral, the priming of the Prepetition Liens securing the Prepetition Secured Obligations or the stay of enforcement of any Prepetition Lien securing the Prepetition Secured Obligations arising from sections 105 or 362 of the Bankruptcy Code, or otherwise ("Diminution of Value"):

a. **Adequate Protection Liens.** Continuing valid, binding, enforceable, and perfected postpetition replacement liens under sections 361, 363(e), and 364(d)(1) of the Bankruptcy Code

on the DIP Collateral, which will be subject and subordinated only to the Carve-Out, the DIP Liens, the Permitted Liens, and the DIP Superpriority Claims (the “Adequate Protection Liens”) and which (a) shall otherwise be senior to all other liens on, security interests in, or claims against the DIP Collateral, and (b) shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any Successor Case and will be valid and enforceable against any trustee appointed in the Chapter 11 Cases or any Successor Case, and will not be subject to sections 510, 549, or 550 of the Bankruptcy Code.

b. Adequate Protection Superpriority Claims. Administrative superpriority expense claims in the Chapter 11 Cases under section 507(b) of the Bankruptcy Code (the “Adequate Protection Superpriority Claims”), which will be subject and subordinated only to the Carve-Out, the DIP Liens, the Permitted Liens, and the DIP Superpriority Claims, and shall have priority over any and all other administrative expenses and unsecured claims against the Debtors and their estates, now existing or hereafter arising, of any kind or nature whatsoever as to and to the extent provided by sections 503(b) and 507(b) of the Bankruptcy Code.

c. Lender Fees and Expenses. Payment or reimbursement of all reasonable fees and expenses of the Prepetition Lender incurred in connection with the Prepetition Obligations, Prepetition Liens, Prepetition Loan Documents, the DIP Term Sheet and other DIP Loan Documents, the DIP Orders, and the Chapter 11 Cases, whether incurred prior to or following the Petition Date, which amounts shall be added to the principal amount of the Prepetition Obligations.

21. **Adequate Protection Reservation**. Nothing in this Interim Order will impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Lender hereunder is insufficient to compensate for any Diminution in Value of its interests in the Prepetition Collateral during the Chapter 11 Case or any

Successor Case, subject to the Carve Out. The receipt by the Prepetition Lender of the adequate protection provided in this Interim Order shall not be deemed an admission that the interests of the Prepetition Lender are adequately protected, and this Interim Order will not prejudice or limit the rights of the Prepetition Lender to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection.

**General Provisions Regarding DIP Financing and Use of Cash Collateral**

22. **Amendments to the DIP Loan Documents.** The Debtors and the DIP Lender may enter into one or more amendments, waivers, consents, or other modifications to and under the DIP Loan Documents, in each case in the DIP Lender's sole discretion, and no further approval of this Court will be required for any amendment, waiver, consent, or other modification to and under the DIP Loan Documents (and any fees paid in connection therewith) that does not materially and adversely affect the Debtors or that does not (i) shorten the maturity of the DIP Facility, (ii) increase the principal amount of, the rate of interest on, or the fees payable in connection with the DIP Facility, (iii) change any Event of Default (other than to remove or make such Event of Default more favorable to the Debtors), or (iv) add any covenants or amend the covenants (other than to remove or amend a covenant to make it more favorable to the Debtors).

23. **Approved Budget.**

a. **Initial Budget.** Attached to this Interim Order as **Exhibit 2** is a 3-month budget commencing on the Petition Date (the "**Initial Budget**"), which has been agreed to by the DIP Lender, and is hereby approved. The Initial DIP Loans and Cash Collateral available to the Debtors under this Interim Order shall only be used by the Debtors in accordance with the Approved Budget (subject to Permitted Variances), this Interim Order, and the DIP Loan Documents.

b. Budget Updating. Beginning on December 10, 2025, the Initial Budget, and each subsequent budget, shall be updated by the Debtors by no later than the tenth day of each month at 5:00 p.m. (Eastern time) (the “Updated Budget”), which Updated Budget shall in all respects be satisfactory in form and substance to the DIP Lender (the Initial Budget and each Updated Budget that is approved by the DIP Lender, the “Approved Budget”). If an Updated Budget is not approved in writing by the DIP Lender within two (2) business days of receipt thereof, subject to the occurrence of any Event of Default and/or the Termination Date, the prior Approved Budget shall continue in place until a subsequent proposed Updated Budget is approved in writing by the DIP Lender. Other than with respect to the Carve-Out, the DIP Lender’s consent to, or acknowledgement of, the Approved Budget shall not be construed as consent to use the DIP Loans or Cash Collateral beyond the Termination Date, regardless of whether all funds covered by such Approved Budget have been expended. All amounts necessary to fund the Carve-Out (including the Professional Fee Reserve) shall be included in an Approved Budget and shall be subject to the DIP Commitment.

c. Reporting. Beginning on January 1, 2026, not later than 5:00 p.m. (Eastern time) on the first business day of each calendar month, the Debtors shall deliver to the DIP Lender a variance report in all respects satisfactory in form and substance to the DIP Lender setting forth (i) the Debtors’ expenditures and disbursements on an aggregate basis (excluding Case Professional (as defined below) fees and expenses incurred in accordance with the Initial Budget or subsequent Approved Budget) during the immediately preceding calendar month compared to the projected expenditures and disbursements (on a line-by-line basis) set forth in the Approved Budget for such Variance Testing Period (as defined below) and (ii) the variance in dollar amounts of the actual expenditures and disbursements (excluding all fees due and payable pursuant to 28

U.S.C. § 1930(a) plus any interest due and payable under 31 U.S.C. § 3717) for each monthly period ending on Sunday from those reflected for the corresponding period in the Approved Budget. For purposes of this Interim Order, “Permitted Variance” means disbursements that are not more than 15% above the total aggregate amount of the actual disbursements across all line items (excluding Case Professional fees to the extent such fees are in accordance with, and do not exceed, amounts budgeted for such fees in an Approved Budget) (the “Operating Disbursements”) during any Variance Testing Period against the projected Operating Disbursements in the Approved Budget for such Variance Testing Period; provided that, any net positive variance shall be carried forward and available in future Variance Testing Period(s) on a cumulative basis, subject to deduction for any negative variances in any prior period without duplication.

