The Prepetition Senior Loan Obligations constitute legal, valid, binding, and non-avoidable obligations against each of the Prepetition Senior Loan Obligors and are not subject to any avoidance, recharacterization, effect, counterclaim, defense, offset, recoupment, subordination, other claim, cause of action, or other challenge of any kind under the Bankruptcy Code, under applicable non-bankruptcy law, or otherwise. No payments or transfers made to or for the benefit of (or obligations incurred to or for the benefit of) the Prepetition Senior Loan Secured Parties by or on behalf of any of the Debtors prior to the Petition Date under or in connection with the Prepetition Senior Loan Documents are subject to avoidance, recharacterization, effect, counterclaim, defense,

(c) The Prepetition Senior Loan Obligations are secured by valid, binding, perfected, and enforceable liens on and security interests in (to the extent required to satisfy the Prepetition Senior Loan Secured Parties) (the “Prepetition Senior Loan Agreement Liens” and together with the Prepetition Emergency Loan Liens, the “Prepetition Liens”) the enumerated property and assets of the Prepetition Senior Loan Obligors under the Prepetition Senior Loan Agreement (the “Prepetition Senior Loan Collateral” and together with the Prepetition Emergency Loan Collateral, the “Prepetition Collateral”). As of the Petition Date: (a) the Prepetition Senior Loan Agreement Liens were valid, binding, enforceable, non-avoidable, and properly perfected (to the extent required to satisfy the Prepetition Senior Loan Secured Parties), and were granted to, or for the benefit of, the Prepetition Senior Loan Secured Parties for fair consideration and reasonably equivalent value; (b) subject to the relative priorities described in the Intercreditor Agreements, the Prepetition Senior Loan Agreement Liens were senior in priority over any and all other liens on the Prepetition Senior Loan Collateral other than any lien over the assets of the Debtors senior by operation or law or otherwise expressly permitted to be senior by the Prepetition Secured Facilities Documents and solely to the extent such liens were valid, enforceable, non-avoidable and perfected liens in existence on the Petition Date, including valid liens in existence on the Petition Date that are perfected after the Petition Date as permitted by Bankruptcy Code section 546(b) (such permitted liens, the “Permitted Prior Liens”; for the avoidance of doubt, the Prepetition Liens are not Permitted Prior Liens); (c) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition Senior Loan Agreement Liens or Prepetition Senior Loan Agreement Obligations exist, and no portion of

(iii) Intercreditor Agreements

(a) Pursuant to (i) that certain Inter-Creditor Agreement (Pre-DIP) dated as of April 8, 2022, by and among Marelli Holdings Co., Ltd. and the other parties thereto (as amended, restated, amended and restated, supplemented, substituted, replaced or otherwise modified from time to time, the "New Intercreditor Agreement") and (ii) that certain Intercreditor Agreement dated as of June 30, 2020, by and among Marelli Holdings Co., Ltd. and the other parties thereto (as amended, restated, amended and restated, supplemented substituted, replaced or otherwise modified from time to time, the "Old Intercreditor Agreement") and together with the New Intercreditor Agreement, the "Intercreditor Agreements"), the parties thereto have agreed, among

other things and as more specifically set forth therein, on the relative respective rights, remedies, interests, obligations, priority, and positions of the Prepetition Emergency Loan Secured Parties, on the one hand, and the Prepetition Senior Loan Secured Parties, on the other hand, with respect to the Prepetition Collateral.

(b) Pursuant to Bankruptcy Code section 510(a), the Intercreditor Agreements (i) shall remain in full force and effect, (ii) continue to govern the relative obligations, priorities, rights, and remedies of the Prepetition Secured Parties with respect to any shared or common Prepetition Collateral, and (iii) shall not be deemed to be amended, altered, or modified by the terms of this Final Order or the DIP Documents, except to the extent expressly set forth herein and therein, including the Lien/Claim Priorities Exhibit.

(iv) Cash Collateral. Certain of the Debtors' cash, including cash and other amounts on deposit or maintained in any account or accounts by the Debtors, existing as of the Petition Date, and certain amounts generated by the collection of accounts receivable or other disposition of the Prepetition Collateral, existing as of the Petition Date, and the proceeds of any of the foregoing, wherever located, is the Prepetition Secured Parties' cash collateral within the meaning of Bankruptcy Code section 363(a) (the "Cash Collateral"); *provided* that, for the avoidance of doubt, Cash Collateral shall only include cash in the Debtors' cash management accounts to the extent that the cash management accounts were subject to validly perfected liens and security interests as of the Petition Date.

(v) No Control. As of the Petition Date, none of the Prepetition Secured Parties control the Debtors or their properties or operations, have authority to determine the manner in which any Debtors' operations are conducted, or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the

Interim Orders, this Final Order, the DIP Facilities, the Prepetition Senior Loan Facility, or the Prepetition Emergency Loan Facility.

(vi) Credit Bidding. No Debtor, or Debtor's controlled affiliate, or successor to any of the foregoing, shall object to any DIP Lender's or any DIP Agent's right to credit bid up to the full amount of its DIP Obligations, and/or Adequate Protection Obligations (as defined herein), in each case including, without limitation, any accrued interest and expenses, in any sale or disposition of the DIP Collateral (a "363 Sale"), as applicable, whether such 363 Sale (as applicable) is effectuated through Bankruptcy Code section 363, under Bankruptcy Code sections 1123 and 1129, by a chapter 11 trustee, or otherwise.

G. Findings Regarding the DIP Facilities and Use of Cash Collateral.

(i) Good and sufficient cause has been shown for the entry of this Final Order and for authorizing the Debtors to obtain financing pursuant to the DIP Documents, to use the Cash Collateral and to authorize the provision of adequate protection as a proper exercise of the Debtors' business judgment and to avoid irreparable loss or damage to the Debtors and the estates.

(ii) As set forth in the Motion, the DIP Declarations, and the First Day Declaration, the Debtors have an ongoing need to continue to use Cash Collateral and to obtain credit pursuant to the DIP Facilities, in order to, among other things: (a) pay transaction costs, fees, and expenses that are incurred in connection with the DIP Facilities; (b) fund working capital and general corporate purposes of the Debtors; (c) make adequate protection payments as set forth herein; and (d) fund (i) the administration of the Chapter 11 Cases, (ii) distributions pursuant to a plan of reorganization, if applicable, (iii) the wind-down of the Debtors' estates after the consummation of a 363 Sale, if applicable, and (iv) the Carve Out, in each case of the foregoing (other than funding the Carve Out) in accordance with the DIP Budget or as otherwise approved

by the Required DIP Lenders in accordance with the DIP Documents. The Debtors will not have sufficient sources of working capital to operate their businesses or maintain their properties in the ordinary course of business during these Chapter 11 Cases without the use of Cash Collateral and the extension of the DIP Facilities. Absent granting the relief set forth in this Final Order, the Debtors' estates and their businesses will be irreparably harmed.

(iii) As set forth in the Motion, the DIP Declarations, and the First Day Declaration, the Debtors are unable to obtain postpetition financing or other financial accommodations on more favorable terms under the circumstances from sources other than the DIP Lenders pursuant to the terms and provisions of the DIP Credit Agreements and the other DIP Documents, and are unable to obtain satisfactory unsecured credit allowable under Bankruptcy Code section 503(b)(1). The Debtors are also unable to obtain secured credit with liens equal or junior to existing liens allowable under Bankruptcy Code sections 364(c)(2) or 364(c)(3) and, therefore, must grant, for the benefit of the DIP Lenders, liens that are priming or *pari passu* to the Prepetition Liens under Bankruptcy Code section 364(d)(1) and the DIP Superpriority Claims (as defined below) on the terms and conditions set forth in this Final Order and the DIP Documents, including the Lien/Claim Priorities Exhibit.

(iv) Upon entry of this Final Order, without any further action by the Debtors or any other party, but subject to paragraphs 24 and 25 herein, certain Prepetition Senior Loans held by the Junior DIP Lenders and such Junior DIP Lender's designated affiliates shall automatically be deemed continued as Tranche C Loans and shall constitute Junior DIP Obligations (as defined herein) by way of the Roll-Up; *provided, however*, that such Tranche C Loans shall accrue fees pursuant to the terms of the Junior DIP Credit Agreement beginning as of the date of entry of this Final Order. The Roll-Up, as provided for under the Junior DIP Facility and pursuant to this Final

Order, is appropriate because the Junior DIP Lenders would not have been willing to provide the Junior DIP Facility or extend postpetition credit in the form of Tranche B Loans to the Debtors thereunder without the inclusion of the Roll-Up within the Junior DIP Facility.

(v) Based upon the Motion, the First Day Declaration, the DIP Declarations, and the record presented to the Court at the Interim Hearings, the terms of the Senior DIP Credit Agreement, the Junior DIP Credit Agreement and the other DIP Documents, and the terms of the adequate protection granted to the Prepetition Secured Parties as provided in this Final Order, are fair and reasonable under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with the Debtors' fiduciary duties, and provide the Debtors reasonably equivalent value and fair consideration.

(vi) The Prepetition Secured Parties have not objected to (or, as applicable, have not been directed to object to), entry of this Final Order, the Debtors' entry into the DIP Facilities, including the granting of priming liens and claims in connection therewith and the continued use of Cash Collateral, and certain Prepetition Secured Parties have consented to such relief on the terms and conditions set forth in this Final Order.

(vii) The DIP Facilities and the use of Prepetition Collateral (including Cash Collateral) to, among other things, fund the administration of the Debtors' estates, the continued operation of the Debtors' businesses, and the incurrence and payment of any Adequate Protection Obligations pursuant to the Interim Orders, this Final Order, the DIP Credit Agreements and the other DIP Documents, have been negotiated in good faith and at arm's-length among the Debtors, the DIP Lenders, the DIP Agents (together with the DIP Lenders, the "DIP Secured Parties"), and certain Prepetition Secured Parties, and all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with the DIP Facilities, the DIP Credit Agreements and the

other DIP Documents, including, without limitation, all loans made to, and guarantees issued by, the Debtors pursuant to the DIP Credit Agreements and the other DIP Documents, and any DIP Obligations, shall be deemed to have been extended by the DIP Agents and the DIP Lenders, and their respective affiliates, in good faith, as that term is used in Bankruptcy Code section 364(e), and in express reliance upon the protections offered by Bankruptcy Code section 364(e), and the DIP Agents and the DIP Lenders (and their successors and assigns) shall be entitled to the full protection of Bankruptcy Code section 364(e) in the event that this Final Order or any provision hereof is vacated, reversed, or modified on appeal, reconsideration or remand.

H. Permitted Prior Liens; Continuation of Prepetition Liens. Nothing herein shall constitute a finding or ruling by this Court that any alleged Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice any rights of any party in interest, including, but not limited to, any of the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, or the Committee to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien or other security interest (other than any Prepetition Lien). The right of a seller of goods to reclaim such goods under Bankruptcy Code section 546(c) is not a Permitted Prior Lien and is expressly subject and subordinate to the DIP Liens and the Adequate Protection Liens.

I. Sections 506(c) and 552(b). The Debtors and the DIP Secured Parties have agreed, as a condition to the DIP Lenders extending postpetition financing to the Debtors under the DIP Facilities, a material inducement to the DIP Secured Parties to agree to provide the New Money DIP Loans and enter into the DIP Facilities, and in exchange for (a) the DIP Secured Parties' willingness to provide the DIP Facilities to the extent set forth herein, (b) the DIP Agents' and the DIP Lenders' agreement to subordinate their DIP Liens and superpriority claims granted hereunder

to the Carve Out, and (c) the consensual use of Cash Collateral consistent with the DIP Budget and the terms of this Final Order, each of the DIP Secured Parties and certain Prepetition Secured Parties have negotiated for, and this Court hereby grants, (1) a waiver of any equities of the case exceptions or claims under Bankruptcy Code section 552(b) and a waiver of unjust enrichment and similar equitable relief as set forth below, and (2) a waiver of the provisions of Bankruptcy Code section 506(c).

