*Multi-Color Corporation and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 17] (as may be amended, supplemented, or otherwise modified from time to time, the “Plan”).

H. *Findings Regarding the DIP Facility, Roll Up, and Use of Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Final Order and for authorization of the DIP Obligors to obtain financing pursuant to the DIP Documents.

(ii) The Debtors have demonstrated a critical need to obtain the financing under the DIP Facility and to continue using Prepetition Collateral (including Cash Collateral) on a final basis in order to permit, among other things, the orderly continuation of the operation of their business, to maintain business relationships with vendors, suppliers, and customers, to make payroll, to satisfy other working capital and operational needs, and to fund administrative expenses of these Chapter 11 Cases. Access to sufficient working capital and liquidity under the DIP Documents and other financial accommodations provided under the DIP Documents, as well as through the use of Cash Collateral in accordance with the terms thereof, the Approved Budget (subject to permitted variances under the DIP Documents), and the terms of this Final Order, is necessary for the avoidance of immediate irreparable harm to the Debtors’ estates and for the preservation and maintenance of their going-concern value.

(iii) As set forth in the DIP Declarations and the First Day Declaration, the Debtors are unable to obtain adequate, unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense or secured financing on more favorable terms

from sources other than the DIP Lenders under the DIP Documents in light of the facts and circumstances of these Chapter 11 Cases. The Debtors are also unable to obtain secured credit without granting, in each case subject to the Carve Out, to the DIP Secured Parties the DIP Liens and the DIP Superpriority Claims (each as defined below), and incurring the Adequate Protection Obligations (as defined below) on the terms and subject to the conditions set forth in the DIP Orders and in the DIP Documents.

(iv) The Debtors continue to collect cash, rents, income, offspring, products, proceeds, and profits generated by the Prepetition Collateral, all of which constitutes the Prepetition Secured Parties' Cash Collateral under section 363(a) of the Bankruptcy Code. The Debtors desire and need to use the Prepetition Secured Parties' Cash Collateral to fund ongoing operations and for other general corporate purposes, subject to the terms of the DIP Orders, the DIP Documents, and the Approved Budget (subject to permitted variances under the DIP Documents).

(v) Based on the DIP Motion, the First Day Declaration, the DIP Declarations, and the record and argument presented to the Court at the Interim Hearing and Final Hearing, the terms of the DIP Facility, the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraph 15 of this Final Order (collectively, the "**Adequate Protection**"), and the terms on which the Debtors may continue to use Prepetition Collateral (including Cash Collateral) pursuant to this Final Order, the DIP Documents, and the Approved Budget (subject to permitted variances under the DIP Documents) are consistent with the Bankruptcy Code, including

section 506(b) thereof, are fair and reasonable, and reflect the DIP Obligors' exercise of prudent business judgment consistent with their fiduciary duties under the circumstances.

(vi) The DIP Orders, the DIP Documents, the Adequate Protection, and the use of the Prepetition Collateral (including Cash Collateral) have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties (each of whom acted in good faith in negotiating such documents), and all of the loans and other financial accommodations extended by the DIP Secured Parties to the DIP Obligors under, in respect of, or in connection with the DIP Facility and the DIP Documents (in each such case, including the granting of Adequate Protection and the Roll-Up DIP Loans (including such loans which are subject to the occurrence of a Final Roll-Up Approval Event, if and when issued)), respectively, are, and will be deemed to have been, extended by the DIP Secured Parties, respectively, in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Secured Parties (and their respective successors and assigns), the DIP Facility, the DIP Liens, the DIP Obligations, the DIP Superpriority Claims, the Adequate Protection Liens (as defined below), the Adequate Protection 507(b) Claims (as defined below), and the Adequate Protection Obligations (as defined below) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order or this Final Order or any provision thereof or hereof, respectively, is vacated, reversed, or modified, on appeal or otherwise.

(vii) The Prepetition Secured Parties have acted in good faith regarding the DIP Facility and the Debtors' continued use of the Prepetition Collateral (including Cash Collateral), including the granting of the Adequate Protection Liens and other Adequate Protection Obligations, and the Prepetition Secured Parties (and their respective successors and assigns) shall be entitled to the full protection of sections 363(m) and 364(e) of the Bankruptcy Code in the event that the Interim Order or this Final Order or any provision thereof or hereof, respectively, is vacated, reversed, or modified, on appeal or otherwise.