24. **Modification of the Automatic Stay.** The automatic stay of section 362 of the Bankruptcy Code is hereby modified to the extent necessary to permit the Debtors, the DIP Lender and/or the Prepetition Lender to accomplish the transactions contemplated by this Interim Order.

25. **Perfection of DIP Liens and Adequate Protection Liens.** The DIP Liens and Adequate Protection Liens are automatically perfected upon the entry of, and pursuant to, this Interim Order. This Interim Order is sufficient and conclusive evidence of the creation, extent, validity, perfection, and priority of all DIP Liens and the Adequate Protection Liens and any and all other liens granted in the DIP Term Sheet, any security DIP Loan Document executed and delivered in connection therewith or herewith, or granted in this Interim Order, without the necessity of filing or recording any financing statement, mortgage, deed of trust, notice, attachment, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance

with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens or to entitle the DIP Lender and the Prepetition Lender to the priorities granted in this Interim Order. Notwithstanding the foregoing, the DIP Lender and the Prepetition Lender are authorized to file, as the DIP Lender or Prepetition Lender, as the case may be, deems necessary or advisable, such financing statements, security agreements, mortgages, notices of liens and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Liens and the Adequate Protection Liens, and all such financing statements, mortgages, notices and other documents will be deemed to have been filed or recorded as of the Petition Date; *provided, however*, that no such filing or recordation will be necessary or required in order to create or perfect the DIP Liens or the Adequate Protection Liens. Each of the DIP Lender and the Prepetition Lender may, in its discretion, file an electronic copy or photocopy of this Interim Order as a financing statement, mortgage, or other official record with any filing or recording office or with any registry of deeds or similar office in addition to or in lieu of such financing statements, notices of lien or similar instruments, and each such filing or recording office or with any registry of deeds or similar office is authorized to accept the same. To the extent that the Prepetition Lender is, with respect to the DIP Collateral, a secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements or any other Prepetition Loan Documents or is listed as loss payee, lenders' loss payee or additional insured under any the Debtors' insurance policies, the DIP Lender will also be deemed to be the secured party or mortgagee, as applicable, under such documents or to be the loss payee or additional insured, as applicable. Notwithstanding the foregoing, if the DIP Lender or Prepetition Lender so requires, the Debtors shall use reasonable efforts to execute, file or record any documents and/or

take any actions necessary or prudent to ensure the perfection of the DIP Liens and Adequate Protection Liens.

26. **Proceeds of Subsequent Financing.** If the Debtors, any trustee, any examiner, or any responsible officer subsequently appointed in the Chapter 11 Cases or any Successor Case obtains credit or incurs debt under sections 364(b), 364(c), or 364(d) of the Bankruptcy Code in violation of the DIP Loan Documents at any time prior to the indefeasible repayment in full in cash of all DIP Obligations (other than unasserted contingent obligations, if any, which expressly survive termination of the DIP Loan Documents, and which will be cash collateralized to the extent and on terms required by the DIP Lender) and the termination of the DIP Lender's obligation to extend credit under the DIP Facility, then, after satisfaction of the Carve-Out, all cash proceeds derived from such credit or debt will immediately be turned over to the DIP Lender to be distributed in accordance with this Interim Order and the DIP Loan Documents; *provided, however,* that the Debtors, with the DIP Lender's prior written consent or pursuant to an order of this Court, may retain cash in an amount to be agreed among the Debtors and DIP Lender, or as ordered by the Court, as applicable, solely to fund life safety expenditures, and any use of cash for such purpose shall entitle the DIP Lender to adequate protection under section 361 of the Bankruptcy Code as may be agreed among the Debtors and DIP Lender or as ordered by the Court. If the Debtors, any trustee, any examiner, or any responsible officer subsequently appointed in the Chapter 11 Cases, or any Successor Case, obtains credit or incurs debt (other than the DIP Facility) under section 364(d) of the Bankruptcy Code in violation of the DIP Loan Documents at any time prior to the indefeasible repayment in full of the Prepetition Secured Obligations (other than unasserted contingent obligations, if any, which expressly survive termination of the DIP Loan Documents, and which will be cash collateralized to the extent and on terms required by the DIP

Lender), the Prepetition Lender's and/or the DIP Lender's rights to object to the Debtors' use of Cash Collateral and assert a lack of adequate protection is and will be fully preserved.

27. **Maintenance of DIP Collateral.** Until the payment in full of the DIP Obligations and the Prepetition Secured Obligations, the Debtors shall: (i) insure and/or maintain insurance on the DIP Collateral to such extent and at such levels as exist as of the date of entry of this Interim Order and as otherwise may be reasonably required from time to time by the DIP Lender, and (ii) maintain the cash management system consistent with the terms and conditions of any orders entered by the Court with respect to the Debtors' cash management system.

28. **Rights to Credit Bid.**

a. Subject only to a successful Challenge, pursuant to section 363(k) of the Bankruptcy Code and the Prepetition Loan Documents, and subject to the Carve Out, the Prepetition Lender, or its designee, shall have the right to credit bid all or any portion of its liens and claims, including, without limitation, the Prepetition Liens, the Prepetition Secured Obligations, the Adequate Protection Liens, and the Adequate Protection Superpriority Claim, in connection with any sale of any, all, or substantially all of the Debtors' assets on which the Prepetition Lender has a lien or claim, including, without limitation, any sale occurring under section 363 of the Bankruptcy Code or included as part of a reorganization plan under section 1123 of the Bankruptcy Code, including, without limitation, a plan subject to confirmation under Bankruptcy Code section 1129(b)(2)(A)(ii), or a sale or disposition by a chapter 7 trustee for any Debtor under section 725 of the Bankruptcy Code.

b. Pursuant to section 363(k) of the Bankruptcy Code and the DIP Loan Documents, subject to the Carve Out, the DIP Lender, or its designee, shall have the right to credit bid all or any portion of its liens and claims, including, without limitation, the DIP Liens, the DIP

Obligations, and the DIP Superpriority Claims, in connection with any sale of any, all, or substantially all of the Debtors' assets, including, without limitation, any sale occurring under Bankruptcy Code section 363 or included as part of a reorganization plan under section 1123 of the Bankruptcy Code, including, without limitation, a plan subject to confirmation under Bankruptcy Code section 1129(b)(2)(A)(ii), or a sale or disposition by a chapter 7 trustee for the Debtors under section 725 of the Bankruptcy Code.