J. Immediate Entry. Good and sufficient cause exists for immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). Consummation of the DIP Facilities and the use of Cash Collateral in accordance with this Final Order, the DIP Credit Agreements and the other DIP Documents is in the best interests of the Debtors' estates and consistent with the Debtors' exercise of their fiduciary duties.

Based upon the foregoing findings and conclusions, the Motion and the record before this Court with respect to the Motion, and after due consideration, and good and sufficient cause appearing thereof,

IT IS HEREBY ORDERED THAT:

1. Motion Granted. The Motion is granted on a final basis to the extent set forth herein. The DIP Facilities are approved on a final basis, subject to the terms of this Final Order. The use of Cash Collateral is authorized on a final basis, subject to the terms of this Final Order.

2. Objections Overruled. Any and all objections to this Final Order, to the extent not withdrawn, waived, settled, or otherwise resolved, and all reservations of rights included therein, are hereby overruled on the merits. This Final Order shall become effective immediately upon its entry.

3. Authorization of the DIP Facilities and the DIP Documents.

(a) The Debtors were expressly authorized and directed, effective upon entry of the Interim Orders, as hereby reaffirmed, to execute, enter into and perform all obligations under the DIP Credit Agreements and the other DIP Documents.

Documents, and this Final Order, which new money borrowings have been or shall be used for all purposes as permitted under the DIP Credit Agreements, the other DIP Documents, and this Final Order (including pursuant to the DIP Budget). Upon entry of this Final Order, but subject to paragraphs 24 and 25 herein, without any further action by the Debtors or any other party, the Debtors shall be authorized and deemed to have continued the equivalent of approximately \$1.1 billion of Prepetition Senior Loans held by the Junior DIP Lenders and their respective designated affiliates providing their pro rata portion of the Tranche B Loans as an equivalent amount of Tranche C Loans, which shall thereafter constitute Junior DIP Obligations and which shall accrue fees pursuant to the terms of the Junior DIP Credit Agreement beginning as of the date of entry of this Final Order, subject to the conditions set forth in the Junior DIP Credit Agreement, the other Junior DIP Documents, and this Final Order.

(c) In furtherance of the foregoing, and without further approval of this Court, the Debtors are authorized to perform all acts, to make, execute, and deliver all instruments, certificates, agreements, and documents (including, without limitation, the execution or recordation of guarantees, pledge agreements, security agreements, collateral agreements, trust agreements, security trustee / agent appointment agreements, powers of attorney, financing statements, and other similar documents) and to pay all fees, expenses and other amounts authorized by the DIP Credit Agreements, the other DIP Documents, and this Final Order, appropriate or desirable for the Debtors' performance of their obligations under or related to the DIP Facilities, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Credit Agreements and the other DIP Documents and any collateral documents contemplated thereby;

(ii) the non-refundable and irrevocable payment to the DIP Agents and the DIP Lenders, as the case may be, of all premiums, fees and expenses, including the DIP Fees (which fees and expenses, in each case, were and were deemed to have been approved upon entry of the Interim Orders, as reaffirmed by this Final Order, and whether or not the fees and expenses arose before or after the Petition Date, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance, or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law, or otherwise), and any amounts due (or that may become due) in respect of the indemnification and expense reimbursement obligations, in each case referred to in the DIP Credit Agreements or the other DIP Documents with respect to those indemnified and/or reimbursable parties specifically set forth therein, including (A) a structuring fee earned upon entry of the First Interim Order and due and payable to those certain Senior DIP Lenders funding the Tranche A Loans upon the initial funding of such Tranche A Loans (the “Structuring Fee”),⁵ (B) an exit fee in an amount equal to 2.00% of the principal amount of the Tranche A Loans, payable in cash, earned upon entry of the First Interim Order and due and payable to the Senior DIP Lenders upon any voluntary or mandatory prepayments, cancellation of the commitments with respect to any Tranche A Loans, refinancing, acceleration, maturity, or any other satisfaction (in whole or in part) of the Tranche A Loans, and calculated by reference to the original principal amount of the Tranche A Loans so repaid, prepaid, or the commitments with respect to any Tranche A Loans which are cancelled (the “Senior Exit Fee”), (C) commencing on the Closing Date (as defined in the Senior DIP Credit Agreement), an unused ticking fee of 8.00% per annum of the aggregate

(iv) the performance of all other acts necessary, appropriate, or desirable under, or in connection with, the DIP Credit Agreements and the other DIP Documents.

4. DIP Obligations. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding, and non-avoidable obligations of the Debtors, enforceable in accordance with the terms of this Final Order, the DIP Credit Agreements and the other DIP Documents, against the Debtors and their estates and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing. The DIP Obligations shall be due and payable, without notice or demand, and the use of Cash Collateral shall cease on the Termination Declaration Date (as defined below) or the occurrence of any event or condition set forth in paragraph 17 of this Final Order (subject to the remedies procedures outlined in paragraph 18 herein); *provided, however*, that the Debtors may utilize Cash Collateral during the Termination Notice Period (as defined below) in amounts not to exceed the DIP Budget pending a hearing. Except as permitted by this Final Order, no authorized obligation, payment, transfer, or grant of security hereunder or under the DIP Credit Agreements or the other DIP Documents to the DIP Agents and/or the DIP Lenders shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under applicable law (including, without limitation, under Bankruptcy Code sections 502(d), 544, 545, and 547 to 550, or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law),

or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or challenge, whether under the Bankruptcy Code or any other applicable law or regulation by any person or entity for any reason.

5. DIP Liens. Subject and subordinate to the Carve Out and to the exceptions set forth in the DIP Documents, and at all times subject to the relative rank and priorities set forth in the Lien/Claim Priorities Exhibit and this paragraph 5, effective and automatically perfected upon entry of the First Interim Order, the DIP Obligations shall be secured by valid, binding, continuing, enforceable, fully-perfected, non-avoidable, automatically and properly perfected liens on, and security interests in (such liens and security interests granted (i) with respect to the Senior DIP Facility and the Tranche A Loans thereunder, the “Tranche A DIP Liens,” to the Senior DIP Agent for the benefit of the Senior DIP Secured Parties, (ii) (a) with respect to the Junior DIP Facility and the Tranche B Loans thereunder, the “Tranche B DIP Liens,” and (b) with respect to the Junior DIP Facility and the Tranche C Loans thereunder, the “Tranche C DIP Liens,” in each case to the Junior DIP Agent for the benefit of the Junior DIP Secured Parties, and together with the Tranche A DIP Liens and the Tranche B DIP Liens, collectively, the “DIP Liens”) all assets (whether tangible, intangible, real, personal, or mixed) of the Debtors (and their bankruptcy estates) of any nature whatsoever and wherever located, whether first arising prior to or following the Petition Date (including the Prepetition Collateral), now owned or hereafter acquired, including, without limitation, all accounts, chattel paper, claims and causes of action (other than Avoidance Actions (as defined below)), commercial tort claims, deposit accounts, documents, equipment, general intangibles (including, without limitation, payment intangibles and software), goods (including, without limitation, fixtures), instruments, intellectual property, inventory, investment property

(including, without limitation, all securities (whether certificated or uncertificated), security entitlements and commodity contracts), money, cash, cash equivalents, and all deposit accounts, securities accounts, commodities accounts, lockboxes and all other demand, deposit, time, savings cash management, passbook and similar accounts, together with all money, cash, securities, instruments and other investment property on deposit from time to time therein, letters of credit, letter-of-credit rights, and other supporting obligations, real property, books and records, and to the extent not otherwise included, all substitutions, replacements, accessions, products, and other proceeds and products (whether tangible or intangible and including, without limitation, insurance proceeds (including, without limitation, all proceeds from any directors'/officers' liability insurance policies), indemnity, warranty, licenses, royalties, income, payments, claims, damages, and proceeds of suit) of any and all of the foregoing, and all collateral security and guarantees given by any person with respect to any of the foregoing, the right, title, or interest in any capital stock, investment property, partnership, membership, or other equity or similar interests in any entity (whether or not such entity is a Debtor), including all capital stock, securities accounts, investment property, partnership, and membership, other equity or similar interests (and including all rights, beneficial interests, causes of action, and choses of action related thereto) of the Debtors, whether existing as of the Petition Date or after acquired (all such property, excluding the Excluded Assets under (and as defined in) the DIP Documents, the "DIP Collateral"); *provided, however*, that DIP Collateral shall also include the proceeds or property recovered, unencumbered or otherwise, of any claims and causes of action under Bankruptcy Code sections 502(d), 544, 545, 547, 548, 549, and 550 ("Avoidance Actions" and, such proceeds, the "Avoidance Proceeds"); *provided, further*, that solely with respect to the DIP Obligations in respect of the Tranche C Loans,

the DIP Collateral shall not include Avoidance Proceeds. The DIP Liens will otherwise have the following priorities (subject to paragraph 33 hereof):

(a) *First Priority Liens on Unencumbered Property.* Pursuant to Bankruptcy Code section 364(c)(2), subject and subordinate to the Carve Out, a valid, binding, continuing, enforceable, fully-perfected, first-priority senior security interest in and lien upon all of the DIP Collateral, including, without limitation, all prepetition and postpetition property of the Debtors, whether existing on the Petition Date or thereafter created, acquired, or arising, and wherever located, that, on or as of the Petition Date, is not subject to Prepetition Liens or any other valid, perfected, and non-avoidable liens (or perfected after the Petition Date to the extent permitted by Bankruptcy Code section 546(b)) and including Avoidance Proceeds (collectively, the “Previously Unencumbered Property”) subject and subordinate only to the Carve Out and subject to the priorities set forth in the Lien/Claim Priorities Exhibit.

(b) *Priming Liens.* Pursuant to Bankruptcy Code section 364(d)(1), a valid, binding, continuing, enforceable, fully perfected, first-priority priming security interest and lien (the “Priming Liens”) on all DIP Collateral (including Emergency Loan Collateral and Prepetition Senior Loan Collateral) that does not constitute Previously Unencumbered Property, whether in existence on the Petition Date or thereafter created, acquired, or arising, and wherever located, to the extent that such DIP Collateral is subject to any of the Prepetition Liens, subject and subordinate only to the Carve Out and to Permitted Prior Liens, and as to the Carve Out Reserves. The Priming Liens shall prime and be senior in all respects to the liens and security interests in such property of the Prepetition Secured Parties with respect to the Prepetition Emergency Loan Agreement and the Prepetition Senior Loan Agreement (including, without limitation, the Prepetition Liens, the Adequate Protection Liens granted hereunder and any purported prepetition

liens (the “Primed Liens”). Notwithstanding anything herein to the contrary, the Priming Liens shall be (i) subject and junior to the Permitted Prior Liens and, except in accordance with the Carve Out, will have no recourse to the Carve Out Reserves, or the funds therein (in all cases, for the avoidance of doubt, subject and subordinate to the Carve Out) in all respects, and (ii) subject to the priorities set forth in the Lien/Claim Priorities Exhibit.

(c) *No Senior Liens.* Except to the extent permitted hereunder, the DIP Liens shall not be made subject or subordinate to or made *pari passu* with (i) any lien or security interest that is avoided and preserved for the benefit of the Debtors or their estates under Bankruptcy Code section 551, (ii) any liens or security interests granted in favor of any federal, state, municipal or other governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties, (iii) any intercompany or affiliate claim, lien or security interest of the DIP Loan Parties or their affiliates, or (iv) any other lien, security interest or claim arising under Bankruptcy Code section 363 or 364 granted on or after the date that the First Interim Order was entered.

