RE: USCS Bankruptcy R 9006(b)(1):

Dear Honorable Judge of Record,
This is a Motion For Extension of Time because the burden is a heavy one I need a total of 30-60 days to file my Reply brief to the Successors Response. See USCS Bankruptcy R 9006(b)(1). If any Rulings are issued on this Motion to Reconsider before the arrival of this letter than Please set Aside any Judgment. I contend that what Yale Scott Bogen said that I used my time instead to File other motions instead of filing an Appeal; Objection I was creating Equity to Educate the Public on how to succeed by persistence and proper application of knowledge and created Leverage.

Furthermore Fed. R. Bankr. P. 9006 (b)(1) only allows parties to enlarge time when act is required or allowed to be done at or within specified period by "these rules" or by notice given thereunder or by Order of Court; by its own terms, Rule 9006(b) does not allow courts to enlarge time period expressly set forth in Bankruptcy Code. In re Fawson, 338 B.R. 505, Bankr. L. Rep. (CCH) ¶ 80610, 2006 Bankr. LEXIS 205 (Bankr. D. Utah 2006). The act that's required is My Reply Brief; and I'm hereby giving notice that I created Leverage as I was told to do by William Brandt Jr; so it's my understanding that I come back with the Defamation claim, inter alia; when my Criminal case status quo was differing from the Affirmed Appeal. Thank you for considering this Letter and I look forward to effectively working with Yale Scott Bogen & this Honorable Court in obtaining Favorable Judgment. God Bless.
