In support of this Application, the Debtors submit and incorporate by reference the *Declaration of Pramit Vasantrai Nathoo in Support of the Application of the Debtors for Entry of an Order (I) Authorizing the Retention and Employment of Ernst & Young LLP as Accounting and Tax Services Provider Effective as of January 28, 2026 and (II) Granting Related Relief* (the “Nathoo Declaration”), which is attached hereto as Exhibit B and incorporated herein. In further support of this Application, the Debtors respectfully state as follows.

### **Jurisdiction and Venue**

2. The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Debtors confirm their consent, pursuant to rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), to the entry of a final order by the Court in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory bases for the relief requested herein are sections 327(a), 328(a), and 330 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rules 2014-1 and 2016-1.

### **Background**

5. The Debtors, together with their non-Debtor affiliates (collectively, “Marelli” or the “Company”) are one of the largest international automotive parts suppliers in the world and a pioneer in motorsports and in automobile manufacturing and design. With its headquarters in Saitama, Japan and over 46,000 employees located in twenty-four countries around the world, Marelli designs and produces sophisticated technologies for leading automotive manufacturers, including lighting and sensor integrations, electronic systems, software solutions, and interior design products, and collaborates with motor sports teams and other industry leaders to research and develop cutting-edge, high-performance automotive components.

6. On June 11, 2025 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On June 12, 2025, the Court entered an order [Docket No. 102] authorizing the procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1. On June 25, 2025, the United States Trustee for the District of Delaware (the “U.S. Trustee”) appointed an official committee of unsecured creditors [Docket No. 184] (the “Committee”). On January 15, 2026, the Court entered an order [Docket No. 1515] authorizing the appointment of a fee examiner in these chapter 11 cases.

### **EY LLP Qualifications**

7. EY LLP has significant qualifications and experience as an outside accounting and tax service provider. The firm’s related experience is widely recognized, and it regularly provides such services to large and complex business entities, including financially distressed companies. Accordingly, the Debtors have determined that EY LLP has the resources and experience

necessary to perform services in these chapter 11 cases.

8. The Debtors seek to employ and retain EY LLP because of its experience and extensive knowledge of accounting, tax, bankruptcy specific tax issues, tax consulting and structuring, and related issues. The firm's related experience is widely recognized, and it regularly provides such services to large and complex business entities. Significantly, EY LLP has extensive experience in delivering such services to debtors who have filed chapter 11 cases. *See In re At Home Grp. Inc.*, No. 25-11120 (JKS) (Bankr. D. Del. 9. Further, the Debtors seek to employ EY LLP effective *nunc pro tunc* to January 28, 2026 because EY LLP has provided services to the Debtors throughout the postpetition period. During this period, EY LLP has performed various planning tasks related to this accounting and advisory services, tax services, and valuation services as contemplated by the Engagement Letter in order to ensure the timely delivery of services required by the Debtors to

successfully emerge from chapter 11. Over the course of the period from January 28, 2026 through the filing of this Application, EY LLP negotiated the Engagement Letter with the Debtors and performed an internal conflict check on the individuals and entities on the parties in interest list prior to executing the Engagement Letter. Both the Debtors and EY LLP believed in good faith that it was in the Debtors' best interest to continue performing services through the present date while the Engagement Letter was negotiated and the internal conflict check was performed in light of the fact that the services performed were necessary to the Debtors' ongoing efforts to successfully achieve their chapter 11 objectives and the Debtors would have been prejudiced in the event that this work was not performed.

10. Accordingly, EY LLP is both well-qualified and uniquely able to provide accounting and advisory services, tax services, and valuation services to the Debtors in these chapter 11 cases in an efficient and timely manner. The Debtors believe that EY LLP's employment is in the best interests of the Debtors, their estates, and their creditors.

#### **Services to be Provided**

11. As set forth in detail in the Engagement Letter, EY LLP has agreed to provide (i) certain financial accounting and advisory services ("Accounting and Advisory Services"), (ii) certain tax services (the "Tax Services"), and (iii) certain valuation services (the "Valuation Services" and, together with the Accounting and Advisory Services and Tax Services, the "Services") to the Debtors in connection with these chapter 11 cases upon approval of the Court, a summary of which is set forth below and fully described in the Statement of Work:<sup>3</sup>

---

<sup>3</sup> The summaries of certain terms of the Engagement Letter herein are qualified in their entirety by reference to the provisions of such Engagement Letter. To the extent there is any discrepancy between the summaries contained in this Application and the terms of the Engagement Letter, the terms of the Engagement Letter shall control. Unless otherwise defined, capitalized terms used in these summaries shall have the meanings ascribed to them in the Engagement Letter.

(c) Valuation Services:

- Prepare a memorandum outlining prevailing market practices for the placement of the WACC function, with consideration of strategic alignment, data accessibility, technical expertise, governance, resource capability, and technology integration.

12. EY LLP’s performance of the Services is critical to the Debtors’ ongoing efforts to successfully achieve their chapter 11 objectives and preserve and maximize the value of their estates. As a result, the Debtors submit that EY LLP is well-qualified and best suited to perform the Services.

**Efforts to Avoid Duplication of Services**

13. All of the Services will be appropriately directed by the Debtors in an effort to avoid duplication of services among the other professionals retained in these chapter 11 cases. The Debtors believe that the Services will complement, and will not be duplicative of, any services provided by the Debtors’ other professionals.

**Professional Compensation**

14. EY LLP intends to charge the Debtors for their services as follows:

(a) Accounting and Advisory Services:

- EY LLP will charge the Debtors for Accounting and Advisory Services based on the time that EY LLP professionals spend performing such services, billed at the following hourly rates for each level of professional:

<sup>4</sup> Monetary amounts stated herein originally denominated in GBP have been converted to the United States dollar based on current exchange rates at the time of preparation of this Application. Accordingly, final amounts charged by EY LLP may vary based on the currency exchange rates at the time of payment.

15. EY LLP's fees are exclusive of taxes or similar charges, as well as customs, duties, or tariffs imposed in respect of the Services, all of which the Debtors shall pay (other than taxes imposed on EY LLP's income generally).

16. In addition to the fees set forth above, the Debtors have agreed to reimburse EY LLP for any expenses directly incurred in connection with EY LLP's retention in these chapter 11 cases and the performance of the Services set forth in the Engagement Letter, including all potential value-added taxes, sales taxes, and other indirect taxes. EY LLP's direct expenses include reasonable and customary out-of-pocket expenses for items such as travel, meals, accommodations, and other expenses, including any taxes and related administrative costs that result from billing arrangements that are requested by the Debtors.

17. According to EY LLP's books and records, during the 90-day period prior to the Petition Date, EY LLP did not render, nor did EY LLP receive any amounts from the Debtors for professional services performed and expenses incurred.

18. As of the date of this Application, the Debtors owed EY LLP \$324,000 on account of services rendered to EY LLP following the Petition Date.

19. If EY LLP is requested or authorized by the Debtors, or is required by government regulation, subpoena, or other legal process, to produce its documents or personnel as witnesses with respect to the Services or the Engagement Letter, the Debtors agreed, so long as EY LLP is not a party to the proceeding in which the information is sought, to reimburse EY LLP for its professional time and expenses, as well as the fees and expenses of EY LLP's counsel, incurred in responding to such requests. For the avoidance of doubt, EY LLP shall not be required to produce its documents or personnel as witnesses with respect to the Services or the Engagement Letter unless it is provided at least 15 days' notice.

20. EY LLP intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, any applicable U.S. Trustee guidelines, and any other applicable procedures and orders of the Court, on an hourly basis.

**Certain Provisions of the Engagement Letter**

21. The Engagement Letter may be terminated by EY LLP or the Debtors in accordance with their terms. The Debtors or EY LLP may terminate the Engagement Letter at any time upon thirty (30) days' notice in writing, but in any event the Engagement Letter will terminate upon the effective date of the Debtors' confirmed plan of reorganization, or the liquidation of the Debtors' assets under chapter 11 or chapter 7 of title 11 of Bankruptcy Code, or otherwise. Notwithstanding such termination, however, the Debtors' estates will remain obligated to pay all accrued fees and expenses as of the effective date of such termination. Moreover, certain other terms of the Engagement Letter will continue (either indefinitely or for a specified period of time) following termination.

22. EY LLP's provision of Services to the Debtors is contingent upon the Court's approval of each term and condition set forth in the Engagement Letter. Included among the terms and conditions set forth in the general terms and conditions of the Engagement Letter are dispute resolution provisions substantially similar to the following:

Any dispute arising out of or in connection with this Agreement or the Services shall be subject to the exclusive jurisdiction of the United States Bankruptcy Court for the District of Delaware, to which each party agrees to submit for these purposes.

**EY LLP's Disinterestedness**

23. To the best of the Debtors' knowledge and except to the extent disclosed herein and in the Nathoo Declaration, EY LLP: (a) does not hold or represent an interest adverse to the Debtors or their estates; and (b) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code. To the extent that EY LLP discovers any new relevant facts or relationships bearing on the matters described herein during the period of its retention, EY LLP will use reasonable efforts to promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

**Basis for Relief**

**A. The Bankruptcy Code Permits the Employment and Retention of EY LLP on the Terms of the Engagement Letter.**

24. Section 327(a) of the Bankruptcy Code authorizes a debtor in possession to employ professionals that "do not hold or represent an interest adverse to the estate, and that are disinterested persons." 11 U.S.C. § 327(a). For the reasons discussed above and in the Nathoo Declaration, EY LLP satisfies the disinterestedness standard in section 327(a) of the Bankruptcy Code.

25. Additionally, section 328(a) of the Bankruptcy Code provides, in relevant part, that a debtor "with the court's approval, may employ or authorize the employment of a professional person under section 327 . . . on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis . . ." 11 U.S.C. § 328(a). Accordingly, section 328 permits the compensation of professionals, including tax services providers, on more flexible terms that reflect the nature of their services and market conditions.

26. The Debtors respectfully submit that the terms and conditions of the Engagement Letter are fair, reasonable, and market-based under the standards set forth in section 328(a) of the Bankruptcy Code given the numerous issues that EY LLP may be required to address in the performance of the Services and the market prices for EY LLP's services for engagements of this nature.

27. As set forth above, EY LLP intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court.

**B. The Indemnification Provision in the Engagement Letter Is Appropriate.**

28. The Debtors and EY LLP believe that the indemnification provision in the Engagement Letter is customary and reasonable for engagements of this nature both out-of-court and in chapter 11 cases. *See United Artists Theatre Co. v. Walton (In re United Artists Theatre Co.)*, 315 F.3d 217, 234 (3d Cir. 2003) (finding indemnification agreement between debtor and financial adviser reasonable under section 328 of the Bankruptcy Code). Accordingly, the Debtors respectfully submit that the terms of the indemnification provision are reasonable and customary and should be approved.