(viii) The Prepetition Secured Parties and the DIP Secured Parties have acted in good faith and without negligence, misconduct, or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining requisite approvals of the DIP Orders, the DIP Facility, and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens, any challenges or objections to the DIP Facility or the use of Cash Collateral, the DIP Documents, and all other documents related to and all transactions contemplated by the foregoing. Accordingly, without limitation to any other right to indemnification, the Prepetition Secured Parties and the DIP Secured Parties shall be, and hereby are, indemnified (as applicable) to the extent and as provided in the Prepetition Debt Documents and the DIP Documents, as applicable, including, without limitation, Section 4.12 of the DIP Credit Agreement and Section 2.10 of the DIP Note Purchase Agreement; *provided, however*, that no such party shall be indemnified for any losses, claims, damages, liabilities, or related expenses to the extent determined by a final,

non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the willful misconduct or actual fraud of such party.

(ix) Subject to the Carve Out, the Prepetition Secured Parties are entitled to the Adequate Protection as and to the extent set forth herein pursuant to sections 105, 361, 362, 363 and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to the Court, the terms of the proposed Adequate Protection are fair and reasonable, reflect the Debtors' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of Prepetition Collateral, including Cash Collateral.

(x) To the extent their consent is required, the requisite Prepetition Secured Parties have consented or are deemed to have consented to the use of Prepetition Collateral, including Cash Collateral, and the priming of the Prepetition Cash Flow Liens, the Prepetition Secured Notes Liens, and the Prepetition ABL Liens on the Term/Notes Priority Collateral by the DIP Liens, in each case on the terms set forth in the DIP Orders and the DIP Documents; *provided* that nothing in the DIP Orders or the DIP Documents shall (a) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in the DIP Orders and in accordance with the DIP Facility and the Approved Budget (subject to permitted variances under the DIP Documents) authorized by the DIP Orders, (b) be construed as a consent by any party to the terms of any other financing or any other lien encumbering Prepetition Collateral (whether senior or junior) other than as contemplated by the DIP Orders, or (c) prejudice, limit, or otherwise impair the rights of any Prepetition Secured Party

to seek new, different, or additional adequate protection or assert any other right, subject to the Intercreditor Agreements (as defined below), and the rights of any other party in interest, including the DIP Obligors, to object to such relief are hereby preserved.

(xi) The Debtors have prepared and delivered to the advisors to the DIP Secured Parties and the Prepetition ABL Agent the current budget (the “**Current DIP Budget**”), attached hereto as **Schedule 1**. The Current DIP Budget reflects, among other things, the Debtors’ anticipated operating receipts, operating disbursements, non-operating disbursements, net operating cash flow, and liquidity for each calendar week covered thereby. The Current DIP Budget may be modified, amended, extended, and updated from time to time in accordance with the DIP Documents. Each subsequent budget, once approved by the Required DIP Lenders in accordance with the DIP Documents (and the Prepetition ABL Agent, such consent not to be unreasonably withheld), shall modify, replace, supplement, or supersede, as applicable, the Current DIP Budget for the periods covered thereby (the Current DIP Budget or the latest subsequently approved budget, the “**Approved Budget**”). The Debtors believe that the Current DIP Budget is reasonable under the circumstances. In determining to extend postpetition financing under the DIP Documents and the DIP Orders, the DIP Secured Parties are relying, in part, upon the DIP Obligors’ agreement to comply with the Approved Budget (subject to permitted variances under, and to the extent required by, the DIP Documents, and such variances may only be amended with the written consent (not to be unreasonably withheld) of the Prepetition ABL Agent).

(xii) Each of the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties with respect to proceeds, product, offspring, or profits of any of the Prepetition Collateral.

I. *Immediate Entry.* The incurrence of the financing under the DIP Facility and continued use of Prepetition Collateral (including Cash Collateral), in accordance with the DIP Orders and the DIP Documents, are in the best interests of the Debtors’ estates and consistent with the Debtors’ exercise of their fiduciary duties.