29. **DIP Milestones.** As a condition to the DIP Facility and the use of Cash Collateral, the Debtors have agreed to the DIP Milestones. The failure of the Debtors to meet a DIP Milestone by the applicable specified deadline shall constitute an Event of Default under the DIP Term Sheet.

30. **Termination Date.** The Debtors may borrow DIP Loans and use Cash Collateral from the date of entry of this Interim Order until the earliest to occur of the following (the "Termination Date"):

- a. the occurrence of an Event of Default that is not cured within the time allotted under the DIP Term Sheet, if any;
- b. twelve (12) months after the Petition Date (as such date may be extended with the prior written consent of the DIP Lender);
- c. the date of consummation of a sale of all or substantially all of the assets of any or all of the Debtors; and
- d. the effective date of a chapter 11 plan with respect to any or all of the Debtors.

31. Upon the Termination Date, subject to the Carve Out, the Debtors shall repay to the DIP Lender all outstanding DIP Obligations, without any setoff or deduction. If the Termination Date occurs as a result of the closing of a sale of all or substantially all of the assets of any of the Debtors, all outstanding DIP Obligations shall be paid in full prior to or simultaneous with the

closing of such transaction either (i) directly from the buyer in such transaction or (ii) directly from the escrow account, via the escrow agent, established for the consummation of such transaction. Such payment shall be made by wire transfer of immediately available funds to an account designated in writing by the DIP Lender to the Debtors prior to the closing of such transaction.

32. **Events of Default.** The occurrence of any Event of Default under the DIP Term Sheet, unless waived in writing (which may be by electronic mail) and in accordance with the terms of the DIP Loan Documents, shall constitute an event of default thereunder and hereunder.

33. **Rights and Remedies Upon Event of Default.** Upon the occurrence of an Event of Default the DIP Lender shall not be obligated to make any further DIP Loans under the DIP Facility to the Debtors, and shall have the following additional rights and remedies:

- a. Subject to Paragraph 34 hereof, following five (5) business days' advance notice to the Debtors, any Committee, and the U.S. Trustee (a "Termination Notice"), the DIP Lender shall have the right, upon the expiration of such notice period and subject to the provisions of the Carve Out, to take all or any of the following actions without further order of or application to the Court, and notwithstanding the automatic stay:
  - i. immediately terminate the Debtors' use of any Cash Collateral; *provided, however,* that the Debtors, with the DIP Lender's prior written consent or pursuant to an order of this Court, may retain cash in an amount to be agreed among the Debtors and DIP Lender, or as ordered by the Court, as applicable, solely to fund life safety expenditures, and any use of cash for such purpose shall entitle the DIP Lender to adequate protection under

section 361 of the Bankruptcy Code as may be agreed among the Debtors and DIP Lender or as ordered by the Court;

- ii. terminate the DIP Facility and DIP Commitment;
- iii. declare all DIP Obligations to be immediately due and payable;
- iv. freeze monies or balances in the Debtors' accounts (other than the Professional Fee Reserve Account) and sweep all funds contained in any account subject to a control agreement, or require the Debtors to transfer such funds to an account designated by the Lender for such purpose; *provided, however*, that the Debtors, with the DIP Lender's prior written consent or pursuant to an order of this Court, may retain cash in an amount to be agreed among the Debtors and DIP Lender, or as ordered by the Court, as applicable, solely to fund life safety expenditures, and any use of cash for such purpose shall entitle the DIP Lender to adequate protection under section 361 of the Bankruptcy Code as may be agreed among the Debtors and DIP Lender or as ordered by the Court;
- v. immediately set-off any and all amounts in accounts maintained by the Debtors with the DIP Lender against the DIP Obligations, or otherwise enforce any and all rights against the DIP Collateral in the possession of the DIP Lender, including, without limitation, disposition of the DIP Collateral solely for application towards the DIP Obligations; and
- vi. take any other actions or exercise any other rights or remedies permitted under the DIP Orders, this DIP Term Sheet, the other DIP Loan Documents, or applicable law to effect the repayment of the DIP Obligations.

34. No failure or delay by the DIP Lender in exercising any right, remedy, power or privilege hereunder or under any DIP Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The remedies provided herein and in the DIP Loan Documents are cumulative and not exclusive of any remedies provided by law. Nothing contained herein or in any DIP Loan Document shall in any way affect the right of the DIP Lender to exercise any statutory or common law lien or right of setoff.

35. **Emergency Hearing.** The Debtors and/or Committee may seek an emergency hearing during the five (5) business days following the date a Termination Notice is delivered (such five (5) business day period, the “Remedies Notice Period”). During the Remedies Notice Period, the Debtors will continue to have the right to use Cash Collateral solely to satisfy obligations that are necessary to avoid immediate and irreparable harm to the Debtors and their estates. Unless the Court has entered an order prior to the expiration of the Remedies Notice Period finding that an Event of Default has not occurred or otherwise enjoining the DIP Lender from exercising rights and remedies, the DIP Lender shall be entitled to exercise all rights and remedies in accordance with the DIP Loan Documents, this Interim Order, and applicable law without further order of or application to the Court, and notwithstanding the automatic stay.