**C. The Retention of EY LLP Is Critical to the Debtors' Success.**

29. Denial of the relief requested herein will deprive the Debtors of the assistance of skilled tax advisory service providers in these chapter 11 cases. Indeed, if the Debtors were forced to engage a new accounting and advisory and tax services provider who lacks a thorough understanding of the Debtors' businesses, such change would mandate the commitment of significant and costly resources to educate a replacement. EY LLP is not providing basic or

peripheral tax services. Rather, EY LLP is performing a comprehensive set of tax, valuation, and accounting services—as enumerated above—including complex and nuanced tax efforts related to the chapter 11 process. Certain EY LLP professionals have already provided certain postpetition services to the Debtors and have become well-acquainted with the Debtors’ business and related matters. Accordingly, EY LLP is involved in several facets of the Debtors’ tax, valuation, and accounting functions.

30. In addition, the Debtors submit that the employment and retention of EY LLP is warranted by the circumstances of these chapter 11 cases. The Third Circuit has ruled that a bankruptcy court may grant an application of employment and retention where the services performed by the applicant “were necessary under the circumstances.” *In re Arkansas Co.*, 798 F.2d 645, 650 (3d Cir. 1986). Factors such as “whether the applicant was under time pressure to begin service” and absence of prejudice favor the granting of such an application. *Id.* The Debtors respectfully submit that EY LLP’s Services “were necessary under the circumstances” since they have been critical to the Debtors’ efforts to undertake these chapter 11 cases. Further, the Debtors believe that no party in interest can be prejudiced by the employment and retention of EY LLP effective as of January 28, 2026 because EY LLP’s Services will benefit the Debtors’ estates as a whole. The Debtors worked diligently and at arm’s length since January 28, 2026 to negotiate and finalize the scope of services set forth in the Engagement Letter. Moreover, parties in interest are not prejudiced by *nunc pro tunc* relief since EY has rendered de minimis postpetition services—i.e. \$324,000 as of February 25, 2026—for the benefit of the estate.

31. Based on the foregoing, the Debtors submit that they have satisfied the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules to support entry

of an order authorizing the Debtors to retain and employ EY LLP in these chapter 11 cases on the terms described in the Engagement Letter.

**Notice**

32. The Debtors will provide notice of this application to: (a) the U.S. Trustee; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) Paul Hastings LLP and Morris James LLP, as co-counsel to the Committee; (d) the office of the attorney general for each of the states in which the Debtors operate; (e) United States Attorney's Office for the District of Delaware; (f) the Internal Revenue Service; (g) the United States Securities and Exchange Commission; (h) the United States Department of Justice; (i) Mayer Brown LLP, as counsel to the DIP Agent; (j) Davis Polk & Wardwell LLP, as counsel to Mizuho Bank, Ltd., in all capacities other than as Prepetition Agent; (k) Young Conaway Stargatt & Taylor, LLP, as counsel to Mizuho Bank, Ltd., in its capacity as Prepetition Agent; (l) Akin Gump Strauss Hauer & Feld LLP and Cole Schotz P.C., as counsel to the Ad Hoc Group of Senior Lenders; (m) Paul, Weiss, Rifkind, Wharton & Garrison LLP, as counsel to the Sponsors; and (n) any party that has requested notice pursuant to Bankruptcy Rule 2002 (the "Notice Parties"). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

**No Prior Request**

33. No prior request for the relief sought in this application has been made to this or any other court.

*[Remainder of page intentionally left blank]*

WHEREFORE, the Debtors request entry of the Order, substantially in the form attached hereto as **Exhibit A**, (a) granting the relief requested herein and (b) granting such other relief as is just and proper.

**Proposed Order**

the District of Delaware, dated February 29, 2012; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Application is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Application and opportunity for a hearing on the Application were appropriate and no other notice need be provided; and this Court having reviewed the Application and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"), if any; and this Court having determined that the legal and factual bases set forth in the Application and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Application is granted as set forth in this Order.
2. Any objections to entry of this Order, to the extent not withdrawn or settled, are overruled.
3. The Debtors are authorized to employ and retain EY LLP in accordance with the terms and conditions set forth in the Engagement Letter, effective as of January 28, 2026, and to pay fees and reimburse expenses to EY LLP on the terms specified in the Engagement Letter.
4. EY LLP is a "disinterested person" as defined in section 101(14) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code.

5. The terms of the Engagement Letter, including without limitation, the compensation provisions, are reasonable terms and conditions of employment and are hereby approved.

6. EY LLP shall file interim and final fee applications for allowance of its compensation and reimbursement of its expenses with respect to services rendered in these chapter 11 cases with this Court, in accordance with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any interim or final compensation procedures established by order of the Court. In the event that EY LLP seeks reimbursement from the Debtors for attorneys' fees and expenses pursuant to the Engagement Letter, the invoices and supporting time records for the attorneys' fees and expenses shall be included in EY LLP's own applications for compensation, and such invoices and time records shall be in compliance with the Local Rules and shall be subject to the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330* and the approval of the Court pursuant to sections 330 and 331 of the Bankruptcy Code, but without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code, and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code. EY LLP shall not seek reimbursement of any attorneys' fees or costs arising from the prosecution or defense of any of EY LLP's applications for allowance of compensation and reimbursement of expenses.

7. EY LLP's hourly fees pursuant to the Engagement Letter (and any supplemental engagement agreements or statements of work subsequently approved in these cases) shall be subject to the standard of review set forth in section 330 of the Bankruptcy Code. EY LLP shall keep reasonably detailed time records in one tenth (1/10) hour increments and will submit, with any interim or final fee application, together with the time records, a narrative summary, by project

category, of services rendered and will identify each professional rendering services, the category of services rendered, and the total amount of compensation requested by EY LLP.

8. To the extent the Debtors and EY LLP enter into any additional engagement letters or statements of work, the Debtors will file such engagement letters or statements of work with the Court and serve such engagement letters or statements of work upon the U.S. Trustee. If the U.S. Trustee objects to the additional services to be provided by EY LLP within 14 days of such new engagement letters or statements of work being served, the Debtors will promptly schedule a hearing before the Court. To the extent no related timely objections are filed, such additional engagement letters or statements of work shall be deemed approved pursuant to this Order. All additional services will be subject to the provisions of this Order.

9. Notwithstanding anything to the contrary in the Engagement Letter, the Indemnification Provisions are hereby modified as follows:

- (a) EY LLP shall not be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Letter for services, unless such services and the indemnification, contribution, or reimbursement therefor are approved by this Court;
- (b) the Debtors shall have no obligation to indemnify EY LLP, or provide contribution or reimbursement to EY LLP, for any claim or expense to the extent it is either:
  - (i) judicially determined (the determination having become final and no longer subject to appeal) to have arisen from EY LLP's gross negligence, willful misconduct, bad faith, or self-dealing;
  - (ii) for a contractual dispute in which the Debtors allege breach of EY LLP's contractual obligations, unless this Court determines that indemnification, contribution, or reimbursement would be permissible pursuant to *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); or
  - (iii) settled prior to a judicial determination as to the exclusions set forth in clauses (i) and (ii) above, but determined by this Court, after notice and a hearing, to be a claim or expense for which EY LLP should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Letter, as modified by this Order; and
- (c) if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these chapter 11 cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these chapter 11 cases, EY LLP believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, and/or reimbursement obligations under the Engagement Letter (as modified by this Order), including without limitation, the

advancement of defense costs, EY LLP must file an application therefor in this Court, and the Debtors may not pay any such amounts to EY LLP before the entry of an order by this Court approving such payment. This subparagraph (c) is intended only to specify the period of time under which this Court shall have jurisdiction over any request for fees and expenses by EY LLP for indemnification, contribution, and/or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify, or make contributions or reimbursements to, EY LLP. All parties in interest shall retain the right to object to any demand by EY LLP for indemnification, contribution, and/or reimbursement.

10. Notwithstanding anything in the Application to the contrary, to the extent that EY LLP uses the services of independent contractors or subcontractors, except the EY Support Firms and Subcontracting EYGL Member Firms as defined in the Nathoo Declaration (collectively, "Contractors") in these cases, EY LLP shall: (i) pass through the cost of such Contractors to the Debtors at the same rate that EY LLP pays the Contractors; and (ii) seek reimbursement only for actual costs of the Contractors. Contractors from whom EY LLP seeks to pass through hourly-based fees or costs to the Debtors shall be subject to the same conflict checks as required for EY LLP, and such Contractors shall file with the Court such disclosures as required by Bankruptcy Rule 2014.

11. Any credit balances held by EY LLP will be detailed in EY LLP's fee applications and credited towards allowed postpetition fees and expenses that are approved pursuant to an order of the Court awarding fees and expenses to EY LLP.

12. Notice of the Application as provided therein shall be deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

13. Notwithstanding anything to the contrary in the Bankruptcy Code, Bankruptcy Rules, or Local Rules, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

14. The Debtors and EY LLP are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Application.

15. To the extent that the express terms of this Order are inconsistent with the Engagement Letter, the express terms of this Order shall govern.

16. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

EFFECTIVE AS OF JANUARY 28, 2026 AND (II) GRANTING RELATED RELIEF**

---

I, Prmit Vasantrai Nathoo, hereby declare pursuant to Rule 2014(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) as follows:

1. I am a partner of EY LLP. I provide this Declaration on behalf of EY LLP in support of the *Application of the Debtors for Entry of an Order (I) Authorizing the Retention and Employment of Ernst & Young LLP as Accounting and Tax Services Provider Effective as of January 28, 2026 and (II) Granting Related Relief* (the “Application”) of the above-captioned debtors and debtors in possession (the “Debtors”) to retain EY LLP to provide Accounting and Advisory Services, Tax Services, and Valuation Services, effective as of January 28, 2026, pursuant to the terms and conditions set forth in the Engagement Letter, between the Debtors and EY LLP attached hereto as **Exhibit 1**.<sup>2</sup>

---

<sup>1</sup> A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ claims and noticing agent at <https://www.veritaglobal.net/marelli>. The location of Marelli Automotive Lighting USA LLC’s principal place of business and the Debtors’ service address in these chapter 11 cases is 26555 Northwestern Highway, Southfield, Michigan 48033.

<sup>2</sup> Capitalized terms used but otherwise not defined herein shall have the meanings ascribed to such terms in the Application or Engagement Letter.

2. The facts set forth in this Declaration are based upon my personal knowledge, upon information and belief, and upon client matter records kept in the ordinary course of business that were reviewed by me or professionals of EY LLP or employees of other member firms of Ernst & Young Global Limited (“EYGL”) under my supervision and direction.

3. As set forth in further detail in the Engagement Letter, EY LLP has agreed to provide the Services to the Debtors in connection with these chapter 11 proceedings. A summary description of each of the Services is summarized below and fully described in the Engagement Letter.<sup>3</sup>

---

<sup>3</sup> The summaries of certain terms of the Engagement Letter herein are qualified in their entirety by reference to the provisions of the Engagement Letter. To the extent there is any discrepancy between the summaries contained in this Declaration and the terms of the Engagement Letter, the terms of the Engagement Letter shall control.

(b) Tax Services:

(c) Valuation Services:

- Assess a market participant Weighted Average Cost of Capital (“WACC”) range and a company-specific risk premium (“CSRP”) to support the Debtors in determining an appropriate WACC range for goodwill impairment testing for the Debtors' various business segments based on the Debtors' business plan projections, cash flow forecasts, historical financials, industry and benchmarking analyses, projected debt margins; and
- Prepare a memorandum outlining prevailing market practices for the placement of the WACC function, with consideration of strategic alignment, data accessibility, technical expertise, governance, resource capability, and technology integration.