6. DIP Superpriority Claims. Pursuant to Bankruptcy Code section 364(c)(1), all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Debtors on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in Bankruptcy Code sections 503(b) and 507(b) and any and all administrative expenses or other claims (“Administrative Expense Claims”) arising under or ordered pursuant to Bankruptcy Code sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113, or 1114 (including the Adequate Protection Obligations), whether or not such expenses or claims may

become secured by a judgment lien or other non-consensual lien, levy, or attachment, which allowed claims (with respect to the DIP Obligations under the Senior DIP Facility, the “Tranche A DIP Superpriority Claims,” and with respect to the DIP Obligations under the Junior DIP Facility, the “Tranche B DIP Superpriority Claims” or the “Tranche C DIP Superpriority Claims,” as applicable, and collectively, the “DIP Superpriority Claims”) shall, for purposes of Bankruptcy Code section 1129(a)(9)(A), be considered administrative expenses allowed under Bankruptcy Code section 503(b), and which DIP Superpriority Claims shall be payable from, and have recourse to, all of the DIP Collateral and all proceeds thereof in accordance with the DIP Credit Agreements, the other DIP Documents, and this Final Order, including the Lien/Claim Priorities Exhibit, subject to (i) payment in full of the Carve Out and provided that the DIP Superpriority Claims will have no recourse to the Carve Out Reserves except in accordance with the Carve Out and (ii) the Lien/Claim Priorities Exhibit. The DIP Superpriority Claims shall be entitled to the full protection of Bankruptcy Code section 364(e) if this Final Order or any provision hereof is reversed or modified on appeal, reconsideration or remand.

7. DIP Budget Compliance and Reporting.

(a) Attached to the First Interim Order as Exhibit 2 is a 13-week cash flow forecast for the 13-week period commencing on the Petition Date, in form and substance acceptable to the Required DIP Lenders, which reflects, among other things, the Debtors’ projected receipts, disbursements, (including professional fees, which shall not be subject to the Permitted Variances (as defined below)), net operating cash flow and liquidity for the period covered thereby (the “Initial DIP Budget”). The Debtors shall deliver an updated 13-week cash forecast in form and substance satisfactory to the Required DIP Lenders (together with the Initial DIP Budget, the “DIP Budget”) on or prior to the first Friday of every four (4) calendar weeks following entry

of the First Interim Order. Any amendments, supplements, or modifications to the DIP Budget or Budget Variance Report (as defined below) shall be subject to the prior written approval of the Required DIP Lenders in their sole discretion prior to the implementation thereof; *provided, further*, that all material modifications, amendments, supplements or waivers shall be provided to counsel to the Committee no later than five (5) days prior to the effectiveness thereof. If the Required DIP Lenders have approved in writing or have not objected (including through counsel by e-mail) within five (5) business days of receipt of such proposed updated DIP Budget, the proposed updated DIP Budget shall become the DIP Budget. Until any such updated budget, amendment, supplement, or modification has been approved by the Required DIP Lenders (or until the passage of the aforementioned five (5) business day period without receiving an objection to such proposed updated DIP Budget, as applicable, after which time the proposed new DIP Budget shall become effective), the Debtors shall be subject to and be governed by the terms of the DIP Budget then in effect. Any updated DIP Budget, once effective, shall be filed with the Court. Attached to the Second Interim Order as Exhibit 4 is the updated 13-week cash flow forecast which constitutes the current DIP Budget.

(b) The Debtors shall at all times comply with the DIP Budget, subject to the Permitted Variances (as defined below). Commencing on the fifth Friday following the entry of the First Interim Order (or the successive business day if such Friday is not a business day) and continuing every week thereafter (by 12:00 p.m. (prevailing Eastern Time) on each such applicable Friday (or the successive business day if such Friday is not a business day)), the Debtors shall deliver by e-mail to the DIP Agents, the DIP Lenders, and counsel to the Committee a variance report (each, a “Budget Variance Report”) for the immediately preceding four-week period then ended (the “Variance Period”) setting forth the difference between, on a line-by-line and aggregate

basis, (i) actual operating disbursements, non-operating activities, and first day motion relief and budgeted operating disbursements, non-operating activities, and first day motion relief, (ii) actual operating receipts and budgeted operating receipts, and (iii) actual professional fees and budgeted professional fees and describing in adequate detail all material variances for such Variance Period. The actual amount of “Net Cash Flow” for each Variance Period (excluding, for purposes of determining budget compliance and calculation of the Permitted Variances (as defined below), Allowed Professional Fees (as defined below), DIP Fees, and the DIP Financing Interest and repayment of the Emergency Loan Repayment (each as defined in the Junior DIP Credit Agreement)) shall not be less than the amount of Net Cash Flow forecasted for such Variance Period in the DIP Budget applicable thereto by more than the greater of 25.0% of the Net Cash Flow forecasted for such Variance Period or \$25,000,000 (the foregoing, the “Budget Variance Test” and the budget variances permitted pursuant thereto, the “Permitted Variances”). For the avoidance of doubt, any reference to “written consent” or “written approval” hereunder shall include consent or approval granted by e-mail (including as communicated by counsel in writing to the DIP Lenders).

(c) Except as otherwise agreed to by the applicable DIP Agent, acting at the direction of the applicable Required DIP Lenders or as expressly permitted herein or in the DIP Credit Agreements or the other DIP Documents, the Debtors’ use of the proceeds of the New Money DIP Loans and Cash Collateral shall only be permitted pursuant to the terms of, and in accordance with, the DIP Budget, subject to the Permitted Variances. The DIP Lenders and the DIP Agents, or the Prepetition Secured Parties, as applicable, shall have no obligation with respect to the Debtors’ use of the proceeds of the New Money DIP Loans and Cash Collateral, and shall not be obligated to ensure or monitor the Debtors’ compliance with the DIP Budget or to pay

(directly or indirectly from the New Money DIP Loans or Cash Collateral) any expenses incurred or authorized to be incurred pursuant to the DIP Budget. The consent of the Required DIP Lenders, the DIP Agents or the Prepetition Secured Parties, as applicable, to the use of New Money DIP Loans or Cash Collateral pursuant to this Final Order and the DIP Credit Agreements shall not be construed as consent to the use of any New Money DIP Loans or Cash Collateral after the occurrence of an Event of Default (as defined in the DIP Credit Agreements, as applicable) (other than funding the Carve Out in full as set forth herein), regardless of whether the aggregate funds shown on the DIP Budget have been expended. The Debtors shall provide the DIP Lenders, the advisors to the Ad Hoc Group of Senior Lenders, and advisors to the Committee with all reporting and other information required to be provided to the DIP Agents under the DIP Credit Agreements and the other DIP Documents. In addition to, and without limiting, whatever rights of access that the DIP Agents and the DIP Secured Parties have under the DIP Credit Agreements or the other DIP Documents, upon reasonable notice, at reasonable times during normal business hours, the Debtors shall, to the extent reasonably practicable, permit representatives, advisors, agents, and employees of the DIP Agents, the DIP Lenders, and counsel to the Committee to: (i) have access to and inspect the Debtors' books and records; and (ii) discuss the Debtors' affairs, financings, and conditions with the Debtors' attorneys and financial advisors.

8. Carve Out.

(a) Carve Out. As used in this Final Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$100,000 incurred by a trustee under Bankruptcy Code section 726(b) (without regard to the

notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to Bankruptcy Code sections 327, 328, or 363 (the “Debtor Professionals”) and the Committee pursuant to Bankruptcy Code sections 328 or 1103 (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by a DIP Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$20 million incurred after the first business day following delivery by a DIP Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”). For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by e-mail (or other electronic means) by a DIP Agent (acting at the direction of the applicable Required DIP Lenders) to the Debtors, their lead restructuring counsel, the U.S. Trustee, counsel to the Ad Hoc Group of Senior Lenders, counsel to the Committee, and counsel to the other DIP Agent, which notice may be delivered following (x) the occurrence and during the continuation of an Event of Default (as defined in the DIP Credit Agreements, as applicable) and acceleration of the DIP Obligations under the DIP Facilities or (y) if all commitments under the DIP Facilities have been terminated, and all DIP Obligations have been indefeasibly paid, the termination of the Debtors’ right to use Cash Collateral, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by a DIP Agent to the Debtors and their counsel with a copy to the U.S. Trustee, each counsel

to the DIP Lenders, and counsel to the Committee (the “Termination Declaration Date”), the Carve Out Trigger Notice shall (i) be deemed a draw request and notice of borrowing by the Debtors for New Money DIP Loans under the then outstanding New Money Commitments (on a pro rata basis based on the then outstanding New Money Commitments), in an amount equal to the then unpaid amounts of the Allowed Professional Fees (any such amounts actually advanced shall constitute New Money DIP Loans) and (ii) also constitute a demand to the Debtors to utilize all cash on hand as of such date, and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees. The Debtors shall deposit and hold such amounts in a segregated account at the Senior DIP Agent in trust to pay such then unpaid Allowed Professional Fees (the “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice shall also (i) be deemed a request by the Debtors for New Money DIP Loans under the then outstanding New Money Commitments (on a pro rata basis based on the then outstanding New Money Commitments), in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute New Money DIP Loans) and (ii) constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap. The Debtors shall deposit and hold such amounts in a segregated account held by or under the control of the Senior DIP Agent (or, following the indefeasible repayment in full, in cash, of the Senior DIP Obligations, the Junior DIP Agent) in trust to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve, the “Carve Out Reserves”) prior to any and all other claims. On the first business

day after a DIP Agent gives such notice to its applicable DIP Lenders, notwithstanding anything in the DIP Credit Agreements to the contrary, including with respect to the existence of a Default (as defined in the DIP Credit Agreements, as applicable) or Event of Default (as defined in the DIP Credit Agreements, as applicable), the failure of the Debtors to satisfy any or all of the conditions precedent for New Money DIP Loans under the DIP Facilities, any termination of the New Money Commitments following an Event of Default (as defined in the DIP Credit Agreements, as applicable), or the occurrence of the Maturity Date, each DIP Lender with an outstanding New Money Commitment (on a pro rata basis based on the then outstanding New Money Commitments) shall make available to the DIP Agent such DIP Lender's pro rata share with respect to such borrowing (up to its pro rata share of the then outstanding New Money Commitments) in accordance with the applicable DIP Facility.

(c) Application of Carve Out Reserves. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, in excess of the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to the DIP Agents to be paid in accordance with the Lien/Claim Priorities Exhibit and the DIP Documents, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all New Money Commitments have been terminated, in which case any such excess shall be paid to the Prepetition Agents, in each case for application in accordance with this Final Order, including the Lien/Claim Priorities Exhibit.

(d) All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the

“Post-Carve Out Amounts”), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to the DIP Agents to be paid in accordance with the Lien/Claim Priorities Exhibit and the DIP Documents, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all New Money Commitments have been terminated, in which case any such excess shall be paid to the Prepetition Agents, in each case for application in accordance with the DIP Documents and this Final Order, including the Lien/Claim Priorities Exhibit.

(e) Notwithstanding anything to the contrary in the DIP Credit Agreements, the other DIP Documents, or this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 8, then any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph 8, prior to making any payments to the DIP Agents or the Prepetition Agents, as applicable.

(f) Notwithstanding anything to the contrary in the DIP Credit Agreements, the other DIP Documents, or this Final Order, following delivery of a Carve Out Trigger Notice, the DIP Agents and the Prepetition Agents shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Agents for application in accordance with the DIP Documents.

(g) Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute DIP Loans or increase or reduce the DIP Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full

the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the DIP Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt, and notwithstanding anything to the contrary in this Final Order or the DIP Documents, the Carve Out shall be senior to any and all liens and claims securing the DIP Facilities, the Adequate Protection Liens, the Adequate Protection Claims, the Prepetition Secured Obligations, the DIP Superpriority Claims and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Secured Obligations.

(h) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(i) No Direct Obligation to Pay Allowed Professional Fees. None of the DIP Agents, DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in the Interim Orders, this Final Order or otherwise shall be construed to obligate the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement. Notwithstanding anything contained herein to the contrary, neither the Carve Out, the DIP Budget, any professional fee budget, or any other provision hereof shall constitute a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors.

