**DECLARATION OF NICHOLAS CHRISTAKOS, ESQ. IN SUPPORT OF
DEFENDANT EVERSHEDS SUTHERLAND (US) LLP'S MOTION
FOR SUMMARY JUDGMENT BASED UPON THE RELEASE**

NICHOLAS CHRISTAKOS, ESQ. declares under penalty of perjury and pursuant to 28 U.S.C. § 1746 that the following statements are true and correct to the best of his knowledge, information and belief:

1. I am Senior Counsel with the Defendant law firm, Eversheds Sutherland (US) (“**Eversheds**”) and, until December 31, 2024, was a partner in the firm and its General Counsel. I remain a member of Eversheds’ Office of General Counsel and, as such, I am familiar with the facts set forth herein.

2. I respectfully submit this Declaration in support of Eversheds’ motion, pursuant to Rule 56 of the Federal Rules of Civil Procedure, for an Order granting summary judgment on the ground that the claims set forth in the Complaint in this action are barred by a release in a “Settlement Agreement and Release” of those claims negotiated and executed by the Plaintiff,

2110526250519000000000003

Medley LLC Liquidating Trust (the “**Liquidating Trust**”), dated March 23, 2022 (the “**Settlement Agreement**”). (A copy of the Settlement Agreement, dated March 23, 2022, is attached as **Exhibit 1.**)

3. Eversheds is the United States component of an international law firm that, for many years, provided legal services to Medley LLC (the “**Debtor**”), its parent company Medley Management Inc. (“**Management**”), and certain of its affiliates and, more recently, its officers and directors, including Brook and Seth Taube (the “**Taubes**”), prior to the March 7, 2021 date on which the Debtor filed its chapter 11 case (the “**Petition Date**”). In particular, Eversheds provided legal services in connection with, among other matters, the Debtor’s pre-petition efforts to engage in a merger transaction and a complex Securities and Exchange Commission (“**SEC**”) investigation of the Debtor and, among others, several of Debtor’s officers that ended in a settlement (the “**SEC Investigation**”). Eversheds received pre-petition payments for its services including payments from the Debtor.

4. I understand that in or about October 2021, the Court approved formation of the Liquidating Trust at the time the SEC Investigation was ongoing.

5. Eversheds continued to represent the Debtor in connection with the SEC Investigation after the Petition Date and on January 26, 2022, the Court entered its Amended Omnibus Order Awarding Final Fee Applications, including approving Eversheds’ final administrative expense claim of \$2,080,055 (the “**Eversheds Administrative Claim**”).

6. My understanding from a review of Eversheds’ files is that, at some point between October 2021 and mid-February 2022, the Liquidating Trust entered settlement negotiations with Management and the Taubes. By mid-February 2022, Management and the Taubes were represented by counsel other than Eversheds in connection with those negotiations. I also

understand from a review of the record that, related to those settlement negotiations, Management and the Taubes, through their separate counsel, also discussed a settlement with the SEC.

7. Eversheds' records show that by mid-February 2022, Eversheds was alerted to the negotiations among the Liquidating Trust, the Taubes and Management to reach a settlement relating to the matters raised in the SEC Investigation that also gave rise to potential claims by the Liquidating Trust. The settlement negotiations centered around purported claims against the Taubes, Management and others that were covered by the Debtor's insurance policies and were not to be released (ultimately referred to as the "**Preserved Claims**"), and claims that were not covered by insurance, including claims under chapter 5 of the Bankruptcy Code, that were to be released (ultimately referred to as the "**Released Claims**").

8. Eversheds became aware of the negotiations because, to help enable the negotiations among the Liquidating Trust, the Taubes and Management, Eversheds was asked (1) to waive collection of the Eversheds Administrative Claim until other estate costs and expenses were paid or reserved, and (2) to first seek payment of the Eversheds Administrative Claim from the Debtor's insurers prior to seeking collection from the Liquidating Trust. In addition, Eversheds was asked to forebear collection of its fees from the Debtor's insurers to enable the Liquidation Trust, the Taubes and Management separately to engage in a settlement mediation with the Debtor's insurers without the distraction of any competing claims for fees against the available insurance.