36. **Carve-Out.**

a. **Carve-Out Definition.** As used in this Interim Order and the DIP Loan Documents, “Carve-Out” means the sum of: (i) to the extent allowed at any time, all unpaid professional fees and disbursements incurred at any time prior and on the date of to the delivery of the Carve-Out Trigger Notice (as defined below) (“Allowed Professional Fees”) by the Debtors and any Committee for any of their respective retained professionals in the Chapter 11 Cases (the “Case

Professionals”), in an aggregate amount not to exceed the amounts set forth in the then existing Approved Budget in the applicable line for such Case Professionals prior to the Carve-Out Effective Date; (ii) all allowed and unpaid professional fees and expenses incurred by the respective Case Professionals following the delivery of the Carve-Out Trigger Notice in an aggregate amount not in excess of \$1,000,000; (iii) all reasonable fees and expenses up to \$25,000 incurred by a trustee under section 726 of the Bankruptcy Code; plus (iv) all fees pursuant to 28 U.S.C. §1930(a) and all fees required to be paid to the Clerk of the Court for the Debtors for the time period beginning on the Petition Date and ending on the date of any dismissal or conversion of the Chapter 11 Cases, which fees described in this clause(iv) shall not be limited to amounts that may be set forth in any Approved Budget.

b. “Carve-Out Trigger Notice” means a written notice, delivered by email or U.S. Mail, by the DIP Lender to the Debtors, their Chief Restructuring Officer, their counsel, the U.S. Trustee, and counsel to any Committees, of any default under the DIP Loan Documents.

c. Professional Fee Reserve. On a monthly basis, and as part of the Carve-Out, the fees, costs and expenses of Case Professionals included in the applicable Approved Budget may be deposited by the Debtors into a segregated escrow account held in trust by the Debtors (the “Professional Fee Reserve”). On the Carve-Out Effective Date, the estimated aggregate amount of any professional fees and disbursements accrued by Case Professionals prior to and on the date of delivery of the Carve-Out Effective Date (in an aggregate amount not to exceed the amounts set forth in the then existing Approved Budget prior to the Carve-Out Effective Date for all professional fees and expenses) not to exceed \$1,000,000, shall, to the extent not already funded, be funded by the DIP Lender under the DIP Commitment as a DIP Loan and deposited by the Debtors into the Professional Fee Reserve into a segregated escrow account held in trust by the

Debtors (the “Professional Fee Reserve”), which funds shall be DIP Collateral, subject to the Carve-Out. Amounts funded into the Professional Fee Reserve shall be used by the Debtors in accordance with the provisions of this DIP Term Sheet, the DIP Orders, and any orders of the Court entered with respect to the allowance and payment of fees and expenses of Case Professionals. Any amounts remaining in the Professional Fee Reserve after payment of all allowed fees and expenses shall be transmitted promptly to the DIP Lender (unless the DIP Lender has been paid in full, in which case any such funds shall be promptly transmitted to the Debtors) without any setoff or deduction.

d. No Obligation to Pay Professional Fees; Right to Object. The DIP Lender and the Prepetition Lender shall not be responsible for the payment or reimbursement of any fees or disbursements of any of the Case Professionals incurred in connection with the Chapter 11 Cases, any Successor Case, or otherwise. Nothing in this Interim Order or otherwise shall, or be construed to, obligate the DIP Lender or the Prepetition Lender in any way to pay compensation to, or to reimburse expenses of, any Case Professional, or to guarantee that the Debtors or their estates have sufficient funds to pay such compensation or reimbursement. Nothing herein shall be construed as consent to the allowance of any fees or expenses of any Case Professionals in the Chapter 11 Cases or any Successor Case under any chapter of the Bankruptcy Code, or of any other person or entity, or affect the right of the DIP Lender and/or the Prepetition Lender to object to the allowance and payment of any such fees and expenses, or any other fees and expenses.

37. Good Faith Under Section 364(e) of the Bankruptcy Code. The DIP Lender and the Prepetition Lender have acted in good faith in connection with the DIP Facility, the DIP Loan Documents, the Prepetition Loan Documents, and this Interim Order and are entitled to rely upon the protections granted in this Interim Order and by section 364(e) of the Bankruptcy Code. Based

on the findings set forth in this Interim Order and the record made during the Interim Hearing, and in accordance with section 364(e) of the Bankruptcy Code, and notwithstanding any modification, amendment or vacatur of any or all of the provisions of this Interim Order by a subsequent order of this Court or any other court, the DIP Lender and Prepetition Lender are entitled to the protections provided in section 364(e) of the Bankruptcy Code.

38. **Reimbursement of Fees and Expenses.** The Debtors shall reimburse the DIP Lender for all of its pre-petition and post-petition reasonable fees, costs, and expenses incurred in connection with the DIP Facility, DIP Obligations, DIP Liens, DIP Loan Documents, DIP Motion, DIP Orders, and the Chapter 11 Cases, including, without limitation, the reasonable fees and expenses of their attorneys and financial advisors. A copy of any invoice submitted by the DIP Lender to the Debtors shall be delivered simultaneously to the U.S. Trustee and counsel to any Committee (the “Fee Notice”). Such invoices may be redacted to preserve any applicable privilege or work product doctrine and shall not be required to contain specific time entries. None of such costs, fees, charges and expenses shall be subject to Court approval or required to be recorded or maintained in accordance with the United States Trustee guidelines relating to compensation and reimbursement of expenses and no recipient of any such payment shall be required to file any interim or final fee application with the Court, provided that if any objection is filed, the Court may review the reasonableness of such fees. Subject to the Debtors, any Committee, or the U.S. Trustee filing a written objection with this Court to any such fees and expenses within ten (10) days after receipt of a Fee Notice, the Debtors shall pay promptly such invoice by adding the fees and expenses sought pursuant to such Fee Notice to the principal amount of the DIP Obligations. To the extent a timely filed objection is filed by the Debtors, any Committee, or the U.S. Trustee, the Debtor (i) shall pay such portion of the fees and expenses to which no objection is interposed

and (ii) shall pay any remaining fees and expenses as ordered by the Court (or upon withdrawal or resolution of the objection), in each case by adding the fees and expenses sought pursuant to such Fee Notice to the principal amount of the DIP Obligations.

39. **Indemnification.** Subject to entry of the Final Order, the Debtors will jointly and severally indemnify and hold harmless the DIP Lender and Prepetition Lender and each of their respective affiliates (but not the Debtors) and its and their respective directors, officers, employees, agents, attorneys, accountants, advisors, controlling persons, equity holders, partners, members, and other representatives and each of their respective successors and permitted assigns (each, an “Indemnified Party”) against, and hold each Indemnified Party harmless from, any and all losses, claims, damages, liabilities, and reasonable, documented and invoiced out-of-pocket fees and expenses (including, without limitation, fees and disbursements of counsel but limited, in the case of counsel, to the extent set forth in the DIP Loan Documents) that may be incurred by or asserted or awarded against any Indemnified Party, in each case, arising out of, or in any way in connection with, or as a result of: (i) the execution or delivery of any of the DIP Loan Documents, the performance by the parties thereto of their respective obligations thereunder and the other transactions contemplated thereby; (ii) the use of the proceeds of the DIP Facility and use of Cash Collateral or other Prepetition Collateral; (iii) the enforcement or protection of their rights in connection with any of the DIP Loan Documents; (iv) the negotiation of and consent to this Interim Order; or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnified Party is a party thereto and regardless of whether such matter is initiated by a third party or the Debtors or any of their affiliates or creditors; *provided* that no Indemnified Party will be indemnified for any loss, claim, damage, liability, cost, or other expense to the extent such loss, claim, damage, liability, cost, or expense (i) is determined by a final, non-

appealable judgment of a court of competent jurisdiction to have resulted solely from the gross negligence, fraud, or willful misconduct of such Indemnified Party or (ii) relates to any proceeding between or among Indemnified Parties other than claims arising out of any act or omission on the part of the Debtors in accordance with this paragraph.