(j) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out from New Money DIP Loans funded after the Termination Declaration Date shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral, and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

9. Limitation on Charging Expenses against Collateral. In light of the agreement of the DIP Agents, the DIP Lenders, and certain Prepetition Secured Parties to (i) provide the New Money DIP Loans, (ii) allow the Debtors to use Cash Collateral as provided for herein, (iii) allow for the Carve Out, and (iv) allow for the subordination of the Primed Liens to the DIP Liens, no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Prepetition Collateral or the DIP Collateral (except to the extent of the Carve Out) pursuant to Bankruptcy Code section 506(c) or any similar principle of law, without the prior written consent of the DIP Agents, the Required DIP Lenders, and the Prepetition Agents, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence.

10. Soft Marshaling/Application of Proceeds. The DIP Agents and the Prepetition Agents shall be entitled to apply the payments or proceeds of the DIP Collateral and the Prepetition Collateral, respectively, in accordance with the provisions of this Final Order, the DIP Documents, and the Prepetition Secured Facilities Documents, as applicable, and, except as specified below, in no event shall the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties be subject to

the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or Prepetition Collateral, as applicable; *provided, however*, that the DIP Agents shall satisfy DIP Obligations in respect of the Tranche C Loans by looking *first* to DIP Collateral that constitutes Prepetition Senior Loan Collateral that was subject to validly perfected liens or security interests as of the Petition Date that are capable of being monetized within a commercially reasonable time period, *second*, to the extent that the DIP Obligations in respect of the Tranche C Loans have not been paid in full, to DIP Collateral that constitutes Prepetition Senior Loan Collateral that was not subject to validly perfected liens or security interests as of the Petition Date, and *third*, to the extent that the DIP Obligations in respect of the Tranche C Loans have not been paid in full, to DIP Collateral that is not Prepetition Senior Loan Collateral (excluding Avoidance Proceeds), subject to the terms of this Final Order and the Lien/Claim Priorities Exhibit; *provided further* that the DIP Agents shall satisfy DIP Obligations on account of the New Money DIP Loans by looking *first* to assets constituting DIP Collateral other than Avoidance Proceeds that are capable of being monetized within a commercially reasonable time period.

11. Equities of the Case. In light of, among other things, the agreement of the DIP Agents, the DIP Lenders, and certain Prepetition Secured Parties to provide the New Money DIP Loans and allow the Debtors to use Cash Collateral on the terms set forth herein, (i) the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to the rights and benefits of Bankruptcy Code section 552(b), if any, and (ii) the “equities of the case” exception under Bankruptcy Code section 552(b) shall not apply to such parties with respect to the proceeds, products, offspring, or profits of any of the Prepetition Collateral or the DIP Collateral, as applicable.

12. Payments Free and Clear. Subject and subordinate to the Carve Out in all respects, and subject to paragraphs 24, 25 and 33 with respect to payments or authorized proceeds remitted to the DIP Agents on account of the Tranche C Loans, any and all authorized payments or authorized proceeds remitted to the DIP Agents on behalf of the DIP Lenders pursuant to the provisions of the Interim Orders, this Final Order, the DIP Credit Agreements, and any other DIP Document or any subsequent order of this Court shall be irrevocable, received free and clear of any claim, charge, assessment, or other liability, including, without limitation, any claim or charge arising out of or based on, directly or indirectly, Bankruptcy Code sections 506(c) or 552(b), whether asserted or assessed by, through or on behalf of the Debtors.

13. Use of Cash Collateral. The Debtors are hereby authorized to use all Cash Collateral solely in accordance with this Final Order, the DIP Credit Agreements, and the other DIP Documents, to the extent set forth in the DIP Budget, including, without limitation, to make payments on account of the Adequate Protection Obligations and other obligations provided for in the Interim Order, this Final Order, the DIP Credit Agreements, and the other DIP Documents. Except as pursuant to the DIP Budget, or on the terms and conditions of this Final Order, or an order of the Court, or as otherwise agreed to by the DIP Agents (acting at the direction of the Required DIP Lenders), or, following payment in full in cash of the DIP Obligations and termination of the DIP Facilities, the Prepetition Senior Loan Agent (acting at the direction of the requisite Prepetition Senior Loan Secured Parties), the Debtors shall be prohibited from at any time using the Cash Collateral.

14. Adequate Protection for the Prepetition Secured Parties. Subject and subordinate only to the Carve Out and the terms of this Final Order, including the Lien/Claim Priorities Exhibit, pursuant to Bankruptcy Code sections 361, 363(e), and 364, and in consideration of the stipulations

and consents set forth herein, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for any postpetition diminution in value of such interests (such diminution, a “Diminution in Value”) resulting from the incurrence of additional debt and the imposition of the Priming Liens on the Prepetition Collateral, the Carve Out, the imposition of the automatic stay, the sale, lease, or use of the Prepetition Collateral (including Cash Collateral), or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition Agents and the other Prepetition Secured Parties are and were, as applicable, granted the following (collectively, the “Adequate Protection Obligations”); *provided* that the Prepetition Agents on behalf of the Prepetition Secured Parties shall have no recourse to the Carve Out Reserves; *provided, further*, that all Parties’ rights are preserved as to whether a Diminution in Value has occurred, and the adequate protection will otherwise include:

(a) Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, valid, binding, enforceable, non-avoidable, effective, and automatically perfected additional and replacement liens on, and security interest in, the Prepetition Collateral and the Previously Unencumbered Property (such liens and security interests granted (i) with respect to the Prepetition Emergency Loan Obligations, the “Prepetition Emergency Loan Facility Adequate Protection Liens” and (ii) with respect to the Prepetition Senior Loan Obligations, the “Prepetition Senior Loan Facility Adequate Protection Liens” and collectively, the “Adequate Protection Liens”), without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, intellectual property filings, mortgages, deeds of trust, notices of lien, or other similar instruments or documents. The Adequate Protection Liens shall be (i) subject and subordinate to the Carve Out and the Permitted Prior Liens, (ii) subject to the relative priorities set forth in the Lien/Claim

Priorities Exhibit, and (iii) senior to any and all other liens and security interests in the DIP Collateral.

(b) Adequate Protection Claims. As further adequate protection, and to the extent provided by Bankruptcy Code sections 503(b) and 507(b), an allowed Administrative Expense Claim in the Chapter 11 Cases of each of the Debtors to the extent of any postpetition Diminution in Value (such Administrative Expense Claim granted (i) with respect to the Prepetition Emergency Loan Obligations, the “Prepetition Emergency Loan Facility Adequate Protection Claims” and (ii) with respect to the Prepetition Senior Loan Obligations, the “Prepetition Senior Loan Facility Adequate Protection Claims” and collectively, the “Adequate Protection Claims”). The Adequate Protection Claims shall be payable from, and have recourse to, all DIP Collateral and all proceeds thereof. The Adequate Protection Claims shall be (i) subject and subordinate to the Carve Out and the DIP Superpriority Claims in all respects, (ii) subject to the relative priorities set forth in the Lien/Claim Priorities Exhibit, and (iii) senior to any and all other Administrative Expense Claims against each of the Debtors, now existing or hereafter arising, of any kind or nature whatsoever.

(c) Reporting. The Debtors shall deliver to counsel to the Committee, and to the Prepetition Agents, for the benefit of the Prepetition Secured Parties all reports and notices deliverable to the DIP Lenders and/or the DIP Agents (and on the same date delivered to the DIP Lenders and/or the DIP Agents), as applicable, pursuant to this Final Order, including, without limitation, the delivery of a DIP Budget and/or a Budget Variance Report.

(d) Fees and Expenses. As further adequate protection, the Debtors are authorized and directed to pay, without further Court order, the reasonable and documented fees and expenses (the “Adequate Protection Fees and Expenses”), whether incurred before or after the

Petition Date, of the Prepetition Secured Parties, to the extent set forth in the DIP Credit Agreements, the other DIP Documents, and this Final Order. request additional detail regarding the services rendered and expenses incurred by such professionals, subject to redaction for privilege and the rights of the Fee Notice Parties to challenge such redaction. If no objection to payment of the requested Adequate Protection Fees and Expenses is made, in writing, by any of the Fee Notice Parties within ten (10) calendar days after delivery of such invoices (the “Fee Objection Period”), then such invoice shall be promptly paid, without further order of, or application to, this Court or notice to any other party, and, in any case, within seven (7) calendar days following the expiration of the Fee Objection Period. For the avoidance of doubt, the provisions of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine. If, within the Fee Objection Period, a Fee Notice Party sends to the affected professional a written objection to such invoice, then only the disputed portion of such Adequate Protection Fees and Expenses shall not be paid as set forth above until the objection is resolved by the applicable parties in good faith or, if no resolution can be achieved after good faith discussions, by order of this Court, and any undisputed portion shall be paid as soon as reasonably practicable and, in any case, within seven (7) calendar days following the expiration of the Fee Objection Period and shall not be subject to any further review, challenge, or disgorgement. in Value of the Prepetition Secured Parties' respective interests in the Prepetition Collateral (including the Cash Collateral).

17. DIP Termination Event. Subject to any applicable notice and cure periods and other terms set forth in paragraph 18 hereof, if the DIP Obligations have not been indefeasibly paid in full in cash (or otherwise satisfied in a manner provided for in the applicable DIP Documents), including in connection with any Sale (as defined below), then the DIP Obligations shall accelerate and become due and payable in full, and the DIP Commitments and the Debtors' use of Cash Collateral will terminate, in each case, without further notice or action by the Court, following the earliest to occur of any of the following (each a "DIP Termination Event"): (i) the occurrence and continuation of any Event of Default (as defined and set forth in the DIP Credit Agreements, as applicable), which Events of Default are explicitly incorporated by reference into this Final Order; (ii) a breach of the Budget Variance Test, if the DIP Loan Parties are unable to demonstrate compliance with the Budget Variance Test within fourteen (14) calendar days of the date of such breach (tested based on the DIP Budget in effect at such time and subject to the Permitted Variances); (iii) the Debtors' failure to comply with any material provision of this Final Order; (iv) the Debtors' breach or failure to comply with any of the Milestones (as defined in the DIP Credit Agreements, as applicable) unless waived or extended by the applicable Required DIP Lenders in accordance with the applicable DIP Document; (v) dismissal or conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (vi) the appointment of a trustee; and (vii) the entry of an order authorizing the use of Cash Collateral of the DIP Lenders or financing under Bankruptcy Code section 364 other than pursuant to this Final Order or the filing by the Debtors of a motion seeking such authority.