**EY LLP's Disinterestedness**

4. Based on the connections check process that is described herein, to the best of my knowledge, information and belief, EY LLP (a) does not hold or represent an interest adverse to the Debtors' estates, and (b) is a “disinterested person,” as such term is defined in section 101(14) of the Bankruptcy Code, as required under section 327(a) of the Bankruptcy Code. Moreover, to the best of my knowledge, information and belief, EY LLP's retention is not prohibited or restricted by Bankruptcy Rule 5002. Accordingly, I believe that EY LLP is eligible for retention by the Debtors under Section 327(a) of the Bankruptcy Code.

**Professional Compensation and Reimbursement of Expenses**

5. EY LLP intends to charge the Debtors fees for the Services, as set forth in the Engagement Letter and summarized below.

- (a) With respect to Accounting and Advisory Services, the Debtors shall pay EY LLP based on the actual time that EY's professionals spend performing such services, billed at the following rates per hour, not including taxes:

<b>Level</b>	<b>Hourly Rate<sup>4</sup></b>
Partner/Managing Director	\$955
Director	\$580
Senior Manager	\$512
Manager	\$341
Senior	\$273
Offshore Staff	\$205

- (b) With respect to Tax Services, the Debtors shall pay EY LLP based on the actual time that EY's professionals spend performing such services, billed at the following rates per hour, not including taxes:

<b>Level</b>	<b>Hourly Rate</b>
Partner/Managing Director	\$1,837
Executive Director	\$1,210
Director	\$935
Senior Manager	\$699
Manager	\$415
Senior	\$284
Staff	\$176

<sup>4</sup> Monetary amounts stated herein originally denominated in GBP have been converted to the United States dollar based on current exchange rates at the time of preparation of this Application. Accordingly, final amounts charged by EY LLP may vary based on the currency exchange rates at the time of payment.

- (c) With respect to Valuation Services, the Debtors shall pay EY LLP based on the actual time that EY's professionals spend performing such services, billed at the following rates per hour, not including taxes:

<b>Level</b>	<b>Hourly Rate</b>

Senior Manager	\$580
Manager	\$430
Senior	\$293

Offshore Staff	\$205

- (d) EY LLP's fees are exclusive of taxes or similar charges, as well as customs, duties or tariffs imposed in respect of the Services, all of which the Debtors shall pay (other than taxes imposed on EY LLP's income generally).

6. In addition to the fees set forth above, the Debtors shall reimburse EY LLP for any direct expenses incurred in connection with EY LLP's retention in these cases and the performance of the Services set forth in the Engagement Letter, including all taxes, including value-added taxes, sales taxes, and other indirect taxes. EY LLP's direct expenses shall include, but not be limited to, reasonable and customary out-of-pocket expenses for items such as travel, meals, accommodations and other expenses (including any fees or reasonable expenses of EY LLP's legal counsel) related to the Services.

7. If EY LLP is requested or authorized by the Debtors, or is required by government regulation, subpoena, or other legal process, to produce its documents or personnel as witnesses with respect to the Services or the Engagement Letter, the Debtors agreed, so long as EY LLP is

not a party to the proceeding in which the information is sought, to reimburse EY LLP for its professional time and expenses, as well as the fees and expenses of EY LLP's counsel, incurred in responding to such requests. For the avoidance of doubt, EY LLP shall not be required to produce its documents or personnel as witnesses with respect to the Services or the Engagement Letter unless it is provided at least 15 days' notice.

**Certain Other Terms of the Engagement Letter**

8. EY LLP's provision of Services to the Debtors is contingent upon this Court's approval of each term and condition set forth in the Engagement Letter.

9. The Engagement Letter may be terminated by EY LLP or the Debtors in accordance with their terms. The Debtors or EY LLP may terminate the Engagement Letter at any time upon thirty (30) days' notice in writing, but in any event the Engagement Letter will terminate upon the effective date of the Debtors' confirmed plan of reorganization, or the liquidation of the Debtors' assets under chapter 11 or 7 of title 11 of the United States Code (the "Bankruptcy Code"). Notwithstanding such termination, however, the Debtors' estates will remain obligated to pay all accrued fees and expenses as of the effective date of such termination. Moreover, certain other terms of the Engagement Letter will continue (either indefinitely or for a specified period of time) following termination.

10. Copies of the Engagement Letter are submitted with this Declaration for approval.<sup>5</sup> EY LLP's provision of Services to the Debtors is contingent upon the Court's approval of each term and condition set forth in the Engagement Letter. Included among the terms and conditions

---

<sup>5</sup> To the extent that this Declaration and the terms of the Engagement Letter are inconsistent, the terms of the Engagement Letter shall control.

set forth in the general terms and conditions of the Engagement Letter are dispute resolution provisions substantially similar to the following:

Any dispute arising out of or in connection with this Agreement or the Services shall be subject to the exclusive jurisdiction of the United States Bankruptcy Court for the District of Delaware, to which each party agrees to submit for these purposes.

**Ernst & Young Global Limited**

11. The Ernst & Young global network comprises independent professional services practices conducted by separate legal entities throughout the world. Such legal entities are members of EYGL, a company incorporated under the laws of England and Wales and limited by guarantee, with no shareholders and no capital. The EYGL member firms have agreed to operate certain of their professional practices in accordance with agreed standards but remain separate legal entities.

12. The firm that the Debtors seek to retain in these chapter 11 cases, EY LLP, is a member firm of EYGL in the United Kingdom. EY LLP does not have a parent entity but rather is 100% owned by its partners. EY LLP engages in the practice of public accountancy and provides accounting and other professional services.

**Disclosure of Connections**

13. In connection with EY LLP's proposed retention by the Debtors, Debtors' counsel provided a list of names of parties in interest in these cases (the "PIIL") to EY LLP on or about November 26, 2025. The specific names that were set forth on the PIIL that EY LLP received from the Debtors' counsel are referred to herein as the parties in interest (the "Parties in Interest").

14. EY LLP has access to a computer database (the "Database") that contains information about actual client engagements and potential engagement activity of all of the member firms of EYGL. The Database also includes the names of other parties that the

professionals on the relevant engagement team have identified as also being involved in each engagement (*e.g.*, adverse parties and co-clients). Thus, the Database indicates whether any Debtor entity is involved in an engagement by an EYGL member firm, in which a Party in Interest is a client.<sup>6</sup>

15. EY LLP caused the names of the Parties in Interest to be run through the Database. The disclosure schedule annexed hereto as **Exhibit 2** lists the names of the Parties in Interest and whether a client engagement has been initiated in the Database during the last three years by EY LLP or any other EYGL member firm.

16. To the best of my knowledge, information and belief based on the information set forth in the Database, none of the services rendered to Parties in Interest by EY LLP or any other EYGL member firm have been in connection with the Debtors or these chapter 11 cases, except as otherwise stated herein.

17. EYGL has historically performed audit, tax, business consulting and/ or advisory (not involving audit or tax) services for the Debtors.

18. Additionally, EY LLP conducted a search to determine whether EY LLP (but not any other member firm of EYGL) has paid any person or entity that is specified on the PIIL as being a professional service provider that has been retained by a Party in Interest (“**Party-Retained Professionals**”) to provide professional services during the last three years. Based on its search of that database, EY LLP has determined that EY LLP has not paid any Party-Retained Professionals during the last three years for professional services.

---

<sup>6</sup> The information in the Database is populated by the professionals who are providing services under each engagement. Therefore, the information in the Database may not be 100% correct with respect to all engagements, as human errors may occur. Furthermore, financial information pertaining to engagement activity is the proprietary and confidential information of each individual EYGL member firm. EY LLP may not have the right to access, or if accessed, disclose, such information relating to other EYGL member firms.

19. In September 2025, a group of global investment firms engaged EY LLP to provide transaction advisory, business consulting, and tax advisory (not involving audit) services (the “Investment Firm Services”) in connection with the proposed restructuring of Marelli Holding Co. involving Marelli Holdings Co., Ltd. and its subsidiaries. The global investment firms are Green Pasture Sarl, Altai Gate Sarl, Ashton Gate Sarl, Kellynch Park SARL, Burdock Godo Kaisha (collectively, “Strategic Value Partners, LLC”), Maserati SS II LP, Deutsche Bank AG London, Deutsche Bank, Tokyo Branch, Steward Finance Ltd, Westonbirt S.à r.l., Marshfield S.à r.l., Kington S.à r.l., FCOF V Expansion UB Securities DAC, FCO Europe MA V DAC, FCOF V Expansion MA-Centre Europe DAC, Sup FCO MA III Europe DAC, FCOF V Expansion MA-C DAC, FCOF V Expansion MA-CRPTF Europe DAC, FCCD DAC and FCCO DAC (collectively, the “Client Entities”). The engagement is ongoing and is expected to conclude in June 2027. The Investment Firm Services are not expected to overlap or impede EY LLP’s provision of Services to the Debtors, as the scope of Services has been carefully narrowed to avoid any conflict of interest of EY LLP. Moreover, EY LLP will not permit anyone from EY LLP’s engagement team who provides services to these global investment firms to be involved in the Services provided to the Debtors.

20. EY LLP confirms that the EYGL members serving each of the Client Entities will not perform services for the Debtors in relation to the Services without prior written consent by the relevant Client Entity and the Debtors. EY LLP further confirms that, except as otherwise agreed in writing by the Client Entities and the Debtors, confidential or privileged information in the possession of each such engagement team will remain confidential to the client served by that engagement team in accordance with applicable professional standards.

21. EY LLP cannot prohibit any other EYGL member firm from accepting any client engagements, including in matters that may be adverse to the Debtors or their bankruptcy estates. Nevertheless, if EY LLP becomes aware of any such engagement by another EYGL member firm, EY LLP will file a supplemental declaration with the Court that contains the pertinent information that EY LLP is authorized to disclose.<sup>7</sup> Moreover, if EY LLP becomes aware that another EYGL member firm represents a Party in Interest in a matter that is adverse to the Debtors or their bankruptcy estates, EY LLP will not permit anyone from such non-UK EYGL member firm's engagement team who provides services to the Party in Interest in the adverse matter to be involved in the Services that EY LLP provides for the Debtors during these chapter 11 cases.

22. In the ordinary course of business, certain EYGL member firms ("EY Support Firms") provide various professional, administrative and back-office support services for client-facing EYGL member firms throughout the world, as requested, coordinated and directed by such client-facing EYGL member firms (including EY LLP). An EY Support Firm assisted EY LLP in performing EY LLP's connections check for these chapter 11 cases. The costs paid by EY LLP to EY Support Firms for such connections check related services will not be billed to the Debtors. EY Support Firms do not provide client-facing services. Because the Database against which the names of the Parties in Interest was run for EY LLP's connections check contains client engagement information for all client-facing EYGL member firms, no EY Support Firm will run its own connections check or file a declaration in these chapter 11 cases.

---

<sup>7</sup> There may be situations in which EY LLP will be unable to disclose engagements of other firms. For example, laws or regulations applicable to another EYGL member firm may preclude that firm from providing information regarding its client engagements to EY LLP, or applicable laws and regulations may prohibit disclosure. If that issue arises, EY LLP will discuss it with the Office of the United States Trustee to try to reach a resolution.