40. **Limitations on the Use of DIP Proceeds, Cash Collateral, the Carve Out, and Other Funds.** The DIP Loans, the DIP Collateral, the Prepetition Collateral, the Cash Collateral, and the Carve-Out, may not be used, directly or indirectly, by the Debtors or any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Case, any Committee, or any other person or entity (or to pay any professional fees, disbursements, costs or expenses incurred in connection therewith) in connection with any of the following:

- a. seeking authorization to obtain liens or security interests that are senior to or *pari passu* with the DIP Liens or the Prepetition Liens, except as necessary to pay off the DIP Obligations in full, in cash, or
- b. investigating (including, without limitation, by way of examinations or discovery proceedings), examining, preparing, asserting, joining, commencing, supporting or prosecuting any action for any claim, counter-claim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination or similar relief against, or adverse to the interests of, in any capacity, the DIP Lender and/or the Prepetition Lender, and each of their respective officers, directors, controlling persons, employees, agents, attorneys, affiliates, assigns, or successors of each of the foregoing (all in their capacities as such), with respect to any transaction, occurrence, omission, action or other matter

(including, without limitation, formal discovery proceedings in anticipation thereof), including, without limitation:

- i. any claims or causes of action arising under Chapter 5 of the Bankruptcy Code or any state law equivalents;
- ii. any so-called “lender liability” claims and causes of action or other actions to recover or disgorge payments against the DIP Lender, Prepetition Lender, or any of their affiliates, successors and assigns and the partners, shareholders, members, controlling persons, directors, officers, employees, agents, attorneys, advisors, and professionals;
- iii. any action, challenge or objection with respect to the validity, enforceability, priority and extent of, or asserting any defense, counterclaim, or offset to, the DIP Obligations, the DIP Liens, the DIP Loan Documents, the Adequate Protection Liens, the Prepetition Liens, the Prepetition Loan Documents or the Prepetition Secured Obligations, or any other rights or interests of the DIP Lender or Prepetition Lender;
- iv. any action seeking to invalidate, modify, set aside, avoid, subordinate, recharacterize, or disallow, in whole or in part, the DIP Loan Documents, the DIP Obligations, the DIP Liens, the Prepetition Loan Documents, the Prepetition Liens, and/or the Prepetition Secured Obligations;
- v. any action seeking to modify any of the rights, remedies, priorities, privileges, protections and benefits granted to either (A) the DIP Lender under any of the DIP Loan Documents or this Interim Order, or (B) the Prepetition Lender under any of the Prepetition Loan Documents or this

Interim Order, in each case, including, without limitation, claims, proceedings or actions that might prevent, hinder or delay any of the DIP Lender's or the Prepetition Lender's assertions, enforcements, realizations or remedies on or against the Debtors, the DIP Collateral or the Prepetition Collateral, as applicable; or

- vi. objecting to, contesting, or interfering with, in any way, the DIP Lender's or the Prepetition Lender's enforcement or realization upon any of the DIP Collateral or the Prepetition Collateral, as applicable, once an Event of Default has occurred.

41. Subject to entry of the Final Order, notwithstanding the foregoing, a Committee may use up to \$25,000 of Cash Collateral solely to investigate, but not in any way assert any claims against, challenge, commence or continue a Challenge to, the DIP Obligations, the Prepetition Secured Obligations, the DIP Liens, the Prepetition Liens, the Collateral, the Prepetition Collateral, the DIP Loan Documents, the Prepetition Loan Documents, or any claims or liens, held by or on behalf of the DIP Lender or the Prepetition Lender.

42. **Payments Held in Trust.** Except as expressly permitted in this Interim Order or the DIP Loan Documents and other than with respect to the Prepetition Collateral, in the event that any person or entity receives any payment on account of a security interest in the DIP Collateral or receives any DIP Collateral or any proceeds of DIP Collateral prior to indefeasible payment in full in cash of all DIP Obligations under the DIP Loan Documents and termination of the DIP Facility in accordance with the DIP Term Sheet, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Lender (in the same form received) and will immediately turn over such proceeds to the

DIP Lender (in the same form received, unless otherwise agreed by the DIP Lenders), for application in accordance with the DIP Loan Documents and this Interim Order.

43. **Effect of Stipulations on Third Parties.** The agreements, stipulations and findings contained in this Interim Order shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, any Committee, except to the extent that (i) a party in interest with standing, has timely commenced an adversary proceeding or contested matter asserting any claims or causes of action against the Prepetition Lender, objecting to the Prepetition Lender's claims or liens, or challenging any of the admissions set forth in Paragraph K of this Interim Order (a "**Challenge**") no later than 75 days after the date of entry of this Interim Order (the "**Challenge Period**"), and (ii) the Court has ruled in favor of the party who timely commenced such Challenge. If no Challenge is timely commenced within the Challenge Period, (a) all of the stipulations, admissions, acknowledgements and agreements in Paragraph K of this Interim Order shall be binding and preclusive on the Debtors and their estates and their respective creditors, the Committee (if any), equity holders, and all other parties in interest in these Chapter 11 Cases, (b) the claims of the Prepetition Secured Parties shall constitute allowed claims for all purposes in these Chapter 11 Cases and any Successor Case, (c) the Prepetition Liens shall be deemed legal, valid, binding, perfected and otherwise unavoidable, (d) the Prepetition Liens and Prepetition Secured Obligations shall not be subject to subordination, counterclaims, set-off, defense, avoidance or any other or further challenge by any party in interest seeking to exercise the rights of the Debtors' estates, including, without limitation, any successor thereto, and (e) as a result of the foregoing, the repayment of any Prepetition Secured Obligations (including, but not limited to, by means of the Roll-Up Loans) in accordance

with the terms of this Interim Order and the Prepetition Loan Documents, subject to the Carve Out, shall constitute an indefeasible payment and shall be final and binding for all purposes. If a Challenge is timely commenced within the Challenge Period, the agreements, stipulations and findings contained in Paragraph K of this Interim Order shall nonetheless remain binding and preclusive on the Debtor and its estate and its creditors, the Committee (if any), equity holders, and all other parties in interest in these Chapter 11 Cases, except to the extent that such findings or admissions were expressly and successfully disputed in such Challenge.