18. Remedies Upon a DIP Termination Event.

(a) The Debtors shall immediately provide written notice (the “Termination Notice”) to counsel to the DIP Agents (with a request to immediately post such notice to the DIP Lenders), the Committee, counsel to the Committee, and counsel to the Ad Hoc Group of Senior Lenders of the occurrence of any DIP Termination Event, and within the five (5) business day period following such occurrence (the “Termination Notice Period”) (regardless of whether the Debtors have actually provided the notice described herein), the Debtors and/or the Committee shall be permitted to request an emergency hearing before the Court (which request must be made prior to the conclusion of the Termination Notice Period, and shall seek consideration of such request on an expedited basis); *provided, further, however*, that during the Termination Notice Period, the Debtors are permitted to use Cash Collateral solely to fund expenses critically necessary to preserve the value of the Debtors’ businesses, as determined by the DIP Lenders, and to fund the Carve Out Reserves. Upon the expiration of a Termination Notice Period, and absent further order of this Court, (i) at the direction of the applicable Required DIP Lenders, the commitment of each applicable DIP Lender to make the applicable New Money DIP Loans will be terminated to the extent any such commitment remains under the applicable DIP Facility subject to the Carve Out and any “deemed draw” thereunder; (ii) at the direction of the applicable Required DIP Lenders under either DIP Facility, all DIP Obligations under such DIP Facility shall become due and payable, in full, following the expiration of the Termination Notice Period, written notice of which may be by e-mail, by the applicable DIP Agent (at the direction of the applicable Required DIP Lenders) to the Debtors and their counsel, the applicable DIP Lenders, counsel to the other DIP Agent, the U.S. Trustee, the Committee, and counsel to the Committee, (iii) at the direction of the applicable Required DIP Lenders under either DIP Facility, the Debtors’ authority

to use Cash Collateral shall immediately terminate, subject only to the Carve Out and except that the Debtors may use Cash Collateral to make payroll of the Debtors and fund critical expenses of the Debtors necessary to preserve the Prepetition Collateral, in each case in accordance with the terms of the DIP Budget, and subject to the Carve Out and any “deemed draw” thereunder, (iv) after expiration of the Termination Notice Period, the Senior DIP Agent, acting at the direction of the Required Senior DIP Lenders (or, upon the earlier of (A) repayment of the outstanding Obligations, as defined in the Senior DIP Credit Agreement (any such Obligations, “Senior DIP Obligations”) in full in cash, and (B) 90 days following the expiration of the Termination Notice Period (which 90 day-period shall be tolled during any period of time following the delivery of the Termination Notice to the extent that the Senior DIP Secured Parties are legally prohibited from initiating an enforcement action during such time) if the Senior DIP Agent has not initiated any enforcement action, the Junior DIP Agent, acting at the direction of the Required Junior DIP Lenders), may exercise any rights and remedies against the DIP Collateral available to it under this Final Order, the DIP Documents, and applicable non-bankruptcy law (subject to the terms of this paragraph 18 of this Final Order) (*provided*, however, that any standstill with respect to enforcement actions by the Junior DIP Agent described in this paragraph 18(a)(iv) shall not apply with respect to the DIP Escrow Account), and (v) after expiration of the Termination Notice Period, if the DIP Obligations have been indefeasibly paid in full in cash, the Prepetition Secured Parties may seek to exercise any rights and remedies in accordance with the Prepetition Secured Facilities Documents and applicable non-bankruptcy law and this Final Order to satisfy the outstanding Prepetition Secured Obligations, the Adequate Protection Claims, and any other Adequate Protection Obligations, subject to the DIP Obligations, the DIP Superpriority Claims and, in each case, subject and subordinate in all respects to the Carve Out. The Debtors, the DIP

Secured Parties, and the Prepetition Secured Parties agree not to oppose a request by any party, including the Committee, for an expedited hearing filed during the Termination Notice Period seeking expedited consideration of appropriate relief including, if necessary, non-consensual use of Cash Collateral. Absent Court order prior to the expiration of the Termination Notice Period to the contrary, the automatic stay pursuant to section 362 of the Bankruptcy Code shall be automatically terminated as to the DIP Secured Parties and Prepetition Secured Parties at the end of the Termination Notice Period without further notice or order; *provided* that if a request for such hearing is made prior to the end of the Termination Notice Period, then the Termination Notice Period shall be continued until the Court hears and rules with respect thereto.

(b) So long as there are any DIP Obligations outstanding or the DIP Lenders have any outstanding New Money Commitments, the Prepetition Secured Parties shall have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Secured Facilities Documents or this Final Order (including, without limitation, the Primed Liens) or otherwise seek to exercise or enforce any rights or remedies against the DIP Collateral (including without limitation, in connection with the Adequate Protection Liens or settling any insurance policy with respect thereto) or take any action to frustrate the lawful exercise of remedies by the DIP Secured Parties with respect to the DIP Obligations.

(c) Except as set forth herein, to the extent any Prepetition Secured Party has possession of, or control over, any Prepetition Collateral or DIP Collateral, or has been listed as a secured party on any certificate of title for a titled good constituting Prepetition Collateral or DIP Collateral, such Prepetition Secured Party shall be deemed to have such possession or be so listed or have such possession or control as a gratuitous bailee and/or gratuitous agent for the benefit of the DIP Secured Parties (subject to the terms set forth in this Final Order, the DIP Documents, and

the Intercreditor Agreements), and such Prepetition Secured Party shall comply with the instructions of the Senior DIP Agent, acting at the direction of the Required Senior DIP Lenders or, if the Senior DIP Obligations have been indefeasibly repaid in full in cash, the Junior DIP Agent, acting at the direction of the Required Junior DIP Lenders, with respect to any of the foregoing. Each applicable DIP Agent is hereby authorized to take any of the actions described in this paragraph (c) on behalf of the Prepetition Secured Parties and/or the Junior DIP Secured Parties (as applicable), and such authorization is coupled with an interest and is irrevocable.

(d) Except as set forth herein, to the extent any Junior DIP Secured Party has possession of, or control over, any DIP Collateral, or has been listed as a secured party on any certificate of title for a titled good constituting DIP Collateral, such Junior DIP Secured Party shall be deemed to have such possession or be so listed or have such possession or control as a gratuitous bailee and/or gratuitous agent for the benefit of the Senior DIP Secured Parties (subject to the terms set forth in this Final Order and the DIP Documents), and such Junior DIP Secured Party shall comply with the instructions of the Senior DIP Agent, acting at the direction of the Required Senior DIP Lenders, with respect to any of the foregoing, unless and until the Senior DIP Obligations have been indefeasibly repaid in full in cash.

(e) Except as set forth herein, including paragraph 15(c) with respect to the DIP Escrow Account, unless and until the Senior DIP Obligations have been indefeasibly repaid in full in cash, any payments or distributions in respect of any Obligations, as defined in the Junior DIP Credit Agreement (any such Obligations, the “Junior DIP Obligations”) or any proceeds of DIP Collateral received by any Junior DIP Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the DIP Collateral or otherwise, shall be segregated and held in trust for the benefit of, and forthwith paid over to, the Senior DIP Agent for

the benefit of the Senior DIP Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The Senior DIP Agent is hereby authorized to make any such endorsements as agent for the Junior DIP Agent. This authorization is coupled with an interest and is irrevocable.

(f) Except as set forth herein, and other than adequate protection payments expressly permitted hereunder, any payments or distributions in respect of any Prepetition Senior Loan Obligations or any proceeds of Prepetition Collateral received by any Prepetition Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise, shall be segregated and held in trust for the benefit of, and forthwith paid over to, the Senior DIP Agent for the benefit of the Senior DIP Secured Parties or, if the Senior DIP Facility has been indefeasibly repaid in full in cash, the Junior DIP Agent for the benefit of the Junior DIP Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The applicable DIP Agent is hereby authorized to make any such endorsements as agent for the applicable Prepetition Secured Parties. This authorization is coupled with an interest and is irrevocable.

(g) To the extent that any Prepetition Secured Parties are party to control agreements, or otherwise have control (as defined in the applicable Uniform Commercial Code or other applicable U.S. or foreign law), over bank accounts that constitute DIP Collateral, (i) such control agreements or control are deemed to apply to each of the DIP Facilities and (ii) the Senior DIP Agent, acting at the direction of the Required Senior DIP Lenders, upon the occurrence and during the continuance of an Event of Default (as defined in the Senior DIP Credit Agreement), or, if the Senior DIP Facility has been indefeasibly repaid in full in cash, the Junior DIP Agent, acting at the direction of the Required Junior DIP Lenders, upon the occurrence and during the

continuance of an Event of Default (as defined in the Junior DIP Credit Agreement) is authorized to issue cash sweep instructions under such control agreements or to or on behalf of the controlling Prepetition Secured Party.

19. Joint and Several. The Debtors are jointly and severally liable for the DIP Obligations, the Adequate Protection Obligations, and all other obligations hereunder.

20. No Waiver for Failure to Seek Relief. The failure or delay of the Debtors, the DIP Agents, the DIP Lenders, or any of the Prepetition Secured Parties to exercise rights and remedies under this Final Order, the DIP Credit Agreements, the other DIP Documents, the Prepetition Secured Facilities Documents, or applicable law, as the case may be, shall not constitute a waiver of their respective rights hereunder, thereunder, or otherwise.

21. Preservation of Rights Granted Under this Final Order.

(a) Subject and subordinate in all cases to the Carve Out, and other than as set forth in this Final Order, including the Lien/Claim Priorities Exhibit, neither the DIP Liens nor the Adequate Protection Liens shall be made subject or subordinate to, or *pari passu* with, any lien or security interest granted in any of the Chapter 11 Cases or arising after the Petition Date, and neither the DIP Liens nor the Adequate Protection Liens shall be subject or subordinate to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under Bankruptcy Code section 551.

(b) In the event that this Final Order or any provision hereof is reversed or modified on appeal, reconsideration or remand, the validity and priority of any liens or claims granted to the Prepetition Secured Parties hereunder arising prior to the effective date of any such reversal or modification of this Final Order shall be governed in all respects by the original provisions of this Final Order, including entitlement to all rights, remedies, privileges, and benefits

granted herein, and the Prepetition Secured Parties shall be entitled to the protections afforded in Bankruptcy Code section 364(e).

(c) Subject and subordinate to the Carve Out, unless and until all DIP Obligations, outstanding Prepetition Secured Obligations, and Adequate Protection Obligations are indefeasibly paid in full, in cash, and all commitments under the DIP Credit Agreements and the other DIP Documents are otherwise terminated in accordance with the terms thereof, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly:

- (i) except as permitted under the DIP Credit Agreements or the other DIP Documents, or with the prior written consent of the DIP Agents (acting at the direction of the Required DIP Lenders)
- (x) any modification, stay, vacatur, or amendment of this Final Order (including the Lien/Claim Priorities Exhibit), (y) a priority claim for any administrative expense, secured claim, or unsecured claim against any of the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation, any administrative expense of the kind specified in Bankruptcy Code sections 503(b), 507(a), or 507(b)) in any of the Chapter 11 Cases, with priority equal or superior to the DIP Superpriority Claims, the Adequate Protection Claims, or the Prepetition Secured Obligations (or the liens and security interests securing such claims and obligations), or (z) any other order allowing use of the DIP Collateral except if in compliance with this Final Order and the DIP Budget; (ii) except as permitted under the DIP Credit Agreements, the other DIP Documents, this Final Order (including the Lien/Claim Priorities Exhibit), or with the prior written consent of the DIP Agents (acting at the direction of the Required DIP Lenders), any lien on any of the DIP Collateral or the Prepetition Collateral with priority equal or superior to the DIP Liens, the Adequate Protection Liens, or the Prepetition Liens, as the case may be;
- (iii) the use of Cash Collateral or DIP Facilities proceeds for any purpose other than as permitted

in the DIP Credit Agreements, the other DIP Documents, and this Final Order (including in compliance with the DIP Budget or other orders of the Court to which the DIP Agents (acting at the direction of the Required DIP Lenders) have approved); (iv) an order converting any of the Chapter 11 Cases or dismissing any of the Chapter 11 Cases; (v) an order appointing a chapter 11 trustee in any of the Chapter 11 Cases; or (vi) an order appointing an examiner with expanded powers in any of the Chapter 11 Cases. Until and unless the DIP Obligations have been paid in full in cash and all commitments to extend credit under the DIP Facilities, as applicable, have been terminated, each Debtor irrevocably waives any right to seek any amendment, modification, or extension of this Final Order without the prior written consent of the DIP Agents (acting at the direction of the Required DIP Lenders in their sole discretion), and no such consent shall be implied by any action, inaction, or acquiescence of the applicable DIP Agent or the DIP Lenders.

(d) Notwithstanding any order dismissing any of the Chapter 11 Cases under Bankruptcy Code section 1112 or otherwise entered at any time: (x) the Carve Out, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims, and the other administrative claims granted pursuant to this Final Order shall continue in full force and effect, and shall maintain their relative priorities as provided in this Final Order, including the Lien/Claim Priorities Exhibit, until all DIP Obligations and Adequate Protection Obligations are indefeasibly paid in full, in cash (and such DIP Liens, DIP Superpriority Claims, Adequate Protection Liens, Adequate Protection Claims, and other administrative claims granted pursuant to this Final Order shall, notwithstanding such dismissal, remain binding on all parties in interest); (y) the other rights granted by this Final Order shall not be affected; and (z) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens, and security interests referred to in this paragraph 21 and otherwise in this Final Order.