9. On March 9, 2022, Eversheds entered an "Agreement" with the Liquidating Trust to implement the waiver and collection prerequisites the Liquidating Trust had requested (ultimately referred to as the "**Eversheds Letter**"). (A copy of the Eversheds Letter, dated March 9, 2022, is attached as **Exhibit 2**.) As stated in the Eversheds Letter the parties signed, its purpose

was to enable the Liquidating Trust to receive the maximum benefit of any negotiated agreement between the Liquidating Trust, the Taubes and Management, and to maximize distribution to all of the Debtor's creditors by avoiding unnecessary litigation and the incumbent dissipation of assets and insurance proceeds that may otherwise be available for distribution to creditors,

10. Consistent with the Eversheds Letter, on March 23, 2022, the Liquidating Trust, the Taubes and Management entered the Settlement Agreement. Section 6.1 of the Settlement Agreement contains a broad release provision that releases claims "including those arising under chapter 5 of the Bankruptcy Code" and extends to "legal advisors," "representatives," and "attorneys," among others, of Management and the Taubes. As Eversheds served as legal advisors, representatives and attorneys of Management and the Taubes, including in the same SEC Investigation where Eversheds served as counsel to Debtor, both pre- and post-petition, the Liquidating Trust's chapter 5 claims against Eversheds were released under the Settlement Agreement and are now barred.

11. In addition, on March 23, 2022, Eversheds, the Taubes, Management and certain of the Debtor's other officers and directors entered into a Forbearance Agreement and Agreement to Mediate (the "**Forbearance Agreement**") that included Eversheds' agreement to forebear collection of its fees from the Debtor's insurers to enable the Liquidation Trust, the Taubes and Management separately to engage in a settlement mediation with the Debtor's insurers. (A copy of the Forbearance Agreement is attached as **Exhibit 3**.)

12. On March 3, 2023 (three days prior to expiration of the relevant limitations period), the Liquidating Trustee filed the Complaint in this adversary proceeding against Eversheds, which was then served two months later, on May 24, 2023. Eversheds filed its Answer to the Complaint

on June 23, 2023. Due to an oversight, Eversheds did not include an affirmative defense of “settlement and release” in its Answer based upon the Settlement Agreement.

13. While compiling Eversheds’ documents to produce before the document discovery deadline, on April 23, 2025, I came across, and was reminded of, documents that referred to and contained the Settlement Agreement and related agreements. Upon review of those documents, I discovered and was reminded of the release provision in the Settlement Agreement that provided for release of the Liquidating Trust’s chapter 5 Released Claims and that the scope of the release included claims against Management’s and the Taube’s “legal advisors,” “representatives” and “attorneys.” As Eversheds had represented Management and the Taubes in connection with the SEC Investigation that was connected with and ultimately led to the Settlement Agreement, the Eversheds Letter and the Forbearance Agreement, I realized that the release in the Settlement Agreement included the Liquidating Trust’s chapter 5 claims against Eversheds.

14. I also realized at that time that a “settlement and release” affirmative defense had not been included in Eversheds’ Answer. The defense was not included due to a simple oversight.

15. For these reasons, and as explained in further detail in the Opening Brief submitted with this Declaration, Eversheds respectfully requests the Court grant Eversheds summary judgment dismissing the Complaint as barred by the release in the Settlement Agreement.

16. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

Executed on May 1, 2025.

NICHOLAS CHRISTAKOS

N. WHEREAS, to avoid the risks, costs, fees, expenses, burdens, and distractions of further litigation, the Parties desire to finally and conclusively settle and compromise any and all Released Claims on the terms and conditions set forth below.

