2. Directors' interests

It is noted that each director who is also a director of any direct or indirect shareholder of the Company or is a shareholder of any other company in the Group (as defined below) or in any way (whether directly or indirectly) interested in the documents, these written resolutions or the transactions contemplated thereby disclose the nature and extent of those interests in accordance with the Company's articles of association and section 177 of the Companies Act 2006. 3.2 The directors of the Company also noted that the Company has been meeting its obligations as they fall due to date. However, the overall financial position of the Group remains challenging in light of the Group's underperformance, upcoming debt maturities and various ongoing payment obligations.

3.3 The directors of the Company noted that they had the opportunity to consult management and the Company's advisors regarding the materials presented and the terms of the Transaction (as defined below).

3.4 The directors of the Company also noted that the Group (as defined below) was considering, among other things, the following potential transactions in connection with the Chapter 11 Filing (as defined below):

- (a) a sale of certain of the Group's assets to an interested strategic party or a consortium of its exiting creditors effectuated through a sale pursuant to the Chapter 11 Filing (the "**Sale**"); and
- (b) a debtor-in-possession financing pursuant to the Chapter 11 Filing provided by a consortium of the Group's current secured creditors or third-party financing providers.

4. Purpose

4.1 The board of directors of the Company noted that the purpose of these written resolutions was to consider, and if thought appropriate, approve:

- (a) the Company filing, or causing to be filed, a voluntary petition or petitions for relief under the provisions of chapter 11 of title 11 of the United States Code, 11 U.S.C. § 101 et seq. (the "**Bankruptcy Code**") for the Company (together with a number of other Group companies) (the "**Chapter 11 Filing**");

- (b) pursuant to the Chapter 11 Filing, the Company's entry into a restructuring transaction or series of restructuring transactions by Marelli Holdings Co., Ltd (the "**Parent**") and its direct and indirect subsidiaries (the "**Group**") which will stabilise the Company's and the Group's financial position, provide the Company and the Group with additional liquidity and restructure its debt obligations and other liabilities, including the Sale (the "**Transaction**");
- (c) if so requested by the Parent or any of its subsidiaries, the Company's entry into a certain asset purchase agreement (the "**APA**") between the Company and certain other members of the Group as sellers documenting the Sale (including the purchase of certain assets of the Company by one or more purchasers designated by the Parent or any of its subsidiaries); and
- (d) the Company's entry into, delivery and/or performance of its obligations under any other transactions or documents which are (in the determination of any Director) necessary or desirable in connection with the Transaction, including without limitation any support agreement, asset sale agreement, facilities agreement, guarantee, indemnity, security agreement, intercreditor agreement, subordination agreement, hedging agreement, intercompany loan agreement, deed, notice, request (including without limitation any utilisation request, committed loan notice or similar document), letter, power of attorney, statement, confirmation or other ancillary document (together with the APA, the "**Documents**").

5. Documents

The directors of the Company considered that neither the execution, nor the delivery of the Documents to which the Company is or is to be a party, nor the performance by the Company of its obligations under the Documents to which the Company is or is to be a party, would result in any breach of any restrictions imposed by the Company's memorandum or articles of association or any limits on the power of the Company or its directors to borrow, give guarantees, create security, or lend being exceeded.

6. Directors' duties

The directors of the Company reminded themselves of their duties. The directors of the Company noted that they were aware of their duties under English law and that at present they were taking, and would continue to take, all steps necessary to discharge those duties. The directors noted that their duties are owed on a company-by-company basis and not on a group or divisional basis. The directors further noted that once a company becomes insolvent, or there is a doubt as to its solvency, the directors must consider the interests of the company's creditors in order to minimise the potential loss to them.

7. Consideration

7.1 The following was noted by the directors of the Company:

- (a) the Transaction would improve the financial position of the Company and the Group as a whole to allow them to continue meeting their obligations as they fall due. In connection with the Transaction it is intended that all key vendors and suppliers across the Group are repaid and caught up on outstanding payment to ensure a return to normal trade terms;
- (b) the Transaction would promote the success of the Company and the Group as a whole and would be in the best interest of the Company and its stakeholders, including its member, creditors and employees;
- (c) the Transaction would significantly deleverage the balance sheet of the Group and provide it with the required liquidity to continue operating on a stable platform; and
- (d) the Chapter 11 Filing would bring certain protections against creditors bringing certain actions and claims against the Company and each other Group company filing.

7.2 The Directors considered the Documents in light of the conclusions above and formed the opinion that it was to the commercial benefit and advantage of the Company, and likely to promote the success of the Company, for the Company to carry out the Chapter 11 Filing, enter into those of the Documents to which it is proposed to be a party and to enter into the Transaction.