23. During these chapter 11 cases, EY Support Firms may assist EY LLP in providing services to the Debtors.

24. Notwithstanding any use of EY Support Firms, EY LLP shall remain fully and solely responsible for any liabilities and obligations in respect of EY LLP's engagement and Services during these chapter 11 cases.

25. During these chapter 11 cases, EY LLP may subcontract with other EYGL member firms in various countries (the "Subcontracting EYGL Member Firms"), to provide services to one or more Debtor entities during these chapter 11 cases. The fees and expenses of the Subcontracting EYGL Member Firms relating to work performed for the Debtors will be included in EY LLP's fee applications in these chapter 11 cases. EY LLP will distribute the applicable fees and expenses to the Subcontracting EYGL Member Firms once EY LLP's fee applications are approved by the Court and such fees and expenses are paid by the Debtors. Because the Database against which the names of the Parties in Interest was run for EY LLP's connections check contains client engagement information for all EYGL member firms, the Subcontracting EYGL Member Firms will not run their own connections checks or file declarations under Bankruptcy Rule 2014 in these chapter 11 cases.

26. EY LLP and other EYGL member firms may perform services for their clients that relate to the Debtors merely because such clients may be creditors or counterparties to transactions with the Debtors and whose assets and liabilities may thus be affected by the Debtors' status. The disclosures set forth herein do not include specific identification of such services.

27. As part of its practice, EY LLP appears in cases, proceedings and transactions involving many different attorneys, financial advisors and creditors, some of which may represent or be parties involved in these chapter 11 cases.

28. EY LLP may currently be a party or participant in certain litigation matters involving Parties in Interest, which matters are unrelated to the Debtors or these chapter 11 cases.

29. EY LLP does not directly hold any debt or equity securities of the Debtors. In addition, none of the EY LLP professionals who are currently on the engagement team that is providing Services to the Debtors directly hold any securities in the Debtors, but those engagement team members may hold interests in mutual funds or other investment vehicles that may own securities of the Debtors.

30. It is possible that professionals of EY LLP who are not currently on the engagement team that is providing Services to the Debtors may directly or indirectly hold securities of the Debtors or interests in mutual funds or other investment vehicles that may own securities of the Debtors. Additionally, EY LLP professionals, whether or not on the engagement team that is providing services to the Debtors, may have economic interests in or business associations with Parties in Interest.

31. To the best of my knowledge, information and belief, neither the undersigned nor the professionals expected to assist the Debtors in these matters are connected to the Bankruptcy Judges in this District, the United States Trustee for the region in which these chapter 11 cases are pending, or any person employed in the Office of the United States Trustee in the city in which these chapter 11 cases are pending as identified in the PIIL. Moreover, to the best of my knowledge, information and belief, EY LLP's retention is not prohibited by Bankruptcy Rule 5002.

32. Despite the efforts described above to identify and disclose connections with Parties in Interest, because the Debtors are a large enterprise with numerous creditors and other relationships, EY LLP is unable to state with certainty that every client representation or other

connection with Parties in Interest has been disclosed herein. If EY LLP discovers additional information that requires disclosure, EY LLP will file supplemental disclosures with the Court.

33. Certain Parties in Interest are lenders to EY LLP and/or EYGL member firms.

34. To the extent required by Section 504 of the Bankruptcy Code, except as otherwise set forth herein (*e.g.*, if another EYGL member firm provides services to the Debtors under a subcontracting arrangement with EY LLP), EY LLP has not shared or agreed to share any of its compensation in connection with this matter with any other person, other than the partners, principals and employees of EY LLP.

35. At the Debtors' request because of their needs, EY LLP provided services to the Debtors from and after January 28, 2026. According to EY LLP's books and records, during the 90-day period prior to the Petition Date, EY LLP did not render, nor did EY LLP receive any amounts from the Debtors for professional services performed and expenses incurred. As of the date of the Application, EY LLP was owed \$324,000 by the Debtors in respect of Accounting and Advisory Services, Tax Services, and Valuation Services provided by EY LLP following January 28, 2026.

36. EY LLP intends to apply to the Court for payment of compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules of this Court and the Engagement Letter, and pursuant to any additional procedures that may be established by the Court in these cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

Tax Scope of Services and Deliverables

**Tax workstream 1: IFRS tax reporting services – Consolidated accounts of Marelli Holdings for the period ended 31 December 2025**

We will prepare tax accounting estimates for inclusion in the consolidated year end accounts of Marelli Holdings. The first period for which we will prepare the consolidated tax provision is the year ended 31 December 2025.

EY will calculate the tax accounting estimates based on financial results provided by Marelli Holdings, whilst Marelli Holdings retain ownership of key management judgements such as uncertain tax positions and deferred tax asset recognition, which EY will then incorporate into the tax accounting provision for the Group. It remains your responsibility to review all EY deliverables and to prepare accounts in accordance with the requirements of the Companies Acts.

The specific scope of our IFRS tax reporting services is set out below.

1. A planning meeting will be held at the start of each reporting cycle to be attended by EY team members and of Marelli team members to agree a detailed plan for the reporting process, covering timetable, entity scoping, data requirements and outputs. The planning meeting will also cover changes to the business and any legislative changes which could be relevant.
2. We will take a risk-based approach to entity level provisions as set out below:
  - a. Tier 1 entities - EY local tax specialists will prepare a tax accounting provision. The provision will be calculated with reference to the materiality thresholds of the Group such that tax adjustments will be considered where the tax impact of the adjustment exceeds the audit difference threshold. EY UK will perform a central review of Tier 1 entity local country tax provisions prepared by (overseas) EY local teams. A current and deferred tax return to provision adjustment (also known as a prior year adjustment) will be calculated by EY once a year per entity/consolidated fiscal unity.
  - b. Tier 2 entities - We will calculate the entity's tax provision with reference to the current year profit before tax, and the prior year permanent tax adjustments per the latest filed tax return, adjusted for any known business changes as informed by Marelli. A current and deferred tax return to provision adjustment (also known as a prior year adjustment) will be calculated by

Shape the future  
with confidence

EY once a year per entity utilising an income statement approach. Where there are significant / unusual transactions in the period, these will be discussed with Marelli and the approach to the tax provision calculation will be agreed between Marelli and EY.

- c. Tier 3 entities - The statutory tax rate will be applied to the profit before tax. The only adjustment that will be made will relate to the deferred tax asset recognition position or uncertain tax positions, as confirmed by Marelli. No prior year adjustment will be included for Tier 3 entities.
3. We will calculate the tax on consolidation adjustments in an audit-ready Excel workpaper. EY will share a template for consolidation adjustments to be completed by Marelli for this purpose, which includes a request to provide details of each consolidation journal so that EY can identify the appropriate tax treatment. This scope does not include EY validating these balances; if this is required this will be an additional scope item and will be separately documented.
4. In respect of all entities (including consolidation entities) we will not undertake any independent verification, including the performance of an audit, as to the accuracy or completeness of the information provided. We will discuss potentially tax-sensitive items which exceed the audit differences threshold (when tax effected) with you, to understand the nature of the item to determine the tax treatment, but we will not look at transactional level details, nor will we review invoices. For completeness, we will therefore apply judgements and estimate tax adjustments for the purposes of group reporting, working to group materiality.
5. We will prepare a tax reporting consolidation based on initial data provided by you for each entity/consolidation unit. We will then tax effect the accounting journal changes (being singular journal items impacting singular income statement and balance sheet items) from the first set of data provided by you. We will prepare one further tax consolidation due to these journal changes. If more than two versions of the tax consolidation are required, we will discuss any additional fees with you up front.
6. We will work with you to prepare the underlying/non underlying and continuing/discontinuing tax analysis. We will also prepare a rate calculation based on pretax information provided.
7. We will prepare current tax and deferred tax netting calculations for disclosure purposes.
8. We will provide summary commentary on key rate drivers and material balances (including total tax effective tax rate ('ETR'), underlying/non-underlying ETR and key balance sheet items) along with the tax consolidation, for discussion with both the auditors and the board.
9. Together with you, we will prepare the financial statement tax disclosures. EY will provide the consolidated tax disclosure figures to be included in the group accounts, for example the proof of tax, current tax balance sheet and deferred tax note. We will recommend standard narrative (for example in relation to tax rate changes enacted) but will not include tailored narrative to be included in the accounts nor will EY provide commentary on the appropriateness of the tax disclosures. It remains the responsibility of Marelli to prepare accounts in accordance with the requirements of the Companies Acts. If additional support is required, we are happy to quote separately for this.
10. We will provide observations on the year end process where relevant; and
11. We will provide regular tax accounting updates to members of the Marelli Holdings finance and tax team.

Further detail in respect of the approach to the calculation of individual entity tax provisions is set out below.

1. The tax provision calculations will not constitute a full tax balance sheet validation.

Shape the future  
with confidence

2. We have assumed that for each individual statutory entity, we will receive a trial balance that would align to the entity's statutory accounts, i.e. exclusive of consolidation adjustments, and that consolidation adjustments would be provided separately. Alternatively, if consolidation adjustments are included within the entity trial balances, these will be separately identifiable so that we can exclude them from the entity tax calculations and tax effect the consolidation adjustments separately.
3. The group reporting quote does not include any advice/calculation in relation to BEPS Pillar 2. We can discuss and agree on this separately, as required.
4. EY will review Marelli's tax account postings (e.g. the tax balance sheet reconciliations) to understand the key movements in the accounts which may be required to be considered in the provisions prepared by EY. When considering which tax account movements should be reflected in the provisions being prepared, EY shall take the following approach:

*Current tax:*

- EY will ignore income statement postings, as these will be calculated by EY.
- For balances posted to other/transfer/historical PPA, EY will request that the relevant Marelli finance director provides an explanation of what has been posted and the underlying business reason for this posting where the balance for an individual Cognos unit exceeds an amount to be determined
- EY will determine whether these postings are in line with expectation and notify Marelli team accordingly. The Marelli team will correct the postings if required.
- EY will incorporate the postings in the tax provision. EY will not provide sign off on the appropriateness of these postings if they are not in line with expectation.

*Deferred tax:*

- EY will ignore income statement postings, as these will be calculated by EY.
- For balances posted to other/transfer/ historical PPA, EY will request that the relevant Marelli finance director provides an explanation of what has been posted and the underlying business reason for this posting where the balance for an individual Cognos unit exceeds an amount to be determined. EY will determine whether these postings should be incorporated into the tax provision and include it accordingly.
- Where the relevant Marelli finance director is able to provide an adequate explanation of the tax account movements posted to other/transfers/PPA, EY will incorporate these into the provision. For example, transfers of trades which therefore impact the transfer of deferred tax balances out of an entity should be identified by the Marelli finance director in the tax account, and EY would then record this transfer in the provisions being prepared.
- Where the relevant Marelli finance director is not able to provide an adequate explanation of the tax account movements posted to other/transfers/PPA, EY will not incorporate these items into the provision. These items will then need to be investigated and resolved by the Marelli finance director and escalated to Marelli Group Tax as necessary.