(e) Except as expressly provided in this Final Order, the DIP Credit Agreements, or the other DIP Documents, the Carve Out, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims, and all other rights and remedies of the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall survive, shall maintain their priority as provided in this Final Order, including the Lien/Claim Priorities Exhibit, and shall not be modified, impaired, or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7, dismissing any of the Chapter 11 Cases, terminating the joint administration of the Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to Bankruptcy Code section 363(b) (except to the extent permitted by the DIP Documents); or (iii) the entry of an order confirming a plan in any of the Chapter 11 Cases and, pursuant to Bankruptcy Code section 1141(d)(4), the Debtors have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Final Order, the DIP Credit Agreements, and the other DIP Documents shall continue in the Chapter 11 Cases (including in any successor cases under any chapter of the Bankruptcy Code) if the Chapter 11 Cases cease to be jointly administered or in any superseding chapter 7 cases under the Bankruptcy Code. The DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, and the Adequate Protection Claims, and all other rights and remedies of the DIP Agents, DIP Lenders, and the Prepetition Secured Parties granted by the provisions of this Final Order, shall continue in full force and effect, and shall maintain their relative priorities as provided in this Final Order, including the Lien/Claim Priorities Exhibit, until all DIP Obligations and Adequate Protection Obligations are indefeasibly paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner provided for in the applicable

DIP Documents). Notwithstanding anything to the contrary in this Final Order, the DIP Credit Agreements, or the other DIP Documents, nothing in this Final Order, DIP Credit Agreements, or the other DIP Documents shall affect any right of any DIP Agent or any DIP Lender to object to any sale of the Debtors' assets or any chapter 11 plan that does not pay the DIP Obligations and DIP Superpriority Claims in full, and all such rights are expressly preserved.

22. Good Faith Under Bankruptcy Code Section 364(e); No Modification or Stay of this Final Order. The DIP Agents, the DIP Lenders, and certain of the Prepetition Secured Parties have acted in good faith in connection with this Final Order and are entitled to rely upon the protections granted herein and by Bankruptcy Code section 364(e). Based upon the findings set forth in this Final Order and the record made during the Interim Hearings, and in accordance with Bankruptcy Code section 364(e), in the event any or all of the provisions of this Final Order are hereafter reversed or modified on appeal, reconsideration or remand, the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties are entitled to the protections provided in Bankruptcy Code section 364(e). Any such reversal modification on appeal, reconsideration or remand shall not affect the validity and enforceability of any advances previously made or made hereunder or under the Interim Orders, or any lien, claim, or priority authorized or created hereby or in the Interim Orders.

23. Expenses and Indemnification of DIP Agents and DIP Lenders.

(a) The Debtors are authorized and directed to pay, without further Court order, the reasonable and documented fees and expenses, whether incurred before or after the Petition Date, by professionals or consultants retained by the DIP Agents and the DIP Lenders (as specifically set forth in the DIP Credit Agreements, the other DIP Documents or herein), including, for the avoidance of doubt, the fees and expenses of (i) counsel to the DIP Agents, Mayer Brown

LLP, and one local counsel in each other appropriate jurisdiction, (ii) counsel to Deutsche Bank AG, London Branch, Willkie Farr & Gallagher LLP, and one local counsel in each other appropriate jurisdiction, (iii) counsel to the Backstop Parties, Akin Gump Strauss Hauer & Feld, LLP, and one local counsel in each other appropriate jurisdiction, (iv) the investment bankers to the Backstop Parties, Houlihan Lokey Capital, Inc., and (v) the financial advisors to the Backstop Parties, AlixPartners, LLP (collectively, the “DIP Professionals”), incurred in connection with the Chapter 11 Cases (in any capacity) and the DIP Facilities, including the reasonable and documented out-of-pocket expenses (including, without limitation, fees, disbursements, and other charges of DIP Professionals) of the DIP Agents and the DIP Lenders, for enforcement costs and documentary taxes associated with the DIP Facilities and the transactions contemplated thereby (collectively, the “DIP Professional Fees”). The DIP Professionals shall not be required to file motions or applications with respect to the DIP Professional Fees, *provided, however*, that any time the DIP Professionals seek payment of fees and expenses from the Debtors, each DIP Professional shall provide reasonably detailed summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to the Fee Notice Parties; *provided, further*, that Fee Notice Parties reserve their rights to request additional detail regarding the services rendered and expenses incurred by such professionals, subject to redaction for privilege and the rights of the Fee Notice Parties to challenge such redaction. If no objection to payment of the requested DIP Professional Fees and expenses is made, in writing, by any of the Fee Notice Parties within

the Fee Objection Period, then such invoice shall be paid as soon as reasonably practicable, without further order of, or application to, the Court or notice to any other party, and, in any case, within seven (7) calendar days following the expiration of the Fee Objection Period, and shall not be subject to any further review, challenge, or disgorgement. For the avoidance of doubt, the provisions of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine. If, within the Fee Objection Period, a Fee Notice Party sends to the affected professional a written objection to such invoice, then only the disputed portion of such DIP Professional Fees shall not be paid until the objection is resolved by the applicable parties in good faith or, if no resolution is achieved after good faith discussions, by order of the Court, and any undisputed portion shall be paid as soon as reasonably practicable and, in any case, within seven (7) calendar days following the expiration of the Fee Objection Period. Notwithstanding the foregoing, on or about the date of entry of this Final Order and funding of the Delayed Draw DIP Loans, the Debtors shall pay fees and expenses of the DIP Professionals incurred and unpaid prior to such date upon expiration of the Fee Objection Period if no objection to payment of the requested fees and expenses is made, in writing, by any of the Fee Notice Parties.

(b) As set forth in the DIP Documents, the Debtors will jointly and severally indemnify the DIP Lenders and the DIP Agents, and their respective investment advisors, affiliates, related funds/accounts, successors and assigns, and the officers, directors, employees, agents, advisors, counsel, controlling persons, and members of each of the foregoing (each an “Indemnified Person”), and hold them harmless from and against any and all losses, claims, damages, costs, expenses (including but not limited to reasonable and documented legal fees and expenses), and liabilities arising out of or relating to the execution or delivery of the DIP Credit Agreements and the other DIP Documents, transactions contemplated hereby and thereby, and any

actual or proposed use of the proceeds of any loans made under the DIP Facilities in accordance with the terms of the DIP Credit Agreements; *provided*, that the DIP Lenders and DIP Agents shall not be indemnified for any losses, claims, damages, costs, expenses related to a successful Challenge on account of Prepetition Secured Obligations; *provided*, further, that no Indemnified Person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of gross negligence or willful misconduct of such Indemnified Person. No Indemnified Person shall have any liability (whether direct or indirect, in contract, tort, or otherwise) to the Debtors or any shareholders or creditors of the Debtors for, or in connection with, the transactions contemplated hereby, except to the extent such liability is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted solely from such Indemnified Person's gross negligence or willful misconduct. Notwithstanding anything to the contrary in this Final Order or any other order of the Court, (i) any indemnities and other obligations which by the express terms of the relevant Senior DIP Documents shall survive the repayment of the Senior DIP Loans (the "Contingent Senior DIP Obligations"), shall survive the repayment of the Senior DIP Loans and termination of the Senior DIP Documents (including in connection with the effective date of any plan), not be discharged or released pursuant to any plan or order of this Court confirming any plan, and continue to be secured by all liens and security interests granted to secure the Senior DIP Obligations and (ii) the Senior DIP Documents shall continue in full force and effect after the repayment of the Senior DIP Loans and termination of the Senior DIP Documents (including in connection with the effective date of any plan) with respect to any obligations thereunder governing the Contingent Senior DIP Obligations.

24. Limitation on Use of DIP Facilities Proceeds, DIP Collateral, and Cash Collateral.

Subject to paragraph 25 hereof, none of the DIP Facilities, the DIP Collateral, the Prepetition Collateral, or the proceeds thereof, including Cash Collateral, or the Carve Out may be used: (i) to investigate, initiate, prosecute, join, or finance the initiation or prosecution of any claim, counterclaim, action, suit, arbitration, proceeding, application, motion, objection, defense, or other litigation of any type (a) against any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such) under the DIP Documents, the Interim Orders, this Final Order, or the Prepetition Secured Facilities Documents, including, without limitation, for the payment of any services rendered by the professionals retained by the Debtors or the Committee in connection with the assertion of or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defense, or other contested matter, the purpose of which is to seek, or the result of which would be to obtain, any order, judgment, determination, declaration, or similar relief that would impair the ability of any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties to recover on the DIP Collateral or the Prepetition Collateral, or seeking affirmative relief against any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties related to the DIP Obligations or the Prepetition Secured Obligations, (b) seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Obligations, the DIP Superpriority Claims, or the DIP Agents' and the DIP Lenders' DIP Liens or other liens or security interests in the DIP Collateral or the Prepetition Secured Obligations or the Prepetition Liens in the Prepetition Collateral, or (c) for monetary, injunctive, or other affirmative relief against the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such), or their respective liens on, or security interests in, the DIP Collateral or the Prepetition Collateral, or the DIP Superpriority Claims, that would impair the ability of any of the DIP Agents, the DIP

Lenders, or the Prepetition Secured Parties to assert or enforce any lien, claim, right, or security interest, or to realize or recover on the DIP Obligations or the Prepetition Secured Obligations to the extent permitted or provided hereunder; (ii) for objecting to or challenging in any way the legality, amount, validity, extent, priority, perfection, or enforceability of the claims, liens, or interests (including the Prepetition Liens, the DIP Liens or the DIP Superpriority Claims) held by or on behalf of each of the Prepetition Secured Parties related to the Prepetition Secured Obligations or by or on behalf of the DIP Agents and the DIP Lenders related to the DIP Obligations; (iii) for asserting, commencing, or prosecuting any claims or causes of action whatsoever, including, without limitation, any avoidance actions related to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Prepetition Secured Obligations, or the Prepetition Liens; and (iv) for prosecuting an objection to, contesting in any manner or raising any defenses to, the legality, validity, extent, amount, perfection, priority, or enforceability of: (x) any of the DIP Liens, the DIP Superpriority Claims, the DIP Obligations, or any other rights or interests of the DIP Agents or the DIP Lenders related to the DIP Obligations or the DIP Liens or (y) any of the Prepetition Liens or any other rights or interests of any of the Prepetition Secured Parties related to the Prepetition Secured Obligations; *provided*, that up to \$100,000 of aggregate proceeds of the DIP Facilities, the DIP Collateral, or the Prepetition Collateral, including the Cash Collateral, may be used by the Committee to investigate the foregoing matters within the Challenge Period (as defined below, and such proceeds, the “Investigation Budget”).