II. AGREEMENT

For good and valuable consideration, receipt of which is mutually acknowledged, the Parties, intending to be legally bound by this Agreement, agree as follows:

¹ For the avoidance of doubt, Preserved Claims and Released Claims are mutually exclusive, and this Agreement does not release Preserved Claims. Released Claims, on the other hand, include all claims for which Loss is not covered by any of the Policies pursuant to the terms of the Policies.

1. Adoption of Recitals. The recitals set forth above are adopted as part of the Agreement, and the facts set forth therein are acknowledged and agreed to be true and correct.

2. SEC Agreement as Condition Precedent. The Parties agree that the effectiveness of this Agreement is contingent upon the Taube Parties and the Securities and Exchange Commission (“SEC”) entering into a settlement regarding the SEC’s investigation entitled *In the Matter of Medley Capital Corporation*, File No. NY-10045 (the “SEC Offer of Settlement”) and approval by the SEC. The SEC Offer of Settlement will be considered approved by the SEC on the day that the SEC files an Order Instituting Administrative and Cease-and-Desist Proceedings against the Taube Parties relating to the SEC Offer of Settlement (the “SEC Agreement”).

2.1 The Taube Parties shall provide written notice to the Liquidating Trustee that either (a) the SEC Agreement has been filed by the SEC (the “Filing Notice”); or (b) no SEC Agreement will be filed by the SEC (the “Termination Notice”).

2.2 Upon the Liquidating Trustee’s receipt of the Termination Notice (if any), this Agreement shall be null and void and each component of the Settlement Payment (defined below) shall be returned to the Taube Parties or as they may otherwise direct.

3. The Settlement Payment. In full and final settlement of the Released Claims, the Taube Parties agree to collectively pay an amount of THIRTEEN MILLION TWO HUNDRED TWENTY-FIVE THOUSAND DOLLARS (\$13,225,000) (the “Settlement Payment”), consisting of (a) TEN MILLION DOLLARS (\$10,000,000) (the “Class 3 Payment”), to be held in escrow by Ankura Trust Company, LLC (the “Escrow Agent”) and paid to the Liquidating Trust in the manner described in Section 3.1; (b) TWO MILLION SIX HUNDRED FIFTY THOUSAND DOLLARS (\$2,650,000) (the “Trust Payment”), to be paid to the Liquidating Trust in the manner described in Section 3.2; and (c) FIVE HUNDRED SEVENTY-FIVE THOUSAND DOLLARS (\$575,000) (the “Contribution Payment”), to be held in an account at Schulte Roth & Zabel LLP (“Schulte”) and paid to the Liquidating Trust in the manner described in Section 3.3. No amounts in this Agreement shall be subject to set off.

3.1 The Class 3 Payment. The Parties intend for Noteholders to be the ultimate recipients of the Class 3 Payment, with no deductions thereto, and agree that the Class 3 Payment will be made in the following manner:

- i. Within three (3) Business Days of the Execution Date, the Taubes will provide the Liquidating Trustee with the current version of their escrow agreement with the Escrow Agent (the “Escrow Agreement”). The Taube Parties further agree that, once the Escrow Agreement is executed, any subsequent amendments thereto will not become effective without the consent of the Liquidating Trustee, whose consent will not be unreasonably withheld.
- ii. Within ten (10) Business Days of executing the SEC Offer of Settlement, the Taubes will make the Class 3 Payment to the Escrow Agent and will notify the Liquidating Trustee that the Class 3 Payment has been made.

