### **BASIS FOR THE RELIEF REQUESTED**

31. Section 331 of the Bankruptcy Code provides for interim compensation of professionals not more than once every 120 days after the commencement of the cases (or more often as the court may permit) and incorporates the substantive standards of section 330 to govern the Court’s award of such compensation. *See* 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual, necessary services rendered [and] reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1).

32. Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to . . . [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- A. the time spent on such services;
- B. the rates charged for such services;
- C. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- D. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- E. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

- F. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

33. In determining the reasonableness of fees, courts routinely employ the twelve factors set forth by the Fifth Circuit in *Johnson v. Ga. Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974). These factors include: (1) the time and labor required; (2) the novelty and difficulty of the questions; (3) the skill requisite to perform the legal service properly; (4) the preclusion of employment by the professional due to acceptance of the case; (5) the customary fee; (6) whether the fee is fixed or contingent; (7) time limitations imposed by client or the circumstances; (8) the amount involved and the results obtained; (9) the experience, reputation and ability of the professionals; (10) the undesirability of the case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases. *Johnson*, 488 F.2d at 717-19. In *In re First Colonial Corp. of America*, 544 F.2d 1291, 1298-99 (5th Cir. 1977), *cert. denied*, 431 U.S. 904 (1977), the Fifth Circuit applied the *Johnson* factors to the analysis of fee awards in bankruptcy cases.

34. Under an analysis utilizing the Johnson factors and the standards customarily applied to fee awards under sections 330 and 331 of the Bankruptcy Code, Province submits that its request for compensation and reimbursement of expenses is reasonable and proper, and that such request should be allowed in the requested amount. Province devoted a substantial amount of time and effort addressing the numerous issues involved in these Chapter 11 Cases. Whenever possible, Province sought to minimize the costs of its services to the Committee by utilizing junior professionals and paraprofessionals to handle the more routine aspects of case administration. Province did not duplicate or overlap services and billing with other Committee professionals.

35. Province respectfully submits that the services for which it seeks compensation in this Application were, at the time rendered, believed to be necessary to effectively represent the Committee and the interests of the Debtors' estates and creditors, were performed economically, effectively and efficiently.

36. Further, Province submits that consideration of the relevant *Johnson* factors establishes that the compensation requested is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest:

- (a) *The Time and Labor Required.* The professional services rendered by Province on behalf of the Committee have required the expenditure of substantial time and effort, as well as a high degree of professional competence and expertise, in order to deal with the many issues encountered with skill and dispatch. Province respectfully represents that the services rendered by it were performed efficiently, effectively and economically.
- (b) *The Novelty and Difficulty of Questions.* These Chapter 11 Cases are designated as "complex" cases and necessarily involved a significant number of novel or difficult issues in areas such as restructuring, litigation, and corporate finance. During these cases, Province provided assistance to the Committee and worked closely with the Committee's professionals and with the Debtors and their professionals on numerous complex issues involving, *inter alia*, the Committee's investigation into the Debtors' pre-petition transactions. Province's efforts and effective assistance has and will continue to maximize value for the benefit of the estate and its stakeholders and facilitate resolutions of such challenges.
- (c) *The Skill Required to Perform the Services Properly.* Province believes that its recognized expertise in the area of insolvency proceedings and reorganization, particularly before this Court, have contributed to the efficient and effective administration of these Chapter 11 Cases.
- (d) *The Preclusion of Other Employment by Province Due to Acceptance of the Case.* Province's representation of the Committee has not precluded its acceptance of new clients. However, the issues that have arisen in these Chapter 11 Cases required attention on a continuing, and oftentimes emergent, basis, requiring Province's professionals to commit significant portions of their time to these cases.
- (e) *The Customary Fee.* The fees sought herein are based upon Province's normal hourly rates for services of this kind. Province respectfully submits that the hourly rates of its professionals are not unusual given the time expended in attending to the representation of the Committee. Province's hourly rates and the fees requested

herein are commensurate with fees Province has been awarded in other chapter 11 cases, as well as with fees charged by other professionals of comparable experience.

