1. Motion

Motion to Reopen the Record pursuant to Bank R 9024; OR exercise discretion to reconsider allowance or disallowance of proff of claim for the above cause No.; pursuant to 11 U.S.C.S. subsec 502(j).

2. Facts

On June 25, 2024, the Court of Appeals Div. II in Tacoma WA; remanded back Alberto Colt-Sarmiento's Criminal case for further action considering this solid basis Alberto Colt-Sarmiento respectfully request he be allowed to go into summary judgment for a settlement on his Defamation and False Light claims or in the alternative this civil case be Reopened. To in turn proceed with summary judgment for damages of Defamation & False Light, etc. Allow a jury to decide the finality of this valid defamation, inter alia. (See Exh. A).

Questions of Law and Fact...

Is there projected collateral that validly can help a bail out

from prison or to increase the value of the JCK LEGACY Company from it's Bankruptcy; like originally argued by Sarmiento & value increase Arguendo now supplemented (See In re JCK LEGACY Co. 2022 Bankr LEXIS 583, 2022 WL 628320) (Bankr Southern Dist. N.Y. March 3, 2022) (@HN4).

Projected Collateral; if this Court

Reopens this claim:

Please take notice that on 10-25-2024, Laura Gehrke, AKA Lorra Stewart made this creditor aware of the term TUNA; (Exh. A Discusses the July 07, 2023, Court order and projected copyrights for the algorithms of going viral¹ portrait photography, legal video coordination; (Behind the Scenes), or Record Production, or Behind the Scenes director, and all other projects reserved (Alberto Colt-Sarmiento has a High Quality Perfect Webinar; also titled: Virtual PhotoShoot at 12 AM; with Laura Gehrke); (Reserved for Presentation as Equitable); (Feat. Laura Gehrke); (This has also been converted over to a 12 AM workout Diet Plan); (Photos of Gehrke behind glass will be edited via Chat ____ GPT; or Gemini App.).

LAURA GEHRKE is a Class C Celebrity that was featured on a reality TV series called: Too Hot Too Handle for Germany. (For more info; see Laura Gehrke's TIKTOK profile: @LorraStewart; or read her headline Worldwide; "Getting Married in Prison"; "https://hoo.be/lorasophiee).

Read more at: <https://www.daily.co.UK/news/article-13687025/Glamorous-real-estate-agent-Laura-Gehrke-marries-prisoner-Joshua-Stewart-Netflix.html>.

The creditor now has joint or projected impounds with code 1007; or at a minimum projected collateral where he seeks to pull the collateral; a Copyright Judge will enforce the Laura Gehrke photo watermark part & other mechanics of new tech; (which is currently being created & in the process); (See Exh. A at pg. 1-2). ALBERTO COLT-SARMIENTO asserts that this TUNA is a term subject to a convertible Ratio Plan; of \$1 shares in undisturbed Crypto currencies which is subject to the test of substance that will be supported by his July 07, 2023, Court Order; in support in Economics TUNA is a term which can translate to turbulence; (See also 1 Civil Rights Actions P 1.16 (2024) at para. 9-10). And in words of Wall Street ALBERTO COLT-SARMIENTO says it's (DRIP); which can be used to pull in other inter-company claims globally; or to dis-impair any bootlegs used off the Original WCC Production of the Alberto Sarmiento & Laura Gehrke PhotoShoot production; as Class 8. And prove injury for the benefit of Alberto and Laura Gehrke. Further any governing body, or other third person that challenges this, is subject to a subordinate lien and/or Agricultural lien; Discovery can be sought for farm products and those entitled, e.g., under Montana Law; see in re Aznoe Agribiz, Inc., 416 B.R. 755, 2009 Bankr LEXIS 3045, 62 Collier Bankr cas. 2d (MB) 1297, 52 Bankr. ct. Dec. 76 (Bankr. Dist. Mont. September 42, 2009) (@hnl7); Discovery can be sought on TIKTOK to dis-impair copycats & bootleggers; (See Exh. B). (same applies for other bootleg websites);

PLEASE TAKE NOTICE that the creditor pursuant to DOC 867; pg. 62 at 10.6; moves to create an injunction enforcing lien or encumbrance of all the worldwide parties (bootlegging and injuring the project)

except towards LAURA GEHRKE².