- iii. The Escrow Agent will hold the Class 3 Payment in escrow until the Escrow Agent and the Taube Parties receive a letter from the Liquidating Trustee substantially in the form attached hereto as Exhibit B (the “Confirmation Letter”).
- iv. If the Liquidating Trustee has not delivered the Confirmation Letter to the Escrow Agent and Taube Parties by twenty-five (25) Business Days before the Distribution Deadline (the “Confirmation Deadline”), the Liquidating Trustee shall forfeit the right to receive the Class 3 Payment and the Escrow Agent shall be permitted to release the Class 3 Payment as the Taubes direct.
- v. As provided in the Escrow Agreement, within three (3) Business Days of the Liquidating Trustee’s delivering the Confirmation Letter to the Escrow Agent and the Taube Parties, the Escrow Agent must deliver to the Liquidating Trust, pursuant to wire instructions that the Liquidating Trustee will provide, the amount designated in the Confirmation Letter to be distributed to the Notes Trustee, up to and including the entire Class 3 Payment.
- vi. If, after receiving funds from the Escrow Agent, the Liquidating Trustee determines that any representation in the Confirmation Letter is no longer accurate, the Liquidating Trust shall transfer those funds back to the Escrow Agent the next Business Day and the Liquidating Trustee shall forfeit the right to receive the Class 3 Payment. Otherwise, within ten (10) Business Days of receiving the Escrow Agent’s transfer and those funds becoming available for transfer, the Liquidating Trust will distribute those funds to the Notes Trustee (the “Class 3 Distribution”).
- vii. Within five (5) Business Days after the Liquidating Trust makes the Class 3 Distribution, the Liquidating Trustee will send the Taube Parties and the SEC a certification substantially in the form attached hereto as Exhibit C (the “Liquidating Trustee Certification”). The Liquidating Trustee agrees that the Liquidating Trustee Certification will be true and correct.
- viii. In addition to the Liquidating Trustee Certification, the Liquidating Trustee will make a good-faith effort to provide information reasonably requested by the SEC regarding the Class 3 Distribution.
- ix. The Confirmation Deadline and the deadlines in Sections 3.1(vi) and 3.1(vii) may be extended by written agreement of the Parties, so long as each occurs prior to the Distribution Deadline. Consent will not be unreasonably withheld.

3.2 The Trust Payment. The Taube Parties agree to make the Trust Payment within five (5) Business Days of the Execution Date. The Taube Parties will make the Trust Payment by wire transfer to the client trust account for counsel to the Liquidating Trustee (the “Reid Collins Trust Account”) according to the following wire instructions:

Broadway National Bank
1177 Northeast Loop 410
San Antonio, Texas 78209
Account Number: 4100077126
Bank ABA Number: 114021933
Account Name: Reid Collins & Tsai LLP IOLTA

Counsel for the Liquidating Trustee will transfer the Trust Payment to the Liquidating Trust on or after the Release Date. Prior to or contemporaneously with the Liquidating Trust's making the Class 3 Distribution to the Notes Trustee, the Liquidating Trust will pay ONE HUNDRED NINETY-ONE THOUSAND FIFTY-FOUR DOLLARS AND SIXTY-FIVE CENTS (\$191,054.65) from the Trust Payment to the Notes Trustee in full satisfaction of the Charging Lien.

3.3 The Contribution Payment. The Taube Parties agree to transfer the Contribution Payment to Schulte within five (5) Business Days of the Execution Date and to provide written confirmation of such payment to the Liquidating Trustee. The Taube Parties shall instruct Schulte to transfer the Contribution Payment to the Liquidating Trust as may be required under any settlement of the Preserved Claims. If no such settlement is reached by June 30, 2022 (or such later date as may be agreed by the Parties), this provision shall be of no further force and effect and there shall be no obligation to pay the Contribution Payment to the Liquidating Trust at any time and Schulte shall be permitted to remit the Contribution Payment back to the Taube Parties.

4. Liquidating Trust's Forbearance. In connection with the Mediation, the Liquidating Trust agrees: (1) to forbear from filing any claims or causes of action in any court or tribunal against the Taube Released Parties (defined below) until the earlier of (a) June 30, 2022, (b) the Termination Notice, and (c) the Agreement becoming null and void pursuant to Section 5; and (2) that its monetary demand to settle each of the Preserved Claims will be not more than the remaining coverage limits for each of the Policies applicable to such Preserved Claims after the Permitted Draws (as that term is defined in the Forbearance Agreement).