25. Effect of Stipulations on Third Parties.

(a) The stipulations, admissions, waivers, and releases contained in paragraph F hereof, and contained in paragraph F of each of the Interim Orders, were and shall be binding upon the Debtors (including their representatives) and any successor or assigns thereto

upon entry of this Final Order. The stipulations, admissions, waivers, and releases contained in this Final Order shall also be binding upon all other parties in interest, including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, including the Committee, or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors (a “Trustee”), unless (i) such party with requisite standing, has duly filed an appropriate pleading challenging the legality, amount, validity, perfection, priority, extent or enforceability of, or any payments made, whether before or after the Petition Date, on account of, the Prepetition Liens or the Prepetition Secured Obligations (including, without limitation, (x) the Prepetition Secured Obligations that have been converted to Tranche C Loans pursuant to the Roll-Up authorized in this Final Order, subject to paragraph 33, and (y) the Prepetition Emergency Loan Obligations and any payment made on account thereof), or otherwise asserting or prosecuting any Avoidance Actions or any other claims, counterclaims, or causes of action, objections, contests, or defenses (each such proceeding or contested matter, a “Challenge”) against the Prepetition Secured Parties or any such parties’ affiliates or representatives in connection with any matter related to the Prepetition Secured Facilities Documents, the Prepetition Collateral, the Prepetition Liens, or the Prepetition Secured Obligations by no later than the date that is seventy-five (75) days from entry of the First Interim Order, subject to further extension (a) by written agreement (which writing may be in the form of e-mail by counsel) of the Debtors and the Prepetition Senior Loan Agent (at the direction of the Prepetition Senior Lenders pursuant to the Prepetition Senior Loan Documents) each in their sole discretion, or (b) by this Court for good cause shown pursuant to an application filed and served by a party in interest prior to the expiration of the Challenge Period, the “Challenge Period”); *provided*, that the Challenge Period for the Committee will expire (unless otherwise extended pursuant to the terms of this Final DIP Order) upon the entry of an order approving the

adequacy of a disclosure statement; *provided further*, in the event that, prior to the expiration of the Challenge Period, (x) the Chapter 11 Cases are converted to cases under chapter 7 of the Bankruptcy Code or (y) a chapter 11 trustee is appointed in the Chapter 11 Cases, then in each such case, the Challenge Period shall be extended for a period of thirty (30) calendar days solely with respect to any Trustee, commencing on the occurrence of either of the events described in the foregoing clauses (x) and (y); and (ii) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such Challenge or claim in any such duly filed adversary proceeding or contested matter. If no such adversary proceeding or contested matter is timely filed prior to the expiration of the Challenge Period, without further order of this Court: (x) the Prepetition Secured Obligations shall constitute allowed claims, not subject to any Challenge (whether characterized as a counterclaim, setoff, subordination, recharacterization, defense, avoidance, contest, attack, objection, recoupment, reclassification, reduction, disallowance, recovery, disgorgement, attachment, “claim” (as defined by Bankruptcy Code section 101(5)), impairment, subordination (whether equitable, contractual or otherwise), or other challenge of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law), for all purposes in the Chapter 11 Cases and any subsequent chapter 7 cases, if any; (y) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, and of the priority specified in paragraph F hereof, not subject to setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, or recovery; and (z) the Prepetition Secured Obligations, the Prepetition Liens on the Prepetition Collateral, and the Prepetition Secured Parties (in their capacities as such) shall not be subject to any other or further challenge, and any party in interest shall be forever barred from seeking to exercise the rights of the Debtors’ estates or taking any such action, including any successor thereto

(including any estate representative or a Trustee, whether such Trustee is appointed or elected prior to or following the expiration of the Challenge Period). If any adversary proceeding or contested matter is timely filed by a party that has standing as provided above prior to the expiration of the Challenge Period, (i) the stipulations and admissions contained in this Final Order shall nonetheless remain binding and preclusive on all other parties in interest, including any Trustee, except with respect to any party that timely files a Challenge and solely as to any stipulations or admissions that are specifically and expressly challenged in such adversary proceeding or contested matter; *provided* that a successful adversary proceeding or contested matter filed by the Committee will inure to the benefit of all unsecured creditors and, in such event, the stipulations and admissions contained in this Final Order specifically resolved or addressed by such a successful adversary proceeding or contested matter shall not be binding and shall not remain preclusive on all general unsecured creditors (other than the Prepetition Secured Parties with respect to any deficiency claims held by such Prepetition Secured Parties and as otherwise provided in paragraph 33 of this Final Order); *provided, further*, that the filing of a motion by the Committee or any other party in interest seeking standing with respect to a Challenge, attaching a draft of the complaint or other pleading setting forth such Challenge, shall toll the Committee's or any such party's Challenge Period in respect of such Challenge, solely as to any stipulations or admissions that are specifically and expressly challenged in such adversary proceeding or contested matter, until the date that is one (1) business day after the entry of a final order of the Court (which order, on request of any party, will be issued within fourteen (14) days of the filing of such motion or as otherwise determined by the Court) ruling on such standing motion with respect to such Challenge (or to such later date as agreed to by the challenging party, the Debtors and the Ad Hoc Group of Senior Lenders); and (ii) any Challenge not brought in such adversary

proceeding or contested matter shall be forever barred; *provided*, that, if and to the extent any challenges to a particular stipulation or admission are withdrawn, denied, or overruled by a final non-appealable order, such stipulation shall also be binding on the Debtors' estates and all parties in interest. For the avoidance of doubt, none of the DIP Collateral (including any proceeds thereof) shall be used to fund any professional fees or expenses of any party in connection with any Challenge (other than such fees and expenses of the Committee Professionals which shall not exceed the Investigation Budget) whether pursuant to this Final Order or otherwise. To the extent this Final Order or any subsequent order of the Court or agreement of the parties provides for any payments on account of the Prepetition Emergency Loan Obligations, the Committee's right to challenge any such payments shall be subject to paragraphs 24 and 25 of this Final Order.

(b) Nothing in this Final Order vests or confers on any person (as defined in the Bankruptcy Code), including the Committee, standing or authority to pursue any claims or causes of action belonging to the Debtors or their estates, including, without limitation, any Challenge with respect to the Prepetition Secured Facilities Documents or the Prepetition Secured Obligations, and all rights to object to such standing are expressly reserved.

27. Turnover. Except as expressly permitted in this Final Order, any “first” day order, or the DIP Documents, and except with respect to the DIP Loan Parties, in the event that any person or entity receives any payment on account of a security interest in the DIP Collateral (other than with respect to the Carve Out or the Permitted Prior Liens), receives any DIP Collateral or any proceeds of the DIP Collateral or receives any other payment or distribution with respect thereto from any other source prior to indefeasible payment in full in cash of all DIP Obligations

and termination of all DIP Commitments, such person or entity shall be deemed to have received, and shall hold, any such DIP Collateral or any payment on account or proceeds thereof in trust for the benefit of the Senior DIP Secured Parties and, upon the indefeasible payment in full in cash of the Senior DIP Obligations, the Junior DIP Secured Parties and shall immediately turn over such collateral, proceeds, payment or distribution to the Senior DIP Agent or, upon the indefeasible payment in full in cash of the Senior DIP Obligations, the Junior DIP Agent, or as otherwise instructed by this Court, for application in accordance with the applicable DIP Documents and this Final Order, in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct; *provided*, however, that this provision shall not apply to the DIP Loan proceeds on account of Tranche B Loans deposited into the DIP Escrow Account and not yet disbursed to the Borrower. The applicable DIP Agent is hereby authorized to make any such endorsements as agent for such person or entity. This authorization is coupled with an interest and is irrevocable.

28. Priming Liens. The Prepetition Senior Loan Agent is and was authorized and directed to take all steps required to give full force and effect to the Priming Liens granted pursuant to the terms of this Final Order including, but not limited to: (i) entering into and adhering to one or more intercreditor agreements (and any ancillary documents that are necessary or desirable in connection therewith) with the DIP Agents on terms sufficient to: (a) acknowledge or consent to, and otherwise give full force and effect in all jurisdictions (domestic and foreign) to, the priority of the Priming Liens provided for in this Final Order over any other competing lien, security interest, or encumbrance of any kind or nature (including Prepetition Liens), subject to the priorities set forth in the Lien/Claim Priorities Exhibit; and (b) implement the turnover provisions provided for in this Final Order or any other DIP Documents; and (ii) facilitating in all respects

29. Insurance. At all times the Debtors shall maintain casualty and loss insurance coverage for the Prepetition Collateral and the DIP Collateral on substantially the same basis as maintained prior to the Petition Date. Upon entry of the First Interim Order, the DIP Agents were, are, and will be deemed to be, without any further action or notice, named as additional insureds and lender's loss payees on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral. To the extent that the Junior DIP Agent or a Prepetition Agent is listed as a loss payee under the insurance policies of any of the DIP Loan Parties, the Senior DIP Agent shall also be deemed to be a loss payee under such insurance policies until the indefeasible payment in full of the Senior DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and shall act in that capacity and distribute any proceeds recovered or received in respect of such insurance policies in accordance with the terms of this Final Order and the DIP Documents.

30. Loss or Damage to Collateral. The DIP Secured Parties and Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, as applicable, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person. Upon entry of the First Interim Order, subject to Bankruptcy Code section 363(k), the terms of the DIP Documents, and the provisions of this Final Order, including the Challenge Period and the Lien/Claim Priorities Exhibit, any DIP Agent, or any assignee or designee of the applicable DIP Agent, acting at the direction of the applicable Required DIP Lenders and on behalf of the applicable DIP Secured Parties, shall have the unqualified and unconditional right to credit bid up to the full amount of any DIP Obligations in respect of the applicable DIP Facility, including any accrued interest and expenses in connection with any sale or other disposition of all or any portion of the DIP Collateral, including, without limitation, sales occurring pursuant to (a) Bankruptcy Code section 363, (b) a plan of reorganization or a plan of liquidation under Bankruptcy Code sections 1123 and 1129, or (c) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725 (any of the foregoing sales or dispositions, a “Sale”), on a dollar-for-dollar basis; *provided*, that the right of the Junior DIP Agent, acting at the direction of the Required Junior DIP Lenders and on behalf of the Junior DIP Lenders, to credit bid the Junior DIP Obligations is conditioned upon such bid including the indefeasible repayment in cash of all Senior DIP Obligations, upon the satisfaction of which, neither the Senior DIP Agent nor any Senior DIP Lenders may object to the Junior DIP Agent and/or Junior DIP Lenders’ credit bid based on the relative lien/claim priorities between the Senior DIP Obligations and the Junior DIP Obligations set forth in the Lien/Claim Priorities Exhibit; *provided, further*, that such relief will be binding on the Debtors’ chapter 11 estates and all parties in interest upon entry of this Final Order. The DIP Agents and the Prepetition Agents each shall automatically be deemed a “qualified bidder” with respect to any disposition of assets by the Debtors in a Sale. The DIP Agents and the Prepetition Agents, as applicable, shall have the absolute right to assign, sell, or otherwise dispose of its respective right to credit bid in connection with any credit bid by or on

behalf of the DIP Secured Parties or Prepetition Secured Parties, as applicable, to any acquisition entity or joint venture formed in connection with such bid.

32. No Requirement to Accept Title to Collateral. Except as may be otherwise agreed in writing, the DIP Agents, DIP Lenders and Prepetition Secured Parties shall not be obligated to accept title to any portion of the respective DIP Collateral or Prepetition Collateral in the payment of the indebtedness owed to such parties by the Debtors, in lieu of payment in cash, nor shall any of the DIP Agents, DIP Lenders or Prepetition Secured Parties be obligated to accept payment in cash that is encumbered by any interest of any person or entity other than the DIP Agents, DIP Lenders, or Prepetition Secured Parties.

33. Roll-Up of Certain Prepetition Senior Loan Obligations. Upon entry of this Final Order, 47.5% of Senior Loan Claims held by the DIP Lenders funding Tranche B Loans and their respective designated affiliates shall be immediately, automatically, and, subject to the rights of the Debtors and other parties in interest pursuant to this paragraph 33 and paragraphs 24 and 25 of this Final Order, irrevocably deemed Tranche C Loans and shall constitute DIP Obligations (it being understood and agreed that such Roll-Up of the Prepetition Senior Loans (i) is not and shall not be deemed a novation (*koukai*) or de facto loans (*jun-shohi taishaku*) under the Civil Code of Japan and (ii) does not constitute a repayment of the Prepetition Senior Loans)) and, except as otherwise provided in this Final Order, the Junior DIP Credit Agreement, and the other DIP Documents, shall be entitled to all of the priorities, privileges, rights, and other benefits afforded to the other DIP Obligations under this Final Order, DIP Credit Agreements, and the other DIP Documents, in each case, subject to the Lien/Claim Priorities Exhibit. The continuation of certain Prepetition Senior Loans through the Roll-Up as described in this paragraph 33 (it being understood and agreed that such Roll-Up (i) is not and shall not be deemed a novation (*koukai*) or

de facto loans (*jun-shohi taishaku*) under the Civil Code of Japan and (ii) does not constitute a repayment of the Prepetition Senior Loans) is sought as compensation for, in consideration for, as a necessary inducement for, and on account of the agreement of the DIP Lenders to fund amounts pursuant to the terms of the DIP Facilities, is not sought as payments under, adequate protection for, or otherwise on account of, any Prepetition Senior Loans and shall not be subject to any sharing or turnover provisions set forth in the Prepetition Senior Loan Documents. Subject to the Lien/Claim Priorities Exhibit and this paragraph 33, the Tranche B Loans and the Tranche C Loans shall be secured by the DIP Collateral on a *pari passu* basis; *provided*, that the Tranche C Loans shall be subordinated in right of payment from the proceeds of the DIP Collateral to (i) the Tranche A Loans, (ii) the Tranche B Loans, (iii) the Prepetition Emergency Loans, and (iv) the Senior Lender Priority Recovery (as defined in the Restructuring Support Agreement) and shall only be entitled to payment from such proceeds after such obligations set forth in the immediately preceding clause (i) through (iv) have been paid in full, and otherwise subordinated in accordance with the Lien/Claim Priorities Exhibit. In the event of a successful Challenge to the Roll-Up in accordance with this Final Order, the Court may, following a notice and a hearing, fashion any appropriate remedy solely for the benefit of the Debtors' prepetition creditors other than the Prepetition Secured Parties with respect to the Prepetition Secured Obligations (including any deficiency claims held by such Prepetition Secured Parties).