For the avoidance of doubt, we draw your attention to the following items that are not currently included within the agreed scope of this assignment which are to be undertaken by Marelli. The results of the items listed below are expected to be shared with EY, for EY to then include in the tax accounting provisions:

1. The calculation of deferred tax on unremitted earnings or investments for which the value is recovered via sale.

Shape the future  
with confidence

2. Judgements and calculations in respect of uncertain tax positions;
3. Judgements and calculations in respect of deferred tax asset recognition;
4. Responding to auditor queries, attendance at audit planning or close meeting or preparation of slides for audit close.
5. Provision, preparation and posting of tax journals;
6. Assessing the impact of complex or new legislation. EY will determine what is considered to be complex for these purposes;
7. Assessing the impact of new accounting standards, or changes in Marelli's accounting policies;
8. Assessing the tax accounting impact of any significant transactions, including but not limited to acquisitions, liquidations and disposals;
9. In respect of any share based payment current and deferred tax calculations, we will provide a template for Marelli to complete. We will rely on the output of the template on the understanding Marelli are comfortable with the calculations, and will include the template outputs in the provision workings;
10. Calculation of "Tier 3" entity return to provision adjustments (except UK current tax true ups). If Marelli would like us to include a return to provision adjustment in respect of a Tier 3 entity that they have calculated, we will do so without reviewing or validating the calculation;
11. Preparation of the tax credit or incentive claims to be included in group reporting. We understand that these will be calculated by your third party advisors. If a tax credit or incentive claims is required in a Tier 1 or Tier 2 entity that is prepared by EY, we will agree the approach to this calculation with you;
12. Assessment of the Group's position in respect of controlled foreign companies, the diverted profits tax or any further anti avoidance legislation;
13. Complex tax analysis, for example analyses of derivative instruments and their tax treatment, complex capital gains calculations and analysis for any exemptions, complex Group/consortium relief including non-coterminous periods, and transfer pricing and thin capitalisation reviews. EY will determine what is considered to be complex for these purposes;
14. Calculation of foreign exchange gains/losses arising on the retranslation of tax balances;
15. Reconciliation of any differences between the opening balance in the current tax account and deferred tax account to the closing balance in the prior year Group tax disclosures and statutory tax notes;
16. Detailed investigation into the prior period tax disclosures. As part of our work, we will undertake analytical review procedures, for example in respect of the effective tax rate reconciliation. To the extent that we cannot clearly see the components of rate reconciling items in the prior year disclosures, Marelli will provide the breakdowns and information required to enable our analytical review;
17. A balance sheet validation of the opening balance. EY will rely on the opening balance and adjust this for the latest filed return only;
18. Any work required in respect of restatements, if applicable; and
19. Preparation of the tax section of the audit committee papers.

If requested, we would be happy to extend our scope to include any of the above and would agree a separate fee in relation to this work.

We will discuss and agree with you the scope of work for each subsequent accounting period separately, prior to the commencement of any work.

We will use Thomson Reuters ONESOURCE Tax Provision (OTP) in the calculation and delivery of the IFRS group reporting tax disclosures. OTP is a "Collaboration Tool" in the context of this Statement of Work. Please refer to our Collaboration Tools clause on page 7. All intellectual property in OTP belongs to Thomson Reuters.

EY is permitted to provide you with access to our licensed version of OTP as long as EY are the predominant users of the software, which we will be in the context of this engagement. We will provide OTP read-only access to a maximum of five Marelli employees. Access will not include write access or administrator access. The purpose of access to OTP is limited to providing Marelli with draft consolidated IFRS tax reporting figures for the purposes of inclusion in Marelli Limited's consolidated accounts. The final consolidated results will be delivered outside of OTP.

It was determined that the company will not license OTP directly but will use Ernst & Young's license. Pursuant to EY's Master Tax Processing Services Agreement with Thomson Reuters, dated 1st November 2017, EY is permitted to use Thomson Reuters' products in an outsourcing and/or co-sourcing environment with EY clients as long as EY employees are the predominant software users of all Thomson Reuters applications.

**Tax workstream 2: Tax accounting advice in relating to restructuring steps – FY25 and pre-emergence**

Our scope of work will be to provide tax accounting support, in connection with your proposal to undertake a restructuring of Marelli Holdings.

This work will be based on the accounting memoranda prepared by the EY Financial Accounting and Advisory Services team ("FAAS Memos"). The FAAS Memos include an assessment of the relevant local GAAP pre-tax accounting in relation to the series of step plans prepared by you (the "Step Plans") which outline the proposed steps (the "Steps") in relation to the Legal Entity Restructuring.

For each of the Steps included in the FAAS Memos we will determine whether there is a tax accounting implication under the following accounting standards:

1. Relevant local GAAP as used to prepare the solus statutory financial statements
2. IFRS as applied to the entity on a solus basis for the purposes of inclusion in the consolidated accounts of Marelli Holdings.
3. In addition, we will consider if there are there are additional IFRS tax accounting implications in the consolidated accounts of Marelli Holdings in respect of consolidation elimination or other "topside" journals.

Where there should be an associated tax accounting impact to any of the Steps, and where straight forward based on any valuations and information provided in the Step Plans, we will provide you with the journal entry including numerical figures to record the tax accounting entries under local GAAP and IFRS. To the extent a valuation is unknown at the time or precise quantification requires significant work on determining the tax base of a number of assets/liabilities, we will instead provide an illustrative pro-forma journal and a brief explanation of the tax accounting principles.

This determination will be based upon the tax advice provided by the EY International Tax and Transaction Services team as part of their reviews of the transaction steps provided under separate cover, "ITTS deliverables".

Our deliverable will be to input into the Excel Workbooks provided by the EY FAAS team (the 'Workbooks', in which they provide you with the pre-tax accounting journals based on the Step Plans. In each of those Workbooks, for each of the journals we will indicate whether there is a tax accounting impact with a brief explanation and provide an illustrative tax accounting journal if so.

You alone will be responsible for any decisions that may be required to implement actions identified during the Services, including decisions needed to appropriately apply IFRS and Local GAAP, and comply with applicable regulatory reporting requirements, including the determination of your accounting policies. You are solely responsible for the preparation of your financial statements, including all the judgements inherent in preparing them.

### **Valuation scope of services and deliverables**

Marelli has requested support in connection with an assessment of a reasonable Weighted Average Cost of Capital (“WACC”) range for the following CGUs to assist the Management of Marelli (“Management”) in your goodwill impairment testing under IAS36 (the “Purpose”) as at 31 December 2025 (the “Valuation Date”):

- Interior Experience
- Green Technology
- Propulsion Systems
- Lighting
- Electronics
- Ride Dynamics
- Aftermarket

Based on the above, for each of the above CGUs, our valuation scope will include:

### **Section A**

#### **Step 1: Assessment of a Market Participant WACC range (excluding consideration of any applicable company specific risk premium, or Alpha)**

- Review the discount rate calculations and the components of the discount rates used by Management for impairment testing as at prior valuation dates (31 December 2024 and 31 December 2023).
- Review and agree with Management the listed comparable guideline companies to be utilised in our WACC assessment as at the Valuation Date.
- Perform research and analysis to form views on relevant WACC inputs, including risk free rates, beta (including R-squared), gearing, market risk premium, size premium and cost of debt as at the Valuation Date.
- Perform our independent assessment of a reasonable range of Market Participant WACCs at the Company level (Step 1) as at the Valuation Date, based on publicly available information of selected quoted companies that we believe suitably reflect the risk profile of the Company’s consolidated cash flow forecasts, as discussed and agreed with Management.

#### **Step 2: Assessment of an applicable range of company specific risk premia (Alpha) to derive a reasonable WACC range for goodwill impairment testing purposes**

- Company specific risk premia (Alpha): Based on our Market Participant WACC Analysis, provide support to Management in your assessment of a reasonable range of specific risk premia (Alpha) relating to both cost of equity and cost of debt. Specifically, Step 2 analysis may involve:
  - Reviewing the business plan projections for each CGU prepared by Management and used for impairment testing as at the Valuation Date (the “Cash Flow Forecasts”).
  - Performing an assessment of specific forecast risks embedded in the Cash Flow Forecasts, having regard to each CGU’s historical financials, industry and benchmarking analysis in relation to relevant financial metrics (i.e., growth, margins, etc.).

Shape the future  
with confidence

- Undertaking a cross-check of the concluded company specific WACCs by having regard to each CGU's implied multiples (i.e., EV/EBITDA) and pricing metrics of selected comparable guideline companies and transactions.
- Assessing a reasonable range of debt margins for each CGU in the estimation of the cost of debt, including an incremental premium with respect to similarly rated bonds of selected comparable companies.
- Perform relevant sensitivity analyses in conjunction with the selected range of WACCs (adjusted discount rates) for impairment testing purposes as at the Valuation Date.
- Summarise our concluded WACC range for the Purpose as at the Valuation Date in a short narrative summary, (the "Impairment WACC Analysis").
- Our scope anticipates one round of questions and one meeting, up to 1 hour in duration, to discuss our analysis with your auditors.

## Section B

- Preparing a memo outlining prevailing market practices for the placement of the WACC (Weighted Average Cost of Capital) function, with consideration of strategic alignment, data accessibility, technical expertise, governance, resource capability, and technology integration.

Our role will be to provide you with advice and recommendations for your consideration. We will not perform any management functions or make any management decisions.

As the engagement progresses, you may decide that you wish to vary the scope of work. We will discuss such matters with you and any changes to the scope of work will be agreed between us in writing.

### **Purpose**

The results of the valuation will be provided solely for the purposes of assisting Management in assessing the discount rate for the CGUs for the Purpose.

### **Basis of value**

According to IAS 36, the standard/premise of value to be used in the application of purchase accounting rules is Recoverable Amount. Recoverable Amount is defined as the higher of an asset's fair value less cost to dispose ("FVLCD") and its value in use ("VIU").

FVLCD is: *"the amount obtainable from the sale of an asset or cash-generating unit in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal"*.

VIU is *"the present value of the future cash flows expected to be derived from an asset or cash-generating unit"*.

### **Out of Scope work/Valuation limitations**

We will not, except to such extent as you request and we agree in writing, seek to verify the accuracy of the data, information and explanations provided by yourselves, and you are solely responsible for this data, information and explanations. We will therefore rely on the information provided by you to be accurate and complete in all material respects.

Shape the future  
with confidence

Our research and analysis discussed will be provided to you for the above Purpose only and should not be used or relied upon for any other purpose, nor should it be disclosed to, or discussed with, any other party without our prior consent in writing.

Management shall perform the goodwill impairment analysis and are solely responsible for the inputs, analysis and conclusions therein. Our scope of work includes informal guidance/referral services and does not constitute a formal valuation or valuation review. Any guidance we provide should not be referred to or disclosed to any other party without our prior, written confirmation.

Our work will rely on information available up to the Valuation Date and will not take into account any changes post the Valuation Date. For the avoidance of doubt this includes any changes to forecasts, CGUs or any restructurings that may take place post the Valuation Date.

### **Valuations Assignment team**

This assignment will be conducted under the direction of Maria Bengtsson as a Partner in the Valuation team at EY. Maria will be assisted by Mohammed Sheikh who is a Director in the Valuation team at EY, who will have day-to-day responsibility for the valuation work.