- (f) *Whether the Fee is Fixed or Contingent.* The fees requested in this Application represent fees incurred based upon a fixed hourly rate basis, contingent upon the Court's approval of this Application.
- (g) *Time Limitations Imposed by Client or other Circumstances.* Province provided capable representation within the time limitations imposed under the unique circumstances of these cases. During these Chapter 11 Cases, there were numerous instances in which it was necessary for Province to deliver services on very short notice and under significant time constraints.
- (h) *The Amount Involved and Results Obtained.* For the reasons described above, Province respectfully submits that the amount of fees for which compensation is sought is reasonable under the circumstances given the numerous matters that had to be addressed.
- (i) *The Experience, Reputation and Ability of Province.* Province has extensive experience representing official creditors' committees, debtors, creditors, trustees, and others in a wide variety of bankruptcy cases, including, as (i) financial advisor to the official committees of unsecured creditors in the A.B.C. Carpet, Alex and Ani, Armstrong Flooring, Aruze Gaming, Ascena Group, Avadim Health, BL Restaurants Holding, Carbonlite Holdings, Cherry Man Industries, Cyprus Mines, David's Bridal, DCL Holdings (USA), Destination Maternity, Eastern Outfitters, EHT US1 (Eagle Hospitality), Endo International, Francesca's Holding Corporation, Honx, Insys Therapeutics, Independent Pet Partners, Invacare, J Crew, Lucky's Market, L'Occitane, Mallinckrodt, Mountain Express Oil Company, Nielsen & Bainbridge (NBD Home), Neopharma, One Web, Papyrus, Path Medical, Pier 1, PBS Brand Co. (Punch Bowl), Purdue Pharma, Reverse Mortgage, Revlon, SiO2 Medical Products, Stimwave Technologies, TECT Aerospace Group, True Religion Apparel, Tuesday Morning, Virgin Orbit and White Stallion Energy matters; (Surgalign, The Rockport Company, Wesco Aircraft, confirm order approved before including highlighted names) (ii) financial advisor to the debtors in 4E Brands, Basic Energy Services, Cherry Man Industries, Cinemex Holdings USA, Codiak BioSciences, Coin Cloud, Frontsight Management, Penthouse Global Media, Superior Linen, True Religion Apparel, Vesta Holdings, and Woodbridge Group of Companies; and (iii) the trustee in Aegean Marine Petroleum, Advance Watch, American Apparel, Borden Dairy, CS Mining, Cycle Force, DCL, EBH Topco, Eclipse Berry Farms, Energy & Exploration (ENXP), Fieldwood, Gump's, Invacare, La Paloma Generating Company, Limetree Bay Services, Mallinckrodt, Maxus Energy, Neogenix, PBS Brand Co. (Punch Bowl), Promise Healthcare Group, RadioShack Corporation, RMIT (Reverse Mortgage), and Samson Resources, Stimwave Technologies, among others.
- (j) *The Undesirability of the Case.* Not applicable.

- (k) Nature and Length of Professional Relationship. Not applicable.
- (l) Awards In Similar Cases. As previously indicated, the fees sought herein are commensurate with fees Province has been awarded in other chapter 11 cases.

37. In sum, the services rendered by Province were necessary and beneficial to the Committee and were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved. Accordingly, approval of the compensation for professional services and reimbursement of the expenses sought herein is warranted.

38. No previous application for the relief sought herein has been made to this or any other Court.

WHEREFORE, Province, as financial advisor to the Committee, respectfully requests that the Court enter an order providing that: (i) final allowance for compensation be awarded to Province for compensation for necessary professional services rendered in the amount of **\$6,931,855.50** and reimbursement of expenses incurred in the amount of **\$18,175.55** for the Final Period; (ii) the Debtors be authorized and directed to immediately pay the unpaid portion of said allowed fees and expenses to Province; and (iii) for such other and further relief as this Court deems proper.