5. Release Date. The Parties agree that the releases set forth in Section 6 hereof will become effective upon the satisfaction of the following conditions (the "Release Date"): (1) each Party hereto has received a fully executed copy of the Agreement; (2) the Liquidating Trustee has received written confirmation that the Class 3 Payment has been deposited with the Escrow Agent pursuant to Section 3.1(ii); (3) the Liquidating Trustee has received an executed copy of the Escrow Agreement and any amendments thereto and notified the Taube Parties that it is acceptable;² (4) the Trust Payment has been deposited into the Reid Collins Trust Account pursuant to Section 3.2; (5) the Liquidating Trustee has received written confirmation of the transfer of the Contribution Payment to Schulte pursuant to Section 3.3; (6) the Forbearance Agreement has been executed and delivered to the Liquidating Trustee; (7) the Eversheds Letter has been executed and delivered to the Liquidating Trustee; and (8) the Liquidating Trustee receives the Filing Notice. If any of these conditions cannot

² The Liquidating Trustee's determination of whether the Escrow Agreement and amendments thereto are acceptable must be reasonable.

be met, this Agreement shall be null and void and each component of the Settlement Payment shall be returned to the Taube Parties or as they may otherwise direct.

6. Releases. On the Release Date, the Parties will make the following respective releases. For the avoidance of doubt, nothing in this Section 6 or elsewhere in this Agreement releases any Party from the obligations contained in this Agreement.

6.1 Liquidating Trust's Releases. On the Release Date, the Liquidating Trust, the Liquidating Trustee and the Debtor (the "Liquidating Trust Releasing Parties") hereby release, waive, relinquish, disavow and forever discharge Medley, the Taubes, BTT, and the Executives and all of their respective affiliates, subsidiaries, family members, former spouses, trusts, former trusts (including, but not limited to, any trust that has been revoked or terminated),³ successors, heirs, and assigns, and other entities owned or controlled by them and their officers, directors and financial and legal advisors, and all employees, representatives, agents, vendors, and attorneys of each of the foregoing (collectively, the "Taube Released Parties"), of and from any and all Released Claims, whether considered claims, actions, or causes of action (including, without limitation, any claims for contract or tort damages, punitive damages, misrepresentation, violation of any law, statute, or administrative regulation, contribution, apportionment, equitable indemnity, express and/or contractual indemnity, unasserted claims, third-party actions, counter claims, or cross claims, and any other damages or loss or other form of relief, any avoidance action and any cause of action), debts, demands, payments, rights, obligations, loss, judgments, awards, attorneys' fees, costs, expenses, interests, damages, lawsuits, liabilities, claims for reimbursement for costs or expenses, offsets, counterclaims, and defenses to collection or enforcement, benefits and causes of action of whatever kind, nature or character, known or unknown, suspected, fixed or contingent, past or present or hereinafter acquired, in law or in equity, from conduct of any nature whatsoever, which the Liquidating Trust Releasing Parties may have or claim to have, against any of the Taube Released Parties; provided however, that notwithstanding the foregoing, nothing in this Agreement releases any Preserved Claim that the Liquidating Trust has or may have against any of the Taube Released Parties or anyone else. Further, notwithstanding the foregoing, nothing in this Agreement releases claims held by the Debtor against any of its direct or indirect subsidiaries or held by any of those subsidiaries against any of the direct or indirect subsidiaries of the Debtor.

6.2 Taube Released Parties Releases. On the Release Date, the Taube Released Parties hereby release, waive, relinquish, disavow and forever discharge the Debtor, the Liquidating Trust and the Liquidating Trustee of and from any and all claims, actions, or causes of action arising under or related to sections 502(h) or 503 of the Bankruptcy Code.