We will perform these services in accordance with the professional standards of the Institute of Chartered Accountants of England and Wales.

The nature of any assistance we provide will necessarily depend both on the amount of detail provided to us and the timescale within which the assistance is required.

We may engage in discussions with Client personnel, including officers and employees, and outside consultants, as determined by you, as part of the Services. We may also read documentation, including contracts and memoranda, specified by you. Further, we may provide you with observations and assistance by identifying factors or considerations that are relevant to your analysis of identified accounting and financial reporting matters.

We may assist you in interpreting the relevant accounting and reporting literature based on your general circumstances, and provide our views on what factors, including your characteristics and structure, that are likely to influence the choice of accounting policy. We will not conclude on the appropriate accounting treatment based on specific facts or recommend which accounting policy/treatment you should select/adopt. Any observations provided are designed to assist you as you document and implement your own conclusions and should not be taken to represent any form of concurrence or conclusion that EY agree with or support the proposed accounting and reporting.

During the course of the Services, at your request, EY may provide you with general training sessions on certain accounting and financial reporting topics, including periodic updates on financial reporting developments.

We will not include any review of your tax situation or the tax principles you apply in connection with your restructuring outside the above-mentioned Services.

The written memoranda, presentations, analyses, schedules and other materials that EY develop to assist us in delivering the Services to you will be provided to you on an "as is" basis for your completion or customization. You will be responsible for completion, customization, implementation, use and effectiveness of these items and EY will have no obligation with respect thereto.

EY may assist you in documenting the conclusions you have reached or positions you have taken on accounting and reporting matters related to the purchase price allocation, including the accounting

policies selected by you. Any such assistance will be solely at your request and will be under your written direction.

### ***Presentation of results/Deliverables***

The results of our work will be documented in a single narrative report (“WACC Report”) outlining the valuation methodologies and conclusions.

We will meet with you to discuss our draft report before finalising the WACC Report.

Any summary of, or reference to, the WACC Report or any oral presentation in relation to the WACC Report, any submission of the WACC Report, in whole or in part, to anyone who is not the authorised representative of Marelli will be subject to our prior review and written approval. Our recommendations and the Report cannot be used other than for the Purpose.

Informal oral comments made in discussions with you or presentations to you about any WACC Report will not have any greater significance than explanations or other material contained in the WACC Report and reliance should only be placed on information and comments set out in the final WACC Report.

During the course of this assignment, we may provide status reports or show drafts of our WACC Reports to you. This is done on the basis that they are provided to inform you of progress and significant findings identified to date, and draft Reports are subject to revision and alteration as further work is performed, or further information received.

By its very nature valuation work cannot be regarded as an exact science and the conclusions arrived at in many cases will necessarily be subjective and dependent on the exercise of individual judgment. There is therefore no indisputable single value, and we normally express our assessment of value as falling within a likely range. Although the recommendations expressed in our Report will be based on methods and techniques that we consider appropriate under the circumstances, we cannot guarantee that such values or ranges of value will be accepted by other parties.

### **Information requirements**

All information (which we reasonably request given our scope of work) will be provided to us within a mutually agreeable period of time.

In respect of all our work we will be reliant on the accuracy and completeness of the underlying information that you supply to us. We will not be auditing or otherwise verifying this information and therefore will not check the accuracy of the information or any explanations provided, which your auditors may seek to subsequently do. We will not express any opinion on the information provided to us including any profit forecasts or views of future prospects, and responsibility for these matters remains entirely the responsibility of Marelli.

If you are not able to provide us with any of the information we have requested, this may affect our ability to conclude our valuation on the terms indicated above or at all. We will inform you of any restrictions to our valuation or the reliance which may be placed on it as a result of incomplete information. We will discuss additional fees with you, if such a situation arises.

In addition to the evidence supplied, our valuation will be based on discussions with you and our own research into the market and industry within which Marelli operates.

### **Out of Scope services**

Any activities not described as Services, as indicated above under Scope of Services, are not covered by the fees stated herein. ### **Limitations on scope**

The Services are advisory in nature. EY will not render an assurance report or opinion under the Agreement, nor will the Services constitute an audit, review, or other form of assurance, as those terms are identified by the International Auditing and Assurance Standards Board (IAASB). Accordingly, EY will not express any form of assurance on accounting matters, financial statements, or other financial information or internal controls as part of the Services.

The Services will not provide a formal or second opinion on the application of accounting principles as defined in Section 321 of the International Federation of Accountants (IFAC) International Code of Ethics for Professional Accountants (including International Independence Standards). None of the Services or any Deliverables will constitute any legal opinion or legal advice.

The Services will not include procedures to detect fraud or illegal acts, nor to identify, address or correct any errors or defects in your computer systems, other devices or components thereof ("Systems"), whether or not due to imprecise or ambiguous entry, storage, interpretation or processing or reporting of data. EY will not be responsible for any defect or problem arising out of or related to data processing in any Systems.

We will not be responsible for any defect or problem arising out of or related to data processing in any Systems.

The Accounting Services will not include any review of your tax situation or the tax principles you apply in connection with your Transaction or otherwise.

The specific nature of the Services will depend both on the amount of detail you provide to us and the timeframe within which you require our assistance. We will not, in connection with the performance of the Services or otherwise, (i) act as a broker for the sale of any securities, (ii) solicit any potential buyer or seller (including you) to engage in any transaction, or (iii) act as a negotiator of a transaction.

### **Your specific obligations**

You alone are responsible for the scope and sufficiency of the Services. EY draws your attention to the reservations and your management responsibilities under paragraph 8 of the General Terms and Conditions of the Agreement, your obligations under paragraphs 11, 12 and 13, and your representation, as of the date hereof, under paragraph 44 thereof.

You will arrange for periodic status meetings with your independent auditor that include representatives from you, EY, and your auditor. You also agree that we can discuss the nature of the Services and consult with and your external auditor throughout the engagement.

You will not contend that any provisions of Securities Laws could invalidate any provision of this Agreement.

- Perform loaned staff services;

Notwithstanding anything to the contrary in the Agreement or this SOW, EY assumes no responsibility for any third-party products, programs or services, their performance or compliance with your specifications or otherwise.

Shape the future  
with confidence

EY will base any comments or recommendations as to the functional or technical capabilities of any products in use or being considered by you solely on information provided by your vendors, directly or through you. EY is not responsible for the completeness or accuracy of any such information or for confirming any of it.

Notwithstanding anything to the contrary in the Agreement or this SOW, you may provide the Deliverables to your external auditor without your external auditor executing an access letter as required in paragraph 13(c) of the General Terms and Conditions, provided that you inform your external auditor that they do not acquire any rights against EY and EY does not assume any duties or obligations to your external auditor or otherwise, as a result of such access.

You shall not, while EY is performing the Services hereunder and for a period of 12 months after they are completed, solicit for employment, or hire, any EY personnel involved in the performance of the Services, provided, that you may generally advertise available positions and hire EY personnel who either respond to such advertisements or who come to you on their own initiative without direct or indirect encouragement from you.

EY will not render an assurance report or assurance opinion under the Agreement, nor will the Services constitute an audit, review, examination, or other form of attestation, as those terms are identified by the AICPA, International Standards on Auditing ("ISA's") or by the Public Company Accounting Oversight Board ("PCAOB"). Accordingly, we will not express any form of assurance on accounting matters, financial statements, any financial or other information or internal controls as part of the Services. None of the Services or any Reports will constitute any legal opinion or legal advice. We will not conduct a review to detect fraud or illegal acts.

We will base any comments or recommendations as to the functional or technical capabilities of any products in use or being considered by you solely on information provided by your vendors, directly or through you. We are not responsible for the completeness or accuracy of any such information or for confirming any of it.

If Client requires or requests EY to access or use Client or third-party systems or devices, EY shall have no responsibility for the confidentiality, security or data protection controls of such systems or devices or for their performance or compliance with Client requirements or applicable law.

Unless prohibited by applicable law, we may provide Client Information to other EY Firms, EY Persons and external third parties, who may collect, use, transfer, store or otherwise process such information in various jurisdictions in which they operate in order to provide support services to any EY Firm and/or assist in the performance of the Services.

Our Deliverables may contain advice or communications that may be privileged under Internal Revenue Code Section 7525. If such information is provided to persons other than your management, directors, or your legal counsel involved in its preparation or responsible for determining whether to implement it, you may waive such privilege.

Where our written consent under the Agreement is required for you to disclose to a third party any of our Deliverables (other than Tax Advice), we will also require that third party to execute a non-reliance and release letter acceptable to us in form and substance.

If we receive a request from a third party for any information relating to our Tax Advice, we will notify you and will not release any such information unless you have executed an appropriate written consent authorizing such disclosure and the third party has executed a non-reliance and release letter acceptable to us in form and substance.

The Deliverables will be based on facts of which EY is aware, estimates, assumptions and other information derived from its research, knowledge of the industry and meetings with you or your advisors. We will state our information sources and the basis of our estimates and assumptions in the Valuation. All such estimates and assumptions are inherently subject to uncertainty and variation depending upon future events, which cannot be accurately foreseen. Our estimates will in any event be based on general economic conditions as they exist on the date of the analysis and will not contemplate the potential for any sudden or sharp rise or decline in those conditions. We make no representation, and give no assurance, that any estimates or results can or will be achieved. Actual results may vary materially from the estimates presented.

Any financial analyses contained in the Deliverables are not forecasts or projections as defined by the AICPA or ISAs. Rather, they are used as contemplated by the USPAP. Accordingly, terms such as “project,” “projections,” or “forecast” in the Deliverables relate to broad and generally perceived expectations of future events or market conditions.

The Deliverables may be subject to review by the Appraisal Institute or its duly authorized representatives.

The Services may touch upon business relationships (such as transactions, agreements, products purchased) you have with a third party (an “EY Client”) for which EY (or another EY Firm) performs, or has performed, services unrelated to the business relationships. On behalf of yourself and your affiliates, you acknowledge and consent to our performance of such services for any EY Client, and agree that neither you nor your affiliates will make a claim that these circumstances present a conflict of interest, real or perceived, for us or any other EY Firm. If, however, our services for an EY Client directly relate to the business relationships, we will seek the consent of both you and the EY Client to the continued performance of the Services. In any event, we confirm that, except as you and the EY Client otherwise agree in writing, your respective confidential or privileged information will remain confidential in accordance with applicable professional standards.

Notwithstanding any obligation under any confidentiality agreement to return or destroy any such material, you acknowledge that we will retain, in confidence, a file copy of our work papers and Deliverable in accordance with our professional obligations. Nothing contained herein shall benefit or create any right in, or any duty or obligation on our part to, anyone other than you.

We may retain, disclose and use Client Information that we collect in connection with any services we perform for you for research and thought leadership purposes, as well as for the purpose of providing services to other clients, as long as we identify you only in general terms in connection with such information.

After the Services under this SOW have been completed, we may disclose or present to prospective clients, or otherwise in our marketing materials, that we have performed the Services for you, and we may use your name solely for that purpose, in accordance with applicable professional obligations. In addition, we may use your name, trademark, service mark and logo as reasonably necessary to perform the Services and in correspondence, including proposals, from us to you.