34. No Obligation to Extend Credit. The DIP Agents and DIP Lenders shall have no obligation to make any loan or advance under the relevant DIP Documents or the DIP Credit Agreements unless all of the applicable conditions precedent (as applicable) under the DIP Credit Agreements, the DIP Documents, the Interim Orders, and this Final Order have been satisfied in

full or waived by the DIP Lenders and in accordance with the terms of the DIP Credit Agreements, this Final Order, and the other applicable DIP Documents.

35. Restrictions on Transfer of DIP Collateral or Prepetition Collateral to Non-Debtor Affiliates. The Debtors shall not transfer or use any DIP Collateral or Prepetition Collateral, including Cash Collateral, to or for the benefit of any direct or indirect non-debtor affiliate or subsidiary of the Debtors absent the express written consent of the DIP Agents (acting at the direction of the respective Required DIP Lenders) or as set forth in the DIP Budget and only after providing the Committee, on a professional eyes only basis, five (5) business days' prior written notice of any such transfer or use; *provided* that nothing contained herein or in the DIP Documents shall preclude the Debtors from seeking to refinance the DIP Facilities.

36. No Waiver by Failure to Seek Relief. The failure of the Debtors, the DIP Agents, DIP Lenders, or Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under the Interim Orders, this Final Order, the DIP Credit Agreements, the other DIP Documents, the Prepetition Secured Facilities Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise.

37. Binding Effect; Successors and Assigns. The DIP Credit Agreements, the other DIP Documents, and the provisions of this Final Order, including all findings herein, subject to paragraphs 24 and 25 as to non-Debtors, shall be binding upon all parties in interest in the Chapter 11 Cases, including, without limitation, the DIP Agents, the DIP Lenders, the Prepetition Secured Parties, the Committee, and the Debtors and their respective successors and assigns (including any Trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to Bankruptcy Code section 1104, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the

Debtors), and shall inure to the benefit of the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties; *provided* neither the DIP Secured Parties nor the Prepetition Secured Parties shall have any obligation to permit the use of DIP Collateral or Prepetition Collateral (including Cash Collateral) or to extend any financing to any Trustee or similar responsible person appointed for the estates of the Debtors.

38. Limitation of Liability. Solely in determining to make any loan under the DIP Credit Agreements and the other DIP Documents, permitting the use of Cash Collateral, or exercising any rights or remedies (excluding any actions taken after an exercise of remedies) as and when permitted pursuant to the Interim Orders, this Final Order, the DIP Credit Agreements, the other DIP Documents, or the Prepetition Secured Facilities Documents, the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties shall not be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors or their respective business, nor shall they owe any fiduciary duty to any of the Debtors, their creditors or estates, or constitute or be deemed to constitute a joint venture or partnership with any of the Debtors. Furthermore, nothing in the Interim Orders, this Final Order, the DIP Credit Agreements, the other DIP Documents, or the Prepetition Secured Facilities Documents shall in any way be construed or interpreted to impose or to allow the imposition upon the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in Bankruptcy Code section 101(2)).

39. Amendment of the DIP Documents. The DIP Credit Agreements and the other DIP Documents may from time to time be amended, restated, waived, modified, or supplemented by the Debtors and the DIP Agents (acting at the direction of the requisite DIP Lenders) or the

requisite DIP Lenders, in each case, in accordance with the terms and conditions of this Final Order and such DIP Documents, without further order of the Court, if the amendment, restatement, waiver, modification, or supplement does not (a) shorten the original stated maturity of the DIP Loans, (b) increase the aggregate commitments or the rate of interest payable thereunder, or (c) amend the Events of Default or covenants under the DIP Credit Agreements or the other DIP Documents to be materially more restrictive to the Debtors (taken as a whole) (such amendment, restatement, waiver, modification or supplement, an “Approved Modification”); *provided, that*, for the avoidance of doubt, other than as explicitly set forth herein, in the DIP Credit Agreements or another DIP Document, updates and supplements to the DIP Budget required to be delivered by the Debtors under the DIP Credit Agreements or this Final Order shall not require further order of the Court; *provided, further*, that the Debtors shall provide notice of any proposed Approved Modifications to the U.S. Trustee, the DIP Agents, the Prepetition Agents, and the Committee (which may be provided through e-mail) no later than two (2) business day prior to the effectiveness thereof. In the case of an amendment, restatement, waiver, supplement, or other modification of the DIP Credit Agreements or any other DIP Documents that is not an Approved Modification, the Debtors shall (a) provide notice (which may be provided through e-mail) to counsel to the Committee, the U.S. Trustee, the DIP Agents, and the Prepetition Agents and (b) obtain approval of the Court, upon required notice to the parties identified in clause (a) and any other required parties.

40. Master Proofs of Claim. None of the DIP Agents, DIP Lenders, or Prepetition Secured Parties shall be required to file proofs of claim in any of the Chapter 11 Cases or any successor cases for any claim allowed herein, and the stipulations in paragraph F shall be deemed to constitute a timely filed proof of claim with respect to the Prepetition Secured Obligations

against each of the applicable Debtors in the Chapter 11 Cases. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or any successor cases to the contrary, the DIP Agents, on behalf of themselves and their respective other DIP Secured Parties, and the Prepetition Agents, on behalf of themselves and their respective other Prepetition Secured Parties, as applicable, are authorized and entitled, but not directed or required (except as the DIP Agents may be directed by the applicable Required DIP Lenders and the Prepetition Agents may be directed by the requisite Prepetition Secured Parties), to file (and amend and/or supplement, from time to time, as the respective agents determine) a master proof of claim on account of any and all of the respective claims arising under the DIP Facilities or Prepetition Secured Facilities Documents, as applicable (the “Master Proof of Claim”). For administrative convenience, any Master Proof of Claim authorized herein may be filed in the case of Debtor Marelli Automotive Lighting USA LLC with respect to all amounts asserted in such Master Proof of Claim, and such Master Proof of Claim shall be deemed to be filed and asserted by the applicable entity or entities against every Debtor asserted to be liable for the applicable claim. For the avoidance of doubt, the provisions set forth in this paragraph and any Master Proof of Claim filed pursuant to the terms hereof are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party in interest or their respective successors in interest, including, without limitation, the numerosity requirements set forth in Bankruptcy Code section 1126. The DIP Agents and Prepetition Agents, as applicable, shall not be required to attach any instruments, agreements, or other documents evidencing the obligations owing by each of the Debtors to the DIP Secured Parties or Prepetition Secured Parties, as applicable, which instruments, agreements, or other documents will be provided upon written request to counsel to applicable DIP Agent or the Prepetition Agents, as applicable. Any order entered by the Court in

relation to the establishment of a bar date for any claim (including any administrative claim) in any of the Chapter 11 Cases or any successor cases shall not apply to the DIP Agents, the DIP Lenders or the Prepetition Secured Parties. For the avoidance of doubt, none of the DIP Agents, DIP Lenders, or Prepetition Secured Parties, as applicable, will be required to file any request for allowance and/or payment of any administrative expenses authorized under this Final Order.

41. Reservation of Rights. Nothing in this Final Order shall be construed as consent to the allowance of any fees, expenses, reimbursement or compensation sought by any Professional Person, and the DIP Agents, DIP Lenders and the Prepetition Secured Parties reserve the right to review and object to any fee statement, interim application or monthly application issued or filed by any Professional Person. Notwithstanding anything to the contrary herein or in the DIP Documents, (x) in no event shall any DIP Lender be required to fund any amounts in excess of its pro rata commitments with respect to the New Money DIP Loans, or be required to fund after the DIP Obligations have been repaid and the DIP Lenders' commitments under such DIP Facility have been terminated, and (y) the payment of any Allowed Professional Fees pursuant to the Carve Out shall not (i) reduce any Debtor's obligations owed to the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties (whether under this Final Order or otherwise) or (ii) modify, alter or otherwise affect any of the liens and security interests of such parties (whether granted under this Final Order or otherwise) in the DIP Collateral or Prepetition Collateral.

42. Chubb Reservation of Rights. For the avoidance of doubt (i) nothing, including the DIP Documents and/or this Final Order, alters or modifies the terms and conditions of any insurance policies issued by ACE American Insurance Company and Federal Insurance Company and each of their U.S.-based affiliates and predecessors (collectively, "Chubb"), and/or any agreements, documents, or instruments related thereto; and (ii) the proceeds of any insurance

policy issued by Chubb shall only be considered to be DIP Collateral to the extent such proceeds are paid to the Debtors or their estates (as opposed to a third party claimant) pursuant to the terms of any such applicable insurance policy or applicable non-bankruptcy law.

43. City of El Paso Reservation of Rights. For clarity and the avoidance of any doubt, notwithstanding any provisions to the contrary in this Final Order, any statutory tax liens of the City of El Paso (Texas) (whether prepetition or post-petition) shall not be primed by nor subordinated to any liens granted pursuant to this Final Order to the extent such tax liens in favor of the City of El Paso (Texas) are valid, senior, perfected, and unavoidable, and all parties' rights to object to the priority, validity, amount, and extent of the claims and liens asserted by the City of El Paso (Texas) are fully preserved.

44. Automatic Stay Modified. The automatic stay under Bankruptcy Code section 362 shall be modified and lifted to the extent necessary to allow the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties, as applicable, to provide any notices to the Debtors or take any other action as contemplated by and in accordance with this Final Order, the DIP Credit Agreements, and the other DIP Documents.

45. Necessary Action. The Debtors are authorized to take any and all such actions and to make, execute, and deliver any and all instruments as may be reasonably necessary to implement the terms and conditions of this Final Order and the transactions contemplated hereby.

46. Right to Seek Additional Adequate Protection. The Interim Orders and this Final Order are without prejudice to, and do not constitute a waiver of, expressly or implicitly, the rights of the Prepetition Secured Parties to request additional forms of adequate protection at any time, subject to the consent of the DIP Agents (acting at the direction of the respective Required DIP Lenders in their sole discretion) and any party in interest's right to object thereto. Nothing in the

Interim Orders or this Final Order shall be deemed a finding by the Court or an acknowledgment by the Prepetition Secured Parties that the adequate protection granted herein does in fact adequately protect the Prepetition Secured Parties against any Diminution in Value.

47. Effectiveness. This Final Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9024, or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

48. Final Order Governs. In the event of any inconsistency or conflict between the express terms or provisions of the DIP Documents, the Interim Orders and this Final Order, the provisions of this Final Order shall govern.

49. Bankruptcy Rules. The requirements of Bankruptcy Rules 4001, 6003, and 6004, in each case to the extent applicable, are satisfied by the contents of the Motion.

50. Retention of Jurisdiction. The Court shall retain exclusive jurisdiction to resolve any and all disputes arising under or related to the DIP Obligations, the DIP Credit Agreements, the other DIP Documents, and/or the provisions of this Final Order, and to enforce all of the conditions of the DIP Credit Agreements, the other DIP Documents and this Final Order.