44. Nothing in this Interim Order confers on any person or entity, including, but not limited to any Committee, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including without limitation, claims and defenses with respect to the Prepetition Secured Obligations. However, a Challenge shall be deemed made, for purposes of the Challenge Period if a party in interest without standing files with the Court, and properly and timely serves the same, a request for standing to pursue a Challenge which attaches a draft complaint prior to the end of the Challenge Period.

45. Failure of any party in interest, including any Committee, to file a Challenge during the Challenge Period with the Court shall forever bar such party from making any Challenge. To the extent a party in interest with requisite standing and authority timely and properly commences a Challenge during the Challenge Period, all claims, causes of action and other matters not specifically set forth in such Challenge shall be deemed forever waived, released, and barred with respect to such party in interest and all other parties in interest.

46. **Releases.** Subject to entry of the Final Order and, solely with respect to the Prepetition Lender, the Challenge rights and limitations set forth in this Interim Order, the Debtors,

on behalf of themselves and their estates (including, without limitation, any successor trustee or other estate representative in the Chapter 11 Cases and any Successor Case, and any party acting by, through or under the Debtors or their estates), hereby stipulate and agree that they absolutely and unconditionally release and forever and irrevocably discharge and acquit the Prepetition Lender, the DIP Lender, and their respective affiliates (but not the Debtors) and each of its and their respective former or current officers, partners, directors, managers, owners, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case solely in their capacity as such (collectively, the “Released Parties”), of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys’ fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Facility, the DIP Loan Documents, the DIP Liens, the DIP Obligations, the Prepetition Loan Documents, the Prepetition Liens, the Prepetition Secured Obligations, and/or the transactions contemplated hereunder or thereunder including, without limitation, any so-called “lender liability” or equitable subordination claims or defenses, any and all claims and causes of action arising under the Bankruptcy Code, and any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens and/or claims of the Prepetition Lender and/or the DIP Lender (collectively, the “Released Claims”) that

exist or may exist prior to the entry of this Interim Order by the Court. Subject to entry of the Final Order, the Debtors further waive and release any defense, right of counterclaim, right of setoff or deduction to the payment of the Prepetition Secured Obligations and the DIP Obligations which the Debtors now have or may claim to have against the Released Parties arising out of, connected with, or relating to any and all acts, omissions or events occurring prior to the entry of this Interim Order by the Court.

47. **Waivers.** Subject to entry of the Final Order, as a further condition of the DIP Loan Documents and the obligation of the DIP Lender to make DIP Loans under the DIP Loan Documents (and the consent of the DIP Lender to the payment of the Carve-Out to the extent provided in this Interim Order and the consent of the Prepetition Lender to the priming of the Prepetition Liens by the DIP Liens and the use of Cash Collateral):

a. **Limitation on Charging Expenses.** No costs or expenses of administration of the Chapter 11 Cases or any Successor Case shall be charged against or recovered from or against the DIP Lender, the Prepetition Lender, the DIP Collateral, or the Prepetition Collateral, in each case under section 105 or section 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the DIP Lender or the Prepetition Lender, as applicable, and no such consent will be implied from any other action, inaction, or acquiescence of any or all of the DIP Lender or the Prepetition Lender.

b. **No Marshaling.** In no event shall the DIP Lender or the Prepetition Lender be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the DIP Collateral, the DIP Obligations, the Prepetition Collateral, or Prepetition Secured Obligations, as applicable, and all proceeds shall be received and applied in accordance with this Interim Order, the DIP Loan Documents, and the Prepetition Loan Documents, as applicable.

c. Equities of the Case. In no event will the “equities of the case” exception in section 552(b) of the Bankruptcy Code apply to the Prepetition Lender or Prepetition Collateral.

48. **No Lender Liability**. In determining to make any loan (whether under the DIP Loan Documents or the Prepetition Loan Documents or otherwise) or to permit the use of Cash Collateral, neither the DIP Lender nor the Prepetition Lender are or will be in control of the Debtors and none will owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estate. Furthermore, nothing in this Interim Order will in any way be construed or interpreted to impose or allow the imposition upon the DIP Lender or the Prepetition Lender of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code).

49. **No Third Party Beneficiaries**. Except as explicitly provided for in this Interim Order or the DIP Term Sheet, neither this Interim Order nor the DIP Term Sheet creates any rights for the benefit of any third party, creditor, landlord, lessor, equity holder, or any direct, indirect, or incidental beneficiary.

50. **Insurance Proceeds and Policies**. To the fullest extent provided by applicable law, the DIP Lender and the Prepetition Lender shall be, and shall be deemed to be, without any further action or notice, named as additional insureds and loss payees on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral or Prepetition Collateral.

51. **No Waivers or Modifications of Interim Order**. The Debtors irrevocably waive any right to seek any modification or extension of this Interim Order without the prior written consent of the DIP Lender and the Prepetition Lender, and no such consent will be implied by any other action, inaction, or acquiescence of the DIP Lender or the Prepetition Lender.

52. **Binding Effect of this Interim Order.** Immediately upon entry of this Interim Order by this Court, the terms and provisions of this Interim Order shall become valid and binding upon and inure to the benefit of the Debtors, the DIP Lenders, the Prepetition Lender, the Case Professionals, all other creditors of any of the Debtors, the Committee, and all other parties in interest and their respective successors and assigns, including, without limitation, any trustee or other fiduciary hereafter appointed in the Chapter 11 Cases, any Successor Case, or upon dismissal of any chapter 11 case or Successor Case; *provided* that neither the DIP Lender nor the Prepetition Lender shall have any obligation to permit the use of DIP Collateral or Prepetition Collateral (including, without limitation, Cash Collateral) or to extend any DIP Loans or other financing to any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the Debtors, their properties, or their estates.