The Services under this SOW may be terminated in accordance with paragraph 33 of the General Terms and Conditions, however in any event the Services under this SOW will terminate upon the effective date of the Debtors’ confirmed plan of reorganization, or the liquidation of the Debtors’ assets under chapter 11 or 7 of title 11 of the United States Code (the “Bankruptcy Code”).

#### **Timetable**

Shape the future  
with confidence

We will commence work immediately on confirmation from you that the terms of the assignment as set out in this Agreement are accepted. The actual time required to complete the Services will depend on the timely availability of the required data from Client, early access to the assets and time taken by Client to review and approve the Deliverables.

Unless otherwise agreed, and subject to the General Terms and Conditions of the Agreement, EY expects to perform the Services during the period from 24 February 2026 to 30 June 2027.

As you will appreciate, however, any such timetable is based on the assumption that we will receive the appropriate co-operation and assistance. If we do not, however, then we cannot be held responsible for any delays. We will notify you as soon as practicable if it appears likely that there will be any significant delays in the above timetable.

### Fees

The General Terms and Conditions of the Agreement address our fees and expenses generally.

Our fee is based on the actual time required by our professionals to complete the Services. Individual hourly rates vary according to the experience and skill required. Refer to Appendix C.

Our fee estimate reflects the agreed level of preparation and assistance from your personnel. EY will advise you on a timely basis if management are not providing the required information or other resources, or if anything happens which causes actual time to exceed our estimate. EY will not undertake additional work without your prior approval. EY will monitor and report our hours and costs on a regular basis.

We will provide fortnightly updates on actual hours worked and a forward estimate, as appropriate. We will bill the first invoice in advance and will issue an invoice every two weeks following with our final invoice being issued on completion of the services. Expenses and any applicable taxes will be added to each invoice as incurred. Invoices will be payable upon presentation.

### Use of name

Notwithstanding Section 45 of the General Terms and Conditions (Appendix B) EY and other EY Firms (as defined in Section 4 of the General Terms and Conditions) may use your name as reasonably necessary to perform the Services and in correspondence, including proposals, from EY or other EY Firms to you. In addition, they may disclose to present or prospective clients, or otherwise in marketing materials, that they have performed the Services for you, and may use your name solely for that purpose, in accordance with applicable professional obligations.

#### **Deliverables**

11. Unless otherwise expressly specified in the Agreement, all Deliverables are intended for Client's internal use only (consistent with the purpose of the particular Services).

Shape the future  
with confidence

12. Client shall not rely on, and EY shall have no liability for: (i) any advice or information provided orally (including where recorded or transcribed), unless otherwise expressly agreed in the applicable Statement of Work or unless the advice in question is also given and/or confirmed in writing by EY; or (ii) any draft Deliverable. EY shall not be required to update any final Deliverable as a result of circumstances of which EY becomes aware, or events occurring, after its delivery.
13. Unless otherwise provided for in a Statement of Work, Client may not disclose a Deliverable (or any portion or summary of a Deliverable), or refer to EY or to any other EY Firm or EY Person in connection with the Services, except:

  - (d) to the extent it contains Tax Advice.

If Client discloses a Deliverable (or a portion thereof), Client shall not alter, edit or modify it from the form provided by EY. Client shall inform those to whom it discloses a Deliverable (other than disclosure of Tax Advice to tax authorities) that they may not rely on it for any purpose without EY's prior written consent.

### Limitations

14. As part of the parties' arrangements, the parties have mutually agreed the following limitations of liability (which also apply to others for whom Services are provided under this Agreement):
- (a) EY will not in any circumstances be liable to the Client in respect of:
    - i. loss of profit;

- ii. loss of revenue;
- iii. loss of data;
- iv. loss or damage to goodwill;
- v. loss or damage to reputation;
- vi. wasted expenditure;
- vii. exemplary or punitive damages; or
- viii. consequential, indirect, incidental or special losses or damages,

arising out of or in connection with this Agreement or otherwise relating to the Services, whether or not the likelihood of such loss or damage was contemplated.

- (b) EY's liability to Client in respect of breach of contract or breach of duty or fault or negligence or in equity or otherwise whatsoever arising out of or in connection with this Agreement and the Services shall be limited in total to £2 million (or, if greater, the total amount of the fees charged by EY to Client under this Agreement) to cover all claims of any sort whatsoever (excluding interest and legal costs) arising out of or in connection with this Agreement and the Services as a single aggregate limit.
- (c) If EY is liable to Client under this Agreement or otherwise in connection with the Services, for loss or damage to which any other persons have also contributed (including but not limited to the Client's contributory negligence), EY's liability to Client shall be several, and not joint, with such others, and shall be limited to EY's proportionate share of that total loss or damage, based on EY's contribution to the loss and damage relative to the others' contributions. No waiver of, exclusion or limitation on the liability of other responsible persons imposed or agreed at any time shall affect any assessment of EY's proportionate liability hereunder, nor shall settlement of or difficulty enforcing any claim, or the death, dissolution or insolvency of

Shape the future  
with confidence

any such other responsible persons or their ceasing to be liable for the loss or damage or any portion thereof, affect any such assessment.

- (d) Where there is more than one Client party to this Agreement (other than EY), the single limit of liability set out in Section 14(b) of this Agreement will apply on an aggregate basis regardless of how many Client parties bring claims or establish liability against EY arising out of or in connection with this Agreement and/or the Services. Client(s) agree not to dispute the validity, enforceability or operation of the limit of liability set out in Section 14(b) on the ground that it has or might be exhausted in whole or in part by a claim or claims by another Client(s) or other parties to this Agreement.
- (e) Client shall issue any claim relating to the Services or otherwise under this Agreement no later than 3 years after the act or omission alleged to have given rise to the claim regardless of when the Client became aware or ought to have become aware of the act or omission alleged to have given rise to the claim. If any claim, action or proceedings are not brought within the time limits set out in this Section 14(e), EY will not be liable for any such claim and the Client shall cease to have any right of action against EY in respect of the loss and/or claim in question.
15. The limitations set out in Sections 14(a) to (e) above will not apply to losses or damages for death or personal injury or arising as a result of fraud on EY's part or to the extent that any such limitation of liability is prohibited by applicable law or professional regulations. Further, for the avoidance of any doubt, these limitations shall also not apply in relation to any TUPE related liabilities as set out in Sections 50 to 57.
16. Client (and any others for whom Services are provided under this Agreement) may not make a claim or bring proceedings relating to the Services or otherwise under this Agreement against any other EY Firm or EY

Persons. Client shall make any claim or bring proceedings only against EY.

#### **No Responsibility to Third Parties**

17. Unless specifically otherwise agreed with Client in writing, EY's responsibility for performance of the Services is to Client and Client alone. Should any Deliverable be disclosed or otherwise made available by or through Client (or at Client's request) to a third party (including but not limited to permitted disclosures to third parties under Section 13 and any Client Affiliates), without prejudice to any other rights or remedies available to EY, Client agrees to indemnify EY, as well as the other EY Firms and the EY Persons, against all claims by third parties (including but not limited to those third parties detailed in Section 13 and any Client Affiliates), and resulting liabilities, losses, damages, costs and expenses (including reasonable external and internal legal costs) arising out of such disclosure. Client shall have no obligation hereunder to the extent that EY has specifically authorised, in writing, the third party's reliance on the Deliverable.

#### **Intellectual Property Rights**

18. Each party retains its rights in its pre-existing intellectual property. Except as set out in the applicable Statement of Work, any intellectual property developed by EY, and any working papers compiled in connection with the Services (but not Client Information contained in them), shall be the property of EY.
19. Client's right to use Deliverables under this Agreement arises following payment for the Services.

#### **Confidentiality, Data Protection & Security**

20. Except as otherwise permitted by this Agreement, neither party may disclose to third parties any information (other than Tax Advice) provided by or on behalf of the other that ought reasonably to be treated as confidential (including, in the case of EY, Client Information). Either party may, however, disclose such information to the extent that it:

with confidence

- (a) is or becomes public other than through a breach of this Agreement;
- (b) is subsequently received by the recipient from a third party who, to the recipient's knowledge, owes no obligation of confidentiality to the disclosing party with respect to that information;
- (c) was known to the recipient at the time of disclosure or is thereafter created independently;
- (d) is disclosed as necessary to enforce the recipient's rights under this Agreement; or
- (e) must be disclosed under applicable law, legal process or professional regulations.
21. EY uses other EY Firms, EY Persons and Support Providers who may have access to Client Information in connection with delivery of Services as well as to provide Internal Support Services. EY shall be solely responsible for any use or disclosure of Client Information by other EY Firms, EY Persons or Support Providers.
22. Client agrees that Client Information, including Personal Data, may be processed by EY, other EY Firms, EY Persons and their Support Providers in various jurisdictions in which they operate (EY office locations are listed at [www.ey.com](http://www.ey.com)). Client Information, including any Personal Data, will be processed in accordance with applicable law, and appropriate technical and organisational security measures will be implemented to protect it. EY will require any Support Provider that processes Client Information, including Personal Data on its behalf to adhere to the requirement to process Personal Data in accordance with applicable law, and to implement appropriate technical and organisational security measures in respect of such Personal Data. For the avoidance of doubt, EY is acting as a Controller for Personal Data processed by its Support Providers. Transfer of Personal Data among members of the EY network is subject to the EY Binding Corporate Rules Program, available at [www.ey.com/bcr](http://www.ey.com/bcr). Further information about EY's processing of Personal Data is available at [www.ey.com/privacy](http://www.ey.com/privacy).
23. As a professional services firm, EY is required to exercise its own judgement in determining the purposes and means of processing any Personal Data when providing the Services. Accordingly, unless otherwise specified, when processing Personal Data subject to the Data Protection Act 2018 and the UK General Data Protection Regulation or other applicable data protection law, EY acts as an independent controller, and not as a processor under Client's control or as a joint controller with Client. For Services where EY acts as a processor processing Personal Data on Client's behalf, the parties will agree appropriate data processing terms in the applicable Statement of Work.
24. Except in the case of any UK audit client or affiliates thereof, or where this is otherwise not permissible under relevant audit independence requirements, EY and other EY Firms may retain and use Client Information for benchmarking, analytics, research and development, thought leadership and related purposes, and to enhance their services, provided that any use does not externally identify or make reference to, Client. In all such matters, EY and other EY Firms will comply with applicable law and professional obligations.
25. If Client requires EY to access or use Client or third-party systems or devices, EY shall have no responsibility for the confidentiality, security or data protection controls of such systems or devices or for their performance or compliance with Client requirements or applicable law.
26. To facilitate the performance of the Services, EY may provide access to, or otherwise make available technology-enabled collaboration tools and platforms to Client personnel or third parties acting on Client's behalf or at the Client's request. Client shall be responsible for all such persons' compliance with the terms applicable to the use of such tools and platforms.
27. If circumstances arise such that EY disclose information to the National Crime Agency

Shape the future  
with confidence

(NCA), due to the restrictions imposed by law, EY may be prevented from discussing such matters with Client or from proceeding with the Services pending consent from NCA. If this arises EY shall have no liability to Client as a result of any suspension or termination of the Services.

