| Reason: The Claimant asserts their claim as administrative priority section 11 U.S.C. 503(b)(9) of the bankruptcy code which is for goods received by the debtor within 20 before the date of commencement of the case. The support provided within the proof of claim form is for "dilapidations" (i.e., wear and tear to real property) related to two leases that expired in 2020 and 2021 in which the Debtor was the tenant and the Claimant was the landlord. As such, the claim is ineligible for 503(b)(9) priority status. |         |                           |                 |                               |                           |                        |