53. **Exculpation.** Nothing in this Interim Order, the DIP Loan Documents, or any other documents related to the transactions contemplated hereby or thereby shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Lender or Prepetition Lender any liability for any claims arising from the pre-petition or post-petition activities of the Debtors in the operation of their business, or in connection with their Chapter 11 Cases.

54. **Discharge.** The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein to the Prepetition Lender shall not be discharged by the entry of an order confirming any plan of reorganization in the Chapter 11 Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full, in cash.

55. **Joint and Several Liability.** The Debtors are jointly and severally liable for the DIP Obligations and all other obligations hereunder and under the DIP Loan Documents. Nothing

in this Interim Order shall be construed to constitute or authorize a substantive consolidation of any of the Debtors' estates.

56. **Survival.** The provisions of this Interim Order and any actions taken pursuant hereto will survive entry of any order which may be entered: (i) confirming a plan of reorganization in any of the Chapter 11 Cases; (ii) converting any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code; (iii) dismissing any of the Chapter 11 Case or any Successor Case; or (iv) by which this Court abstains from hearing the Chapter 11 Case or any Successor Case. The terms and provisions of this Interim Order, including, without limitation, the claims, liens, security interests, and other protections granted to the DIP Lender and the Prepetition Lender under this Interim Order and the DIP Loan Documents, will continue in the Chapter 11 Cases, in any Successor Case, or following dismissal of the Chapter 11 Cases or any Successor Case, and will maintain their priority, subject to the Carve Out, as provided by this Interim Order until: (a) in respect of the DIP Facility, all the DIP Obligations under the DIP Loan Documents and this Interim Order have been indefeasibly paid in full, in cash (such payment being without prejudice to any terms or provisions contained in the DIP Facility which survive such discharge by their terms) or otherwise satisfied with the consent of the DIP Lender; and (b) in respect of the Prepetition Loan Documents, all of the Prepetition Secured Obligations under the Prepetition Loan Documents and this Interim Order, have been paid in full or otherwise satisfied with the consent of the Prepetition Lender. The terms and provisions concerning the indemnification of the DIP Lender and Prepetition Lender shall continue in the Chapter 11 Cases, in any Successor Case, following dismissal of the Chapter 11 Cases or any Successor Case, following termination of the DIP Facility and/or the indefeasible repayment of the DIP Obligations. In addition, the terms and provisions of this Interim Order shall continue in full force and effect for the benefit of the Prepetition Lender

notwithstanding the satisfaction in full or termination of the DIP Obligations until the satisfaction in full of the Prepetition Secured Obligations.

57. **Necessary Actions.** The Debtors are authorized and directed to take any and all such necessary actions as they may determine to be reasonable and appropriate to implement the terms of this Interim Order and the DIP Loan Documents.

58. **Enforceability.** This Interim Order constitutes findings of fact and conclusions of law under Bankruptcy Rule 7052 and will take effect and be enforceable immediately upon entry thereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9014 of the Bankruptcy Rules, any applicable Local Rules, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be effective immediately and enforceable upon its entry and there will be no stay of execution or effectiveness of this Interim Order.

59. **Rights Reserved.** Notwithstanding anything in this Interim Order, any DIP Loan Document or any Prepetition Loan Document to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly: (i) the rights of the DIP Lender or the Prepetition Lender to seek any other or supplemental relief in respect of the Debtors that does not conflict with the terms of this Interim Order; (ii) the rights of the DIP Lender or the Prepetition Lender under the DIP Loan Documents, the Prepetition Loan Documents, or the Bankruptcy Code or applicable non-bankruptcy law, including, without limitation, the right to (a) request modification of the automatic stay of section 362 of the Bankruptcy Code, (b) request dismissal of any of the Chapter 11 Cases, conversion of any of the Chapter 11 Cases to a case under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, or (c) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or

plans; or (iii) any other rights, remedies, claims, powers, or privileges (whether legal, equitable or otherwise) of the DIP Lender or the Prepetition Lender.

60. **Headings.** All paragraph headings used in this Interim Order are for reference only and are not to affect the construction hereof or to be taken into consideration in the interpretation hereof.

61. **Final Hearing.** The final hearing (the “Final Hearing”) on the Motion will be held on December 12, 2025, at 10:00 a.m. (Eastern time). The Debtors shall, within three business days of its entry, mail a notice of the entry of this Interim Order, together with a copy of this Interim Order, to the parties having been given notice of the Interim Hearing, to any party which has filed prior to the such date of service a request for notice with the Court and to counsel for any Committee.

62. Such notice shall constitute adequate notice of the Final Hearing, including, without limitation, notice that the Debtors will seek approval at the Final Hearing of, among other things, the proposed (i) full amount of the DIP Facility, less the amount of the Initial DIP Loan borrowed pursuant to this Interim Order; (ii) the Early Termination Fee; (iii) waiver of rights under section 506(c) of the Bankruptcy Code; (iv) findings that the Prepetition Liens of the Prepetition Lender in the Prepetition Collateral are valid, binding and enforceable against third parties, barring any successful Challenges to such liens brought in accordance with the requirements of the Final Order; (v) restriction on “marshaling” (or the application of any similar doctrine) relating to the DIP Lender and/or Prepetition Lender; (vi) waiver under section 552(b) of the Bankruptcy Code; and (vii) the Carve-Out. The notice of entry of this Interim Order shall state that any party in interest objecting to the DIP Facility, DIP Loan Documents, use of Cash Collateral or other relief sought to be approved pursuant to the Final Order shall file a written objection (each, an