7. Unknown Claims. The releases in Section 6 are executed with the full knowledge and understanding by the Parties that there may be more serious consequences or damages that are now not known. The Parties knowingly, voluntarily, and expressly waive, to the fullest extent permitted by law, any and all rights they may have under any statute or any common law principle that would limit the effect of the releases in Section 6 based upon their knowledge at the time they execute this Agreement. The Parties expressly waive their respective rights under the provisions of Section 1542 of the California Civil Code, which provides as follows:

³ For the avoidance of doubt, this includes B. Taube 2014 Associates LLC, the Seth and Angie Taube Trust, A. Taube 2014 Associates, LLC, and S. Taube 2014 Associates, LLC.

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

8. No Admission of Liability. This Agreement is intended as a compromise and shall be confidential as such to the maximum extent permitted by law. This Agreement is not intended and shall not be construed as an admission of liability by any Party.

9. Mutual Representations and Warranties. The Parties, and each of them, represent, warrant, and agree with each other as of the Execution Date and on the Release Date as follows:

9.1 Each Party has received or has had the opportunity to receive independent legal advice from attorneys of his or her choice with respect to the advisability of making the settlement and release provided herein, and with respect to the advisability of executing and being bound by this Agreement.

9.2 Except as expressly stated in this Agreement, no Party has made any statement or representation to any other Party regarding any fact that may be relied upon by any other Party in entering into this Agreement, and each Party specifically does not rely upon any statement, representation, or promise of any other Party in executing this Agreement, or in making the settlement provided for herein, except as expressly stated in this Agreement.

9.3 Each Party has made such investigation of the facts pertaining to this settlement and this Agreement, and all the matters pertaining thereto, as each Party deems necessary.

9.4 The terms of this Agreement are contractual, not a mere recital, and are the result of negotiation among all the Parties.

9.5 This Agreement has been carefully read by, the contents hereof are known and understood by, and it is signed freely by, each Person executing this Agreement on behalf of a Party; and each Person executing this Agreement on behalf of a Party in a representative capacity is empowered to do so.

9.6 This Agreement has been drafted by the Parties' respective counsel and is to be construed neutrally and not for or against any Party.

10. Representations and Warranties. Each Party specified below makes further and specific representations and warranties that are true and correct as of the Execution Date and shall remain true and correct until the time of performance contemplated under this Agreement is completed unless otherwise specified below.

10.1 Medley's Representations and Warranties. Medley has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by this Agreement and to otherwise to carry out its obligations hereunder. This Agreement, having been duly and validly authorized, executed and delivered on behalf of Medley, shall constitute

the legal, valid, and binding obligations of Medley, enforceable against Medley in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies. The execution, delivery, and performance by Medley of this Agreement and the consummation by Medley of the transactions contemplated hereby and thereby will not: (a) conflict with or violate any provision of Medley's certificate of incorporation, bylaws or other organizational or charter documents, in any material respect; (b) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, result in the creation of any options, contracts, agreements, liens, security interests, or other encumbrances upon any of the properties or assets of Medley, or give to others any rights of termination, amendment, acceleration or cancellation of (with or without notice, lapse of time or both), any agreement, credit facility, debt, indenture or other instrument to which Medley is a party or by which any property or asset of the Medley is bound or affected, in a way that would cause material adverse effect to the Medley; or (c) result in a violation of any law, rule, regulation, order, judgment, decree or other restriction of any court or governmental authority (including federal and state securities or "blue sky" laws) applicable to Medley or by which any property or asset of Medley is bound or affected, in any material respect.

10.2 BTT's Representations and Warranties. BTT has the requisite legal power and authority to enter into and to consummate the transactions contemplated by this Agreement and to otherwise carry out their obligations hereunder. This Agreement, having been duly and validly authorized, executed and delivered on behalf of BTT, shall constitute the legal, valid, and binding obligations of BTT, enforceable against BTT in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies. The execution, delivery, and performance by BTT of this Agreement and the consummation by BTT of the transactions contemplated hereby and thereby will not: (a) conflict with or violate any provision of BTT's or its subsidiaries' governing documents in any material respect; (b) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, result in the creation of any options, contracts, agreements, liens, security interests, or other encumbrances upon any of the properties or assets of BTT or any of its subsidiaries, or give to others any rights of termination, amendment, acceleration or cancellation of (with or without notice, lapse of time or both), any agreement, credit facility, debt, indenture or other instrument to which BTT or any of its subsidiaries is a party or by which any property or asset of BTT or any of its subsidiaries is bound or affected, in a way that would cause material adverse effect to BTT or its subsidiaries; or (c) result in a violation of any law, rule, regulation, order, judgment, decree or other restriction of any court or governmental authority (including federal and state securities or "blue sky" laws) applicable to BTT or any of its subsidiaries or by which any property or asset of BTT or any of its subsidiaries is bound or affected, in any material respect.