J. *Prepetition Permitted Senior Liens; Continuation of Prepetition Liens.* Nothing herein constitutes a finding or ruling by the Court that any alleged Prepetition Permitted Senior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party in interest, including, but not limited to, the Debtors, the DIP Secured Parties, or the Prepetition Secured Parties to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Prepetition Permitted Senior Lien. For the avoidance of doubt, the right of a seller of goods to reclaim goods under section 546(c) of the Bankruptcy Code does not constitute a Prepetition Permitted Senior Lien, and such right is expressly subject to the DIP Liens, the Adequate Protection Liens, and the Prepetition Liens. The Prepetition Liens on the Prepetition Collateral, and the DIP Liens on the DIP Collateral, are in each case valid and continuing liens and the Prepetition Collateral and the DIP Collateral are and will continue to be encumbered by such liens, respectively.

K. *Compliance with Prepetition Debt Documents.* The DIP Documents and the transactions contemplated thereunder and approved herein, as well as the agreements and ancillary documents memorializing and effectuating the DIP Facility and subject to this Final Order, and the relief granted under the DIP Orders, including, but not limited to, the Adequate Protection, are consistent with, and in compliance with, the Prepetition Debt Documents.

L. *DIP Roll-Up Loans.* As of the date of entry of the Interim Order, but subject to the provisions of paragraph 21 of the Interim Order, \$125 million in the aggregate of the Prepetition Secured Obligations held by the DIP Lenders (or affiliates thereof) was rolled up and converted into an equivalent principal amount of Roll-Up DIP Loans deemed to be made under the DIP Facility. Upon the entry of this Final Order (the “**First Final Issuance Date**”), but subject to the provisions of paragraph 21 of this Final Order, \$62.5 million in the aggregate of the Prepetition Secured Obligations held by the DIP Lenders (or affiliates thereof) shall be rolled up and converted into an equivalent principal amount of Roll-Up DIP Loans deemed to be made under the DIP Facility, and upon the occurrence of the Final Roll-Up Approval Event (the “**Second Final Issuance Date**”), but subject to the provisions of paragraph 21 of this Final Order, \$62.5 million in the aggregate of the Prepetition Secured Obligations held by the DIP Lenders (or affiliates thereof) shall be rolled up and converted into an equivalent principal amount of Roll-Up DIP Loans deemed to be made under the DIP Facility. The Prepetition Secured Parties that are also DIP Lenders (or affiliates thereof) would not have consented to extend the DIP Financing or other financial accommodations to the Debtors without the inclusion of the Roll-Up DIP Loans in the

DIP Obligations. Thus, the Roll-Up DIP Loans are consideration for, and solely on account of, the agreement of the DIP Lenders to extend the New Money DIP Loans.

Based upon the DIP Motion, the foregoing findings and conclusions, and the overall record before the Court, and after due consideration, and good and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED THAT:**

1. *Motion Granted.* The DIP Motion is granted on a final basis on the terms and conditions set forth in this Final Order and in the DIP Documents. All objections to this Final Order to the extent not withdrawn, waived, settled, or resolved are hereby overruled on the merits. This Final Order shall become effective immediately upon its entry.

2. *Authorization of the DIP Facility and the DIP Documents.*

(a) The DIP Obligors prior execution, delivery, entry into, and prior and continued performance of all of their obligations under the DIP Documents and the DIP Orders, including, subject to the Carve Out, the granting of the DIP Liens and the DIP Superpriority Claims and perfection of the DIP Liens as permitted by the DIP Orders and under the DIP Documents, and performance of such other acts as may be necessary, appropriate, or desirable in connection therewith, including, without limitation, syndicating to the Prepetition Cash Flow Lenders and the holders of the Prepetition Secured Notes Obligations the opportunity to fund the DIP Loans as set forth in the DIP Documents are hereby approved on a final basis. The Borrowers are hereby authorized to borrow up to \$250 million in New Money DIP Loans, of which \$125 million, comprising the Interim New Money DIP Loans, were funded and approved pursuant to the Interim