“Objection”) on or before 4:00 p.m. (Eastern time) on November 24, 2025, and serve such Objection on the following parties: (a) (i) proposed special litigation and corporate counsel for the Debtors, DLA Piper LLP (US), (A) 1201 North Market Street, Suite 2100, Wilmington, Delaware 19801 (Attn.: Stuart M. <b>Increased Costs; Taxes</b>	All payments to be made by the Debtors to the DIP Lender under or in connection with the DIP Facility shall be made free and clear of any deduction, withholding or set off by reason of any taxes or other amounts, except as required by applicable law. <b>Releases</b>	<p>Effective as of the date of entry of the Final DIP Order, subject solely to the Challenge rights and limitations set forth herein and in the DIP Orders relating to the Prepetition Lender, the Debtors, on behalf of themselves and their estates (including, without limitation, any successor trustee or other estate representative in the Chapter 11 Cases and any successor case, and any party acting by, through or under the Debtors or their estates), hereby stipulates and agrees that they absolutely and unconditionally release and forever and irrevocably discharge and acquit the Prepetition Lender, the DIP Lender, and their respective affiliates and each of its and their respective former or current officers, partners, directors, managers, owners, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case solely in their capacity as such (collectively, the "Released Parties"), of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending or threatened, including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Facility, the DIP Loan Documents, the DIP Liens, the DIP Obligations, the Prepetition Loan Documents, the Prepetition Liens, the Prepetition Secured Obligations, and/or the transactions contemplated hereunder or thereunder including, without limitation, any so-called "lender liability" or equitable subordination claims or defenses, any and all claims and causes of action arising under the Bankruptcy Code, and any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens and/or claims of the Prepetition Lender and/or the DIP Lender that exist or may exist prior to the entry of the Interim Order by the Court. For the avoidance of doubt, nothing in this release shall relieve the Debtors of their obligations under the Prepetition Loan Agreement or their obligations under the DIP Loan Documents or DIP Orders. Released Parties (other than the DIP Lender) are third party beneficiaries of this DIP Term Sheet for purposes of receiving the benefits of and enforcing this “Releases” section.
<b>Section 506(c) Waiver; Marshalling Waiver; Section 552(b) Benefits</b>	<p>Effective upon entry of the Final DIP Order, the DIP Lender and the Prepetition Lender shall not be subject to the equitable doctrine of “marshalling” or any similar doctrine with respect to the DIP Collateral or the Prepetition Collateral, as applicable, and all proceeds shall be received and applied under the Final DIP Order and the DIP Loan Documents notwithstanding any other agreement or provision to the contrary.</p> <p>Effective upon entry of the Final DIP Order, the Debtors (on behalf of themselves and their estates) shall waive, and shall not assert in the Chapter 11 Cases or any successor case, (i) any surcharge claim under sections 105(a) and/or 506(c) of the Bankruptcy Code or otherwise for any costs and expenses incurred in connection with the preservation, protection or enhancement of, or realization by the DIP Lender and the Prepetition Lender, upon the DIP Collateral or the Prepetition Collateral, and (ii) the DIP Lender and the Prepetition Lender shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the DIP Lender and the Prepetition Lender with respect to proceeds, product, offspring or profits of any of the Prepetition Collateral or DIP Collateral.</p>
<b>Assignments and Participations</b>	This DIP Term Sheet, once it has been executed and delivered by the DIP Lender and Debtors, and other DIP Loan Documents, shall be binding upon and inure to the benefit of the Debtors, the DIP Lender, the Prepetition Lender, and their respective successors and assigns, except that Debtors may not assign or transfer any of their rights or obligations under this DIP Term Sheet or any other DIP Loan Documents without the prior written consent of the DIP Lender and any purported such assignment or transfer by Debtor without such consent shall be null and void. Subject to applicable law, the DIP Lender and Prepetition Lender reserve the right to sell, assign, transfer, negotiate or grant participations in all or any part of, or any interest in, the DIP Lender’s or Prepetition Lender’s respective rights and benefits under the Prepetition Loan, the Prepetition Loan Documents, this DIP Term Sheet, the DIP Loans or any other DIP Loan Documents. In addition, the DIP Lender may at any time pledge or assign a security interest in all or any portion of its rights under this DIP Term Sheet to secure obligations of the DIP Lender.
<b>Amendments and Waivers</b>	Neither this DIP Term Sheet or any other DIP Loan Document nor any of the terms herein or therein may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing and signed by the Debtor, the DIP Lender and the Prepetition Lender (with respect to any matters concerning Cash Collateral and/or the rights and obligations of the Prepetition Lender); <i>provided however</i> , that any material amendments (other than to the Initial Budget, any Updated Budget, or any Approved Budget) must be approved by the Bankruptcy Court following notice and a hearing.

<b>Survival</b>	All representations and warranties made hereunder and in any other DIP Loan Document shall survive the execution and delivery hereof and thereof. Further, the provisions of the following sections of this DIP Term Sheet shall survive and remain in full force and effect regardless of the repayment of the DIP Obligations, the termination of the DIP Commitment, or the termination of the DIP Facility or this DIP Term Sheet: (i) "Survival"; (ii) "Indemnity"; (iii) "Increased Costs; Taxes"; (iv) "Amendments and Waivers"; (v) "Severability"; (vi) "Releases"; (vii) "Resurrection of Obligations"; (viii) "No Third Party Beneficiaries"; (ix) "Governing Law; Jurisdiction"; and (x) "Conflicting Provisions".
<b>Severability</b>	In the event any one or more of the provisions contained in this DIP Term Sheet is determined to be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.
<b>Resurrection of Obligations</b>	To the extent that the DIP Lender receives any payment on account of any of the DIP Obligations, and any such payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside, subordinated or required to be repaid to a trustee, receiver or any other person or entity under any contract, bankruptcy act, state or federal law, common law or equitable cause, then, to the extent of such payment received, the DIP Obligations or part thereof intended to be satisfied and any and all DIP Liens upon or pertaining to any DIP Collateral created or existing in favor of the DIP Lender as security for the payment of such DIP Obligations shall be revived and continue in full force and effect, as if such payment had not been received by the DIP Lender and applied on account of the DIP Obligations.
<b>No Third Party Beneficiaries</b>	This DIP Term Sheet is solely for the benefit of the parties hereto and, except as specifically provided in the "Indemnity" and "Releases" sections, is not intended to be for the benefit of any other person or entity except for any successor, assignee, designee, or participant of the DIP Lender (subject to any agreements between the DIP Lender and any such successor, assignee, designee, or participant).