10.3 Liquidating Trustee's Representations and Warranties and Covenants. The Liquidating Trustee hereby represents and warrants that (i) this Agreement has been duly and validly authorized, executed and delivered on behalf of the Liquidating Trust, shall constitute the legal, valid and binding obligations of the Liquidating Trust and shall be enforceable

against the Liquidating Trust; (ii) it has complied with all provisions of the Liquidating Trust Agreement and the Plan necessary to validly enter into this Agreement, including Section 3.2.13 of the Liquidating Trust Agreement; and (iii) the Liquidating Trust will not be seeking Bankruptcy Court approval of this Agreement.

11. Confidentiality. Unless otherwise agreed, the Parties agree to keep any performance under this Agreement confidential and not to disclose documents and communication related to performance under this Agreement, except: (i) to their respective attorneys, professionals, agents and accountants; (ii) to any government agency or regulatory authority and their employees and agents; (iii) to the insurance carriers insuring the Policies; (iv) with respect to the Liquidating Trustee, the Oversight Committee as defined in the Liquidating Trust Agreement; or (v) as required by law or legal process. If a Party is required by law or legal process to disclose this Agreement, such Party will, if practicable, give the other Parties prompt notice of such request so that any other Party may seek an appropriate protective order at its sole cost and expense. In the absence of a protective order, the Party required by law or legal process to disclose this Agreement may do so, provided that it has asked the person or entity requesting this Agreement to treat it as confidential. Notwithstanding the foregoing, the Parties may disclose this Agreement or the terms thereof in connection with any litigation concerning its subject matter, and the Parties further agree that the Liquidating Trustee may disclose its receipt and distribution of the Settlement Payment, or any part thereof, in connection with its reporting obligations under 28 U.S.C. § 589b and related rules and regulations.

Settlement Communication Under Federal Rule of Evidence 408

AGREEMENT

This Agreement is being entered into by and between Eversheds Sutherland (US) LLP ("Eversheds") and Saccullo Business Consulting, LLC, as liquidating trustee (the "Liquidating Trustee" and together with Eversheds, the "Parties") for the Medley LLC Liquidating Trust (the "Liquidating Trust") established under the Modified Third Amended Combined Disclosure Statement and Chapter 11 Plan of Medley LLC dated as of October 14, 2021 (the "Medley Plan"), which was confirmed on October 18, 2021 by Order of the United States Bankruptcy Court for the District of Delaware (the "Court") in the chapter 11 case of Medley LLC (the "Debtor"), case number 21-10526.

WHEREAS, Eversheds was retained as Special Counsel to the Debtor pursuant to an order of the Court dated May 17, 2021 [Dkt. No. 167];

WHEREAS, the Court entered the Amended Omnibus Order Awarding Final Fee Applications on January 26, 2022 [Dkt. No. 569] (the "Final Fee Order") awarding Eversheds fees and expenses in the amount of \$2,080,055.19 (the "Eversheds Administrative Claim"), which amount is payable from assets of the Liquidating Trust to the extent (i) the applicable insurance carriers fail to pay the Eversheds Administrative Claim, and (ii) the Liquidating Trust has sufficient funds to pay such outstanding amounts;

WHEREAS, as part of the Medley Plan, holders of class 3 claims ("Class 3 Claims") and class 4 claims ("Class 4 Claims") are general unsecured claims that share *pari passu* on distributions from the Liquidating Trust;

