The following notes and statements and limitations should be referred to, and referenced in connection with, any review of the MOR (as defined below).

1. **General Methodology.** The Debtors are filing this consolidated monthly operating report (the "**MOR**") for the period including January 1, 2025 through January 30, 2025 (the "**Reporting Period**"), for purposes of complying with the monthly operating reporting requirements applicable in the Debtors' Chapter 11 Cases. The MOR is unaudited and has not been prepared in accordance with accounting principles generally accepted in the United States of America ("**U.S. GAAP**") and does not include all of the information and footnotes required by U.S. GAAP. The MOR is not intended to reconcile to any financial statements otherwise prepared or distributed by the Debtors. The MOR is in a format acceptable to the U.S. Trustee. The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.

Basis of Presentation. In preparing the MOR, the Debtors relied on financial information available from the books and records available to them at the time of such preparation. The financial information contained herein is derived from the Debtors' books and records without,

among other things, all adjustments or reclassification that may be necessary or typical for consolidated financial statements or to accord with U.S. GAAP. Although the Debtors made commercially reasonable efforts to ensure the material accuracy and completeness of the MOR and because the Debtors' accounting systems were developed to produce consolidated financial statements by business unit, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income or expenses have been recorded for the correct legal entity.

This information has not been subjected to procedures that would typically be applied to financial information presented in accordance with U.S. GAAP or any other recognized financial reporting framework. If such procedures were applied, the Debtors believe that the financial information presented in the MOR could be subject to change, including material change.

Although the Debtors made commercially reasonable efforts to ensure the accuracy and completeness of the MOR, given the complexity of the Debtors' business, inadvertent errors or omissions may occur. Accordingly, the Debtors hereby reserve all of their rights to dispute the nature, validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtors reserve the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

Accordingly, there can be no assurance that the consolidated financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

2. **Reporting Period.** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records for the applicable Reporting Period. Unless otherwise noted herein, no adjustments have been made for activity occurring after the close of the Reporting Period.
3. **Consolidated Entity Accounts Payable and Disbursement Systems.** Cash is received and disbursed by the Debtors in a manner consistent with the Debtors' historical cash management practices, as described in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Them to (A) Maintain and Use Their Existing Cash Management System, (B) Pay Bank Fees, (C) Utilize Existing Business Forms, (D) Utilize Credit Cards, and (E) Engage in Intercompany Transactions and (II) Waiving Compliance with Section 345(b)* [Docket No. 80].
4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors and their advisors make no representations, are not liable for and undertake no responsibility to indicate variations from securities laws herein or for any evaluations of the Debtors, including of their financial condition, based on this financial information or any other information.

5. **Debtor in Possession Financing.** On July 10, 2023, the Debtors received final authorization from the Bankruptcy Court to obtain postpetition financing pursuant to a senior secured, superpriority and priming debtor-in-possession note purchase agreement, consisting of new money notes in an aggregate principal amount of \$300 million pursuant to the *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral, (II) Granting Liens and Providing Superpriority Administrative Expense Claims, (III) Granting Adequate Protection to Prepetition Secured Parties, (IV) Modifying the Automatic Stay, and (V) Granting Related Relief* [Docket No. 396] (the “**DIP Motion**”). Wesco Aircraft Holdings, Inc. (Case No. 23-90611) is the issuer under the note purchase agreement. Please see the DIP Motion for additional detail available at <https://www.kccllc.net/incora>.
6. **Payment of Prepetition Claims Pursuant to First Day Orders.** On June 1, 2023, the Bankruptcy Court entered orders (the “**First Day Orders**”) authorizing, but not directing, the Debtors to pay certain prepetition (a) wages, salaries, benefits and other compensation and maintain employee benefit programs; (b) claims of lien claimants and 503(B)(9) claimants; (c) claims of critical vendors, foreign claimants and outstanding orders; (d) taxes and fees; (e) amounts to maintain insurance policies, programs and related obligations; and (f) amounts to maintain and administer existing customer programs and honor certain prepetition obligations related thereto. The Bankruptcy Court subsequently approved the relief requested in connection with the First Day Orders. To the extent any payments were made on account of prepetition claims following the commencement of these Chapter 11 Cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR (subject to the notes and statements and limitations provided herein).
7. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors’ rights or an admission with respect to their Chapter 11 Cases.
8. **Insiders.** Information regarding the individuals listed as “insiders” in this MOR have been included for informational purposes only. The Debtors do not take any position with respect to, and reserve all rights with respect to, (a) such person’s influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including the federal securities law, or with respect to any theories of liability or any other purpose.
9. **Specific MOR Disclosures.**
 - The Debtors are submitting eight MORs, seven of which are prepared for individual Debtors and one of which reflects the combined financial information for the remaining Debtors (the “**Consolidated Debtor Entities**”). For purposes of this MOR, the accompanying Statement of Cash Receipts and Disbursements, Balance Sheets and Statements of Income (Loss) of the Debtors are only set forth on an individual basis for those Debtors for which a MOR is also separately prepared. The financial information for the Consolidated Debtor Entities is not separately presented, but rather is presented on a

combined basis. A Summary of Consolidated Debtor Entities is included as an exhibit below.