3. Standard of Law

Pleasant V. TLC Liquidation Trust (In re Tender Loving Care Health Servs); HN4- - While 11 U.S.C.S. subsec 5021(j) provides that a claim that has been allowed or disallowed may be reconsidered for cause, it does not grant a court power to reconsider a claim at any time. Absent any indication to the contrary, there is no reason that a motion to reconsider pursuant to subsec 502(j) should not be governed by the time limit set in Fed.R.Bankr P.9024; in re Kapelielo, 2024 Bankr. LEXIS 1148) (a claim that has been allowed or disallowed may be reconsidered for cause. A reconsidered claim may be allowed or disallowed according to the equities of the case 11 U.S.C.S. subsec 502(j)).

2. (New) (cause of action); (According to DOC 867; at pg. 5; 1.26); (For Alberto Colt-Sarmiento and Laura Gehrke); (Alberto has made his position clear; Alberto is pro Laura Gehrke; & in future exemptions will ensure she is always protected including on intellectual property rights; copyrights and trademarks; etc. Additionally agrees to sponsor Laura Gehrke in obtaining her K1 visa to help accelerate her U.S. Citizenship within 90 days; or the time needed for the K1 visa process; the only thing Alberto can request at this time is Laura consider the instant settlement of direct notice of viralness for the production given to Alberto on July 31, 2024. And her agree to go 50/50 on the TIKTOK viralness settlement. But this is an arguendo ready to take place in NY because it is set by each and everyone's collateral pre-TIKTOK fame. Although the position is kind of unclear Alberto has allowed Laura Gehrke to handle the situation with her & her attorneys. Both Laura and Alberto have a solid connection & Alberto does not wish to challenge her, but is at her command in which way this will head; unless settlements are way to one sided then Alberto will make his objection at that time. So be it the collaborations are both mutual as they have been; and exemptions made toward him mutually beneficial.

Alberto Colt-Sarmiento has a year to file this appeal from the January 19, 2024, deadline. Therefore, as far as time limit he is not time-barred. Furthermore, there is perfect cause to reconsider this claim. This claim may be allowed or disallowed according to the Equities of the case. Although the Equities are most projected collateral. This motion is subject to an Article 78 Motion, or adversary proceeding, if denied.

Alberto Colt-Sarmiento argues that his year to appeal commenced anew for the January 19, 2024. (This is just 1 Equity of this case). And he argues without proper criminal remand there was limited basis on to file an appeal without wasting time and state and federal money. Therefore, this appeal is timely.

The next steps to be measured in the context of reconsideration are the Equities an enabler for allowance. Is there further briefing and another hearing needed to be set for this world-wide copy-catted project, which in essence is Alberto's Portrait Photography, sponsored by Laura Gehrke. In sorting out this Equity the Trustee and JCK LEGACY CO are asked to determine what can be leveraged in. What's Equitable & what's bootleg/inequitable. As it serves to help even this corporation lift itself from bankruptcy.

Conclusion

For these reasons alone, I respectfully request that this case be reopened or in the alternative reconsidered. Hearing shall be set for February of 2025; & this clerk shall notify Dep't of Corrections to allow Alberto to attend or someone get in direct contact with Alberto

IN THE COURT OF APPEALS OF THE STATE OF WASHINGTON

DIVISION II

In the Matter of the Personal Restraint of:

ALBERTO COLT SARMIENTO,

Petitioner.

No. 56604-4-II

**ORDER REJECTING TRANSFER AND
DENYING MOTIONS**

On November 29, 2021, the Pierce County Superior Court received a CrR 7.8 motion from Alberto Colt Sarmiento challenging his March 2018 convictions. In December 2021, Sarmiento filed a corrected CrR 7.8 motion raising the same issues.