### **Fees and Expenses Generally**

28. Client shall pay EY's professional fees and specific expenses in connection with the Services as detailed in the applicable Statement of Work. Client shall also reimburse EY for other reasonable expenses incurred in performing the Services. EY's fees are exclusive of taxes or similar charges, as well as customs, duties or tariffs imposed in respect of the Services, all of which Client shall pay (other than taxes imposed on EY's income generally). Unless otherwise set forth in the applicable Statement of Work, payment is due upon presentation of each of EY's invoices.
29. EY may charge additional professional fees if events beyond its control (including Client's acts or omissions) affect EY's ability to perform the Services as agreed in the applicable Statement of Work or if Client asks EY to perform additional tasks.
30. If EY is required by applicable law, legal process or government action to produce information or personnel as witnesses with respect to the Services or this Agreement, Client shall reimburse EY for any professional time and expenses (including reasonable external and internal legal costs) incurred to respond to the request, unless EY is a party to the proceeding or the subject of the investigation.

### **Force Majeure**

31. Neither party shall be liable for breach of this Agreement (other than payment obligations) caused by circumstances beyond such party's reasonable control.

### **Term and Termination**

32. This Agreement applies to all Services whenever performed (including before the date of this Agreement or the applicable Statement of Work).

33. This Agreement shall terminate on the completion of the Services or as otherwise set out in the applicable Statement of Work. Either party may terminate this Agreement, or any particular Services, upon 30 days' prior written notice to the other. In addition, EY may terminate this Agreement, or any particular Services, immediately upon written notice to Client if EY reasonably determines that it can no longer provide the Services in accordance with applicable law (including but not limited to the laws and regulations referred to in Section 38) or professional obligations.
34. Client shall pay EY for all work-in-progress, Services already performed, and expenses incurred by EY up to and including the effective date of the termination or expiration of this Agreement, as well as any applicable termination fees set forth in the applicable Statement of Work.
35. Each party's respective confidentiality obligations under this Agreement shall continue for a period of three years following the termination of this Agreement or for so long as the confidential information has the necessary quality of confidence, whichever is greater. The other provisions of this Agreement that give either party rights or obligations beyond its termination shall continue indefinitely following the termination of this Agreement.

### **Governing Law and Dispute Resolution**

36. This Agreement, and any non-contractual matters or obligations arising out of or in connection with it or the Services, shall be governed by, and construed in accordance with, the laws of Delaware.
37. Any dispute arising out of or in connection with this Agreement or the Services shall be subject to the exclusive jurisdiction of the United States Bankruptcy Court for the District of Delaware, to which each party agrees to submit for these purposes.

### **Compliance**

38. In connection with the performance of their respective rights and obligations under this Agreement, EY and Client will each comply with any laws and regulations applicable to them concerning or relating to: (i) bribery or

Shape the future  
with confidence

corruption; or (ii) economic or financial sanctions, export controls, trade embargoes or other similar prohibitions or restrictions imposed by a government authority having jurisdiction over such party. Client represents that it shall not use the Services to circumvent, or facilitate any violation of, any such law or regulation.

#### **Miscellaneous**

39. This Agreement constitutes the entire agreement between the parties as to the Services and the other matters it covers, and supersedes all prior agreements, understandings and representations with respect thereto, including any previously agreed confidentiality agreements. Save in respect of any fraudulent misrepresentation, each party agrees that it has not relied on any statements other than those included in the Agreement and it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that has been made by the other party prior to entering into this Agreement, or that is not set out in this Agreement.
40. Each party may execute this Agreement, as well as any modifications to it, by electronic means, and each party may sign a different copy of the same document. Both parties must agree in writing to modify this Agreement.
41. Client agrees that EY and the other EY Firms may, subject to professional obligations, act for other clients, including Client's competitors.
42. Neither party shall assign any of its rights or obligations under this Agreement in whole or in part without the prior written consent of the other party; provided, however, that EY may assign any of its rights and obligations under this Agreement to (i) any other EY Firm and/or (ii) any entity or entities resulting from, or established as part of, a restructuring, sale or transfer of an EY Firm, in whole or in part, provided further that any such assignment does not materially affect the continuity of the Services. EY shall provide the Client with notice of any such assignment.
43. If any provision of this Agreement (in whole or part) is held to be illegal, invalid or otherwise unenforceable, the other provisions shall remain in full force and effect.
44. Client acknowledges that the U.S. Securities and Exchange Commission regulations indicate that, where auditor independence is required, certain confidentiality restrictions related to tax structure may render the auditor to be deemed to be non-independent or may require specific tax disclosures. Accordingly, if and only to the extent that U.S. Securities and Exchange Commission auditor independence regulations apply to the relationship between Client or any of Client's associated entities and any EY Firm, with respect to the tax treatment or tax structure of any transaction to which the Services relate, Client represents, to the best of its knowledge, as of the date of this Agreement, that neither Client nor any of its affiliates has agreed, either orally or in writing, with any other advisor to restrict Client's ability to disclose to anyone such tax treatment or tax structure. Client agrees that the impact of any such agreement is its responsibility.
45. Neither party may use or reference the other's name, logos or trademarks without its prior written consent, provided that EY may use Client's name publicly to identify Client as a client in connection with specific Services or otherwise.
46. The limitations in Sections 14 to 16 and the provisions of Sections 17, 21, 22, 24, 41 and 52 apply to and are intended to benefit the other EY Firms and all EY Persons, who shall be entitled to enforce them. Otherwise, a person who is not a party to this Agreement may not enforce any of its terms under the Contracts (Rights of Third Parties) Act 1999.
47. Client represents that Client Affiliates and any others for whom Services are performed shall be bound by the terms of this Agreement.
48. If at any time Client would like to discuss with EY how EY's service to Client could be improved, or if Client is dissatisfied with the

with confidence

service Client is receiving, Client may take the issue up with Client's usual partner or director contact. If Client prefers an alternative route, please contact Anna Anthony, EY's Managing Partner, 1 More London Place, London SE1 2AF. EY undertake to look into any complaint carefully and promptly and to do all that EY can to explain the position to Client. Should Client remain dissatisfied with any aspect of EY's service, Client may of course take matters up with EY's professional institute. EY can provide further information on how Client may contact EY's professional institute.

49. Each party represents that the person signing this Agreement on its behalf is expressly authorised to execute it and to bind that party to its terms.

#### **TUPE**

50. The parties consider that TUPE does not apply on the commencement of the provision of the Services (in whole or in part), and there will be no transfer of any employees of the Client, any Client Affiliate and any Former Supplier.
51. Notwithstanding Section 50, if the contract of employment (or any associated or related liabilities) of any employee of the Client, any Client Affiliate or any Former Supplier, is by reason of TUPE, found or alleged to have effect as if originally made with EY, any EY Firm or any EY Firm subcontractor (such person being an "Unintended Entry Transferring Employee"), then:
- (a) each party shall notify the other of that finding or allegation in writing as soon as reasonably practicable after becoming aware of it (and in any event within ten (10) Business Days);
  - (b) the Client may (or may procure that a Client Affiliate or Former Supplier) within five (5) Business Days of the notification made pursuant to Section 51(a) offer employment to such person;
  - (c) if such offer is accepted, EY shall (or shall procure that the relevant EY Firm or EY Firm subcontractor shall) immediately release the person(s) from their employment; and
- (d) if after the five (5) Business Day period described at Section 51(b) has elapsed, no such offer of employment has been made or such offer has been made but not accepted, EY (or the relevant EY Firm or EY Firm subcontractor) may within twenty (20) Business Days serve notice to terminate the employment of such person(s).
52. Subject to EY (or the relevant EY Firm or EY Firm subcontractor) complying with its obligations pursuant to Section 51, the Client shall indemnify EY, each relevant EY Firm and EY Firm subcontractor against all Employment Liabilities arising out of:
- (a) the termination of employment of the Unintended Entry Transferring Employee;
  - (b) the employment of the Unintended Entry Transferring Employee up to and including the termination of their employment; and
  - (c) any claims for a failure to inform and consult under TUPE in respect of the Unintended Entry Transferring Employee.
53. If an Unintended Entry Transferring Employee is not dismissed by EY (or the relevant EY Firm or EY Firm subcontractor) in accordance with Section 51, such person shall be treated as having transferred to EY (or the relevant EY Firm or EY Firm subcontractor) ("Accepted Entry Transferring Employee") and the Client shall indemnify EY (and the relevant EY Firm and EY Firm subcontractor) for all Employment Liabilities of the Accepted Entry Transferring Employee(s) arising out of or in relation to their employment with the Client (and the relevant Client Affiliate and Former Supplier) whatsoever and howsoever arising, incurred or suffered by EY (and the relevant EY Firm and EY Firm subcontractor) that arises or relates to the period on and before the date their employment transfers under TUPE.
54. The parties acknowledge that it is not anticipated that the termination or expiry of the provision of the Services (or part

Shape the future  
with confidence

thereof) under this Agreement shall constitute a transfer of any employees of EY or the relevant EY Firm to any Successor Supplier pursuant to TUPE.

55. Notwithstanding Section 54, if the contract of employment (or any associated or related liabilities) of any employee of EY or any EY Firm, is by reason of TUPE, found or alleged to have effect as if originally made with any Successor Supplier (such person being an "Unintended Exit Transferring Employee"), then:

- (a) each party shall notify the other of that finding or allegation in writing as soon as reasonably practicable after becoming aware of it (and in any event within ten (10) Business Days);
- (b) EY may (or may procure that the relevant EY Firm may) within five (5) Business Days of the notification made pursuant to Section 55(a) offer employment to such person;
- (c) if such offer is accepted, the Successor Supplier shall immediately release the person(s) from their employment; and
- (d) if after the five (5) Business Day period described at Section 55(b) has elapsed, no such offer of employment has been made or such offer has been made but not accepted, the Successor Supplier may within twenty (20) Business Days serve notice to terminate the employment of such person(s).

Where the Successor Supplier is not the Client, the Client shall use all reasonable endeavors to procure that the Successor Supplier shall comply with the obligations as set out in this Section 55.

56. Subject to:

- (i) the Client complying with its obligations pursuant to Section 55; and
- (ii) where the Successor Supplier is not the Client, the Client successfully procuring that the obligations in Section 55 are instead discharged by the relevant Successor Supplier,

then EY shall (or shall procure that the relevant EY Firm shall) indemnify the Successor Supplier against all Employment Liabilities arising out of the:

- (a) termination of employment of the Unintended Exit Transferring Employee;
- (b) the employment of the Unintended Exit Transferring Employee up to and including the termination of their employment; and
- (c) any claims for a failure to inform and consult under TUPE in respect of the Unintended Exit Transferring Employee.

57. If an Unintended Exit Transferring Employee is not dismissed by the Successor Supplier in accordance with Section 55, such person shall be treated as having transferred to the Successor Supplier ("Accepted Exit Transferring Employee") and EY shall (or shall procure that the relevant EY Firm shall) indemnify the Successor Supplier for all Employment Liabilities of the Accepted Exit Transferring Employee(s) arising out of or in relation to their employment with EY or the relevant EY Firm whatsoever and howsoever arising, incurred or suffered by the Successor Supplier that arises or relates to the period on and before the date their employment transfers under TUPE