Notes to Part 1:

- In accordance with the UST Form 11-MOR Instructions, Part 1 omits intercompany cash activity, resulting in variances between cash balances at the end of the month as presented in Part 1 and cash and cash equivalent balances as presented in the Balance Sheet attachment. These variances are reconciled within the Cash Activity attachment.
- Figures include cash as reported in the bank statements. Reconciling differences will exist between bank statement balances and balance sheet cash balances due to ordinary course timing differences between payment execution in the Debtors' financial system and disbursement of funds from Debtor bank accounts.
- The information in the Cash Receipts and Disbursements Schedule reflects activity for the stub period beginning January 1, 2025 and ending January 30, 2025.

Notes to Part 2:

- See "Basis of Presentation" above regarding certain adjustments or reclassifications applied at a consolidated level.
- Intercompany eliminations between the Debtor entities are reflected on the balance sheet and income statement of Wesco Aircraft Holdings, Inc. (Case No. 23-90611). Intercompany eliminations between Debtor and non-Debtor affiliates are not reflected.
- The MOR has not been subjected to certain income tax provision procedures that would typically be applied at fiscal year-end. The information presented herein may materially differ if such procedures were applied.
- The Debtors do not maintain an aging schedule of trade accounts receivable net of allowances. The Debtors believe that the information as disclosed in MOR-2a appropriately summarizes the ending accounts receivable of the Debtors.
- Because the Debtors' existing recording systems were not designed to distinguish between pre- and postpetition liabilities, the Debtors have commenced a process to distinguish between pre- and post-petition liabilities based on application of a materiality threshold, which is reflected in this MOR. As the Debtors continue this process and additional information becomes available, the allocation of liabilities between prepetition and postpetition periods may change.
- Solely for purposes of this MOR, "Liabilities Subject to Compromise", as reported on the Balance Sheets, includes (i) the full amount of all of the prepetition unsecured liabilities of the Debtors and (ii) the full amount of all of the prepetition secured liabilities of the Debtors other than liabilities associated with the Prepetition ABL Facility. The Debtors' inclusion or exclusion of any amounts in the presentation of "Liabilities Subject to Compromise" in the Balance Sheets is done solely for expediency in preparing this MOR pursuant to the Debtors' reporting obligations and does not indicate a view, of the Debtors or of any other person, as to whether and to what extent the respective liabilities may be impaired.
- The Debtors are currently assessing the accounting impacts of the rejection of executory contracts and unexpired leases. Such rejections have not yet been accounted for as of the end of the Reporting Period.

- Liabilities do not include guarantees of funded debt issued by Wesco Aircraft Holdings, Inc. (Case No. 23-90611).
- The Debtors' Balance Sheets reflect balances as of January 31, 2025.

Notes to Part 4:

- See "Basis of Presentation" above regarding certain adjustments or reclassifications applied at a consolidated level.
- Intercompany eliminations between the Debtor entities are reflected on the Balance Sheet and Statement of Income (Loss) of Wesco Aircraft Holdings, Inc. (Case No. 23-90611). Intercompany eliminations between Debtor and non-Debtor affiliates are not reflected.
- The MOR has not been subjected to certain income tax provision procedures that would typically be applied at fiscal year-end. The information presented herein may materially differ if such procedures were applied.
- Selling expenses are reported together with General and Administrative expenses, as the Company does not maintain Selling expenses as a separate financial reporting line item.
- The Debtors Statement of Income (Loss) reflects activity beginning January 1, 2025 and ending January 31, 2025.

Notes to Part 5:

- Payments related to creditor advisor fees have been excluded from the Professional Fees and Expenses section of the MOR.
- The information in the Professional Fees and Expenses reflects activity for the stub period beginning January 1, 2025 and ending January 30, 2025.

Notes to Part 7:

- (a) Pursuant to the relief granted via the Debtors' various final first day orders, the Debtors have made payments on prepetition debts as they come due in the ordinary course. Where applicable, details of these payments have been delivered to the required notice parties pursuant to the reporting requirements contained within the first day orders.