Because Sarmiento's judgment and sentence became final when his direct appeal mandated on November 25, 2020 and the original CrR 7.8 motion was not accompanied by a GR 3.1 declaration establishing that the motion was placed in the prison mail system on or before November 25, 2021, the superior court determined that the original CrR 7.8 motion was untimely. RCW 10.73.090(3)(b). The superior court subsequently transferred the November 29, 2021 motion to this court for consideration as a personal restraint petition pursuant to CrR 7.8(c)(2). This court accepted the transfer.

Although the superior court did not include the corrected December 2021 CrR 7.8 motion in its transfer, Sarmiento filed an amended petition that was identical to the December 2021 motion that this court accepted. The amended petition did not raise any issues that were not raised in the original CrR 7.8 motion. This court ordered Respondent to respond to the petition.

No. 56604-4-II

Sarmiento filed numerous motions in this court and with the Supreme Court. This matter periodically was stayed pending the resolution of Sarmiento's motions and motions for discretionary review with the Supreme Court.

Meanwhile, on May 30, 2023, Sarmiento provided this court with a GR 3.1 affidavit establishing that his original CrR 7.8 motion was placed in the prison mail system on November 23, 2021, rendering his original CrR 7.8 motion timely. RCW 10.73.090(1); GR 3.1.

All of Sarmiento's motions for discretionary review with the Supreme Court have been resolved, and the stay now has been lifted.

Because Sarmiento has now demonstrated that his original CrR 7.8 motion was timely filed, his amended petition did not raise any new issues, and the superior court did not find that Sarmiento failed to make a substantial showing that he was entitled to relief or that the resolution of the motion would not require a factual hearing, this transfer is improper. Accordingly, we must reject the transfer and return this matter to the superior court.

While this matter was stayed, Sarmiento also filed several motions that must also be decided now that the stay has been lifted.

Sarmiento's January 31, 2024 and February 7, 2024 motions to compel a reply are denied. To the extent these motions also are requesting that Deputy Prosecutor Britta Anne Halverson, Prosecutor Mary Robnett, and Judge Kitty-Ann van Doornink be recused from this matter, any motion to recuse is denied without prejudice. If necessary, Sarmiento may renew the motion to recuse in the superior court.

On March 4, 2024, Sarmiento filed a motion to strike Respondent's January 30, 2024 statement of additional authorities. He contends that the statement of additional authorities contains improper argument. The statement of additional authorities complies with the current

No. 56604-4-II

version of RAP 10.8(b), which requires that the party submitting the statement of additional authorities “include argument explaining the reasons for the additional authorities.” The motion to strike the statement of additional authorities is denied.

Accordingly, it is hereby

ORDERED that the order transferring is rejected and the original CrR 7.8 motion, the amended petition, the State’s response, Sarmiento’s reply and supplemental reply, and the State’s statement of additional authorities, are returned to the superior court for further action. CrR 7.8(c).

Chapter 11

Case No. 20-10418 (MEW)

ORDER OVERRULING OBJECTION FILED BY MR. COLT-SARMIENTO

On June 2, 2023, a motion seeking entry of an order appointing a successor trustee as trustee of the JCK Legacy GUC Recovery Trust was filed in this case with a presentment date of June 21, 2023 and an objection deadline of June 16, 2023. [ECF No. 1541] No objections to the relief requested were filed by the objection deadline, and an order granting the relief was entered on June 23, 2023. [ECF No. 1543] On July 5, 2023, the Clerk of the Court received an Objection to June 16 deadline that was filed by Mr. Alberto Colt-Sarmiento [ECF No. 1547]

Although Mr. Colt-Sarmiento's objection was received after the deadline and after an order had been entered, given Mr. Colt-Sarmiento's circumstances, the Court will consider the merits of the objection. In that regard, the appointment of a new trustee will not affect Mr. Colt-Sarmiento's rights or claims in any way. Mr. Colt-Sarmiento made reference to agricultural liens, but his claims are tort claims that have been disallowed by prior order and that in any event are not secured by any agricultural liens. Based upon the foregoing, it is hereby

ORDERED, that Mr. Colt-Sarmiento's objection is overruled.
