- (C) Given that the Company will receive funding from the DIP Financing through the group cash management system and will benefit from such funding pursuant to the liquidity planning assessed by the Company's directors and presented to the Sole Shareholder, it is required, according to the applicable U.S. law, that the Company

The Sole Shareholder understands and acknowledges that the protection granted under Chapter 11 is not equivalent to a procedure of pre-insolvency/insolvency regulated by the Romanian Law no. 85/2014 on prevention of insolvency and insolvency.

The Sole Shareholder hereby acknowledges and confirms that:

- (i) according to the applicable U.S. law, the Company has the necessary capacity to file for protection under Chapter 11;

- (iii) it has received a draft of the DIP Financing Agreement, in the form available at the date of this Resolution, and has conducted a careful commercial assessment of the terms and conditions contemplated therein;
- (iv) the DIP Financing Agreement will be subject to further negotiations and amendments, in accordance with the parties' interests and objectives;
- (v) after careful commercial consideration and appropriate legal and financial advice, it has decided that the envisaged transactions are in the best economic interest of the Company, as such the envisaged transactions shall benefit its business activity and acknowledges and agrees that the Company's corporate purpose allows it to file for protection under Chapter 11 and to enter into the DIP Financing Agreement as guarantor and security provider; and
- (vi) in consideration of holding 100% of the share capital of the Company, in accordance with the provisions of the Companies Law and the articles of association of the Company, expressly waiving all the convening formalities,