Order, and \$125 million comprises the Final New Money DIP Loans (*provided that, unless and until a Final Roll-Up Approval Event occurs, the DIP Lenders shall not be required to fund \$62.5 million of such New Money DIP Loans, but upon the occurrence of a Final Roll-Up Approval Event, such lenders shall be required to fund such amount*), and convert Prepetition Secured Obligations in an amount equal to the Roll-Up Amount (as defined below) into Roll-Up DIP Loans (*provided that, for the avoidance of doubt, such conversion shall not include the Second Final Roll-Up Amount until the occurrence of a Final Roll-Up Approval Event*), with the Interim Roll-Up Amount (as defined in the Interim Order) having been approved pursuant to the Interim Order, pursuant to the DIP Documents upon entry of this Final Order and subject to its terms as set forth herein, and the DIP Guarantors are hereby authorized to guarantee the Borrowers’ obligations, in each case, on account of the DIP Loans, subject to the limitations set forth in the DIP Documents. The proceeds of the DIP Loans may be used for all purposes permitted under the DIP Documents and the DIP Orders, subject to and in accordance with the Approved Budget (subject to permitted variances under the DIP Documents).

The entry of the Interim Order constituted final approval of 50% of the Backstop Premium to be paid to the applicable parties in accordance with the DIP Documents. The entry of this Final Order shall constitute final approval of the remaining 50% of the Backstop Premium. The Backstop Premium has been fully and finally earned as a bargained for and integral part of the DIP Facility

The Debtors shall deposit and hold such amounts in a segregated account maintained by or on behalf of the Debtors in trust to pay such then unpaid Allowed Professional Fees (the “**Pre-Carve Out Trigger Notice Reserve**”) prior to any other claims. On the Termination Declaration Date, the Carve Out Trigger Notice shall also constitute a demand to the Debtors to utilize all cash on hand as of such date, including cash in the Funded Reserve Account, and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap. (i) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (a)(i) through (a)(iii) of the definition of Carve Out set forth above (the “**Pre-Carve Out Amounts**”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until the Pre-Carve Out Amounts are indefeasibly paid in full. If the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to paragraph 4(d)(iii) below, all remaining funds shall be distributed first to the DIP Representatives on account of the DIP Obligations until indefeasibly paid in full, subject to paragraph 8(c) of this Final Order, and thereafter to the Prepetition Secured Parties in accordance with their rights and priorities as of the Petition Date and as otherwise set forth in this Final Order.

(ii) All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (a)(iv) of the definition of Carve Out set forth above (the “**Post-Carve Out Amounts**”). If the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to paragraph 4(d)(iii) below, all remaining funds shall be distributed to the DIP Representatives for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full and subject to paragraph 8(c) of this Final Order, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as of the Petition Date.

payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively (subject to the limits contained in the Post-Carve Out Trigger Notice Cap), shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in paragraph 4(c) hereof, prior to making any payments to the DIP Representatives or the Prepetition Secured Parties, as applicable.

(iv) Notwithstanding anything to the contrary in the DIP Documents, the Prepetition Debt Documents, or the DIP Orders, following delivery of a Carve Out Trigger Notice, the DIP Representatives and the Prepetition Secured Parties shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a first-lien and automatically perfected security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Representatives for application in accordance with the DIP Documents and the Intercreditor Agreements.

(v) Further, notwithstanding anything to the contrary in this Final Order, (A) disbursements by the Debtors from the Carve Out Reserves shall not constitute DIP Loans or increase or reduce the DIP Obligations, (B) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out with respect to any shortfall (as described below), and (C) in no way shall the Current DIP Budget, any subsequent DIP Budget, the Carve Out, the Post-Carve Out Trigger Notice Cap, or the Carve Out Reserves, or any of the foregoing, be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. (e) *Payment of Allowed Professional Fees Prior to the Termination Declaration Date.* Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(f) *No Direct Obligation to Pay Allowed Professional Fees.* None of the DIP Representatives, the DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Representatives, the DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

If, after delivering the monthly Borrowing Base Certificate, Specified Availability would be less than 7.5% of Availability, then the Debtors shall, within two (2) business days, deposit cash sufficient to cause Specified Availability to be at least 7.5% of Availability to be deposited into one or more segregated accounts with a bank that has entered into a uniform depository agreement with the U.S. Trustee, upon which the Prepetition ABL Agent shall have a first priority, automatically perfected security interest in, and lien (a “**True Up Deposit**”). The True Up Deposit, if any, shall constitute ABL Priority Collateral. Notwithstanding the imposition of the automatic stay and the relief granted in the DIP Orders, the Prepetition ABL Agent is permitted to take, and the Debtors shall reasonably cooperate with, any and all actions required under applicable foreign law to perfect the encumbrances granted in the DIP Orders with respect to the aforementioned foreign accounts.