WHEREAS, the Liquidating Trustee is negotiating a settlement (the "Chapter 5 Settlement") of the Liquidating Trust's causes of action that are not covered by insurance against Seth Taube, Brook Taube and Medley Management, Inc. (the "Settling Defendants") under which they will make a: (i) cash payment (the "Cash Payment"); and (ii) up to a \$10,000,000 payment from an established escrow reserve provided that those funds are distributable to Class 3 Claims (the "Class 3 Distribution"), and collectively with the Cash Payment, the "Settlement Payment";

WHEREAS, under the Medley Plan, the Class 3 Distribution would require the Liquidating Trustee to remit a *pro rata* distribution to holders of allowed Class 4 Claims (the "Class 4 Distribution") and reserve an amount for disputed Class 4 Claims (the "Class 4 Reserve");

WHEREAS, the Liquidating Trustee plans to use some, or all, of the Settlement Payment (as well as other assets of the Liquidating Trust, if needed) to make the Class 3 and Class 4 Distribution (collectively, the "Distributions"), to pay the necessary fees and expenses related to the Distributions, and to create the Class 4 Reserve;

WHEREAS, the forbearance and waiver of rights by Eversheds set forth in this Agreement are necessary to permit the Liquidating Trust to receive the maximum benefit of the negotiated agreement by and between the Settling Defendants and the Liquidating Trust, and to maximize the distribution to all creditors in this case by avoiding unnecessary litigation and the incumbent

dissipation of assets and insurance proceeds that may otherwise be available for distribution to creditors;

WHEREAS, for these reasons, the terms and conditions of this Agreement are integral and inextricable to the Chapter 5 Settlement.

NOW, THEREFORE, for good and valuable consideration, receipt of which is mutually acknowledged, the Parties agree as follows:

1. Eversheds hereby waives any right it may have, or purport to have, under the Medley Plan or Final Fee Order: (i) to receive any payment on the Eversheds Administrative Claim until the Trust has received sufficient funds to: (1) make the Distributions, including, without limitation, the funds required to pay any fees and expenses associated with such Distributions (including fees of U.S. Bank, N.A., as indenture trustee, and the Office of the United States Trustee), (2) establish the Class 4 Reserve, (3) pay any costs, expenses, fees, claims, or other payment rights that are senior to the Eversheds Administrative Claim under the Medley Plan; and (4) satisfy, and or reserve for any claims that are, as of the date of this Agreement, entitled to *pari passu* treatment to the Eversheds Administrative Claim and the Eversheds Administrative Claim; and (ii) to compel the Liquidating Trustee to use the funds referenced in subpart (i) of this paragraph to satisfy the Eversheds Administrative Claim.

2. Notwithstanding anything in the Medley Plan or Final Fee Order, Eversheds agrees that (i) Eversheds shall first seek payment for the Eversheds Administrative Claim from applicable insurance carriers and in accordance with that certain forbearance agreement executed herewith; and (ii) if the applicable insurance carriers fail to pay the Eversheds Administrative Claim in a reasonable time not to exceed December 1, 2022, then Eversheds may seek payment from assets of the Liquidating Trust for what remains owed.

3. Miscellaneous:

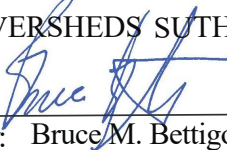

a. Amendments. No modification of any term of this Agreement shall be effective unless made in writing and signed by the Parties. Failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or of future compliance therewith and such provisions shall remain in full force and effect.

b. Severability. If any provision is found to be invalid, such provision shall not invalidate the entire Agreement, but the Agreement shall be construed as not containing the particular provision held to be invalid, and the rights and obligations of the Parties shall be construed accordingly.

c. Counterpart Signature Pages. This Agreement may be executed by e-mail in one or more counterparts which taken together will constitute one agreement.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by themselves or their duly authorized representatives on the respective dates set forth below.