Any objections raised by any Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) calendar days after receipt (the “**Review Period**”). If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the last date of the Review Period, the Debtors shall pay such invoices within five (5) business days thereafter. If an objection to a professional’s invoice is received within the Review Period, the Debtors shall pay the undisputed amount of the invoice within five (5) business days after the end of the Review Period without the necessity of filing formal fee applications, regardless of whether the invoiced amount arose or was incurred before or after the Petition Date, and the Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. Notwithstanding the foregoing, the Debtors are authorized and directed to pay, on or prior to the Closing Date (as defined in the DIP Documents), any costs, fees, expenses (including reasonable and documented legal fees and expenses), and other compensation required by the DIP Documents. Secured Obligations, the Prepetition Collateral, or the Prepetition Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay confirmation of any plan of reorganization in these Chapter 11 Cases; *provided* that the Debtors and the Prepetition Secured Parties shall not object to a motion filed by the Creditors’ Committee seeking standing to pursue any such claim or cause of action, including any Challenge, solely on the basis that standing is precluded by the Delaware Limited Liability Company Act (as applied to any applicable Debtor entity). The filing of a motion seeking standing to file a Challenge that attaches a proposed complaint in accordance with the applicable rules and this Final Order shall toll the Challenge Period until such motion is resolved or adjudicated by this Court, but only as to the party that filed such standing motion and proposed complaint and only with respect to the Challenges asserted by such party in the proposed complaint. were, pursuant to the Interim Order, and remain hereby also authorized, but not directed, to take any reasonable related actions, including pledging cash collateral in an amount that is mutually agreed to by the Debtors and an Issuing Bank in support of any new letters of credit and granting any related security interests and paying any related fees. For the avoidance of doubt, no Prepetition ABL Secured Party or any other Prepetition Secured Party is required to extend, renew, or replace any letters of credit. To the extent the beneficiary of a Letter of Credit (as defined in the Prepetition ABL Credit Agreement) issued by an Issuing Bank (as defined in the Prepetition ABL Credit Agreement) draws on the Letter of Credit during the pendency of the Chapter 11 Cases, then the Issuing Bank is permitted, without either having to first seek relief from the automatic stay or any other form of supplementary relief from the Court, to exercise any and all remedies under the Prepetition ABL Loan Documents against any cash collateral that is pledged as contemplated by this paragraph 23(a) provided to the Prepetition ABL Agent in order to make itself whole with regard to any amounts it paid to the beneficiary of the subject Letter of Credit.

Any authorization contained in any other order entered by the Court shall be consistent with and subject to the requirements set forth in this Final Order and the DIP Documents, including, without limitation, the Approved Budget (subject to any permitted variances under the DIP Documents).

25. *Binding Effect; Successors and Assigns.* Subject to paragraph 21 hereof, the DIP Documents and the provisions of the DIP Orders, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, any statutory or non-statutory committees appointed or formed in these Chapter 11 Cases, the Debtors, and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns; *provided* that none of the DIP Secured Parties or the Prepetition Secured Parties shall have any obligation to (and none of them are hereby agreeing or consenting to) permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee or chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

(including Cash Collateral), or in exercising any rights or remedies as and when permitted pursuant to the DIP Orders or the DIP Documents, the Prepetition Debt Documents, or applicable law, as applicable, none of the DIP Secured Parties or the Prepetition Secured Parties shall: (a) have any liability to any third party or be deemed to be in “control” of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates; or (c) be deemed to be acting as a “Responsible Person” or “Owner” or “Operator” or “managing agent” with respect to the operation or management of any of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in the DIP Orders shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Secured Parties or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective Representatives. The DIP Secured Parties and the Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or the Prepetition Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person, and all risk of loss, damage or destruction of all or any portion of the DIP Collateral or the Prepetition Collateral shall be borne by the Debtors.

27. *Master Proofs of Claim.* Neither the Prepetition Representatives nor any other Prepetition Secured Parties shall be required to file proofs of claim in these Chapter 11 Cases or any Successor Cases in order to assert claims for payment of any of the Prepetition Secured Obligations, including, without limitation, any principal, unpaid interest, fees, expenses, and other amounts payable under the Prepetition Debt Documents. The description of claims and liens in respect of the Prepetition Secured Obligations set forth in the DIP Orders is deemed to constitute timely proofs of claim in respect of such indebtedness and its secured status. However, without limiting the foregoing, in order to facilitate the processing of claims, each Prepetition Representative was, pursuant to the Interim Order, and remains hereby authorized, but not directed or required, to file a master proof of claim in the Debtors' lead case *In re Multi-Color Corporation, et al., Case No. 26-10910*, on behalf of the applicable Prepetition Secured Parties (each, a "**Master Proof of Claim**"), which shall be deemed to have been filed against each Debtor. The provisions of this paragraph 27 and the filing of Master Proofs of Claim, if any, are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan filed in these Chapter 11 Cases. The Master Proofs of Claim shall not be required to include any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements, or other documents will be provided upon written request to counsel to the applicable Prepetition Representative. None of the DIP Secured Parties shall be required to file proofs of claim with respect to the DIP Obligations.

28. *Insurance.* To the extent that any Prepetition Representative is listed as a loss payee under the insurance policies of any of the DIP Obligors, the DIP Representatives shall also be deemed to be a loss payee under such insurance policies until the indefeasible payment in full of the DIP Obligations (in each case, other than contingent indemnification obligations as to which no claim has been asserted) and termination of the commitments under the DIP Facility and shall act in that capacity and distribute any proceeds recovered or received in respect of such insurance policies, in each case, subject to the Carve Out and the ABL Intercreditor Agreement and in accordance with this Final Order.

(a) DIP Obligations. The DIP Representatives (acting at the direction of the Required DIP Lenders under the DIP Documents) shall have the right to credit bid, up to the full amount of the DIP Obligations (except with respect to the Second Final Roll-Up, unless and until there is the occurrence of a Final Roll-Up Approval Event), which shall occur upon the expiration of the Challenge Period and the rights set forth in paragraph 21 of this Final Order with respect to such amounts) in any sale of the DIP Collateral (provided that any credit bid with respect to ABL Priority Collateral shall be subject to paragraph 8(c) hereof), without the need for further Court order authorizing the same, whether any such sale is effectuated through section 363(k),

Subject to (a) the terms and provisions of the Intercreditor Agreements and the lien priorities set forth herein and in the Intercreditor Agreements and (b) the expiration of the Challenge Period and the rights set forth in paragraph 21 of this Final Order, each Prepetition Representative shall have the right, consistent with the provisions of the Prepetition Debt Documents, as applicable (and providing for the DIP Obligations to be either (i) assumed or (ii) indefeasibly repaid in full in cash and the termination of all commitments under the DIP Facility, respectively), to credit bid, up to the full amount of the applicable Prepetition Secured Obligations, in the sale of the applicable Prepetition Collateral, without the need for further Court order authorizing the same, whether any such sale is effectuated through section 363(k), 1123, or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise; *provided* that the Prepetition ABL Agent (at the direction of the requisite lenders under the Prepetition ABL Credit Agreement) shall have the exclusive right to credit bid the aggregate outstanding Prepetition ABL Obligations, during any such sale, on a dollar-for-dollar basis in connection with any sale of ABL Priority Collateral.

Any of the DIP Representatives and the Prepetition Representatives, in their respective capacities as such, shall be deemed to be a qualified bidder (or such analogous term or capacity) in connection with any sale, and the Debtors shall not object to any of the DIP Representatives or the Prepetition Representatives credit bidding (to the extent of such right pursuant to paragraph 29(a) or (b)) the full amount of the then outstanding DIP Obligations or respective Prepetition Secured Obligations (including any Adequate Protection Obligations, as applicable), respectively.
